More and more hunters are getting the bums rush in rural Michigan. Farmers call them "Sear Roebuck Hunters." They say they leave gates open, cut wire fences and shoot at anything from the barn cat to a tractor.

Senator Blair Moody, a veteran of televisions "Meet the Press," program, will face Michigan top newspaper men Dec. 6. in a "Meet the Senator" program, sponsored by the Central Michigan Chapter of Journalism at Michigan State College. The panel is composed of representatives of the Booth Newspapers. United Press, Associated Press and Detroit Free Press.

The original battle flag of the 32nd Division Red Arrow who fought in World War 1, has been presented to the state by Haan American Legion Post of Flnit.

The new state ferry at Mackinac will not be ready for the deer season.

Michigan is expected to contribute $1.500,000 to the March of Dimes this year. $600, 000 more than last year.

About $20,000,000 in sales tax money was divided among the Michigan schools, townships and cities and villages last week. The municipalities got $1.57 per capita and schools $6.69 a child.

In the year ending June 30 last, the federal government paid Michigan residents $90,478,420. Veterans got most of it, $77,574,097, conservation $7,363,175 and new cars for veterans $69 784. The rest was divided among airports highways, railroads, mines, harbors etc.

Army orders received by the autoo industries now total over $6,000,000,000.

The Midwest will become a depressed area unless the St. Lawrence Waterway is built, according to Gen. Lewis Pick, chief ar my engineer. He says the steel industry is moving west of the Appalachains and the auto industry will follow suit.

The cold war in Korea is costing the government twice as much per soldier as in World War II. The cost per year per soldier is $17,060, in World War II it was $7,531 a man.

Gov. G. Mennen Williams was snowed in for 24 hours last week at Hancock, upper peninsula when he went to dedicate the new TB Sanitarium. This was authorized some years ago when the state voted $500.000. This was not enough and the state raised the amount to $657,000. The governor got $329,000 more from the federal goverment. A 100 bed TB Sanitaruim is also being built at Kalamazoo.

WHEELER–BYERLY

Married at St. Mary's church, Pinckney Nov. 3, Joann Wheeler, daughter of Mr. and Mrs. Carmen Wheeler of Gregory to Ronald Byerly, son of Mr. and Mrs. Herman Byerly of Stockbridge, Rev. Albert Schmitt officiating.

The bride wore a white satin gown with full train and finger-tip veil of illusion and carried white mums. Catherine Johnstson was maid of honor and Eleanor Topping and Joyce Breniser, the bridesmaids. The former wore a blue taffeta gown and the latter two rose colored taffeta. All carried yellow mums.

Howard Ward acted as best man and Tom. Campbell and John Steffen as ushers. The bride's mother wore a red colored gown and the grooms mother a plum colored one.

A reception was held at the Gregory Community Hall after which the couple left on a short wedding trip. They will reside at Halfmoon Lake.

Both young people graduated from Stockbridge high school last June. The bride is employed by the Livingston County Mutual Auto Insurance Company at Howell and the groom by the Hickory Ridge Dairy of Stockbridge.

X-RAYING EARTH FOR CHRISTIANITIES SECRETS

First details about a new, dramatic means of archeological exploration will be revealed in this coming Sunday's (Nov. 11) issue of The American Weekly, exclusively with Detroit Sunday Times. Read how Pope Pius XII invited scientists to use their earth x-ray to uncover ancient graves near the tomb of St. Peter.

Characters

FRANK REASON

The folowing article is about Frank Reason, better known as Dick Reason. He lived on Pingree Road, the first house north of the Marble school. A grandson, Ray, owns it now. From what I have learned he was a successful farmer and shrewd dealer and in comfortable circumstances. He was one of a family of 14 children and had to go to work early in life and consequently he had little schooling. He was not particularly religious I am told although he usually contributed to the church. He married Mary Marble, daughter of Sanford Marble, first settler in Pinckney. He was an influential man and is listed as one of the contributors to the $2000 fund raised here to fight Jim Pearson in court when he took possession of the Pinckney public square.

However he is known chiefly for a vision he had known as Dick Reason's Vision. This happened way back in the eighties or before. He was working in his field one day as the sun was setting when he saw crossed guns and bayonets outlined on the setting sun. That night he had a dream in which he saw carriages running without horses, machines flying through the air and boats running under water. He saw a time of war, distress and famine. However this was eventually followed by a time of peace and plenty in which he saw a vision of a small boy, lion and lamb, all playing together. Now Mr. Reason became a steady reader of the Bible and memorized whole chapters of it, especialy that part dealing with his vision. Then he went to Ann Arbor and had a painting made of a boy, lion and a lamb as big as two house doors. This he took around to the country schools and other places and lectured on it and his vision. Ministers of the gospel often argued with him but were never able to stick him.. Mr. Reason remarried late in life and took the picture with him. After his death in 1903 it could not be found.

Mr. Reason had four children, a son, Sanford and three daughters, Mrs. Jennie Hall Mrs. Maude Allison and Mrs. Ella Mercer. Of these all are deceased but Mrs. Mercer. It was from her that I got most of these facts.

Conservation

Hunting period for either sex of der in Michigan by special drawing is Dec. 1-5 except in Allegan county where it is Dec. 1-10.

6 state parks close Nov. 1. The other 57 will be open for fall and winter sports.

The dept. has shipped 340,000 shrubs to 522 Michigan farmers to improve wild life habitat. 170 of these received them for the first tome.

Pheasant hunting is better this year than last. The Dansville area reports twice as many birds shot but third less hunters. In Thumb 50 percent more were shot.

7 wolves in the upper peninsula were bountied in October.

Autoes have apparently killed more deer than archers. In Allegan autoes killed 7 deer and the archers 4. In Shiawassee autoes got 4 deer and archers none.

Hunters have caused an increase in fires. 27 fires last week burned over 121 acres.

The muskrat and raccoon in on in the upper peninsula. It will starts in the lower Dec. 1. 15,642 trapping licenses were issued in Michigan last year. Raccoons are said to be worth $3, Muskrats $1.50 and skunk 75c.

443 conservation law violators paid $12,798 in fines in Sept.

Although rifles may not be used to hunt deer in southern Michigan this year they may be used to hunt rabbits, squirrel woodchucks etc in southern Michigan. The big herring run in the Great Lakes is expected to start the first week in Nov. It last 3 or 4 weeks. During this run the price goes way down. Herring is the Michigan biggest fish crop. 6,600,000 were taken last year.

The season on pheasants ruffed grouse squirrel and woodcock ended Nov. 5 but ducks, geese may be shot to Nov. 25 and rabbits and woodchuck to Dec.31.

Get your deer license early. Last minute rushes last year exhausted dealers supplies in many places.

396 geese were shot the first 2 weeks at the Swan Creek Wlid Life Station compared to 297 last year.

The dept. is notifying 15,190 persons of their right to hunt in 7 counties during the special deer season in December. The object is to reduce fruit tree damage in these 7 fruit producing counties.

To obtain your fox bounty you must take the whole pelt to the nearest conservation office. Township clerks no longer do this work.

Football Notes

LOSE AT STOCKBRIDGE

Pinckney was given a chance to win the game at Stockbridge Friday night as that team has had an off year, only winning one game. But the day before their chances went glimmering when 5 senior members of the team were suspended from the team for breaking training rules. It seems they went on an unauthorized party a night or so before the game. This made it necessary to start freshmen who are shy on wght. and Stockbridge romped to an easy 52 to 6 victory, George Bradley getting the only Pincykney touchdown. Coach Reader put every man on the squad in the contest which was played in near zero weather. Very few Pinckney fans saw the game.

Friday Pinckney ends the season when they meet St. Mary's of Adrian there. This team used to be easy for Pinckney but they defeated Pinckney last year when Pinckney failed to win any games.

CLOTHES FOR KOREA

In Sept. Sgt. Phillip J. McDonnell wrote his parents, Mr. and Mrs. John McDonnell that he would like to have them send warm children's clothing to him to give to war orphaned youngsters near where he is stationed in Seol, Korea. With contributions from Mrs. Justin Stecker, Mrs. Lester McAfee. Mrs Charles Leach and Mrs. Clarence Blades, four boxes were sent. He acknowledged them Oct. 25 and said he had taken them to an orphanage, one of many. they were much appreciated He also bought them candy and cookies and said in some way he was going to get them fuel which is very scarce there. He said they can use more clothes, especially shoes.

BOY SCOUT NOTICE

Meeting at Cong'l. church on Nov. 14, 7:30 to organize adult advisory Boy Scout Board. All parents and interested parties are invited to attend.

Authority for the Portage Lake canal to control the waters of the lake will be vested jointly in the boards of supervisors of Livingston and Washtenaw counties. Livingstn has already approved the resolution and Washtenaw is expected to. There will also be periodic supervision for removing, replacing the dam gates to contrl the lake level.

In the British elections Winston Churchill, conservative was returned as prime minister over Clement AtLee, laborite. He lost the popular vote to AtLee 49.3 to 48.3. Churchi'ls party has 313, seats, AtLees 292 and other parties 13. The conservative platform was not so far to the right as many think. Their platform included a 300,000 housing unit, increased aid to dependent mothers and children. Also a 4,700,000 lb. 3 year rearment program. The big difference is they would denationalize railroad and mines that the labor party took over. We think labor's weakness was foreign affairs. They lost India and Persia and fighting now to hold Egypt. Great Britian depends on her colonies for wealth and imports and if she lost them all there would be no more Great Britian.

Current Comment

The corridors of the Washtenaw court house at Ann Arbor was jammed by sensation seeking bobby-soxers last week who wanted to get in the trial of William Morey, Jacob Pell and David Royal, charged with the brutal slaying of Pauline Campbell, St. Joe hospital nurse. However Judge Breakey ordered all spectators excluded until the jury was drawn. This proved to be a four day job. All jurors who were in any way connected with the nursing industy or tavern business were excluded. A Milan tavern figures in the case as that is where the 3 boys got their liquor. The tavern keeper has since lost his license. The usual panel of 60 jurors was exhausted and another panel of 100 called. 14 were selected in case any of them became ill. It would seems these bobby soxers should be kept in school where they belong.

Have you eaten any horse meat lately You may have. Detroit police have arrested Theodore Pappas, charged with selling horse meat for beef. The meat came from a Centerline slaughter house that sells it but wasn't labelled as such as the law directs. The two truck drivers who were arrested claimed they were employed by Pappas and had been delivering the meat to Detroit, Ann Arbor and Lansing restaurant. Ann Arbor police said a check of restaurants there showed no horse meat and if there had been any it had been disposed of. In Lansing pure food officers ordered a steak in the Regent Cafe which proved to be horse meat. The proprietor saidhe bought it of the Belleville Packing Co. for beef.

The charge has been made and featured in the papers that players on the Michigan State Normal football team who are injured playing, are doped with novacain and sent back in the game again. It all seems to have started when a trainer named Hershey was discharged. He has since been reinstated. College authorities said they investigated the charges and could find no evidence to support them. Novocain is a deritive of cocain, an old favorite with horse jockies and swappers. A lame horse after having cocain injected into its foot or leg would run or walk without showing lameness as it felt no pain. We remember a farm auction in our youth where a fine team had both been doped with cocain The man who got them refused to keep them. Steve O'Neil, former Detroit Tiger mgr., in a press interview says novacain was used on Harold Newhouser in 1945, the year Detroit won the pennant when his arm went bad.

The people of Pinckney were imposed upon again on Halloween night. Not so much by Pinckney children as by those who came from the ooutside. There were droves of them. Doc Cary gave away 300 candy bars and Roy Clark 275. Some private homes handed out over a hundred treats. Some children when asked where they lived gave places 6 and 7 miles away but said they attended the Pinckney school. Not much damage was done except soaping windows. At Parker Motor Sales vandals smashed a bottle of ink against the white wall of the building Last year black paint was smeared on it.

Kent and Oakland counties have abolished the office of coroner and appointed medical examiners instead According to a law passed by the legislature only counties with a population not less than 250,000 and not more than 500,000 may do this. Wayne county will try to do likewise but must get the law changed. Wayne county now has two coroners who draw $5000 each a year and have numerous assistants. The law should be amended to apply to all counties, Also highway commissioner and all but one constable should be left off the ballot. None ever qualify and it costs money to count their votes.

We shall watch with interest the workings of the federal tax bill taxing gambling as gambling is illegal Already the gamblers are howling it will force them to testify against themselves.

ARMISTICE DAY

The Korean War, which we fight as part of the United Nations forces, is still taking a toll in the lives of young Americans.

We do equal homage to these men as to those who fell in World War I and World War II. They truly bear the standard of liberty as did their fathers and brothers to make this world a better place to live for all the people.

May our original hopes of Armistice Day, 1918, become a reality and once again live in a world at peace for all time.

From where I sit ... by Joe Marsh

"Talks Turkey" —Long Distance

Some people chuckled when Sonny Fisher rented a home recording machine to record the noise his flock of turkeys make.

"I sent the recording to a buyer for a super-market chain," Sonny said. "I told them 'My turkeys speak for themselves—listen to this record!' They not only took my birds, but bought the record!"

"Why did they want the record?" I asked him. "Very simple," he says. "They're going to play it over the loud speakers in their stores—and then an announcer on another record reminds the customers that turkeys are plentiful and a good buy."

From where I sit, it's not always smart to make fun of someone just because he does things a little differently. I think a glass of beer is the most refreshing beverage there is. You—or Sonny—may prefer something else. But who's to decide one's right and the other's wrong? Let's stay "on record" that everyone's entitled to his own tastes and opinion.

Grade School News

First and Third

We wrote a Halloween story last week and made decorations. Our school parade was lots of fun. We enjoyed our party and were glad to have our mothers visit us. We are sorry to have Becky Morris miss it through illness. We liked the cookies and chocolate milk

Second Grade

John Steveson's brother, Scott, fell and cut his nose, 3 stitches were taken.

We made charts for National Educational week, listing 26 things we like about our new school.

Now with Halloween festivities over we are looking forward to Thanksgiving.

Robert Nosker and Jack Bennett were sick last week.

Carl Burg's folks have a new television and Patricia Hollisters' a new radio.

After listening to dramatization of "The Little Taylor" over WUOM radio Station we drew pictures illustrate it.

We thank the school board for the new flag they sent us.

We have 5 new puzzles for our room.

Denise Mowers brought a big puffball for our science collection.

Karen Singer, Patricia Milliken and Helen Haydu were absent Monday.

Many of us have new things. Edward Riggs and Denise Mowers have new boots, Paul Burg new high tops, Nancy Darrow, Barbara Baughn and Grace Poulson new mittens and Bunny Hinchey a new purse. John Stevenson's father has a new Ford.

We get our report cards Nov. 7.

Third Grade

Pinckney Elementary School
November 2, 1951

Dear Mother: We want to thank you for helping us have such a nice Halloween party. Thanks for helping us with our costumes, for being such nice cookies and for coming to our party.

Your Son or Daughter
A Third Grader.

Fourth Grade

We had 24 visitors at our Halloween party. Some of us put on a play about 6 witches enchanting a naughty boy.

Sandra Kuhn brought a big jack o lantern, Duane Haines 2 small pumpkins, Evelyn McAinch, cornstalks for a corn shock. They made good Hallween decorations for our room.

Every room has a new flag on the wall. Anita Shirey wrote a story about the flag from the old days to now. Tommy Read drew pictures for the story.

Ryan Bonner brought some Narcissus bulbs planted in a flower dish.

Mrs. Campbell brought us an aquarium from Lansing where she attended teachers institute. We have 3 fish and 2 big snails in it.

Many boys and girls are busy weaving on their looms.

Kristen Tasch was out of school a week, having her tonsils out.

Fifth Grade

We were happy to have so many mothers at our Halloween party. We gave each a corsage we made.

We sent more greeting cards and comic books to Nancy Wylie at the hospital.

We had all of our tests Friday.

We have 13 with perfect attendance records.

We wish to thank the school for apples and Roy Clark for the paper sacks for our eats and every parent who helped make our party a success.

We are happy to have our new desks.

Sixth Grade

I was born in Ford Hospital, Tecumseh, Mich., July 12, 1940. My first home was in Clinton, Mich. Since then I have lived in Ann Arbor. I moved to Hi-Land Lake and attended the Reeves school. I am happy in this new school. I like the children and my work — Judy Froehlick

Denise Davis has brought us some stones from the Ozark Mts.

We put on two plays for our Halloween party and played games. We were glad so many mothers came. We served cider, doughnuts and fudge.

The 6th grade has writen their second noon hour poems.

We made a chart of party mistakes.

Nancy Silipin brought a minnow to school.

Seventh Grade

We are working on our new history books. We are combining English and spelling with history this month. We like the idea.

The girls have formed a club to arrange their recreation program. They plan a party soon. They have games every day with Marilyn Clark as coach. They wonder why the boys do not do more with their recreation hour. Is it more fun to stand around in the hall boys
