SHOOTING FATALITY
A tragic event happened Sunday in the death of Harold Schroen, aged 14 years, at Patterson Lake by the accidental discharge of a shotgun.
The boy, a son of Mr. and Mrs. Fred Schroen of Ann Arbor, was a guest at the Naylor cottage in the Wm. Doyle subdivision, Patterson Lake. The men of the party had been duck hunting and returning about 3:00 p. m. tied the boat leaving a loaded shotgun in it. The boy was warned to let the gun alone but evidently could not resist the temptation to examine it. Just what happened according to Mr. Naylor who also lives in Ann Arbor is not definitely known. It is thought that the boy grasped the barrel of the gun and the hammer struck exploding it. The people hearing his yell ran out to find him in a badly wounded condition, the charge having shattered one hand and entered the abdomen. He was removed to the Pinckney Sanitarium in Swarthout ambulance but died shortly afterward. The body was removed to the Swarthout funeral home and later to the home in Ann Arbor.

HONOR ROLL STUDENTS
As a result of the dental inspection made by Dr. Collocott in the schools of Putnam and Unadilla townships on the 27 of Sept., the following students have been placed on the honor roll: Merlyn Lavey, Merlin Amburgey, Marjorie Gardner, Ruth Gardner, Charles Porter, Helen Kennedy, Gerald Henry, Marjorie Smith, Lucile Kennedy, Lyle Euler, Berdella Euler, Ernest Bokros, Donald Milliken, C. Ledwidge, Anthony Ricci, Enrico Ricci, Robert Smith, Dorothy Bowen, Carl Hudkins, Corinne Palmer and Ernst Corser. 378 children had their teeth inspected. Of that number, 21 are not in need of dental care at present, and 113 have fillings.

AMERICAN RED CROSS
Of the \$300 assessed to the Livingston County for relief in the recent disaster about one half has been paid in. Will those persons intending to give please forward the money promptly as the need is very great.
In Porto Rico a path of total devastation extends the full length of island and one third of its width in which every house as well as native has been destroyed. Refugees are collected by the thousands in the shelter of standing groves. At least 400,000 people are absolutely destitute and depending upon the Red Cross for food, shelter, clothing and medical aid.
15,000 persons in Florida are destitute and bad conditions are reported from the Virgin and Leeward Islands and the French West Indies.
Contributions may be given to your local Red Cross or sent to: Mrs. Emily B. Smith, Howell, Mich.
Mrs. W. P. VanWinkle, Chairman

SOCIABLE EVENING
Everybody come to the social evening given by Com. No. 8, O. E. S. at the Pinckney Masonic Hall Thursday evening, October 4, from 8 to 11 p. m. Games and cards of all kinds. Lunch consisting of hot dogs pie and coffee. Also popcorn stand. Admission 35c.

NOTICE
Regular meeting of Pinckney Chapter No. 145 O. E. S. will be held Friday evening, October 5. A good attendance desired.
Hazel Parker, Sec'y.

PLEASANTLY ENTERTAINED
The Lakeland Kings Daughters were pleasantly entertained at the home of Mrs. Manly R. Bennett of Hamburg last Tuesday. The hostess was assisted by Mrs. B. N. Haight. About thirty-four members and guests were present. The guests were Mrs. King of Ann Arbor, Mrs. Bush, Mrs. James Hayner and Mrs. Bennett of Hamburg.
The business meeting was conducted by the president, Mrs. E. Clyde Dunning. The session was opened by singing "Onward Christian Soldiers" and the repetition of the Lord's Prayer. The secretary's report was read by Mrs. Henry Gatal. Mrs. J. H. Hooker reported \$241.16 in the treasury and Mrs. Harry Whitlock reported on the lower fund.
The meeting was closed with singing "He Knows It All" and prayer by the order. After the end of the meeting the hostesses served dainty refreshments.
Mrs. T. L. Bourbonnais extended an invitation to hold the next meeting at her home October 9 which was accepted.

HARD TIME DANCE
There will be a hard time dancing party at Met Chalkers Dance Hall on Saturday evening, October 6. The Unadilla orchestra consisting of Al Pyper, Mike Hudson and Roy Palmer will furnish music. Everyone come and have a good time. Dances for both old and young. Admission 75c.

CIDER MILL NOW RUNNING
The Dexter cider mill will grind apples every Tuesday and Friday until further notice.
Otte Wagner, Dexter Mich.
Mr. and Mrs. Davis of Highland and Mr. and Mrs. Leslie of Detroit were Sunday guests of Mr. and Mrs. James Docking.

PINCKNEY TRIMS BYRON

The Pinckney High School football team won the second game on their schedule when they defeated Byron on Friday by a score of 19 to 0. The visitors outweighed Pinckney considerably in the line but were unable to gain when gains meant points. Graves kicked off for Pinckney and Leach carried the ball to the ten yard line for Byron by a pretty bit of broken field running and then fell down. Here the Pinckney team braced and held Byron to no gains on three attempts forcing them to punt on the fourth down. This was really the only time Byron got in scoring position. The local team found the Byron ends easy and Capt. Nash, Graves and Gerald Kennedy tore off long gains around them. Nash going over for a touchdown in the first quarter. Graves made another in the second and G. Kennedy in the third. In the last period Coach Doyle sent most of his substitutes into the lineup and no scores were made. Both teams relied on straight football and only one forward pass was completed that being thrown by Reason and received by Nash for a twenty yard gain. In the last half the Pinckney line which put up a great game of and Spansberg, the 200 lb Byron tackle, broke through repeatedly and threw the Pinckney ball carriers for losses. However the visitors showed no ball carrying ability and the local goal line was never in danger. Pinckney goes to Saline Friday, October 5 to meet the high school team of that place and it is hoped that a good delegation from here will accompany them.

NOTES OF THE GAMES
For the second time Pinckney was victorious over a rival school. The average weight of the Pinckney men is only 120 lbs but they make up for their lack of size by their gameness. Another factor in the win could be that it was a football game rather than a basketball game. A good attendance was present but it should be even larger at the next home game.
Pete Goyez (P) for the greatest amount sent to the back field in the first quarter. Russel Read going in at 10:30 and immediately proceeded to tear off a couple of gains around the yard.
Russel Read and Stanley Dick got in the game for the first time and made a good showing.
Byron defeated Durand 24 to 0 in their first game. Saturday Ann Arbor beat Durand 39 to 0. Figure it out for yourself.
If Pinckney's regular lineup had been on the whole team the score would probably have been 35 to 0. However a big score would have meant nothing so the substitutes got a chance the second half.
The field the team is playing on this year is one of the best yet obtained here.
The Pinckney Yell Gang under the leadership of Marion Durkin and Dorothy Carr aroused more enthusiasm than the U. of M. band. It is hoped most of them will be able to accompany the team to Saline.

FRESHENING BREEZES
Perhaps a good way to get the ladies to the polls would be to put on bargain counter sales in the back end of the polling places.
A pioneer is a fellow who can't remember when bobbed hair and slinky skirts meant a neighborhood scandal.
Many a farmer asking for them relief should get further away from movie theatre.
They say this is a year when everyone's property is going to be lost. If that is so now is a good time to put in your order for a farm.
Every American youth should remember that being president entitles one to a three months vacation on the best fishing grounds.
A man with a rhinoceros skin was recently exhibited at an upstart fair. What an ideal candidate he would make.
To hear some men talk the high cost of living began when the price jumped to eight dollars a quart.
What has become of the old fashioned girl who used to worry about a hole in her stocking.

Many of the high school students expect to attend the U. of M. Western football game at Ann Arbor Saturday. All high school students who wish to attend are given free tickets by the University.
Mr. and Mrs. Otto Burdson of Flint called on Miss Helen Tiplay Sunday.

75 cents to \$25 and it is possible to support a family of ten people (all adults) on the money for five months represented by the balls lost by some golfers in a single afternoon.

A golf course has eighteen holes, seventeen of which are unnecessary and put in to make the game harder. A "hole" is a tin cup in the center of a "green." A "green" is a small parcel of grass costing about \$1.98 a blade and usually located between a brook and a couple of apple trees, or a lot of unfinished excavation.

The ball must not be thrown, pushed or carried. It must be propelled by about \$200 worth of curious looking implements, especially designed to provoke the owner.

Each implement has a specific purpose and ultimately some golfers get to know what that purpose is. They are the exceptions.

After each hole has been completed the golfer counts his strokes. Then he subtracts six and says "Made that in five. That's one above par."—Ex.

A MILLION CHEVROLETS

Keeping pace with the most insistent demand in its history, the Chevrolet Motor Company has delivered more than one million cars since the introduction of the popular "Bigger and Better" model last January first.

This sensational achievement of delivering one million cars in nine months is without a parallel in the manufacture of gear-shift cars and is seen as a tribute to the manufacturing ability and far sightedness of the company. It is regarded here as a further indication of Chevrolet's leadership as the world's largest automobile producer.

How this was achieved is noted in the fact that within ninety days after the introduction of the new car more than a quarter million new Chevrolests were in service on the highways. Two months later, a half million cars were in use from Maine to California. In another two months 750,000 Chevrolests were providing dependable transportation in every city, town and hamlet in the union. In October the full million mark was achieved.

In order to accomplish this, new plants and additions were necessary in many parts of the country where Chevrolet manufacturing and assembling is carried on. Foremost among these was the opening in the spring of the mammoth assembly plant in Atlanta, now the largest automobile establishment in the south.

Despite new plants and additions, Chevrolet has been working on a day and night basis since the first of the year to keep pace with the orders. More than 40,000 men, the greatest number ever on the Chevrolet payroll, were employed to assist in the production of the million "Bigger and Better" models now on the road.

The Renown

The last few years have seen a big change in small home heating.

Base burners, oak stoves, etc. have gone out of style because their heating capacity was limited. People are no longer content to live in drafty unheated rooms or be forced to shut off some of the rooms in the winter.

Instead they have turned to the Renown, the heating plant that looks like a cabinet and works like a furnace. It replaces ugliness with beauty, half hearted heat with solid comfort and fuel waste with fuel economy.

One Renown Does the Work of Several Stoves and Fireplaces

This heating device is recognized as the standard heating appliance for small homes, old and new, one story and two story. It is used too in schools, churches, garages and in a great many other types of buildings.

BEAT DEXTER TEAM

A team representing the Pinckney high school made up of reserves and first year men played a practise game with a Dexter team Tuesday and won by a score of 18 to 14.

The visitors showed a nice forward passing game which the home boys had trouble breaking up. Dexter scored in the first few minutes of play on a long pass from Cushing to Smith. Cushing dropped kicked the extra point. Their second touchdown was scored in the same way late in the last quarter and Cushing again booted the oval between the goal posts for the extra point.

Pinckney scored in the first quarter on a long end run by Gerald Kennedy but failed to make the extra point. In the second quarter Kennedy on a fake end run received the ball from Pete Gerycz and ran fifty yards for a touchdown. Rollie Shehan got the last touchdown in the third quarter on an end run. The reserves showed plenty of pluck but lacked experience. Capt. Nash refereed and Roy Reason and Graves of the Pinckney backfield did not play.

GOLF

Golf is a form of work made expensive enough for man to enjoy it. It is a physical and mental exertion made attractive by the fact that you have to dress for it in a \$200,000 clubhouse.

Golf is what letter-carrying ditch-digging and carpet beating would be if those three tasks had to be performed on the same hot afternoon in short pants and colored socks by gentlemen who required a different implement for every mood.

Golf is the simplest looking game in the world when you decide to take it up, and the toughest looking after you have been at it for ten or twelve years.

It is probably the only game a man can play as long as a quarter of a century and then discover that it was too deep for him in the first place.

The game is played on carefully selected grass with little white balls and as many clubs as the player can afford. These little balls cost from

A NOBLE WOMANHOOD

A reception was held Tuesday p. m., Oct. 2nd, at the Community church for Aunt Dora Davis by her many friends, preceding her departure to her new home at Chelsea.

There were fifty-five present to pay tribute by their friendship and love to a revered and honorable lady.

She was ever of a true Christian character and is always the same wherever you meet her, which gained for her many friends in Pinckney as well as Howell and Gregory, where she has lived in former days.

Aunt Dora has seen many changes in the wheels of time, since her girlhood days which were spent in Gregory.

In behalf of the company of friends Mrs. Hattie Swarthout presented Aunt Dora with a beautiful robe and slippers as a token of esteem and love in which she is held in this community. In her sweet way she responded very graciously after which delicious refreshments were served in the dining hall. Best wishes were ex-

tended to her, by all, as she goes to her new home.

George Barnard of Howell was in town Wednesday.

Bert VanBlaricum was given a surprise Sunday on his 64th birthday when thirty-five relatives from Detroit, Oxford, Flint, Fenton and Howell dropped in on him. The dinner was featured by a mammoth birthday cake with sixty-four candles. Mr. VanBlaricum was also given many beautiful presents.
