

# PINCKNEY DISPATCH

Pinckney, Livingston County, Michigan January 14, 1931

## Pinckney Independents Prisons are Released Win Two Games By County Authorities

Pinckney Independents basketball team won from Dexter last evening night at the Pinckney Community Hall by a score of 28 to 22. The game was even the first quarter but Pinckney secured a commanding lead at the half which the visitors were unable to overcome. The score standing 20 to 12 in Pinckney's favor at the half. In the last half the play was even, each team scoring 8 points. Swarthout and Reason scored 14 and 13 respectively. Dexter presented a team of old timers Ben Cole, Sims and Coy playing for them.

**Pinckney** Reason R. F. Cushing Swarthout L. F. Chase Carr C. Sims Hall R. G. Cole Bourbonnais L. G. Coy  
Substitutions—Pinckney, Gerycz for Hall, Dexter, Toth for Cole.  
Field goals—Swarthout 7, Reason 6, Cushing 5, Chase 1, Sims 2, Cole 1. Total 1. Foul goals—Reason 1, Bourbonnais 1. Referee—K. Reason.

Saturday night they trimmed Stockbridge by a score of 40 to 24. The game was closer than the score indicates. The latter was caused by a let down of the Stockbridge team in the last quarter. The game was a nip and tuck affair three quarters. Pinckney got a slight lead at the start when both Reason and Swarthout sank field goals but Stockbridge fought hard and were only 5 points behind at the half, the score being 18 to 13 for Pinckney. In the third quarter Pinckney slowed up for a minute and Stockbridge tied the score and shot ahead, enjoying a 2 point lead for awhile. Pinckney rallied and tied the score and again forged ahead. This time they could not be stopped and ran their total points up to 40. Stockbridge found the going hard and only scored two points the last quarter. Don Swarthout and Lefty Reason registered 18 points each for Pinckney. Norman Miller and Har Hall got 2 each. Budd, the tall Stockbridge center was high scorer for the visitors with 13.

**Pinckney** Reason L. F. Galligan Swarthout R. F. Brooks Carr C. Budd Hall R. G. Gorton N. Miller L. F. Barber  
Field goals—Swarthout 9, Reason 2, Budd 1, Miller 1, Galligan 2, Brooks 2, Budd 6, Gorton 1. Foul goals—Reason 2, Budd 1, Gorton 1. Foul—Pinckney 3, Stockbridge 5. Referee—Doyle and Alexander.

In a preliminary game the Pinckney reserve team lost to the Stockbridge reserves 12 to 4. The Pinckney team was fast on the floor but way off form in basket shooting.

**PINCKNEY PLAYS TWO GAMES THIS WEEK**  
The Pinckney Independent basketball team have two games scheduled for this week. Tonight they meet the Presbyterian church team of Howell. This team is made up of such stars as Frank Thompson, Bruce Schaefer, Michaels, Cliff and Billy Cook.  
Saturday their opponents are the Lansing Baptist church team of Lansing. This team comes highly recommended and Pinckney will have a hard hands full.  
Pinckney has won 5 games out of 7 this season. They have scored 193 points to their opponents 146. Swarthout has scored 98 points and Reason 77.

## Two Boys Who Stripped Rex Harris Car Are Released From Howell Jail and Rearrested by Washtenaw County Authorities.

Edward Boeck and Russell Jacobs arrested here Jan. 2 for stripping the car of Rex Harris of tires and other things are no longer inmates of the Howell jail. The boys confessed to stealing a radio and a number of articles from the farm of Jacob Judson, east of Hudson corners on the Northwest Territorial road. This is in Washtenaw county. Accordingly Jacobs who is only 17 was placed on probation and Boeck who was already on probation for a violation of the liquor law, was turned over to the liquor law was turned over to the Washtenaw sheriff. Jacobs was also arrested, and as a result of information given by him. George Erymichuk, 55 and Harry Massman all of whom live at the Jack Walsh house, three miles east of here were also arrested. Friday night a fifth member of this family, Harvey VanBuren, 18, of Howell, was arrested. It is said that Jacobs admits entering the Judson farm house three times. Jacob Judson who owns the farm lives at 1617 Morton Ave. Ann Arbor. According to Carl Rost, who is carpenter, 50 gallons of gasoline, 20 chickens, 75 phonograph records, dishes etc., were stolen. Jacobs admits the stolen chickens were taken to Pinckney and eaten at the Frenchuhub home. A large amount of bedding, blankets etc., as well as a number of silk and cotton dresses found at the Walsh house have not yet been identified. The Jack Walsh house has only 2 or 3 rooms, yet nine people including three women were living there.

**FARM HOUSE BURNS**  
The two story farm house at Dover on the Thomas Birkett farm 5 1/2 miles southeast of Pinckney burned down Thursday morning with a loss of about \$2,500. It was occupied by Mr. and Mrs. Cassner Howard.

The Dexter fire department was called and saved two other houses near it. The destroyed building was an old landmark and was used as a Dover postoffice for many years in the days of stage coach travel before the coming of the automobile.

**PAIR OF OLD SHOES ADMITS ALL CHILDREN**  
Howell Theatre and Monroe & Newcomb shoe store will give a Big Benefit Show for the unemployed of Livingston County on Wednesday, Jan. 21st at 3:30. There will be a matinee at the Howell Theatre for all school children. Every child will be admitted for a pair of serviceable old shoes. Men's, women's or children's shoes of any style will be accepted as long as they are fit to wear. The feature picture is Harold Lloyd in "Feet First." All shoes collected at this showing will be turned over to the associated charities and Salvation Army of Howell for distribution to those in need of such. Monroe & Newcomb shoe store will give away free to the boy or girl who brings the most pair of serviceable old shoes for one admission, a pair of shoes and zippers free for the first prize and a pair of shoes free for the second prize to the boy or girl bringing the most old shoes for his or her admission to see Harold Lloyd in "Feet First" and get busy now boys and girls and dig up a pair of old shoes and see this King of Comedies in his latest "Feet First." January 21st at 3:30 p. m. Any boy or girl attending without presenting a pair of shoes will pay the regular admission 15c.

**NOTICE**  
The County Teachers Association meeting, scheduled for January 17th will be postponed until February, on a date to be announced later.  
E. Alma Sharpe  
Co. Supt. of Schools.

Morning Worship 10:30  
This service is for all ages, bring the children we have a special and senior service for them.  
Sunday School 11:45  
Cigars for all  
Evening Service 7:30  
This meeting will be open for testimony and prayer.  
Thurs. eve 7:30  
Prayer meeting will be held at the home of the pastor.

## January Thaw

## Court House News

The board of supervisors held their January session last week. After innumerable caucuses Claude Taylor of Green Oak was selected county road commissioner to replace E. A. Kuhn of Gregory. This will be regarded as a victory for the south end of the county. At the previous session the board was unable to decide on a commissioner, \$6,000 was appropriated for tuberculosis work. Dr. Blackford of Brighton, county veterinarian, will do the work. The four southern townships where the test has not yet been tried are Unadilla, Pinckney, Hamburg and Green Oak. \$100 was given to the Mich. Child's Aid Soc. A micrograph machine was also purchased for use in the county offices.

## School Team Opens Basket Ball Season

The Pinckney high school opened their cage season Friday at Brighton. Both first and second teams played. The Pinckney reserve team lost a close contest by a score of 7 to 10 and the Pinckney regulars were beaten 26 to 16. The Brighton gym is small and has a low ceiling. Never the less the Pinckney reserve team put up a good game and the result was in doubt up to the last minute. Brighton had a 6 to 2 advantage at the half. Pinckney took the lead in the last half on some nice work by Stan Adsch who scored 5 points. Brighton sank a couple of goals in the closing moments to give them the decision.

**BRIGHTON RES.**  
Miller R. F. Hyne Smith L. F. Dillaway Battle L. F. Kauble Adsch R. G. Clark Bispeth L. G. Kinsbury

Substitutions—Pinckney, R. Read for Miller, Clinton for Smith, Brighton, Murray for Hyne, Parkenson for Murray. Field goals—Smith 1, Adsch 2, Kauble 4, Dillaway 1. Foul goals—Adsch 1. Referee—Mordsky, Ann Arbor.

In the final game the Pinckney first team got the jump on Brighton and led at the quarter 8 to 2 and at the half 11 to 10. This was the result of some good passing by Haines to the two Meabons who scored 5 and 6 points respectively. In the last half it was a different story. Brighton ran up 16 points while Pinckney only accumulated 5. The Pinckney defense failed to function and Brighton profited accordingly. Pinckney expected these defeats as their teams are made up of green material and the Brighton gym is hard for visiting teams to play in. However, they expect to even things up when the two Brighton teams play here on February 20.

**BRIGHTON REG.**  
Meabon R. F. Pearsall Read L. F. Funsch L. Meabon C. F. Hyne Haines R. G. B. Clark Kennedy L. G. Seger

Substitutions—Brighton, Kauble for Pearsall, Pearsall for Clark. Field goals—M. Meabon 2, L. Meabon 4, Kauble 2, Funsch 2, F. Hyne 2, Seger 1. Foul goals—M. Meabon 2, Haines 1, Kennedy 1. Referee—Mordsky.

The high school plays the Howell Pinckney reserve team at the High School Community Hall Thursday evening, Jan. 15.

**KING'S DAUGHTERS ELECT OFFICERS**  
The annual meeting of the Pinckney Circle of King's Daughters was conducted by the vice president, Mrs. B. C. Daller at the home of Mrs. M. J. Hoisel, Thursday afternoon.

Mrs. E. J. Berquist had charge of the devotionals and Mrs. Roy Simblett favored with an excellent reading. The following officers were elected for the coming year:  
Pres. Miss Blanche Martin  
Vice Pres. Mrs. B. C. Daller  
Sec'y. Mrs. Edward Parker  
Treas. Mrs. Elly Iseler  
Chaplain Mrs. E. J. Berquist

A "beautiful" hot lunch was served to 32 members.

The next meeting will be held at the home of Mrs. B. C. Daller, Thursday, Feb. 5.

## All Farmers Week

**Program includes Meeting, Banquets, Shows, Contest and Talks by Prominent Men**

Plans for farmers week at Michigan State College, February 2 to 6, have progressed to the point where the committee in charge make the prophecy that visitors will need to get a program in advance and to make out a time schedule if they are not to miss any of the interesting features.

Association meetings, department programs, contests, shows, feature events, and talks by prominent men and women follow each other so rapidly that in many cases several of the attractions are simultaneous rather than successive. The plan of holding sectional meetings for farmers organizations in the morning, the general program in the afternoon and evening, and the entertainment features and banquets in the evening is continued this year.

Dairy farmers will have their in-ning on Monday, February 2, when most of the dairy organizations hold meetings throughout the day and close with a banquet at night. There are five associations of dairymen in the state. All of the dairy cattle breeds are represented and the latest entrant to the list is the group who are interested in the milking goat industry.

Beef cattle men and the farmers who pin their faith on draft horses will hold group meetings Tuesday, sheep and hog breeders meet Wednesday, and the shows and contests appear on the program on Thursday and Friday.

## BRIGHTON'S SIDE OF THE STORY

There are usually two sides to a story and Brighton is now presenting the city's side of the unfavorable publicity that resulted from the dismissal of Caleb Collett from the office of justice of the peace and the discharge of the traffic officer. The following is quoted from the Howell Republican Press:

Brighton only desired to enforce a reasonable speed through the business section and had a right to ask motorists to respect the traffic lights, contends Mayor Broadmore. The mayor relates an experience of the officer in stopping Governor Green on a certain Sunday when his chauffeur ran the red light and sped through town at a 40 mile rate. The officer, Robert Cord, allowed the Governor to proceed, and of course did not know it was the Governor, for he was stopping. Another time when Governor Green's car was stopped the chauffeur is reported by the Mayor to have threatened to crowd the officer into the ditch if he did it again. Then came the Ford drivers who made the immediate complaint to the Detroit Club. These men, claims Mr. Broadmore, ran the red light and dashed through town. In every case Brighton felt they had a right to demand respect of their ordinances. "A continuance of such practise as Brighton has experienced would lead to a state of anarchy in every town where big city drivers and their backers in the clubs attempt to dominate and override the small towns," contends Mayor Broadmore.

"The attitude of the Detroit Automobile Club was clearly evidenced last summer when the Mayor and council ousted one of their representatives from the city building following an alleged abuse and condemnation of the town in general, continues Mayor Broadmore.

Residents of Brighton feel that an injustice has been done them, an honorable and respected man injured, and the city plunged into a condition of chaos as far as good government and matters of law enforcement are concerned. The council disgusted with the upturn of things removed the present traffic officer, Robert M. Cord, last week.

Brighton people and Mayor Broadmore are greatly aroused and they are speaking in no complimentary terms of Ex-Governor Green and the Detroit Automobile Club.

## O. E. S. DANCE & CARD PARTY

There will be a dance and card party given at the Masonic hall by the O. E. S. on Friday evening, Jan. 16. Admission 50c per couple, extra lady 15c.

**HAMBURG TAX NOTICE**  
I will be at Euler's store, Lakeland, Saturday, Dec. 27, and at the Home Hardware, Hamburg, after work days until February 26th.  
Charles N. Tinker, Treasurer

## Current Events

The act of Governor Green in pardoning the sentences of some eighty convicts meets with considerable assurance from the state press. Especially in Wayne county where 18 jumpers or slayers were released. Some of whom were only convicted two or two ago. The most notable of these are George Morton Bond, who was convicted of robbery, two others who killed another man for Mr. M. Green, convicted of clubbing a wife in order to collect a insurance policy was also pardoned. There must have been many convicts more deserving of clemency than these two. Irving Lattimer, the famous matricide does not seem to have been considered for pardon at this time.

It seems the press dispatches stating that W. L. Bidwell of Brighton was appointed deputy sheriff, were all wrong. Robert Phillips who served 3 1/2 years as deputy under Sheriff George Wimbles has been re-appointed. The Brighton Argus states that the information was received from the Bidwell family that W. L. Bidwell was to be deputy and that the latter was there ready at the appointed time and place to take the oath of office.

Organized charity on a large scale seems to be impracticable and subjected to considerable abuse. In Detroit, Flint and other cities, tickets worth \$2.00 were issued with which to buy food etc. There seems to have been considerable graft here. Many of these tickets have been found in railed blind pigs where they were used to purchase moonshine. Some of them were used to purchase cigarettes, malt, etc. and others were sold outright for 50c on a dollar to persons who turned them in and received the full amount.

## REAL ESTATE TRANSFERS

Real estate transfers in Livingston County during the month of January 10, 1931, are as follows:  
Herkimer B. Welch to William A. Stewart and wife, land in Todd Point Subdivision No. 4, Hamburg twp.

Louis E. Kaiser and wife to John Liegler and wife, land in Kaiser's Patterson Lake Subdivision, Unadilla twp.  
Wellington I. Brockway by administrator to Fred Schafer, land in city of Howell.

## PERTINENT PHILADELPHIA

The Sunday school class is growing in interest and attendance. Good class discussion of vital points made the hour interesting in spite of the disappointment in the absence of the teacher, Mrs. Hattie Swarthout, who was ill. Several references were made to our pastor's sermon which proves that the Philatheas are also on hand at the morning service and appreciate such good helpful sermons as Rev. Berquist gives to us. Our class should get busy or we'll be out distanced in attendance by the young people's class. They are to be congratulated on their splendid gain. Mrs. Berquist has their class she is a Philatheas, too.  
Next Sunday we study about the ministry of John the Baptist, one of the greatest "road builders" whose life and ministry has ever known about it and bring your own views for discussion. Also bring your Bible. Thank you.  
Charles N. Tinker, Treasurer

WEEK OF JANUARY 18

The first half of the week of January 18th is expected to be mostly fair in the greater part of Michigan.

The first one or two days of this week will be cold, but about Tuesday or Wednesday a sharp moderation will take place.

This storm period will have run its course by the end of this week, bringing some cooler to cold weather about Friday or Saturday.

Cold Weather to Save Trees Entomologists of the Division of Forest Insects in the Department of Agriculture look with disfavor on the warm weather periods of this year.

Those Lucky Pullens! MALCOLM DUART

CHAPTER XXV

The fat man threw his clutch into reverse, and started to back away. The fenders of the two machines groaned, but refused to separate.

face and lowered his head, resigning himself to his fate. Pullen's hand dropped slowly to his side. "Your husband is a pig," Mrs. Pullen resumed, still using her weapon in a threatening manner.

and mayonnaise. While Mrs. Pullen fussed with the arrangement of the table, Julia completed the sandwiches, cutting them into various shapes— hearts and triangles, circles and diamonds.

At this juncture, Pullen hit the fat man in the nose.

by both ears, "arguing vigorously. "You mean old thing!" she cried. "You brute!" It was Mrs. Pullen who brought a pause to the battle.

"Of course he didn't," Pullen said, getting the car under way. "Then," she inquired dramatically, "who did?" The question remained unanswered.

CHAPTER XXVI "Every girl should be proud and glad when a young man wants to call on her," declared Mrs. Pullen.

He shut the door, and lost Mrs. Pullen's reply. "Men think marrying's just a matter of a fellow dropping in and saying 'let's get married,'" commented Mrs. Pullen, sagely.

Her daughter was arranging the pastry on platters. "Mama, you won't say anything to Mr. Parks about getting married, will you?" "Ho!" Mrs. Pullen laughed cheerily. "I know better than that, Julia. You can't catch a man that way."

The day of Mrs. Pullen's tea was clear, and uncommonly warm for late November. Julia, in a new one-piece dress of French serge and a new hat, climbed into the car beside her father, after breakfast.

She waved goodbye to her husband and daughter, and stood watching after them as they turned the corner. Pullen leaned forward in order to wave to her in return.

WHAT most people call indigestion is usually excess acid in the stomach. Food has soured. The instant remedy is an alkali which neutralizes acids.

"New clothes!" she exclaimed, as they started away. "I bought this suit last week," he said, "but they had to alter it. I wanted to look fussy if I showed up for your mama's party. Is it all right?"

#### MORTGAGE SALE

Default having been made in the conditions of a certain mortgage, whereby the power therein contained to sell has become operative, executed by Theodore J. Allebach Jr. and Irene Allebach, his wife, of the Township of Hamburg, Livingston County Michigan, to Joseph Rickhoff, dated October 24, 1929, and recorded in the Office of the Register of Deeds for Livingston County, Michigan, on October 24, 1929, in Liber 132 of Mortgages at pages 254 and 255, thereof. It being expressly provided in said mortgage that should default be made in the payment of taxes or insurance on any date when the same were payable, and should the same remain unpaid for a period of thirty days, then the principal sum mentioned in said mortgage with all arrearage of interest shall at the option of said mortgagee become immediately payable.

And default having been made in the payment of fire insurance and taxes, and more than thirty days having elapsed since said fire insurance and taxes became due and payable, and the same not having been paid by the mortgagors, the said mortgagee by virtue of the option in said mortgage contained, does hereby elect and declare the principal sum of Four Hundred Dollars (\$400) and all arrearage of interest to be due and payable immediately. There is claimed to be due at the date of this notice the sum of Five Hundred Dollars and Seventy-four cents (\$500.74), and no suit or proceedings at law having been instituted to recover or debt secured by said mortgage or any part thereof, notice is therefore hereby given that on Friday the thirtieth day of January 1931, at ten o'clock (Eastern Standard Time) in the forenoon of said day at the west front door of the Court House in the City of Howell, Michigan, that being the place of holding the Circuit Court for the County of Livingston in which said mortgaged premises to be sold are located, the said mortgage will be foreclosed by sale at public auction to the highest bidder of the premises contained in said mortgage or so much thereof as may be required to satisfy the amount due on said mortgage and all legal costs including an attorney fee of twenty-five dollars (\$25). That is to say all that certain piece or parcel of land situate and being in the Township of Hamburg, County of Livingston and State of Michigan, described as follows to-wit:

Beginning at the southwest corner of lot owned by Theodore J. Allebach Jr. and his wife Irene Allebach and running southerly sixty-six (66) feet; thence easterly to shore of Huron River; thence northerly sixty-six (66) feet along the shore of said Huron River to the south line of said lot owned by Theodore J. Allebach Jr. and his wife Irene Allebach; thence westerly along said south line of lot owned by Theodore J. Allebach Jr. and his wife Irene Allebach to place of beginning, being on the west side of Huron River, Section 24, Township one (1) North, Range five (5) east, Livingston County, Michigan. Dated: November 5, 1930  
Joseph Rickhoff,  
Mortgagee.

**From the Dispatch of Jan. 18, 1908**  
The ice houses in this village have been filled with ice the past week.

The suit of Reason vs Peters in regard to the mill pond water power is on trial at Howell this week.

The contract for carrying the mail has been awarded to James Wilcox, Iverryman.

Sime Brogan is still very ill. Mark Wilson is taking his place at meat market.

The Knights of the Loyal Guards have issued a circular containing a picture of Phillip Hassencahl of Pinckney. He left here for the north woods seven years ago and nothing was ever heard of him. His brother paid his assessments on his insurance policy in the above order and now asks payment.

Charles Hoff of Anderson cut his foot badly Saturday while working in the woods.

Born to Mr. and Mrs. S. J. Kennedy, Jan 14, a son.

About 40 friends and neighbors spent Friday evening with Mr. and Mrs. E. G. Carpenter.

The losers in the Anderson boxing match served the winners an oyster supper at the home of Mr. and Mrs. Charles Hoff Friday.

The Eastern Mich. Press Club were entertained at the home Gov. and Mrs. Fred Warner at Farmington last Friday.

#### Recognition Gained by

**Pose as English Artist**  
A number of years ago a young American artist sought a position on a certain eastern newspaper. His work was admirable, but there was no vacancy. Underestimated, he applied at other newspaper offices but with out success. Starvation and a hall room overlooking a back yard stared him in the face.

At that time, foreign artists were in demand. The young fellow changed his name and inserted a hyphen to give it a ritzy atmosphere, and lied himself to the first editor who had turned him down. He had had cards printed bearing a London address.

The busy editor, having forgotten his face, listened to his story. He was an English artist, just arrived. His work, according to the artist, would take the country by storm. The editor believed it, for the drawings were excellent.

The artist was set to work and his name emblazoned on billboards and trucks. It wasn't long, however, before the editor discovered the hoax instead of firing the man, he kept him on the staff.

"Anybody who had the nerve to pull a stunt like that," said the editor to me, "deserves a job. He fooled me completely and any guy who can get away with that is a lulu."

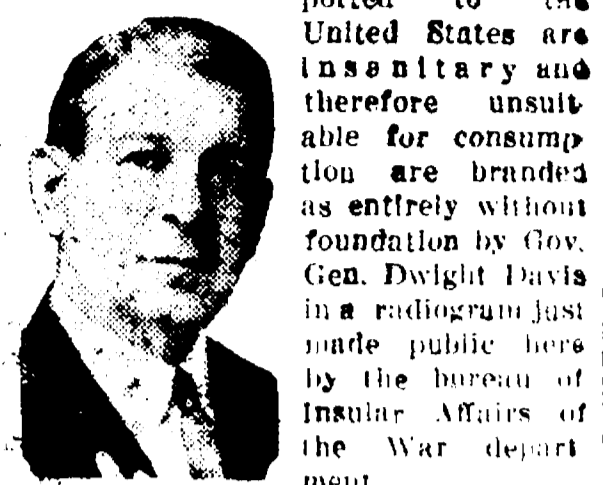

The editor insisted that the artist resume his right name. It is only fair to say that the perpetrator of the hoax made good and is still earning an excellent living with his pen.—Washington Star.

#### "Apple-Jack"

The word "apple jack" will pass its centennial anniversary before many years. It first appeared in the American language in 1840, according to the new dictionary of the American language compiled at the University of Chicago by Sir William Craigie, who edited the Oxford dictionary.

### GOV. GEN. DAVIS DEFENDS PURITY OF COCOANUT OIL

Washington, D. C.

Dwight Davis, Governor-General of the Philippines.

Philippine coconut oil as reported to the United States are insanitary and therefore unsuitable for consumption as entirely without foundation by Gov. Gen. Dwight Davis in a radiogram just made public here by the Bureau of Insular Affairs of the War Department.

"Vegetable oils produced in the Philippine Islands are prepared in a thoroughly sanitary way and are entirely fit for human use," the governor states. "Oil mills operating in Manila were specifically inspected by Governor General Wood's request in 1921 and found in good sanitary condition, and a careful review of them shows they are in like situation today."

#### CITES INJUSTICE OF SUGGESTED FOOD TAX

Washington—A trade war between agricultural and industrial states might be the result if the recent suggestion of Governor Shafer of North Dakota that food commodities manufactured in industrial states be taxed in the agricultural states in which they are consumed were adopted, according to a bulletin issued here by Dr. J. S. Abbott, secretary of the Institute of Margarine Manufacturers.

Governor Shafer, the bulletin points out, recently proposed that since dairy farmers are heavy taxpayers in North Dakota, whereas manufacturers of margarine pay no direct taxes in the state, a tax be placed on the sale of margarine to make that industry share in the cost of the state government. "Such a scheme, carried to its conclusion," says the bulletin, "might eventually include taxes on shoes, clothing, prepared foods, textiles, furniture, and manufactured products made in Illinois, Ohio, New York, and the New England states, which are purchased by the inhabitants of North Dakota. But it is logical to assume that the states against whose products North Dakota levied taxes might retaliate by taxing the commodities produced in North Dakota that are sold in these states."

"The theory that one section of the country has the right to levy a protective tariff against domestic commodities manufactured in another section of the country is economically false. The whole scheme seems like an effort to solve the problem of depressed butter-fat prices, by discriminating against margarine which is a wholesome domestic food commodity depending for its ingredients on products from American farms. The solution lies not in working a hardship on one domestic industry to promote the interest of another, but to correct the conditions in the dairying industry which have resulted in overproduction and surplus stocks in storage."

#### INDIAN BATTLE SITE NOW TOURISTS' MECCA

Howe Caverns, N. Y.—One hundred and fifty-second anniversary of the Cherry Valley massacre, bloodiest Indian outbreak in the annals of North America, will be observed in this locality this year.

Twenty-five miles northwest of Howe Caverns at Cobleskill, which is drawing thousands of tourists to its subterranean wonderlands, lies the town of Cherry Valley, scene of this barbaric slaughter. Today the town is a somnolent rural community, with several thousand inhabitants, in the heart of a thrifty dairying center.

### MICHIGAN BELL TELEPHONE CO.

#### She finds TELEPHONING Inexpensive

FOR shopping, making social engagements and keeping in touch with out-of-town friends, she finds telephoning the quickest, most convenient, and least expensive way.

Her bridge group or dinner guests are assembled quickly by telephone. (Telephoned invitations are nearly always socially correct.)

She talks with out-of-town relatives frequently by Long Distance, and when friends move away, she maintains her acquaintanceship with them by telephone.

The cost of telephone service is low.

#### "Cooking with my ELECTROCHEF\* electric range isn't a bit expensive—All my friends are surprised to learn how little it costs!"

"One reason why my ELECTROCHEF is so economical is the set of Mirro-aluminum cooking utensils that come with the range. These utensils have black surfaces which speed up cooking remarkably. They make cooking one-third faster, and of course require less electricity than would otherwise be needed."  
(ELECTROCHEF's Cash Price, including 7-piece set of utensils, is \$105 installed. \$10 down, \$6 per month.)

\*A study of 500 homes showed that the cooking cost with the ELECTROCHEF averages 64c a person per month.

### THE DETROIT EDISON CO.

**Turning the Tables**  
The husband, who had a great habit of teasing his wife, was out motoring in the country with her when they met a farmer driving a pair of mules. Just as they were about to pass the farmer's turn-out, the mules turned their heads toward the motorist and brayed vociferously.  
Turning to his wife, the husband remarked, cuttingly, "Relatives of yours, I suppose?"  
"Yes," said his wife, sweetly, "my marriage."

**Life Spans Compared**  
According to the Argentine bureau of statistics, the average life span in Buenos Aires is thirty-eight years, which is eleven years shorter than the average span of life in New York and seventeen years shorter than that of Berlin. The life span in several cities as estimated by the Argentine bureau is as follows: Berlin and Amsterdam, 55; London and Washington, 53; Vienna, 51; New York, 50; Tokyo, 49; Paris, 47; Montevideo, 46; Jandro, 26.—Pathfinder Magazine.

## REVEALS SECRET OF PERFECT CUP OF TEA

New York.—Making good tea is a  
secret many American housewives have  
never solved, although the beverage is  
one of the oldest known to mankind,  
says a bulletin made public by the  
Tea Association of the United States.

"Brewing good tea is as exact an  
operation as concocting an angel food  
cake or lemon meringue pie," the bul-  
letin says.

"First, an earthen pot should al-  
ways be used in making the beverage.  
Have it scalding hot by rinsing with  
hot water. Put dry leaves into the

hot pot. Have a measure for your  
water and have this measure scald-  
ing hot. Pour out carefully as many  
cups of water as you desire to make  
of tea and pour the water instantly  
while it is boiling, bubbling hot, on  
the dry tea. Let the tea steep from  
three to five minutes, according to  
whether you wish it weak or strong.  
Stir before pouring. Keep the pot hot,  
but do not allow the tea to boil. A  
teaspoonful of tea for each cup and  
one for the pot makes a delicious bev-  
erage of medium strength."

### Scotland Scores Again

The tailor discovered when exam-  
ing his stock that he had six 30-shil-  
ling suits.

"I can't sell them at all," he con-  
fessed to his friend.

"Why not wrap them up and put  
an invoice in for five suits at 40 shill-  
ings and send them to MacNab?"  
advised the other sharp business man.

"What will happen then?" asked  
the tailor.

"MacNab will think that you've  
made a mistake and buy them at  
once," the friend replied.

The tailor called on his friend three  
days later, and his face was white  
with rage.

"You've ratted me," he cried. "I  
sent the six suits to MacNab with  
an invoice for five, and he returned  
five suits saying that he did not want  
them."

**U. S. AIR CORPS  
MAP LARGE AREA  
OF STATE LANDS**

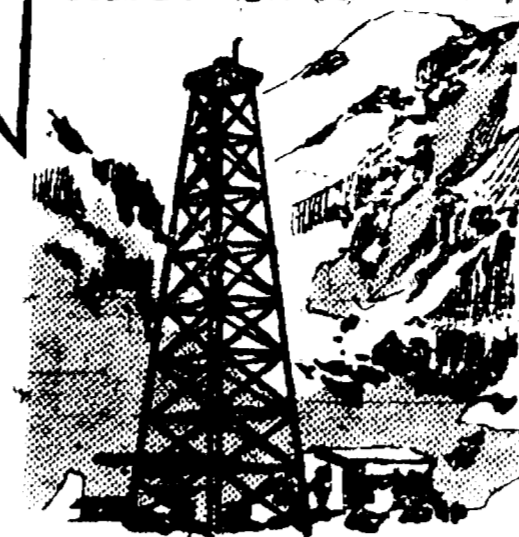

The U. S. Geological Survey and the U. S. Army Air Corps in co-operation with the division of Geological survey of the Michigan Conservation Department have mapped 5,500 square miles of the state's territory during the past two years.

This mapping, which has been done entirely from the air, has resulted in more than 30,000 individual airplane photographs. The area covered to date includes 1,127 square miles in Mackinac county; 1,004 in Schoolcraft; 1,168 in Delta, 5 square miles of the Munoskong State Park; Muskegon, 521; Oceana, 546; Mason, 499, and the western half of Lake county, 288 square miles; and in co-operation with the University of Michigan, 210 square miles on Isle Royale.

Photographs of this kind, because of their accuracy and because they can be used with a stereoscope to show contours, can be put to a wide range of usefulness. They are being used by the state highway department, conservation department and others. In conservation work they aid in forest-fire control and prevention work, state park and game refuge and public hunting ground planning, and are invaluable to the land economic survey in those areas where the presence of iron ore prevents the use of the magnetic compass.

NEW HAVEN, CONN. SCIENCE FEATURE SYNDICATE

**OPPOSE SEASON ON PATS IN U. P.**

Despite the fact that sportsmen throughout the upper peninsula agree that the partridge are coming back in

fine shape, sentiment seems solid in declaring against an open season on grouse next fall.

Reports indicate that the birds are thriving again after having been all but exterminated by a combination of natural causes and slaughter by hunters a few years ago. Inasmuch as this is the first year partridge have been seen in any numbers since they were given the protection of a closed season, however, upper peninsula sportsmen believe they should be given at least one more year in which to re-establish themselves.

Conservation officers throughout ten peninsula are paying special attention to protecting partridge from illegal shooting and many arrests have been made this fall as a result of that violation.

Sentiment in this section also indicates that when the season is again opened on grouse in the upper peninsula sportsmen probably will seek a reduction in the daily bag limit from five birds to three.

**Charlotte May Lose Citizens Telephone**

Charlotte, perhaps, will soon lose its distinction of being about the only city of lower Michigan that supports two separate telephone systems. Announcement has been made upon reliable authority that the Michigan Bell Telephone company is acquiring through outright purchase, the assets, business, equipment and good will of the Eaton County Telephone company. The Bell company several times has made negotiations previously to acquire the "Citizens" concern, as it is known, but they all have fallen through until now. The majority of the stock of the independent company has been held for some time by Fred and Floyd Bohn.

It is understood that the purchase price has been agreed upon and that a payment has been made on the purchase option, and that all that remains to close the deal is the approval of the state public utilities commission, over which no difficulty is anticipated, as it is reported that the commission's policy is favorable for such consolidations whenever possible.

**Realtors Pledge Aid Rich Bond Drive**

Members of the Battle Creek Real Estate Board enlisted in the drive to dispose of the remaining \$38,000 of \$100,000 bonding issue to bring the Rich Manufacturing Company from Los Angeles to Battle Creek.

At a meeting of the board all members pledged to launch a concerted drive to aid the chamber of commerce in closing the sale of the bonds.

**Saginaw Channel Work Will Start in Spring**

Work on the deepening of the Saginaw river channel will begin early in the spring, it was indicated after announcement that Saginaw banks had underwritten one-third of the expense of dredging, their share amounting to \$100,000. A government appropriation of \$860,000 will be available for this work in 1932, but by means of the loan, work will begin at once. The deepening will enable lake steamers to navigate the river.

**BONDS TOTAL \$700,000,000**

Michigan's counties, cities, villages, townships and school districts, as of June 30, 1930, had total bonds outstanding of \$648,208,053, of which \$80,945,051 was incurred during the fiscal year ended last June 30, according to statistics compiled by W. T. Manning, head of the bond division of the state treasurer's office. The figures do not include drainage district nor Convent road district bond issues, which are not reported to any state agency. Neither do they include the state's own bonded indebtedness of \$82,250,000. Adding the latter figure to the \$648,208,053, the total would be over \$700,000,000, which is about a twelfth of the value of all real and personal property in Michigan, as appraised by the State Board of Equalization.

"That is a skyscraper," announced the guide. "Old Lady. 'Oh, my! I'd love to see it work.'"

**State Surveys Copper Deposit**

A canoe shaped copper range, traced by magnetic dip needles, has occupied the attention of a mineral land classification survey headed by H. R. Aldrich, assistant state geologist at the University of Wisconsin for nine years.

The survey, which sought to find the commercial possibilities of copper in the Keweenaw range of northern Wisconsin, was finished during the summer of 1930 by Mr. Aldrich and a party of Wisconsin university students.

The richest deposit located by the survey crew was on the Dingle river in southeast Douglas county. This deposit has been tested and found to yield about 20 pounds of copper to one ton of rock.

The Keweenaw range has been found to be a continuation of the copper bearing Keweenaw peninsula of Michigan, and its formations have been traced in Iron, Ashland, Bayfield, Douglas, Burnett, Washburn and Sawyer counties in northwest Wisconsin. The range enters Wisconsin at Hurley and trends in a southwesterly direction ending at St. Croix Falls according to Mr. Aldrich.

Students in the department of geology at the University of Wisconsin took part in the survey in order to receive practical experience. Included in the party were J. M. Hansell, chief of party; Richard H. Dana, Keweenaw; Wayne Burkhead, Zearing, Iowa; Alfred R. Butz, Milwaukee; and W. G. Meyer, Madison.

The survey work was aided by a similar survey in the Keweenaw peninsula in northern Michigan to determine the extent there of the remaining copper reserves.

Mr. Aldrich explained that although the copper in the region is in the metallic state, as contrasted with the western copper that is combined with sulphur, the commercial exploration of the deposits must wait until the future because such questions as transportation, low market prices for copper, and the low grade of the best deposits will deter any present activity.

**Grand Rapids Firms Merge**

The McMullen Machinery Company, Grand Rapids, organized 20 years ago to deal in metal working machinery, has been absorbed by the Manufacturers and Builders' Supply Company. The purchasing company takes over the entire stock, organization and business of the McMullen Machinery Company and the combined firm, which will be operated under the name of Manufacturers' Supply Company, becomes the largest exclusive mill and factory supply house in western Michigan.

Officers of the new company, who were executives of the Manufacturers and Builders' Supply Company, are: President and secretary-treasurer, Edward H. Leama, and vice-president, Henry D. Loma. Arthur Hoffman of the McMullen Company will be office manager of the new firm.

**OTTAWA TO SPEND \$76,000 ON ROADS**

Ottawa county will spend about \$76,000 for construction of roads during 1931, according to the budget adopted by the board of supervisors.

One of the most important improvements will be the relocation of Waverly road, which will save the county three miles of maintenance. This road will be extended south from Clark's corners and it will intersect with M50, three miles west of the present section of Waverly road.

Other road projects will include: Sixteenth street, one mile; Zealand to Holland, one and a half miles; Town Line road, Olive to Blendon, one mile; Hudsonville road, south, two miles; Byron Center road, one mile; Beavertown road, Blendon to Allendale, one mile; Port Sheldon, new road; Eastmanville road, north, two miles.

**Allegan Well Produces**

Oil and gas were found recently in a well which is being put down on the Foster farm near Merson, about seven miles south of Allegan on M-40. The well is being drilled by the Johnson Oil Company of Chicago. Oil and gas were found at the depth of 1,400 feet. Production is estimated at 15 barrels daily.

**After 40 Bowel trouble is Most Dangerous**

Constipation may easily become chronic after forty. Continued constipation at that time of life may bring attacks of piles—a host of other disorders. Watch your bowels at any age. Guard them with particular care after forty. When they need help, remember a doctor should know what is best for them.

"Dr. Caldwell's Syrup Pepsin" is a doctor's prescription for the bowels. Tested by 17 years' practice, it has been found thoroughly effective in relieving constipation and its ailments for men, women and children of all ages. It has proven perfectly safe even for babies. Made from fresh laxative herbs, pure pepsin and other harmless ingredients, it cannot grip, will not sicken you or weaken you; can be used without harm as often as your breath is had, your tongue is coated, whenever a headache, bilious, gassy condition warns of constipation.

Next time just take a spoonful of this family doctor's laxative. See how good it tastes, how gently and thoroughly it acts. Then you will know why it has become the world's most popular laxative. Big bottles—all drug stores.

### NEIGHBORING NEWS

Postmaster J. V. Baker of South Lyon has been re appointed for a 4 year term.

At the annual meeting of the Livingston County Mutual Fire Ins. Co. Henry Ross of Brighton was elected president; Ross Robb, vice president; sec'y-treas., W. J. Larkin, directors, Thurber Cornell, T. H. Howlett.

Ann Arbor received \$4,300 for use in charity fund. \$1,910 was derived from the annual charity ball and \$2,383.17 was the cities share of the Mich.-Chicago football game.

An effort is being made at Howell to establish a star mail route between that city and Detroit via the 6.10 P. M. bus out of Howell. It is said that bids have been received and approved and are now in Washington awaiting the approval of the Postmaster General.

Revised figures give Livingston County a population of 19,274. Howell, the county seat has 3,615 inhabitants.

Ninety-five men are being employed by the Shiawassee County road commission, in an endeavor to relieve unemployment in that county.

The Wood Specialty Company for the manufacture of all kinds of boxes is to open about January 15th in Milford.

The building permits for the village of Wayne dropped 50 o/o last year.

The McDonald Ice Cream Co. plans to erect a \$30,000 factory in Ann Arbor this year.

### HAMBURG

Church services will be held at St. Stephen's Episcopal church at 11 o'clock, Sunday morning, January 18 in charge of Arch-Deacon, Ven. Leonard P. Hagger, of Detroit. Holy communion will be celebrated. Sunday school will precede church services.

The Ladies' Guild of St. Stephen's Episcopal church was pleasantly entertained Thursday afternoon by Mrs. James H. Hayner, at her home on Washington St. Mrs. William Leece of Harbor Springs was a guest. The president, Mrs. Henry B. Fryer, presided, the meeting opening with singing, "The Home Over There" and prayer by the president. Minutes of the last meeting were read by the secretary, Mrs. Frank Buckalew, and approved. Other routine business followed. The following committees were appointed for the year 1931: Chancel, Mrs. Edward J. Sheridan, Mrs. Charles S. Olsaver; entertainment, Mrs. Emil Kuchar, Miss Jule Adele Ball, Mrs. Ethel Parkinson; flower, Mrs. Bert N. Haight, Mrs. Buckalew; advertising, Mrs. Keedle, Miss Ball, Mrs. E. Wray Hinkley; stranger, Mrs. Hayner, Miss Bess Hollister, Mrs. Millie Rolison; sick, Mrs. Hinkley, Mrs. Reuben A. Kisby, Mrs. Parkinson, Mrs. Hayner served dainty refreshments. The meeting closed with repeating the Lord's prayer and benediction.

Hamburg Hive, No. 382, Lady Maccabees met in regular session in I. O. O. F. hall Tuesday afternoon. The commander, Mrs. Emily Kuchar, presided and the meeting opened in form. Minutes of last meeting were read by assistant record keeper, Mrs. Carrie E. Sheridan, and approved. Financial report was given by the record keeper, Mrs. Nellie E. Haight. Routine business followed. Officers for the year 1931, will be installed Tuesday afternoon, January 20, Mrs. Kate B. Queal acting as great installing officer. Each member will be privileged to invite a guest. Light refreshments will be served and a short program given. For good of the order Mrs. Carrie E. Sheridan and Mrs. Pearl Sheridan conducted a game of keno. First prize was won by Mrs. Gladys Lee on a draw with Mrs. Minnie Buckalew; second prize by Mrs. Mary Downing on a draw with Mrs. Kate B. Queal and Mrs. Florence Kisby. Mr. and Mrs. William H. Keedle and cousins, Russell Galatian have returned home after spending a week and a half with Mr. and Mrs. Keedle's son, Donald I. Keedle and family at Muskegon Heights.

Mr. and Mrs. Edward G. Houghton and two children, Miss Jeanette and Kenneth were recent guests of Mr. and Mrs. P. A. Lannin at Rosedale Park.

Mr. and Mrs. Charles Field entertained at dinner recently, Mrs. Field's nephew, William O. Armstrong, Mrs. Armstrong and three children, Mary, William, and Jack, and Mr. and Mrs. Lloyd Waters, of Pontiac and Mr. Field's niece, Mrs. Harold Granger, Mr. Granger and two daughters, Miss Dorothy and Beverly, and Mrs. Mary Safford of Whitmore Lake. Lloyd Nelson and Fred McCann of Lansing have been visiting Mr. and Mrs. Harry Whitlock.

**SENDS OUT UNIQUE CARD**  
Harry German, Mayor of Northville and also a famous base ball player sent out the following New Years card:

"I have been fussed, mused, cussed and discussed; accused, abused, and misused; I have been rammed, jammed slammed and damped; grieved, peeved, relieved and deceived; helloed, piecelloed and buffaloeed; been called, hauled, bawled and mauled; bluffed, puffed and cuffed; nicked; picked; kicked, and lieked; been ruled, pooled, tooled and fooled; racked, whacked, cracked and macked; jounced, bounced, flounced, and trounced; have been robbed, dubbed, clubbed and snubbed; jumped, dumped, pumped, and bumped; rimmed, dimmed, jimmied, and trimmed; been mugged, lugged, tugged and slugged; docked, rocked, socked, and knocked; I have been bodywrecked, Groesbecked and Brucker-elect; I have been lipped, ripped, zipped and jipped have been sad, glad, and mad; and I have, sought, caught, taught and fought for naught. But, for all that, somebody has to be mayor of Northville.  
"May yours be more than a Joyful and Happy New Year."  
"HARRY S. GERMAN."

### Personal Service

THE WORK of the modern funeral director includes much more than the sale of merchandise. Many small but important services are performed for the bereaved family—services which require thoughtfulness and experience.

From the moment the first call is received our entire organization is at the service of our clients. Every need is anticipated and we assume as many as possible of the small details which prove so irksome at such a time. We consider it a sacred duty to protect at every turn the interests of those who have put their trust in us.

### The New "Happy Home" Style Frocks

Never in the History of Textiles have there been values so amazing that frankly we marvel at their being produced to sell at this startling low price. They are equal in every respect to dresses formerly sold at twice this price.

The new Venetian Pongette Prints, Sterling Broad-combs and Linens used exclusively—high count cloths in vat colors—every pattern new and distinctively smart. Styles that will delight the most fastidious woman.

Every Dress Guaranteed to Wash without Fading

Sizes 16 to 52
