## Will You Envy the Traveller or Be One of Them

It is rather discouraging—this being limited in one's travels vista to reading or the exciting tales reported by friends who have been places. Enough of this and one develops that same hopeless attitude which golf dubs often have in common as they watch their more proficient brethren.

In both cases, as often as not, a mental hazard which holds one back. Overcoming this a man has an even chance of shooting near par golf—or by the same token of suddenly finding himself in Europe, or wherever else it is he'd like to be. Incidentally one of the best methods who know of hurdling the mental hazard of travel is through a consistently kept vacation savings account at the bank. Try it—don't envy the traveler... be one!

## Full of Ifs But

—When automobiles were called horseless carriages?  
—When you bought your top and windshield and oil lamps as extra equipment?  
—When passengers climbed into the tonneau from the rear?  
—when it was something to brag about to drive 25 miles without a tire change?  
—When you got most of your mileage out of boots and patches?  
Those may have been the "good old days" but who would want to go back to them. Tires have more than kept pace with automobiles in the development of durability and dependability. With it all tire prices have gone down and down. Tire mileages are three times what they were in 1912. And just a few years ago you paid two and three times as much for your tires as you will pay today. Today I can sell you tires at a price that just a few years ago couldn't be thought of—a set of long-lived, safe dependable and wonderfully comfortable Goodyear Balloons.

# Let's have a SHOWDOWN on this matter of TIRE Comparisons

WITH all the conflicting claims published about tires, it is obvious that misleading statements are being made. The only conclusion that you as a tire buyer can draw is that either we, as Firestone Dealers, are misrepresenting Firestone products, or that a certain mail order house is not telling the truth about theirs. Both can't be right—one or the other is misleading the public by their comparisons.

Firestone, in their advertising, only make comparisons that can be easily verified by the customer before buying tires. To attempt to substantiate the comparisons made by this mail order house, it would be necessary to go into a laboratory and employ experts.

The very reason that the comparisons made in Firestone advertising enable you to get the facts yourself, makes it unnecessary for Mr. Firestone to make affidavit on the truth of his statements or to file any complaint with the Federal Trade Commission, and then advertise it, in an attempt to lead the public to believe his statements were true.

Mr. Firestone doesn't ask you to accept comparisons about Firestone Tires and special brand mail order tires until you see the facts yourself. Neither do we. All we ask is that you make your own comparison.

We have cross-sections cut from special brand mail order tires purchased from stocks of mail order house and from Firestone Tires—no "tricky" or misleading comparisons—come in today and make your own comparisons for Quality, Construction, and Prices. YOU and YOU ALONE be the judge!

**Double Guarantee**—Every tire manufactured by Firestone bears the name "FIRESTONE" and carries Firestone's unqualified guarantee and ours. You are doubly protected.

\* A "Special Brand" Tire is made by a manufacturer for distributors such as mail order houses, oil companies and others, under a name that does not identify the tire manufacturer to the public, usually because he builds his "first line" tires under his own name. Firestone puts his name on every tire he makes.

**LAKELAND CIRCLE OF KING'S DAUGHTERS**

The Lakeland Circle of King's Daughters was pleasantly entertained Tuesday afternoon by Miss Jule Adele Ball at her home "Top O' The Hill's Place."

The meeting was in charge of the president, Mrs. Edward G. Houghton, and opened with a song "The Old Rugged Cross," followed by repeating the Lord's prayer. Minutes of the last meeting were read by Miss Viola Petteys, secretary pro-tem, and approved. The treasurer, Mrs. Henry M. Queal, reported a balance in the checking account of \$12.30. Mrs. Harry A. Lee reported \$3.10 in the flower fund. Miss Petteys reported for the work committee. Mrs. Alec H. Pearson was admitted as a member of the circle. Letters of thanks and communications were read. The coming county convention was discussed. As the next meeting would be the day before the county convention it was voted to omit that meeting. The next meeting will be held at the home of Miss Viola Petteys of Lakeland, Tuesday afternoon, June 9. A song "Mother of Mine" was sung and Miss Ball read a poem "You Wants Yo' Mammy Den" and excerpts from Silver Cross magazine. The meeting closed with song and prayer of the order.

For entertainment Miss Ball conducted a memory contest in which Mrs. Edwin Shannon, Sr. was prize winner and a horse shoe throwing contest, the prize winner being Mrs. Telesphore Bourbonnais.

**Buddhist Shrine.**

The great Shwe Dagon pagoda is one of the best known places of worship in the East. It has a particular sanctity to Buddhists because it is credited with containing actual relics not only of Gautama but of the three Buddhas before him. The pagoda stands upon a mound partly natural and partly artificial. It is about 370 feet high and is profusely covered with gilt from base to summit. At the base of the pagoda hill are many monasteries.
