Current Comment

The wise ones professed to see in the announcement that Ed Shields of Lansing would manage the campaign of Claude Carney for governor an indication that that candidate would have the inside track in the three-cornered contest for governor on the Democratic ticket at the primaries.

Judge Sample turned down the request of the 76 citizens of Ypsilanti for a grand jury investigation into the affairs of the city. They charged that the city government was buying supplies of city officials in violation of a state law.

President Hoover has been notified that he has been renominated, about a month ago, for the presidency and probably was only mildly startled by the news.

CHANGES IN GAME LAWS

Upper peninsula hunters will have their first opportunity in years to shoot Ruffed Grouse next October since the Conservation Commission did not renew the closing order. The Commission, at its July meeting, also approved regulations conforming with the federal regulations for migratory bird seasons, bag limits and minor rules.

The open season for Ruffed Grouse in the upper peninsula this fall will be Oct. 1 to 12 inclusive. The lower peninsula season will be the same as last year, October 15 to 26 inclusive. The bag limit of five in one day and ten in a season remains unchanged.

Among the more important changes in the waterfowl regulations to be effective during the coming fall include the lengthening of the duck season to two months, from Noon October 1 to sunset November 30; limiting the no. of certain species which may be taken in one day; and limiting the number of live duck decoys that may be shot over at one gunning stand to 25. There will be no open season on woodducks, ruddy ducks, buffheads, Ross' geese and cackling geese to conform with federal regulations.

PRIMARY SCHOOL FUND CUT FROM LAST YEAR

Primary schools of Michigan will feel the effects of the economic depression this year, when the funds collected from public utilities, inheritance taxes, and insurance companies are distributed.

The primary school fund to be distributed in September dropped from a total of \$24,137,898.91 in 1931, to \$20,789,287.40, or a total decrease of \$3,348,611.

The largest decrease is shown in the collection of the fee from railroads falling from approximately \$10,398,000 in 1931 to \$7,846,000 in 1932.

Mrs. Julia Greiner and daughters, Mary and Julia, of Detroit spent the week end at the George Greiner home.

Mr. and Mrs. Orla Tyler returned to their home at Belding Sunday after spending five weeks with Miss Viola Pettys and other Lakeland friends.

Mr. Henry Graham and daughter, Helen of Battle Creek were guests of Dr. and Mrs. R. G. Sigler the first of the week.

POLICE TELEPHONE DIRECTORY

Value of telephone service to the law enforcement authorities of the community and state is increased by the publication of a special telephone directory of Michigan Police officers and Sheriffs, just issued by the Michigan Bell Telephone Company. Copies of the directory were delivered this week by R. VanMeter, manager for the Michigan Bell Company in this area, to Sheriff Henry D. Finley of Livingston County, Corp. L. J. Meehan of the Michigan State Police and Capt. Fred G. Armstrong of the State Detective Bureau.

Manager VanMeter states that publication of the directory is in line with the telephone company's cooperation with the law enforcement officials in their work. He adds that it is the company's policy to give telephone users fullest cooperation in handling police and other emergency calls, as in case of fire, sickness or accident. Telephone operators are instructed to give special attention to emergency calls.

Designed primarily as a telephone reference book for use of the authorities in getting in touch with each other, the new Michigan police directory contains the office and home telephone numbers, and name of law enforcement officials in the state, as of June 1, listed alphabetically according to cities and communities. That makes it possible to reach any officer in the state quickly, at any time, day or night. One section of the book lists the sheriffs separately, in alphabetical order by counties.

The first edition of the police telephone directory was issued by the Michigan Bell Company a year ago and proved of such value to the authorities in general that it was decided to bring the list of names and telephone numbers up to date at this time. Because of the many changes in names and numbers, Manager VanMeter urges that copies of the issue be destroyed.

Law enforcement officials depend greatly upon local and long distance telephone facilities, and there have been many instances in which immediate use of the telephone resulted in preventing crime or bringing about the capture of criminals.

"We are SPOT, STRIP and DIP--

and we can help you solve your small industrial heating jobs...

"Perhaps you aren't acquainted with our particular type of small electric heaters. Our specialty is fitting into the small manufacturing process that needs a small amount of heat. In these cases, we can often do the work cheaper than any other method.

"Take, for example, SPOT - the cartridge-type electric heating unit. This small unit provides a spot of clean, safe, odorless, precisely controlled heat just where it is needed in a process or in a machine. STRIP, the electric strip heater, provides strips of heat for use in scores of hard-to-heat locations, in cabinets, outlying buildings, crane cabs, valve houses. DIP, the electric liquid heating unit, can be placed in tanks or kettles or in compartments of machines, for the heating of oil, glue, wax, water or other liquids.

"You will be surprised at how little we cost. A cartridge unit like SPOT sells for only \$2. A unit like STRIP sells for \$1.50. And a simple liquid heating unit of the DIP type is available for \$10. In addition there are many other kinds, among which you can choose...

At the Dixie sign you'll find local citizens who live here in your community, who contribute to its welfare and its growth - business men who operate on the Golden Rule.

We are proud to display the Dixie emblem. It is our "Statue of Liberty."

FLORIS E. MORAN

Floris E. Moran, son of Frank and Emma Larue Moran was born in Pinckney, Michigan, on December 2, 1885, and passed away at his home in Grand Rapids, Mich., on August 9, 1932, at the age of 46 years, 8 months and 7 days.

His boyhood was spent in Pinckney where he attended the Pinckney school. Of a strong, robust constitution he excelled in athletics and was first string pitcher for the Pinckney base ball team for many years. He undoubtedly pitched more winning games than any other man who ever wore a Pinckney uniform. In 1907 he with his catcher, Pat Lavey, signed a contract with the Calumet team in the Copper League and left Pinckney. The deceased was prominent in social and church affairs and was one of the leaders of the Young Men's Club which flourished here during the pastorate of Rev. George Mylne at the Congregational church.

On August 8, 1914, he was united in marriage to Miss Sadie Swarthout daughter of Mr. and Mrs. S. E. Swarthout of Pinckney, and the couple went to Grand Rapids to reside where was associated with the Richards Manufacturing Co. and for some years has been superintendent of the insulating department of the concern. Two children were born to this marriage, Maxine and Ada Mardell, who with his wife survive him. He also leaves three sisters, Mrs. M. B. Brady of Howell, Mrs. Fred Teeple of Pinckney and Mrs. Claude Danforth of Flint and two brothers, Charles of Saginaw and Larue of Detroit.

The end came suddenly and without any warning. It is hard for the people of this section, especially the older inhabitants to realize that "Cracker," as he was affectionately called in his boyhood days here has passed on. He will always be remembered here for his successful efforts in putting Pinckney on the baseball map and making the Pinckney team one to be feared far and wide. In his time base ball was the leading sport and his great pitching duels with such star pitchers as Curdy of Howell, Leoffer of Dexter and Jackson of Stockbridge will long be remembered. The old Pinckney team is scattered now far and wide. Some of the players who composed it were Ruel Cadwell, 1b; Ade Lavey, 2b; Fred Read and Jack Monks, 3b; Fred Swarthout, s.s., Roy Moran, Harold Swarthout, Bert, Michael and William Roche, outfield.

The funeral was held at the home of S. E. Swarthout Friday at 2:00 p. m., Rev. E.J. Berquist, officiating. Burial was in the Pinckney cemetery.

LAKELAND CIRCLE OF KING'S DAUGHTERS

The Lakeland Circle of King's Daughters was pleasantly entertained by Mrs. Mildred Whitlock at her home in Hamburg township Tuesday afternoon. 22 were in attendance. Guests were Mrs. Cora Sawyer of Whitmore Lake, Mrs. W. J. Dougherty of Detroit and Mrs. Orla Taylor of Belding.

The meeting was in charge of the president, Mrs. Edward G. Houghton and opened with singing "O Happy Day" and repetition of Lord's prayer. Officers and committee reports were given by Mrs. Telesphore Bourbonnais, Mrs. Robert Jack, Mrs. Barbara Tessmer and Mrs. Mildred Whitlock. The admission service was given to Mrs. Albert DeGuise of Detroit. Further plans were made for the ice cream social to be held at the home of Mr. and Mrs. Robert Jack, Saturday evening, August 20. An invitation from Mrs. C. H. Downing to hold the next meeting, Tuesday afternoon, August 23, at her home at Strawberry Lake was accepted. Mrs. Whitlock conducted a guess what's in the box contest. No one guessing correctly, each one drew for it. Mrs. DeGuise was the lucky party. The hostess then served candy and peanuts. The meeting closed with the prayer of the order.

Mr. and Mrs. George Bland and Miss Vera Bentley were Sunday callers at the homes of Mrs. Wm. Barnsdell near Stockbridge and Mr. and Mrs. Will Buhl in Gregory.

C. Davis of Howell was in town Saturday afternoon.

Great Peroration Not Original With Lincoln

"Of the people, by the people and for the people" are the closing words of Abraham Lincoln's Gettysburg address, though there is no "and" before the preposition "for," the expression reading "of the people, by the people, for the people."

A little research brings out the fact that neither the thought nor the phraseology was original with Lincoln. The thought, which had been variously expressed, was already old by the time Lincoln used it. Daniel Webster, on January 26, 1830, said: "The people's government, made by the people, and answerable to the people." And Theodore Parker, a noted preacher and abolitionist, used a similar expression in a speech on "The American Idea," at the New England anti-slavery convention in Boston on May 29, 1850. He said: "A democracy—that is a government of all the people, by all the people, for all the people." But the expression belongs to Lincoln because he gave it to the world on a historic occasion and in a finished form. The poet Lowell said: "Though old the thought and oft expressed, 'Tis his at last who says it best."—Cleveland Plain Dealer.

THE FINAL CARE
The final care of the ones so well loved, so endeared and so close to our hearts, should be as tender, thoughtful and thorough as in the days when they were with us. It is more than appropriate, more than a custom and a duty. It is a sacred privilege. The final care should be placed in careful hands, where sympathy and understanding are combined with every high quality of the profession and the services conducted with impressive solemnity.

WHEN BUSINESS WAS GOOD
Recent laws have made it almost impossible to start a private bank. Not long ago all one had to have was the inclination and enough artistic ability to paint a sign with the word "Bank" on it.
An old man who had made his pile in private banking and who has since retired, was asked how he happened to become a banker. "Well," he said, "I didn't have much else to do, so I rented an empty store building and painted the word bank on the windows. The first day I was open for business a man came in and deposited a hundred dollars with me; the second day another man dropped in and deposited two hundred and fifty; and so, by George, along about the third day I got confidence in the bank and put in a hundred myself!"
We swiped the above from Clyde Sibley's Springport Signal.

TELEPHONE SERVICE

Telephone service to Egypt was made available to Michigan people and other telephone users of the country Monday, August 8, according to announcement by R. Van Meter, manager in this area for the Michigan Bell Telephone company.

The service embraces Cairo and Alexandria and is available to all Bell and Bell-connecting telephones in North America. A three minute conversation between any Michigan point and either of the Egyptian cities costs \$39, and \$13 for each additional minute.

Egypt is reached over the regular trans-Atlantic radio telephone channels operated by the American Telephone and Telegraph company and the British post office, and a radio circuit between London and Cairo. The distance from Detroit to Cairo is about 7,000 miles. Cairo, with a population of 1,100,000, has some 17,500 telephones, and Alexandria, with 60,000 people, has about 11,601.

PHILATHEAS ENTERTAINED AT ROGER'S HOME

The Philathea Class of the Congregational S. S. was very pleasantly entertained on Wednesday, August 10, by Mrs. Lola Rogers and daughter, Marilda, at their charming home on Main St. About a score of members and friends responded to roll call with jokes and quotations. Mrs. Euler presided over the business meeting which was preceded by singing and repeating of the Lord's prayer. The social hour was in charge of Mrs. Mabel Isham and Miss Clella Fish. Mrs. Meda Henry gave an amusing reading, "When Hilda Has a Beau," and Miss Joyce Isham recited Kipling's "Gunga Din," and sang "Abide with Me," accompanied by Mrs. Rogers at the piano. Other interesting features were readings by Mrs. Mae Daller and Mrs. Nettie Johnson (Edgar Guest's "Old Trouble") and Mrs. A. J. Stanley's "What Constitutes Success," also echoes from a trip to Niagara Falls, which Mrs. Rogers and Miss Rogers had recently enjoyed. The successful winner in the button guessing contest was Miss Betty Schaefer of Albion, and the states abbreviation test was won by Miss Joyce Isham and Mrs. Edna Euler. A picture was shown from the Baraca-Philathea News, showing the recent World wide convention group on the White House grounds with two H. H. presidents, Herbert Hoover and Henrietta Heron, standing side by side, the convention slogan being, "Home to the heart of the nation, forth to the heart of the world." After the pot luck lunch and friendly chat, the class group adjourned to meet in September with Mrs. B. G. Isham.

Next Sunday's lesson from Exodus 33:7-16 is "The Tent of Meeting." The general thought, "Becoming aware of God." All Community women and visitors welcome.

THE BALD EAGLE RETURNS

For many years a pair of Bald Eagles spent the summer months in the vicinity of Portage Lake, just east of Pinckney. They nested in a tree on the Thomas Birkett farm. Some ten years ago the female bird was shot by the late Charles Carroll who claimed it was taking his chickens. The male bird has reappeared at intervals since then and has apparently never remated. This year it has been in that vicinity for several weeks. It has an enormous wing spread which is estimated to be over six feet and takes off in the manner of an airplane. Old timers claim it has been seen here almost yearly for the past twenty-five years.
