News and Information Regarding Our Boys Who Are Serving Their Country

The next draft call is for June 6, and over 60 men, the largest number yet, will be called from Livingston county. We understand there will also be another draft call in June. These men are needed to replace the boys being sent out of the country.

Among those from Pinckney and vicinity called this time are Edward Thomas Spears, Steve Aschenbrenner Jr., Arthur Eickhoff and W. K. Devine of Pinckney. Also Wm. Fisk, Brighton, Arla Watters, Glen and Stanley Myers, James Knapp, Frank Barnum and Casper Taylor. Harold Raymond, of Howell, is also called. They will leave Howell early on the morning of June 6 for Detroit.

Bill Dillon of Camp Devins, Mass., and Sergeant John Dillon, of California, are home on furloughs.

Henry Simonds, of Gregory, formerly employed in the Harlow Munsell store is in the United States army, being stationed at Langley Field, Va. He graduated from Stockbridge high school in 1937.

The last registration for military duty will take place on June 30, next, when some 90,000 Michigan boys of the ages of 18, 19, and 20 years must register. We understand the same registration system will be used as in former registrations. The boys will register in the town halls and volunteer workers will fill out their cards. Supervisor Frank Bowers is the chairman of the registration board here.

C. F. Hewlett, Watkins man, of this place, has been appointed chief air raid warden for this township.

Harold F. Kenroy, better known as Bud Musson, of Howell, has enlisted in the U. S. army medical corps and will leave for Camp Custer May 26. He is well known in this section as a boxer and wrestler and has appeared in many places. A few years ago he promoted a number of such events in Pinckney. He once wrestled Julius Aschenbrenner, the Pinckney champion, here but failed to throw him.

Word has been received from both Harold Doody and Bert Wylie that they are at Fort Robinson, Ark.

Philip Placeway writes that he has been transferred from Fort Robinson, Arkansas to Camp Daniels, Augusta, Georgia.

Elmer Smith, son of Fred Smith of Howell, is now stationed in England with the American A.E.F.

MARRIAGE LICENSES

The following marriage licenses were issued in this county last week: Soper Armstrong, 31, Cleveland; Jean Sybil Harvey, 25, Cleveland; Glen Shelly, 20, Howell; Mildred Kirby, 17, Howell; George Navarre, 18, Brighton; Patricia Shaw, 18, Brighton; Jack Jyleen, 29, Fenton; Margaret Moran, 25, Iosco.

CONFERR THIRD DEGREE

The Trowel Club of Golden Rule Lodge No 159, of Ann Arbor, 31 strong, came over to Pinckney last Thursday night and conferred two third degrees on Pinckney candidates. The banquet was served by the O.E.S. ladies at 7:30 p.m. The master of Golden Rule lodge and his officers were called upon for remarks and also Paul Uber, Howell master, Ira Ott, secretary of Dexter lodge and several visitors from Detroit. Lucius Wilson Sr. gave a short talk and then the assembled Masons proceeded to the lodge room where a very fine exemplification of the third degree was witnessed. The total attendance was over 80.

NOTICE

The Pinckney O.E.S. Chapter will serve a turkey dinner on Decoration Day in the O.E.S. hall, beginning at 11:30 a.m. Tickets, 75c and 40c.

PLAY AT SOUTH LYON

The Pinckney softball team will play at South Lyon on Friday night. Players be ready to leave Pinckney at 6:00 p.m. from Dispatch office.

SCHOOL PICNIC

Mrs. Eva Melvin, teacher of the Grove school in Brighton township, pupils and patrons to the number of 58 held a picnic at Island Lake, on Tuesday, May 19th.

A fine dinner was served at noon. Roller skating was enjoyed in the afternoon.

Joseph P. Doyle Passes Away

Former Educator Who Served As Superintendent of the Pinckney School For 25 Years, Dies Monday Morning

Word was received here Monday morning that Joseph P. Doyle had passed away at 7:00 a.m. of a heart attack. For 25 years he served as superintendent of the Pinckney school and under his direction, 25 senior classes of the school completed their studies here and passed out into the world to enter the struggle for existence, much better equipped by the benefit of his painstaking and patient educational efforts.

Joseph P. Doyle was a native of Sanilac county and when he came here in 1913 to assume the duties of superintendent of the Pinckney school, succeeding Hugh McDougall, he had just graduated from Ypsilanti Normal. Later he attended summer school at the University of Michigan and got his master's degree.

In his second year here he was united in marriage to Miss Pearl Smith, of Canton, Mich., also a teacher. She later taught in the Pinckney school for more than 15 years.

Joseph P. Doyle

Mr. Doyle was a lover of athletics and brought the Pinckney teams to a high plane. He won two class D football championships, one county base ball championship, defeating Howell, and a district basket ball title. He was a fine athlete himself and played on independent teams here for many years.

He was a member of St. Mary's church and served as president of the Holy Name Society. He also belonged to the local board of commerce, the Centennial Committee, Red Cross, Boy Scout committee and other organizations. Golf was also a favorite sport of his and he was a member of the Inverness Country Club, North Lake.

In 1938 he suffered a nervous breakdown and was forced to resign his position. However, he had the satisfaction of teaching one year in the new school building which had been his dream during his entire tenure of office here and for which he had been the hardest and most tireless worker.

The body was brought to Swarthout's Funeral Home at Pinckney Monday night where it laid in state and his old pupils and friends called. The funeral was held from St. Mary's church Wednesday morning. Rev. Fr. Morgan Harris, of Pontiac, a former pupil, saying the Mass. Rev. Fr. Murphy will also officiate. Burial will be at Crosswell, where he has lived for the past 4 years. Surviving are his wife and several brothers and sisters.

The school and business places were closed here during the time of the funeral.

The marriage of Marshall (Duke) Snedcor and Violet Sedick, both of Howell, is announced. It took place Saturday. The bride was formerly chief operator at the Howell telephone office.

The illness of Miss Alice Hoff has made several changes necessary at the local telephone office. Mrs. Lucy Reason started work there Monday and Miss Johanna Knapman, of Brighton is also working there. The other two operators are the Misses Hazel Chambers and Margaret Aschenbrenner.

Sunday guests of Mrs. Mary Hoff and the Hoff sisters were Mr. and Mrs. William Currie and Mr. and Mrs. William Loss, of Flint.

Mrs. Wayne Carr, son, Michael, and daughter, Mary, spent the week end with Mr. and Mrs. Roger Carr.

Sheriff Kennedy left Saturday for Pikesville, Tenn., to bring back Birtel Harvey, wanted for taking a car belonging to Russell Smith, Howell Ford dealer.

May Court Term Starts

The Jury Panel Is Called In This Week and Three Cases Are Set For Trial

Judge Collins held court Monday and Tuesday last week and adjourned until this week Wednesday. Monday the jury was called in the auto accident case of Eleanor-Berkebeck is set for trial. Thursday, the case of Herbert Lane vs. Lewis Butterfield, Lane is appealing from a justice court conviction. Friday, the assumpt case of the Stabler Oil Co. of Ann Arbor, vs. Lawrence Gherkin, will be tried.

The quiet title case of Cordelia Hayward vs. Fred Seger and the accounting case of Hugh Robertson vs. Harold Gates were settled out of court.

Irving Shelters pled guilty to selling liquor to minors and will be sentenced later.

Albert Fountaine and Gerald Egler, who stole guns from a cottage and terrorized the farmers around Hartland for several days, both pled guilty and will be sentenced this week. Egler is only 15 years old. Richard Pawley, who took an automobile and William Ricciardi, who broke into the Haire store at Cohoctah also pled guilty and will be sentenced this week.

Thomas McIntyre had his drivers license restored. Roy Young was granted a divorce from Doris Young. The petition of George Gire for a rehearing of his divorce suit against Anna Belle Gire was granted. John Fellows pled guilty to drunk driving and will be sentenced in September.

The following were admitted to citizenship: Leonardus Sprangers, Lillian Chapman, Florence Myrtle Macki, Lyman Nelson Miller, James Ben Delorey, Savka Ivankovich, Ethel May Hodgekinson, Charlotte Elizabeth Snively, Lela Marie Stephens, John Reno, Madalena Ulrich, Wadislaw Nazembo, Alfred Edward Griffin, Stephen Cholewka, Marion Augusta Kaiser, and Helen Phenix.

Dayle Kettler is still held by the sheriff as the supreme court has denied his appeal on his conviction on the Patterson Lake arson case. Marshall Campbell, also convicted on the same case, is in Florida. His bondsman, John Teller, of Howell, has been ordered to produce him before Judge Collins or forfeit the bail bond.

Mich. Mirror State News

Willow Run is not two mere words.

It stands for America's growing power in the air.

It is a symbol of our hopes for Victory.

Its four-motored bomber, produced to the extent of "dozens daily" are capable of flying from the new Ford Airport at Dearborn to any military airbase on the globe. They can leave Willow Run at 6 a.m. in the morning and arrive the next day in Europe. Superman couldn't do much better himself.

The visit, arranged by the Ford Motor company with permission of the war department, afforded a new Michigan home front.

For example, where was once rolling meadow land 13 months ago, today stands an industrial engineering triumph in construction. It is the largest one-story industrial structure in the world -- another superlative.

When in complete production, the plant will require employment of an army of workers -- 100,000 at least, of whom one-fourth will be women.

The housing problem is vast. Ypsilanti, the nearest city, cannot accommodate a fraction of the Willow Run army of workers.

The government is building dormitories for men, huge apartment units, and thousands of single homes -- all within a short distance of the plant -- in an emergency effort to meet the needs. Because of the transportation problem created by scarcity of rubber tires and shortage of gasoline in the East, officials do not believe it is practical to transport 100,000 persons twice daily at any great distance.

Ypsilanti and Washtenaw county officials fear that Willow Run will become a great "ghost town" when the war is over. But you can't stop for philosophy when there is a war to be won. And so it's all-out for bomber planes. The cost can not be measured in our freedom.

The rate of production at Willow Run is a highly guarded military secret.

But this much can be said: The objective is fantastic, but it will be reached. The mechanical wizardry of Henry Ford is legend to every school child.

President Roosevelt, himself, has put the nation's goal at 185,000 war planes by 1944. That is in terms of annual production.

Little wonder that Detroit war officials, and quarantined among themselves over jurisdiction, agree on this: Willow Run is an invitation to an Axis air raid, just as the

IMPORTANT RULING

An important ruling has just been handed down by authorities at Washington D. C. affecting church, lodges and other organizations who serve public dinners. This is that such organizations cannot be classified as institutions and therefore will be allowed no sugar quota. Only organizations serving at least four meals each week will be given sugar ration cards. Churches and lodges will have to depend for sugar on donations from members who have sugar ration cards.

PINCKNEY NEEDS WARDENS

The O.C.D. has appointed C. F. Hewlett Chief Air Raid Warden for Pinckney. It will be his duty to enroll 10 wardens and 10 fire watchers for the village.

The wardens will receive 27 hours of instructions while the fire watchers receive 10 hours. Training will begin about June 8th at Howell, and will be three evenings each week until course is completed. It is expected transportation will be furnished.

Persons not subject to the draft are urged to contact Mr. Hewlett immediately. Phone 93.

This will not conflict with the first aid course now being given. Fourteen men and six women are needed.

CURRENT COMMENT

Another Memorial, of Decoration Day, as it used to be called, draws near but there is little resemblance to the day as celebrated now with the out of the past 40 years or so ago. Then the countryside was scoured by school children for flowers which were made into bouquets by the wives and members of the G.A.R. For it was the Grand Army of the Republic who originated the Memorial Day and zealously saw that it was observed. In the afternoon, following a long program in the hall or opera house, the parade started for the cemetery, headed by a band, the children in white carrying their fresh flowers and the G.A.R. in their faded blue suits and the firing squad brought up the rear. At the cemetery, the graves which had previously been marked by flags were decorated with flowers. Then the G.A.R. gave their memorial service, at the conclusion of which the firing squad fired 3 salutes and the ceremony was concluded. Now, the people are too busy for all this. The American Legion furnishes flags, which it passes out to persons in different sections of the country, who place them on the graves in the different cemeteries and the ceremony is concluded. Yes, Memorial Day bids fair to die with the boys of the G.A.R. Although Michigan furnished 80,865 men for the Civil War, only 45 of them are alive today. The youngest is 93 and the oldest is 102. At one time Michigan had 391 G.A.R. posts but today there are but 15. As the last member of each post dies, the charter of the post is surrendered. In the days to come, if the present trend continues, Memorial Day will simply be the date of the Indianapolis auto race.

The results of the recent waste paper drive show what the people can do if their effort is united. Now we read that the results of this salvage effort were so great that the nation really has an abundance of paper on hand and that there is no room for it. This includes some of the mills that had expected to close down a short time ago for want of waste paper. And for all these years past the greater amount of this scrap paper has been wasted, in many cases burned to get rid of it. We understand a similar drive is now on for scrap steel and iron and if the results are equally successful the steel shortage would soon be a thing of the past. All used car parts yards have received word to clean up their scrap, in some cases to junk all cars earlier than 1939 models.

If the present gas rationing plan of 3 gallons a week is put into effect in July, the auto is about due to disappear entirely, for three gallons will take one a very, very short distance. It hardly seems to us that such a drastic rule could be enforced or that if it is many exceptions must be made. On account of housing shortages many defense workers are obliged to drive to and from work. This is especially true in Michigan where there are many defense factories and an acute housing shortage. A Michigan delegation, we understand, will shortly go to Washington to see if this gasoline ban cannot be lifted for defense workers.

We are unable to follow the mental processes or reasoning of some papers and persons. In the protest against the establishment of a housing project near the Ford bomber factory at Willow Run, the principal argument used was that at the conclusion of the war, the bomber factory would be abandoned and the village would become a ghost city like the mining towns of the west where the diggings have played out. These papers, follow the line of reasoning that when the war is over the production of airplanes will entirely cease and not a single one will be made. This is a lot of bunk. The airplane is here to stay and the present war is going to cause the greatest boom and progress in airplane manufacture the world has ever seen. Henry Ford realizes this and he has built the Willow Run factory to last for ages and don't be surprised if some day Ford airplanes are as numerous as Ford cars.

Hamburg

The 70th regular meeting of the Livingston County Association of Lady Maccabees was held at Fowler and four guests present; the guests being Mrs. Louise Minor, of Detroit Supreme Court director; Carl Wuertner, of Manchester, Great Camp director board member; Mrs. Mildred Kline, Lansing, district manager and Mrs. Mary Walz of Manchester.

The association was opened by the county officers at 10:30 a.m. The following committees were appointed: auditing, Mrs. Ella Sabin, Mrs. Idella Bennett and Mrs. Emily Kuchar; courtesy, Mrs. Alice Schoenhals, Mrs. Ida Knapp and Mrs. Jennie Shannon; banner, Mrs. Florence Fickett, Mrs. Gladys Lee and Mrs. Flora Benjamin.

It was voted to give \$15 to the American Red Cross.

Mr. Wuertner presented Hamburg hive with a beautiful dish in memory of his wife, to be used at the county meetings to collect the flower fund; he also paid her a fine tribute. It was accepted by Mrs. Mary Stephanon, commander.

A pot-luck dinner was served, the table decorations being in the national color and forming a V at each end of the table; the favors were small American flags.

The afternoon session opened with a Maccabee song led by Mr. Wuertner. Virginia Miller, Veta Composky Winifred Hucks, Lulu Strong and Margaret O'Brien, of Fowlerville, were initiated into the mysteries of the order, the work being put on by Hamburg hive in fine manner. The business meeting closed with singing "God Bless America" by all.

The following program was presented: Address of Welcome, Mrs. Kuttler, Fowlerville; response, Mrs. Mildred Kline, Lansing; monologue, "Use Looking For Work"; Ballet dance, Elizabeth Moore, Fowlerville two readings, Mrs. Alice Schoenhals Howell; song by three juniors with a junior at the piano, Fowlerville.

A pageant, "Making The Flag" prepared by Miss Julie A. Ball, and put on by thirteen members of the Hamburg hive, followed by the pledge of allegiance. Mrs. Nellie E. Haight was presented with a gift by Hamburg hive for her work.

Remarks were made by Mrs. Louisa Miner, concerning the new ritual and a poem, "Mother"; also remarks by Mr. Wuertner.

Hamburg hive was the winner of both banners: the honor banner, for writing the most insurance since the last meeting; and attendance banner for having 19 members present. A gift from the association was sent to Miss Julie A. Ball.

Hamburg hive, No. 392, Lady Maccabees, held its regular meeting at I.O.O.F. hall Wednesday evening, in charge of Mrs. Mary Moore, the lieutenant commander, in the absence of Mrs. Lois Borton, the commander.

Mrs. Hallie Taylor was initiated by the degree team. Mrs. Emily Blades was to be remembered with a card shower on her birthday. A sun shine box for Mrs. Myrtle Winkelhaus at the next meeting. Practice was held for convention program.

The next meeting will be held Wednesday night, June 3; it will be a birthday meeting honoring the members whose birthday anniversaries are in April, May or June.

Official reports were given by Mrs. Emily Kuchar.

A new 4-H club, The Wildflowers has been organized at Hamburg village; the first Wildflower club in this part of the state. It is under the leadership of Miss Helen Wenderlein and has 10 girls enrolled. Aim of the club is to have each girl study, identify and press at least 20 different wildflowers. Also which flowers are numerous enough to warrant picking and which are so scarce that they should be admired and not picked.

Emil Kuchar has been re-elected to his ninth term as president of the Ann Arbor Typographical union. Mr. Kuchar was elected delegate to the Bay City convention of the Michigan Federation of Typographical Unions and to the Colorado

RED CROSS FIRST AID CLASS
About 30 people attended the Red Cross first aid class held at the Pinckney school last Thursday night at 8:00 p.m. It was conducted by Dr. Ray Duffy. He explained the purposes of it and its workings. Another meeting of those interested will be held at the same place this Thursday evening. At this time the first aid books will be given out.

The Red Cross is very desirous of starting a home nursing class if they can find a registered nurse living in this vicinity who is willing to head it. Unadilla has such a class headed by Mrs. Dan Howlett.

PINCKNEY WINS LAST SCHEDULED GAME
getting away to a bad start, like wine seems to improve with age as they won four out of their last 6 games, giving them a record of 4 wins and five losses. Friday they defeated South Lyon 9 to 7. Palmer started pitching for Pinckney with Bill Kuhn catching. Later they defeated South Lyon, 9 to 0 in the first game with South Lyon, was no puzzle and they combed his offerings plenty. Paul Young led the Pinckney batters, getting 3 hits in 4 tries.

This Friday the Pinckney team will make its farewell appearance when they meet a team of former Pinckney high school stars. In their lineup will be Francis Shehan, Louis and Gerald Swarthout, Red Sequin Stanley Zera, Wesley Reader and the Lavey brothers and others.

The baccalaureate program will be held in the Auditorium next Wednesday evening with Rev. McLucas delivering the address to the seniors.

A complete program will appear in next week's paper.

HOT LUNCH PROGRAM
The hot lunch program will come to an end on Friday of this week as most of the remaining week will be devoted to examinations. Mrs. Singer will work as gardener in the victory garden at the school.

The Pinckney school was saddened Monday morning to learn of the death of the late Supt. Doyle. Mr. Doyle in his years at Pinckney won the admiration and respect of all the students with whom he came in contact. We are offer our profound sympathies to the remaining members of his family.

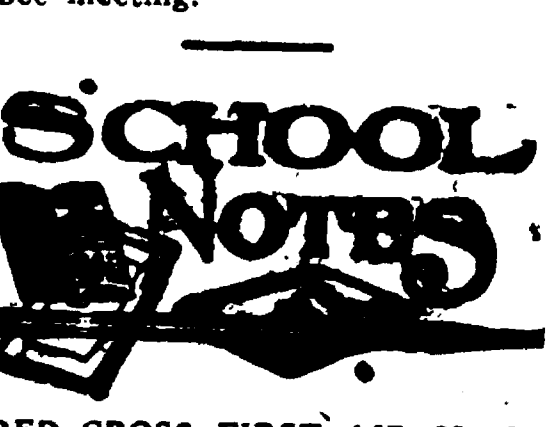

The Junior Class wishes to express its thanks to all those who so kindly assisted in making our J-hop a success.

The third, fourth, and fifth grades took a nature study hike one day last week, for the purpose of learning about the birds and plants.

They studied about the birds and their habits at the gravel pit where many bank swallows make their home. Some of the children had encounters with snakes - but no one was frightened, and the snake study proved very beneficial. To close the study hike, the grades visited the

factory here at the north edge of town and watched the methods of cutting steel with torches. They were under the leadership of Mrs. Bennett, their teacher.

THE JUNIOR HOP
The annual Junior Hop was held at the high school auditorium Saturday night, May 23, with one of the largest attendances on record. The decorations were carried out in a military manner. The ceiling was a festoon of white and blue drapes and streamers and the side seats were porch furniture and rustic seats. Two small boys, Larry Hulce in a sailor's uniform and Ricky Miller, garbed as a soldier, handed out programs. The stage, also decorated, bore the motto: "Remember Pearl Harbor". This was also the theme song of the orchestra. The girl singer led in singing this and also sang "The Star Spangled Banner". Johnny Crandall and his orchestra furnished the music. Confetti and paper streamers were everywhere and a huge paper bag of toy balloons, suspended from the ceiling was released and a grand scramble took place to capture these, most of which were subsequently deflated by those who were unable to get any.

ARTZ-LINN
Gesu church, Detroit, was the scene of a lovely wedding at 9:30 Saturday morning, May 16th, when Cecelia Linn, daughter of Mrs. William Linn, of Gladstone Ave., Detroit, became the bride of Lieut. Fred Reason Artz, son of Mr. and Mrs. C. Fred Artz, of Roseland Ave. The ceremony was performed by Father Foley before an altar banked with bouquets of white peonies and snap dragons.

The bride wore a cocoa brown suit with matching accessories and a shoulder corsage of white orchids. The maid of honor, Miss Clara Itzgerald, wore a chartreuse suit with brown accessories and a corsage of green orchids.

A cousin of the bridegroom, John W. Rane, Jr., came from Buffalo, N. Y. to act as best man.

Two other cousins, Dan and Tim Reason seated the guests.

For her daughter's wedding, Mrs. Linn wore a dark blue ensemble with blue and white accessories. Her corsage was of gardenias.

Mrs. Artz, mother of the bridegroom, chose a beige ensemble with brown and beige accessories. She wore a corsage of orchids.

Following the ceremony, a wedding breakfast was served to the wedding party and members of the immediate families at the Huyler's L'Aiglon in the Fisher Building.

Lieut. and Mrs. Artz left in the afternoon by plane for Miami Beach where Lieut. Artz is an instructor in the Air Corps Officers Candidate Training School.

Lieut. Artz was inducted into the army July 24, 1941 and sent to Fort Custer, from where he was sent to Chanute Field, Rantoul, Ill. In September, he was made corporal and in January was elevated to a sergeant. In February he was picked to attend the Air Corps Officer's Candidate Training School at Miami Beach, from which he was graduated as Second Lieutenant May 12th. Lieut. and Mrs. Artz are at home at The Milljean Apt., 18th at James, Miami Beach, Florida.

PLAINFIELD
Rev. and Mrs. Swadlow spent most of last week at Hickory corners. Mrs. Bertha Gauss and Florence Dutton will attend as delegates to Northville at the Ann Arbor District meeting of the W. S. C. S. BANKS AND THE WAR
BEYOND THE PEACE

Without taking our eyes from the big job of winning the war, we are seizing the opportunity to urge provision now for the post-war period. Every individual should be ready with a cushion of cash to take up the shock that is certain to result as we shift back to peace. There are almost certain to be dislocations, unemployment, and other financial hardships. Now is the time to prepare, by buying Defense Bonds and making periodic bank deposits.

HOW TO SHUT EARS AND MIND AGAINST TOO MUCH NOISE

War nerves may start if air raid noises come, unless you clamp down now on unnecessary things that raise blood pressure, cause fatigue, poor work and paralyze digestion. An article in The American Weekly with this Sunday's (May 31) issue of The Detroit Sunday Times, explains how to do this. Be sure to get The Detroit Sunday Times this week and every week.

CONGRESSIONAL NEWS LETTER

Hon. W. W. Blackney

Family Allowances For Veterans

The House Military Affairs Committee are at present holding hearings on a bill, "to provide family allowances for the dependents of enlisted men of the Army and Navy". This bill, if and when passed by the Congress, will make pay allowances to the dependents of the men in service. For instance, the Government will pay to the dependent as follows: Wife, \$20 per month; \$10 for each child; one parent, \$15, or both dependent parents, \$25. Allowances for all proven and recognized dependents are permissible. The man in service will have \$20 per month deducted from his pay and to be sent to the same dependents. Since the Congress has already determined that the monthly pay of the individual in service shall be from \$42 to \$50 per month, his allotment to be sent home to the dependents is considered a fair sum to be contributed on his part. With the necessity of drawing into the service men who have dependents, the family allowances become a necessary part of the program in order that undue hardships may not befall those left at home.

Restriction of Credit

For years, those who often are short on cash or who enjoy running charge accounts have always been privileged, when making purchases both small and large, to simply say "charge it". Now, however, the Federal Reserve Board in its determination to stop credit buying, has issued an order stating that articles bought on charge accounts must be paid for by the tenth day of the second month after purchase. In other words, charge accounts will of necessity have to be paid in forty to seventy days time. Such news to the purchaser is rather a severe jolt for now he is aware that even though the article is charged, it must be settled for out of the next pay check or two. Likewise, unpaid accounts on store books must be cleaned up. If, however, the purchaser cannot clear up his account at once, he can sign an agreement to take up the debt over a six-month period through installments. The effect of such an order, because the buyer knows that long-term credit is no longer available, will no doubt discourage many people from purchasing articles that they normally would like to have.

Improvement in Planes

The new P-38's, which are now being manufactured in this country are declared to be the fastest military planes in the world. The speed of these planes is in excess of 400 miles an hour. Flying a P-38 is one of the toughest jobs in the air service. They carry one man who must be both pilot and navigator and must do his own firing when in contact with the enemy. The plane bristles with cannon and machine guns. The high speed at landings and takeoffs calls for unusual skill.

Increasing Rationing

Although rationing on a nationwide basis has been applied to but few things, there is every reason to believe that one item after another will find its way onto the list of commodities which no longer can be catalogued as plentiful or easy to get. Part of the reason for such rationing may come from a shortage of the product, while the lack of transportation facilities will account to a large degree for the balance of such orders. A new case at hand is the warning issued by Donald Nelson suggesting that every user of coal should immediately lay in his supply of winter fuel at once. There is no shortage of coal, but if retailers will lay in a reserve stock pile all during the year, then the press on transportation will be less during the winter months.

Prospective Change in Income Tax

The Ways and Means Committee, in considering the new proposed tax bill, have apparently agreed to lower the personal exemptions for single persons from \$750 to \$500, and for married persons from \$1500 to \$1200. This would mean that every unmarried person in civilian life, earning more than \$9.61 a week, and every married person earning more than \$23.08, likewise would be subject to the tax. Under this proposed new law, the taxpayer will be required to report not only wages received for services but all other compensation of value received. Take farm workers for instance; they would be required to include the value of their board and lodging as well as wages. This will mean that virtually every unmarried farm worker and most of the married ones, would have to pay income tax for the first time. If the Committee and Congress should follow the plan urged by the Treasury Department, a withholding tax to complement the rates and

make it possible for Uncle Sam to get the money from low income taxpayers would make a tax collector of every housewife with a servant; every farmer with a hired man; every tradesman, large or small; virtually every employer. A housewife for instance, would have to figure out a total income for each servant, including meals and lodging and remit a withheld percentage to the government.

CONSERVATION NOTES

800 parcels of platted property and more than 700 acreage descriptions will be offered in the third sale of state lands by the conservation department on June 15-27. Auctions will be held at Cadillac, Kalkaska, Bellaire, Traverse City.

All anglers catching big trout are urged to mail a few of the scales to the conservation department. The scales should be taken between the dorsal fin and lateral line and mailed in with the length, weight, time and place of capture of the fish. The fishes age can be determined from this. The oldest trout on record are: lake trout, 100 lb., 12 ft.; brown trout, 8, rainbow, 7. Rainbow trout grow the fastest, often reaching a length of 10 in. in the first year.

Only about one-half the number of pine seedlings were ordered from the conservation department this year for spring planting as were ordered last year.

No person is permitted to sell perch or wall-eyed pike from door to door unless he has a \$10 license.

In 1918 the department distributed 48 barrels and 39 bags of wild rice seed to 30 men for planting in the lakes and streams. It flourished for a few years but seems to have died out as it does not successfully seed itself. This crop is invaluable for wild duck food.

121 anglers forgot to buy licenses before going fishing in April. They paid fines and costs amounting to \$2,300.

Work on the new buildings at Bloomer No. 2 state park at Rochester has been halted by the closing of the CCC camp there.

The five-month season for taking frogs in Michigan starts June 1.

The mischievous ghost of Bible Hill, Nova Scotia's playful spook rocks chairs, throws knives and forks, picks up flatirons and tears down partitions -- with practically the whole town enjoying the show. Read about these psychic doings in The American Weekly, the magazine distributed with next week's Sunday Chicago Herald-American.

Editors Visit Bomber Plant

Michigan Editors Are Entertained at the Willow Run Bomber Plant by Ford Motor Co. Friday

Last Friday, the Ford Motor company entertained the editors of Michigan who are members of the Michigan Press Association and conducted them on a supervised tour of the Willow Run bomber plant.

When one enters the plant he is at once struck by the immensity and hugeness of it. It extends on in all direction farther than the eye can see.

Machinery is still being moved in and installed and parts of the building are still uncompleted.

Following the factory tour, the editors were taken to the Ford cafeteria in the factory building where dinner was served free gratis by the Ford Motor Co.

Press meeting was conducted by Herman Millerwise, president, and Gene Allman, secretary. The Michigan Press members expect to tour the Chrysler tank factory in June.

We understand that Henry Ford was told that airplanes could not be turned out by mass production method but that he laughed at this statement.

This is the first time in the history of the company that women have worked on an assembly line.

To show the size of the bomber plant, it is enough to say that there are 16,000,000 creosote wood blocks in the floor, 110,000 feet of sewer, five miles of drinking water pipes.

Community Bible School will begin in the Community Cong'l church Monday, June 29, each morning from 9:00 to 11:30, including Sunday, July 5 with a special program during Sunday School hour.

All children in the grades in this community are cordially invited to attend. This school will be conducted on an undenominational basis.

THE MICHIGAN MIRROR
Sault Ste. Marie locks at the "Soo" constitutes a challenge.

Wives of editors -- and some of Michigan newspaper editors are women -- were greatly irked by a government regulation forbidding admittance of women being invited to work in the plant.

After all, were not women sacrificing for the war? And were not women invited to work in the plant? The explanation, however, is far from being critical of the fair sex. Michigan newspaper women are blessed with beauty, a fact that no one can possibly deny.

As a public relations diplomat explained the situation to us, war workers would be distracted from concentration at the assembly line, thousands of hours of needed war work would be lost, and perhaps the bombers would not be finished that would mean the difference between defeat and victory on some far-off front.

All because of the ladies!
Governor Murray D. Van Wagoner and officials of the Michigan Council of Defense recently made an inspection tour of the Soo locks.

Army troops paraded through the main streets.

Balloons were high in the sky, guardians against dive bombers.

Residents of the border city viewed the spectacle with great satisfaction, for this historic frontier town is today one of Michigan best protected centers. Anti-aircraft posts have been established in a huge ring on both sides of the border. Soldiers and trucks cross the border without formality of passports, evidence of a coordinated program of military preparedness by both American and Canadian governments.

It is a well publicized fact that these locks at the Soo serve twice as much freight tonnage each year as Panama and Suez canals put together.

Rationing of gasoline is now regarded as inevitable.

It may be proclaimed about July 1, a date that traditionally has ushered the summer season of Michigan's well developed tourist industry.

Resort proprietors are not any too happy about the prospect, but they are finding bright lining on the rationing clouds. If railroad and bus transportation facilities are not rationed, as the Office of Defense Transportation recently intimated it might require, resorts served by good transportation will have a good season.

People will come to hotels and cottages and stay PUT for the duration of their vacations. The usual gadding around at dancing and night spots, hamburger stands, taverns and other American institutions will not be possible. Roadside cabins will probably take a licking in business this summer, if gasoline rationing is declared.

But the demand for lake cottages is the greatest in many years, so we hear from Cheboygan. Healthful vacations may be re-discovered; families will stay together and get acquainted.

To John S. Knight, newspaper publisher of Akron, Miami and Detroit, our "inept, spinless" Congress at Washington is one of the worst in history. In a long page-one editorial Knight recently blasted Congressmen for their pension "Bundles" and "X" rationing cards. He branded our representatives at Washington as being a "total waste of time, money and effort", and he urged all voters to do something about it.

A contrasting viewpoint is offered by Frank R. Moses, publisher of the Marshall Evening Chronicle, who points to the latest Gallup poll as convincing proof that the next Congress will be increasingly Democratic.

"The idea most frequently expressed by voters in this poll was that they didn't want to change parties while a war was on and the Gallup people came to the conclusion that the Republicans had not found an issue which appeals to the people or a leader who could rally the voters to the Republican cause. "Congress is bitterly criticized year in and year out, but taken as a whole it does a good job." Take your choice.

Campaign tactics by Messrs Van Wagoner and Kelly will be officially non-political for the next few months.

Both men are making frequent appearances throughout the state at war rallies, and they are shunning politics in their prepared talks.

Van Wagoner's cue may be the reasoning of the Gallup poll: Don't change bi-partisan government while a war is on. Kelly's appeal may be: Put more efficiency in Michigan's war effort.

Each reasoning has the same motive: Help win the war.

VICTORY BONDS VS. PRESENT WAR BONDS

The investors in our present war bonds have less risk to take in the price fluctuations of their new bond than the purchasers of world war I in their victory bonds. These victory bonds were quoted daily and there came a time when those bonds which cost 100 cents on the dollar could be sold for only 82 cents on the dollar. Of course, they were all redeemed at par but with the present war bonds there is no possible speculation as to what price they will bring at any time up to maturity date. Do not hesitate to buy all the bonds you can. They will be a wonderful nest egg for yourself and your family.
