Class and Letters from Our Boys Who Are Serving Their Country

Among those to be sent to the Detroit army induction center March 9 are the following: Levi Ludtke, Donald Bowditch, Ralph Teachout and Jack Fitzsimmons of Gregory; Leo Seple, Vincent Gleason, Wm. Robert Welcker, Thomas Meyer, Gerald Cook, Earl Meyer, Harry Arnold and Jack VanBlaircum of Howell; Harry Vogt, Kenneth Munsell of Fowlerville and Richard Taylor and Rex Standlich of Brighton.

Those from this section who went to Camp Custer Mon. were Welton Chamberlain, Junior Wagoner, Lawrence Baughn, William Shirey, Lavern Porath, Junior Aron, William Kuhn, Walter Barbour, Junior Lewis and Robert Cole.

Private Leo McCluskey has been transferred from Fort Francis Warren, Wyoming to Fort Crook, Neb.

Don Widmayer and Earl Hendee have been sent from Camp Custer to Fort Wheeler, Georgia.

Private Paul Young has been transferred from Chanute Field, Ill. to Columbus, Ohio.

Private Maynard Dixon of Chanute Field, Ill., was home on a furlough last week.

Vincent Gleason, son of Mrs. Maria Clark Gleason of Howell, who recently got an honorable discharge from an officers training school in Texas has volunteered for service and will go to the Detroit induction center March 9 with the next bunch from this county.

In the list of those who were recently inducted into the army from Pinckney was Frank McFadden.

Robert Martin, former townswan now living at Swartz Creek, expects to be inducted into the army on March 8.

Miss Esther Reed of Dexter, niece of Mrs. C.J. Clinton was rejected by the WAAC's last Monday in Detroit, failing to pass the physical examination.

Paul Flintoft, son of A.H. Flint and brother of Mrs. Lola Lobdell is a wrestling instructor in a Florida army camp.

A letter received from Lt. Thomas Young who is in North Africa states he was in the thickest of the fighting with Rommel's army.

Pvt. Charles M. Lavey, 234 Putnam, Pinckney, Mich. who recently entered military service has arrived at the engineering replacement training center here for an intensive training program in preparing for combat duty at Fort Wood, Mo.

Training consists of drill, manual of arms, marksmanship and military engineering and use of tools and equipment. Soldiers from here go to technical schools or special training or officer candidate schools.

Corpl. Marshall Meabon is home on a furlough.

Jack Wilson Jr. of Highland Lake was inducted into the army Monday. James Morgan, son of Mr. and Mrs. Moran of Detroit, has enlisted in the U.S. navy and commissioned an ensign. He left Sunday for Harvard University for training.

Bert VanBlaircum has received an honorable discharge under the 38 year limit from Camp Sill, Oklahoma and resumed his job at the Hudson Motor Co., Detroit.

In the list of those awarded the Order of the Silver Star for bravery in action appears the name of Julius Aachenbrenner of Pinckney, now in a Australian hospital, recovering from wounds suffered in New Guinea.

Corporal Patrick Lavey, son of Mr. and Mrs. Ray Lavey of Gregory mouth, N.J. to Drew Field, Florida, has been transferred from Fort Monmouth, N. J. to Drew Field, Florida, an embarkation point. He is a radio repair man.

Red Cross

Roll Call

A Quota of \$8400 is Set for Livingston County To Raise This Year

Frank Bush has been appointed general chairman for the Red Cross county drive and will have under him City, Village and Township chairmen. Last year \$6,511.79 was raised which with the Junior Red Cross and general funds brought the total up to \$9,584.22. The total disbursements were \$8,224.34 leaving a balance on hand of \$1,343.95.

P. H. Swarthout is chairman for Putnam township and the quota is \$430. This was handled very nicely last year by letting each school district put on a drive. Most of the townships raised their quotas.

The different chairmen are as follows: Brighton, not filled; Cohoctah, Claude Burkhardt; Deerfield, Wm. Hogan; Genoa, Wm. Haack; Green Oak, Frank Meyer; Hamburg, Clifford VanHorn; Handy, Fred Hillman; Hartland, J. R. Crouse Jr.; Howell, Hartland; Isoco, George Kirtland; Marion, Stanley Knight; Oceola, not filled; Tyrone, Burton Street; Unadilla, Howard Marshall; Brighton City, Rev. Shoup; Howell City, Chas. Sutton.

The quotas are as follows.

Brighton	\$ 303.00
Cohoctah	390.00
Conway	386.00
Deerfield	334.00
Genoa	355.00
Green Oak	430.00
Hamburg	435.00
Handy	855.00
Hartland	305.00
Howell	295.00
Isoco	245.00
Marion	340.00
Oceola	330.00
Tyrone	390.00
Unadilla	389.00
Brighton City	625.00
Howell City	1707.00
Mich. State San.	105.00

The seven directors named for 3 year terms are Nellie Gardner, Pinckney, Mrs. Dalbert Smith, Green Oak, Mrs. Louis Hadley, Howell; Mrs. D. W. VanWinkle, Howell; Ross Robb, Conway; Mrs. Thos. Leith, Brighton; Mrs. Stanley Cornell, Oceola.

The board organized as follows: John S. Page, Chairman; Rev. Karney, Vice Chairman; Mrs. Louis Hadley, Secretary; Mrs. Don VanWinkle, Treasurer.

CHRISTOPHER S. BROGAN

Christopher Brogan was born in Liv. Co. near Pinckney on June 27, 1898 dying at his Chilson home Feb 26 1943 after a long illness.

He was the son of Christopher and Francis Sweetman Brogan and was united in marriage to Mable Meyers on Nov. 23 1920. Following their marriage he lived in Lansing until 16 years ago he purchased the general store at Chilson. Mr. Brogan also took over the times agency for Livingston co. which Mrs. Brogan will still continue to operate.

He had been in ill health for several months before his death. His splendid courage and trust in God was an inspiration to many of his friends. He was of a generous and kindly nature at his home and was a place of love and contentment.

He leaves to mourn his loss, his wife, 5 children, Mrs. Harold Smith of Brighton, Noreen, Richard, Joan and Alice besides 6 sisters and 4 brothers.

The funeral was held from 11 a. m. to 1 p. m. at St. Patrick's church in Brighton March 1 with Fr. Thomas Behan officiating. The Frs. Behan's are first cousins of the family. Pall bearers were the 6 nephews of the family. Burial was in Pinckney.

MRS. HOUDINI'S FUTILE TRYST WITH HUSBAND'S GOAST

Read how... as told in the American Weekly with this Sunday's March 7 issue of the Detroit Sunday Times... the famous magician's widow tried for 16 years to contact Houdini's goast, but finally was convinced before her recent death that his greatest feat of all was impossible. Point Ration Explained

Suggested Hints Given on the Point Rationing System

The Michigan Council of Defense has suggested the following possibilities regarding rationing:

Prompt action of the gov in putting price ceilings on the five fresh vegetable most used should assure everyone, despite the admittedly high point values. From now on we must use fresh foods almost exclusively. Canned foods will only appear for approximately twelve of the 98 meals we serve in March. Using fresh foods will mean more carefully planned menus. For these reasons, the dehydrated soups, which have a low point value and contain all the nourishment of canned soups will be a help.

Our ancestors lived without the aid of a can opener and from now on canned fruits and vegetables will take the place of the fresh. A family of two adults and one child might have 144 points to spend in March for the calendar month. They might spend them as follows:

8 oz soup vegetables	8
1 can grape fruit juice	10
2 cans asparagus	28
1 lb dried prunes	20
1 can spinach	14

Another selection might be:

2 cans soup (10 oz)	12
3 cans tomatoes	32
1 cans asparagus	12
2 cans spinach	28
1 can beets	2
2 packages frozen food	32

Each family will be able to work out the points as best suits them. It is not too early to make plans for a victory garden. Watch for announcement of cooking demonstrations.

UNADILLA HONOR ROLL

The Unadilla Township honor roll containing the names of the boys from there in the service was dedicated there Sunday. It has about 70 names. It is about 6X4 feet and was made by Arlo Worden. The painting and lettering of the names was done by Mrs. Margaret Kuhn Haines. Unadilla township paid the cost of the roll. It was erected between the stores of Howard Marshall and Clyde McCleer and will be lighted all night, Clyde McCleer paying for the lights. At the dedication ceremony Rev. Hackenburg offered prayer, Rev. Stevens read the scripture and the assemblage sang the Star Spangled Banner. Rev. Swadling of Plainfield gave the address and Harold Lutke unveiled the honor roll. Rev. J. Francis Murphy read the names on it.

We congratulate Unadilla as they have the big honor of the first honor roll in the county. Pinckney and Putnam township authorized such an honor roll months ago but have been slow getting started on it. We commend Unadilla for her prompt accomplishment in this work.

BASKET BALL NEWS

The local independents team lost out to Stockbridge here last Wednesday by two points 39-42. An overtime period was necessary to determine the result. Bill Kuhn for Pinckney who had a big night went out in the last quarter for tangling with the referee. In an opening game the Pinckney grade boys lost to Stockbridge by a big score. Pinckney used only 15 players while Stockbridge held the same lineup.

The high school lost both games played, at Ann Arbor on Friday 26 to 38 and here to Chelsea last night 35 to 36. The Pinckney second team also lost to Chelsea.

Brighton plays two games here on Friday.

PHILATHEA NOTES

On Sunday, because of the absence of our teacher Mrs. Elliot graciously taught us in the lesson Jesus Restored Lazerous to life.

At this time we are sending our yearly charter dues to the World Wide headquarters recently acquired at Mt. Vernon, known as the Tower House on the Potomac and is being furnished as finances permit. A chaplain and his family serving at near by army camp have rooms in the room there and make themselves generally useful there as well as at the camp. The chaplain's wife has proven to be a very efficient as a helper in the office.

The King's Daughters are going to be entertained this week Thurs. at the home of Mrs. Mae Dallar and Mrs. Dallar has invited the Philatheas for our next meeting, March 10. We regret the absence of Mrs. Reynolds who is making a good recovery in a Detroit hospital after operation recently.

Mostly Concerning Things Politest in Michigan

You may agree or you may not agree with what the new Republican legislature at Lansing is about to do to the Democratic controlled state highway dept. but you will probably agree with us on this

The legislature's inclination to make the comm. an appointee of the governor and not an elective official of the people is another bouquet for Harry F. Kelly, the new gov.

Gov Kelly is said to be in favor of the reorganization play, whereby the gov. office would have power in the spending of money for the roads

This philosophy of public service prompted the appointment of Dr. Foot, Ford of U. of M. to the newly created post of director of business administration, a title for a trouble shooting efficiency expert

Logically the same idea would extend to the highway comm, as we observed before Gov Kelly has not shown his hand openly in this direction, although he has said he favored the idea

In the legislature debate on the plan, the foremost reason advanced by Republican advocates was the idea of taking the dept out of politics.

This Tammany Hall idea persists in the minds of some Republican legislators and also in the minds of quite a few veterans. Its distaste has been intensified by the Nov. reversion to federal bureaucracy which was blamed for much of today's war reorganization out of Wash DC

The legislature leaders also entertain the idea that the public does not care what goes on in Lansing. In perspective, the global war makes the Lansing scene look dull

From the viewpoint of history, the Albion law-maker has sound support in the fact that Mich has had only 7 highway comms since the dept was created by legislature in 1927

Two engineers held the position for the last 8 years, Earl from 1927 to 1929 and Ely 1929-1933. They were appointees of Gov. Warner. Rep. who accomplished the unorthodox feat in those days of being re-elected 3 terms

If the reign of the Republicans in this post was disrupted then the Republicans have only FDR and series of landslides to blame

In this restless depression decade Mich has experienced steady turnover in the governorship, every two years as regularly as a clock ticks 60 seconds to the hour in this same period the highway comm has averaged 5 years, more than double the governorship

All this is a bit a recorded history and it all adds up to the same thing: If the Republicans hold the governorship as the Democrats have held the highway comm. then new comm. will have a chance to effect continuity in program and becoming proficient at his job

For that reason we suspect the answer to the entire problem must rest on the future, more than present, as to whether the legislature is acting with wisdom in taking the highway comm. out of politics.

FAREWELL PARTIES HELD

About 44 people attended a farewell party Sat. night for Mr. and Mrs. William Beltz who are moving to a farm near the Mich state sanitarium. The party was held at the Clifford VanHorn home. After a social evening, Mr. and Mrs. Beltz were presented with tokens of remembrance.

Mr. and Mrs. Earl Baughn gave a farewell party and dinner for their son, Lawrence, who was inducted into the army Monday. Those present were Dr. and Mrs. Robert Bird and family of Wayne, the Misses Eleanor, Latimer and Marion Shirley of Ann Arbor, Levi Ludtke of Chelsea, Mr. and Mrs. Winston Baughn and daughter, Mr. and Mrs. W. C. Miller and son and Mr. and Mrs. Clare Miller and sons Lawrence received many nice gifts

About 25 friends were entertained Saturday night at the Guy Kuhn home in Gregory in honor of Wm. Kuhn and Walter Barbour who went into the army Monday.

CURRENT COMMENT

The time middle is still continuing out in the more interference by the legislature indications are that most of the counties who went back to slow time are going back to war time. The press carried notice after notice last week of cities and villages who had tried out slow time have gone back. The legislature has had to stand a lot of kidding over the mess they made of it and in some quarters there is a disposition to blame Gov. Kelly as it was at his insistence that the law was amended to give every city village, city and county the right to choose its own time. However the certain die hard elements in the legislature still regard the time question as paramount to all others and Rep. David Young of Saginaw expects to introduce a bill to make slow time the legal time and force all cities, including Detroit, the railroads, bus lines etc. to conform. However there is some doubt as to whether such a bill would be constitutional and Rep. Loomis Preston of St. Joseph states that the cities with home rule power can operate on any time they choose. Also another bill will be introduced to make war time the legal time for Michigan. Attorney General Rushton says all bills relating to the time question are unconstitutional and if such is the case why is not the question taken to the supreme court so the legislature can quit this shadow boring and get down to business.

Maanata Gandhi is embarked on another fast which he claims will last until Great Britain gives India complete independence. As there is not the slightest chance this will happen at the present time it would seem that the Hindoo seer would be in danger of death but we are willing to wager that he will survive. The Mahatma is the hero of numerous fasts from all of which he recovered and emerged with extra strength to his crown. You cannot help but admire the old fellow but we're glad that his method will never become popular. Imagine all the people in this nation going on a fast when ever they were thwarted in their ambitions. What a madhouse this old world would be. At that he has some imitators in the country among the conscientious objectors who are in concentration camps for refusal to go in the army or navy. These are members of certain religious sects and are regarded as balmy.

Well Hitler can lay off some of his spies as Congressman Cooley of North Carolina has discovered that a building in Washington D.C. is guarded by dummy wooden anti-aircraft guns. Now it is brought out that such guns have always been used in camouflage by the army and navy and the practice is as old as the hills and undoubtedly Hitler, himself has often made use of it. Wood en guns were used in the Revolutionary war, the civil war and in all other wars this country has fought. The object is to confuse the enemy so that it will be impossible for him to get an accurate estimate of your strength. In the history of the conquest of the northwest territory from the British by Gen. George Clark it is related he had a great number of extra flags made which he had his army carry into battle. The British Gen. Hamilton at Vincennes seeing the hundreds of flags concluded he was being attacked by huge forces and surrendered and was very angry when he realized the smallness of Clark's forces.

Capt. Eddie Rickenbacker enjoyed a period of fame when he was rescued from a rubber raft in the Pacific recently and now seems to be making the most of the fame. He is now touring the nation speaking before various bodies, mostly those who wear white shirts and dress suits and in all his speeches he never fails to take a crack at union labor. Now he is advocating that labor be paid no overtime for overtime work. In the same speech he usually denounces the \$25,000 limit on salaries for the limit on incomes. In other apparently he is against extra money or the man in overall but for it for the man with the dress suit.

Wait!

Don't make that Long Distance call unless it's really necessary!

Mrs. Housewife, you and your family are patriotic citizens—eager to aid the war effort in every way you can.

Long Distance telephone lines are communication channels that help make America's war production fast and efficient. Many of them are crowded with essential war messages today, and the less important civilian calls must not interfere.

You can do your part by following these rules:

Do not make a Long Distance call unless it is really important.

Keep every call as brief as you can.

"Looks like a pretty expensive cigar you've got there, Judge."
"Yes, it's a real good one, Bill. Won't you pass it down to the cigar store yesterday. He got pretty positive in a discussion we had and I had to take him up on it. Bet me three good cigars to my one that the three states that still have prohibition have less crime than the other states. Well, all I had to do was step across

the street to my office where I had some recent F. B. I. figures in my desk drawer. Why, on the average, those three states have a worse crime record than the whole rest of the country. And there's no good sound reason for it, Bill. There's no such thing as a dry community. It's only a question of whether liquor is sold legally or illegally. And when it's sold illegally it means bootleggers, gangsters and more crime."

EASY WAYS TO SAVE

Electricity

COOKING LIGHTING APPLIANCES

COOKING. Plan more oven meals in your electric range. Preparing a complete meal in the oven at one time is economical: The same amount of electricity cooks meat, potatoes, vegetables and a pudding. . . . Use LOW heat to finish most of your surface cooking, after foods have reached the steaming point. When the cooking operation is almost completed, the heat may be turned completely OFF. Stored heat in the unit finishes the cooking operation. . . . Don't waste electricity heating up a large quantity of water when cooking vegetables: Half-a-cup of water is ample.

LIGHTING. Dust steals light and wastes electricity. Wipe all lamp bulbs frequently, also reflector bowls and ceiling fixtures. Use the right size lamp in the right socket. Dark colored lamp shades soak up light. Use light-colored shades wherever possible, or try fitting dark shades with a white lining.

APPLIANCES. Don't leave appliances turned on when temporarily not in use (your electric iron or toaster, for example). Pull the plug, and connect the appliance again later when you are ready to use it. Defrost your refrigerator regularly. Don't overcrowd your refrigerator. Unless the motor is hermetically sealed, have it oiled and inspected regularly. Be sure to locate your refrigerator away from heat sources, and allow adequate air circulation all around the refrigerator. The Detroit Edison Company.

BANKS and the WAR

THE BATTLE OF BONDS

The sale of War Bonds is a battle that we Americans are fighting right here at home. It is a battle to raise war funds in a sound, non-inflationary way. The tide of this battle has ebbed and flowed. For months last summer our side was losing—we missed national goals again and again. Then, for awhile we went on the offensive and passed monthly goals. But the battle goes on, month after month, and can't end until the war ends. Keep trying. Keep buying. Your purchases are more important now than ever.

"WAR PICTURES"

You have seen these pictures in the daily papers and picture magazines.

Our boys in foreign service are really going through great hardships for us at home. Do you suppose one in one hundred of us are sacrificing and aiding the war effort as much as we can. For many of us the buying of war bonds and stamps is the best we can help. These dollars will buy food and war supplies for our men in service and the nations fighting with us.

AT LEAST \$1.00 OUT OF EVERY \$10.00 WE MAKE SHOULD BE A FIGHTING DOLLAR.

May we help with your purchase of stamps and bonds.
