News and Items Concerning the Boys Who Are in the Service of Their Country

Private Gordon Lamb and wife of Springville, Penn., spent the week end with his mother, Mrs. Lulu Lamb. He expects to be shipped across soon. Private Frank McFadden is attending the baker's school at Camp Grant Ill.

Private Kevin Ledwidge, an M.P. at Camp Custer was one of those called to Detroit for duty during the race riots. He was encamped on Northwestern Field.

Lt. James Lamb is attending the anti-aircraft school at Camp Davis, N.C., learning to be an instructor.

Eli Aron Jr. 19, son of Mr. and Mrs. EM Aron of Pinckney was graduated from the hospital corp school at the naval training station at Great Lakes, Ill. last week and is now rated as a hospital apprentice, second class. He will continue his training at other naval hospitals before being sent to sea.

For the next draft call on July 8, the following from here will go to the Detroit induction center on July 8: Joe Lavey, Norman VanBlaircum, and Patrick Devins. Others from this section are Wm. Peter VanWinkle, Richard White, Bruce Jacobs and David Beattie of Howell, Ray Pearson and Robert Leitzau of Brighton. There are also a number of others. There is another call about the last of July.

Friday's Detroit Times carried a picture of Robert E. Lavey who is in training as an aviator at Goodfield in Texas. He expects soon to receive his wings as an army pilot. Last week he was called here by the death of his father, Duane Lavey, making the trip by plane.

Cpl. Friday Haines has been transferred from Fort Lewis, Wash. to the amphibious division at Fort Moultrie, S.C.

Raymond Ellis is now on board ship and gets his mail fleet postoffice New York City.

AJC Andy Kirtland has been transferred to the airfield at Stuttgart, and has had a number of hours in the air. The only accident he has is when he hit a table in taking off, which had been carelessly left in the flying field and put a dent in its plane for which he was unmercifully kidded.

Merlin Lavey writes from North Africa that he is getting along fine and has enjoyed several furloughs to the nearest city.

Bert VanBlaircum jr. has received orders to report for army duty in ten days. He was recently released by the army under the 38 year age limit.

A letter received from Mr. and Mrs. Earl Baughn stated they had arrived at Santa Ana Calif. where they took their daughter, Mrs. John Carver in her car. They will return by train. They met their son, Lawrence at Wichita, Kan. and took him back to his army camp at Texas.

### CARD OF THANKS

The family of Duane Lavey and myself wish to thank our neighbors and friends for their kindness and sympathy during our recent sorrow. Mildred Lavey

### 50th WEDDING ANNIVERSARY

Mr. and Mrs. Henry Kellenberger of Pinckney Michigan will celebrate their Golden Wedding anniversary July 15. Their 7 children and ten grandchildren will help them observe the event. The Kellenberger and Vogt family reunion will occupy the day until 4:00 p.m., after which open house will be held for friends and neighbors during the rest of the afternoon and evening.

### ANNUAL SCHOOL MEETING

The annual school meeting of District No. 2, Putnam, fractional, will be held at the school building at 8:00 on the evening of Monday, July 13. The annual reports will be read at this time and two trustees will be elected. Also such other business as may come before said meeting will be acted upon. P.W. Carlett, director

Mrs. Don Swarthout underwent an operation at McPherson hospital, Howell, one day last week.

## The Fourth Observed Here

The Carnival Drew a Large Crowd Here For the Week End

The carnival drew several hundred people here from southern Michigan over the week end. This is practically the same carnival company which was here a year ago. They started operations here Friday night with ferris wheel, merry go round, games and drew a good attendance all three days with Saturday and Sunday nites seeing the largest crowds. Everything was conducted orderly and there was no trouble of any kind as far as we have heard. The Pet parade advertised for Sat. failed to come off and also the races. Monday the Dexter high school band came over and played from 11:00 a.m. to 5:00 p.m. They were fed at noon by the L.A.S.

The refreshment places did a enormous business here and all supplies of pop, ice cream etc. were almost exhausted by Monday night.

Some people object to carnivals on the ground that they take too much money out of town. However the people here have been working hard with little opportunity for relaxation and this week end during which time most war factories closed gave them a breather. Also the heavy influx of visitors here over the week end cannot help but benefit the local merchants financially.

The carnival company went from here to Ferndale where they have appeared at the Annual Catholic church picnic for some years past. This picnic lasts a week.

### WIN FROM ANN ARBOR TEAM

Pinckney put on a very interesting game here Sunday and defeated the Wells Clothes team of Ann Arbor here Sunday 6 to 5. This is the team that beat Pinckney last year in the state tournament. The visiting team had the best of it the first part of the game and were ahead 5 to 1 until the end of the 7th. Pinckney filled the bases this inning and on 2 bunts and a walk but could not score. In the 8th Pinckney again filled the bases on hits by Cliff Miller, Darrow and K. Ledwidge, Shehan doubled and drove in two runs and Perry Swarthout followed with another hit scoring 2 men and tying the score. In the 9th Clare Miller singled for Pinckney, Cliff Miller grounded out and Darrow flied out. Joe Lavey drove a hit to center and Clare Miller scored the winning run.

Stanley Dinkel pitching for Pinckney received poor support at first but it got better as the game went on.

## OUR DEMOCRACY—by Mat

### MET-MATERIAL-AND MONEY.

WARS ARE WON BY MEN AND MATERIAL. FIGHTING MEN MUST HAVE FOOD, GUNS, CLOTHING, MACHINES THAT COST MONEY.

THE REVOLUTION - OUR FIRST WAR FOR FREEDOM - COST HALF A BILLION DOLLARS - A TREMENDOUS SUM FOR OUR FATHERS TO RAISE. THEY WORKED, SAVED, SACRIFICED - TO WIN WHAT THEY WERE FIGHTING FOR.

NOW WE ARE FIGHTING A WAR TO PRESERVE THE FREEDOM OUR FATHERS WON. IT IS COSTING THE UNITED STATES NEARLY HALF A BILLION DOLLARS EVERY TWO AND ONE-HALF DAYS. WE CAN PROVIDE THIS MONEY ONLY BY WORKING, SAVING, SACRIFICING AS THEY DID - BY PAYING OUR TAXES, BUYING WAR BONDS, MAINTAINING OUR LIFE INSURANCE AND SAVINGS ACCOUNTS.

PROVIDE OUR FIGHTING MEN WITH WHAT THEY NEED.

## More Pinckney Victory Gardens

A Number of Victory Gardens Let Out Last Week Are Herein Mentioned

In our victory garden writeup last week we failed to mention two very fine gardens in the east of town. These two are the property of James Tincher and C.H. McRorie. A creek runs through that section of town touching the east edge of their gardens and as a result the land is very productive. Both have large gardens and have everything imaginable in them including strawberries, raspberries, etc. Both planted their gardens about the first of April. Both very productive. Both have large gardens already and early potatoes big enough to eat. Both men have spent much of their time in the gardens and have a fine vegetable crop to show for it. Mrs. McRorie and Mrs. Tincher understand how to do it. They have contributed their efforts to the success of these gardens. There are probably other fine gardens in this village. If so we will have to be pardoned for failing to mention them.

Other fine gardens are those of Bert Hicks, Mrs. Winifred Graves, Mrs. Lola Rogers, S. H. Carr and Herbert Palmer.

### THE POST WAR ERA

To meet civilian demands for goods it should be remembered now that because of the present war billions of dollars worth of new factories have been put into operation. These war time factories can and will be turned into civilian uses to about 25% of our pre-war industrial capacity. The following statement delivered before the American Chemical Society by Dr. Sline, Dupont chemist is of great interest: "Now ready are petroleum fuels which go beyond the octane scale. The petroleum chemist sees all existing motors as out of date. Power will be created and fuels for automobile motor will yield 50 miles to the gallon unbreakable glass that will float or better. We will have glass that is wood that won't burn. From nothing but air, water, and coal, we have been making hosiery. Soon, from nothing but air, water and coal, we'll be making shoes that contain no leather, window screens that contain no wire; machinery bearings that contain no metal.

Mrs. Louis Coyle and Miss Bernice Lamont were in Detroit Saturday.

## Mich. Mirror State News

Increasing Prices and Higher Cost of Living Are Causing Serious Concern

We don't believe it is revealing any military secret to observe that the Michigan home front is having tough going this summer. Here are the signs.

The farmer is seriously concerned and rightfully so, about the prospect of a dwindling supply of foodstuffs and meats next winter because of the incessant wet spring which delayed planting of grains, sugar beets and beans. Average yields will be cut sharply. The farmer opposes the OPA price subsidy.

The industrial worker is restless over the spiralling rise in the cost of living. He is wondering what may be the ultimate outcome of Washington's inability to "hold the line." Food prices have been climbing steadily.

Drainage of manpower to essential industries where fantastically high wages are being paid, is beginning to cripple civilian economy. We affirmed many of these conclusions after glancing through a recent issue of the Congressional Record, the printed proceedings of the House and Senate at Washington.

Here are some quotations from remarks made by Michigan congressmen.

Rep. George A. Dondero, Royal Oak: "This morning I received a telegram from two farmer's organizations in my district, the Oxford Co-operative Elevator Co. and the Oakland County Farm Bureau, both saying this:

"Farmers and farm leaders are emphatically opposed to any rollback in farm prices. So much unfavorable publicity from Washington. Absence of guarantee of stabilized profitable returns to agriculture when labor and industry are taken care of is interfering with crop production. Office of Price Administration regimentation is resented."

Dondero concluded: "If the people of this country when wage scales and national income are the highest in the history of the Nation, are unable to pay for butter, coffee and food at decent prices to the producer, when will they be able to pay for it?"

While most labor in war industry is today receiving unheard of compensation and is abundantly able to pay for its food at a much higher price, yet we are all mindful of the school teachers, the clerks, and the white collar employees who have had no increase in wages but who must buy their food in the same market with the high salaried war worker."

Rep. Earl C. Michener, Adrian: "The great mass of farmers do nothing to create or support a black market. All the farmers want is a fair price in the market place."

Rep. Jesse P. Woolcott, Port Huron: "In order to crystallize the issue as to whether the American people today might not be in a better position to pay their food bill than ever before in the history of this country, I want to read one sentence from the last report of the Bureau of Agriculture Economics of the United States Department of Agriculture in which, in summarizing their findings, it is said:

"The total cost to consumers of fixed quantities of food making up a typical consumer's food basket was smaller in relation to average consumer income in recent months than at any other time on record."

"That is not amazing because we know that consumer purchasing power has been increasing by leaps and bounds. The only way we can siphon off this purchasing power so that there will not continue to be this constant threat to inflation is, first, by taxation and second by the sale of bonds to individuals who will hold these bonds."

## COMMENT

While many people fail to agree with the reasons given by President Roosevelt for commuting the death sentence of Max Stephan, the German traitor to life imprisonment, it is very probable that in years to come after the war is over they will appreciate the action of the president. His death sentence resulted from the heat and passions aroused by the war when the anti-German feeling had been fanned to a white heat by Pearl Harbor and other stabs in the back. As the president points out Stephan was guilty of only minor treason. He was not guilty of any plot to dynamite war plants, turn over important documents or war information to the enemy. He was found guilty of assisting an escaped German officer to get out of the country and while this is treason it falls in the minor category of the crime. However Stephan will probably serve his sentence in addition to having his citizenship revoked.

The Michigan Educational Assoc. has drawn up a long series of articles and recommendations which they have presented to the state board of education. In view of the teacher shortage some of these recommendations may be put into effect. They recommend that the district school be abolished and in their place, a system of schools with an average enrollment of 400 be set up. These schools would be served by busses in such a way that no pupils would be farther than a 30 minute bus ride. A two year course of college subjects would also be added to these schools. Everyone admits that the Michigan schools need revamping but the above program is a little too ambitious and besides although the district school system is outmoded there is too much sentiment attached to it to permit its abolishment entirely.

We note that the Detroit News Overseas Cigarette Fund has now raised enough money to send 8,000,000 cigarettes to the boys in service. There has been a big change in the attitude toward the cigarette. Back when the editor was a boy the cigarette was referred to as a coffin nail, and all smoking them were on the road to Hell. It was classed with liquor as an evil and many a boy was supposed to have gone to the Devil by smoking cigarettes and reading dime novels. In those days Sweet Caporal's were about the only tailor made cigarette on the market and cigarette users rolled their own Duke's Mixture, Bull Durham and other cigarette tobaccos giving free cigarette papers with each package. Now there are many brands of cigarettes on the market, all nationally advertised and the lowly cigarette has become respectable. As many women smoke them as men. The Anti-Cigarette Societies which flourished at the beginning of the 20th century have gone forever. The cigarette has become respectable.

The average person is inclined to wonder just why there was such better opposition in congress to the attempts of the president to stop inflation. The trouble is that a "business as usual" attitude still prevails among members of congress and each congressman is there for the purpose of getting all the advantages for his constituents in the way of high prices for their products etc. For this reason they have resisted all attempts to hold prices down. However when inflation runs wild and the people realize that high wages and high prices for food, rent, clothing etc always go together and no one gains by them there will be a big change in the attitude of congress.

Mrs. G. Roy Merrill was hostess at the July meeting of the Ladies Guild of St. Stephens Episcopal church held at her home Thurs. afternoon with 18 in attendance.

The meeting was in charge of the President Mrs. Stephanon and opened with hymns and prayer.

A talk was given by Rev. Pearson among other things he spoke of was the organizing of a society for the teen-agers. The altar linens were not purchased because linen cannot be purchased at the present time.

The bazaar was discussed and the date is set for Sat., Aug. 15. That means all get busy the next six weeks.

The reception held for Rev. & Mrs. Lawrence Pearson at 100F hall Wednesday evening was a most enjoyable affair. About 50 were in attendance to get acquainted and give them a most cordial welcome.

There are but 3 or 4 farm places in Hamburg that can boast of being owned by the same family since they were built. Such is the one of Mrs. James DeWolf just east of Hamburg village which was taken up from the government.

This home was the scene of the fifth DeWolf family reunion Sun. June 28.

There were 50 in attendance from Ann Arbor, Pontiac, Saginaw, South Lyon Detroit Webster and Hamburg. Mrs. Fred Janks, grand daughter, Welan were guests.

A rain storm sent them all indoors where a long table was set and dinner was served buffet style.

After the rain the men and boys play horse shoes; other games planned being called off.

Gen Myers of Hamburg and Miss Eilene Dufresne of Dearborn were married at Gallatin Missouri, where they spent the honeymoon visiting relatives and friends. They are now at home in Hamburg.

Mrs. Earl Lear has announced the engagement of her daughter Arlene to Charles Proctor of Wixom.

NOTES of 25 YEARS AGO

The fourth of July celebration here was a big success, over \$1100 being taken in for the benefit of the Red Cross. The only disappointment was that the flyers from Selfridge field failed to arrive, Pinckney won the ball game from Stockbridge. The North Lake Band played.

Last Tuesday Pinckney staged a real manhunt with bloodhounds and all the trimmings. Some one reported to Marshall S.H. Carr that they saw Harry Bushnell, the double murderer who escaped from Jackson prison in Dunnings swamp. He called up the prison. They sent down some guards with a bloodhound and deputies from Stockbridge, Munith and Washtenaw counties. They surrounded the swamp but did not appear anxious to enter it. Finally Irving Kennedy volunteered to go in the swamp and did so but found after a thorough search that there was no one there. Then the searchers dispersed and so did the entire population of Pinckney who had gone out to see the fun.

Henry Harris Jr. who will soon enter the army is here for a visit.

Hollis Sigler has enrolled in the officers training camp at Fort Sheridan, Ill.

At the annual school meeting Monday F.G. Jackson and M. J. Reason were continued in office.

John Devine, son of Mrs. Florence Monk Devine of Dexter has been seriously wounded in France.

Ambrose and Lorenz Murphy are working at the Lincoln Motor car co. in Detroit.

Born to Arthur Bull and wife on July 4th a daughter.

Born to Arthur Bull and wife on July 4th a daughter.

NOTES OF 50 YEARS AGO

Miss Mable Mann has gone to Marysville to attend a class reunion.

The state militia will hold a 5 day encampment at Island Lake beginning Aug. 10. The plan to hold the encampment at the Chicago World's fair has been ruled illegal.

H.L. Mowers who has purchased the farm at Portage Lake is building a cottage on the Bluffs there.

20 people perished at the Chicago World's fair last week in a fire which destroyed the cold storage plant.

The population of Detroit, just announced is 257,050.

Gene Campbell left for the Chicago world's fair Monday.

Mrs. Benj. Allen purchased the hay on the public square this year for \$3.

W.B. Lister now makes all trains with a 2 seated canopy top surrey.

J. H. Haley and wife of Walden Mass., on their way home from the Chicago World's fair are visiting at the Kerry Roche home.

Married July 5 at Brookings S. D., Miss Cecilia McLouth of that place to Arthur B. Cordely of Pinckney.

Miss Weltha Green will teach in the Horton school next year.

Born to George Collins and wife one day last week a boy.

Burton Royce has been appointed postmaster at Hamburg to replace H.M. Olsaver, resigned.

Mrs. Eagle has moved into part of the Miller house on Unadilla St.

Mrs. Anna Fitzsimmons has returned home from an extended visit in Idaho.

Rev. J. L. Hudson, presiding elder preached at the M. E. church here Sunday evening.

150 convicts at Ionia prison made a break for liberty last Monday and were not subdued until one had been killed and another badly wounded.

CONSERVATION NOTES

Mrs. Mary Teeple is visiting friends in Detroit.

There are a total of 11,087 lakes in Michigan covering a total of 1,187 square miles.

Attempts to raise wild rice in Michigan lakes, a popular wild food, have not been successful. Indians harvested this grain for their own use and it is still raised commercially in Minn.

Peter Gamble of Mackinac county recently captured an albino porcupine.

With 38 counties open to hunting Minnesota hunters killed 76,806 deer in 1942.

### COOLEY TEAM TAKES PINCKNEY

Pinckney lost their first game in the county league last Friday night when the Cooley Dairy team of Howell staged a last inning uprising and scored 4 runs to sweep away the Pinckney lead of 8 to 5.

Stanley Dinkel, pitching his first game for Pinckney did good work up to this inning although his support was spotty. Pinckney got away to the lead in the first inning when Cliff Miller led off with a single and scored on a sacrifice by Darrow and a hit by Lavey. They added another in the third when Cliff Miller was safe on an error and Darrow doubled him home, and three more in the fourth when Arnold, Cooley pitcher, lost control and walked 2 men, Perry Swarthout singled them home and was forced in when Arnold issued 3 more walks.

Cooley got 2 in the 3rd when Ladoucer tripled, Brayton singled, K.L. Ledwidge fell down fielding the ball & C. Miller threw wild to first on Bishop's drive. Howell added another in the 5th on Brayton's single, a force-out at second and Darrow's error. In the 6th Reader led off with a triple, and scored off Jerry Ledwidge's hit. Howell also got 2 runs this inning on a walk error and hit.

In the 7th Pinckney ran their lead to 3 points when they scored twice. Cliff Miller and Darrow, both singled Bishop's throw to Cooley to get Darrow at first scored Miller and Darrow scored on Lavey's long fly to right.

In their half of the 7th both Ladoucer and Brayton singled for Howell, Stub Musson walked. Bishop doubled down the left field foul line clearing the bases. Kurderko walked. Metz singled and Gehringer fouled out to Lavey. Bill Musson hit to short and Bishop scored the winning run for Howell.

There was some dispute about Bishop's double, the Pinckney team claiming it was foul by a foot or more. However, umpire Max Hagman disallowed their claim.

Pinckney plays Brighton at Howell Friday night, July 9th under lights at 9:00 p.m.
