Annual Past Masters Night

Large Crowd Packs High School Auditorium at 14th Annual Past Masters' Night Banquet of Livingston Lodge Fri.

Livingston Lodge No. 76 F. and A. moved their Past Masters' Banquet to the high school auditorium this year in order to have more room. However, this place was packed to the doors and if the attendance keeps on increasing eventually the function will have to be held out doors.

The Lodge room was open from 5 to 7 to receive visitors and most of the early comers went there. The local O.E.S. served the banquet, some 50 of them participating, many of them working from 9 a.m. to 12 p.m.

Rev. McLucas gave the invocation and following the banquet Clifford Miller, W.M. of Livingston Lodge delivered the welcome address to the past masters, grand lodge officers and visitors, and introduced Lucius E. Wilson, toastmaster. Ross Read P.M. responded to the welcome on behalf of the past masters of Livingston Lodge.

Haze Bennett, a former Pinckneyite, now with the Ford Motor Co. and living near South Lyon where he is master of the Masonic lodge put on an excellent floor show. It consisted of a stringed orchestra and 12 piece rube band with an announcer who did an excellent imitation of Uncle Josh of WLS barn dance. Their theme song was "Keep the Home Fires Burning and There Will Be a Hot Time in the Old Town Tonight". The members were garbed in the costumes of a volunteer fire dept. and is the Greenfield number that appears on the radio.

Dr. Albert Hughes of Detroit, grand master, delivered the address. His subject was "Masonry and the Nation" in which he traced the Masonic influence on the nation since its founding. His address was excellent and well received.

Reg. Schaefer P.M. presented a past master's apron to Ona Campbell, retiring master and Kirk VanWinkle P.M. a life membership to Edwin B. Hill whom he raised 40 years ago. It was received by J.H. Hooker as proxy. Mr. Hill has lived in Texas for over 30 years. He was employed as night editor on the Detroit News but lived at Lakeland.

The following grand lodge officers were introduced: Dr. Francis Lambie, Midland; Charles Sherman and John Hawks, Lansing; Dewey Hesse, Saginaw, all past grand masters; Hugh M. Pherson, Pontiac, grand treasurer; Rev. Wm. Donald, grand chaplain and Clarence Hooper, grand S. D., Flint; Dr. Hazen Cole, grand J. D., Ithaca; Dr. Kenneth Lyons, Jackson, grand S. W.; Dick Steed, Detroit, grand tiler and Guy Powell, Detroit and Dr. Morgan Smead, Rochester, candidates.

The visiting past masters, masters and senior wardens were then introduced and the different lodge delegates asked to rise and be counted.

Congressman W. W. Blackney of the 6th district was then introduced and delivered an informal speech in which he expressed his pleasure in being able to be present and the value of such Masonic gatherings. His remarks were applauded.

This ended the 14th annual past masters event of Livingston Lodge, known as the Michigan Junior Grand Lodge on account of the many grand lodge officers attending. Some of the visitors remained for an hour or more visiting and renewing old friendships.

At the banquet 53 different lodges were represented. Livingston Lodge had 60 members out. Howell 30, Detroit lodges 18, Ann Arbor 17, Dexter and Fowlerville each 12, Stokbridge 10, Brighton 9, Flint 3, St. Albans, Ypsie, Chelsea, Byron, Linden, Jackson, Trenton, Walled Lake, Clarkston, Durand, Midland, Mason, Manistique, Midville, Redford, South Lyon, Ithaca, Greenville, Milford, Royal Oak, Port Huron, Pontiac, Commerce, Grattan and eight Detroit lodges were represented. The out state ones represented were Glasgow, Scotland, White Bear, Minn., North Neuberg, West Salem, Ohio, Atlantic City, N.J.

Among those present was William (Dutch) Going, a former resident now master of Clarkston Lodge.

A letter was read from Paul Strawhecker, formerly of Grand Rapids, now a Captain in the USA expressing his regrets in not being able to attend. He is deputy grand master of Michigan Masons.

AMERICAN HEROES BY LEFF

Torpedoed at night, men of the Merchant Marine abandoned their fast-sinking ship. Frederick R. Zito, Cadet-Midshipman, left his lifeboat, climbed hand over hand up the falls to free a 250-pound fireman. Unable to loosen the ropes, he cut them free, then towed the entangled man until they were picked up by a lifeboat. His is heroism beyond the line of duty. That extra War Bond you buy may save a life!

impression or them that they cast dire to see who should get his clothes As Christ rose from the dead so also rose the Christian Religion. In our mind it would require very little effort to transfer these events of ancient Jerusalem to the present day.

CURRENT COMMENT

By Yo. Editor

Another crucial congressional election which was hailed as a test by both Democrats and Republicans was held in Oklahoma last week, and the Democrats won by a 3700 majority. The Democrat majority in 1942 was only 385. In the presidential election in 1940 85,000 votes were cast, last week only 38,000 voted. Very few soldier votes were cast. Both parties capitalized the contest, an indication of the presidential election this year. Senator Barkley, the Democrat senate leader campaigned for Wm. Stigler, the victorious Democrat and Gov. Bricker for E. O. Clark the losing Republican. To our opinion the meager vote shows what other elections to fill vacancies have shown, the minds of the people are on the war and not the election.

The Michigan Commonwealth party which seeks to unite the labor and farmer classes into a new political party will hold a convention in Grand Rapids in July to decide whether to place a ticket in the field in Michigan or not. Now the history of third parties in Michigan has not been a happy one. Somehow there has never seemed to be any more than two main parties in Michigan for more than two main parties which at the present time the Republican and the Democrat. Since the election of George Washington there have been numerous attempts to start third parties, all of which have failed, and most of which have long since been forgotten. Among some of these were the Greenbacks, the Know Nothings, Free-Soilers, Anti-Masonic, Populists, Progressives, Farmer-Labor, the American party, etc. Of these probably the Populists and Progressives or Bull moosers had the most success. Although they elected no presidents, they did elect members of the legislature etc. They were always a very small minority and eventually after a few years disappeared, being absorbed by two leading parties.

The Allies seem to have suffered a defeat in Cassino in Italy as press reports say they have abandoned the battle. In this battle they seem to have relied too much on air attacks and not enough on land operations. Cassino was subjected to one of the most terrific bombardments of the war by air, when the infantry moved in to take over, the Germans came out of the ruins and turned them back. The Germans were aided undoubtedly by the weather and position. The mud made advance by mechanized equipment difficult and the German position on a high mountain was all to their advantage. Undoubtedly the Allies could have won if they had been willing to pay the cost in high loss of life such as Russia has done to achieve her victories and free her country of invaders, however. We have not yet reached that attitude yet, though we may eventually. It will be remembered in the civil war that the end was prolonged for years because certain generals shrank from the high loss of life a decisive victory would mean. At length General U.S. Grant was brought in to command and announced he would fight it out to the line if it took all summer. His losses were tremendous especially in the "Wilderness campaign" and earned for him the name of "Butcher" but eventually he won.

Another Easter season is at hand and once again the tales of the trial, crucifixion and raising of Christ are heard. To our mind this is the strongest part of the Scriptures. The story is well told the settings are true to life and could very well exist in the present days. The Jewish nation was never anything but a loosely knit confederacy with no strong government, usually fighting among themselves and held together only by religious ties. Every conquering nation subdued them including Egypt, Assyria, Babylon, Persia and Rome and later the Saracens, and Turks. At the time of Christ, the Jewish nation was under the heel of Rome and Pontius Pilate was the Roman governor there. The Jewish church, one of their most powerful organizations had Christ betrayed and arrested while he was preaching in Jerusalem and were the star witnesses against him in his trial before Pilate. They denounced him as a rabble rouser seeking to undermine the authority of Rome and demanded his execution. Pilate could find no bing to support this charge and would have freed him, but at length yielded to the powerful pressure of the Jewish church and allowed his execution. Human life was cheap in those days. The death penalty was exacted for many minor crimes and Pilate's idea was to appease the Jews and govern his district with as little trouble as possible. He knew little of Christ and probably regarded him as an obscure preacher with only a small following. However he seems to have given the Jews a last dig for forcing his hand as he placed on the cross the words "Jesus of Nazareth, King of the Jews" which infuriated them. To the soldiers performing the crucifixion, it was all new to them. In fact, it made so little

Answer: ELECTRICITY!

Look at the chart above. The upper line represents living costs as far back as 1914—including rent, food, clothing, household furnishings, etc. Notice the mountain peak during the first World War, and the rising slope during the present war. These upward curves mean money out of your pocket. You pay more and more for the things you buy.

Now look at the bottom line of the chart—the one headed steadily downward. That is the average price of your residential electricity since 1914. Thanks to rate reductions and increased use, your average price of electricity is LESS today than before the war. It is lower, in price than even during the depression in 1932. And it is only half the price you paid during the last war. Electricity is cheap.

"I want him Back... so

I'M SAVING WASTE PAPER!"

Yes... waiting is hard. But it's easier when you're doing something to protect and aid him... and bring him home sooner!

Your Government says that waste paper is the No. 1 war shortage. There's your opportunity!

For waste paper is everywhere. Newspapers, magazines, wrappings, corrugated paper... bundle them all in packages about 12 inches high and turn them in.

The very waste paper you tie up may well be made into paperboard that packages the K-rations, ammunition or blood plasma your fighting man will use.

So enlist the children. Enthuse your neighbors and friends. Scour attics and basements. Then start a regular system of saving and bundling your waste paper for war.

It's so little to do... and it may mean so much to him!

THE OLD JUDGE SAYS...

"Quite a stack of newspapers I left you yesterday, Judge. Aren't you in the newspaper business, are you?"

"No, I just enjoy reading different papers so my nephew George sends them to me whenever he takes a business trip. I got a big kick out of them he sent me from several counties where they still have prohibition. Particularly from some headlines that read 'Drunk Driving Arrests Rise', 'Bootleggers must post Ceiling Prices', 'Federal Agents seize 'Trick' Liquor Truck'. Doesn't that go to prove, Joe, that prohibition does not prohibit?"

"I watched conditions pretty carefully during our 13 years of prohibition in this country. The only thing I could see we got out of it was bootleg liquor instead of legal liquor... plus the worst crime and corruption this country has ever known."

MOST EVERYONE IS INTERESTED IN SAVING MONEY

While for years we have been selling money orders at a saving price over Postoffice money orders, with the increase in price of Postoffice money orders March 26th, 1944, the saving is much greater.

There is a possibility that it would be more profitable for you to open a checking account if you send money out of town very often.

Remember you may purchase our money orders whether you are a regular customer or not.

We invite you to affect this saving for yourself.
