## News Items of Boys in Service

News and Items Concerning Our Boys Who Are Serving in the Armed Services

Clement Thorpe, USN, was married on Nov. 18 last to Miss Marion Davis, of Brockton, Mass. The wedding took place at the rectory of the church of the Holy Ghost, Rev. Fr. Stan officiating. They took a wedding trip to New York City. Clement recently fell from a ladder and had to have an operation on his right side.

W. H. Meyer received a letter from Sgt. Russel Glover last week informing her that he was now with the air corp in Corsica.

Spears Lichman received Sunday that her husband PFC Emil Gerry Eichman had been wounded in France on Nov. 10 last while fighting with Gen Patton's division. He was inducted in June 1943 and trained at Camp Wolters, Texas. He went overseas last August and took part in the D-Day invasion. His last letter received here was dated Nov. 6. Besides his wife he has year old daughter. His mother, Mrs. Ada Eichman and brother, Ambrose and sister, Dolores, live in Detroit.

Charles and Edgar Clinton are both overseas and get their mail via the New York City postmaster. Roy who was in New River, South Carolina is now in San Francisco, Calif. They are sons of Mr. and Mrs. Louis Clinton, former Pinckneyites.

Gerald Clinton who has been in the air corp at Greenville, Texas, is now at Eagle Pass, Texas.

Mrs. Mary Eichman received a letter today from her husband, PFC Gerry Eichman, written Nov. 19, in which he said he was in a French hospital and his wound was slight.

George Meabon sr. has received word that his grandson, Lt. E. Watters, missing in action since Sept. 19 over Holland, is a prisoner in Germany. He is a glider pilot and took part in the first D-Day landings in Normandy. He is the son of Mr. Milton Watters (Irene Meabon) of Germany.

PFC Fritz Wylie is now at Maxwell Field Ala.

Tech. Sgt. Harold Reason, 36, of Pinckney has recently been awarded the Distinguished Flying Cross by Col. John Gerhart of Chicago, Ill. Combat Wing flyer at a recent ceremony. The flyer is engineer and top turret gunner at an Eighth Air Force B-17 flying fortress group commanded by Col. Bostrom of Bangor, Me.

The Sgt. received the award for "extraordinary achievement while serving as engineer and gunner on many high altitude heavy bombardment attacks over Germany and German-occupied Europe." A veteran of more than thirty combat missions, the flyer has participated in attacks on oil refineries at Merseburg, Germany; Robot installations in France; aircraft factories and ordnance plants in Germany.

The flyer holds the air medal with three oak leaf clusters in addition to the D. F. C. The fortress of which he is a member is a unit of the third bombardment division which was cited by the president for its historic attack on Messerschmitt aircraft plants England-Africa shuttle bombing at Gensburg, Germany.

Mrs. Betty Meabon who has been visiting relatives here and at Grand Rapids left for San Diego, Cal., this week to join her husband, Loren Meabon, at the naval base.

Word has been received that PFC. Donn Widmayer who has been in the air force in South Carolina, has gone overseas from New York.

Harlow Haines is now at Tacoma, Wash.

Mrs. John Bell recently asked Jimmie Bell who is in the Hawaiian Islands what he wanted for Christmas. He wrote back and said a duck. That he was able to get about everything else there that he wanted. So she cooked one, canned it, and sent it to him.

Paul Singer 1/C U. S. N. is home on a 30 day furlough, his first in 18 months. He was at Rio De Janeiro South America, a year. He is a motor mechanic in the naval air corp, and is in the air most of the time at present, acting as instructor. He is now at Camp Christi, Texas.

PFC. Clare Booth who had both legs broken as a parachute jumper and has been at Percy Jones hospital, Battle Creek, has received a disability discharge and is visiting friends here.

Capt. Edward Howell writes from Holland that he still receives the Dispatch there and enjoys it very much. He took part in the entire French invasion and now has his own company. He was in the division to which the 26,000 Germans surrendered en masse at Aachen. He graduated from the local high school and was rated as one of the best tackles ever to play on a Pinckney high school team. Dave Kelly was the other.

## The 6th War Bond Drive

The Public Is Invited to Attend Free Entertainment and Bond Rally at School December 7th

Chairman C. F. Hewlett has been successful in securing the personal appearance of Professor Edward C. Prophet of Michigan State College to come to Pinckney and address us on some of the important phases of the war, which he entitles "Geography in the News".

The Professor has long been noted

Our high school orchestra will furnish some of the music; Mrs. Florence Baughn will have charge of the singing; Mrs. Eloise Campbell soloist. Pinckney Hi Glee Club under the direction of Mrs. Hinsdale will favor us with a couple of selections.

Mr. Prophet talks with authority, using maps and pointing out in most interesting manner the strategy of the present battle. You will miss the most interesting and instructive lecture you could ever attend if you fail to be at PINCKNEY HIGH SCHOOL - THURSDAY EVENING December 7, at 8:00 p.m. fast time.

Invite your neighbors and friends who may get this paper. No admission charge - no collection. THE 6TH WAR BOND DRIVE

The first week of our drive brings good reports.

A Pinckney business man starts the drive off by buying \$2000.00 which is quickly followed by a factory worker who buys \$1000.

While some of the sellers have not started and some others have not reported at this writing our total for Pinckney is \$4182. of our \$12,000 goal and our Township sales amount to \$2137.50 of our \$9400. goal; this means that we have just reached one fourth of our objective and calls for more work on the part of our Gallants and digging down a little deeper into the pockets and bank accounts of every last one of us.

Gallant Eloise Campbell takes the lead with \$1893.75 - Gallant Ruby Hewlett follows with \$1106.25 while Gallant Mae Dallar takes third place with \$187.50. In the township Gallant Florence AtLee takes first place with \$525. and Gallant Mrs. Abney in second place with \$112.50.

Don't let down on this Bond Drive. Don't let those dollars lay in the bank when it will help to furnish an ambulance to carry some wounded boy back to safety. After all he was wounded trying to protect those very dollars you may be hoarding or say you haven't got and our American Way of Life.

Joe Basydlo is now on board ship out of San Francisco, Calif.

Louis Body U. S. N. is home from the Pacific on furlough.

It Clare Shosser whose wife is the former Rosemary Read is now in the East Indies.

Sergt. Joe Morris who has been visiting his wife and daughter here (Raymonda Ledwidge) Morris, has returned to the army hospital at Galesburg, Ill. He was in the South Pacific a year and one half.

Cornet Jack Fairchild who has been in the Marshall Islands for a year and one half is home on a furlough and visited at the Frank Aberdeen home last week.

## Were Married November 23

Local Couple Are Married in Impressive Ceremony Thanksgiving Day

In the sacred portals of the Blue Room of the Masonic Lodge Mildred Henry and Clifford Miller were united in marriage on Thanksgiving Day at High Noon by Rev. McClucas, officiating clergy. Preceding the ceremony two solos were sung by Mrs. Virginia Carver accompanied by Miss Vivian Croope. "I Love You Truly" and "Always". The bride was escorted to the altar and given in marriage by Joe Griffith her uncle to the strains of Lohengrin's Wedding March played by Florence Baughn.

The bride wore a brown gabardine suit with brown accessories enhanced by a gardenia corsage and carried a white miniature Bible and white lace handkerchief. Roberta McArthur, her sister and bridesmaid wore a gray suit and black accessories and also had a gardenia corsage. The groom wore a brown suit and the best man, Clifford Haines wore a dark suit.

The bride's mother wore a black ensemble and had a rosebud corsage. The groom's mother wore a navy blue ensemble and had a rosebud corsage also. Forty-five relatives and a few intimate friends were present.

A bountiful bridal Thanksgiving dinner was served. The gifts received were beautiful and a hearty "Thank you" was enduringly expressed by the bride and the groom.

After a brief honeymoon the couple will reside at 512 Main St.

## CHARLES KENNEDY

Charles Kennedy, 52 son of the late William and Anna Kennedy of Pinckney died at his home in Highland Park Sunday after an illness of several years. He leaves his wife, the former Lucile McQuillan, a son, Robert, now in the Merchant Marine in England, a daughter, Mrs. David Marchand and two daughters at home Donna and Patricia. Also his aged mother, Mrs. Anna Kennedy and two brothers William and Claude of Pinckney, a sister, Mrs. Wm. Haslam of Sandwich, Ont., a sister, Mrs. E. Mansfield of Niagara Falls. Two brothers, Raymond and Joe and two sisters, Mrs. Gerald McFadden and Mrs. Brock Cole are deceased.

The funeral was held at St. Benedict's church at Highland Park at 9:00 a.m. this morning and burial was in Highland Park.

## NEW INDUSTRY COMES HERE

The Rogers Motor Co. of Detroit has purchased the building here known as the Slayton Ford Sales Garage and will put in a factory employing about 25 people. This will be their wood working department and will start operations about Jan. 1, 1945. The company makes motors for miniature airplanes and have had their wood working dept at Tawas City but wished a location nearer to Detroit. The Slayton building has about 7000 ft of floor space. At Tawas city the company had 7500 ft of space and employed 60. When they get underway they expect to employ 60 per cent men and 40 per cent women. The Demarch on behalf of the citizens of this community welcomes this factory here and assures them of their cooperation.

## Michigan Mirror State News

State News Gathered from All Over the State of Michigan

Reelection of Governor Kelly to a second term has led to a movement among Republican leaders to favor a four-year term for state elective officials by constitutional amendment. Robert S. Ford, director of the state department of business administration released a prepared statement that he planned to ask legislature to adopt a joint resolution whereby an amendment would be offered to the voters.

A four year term for state elective officials is opposed by some 50 members of the board of control of the Michigan Federation of Young Republicans according to Gordon Walker of Detroit, chairman. He was quoted as follows: "If the officials do a good job the voters would reflect them to second terms just as they did Governor Kelly."

A recess of one month is proposed for the 1945 legislature session to permit completion of budget bills.

Governor Kelly is said to favor continuation of an annual legislature session during the next biennium (1944 and 1946).

On the ground that the state constitution of Michigan prohibited lotteries, Circuit Judge Guy A. Miller ruled in Detroit that the 1933 horse racing act legalizing betting was invalid. The judge said the "sensible construction of the word (lottery) is that the the people of Michigan intended to see to it that the legislature should never permit gambling enterprises in this state whose outcome depended on the operation of chance." He maintained that the state itself was therefore engaged in "criminal operations."

The Michigan State Grange recently asked the state of Michigan to get out of the liquor business. Under present control the state holds a monopoly on the distribution of liquor. The net income of profit for the last fiscal year was \$24,068,000 of which close to 19,000,000 came from the sale of liquor. Liquor sales increased about 10 per cent from last year's volume.

In the meanwhile all has not been peaceful at offices of the state liquor control commission. A controversy has existed over division of authority between members of the commission and the business manager, Brig. Gen. Louis A. Kunsig. This culminated recently in the resignation of the secretary J.F. Richardson, and appointment of a successor, George E. Bullen. Richardson resigned Nov. 8; Bullen began work Nov. 16, and the news was casually disclosed by Commissioner Felix H. Flynn on Nov. 22.

The civil service commission has its troubles. Members are not in complete agreement over the constitutional power of the commission in the field of salaries of state employees. Alex. J. Groesbeck former governor, is said to believe that the commission has the authority to require legislative appropriations to cover fixed salaries. Groesbeck's resignation has not been accepted by Governor Kelly. Labor leaders have proposed a \$1,800 minimum salary and a 40 hour week with time and one-half for overtime.

## THE FROZEN FOOD LOCKER

Wylie Bros. are about ready to open their frozen food lockers for business. The frozen storage room for whole carcasses is already in operation and Friday we saw four deer carcasses hanging there belonging to Wm. Foster, Whitmore Lake, Don Bell, Portage Lake, C. Smithers of Pinckney and the repair man for the Mich. Bell Telephone Co. The other lockers are expected to be in operation about Dec. 1 as soon as the large condenser is installed. We understand that most of the 250 lockers have already been taken but there are a few still available. The storage room is also available for those who wish to store whole carcasses.

## CURRENT COMMENT

The Michigan election laws must be amended in January almost as soon as the legislature meets if the service men are to be permitted to vote at the spring election. There seems to be a difference of opinion on the subject. Sec. of State Dignan, Treas. Drake and Supt. of Instruction Elliott are said to be in favor of changing the law while Vernon Brown, Lt. gov., and Gov. Kelly is in California on vacation and could not be reached. Brown bases his objection on grounds that the service men are little interested in the spring election and very few of them would vote. He points out that on Nov. 7th only 165,000 of the 500,000 Michigan men in the service voted. He doubts that enough would vote in the spring election to make it worthwhile to change the law. If the law is changed the state convention would have to be held in January.

Has the recent election strengthened President Roosevelt and given him more power. The vote on the crop insurance bill would indicate it had. This is one of President Roosevelt's pet plans and was beaten in 1943 by a vote of 208 to 160. Congress then branded it as impractical and too costly. Yet last week congress reversed itself and passed a similar bill by the vote of 254 to 16. This bill is regarded as only a starter in the crop insurance plan which will eventually cover most farm products. At the present wheat, cotton, corn and beans are included. In cases where these crops fail through drought or for some other cause, the farmers adopting this plan will draw insurance.

The prospects of a nation-wide strike of "Hello Girls" or telephone operators has been averted for the present and you will continue to hear "Number Please" when you lift your telephone receiver. The trouble seems to have started in Ohio where owing to the labor shortage operators were brought in from outside the state. They were given costs of moving etc. until they were getting more than the regular operators who have an appeal before the War Labor Board for a wage increase and are affiliated with the American Federation of Labor. When the W. L. B. failed to act a nation-wide strike seemed which was only averted by direct appeal to the White House.

Tomorrow night Pinckney will honor her high school foot ball team, claimant to the mythical class "D" title, by a banquet. Twice before Pinckney high school teams have claimed the title. In both previous instances they had to defend it. Back in 1924, J. P. Doyle, then coach, laid claim to the title. Perry challenged the claim and in a Thanksgiving game Pinckney emerged winner 20 to 0. The team representing Pinckney then was made up as follows: Ends, Gerald Reason, L. J. Henry; Tackles, Dave Kelly, Billie VanBlaircum; Guards, Emil Weddige, Buster Brown, Center, Kenneth Reason, Quarter, Vic. Bourbonnais, Backs, Don Swarthout, Mike Blades, Andy Campbell, J. C. Bowman. In 1926 the team again claimed it and in another Thanksgiving Day battle turned back Michigan Center the challenger 25 to 0. The team that year was Cecil Hendee, Clare Miller and Marvin Campbell ends, Roy Reason and Walter Graves, tackles; Norman Miller and Jim Nash, guards; Wayne Carr, center; Don Swarthout, quarter, Emil Weddige, Harold Reason and Mark Nash, backs. Since then Pinckney has had some mighty good teams but not one where every player clicked as they have this year. We wonder just what it takes to make a team click. Most of the present team played last year when they only had a medium season. We wonder why the team has never acquired a moniker or nickname just every other team has one. They could rightly claim the title of "The Irish." Of the starting lineup-Jim Reid, Jack Reid, Gus Ledwidge, Don Burns, Jim Doolittle and Dick Young all belong to that race and Garth Meyer's maternal grandmother was a McGraw. We doubt that Notre Dame who made the name Irish famous in football have that many Irishmen in their starting lineup.

Lt. Charles Uber of Howell suffered a fractured ankle when the plane he was flying from Harrington, Kan., crashed in Missouri. He bailed out at 8000 ft. altitude.

PFC Frances Gaffney, 27, of Hartland was killed in action over Italy on Oct. 18.

Many years ago a professor or cult existed known as alchemy. Their object was to change baser metals such as lead into gold by chemical reaction. The cult flourished for many years. Lack of success killed it and it has been out of existence for many years. Now the Dow Chemical Co. of Midland has had to deny a report published by a newspaper columnist that it recovered enough gold from sea water pumped in by its Texas plant to meet its 6000 man payroll. The Dow Company specializes in salt products and has made a hundred and one products from salt brine. Samuel gold had been recovered from sea water. Crowther, asst. supt. admitted that but only he claimed in non-commercial quantities.

A marriage license has been issued to Carl Kiesling Foster, Washington U. C., U. S. A. and Virginia Hall of Fowlerville.

Judge Collins returned to Howell Nov. 21 to hear the suit of the Citizens Mutual Auto Ins. Co. vs Dorris Frisbee. However the suit was postponed, pending an opinion from the supreme court. The judge heard a quiet title suit instead.

### NOTES OF 25 YEARS AGO

The football game here last Friday between Pinckney and Chelsea resulted in a pitched battle between the 2 teams in which both Pinckney and Chelsea fans participated. It started when a Chelsea player slugged Harlow Shehan. A delegation of Chelsea citizens and sleuths were over here Sunday looking for evidence for arrests but as we go to press no action had yet been taken. (Note by editor). There never was.

Although the amendment to bond the county for \$600,000 lost in Putnam 96 to 76, it carried in the county by a big margin.

Charles Henry, 71, died at his home here Monday. He leaves his wife and a daughter, Mrs. Ernest Frost.

Rev. F. S. Hurlburt, pastor of the Cong'l. church has accepted a call to Sheridan and will move there. He has been here two years.

H. J. Norton, local baker, is installing new machinery in his bakery here.

Frank Newman and Robert Tiplady have been drawn to serve on the jury.

### THE STORY OF SPENDTHRIFTS DE LUXE

John Henry Cutler in an article in The American Weekly with this Sunday's (Dec. 3) issue of The Detroit Sunday Times tells how Aesop's famous \$40,000 highball set fashion for fabulous characters who have tossed away fortunes in prodigal splurges for the delight of their own strangely thwarted egos. Get The Detroit Sunday Times.

### A PLEASANT OCCASION

A very pleasant occasion occurred on Saturday evening Nov. 18 at the Gregory town hall when John Martin sponsored a party of invited guests of friends and neighbors and not a Farmers Union dance as published last week, about 85 couple were present to enjoy the leapyear party, dancing was the order of the evening, Ed Maas and orchestra furnishing the music, co operative refreshments were served at the close of which everyone went home convinced that the host was able to put on a good clean party.

One who was there.

### CONSERVATION NOTES

Commercial fishermen will take \$4,000,000 worth of fish out of Michigan waters this year. 7,249,190 lbs. of lake herring were taken last year worth \$398,705 and 5,361,898 lbs. of trout worth \$1,796,426.

The muskrat trapping season is Dec. 1-31. 905,443 muskrat were taken last year in this state.

Feeding stations for birds are again urged especially when sleet storms shut off their food supplies.

The State of Michigan sold one million feet of aspen last year. This is used in making wood pulp and crates.

All deer hunters are asked to turn gently wanted for manufacture of their deer hides as they are ur-aviators gloves by the air forces.

A black bear has been seen in the Allegan state forest near Ely Lake. Only three per cent of the accidents reported in Michigan are hunting accidents.

This dept will make an effort to graze French acorns and beechnuts in this country. The French acorns are four times as large as American acorns.

### IS AWARDED CERTIFICATE

A certificate of "distinguished service for its role in the establishment and operation of the Army's air raid warning network has been awarded the Michigan Bell Telephone Company by the Army's Sixth Service Command.

The award was accompanied by a citation from Maj. Gen. Henry S. Aurand, until recently the command which praised the company's part "in ing officer of the Sixth Command, furthering the war effort by rendering service 24 hours a day, 7 days a week" to the Command's protection system against air raids. The company previously received the National Security Award from Civilian Defense authorities.

Mr. and Mrs. Stanley Smaka of Detroit spent Sunday at the John Gerycz home. His brothers, Frank and Steve are both in service.

... Timely items of interest and value ... helpful suggestions about cooking, lighting and appliances.

**ON THE NOSE . . .** "As accurate as a fine watch" has long been a standard phrase to describe utmost accuracy. Yet an electric clock compares favorably with the finest watch. It is never more than a few seconds off—and even this small variation corrects itself, so that there is no accumulated error over a period of time. The huge turbo-generators in Edison power houses turn in exact unison with one another, and synchronous electric clocks follow the generators. One cent a week operates an electric clock.

**99.997% IS PRETTY GOOD . . .** One of our employees thoughtlessly took his vacation last summer in a town not served by the Edison Company. His faith in electric clocks remained serene until he had the sad experience of walking into church one Sunday about a half-hour late. He discovered that his clock had lost a half-hour while the power was shut off—and it was off twice more in two weeks. Naturally, these interruptions reminded him that Detroit Edison's record of "power on" is 99.997 per cent in cities—and only slightly less in the country, at the end of long rural lines. Detroit Edison customers are so accustomed to good service that they look upon it as a matter of course. People notice the electricity supply only when it is bad! We accept the fact philosophically.

**FROM MICHIGAN ORCHARDS . . .** With our orchards pouring forth their autumn treasure, here is a timely recipe from our Home Service Department:

**Honey Apple Crisp**  
4 cups sliced apples 1/4 cup brown sugar  
1/4 cup sugar 1/4 tsp. salt  
1 tbsp. lemon juice 1/4 cup butter or margarine  
1/2 cup all-purpose 1/2 cup walnuts (if desired)  
enriched flour 1/2 cup honey

Spread sliced apples in a shallow baking dish, sprinkle with sugar and lemon juice, and pour honey over all. In a bowl, mix flour, brown sugar and salt, and work in the butter as for biscuits, making a crumbly mixture. Spread these crumbs evenly over the apples and bake in a moderate oven (375°F.) for 30 to 40 minutes, or until apples are tender and the crust is crisply browned. Serve warm, with coffee cream.

Don't waste electricity during the coal shortage

**KEEPING COOL . . .** Lubrication of moving parts is the function of oil, most of us would say—thinking of automobiles and other machinery which operates more smoothly because of oil. But oil performs other equally important functions. Oil cools and insulates, and The Detroit Edison Company uses many thousands of gallons for those purposes. Oil provides the necessary insulation in switches and circuit breakers, for example, and the transformer on top of the pole near your home is filled with oil, although the transformer has not a single moving part.

#### SOLDIER LETTER

Dear Mother:

I suppose you will be surprised to hear that I am now in the front lines. We landed the first day of the invasion and everything is just fine, and that includes my health, sure hope to remain as fortunate. I know now just what it meant when you hear those bombs whistle when they are released, it sure gives one the jitters until they land and believe me no one has to tell us to hit the dirt. We have been commended on our part of the invasion. I've seen more than one plane blasted from the air, its a pretty sight to see one burst into flames and start groundward. I've seen dead japs and thought it might bother me to see them in a mangled mess, but it didn't in the least, in fact it was quite fascinating, having seen some dead animals bothers me more.

We have been kept pretty busy since landing and lost a lot of sleep but I guess that's the safest way of staying alive, the nights are the most bothersome and to the sunrise each morning a sort of relief, at least a person can see what's going on.

If you could just see where I'm writing, under a thatched roof and its pretty cool, but when you get in the sun you just about bake, but its good for getting a good tan and I'm really getting one.

The people here were the most happy of any I've ever seen when we landed they sure must have went through hell under the Japanese ruling.

Well mother, there really isn't much to say, but I did want to let you know where I was and still O. K. so until later I'll just sign off. Tell everyone hello, and don't worry about me, everything will be just fine.

Love,  
Clarence Ernest Culver

### THE MICHIGAN MIRROR

Michigan local governments total \$3 08, 000,000. This information was revealed recently when local government filed applications with the state planning commission for a part of \$5000,000 set aside by the legislature for state aid in meeting drafting cost. Don W. Weeks is the director.

A survey by Fire Marshall Arnold C. Renner recently discloses that few courthouses in Michigan possess fire-proof storage facilities to protect important documents such as property descriptions.

Because the snowfall last winter was not heavy only 83 counties will share in 1944 highway snow removal fund compared to 74 counties a year ago. As the annual \$200,000 distribution is based on the previous winter's snowfall the net result will be to increase the amounts to participating counties. Thus, Chippewa county will receive \$14,304 compared to \$5,242 last year.

The state conservation commission has agreed to buy the General Motors corporation's holding of timber in the most rugged portion of the Porcupine mountain area. The purchase price is \$476,000.

\$100,000,000 is in sight for 1944, according to Louis M. Nims, commissioner of the state revenue department. Tax payments are arriving at the rate of \$97,500,000 a year with the Christmas buying season yet ahead. The U.S. department of commerce has forecast a decline in consumer income for 1945 forecast at \$92,000,000.

The state stream commission has ordered the city of Saginaw to complete a sewage collection and treatment system and to stop dumping raw sewage into the Saginaw river. The commission served its first notice in September, 1938.

Because of war time conditions tuberculosis deaths in Michigan are on the increase, so reminds the Michigan Tuberculosis association which opened its Christmas Seal campaign this week.

Anticipating the eventual enrollment of 50,000 veterans in Michigan colleges and universities, the state board of education has approved applications of 25 educational institutions to train war veterans under the Federal GI bill of rights law.

Be Prepared when the Solicitor Calls upon You for your Subscription for War Bonds in the Sixth War Loan Drive

We do not have to tell you about the safety and desirability of owning all the War Bonds you can possibly buy.

Perhaps we can help you to pick the best buy for your individual case. There are eight different types of securities, each one offered to fill a particular need.

There is the Series "E" Bond for individuals only, available up to a total of \$5,000 per year. Then there is the Series "F" Bond for individuals corporations, societies, etc. available up to \$50,000.00 in any one year.

The Series "G" Bond is sold to individuals, corporations and pays two and one half percent per annum but must be retained to maturity to receive the 2 and one half per cent rate. The series "C" Bond is a three year Bond to be used to take care of taxes or other obligations which might arise during this bond life.

All four of these series, "B", "E", "G" and "C" are what are called definite value bonds, that is they have a predetermined value if cashed at any time during their lives and are not subject to market fluctuations.

The other four issues are what are called market issues. These are quoted daily and, if one sells before maturity, he may get a premium or loss depending on the market. These are intended for business men corporations, insurance companies, etc. and the rates range from seven eighths per cent for one year certificates to one and one fourth for two year and nine months notes, or 2 per cent for eight to ten year bonds, or 2 and one half for twenty-one to twenty-six year bonds.

We shall be happy to help you decide on the best bond to suit your needs.

Buy war bonds and save.

**PHILATHEA NOTES**  
On Sunday after another splendid sermon by Rev. Potter, on "Fishers or Men" our class enjoyed a very helpful discussion of the topic, "The Christian View of Industry" under the expert leadership of our teacher for the day. For the first Sunday's lesson in December, we consider, "World Wide Christian Fellowship" John 17:18-23; 1 Corinthians 12:12-14, 2 Cor. 8:1-9. Also read Colossians 1:16-23.

Our ladies are especially interested in the coming bazaar, on Saturday, Dec. 2, sponsored by the Ladies Aid and the chairheads of the various booths will gratefully receive your contributions! The dinner will be served this year at 5:30 p.m. Please come.

**NOTICE**  
The Annual Bazaar and dinner of the Congregational Com. Church will be held Sat. Dec. 2. Selling will start at 2:30 and dinner will be served at 5:30 p.m. Lets all get behind the ladies and give them support.

**A CORRECTION**  
In our issue of last week we stated that St. Patrick's church of Brighton was plaintiff in an injunction suit to stop the sale of the old Brighton school building to City of Brighton. We were misinformed. According to the Brighton Argus the plaintiffs in the case are James Dougherty, Thomas Leith, Robert Luce, Paul Anderson and Martin J. Lavan.

Mrs. T. A. Ware entertained for Thanksgiving, L. J. Henry and family. Mrs. Alice Schoenhals and Mrs. Alida Karus and children of Howell, Herbert Schoenhals and Wm. Geddes and family of Chelsea.
