News and Items Concerning Our Boys Who Are Serving in the Armed

From an U. S. Army Release Private First Class Joseph P. Lavey, son of Mr. and Mrs. L.C. Lavey, Pinckney, Mich., has been awarded a Bronze Star Medal for heroic achievement against the Japanese at Cebu. The mission of Lavey was to precede the tanks and clear a path so that they could advance safely to advantageous firing positions. In spite of enemy heavy machine-gun and rifle fire in this sector, Lavey moved forward locating and disarming the mines so that the tanks could advance speedily. Lavey continued forward for some distance by crawling on his stomach, probing the ground for mines until wounded.

Garth Meyer is home from Great Lakes, Ill., on 10 day furlough. Pfc. Vincent Snooks has been transferred from the hospital at Corvallis, Oregon to Klamath Falls, Oregon. After four years of overseas service Sgt. Norman Miller has been given a discharge from the U. S. Army and returned home from Ft. Sheridan, Ill., Saturday. He saw service in New Guinea, Australia, New Zealand, the Philippines and other South Sea islands with the old Red Arrow division.

Pfc. Glenn Kingsley, wife and daughter spent the week end at the Andrew Campbell home. He is now guarding German prisoners near Lake Odessa in the onion and carrot harvest. His gang loaded 6 carloads of carrots last week.

Pvt. Wm. Darrow is home on 21 day furlough from Camp Tyndall, Florida before leaving for overseas service.

Junior Doyle returns to Great Lakes, Ill., today for assignment. Both he and Garth Meyer have been certified for general duty which means on board ship.

Another bunch from this county go to the Detroit pre-induction center on Sept. 4. We understand the name of Robert Warren Carr will be on the list.

Pvt. Conley Ahrens of Milwaukee, Wis., visited his sister, Mrs. Bert Daller last week.

Kenneth Davis whose wife is the former Marjory Haines, has been discharged from the Seabees and is on his way home. We are informed that Sgt. Leo Bettes has received an honorable discharge from the U. S. Army after 3 years service in England, France and Germany.

Gilbert Bailey, well known ex-citizen has been assigned to the U. S. Marines and is now at Parris Island, N. C.

Sergt. Frank McFadden who has been home after two years service in England and Germany has been reassigned to Alabama.

James Singer is at the naval station at Sampson, N. Y.

Adolph Knorr, step-son of Fred Broad enlisted in the navy last week. Elmer Bittner, son of Mr. and Mrs. Sam Bittner of Lakeland who has been home after 3 years overseas duty, left for Ft. Sheridan, Ill., Saturday.

Mrs. Esther Campbell received a letter from her brother, Capt. Paul Strawhecker, stating he was now at Camp Adair, Oregon. The marriage of Marc Edsel Meyer, U. S. N., son of Mr. and Mrs. W.H. Meyer to Miss Jean Clark, daughter of Mr. and Mrs. Walter Clark of Pinckney took place in California last Sunday. Complete details will be given next week.

Pfc. Billie Meyer who was in Germany is home on furlough. He expects South Pacific duty.

SOFT BALL NOTES

This week Wednesday Pinckney will play the Dexter Cubs here at 7:00 p. m. On Friday Pinckney will play Brighton here at 7:00 p. m.

DANCE ST. JOSEPH'S HALL

Dance at St. Joseph's Hall, Howell, Friday, August 31 from 9:30 to 12:30. Final Orchestra Adm. 50c. Benefit of Howell Youth Center.

PINCKNEY HOME ENTERED

The home of Miss Jessie Green on Howell St., Pinckney, was entered by prowlers Friday night. Entrance was effected by smashing a cellar window. The garage was also broken into. Sheriff Kennedy came over and investigated. Miss Green and her sister, Mrs. Wanda Yell, have not lived in the home for over a year, having been living with their brother, Dr. Ross Green at Pleasant Lakes since his wife died. Just what was taken will not be known until they return.

Pinckney Starts Tuesday, Sept. 4

Increased Enrollment Expected. Three New Members on Faculty

The Pinckney school will open for the 1945-46 term on Tuesday, Sept. 4 at 9:00 a. m. fast time. Although last years enrollment broke all records, a still greater one is looked for this year, especially in the lower grades. This is caused by the closing of some of the district schools and the moving of a number of families into the district, especially at the nearby lakes.

In order to handle this overflow, the part of the new school without a basement was excavated and two new rooms fitted up there. One room will house the laboratory allowing the former laboratory to be used as a classroom. The basement rooms will be 20x20 but only one will be finished this year.

The faculty will include three new teachers this year. Mrs. Dorothy Campbell will replace Mrs. Raymond Morris, and Mrs. Wilhelmina Swarthout, Mrs. Mildred Bennett. In the high school Mrs. Allan Hinsdale will be replaced.

The faculty is as follows: Science Wesley Ronder-Latin-History Alice Wilson English Lola Lobdell Junior High Dorothy Campbell 6th and 7th Wilhelmina Swarthout 4th and 5th Zable Hammer 2nd and 3rd Catherine Thayer Primary Wm. Jeffreys Sanitary Engineer Wm. Jeffreys

Football practise will start the first week in order to get in the required 14 days before the first game. Considerable rebuilding will be necessary to replace last year's championship team. The entire backfield—Garth Meyer, Ross Lamb, Jack Haines and Jim Reid were lost by graduation. Of the line, Don Griffith, center, and Jim Doolittle, guard graduated. Left are Don Burns and Gus Ledwidge, ends; Dick Young and Jack Reid, tackles and Charles Clark, guard. Of last years reserves there are available—Charles Darrow, Don Amburgey, Tom Clark, Jim Meyer, Russell Clark, Ford, Howe, Nichols and Schneider. Two new men Wass and McKinley have also had some experience. The Koch brothers, George and John may move to Ohio.

The schedule will include the same teams as last year: Hartland, Dexter, Brighton, Stockbridge, Dansville, St. Thomas and Ann Arbor reserves. This year by some strange quirk the schedule only contains one home game.

Wm. all school children who have last year's books to sell please bring them the first day so it can be estimated how many new books to order.

Pinckney school will open Sept. 4 at 9:00 Eastern War Time. There will only be one-half day of school with a faculty meeting at 1:00 and football practise at 2:30. All high school students should register either on Aug. 30 or Aug. 31 at the school from 1:00 to 6:00 p.m.

Football uniforms will be given out on registration days. Wesley Reader, Supt.

ZIELASKE-MURPHY

The marriage of James Murphy, son of Mr. and Mrs. Thomas Murphy of Pinckney and Miss Amelia Zielaske of Plymouth, took place Saturday at the Church of Our Lady of Good Council, Plymouth, Rev. Fr. Mooney officiating. Leo Staib of Battle Creek, a cousin of the groom, acted as best man. The bridesmaids were Miss Irene Zielaske, sister of the bride and Miss Kathleen Lemay of Detroit. The bride wore a white satin dress over net with full train and carried white flowers. Following the ceremony the bride couple and guests were entertained at a wedding breakfast at the home of the bride's parents after a trip to Niagara Falls, the couple will be at home at Pinckney after Sept. 1. We extend congratulations.

O. E. S. FRIENDSHIP NIGHT

The County O. E. S. Friendship Night will be held in Fowlerville this year on Thursday, Sept. 5th. Afternoon session 2:30; dinner at 6:30; evening session 8:30. All O. E. S. members invited.

NOTICE PHILGAS USERS!

I am now local agent for Philips and will service same. No installations accepted now. Robert Actley, Phone Pinckney 14

CARD OF THANKS

I wish to thank my friends and neighbors for their thoughtful gifts in remembering me during my recent illness. Your kindness will always be appreciated. Mrs. Ross Reed

Two Weddings Are Reported

Several Weddings of Residents and Former Residents Reported

MONKS-PECARD

Agatha Marie Monks, daughter of Mrs. Louis C. Monks of Jackson became the bride of Joseph Edgar Pecard, son of Mr. and Mrs. J. W. Pecard of Jackson on Saturday morning, in the Queen of the Miraculous Medals Church, Jackson, Rev. John Dougherty officiating. The wedding music was played by Mrs. Leon Russell and Thomas Riley sang "Ave Marie" and "Because".

The bride, given in marriage by her cousin, Emmett Harris, wore a traditional satin wedding gown fashioned with sweetheart neckline. Her long veil fell from a tiara of seeded pearls and she carried a bouquet of white roses and stephanotis. Helen Doody, Bay City, cousin of the bride, wore a dusty pink maline gown made on bouffant lines. Mae Kennedy & June Pecard were matching gowns in blue. All of the attendants carried Sally roses and tiaras of matching flowers.

The bride's mother wore a grey crepe dress with black accessories and the bridesmaids wore a moss green costume with brown accessories. Both mothers had rose corsages.

Wm. Ducheny of Detroit was best man for the bridegroom and the ushers were J. C. Shotwell and Henry Deisacco of St. Louis.

A breakfast for the bridal party at the Otsego hotel was followed by a reception at bride's home. Assisting hostesses were Patricia Devine, Jane Brogan and Jeanne Etienne. The couple are honeymooning in Northern Michigan. For her going away outfit the bride wore an aquamarine suit, brogue accessories and a corsage of gamellia.

Entertaining at showers for the bride were Mrs. A. H. Murphy Mrs. John Sullivan, Drucilla Murphy, Mrs. Frank Gravenstein and Mrs. Roy Nash, Mrs. Joseph Pecard Mrs. Sam Goldfarb June Pecard, Mrs. Vannie Chappel, Rita Bouffar and Mae Kennedy and Mrs. J. C. Shotwell.

Mr. and Mrs. Don Goodmont inform us that their daughter, Charlotte, was recently married to Richard Hale, U. E. Marine who spent 32 months overseas. They are now living at Oceanview, California. Charlotte graduated from Wayne University, Detroit, last June. In May she had the leading part in the college play "The Boy Scout".

Michigan Mirror State News

CURRENT COMMENT

In Which the Michigan Mirror Takes a Look at the Agricultural Side

Maybe you'll like Isle Royale, maybe you won't.

This national park, the only island wilderness within the continental United States, would provide an ideal war-time hideout from the atomic bomb.

The average island is not readily accessible to travelers by passenger boat. Mackinac Island is an hour's distance from Mackinac City; St. James of Beaver Island is three and one half hours' time from Charlevoix. But Isle Royale beats them all.

We left Copper Harbor, at the tip of the scenic mountainous Keweenaw peninsula, on a 55 ft. diesel-powered boat, the Copper Queen, piloted by a sturdy Finlander, Capt. Charles Knapp. Five hours later we arrived at the eastern end of Isle Royale in time for an awaiting roast beef dinner at Rock Harbor lodge, a national park hotel concession.

When the waves run long on Lake Superior, as is usually the case, the traveler is treated to first-rate miniature of an ocean voyage with sea sickness and all. The boat rolls and bobs and you roll and bob with it.

To the hardy traveler this may be Adventure with a capital A. But to others who prefer to enjoy their comforts although straying away from home, the combination may tax human patience. And those who are predestined to seasickness must make the best of the situation and "grin and bear it."

Although still in Michigan the island is only 19 miles from Minnesota and 20 miles from Thunder Bay on the Canadian shore. Geologically it is part of the Keweenaw peninsula which accounts for the presence of native copper.

Your lodging will be limited to one of the three park hotels, Rock Harbor lodge on Rock Harbor, Bella Isle Camp on the north side of the island and Windigo Inn at Washington Harbor at the western end and closest to Minnesota.

Only the Rock Harbor lodge was open. Daily rates per person: Single \$7.25, single beds, \$6.50, double \$6.50; Cabin; rates: single \$6 single beds, \$5.75; double beds \$5.

Because Isle Royale is so new, it was authorized by Congress in 1931 and created in April 1940 it will be years before modern facilities now found in other parks, will be available.

The park has its own post-war program. The three hotels, privately built, will be raised and modern cabins with electricity and sewage systems built in their place, accommodating 200 persons each.

There are no roads on the island, consequently no autos or horses. Travel is by boat, outboard motor or by canoe.

If you expect to gaze on the forest primeval you will be disappointed, the island has been swept repeatedly by fire, the last one being in 1937.

KING'S DAUGHTER'S RALLY

The County Kings Daughter's Rally will be held at the Howell M. E. Church on August 30. Pot-luck dinner at 12:30 noon.

MRS. JOSEPHINE ABRAMS

Mrs. Josephine Abrams, 80, died at the home of her sister, Mrs. Francis Hornshaw Friday after a long illness which ensued after she fell and broke her hip. She lived in Brighton previous to coming here a few years ago to live with her sister who with two brothers, Frank Watson of Detroit and John Watson of Duluth, Minn., are her survivors.

The funeral was from St. Mary's church Monday, Rev. Francis Murphy officiating. Burial was in St. Mary's cemetery.

JOSEPH P. DOYLE MEMORIAL SCHOLARSHIP FUND

Following the death of J. P. Doyle, 25 years head of Pinckney school in 1941 his widow, Pearl Doyle established a scholarship fund in his memory at the Mich. State Normal, Ypsilanti, of \$50. The first year it was won by Jane Wiewers, a Pinckney graduate. Any Michigan high school graduate is eligible for it. According to the Mich. State Normal year book, Mrs. Doyle has increased this fund to \$200 a year.

NOTICE

The Pinckney Circle of Kings Daughters will meet with Mrs. Bertie Brash on Wednesday, Sept. 6th, at 2 p. m. Serving committees in Bessie Brash, Millie Elliott and Thomas Coffey.

FAVORITE DANCE LABOR DAY

There will be a prominent dance here Labor Day night. Music by Ed. Mass orchestra. Free will offering taken up.

STATE OF MICHIGAN
 The Circuit Court for the County of Livingston in Chancery
 Albert H. McClatchey and George W. Pellett, Plaintiffs
 vs
 Daniel Carmer, Jona T. Carmer, Esther Epard, Fred H. Ward and Sarah R. Ward, his wife, Cornelia E. Love, and their unknown heirs, devisees, legatees and assigns, Defendants

Suit pending in the Circuit Court for the County of Livingston in Chancery, at Howell, Michigan on this 19th day of July, 1945.
 It appearing from the sworn bill of complaint as filed in said cause, that the plaintiffs have not been able after diligent search and inquiry to ascertain whether the said defendant are alive or dead, or where they may reside if living or if they have any personal representatives or heirs living or where they or any of them may reside, or whether the title interest claim lien or possible right, of these defendants have been assigned to any other person or persons or whether such title, interest, claim, lien or possible rights have been disposed of by will by the said defendants.
 And it further appearing that the plaintiffs do not know and have been unable after diligents search and inquiry to ascertain the names of the persons who are included as defendants without being named.
 Upon motion therefore of VanWinkle & Van Winkle attorneys for plaintiffs it is ordered that the above named defendants and their unknown heirs devisees legatees and assigns, cause their appearance to be entered herein within three months from the date hereof, and that in default thereof said bill be taken as confessed by said defendants and each and all of them.
 It is further ordered that the plaintiffs cause this order to be published within forty days in the Pinckney Dispatch, a newspaper printed, published and circulating in said county, once in each week for at least six successive weeks.

 WHO STOE MY ANVIL? I ner it for my daily dozen. Effie's serving malty-rich sweet-as-a-nut Grape-Nuts and I get so much energy from their their concentrated nourishment my dumbbells feel too light. They're only 200 lbs.

"We're all in hot water -and happy about it!"

"The whole family's in hot water day in and day out—and it's a delightful experience. From Dad's early-morning shave to the last bath in the evening, hot water is making our life easier, cleaner and pleasanter. Before we had it always on tap, we didn't realize what a difference having it would make. Now we know—after having it for daily scrubbing and cleaning, unending washing of hands and faces, dishwashing, baths and showers, and so on. We're really in love with our electric water heater. It's completely clean—and dependable and free of trouble. It costs us only a few cents a day to operate, for Detroit Edison has a special low electric rate for water heaters. I'd advise you to get an electric water heater just as soon as your dealer can let you have one."

Water heaters are not generally available for sale now. A few are being manufactured and distributed. To your advantage to have your name on your electrical dealer's list, so that you will be able to get one at the earliest possible time.

Only a generation ago household tasks were drudgery—particularly for the women in the home. Today they are a pleasure. Why? Because of the comfort and convenience that electric appliances have brought to the American household. Electricity has made the old-fashioned way the wasteful way. Take your home today and your home tomorrow better. Live on the electric life.

The DETROIT EDISON Co.

See your dealer for information. He will be glad to help you decide upon the models that will fit your needs.

Save More Paper

TODAY many churches, schools and other groups collecting waste paper are using the money derived to benefit children, the sick, the aged, the underprivileged or other worthy local projects, in literally scores of ways.

Now, in addition to these, it is suggested that the needs of our wounded veterans provide another great cause which may well take its place with all the rest now being served by the soldiers of salvage!

Paper Situation Critical . . . Last year we collected 7,000,000 tons of waste paper. This was a good job, but the need remains urgent. Paper is still the No. 1 war material shortage.

The amount of paper available for collection is constantly lessening. Yet we are asked to collect even more in 1945 if we are to meet the needs of our fighting men, as well as essential home front requirements.

Veterans Aid Optional . . . All waste paper funds have been and will be locally raised and locally spent. The use to be made of the money is always up to the organizations concerned.

However, many have already seen fit to apportion all or part of their waste paper money to nearby veterans hospitals to give our returning wounded the "home comforts" they might not otherwise enjoy. Such things as radio-phonograph combinations, sound movie projectors, records, settees, lounge chairs, sun porch equipment, tables, cigarettes, phone calls home and the like. These are the little "extras" . . . little but so important . . . which will supplement the necessities, all of which are provided by the Government.

ALL SCHOOL AND POST GRADUATE TUITION PAID IN FULL BY THE STATE

STATE OF MICHIGAN

The Probate Court for the County of Livingston

At a session of said Court, held at the Probate Office in the City of Howell in said County, on the 16th day of August A.D., 1945.

Present Hon. Willis L. Lyons, Judge of Probate.

In the Matter of the Estate of Pat Kennedy, M. H.

Ervin J. Kennedy having filed in said Court his petition, praying for letters to sell the interest of said

estate in certain real estate therein described.

It is Ordered, That the 19th day of September A.D., 1945, at ten o'clock in the forenoon, at said Probate Office, he and is hereby appointed for hearing said petition, and that all persons interested in said estate appear before said Court, at said time and place to show cause why a license to sell the interest in said estate should not be granted.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Pinckney Dispatch, a newspaper printed and circulated in said County.

Willis L. Lyons, Judge of Probate

THE MICHIGAN MIRROR

1936. Prehistoric mining pits dug by Indians show traces of wood fires. Yet despite this the island possesses a peculiar beauty and charm of its own. It is derived by a combination of slender, fjord-like harbors, running inland like fingers of the hand; an abundance of barren rock and numerous ridges; and a great variety of conifer and deciduous trees with their contrasting shades.

Slender harbors of green-blue color, picturesque islets, rocks and reefs that's Isle Royale.

Trained rangers are available to conduct organized tours and give lectures. Foot trails are marked by titanium shaped orange colored tags placed high on trees. Two aerial surveys in winter showed 500 moose. No deer, porcupines, bear or poisonous snakes exist on this island.

The island is patrolled throughout the winter by two rangers on snowshoes who cover a 120 mile circuit each month, staying overnight at cabins 10 miles apart. The snowfall last winter was 207 inches. The rainfall this summer was the smallest in 8 years, creating an explosive condition in the woods so campfires were banned and inland travel prohibited.

When airfields are built, airplane travel are expected to increase the popularity of the island.

RADAR AND THE BELL SYSTEM

In importance of contribution to victory, radar ranks fifth in the top bracket of new instruments in this war.

Development of radar to its present high level of effectiveness and production of radars in the large quantities required by the United Nations land, sea and air forces has been an outstanding contribution of the United States to the Allied cause.

During the yearlong development of radar systems since Pearl Harbor design changes have followed each other in rapid succession. Radar was a new weapon being adapted to global war on and over the earth and at sea.

Radar types are broadly classified in two categories:

First, the "search" type which sweeps wide and distant areas to detect the approximate position of a target;

Second, the "fire control" type which uses a narrow beam to determine precisely the position of the target so that shells can be properly aimed and bombs released at the right moment.

The search operation can be compared to scanning the entire scene with the naked eye, while fire control radar is comparable to focusing a telescope to "draw a bead" on the target.

Technological evolution of radar, coupled with experience gained in combat use, constantly pointed the way to new uses and better designs. Altogether Bell Telephone Laboratories developed and produced designs for about 100 radars.

CASSIDY LAKE WINS

Pinckney lost a close game to the Cassidy Lake team of Jackson prison Friday night played there 5 to 4. No local pitcher being available, Jerry Housner, a 16 year old Brighton boy pitched. He allowed but 5 hits and should have won a 4 to 2 victory. The lakers got 2 runs the first inning on an error, walk and a triple. Housner then pitched shutout ball up to the 7th. Pinckney scored in the second on K. Ledwidge's triple and Young's hit. Pinckney tied the score the 4th on K. Ledwidge's walk, a sacrifice by Reader and Haines's hit. In the 7th they got a 2 run lead on Reader's hit, a walk to Young, a sacrifice by Haines and a wild throw to first on Clark's grounder. In the last half, Eaton singled but was out stealing, Howell was safe on Young's error, Patterson walked, Glowowski popped to Meyer, Zeigan walked, Howell scored on a wild pitch. Hotelling grounded to Haines who threw wild to first, 2 runs scoring.

As Pinckney won the first game with this team 4 to 1, this gives them an even break. Another game may be arranged.

WARNIN TO KITE FLYERS
 The Detroit Edison Co. issued a special warning to all kite flyers not to use a kite which has metal in the string or metal supports in the frame. If one of these kites touches an overhead wire it may immediately burn down and fall and fallen wires are dangerous. A little dampness will also carry current to the child on the ground through the string and he might be badly burned or instantly killed.

The army and navy has a number of such kites, formerly used for signal work they will offer for sale in army stores. They are dangerous to use.

Safety rules for kite flyers are: Use kites with cotton or linen strings; never fly with metal in them; fly in an open field and never in damp weather. Don't climb poles or throw wires to get kites off wires.

COUNCIL PROCEEDINGS

Pinckney, Mich., Aug. 13, 1945

"Whereas the Village Council deems it advisable and a necessary public improvement for public convenience to vacate and discontinue and abolish certain streets and parts of streets in the Village of Pinckney here after described. Therefore be it resolved that the portion of the following named street in Haze's addition to the Village of Pinckney, as originally platted & recorded in Liber 1 of Plats at page 7 in the office of the Register of Deeds of Livingston County, Michigan, shall be vacated, discontinued and abolished to wit: all of Haze Street lying north of Unadilla Street. Be it resolved that the 17th day of Sept. at 8:00 p.m., next year, at the council room in said Village of Pinckney is hereby appointed and designated as time and place when the village council shall meet and hear objections thereto.

Be it further resolved that notice of such meeting with a copy of this resolution shall be published in the Pinckney Dispatch for not less than four weeks before the time appointed for such meeting. Motion carried.

Notie E. Gardner, clerk
