GRAND CHAPTER MEETING

At the grand chapter meeting at Grand Rapids last week the bequest of \$100,000 to build and operate an orphanage by the Smith Estate, Saginaw was turned down. It was previously turned down two years ago by the Masonic grand lodge. The reason is the sum is insufficient to build and operate such an institution under the terms of the will.

Mrs. Esther Fawcett of Howell was appointed to the grand chapter finance committee. Mrs. Jeffrey of Detroit was elected grand associate conductor and started in the grand chapter here.

Mrs. Betty Meabon and daughter of Grand Rapids are visiting at the George Meabon home.

Claude Kennedy School Team Passes Away

Prominent Local Business Man Dies at His Home Here Friday

Claude Henry Kennedy, 49, passed away at his home here early Friday morning. He was taken ill with a heart ailment several weeks ago and had since been confined to his home. His condition had improved and the afternoon before his death he had been out auto riding.

The deceased was the youngest son of the late William and Anna Kennedy and was born in Bothwell, Ontario January 8, 1896 and came to Pinckney with his parents when a small boy. Pinckney has since been his home with the exception of a short time spent in Detroit and while he was serving overseas in World War I. He graduated from Pinckney high school in 1915 where he starred in football and base ball.

Claude H. Kennedy

For a time he was employed in the Detroit postoffice. In June 1918 he enlisted and served overseas with the 311th Engineers at Bordeaux, France. On July 5, 1919 he received an honorable discharge.

Returning to Pinckney he was united in marriage to Miss Mary Lynch of this place on October 29, 1919. In November 1919 he bought a half interest in the Lavern Richards store here and later became the sole owner. This business he has since conducted very successfully. He also owned and conducted a drug store here until a short time ago.

Deeply interested in public affairs he served several terms on the village council. He was elected mayor and reelected 12 times probably setting a record for length of service in that office here. He also served a number of terms on the local school board, was commander of the local American Legion post and treasurer of Pinckney Community Hall Assoc. This was an organization formed to take over and operate the Pinckney opera house. It was recently sold by court order and the proceeds ordered used for public improvement.

A member of St. Mary's Catholic church he has always been active in affairs of that organization.

His hobbies were hunting and athletics and until a few years ago he held down the hot corner on the Pinckney base ball team. He also officiated frequently as a football referee.

Surviving are his wife, Mary, three daughters, Mrs. Lois Burg and Rita of Pinckney and Helen of Redford and three grandsons, John, Karl and Paul Burg. Also his aged mother, Mrs. Anna Kennedy, a brother, William of Pinckney, two sisters, Mrs. Nan Haslam of Riverside, Ontario and Mrs. Susan Mansfield of Lewistown, N.Y. Three brothers and two sisters have preceeded him in death.

The funeral was held from St. Mary's church on Monday morning, Rev. Francis Murphy officiating. Burial was in St. Mary's cemetery.

VICTORY LOAN DRIVE

Wesley Reaser, school supt. has been named chairman of the Victory Loan Drive for both Pinckney village and Putnam township and the school children will sell all bonds. The quotas are Pinckney \$9,900 and for Putnam \$7,000. This is a total of \$16,900.

At a meeting held at the high school it was decided to give the school children the exclusive sale of the bonds and responsibility for selling the quota and Putnam.

They have exceeded the quotas in all previous drives and should do so now. The county quota is one of the smallest \$676,000.

Other chairmen in this section are Thomas Howlett, Unadilla, Mrs. John Fedawa and Mrs. Marie Krych Marston; Hamburg, Clara Radloff; Genoa, Ben Hacker.

Mr. and Mrs. Robert Ackley attended a Philize dealer's banquet at Jackson last Thursday night.

School Team Is Beaten

Pinckney's Winning Streak Ends As St. Thomas Trips Them 12 to 0

St. Thomas high school of Ann Arbor came over here Friday to avenge a 20 to 13 defeat of a year ago and did so 12 to 0.

They proved to be too strong in all departments for Pinckney, showing a strong line against which Pinckney made only one first down. With their running game blocked, Pinckney's only scoring chance was through the air. This also failed as the St. Thomas forwards rushed the passers and what passes they did get away were dropped by the receivers. Don Burns, usually a reliable receiver dropped 2 with a clear field between himself and the goal line and Jerry Ledwidge muffed one. These three completed would have meant certain Pinckney touchdowns. St. Thomas also intercepted several. Pinckney lost the ball on fumbles several times, had one punt blocked.

St. Thomas finding the Pinckney line vulnerable used nothing but running plays the first half. Pinckney took the ball on downs several times but made little headway and Schnebelt went across for St. Thomas in the second quarter for the first touchdown. They failed to kick the goal.

The third quarter was scoreless. In the 4th St. Thomas started to throw passes and completed a couple for good gains. Mixing these with line plays they reached the 10 yard line where Murphy broke through the line for a touchdown. They failed to get the extra point, the boot being wide.

In the last quarter with the time running out Pinckney tried pass after pass but without success. They were either batted down or intercepted by St. Thomas. Just why the Pinckney boys should fall down in all departments the same time is a puzzle. Ann Arbor had just as good a line but when Pinckney failed to dent it they were able to take to the air successfully.

The starting Pinckney lineup remained in practically the whole game. Joe Burns and Duke Lathmer being the only reserves to get in.

A BUSY WEEK END

The sheriff's force had a busy week end. Friday night Lee Hotchkiss and George Taylor drove out from Detroit to Fowlerville where they held up Reid Hotchkiss, father of Lee, at the point of a gun taking \$85 from him. They were picked up by Detroit police and held there over the week end in case other holdup victims might identify them. Young Hotchkiss left home several years ago. He said he needed the money for a car payment, having borrowed the down payment of a girl friend.

Mrs. Lillian Lakkonen, 44, of Detroit was shot and killed Sunday at the Upper Peninsula Club at Monahan Lake, on M-36, between Whitmore Lake and Rushton. This club is composed of former upper peninsula residents living in Detroit. According to the story told the sheriff by Archie Bragg, 7949 Brooklyn Ave., Detroit. He and two other men were looking for mushrooms. Bragg had a 22 rifle and fired at an outhouse. The bullet went through the wall and struck Mrs. Lakkonen in the back. She died on the way to St. Joe hospital, Ann Arbor. Bragg is held at the county jail.

Early Sunday morning about 3:30 someone broke into the Roy Clark Grocery here by taking out a side window on Howell St. Nothing was missing but several cartons of cigarettes. Entrance was also attempted in the Pinckney. A favor by smashing a rear door. Carl Wage proprietor who lives up stairs heard the noise and shot at the intruder who fled. He only saw one man.

Saturday night on the way home from Gregory where he played, the drums in the Ed Mass orchestra, Otto Poulson picked up a hitch hiker. The man pointed a gun at Poulson and made the latter drive him to Lansing. He left as Poulson ran out of gas. Poulson did not get home until daylight. The kidnapper is thought to be an escaped war prisoner as he had P. W. marked on his back. He looked to be about 20 years old.

Mrs. Dorothy Dinkel spent last Thursday in Detroit.

CARR-BETTES

The home of Mr. and Mrs. Roger Carr was the scene of a lovely wedding on Saturday afternoon, when their daughter, Betty, became the bride of Leo W. Bettes, son of Mrs. Russel Bettes of Lowell.

At one side of the living room a latticed altar had been fashioned with a background of autumn leaves, and adorned at either side by tall baskets of chrysanthemums and gladioli. Before this improvised altar, the nuptial party assembled to the strains of the wedding march played by Mrs. J. M. McLucas, the bride advancing on the arm of her father by whom she was given in marriage. The impressive double ring service was read by Rev. J. M. McLucas, pastor of the First Methodist church of Brighton.

The bride was attractively attired in a modish gray suit accented by a corsage of white mums. She was attended by her sister, Mrs. Janice Baker who wore a gold colored suit with corsage of yellow blossoms. The groom was assisted by S/Sergt. John Jones of Lowell, as best man.

Following the ceremony a buffet luncheon was served; and after receiving congratulations, Mr. and Mrs. Bettes left for a wedding trip in Canada and the eastern states.

Mrs. Bettes is a graduate of Pinckney high school, class of 1938. She holds a responsible position with City of Detroit where the couple will reside.

Mr. Bettes is a graduate of Lowell high school, and was but recently discharged from military service, having spent some three years overseas with the railroad operating battalion of the 5th army. He is now employed as Grand Trunk agent at Walled Lake. He was formerly agent at Pinckney.

The suit of Fred Gnad vs Addison Colium was settled out of court. This week the suits of Phillip Wagoner vs Oscar Tappitt over a farm deal and John Burton vs Burton S. Miller, Brighton police chief over the shooting of a dog are to be tried before Justice.

Next week the suit of William Lewis vs Hyester Harris over the sale of a horse is set for trial.

Michigan Mirror State News

In Which the Michigan Mirror Takes a Look at the Agricultural Side

How Michigan should spend its \$50,000,000 veteran's reserve fund, already \$1,000,000 richer because of accumulated interest, is one of several issues which will confront the State Legislature in special session early in 1946.

Michigan's 629,000 veterans, of whom approximately 500,000 are still in the service are interested chiefly in the decision.

Other legislative problems include these:
Revision of the state's \$20,000,000 building program. Rising labor and material costs have already exceeded the appropriation.

Veteran's education and housing at state educational institutions such as the University of Michigan and Michigan State College. No housing is available for veterans and their wives (and children for some) at college dormitories.

Construction of harbors of refuge for small boats on the Great Lakes, benefit to the tourist industry.

Revision of the state juvenile commission and possible reforms and improvement at the Boy's Vocational School, Lansing.

The Veteran's multiple problems are not easy to solve. In the first place there are 5 times more Michigan veterans today than 25 years ago, after World War I.

To divide \$51,000,000 equally among 629,000 veterans a number likely to grow larger before the sum is expended—would put less than \$80 in the hands of each veteran. The average bonus for World War I veterans was \$210, computed individually at the rate of \$15 per month of service. The federal mustering out pay varied from \$100 to \$300, well eclipsing an \$80 Michigan payment.

To equal the state bonus of last war, the legislature would have to appropriate \$31,395,006 and the appropriate \$350,000,000 more for the veteran's reserve fund. This isn't likely to happen, other needs being what they are.

The first state bonus cost taxpayers \$3,454,668.49, of which the appropriate \$31,395,006 and then bond holders \$22,000,000 plus. Recommendations how this \$51,000,000 veteran's fund will be spent will be submitted to the governor before Christmas by Col. Phillip Pack, director of veterans affairs. It will not be made public.

"TEEN TOWN"

The "Teen Town" meeting last Tuesday evening was a great success. Two new members, Norma Stecker and Margaret Widmeyer were enrolled, bringing the membership to 19. We hope to increase this many times.

The Teen Town club would like to express thanks to John Hammer for donating a victrola to the club.

Meetings are held every other Tuesday at 7:00 p.m. sharp. Refreshments served at end of meeting. Why don't you come Oct. 23 and bring a friend or two and one thin dime.

STACKABLE - WILSON

On Saturday, October 13, Miss Virginia Stackable daughter of Mr. and Mrs. J. D. Stackable of this place was united in marriage to Cpl. John R. Wilson, son of Mr. and Mrs. John Wilson of Highland Lake.

The double ring ceremony was performed by Rev. Fr. Byrne of Blessed Sacrament Cathedral in Detroit. A wedding breakfast was served to immediate relatives and a few friends at the Graham Hotel in Brighton.

The bride wore a coral suit with white accessories with a corsage of white rosebuds.

The bridesmaid, Miss Patricia Stackable wore a blue suit with black accessories and wore a corsage of red rosebuds.

The bride's mother wore a fuchsia crepe dress with black accessories and a corsage of yellow rose buds. The bridegroom's mother wore black with a corsage of pink tea roses. Don Stackable, brother of the bride was best man.

The bride is a graduate of Pinckney high school, class of 1944, and has been employed by the Standard Accident Insurance Co. in Detroit.

Cpl. Wilson returned three weeks ago, after 26 months overseas where he served in Africa, Sicily, Italy and Brazil. He expects to be discharged soon.

After the wedding breakfast the couple left on a two week trip to northern Michigan.

The following from were attended: Mr. and Mrs. John Wilson, Mr. and Mrs. J. D. Stackable and son, Don, the Misses Leslie and Pat in Stackable and Dorothy Parker and Mr. and Mrs. Louis Stackable.

CURRENT COMMENT

We read of riots in Palestine and that the Jews there have obtained arms and are prepared to resist the bitter end the attempts of British troops to evict them.

Great Britain holds a sort of protectorate over Palestine and in order to keep the Arabs who inhabit that country peaceful has agreed to a very limited Jewish migration. However Jews in countries ravished by the Nazi have been smuggled in Palestine in large numbers and the attempts of the British to stop this has caused the trouble. Nearly 1000 years the Saccens drove the Jews out of the country and took it over which they have since held despite the numerous crusades organized to take it away from them. These people are now known as Arabs, that is those people occupying Palestine. The Jews retained their own religion, language and customs and despite many years since their eviction from their own country no nation has been able to assimilate them. Riots and Jewish pogroms have cropped up in different countries at numerous intervals. The Zion movement was started to solve this problem but to our mind it will no more do so than the back to Africa movement did the Negro problem following the civil war. Money was raised and land purchased in Palestine to which it was planned to send the Jews until the Jewish nation was again established. However it has been tough going. The Arabs are in possession there and have fought the Jews bitterly and Great Britain who does much trading with the Arabs has found it expedient to first favor the Jews and then the Arabs with the result neither is satisfied. It is apparently impossible for the Jews and Arabs to live peacefully as neighbors.

Gen. Douglas MacArthur is finding his position as governor of occupied Japan becoming hotter and hotter. The Allies are now insisting that a 4 man commission appointed by them be placed in charge. Gen. MacArthur has replied that sooner than submit to it he will resign. There is so much criticism that the Hearst papers who are staunch MacArthur supporters call it a "Smear MacArthur Campaign."

There is no doubt that for the past several years there has been a campaign on to build MacArthur up to a leading candidate for the presidency. No other general has received the free publicity he has even in the dark days when he was suffering defeat after defeat. There was even an attempt to have him replace Gen. Eisenhower as commander of the Normandy D-Day invasion. MacArthur is the darling of the conservatives who control the big dailies and they think with him as president the demands of the labor unions would be put down with an iron hand. It is remembered that Gen. MacArthur was in command of the soldiers in Washington who fired on the bonus marchers and drove them out of that city back in President Hoover's administration.

The death of Truman Newberry at the age of 80 last week brings back memories of the famous Newberry-Ford campaign for United States senator of Michigan in 1918. Newberry was nominated by the Republicans and Henry Ford by the Democrats. The election count gave Newberry a slight lead. Ford asked a recount which showed Newberry elected by slightly more than 4000 votes. However it was unsatisfactory as many ballot boxes were unsealed and could not be counted. Then Newberry was indicted by a grand jury for violating the corrupt practice act and he and his friends were tried in federal court. It was claimed he spent a million dollars to get elected. He and his associates were convicted and sentenced to 2 years in prison. They appealed to the supreme court who declare the corrupt practice law unconstitutional. Then he had to undergo trial by the senate before he was seated by a close vote, nearly two years after he was elected. His term as senator was brief as Senator Townsend of Michigan his chief supporter was defeated for reelection along with many other senators who had voted to seat Newberry and seeing the handwriting on the wall Newberry resigned and retired to private life.

SCANDAL COLUMN

Why doesn't Squirt Carr want any body to know he calls up June M. daily and takes a trip out there now and then.

I've heard J. M. is making quite a few trips to Howell. For sport or to see Pat Cooper?

It is very plain that V. W. was too slow with the army so some one else has taken over.

Has J. H. made any headway or is R. R. still interested in Ypsi.

R. C. isn't satisfied with Betty Waddell, he had to give a girl in Ann Arbor his I. D. bracelet in case something happened.

A certain senior boy is to give a book report next week on "Rebecca" by p. Douglas Wiggins.

Mary L. had better watch the Hammer girls or she'll lose Jerry.

M. B. is interested in J. R. tho she claims only as a brother but it does not look like it.

STATE OF MICHIGAN

The Probate Court for the County of Livingston

At a session of said Court, held at the Probate Office in the City of Howell in said County on the 10th day of October A. D., 1945.

Present, Hon. Willis L. Lyons, Judge of Probate.

In the Matter of the Estate of Earl Jay Berquist, Deceased.

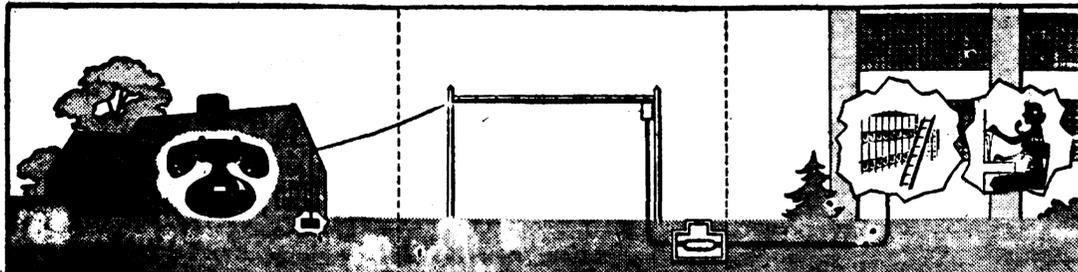

It appearing to the Court that the time for presentation of claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said estate by and before said Court:

It is Ordered, That all of the creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 24th day of December, A. D., 1945 at ten o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased.

It is further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing in the Pinckney Dispatch, a newspaper printed and circulated in said County.

Willis L. Lyons, Judge of Probate
A true copy:

It takes more than a telephone to provide service

If all we needed were new telephone instruments, the job of providing service for the 125,000 families now waiting would be much easier and faster. However, nearly two-thirds of those waiting are in areas where present central office equipment cannot handle any more telephones, or where all outside wire and cable are in use.

Large-scale manufacture of civilian telephone equipment is under way, and no effort is being spared to hasten production. But

cable and central office equipment are not ready for use when they leave the factory. They must be fitted into the existing telephone system before they can be used to connect new telephones. This is a complicated, time-consuming process.

If you are among those waiting, you may be sure that we'll fill your order in its proper turn as soon as possible. But it may be nearly two years before telephones can be installed generally without delay.

for Today and Tomorrow

Always, Michigan industries have had the know-how and—even in the pit of depression—the courage to expand and prepare. Hence, when war came Michigan could take the lead and become the "Arsenal of Democracy."
So, too, Michigan's electrical needs always have been anticipated by The Detroit Edison Company. Long before the war, orders had been placed for two 100,000-horsepower gen-

erators. One was delivered and put in operation during the war. The second is being installed and will be in operation sometime in 1946. We expect that more current will be used for peace than was needed for war. There will be no "standing in line" for that current.
The Detroit Edison Company is ready to serve all the electrical needs of southeastern Michigan today and tomorrow.

In over 650 servicemen's hospitals scattered throughout the 48 states lie thousands of wounded soldiers and sailors. These boys are now returning at the rate of over 1,200 a day! They've given their best—for you! Their convalescence often takes weeks... months...

To make this time seem shorter, little luxuries can build morale and cheer a disabled man... such things as long distance phone calls home, musical instruments, games—or the leather, clay, wood and tools for handicraft work, that will help restore torn muscles and shattered nerves. Many organizations collecting waste paper are using some of their funds from waste paper sales to buy "extra comforts" for these wounded servicemen.

ADOPT A HOSPITAL! If you belong to a club, church, school or organization collecting waste paper, suggest that some of the funds be used to help these veterans. *Adopt a hospital!* It may be one nearby or at a distance, and far from any town. Find out through hospital chaplains or the local Red Cross Camp and Hospital Committee what gifts can be used.

And do it now! The gratitude of these wounded boys will make you glad you backed the Double-V Program.

Announcement

We have Sold Our Elevator, Feed and Coal Business to the Farm and Feed & ... Who Are Now Operating Here.

The new owners will enlarge the elevator building and add a feed grinder, a feed ... and will be prepared to handle a complete feed business.

The President of the Corporation, Mr. Joe Wickens of Plymouth, owns the Specialty Feed Co. of Plymouth, has had an extensive experience in the feed business and come highly recommended. Max Russell will be the manager in charge here and will be glad to take care of your requirements.

We take this opportunity to thank the people of the community for the fine patronage and cooperation they have given us during the 60 year period through which we have carried on here and trust that you will give the new owners the same loyal support, as we feel confident they will be deserving of your patronage.

We expect to enlarge our Lumber and Building Supply Business to our many customers, which we will continue to operate and hope to improve our service

Supervisor Lynn Hendee attended the meeting of the board of supervisors last week. The big debate was whether taxes should be levied on assessed or equalized valuation. The attorney general has rendered an opinion it must be on equalized valuation. This makes a big difference as the assessed valuation is largest in many counties. According to Mr. Hendee it will make little difference in this county with the exception of a few townships.

MICHIGAN MIRROR (Cont.)
At the present the O.V.A. created by the legislation is likely to continue if the veterans reserve fund is used for veterans' service and not doled out immediately in dribbling sums.

The OVA cooperates with the State Board of Vocational Control in operating a veteran's vocational training center at Pine Lake at Kalamazoo. The state pays \$15,000 annually and the federal aid \$118,000. Another federal aid is a neurosis center operated by the University of Michigan at Ann Arbor.

Michigan veterans are returning at the rate of 80,000 a month. The 1946 peak will come in June 1946 when 50,000 are due back. At least 850,000 veterans will be back home in Michigan next summer—a fact politicians are already weighing. Gov. Kelly is a World War I veteran and Lt. Gov. Brown has 5 grandchildren in the service.

Moving the state fair away from Detroit will also come up. This is the desire of live stock associations but is encountering opposition of county fairs, especially the Ionia fair. Lansing boosters want it but are reminded that it was established there permanently in 1869 but after running in red for years was moved to Detroit.

Echoes of the labor movement for 30 percent more pay and the declaration of the farm bureau that farm prices must be raised 30 percent to correspond.

White House analysts insist that overtime elimination has cut manufacturing costs 5.5 percent and an end of upgrading and fringe increase has cut cost another 4.5 percent. Thus an 11 percent increase could easily be absorbed by manufacturers. However, a 30 percent raise in wages would mean a 22 percent rise in war material prices and a 12.4 boost in finished goods prices.

Clyde McIntyre of Pontiac and Gene McIntyre of Springtown were here hunting Monday.

Fred Lake left Monday for Lakeland Florida with Mr. and Mrs. J. B. Stanton of Detroit.

Walter Girard of Lakeland has been spending some time at his hunting camp near Cadillac.
