### THE JUNIOR PLAY

The Junior Class play Saturday night took in about \$180. It was a roaring farce but at times verged on the tragic. The performance of Robert Howe as the sheriff and L. D. Haines who impersonated a woman were standouts. The rest all did well. The high school glee club and orchestra sang between acts. These singers are improving right along and gave a fine account of themselves.

### SENIOR PARIS AWARDED

The senior honor parts have been awarded. Jerry Ledwidge, son of the late Max Ledwidge and Eleanor Brogan Ledwidge, is valedictorian and Charles Clark Jr. son of Charles Clark and Margaret Driver Clark is salutatorian. Both boys are 3 letter men in athletics and pitchers on the base ball team.

### MRS. BEATRICE HIGGINS

Mrs. Beatrice Higgins, 78, died at her home here on Unadilla St. Friday where she lived with Mrs. Alice Esic. She was married to James Higgins and moved here from Gregory with him 20 years ago. He died 15 years ago.

The funeral was held from the Swarthout Funeral Home Monday afternoon, Rev. Clay of the Howell Nazarene Church officiating. Burial in Pinckney cemetery.

### ARE MAKING IMPROVEMENTS

The Mich. Conservation Dept. who bought the Birkett farm at Portage Lake are making improvements there. They have built an auto road to the top of Peach Mt. and are drawing stone to build an observatory.

### GIRLS TEAM WINS

The girls soft ball team defeated Brighton here Thursday 14 to 7. The Pinckney lineup was Rita Kennedy; Barbara Brown, c; Doris Ryan, 1b; Margaret Widmeyer, 2b; Evelyn Barbour 3b; Evelyn Bowman, ss; Rose Smith, Lcf; Kellenberger, Wanda Coos, outfield.

## Three Weddings Take Place

Several Spring Weddings Took Place Recently

Miss Dorothy Meabon, daughter of Mr. and Mrs. George Meabon Jr. was united in marriage Charles William Hughes of California at the home of the bride's parents, Wednesday, May 1 at 8:00 p. m. in a pretty ring ceremony in the presence of relatives and friends with Rev. Allard officiating. The bride couple were attended by Mr. and Mrs. Fryain of Ann Arbor. The room where the ceremony took place was prettily decorated with roses and spring flowers. Dainty refreshments were served and the newly-weds received many useful gifts.

The groom was recently discharged from the U.S. Navy after 3 years service in Guam. The couple will live at Portage Lake where a reception was held after the ceremony.

### MANSFIELD-KOURT

The marriage of Robert Edward Kourt and Norene May Mansfield, in double ring ceremony, took place Wednesday, May 1, at 8:30 in the evening at the Lutheran Epiphany on Seven Mile road and Woodward Ave. in Detroit.

For her wedding, the bride who is the daughter of Mr. and Mrs. William Kendall Mansfield, chose a white crepe gown that was designed with a tucked bodice and long sleeves, full skirted and a bustle back. Her head dress was lace trimmed with pearls and a finger tip veil. She carried a bouquet of white carnations and was given in marriage by her father.

Her sister, Doris, Bert Mansfield, assisted as matron of honor. She was attired in an aqua Marquissette and lace, her gown was fashioned with a bustle effect also and she carried yellow carnations. Miss Carol Stecker of a Howell, a cousin of the bride, and Lorene Wood of Detroit, a schoolmate, acted as maids of honor. They wore pink net gowns. The groom who is the son of the Louis Kourts of Pinckney, was attended by his cousin, Leith Kourt, as best man. The usher was William Kourt, his brother, Frank Strzalkowski of Howell.

For her daughter's wedding, the brides mother wore a dinner gown of black crepe, trimmed with coral, a beaded yoke and wore a pink corsage. Mrs. Kourt, mother of the groom, chose a pink marquisette dinner gown and wore a blue corsage. There were many guests present from Pinckney, Howell, Hamburg, Brighton, New Hudson and Whitmore Lake.

### JASUNAS, SMITH

The wedding of Miss Julia Patricia Jasunas daughter of Mr. and Mrs. Benjamin Jasunas to Charles Francis Smith, son of Mr. and Mrs. Orville Smith of Pinckney, took place at St. Philomena's church at 2 o'clock Sunday afternoon. The ceremony was performed by Rev. Robert J. Kirwin.

The bride was given in marriage by her father. She wore a white gown of brocaded taffeta with a net ruffled skirt terminating in a long train edged in ruffles. Her short illusion veil was caught at each side with white satin wedding bells. She carried white calls lilies. The maid of honor, Miss Terry Baradis, wore a yellow taffeta and net dress and carried a bouquet of spring flowers. William Kennedy, U. S. C. G. was best man and Chief Clayton Bunker U.S.C.G. ushered. The groom was recently honorably discharged from the U.S. Coast Guard.

Miss Katy Baradis was brides maid and wore a blue taffeta gown. She carried a mixed bouquet of spring flowers. The flower girl was Julia Zylis wore a peach taffeta dress with an old fashioned bouquet. The attendants all wore crowns of spring flowers with veils matching their dresses. The bride's mother wore a gray dress with a corsage of white carnations.

A reception was held at the Oaks Inn after the ceremony. The young couple after a wedding trip will reside at East Hampton-East Hampton Star.

## A Bouquet of Visits

"This Mother's Day wish I'm sending is a heartfelt little token To express my deep affection, Often felt, but seldom spoken"

MORNING GLORIES, carnations, violets and wild roses, complete with loving wishes, lend an appealing touch to many of this year's Mother's Day cards. Some cards, like the one at top left, are addressed simply to "Mom," while others, like the one at lower left, which has a lace bordering the bouquet of flowers, are intended for a wife and mother. The card at lower right has an added touch of distinction in its petals. However, there's nothing "flowery" about the verses inside. They tell mother plainly and simply that she's the sweetest mother in the world.

## Michigan Mirror State News

News and Happenings of the State Tuesday Told from Lansing

Secretary of State Herman F. Dugman is arriving at his office in capital unusually early these mornings. Reason? A nesting robin.

The bird built her nest inside the Dugman garage in East Lansing one warm sunny day when the garage door had been left open. At night the Dugmans lock the garage door but they have to get up early every morning to open the door so the robin can get out and promote a break fast.

The catch is this. The daily garage opening is a seven-day-a-week chore Saturdays and Sundays as well as office work days!

Every seventh dollar in factory wages paid in Michigan normally comes from foreign trade.

That is the reason why Michigan lake towns such as Detroit and Muskegon are so active in the fight for the national seaway project. The movement has been recognized officially by the State of Michigan which created some years ago the Mich. Great Lakes Trewater Commission.

Linking the Great Lakes to the Atlantic ocean in better channels along the St. Lawrence river the seaway program would reduce freight cost of shipping Mich.-made goods to Europe according to seaway proponents.

John C. Bokema's commission says the hope cost of rail-water transfer at the Port of New York is 2.75 per ton by bringing foreign flag vessels into the Great Lakes over shippers on the Atlantic seaboard on some commodities, and only slightly higher on others.

You can guess who is against the seaway. Yes, the railroads.

The publisher of major daily news paper in Mich. believes it would be economically feasible to deliver a daily newspaper to homes of subscribers weekly or monthly as at present. The publishers would print sixteen pages 2 1/2 by 12 inches in 60 minutes.

Two years ago a promotional campaign was launched at Lansing to cultivate Victory gardens as an important source of war-time food. With the war over a similar campaign is getting under way under sponsorship of Mich. Food Council.

The office of civilian defence will be the spearhead. If the Mid-West were to experience a serious drought this summer—and meteorologists hint that one is overdue—the food situation would become more critical.

The Tally-Ho, popular drinking spot in Lansing is contesting the right of the state liquor control commission to deny a renewal of its liquor license. For many years the club has been operated by a Lansing business man as a high class saloon. Admission was by a membership card.

### SOFT BALL NEWS

In the soft ball league last week the Tigers lost to the Panthers Monday 4 to 8. They were tied up to the 7th when Paul Singer singled, got to 3rd and scored on Ed Meyer's long fly. Batteries-Tigers-Dinkel & Reader; Panthers-P. Singer & Meyer.

Wednesday night the Cubs beat the Bears 14 to 2 in a wild affair. Batteries-Cubs-R. Singer & Palmer; Bears-B. Ambergue and Reader. Home run hitters last week were Jack Reason 2, Paul Singer and Edsel Meyer.

## CURRENT COMMENT

Fielding H. Yost, long time coach of Michigan football teams until he retired in 1928, celebrated his 76th birthday last week. Yost came to Michigan in 1901 after playing in Lafayette and coaching in Virginia and California. He ushered in a new era in Michigan football and also in the nation. He might well be called the Branch Rickey of football.

The latter by establishing an elaborate system of minor league teams managed to corral most of the star ball players and made the St. Louis Cardinals a pennant trust. Before Yost's arrival at Michigan college football had been a hit or miss affair. If the school had stars they turned out a good team. Yost made sure he had stars each year and the Michigan alumni and his friends kept him informed of promising players. Billy Heston, the greatest player he ever had came from California, Shulte from Missouri and others from other states. Scholarships were established, part time and summer vacation jobs for athletic stars and the golden era for Michigan athletics had arrived and football had become big business with its million dollar stadiums and 80,000 crowds.

Other colleges had to follow suit and the golden age for Michigan passed and competition made star athletics scarce. Knute Rockne may have brought the system up to date but Yost was the originator.

The papers have been carrying accounts of the efforts of the A. F. of L. Teamsters Union to force the independent grocers and butchers to join their union. Until recently the trucking companies whose drivers belong to the union did their trucking for them, now many of them have their own trucks or are using their autos and the Teamsters Union A.F. of L. is trying to get them in their union on the ground they are engaging in the trucking business.

The school children in Port Huron went out on strike last week and the school board plan to build a new school 2948 to 1925. The project was sponsored by the Civic Organization and was a bitter pill for them. The present school is 59 years old and totally inadequate. A similar proposition was defeated by the voters twice in 1944.

People are beginning to feel the pinch of a bread shortage. This is caused by the fact many growers and elevators are holding wheat for a higher price. There seems to be no way to get this hoarded wheat on the market. A man in Chicago, employed by a bakery has evolved a scheme to ease this shortage. He has invented popcorn bread. This makes a fine grade of bread and Arthur Luxen, mgr. of the bakery claims it would serve 25 percent of the wheat crop.

The golden anniversary of the automobile is being celebrated this year. The auto not merely annihilated distance and built up the outlying districts of the cities but more important than all was responsible for the present good road system of Michigan. Old timers remember what the roads were like before the auto. They were little more than Indian trails. A trip to Dexter took 2 hours. At certain times of the year the road between the two Portage Lakes were under water and impassible. Same conditions prevailed all over Michigan. The first paved roads were paid by a property tax and were fought tooth and nail by the taxpayers. It was not until a plan was worked out to pay for them from auto and gas taxes that Michigan highway system began to get somewhere. Without the auto, the present Michigan good roads would have been impossible.

The Jews are people without a nation. Never a strong warlike people their country was overrun by every conquering nation and for many year was in the hands of Mohammedans. Great Britain assumed a protectorate over in after World War 1 when they took it from Turkey and tried to start a Jewish nation in Palestine. This aroused the ire of the Arabs who make up the bulk of the population and in order to modify them Great Britain restricted the number of Jewish immigrants there. Now her proposal to lift the bars and allow 100,000 Jews to emigrate was thumped out. The Arab Palestine has again aroused the An-occupy the country in the same manner the Indians did America. They are pastoral men, moving from place to place in search of better pastures. They live in the same manner as the did 1000 years ago. World progress has made little impression on them. Why should they be allowed to monopolize a country they have no inclination to develop.

# UNDER THE STREETS ...100,000 HORSES

From one Detroit Edison power plant there stretches underground for seven and one-half miles into the heart of industrial Detroit a seven-inch steel pipe. In this pipe, around a cable made up of three copper wires the size of your thumb, nitrogen gas is compressed at 200 pounds per square inch. Through this cable, night and day, flows 100,000 horsepower.

It is the only instance where the total output of one generator is carried in a single high-voltage cable to a center of electrical use miles away.

There is nothing else like it in the world.

The pipe protects the cable from outside damage. The gas pressure keeps the 120,000 volts from destroying the cable insulation. So rugged and reliable is this transmission system that no alternate stand-by cable facilities are necessary. The loss of power over the seven-and-one-half-mile course is less than one per cent.

Construction of this cable was a job of Detroit Edison pioneering. It is known in the industry as the "SMD" cable because, particularly, it was an accomplishment that is credited to Samuel M. Dean, chief engineer of the system.

It was another Edison FIRST brought about by constant devotion to the task of giving Edison customers dependable electric service at low cost.

### SCANDAL COLUMN

The big thing this week is the J. Hop, newly named the J. Hope among the hopefuls.

C. Z. has a heavy date for the J Hop but she still wishes it was the 18.

What will J.J. do now that Don S. is beating his time? Oh Carl.

L. Z. got her wish but she had better get a formal that won't clash with Red.

Did V. U. have fun with W. C. Saturday night?

Did Mary Wy really bro a rib or was W. U. too strong?

Where were R. E. and B. H. the other night?

What about J. C. and R. N. Saturday night?

Why did J. B. go out to White Lodge after the play Saturday night? Was S. R. there?

### WHY CHECKS ARE PROTESTED

When you endorse a check you guarantee that it will be paid, and that if it isn't (and you are notified of the fact) you will be liable for payment yourself. If that check is protested for non-payment, a notary public will notify you and all other endorsers, and affix a certificate of protest to the check. The procedure enables you to look to your prior endorsers for settlement, even if the check is payable in another state.

Always deposit promptly all checks you receive, to avoid delay in presenting them for payment. An account with us will assure you of fast collection service.

Now dried up by the commission which insists that it should operate as a private club for benefit of its members the Tally-Ho has filed suit.

The present commission has probably done more to enforce Mich. liquor laws than any other commission in recent years. Slot machines—a source of high profit to profit clubs throughout the state—are back in storage. Phoney liquor clubs are being put out of business.

Ben the secretary of the Michigan Temperance Foundation will come out and praise a state liquor control commission for doing a good job; the near-miracle has taken place. But such is the case in 1946.

Signing of a federal airport aid bill by President Truman will make possible a further improvement of Michigan airport.

A state aeronautic conference was held in Lansing last Friday and Saturday. During war years 72 landing fields and airports were built in Michigan. The total is 196.

Newspapers in New York City last week published an advertisement by the Pennsylvania Cental Airlines Inc. promoting air travel to Michigan resorts. P.C.A. flights serve Traverses City, Potoskey and Sault Ste. Marie.

Great Lakes Greyhound Lines contemplate operation of helicopter service as feeder lines to its bus routes.

If the state sales tax had been reduced Michigan would have lost \$10,000,000 in revenue during the past three years according to Governor Harry F. Kelly.

In a talk at Saginaw the governor said local governments had received \$468 millions. In lieu of the \$16 million sales taxes that was demanded in 1945 there will be returned to the cities before this year has closed a total of \$18.5 millions (from liquor and intangible taxes) which is \$2.5 millions more than was asked.

Gov. Kelly is proud of the 50 million veteran trust fund created during his two term administration. Certain to face the 1947 state legislature. Demand for a veteran's cash bonus.

The trust fund will be administered by county committees of veterans. Each county will have four members representing the A.L.V. of F.W. Disabled Americans Veterans and American Veterans of World War II.

The Circuit Court for the County of Livingston in Chancery  
Wilhelmina Maschulewski and Augusta Maschulewski, his sister, Plaintiffs,

vs  
Claude Scott, Charles Scott, Flora Scott, Vivian Scott, George Scott, Mollie Scott, Lester Scott, and their unknown heirs, devisees, legatees and assigns, and the unknown heirs, devisees legatees and assigns of L. L. U. Scott, Defendants.

Suit pending in the Circuit Court for the County of Livingston in Chancery at Howell, Michigan, this 6th day of April 1946.

It appearing from the sworn bill of complaint as filed in said case, that the plaintiffs have not been able after diligent search and inquiry to ascertain whether the said defendants are alive or dead, or where they may reside if living, or if they have any personal representatives or heirs living, or where they or any of them may reside, or whether the title, interest, claim, lien or possible right of these defendants have been assigned to any other person or persons or whether such title interest, claim, lien or possible right has been disposed of by will by the said defendants.

And it further appearing that the plaintiffs do not know and have been unable after diligent search and inquiry to ascertain the names of the persons who are included as defendants without being named.

Upon motion therefore of Winkle & VanWinkle, attorneys for plaintiffs, it is ordered that the above named defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered herein within three months from the date hereof, and that in default thereof said bill be taken as confessed by said defendants and each and all of them.

It is further ordered that the plaintiffs cause this order to be published within forty days in the Pinckney Dispatch, a newspaper printed and published and circulating in said County once in each week for at least six successive weeks.
