Graduating Exercises

Class of 16 Graduated at the Local School Last Friday Night

The annual commencement exercises were held at the school Friday night. The stage was decorated with flowers and plants. The class appeared, clad in caps and gowns, the march being played by Mrs. Merwin Campbell. Rev. Allard gave the invocation. An innovation was tried this year. Instead of the standard parts such as valedictory, salutatory, history etc. the graduates recited famous orations. There was no Wilson Memorial prize this year in English, it having been discontinued.

Jerry Ledwidge presented the senior gavel to Charles Darrow, junior class president and also \$50 from the senior class to the Memorial Field. The high school glee club, directed by Mrs. Campbell sang several selections. Rev. Beachey gave the benediction.

The seniors leave this week on extensive auto trips. The 11 boys in 3 cars driven by Mr. Reader, Jack Hannett and Emmett Widmayer go to the upper peninsula and return via Wisconsin and Illinois. They will be gone a week. The 6 girls with Mrs. Laddell go to Mackinac Island, then to Montreal, Quebec, Boston, New York City and Niagara Falls, a two weeks trip.

CIRCUIT COURT NEWS

In the only jury case this term, a verdict of no cause for action was rendered in the Shafer vs Laier auto damage case.

In circuit court last week Fred Vanness was given 4 to 14 years for forgery. His companion, George Westerman was put on 2 years probation and also ordered to make good the checks he wrote. Lloyd Stearns will be sentenced there this week and Richard Frank until Sept. He is out on \$300 bail.

A quiet title decree was granted to George Schaefer vs Jacob Sliger. The following divorces were granted: Dortha from Earl Sawyer; and Jolan from Lyle Euler.

This week the Fritchard divorce case is slated and the suit of Thesis Roberts vs Charles Sutton, administration of an estate is set.

On and after Wednesday June 5th 1946 the Livingston County Mutual Fire Insurance Company will be located at the First National Bank Building, 105 W. Grand River, Howell, Michigan.

O. H. Holmes, Secretary

Kim Sigler furnished the fireworks last week.

Kim Sigler jumped back in the lime light when he accused Senators Johnson and McDonald of the committee investigating grand jury expenditures of accepting bribes. In a way the senators were hoisted by their own petard. They summoned Sigler before them to testify. He refused to unless the session was public. As a parting shot

both Johnson and McDonald of taking bribes and said he had proof. The senators threaten slander suits which will never come off. Their committee was a subterfuge in the first place. They care no more about grand jury expenditures than you do as far as the amount of money Bill Johnson spends for changing jobs.

Mich. Masouic Convention

After a lapse of a year the Mich. Masouic grand lodge convention was resumed last week at Grand Rapids. The function started Monday with the grand masters dinner and a 3rd degree by York lodge.

The committee who had spent 2 years drawing up articles of incorporation of the Alma Masouic Home reported. On motion of Clark McKenzie it was defeated on grounds it took control of home from grand lodge.

The Board of General Topics proposed by Paul Strawhecker, was adopted. This provides for a board made up of all grand lodge members and a member from each of the 133 districts to meet 4 times a year and pass on Masouic legislation before grand lodge meets.

The following legislation was passed: Allow domains to Red Cross and charitable organizations by a two-thirds vote of the lodge. 2. Elect grand lodge officers by acclamation who have no opposition. 3. Give grand lodge power to control blue lodge investments and erection of Masouic temples; 4. Changed time petitions must lay on the table from one lunar month to next stated meeting; 5. Raised salary of grand lecturer to \$2000 a year plus \$5 expense money.

The following legislation was defeated: 1. To abolish the mail ballot on second and third degrees.

To reduce the period for life memberships from 40 to 30 years. 2. To grant life memberships on any date after the 40th Masonic year. 3. To allow 4. To deviate from the printed forms approved by grand lodge. 5. To assess all petitioners for membership \$5 for the Masouic Home endowment fund. 6. To set the minimum dues of all Michigan lodges at \$5 a year.

To require initiation on 3rd degree lesson 2 months after raising.

NOTICE

Due to increased labor costs it is necessary to raise the assessment for care of lots in the Pinckney cemetery to \$3 each for 1946.

Pinckney Cemetery Association. Winifred Graves, Sec-Treas.

PAUL O. STRAWHECKER

Since was sidetracked to the General Purpose committee and put over for a year. This included: 1. Allowing use of blue lodge rooms to non-Masouic organizations; 2. Changing date of annual communication; 3. Setting up a district deputy grand lecturer system.

On Wednesday an amount amounting to 10c for every such dues paying Mason for the rehabilitation of destroyed foreign lodges was passed after a long debate. A special assessment of a \$1 a year on dues paying Mason to build a 40 bed addition on the Michigan Alma Masouic hospital, to cost \$240,000 was passed. The assessment is for two years. We understand more additions are planned culminating eventually in a 200 bed hospital. At present the hospital capacity is 37. The home has 178 guests of home. 87 are women. One sixth are bed ridden and brought here on stretchers.

Paul Strawhecker, brother of Mrs. Esther Campbell, Pinckney, was elected grand master; Clarence Hooper of Flint, deputy; Hazen Cole, Ithaca, Gd. S. W.; Hugh Johnson, Traverse City, J. W.; Clark McKenzie, Kalamazoo, Treas.; Homer Newton, Pontiac, Sec.; Francis Lambic, Midland, Lecturer; Rev. Donald, Flint, Chaplain; Dr. Morgan Smead, Rochester, S.D. and Dick Steed, Tiler. They had no opposition. Guy Powell of Detroit was elected J. D. over George Bashare, Detroit, Mike Baguley, Lansing, Wm. Hamilton, Three Rivers and Paul Schlenderer, Ann Arbor on the second ballot. Schlenderer was elected grand marshal over Baguley, Bashare and Hamilton. All these officers have been guests at Pinckney on past masters nights but 2.

Next years meeting is also at Grand Rapids.

ROBINSON-SMIREY

Miss Aletha Robinson and Jeremiah Smirey of Pinckney were married Sunday by Rev. Karney at the Baptist parsonage at Howell. Their attendants were Mr. and Mrs. Marvin Shirey. After a wedding trip in northern Michigan they will reside in this village. The groom was recently discharged from the USN. The bride graduated from Hillman high school and has been employed at the Detroit

CURKENT COMMENT

Malcolm Bingay in the Detroit Free Press says the lines of women he sees in front of grocery stores and meat markets reminds him of the Good Earth written by Pearl Buck in where a constant struggle in China by mothers to get enough food to keep their children from starving is depicted. Maybe this is rather far fetched but nevertheless we seem to have entered into the first stage of it. Of course relatively speaking there is no food shortage here. Millions of bushels of wheat are being withheld from the market and the same is true of meat because the producers do not think the ceiling price is high enough. Many persons who should know better favor removing all price curbs and let inflation reign supreme and soar to the skies. This they argue would soon bring a boarded wheat and meat market. This treatment was tried after World War I and resulted in the dampest depression this country ever experienced. Food and produce were thrown on the market in such quantities that it exceeded all demand and wheat tumbled to 30c per bushel. The same thing would happen again today.

Notwithstanding all the name calling and threats John L. Lewis appears to have emerged from the strike conference with the attainment of practically every objective he asked. These include: 1. 18 1/2 cents an hour wage increase; 2. A \$25,000,000 a year welfare fund financed by a .5 tax on every ton of coal mined; 3. Unionization of foremen; 4. Adequate housing facilities for miners. Of course all this means an increase in price of coal. For the mine owners will lose no time in passing the cost onto the people. Congress and the press dud plenty of talk about Mr. Lewis but when it came down to action there was nothing doing and John L. Lewis has not been short of a bit of his power.

In every old England year ago a number of us Herod, an ancient Jew. King was the central figure in the story. He was a really a juggler of men and the most entertaining person in the parade. A saying was that of the in which a person who overbilled others in doing was said to be a Herod. President Truman might be said to have outdone Herod last week when he proposed a measure to congress to settle the strike situation by drafting men for labor as they were drafted for warfare. This same thing was proposed during the war but never got anywhere. Strange to say, those members of congress who have been loud in their condemnation of labor & strikes were most vehement against this bill. Among them were Rep. Clarence Hoffman of Michigan and Senator Taft of Ohio. Talk seems to be plentiful among certain elements in congress but when it comes down to action that is a horse of an entirely different color.

Are we preparing for World War III? After making the World Safe for Democracy in 1918, we picked up our rifles and went home. 25 years later had to go back and do it all over again. By their action in killing the draft congress may make it necessary for our sons and grandsons to finish the job we should do now. If all Allied forces are withdrawn from Europe there is little doubt that it will quickly revert to its old condition. The first Michigan draft of teen years and fathers only yielded 250 men. At this rate the army and navy will dwindle away to nothing and the discharge rate is much great. Of course all families want their boys back and warfare is foreign to American instincts. Still we have a job to do and should not quit with it had done.

Mrs. Dorothy Campbell took her pupils to Greenfield Village and the Ford factory last Wednesday.

Mrs. Don Swarthout took her pupils to the Detroit zoo Friday via the school bus. They got caught in the rain but had a fine time nevertheless.

Mrs. Lyla Ryan closed a very successful term of school last Tuesday with a picnic on the beautiful lawn at the Younglove school. There were 40 present to help her celebrate the occasion, potluck dinner was served at noon and every body partook in the game of ball in the afternoon.

Bert VanBlaircum jr. is in Sparrow hospital, Lansing with two broken legs and a broken shoulder as a result of an auto accident Sunday afternoon when the auto he was in struck a tree between Greenfield and Lansing. The driver was completely killed and has been employed at the Detroit

VERNON J. BROWN FOR GOVERNOR

The people of Michigan will be fortunate in having as Governor, Vernon J. Brown for Governor. His administration of the offices of Auditor General and Lieutenant Governor has been noted for efficiency and honesty. His experience in these offices and his 5 terms in the House of Representatives and Chairmanship of important committees of the House have given him a broad and valuable knowledge of the needs of our State and what is needed to solve many perplexing problems. He is capable and fearless in doing what he thinks is right. He represents no faction or group. Dignified and simple in manner he is the ideal leader of the common people and those who believe in good government. The people of Livingston county have always recognized his true worth. That is why in the 1944 election they gave him a majority of more than 5000 votes. Our people do not want an experiment. They want tried and true leadership and a man as governor whom they know will amply safeguard our principles of government and rights of all the people.

The primary election is June 18th. The name of Vernon J. Brown will appear up of Vernon J. Brown will appear up as a candidate for governor. This primary is as important as the election. Every voter should lay aside his or her work for a few minutes on Tuesday, June 18th to vote. The Vernon J. Brown committee will be pleased to have a card or letter from those in each township who are willing to do something before and on primary day to get out the vote. We will welcome a word from every Brown supporter. Be sure to vote. Call 10 of your friends on primary day and get them to vote. Let's give Vernon J. Brown an overwhelming vote on June 18th.

NOTICE OF LETTING OF DRAIN CONTRACT AND REVIEW OF APPOINTMENTS

NOTICE IS HEREBY GIVEN, that I, Floyd W. Munsell, County Drain Commissioner of the County of Livingston, State of Michigan, will, on the 13th day of June, A.D., 1946, at the Store at Anderson on W 1/2 SE 1/4 Section 18 in the Township of Putnam, in said County of Livingston, at two o'clock in the afternoon of that day, proceed to receive sealed bids until 2:30 o'clock in the afternoon of that day, when bids will be opened and publicly announced for the construction of a certain Drain known and designated as "Anderson County Drain," located and established in the Townships of Putnam and Unadilla.

Said drain to be let as one Section as follows: having the average depth and width as set forth: All Stations are 100 feet apart. Said Section is composed of the Following: from Station 0 to Station 105 + 50 to be the main line, having an average hub cut of 5.3 feet and a new cut of 2.6 feet with a bottom width of 4 feet with a bank slope of 1 1/2 to 1. From Station 105 + 50 to Station 201 + 75 to be Branch No. 1, having an average hub cut of 5.0+ feet and a new cut of 3.1+ feet with a bottom width of three feet; Branch No. 4 begin at Station 156 + 75 of Branch No. 1 and running from Station 0 to Station 26 + 70, having an average hub cut of 5.7+ feet and a new cut of 3.8+ feet with a bottom width of 3 feet; Branch No. 2 Com. at Station 75 main line and running from Station 0 to Station 3, having an average cut of 2.4 feet bottom width of 3 feet bank slope of 1 1/2 to 1; Branch No. 3 Com. at Station 105 + 50 main line and running from Station 0 to Station 5 + 50 and having an average cut of 2.6 feet and bottom width of 3 feet, bank slope of 1 1/2 to 1;

Total length of said drain is 23,675 feet.

Estimated Cubic Yards Excavation, 38,450.

325 feet of 26-inch tile, from Station 149, 75 to Station 153 to be relaid at a new grade.

Said job will be let by sections. The section at the outlet of said Drain will be let first, and the remaining sections in their order up stream, in accordance with the diagram now on file with the other papers pertaining to said Drain, in the office of the County Drain Commissioner of the County of Livingston to which reference may be had by all parties interested, and bids will be made and received accordingly. Contracts will be made with the lowest responsible bidder giving adequate security for the performance of the work, in the sum then and there to be fixed by me, reserving to myself the right to reject any and all bids, and to adjourn such letting to such time and place as I shall publicly announce.

The date for the completion of such contract, and the terms of payment therefor, shall and will be announced at the time and place of letting. Any person desiring to bid on the above mentioned work will be required to deposit with the County Drain Commissioner a certified check or its equivalent to the amount of One Hundred Dollars (\$100.00), as a guarantee that he will enter into a contract and furnish the required bond as prescribed by law. The checks of all unsuccessful bidders will be returned after contracts are awarded. The payments for the above mentioned work will be made as follows: County Drain Order Payable April 15, 1947.

NOTICE IS FURTHER HEREBY GIVEN, that on Thursday, the 11th day of July, 1946, at Anderson, in the Township of Putnam, County of Livingston, or at such other time and place thereafter, to which I, the County Drain Commissioner aforesaid, may adjourn the same, the apportionment for benefits & the lands

comprised within the "Anderson County Drain Special Assessment District," and the apportionments thereof will be subject to review for one day, from nine o'clock in the forenoon until five o'clock in the afternoon. At said review the computation of costs for said Drain will also be open for inspection by any parties interested.

THIRTY YEARS OF SERVICE TO MILK PRODUCERS and CONSUMERS

This week the Michigan Milk Producers Association rounds out 30 years of service to milk producers and consumers in the Detroit milk shed.

The organization got its start on June 3, 1916, when a small group of far-sighted dairy farmers recognized cooperative marketing as the one best guarantee of an assured minimum milk supply for Detroit and of price stabilization at a favorable level for milk producers.

So sound was this conception that the Association grew from its original membership of 22 dairy farmers to more than 14,000 in 1945.

The value of milk shipments during the first year amounted to a few thousand dollars as compared with 1945 when the dollar volume of sales by association members was \$41,602,144.00.

This consistent growth through the years has been paralleled by improved quality and production methods under Association sponsorship; protection for members against bad credit risks, herd failure and market uncertainties (by operation of our own processing and distributing facilities where independent outlets are deemed inadequate). Every member's share in the assets of this Association is substantial—a factor of great importance in these days of unbalanced economic forces.

The Association's growth has likewise been paralleled by constantly increasing safeguards for the protection of the public health.

Throughout the years, this organization has held to the belief that its own best interests are inseparably interwoven with the best interests of the milk consuming public.

From its inception, this organization has always adhered to a policy of promising only what it could deliver, and of delivering what it promised.

So well have these basic principles served the very great majority of producers and consumers that we pledge continuance of them in the conviction that they will prove as satisfactory in the future as they have for 30 years.
