## Dexter Takes Game, 18 to 0

Pinckney and Dexter have been long-time rivals in all branches of sport. Pinckney has usually had the better of it in football. Last year they beat Dexter, 7 to 6, and also the year before that. This year it was different. Pinckney lost eight men by graduation last year, while Dexter with a all-veteran team had the best season in their history, winning 7 games and playing a scoreless game with Brighton who was also undefeated. The Dexter goal line has not been crossed this year.

Approximately 1100 fans, probably half from Dexter, came here Friday night to see Pinckney try their luck with the undefeated team. Dexter was much heavier and had a good running game, but Pinckney kept them worried by a forward passing attack and missed scoring two touchdowns by inches.

The game started with Dexter making big holes in the Pinckney line with Johnson and Kenny, two husky backs, carrying the ball. On the third play of the game, Bill Devlin caught a pass good for 30 yards and a touchdown. The try for extra point failed. In the second quarter, Pinckney got their first scoring chance. A Dexter punt went out of bounds at the 50-yard line. Russell Clark caught a pass good for a 30-yard gain putting the ball on the Dexter twenty-yard line. Another pass, however, was intercepted by Dexter.

Dexter again began to go through the Pinckney line and Bill Devlin made their second touchdown around right end after a series of first downs. Again they failed to get the extra point.

Jack Kenny scored the last Dexter touchdown in the last half on a line plunge. In this half, Pinckney opened their bag of tricks and a lateral triple pass, behind the line, caught by Jim Meyers was good for forty yards and put the ball on the Dexter one-yard line. Here Dexter showed why their goal line was uncrossed by turning Pinckney back. Four times Pinckney tried, 2 line plunges and 2 passes. Russell Clark caught one pass but the referee ruled it touched the ground first. The other Young could not get his hands on. Jim Meyer made the last line plunge and lacked about six inches of going over the goal line. Pinckney played their hardest of the year but their heavier opponents wore them down and they were pretty well bruised up by the end of the game.

The line-ups:  
**Pinckney**  
 Young ..... E. DeLatorre  
 Elmer ..... Shultz  
 J. Clark ..... Bennett  
 Howe ..... Coy  
 C. Darrow ..... Williams  
 R. Clark ..... Vaughn  
 R. Darrow ..... F. DeLatorre  
 J. Meyer ..... W. Devlin  
 B. Amberguey ..... Johnson  
 ..... f.b. .... Kenny

Substitutions: PINCKNEY — D. Clark, Haines, Hurlbuce, Murphy; DEXTER — O'Malley, Bailey, Curtis, Howard, McLeod, Miller.

Touchdowns: B. Devlin (2), and Kenny.

Yards gained (Dexter) 234, (Pinckney) 96. First downs (Dexter) 19, (Pinckney) 6.

Referee: Orlick, University of Michigan; Umpire: Laach, University of Michigan; Head Linesman: Stanley Dinkal.

## CARD OF THANKS

Friendship is always a beautiful thing, but friendship extended during a time of sorrow and bereavement is indeed most beautiful. To all our friends who aided and comforted during the illness and death of our dear wife and mother, we wish to offer our most sincere thanks.

Mrs. Fred Cozens and Mrs. Frank Aberdeen and Mrs. Rex Noggle.

## FAMILY OBIT

The funeral of Phillip Smith was held at the Pinckney Cong. Church, Sunday, Nov. 10, 1946. Burial was in the State Cemetery. He was the father of Mrs. Anna Vandenberg.

Funeral services for Mrs. Mary Ann Fisher, wife of Mr. Fisher, will be held at the Pinckney Cong. Church, Sunday, Nov. 17, 1946. Burial will be in the State Cemetery.

Funeral services for Mrs. Mary Ann Fisher, wife of Mr. Fisher, will be held at the Pinckney Cong. Church, Sunday, Nov. 17, 1946. Burial will be in the State Cemetery.

## Michigan Mirror State News

News and happenings of the State Territory Told from Lansing

Gov.-Elect Kim Sigler and his administration are going to have a bad headache of pre-Volstead proportions after Jan. 1, 1947 all because of the voters thumping approval of the sales tax amendment and the \$270,000,000 veteran's bonus.

The next legislature must face 2 tough alternatives. First: Should state expenditures be drastically curtailed so that the expenditures for the next fiscal year shall be in balance with the state's shrinking revenue. If so what services should be cut? Should the cut be at the expenses of the colleges, hospitals and prisons all of whom are overcrowded and demanding more room and facilities?

If a cut is not feasible and any cut is bound to be very unpopular, then the only alternative is new taxes which will probably be the answer.

The \$270,000,000 veteran's bonus will be financed by state bonds. These if sold at 1 1/2 percent interest and returned in 20 years would cost over 300,000,000. The interest alone would be \$42,000,000.

All veterans will be paid at the rate of \$10 a month for domestic service and \$15 for foreign. The maximum is \$600.

Dependent relatives of service men who died between Sept. 16, 1940 and June 30, 1946 from services connected causes shall be paid a sum equal to the difference between what he has received and \$500.

The cost of the bonus is estimated at \$348,000,000.

The sales tax split will reduce revenues to such an extent that new taxes will become a necessity.

The pinch may not come in 1947 as the state can get along fairly well for a time on surplus and balances on hand.

If new taxes are considered the obvious choice is to increase the sales tax or enact a state income tax.

## KING'S DAUGHTERS MEET

Mrs. Iva Reason was hostess to the Kings Daughters Thursday afternoon. Assisting were Mrs. Lydia City and Mrs. Mildred Ackley. The meeting was in charge of Mrs. Rene Miller, vice president with Mae Dailer in charge of devotions. During the social hour November charades were presented by Lula Darrow. High scores were won by Rene Miller, Viola Head and Mae Dailer. It was voted to purchase several items of children's clothing to fill a hospital need and a gift for a sick child. A nominating committee was named as the annual election of officers will take place preceding the Christmas party. Refreshments were served.

## Circuit Court News

Judge Collins held court in Howell last week. In the foreclosure suit of a mechanic's lien, Ralph Gillett was ordered to pay W. J. Brower \$125. The Vernon State Bank was given a judgment for the return of cattle in their suit against Gale Grover.

Last Wednesday was taken up with the trial of the Village of Pinckney vs. W. H. Meyer. When W. H. Meyer bought his present garage building some twenty years ago there were gasoline storage tanks under the sidewalk in front of it which he has since used to sell gasoline from, but in recent years only to store gas for his fleet of trucks. The village seeks to have him remove them as the sidewalk over them is in bad repair. Wednesday was taken up entirely with the testimony of the members of the village council and Mayor Lee Lavey. Their testimony was to the effect that the present sidewalk is a danger hazard. Mayor Lavey admitted that the gas tanks of the Gulf oil station and the Mi-Speed station are also in the street but that the pavement over them is in good repair. Mrs. Clara Palmer, a council member, testified to falling down in front of the Meyer garage due to the faulty walk. Roy Clark and C. J. Clinton, councilmen, also testified. The case was unfinished and was put over to December 2nd.

Clyde Fisher, village clerk, has yet to testify and also the defense witnesses. Judge Collins is hearing the case without a jury.

Sunday services at Miss Emma Groves and Mrs. Wollan Hall were held at the Pinckney Cong. Church.

Funeral services for Mrs. Mary Ann Fisher, wife of Mr. Fisher, will be held at the Pinckney Cong. Church, Sunday, Nov. 17, 1946. Burial will be in the State Cemetery.

## Deer Hunters Head North

As usual, Pinckney will send a segment of deer hunters north again this year. They will probably number into the hundreds. The following have informed us they are going:

- John Burg, Jack Reason, Win Baughn, to Otsego Lake.
- W. C. Miller and sons, Bill Baughn, to Douglas Lake.
- A. H. Flintoft and party, to Drummond Island.
- L. J. Swarthout and sons, Claude Swarthout and son, Clare Swarthout and son, to Mio.
- George Meabon, Jr. and W. H. Meyer and sons, to Mio.
- Louis Snenan and son, Francis, Gerald Bauer and Bruce Herbst of Brighton to the upper peninsula.
- Clifford Van Horn, Willard Wiltse, Roy McClear, Tom and Dan Howlett and A. Wixon, to Curran.
- Edward Parker to Roscommon.
- Lynn Hendee and son, Dr. Cecil Hendee, to Mio.
- Louis Wagoner and son to Roscommon.
- Roy Reason to St. Helen.

In addition, others planning to go north are Orville Smith, Erdly Van Sickle, the Wylie brothers, Bremingstalls, Girard brothers, Russell Laymore and son, John, and many more.

## NETWORK TELEVISION SOON

Thomas N. Lacey, president of the Mich. Bell Co., has announced a Detroit-Toledo link which will connect with both coasts by late 1948. The program has been stepped up from 6,000 to 12,000 miles in 1950.

The Detroit-Toledo link of this line will connect directly with others between Chicago and Cleveland and Cincinnati & Toledo. From Toledo it continues to the east coast where a Chicago-New Orleans Network to connect with the west coast via a southern route.

Coaxial cable contains two or more metal tubes, each a little larger in diameter than a lead pencil. A copper wire inside each tube extends along its axis & lead sheath encases the group of tubes. A single wire is enough for television.

Some 2,700 miles of the Bell System's coaxial cable network has been completed and construction is moving along at the rate of 2,000 miles a year.

## CARD OF THANKS

The family of the late Phillip Smith wish to thank Rev. Allan McEwen, Rev. George, Mrs. Morris Campbell and all our friends and neighbors for their sympathy and kindness during the illness and death of our father.

## Notes of the Game

This was the hardest played game on the local field this year. Mix-ups were numerous and one Pinckney player and one Dexter boy were ousted by the referee for roughness.

The attendance was about 1100. There were 1011 paid admissions. Many crashed the gate. This is the largest crowd ever to see a football game in Pinckney.

The new Buick being raffled off by the Pinckney Veterans of Foreign Wars post for the benefit of the lighted field was then driven around the field. The veterans will sell tickets until December 21st.

Although it was a cold night, no hot dogs or coffee were on sale. They would have sold like hot cakes. How come?

For the first time this year there was considerable drinking at the game and most of the visitors came well supplied with old John Barleycorn. This seems to be one of the vices of huge crowds. There is much complaint about it at the games in Ann Arbor and apparently no way to check it.

One Pinckney player who is using a little head of Duke Latimer, back after a short service in the army. He plays a bang-up game in the Pinckney line and made a lot of brilliant tackles.

Inability to catch passes seems to be a weakness of most high school teams. If Pinckney could have caught two or three passes at critical moments the whole aspect of the game would have been changed.

A girl wrapped in a big orange colored blanket was the most enthusiastic Dexter fan. Somehow she seem to be always edging over on the Pinckney side.

Scores of other games were as follows:

- Clinton 32, Manchester 0.
- Chelsea 12, Saline 7.
- Stockbridge 29, Grass Lake 6.
- Howell 26, Fowlerville 14.
- Brighton 20, Williamston 14.
- University High 25, Dundee 12.
- Milan 7, Romulus 6.

The next game was the Brighton-Williamston contest. Williamston is in County League champion and led Brighton, 18 to 0, at the start of the fourth quarter. Harry Gibson, Brighton fullback ran sixty yards for the first touchdown and Davis converted the extra point. Jack Jarvis took a 30 yard pass for the second touchdown. Then Brighton dug down into the bag and pulled out the midedewed kick, a favorite of old Gus Eck's at Dexter 35 years ago. The ball rolled along the ground where it was picked up by Young of Brighton who ran for a touchdown.

Pinckney ends their season here Friday night when they meet Hartland. This contest they should win, as Hartland has beaten no one except South Lyon. Brighton taking them, 44 to 0, and Dexter, 41 to 0. If they win this contest, Pinckney will have a record of four wins and five losses. They beat Adrian, Saint Mary's, Manchester, South Lyon so far and lost to Fowlerville, 6 to 0, Stockbridge, 13 to 0, Brighton, 34 to 7, and Dexter, 18 to 6. Successful passing could have won three of these lost games for Pinckney.

## Conservation Notes

The trapping rights on Point Moultrie near Monroe has been leased to 50 trappers for \$1,038.

Fall shipments of pine seedlings were 592,000 only tenth of those sent out last spring when shipments were over 5,000,000.

The Mich. Well Drillers Ass'n, met last week to draw up a proposal to license well drillers.

Charles Schaefer of Chubb's Corner, had a page of deer drawings in the conservation bulletin this month.

## CURRENT COMMENT

The war veterans did not fare so well in the elections last week. Seventy of them were elected to office and 121 lost. The Republicans ran 84 and elected 47. The Democrats ran 107 and elected 23. This is for Congress and Senate offices only.

The press is again talking up Senator Vandenberg for president in 1948. He hasn't got a chance. The nominee in all probability will be Governor Dewey of New York, for it is Republican belief that without New York's electoral vote votes no man is possible. Besides, New York is always a doubtful state, while Michigan is always considered "in the bag" months before election. The late Franklin D. Roosevelt captured Michigan-Hartland 1:11 ball game. He captured a person, etc. a couple. Substitutions served F. D. Dewey.

## Current Comment

Well, the off-year election is over and the results are not much of a surprise to anyone who has studied the election results. Not much over a 50 per cent vote is ever cast in an off-year election, as a great number of persons only vote in presidential election year. Putnam cast about 700 votes in 1944, yesterday they cast but 466. Only 503 voters were enrolled under the new registration law this year. The Democrats invited the defeat in 1944 when they ditched Henry Wallace at the insistence of the southern conservatives and swung to the right by nominating Truman, a practical unknown. The latter is a far cry from the late F.D.R., whose personal magnetism held the conflicting elements of the Democratic party together for 14 years and controlled the nation.

In Michigan, dumbness on the part of the Governor Kelly, Republican nominee, Kim Sigler, until recently a Democrat, to the pinacle of success and took the control of the Republican party away from the rural districts and placed it in Wayne county and other industrial cities. The Kelly machine did not want the Judge Carr legislative grand jury investigation and did all they could to throw monkey wrenches in it. However, they had not reckoned on the ability of Judge Lee Carr, who ditched the attorney general's office and brought in Kim Sigler, an unknown, to handle the job. He got the goods on the grafters and then indicted Frank McKay and the big-shot Republican bosses. He was on the road to convicting them when Senator Hooper, his car witness, was murdered, giving McKay the biggest break he got in his life. The enemies of Sigler had not been idle. They got rid of Judge Carr by appointing him to the supreme court and then fired Sigler for prosecuting for spending too much money. He was replaced by Dick Foster, a young lawyer, and Carr by Judge Coash. Up to date these two have gotten nowhere. The bank indictments have been brought in but never tried. Sigler saw his opportunity and threw his hat in the ring for governor on the grounds the Kelly machine had given him a dirty deal. This was strengthened when the legislature appointed Senator Johnson, chairman of an investigating committee, to probe Sigler's expenses. Sigler's claim was accepted by the people of Michigan who love a crusader or fighter and he was nominated in the primaries over Vern Brown, the Kelly candidate. The convention also swept out the rest of the Kelly candidates, Murray Van Wagener took the Democratic nomination, we believe, with the conviction. Vern Brown would be his opponent. He was fooled and had to change his plans making a dumb campaign in which he stressed Sigler's grand jury expenses which the people had already approved by nominating Sigler in the primaries. Sigler now has the opportunity to become one of Michigan's outstanding governors but now must face reality and not theory.

The county where the elections have become non-partisan the Democrats only put up one active candidate. Lester Huff, deputy sheriff for nine years under Democratic Sheriff Irving Kennedy, was badly defeated by Loren Basset, also deputy under Sheriff Kennedy for ten years, but running on the Republican ticket. Basset carried every precinct. Neither made any campaign to speak of the Democrat party has practically disappeared in this county.

In the state, despite frenzied efforts and much money spent, all the amendments have carried, including the airport one, the sales tax split, and the soldiers' bonus. Governor Kelley's proud boast that he had saved the people of Michigan 136 million back-fired as the people concluded if the state had that much money and no use for it, it should go back to the people who paid it in taxes and help them on their schools, etc. Hence, the big majority for the sales tax split. Despite the fact that the split will raise teachers' salaries, the Ingham county teachers voted against it in a test vote and Superintendent Page of Howell, former M.E.A. head, made speeches against it. Sent of nothing on a limb and saving it off. The people believed the union men, who served the bonus and split as by the vote. Industries and the general business groups, however, were against it. They were right.

SIXTY YEARS OF LIGHT..

Just sixty years ago this week, electric lights winked on for a handful of Detroiters—eighty-nine, to be exact. Amid applause and excitement, four little generators in the Edison power plant at Washington Blvd. and State St. (which now houses Detroit Edison's downtown office) had begun to hum.

As overworked housewives cleaned the soot from kerosene lamp chimneys, they thought enviously of the new lamps. Off and on, they had been thinking of them ever since Thomas Edison invented the incandescent lamp seven years before. But, though some of these women might have foreseen a day when they could flood their homes with sunlight at the flip of a switch, they couldn't have dreamed of a time when lamps would purify the air they breathed or sterilize the food they cooked. And they would have been incredulous had they been told that electricity soon would be accomplishing a score of household chores.

Similarly, the husbands of these women, reading by flickering lamps about John L. Sullivan's latest battle, might have looked forward to a day of better lighting. It isn't likely, though, that many of them foresaw the growth of southeastern Michigan into a great industrial giant. How could they visualize vast factories lighted day and night by hundreds of thousands of fluorescent lamps?

Yes, it was an historic event for Michigan. But the Edison Illuminating Company did not consider itself a public benefactor—bringing Edison's priceless gift of light to a darkened city. Far from it. It thought of itself as just another small business—it had little realization of its destiny.

The first bills were high. Many of those eighty-nine customers used their current recklessly, demonstrating their lamps to friends and playing with them as though they were toys. It was November, when the nights are long and the days are dark. And the rate was more than six times as much as you pay today.

As people saw the advantages that electricity had for them, they sought electric service. The business grew. With its growth, service improved and rates began to go down. They are still going down.

Today, more than 850,000 customers are served with light and power by Detroit Edison. Quite a contrast to the eighty-nine of sixty years ago.

## How to Handle a Fortune

Some months ago I reported in the Clarion how Mel Bate's uncle died up north, and left him with a tidy fortune.

Naturally, our town was curious to see how Mel would spend it: Traveling around the world... getting a new house or car... wearing fancy clothes... or dining on cold pheasant and champagne...?

We can now report, Mel hasn't changed a bit! Drop in on him any night, and you'll find him in his shirt sleeves by the fire, chatting

with the Missus, sharing a mellow glass of beer with friends.

From where I sit, Mel has learned the art of handling money—as well as handling people. You don't let cash-in-the-bank push you around any more than you let people push you around. If you like the simple, homely life; a companionship and quiet ways; a glass of beer and friendly talk—that's worth a fortune, after all!

## SCANDAL COLUMN

Why can't M.Z. make up her mind between J. C. and L. D.?

"So we meet again" was the remark made by B. P.J.

We see L. D. H. is seeing 2 girls lately. What about M. H. and M.Z.?

What Soph girl turns red when the speed merchant is mentioned?

What senior girl couldn't keep her mind on her work last week on account of the army being home on leave.

Why has V. C. started going to the Gregory dance? What about it Mitzie,

We see the YoYo is the new item for the desk.

The seniors went to see the "Outlaw. It got very glamorous when it got dark they say,

E. H. and J. H. are very glamorous so B. D. and G. G. say,

We hear the 2 cousins had a duel over M.Z.'s glove. Don C. added another knockout to his string which is longer than Joe Louis's?

**HE THOUGHT HE WAS FULLY INSURED**  
 The other day we read about a man whose home had been partially destroyed by fire. Like many other men he carried fire insurance up to 80 000 of what it had cost him to have his home built. But he had built it 10 years ago! Since that time values have increased considerably, yet he simply renewed his policy without regard to stepped up replacement costs. Now he will collect less than the cost of making repairs, because he was underinsured. This is a predicament that can easily be avoided by others who act before it is too late. As a public service we recommend that every home owner, for his own protection insure his home on the basis of what it would cost him to rebuild it at today's high cost.

### Housewives!!!

### SAVE YOUR WASTE FATS

### Overcome Soap Shortage

There is world wide shortage of all Animal Fats and Vegetable Oils, Last year Soap Makers only got one fifth of what they used in 1941. This also affects paints, textiles, leather goods, floor coverings etc. Without the help of the American Housewives there would have been little soap last year. One out of every nine cakes of soap made last year was made from waste fats saved in American kitchens.

So don't blame your grocer if he has no soap but save every ounce of fat you can and sell it to your butcher.

"DE CONTROL"

As of October 15, 1946 the O.P.A.  
restrictions on meat are released.  
The public reaction to this move will  
undoubtedly influence how soon con-  
trols on other items will follow.  
Confusion of views on price  
is prevalent, but that there is no  
doubt that any increase in supply of  
meat will soon bring prices to a nor-  
mal range. Simple economics tell us  
that fact.

A Savings Account can be a val-  
uable asset in helping to weather a  
doubt that any increase in supply of  
factors in industry are building up.  
Whether it is large or small it will  
help procure the goods we all long  
waited for and needed during the  
war years.

The Circuit Court for the County of Livingston in Chancery

In the Matter of the Petition of Mary Brayton, Trustee, for Order to Sell Lands.

**ORDER FOR HEARING**

At a session of said Court held at the Court House in the City of Howell, Michigan, on the 17 day of September, 1946.

Present: Hon., Joseph H. Collins, Circuit Judge.

Mary Brayton, Trustee, having filed in this cause, a petition setting forth that Martin Holtforth, her father died on the 20th day of March, 1929, leaving a last Will and testament, by the terms of which petition or was devised certain lands for life and that by the order of this Court such lands were sold and a portion of the proceeds were re-invested in certain lands and premises situated and being in the City of Howell, Livingston County, Michigan, and described as follows to-wit:

Lot number 47 and 48 of Jewett Addition to the Village (now City) of Howell, Michigan, according to the recorded Plat thereof.

And it further appearing that in

as Trustee prays for an order authorizing and directing her to sell the above described premises under the direction of this Court and that the proceeds from such sale stand in lieu of the above described premises, subject to the further order of this Court as to the reinvestment thereof.

On the motion of Glenn C. Yelland, Attorney for such Trustee and petitioner it is Further Ordered, a hearing on said petition be held at the Circuit Court Room in the Court House in the City of Howell, Michigan, on the 9th day of December, 1946 at the opening of Court on that day or as soon thereafter as counsel can be heard; and that all persons interested in the above described lands and premises be and appear before this Court on that day, time and place, to show cause if any exist, why the prayer of said petition should not be granted.

And it is further Ordered, that a copy of this petition be served on all persons interested in the above described lands and premises, at least ten days before the return herein set forth, of any of said parties are found in the state of Michigan.

And it is further Ordered, that this order or a true copy thereof be published for three successive weeks (once each week) in the Pinckney Dispatch, a newspaper printed, published and circulating in said County of Livingston, Michigan.
