

## Michigan Mirror State News

News and Happenings of the State Told From Lansing

There is a silver lining in the storm financial clouds at Lansing.

While gloom is thick enough at the office of the Governor and in the Legislative chambers to cut it with a dull knife, Michigan public school teachers now believe that happy days are on the way.

Action by the State Supreme Court in validating the sales tax diversion amendment, whereby 78 per cent of the sales tax will be diverted back to home governments, has had the effect of indirectly raising taxes for local governments.

The taxpayer has not shown any enthusiasm or disposition to enact new taxes for his home government, but he relished the opportunity, as a majority vote last November revealed, to divert additional millions of money collected by the State of Michigan back to his hometown and county for use by the public schools, townships, and villages.

DR. EUGENE B. ELLIOTT, state superintendent of public instruction, estimates that the additional state aid to public schools will be a minimum of \$40,000,000 and a maximum of \$55,000,000. Thus, state aid to schools will rise from the previous all-time high of \$60,000,000 to \$100,000,000 or \$115,000,000 in the fiscal year starting July 1, 1947.

Dr. Elliott estimates this sum by a quota of \$5.30 for each school census child.

Now \$100,000,000 to \$150,000,000 for schools is certainly a lot of money. It should go a long way towards paying adequate salaries to school teachers.

## Conservation Notes

Oil and gas leases will be sold May 1-2 at Lansing on 50,000 acres of state land in north counties.

Share cropping agreements have been made with 30 farmers in south-central Michigan for putting into crops 2000 acres of state lands near Pinckney, Brighton, Highland Holly and Waterloo.

Only pine seedlings now available are red pine and only 1500 to a person.

Of the great lakes area Michigan holds 41, Ontario 36 and 7 other states 23.

Since 1939 the conservation dept has disposed of 1,328,000 acres of tax reverted lands.

Michigan rivers last week reached their highest flood stage since 1904.

Despite mud snow and floods the usual crowd of trout fishermen is expected April 26.

31000 pheasant eggs will be distributed to sportsmen & 4-H clubs for hatching this year.

## FAMOUS HEROES OF HISTORY LIVE AGAIN

Great heroes and events of history come to life again in a fascinating, new page color feature that tells the story of an American boy whose dreams carry him back to stirring days. See DICKS ADVENTURES IN DREAMLAND in Puck, The Comic Weekly, with this Sunday's (April 20) issue of Detroit Sunday Times.

## Notice!

Due to bad weather, the sign-up campaign of the Triple-A in this county has been postponed until May 15th.

## 4-H PAPER DRIVE

A county 4-H clubs with the assistance of rural schools has been announced by H. J. Hart, county 4-H club agent.

The money obtained by the drive will be used to further the building fund goal of \$10,000 for improvement at the Fowlerville fair ground set by the sponsor last April.

The drive will begin April 21 and final pickup will take place April 29 and 30.

Miss Gladys McCollum, county school commissioner, urges all rural students to save their paper and tie it in bundles for the pickup dates.

## VOLUNTEER FIREMEN

All men interested in becoming a volunteer fireman please register with your Village Clerk at 37 W. Main in person or you may fill out No. 16 and register by phone. Mildred Ackley, Clerk

## NOTICE TO PARENTS

The Pinckney Village of Fire Dept. cannot be responsible for injuries sustained by children going to or coming from fires. Mildred Ackley, Clerk

## Conference Third Degree

Northwestern Lodge, F. & A. M., of Detroit 42 strong, were guests of Livingstone Lodge of Pinckney Saturday night and accomplished a M. M. Degree in an impressive style. Dinner was served at 7:00 o'clock to a large assembly. Following the dinner a few were called on for remarks. Among them were Horace Whyte of York lodge, Grand Rapids, and William Hamilton of Three Rivers, who aspire to the office of grand marshal in May, the first step in the grand lodge line. William Keith, master of Three Rivers lodge, George Anderson, secretary of York lodge, O. L. Robinson of Vedic, Detroit, John Kelsey of Livingston lodge, Fred Seger of Brighton, and the officers of Northwestern and Livingston lodge, past masters and life members were in attendance. Most of them simply took a bow.

## Council Proceedings

Regular meeting of village council, April 8 at council rooms. Meeting called to order by President Parker. Roll call of officers. All members being present: Dinkel, Clinton, Kennedy, Swarthout, Clark and Palmer.

Minutes of last two meetings read and approved. Motion by Kennedy supported by Clinton that James LaRosa's Taverns license be renewed. Carried.

Motion by Palmer, supported by Kennedy that Dr. Duffy be re-appointed Health officer for year. Motion carried.

Motion by Dinkel supported by Kennedy that Don Van Winkle be appointed Village Attorney. Motion carried.

Motion by Palmer supported by Clinton volunteer firemen by the Council be paid \$4.00 a call. Motion carried.

Motion by Kennedy supported by Swarthout that following bills be paid:

Lavey Ins. Agency for Trans. Bond.....\$2.00  
Detroit Edison Co. for St. Light- ing Service.....\$105.31  
J. H. Shultz Co. for Election.....\$7.69

Motion carried.  
Received from Hamburg Twp \$100 for use of Fire Dept. Nov 15 1946 and Nov. 24, 1946.

Motion by Kennedy supported by Dinkel that meeting be adjourned. Motion carried.

Mildred Arkeley, Clerk

## CARD OF THANKS

I wish to express my sincere thanks to all my friends for their fine support at the polls on April 7.

Stanley Dinkel

The infant son of Mr. and Mrs. Ernest Nickel (Grace Hinkley) underwent an operation at St. Joe hospital, at Ann Arbor Monday and is now in an incubator at U. of M.

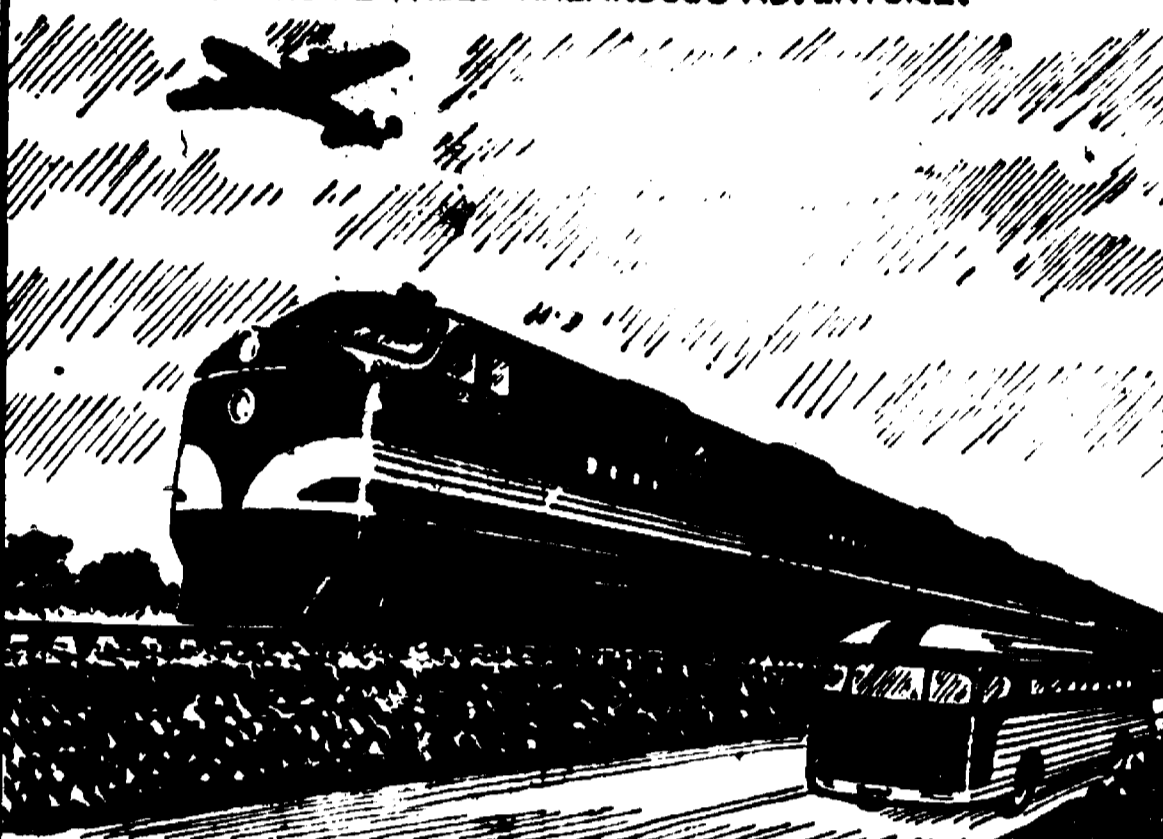

## OUR DEMOCRACY

by Met

### GOING PLACES

SO GREAT WERE THE RISKS OF THE ROAD IN THE EARLY DAYS OF OUR DEMOCRACY THAT THE MAN WHO CONTEMPLATED TRAVELLING EVEN A SHORT DISTANCE FROM HOME FACED HAZARDOUS ADVENTURE.

TODAY, BY CONTRAST, AMERICANS TRAVEL FREELY FROM ONE END OF OUR GREAT COUNTRY TO THE OTHER...AND SO SLIGHT ARE THE RISKS OF TRAVEL, WHETHER BY RAIL OR WATER, BUS OR SCHEDULED AIRLINES - THAT THEY CAN ENJOY LIFE INSURANCE PROTECTION AT STANDARD RATES.

## Henry Ford

Some 25 years ago Mr. Ford was quite well known in Pinckney and visited this place number of times. This first time he was passing through here right after the fire which destroyed the buildings now occupied by the Masonic block. He inquired about it and then looked over the water power then owned by Richard Clinton. The up shot was he brought it and also more land for flowage rights. He promised the people here to build a factory within a year. This never materialized but he a few years ago came back and bought more land here for flowage rights. Just why the factory did not become a fact is not known. We were told by Port. Curtis of the U. of M. that there was not enough water power here to operate it. Neither was there at Brooklyn, Milan or other places where he established factories and put in steam engines to operate there. He also bought the Dexter water power which he allowed to lay dormant for nearly 20 years before he began to develop it. Work was stopped on this 2 years ago and it was never completed.

## TRI-COUNTY LEAGUE MEETS

There will be a meeting of all managers, sponsors and interested persons in Tri-County hard ball league at 8058 Huron St. in Dexter April 27, 1947 at 3 p.m. to organize the league for this year. Be sure to send a representative. Guy H. Jameson, Pres.

## CANCER DRIVE

Representatives will soon call on you for a donation for the cancer research fund. Cancer takes more lives each year than all other diseases combined. Give liberally.

## AUTO ACCIDENT HERE

Two cars came together here Friday night about 9:00 p. m. at the intersection of M-36 and Dexter road. Junior Doyle going west on M-36 had in his car Miss Mary LaRue Al Bobon and Nancy Pond, all of Pinckney. They were struck at the intersection by a car driven by Norman Lyall, 20, of Ann Arbor. In the Lyall car were Denise Ledwidge and Carol Stucker, formerly of Pinckney, now employed at St. Joe hospital, Ann Arbor. Both cars were badly battered. Miss LaRue received a cut in her ear which took a stitch to close and numerous minor cuts and bruises. Al Bobon had a cut in the back of his head. The others only had minor injuries. They were taken to the Pinckney Sanitarium for first aid. Deputies Gehring and Kruaid investigated the accident and arrested Lyall for reckless driving. He pled guilty and paid \$25.00 and cost at Howell.

## NEWS OF THE CHURCHES

Rev. Francis Murphy, pastor  
Masses at 8 and 11 a. m.  
Novena Friday 12:30 noon and 8:00 p. m.

## TALK ON INDIA

The Young Ladies Auxiliary extend an invitation to the ladies of the community to meet in the Congregational church to meet a graduate student of Ann Arbor on her native India. She comes to us highly recommended. Time is 8:00 p. m.

## NOTICE

I will have a community auction at Saline, Fri. April 18, listed are 2 Hayloaders, one nearly new, 8 ft. tractor disc, 14 inch 2 bottom Tractor Plow, and a complete line of farm tools.

Bert Wylie Auctioneer

## BAKE SALE APRIL 19

The Young Ladies Auxiliary will hold a bake sale at Martin's Frozen Food Locker on Saturday April 19, starting at 2:00 p. m. Open to all.

## SCHOOL NOTES

Jim Bresley and Rayborn Lee have moved away.

Ada Hafner is a new pupil in the third grade.

Richard Imus of the second grade is still on the absent list.

Doris Umstad and Stephen Morfka were only absentees this week.

We miss Jimmy Walters on the baseball team. He has been gone since spring vacation, and we hope he has not abandoned us.

THIRD AND FOURTH GRADES  
We have two new pupils in our room Ada Hafner is in the third grade and her brother Charles is in the fourth grade. They live on the Three Brothers Farm the past week because of floods and bad roads.

Our fourth grade geography has finished the study of India. We examined an Indian coin and some stamps.

Janice Burns showed a stamp collection and some foreign money sent to her from overseas.

We are making a blackboard border of spring flowers and may-baskets.

Neal Clark fell and sprained his ankle Thursday evening.

Alvin Rohde is back in school for a few weeks because they can not move until the roads get better.

Shirley Hadden had a birthday this week. Pasty Lovell was the winner of the third grade spell down and James Lavey won in the fourth grade.

## 4-H CLUB NEWS.

The 4-H Achievement Day Program was held at Howell Auditorium on the evening of March 31. Mrs. Albert Shiley and Lois were leaders for the "Busy Fingers" Club from Pinckney. They had a fine job and were very proud of the work done by the girls in their clubs.

There were fifteen members in both groups. Those taking first year work were: Barbara Beesley, Julianna Krahn, Jane and Barbara Nash, Betty Seger, and Jane Lou Staifer. The Nash girls received gold seals. Those taking second year work were: Kathryn Henry, Barbara Van Slambrook, Claire Campbell, Dorothy Lavey, and Lorna Shirley. Mary Jean Kirske was the only one in the third year work.

She received a blue ribbon and a gold seal. Mary Ann Campbell and Virginia Shirley took fifth year work. They both received blue ribbons and gold seals. Lois took her sixth year in sewing and her eighth project. She received a blue ribbon and a gold seal. Lois, Virginia and Mary Ann received County Honors. Kathryn Henry, Lois, and Mary Ann were on the Workman-ship Honor Roll.

Lois received a medal from Kerr Canning Co. and a Foley Ford Mill from Foley Co. for outstanding work in canning last year.

Mary Ann was chosen as one of three from Livingston county to go to Club Week at Michigan State College. Her expenses will be paid for the week by the county 4-H. This is a reward for outstanding work and for taking a number of projects.

THE 7TH AND 8TH GRADE  
The District Spelling Bee for this community will be held at the Pinckney Auditorium Friday afternoon at 1:30 p. m. Everyone invited.

Carolyn Jaraslawski had a birthday party. Everyone invited had a fine time.

The 7th grade are studying Michigan. They are learning a lot of things they had not known before. Many of them about places near home.

Twelve of our girls will sing special numbers in the "Grade School Sing" to be held in Pinckney Auditorium, Monday, 21, at 8 P. M.

THE 5TH AND 6TH GRADES  
We are proud to announce that our Music Festival consisting of the intermediate grades of Pinckney and the rural area. It will be under the direction of Miss Cook of Michigan State College Extension Dept. The public is invited to remember the date April 21st Monday evening.

All children participating are asked to wear white or light shirts and ties no coats or sweaters. The girls white or pastel dresses, no sweaters.

Attend the performance and appreciate the wonderful work of Mrs. Eloyse Campbell. All part singing is by the Pinckney Intermediate grades.

The 5th and 6th grades are decorating the stage for the festival.

We have enrolled in the Young Writers club which totals 41 including Mrs. Kellenberger's room. Nancy May and Doris Imus have had drawings printed in the Detroit News so far.

Despite the cold weather spring is spring and the school yard teams with jumping ropes, paper boats, marbles, jump ball and kites.

## Current Comment

A U. S. survey states that while the cost of living has increased 70 percent and the cost of clothing 13 percent, wages have gone down 20 percent. This was not altogether a surprise to us as merchants who cash pay checks here have informed us that checks which averaged around \$70 a week in wartime and after are down to \$40 a week and lower. This has resulted in decreased buying power and the merchants are feeling the pinch of it. Such pay checks will buy few 60 cent steaks or \$2000 automobiles. Of course in time this condition may rectify itself either by an increase in wages or a reduction in prices. In the meantime someone will take a beating.

The state supreme court unanimously threw out the petition of Attorney General Bligh to declare the sales tax diversion unconstitutional on a technicality and ordered the state at once to start distributing the money to the schools.

Cities and township under the terms of the amendments. It is hard to see how they could have ruled otherwise. The will of the people is supreme and in an election in which a big vote was cast the amendment was approved by a big majority.

Now the governor and legislature are caught without any plan to replace the money to be taken out of the treasury by the diversion amendment. The governor intimated that he will recommend a 2 mill additional property tax. This was once defeated but the legislature now may be forced to adopt it as they have no plan at all.

The municipalities who were promised concrete naval armories are now up in arms because the Republican controlled appropriations committee is attempting to get them to accept quonset huts in a sudden economy move. The quonset huts would be servicable enough but the naval program is a long time one and the cities want something that will last and at the same time be an ornamental addition to them.

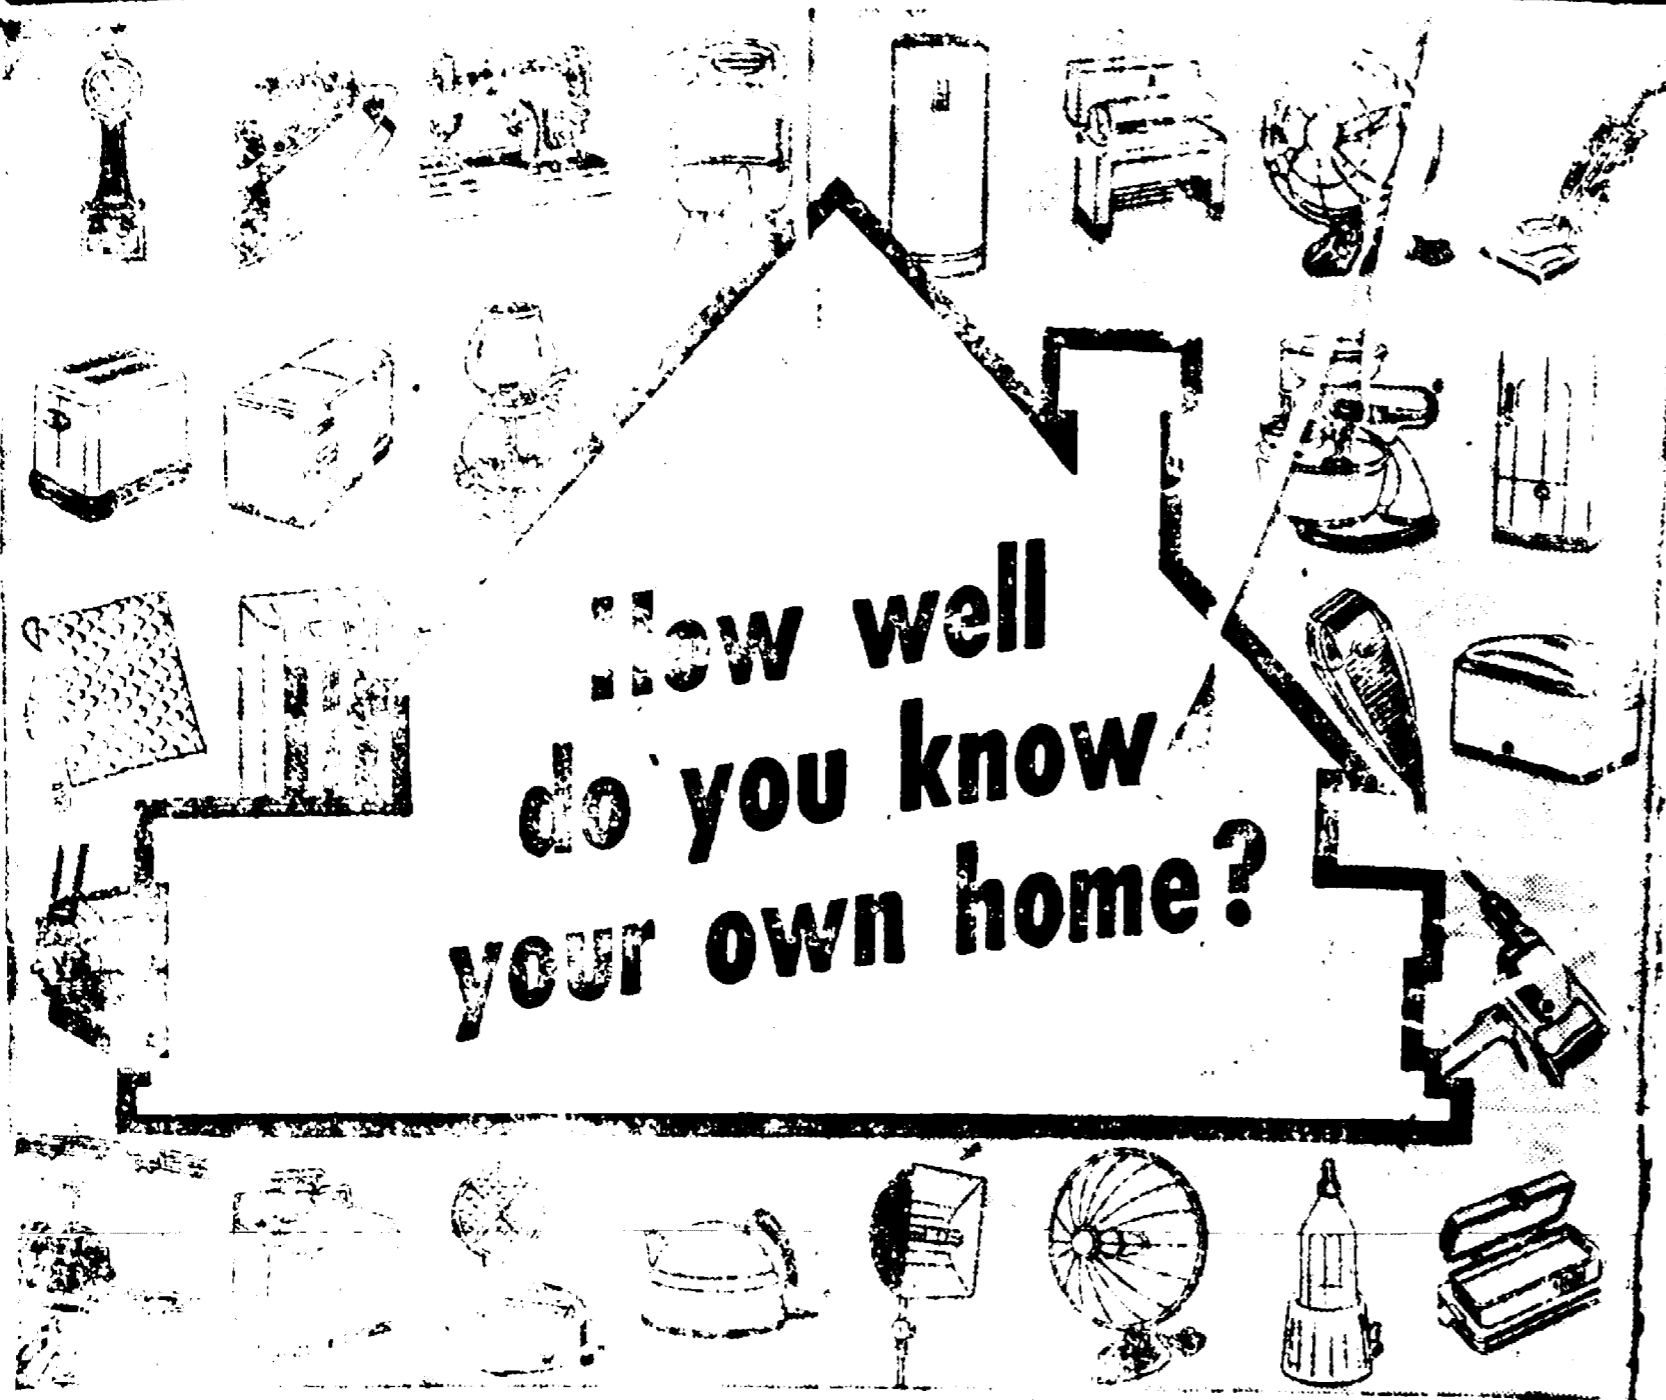

The suspension for one year of Leothe Lip, Durochar, the colorful fighting manager of the Brooklyn Dodgers will not have the support of the base ball fans as he is one of the present day most popular and interesting men in base ball and the idol of Brooklyn. His genius was so great that year after year with a team of hasbeens and cast offs he either won pennant or was a last minute contender. He kept his team at top speed continually, a Brooklyn game meant a packed park. His suspension is said to be caused by the fact that he made the statement that Larry McPhail, of the New York Yankees, former Brooklyn president, entertained gamblers at the Havana, Cuba ball games. McPhail denied this and as the latter was instrumental in the appointment of Happy Chandler to be base ball commissioner so Durochar was cracked down on.

In the death of Henry Ford last week, Michigan and the nation lost the one man whose one idea had the most to do with changing the history of life in Michigan. The first autos were hand made and very expensive, only the rich could afford them. Ford conceived the idea of a mass production which would make them so cheap that everybody could afford them. This he made a fact and soon his cars were selling for less than \$500.

Highway improvement had been slow because it had to be paid by a property tax. Ford put on many cars in operation that the weight and gas tax from them was soon sufficient for highway improvement and upkeep so he was responsible for Michigan's highway system. Auto workers were getting from \$2.50 to \$3.00 until Ford suddenly established a \$5 a day minimum wage in his factory in 1914. Other factories of course had to follow suit. This at once raised the living standards of the working people. Many people predicted the failure of Ford but he was dumfounded when he found money faster than ever. We think there was considerable of this in Ford's makeup. He was the way, willing to take a long shot and invariably make good when he did.

## Marriage License

Howard Davidson, 21, of Pinckney, Margaret Sherry, 21, of Pinckney, license issued; George Sherry, 21, of Pinckney, Charlotte Boyd, 21, of Pinckney, license issued; John Bennett, 21, of Pinckney, Virginia Johnson, 21, of Pinckney, license issued; Charles Bennett, 21, of Pinckney, license issued.

How many electric motors are there in your home? And how many electric heating appliances do you have?

When you check the list below, perhaps you'll find that you've underestimated the electrical equipment that keeps your home pleasant and comfortable.

Our records show that customers are using more and more current in their homes—our production of electricity is at record-breaking heights, far greater even than when war plants worked round the clock. But that increased use of current means that—for a few more pennies a week—you get household tasks done in less time—with less effort—and for less money than in any other way.

Check your electrical equipment against this list...

Appliances: Sewing machine, refrigerator, washing machine, clock, razor, record player, furnace fan, electric tools, vacuum cleaner, iron, mangle, electric heater, waffle maker, dishwasher, vibrator, toaster or coffee burner, electrical toys, home freezer.

Heating Appliances: Toaster, heating pad, electric blanket, radiator, space heater, hand iron, mangle, electric heater, waffle iron, bun warmer, coffee pot, grill, tea kettle, heat lamp.

(Figures show that the average Edison customer has more than five of these.)

From where I sit... by Joe Marsh

**A Great Bunch  
—Those Ex-G.I.'s**

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment.

There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect it was a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians.

I went out to cover the meeting.

for the *Clarion*, and one thing that sure impressed me was the good behavior of those boys—their preference for a moderate beverage like beer—their friendly spirit.

From where I sit, our ex-G.I.'s are making as good a showing in peacetime as they made during the war. And they're setting a mighty good example to the rest of us—in tolerance, and moderation, and good fellowship.

*Joe Marsh*

Make Better Seedbeds

and Till Close to Fences

With a SEAMAN TILLER

Because the wheels of the SEAMAN TILLER are placed in front of the machine instead of at the sides, on all of the new, improved models... you can till the soil up close to fences... and make a seedbed of the same time. You actually increase your crop acreage by putting hitherto idle land into production.

The SEAMAN is the original farm size tiller... it is supplied in a full range of power take-off and motorized models, from 25-hp to 35-hp tillage widths.

Let us tell you more about the SEAMAN TILLER and its practical applications to farm and crop conditions. Come to our power.

## Michigan Mirror

Unless the State Legislature adopts minimum salary scales whereby teachers will be guaranteed adequate wages; the school teacher must rely on the School Board of Education for such benefit.

GOVERNOR KIM SIGLER RECENTLY REVEALED that he was seriously contemplating recommendation of minimum salary scales for Michigan's 32,000 public school teachers.

California, Indiana, and New York recently enacted by legislative action \$2,400 yearly minimum salaries for teachers with a college Bachelor degree.

The New York law, recommended by Governor Thomas E. Dewey, completely revised the minimum salary schedule for teachers whereby teachers would receive a minimum of \$2,000 in schools outside cities of 100,000 population or more, and \$2,500 for schools in cities of more than 1,000,000. Teachers with a Master's Degree would receive a minimum of \$2,200 for schools in small population areas and a minimum of \$2,700 for schools in cities of more than 1,000,000 population.

THE INDIANA LEGISLATURE has just enacted a law which provides for 1947-48 a minimum of \$2,400 for teachers with a Bachelor's Degree, this sum being 81.8 per cent higher than the present salary of \$1,320 for this position. A teacher with a Master's Degree and 20 years' experience would receive a minimum of \$3,600, which is 111.8 per cent higher than the \$1,700 which is in effect for the current school year.

The State of Washington enacted a law this year assuring a minimum salary of \$2,400 for qualified teachers. The state aid per teacher was more than doubled.

The new minimum salary schedule in West Virginia will raise the minimum salary for teachers with a Bachelor Degree by one-third, the new salary being \$1,800.

DR. ELLIOTT HAS RECOMMENDED that Michigan adopt a minimum salary law whereby a teacher with a Bachelor's Degree, covering four years of college training, would receive a minimum of \$2,400 for the school teaching year.

Dr. Elliott favors a minimum of \$1,950 for a school teacher with one year of training. He suggests a differential of \$150 a year for each year of training less than the base of a Bachelor's degree.

THE AVERAGE SCHOOL YEAR runs nine months.

## STATE OF MICHIGAN

The Probate Court for the County of Livingston

At a session of said Court, held at the Probate office, in the City of City of Howell in said County, on the 24th day of March A. D., 1947. Present, Honorable Willis L. Lyons, Judge of Probate.

In the Matter of the Estate of William Klawitter, deceased.

It appearing to the Court that the time for the presentation of claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said Court:

It is Ordered, That all of the creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 2nd day of June A. D., 1947 at ten o'clock in the forenoon, said time and place being hereby appointed for examination and adjustment of all claims and demands against said deceased.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Pinckney Dispatch, a newspaper printed and circulated in said County.

## McPherson State Bank

NIGHT DEPOSITORY

For some time there has been a need in our community for overnight protection of funds of merchants in all lines from hardware to gasoline.

This service is now available to our customers.

The cost is \$10.00 annual service fee.

\$2.50 deposit on keys, money, pouch and lock.

To insure against tampering with bags the Night Depository is opened by two persons. Delivery of the pouch is made only to properly accredited representatives of the depositor and are signed for at time of such delivery.

Night Depository will save the worry over funds left overnight in old safes, secret hiding places or carried personally to your own home.

Whether used daily or only weekly the protection afforded is cheap insurance against a single loss.

We shall be pleased to explain and exhibit our Night Depository.

## McPherson State Bank

Money to loan at reasonable rates.  
Interest paid on Savings Books and Time Certificates of Deposit.  
All deposits up to \$5,000.00 insured by our membership in Federal Deposit Insurance Corporation.

## Housewives!!!

### SAVE YOUR WASTE FATS

## Overcome Soap Shortage

LUX TOILET SOAP

LIFEBUOY

There is world wide shortage of all Animal Fats and Vegetable Oils. Last year Soap Makers only got one fifth of what they used in 1941. This also affects paints, textiles, leather goods, floor coverings etc. Without the help of the American Housewives there would have been little soap last year. One out of every nine cakes of soap made last year was made from waste fats saved in American kitchens. So don't blame your grocer if he has no soap but save every ounce of fat you can and sell it to your butcher.

We Need them
