

Michigan Mirror

Hundreds of state employees are quitting their jobs because of inadequate salaries, Gov. Sigler was told by Thomas Wilson, state civil service director.

The gov. promptly announced that the state legislature will be called back for the second special session of 1947. The session is scheduled for mid-November.

Here is the latest proof, if any were needed, that inflation works both ways. It not only booms sales \$180,000,000 for the year ending tax revenue, currently forecast at next June 30, but it also increases operating costs. The new salary adjustment would amount to \$6,500,000 to \$8,000,000 a year, of which the federal government would furnish \$2,500,000 through Mich. unemployment compensation commission and veterans' vocational funds.

The additional \$6,500,000 appropriation, sought from the legislature, is the same as the tax sum involved in a suit filed by the Detroit Bd. of Education, Michigan Federation of Teachers and other school groups.

The suit contests validity of the state legislature's 1947 action creating a single school district for teachers' pensions, vocational education and state schools for handicapped children. The district was given a legislative appropriation of \$6,838,260 from the sales tax diversion to schools.

School attorneys argued before the Mich. State Supreme court that the schools were entitled to the full tax diversion amount of \$51,000,000 under the constitutional amendment. Asst. Att. Gen. Elburn Parsons contended that the schools can get only what the legislature decides to appropriate.

The iron mining industry in the Upper Peninsula is a long way from being washed-up.

The Mather mine at Ishpeming-Negaunee is destined to be the world's greatest under-ground iron ore mine. One shaft is already producing; another, 8,000 feet to the eastward, is now being put down. When both shafts are producing an annual output of 3,000,000 tons is anticipated. A thousand men will be working in this one mine.

Calumet & Hecla co. is re-opening the old Ropes mine a few miles to the north of Ishpeming. The Jones & Laughlin Steel corp. has opened a new ore research laboratory in Negaunee, adjacent to large undeveloped J & L land holdings. A scientific search is being pressed to develop a practical way whereby millions of tons of low-grade ore may be utilized.

An educational campaign to inform Mich. citizens of the need for food conservation will get under way soon, led by Prof. Herman J. Wyngarden, Mich. State college economist. Wyngarden was chosen by Gov. Sigler to head a state comm. for this purpose.

FACTS: We Americans are eating more meat than we did in 1939. The 1946 record was 52.8 lbs. per capita, compared with 43.2 lbs. in 1939. Fresh and processed fruit were consumed in 1946 at a rate 36 per cent higher than 1939. The food consumption in 1947 is estimated at 17 percent above pre-war.

RAISED HELL IN HELL

Hell Michigan the little hamlet, 4 miles south of Pinckney again makes the front page. Last Sat. night a group of teen aged boys who were week ending in a cottage there, went in the Salsie store and pointing a gun at Mike Harnack Jr. a customer, said it was a stickup and to fork over Harry (Zip) Frost who was in the store doing his Sat. night shopping took the gun away from the boy thinking he was fooling but when he found it loaded and cocked Harry's hair is said to have rized slightly. Frost is a World War I veteran and lives at Hell or Hi-land Lk. After a bawling out the boys were allowed to go.

Sunday they invaded the Reeves school near there shot out all the windows and did in all about \$100 in damage. The school board got out a warrant and Deputy Kruger went to Detroit and brought back 7 teen age boys Tues. with their parents. They admitted the school wrecking and were released when they agreed to pay all damage. The boys are D. Masner, 16, Robert Kietn, 15, Jas. Gobbey, 15, Chas. Crabb, 15, Ed. Stevenson, 15, Don Whitaker, 15, E. Dris 15.

We notice that Harry Frost now throws his chest out and his shoulders out when he walks the streets and has regained his World War I stance.

NOTICE

The Kings Daughters will meet on Thursday, Nov. 6 at the home of Mrs. Donna Noggle, 5005 Jackson Rd. Ann Arbor. Order of Sec'y

School News

We had a speed contest of states and capitals in the 5th grade Jim Lavey, Ricky Miller and Jim Doyle were the winners.

Our baseball game of the 5th Spelling Class is 6 to 2 for the boys.

The Spelling Baseball game of the girls is 4-4.

We challenge any class in cipher done by the 6's we think were really good.

We of the 6th think we're pretty good in fractions too but the girls are a little better.

An appeal is made to all those having some good children's story books at home and are not being used for us we sure could use some.

We wish to thank Jack Clark for showing us his Japanese collection. We remember Akimaru as a very good teacher when he took Mrs. Swarthout place one day and if he's as good a soldier as he was a teacher. We bet they'll toe the mark.

We're looking forward to a very good time on Halloween.

THIRD AND FOURTH

Jack Clark brought his exhibit of Japanese silk articles for us to see, because we were talking about corons and butterflies.

He had a busy day showing all the other rooms and telling them about his articles.

When our geography class was talking about glaciers many children brought in stones showing the layers of rock formation and the fossil. Donald Packre had one showing a perfect flower design.

Our 3rd grade Health class brought pictures of their bare feet so that we may study them & find out what kind of shoes we need to wear to have strong feet.

SECOND AND THIRD

Donna Lee Swarthout and Dolores Bokros have joined the Jr. 4-1. Mary Ann Campbell is leader. Other girls willing to do 4-1 work see Mrs. Campbell.

Mr. Hobey will organize a Cub Scout group as soon as the material arrives.

John Sartwell enrolled in the 5th grade last Wed.

We had visitor last Thurs. She was Nancy Lee Kelly from Mass. She came with her aunts, Sandra and Roma Amburgey.

We have been busy during the past week making statuettes with both good and disastrous results.

Marion Tomask was sick in Mon. and had to go home at noon.

Some of our members attended Dolores Bokros' birthday party Fri. night.

The 3rd grade boys are attempting to make a replica of an apartment building.

Everyone is looking forward to the Halloween party next Fri. night. Doris Umstead showed us a fine collection of sea shells Fri.

Jack Clark visited our room Tues. and displayed a fine collection of Japanese silks.

Paula Curlett, Ruth Kirschke and Beverly Haden keep our closet in order at all times. This is hard work because there are so many things stored in the closet. At the beginning of the year these girls painted the walls and washed the woodwork. Thank you girls.

Both grades are making a collection of interesting things for science. Joan Fisher brought a pair of slippers which were made by hand in the Philippine Islands. Bob Clark wrapped a stone with another stone wrapped around it like a snake. He found it in a gravel pit. Beverly Haden brought a sample of a brick which made a beautiful chimney. We think it is sandstone. Beverly Duty found a piece of stone that makes a white mark. We are going to bring more things.

Some of the 8th graders are doing extra credit work for history. Fred Rehman made a small model of a log cabin. He used twigs of maple, put together once and found that he had forgotten to put in a window, so he took it apart and started all over again. He used nail polish to paint the roof. The cabin represents a lot of hard work.

Joan Fisher and Joyce Clark made pictures of Mt. Vernon out of color paper. Mike Carr and Dick VanSambrook are making small paper models of Mt. Vernon.

We are making cartoon books for the Red Cross. The boys are going to stain some lap boards too.

On Friday Oct. 24th we had a game with Hamburg. It was a very fair game with no arguing or bad sportsmanship. It was a close game all the way through. We won but only by one point. Jim Allard was present this time and that helped. We want to thank Mr. Reader for taking us and for acting as umpire. We want to thank Helen Bezzeg also for taking a load.

SEVENTH AND EIGHTH GRADE

Paula Curlett, Ruth Kirschke and Beverly Haden keep our closet in order at all times. This is hard work because there are so many things stored in the closet. At the beginning of the year these girls painted the walls and washed the woodwork. Thank you girls.

OUR DEMOCRACY — by Mat

Cider-pressing Time

THIS IS THE SEASON WHEN, IN GRAND-DAD'S DAYS, THE THRIFTY FARMER BROUGHT HIS SURPLUS APPLES TO THE CIDER MILL FOR PRESSING. TO GET FULL USE OF HIS CROP HE HAD TO PLAN AHEAD— ENGAGING TIME AT THE MILL— TAKING HIS TURN WITH HIS NEIGHBORS.

MOST OF THE OLD CIDER MILLS HAVE DISAPPEARED FROM THE AMERICAN COUNTRYSIDE, BUT THE TRADITION OF THRIFT THEY EXEMPLIFY CONTINUES. PLANNING AHEAD FOR THE FULL USE OF THE FAMILY'S RESOURCES— FOR ITS CURRENT NEEDS AND FOR ITS FUTURE SECURITY THROUGH LIFE-INSURANCE AND SAVINGS— IS CHARACTERISTIC OF THE PEOPLE OF OUR DEMOCRACY.

O.E.S. Install

The Pinckney Chapter of the Order of the Eastern Star was a scene of a very impressive installation ceremony Sat. night, when its new corps of Officers was installed. Mrs. Winifred Aberdeen was installed as worthy Matron. Worthy Grand Worthy Matron was then escorted to the East of the arm of her son, David, through a large arch of city-sailorians which were held aloft by twelve tall children. Wagon gear being the main item a large and beautiful Mrs. Virginia Carter sang "Somebody Loves You." The quiet was then punctuated, along with an orchestral accompaniment, by the song "The Lord's Prayer." Each representing a month of the year, offered a very fine tribute. The new officers were then installed. While the chaplain was kneeling at the altar, Mrs. Eloyse Campbell sang "The Lord's Prayer." An impressive memorial tribute to the Worthy Matron's Mother was given by Frank Aberdeen. Friends and neighbors of the Worthy Matron presented her with a lovely silver coffee service. The very capable Installing Staff consisted of Mrs. Florence Baughn, Installing Officer, assisted by Mrs. Dorothy Wilson; Mrs. Alta Meyer, Installing Marshal; Mrs. Mable Schaefer, Installing Chaplain; and beautiful musical accompaniment was given by Mrs. Ethel Glenn of Jacksonbridge, Installing Organist. The officers, in addition to the Worthy Matron and Worthy Patron were: Worthy Reason, Assoc. Matron; John Carter, Jr. Assoc. Patron; Sec., Virginia Carter; Treas., Ethel Ellis; Conductress, Anna Reason; Assoc. Conductress, Carrie Griffiths; Char., Lucille Beck; Marshall, Britta Urush; Organist, Eloyse Campbell; Lab., A. Fern Dinkel; Rahlone T. of M., Esther, Mildred Miller; Martha, Ruth Curlett; Electa, Carmen Porter; Warden, Leta Reason; Sentinel, Otto Paulson; Assisting Marshal, Bonnie Henry; Flagbearer, Florence Wagner; Color Bearers, Eleanor and Ada Phillips.

Prayers are requested for the sick among whom are Joseph Stuco, whose son is a parishioner and the recently departed among whom are Paul John Needham and Dr. Catherine Smith, formerly of Detroit.

Baptism was conferred Sun. on Charles Ray, son of Mr. and Mrs. Chas. Heath of Hi-land Lake, sponsors were Dr. and Mrs. George Naylor, Detroit; and on Rose Marie, daughter of Mr. and Mrs. Robert Vedder. Sponsors were Gerald Francis and Mary Ann Heath of Hi-land Lake.

Gridiron Dope

WIN FROM SOUTH LYON 20-6

Pinckney staged a comeback at South Lyon Friday night and defeated that team 20 to 6. Bob Amburgey quarterbacked and showed excellent choice of plays. The team was further strengthened by the fact that Joe Burns out with an injured shoulder since the opening game at Lansing with the Eastern high reserves got back in the game and scored a touchdown.

Pinckney maxed up their plays this time and completed a good number of passes. Amburgey made one 32 yard run. He scored a touchdown on an end run. Joe Burns got one on a line plunge and Russ Clark scored another on a forward pass.

The Pinckney line reinforced by Jerry Clark who went there from the backfield did a good job. The tackling and blocking of the Pinckney team showed great improvement. Dexter only beat South Lyon 25 to 0 a few weeks before.

South Lyon used a dazzle or spread formation and their touchdown was scored by means of this method.

Quite a few freshmen players got into the game for the first time this season.

Pinckney will play Grass Lake here Friday under lights at 8:00 p. m. Not much is known of this team, as this will be their first game here. However they seem to be winning their games.

PINCKNEY	MANCHESTER
R. Clark	L. F. Treganowan
Burroughs	R. T. Walker
Schneider	R. G. Clark
Elmer	C. Hudson
VanBlaircum	L. Richards
G. Clark	L. T. Lyke
Hurtibuse	L. E. Muir
Darrow	Q. B. Bregle
Amburgey	R. H. Workman
Meyer	L. H. Lloyd
Burns	F. B. McCormick

Substitutions: South Lyon—Brigham, S. H. H. L. Gurney, D. D. Gurney, Smith, Moffett, Head, Kimberly, Conkey, Bishop. Pinckney: Ross, Wilson, Otterburn, Fuhrman, Don Clark, Touchdowns—Joe Burns, Russell Clark, Bob Amburgey, McCormick, Extra Points—Meyer 2.

FOOTBALL SCORES

Football scores in this section last week were as follows: Brighton 25 Manchester 0; Dexter 26; Harland 4; Ann Arbor 19; Lansing Eastern 26; Chelsea 26; University 20; Howell 0; Charlotte 18; Flat Rock 20; Milan 13; Romulus 32; Saline 0; Roosevelt 31; Dundee 14; Clinton 35; Morenci 23; Okemos 13; Stockbridge 0; Brooklyn 20; Grass Lake 0; Williamston 26; Leslie 7; Mason 35; Holt 0; Addison St. Mary's 33; Jackson St. Mary's 0.

STREET LIGHTING INSTALLATION

With materials once more available the Detroit Edison Co. will resume work on street lighting installation for the first time since 1941, officials of the co. announce.

During the war years Edison completely exhausted its reserve supply of street equipment in repair and replacement work.

In 1943 a survey was conducted to determine the street lighting needs of the 218 cities and towns in the Edison's Southeastern Michigan area.

As a result of the findings many of the communities ordered additional equipment, but the material shortage kept their orders unfilled.

Now the utility concern has back orders for 2,700 overhead lights and 900 ornamental street lamps on its books. Edison will commence filling these within a month and if standards, luminaries and accessories continue to arrive, they will be completed in about a year.

After over two years of waiting the co. is now receiving enough materials so that a full size program halted since 1941, can be resumed.

Circuit Court News

Judge Collins held court in Howell last week. Clayton Smith, charged with unlawfully driving away an auto, pled guilty and was fined \$25 fine and \$25 costs.

Maurice Spar, charged with leaving scene of accident pled guilty and was fined \$100 and \$20 costs. The case of Lloyd Stearns charged with breaking parole was put over to Oct. 30. Judge Collins put him on probation and since then he was arrested and served a sentence in Ingham co.

The case of Vaughn Collett, charged with drunk driving which was appealed from justice court was tried before a jury. After being out 4 hrs. the jury was unable to agree.

The Kings Daughters will appreciate donations of used or outgrown clothing for their rummage sale which will be an event of Mid-November.

Current Comment

The Brighton Argus of last week is filled with post-mortems of the recent Dexter-Brighton football game won by Dexter 7 to 6. According to records Brighton outplayed Dexter making more gains and downs. However games are won by points. Dexter's admission price of \$1.00 a person also came in for special panning. One thing amuses us. The paper states the decision of the referee disallowing Brighton's extra point may be appealed. The Brighton editor should look into his files and read the account of the Brighton-Williamston game last year almost a year ago. Williamston appealed the decision which gave Brighton the game. The reply of the Michigan Interscholastic Athletic Ass'n. was: "There is no appeal from an official's decision. When a school accepts officials that also constitutes acceptance of all decisions which may be made by them."

We read that Rev. Ezra Beachey, Pinckney Mennonite minister, has started Sunday afternoon services in the North Hamburg church. This was once a flourishing country church and was serviced by the Pinckney Cong'l pastor for many years. It is a good sized church and a cemetery is located next to it. The auto and the fact that most of the old members died or moved away forced it to close some 20 years ago. It was very active in its day and each summer put on a big picnic with a dinner and ball game. Ye editor attended several. Back in the old horse and buggy days the country church was numerous. There was one at Birketts, 2 in Webster, 1 in Marion Center, 2 in Plainfield and 2 in Unadilla. Church was also held in the Hicks, Chubb Corners and the Lakin or Burgess schools. Most of them have long since closed.

The senate investigation into Communism in Hollywood, California has all the earmarks of another Howard Hughes merrygoround. The purpose is to find out to what extent Communism has penetrated in to the motion picture industry. So far the investigation has been merely another mad scramble for headlines. About all the witnesses examined so far are glamor boys like Robert Taylor, Gary Cooper, Robert Montgomery who have had no facts to offer. The bobby-soxers were 20 deep when Robert Taylor testified and filled the room with their sighs of ecstasy. When he finished they nearly mobbed him in a mad fight for autographs. If the investigators want results they should put known Communist actors and playwrights on the stand and avoid the glamor boys. Incidentally the Epworth League, a Methodist youth organization was branded as a Communist organization. One witness testified Communists were ordered to join the organization and get control.

We seem to be running head on into another world war, this time with Russia with everyone stepping on the gas and no one applying the brakes and this at a time when we are totally unprepared for any such conflict. Our army has been cut to practically nothing, our war factories are reconverted to peacetime production, congress has turned down a universal military training. If we do get into another war it will be a repetition of World War II with this country taking a beating for a year or so until we can get our draft system working and war factories rolling. It will be the stoic of the old English knight over again. When he came home from the French war he took off his sword and armor and hung them in the woodshed and turned his war horse out to pasture and proceeded to for get all about them. Years later war was again declared and the knight hastened home to get ready. Alas his armor and sword were rusted so bad they were useless and his horse was so old and feeble it was unable to carry him into battle. What puzzles us there does not seem to be the slightest disposition on the part of anyone in this country to meet with Russia and iron out the disputes and avoid a ruinous war where the victor is usually the loser.

THIRD DEGREE CONERENCE About 50 attended a meeting of Livingston Lodge No. 76 Fri night at which two M. M. degrees were conferred. A delegation from Saline were present and 3 of them assisted in the degree work. Clarence Fritz W. M. being in the East, Armand Westphal on the Fellowship team and E. G. Mann acting as sec. A fine luncheon was served. Visitors were also present from Detroit, Ann Arbor and Howell.

Floyd Martin has purchased the J. Gentle home on Mill St.

New Michigan Milk Producers' Association receiving station nearing completion at Ortonville. It is part of the Association's program for modernization of facilities in the Detroit market area and represents the finest obtainable in both building and equipment.

LOOKING TO THE FUTURE

The better to serve—both members and the consuming public—is the primary objective of the Michigan Milk Producers' Association.

From its inception—31 years ago—this organization has operated on a true cooperative basis—the principles of Democracy being carried out to the fullest degree.

On Thursday, November 6th, some 500 delegates selected by the 16,000 members will meet in East Lansing for their annual meeting to hear reports on the past year's activities and formulate plans for future operation of the dairy farmer's organization.

In shaping the policies and program of the Michigan Milk Producers' Association, a majority vote of the delegates elected by the membership is necessary. Majorities are seldom wrong in their decision. To this policy, adopted by the farsighted founders of the organization, may be attributed its constant growth and record of achievements.

Every activity of the Association is guided by the sound principle that the interests of the consuming public must always be given equal consideration with the interests of the milk producer. That is the Democratic way and this is a Democratic body of men.

Providing the highest quality of products, efficiently produced and transported to markets, at prices which are equitable, demands sound planning in order that the public be assured of an adequate supply of nature's most nearly perfect food.

The modern receiving station (pictured above), equipped with the most sanitary machinery obtainable, is a part of the program of progress now being carried out by members serving the Detroit market. This entire program is designed to provide consumers in the area with the purest, best quality milk and dairy products it is possible to produce, always remembering that milk is vital to the public health and welfare and its cost is of paramount consideration.

The experience of the past 31 years together with our cooperative method of operation leads us to look to the future with confidence in our ability to continually better serve both the public and our own members.

Notes of 47 Years Ago

Frank Reasor jr. is going to school in Dexter.
 Work had commenced on the electric railway from Ann Arbor to Jack son via Chelsea and Dexter.
 Burt Rogers of the J. Ingeltritz Nurse, Monroe is in town calling on customers.
 Gen. Russell A. Alger of Detroit will speak at the opera house in Howell Friday night.
 While digging a well in Waterloo last week a vein of coal 2 ft. thick was struck.
 Editor L. L. Andrews is attending an Loyal Guard meeting in Owosso.
 The good old days, Bob Erwin to at miller advertises to deliver flour direct to the home for 50c, per 25 lb sack, 90c per 50 lb. sack and \$3.50 per barrel.
 Wm. Mercer and wife were called to Toledo last week by the death of their son, Edwin's wife.
 Bert Hause and family have moved to Hamburg.
 70 people attended the Farmers club meeting at the Chas. Rolison home Saturday.
 Robert Wylie is home for the winter.
 Burton Miller is working for Geo. Younglove.
 Julia A. Ball, Hamburg gave a toast last Friday at the dedication of the women's dormitory at Mich. State College East Lansing.
 Dr. Fred Lytle and Blanche Graham of Pinckney were married Sunday by Justice Motte of Gregory.
 D. M. Monks is serving on jury.
 About 40 friends of Elva Hoff gave her a surprise Sat. night at the home of her parents on her 21st birthday. She received a rocking chair.

P. T. A. ORGANIZED

A meeting was held at the Smith School of which Mrs. Marjorie Sheehan is the teacher last Fri. evening to organize Parent Teacher Ass'n. The following officers were elected: President ... Arthur DeVoe Vice-Pres. ... Earl Dolezky Sec.-Mrs. Harry Thurston. Treas. ... Frank Pearce.
 The next meeting will be held at the home of Mr. and Mrs. John Bezor Tues. eve, Nov. 4. All members of the district are urged to attend.

Mr. and Mrs. Donald Rogers of Detroit and Mrs. Charles Rogers of Northville were Sunday callers of Mr. and Mrs. C. E. Bucher.

STATE OF MICHIGAN
 The Circuit Court for the County of Livingston in Chancery
 Order Of Publication
 Lumbard Lightle, his wife
 Russell Lightle and Marie
 his wife
 Plaintiffs

-vs-
 L. R. Lumbard and his unknown heirs, devisees, legatees and assigns
 Defendants

Suit pending in said Court on the 29th day of September 1947.

It appearing from the sworn bill of complaint filed in this cause that the plaintiffs have not been able after diligent search and inquiry to ascertain whether the defendants are living or dead or where they reside if living, or whether they or any of them have personal representatives living, or where they or any of them reside, or whether the title, interest, claim, lien or possible right of said defendants in and to the land and premises hereinafter described has been assigned to any other person or persons, or whether such title, interest, claim, lien or possible right in said premises has been disposed of by the defendants by Will.

And it further appearing to this Court that the plaintiffs do not know and have not been able after diligent search and inquiry, to ascertain the names of the persons who are included as defendants in this cause without being named.

Therefore, on motion of Glenn C. Yelland for the plaintiffs, it is ordered, that the above named defendants and each and all of them and their unknown heirs, devisees, legatees and assigns, cause their appearance entered in this cause within three months from the date of this order, and that in default thereof the bill of complaint filed herein be taken as confessed by said defendants and each and all of them.

And it is further ordered, that the plaintiffs within forty days from the date hereof, cause this order to be published in the Pinckney Dispatch a newspaper printed, published and circulated in said County of Livingston, once each week for six successive weeks.

Joseph E. Collins Circuit Judge
 A true Copy:

John A. Hagman Clerk

The above entitled cause involves and is brought to quiet the title to the following described premises situated and being in the township of Green Oak, County of Livingston and State of Michigan, and more particularly described as:
 The South thirty-two (32) acres of the East half of the Southwest quarter of Section 35, Tewa one (1) North, Range Six (6) East Mich. Glenn C. Yelland, Attorney for Plaintiffs.

Business Address: 114 one-half Sixth Street, Howell Michigan

STATE OF MICHIGAN

The Probate Court for the County of Livingston.

At a session of said Court, held at the Probate Office in the City of Howell in said County, on the 28th day of October A. D., 1947.

Present, Hon. Willis L. Lyons, Judge of Probate.

In the Matter of the Estate of William J. Nash, Deceased.

Mark A. Nash having filed in said Court his final administration account and his petition praying for the allowance thereof and the assignment & distribution of the residue of said estate.

It is Ordered that the 17th day of November A. D., 1947 at ten o'clock in the forenoon at said Probate office, he and is hereby appointed for examining and allowing said account and hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for once each month for 4 months prior said day of hearing, in the Pinckney Dispatch, a newspaper printed and circulated in said County.

Willis L. Lyons, Judge of Probate
 Celestia Farnhall, Register of Probate

PETTY THEFT

We are told one of the canisters placed in the local drug store for money donations for the Halloween party Friday night was broken into and the money stolen. This is pretty low. The person who did this is helping to deprive the children of this section of a pleasant evening.

FRANK NICHOLS

Frank Nichols 76, died at his home in Fowlerville Monday after a short illness. Surviving are his wife Ada Arts Nichols, 2 daughters, Mrs. Edwin Webber of Ann Arbor and Mrs. George Allshouse of Detroit and a son, Clay of Detroit and a brother, Charles of Lakota.

The funeral is Thurs. at 2:00 p. m. at the Fowlerville M. E. church with Fowlerville Lodge 169 F. & A. M. in charge of the services. Burial in Fowlerville.

Mr. and Mrs. Robert Houghton of Browns Creek were Sun. guests at home of V. H. Clark.

CONG. FAMILY NIGHT

A very pleasant and most unusual family night was held in the Cong. Church Mon night, Oct 27th with about 70 present.

After a delightful pot luck supper and social hour together, in the dining room every one was invited to go up into the Sanctuary, where the "Budget on Parade" was presented. This skit was written and directed by Mrs. Mark Nash, who should be commended highly for this wonderful piece of work. Each item on the budget was impersonated as follows:

The lights by 4 girls from Sunshine class
 Coal by 6 boys from Willing Workers Class

Maintenance by boys and girls with miscellaneous tools
 Insurance by boys representing wind and fire.

Janitor church members
 Birthday box for Missionary work illustrated by small boy, young lady older lady and older man

Relief for war victims impersonated by woman and 2 children
 Ministerial Relief-An old incapacitated man

The Minister by young man, showing the many duties he is called upon to handle in his daily work.
 "Miss-Celantious-Who had been for gotten to be put in the budget, and demanded to be placed there, by young lady

The program was varied in three appointed places by a chorus of Young Ladies Auxiliary.

The narration of the skit was read by a member of the Ladies Aid Soc. and afforded a very real and enlightening truth as to what the budget really means to the Church.

Miss Janice Curtis, Pontiac, played an accordion solo and Mrs. Dan VanSlambrook and Mrs. Eric Rose sang a duet. Pot-luck supper was served.

"Health News" is presented by Your Doctor of Medicine as a health service of the Michigan State Medical Society.

"Life Span Increased"

The average person today lives almost 30 years longer than he would have 100 years ago. This startling disclosure was made recently by Dr. Edward L. Bortz, president of the American Medical Association, who revealed that records of 1847 gave each man and woman an average of 47 years of life. Statistics for 1947, according to Dr. Bortz, show that a person can expect to come within a few years of the Biblical "three score and ten"—67 years of life to be exact.

However, when one considers the tremendous stride American medical scientists have made in nutrition, regulating disorders of the glands, controlling diabetes, overweight and in new knowledge of nervous and mental disorders, the increase in life span since 1847 seems only a reasonable result.

Another important factor is the general improvement in the health of all the people, regardless of financial position. This has been aided by the voluntary pre-paid hospital and medical service plans made possible through the combined efforts of the doctors of medicine. In Michigan, for example, one in six, are members of the "Blue Cross" plan that is sponsored by the Michigan Medical Society and the Michigan Hospital Society.

More than 500 family organizations in the state are participating in the plan for health insurance, the research done by doctors today has kept ahead of the times. Advancements in medical science through their county and state medical societies and the American Medical Association on the national level. Now a world medical association is being formed to facilitate the international exchange of medical knowledge.

Born to Mr. and Mrs. Rodney Decker on Daniel Lee, Oct. 27 at Foots hospital, Jackson, '26, was married Bowman.

*LIVING-ROOM AND BASEMENT LINE

There've been some wrecks, it's true. And hardly a day goes by that at least one car isn't derailed. But ever since that Christmas morning when it first started operation, young Johnny's Living-Room and Basement Railroad has never lacked electrical power. One reason for this is that all Detroit Edison power lines are interconnected. Even if the particular circuit supplying current to Johnny's home is shut down temporarily, another one can immediately take up the job of keeping lights burning, appliances going, and the L. R. & B. running right on schedule.

The work of supplying current to your home or place of business may be switched from one of the dozens of Edison substations to another. You never know it. But it is one important reason for the year-round reliability of your electrical service.

MICH. BELL HEARING

The hearing on the petition of the Michigan Bell Telephone Co. in which they seek a rate raise was resumed before the Public Service Commission at Lansing last week but no decision arrived yet. The Co. cited increased wages, cost of material etc. to justify their price increase. Burdett Huford, asst. chief engineer of the public service com. demanded an audit of the telephone co. books before any decision was made. This audit would be made by outside auditors, paid for by the state and they would be later reimbursed by the telephone co. The cost is estimated to be \$350,000. The governor would be asked to provide an appropriation of \$35,000 at once and the legislature the balance when they meet. Such an audit would take at least six months. The telephone co. is opposed to it. They claim the last audit by outside experts took four years and cost \$800,000.

The following communities have gone on record against the increase in rates: Detroit, Ferndale, Huntington Woods, Iron Mt., Pinckney, Royal Oak and Saginaw

Conservation Notes

At one time last week 82 forest fires were in progress giving the dept their 3rd worst week of the season. 2000 acres were burned over. To date 1339 fires have burned over 16,790 acres. The last rain in the upper peninsula was Aug. 15.

The weather favored the pheasants the first week. The first 2 days were so dry dogs couldnt work and the 80 degree temp. discouraged hunters. Sat. it rained and on Sun. hunting was forbidden in most counties. The season ends Oct. 26 and there should be a substantial carry-over.

7 violators of the pheasant law were detected by the plane patrol over the Thumb and arrested. 5 for hunting before 10:00 a. m.

All applications for bounties must be retortized. Many sent in were not Mich. led all states in production of veneer logs with 64,628,000 foot Wisconsin was second with 25,425,000.

The 274 acres near Lapeer auctioned off last week by this dept. brought \$19,500. The land was bought for a recreation project later abandoned.

MICHIGAN Motoring

A Greater Deer Season
The opening of approximately 3,600 acres of new deer hunting territory in Michigan will give hunters a greater than ever opportunity to bag a buck during the season open for hunting deer with guns from Nov. 15-30.

Southern boundary of the open zone has been moved down to highway M-16 from Lake Michigan to Grand Rapids, along highway M-21 from Grand Rapids to highway M-13 east of Owosso and north along highways M-18, US-25 and M-47 to Saginaw Bay, excluding the Thumb. Within the last few years the deer herd has come farther south and has damaged farm crops. Extending the hunting limits is expected to alleviate this situation.

With the opening of this territory, some hunters will be traveling to new areas, possibly on unfamiliar roads. Highway department signs aid the driver to be prepared for crossroads, curves, hills and other turns of the road he is driving. Before you start from home, check your gun to see it is unloaded. A loaded gun is a dangerous driving companion and does not help your chances for a safe trip.

CARD OF THANKS

I wish to offer my heartfelt Thanks to My Family Father Murphy, neighbors and friends for their Masses and Prayers Flowers and Cards and well wishes while I was in Joseph's hospital. It sure helps to know others are with you. Thanks again Mrs. Mary Singer

Card of Thanks

I wish to thank the church friends for the lovely gift and nice party given me last Thurs. evening. Mrs. Earl Baughn

Card of Thanks

We wish to express our thanks to our friends and neighbors for the flowers, cards & expressions of sympathy in our late bereavement. To Rev. Walton for his comforting words, To Mr. and Mrs. Huff for the music, and especially to Mr. and Mrs. Gilmore for their help and many acts of kindness all thru the long illness of our husband and father.

Gee! A telephone!

Not so many years ago, a telephone was still a
curiosity. Few people had them. There was only a limited
number of other telephones you could call.
But through the years, as more and more telephones
have been installed, you've been able to reach
more and more people... your telephone has been able
to run more and more errands for you. Now, with
still greater numbers of telephones being added,
to take care of people waiting for service,
its value is growing every day.

HOW DO YOU SPEND YOUR MONEY?

The fixed expenses are easy to account for. They are rent, insurance, taxes, upkeep of car and home. That leaves the variables, food, entertainment, and personal expenses.

The important thing is whether these items remain in keeping with income or are they forcing a constant drain on savings.

As the G. I.'s said "Let's face it". Success depends in saving something every pay day.

Begin now with a dollar or more each week.

STATE OF MICHIGAN

The Probate Court for the County of Livingston
At a session of said Court, held at the Probate Office in the City of Howell in said County on the 1st day of October, A. D. 1947.

Present, Hon. Willis L. Lyons, Judge of Probate.

In the Matter of the Estate of Percy H. Swarthout Deceased.

It is Ordered, That all of the creditors of said deceased are required to present their claims to said Court and to serve a copy thereof upon the executrix of said estate, at said Probate Office on or before the 15th day of December, A. D. 1947 at ten o'clock in the forenoon said time and place being hereby appointed for the examination and adjustment of all claims and demands against deceased. The Court will also at that time determine whether and to what extent claims and administration expenses are payable out of community property or out of separate property of deceased.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing in the Pinckney Dispatch, a newspaper printed and circulated in said County.

Willis L. Lyons, Judge of Probate

The Circuit Court for the County of Livingston in Chancery

BESSIE E. RUSSO, Plaintiff
Vs
CHARLES RUSSO and JOHN E. NEELY

Suit pending in the Circuit Court for the County of Livingston (in Chancery) at the City of Howell, in said county and state on September 23rd, 1947

In this cause it appearing from the sworn bill of complaint on file that the plaintiff does not know the present whereabouts of Charles Russo, defendant, and whether he is a resident of the state of Michigan, or lives outside the State of Michigan, in a foreign country.

On motion of Van Winkle & Van Winkle, att. for Plaintiff it is ORDERED that the said Charles Russo cause his appearance to be entered herein within three months from the date of this order and that in case of his appearance he cause his answer to plaintiff a bill of complaint to be filed and a copy thereof served on the attorney for plaintiff within fifteen days after service on said defendant Charles Russo, of a copy of said bill and notice of this order. And that in default thereof said bill be taken as confessed by said defendant Charles Russo.

And it is further ordered that within forty days the plaintiff Bessie E. Russo cause a copy of this order to be published in the Pinckney Dispatch, a newspaper printed, published and circulating in said County, and that such publication be continued therein for at least once in each week for six weeks in succession, or that she cause a copy of this order to be personally served on said defendant Charles Russo, at least twenty days before the time prescribed for his appearance.

Housewives!!!

SAVE YOUR WASTE FATS

Overcome Soap Shortage

There is world wide shortage of all Animal Fats and Vegetable Oils, Last year Soap Makers only got one fifth of what they used in 1941. This also affects paints, textiles, leather goods, floor coverings etc. Without the help of the American Housewives there would have been little soap last year. One out of every nine cakes of soap made last year was made from waste fats saved in American kitchens.

Don't blame your grocer if he has no soap but save every ounce of fat you can and sell it to your butcher.

From where I sit... by Joe Marsh

Sam's a Matrimony Expert

Sam Abernathy never intended to be a matrimony expert, but he hit the nail on the head the other day when he said:

"What marriage really needs is more open minds and a lot fewer open mouths."

Sam may not think much of his mellow choice of hats or her habit of serving watercreams and cream cheese salad. But he keeps his mouth shut (I mean, he just uses it to eat the salad). And the mellow never criticizes Sam's affection for that worn-out chair before the fire, and his mellow glass of beer and pipe at the end of a long day.

From where I sit, that prescription would apply to most human relationships. Criticism rarely rouses anything but resentment. But an open mind—whether it's applied to a woman's choice of hats, or a husband's preference for a pipe and a moderate glass of beer or two—leads to the conclusion that there's right on both sides.

Joe Marsh
