The Detroit Times had an clusive deal rumor to the effect that Senator Arthur Vandenbu. would resign and Gov. Williams would appoint his son, Arthur.

Voters have always been sus picious of deals. In 1948 Judge Skillman slated to run against Gov. Sigler and Fred M Alger an opponent of Lt. Gov. Keyes both withdrew through a deal it was rumored. Then although Dewey carried the state both Sigler and Keyes was beaten. Next year Keyes is in the race for goveronry to stav.

Gov. Williams star s believed to be ascending and his popularity growing. This is partly due to his successful bouts with State Treas Brake and Highway Commissioner Zeigler.

Williams got an accidental break in the story of the El Sigler apts, in Ariz. This story started in a dispatch from Arizona about bankruptcy proceeding against the apts. in which \$761,000 of Mich. state employee funds had been invested by Brake and the state before Williams was gov. #### THE JUSTICE COURT

An early solution of the How ell justice court dispute is promised by Mayor Shirley Henry. H says there are 4 ways to do it. 1. have a taxpayer petition to have a municipal court establish ed. 2. Petition the supreme cour for such a writ. 3. Have the city council appoint a judge. 4. Cai a special election to establish such a court. Mayor Henry say. he favors a municipal court as it would save the city money. In 1948 the city collected \$7.963.7. in fines. On these the justice rec
