Volume 67

The Pinckney Dispatch

Wednesday, March 29, 1950

No. 13

Michigan Mirror

"No Increase in Taxes" is the answer of the Michigan Legislature to the governors request for increased expenditures.

The governor recommended a budget of \$340 million for the year starting July 1, 1950. An increase of \$110 million over last year. The new tax to raise the amount was limited by him to a corporation profits tax. The state constitution permits the governor to limit subject matter to be considered by the legislature at a special session.

In deciding their course at the special session the Republican policy will be to balance the budget without any new taxes. This will not be popular as it will mean that schools, universities, hospitals and the highway dept. will not have funds for new work and will have to curtail their activities.

Whether this economy will meet with the approval of the voters is a question. The people in the past have always liked to talk economy but always wanted the other fellow to do the economizing. That is they wanted the projects benefitting them to be uncurtailed but were willing the other fellows should suffer.

Gov. Williams will undoubtedly take advantage by pressing for further benefits in public service.

One way to economize is suggested by Wm. Palmer of the civil service Comm. He would cut state payrolls 10 per cent. These payrolls have doubled since 1943. Reducing state employment to the 1943 level would save \$24 million more. Then, there were 16,038 employees, now 23,791.

These two cuts however, would come a long way from balancing the budget. To do so public service must be trimmed and state aid to local communities cut and these communities made to finance these services themselves from sales tax money.

Such is the prospect but already the pressure is coming from pressure groups to make an "exception" to "real interests."

TEACHER BEATEN

Mrs. Ella Thorp who teaches in the Wolfe school in Macomb County near Mt. Clemens had Mrs. Mary Kreiger and two friends arrested for assaulting her. Mrs. Kreiger's son is a pupil of Mrs. Thorp and last Wednesday she punished him for disobedience by striking his hands with a ruler. Mrs. Kreiger and two men friends came to the school and the men looked on while Mrs. Kreiger beat Mrs. Thorp up. Mrs. Thorp received wrist back and neck injuries. Justice Parent of Mt. Clemens issued a warrant for the three and April 18 was set for arraignment. Mrs. Thorp was formerly Ella McCluskey and lived in Pinckney. She is a graduate from Pinckney high school.

CONSTITUTIONALITY DOUBTED

We see that Rep. Adrian Boyce of this district has introduced a bill in the legislature to make the governor of Michigan ineligible for appointment to any other office within two years after he is elected to office. There are several reasons for this. Sen. Vandenberg is in very poor health, having had two operations and his resignation is said to be all ready to submit. Gov. Williams it is said will resign and be appointed senator by Lt. Gov. Connolly. Former Gov. Kelly is said to have similar ideas if nominated and elected he would also resign and be appointed senator.

The Detroit News says such a law violates the federal constitution and has been ruled unconstitutional in Wyoming and Oklahoma. The United States prescribes the following qualifications for a United States Senator: They are: a senator must be 30 years old, a citizen 9 years and a resident of the state.

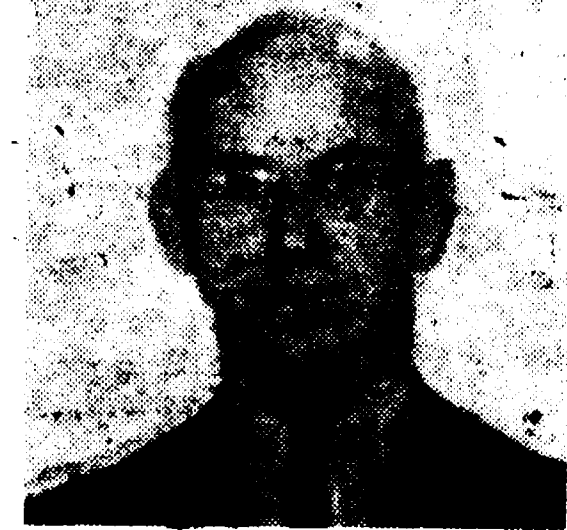

NOTICE

The regular meeting of the Pinckney Circle of Kings Daughters will be held Thursday afternoon April 4 at 2:00 p. m. at the home of Mrs. L. J. McKinley. There will be an election of officers and a good attendance is desired.

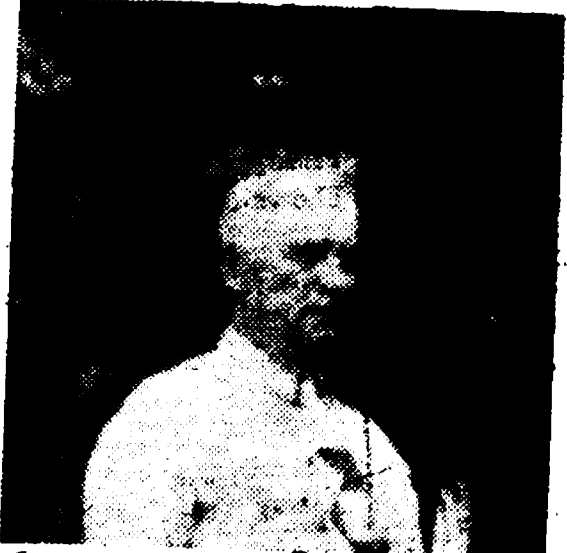

Otto Dinkel and wife of Sioux City, Iowa, are visiting Mr. and Mrs. Albert Dinkel.

Masonic Lodge News

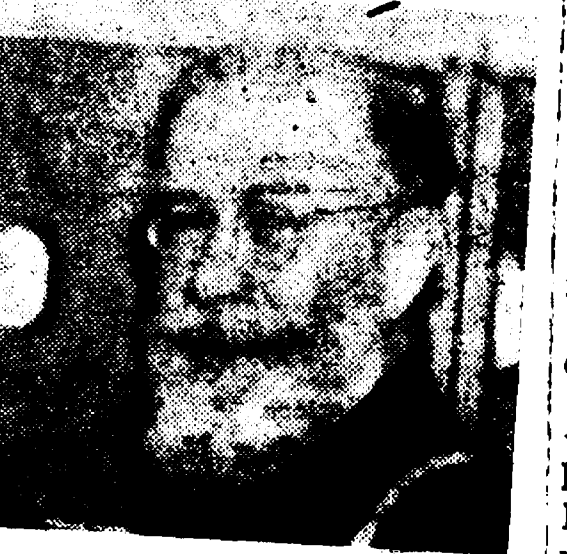

At the 20th Annual Past Masters Night of Livingston Lodge No. 76 F. & A. M. to be held Sat. April 1, 1950 three life memberships will be conferred to members who have been in Masonry 40 years. One is Reg. Schaffer, a past master who served at the time of the fire and rebuilding of the temple. Judge Hiram Smith a former Pinckney Mason and

Reginald Schaffer

Roy Dillingham

Cyril Girard

past master of Roscommon lodge will make the presentation. Roy Dillingham will receive one from his son-in-law, C. W. Hooker. Cyril Girard's will be presented by his brother, Arthur, of Toledo. Cyril is a 32nd degree Mason and a Shriner.

Circuit Court News

In circuit court last week divorces were granted to Pearl Keenan from Arthur Keenan and to Dorothy from Floyd Heinig.

Fred Hutchinson and Leo Judge of Wayne county charged with robbing the Wilson Sport Shop at Lake Chamung and the Nick Pagris store there of 4 outboard motors and \$800 in cash, pled guilty and were released \$1000 bail each. They will be sentenced April 1. They have never been in trouble before and said they needed money for payments on a car.

Judge Hartwick of Pontiac heard the suit of Elmer Cloutier of Hartland against Hartland township. He is a volunteer fireman and fell off the fire truck and was hurt. A no cause for action verdict was brought in.

The trespass on the case suit of State Farm Fire Ins. Co vs Martin Marchak and Henry Boeve was settled. This was over damages to a house. A no cause for action verdict was rendered in the rent case of Lvdia Gulick vs James VanValenbur. The judge is in Corunna this week.

MARRIAGE LICENSES

Kenneth Matthews, 20, Grand Rapids; Margaret Foster, 19, Brighton; Willis Armstrong, 37; Fowlerville; Mrs. Helen Malieszki, 33; Fowlerville; Donald Rogers, 42; Howell; Eleanor Briggs, 20, Howell; Earl Thurston, 37, Hamburg; Laura Degnevy, 38, Detroit; Ken Dusinger, 18, Fowlerville; Betty Klinder, 18, Fowlerville.

FRED STONE

Fred Stone, 67, of Cleveland, O., died of a heart attack last Friday while he and his wife were visiting his sister, Mrs. Earl Stanley, and Mr. Stanley in Pinckney. The body was taken to Cleveland Sat. by Don Swarthout. The funeral and burial were held there Mon. He leaves his wife and a son.

Local Notes

Precision engineering, scientific quality control, and modern production methods that would do credit to the finest factories in the world are used in the manufacture of John Deere farm implements, according to Lee Lavey of Lavey Hardware of this community, who returned March 25 from a five-day tour of John Deere plants in western Illinois and eastern Iowa. These colors and methods not only contribute to the outstanding quality of John Deere farm implements, said Mr. Lavey, but are also a large degree responsible for the fact that John Deere products have not increased in cost as much as most other lines of "hard" goods since the war.

The first three days of Mr. Lavey's tour were spent in Moline and East Moline, Ill., where five of the sixteen John Deere manufacturing plants are located. In Moline, Mr. Lavey saw the John Deere Plow works, established more than 100 years ago and "home" of world-famous John Deere disk tillers and John Deere Truss-Frame moldboard plows; the John Deere Waqor Works, where rubber-tired wagons, beet and beam tools, stalk cutters, and crop dusters are made, and the John Deere Planter Works, largest crop planter factory in the world, which — among other implements — produces corn planters with 60-acre daily capacity. In Moline Mr. Lavey also saw the John Deere testing and research laboratories where highly-trained specialists are employed in never-ending search for new ways to improve John Deere implements.

In East Moline, Mr. Lavey visited the John Deere Harvester Works and John Deere Spreader. Continued on Last Page

HOWELL MASONIC CENTENNIAL

Howell Lodge No. 38 F. & A. M. will celebrate the centennial of their 100th years of existence on Tuesday, April 18. There will be special church services at the Presbyterian church on the 16th with Rev. Wm. Donald of Ypsilanti, grand chaplain, delivering the address. The lodge rooms will open at 2 p. m. on the 18th. The dinner is at the National Guard Armory at 7 p. m. Former Wilbur Brucker is speaker. Only 400 tickets will be available. Livingston Lodge will send a delegation.

SOLVE AUTO THEFTS

Deputies Ziegler and Krueger arrested two teen age boys from Stockbridge last week who have confessed to looting many cars in this section. The boys are Kenneth Carpenter, 17, and Bunker Hill, 19. In their possession were found a number of articles stolen from the cars of Bruce Reid and Harold Crockett of Gregory. The sheriff still has a number of articles in his possession which no one has identified, including two auto tires. Anyone who has had articles stolen from their cars are asked to identify them.

SCHOOL NEWS

The Ann Arbor News gave a nice writeup to the Pinckney school hot lunch program. This was started back in 1940 when Edwin Hulce was supt. and government surplus food was available. Later the federal government has been making a yearly appropriation for it. This was caused by the fact that many school children are undernourished. Many went without dinner and if given money for food spent it for other things. The late Mrs. Mary Singer was in charge of the lunches for a number of years. For some years past Mrs. Clare Palmer has supervised them. The school now serves 283 pupils a day, 200 in the Pinckney school and 83 to pupils of the Reeves, Marble, Pettysville and Cady schools who are in the reorganize district. These three are served by trucks driven by George VanSkiver and Herman Vedder who get the hot food from the school kitchen.

Daily Menus

Included in the daily menus are such body-building foods as cream chipped beef, a wide variety of cooked vegetables, mashed potatoes, chili, cookies, jello baked beans, apples, homemade vegetable stew and milk. The last named is a big feature on each daily menu.

WINS SPELLING CHAMPIONSHIP

In the grade spelling finals at the Pinckney school Fri. Robert Barber won first place and Jim Lavey second. They will compete in the district contest here in April, representing the Pinckney grades.

4-H OPEN HOUSE

We visited the 4-H open house held last week in their room under the town hall. 4-H clubs have existed here for some years but never until this year had a suitable place to work or suitable equipment. This year the Pinckney Civic Improvement Assn. fixed up the room under the town hall and bought tools including a jig saw, buffer and sander all motor driven. Besides a chest of wood tools, saws, chisels etc.

We were amazed at what the members of the club have done. The articles on display included waste baskets, clothes line holders, whatnots, door stops, bookcases, foot stools, clothes hangers and many other articles number 96 in all. Chris Campbell tried his hand at plastic glass and made a soap holder and other articles.

The boys have been under the charge of Marshall Meabon and the community owes him a big debt for the time he has spent and the success achieved among these small boys.

\$30,000 GOES UP IN SMOKE

Next week is National Forest Fire Prevention Week and articles are being run in all papers in regard to it, discussing the damage done to wildlife, timber and personal property.

The worst fires occur in the spring when wildlife is reproducing. The young are helpless at this time and leaves and decayed matter on the surface on which soil depends for fertility are likewise destroyed as well as much valuable timber and in some cases buildings.

Thirty thousand dollars is wasted every three years by grass and brush fires in Livingston county. The state law reads "It shall be unlawful to start an open fire when the ground is not snow covered, except for domestic purposes or to protect persons or property without permission of the authorized Conservation Authority." Strict enforcement of this has cut the fire loss in the north. Your local fire chief can also give permission.

Continued on Page 2

NOTICE

There will be a meeting April 5, 8 p. m. at the Cong'l church for the purpose of reorganizing the Girl Scouts of this area. All persons interested are urged to attend.

REGULAR COMMUNICATION

Regular Communication of Livingston Lodge No. 76 F. & A. M. on Tuesday, April 4, 1950. There will be work in his FC Degree. Let's have a good turnout. Lunch on served after degree work.
P. W. Carlett, Sec.

Current Comment

Gov. Williams in his message to the special session of the legislature proposed giving the boys and girls the ballot or right to vote at the age of 18 years. This has been advocated before. The big argument is that if they are old enough at the age of 18 to go in the armed forces and fight for their country they are old enough to vote. The argument that they are not mature enough and versed in the ways of a citizen at 18 is bunk. Fools idiots and persons totally illiterate at the age of 21 are given the ballot. Knowledge is not a voting qualification. 18 year olds will not be given the ballot at this legislature session for another reason. A survey shows that 65 percent of the 18 year olds would vote Democrat and 62 per cent of those in the age group from 21 to 29. Now the Republican legislature is not going to do anything to increase the strength of Gov. Williams Democrat.

An Ontario jury has freed another person convicted of a mercy killing. In the case the medical fraternity was not involved. Malcolm Binqay in the Detroit Free Press says if the medical society accepted the New Hampshire verdict as an approval of mercy killings they are doomed to be social outcasts. Patients will be afraid to hire them for fearing of being bumped off. He adds in the old day, the hangman was no doubt a pretty good fellow but no one wanted to live next door to him. They did not want their children to play with him and he was not welcome in lodges or churches despite the fact he made his living carrying out the law of the land. It was thus, Charles Dickens, the English author recognizes this making the hangman a social outcast in his book "Barnaby Rudd".

New York City which has suffered from lack of water for the past year has hired Dr. Wallace Howell of Harvard University at \$100 a day to make rain for them. The city depends on reservoirs for their water. He will try to do this by spreading dry ice on rain clouds from a plane. Despite this a water meter system will be installed in the city which will save 200,000,000 gallons a day. This action on the part of the city has caused other communities in the east to hint that they may file suits against the city for stealing the water from the clouds the Good Lord designed for them and that a plentiful rainfall in New York City might cause a drought in some other state. Well, we shall see. We remember years ago the late C. W. Post, Battie Creek food millionaire financed a rainmaker to go to a desert part of Texas and make rain by exploding dynamite. The scheme was a failure. The papers call these rain-makers "Knights of Neoh."

Gov. Williams is involved in a dispute with Ypsilanti over which his brother-in-law, Dan Quirk is mayor. Ypsilanti wants rent controls lifted by the governor. He had the federal government lift the controls which did not suit the city as they can put them back at any time. This was by action of the county rent control board. Ypsilanti claims the bd. is composed of 6 Ann Arbor real estate men and 2 out of that city. Ypsilanti claims Ann Arbor has got it in for Ypsi. The board reports that no Ypsi real estate man would accept appointment to the board.

The recent report released by J. Edgar Hoover of the Federal Bureau of Investigation showing a rise in crime in rural districts of 8.5 and only 4.2 in the city has caused numerous explanations. The best is by Ihez Robb in the Detroit Times. She says before Truman got in the farmers never had anything worth stealing and a crook who plied his talents in the rural areas would be sent to the bobby hatch. Now all is changed. The farmers are rolling in milk and honey with their televisions, Cadillacs, milk coats, etc. and the city crooks have thrown their burglar kits in their cars and hied to the country to get it where the getting is good.

47 Years Ago

A double funeral was held here Saturday when John Sigler and his daughter, Mary, who died at Leesla were brought here for burial. The members of the local Masonic lodge met the bodies at the depot at 5:15 and escorted them to the cemetery, where Mr. Sigler was buried with Masonic services. Mr. Sigler had 50 years membership in the order. He leaves 3 daughters, Mrs. G. W. Teeple, Mrs. A. W. Knapp and Mrs. G. W. Knapp.

The Passion play picture will be shown at St. Mary's church, on the night of April 15.

Mr. and Mrs. Claude House have moved to the state of Wash. Bernard Glenn of Detroit, train reporter for the Mich. Central R. R. visited his parents here over Sunday.

Jacob Bowers was taken to the Pontiac asylum Saturday. The Howell Condensed Milk factory now pays \$1.05 for milk.

Rev. Fr. Commerford visited the school Thursday and talked on literature.

E. J. Briggs is getting out castings for Prof. Hicks cottage at Bass Lake.

Wirt Carpenter of Dexter has bought the Cady farm at Pettysville.

Roy Dawin, telegraph operator at Saginaw spent the week end here.

Warren Lewis and wife have moved in the Allen house on Main Street.

Floris Moran is working for Will Dunning.

M. T. Kelly who is teaching near Munith spent the week end here.

Mrs. Marvin Shirey with Mr. and Mrs. Roscoe Darrow of Dexter attended the lecture by Percy Crawford of Philadelphia, Pa. at the Detroit Masonic Temple, Sun night. Several thousands attended. Don Clark is home from Cleary College, Ypsilanti for a weeks vacation.

Continued from First Page
FIRE PREVENTION WEEK
carelessness on the part of hunters, campers or picnickers, and successful prevention is only possible through co-operation by the public.

The biggest cause of fires is the securing of a permit does not relieve the person getting it of responsibility. He must watch the fire and see that it does not get beyond control. Fire furrows should be plowed before starting the fire and roads, streams and natural barriers taken into consideration. In Livingston county the conservation dept. has a fire fighting force consisting of pumps, tractors, plows available for all brush or grass fires, together with 13 men. In case of need the Pinckney area should call Larry Camburn or Robert Kourt, Hamburg.

ANNOUNCES CANDIDACY
Representative Adrain DeBoom of Owosso announces his candidacy for a second term as representative representing the Livingston-Shiawassee district. He is a teacher in Owosso high school who have granted him a leave of absence.

Calvin Hooker and family of Ann Arbor and 12 neighbors surprised Mr. and Mrs. Bert Hooker one night last week on the occasion of their 45th wedding anniversary. A very pleasant evening was spent. Mrs. Walter Clark went to Owosso last Thursday with Mr. and Mrs. Lyle Handee of Ann Arbor.

NEIGHBORING

The Whitmore Lake school board has submitted figures to the voters there which show that its costs \$62 a year to send pupils to Ann Arbor to school while it only costs \$43 to educate them in Whitmore Lake. Owing to overcrowding part of the Whitmore Lake pupils go to Ann Arbor to school.

Subsidies for school lunches from the federal government will be reduced from 9c per child a day to 3c in April. So many signs are up for them the fund is exhausted.

J. D. Scoby, principal of New Hudson school has resigned.

Mail service by train has been discontinued at South Lyon and it will now be served by bus from Pontiac.

The Vagabond Coach Co. of Brighton has furnished a trailer home for the Kitter family of South Lyon who lost their home and all contents by fire.

Born to Paul Young and wife of Gregory March 18 a daughter. The Howell American Legion Post observed their 31st birthday March 27.

The Webberville Masonic Lodge worked a second degree at Howell last Wednesday night.

The Winans Lake school is advertising for sealed bids for an elementary school building. Apr. 6th is the deadline.

Larry Johnson of Michigan State College states that from 20 to 30 per cent of the cows in Mich. dairy herds are disposed of each year. Half go to the butcher for low milk production. Udder trouble takes 10 per cent. Less than 2 per cent die of old age.

25 Years Ago

A hot battle developed at the Democrat caucus for highway commissioner. Ernest Frost was not nominated by acclamation. This was appealed and a vote by ballot was ordered where Frost got 29 and Patrick Kennedy 46.

The Ladies Aid serve dinner election day, Monday.

C. W. Barry has sold his home at Harrietta.

W. C. Hendee & Sons have a number of their sheep fleeces on show at Michigan State College wool exhibit.

Wilson Tooley of Marion and Franklin Beach of Howell died last week.

Phil Berelin has rented the Pat Lavey farm at Fowlerville.

Geo. Mercer has sold his farm on the Howell Rd.

Mrs. Nettie Vaughn is in Webster caring for her daughter, Mrs. Roy Merrill, who has pneumonia.

Mr. and Mrs. Floyd Reason have returned home from Orlando, Florida.

Lloyd Bennett is working in the Dispatch office.

From where I sit... by Joe Marsh

"Curfew Shall Not Ring Tonight"

Our ten o'clock curfew lasted for 50 years, but the town council voted it out. I dropped in at the meeting in Town Hall last week just in time to hear Smiley Roberts.

"The curfew is old-fashioned," says Smiley. "We ought to be grown-up enough by now to behave like grownups. Seeing to it that our kids get to bed is the responsibility of each family." Then Judge Cunningham adds, "Most of us are in bed when the curfew horn blows anyway. It wakes me up just when I'm getting to sleep!"

What the Judge said was good.

For a laugh, but Smiley just about summed up how folks think in this town. We believe that the democratic tradition of "live and let live" is the only way to live.

From where I sit, it's not the American way to regulate your life by a horn—any more than it's right to criticize my caring for a temperate glass of beer now and then. Think what you wish, say what you wish, but don't ask your neighbor to do exactly as you do!

Joe Marsh

Rex Sackett of Detroit spent the week end with Mr. and Mrs. Otto Robinson.

James Lamb was a caller at the Dispatch Office Sat. He has been transferred from East Orange, N. J. by the General Electric, to E. Lansing and is moving there.

Mr. and Mrs. Cecil Wilson of Brighton called at the Dispatch office Sat. She leaves for Cambridge, Ohio, this week to visit her father, who is very sick.

Ye editor in company with Paul Uber of Howell and Thomas Leith Jr. and Frank Seger of Brighton went to Detroit Fri. night to see Gov. Mennen Williams receive his third degree in Masonry. 1400 Masons were present at the banquet in the Masonic temple including grand lodge officer and those of the higher Masonic orders. 5000 saw the degree work in the consistory cathedral.

Walter Fuller, Detroit News editor, was toastmaster and Judge Stein and other notables were introduced. We thank Rex Sackett, P.M. of Tyrian lodge, Detroit, through whose courtesy we received a ticket.

Mary Eleanor Morris, daughter of Mrs. Raymond Underwood, operation for removal of gallbladder at St. Joe hospital, Ann Arbor Monday.

Just Thursday Mr. and Mrs. Louis Wagoner, Mr. and Mrs. A. Dinkel and Mr. and Mrs. Fred Ward attended the Peter Sussan banquet at the Howell library.

STATE OF MICHIGAN THE CIRCUIT COURT FOR THE COUNTY OF LIVINGSTON IN CHANCERY

Carol Louise Dorow, Plaintiff

vs
Gerald W. Dorow, Defendant

Suit pending in the Circuit Court for the County of Livingston in Chancery, on February 27, 1950.

In the above entitled cause it appearing that the defendant Gerald W. Dorow is a resident of this State and the process for his appearance has been duly issued, and that the same could not be served by reason of his absence from or concealment within the State of Michigan and by reason of his continued absence from his place of residence, therefore on motion of Van Winkle & Van Winkle attorneys for plaintiff,

It is ordered that the defendant enter his appearance in said cause on or before three months from the date of this order and that within forty days the plaintiff cause this order to be published in the Pinckney Dispatch, a newspaper published and circulated within said County, said publication to be continued once in each week for six weeks in succession.

LIVE TIME...

Eliminate the Hard Work of Manure Loading

Choose a JOHN DEERE!

Handling manure can be a tough job or an easy one. Easy, that is, if you depend on a big-capacity John Deere Manure Loader. You'll not only take the hard work out of loading but you'll handle, with ease, as many as 35 loads per day.

The John Deere Loader is ruggedly built and braced to handle the heaviest manure loading jobs. Weight is properly distributed for better traction. It's easy to operate... easy

to move around. It's low enough to work in any shed with sufficient clearance for the tractor.

The flywheel drive, which assures "live power" on the bucket at all times; exclusive bucket shaker which assures faster unloading; and parallel-arm construction for greater strength, are just a few of the many fine features. For complete details on the John Deere Manure Loader, see us... soon.

Works. The Harvester Works, with 55 acres under one roof and more than 3,000 employees, manufactures large and small combines, mowers, threshers, and other implements. The Spreader Works make manure spreaders and loaders, cotton harvesters, hammer and roughage mills, corn shellers and grain elevators.

During the last two days of his tour, Mr. Lavey visited the two huge John Deere tractor factories at Dubuque and Waterloo, Ia., which employ about 9,000 persons. At these factories he saw production of the various general purpose, standard-tread, crawler type, and diesel tractors which comprise the extensive John Deere tractor line. He was particularly impressed by seeing John Deere Tractors "coming to life" and being driven away under their own power at the ends of the modern assembly lines.

Several other John Deere dealers from this general area made the trip with Mr. Lavey. In addition to the factory tour, they met with representatives from John Deere factories in Des Moines, Iowa, Ottumwa, Iowa, and Horton, Wisconsin, in order to secure a well-rounded picture of John Deere plans for the coming year, and also were guests at several luncheons and dinners attended by key personnel of Deere & Company and various John Deere factories.

Mr. and Mrs. Frank Danek and family of Owosso spent Sunday with Marion Burnett. The Arthur DeVos family came to supper.

Born to Mr. and Mrs. Clyde McCleer and wife at Mercy hospital, Jackson, March 22, a daughter, Anne.

MAX RUSSELL, Mgr.

SECOND ANNUAL MINSTREL SHOW

The Second Annual Minstrel Show waked an enthusiastic audience at the Howell High School Auditorium Mon. Night, the first performance of three: March 27, 30th and 31st, sponsored this year jointly by the Brighton Rotary Club and the Howell Lions. All of the cast performed superbly, Herb Schott brought down the house with "Chattanooga Shoe Shine Boy" and "I Want to Go Home With You"; Lion Palethorp was wildly applauded on his rendition of "A Shanty in Old Shanty Town"; Lion Geske reminded his audience that "It Is Later Than you Think". Carl Bailey played the piano excellently between Acts, with a darkie jamitor skit. Angelina Shorski and Pat Bitten from Brighton tap danced their way into the hearts of the audience and they were the outstanding performers who answered five curtain calls. Mrs. Shorski, who has a dancing class in Brighton, Tap-Danced while the Chorus sang "Alexander's Rag Time Band". Pat Bitten is one of her pupils who acquitted herself well. Lion Jappinga gave a beautiful rendition of "Lucky Old Sun" and topped it off with two encores of "If You Knew Susie." The Hartland Harmonizers as usual almost stole the show.

The end men rattled off the good old jokes revived especially for this occasion, and the interlocutors kept the show rolling at its hilarious and thrill packed clip. The show is one that will be long remembered in entertainment history.

Monday's night's audience was mostly from Brighton, as Monday was Brighton night at the show, with tickets good at any performance. A troop of Brighton Boy Scouts assisted in ushering, and lustily cheered the show, well knowing that the Brighton Rotary Club share of the show is to go to their building fund. Author-producer Lion Schott and General Chairman Carl O'Donnell have cancelled their plane reservations for South America, for they and Monday's audience realize that the show is a HIT. It is worth braving the muddy roads to see real, live and talented actors in the flesh in two hours of rollicking humorous entertainment, with a chorus of fine Lions Voices, with an excellent orchestra.

Pinckneyites who plan to attend Thursday or Friday night's performance are advised to be in their seats early, as all tickets are sold and a packed house is expected. The show is authored and produced this year by Herb Schott, son-in-law of Fred Teeple.

BAD ROADS PREDOMINATE
The late March snows and heavy rains made quagmires of the dirt roads in this section last week and rendered most of them impassable. The paved and blacktop roads held out well and these roads were lined with cars belonging to people on side roads who were unable to get as far as their homes.

The mail carriers were unable to cover their routes and Harry Murphy No. 2 carrier stripped the gears on his car after getting stuck one day. The milk trucks had to carry their milk over the side roads to the truck and were out until about dark every day. W. H. Meyer's tank truck tipped over near Adrian Sat. but no one

GENE MANN, COMMANDER

was injured. According to state highway officers a couple of warm rains and 3 warm days will dry the roads up. The waters of the lakes and streams in this section are extremely high but as yet we have heard of no flood damage. We wonder if blacktopping the secondary roads would not be an economy in the end. These dirt roads go to pieces every spring to repair them. Then during the other months it costs considerable to maintain them.

LENTEN CONCERT
The Dexter Community Choir under the direction of Gilbert Vickers will present a Lenten concert Monday evening, April 3 at 8 o'clock in St. Andrew's church in Dexter.

The program is as follows:
Ave Verum Corpus.....Des Pres
Tenebrae Partae Sunt Ingegneri
Oh Sacred Head, Now Wounded.....Bach
A legend.....Tchaikovsky
The Passion Of Our Lord Jesus Christ.....Schutz (cantata)

A spring concert will be given in May, the date of which will be published later.

HOW WOULD YOU LIKE TO WIN \$15,000.00?
Yes, you still can enter The Daily Detroit Times \$25,000.00 "Fun and Fortune" Puzzle Contest and try your hand at winning the \$15,000.00 CASH FIRST PRIZE or any of the other 99 generous cash prizes. This contest is open to residents of Michigan ONLY. Get The Detroit Times for details.
