The attempt to abolish township government which reached a head a taw years ago and collapsed is again being made. The sponsors are the Michigan League of Muncipalities and the Little Hoover Commission, They claim that 77 percent of the mon per capita tax is less than a, dollar white the percapita aid to all townships is \$7.63. They also charge farms are assessed to the limit while village, city casier. We do not think that these organizations will get any way back to revolutionary days. office last week. Thought everybody in the county was coming In to buy The Clarion, but they WATON'S.

Seems, a 5 gallon can fell off Thitey Fisher's truck, spilling gream all over the street. Our cop or duty. Tiny Fields, halted trafse so Whitey could pick up the can. Thy was about to wave the cors on when a kitten ran out and started lapping up the cream. Well, traffic piled up, but Tiny

paid no heed. Light changed

green three times. After the litten had enough, Tiny way a dietraffic through.

From where I sit, this was just a "Tiny" demonstration of the way people in our town are. They're usually pretty considerate and tolerant. If one of our neighbors prefers a good glass of beer to his friend's coffee at dinnertime, it's just each to his own taste and everything's "smooth ad cream" between them.
