## MICHIGAN MIRROR

A 50 million dollar headache for front state officials and all Michigan taxpayers. This is money they might have to refund to several out-state corporations. Future revenues might also be reduced \$20 million a year. This stems from a recent supreme court decision that the Eastern Pipeline Company cannot be considered operating in Michigan and is not subject to the state franchise tax. Now the United States Supreme Court has refused to review a decision which affirms it. The court held the company is not required to pay a tax on gas produced elsewhere and piped into Michigan. The trouble is the decision may apply to other firms and cause Michigan a \$50 million tax loss. An income tax is mentioned if the money is lost by the court decision.

At Lansing recently 450 farmers representing 60,500 farmers passed a resolution opposing all efforts by organized labor to get control of farm groups for any purpose. It also banned union men from serving in any official capacity. The new \$5.35 price for milk is credited with this. Farmers receive \$89 million for milk last year \$7 million more than the previous year.

The apple crop is estimated at 10,000,000 bushels valued at \$21 million dollars, the third largest in the nation. 40 varieties are marketed from Michigan with Jonathans, McIntosh, Northern Spys, Red Delicious and Wealthy the favorites.

We understand all teaching vacancies at the Pinckney school are filled. Francis Robinson has been hired as band teacher, Audrey Johnson of Ann Arbor home economics, Dorothy deHuman of Ann Arbor, history Carol Turner of Portage Lake, English.

## WHAT HAPPENED?

A few weeks ago the Livingston County Bar association met and announced an investigation of a so called speed trap in Genoa where it was alleged that a justice was getting all the traffic cases and making \$1000 a month in fees. We have heard no more of it. October 29 Pinckney business man was given a ticket by state police for failing to stop at the intersection of Main & Webster Sts. near Ross Road home. The ticket instructed him to appear before Justice Peviak of Genoa. He called up the state police post and refused to go over here and the case was transferred to Justice Otto Poulson of Pinckney who fined him the minimum amount.

The English Custom of open church will be observed with reception afterwards at the Elementary school.

## Deer Hunters Go North

This is the time of year when the male population of the Pinckney area drops to the minimum as all the hunters go to the north woods to hunt the elusive deer. We believe the Pinckney section sends more hunters north than any other part of the state. Charles Burden of Gregory who died a few years ago, hunted deer 50 consecutive years. John Croupe who once lived here shot 100 deer in his day.

Here are some who go north. The list is not complete: Chuck Hewlett, John Paul Ware, John Packer, Jerry Henry and Reg Krahn to Rose City.

Tom Bonner and brother to Big Ray, upper peninsula. Percy Ellis and Barney Wilson to Lovells.

Stanley Dinkel and W. Smithers to the upper peninsula, Al Somers to Newberry and Bob Wheeler and wife to Ravina, upper peninsula where he had a cabin.

W. F. Close to Munising. Willard Wiltse, Loy McClear, the Howlett brothers and Dankers brothers and Clifford VanHorn to Curr. an.

Bradley VanSickle and Wilmont Plummer to Luzern.

Lloyd VanBlaricum and Bill Baughn to Lovells. Their wives will go up for the week end.

G. W. Meyer to Hillman.

Louis Wagoner and Wayne Wagener to Lovells.

Don Swarthout and Don Kemer to Rose City.

Lloyd Hendee, Woodroe Massey, Dr. Cecil Hendee to Lovells. Clare and Claude Swarthout and George and George Meabon and sons will also hunt there.

Dale Miller and Earl Ward Jr. also go north.

Dick Higgs, Bill Miller and Jim and Vince Dault go to Alpena.

Abe Haines and Paul Singer usually hunt at Hale Roy Reason St. Louis.
