

shower after shower after shower

there's always plenty of hot water

the new electric water heater way

GET IT HOT . . . GET A LOT every time. A new electric water heater provides plenty of hot, hot water for showers and all the family's needs. Detroit Edison has a new Super Supply Plan which makes heaters even more efficient and economical.

Here's the convenient, modern way to **GET IT HOT . . . GET A LOT** for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- Efficient—the heat goes into the water
- Fast—new, more efficient heating units
- Install anywhere—need not be near a chimney
- Outer shell—cool to the touch all over
- Long life—meet Edison's rigid standards
- Edison maintains electrical parts without charge
- Automatic—all the time
- Safe—clean—quiet—modern
