

Pirates Trampled by Saline Friday Night; Score: 45 - 0

Pinckney was tired up for the Dexter game and came from behind to defeat that favored team but they had no fire at Saline last Friday and were trampled by the team 45 to 0. Saline was not rated high as they had lost to University, Manchester and Chelsea and only defeated Dexter 13 to 7. But they used their head and started a team of seniors which they kept practically the entire game outweighed Pinckney who used three different teams bore Pinckney down by sheer power. They penetrated the Pinckney line in the first few minutes and went the length of the field on line plays to score. They tried few passes the first half and led 25 to 0. Pinckney had the ball but few times and then could not gain. Usually they had 15 or 20 yards to go on 4th down. Their tackling was poor and their blocking non-existent. Saline continued to roll in the 2nd half, but Pinckney recovered a couple of fumbles and had their best scoring chance. Bob Williams caught a pass for a 40 yard gain and reached the Saline 25 yd. line but Pinckney could not follow it up. Later Williams went back to pass but could not find a receiver open and had to run and made a first down. Saline intercepted 2 Pinckney passes this half and scored by twice catching passes in the

end zone. It was one of those games where Pinckney could not do anything right and Saline could not do anything wrong. Pinckney's passing game which clicked in the Dexter game did not work. They never seemed to have any receivers open.

Pinckney plays University here Friday in the final home game. This team has lost only to Manchester and Chelsea and is in 2nd place. Maybe Pinckney will be fired up for this game and have the old fight which is necessary to win games. It was missing at Saline. A light rain fell most of the last half there.

The Saline marching band paraded before the game and between half. It numbers over 50 and is the best band in high schools we have seen.

Garden Club Plans Special Program for November 9th

The Town and Country Garden Club announces a special program for Monday, Nov. 9 at 1:30 p.m. at the Presbyterian Church in Howell.

Mrs. Albert Fogg Allmeyer, noted lecturer and author on flower arranging, will speak on "Christmas For Everyone." She will show how to make beautiful decorations for the home, the holiday table and the tree.

Tea will be served following the program. Donations are \$1.00. Reservations may be made by calling AC 7-2870. Some tickets will be available at the door.

St. Marys Ladies To Sponsor Second Annual Shopper Show

St. Mary's Catholic Church will sponsor a "shopper's show" on Wednesday, November 11, at 7 p.m. in St. Mary's School hall. This event proved very popular last year and the public is again invited to select Christmas gifts and toys in a party-like atmosphere. There is no admission charge. Lovely prizes, including a 14-piece Aztec crystal punch bowl set and sixty handmade aprons, will be given away. Cake and coffee will be served. The proceed will benefit the school fund. Come and bring your friends.

HALLOWEEN CAPERS

Halloween passed here quietly with only a minimum of damage done. A window at the high school was broken and some cars parked there smeared with red paint. Probably 500 children of all ages from 2 years up were around tricking and treating. They were running around in all directions and constituted a traffic hazard. One woman who kept a check on them, said 125 children came to her door between 7 and 10:30 p.m. Billie Winger and Paul Howell each had a bag full of treats by 8 p.m.

Suit Started to Break Will of Wirt McClain

Suit will be started in Ingham County to break the will of the late Wirt McClain of Gregory. He was a lawyer at one time and practised in Arizona but has lived near Gregory for a number of years. A strong Seventh Day Adventist he has been writing articles in favor of that doctrine and distributing them. We have read several. They are very fervent. In his will he left all of his estate estimated in the neighborhood of \$50,000 to the Adventists. His relatives, a sister who is 80 years old a niece and nephew, have started suit to break the will in Ingham County. Martin J. Lavan of Brighton is their attorney. Attorney for the estate is Lyman Vincent of Lansing.

MRS. EDNA HADLEY

Mrs. Edna Hadley, died at the home of her niece, Mrs Lucille Camburn on Doyle Road Sunday where she has been a number of months. She was Edna Bunker of Unadilla and married Harrison Hadley who died several years ago.

Their home was in Parma. The funeral was at Weatherbee Funeral Home, Jackson, Wednesday, with burial in Parma cemetery.

AUTO ACCIDENT

As Jack Young and family and James Lavey and friends were enroute to the Pinckney - Saline football game Friday night they were caught in a road blockade at Dexter-Ann Arbor and Scio Roads, caused by a bad auto accident. Leonard Thiel, 21, of Dexter hit a deer at the intersection and killed it. Arthur Krull, 50, of Webster township came along and stopped. In his car was Ruth Ann Krull, 19, of Webster and Marles Schuck of Portage Lake, Pinckney. The Krull car was hit by one driven by Jerry Haas, 20, of Superior. Krull and the two girls were taken to University Hospital. Marles Schuck is a junior in Pinckney High School.

CHILD HURT

Leonard Bierlein Jr., 12, son of Mr. and Mrs. Leonard Bierlein Sr. of 6270 Bishop Lake Rd. was injured about 5 p.m. Friday when he was hit by a car in front of the C. H. Kennedy store. He had come out from between some parked cars with his parents and 8 year old brother to cross the street where the family car was parked when he was struck by a car driven by Charles John Keiser, 47, of 1511 W. M-36, Pinckney. The child was taken to McPherson Hospital Howell where he was found to have arm and leg injuries and a possible sprained arm but no broken bones. He is a 5th grade student at Pinckney Elementary School.

Deputy Bob Egeler investigated the accident.

TRAFFIC SAFETY SABBATH

We must all be dedicated more firmly to the proposition that we are our brother's keeper, on the highway and in the street, as well as in the church and the synagogue.

THEREFORE I, G. Mennen Williams, Gov. of the State of Michigan, do hereby proclaim Sunday, November 15, 1959, as **TRAFFIC SAFETY SABBATH** in Michigan, and respectfully request the clergy of all faiths to offer prayers, together with their congregations, for deliverance from the evil recklessness, carelessness and disregard of precious human life on our highways, in the faith and the hope that the Divine Being will help us all in our mission of safety.

Back in the Gay Nineties... Things Were a Lot Different

Back in the Gay Nineties is reckoned one of the most reckless and rowdy ages in America. It was the age of the horse and rubber tired buggy, the bicycle, Uncle Tom's Cabin shows. Pop Anson was the most famous baseball player and slugger and the Boston Bloomer Girls toured the country. Croquet was the favorite game, golf was unknown and every family worthwhile had a croquet set and gave croquet parties. Edison had just invented the phonograph. Kerosene lights were in universal use, streets were unpaved and wood was the universal fuel.

This era had a peculiar style of architecture and was called that of the Gay Nineties. It was of the Greek order and decorations were featured, usually of scroll work on the porches, under the eaves etc. Above is a picture of a home built in Pinckney in the gay nineties. It is the home of the late Dr. Claude and Mildred Sigler built about 1895. Dr. Claude Sigler was the son

of Dr. Hollis F. Sigler and grandson of Dr. Charles W. Haze, one of the pioneers of Pinckney. He graduated from the University of Michigan in 1895. While attending school there he was married to Mildred Sykes of Pinckney. Both are now deceased for some years.

This house was a wedding present to them into which they moved right after he graduated. It was built on the site of the former home of Dr. Charles W. Haze of Pinckney. It was later enlarged by building on a wing to the east. In the picture Dr. and Mrs. Sigler are shown standing on the front porch of the home. Their children Dr. Hollis Sigler and Donald Sigler were both born in this home.

Following their death the home changed ownership a number of times. Lucius Doyle owned it. Then Joe Griffith, William Bellfranz and more recently Thomas Murphy. Leonard Lee is the present owner and he expects to move the house off the lot and erect a garage and auto service station. This another old Pinckney landmark will disappear.

Lyman Parker and wife of Portage Lake visited his father at Cadillac last week. He went bow and arrow hunting.

Luther Hildinger, 70, of North Lake died last Monday. Funeral and burial were at Ann Arbor.

The American Legion home at Cavanaugh Lake near Chelsea was broken into last week. Liquor and cigarettes taken.

Rev. Raymond Frey of Vassar has accepted a call to be pastor of the Evangelical Lutheran Church at South Lyon.

Whitmore Lake High School football team beat Dexter Junior High School 20 to 14.

WYNNE CHESTER SAYS:

Share The Fun With A Deer Hunting Husband

Ever wonder what the man in your life finds so exciting about deer hunting? Well, this year, as male talk of tracking, spoors, etc. begins, why not ask him to tell you about his deer hunting experiences? Knowledge of this challenging sport leads to enthusiasm . . . you may even decide to try deer hunting yourself!

Incidentally, Christmas isn't far off, and if your man is a deer hunter, you're in luck. You may have trouble finding things for the others, but for his gift, just visit your sporting goods dealer to find dozens of items he'd love to receive. There's that new deer rifle he's been eyeing, of course, but that's only the beginning. A hunting jacket or pants, sweater, bright colored hat, gun case, gun care equipment and ammunition are sure to please. For stocking stuffers, how about a hunting knife, flashlight, warm gloves or a deer call? These much desired gifts will say Merry Christmas . . . and happy hunting ahead!

Bechler-Shirey Rites Solemnized

Mrs. Walter W. Bechler

Miss Judith Ann Shirey, daughter of Mr. and Mrs. James Shirey of Lakeland became the bride of Walter Bechler, son of Mr. and Mrs. Arnold Bechler of Pinckney October 23 at 8 p.m. at the Hiawathia Beach, Church, with the Rev. Keith Ruegsegger officiating.

The brides gown was floor length of Chantilly lace with subernal neck line, chapel train and long tapered sleeves which ended in points at the wrist. Her fingertip veil was of French Illusion and the crown was encrusted with seed pearls. Her bouquet was a cascade of baby mums, centered with an orchid.

Maid of honor was Mrs. Allyn Thurston of Brighton. Her gown was of powder blue, waltz length taffeta with a scoop neckline and bustle back. Her bouquet was a cluster of carnations in a frill. The bridesmaids were Linda Bechler, sister of the groom and Marilyn Shirey, cousin of the bride. The junior bridesmaids were Lois Shirey, sister of the bride, Linda Shirey of Detroit, cousin of the bride. Their gowns were waltz length, powder blue organza with a large bow at the wrist. Their bouquets were identical to that of the matron of honor.

Allyn Thurston, of Brighton, friend of the groom was best man. The ushers were Robert Hopp, Ann Arbor, cousin of the bride and Ronald Bechler, brother of the groom. Miss Anita Shirey, cousin of the bride was organist. Soloist was Mrs. Marilyn Edgar who sang "Because" and the "Lord's Prayer."

The reception was at the Pinckney Elementary School. Karen Hopp, cousin of the bride, cut the four tier wedding cake. Mary Jane Jeffreys had the guest book and Mrs. Kay McGillis and Mrs. Irene Reimold of Ann Arbor served coffee and punch.

After a wedding trip in northern Michigan the couple will live at Girard Drive, Lakeland. The brides going away costume was blue and white brocaded sheath dress and she wore the orchid from her wedding bouquet.

Both young people are graduates of Pinckney High School. The bride is employed by the University Hospital, Ann Arbor and the groom by the Aco. Corp. Pinckney.

TWO APPLE DRINKS One for the hearth . . . one for the road

Drinks follow the seasons. So apple juice seems to belong in special degree to Fall.

Apple juice is friend to all . . . the sociable juice you can offer when people are thirsty and when they are not, when they are merry and when they are serious.

Here are two apple juice drinks that will add to any social occasion.

One is a clinking cold refreshing blend. Pass this—say, to revive the sparkle of a gathering.

The other, bubble hot and fragrant, is "one for the road,"—a stimulator to speed friends on their homeward way, bright eyed and alert.

For the hearth:

CHILLED APPLE SPARKLER

2 cups apple juice | 2 cups ginger ale
1 cup grape juice | 1 teaspoon grated lemon rind

Chill juices and ginger ale. Combine just before serving. Pour over ice cubes in glasses. Garnish with lemon rind. Makes 4-6 servings.

For the road:

HOT HONEY APPLE BREW

1 quart apple juice | 2 tablespoons butter
¼ cup honey | Few grains nutmeg

Combine apple juice, honey and butter. Heat. Pour into mugs. Sprinkle with nutmeg. Makes 4 servings.

Car License Applications to Take Less Time this Year

Secretary of State Hare is working out a plan to schedule meetings with 9, 10, and 11 point traffic violators.

Michigan and Ohio are tied for first place as the safest of 7 industrial states. Each had 39 traffic deaths, New York had 44, Illinois 45, Texas 50 and California 52.

In Wartrace, Tenn. where the famous walking horses originated the street signs read "Whoa" instead of "Stop."

Among 222 accidents in Connecticut 30% were caused by drinking drivers.

The job of filling out license plate applications will be cut 1/3 this year due to tabs being issued instead of new plates. The applications are smaller and all retain their 1959 plates there is no need for a new police book.

Four hundred and sixty chinchillas, valued at \$40,000 were destroyed last Tuesday in a fire which burned Lewis Conley's chinchilla ranch at 8980 Fifteen mile rd. near VanDyke.

Miss Dorothy Hadley of Dexter spent Sunday with Mrs. Pearl Marshall.

Saturday night supper guests of Mr. and Mrs. George Marshall were Mr. and Mrs. Harlan Roberson and sons.

Mesdames Edna Buckland, Bess Marshall, Jose Howlett, May Bullis and Mary Wright enjoyed a coffee break together Friday afternoon at the home of Mrs. Pearle Marshall.

NEWS NOTES FROM THE ELEMENTARY SCHOOL

FIRST GRADE

Mrs. Rooks—

We enjoyed the parade. There were so many nice costumes we just could not pick the best one.

We are so glad Barbara Zezulka was able to come back to school and enjoy our party.

We have a new writing book and finished our arithmetic books and will soon have new ones.

SECOND GRADE

Mrs. Johnson—

We had a wonderful time at our Halloween party. We played games. Dick Davis, Susan Bowles, Terrance Kellenberger won the prizes.

We are making an A B C book and also a color chart.

THIRD GRADE

Mrs. Darrow—

We wish to thank the mother's who baked cupcakes for our party. We also thank our room mother, Mrs. Burlein for helping serve the refreshments.

We have a new boy in our room, Tony Casta, he came from Wayne Michigan.

We are adding 2 place numbers and are ready to begin subtracting 2 place numbers.

SEVENTH GRADE

Today we had our party. We did not dress up in the parade

but everyone came in our room.

There was a lot of cute costumes. This noon we went in and danced with Mr. Rice's room. It was a lot of fun.

At one-thirty we saw the show, it was very good.

All in all it was a wonderful day. Mary Wylie

EIGHTH GRADE

Mrs. Meyers—

Last Friday we had our Halloween party. We played games and danced. The refreshment committee served cider and cupcakes.

Cheryl Van Norman is back in school after a weeks illness.

We entertained Mrs. Darrow one afternoon last week.

We have two champion hitchhikers Rick Shirey and Benny Segura.

SIXTH GRADE

Mrs. Tasch—

Our class the 6th grade, is making units on India.

For book week we made different kinds of book reports including varieties of three dimensional dioramas and book covers.

We have said some poems to all the rooms in the school. The names of the poems are "The Wolves" and "Little Orphant Annie". We also said the poems for Mr. Reader last Friday morning. We plan to speak for an assembly at the high school later in the year.

We had a Halloween party. We enjoyed having the little kids come in our room and parade for Halloween.

FIRST GRADE

Mrs. Thayer—

We had a lovely Halloween Party everyone was so nice and polite. We bobbed for apples and several of us were able to bite the apple. We had cookies and pop corn balls.

Most of us are doing very good in our reading. We hope we will all become good readers.

FOURTH AND FIFTH GRADES

Mrs. Heaton—

Its been a big week for us. Today it was climaxed with a Halloween Party. Most of us wore costumes and paraded in the other rooms. We had apple cider and doughnuts for treats.

Mr. Reader came by this morning for a glimpse at all the weird people. It was a nice surprise to have him visit us.

In the afternoon we all enjoyed Mr. Noble and his art works. He drew cartoons, portraits and sang ballads along with his guitar playing.

Our school has grown so much that there is hardly room for all of us in assembly programs.

MICHIGAN DEPT OF STATE

The job of filling in 1960 passenger car license applications this year will take one-third less time due to the fact that they have been reduced in size this year.

According to James M. Hare, Secretary of State, this is part of the economy made possible by the "plate plus tab" system. Michigan car owners will get tabs marked "60" which will be placed over the upper right corner of the green and gold 1959 license plates.

"The short form will save time for everybody," aHre said, "and should give us a neater job of hand lettering. If the lettering is clearer and crisper our time-saving automated machinery will do a better and faster job. The smaller applications will also save a considerable amount of paper and ink as well."

This economy was one of many made possible through the system of making license plates serve for more than one year. Much more than the expense of metal and the work of stamping out new plates is spared the state. In the case of the smaller license application, the extra copy which had to be made out in the past was used in printing the so-called "Police Book" which is a registry of all cars licensed in Michigan.

These are listed in alphabetical sequence, such as, WU 1868, WU 1869, WU 1870, and so on and is used to trace the ownership of abandoned vehicles, cars involved in hit-run accidents, and so on.

Since all car owners will retain their 1959 plates with the same letters and digits, there is no need for a new police book. This saves the Department of state and the persons who buy these compilations a considerable amount of money.

All branch offices in Michigan 83 counties now have tabs and the new, small-size, application blanks. Weight taxes and the 1960 tabs are on sale starting Monday, November 2, 1959.

NEIGHBORING NOTES

The Lantis Implement Store at Stockbridge was robbed last week and \$800 in cash taken.

Dorothy Kuttler Lounsbury and her father, Arthur Kuttler, have been elected worthy matron and worthy patron of the Fowlerville O. E. S.

Mrs. Oscar Beck of Pinckney has been elected treasurer of the McPherson Hospital, Auxiliary. Other officers are Mrs. Bruce Campbell, ch; Claude Brian, co-ch.; Mrs. Ford Garland cor. Sec.; Mrs. John Slater, Rec. Sec.

Mrs. Gladys Lee, Lakeland postmaster attended the postmasters convention at Washington D. C. last week.

Mrs. Alice Mjuk and son, Bob, of Howell have gone to California to visit the Clayton Rathbuns.

Glen Garwood, p.m. of the Brighton Masonic Lodge has gone to Boston, Mass., for surgery.

Mr. and Mrs. Harry Dankers of County Farm Rd. Marion, held open house Nov. 1, on their 25th wedding anniversary.

James Hill, 12, of Brighton died unexpectedly last Thursday shortly after he arrived on the bus at the Brighton School he is a 7th grade student.

Guy Jameison, 39, a native of Dexter and recently teacher at Howell High School died of a heart attack last Wednesday. He was organizer and president of the Tri-County baseball league for a number of years.

The following will be inducted into the army Nov. 5: Fred Berry, Pinckney; Roscoe Barbour, Gregory; Lara Tavola, Gerald Prieskorn, Alan Stoner, Brighton; Charles Calkins, Fenton; Lynn Chase, Fowlerville.

The Leonard Refineries have signed a contract whereby their assets will be acquired by the Standard Oil Co. in exchange for 382,000 shares of stock. The Leonard Co. is valued at \$50 million. They have 2 refineries, one at Alma and one at Mt. Pleasant.

Keith Funston, president of the New York Stock Exchange, says that continuation of U. S. economic progress along with the rise in shareownership could lift the Exchange's daily average trading volume to some 4,500,000 shares by the mid-1960's. The postwar average has been around 1,700,00 shares. He adds that he is not making predictions, but that the figures cited represent possibilities to be considered as the idea of a "People's Capitalism" becomes more widespread.

THE CORN CROP

The Michigan corn crop is
25 per cent larger this year than
last and farmers are searching for
additional space for storage for
their 1959 crop. Clyde Yelland,
chairman of the Livingston Co.
price support committee says
loans are available to build stor-
age space for the 138 million

HOWELL, MICHIGAN

MICHIGAN MIRROR . . .

Internal bickering is being sur-
pressed in both camps as Repub-
licans and Democrats point for
the 1960 elections.

Rebellion within the state GOP
is aired whenever there is a clash
between "liberal" Lawrence B.
Lindemer, the state chairman,
and Postmaster General Arthur
Summerfield, the "conservative"
pictured in some circles as losing
his grip in Michigan. Much of
this has been in the news lately.

Intra-party disputes among
Democrats are more subtle.
Personalities, not philosophies,
are at odds within Democratic
ranks. The iron Man of state
Democrats, Party Chairman Neil
Stabler, has managed to keep the
lid on the potfull of candidates
eager to try for Gov. G. Mennen
Williams' seat if he declines to
run for a seventh term.

It hasn't been easy with men
like Secretary of State James M.
Hare, whose strong showing in
leading the ticket in the 1958
elections puts him in a command-
ing position for the 1960 election.

At least one 1958 election
winner is not expected to be
among the Administrative Board
candidates in 1960. Frank S.
Szymanski, twice elected Auditor
General, resigned to become a
probate judge.

His replacement is expected
to make a strong candidate a year
from now. Otis M. Smith, ele-
vated to the Administrative Board
after building a solid reputatiou
as chairman of the Public Service
Commission, is the first Negro
to serve on the Board.

Williams' appointment of
Smith was whisked through the
Senate for confirmation with al-
most unprecedented speed. The
only objections came from sen-
ators who said Smith would be
hard to replace on the commis-
sion.

State money woes are not the
only matters commanding atten-
tion of the Administrative Board
members this fall.

When the Supreme Court de-
cided to throw out the penny use
(sales) tax increase, Attorney
General Paul L. Adams, who led
the fight to have it tossed out,
was arguing a U. S. Supreme
Court matter.

Adams was in Chicago for
hearings ordered by the nation's
highest court on Chicago's attempt
to divert more water from Lake
Michigan.

A victory on the water diver-

sion case, should it come before
the 1960 elections, would do
much to boost Adam's stature.

Power, navigation, recreation
and fishery interests have a vital
interest in the case, as do all
property owners along Michigan's
Great Lakes' shoreline.

Unlike the tax case, the water
diversion case finds almost every-
one in Michigan on the same
side. Adams' fight against the
water "steal" can only win
friends here. It's like being again-
st sin.

Traffic safety is a major con-
cern of Secretary of State James
M. Hare when he is not wrestling
with state fiscal problems or
patronage squabbles in his auto
license branch office system.

Hare, once seriously injured
in an auto crash, credits his work
in traffic safety for his success
at the polls.

Michigan has a major traffic
safety promotion on tap Nov. 15.
It is Safety Sabbath, an inter-
faith program intended to focus
attention on the moral respon-
sibility of the individual driver.

"We need local enthusiasm and
an understanding that spiritual
serenity and a brotherhood atti-
tude is a basic element in main-
taining sound and care-free driv-
ing habits," Hare said.

"Un-American" is the brand
Sen. Edward Hutchinson (R-Fen-
ville) put on one traffic safety
proposal mentioned by Hare at
a Safety Commission meeting.

Hare, who said he was not
necessarily endorsing it, submit-
ted a proposal worked out by
Dr. F. J. Margolis, Director of
the Audio-Visual Department of
Wayne State University's Medical
School. Under the proposal,
motorists would inform on each
other by postcard if they see a
traffic violation.

Said Hutchinson: "We don't
want to institute anything that
even begins to resemble the sys-
tem in Russia and other total-
itarian countries where children
are told to inform on their par-
ents and neighbors to inform on
neighbors for real or suspected
acts against the regime."

5 MILES OF US-23 X-WAY TO BE LET NOV. 4

-  PROPOSED NORTH BOUND LANE
-  EXISTING TRUNKLINES
-  OTHER ROADS
-  ENTRANCE & EXIT
-  FUTURE X-WAY

OCT 1959

Low bidders will be determined by the State Highway Department at Lansing November 4 on this 5-mile stretch of U. S. 23 expressway in Livingston County. Highway commissioner John C. Mackie has announced.

The job will provide about a half-mile of dual roadways from the end of the existing expressway, near Whitmore Lake, north to M-36. Another 4.5 miles of single-lane roadway will be built from M-36 north to the Chesapeake & Ohio grade separation just south of U.S. -16 near Brighton.

The new single lane, which will be built east of and parallel to

the present route, will carry northbound traffic, while existing U. S. -23 will carry southbound traffic. Later, a second lane will be built to complete the divided highway here, and existing U.S.-23 will become a service road.

Also included in this job are an interchange at M-36 and a bridge to carry the expressway over the Huron River.

Existing U.S. 23, from the C & O structure north to U. S. 16, will be widened 10 feet on either side to provide four traffic lanes.

This entire job has an October 31, 1960 completion date.

THE FIDEL CASTRO AFFAIR

The most preposterous thing about Fidel Castros anti-American broadcast against the United States is the disturbing story of unchecked flights out of Florida, from which the planes took off who dropped anti-Castro leaflets on Cuba. There are 250 landing strips in Florida and the Federal Aviation Agency says it is almost too difficult to police all of the clandestine landings and takeoffs that take place there, and that flight plane filing is only required for trans-Atlantic trips. Smuggling and military activities are apparently not under absolute control. This should be cleared up as this country has no desire to dip into the Cuban affair.

Donald Singer and Glenn Mead have enlisted in the Air Corp. and are in Lackland, Texas. Born to Mr. and Mrs. David Haines (Francis Higgs) at Mercy Hospital, Jackson, Thursday a girl.

Mr. and Mrs. Raymond Burns have as a house guest for a few days their sister-in-law Mrs J. B. McClusky of Pasadena, Calif.

Mrs. McClusky stopped off here on her way home to California after spending 3 months visiting relatives and friends in Belgium, her homeland prior to coming to the U. S. A. many years ago.

Mr. and Mrs. McClusky met during World War I at Rouen, France where both were working in the adjutants General Dept. record division Leut. of the U. S. Army.

They were married at Lorbvair Belgium, June 21st 1919. After working at an American Bank at Antwerp, Belgium for 3 1/2 yrs. they came to America in the fall of 1922 and have made their home in California.

This is Mrs. McClusky's 3rd trip back to Belgium. Twenty-nine years have elapsed since her last visit.

SUNDAY CLOSINGS

The campaign to close chain stores on Sunday by the clergy is a conflict between Christian zeal and the ideas between "Liberty and Justice for all. It is also discriminatory as there is no agitation to close taverns, drug stores, oil stations, eating places. There are many religious denominations all do not consider the Sunday as Sabbath.

Jews and adventists keep Saturday and other sects Friday. It is a return to the old Blue Law days which for many years blocked baseball, football and golf playing on Sunday. You cannot legislate morality. Attempts to enforce the national prohibition law proved that. If the people did not demand it the stores would not open on Sunday.

Frank Morris of Detroit who writes a Lansing Observer column favoring the conservative Republicans of Michigan rose to his own defense last week. Previous to Postmaster Summerfield's visit to Michigan his weekly letter had come out in favor of Senator Morris for Governor and Army Secretary Wilbur Brucker for senator. The sole purpose of his letter he said was to give the true picture of the band of Republican senators at Lansing who saved Michigan from the horrors of an income tax. For which they were persecuted and held up to ridicule by the press of the state, aided and abetted by the so called liberal Republicans of the state. His sole purpose he said is to see that proper credit is given them.

Michigan is not alone in feeling the money pinch. The states of this nation enacted 111 tax changes in the legislatures last year. Of these 87 involved tax increases, 12 imposition of new taxes and just one repeal of a tax. The tax increases ran a considerable gamut - corporation and income, general sales, gasoline, tobacco and liquor. The governors in 31 states proposed tax increases totalling almost \$1.5 billions in their messages to the legislature. The reason is that the existing taxes are not providing sufficient revenue for the tax needs and increasing population. What is wanted is a painless tax but like the quest of the alchemists for the secret of turning lead and baser metals into gold and the secret of perpetual motion the quest is elusive.

Since the supreme court decision overturning the use tax by ruling that is a subterfuge to increase the sales tax to 4 cents and thus amend the constitution to 4 cents without a vote of the people another question has come up. It is are the beer and cigarette taxes illegal? The constitution limits the sales tax to 3 cents. The beer and cigarette taxes are in reality sales taxes and are many times higher than the 3 cent limit. Are they legal? The question has never been tested in court.

We never were for capitol punishment and have always regarded with a critical eye the numerous attempts to restore it in Michigan. Capitol punishment was abolished in Michigan way back in 1849. The story is interesting. A man in Dearborn killed his wife and was sentenced to hang. The sheriff resigned rather than inflict the penalty. Feeling ran high. Finally Ben Talbott, a saloon and tavern keeper volunteered to do the job and carried it out. The next legislature repealed the death penalty. An event in Connecticut last week strengthened our opposition. Frank Wojculewicz was convicted of shooting 2 men in a holdup. He is now 41. He was shot in the spine himself and paralyzed. For seven years he has been awaiting execution. Finally all appeals failed and he was executed last week. He was taken to the electric chair in a wheel chair, lifted into it. It had to be modified as his legs could not bend, and he passed to the great beyond. The witch burning attitude of old evidently exists in some parts of New England.

There has been a break in the ranks of the big steel companies Edgar F. Kaiser who produced 2% of the worlds steel has settled with the strikers and 7500 of his men have returned to work. A steel worker remarked that although Kaiser produces only 2% of the worlds steel he has ninety percent of the industries intelligence. Many are blaming the president for not intervening earlier instead of waiting for the slow procedure of the Taft-Hartley act. Steel magnates are said to be disturbed by the favorable attitudes toward labor manifested by Secretary of Labor Mitchell, George Taylor, board chairman and Joseph Finnegan, federal mediator. There is another thing that disturbs labor. It is automation and labor saving devices which every year take jobs away from more and more workers. If this impact continues the future strength of the union may be greatly diminished.

The liquor industry as a rule does not come out in the open and we are interested in an account of the 10th annual convention of the Licensed Beverage Dealers in Grand Rapids last week. One of the speakers was Rev. Hugh Beahen, radio and television director, at Grand Rapids. He said "Fight the drys with weapons of truth. The blue nosed gang, descendants of Carrie Nation who have substituted the lobby for the hatchet set themselves up as divinely delegated gadflies of God from on high will never survive against the weapon of truth. Through history yours has been an honorable profession. Because drink creates a problem for the few the majority should not be deprived of it. A distillers executive said the consumption of liquor will increase 40,000,000 gallons in the next five years. It is a pleasant thing and a social asset. The delegates asked complete repeal of the cabaret tax. A change in the policy of the Small Business Administration which refused loans to liquor dealers. Maintenance of the present exemptions in the federal wage and hour law and compensation for a business destroyed by urban development or Federal Highways.

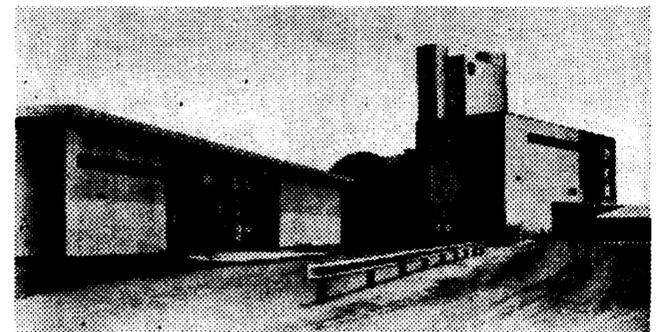

Uncle Sam has spoken, pinball machines which release free plays are gambling devices and hence forth instead of pay a federal tax of \$10 a year they will pay \$250. It will probably be paid as many

store keepers gross from \$500 to \$800 a week from each machine. In Springfield, Mass. the legislature legalized free play off pinball machines. There were 300 machines installed there. A reporter found they were giving cash playoffs and the licensing board... ball machines. There have been gang fights and shooting... where different pinball concessionairs have invaded... territory.

We doubt that many American tourists will visit... winter. The regime of Fidel Castro who rose to power by a assassination and intrigue seems to be getting shakier and he has started a hate campaign against the United States. The immediate cause is that American planes dropped Anti-Castro leaflets over Havana. Our lavish handout of funds to foreign countries has not made us popular.. Yankee Go Home signs seem to be prominent in most of them.

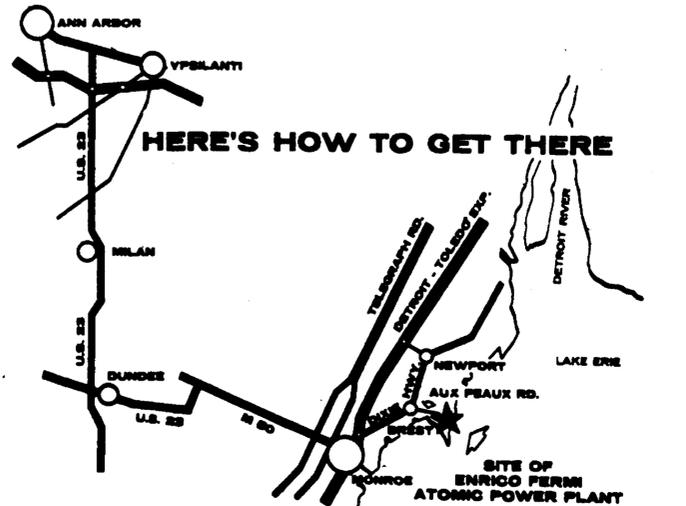

SHERIFF CONVICTED
Ingham County Sheriff Wil- lard P. Barnes was convicted of drunk driving last Tuesday in justice court in Williamston. Justice Robert Wood heard the case without a jury. He sentenced Barnes to a \$100 fine, \$125 costs or 30 days in jail. Barnes Attorney, Ben Watson of Lansing posted a \$500 bond for Barnes and said he would appeal. Barnes said he would not resign his office and that he would run for

re-election next year. In the trial Barnes did not take the stand and presented no witnesses. The Prosecutor presented two surprise witnesses, Charles Hett- inger, 33, distributor for Detroit newspapers said he saw a black car with a sheriffs sign weaving back and forth across the high- way on US 16 at 2:30 a.m. Ellis Nemer, a Williamston police- man said Barnes was too drunk to drive. The appeal comes up Jan. 11, 1960.

HERE AND THERE

Senator Stuart Symington of Missouri, a possible Democrat candidate for president in 1960, refused to speak at a Democratic dinner at Little Rock, Arkansas, last week because it was segregated. The speaker of the house, Sam Rayburn, was the other speaker at the \$10 a plate dinner.

The Ann Arbor News has something to say in regard to the hanging of Pres. Eugene Elliott in effigy last week. On it was a sign reading "Realism 21. Elliotts lily white policies 8. That was the score by which Eastern lost their home coming game to Central University. The rub seems to be Elliott has abolished athletic scholarships and as a result the university is having lean years.

Branch Rickey, head of the Continental baseball league being projected is aroused over Com. Ford Fricks statement that the big leagues may be extended into 10 team leagues and New York and Minneapolis taken in. These two cities were expected to form the nucleus of the new Continental League.

According to Sergt. King, local recruiter the Women's Army Corp. is to be extended and a unit of around 100 placed in the Hawaiian Islands. In 1945 this unit had a strength of 94000 women. In 1948 it became a part of the regular army and was cut to 8000. They do clerical and secretarial work, accounting, drafting, teletype work, dental and x-ray technicians, special ceremonies and attend lectures. Anyone interested can interview Sergt. King.

Throughout the nation only 30% of the students who enroll at Universities graduate. At the University of Michigan 65% do.

According to Nation's Business the older worker could be one of the most valuable assets in the competitive business world of the 60s. It cites a government survey showing that some 45 percent of manufacturing workers over 40 produce more per man hour than the younger men. The older worker also has some special attributes - experience, greater dependability, mature appreciation of job responsibility.

FENTON RACE TRACK
They are having a hassle at Fenton over the establishment of a lighted race track there. The township board has rezoned the 200 acre sight near the US 23 expressway so the track can be built there. The project costing \$3 1/2 million would have a mile and a half track, stables for 1000 horses and a grand stand seating 10,000 people. The track holders are Flint, Pontiac, Farmington and Detroit business men. The council of churches is fighting it and circulating petitions against it. Due to this the proposition will be put on the ballot in 1960.

ERNEST WHITE

Ernest White, eldest son of the late John D. White and Theresa Murphy White was born in Putnam township, near Pinckney June 2, 1883 and died in McPherson Hospital, Howell Nov. 1 after several months illness. He married Leonella Laughlin of Genoa Nov. 3, 1909 in Brighton. He farmed during early married life and then worked 30 years for the Arrow Head Co. of Howell. Surviving are three daughters, Mrs. Cathleen Chapel, Mrs. Mary Wellman, and Mrs. Ruth Ebersole, all of Howell. One daughter, Helen, is deceased. There are 20 grandchildren. Four brothers, Ben and Norman of Pinckney and Basil and Frank of Howell, also survive.

The funeral was at St. Joseph Catholic Church, Howell Thursday with burial in St. Joseph's Cemetery.

Cadet Dick Wylie of West Point writes that he with the other cadets attended the Army - Air Force football game Saturday at New York City.

The friends of James Doyle gave him a bachelor farewell party Saturday night at the apt. over the Lucius Doyle Jr. home. About 12 were there. A very pleasant and enjoyable evening was spent by all.

Anita Shirey, a Pinckney High School senior, won a wrist watch for selling the most magazine subscriptions this year.

The deer season opens Nov. 15 at which time Pinckney will be nearly devoid of male inhabitants. Most of the Pinckney nimrods expect to leave next Friday or Saturday.

To help you figure at the apple counter, home economists at Michigan State University remind you there are three medium-sized apples in one pound.

Thyme and marjoram are two of the most versatile herbs. Home economists at Michigan State University say they can be used to season almost any dish.

Kind to "tight" budgets are beef and pork liver, heart, tongue and kidneys. These variety meats are usually cheaper than other meats on any market at any season, say home economists at Michigan State University.

Frequent use of strong bleaches may harm any fabric, say home economists at Michigan State University.

Shirts For Sports

A very special anniversary or birthday present is something we're always looking for, and what could be better than the newest in sport shirts. There have always been good looking ones around, but a big plus for the gentlemen now comes in the form of sport shirts of Chemstrand's acrylic fiber — Acrilan. Wonderfully porous, they "breathe" with the wearer, and are resistant to stains, pilling and wrinkling. Available in a wide range of styles and colors, they're as practical as they are stunning, and comfortable for any time of the year.

The classic pullover, short and long sleeved, is perhaps the most popular, with the much loved cardigan style following close behind. Although the solid color flat jersey is easily the biggest seller, two-toned treatments are gaining wide acceptance, as are "fancies" such as pin cord bengaline, prints and jacquard patterns. Pictured top left, is Fashion Knit's all-over jacquard patterned, shirt—classically styled with tailored cuff. Top right, Donegal puts a coat of arms motif on its long sleeved pullover and makes it available in eight solid colors. Below, Botany decorates its front running sport shirt with foreign coins, on blue, tan, grey, ivory red olive or gold backgrounds. So what ever the occasion there is a shirt to suit every man.

DETROIT SCHOOL STRIKE

The school strike at the Pat-tengill school, Detroit, still continued Monday with 398 absentees out of 2181 pupils. Due to overcrowding, a number of pupils were transferred to a school in the Detroit skid row district. Most of them were colored pupils and they refused to go. The negroes are moving out of the slum districts into outlying districts in Detroit and as a result many schools are overcrowded.

RESEARCH STUFF

Some one is always doing research work on something or other. A research conducted on 1823 mothers revealed that the babies of 1155 non smoking mothers weighed an average of 6 ounces more at birth than those of 668 smoking mothers.

TAKES SECOND PLACE

University High School of Ann Arbor beat Roosevelt High School of Ypsilanti 44 to 0, Saturday to take 2nd place in the Washtenaw county league. St. Thomas, of Ann Arbor, lost to Sacred Heart of Dearborn 27 to 0.

Bert Wylie has sold the home of Mrs. Rose Hendee on South Mill St. to Mrs. Lillian Wylie of Dexter.

The rehearsal dinner for the Nancy Willis - James Doyle wedding to take place Saturday morning at St. Mary's church will be held Friday night at the home of Mrs. Sally Doyle.

Nelson Clark, 15, son of Elmer Clarks of Webster suffered back and head injuries Saturday when he was run over by a tractor on Mast Rd., Webster, driven by Billie Baker, 16, of Dexter. He was taken to St. Joe Hospital, Ann Arbor.

Dexter village council has adopted a curfew ordinance. No children under 17 will be allowed on the streets after 10 p.m. unless accompanied by their parents.

Mr. and Mrs. Jack Follick of Detroit were Tuesday dinner guests of the Henry Hauks.

There were 43 cars involved in accidents in the county last week 16 persons injured, 16 property damages and 11 personal injuries.
