PHS Track Team Wins Honors

Pictured above are P.H.S. track men who competed in the meet at Chelsea last Tuesday; Gordon Hoyt, winner in the mile run with time of 5:29.0. (2) Paul Russell, left, and Karl Burg tied for first place in the 180 low hurdles with winning time of 24.3 seconds. (3) Medley relay team of Roy Carpenter, Alton Hollingsworth, Monty Matteson, and Gerald Pike won another first place. In addition to these firsts, the Pinckney team took ten second places. Chelsea won the meet, 65-44.

The P.H.S. Track team will take part in the Tecumseh Relays at Tecumseh on April 30th, coach John F. Burg announced.

Gipson Bound Over to Circuit Court On Murder Charge

The two-day murder examination of Robert L. Gipson, 27, ended Friday when local Justice of the Peace Otto Poulsen bound the accused killer over to Livingston County circuit court on a charge of first degree murder.

Gipson is charged with the shooting of Daniel Haines, of Gregory, with a shot-gun on December 29, last, outside of the Coffee Pot Drive-In restaurant just east of town.

The examination, held in the Grand Trunk depot office of Justice Poulsen who is also Pinckney's depot master, attracted a large crowd of spectators and reporters from this vicinity and Detroit.

Gipson is being held without bail in the county jail at Howell.

until his arraignment in circuit court on May 9. A jury trial will be sought by his attorney who says he is requesting a charge no greater than manslaughter.

Two Pinckney women were called to the stand as defense witnesses.

A local man, Emmett Widmayer, is pictured in Motor Trend a national magazine this month. An employee at the Chrysler Proving Grounds, Chelsea, he is shown at the wheel of Plymouth's idea car, an experimental two passenger sports car known as the XNR. Emmett drove the 150 mph vehicle when films for news reels, television and newspapers were being made at the proving grounds.

In addition to seeking funds for the American Cancer Society local volunteer workers will distribute informational material stressing regular health checkups as the best protection against needless death from the disease.

The fund drive will take place tomorrow night, starting at 7 p.m. Mrs. James Whitley and Mrs. Edna Spears are co-chairmen for Putnam township.

Mrs. Lulu Lamb of East Lansing was a weekend guest of Mrs. Roger Carr. On Sunday Mr. and Mrs. Ona Campbell and Mrs. Lamb honored Mrs. Carr with a birthday dinner at Knapp's in Ann Arbor.

Pirates Split In Two Games

The P. H. S. Pirates baseball team lost the game with Chelsea last Tuesday, 5 to 0, but on Thursday they scored a triumph over the Manchester Dutchmen by coming from behind in a thrilling last inning rally and winning, 7 to 6. The Pirates were behind, 6-2, with the Manchester pitcher hurling a no-hitter—or so he thought—until that action-filled last inning when the Pirates scored five runs. Tom Kennedy, Terry Rowell, Dennis Morgan and Bob Williams had singles. Pitching for Pinckney were Bob Williams and Don Barker; catching, Terry Rowell.

The Pirates Washtenaw Conference record is now, 1-1.

"Miss Pinckney" Contest Soon

Plans are nearly completed for the Miss Pinckney Contest to be held before May 14; the date will be announced next week and meanwhile, any young lady wishing to enter may leave her name with Mrs. Stackable at the high school or she may contact Mrs. Max Russell, chairman for this Michigan Week event. A contestant must be 18 years old by July 1st of this year and, in addition to being attractive she must have a hobby or talent on the presentation of which she will also be judged. Music, voice, art, sewing, and modeling a gown, public speaking and dancing were talents displayed in former contests in the county.

Miss Pinckney will enter the Miss Livingston Contest in Howell during Michigan Week.

4-H Members Win Honors

Three members of the "Handi-Hammers", 4-H handicraft club, made the county honor roll in the Spring Achievement Program held at Howell Armory last week. They are John Dinkel, Michael Root and Charles Gerhinger. They are members of Marshall Meabon's winter club.

The Pinckney Pioneers, sewing club, has four blue ribbon winners. Gail Gustafson, an eighth year member, won her blue ribbon for a white nylon formal; Marilyn Singer, 3rd year, pajamas and house-coat; Diane Hall, 2nd year, a dress; and Christine Dinkel, 1st year, apron and towel.

Red ribbon winners this year for sewing are, 1st year; Carolyn Sullivan, Linda Wegener, Linda Latimer, Cindy Borovsky; 2nd year, Judy Borovsky, Mary Sullivan. White ribbons went to Cindy Hughes, Pamela Grant, Jean Wlodziga, Barbara Grant, Susan Craig, Elaine Darrow, Sheri Darrow, Pat Borovsky and Joyce King.

The club teachers are Mrs. Ralph Hall and Miss Joyce Dunn. A meeting will be held this week for the awarding of pins and certificates to all the girls.

CANCER FUND DRIVE FRIDAY NIGHT

In addition to seeking funds for the American Cancer Society local volunteer workers will distribute informational material stressing regular health checkups as the best protection against needless death from the disease.

The fund drive will take place tomorrow night, starting at 7 p.m. Mrs. James Whitley and Mrs. Edna Spears are co-chairmen for Putnam township.

Mrs. Lulu Lamb of East Lansing was a weekend guest of Mrs. Roger Carr. On Sunday Mr. and Mrs. Ona Campbell and Mrs. Lamb honored Mrs. Carr with a birthday dinner at Knapp's in Ann Arbor.

Left to right: Leland Harris, Worthy Grand Patron; Eloyse Campbell, Grand Organist; Helen Gundry, Worthy Grand Matron.

Easter Stars Honor Eloise Campbell, Grand Organist

Saturday night was a night of smiles and memories at the Pinckney Chapter's reception and dinner honoring Eloyse B. Campbell, the Grand Organist of the State of Michigan, Order of the Eastern Star.

Two hundred and forty attended the dinner and program held at Pilgrim hall. The entire grand family was present and among the honored guests were Mrs. Helen M. Gundry, the Worthy Grand Matron from Grand Blanc; and Leland Harris the Worthy Grand Patron from Bad Axe.

The program was very well planned and received. Rev. H. E. Maycroft from Saugatuck, Michigan, uncle of the honored guests, gave the invocation and benediction; Mrs. Zoe Earl from Howell sang "The Prayer Perfect" to the honored guest. Under the direction of Mrs. Win Aberdeen and Mrs. Virginia Van Norman a "This Is Your Life" skit was presented for sister Eloyse with local members taking part. Beautiful floral arrangements and favors and gifts made the evening one to be long remembered. The chairman of this reception was Alberta Close, a former committee member of the Grand Chapter.

The officers of Pinckney chapter were dressed in formal length, old fashioned flowered gowns in keeping with the observance of their 65th anniversary year to be celebrated at a later date this year. The Past Matrons of the local chapter wore lovely formal gowns and made a formation for this occasion.

The exemplification of degrees was held at the High School auditorium following the dinner with 400 in attendance. The auditorium was set up as a replica of the Civic Auditorium with original music notes and sheet of music entitled "Eloise" covering the emblematic East.

Members were present from all over the state of Michigan.

Among the non-members attending the dinner and program were the many teachers, civic leaders and friends with whom the honored guest has been associated.

also were Tom Line, who served as campaign manager for Paul and Mrs. Irene E. Miller, sponsor.

This week the local FTA members will attend a workshop at Eastern Michigan University on Thursday.

Officers elected for the coming year are as follows, president, Paul Howell; vice-president, Richard Line; secretary, Celia Hughes; treasurer, Rachael Nash; librarian, Barbara Baughn and historian, Bruce Henry.

John Eisele arrived home Sunday from Truth and Consequences, New Mexico, where he had been spending the winter months.

Elected to State FTA Office

Paul Howell, president-elect of Pinckney High School's Future Teachers of America was elected editor of the publication "Newsletter" at the State Conference of FTA held at St. Mary's Lake, Battle Creek, April 22, 23, and 24th.

In attendance at the conference

LIBRARY NEWS

The Pinckney Community Library has the Michigan Manual, but like all reference books it is available only for use in the library. We have a book stock of information on Michigan which is circulated, including the brochure "Know Your Michigan."

Florence Kempf, R. N., Director of the School of Nursing, Michigan State University, has been nominated for the office of third vice-president of the American Nurses Association.

Miss Kempf is the author of numerous articles and books for the field of professional nursing.

The ANA election results will be announced at the closing session of the House of Delegates on May 6.

Where to Get Information About Michigan

Throughout the school year thousands of school children write letters to governmental agencies asking for information regarding the State flag, the State flower, the State tree, as well as for facts about Michigan government.

Before and during Michigan Week the flow of letters increase and the Department of State and other governmental units are swamped.

James M. Hare, Secretary of State and Chairman of the Efficiency and Economy Committee, believes much of this effort is needless.

"By law public school libraries and nearly all community and

county libraries get a copy of the Michigan Manual each year," Hare pointed out. "This valuable compilation contains many thousands of interesting facts about the Great Lakes State.

Also available in most school, county, and community libraries is a colorful eight page brochure called "Know Your Michigan", which contains illustrations of the Great Seal and the State flag, a chronology of significant Michigan dates, and other interesting information.

"Many school children write for a chronology of Michigan history, to ask how our 83 counties were named, for information about Michigan's many boards and agencies, for biographies of public officials, and for the State Constitution. All of these," Hare pointed out, "and thousands of other bits of important and interesting information are in the Michigan Manual."

Hare, who himself is a former teacher, urged school officials and librarians to teach youngsters to utilize the resources in their own communities before taking time and postage to communicate with State officials.

"In the interests of economy and efficiency, we would like to slow down this avalanche of student correspondence," Hare said. "On the other hand, if students do not find the information they are seeking in the Michigan Manual or in other library reference books, we welcome their letters. It is good for youngsters and adults to know that they have the right and the responsibility of writing to their elected officials."

Persons who wish to purchase the 1959-60 issue of the Michigan Manual for private use can obtain one by sending \$4.00 to the Equipment and Supply Section, Michigan Department of State, The Capitol, Lansing, Michigan.

PINCKNEY DISPATCH

ESTABLISHED IN 1883

No mail subscriptions taken for less than six months. Advertising rates upon application.

35 Recruits in State Police Training School

Thirty-five recruits joined the Michigan State Police as probationary troopers in training school graduation ceremonies held in Anthony hall at Michigan State university.

The new troopers received their badges and post assignments at a program highlighted by addresses by Governor G. Mennen Williams and State Police Commissioner Joseph A. Childs.

Their graduation brings the enlisted strength of the department to 1,137.

As part of the program, Governor Williams presented bravery awards to Flint Troopers Lewis G. Smith and Donald Rudman, and meritorious service citations to Mt. Pleasant Troopers Richard L. Hofmann, Arthur W. Tooley, Paul J. Jones and Gerald J. Koenigsknecht and Bridgeport Troopers Charles F. Spurlin and Herbert R. Marklein.

In connection with the assignment of the new troopers, requests of other officers for new assignments and to balance up personnel throughout the 54 posts, 74 troopers will be transferred effective June 15.

New Organization

A new organization formed here early in April will be known as the Rainbow Mothers Club. The purpose of the club is to furnish and to assist with refreshments following the meeting of the Rainbow Girls and to help the girls raise funds for their organization.

The officers were filled by virtue of the daughter's line office and by appointment. Mary Nichols is president, Myrtle Wright, vice pres. Doris Shettleroe, secretary and Elizabeth Gallup, treasurer. Glenda Hoyt is chaplain.

and will be called . . .

BEV'S RESTAURANT

OPEN 7 A.M. TO 9 P.M. — 7 DAYS A WEEK

last month concerning "Model Liquor Enforcement Ordinance" to the effect that the Twp. appropriate the sum of \$600.00 annually to be paid to the Liquor Enforcement Dept. Carried.

Motion by Bauchat supported by Baker that for the year 1960, the Board of Review Members be paid \$20.00 daily, the Election Board Members be paid \$25.00 a day, and the Election Board Chairman be paid \$27.50 a day. Carried.

Mr. Davis inquired as to the status of his petition to operate a "Place of Dismantling Automobiles". Mr. Davis was asked to bring in a more accurate map describing properties within the 80 rod radius of proposed place of business.

Mr. Shehan presented the Board with a copy of Hamburg Township's share of the Liv. County Road work and maintenance done in the Twp. in 1959. The Board believes this bill to be much too high for services received and will not pay it at this time.

Motion by McAfee supported by Baker that this report be published in the papers. Carried.

Mrs. Gerald Bauer of Webberville was a Monday caller at the home of her mother, Mrs. Louise Shehan. This is the first trip the Bauers have been able to make from their farm by car since the road conditions were so bad. Farmers in the area used tractors for transporting milk to the truck stops.

Congratulations to Mrs. John Lundein who is observing her birthday today. A dinner party for the family will mark the occasion tonight at the Lundein home at Hi-Land Lake.

Mr. and Mrs. Rudolph Raetz visited at the home of their daughter, Mrs. J. C. Raymond in Detroit Sunday. Monday they entertained Mr. and Mrs. Vern Raetz of Grosse Ile.

Mrs. J. W. Winger, Mrs. Ralph Hall, Mrs. R. K. Elliott and Mrs. Rudolph Raetz attended the annual meeting of the Womens Fellowship of the Jackson Association at Clinton last Tuesday.

Mr. and Mrs. Wayne Shetteroe and children visited at the Wm. Swift home in Deerfield, Sunday.

Gus Jaroslawski, of Mumford Park, who has been a patient at Veteran's hospital, Ann Arbor, underwent a second operation last Wednesday and is reported making slow recovery. Early Sunday morning his wife, Peggy, fell at her home and sustained a broken leg. She was taken back home after a cast was applied and will be confined there for several weeks.

Mr. and Mrs. Leland Barker of Pontiac were Sunday guests at the Lloyd Nash home.

Duane Ayliffe was the guest of honor at a surprise birthday party (his seventeenth) Saturday night. Rachael Nash assisted Duane's mother as co-hostess. Ten young people enjoyed a most pleasant evening and lots of birthday cake and ice cream.

Mrs. Sadie Moran is spending several days this week with her daughter, Mrs. R. W. Groesser, in Detroit.

Harry "Bob" Parks expects to be home today from St. Joseph Mercy Hospital after a few days of rest and check-ups.

Mr. and Mrs. Bill Austin of Ann Arbor were Monday evening visitors at the Herb Palmer home.

Mr. and Mrs. M. E. Darrow have learned the itinerary of their son-in-law and daughter, Mr. and Mrs. Joseph Kaufman, who are vacationing in Europe. Mrs. Kaufman is the former Evalyn Darrow. The couple sailed from New York aboard the French liner, Flandre for Paris, arriving there on April 21. From Paris they will go to Rome and take two weeks to tour Italy, visiting Florence, Ravenna and Venice. They will fly to London on May 19 for a brief visit before sailing home on the S. S. Statendam about June 1st.

Deputy Robert Egeler recovered a stolen car here Sunday; it was abandoned on Darwin road. The '51 Chevrolet had been reported stolen from Lansing earlier in the week.

The Pinckney Fire department was called to the Roy Dillingham farm about midnight Sunday when lightning set fire to an Edison transformer pole near the barn. It was feared the building would catch fire.

Mrs. Annie Denys, 78, died at her home west of town last Wednesday following a long illness. She was a native of Poland. She and her husband, Camille, lived in an apartment at the Fred Kulbicki farm. Formerly they lived on the I. Solosan farm, Burgess road. The only survivor is her husband. Funeral services were held at the Swarthout Funeral home Thursday, burial was in Pinckney cemetery.

Mrs. Eloyce Campbell, Grand Organist of the Michigan O. E. S. chapter, gave an hour long organ recital at the Michigan Masonic Home in Alma Sunday afternoon. With her on the visit to the home were the Grand Patron of Michigan, Leland Harris, of Bad Axe, and the Worthy Grand Matron, Mrs. Helen Gundry, of Grand Blanc.

At the Parents Club meeting last Wednesday the annual election resulted in the following members taking office: Mrs. Herb Bowles, president; Mrs. Henry Gilbertson, vice pres.; Mrs. Len Davis, Secretary and Mrs. H. Halliburton, treasurer. The officers will assume their duties next September when school opens.

Former Pinckney residents, Mr. and Mrs. Walter Bolser of East Jordan, spent several days last week visiting Mrs. Mary Amburgey.

Mrs. Florence Van Buren of Byron spent Saturday with Mrs. Emma Dinkel.

Mr. and Mrs. Don Widmayer and children of Rogers City were weekend guests of the former's parents, Mr. and Mrs. Herman Widmayer.

Mr. and Mrs. Edmund Haines and Judy spent the weekend at their cabin at Lovells.

The Forest Hughes of Royal Oak were the Sunday guests of their son-in-law and daughter, Mr. and Mrs. Jerry Speak and family.

Mrs. Eleanor Ledwidge was a Sunday guest at the C. McMacken home.

The Reverend Keith Ledwidge of Jackson and his mother Mrs. Eleanor Ledwidge saw "Ben Hur" at the United Artists theatre in Detroit last Friday.

Mr. and Mrs. Ed Grablick of Ferndale and Mr. and Mrs. Herbert Ledwidge of Royal Oak visited Pinckney friends and relatives Sunday.

Bobby Hall of Howell visited at the Ralph Hall home from Thursday to Sunday.

Miss Elsa Bock is a patient at University Hospital, Ann Arbor.

Last Friday, with its top temperature of 81 degrees has gone on record as the hottest April 22 ever recorded in this area.

Mr. and Mrs. M. E. Darrow visited friends in Jackson Monday.

Billie Doyle spent Friday at the home of Master Robin Clayton.

Mr. and Mrs. H. B. Scherf of Mackinaw City were weekend guests of Mr. and Mrs. Herbert Bryan and with them attended the O. E. S. dinner and reception.

4-H Girls Plan Daily Diets

Michigan girls who are learning to cook nowadays "never had it so good." What with packaged, frozen, canned, pre-cooked and dehydrated foods aided and abetted by modern kitchen appliances, making a meal is considerably less of an ordeal than it was in grandmother's youth.

Last year nearly 20,000 4-H Club members in the state were enrolled in a food preparation program, reports Dr. Russell G. Mawby, Assistant Director of Extension, Michigan State University. The 1960 program is well under way and the young cooks are learning all about modern foods and ways to serve them.

As a matter of fact, eating habits of the American family are quite different than they were 50 years ago, according to the U. S. Department of Agriculture. People today are eating more meat and poultry, eggs, and milk products, and less grains and potatoes. Calories per day per person are down to 3200 from 3600 provided by foods in 1909, says the USDA.

Under the guidance of local volunteer club leaders and the county Extension agents, 4-H'ers plan balanced menus, figure food costs, and learn the importance of nutrition in the daily diet. Club members who live in rural areas are encouraged to grow the fruits, vegetables and other food products needed year round for the entire family.

Food preparation, like many other 4-H projects, offers annual awards for superior achievement. Betty Crocker of General Mills, Minneapolis, Minnesota, is the awards donor.

Six national \$400 scholarship winners will be selected from among 50 state winners next November by a committee of Extension personnel. The records will be judged at the National Committee on Boys and Girls Club Work headquarters in Chicago.

Both state and county winners will be named locally. The state winner's award is a trip to the National 4-H Club Congress in Chicago. Miss Phyllis Broughf, 17, of Wheeler, Gratiot county, was the 1959 state winner. In addition to successfully completing her 4-H project work, Miss Broughf has served as junior leader in the local 4-H Clubs.

One or more fully-equipped roadside parks are located in 64 of Michigan's 83 counties.

From where I sit ... by Joe Marsh

More Than Color Blind When It Comes to "Red"

"Red" Dolan has been going to painting class at night at the high school. They had an exhibition and we all went to see what Red had done.

Red's painting was one of the most beautiful there. We stared at it for the longest time, then all agreed it was a painting of a field close to town, and that it showed a woman in the distance who looked a lot like Red's wife. We congratulated our artist on his work. Red smiled, thanked us all, and was quite happy.

When he left, Slim Johnson noticed the title card by the

First, state law opens the nominating process to all voters through the direct primary. Secondly, state law makes every effort to see that the average citizen can vote and even take part in running the election machinery.

Under Michigan's primary election law voters nominate the governor, lieutenant governor, members of the legislature, United States senators and representatives in Congress, and all county officials.

No one needs party sanction — nor the approval of any group — to run for office. Any qualified voter may become a candidate and circulate nominating petitions.

All you need is a few signatures and your name will appear on the primary ballot. The number needed is small. For governor, for instance, a candidate needs signatures equal in number to only one per cent of the vote cast in the last general election for his party's candidate for secretary of state.

If you run for a state office the secretary of state will tell you how many signatures you need. If you run for a local office, the county clerk can give you the information.

If you cannot get the required number of signatures you may, in some instances, pay a filing fee and get your name on the ballot anyway.

This right is limited to candidates

Advertorial

for county offices and for the state legislature where the county alone sends one or more representatives to the legislature.

The fee is \$100 and if the candidate is nominated, or is a runner-up, the fee is returned. Otherwise it goes into the general fund. The filing fee method of securing a place on the primary ballot is not widely used. However, it is a means of opening the primary election to more candidates.

Michigan law protects not only individuals, but it protects groups. The major parties are protected not only by statute, but by the fact that they have a large, active following.

Minority parties may not have much of a following, but in Michigan the law safeguards their right to express their opinions and compete for support through the election process.

Any minority party can get a place on the ballot by filing with the secretary of state petitions bearing names equal to one per cent of the vote for the successful candidate for secretary of state in the last general election. In this year's election, according to the secretary of state's office, this would mean that a new party would have to file petitions bearing 12,708 names.

A party which was on the ballot in the general election might receive so few votes that it would be dropped from the ballot in the next election. This happened to all the minority parties in 1958, but they can get back on the ballot just as if they were a new party.

However, since none of the minority parties polled as much as five per cent of the total vote cast for all candidates for secretary of state in the 1958 general election, they can't take part in the August primary this year.

Instead, they must nominate all their candidates at conventions or caucuses and certify the names to the secretary of state. Then if they petition to get their party back on the ballot their candidates can run in the November election.

This may seem like a tedious process, but it guarantees the minorities, no matter how small or unsuccessful, can always appeal directly to the voters in a general election.

It has kept minority parties such as the Prohibition party, Socialist Labor, and Socialist Workers on the ballot in election after election.

So much for candidates and parties. If you as an individual want to help out with the election process you can.

You might ask your township or city election board to appoint you to the board of election inspectors. These inspectors are the workers who actually conduct the election and count the votes in each precinct. By law no more than half of the precinct inspectors may belong to one party so even in precincts dominated by a particular party

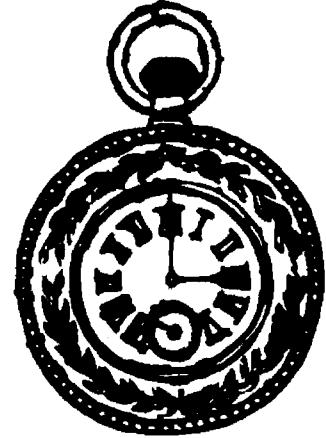

must assist in the election.

You might also serve as a challenger for your party. Challengers keep an eye on the voting on election day and may challenge the right of persons to vote if they think they are not qualified.

And of course any voter may watch the election inspectors count the ballots after the polls are closed.

areas will be located 40 to 60 miles apart on Michigan's new freeways.

About 100 professional people interested in the health of Michigan's school children are expected to attend the 12th annual School Nursing Worship at the Michigan Education Association camp at St. Mary's Lake, April 27-29. State Health Commissioner, Dr. Albert

E. Heustis, will conclude the afternoon session with a talk on, "Outstanding Health Problems in Michigan — How School Nurses Can Help."

PINCKNEY DISPATCH
Thursday, April 28, 1960

NOTICE

Hamburg Township, Livingston County, Michigan

To the residents and property owners of Hamburg Township, Livingston County, Michigan, and other interested persons:

"PLEASE TAKE NOTICE that the Township Board of said Township, at a legal meeting of said Board, held April 14, 1960, adopted the following ordinance as governing said Township, to become effective May 23, 1960.

HAMBURG TOWNSHIP ORDINANCE NUMBER IV HAMBURG TOWNSHIP LIQUOR CONTROL ORDINANCE

ADOPTED: April 14, 1960
EFFECTIVE May 23, 1960

An Ordinance to secure the public peace, health and safety of the residents and property owners of the Township of Hamburg, Livingston County, Michigan, a municipal corporation, for the regulation of alcoholic liquor traffic within said Township, through the enforcement of the Michigan Liquor Control Act of the State of Michigan within said Township; to provide penalties for the violation of said ordinance; and to repeal all ordinance and parts of ordinances in conflict therewith.

THE TOWNSHIP BOARD OF HAMBURG TOWNSHIP, LIVINGSTON COUNTY, MICHIGAN, ORDAINS:

Section 1. TITLE

This Ordinance shall be known and cited as the Hamburg Township Liquor Control Ordinance.

Section 2. LIQUOR CONTROL ACT OF THE

STATE OF MICHIGAN:

All alcoholic liquor traffic, including among other things, the manufacture, sale, offer for sale, storage for sale, possession and/or transportation thereof within Hamburg Township, Livingston County, Michigan, shall comply with the provisions of the Michigan Liquor Control Act, being Act No. 8 of the Michigan Public Acts of 1933, as amended.

Section 3. ENFORCEMENT

For the purpose of the enforcement of said Michigan Liquor Control Act within said Township, there is hereby established a Liquor Control Enforcement Department with full power, authority, and duty to see that the provisions of said Act and the rules and regulations of the Michigan Liquor Control Commission, adopted pursuant to said act, are enforced within said Township. Such Department shall consist of not less than one Constable of Deputy Sheriff appointed by the Township Board and such other personnel as the Township Board may, in its discretion, appoint. The personnel in such Department shall be entitled to such compensation as the Township Board may determine. Such Department or a member thereof shall be available at all times to investigate complaints received under this Ordinance, and enforce the provisions hereof.

Section 4. INSPECTION

The Township Liquor Control Enforcement Department shall inspect not less than monthly, all liquor establishments licensed under the Liquor Control Act of the State of Michigan and report the results of all inspections promptly to the Township Board. The Township Liquor Control Enforcement Department shall further promptly investigate all complaints received by it concerning violations of the Michigan Liquor Control Act, or improper operations and practices concerning alcoholic liquor traffic within the Township, and report the same to the Township Board and, where appropriate under the Michigan Liquor Control Act, to the Michigan Liquor Control Commission for appropriate proceedings against the violator.

All Inspectors shall carry appropriate cards issued by the Township Clerk, clearly identifying them as Township Liquor Control Inspectors and shall present said cards to the owner or manager of every place inspected by them when making an inspection, upon demand for identification by such owner or manager.

Inspectors shall have the right to inspect any place in the Township where alcoholic liquor is manufactured, sold, offered for sale, kept for sale, possessed or transported, or where the Inspector suspects the same is being thus manufactured, sold, offered for sale, kept for sale, possessed, or transported. Whenever possible, all inspection reports shall be made on Liquor Law Enforcement Inspection forms furnished by the Michigan Liquor Control Commission or on similar forms otherwise obtained by the Township Liquor Control Enforcement Department.

Section 5. APPROPRIATION

For the purpose of carrying out the provisions of this Ordinance and establishing the Liquor Control Enforcement Department herein provided for, the Township board hereby appropriates the sum of \$600.00 for such use, and is hereby authorized and directed to annually appropriate such an amount as will, in its discretion, be sufficient to maintain and operate such Liquor Control Enforcement Department for the ensuing fiscal year of the Township, not exceeding, however, 10 mills of the assessed valuation of the Township in any one year for vehicles, apparatus and equipment and housing for the same, and not exceeding 2½ (two and one half) mills of the assessed valuation of the Township per year for the maintenance and operation of the Department.

Section 6. PENALTIES

Any person, other than persons required to be licensed under the Michigan Liquor Control Act, who shall violate any of the provisions of this Ordinance shall be guilty of a misdemeanor.

Any licensee who shall violate any of the provisions of the Michigan Liquor Control Act or any rule or regulation of the Michigan Liquor Control Commission promulgated thereunder, or who shall violate any of the provisions of this Ordinance, and any person who shall prohibit or interfere with the authorized inspection of a member of the Township Liquor Control Enforcement Department shall be guilty of a misdemeanor, punishable by imprisonment in the county jail not more than 90 days or by a fine of not more than \$100.00, or both, in the discretion of the court. Each day that a violation continues to exist shall constitute a separate offense.

It is the intent of the Township Board that the court, in imposing punishment under the provisions of this Ordinance, should discriminate between casual or slight violations and habitual sales of alcoholic liquor or attempts to commercialize violations of this Ordinance or any of the rules or regulations of the Michigan Liquor Control Commission promulgated under the Michigan Liquor Control Act.

Section 7. EFFECTIVE DATE

This Ordinance shall take effect on the 23rd day of May, 1960. All Ordinances or parts of Ordinances in conflict with any of the provisions of this Ordinance are hereby repealed.

William V. Backlund
Township Clerk
Hamburg Township

Scholarships Available for Nurse Training

Three tuition grants of \$1,000 each, will be awarded by Wayne State University's College of Nursing to registered nurses. Applications for the scholarship contest are to be returned no later than Monday, May 9 in order to be eligible.

Recipients will be provided with a tuition scholarship for three years of full-time study required of graduates of hospital diploma schools to complete requirements for the Bachelor of Science in nursing degree.

WSU's College of Nursing has the only accredited baccalaureate degree program in Michigan for graduate nurses. The program in General Nursing combines general and professional education to prepare for the practice of clinical nursing in all areas, including public health nursing, and for beginning positions in clinical teaching and nursing service administration.

"Demand for university prepared nurses is so much greater than the available supply that excellent employment opportunities are available to all these students after graduation," stated Katharine E. Faville, dean, College of Nursing. Graduates are eligible for admission to the Graduate School of the University for advanced preparation in teaching and administration on the same basis as are graduates from other colleges in the University.

Registered nurses who can begin full-time study in September, 1960, are eligible to enter the contest. For further information, write to: Dean, College of Nursing, Wayne State University, Detroit 2, Michigan.

The first picnic tables placed on Michigan highways in 1929 were made of material salvaged from plank guardrails. The present style tables were placed along highways several years later.

A roadside park on US-16 at the Red Cedar River about 10 miles east of Lansing was the first fully-equipped roadside service area in the U. S.

REGULAR BOARD OF EDUCATION MEETING

The meeting was called to order by Pres. Hollingsworth at 8:15 p.m.

Roll Call—present Basydlo, Hollingsworth, McAfee, Mrs. Towsley, Young. Absent—None.

Minutes of previous meeting were read and approved.

The Board completed the purchase of 4 lots from the People's Church upon the final approval of the School's legal counsel.

Mrs. Towsley gave her report on the project of Band Uniforms and Proper Supervision on the Playgrounds.

Mr. Young acknowledged the purchase of the Plymouth Station wagon for Driver Training Program.

The Board approved the following projects:

1. Establish parking areas on the east side of the high school grounds—also along the new home economics room.

2. Re-landscaping the north and east sides of the school grounds.

Mr. Basydlo was appointed to supervise the project.

The remainder of teacher's contracts were signed. There are 4 vacancies in the Elementary Dept. and several vacancies on the High school staff.

Motion by Basydlo, 2nd by

Young that the Budget for 1960-61 of \$425,855.00 be accepted as presented. Carried.

Motion by Young, 2nd by Mrs. Towsley to pay bills as read. Carried.

Motion by Basydlo, 2nd by Mrs. Towsley to adjourn. Carried.

Time 10:53 p.m.

JOSEPH BASYDLO
Secretary of Board of Education

Committee on Aging Meets

A meeting of the Livingston County Committee of the White House Commission on Aging was held at the McPherson Community Health Center Thursday evening, April 21st.

There was a small but vocal group in attendance. Many good suggestions were made as to activities for senior citizens.

Mr. Jordan Popkin, administrative assistant to Governor G. Mennen Williams, related the objectives of the White House Conference.

Some of the suggestions which were made was the possibility of tax-free forgiveness at certain levels of valuation and the possibility of church and community sponsored programs for senior citizens who often times find themselves extremely lonely and without much needed companionship.

MANY CAREER CHOICES IN AGRICULTURE

Agriculture, the nation's largest industry offers nearly a complete range of career prospects, declares a Michigan State University agricultural educator.

"Parents who are counselling with their sons and daughters about career choices should keep in mind this wide selection," suggests Vern Freeh, coordinator of student programs in the College of Agriculture at Michigan State University.

"For instance, "he points out, "agriculture can use engineers, scientists, management consultants, editors, conservation specialists as well as farmers."

The reason for this wide choice is that agriculture has changed in a revolutionary way, Freeh says. Agriculture no longer means just farming, although farming is still

an important part of agriculture. Farmers do not carry on most of the activities of agriculture themselves as they did a generation or two ago. Many of these activities have moved off the farm into urban areas.

"This off-the-farm activity provides many of the career opportunities," the M. S. U. educator says.

In the field of science, trained research workers seek to develop new varieties of crops new strains of livestock, new machines and chemicals or they discover new uses for agricultural products.

Engineers are needed to build and maintain the vast and complicated industrial system that supplies equipment and other materials for agriculture.

If selling appeals to a youth, then he can expect a rewarding sales career in agriculture in such areas as feeds, growth-promoting substances and veterinary medicines. These salesmen need to know the product and its scientific application.

If a career in finance sounds interesting, then there are positions available with banks and other credit agencies, insurance companies, cooperatives and industrial firms.

Agricultural communications in another fascinating field. Communicators need to know how to interpret agricultural information to the many audiences that are reached by it. Magazines, newspapers, radio and television stations and advertising agencies need such people.

The conservation, development and management of natural re-

sources requires people who are trained to perform research, management, education, services and communication functions in the broad areas of forests and their products, fish, wildlife, soils and water.

Government service is yet another field of agriculture that offers career choices in many local, state and national agencies.

Trained people are needed in the field of education by such groups as cooperative extension services and other adult education programs as well as the teaching of agricultural subjects in schools.

Further information about agricultural careers and training for them is available by writing the College of Agriculture, Michigan State University, East Lansing.

Motor vehicle accidents killed 37,600 and injured 2,870,000 persons on U. S. highways during 1959.

A study compiled by The Travelers Insurance Companies shows that speed was responsible for 12,980 traffic deaths in 1960—more than 43 percent of the total.

Although making up less than 14 percent of the driving population, drivers under age 25 were involved in nearly 29 percent of all fatal accidents in the United States during 1959.

Studies by The Travelers Insurance Companies show that driver error caused 85 percent of the highway accidents in 1959.

Nearly 1,000,000 American men women and children were injured or killed last year because an automobile driver exceeded the speed limit.

Legal Notices

STATE OF MICHIGAN
The Probate Court for the County of Livingston.
In the Matter of the Estate of GUY HINCHY, Deceased.

At a session of said Court, held on the 19th day of April A. D. 1960.

Present, Honorable Hiram R. Smith, Judge of Probate.

Notice is hereby given, that the petition of Mildred Hassencahl, praying that the administration of said estate be granted to Mildred Hassencahl, or to some other suitable person; and that the heirs of said deceased be determined, will be heard at the Probate Court on May 17, 1960, at ten A.M.

It is ordered, that notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Pinckney Dispatch, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered or certified mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

HIRAM R. SMITH, Judge of Probate.

A true copy.

Helen M. Gould, Register of Probate.

We're Celebrating Our 95th Anniversary

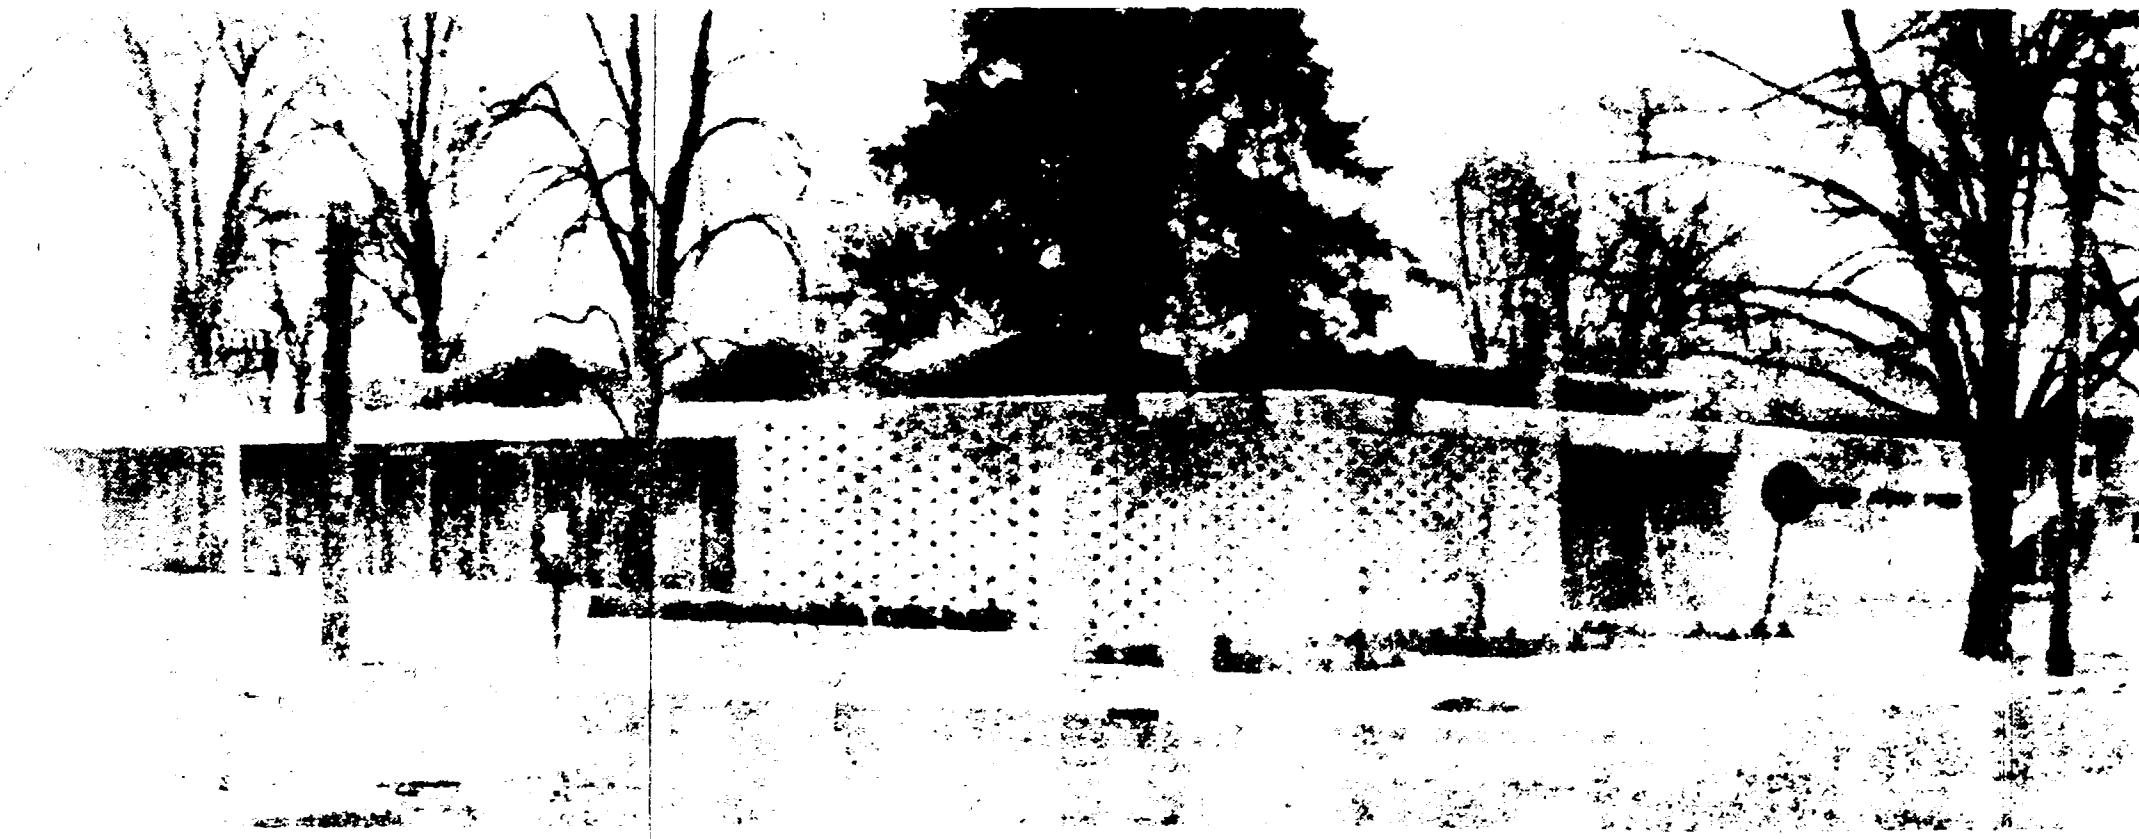

McPherson State Bank

95 Years of
Safe Banking

1865

1960

FREE!

BALL POINT PENS
ASK FOR YOURS

The contrast between the McPherson State Bank's Howell facilities as pictured above is paralleled by just as great a change in banking needs and services. Since April of 1865 when Alexander McPherson and Company began business with two people on the payroll and \$15,000.00 in deposits many changes have taken place. Today 34 are on the staff of the McPherson State Bank to serve you and deposits approximate \$10,000,000 but many things about our bank have not changed. Let us look at some of these:

Service to depositors — Safety and availability of our depositor's funds have always been foremost. NO depositor in our 95 years has been asked to take a loss on a deposit.

Service to borrowers — We have tried at all times to furnish credit, consistent with sound banking

practices, to businesses and individuals in the community whenever needed.

Service to the Community — We have always regarded this as a responsibility, not only through providing needed bank services, but by encouraging participation in community affairs and projects by directors, officers and staff. The list of memberships in churches and community organizations held by our staff numbers over 100. Service to the Bank's Staff — Through the years our bank has attempted to provide for its staff the best possible in working conditions, salaries, promotion and educational opportunities. In the last two years our staff members have completed 30 courses and schools in banking to advance themselves and to enable them to serve you better. Bank services — As time has passed the McPher-

son State Bank has constantly looked for and provided new, needed services for the community. We have also striven to provide these services in the best possible way, utilizing the most modern facilities, equipment and systems available. At the same time we have tried to retain the friendliness and helpfulness which has been the mark of our bank's personal relationships since 1865.

These are some of the things about the McPherson State Bank which have not changed a bit in the last 95 years and while changes will occur in the future we are going to keep these philosophies just as they are. In the meantime we wish to thank all of you who as customers have made our success possible. As the years go on, we pledge ourselves to continue to merit the confidence you have placed in us.

LIVINGSTON COUNTY ROAD COMMISSION ANNUAL REPORT FOR 1959

Over 95% of the income of the County Road Commission for 1959 came from the state collected Motor Vehicle Fund. Less than 5% came from local contributions which, in turn, came from state collected sales tax money returned to the two townships.

Although there has been no property tax for road purpose for nearly thirty years, we are frequently being reminded by many citizens that they should have better road services because of the property taxes that they pay.

The State Motor Vehicle Fund consists of license plate money and gasoline taxes, less the cost of collection. This fund is divided by law as follows:

State Highway Department 44%

Towns and Villages 10%

83 County Road Commissions 37%

The money returned to County Road Commissions is divided into two parts, also by law:

Primary County Roads 75%

Local County Roads 25%

The Primary County Road money is divided among the 83 counties in accordance with the following formulae:

100 equally

100 in proportion to Primary Road Mileage,

750 in proportion to Motor Vehicle licensed

collected from residents of each county.

The Local County Road money is divided:

100 in proportion to rural population.

100 in proportion to local road mileage.

The following schedule shows how these formulae were set out for the county and for those counties surrounding it. The figures in this table are for the year 1959.

PRIMARY ROADS			LOCAL ROADS			
	Total	Miles	Amount	Total	Miles	
Livingston	3,363,350	305	\$11,26	319,628	770	\$2,47
Ingham	1,197,521	365	3,671	236,490	732	3,61
Jackson	801,296	512	1565	324,076	238	3,55
Washtenaw	877,485	452	1941	336,630	221	3,44
Oakland	3,124,323	671	4,656	775,842	1618	4,66
Genesee	1,920,584	436	4,625	655,536	1019	4,57
Chippewa	439,470	300	1,665	131,779	751	2,55

A specific provision of the law requires that no Motor Vehicle money returned to the counties for Local Roads may be used for construction purposes, unless it is matched by an equal amount of locally raised revenue.

The following table gives a comparison of locally raised revenue in this and surrounding counties for the year 1958, in total, and per capita, as based on rural population.

County	Total	Rural Population	Per Capita
<

Notes of 25 Years Ago

Max Musch of Howell was a Pinckney visitor this week. He is the architect who drew the plans for the U. of M. mess hall at Patterson Lake. It is almost completed. Lee Lavey got the insurance contract on the building amounting to \$8,000.00.

Word was received here Sunday of the death in Neuve Pekela, Netherlands, of Jakie Blanken, 12 year old son of Mr. and Mrs. Geert Blanken. Jakie was born in Lansing, Michigan, and lived for several years in Pinckney while his parents operated a bakery here. They left Pinckney to return to the Netherlands.

At the meeting of the Centennial planning committee this week manuscripts were submitted for the pageant. Mrs. Claude Rose of Una-dilla brought the complete history of that township; Miss Jule Adele Ball had the history of Hamburg township. A souvenir program was planned and P. H. Swarthout reported many floats promised for the parade. Rehearsals will begin on June 10.

"Diamonds" is the title of the senior play to be presented Friday

night at the Community Hall. The Juniors will also take parts in the play. Robert Read has the lead, as Phil Drummond and Betty Clinton co-stars as Kate Drummond.

The Pinckney Independents baseball team will open the season here Sunday with Brighton. The local team is under the management of Stanley Dinkel and William Dilks way this year.

A series of free motion pictures to be sponsored by the local business men will start this Saturday evening on the village square.

Mrs. Fred Burgess, 70, died at her home west of Pinckney Monday following a heart attack. She was Faria Bland, the daughter of Mr. and Mrs. George Bland. Survivors include her husband and a daughter, Mrs. Lynn Hendee.

The Kings Daughters will sponsor a Mother and Daughter banquet on May 14, at the church parlors, Congregational church.

A team composed of players from the Pinckney softball league defeated Whitmore Lake here Tuesday, 11-3. Lefty Reason, Joe Singer and Andy Singer all hit home runs for Pinckney.

Mrs. Fred Read and daughters, Rosemary and Muriel, Mrs. H. Palmer and sons, Herbert and Wesley, the Misses Betty Carr, Lois and Helen Kennedy, Marilyn Brown and Esther Berquist were in Ann Arbor Saturday afternoon to see "Juniors on Parade".

Verne Minard and wife have moved here from Sidney and are living in the Carr cottage at Portage Lake. Mr. Minard will assist Mr. Carr in the ice business.

Michigan State Highway Department engineers estimate cost of the Interstate 75 freeway between Detroit and Flint will be about \$200 million.

The Michigan State Highway Department places 4,019 picnic tables in shady spots along state highways. Of these, 2,384 are placed individually or in groups of two or three and the remaining 1,635 are placed in 111 roadside parks.

Conservation

Notes

Prompted by an outbreak of fires which swept over almost 800 acres of public and private lands in Michigan during the week ending April 17, Conservation Department officials are again urging the public, particularly spring debris burners, to use extreme caution in the dangerous weeks to follow.

Before burning, landowners should first consider winds, humidity and other factors which may send their fires out of control.

Grassland fires in southern Michigan caused nearly 700 acres of the April 10-17 losses. Fortunately, dollar damage was not high compared to the acreage figure.

The threat of fires is increasing daily in northern Michigan where forestlands are shedding their winter snow. Fire losses in this sector of the state can be highly expensive, both to humans and wildlife.

The "ounce of prevention" rule is a good one to follow in protecting Michigan's natural resources against fires. There is no quick cure for charred lands void of timber, animals and birds.

Michigan's hunting accident toll improved in one direction and slipped in another last year as 16 persons were killed and 270 wounded during the deer and small game seasons.

Last year's fatality figure is one above that of 1956, lowest on state records which have been accurately compiled since 1939. The 1959 hunting injury total, on the other

hand, is the highest recorded.

With an estimated 637,080 hunters afield during the small game season, eight persons were killed and 219 wounded. Averages were one fatality and one wounding per 79,635 and 2,909 licensees, respectively. The 1958 figure showed one fatality and one wounding per 57,589 and 3,455 licensees.

Based on "known age" causes of fatalities and injuries, Department statisticians estimate hunters 11-17 years old, representing 15 percent of all small game licensees, were responsible for 26 percent of the accidents. Those in the 18-30 age bracket, comprising 31 percent of the small game hunters, caused 43 percent of the accidents.

About 400 home economists will gather on the Michigan State University campus this week. Thursday April 28, brings members of the Michigan Dietetic association to Kellogg Center. On Friday, April 29, they are joined by members of the Michigan Home Economics association for a joint session. Program highlights are the White House Conference on Children and Youth just held, and the White House Conference on Aging, scheduled for 1961. The M. H. E. A. will hold a separate meeting on Saturday, April 30. Climaxing the conference is "Teenage Nutrition" by luncheon speaker Mrs. Sigana Earle, and editor of Seventeen magazine.

Cars that ran away—with no driver behind the wheel—killed 30 people in the United States last year—according to a report released by the Travelers Insurance Companies.

● NEIGHBORING

Tommy Palmer, a totally blind eight year old Dexter boy, was the object of an extensive search last Tuesday after his mother reported him missing. The Dexter Police department, Washtenaw Sheriff's officers and Dexter skin-divers took part in the search which covered the roads, woods, a pool and a small lake in the area. Tommy was found about two hours later at the home of a favorite baby-sitter who believed that the mother knew that Tommy was going home with her for a visit.

Army PFC Daniel Hoey, son of Mr. and Mrs. Leo Hoey of Dexter, took part in the 101st Airborne Division's Exercise Quick Strike at Fort Campbell and Camp Breckinridge, Ky., earlier this month. The nineteen year old soldier is a 1958 Dexter high graduate.

Lee Gillespie, a former Oakland deputy, has been named chief of police of South Lyon.

Brighton has a new assistant postmaster. He is Gilbert Roeder who was transferred from Detroit where he served for nineteen years as Personnel officer with Postal Transportation Service.

Both the bond issue and the extra

Clinton Fletcher, of Brighton, Judge Barron submitted his resignation from that post, effective June 1, 1961.

econome computers.

The importance of a complete count was stressed by the district supervisor. He pointed out that the population figures compiled in the current census must stand as official until the next Federal Census.

"Federal funds are allotted to States and State funds, in turn, are allotted to counties and municipalities on a per capita basis. So a short count means a short allotment. Thus, it is imperative that we have a complete count. The help of every resident of the area is needed to reach this goal," he said.

Meanwhile, the second stage of the census is in full swing, according to the supervisor. This calls for the filling out and mailing the special "blue" household questionnaire which was left at every fourth household during the first stage of the census. This questionnaire contains the questions which are asked of 25 percent of the population in order to save the cost of a complete canvass.

Final Christmas Seal Campaign results show all counties in Michigan contributing \$906,581.81. The state association handles only 63 counties in the state. \$3,738.28 of this amount was given by the people of Livingston County, and appreciation was expressed by the Board members to all who contributed.

PINCKNEY DISPATCH

Notes of

48 Years Ago

The Pinckney High school baseball team won the first game of the season from Stockbridge, 6-4. LaRue Moran was pitching and Harold Swarthout catching as the whole team turned in a fine performance, making only four errors.

A number from here took the teachers' examinations at Howell last week.

James Roche sold a year old buckskin colt to Kitt Cobb of Portage Lake one day last week.

Amos Clinton has purchased an Indian motorcycle and is the first in town to own one of these machines.

The local postmaster has the following information for those interested in chain letter prayers being mailed to some extent this year; Postmasters are required to take such cards from the mails and persons mailing such cards are liable to a fine of \$500, 5 years imprisonment or both.

The Eastern Michigan Edison company has purchased the South Lyon electric plant for \$3000 and will furnish the village with lights.

This week's issue carries an advertisement for the "celebrated friction drive Autocar" . . . a handsome touring car available from the dealer in Gregory.

Married in Tampa, Florida, on April 18 were Mrs. Jennie Fletcher and James E. Seeger, both of Bradenton. Mrs. Fletcher was formerly

Jennie Haze and a unknown in Harry.

Mrs. Myron Ely of Howell was a week end guest of her sister, Miss Lulu Benham.

Good use of color can be kept to your home—and to your taste. Home economists at Michigan State University say color can call attention to good points and help minimize imperfections.

If there is a lovely fireplace in the living room, you can put it on display by making it contrast with the surrounding wall. Thus, a white fireplace is "set off" from a deep sandalwood-colored background.

The same principle applies to dress. Your tiny waist is an "eye-catcher" when it's circled with a flame-red belt against a navy-blue sheath.

On the other hand, the radiator in the hall fades into the background when painted to match the wall. In the same fashion, your waist is much less noticeable when a narrow navy belt is worn with the navy dress.

The home economists suggest you first decide which features—in your home and in your figure—should be emphasized, and which features should be minimized. Then you're ready to use color to create the illusion you have in mind.

There were 2,910 pedestrians killed and 66,030 injured on U.S. roads last year because they crossed between intersections.

NEWS NOTES FROM THE ELEMENTARY SCHOOL

FIRST GRADE

Mrs. Rooker—

We are watching our seeds grow. Some are just starting and others are quite big. We are watching the buds on the trees.

Tommy Highfill is going to North Carolina for a week. The tree have leaves there now.

SECOND GRADE

Mrs. Anderson—

Ann Cullen brought a kitten to school. Its name was Muff.

Carol Ann Sawyer is going to visit her cousin in Flint.

We are writing stories about the moon and stars.

FOURTH AND FIFTH

Mrs. Heaton—

Our science experiments continue with electromagnets, and electromagnet crane, experiments with watching a potato sprout in a dark corner and finding its way to the light. We had an experiment this week to prove that a north pole magnet will attract a south pole magnet and vice versa.

Our units in social studies are developing in a very satisfactory manner. This is a new type of study for many in our room.

The frogs laid eggs. We let them go in the creek back of our school.

Donald Hollister is doing a unit on "Frogs".

Jones, Mike Wiltshire, Pat Pendegras, Linda Wegener, Melba Daniels, Carol Gyde, Martha Hileman, Mary Stapleton, Nancy Bond, Jim Kourt, Jim Baughn and Cindy Hughes. We are going to review and drill now.

Our spelling books and arithmetic and some reading and English workbooks are all done.

We wish to thank Mrs. Heaton's room for inviting us to their room for a visit. We would also like to thank Mrs. Tasch's room for their poem choral recitations. We enjoyed it!

We reported our 25 facts to Mr. Reason on Tuesday. He's our F. T. A. helper. We enjoy having him every week.

SECOND GRADE

Mrs. Johnson—

We have a new plant in our room. Bonnie Speake's grandmother sent it to us. It is an African violet.

We had an Easter egg hunt at Margaret Ackley's. We had two winners, Patty Van Blaricum and Susan Bowles. Back in our class room we hunted candy eggs. Susan Harmon and Bruce Halliburton were the winners. Our service squad girls Margaret Ackley and Cherie Darroff helped.

We are happy to have some hand carved animals to study. David Walton's grandfather carved them.

We are trying to keep our room clean and tidy. We are careful about mud and papers on the floor. Debby Marshall had a new sister in Florida. She is Mary Ann.

FOURTH GRADE

Mrs. Campbell—

We are working hard to finish up all of our work before the end of the year.

On our review test in Spelling, Lynn Stone, Robert Wylie, Mary Louise Highfill, Diane Holliburton, and Wess Scott had all 90 words right.

Our boys are having a good time playing softball. They especially like to have Mr. Tom Singer, our F. T. A. Teacher, pitch for them on Wednesday at recess.

SOCIAL SECURITY

"Not every disabled person is eligible for social security disability benefits," stated W. Scott Hamlin, District Manager of the Lansing, Michigan, social security office. To qualify for payments between age 50 and 65 a disabled worker must have a severe condition which prevents him from doing any substantial gainful work. It is also necessary that the disabled person have worked under social security for five years out of the ten years before his disability began.

For more information about your disability insurance protection and what it may mean to you and your family, ask for the free booklet "What If You're Disabled." Your Social Security Office, 208 East Michigan Avenue, Lansing 14, Michigan, will be glad to send it to you.

CARD OF THANKS

I wish to thank the ladies from church, friends and neighbors who sent me the lovely cards while I was in the hospital. They were deeply appreciated.

Novena devotions in honor of Our Mother of Perpetual Help on Thursdays at 7:30 p. m.
Confessions: Saturday 4:30 to 5:30 and 7:30 to 9:00 p. m.

A pinch of herbs can turn a plain deviled egg into a deluxe version. Roberta Hersey, foods and nutrition specialist at Michigan State University, suggests adding blue cheese, snipped chives and a suggestion of dried rosemary to the egg, prepared mustard and mayonnaise mixture. She says the rosemary adds a flavor that's sweet and delicate, yet distinctive.

Vary Recipes When Serving Liver

Something cheaper than hamburger at the meat counter may be liver. Mary Coleman, foods and nutrition instructor at Michigan State University, adds that low-cost liver is high in food value.

Whatever the variety, liver is tender. Beef liver has more tough membrane to trim away before cooking than has the higher-priced calves liver. For mild flavor, calves liver rates first, then beef, then lamb and pork. All varieties can be cooked into tasty dishes.

Beef, lamb and calves liver can be broiled, pan fried or braised. Pork liver is best braised.

Popular way to braise liver is to dip the meat in seasoned flour and brown it in a little fat. Add sliced onions and a small amount of water and simmer about half an hour. Avoid overcooking the meat since it tends to become dry.

Miss Coleman suggests you switch the recipe sometime and use a well-seasoned tomato sauce instead of water for the liquid.

Braised liver with vegetables is another recipe idea. Light brown the liver, then place it in a casserole dish. Cover the meat with a raw sliced onion, several raw sliced carrots and a stalk of sliced celery. Pour canned tomatoes over the mixture, cover and bake for one hour.

Coming Events!

There will be a card party and a luncheon at 1 p.m. today at the home of Mrs. John McMillan, Rushview Drive, Rush Lake. The public is invited; St. Gerard's Guild of St. Mary's church is sponsoring the party.

The Womens Fellowship of the Congregational church will meet at Pilgrim Hall at 8 o'clock tonight. "Christian Education" will be the theme of the program. All church women and guests are invited.

The P. H. S. Pirates will play baseball at Dexter at 3:30 today; next Tuesday, May 3, they will meet Saline here, at 3:30.

Tomorrow evening, Friday, April 29, volunteer workers will call at all homes starting at 7 p.m. for donations for the American Cancer Society.

Saturday is the date of the student council's carnival at the high school; the hours are 2 to 5 p.m. and 7 to 9:30 p.m. There will be a dance from 10 p.m. til midnight with music by a three piece band. There will be all sorts of booths, games, tricks and prizes as well as other attractions at the carnival. Everyone is invited.

May 3 is the final day to pick up your reservations for the annual Mother and Daughter Banquet which will be held Wednesday, May 4, at St. Mary's school hall. Call Mrs. Lyle Kinsey for tickets, UP 8-3410.

The Pinckney Kings Daughters will meet next Thursday, May 5, at the home of Mrs. Harvey Garr, at 1:30 p.m. There will be an installation of new officers, all re-elected for another year.

John F. Burg, P. H. S. Industrial Arts instructor was elected vice-chairman of the Shiawassee Valley Shopmen, an area group of the M. I. E. S. last Saturday. Mr. Burg was in Lansing three days last week attending the Teachers Institute and the convention of the Michigan Industrial Education Society. More than two thousand instructors attended the latter.

A large group of his young friends helped Ricky Smith celebrate his eleventh birthday at a delightful party at Ricky's home Sunday afternoon.

The high school student council is seeking donations for the White elephant booth at the High school carnival next Saturday. Any small decorative item, ash trays, vases, bookends, dishes, (not chipped or broken) will be appreciated by the students.

The Michigan State Highway Department began placing picnic tables along state highways in 1929.

An estimated 16 million pounds of steel was used in construction of the new \$11 million vertical lift bridge which links Houghton and Hancock in Michigan's Upper Peninsula.

Highway US-45, which starts at Ontonagon on Lake Superior, passes through six states—Wisconsin, Illinois, Kentucky, Tennessee, Mississippi and Alabama—before it reaches the Gulf of Mexico.

Rest areas on Michigan's new freeways will have parking space for 55 cars and 20 trucks and will be equipped with picnic tables, sanitary facilities, telephones, drinking water and an information bulletin board.

News Notes From The GREGORY AREA

Miss Pamela Kunzelman was burned Sunday morning at her home here in town when the stove she was lighting blew up after gas had collected before lighting.

Julie Anne LaPrad is spending two months training at Mount Carmel Hospital in Detroit.

Mr. and Mrs. Richard Young are parents of a son born April 25 in Flint.

Darrell Cool Jr. was hurt recently when he fell from a tractor after the seat gave way.

Mrs. Wright was a dinner guest Sunday at the home of Mr. and Mrs. Holly Holloway.

Mrs. Margarette Hadley is spending a few days at the home of her daughter in East Lansing.

Mr. and Mrs. David Haines attended the wedding of Miss Janet Braden to Mr. Donald Bodenshot Saturday evening at Boyne City.

Mr. and Mrs. Victor Gardner of Winter Park, Florida visited the latter's sister Mrs. Josiephine Howlett several days last week.

Mrs. Eva James returned home Saturday afternoon after spending 2 weeks with her daughter.

Mrs. Leo Gibney served ice cream and cake in honor of Mrs. Vincent Young's birthday Friday afternoon. Mrs. Elaine Singer and family were also guests.

Weekend guests of Jim Sherovich was Dick Graves of Detroit.

The "All Round" farm bureau met Tuesday evening at the home of Mr. and Mrs. Clarence Marshall with 21 present.

Mr. and Mrs. Ken Osberne and family were dinner guests at the home of Mr. and Mrs. Mel Smith.

Mr. and Mrs. Clarence Cranna and Mrs. Dora Stoffer who have been spending the winter in Florida are returning to Michigan the first of May.

Mr. and Mrs. Wm. and sons are spending three weeks vacationing in California.

The Gregory King's daughters met Wednesday afternoon at the home of Mrs. Jurkans.

Mrs. Dewey Brensier was hostess Tuesday evening to the Gregory Bridge Club.

Harold Ludtke was at the home office of the Dominion Life Insurance Co. at Waterloo, Ontario Canada last week for 3 days.

DR. SKIDMORE RESIGNS

Dr. Harold N. Skidmore, of East Lansing, has announced his acceptance of an appointment as Associate to Dr. William Kincaid Newman in the national offices of the Annuity Fund and Pension Boards of the Congregational Christian Churches in New York City.

For the past nineteen years Dr. Skidmore has been Superintendent of the Michigan Conference of Congregational Christian Churches. His resignation, made public following a special meeting of the Conference Board of Trustees in East Lansing this morning, will be effective September 1, 1960.

Dr. Skidmore will be remembered here. He has been a visitor and speaker at the Congregational church and Pilgrim Hall on several occasions.

Michigan has 111 fully-equipped roadside parks along its highways.

Important Change In 1960 ACP Program in Livingston

Livingston County was allocated \$91,722.00 to be used by farmers to establish needed land use on Conservation practices. As this County has only obligated \$52,160.00 at this date, and other counties have obligated all of their funds and are in need of more, the State is contemplating withdrawing funds from the counties that are not using it to other counties.

Our county committee has asked them to give us until July 1 before they withdraw any of our funds; therefore it is important that you make application at once for any practice that you think you might establish in 1960. This may be done on an estimate basis. Don't forget to apply now for lime you will want this fall on your wheat ground, or a winter crop for your corn ground. Following is a list of the available practices for Government cost-share:

Permanent Cover in Orchards and Vineyards, Permanent-Vegetation Cover, Permanent Pasture Improvement, Liming Materials on Farmland, Contour Stripcropping, Field Stripcropping, Planting Trees

WOOL REMINDER

Sales slips for all shorn wool and unshorn lambs sold before April 1st, 1960 must be submitted to the ASC office by May 2, to be eligible for the incentive payment.
