## J. V. Football Team Stars In Dexter Game Thursday

The Pinckney J. V.'s were at their best last Thursday as they defeated Dexter 13-0. The game was highlighted by hard blocks and jolting tackles.

The first half was mostly a defensive battle, with neither team being able to move the ball. Near the end of the second quarter Tim Clark showed the first offensive punch by the Pirates on a 40 yard run to the Dexter 10 yard line. But time ran out before the Pirates could score.

The second half play was dominated by Pinckney. The Pirates defensive unit contained Dexter and mounted an offense of their own.

G. Szalwinski capped a 60 yard drive when he broke over right tackle and went 27 yards for the score. C. DeWolf ran for the extra point.

Early in the 4th period T. Clark sped 42 yards around his own left end for the Pirates second score. The try for the point failed.

Dexter threatened late in the 3rd period when they had a first down on the Pinckney 12. However in four plays the Pirates mauled the Dexter ball carriers and stopped the drive on the 15 yard line.

This game was by far the best team effort of the season. The Pirates out played a bigger, heavier, Dexter team all the way. They combined speed and desire with hard blocks and bruising tackles and this combination rarely fails.

The only remaining game is Nov. 3 with Boyssville at the Pirates field. Game time is 4 p.m.

## Parent-Teacher Conferences Set

In response to numerous requests in the past years the Pinckney Elementary School will offer for the first time a series of parent - teacher conferences. November 10 and 11 have been set aside as conference days. There will be no school for the children those two days and the parents have already been assigned definite appointments for their visit with each child's teacher.

This policy is on a trial basis and will be continued only if parent attendance warrants. The faculty has expressed the opinion that these conferences are needed and would prove beneficial to all concerned. Parents are urged to avail themselves of the opportunity to confer with the teacher. These conferences have been held regularly in the Winans Lake School and the Hamburg school. The former reports a 100 percent response on the part of the parents and the Hamburg School pronounces the program highly successful.

## Jr. P.F. Group Aids UNICEF

The members of the Junior Pilgrim Fellowship of the Congregational Church will participate again this year in the UNICEF program, which with money collected on Halloween instead of the usual trick or treat items, aids the hungry children of the world by providing a milk fund. The local drive will take place on Monday, October 31, starting at 5 p.m. until 7. The youngsters will carry special UNICEF canisters and will be identified by badges.

Following the drive the good goblins will return to Pilgrim Hall for a party of their own and after that a hayride. Mr. and Mrs. Max Reynolds, Mr. and Mrs. Ralph Hall and the Wayne Shettleroes will accompany the group on the hayride.

## Bonds Honored On Anniversary

Mr. and Mrs. Loy Bond were feted Sunday with a surprise open house given in honor of their 26th wedding anniversary. Some 50 relatives and friends came to call on the couple during the afternoon.

The couple was married on October 24, 1934 in Henderson, Michigan, but have lived in the Pinckney area for the past six years.

The Bonds have six children: Gary, of Ann Arbor; Ronald, of Dexter and Carroll, Gloria, Bonnie and Nancy at home. They also have two granddaughters.

## 4-H Handicraft Club Resumes Winter Work

The first meeting of the Handi-Hammers 4-H handicraft club will be held Thursday, November 3, at 7 p.m. in the basement workshop of the Putnam township hall. Marshall Meabon, veteran leader will be in charge again this year and will have as his assistant, junior leader, Paul Russell.

New members enrolling for the first time must be accompanied by a parent in order to be admitted. Boys, ten years and older are eligible.

Last year's members will receive their certificates and pins at this time.

The Hi-Land Lake recreation department which provided such fun for the youngsters there during the summer will feted the goblins, ghosts and little witches of that area with an out-door Halloween Party at the Ranch House there Sunday evening. A huge bon-fire around which the children and their parents in costumes will enjoy games and a song-fest will be center of attraction. Awards will be made for "best" costumes.

The scene this week on Livingston street, on the south side of the Village Square, indicates progress in construction of sidewalks and parking area.

Martin Markos, village employee, checks new sidewalks and steps in front of Putnam township hall which houses Pinckney Community Library.

## Missionary Society Activities Told

Mrs. W. H. Euler entertained the members of the Women's Missionary Society of the Peoples Church at her home Tuesday evening. The group has just resumed winter activities and will meet the last Tuesday of each month. Leading the organization this year are, president, Mrs. Donna Fuhrman; secretary, Mrs. William Brash and treasurer, Mrs. Kenneth Hunt.

Outstanding projects of the Society currently are contributions to the Rural Bible Mission, assistance to various Missionary Boards and to the Augusta Service Men's Center, Augusta, Georgia. The latter was organized by Don McKinley, son of the L. J. McKinley's of Pinckney.

## Latest Change in Mail Time

There has been another change in the mail dispatch schedule from Pinckney since the notice of change that was published last week. The mail will now leave Pinckney for Jackson at 9:20 a.m. instead of 8:30 a.m. The afternoon dispatch will remain at 5 p.m. Mail will arrive here twice daily, both times from Jackson, at 7:20 a.m. and at 5 p.m.

Billie Ellamar, owned by the Everett Hammells of Pinckney, won the Wolverine Mile with a bang-up one-length victory over Billy Dale in 2:06 2/5 at the Jackson Harness Raceway last Saturday night.

**BE SURE TO VOTE  
NOVEMBER 8th**

For the first time in the history of Pinckney there will be sidewalks along the east and the south side of the village square. Work is underway now for the installation of the walks and of curbs which will be bordered on the outside by blacktop parking areas to permit vertical parking on these sides of the square. The sidewalks in front of the town-hall on the west side are being completely repaired as are those in other parts of town. The village is doing the work.

## Pirates Lose To Dexter

The P. H. S. Pirates lost the football game to Dexter there Friday night, 39-0.

Saline comes here for a conference game tomorrow night. Kick-off time is 7:30.

Half-time program will salute players and their parents.

Reverend J. W. Winger was in Lansing on Tuesday to attend the meeting of the Christian Higher Education Fund and on Wednesday and today he attended the Town and Country meetings at the Congregational Conference office there.

## ● NEIGHBORING NOTES

In reponse to many requests the Fowlerville High School will have an adult education program this term, offering seven subjects in classes one night a week.

A lot of hunters from Brighton brought back three deer from their bow and arrow

hunting expedition in the Hillman and Alpena area last week.

The South Lyon Future Farmers of America poultry judging team returned this week from the national judging contest in Kansas City with their third gold plaque in the contest.

Mrs. Betty White, South Lyon junior high school vocal music teacher, sang one of the leads in the presentation of the Cavalleria Rusticna (Rustic Chivalry) produced by the New Orleans Opera Co. in New Orleans over the past weekend.

Dexter has initiated a 24-hour police protection program with Patrolman Robert Taylor the newest addition to the Dexter police department taking office recently.

The old Copeland school at Dexter will be dismantled in accordance with the recommendation of the Building and Sites sub-committee of the Citizens Advisory Committee. The building will be torn down but the bell, belfry, name and corner stones will be saved.

### COUNTY CHICAGO TRIP

Ten of the top 4-H Club members will receive a four day trip to Chicago following the Thanksgiving holiday. This is the same week that National 4-H Club Congress will be held in the Windy City. Financing the trip is the McPherson Banks of Howell and Pinckney. Currently 4-H club leaders are nominating members for this award. The ten members will be selected by the county Awards Committee and 4-H Council. Members will be selected on the basis of their projects exhibit and record, activity in judging and demonstration work, growth in project and leadership shown in local club.

## Elks Lodge Now Offering Student Scholarships

Exalted Ruler Gene Burroughs today announced that Howell Lodge Number 2168, B. P. O. Elks, is receiving scholarship applications in the Elks National Foundation's 28th Annual Most Valuable Student Competition.

Mr. Burroughs said that the Foundation, National Charitable trust of the Benevolent and Protective Order of Elks, is offering 130 Scholarships valued at \$100,000 for the 1961 College Year. The scholarships range from \$700 to \$1,400 and are valid in any recognized college or university chosen by the winners, according to Mr. Burroughs.

Following are the awards, identical for boys and girls in separate competition: First, \$1,400; second, \$1,300; third, \$1,200; fourth, \$1,100; fifth, \$1,000; five awards of \$900 each; ten awards of \$800; and 45 awards of \$700 each.

Announcement of winners will be made at the Elks 97th Grand Lodge Convention in Miami Beach, Florida, in July 1961.

Open to high school seniors and college students below the grade of senior who are United States citizens, the most Valuable Student Competition is intended to assist the nation's best students in furthering their education.

Exalted Ruler Burroughs said that the competition emphasizes scholastic achievement. In order to qualify for the national finals, applicants must have a scholarship average of 90 percent or better and be in the upper 5 percent of their class, he said.

All area students interested in entering the competition must

# EXPERIENCE COUNTS!

## RICHARD NIXON

**Eight years' experience in the President's Cabinet . . . in The National Security Council . . . in the United States Senate**

No other man in our history has been as well prepared for the Presidency as Richard Nixon. Working closely with President Eisenhower, he has learned first-hand the intricate duties of the Nation's highest office. As the most active Vice President ever, he has proven time after time, at home and abroad, that he has the skill and the courage to solve any challenge that may arise.

Richard Nixon does not have to grow up to the job. He has lived with it for eight years. And because experience counts, Richard Nixon is America's chief hope in the critical years ahead.

## HENRY CABOT LODGE

**Seven years' experience as United States Ambassador to the United Nations . . . "America's Voice to the World"**

There is hardly a man alive with a better working knowledge of Communism and its threats than Henry Cabot Lodge. As America's highly respected spokesman at the U. N. for the past seven years, the Communist challenge has been his primary concern. And time after time, in his forceful and articulate manner he has thwarted Communist attempts at world domination.

There can be no more important issue than world peace. And once again, because experience counts, Henry Cabot Lodge is Richard Nixon's perfect partner for peace.

## Teachers Attend Meeting—

Twenty Livingston County teachers met at the Howell High School, Monday evening, October 17th to make plans for the school year.

M. E. A. Staff members Gerald N. Simmons and Thomas J. Northey were present to assist.

Teachers from the Pinckney Schools who attended were: Mrs. Rene Miller, Mrs. Jennie Kellenberger, Mrs. Dorothy Mrs. Audrey Lee, and Mrs. Helen Cool.

### LIBRARY NEWS

We wish to thank the Roger Goulets and the John Colones for books.

New books for adults this week are "The Fiercest Heart", by Cloete; the South African writer and "The Crowded Sky", by Searls. The latter is a suspense story which explains how aircraft is routed for blind flying during times of heavy air traffic.

New children's books are coming in, and will be put into circulation during children's Book Week.

## REGULAR BOARD OF EDUCATION MEETING

The meeting was called to order by Pres. Hollingsworth at 7:30 p.m.

Roll Call—Present: Basydlo, Goucher, Hollingsworth, Swanson, and Young. Absent: Mrs. Towsley.

Minutes of the meeting of September 1, 1960 were read and approved.

James Gardner of Lakeland met with the Board for the purpose of obtaining additional information on the progress of improving the Cordley Lake Road. Safety Training pertaining to Bus Transportation—additional respect for School Bus property.

Supt. Reader's report—

1. Presented the remainder of the teacher's contracts for Board signatures.

2. Kindergarten class very large—26 members are being transported to Hamburg Elementary school.

3. Private cars used for transportation of students to school need not be marked as school vehicles but the operators are urged to use greater precaution in loading and unloading of students.

4. Presented a check from the Pinckney Elementary School Student Council as payment toward the black-topping the play area on the West end of the School ground.

5. Sufficient funds on hand to meet the payroll thru December.

Mrs. Stackables detailed report on the needs of American Flags in the School system was given by Basydlo. Basydlo and Swanson were asked to make the necessary purchases.

The Buildings and Grounds Committee, Goucher and Swanson, reported as follows—

1. Black topping completed.

2. Bus loading at the Elementary School was re-organized to permit all busses to park at the same time—diagonally.

3. Cordley Lake Road—Corrections were in order during the latter part of the year.

Considerable time was spent discussing the re-organization of the maintenance department. Mr. Goucher recommended that we accept Mr. Kinsey's offer of revising the maintenance division toward a long range planning.

Secretary reported—

1. That the Stone School of Genoa Township asked to be considered for annexation.

2. That the Board was asked to encourage the Electors to approve Proposal No. 1 at this General Election.

3. Request from the State Board of School Boards Association to consider aligning themselves with other Boards.

Motion by Swanson, 2nd by Basydlo to pay bills as read. Carried.

The Board went on record in recognizing the fine work being done by the Student council and its sponsor, Mrs. Tasch. This group earned sufficient funds to pay for the black-topping the play area at the West end of the school. Secretary was instructed to send the Board's appreciation to that council.

The Board entered into a short executive session to discuss personal problem. No decision being made.

Motion by Goucher, 2nd by Basydlo to adjourn. Carried.

## BOY SCOUT NEWS...

We have six new members, their names are Wess Scott, Henry Winslow, Tom Mitchell, Roger Harden, Dennis Reynolds and Clair Bell. Dennis Reynolds and Clair Bell have passed their tenderfoot test. We are very happy to have the new scouts and would like to welcome other boys who would like to join the troop.

Sunday dinner guests at the Frank Auxier home were two friends from Detroit.

Belated congratulations to Mr. and Mrs. Lucius Doyle who observed their 36th wedding anniversary on October 22.

The John Colone family visited the auto show and the Detroit Institute of Arts in Detroit Sunday and were Sunday night supper guests at the home of Mr. and Mrs. Hubbard Lee and daughter Carol, in Warren.

Mrs. Bert Wylie, daughters, Bonnie and Janet, and Mrs. Dwight Wegener and daughter, Linda, attended the chicken supper at the Plainfield Methodist Church last Thursday evening.

Last week Mr. and Mrs. Walter Workman, Mrs. Oliver LaBelle and son, Don, motored to Kentucky to take Gordon LaBelle back to his base at Fort Knox.

Mr. and Mrs. Edward Parker left this week for their winter home in Jupiter, Florida.

## Notes of 48 Years Ago

The Citizens Lecture Course Committee has announced a loss of \$100 on last season's series. Season tickets for about 6 lectures were \$1.25.

A stack of marsh hay belonging to W. B. Miller caught fire and burned this week. The loss is estimated at \$150.

physicians are liable to lock horns and let the poor suffer. Sometime ago the County Medical Society is said to have fixed a rate of 50 cents per mile one way for travel and \$1.00 per visit. All but one or two sent their bills to the county for work for the poor, at that figure. The board thought 15 cents enough and cut all bills accordingly. A resolution has now been passed providing that rate with \$1.00 additional for certain contagious diseases.

Hassencahl Bros. got over 72 bushels of beans from the 2 acres of ground belonging to Dr. H. F. Sigler.

Mrs. Birney of Eaton Rapids and Mrs. Birney of Jackson spent a few days last week at the home of their sister, Mrs. Agnes Harris.

Miss Nellie Gardner was a Detroit visitor last week.

Miss Florence Kice of North Hamburg was a weekend guest at the E. W. Martin home.

The appointment of W. W. "Eddie" Edgar, former sports editor of the Detroit Free Press, as National Bowling Tournament Chairman for the 1961 New March of Dimes was announced today by Basil O'Connor, president of The National Foundation.

The appointment points up the importance of tournament bowling as a fund raising event for the March of Dimes attack on the three major crippling diseases—birth defects, arthritis and polio.

### Red Dolan's "Madness"

One day, "Red" Dolan was seen at the golf club strapping on a pair of snowshoes!

When some of Red's friends heard about it, they began joking about Red's mystifying "madness." But I figured Red must have had a reason for donning snowshoes, so I asked him about it.

"Well," said Red, "You know that marsh near the 14th hole, Joe. A lot of the boys alic golf balls right into there and lose 'em for good. So I just put on my snowshoes — they let me travel on top of that spongy marsh surface without sinking

in — and retrieve those golf balls. You should have seen my last haul—enough to play all season with."

From where I sit, people often form opinions about things before they know all the facts. Some folks, for really no good reason at all, will criticize a man for preferring a glass of beer to some other beverage. It's just a matter of taste. To think otherwise is just plain intolerant. And it's a sure way to "shoe" away friends.

Four year old Laurie Hewlett, daughter of the Charles Hewletts is home from the hospital, following a two week stay. Her hand was severely cut when she fell with a glass jar. Therapy to help her regain the use of two fingers was started this week.

Mr. and Mrs. Frank Czerwinski and family spent the weekend with the Chet Lamount family in Grandville. They also visited their nephew, Fred Wiltse, 13, at St. Mary's Hospital, Grand Rapids, where he is recovering following an appendectomy.

Practically every sale of every product manufactured in the U. S. will be purchased by one of the 100 million people who read a newspaper on an average day.

# High School Notes

The Student Council (Mr. McCloskey, sponsor) is attempting to have a Parent's Night at the coming football game between Pinckney and Saline.

There will be a half time program honoring the players and their parents.

It is hoped that all parents who are invited will be able to attend and take part in the ceremony honoring them and their sons.

On Friday, October 21, Mrs. Hmay and the yearbook staff met with the publisher to plan the year book.

The Industrial Arts Class (Mr. Burg, Instructor) has been talking about hunting accidents, and carelessness with weapons, and about the regulations and what kind of ducks you cannot shoot. In Ann Arbor there have been five hunting violations that have been caught. You cannot shoot Canvas back ducks this year, or Red heads. The first law in hunting is to know what you're shooting at. If you don't you have no business hunting.

Sunday's strong wind blew a pane of glass out of a window in the study hall. No casualties—no one was in the building.

Monday morning a film was shown by Mr. Gibson in the high school gym. The subject was "Muscular Dystrophy". M. D. is one of the most deadly and crippling diseases known, the film showed some of the tragedies of M. D. The story in the film was true; it told about a healthy, husky boy, who contacted M. D. He no longer can move at all.

This story stirred the heart of almost every high school student. The student body is starting a Muscular Dystrophy drive, and we hope everyone will give generously.

The Haney twins went to the Auto Show on Saturday, but they wish they had stayed at home. Following is an excerpt from the Detroit Free Press (front page) "Six fire trucks struggled through a flood of Auto Show traffic to answer a fire alarm from the parking roof of Cobo Hall. Thousands of persons were inside at the time viewing the new cars. By the time the trucks arrived, a parking attendant had extinguished a fire under the hood of a car owned by Claude Haney, of Lakeland, Michigan.

The World Geography classes (Mrs. Miller, teacher) are studying deserts of the world. Any materials in the community concerning this topic would be of interest to the students.

Mr. Quigley says that the ninth grade Biology class had better get down to business. Their work is not good enough. He reports that the Physiology students are doing very well this year. Their hard work in last year's Biology class helped prepare them.

Eastern Michigan University will have its annual fall Workshop Saturday, October 29, Mrs. L. Miller will attend with several students from our high school chapter of Future Teachers.

The music department under the direction of Mr. Napier is preparing a Christmas Concert to be held on December 15. The program will feature both instrumental and vocal selections.

Sample questions and answers from the Alsop Poll conducted by Civics Class (Mrs. Morris teacher).

Question - Do you think Sen. Lyndon Johnson helps or hurts Sen. Kennedy in the ticket?

Answer - Best of a poor lot politically.

Question - Is there anything you don't especially like about Nixon?

Answer - Yes, he lacks force.

Question - If the election were today, would you vote for Nixon or Kennedy?

Answer - Neither man seems to have qualities of leadership necessary.

Question - Is there anything that you especially do not like about Nixon?

Answer - Yes, the way he gained his Senate seat in 1946.

Question - What do you especially like about Senator Kennedy as a man?

Answer - His ability to think for himself.

Question - Is there anything you especially don't like about Kennedy?

Answer - Yes, his impulsiveness.

Question - If the election were today would you vote for Kennedy or Nixon?

Answer - Kennedy, because the Democratic Party gives more than lip service to social legislation.

The name of Harry Murphy was inadvertently omitted from last week's list of leading citizens

mentioned by students in their civics compositions about the community and it people.

The Sophomore Dance which will follow the football game tomorrow night is for high school students only. Admission is 35 cents, stag, and 50 cents, for a couple. Girls are requested not to attend the dance wearing slack; boys, no blue jeans.

Many of our teachers will be attending the annual fall banquet of the Livingston County MEA at the Howell High School on Monday, November 7. Dana Rose of the Michigan Bell Telephone Co., will be the guest speaker.

A reminder from all the Civics students to the adults; We can't vote . . . Can You? . . . Will you ???

# To Be or Not to Be - Taxed

ELIZABETH A. COLONE, Editor

Michigan voters will have a chance to say something about it when they vote on Proposal No. 2 on the ballot, November 8.

Approval of the proposal would amend the Constitution to permit the Legislature to raise the current three percent sales tax to four percent.

Defeating the proposal does not, by any means, mean that taxation can be avoided. With at least a \$78 million accumulated deficit by June of next year and a budget that is short about \$16 million in revenue (based on current expenditures) something's got to give. The answer is sought in a tax or a combination of taxes.

Do you prefer the one cent sales tax increase to a personal or business income tax? Independent polls conducted recently bear out this tax philosophy; most citizens consider it practically painless to pay an extra penny of sales tax on a dollar than to fill out complicated tax forms. Since the machinery for collecting the sales tax is already set up the state (the taxpayers) would be saved the terrific expense of setting up the control and the facilities for collecting another type of tax. And the other type of tax is inevitable if Proposal No. 2 is defeated.

Study the proposal, consider it. The amendment is permissive not mandatory; it authorizes but not requires the legislature to levy the tax. But, naturally, it will be levied if the proposal is approved. Cutting down expenses seems out of the question.

The current tax distribution formula would not be affected. Schools would continue to get the two cents and local units their usual part of the tax levy. There is no limitation in the amendment as to the purpose for which the extra cent could be used.

It would conceivably be used to decrease the deficit and to bolster the budget. It has been officially estimated that the maximum revenue the proposal would yield is \$120 million on a full year's basis.

Other thoughts advanced on the subject are: the sales tax hike is the most effective measure until complete tax revisions can be worked out; that the sales tax increase hits hard at low income groups; that an income tax based on the ability to pay would be more fair and produce more revenue.

Less than two weeks remain in which to consider one of the most vital factors in Michigan's economic future.

Study Proposal 2; then use your vote.

# Cobo Hall Visited ...

The National Automobile Show in Detroit attended by a least 1.4 millions during its ten-day run (more than 100,000 last Sunday) has been termed an immense success. It certainly should prove a boon to the auto-dealers because now that the crowds have seen the crowds... and Cobo Hall... they will flock to the dealers' show rooms to see the cars. They'll view the models they wish in the peace and quiet of the show room with possibly one salesman

and a buyer or two in sight, without battling a traffic jam, paying a ridiculous parking fee, losing children, getting elbowed, pushed, pulled, turned, trampled, starved and confused while attempting to catch a glimpse of the new compact cars. Seriously, we wouldn't have missed the show this year for anything in the world, but we are not making plans to attend next year's.

## Library Invites Boys and Girls To Enter Contest

### NAME MISTY'S COLT—

Library Boys and Girls enter contest to Name Misty's Colt. A thousand dollars worth of new books for the childrens department of the library is the prize the boys and girls of Pinckney Community Library are going to be working for in the next few weeks. All they have to do is help the library submit the winning name for a little colt!

It all started when Misty gave birth to her first foal last April 6. Misty is the heroine of "Misty of Chincoteague," a book by Marguerite Henry, one of the favorite horse stories of all boys and girls. The fact that the colt's birthday was right in the middle of National Library Week, plus the fact that Misty herself bears the distinction of being the only four-footed member of the American Library Association, persuaded Miss Henry to ask the boys and girls of America's libraries to help her select a suitable name. Rand McNally & Company, publishers of "Misty of Chincoteague," are providing the \$1,000 prize. All children who use the library are invited to suggest a name. Pictures and facts are posted in the local library.

Librarian, Miss Pruess, has additional information about the contest.

## Red Cross Drive Set For Nov.

Six townships (Cohoctah, Deerfield, Gregory, Hamburg, Putnam and Tyrone) not affiliated with any Community Chest are staging their 1961 Red Cross drive during November. The past several years they have conducted the drive during the month of March, but bad weather and roads in March have made solicitation for workers very difficult. The change to November will make it much better for the workers, and give their drive the benefit of the publicity carried on at this time by the Community Chests.

Township chairman for the Fund Drive in this area are Hamburg, Mrs. Francis Shehun and Putnam, Mrs. Stanley Dinkel. Miss Josephine Grostick, Co. chairman states the 1961 quota for Livingston County is \$9,000.00 with the local chapter retaining approximately 50 percent, the balance going to National.

Mrs. O. F. Merithew is Livingston County chairman of the Home Service program for active servicemen and women, ex-servicemen and women and their families. Miss Helen Bauer is chairman of the Blood program. Eight hundred and twenty-nine pints of blood was collected from donors the past year, and 923 pints of blood was furnished free to Livingston County residents. The local Red Cross share of operating the Lansing Regional Blood Center the past year was \$2965, and the local expenses collecting the blood was \$450. The Red Cross sponsors the Gray Ladies organization at the McPherson Community Health Center, with 76 Gray Ladies working at the present time. Water Safety, First Aid and Disaster Relief are other programs sponsored by the Livingston Co. Red Cross Chapter.

There are two thousand magazine publishing firms in the United States with a total volume of more than one and one-half billion dollars annually.

## VOTE "NO" ON PROPOSAL NO. 3 ON NOVEMBER 8th

Our Michigan Constitution is the foundation document underlying our State Government. A Constitutional Convention is a serious and costly procedure.

### PROPOSAL NO. 3 WOULD AMEND THE CONSTITUTION TO:

- Permit less than a majority of voters in an election to call a "Con-Con".
- Change the basis for selection of "Con-Con" delegates so that seven of Michigan's 83 counties would have a majority.
- Increase the number of delegates from 102 to 144.
- Cost an estimated \$2,500,000 in salaries and direct charges.

A general revision of our Constitution would crowd the courts.

Present laws would be in question under a new Constitution.

## Notes of 25 Years Ago

The two issues on the ballot in the special school election carried by heavy majorities Thursday. The voter's approval will make it possible for Pinckney to build a large addition to the high school.

Jesse Amburgey, 66, died at his home here. Four sons and three daughters survive.

The Junior Class elected the following officers this week: president, Mercedes Merrill; vice president, William Meyer; secretary, Arlene Thorp; and treasurer, Raymond Ellis.

The sophomores elected Jeanne Adams, president; Howard Read, vice president; Mary Hoisel, secretary and Paul Singer, treasurer.

The Pinckney Pirates tied with Hartland, 6-6, in the football game Friday. This makes the Pirates their second 6-6 tie score this season.

Rev. Lewis Dion received word today that Father Morning who served St. Mary's Church here for several months lost his life in an automobile accident in Denver Colorado, recently.

Gerald Clinton, former linotype operator of the Dispatch, is now employed by the Wayne Review.

Stanley Dinkel is now with the Hudson Motor Co. in De-

troit. A large group of young people attended the Halloween party at the Thomas Pemberton cottage Saturday night.

The Misses Elizabeth and Joan Spears are spending some time with the Frank Murrys in Greensburg, Pa.

Mr. and Mrs. John Martin, Mr. and Mrs. Percy Ellis, and the Lynn Hendee family attended the recent commencement exercises at Cleary Business College. The Misses Dorothy Ellis and Evelyn Hendee were among the graduates.

## Light Blankets Can Keep You Warm

Blankets don't have to be heavy to be warm. If they are fluffy, they will hold warm air and keep you comfortable.

Bernetta Kahabka, clothing specialist at Michigan State University, says lightweight fluffy blankets can be as warm as heavy, tightly woven or felted ones. And lightweight blankets are usually more comfortable.

Deep, fine, even nap that is springy is one characteristic of a quality blanket. Long fibers in both the underweave and the nap insure good wear.

Test the nap by rubbing your hand over the surface. If the nap sheds or if little balls of fiber roll up, the nap fibers are short and will wear away.

Double check by pinching a bit of the nap between your fingers and lifting the blanket slightly. Short-fiber nap pulls loose, while long-fiber nap stays anchored.

Firm underweave also is important for wear. Check against thin and thick spots by holding the blanket up to the light.

## Nurses Week October 23 - 29

October 23 through October 29, 1960 has been officially proclaimed Michigan Nurse Week by the Governor and by mayors throughout the state.

Appropriate recognition should be given to our registered nurses and our licensed practical nurses who stand ready to serve, day or night, every week of the year, in times of peace and disaster to provide a healthier community for all the people.

Birthday greetings are in order today for Tom Howe, tomorrow for Ruth Ann Brown, and next Tuesday for Rusty Van Norman and Jack Young, Jr.

## - LOCAL ITEMS -

Postmaster and Mrs. Lawrence Baughn are in Miami Beach, Florida, attending the National Postmasters Association convention, October 23 - 27.

The four Livingston County residents who were invited to board the campaign train of presidential candidate John F. Kennedy when it passed through this district recently were Edward Rettinger, Hamburg township chairman; Jerry Sixby, Green Oak township chairman, and Mr. and Mrs. Lester McAfee of E. M-36. They rode from Lansing to Owosso.

Announcement of the engagement and the approaching marriage of Felicia Oleaki to Walter Kuebler of Manchester has been made by her parents, Mr. and Mrs. Stephen Oleaki of Rush Lake. A November wedding is planned.

Mrs. John Towaley is a patient at University Hospital, Ann Arbor.

Mr. and Mrs. Pat Jeffreys of Monroe have announced the birth of a daughter, Brenda Leigh, on October 18. Proud grandparents here are Mr. and Mrs. Bill Jeffreys and the Herman Widmayers. Mrs. Widmayer went to Monroe Tuesday to stay a few days with her daughter. Little Lynda, Jill and Mike who were staying here with relatives returned with her to meet their new sister.

Sunday dinner guests at the Willard Widmayer home were Mr. and Mrs. Kenneth Heumann of Detroit and Mrs. Dorothy Emmett of Dearborn.

Mr. and Mrs. Jim Amburgey (Delores Bokros) were guests of honor at a birthday party at the home of Mr. and Mrs. Bob Higgs on Sunday. Both Jim and "Dee" observed their 23rd birthdays on October 24.

Mrs. Edna Spears, Miss Helen Tiplady, and Mrs. Louise Shehan attended the funeral services for Mrs. Mayme McKernan O'Brien in Chelsea last week. Mrs. O'Brien, 80, a former area resident died at her home in Chicago.

Mr. and Mrs. John Ludwig recently announced the birth of a son, Michael Steven, on October 15 at the Detroit Memorial Hospital.

Finding tuberculosis in its early stages is one of the goals of the chest X-ray survey to be conducted in Livingston County from November 15 through December 9, according to Judith Hubbel, Public Health Nurse with Livingston County Health Department.

### EUGENE GREEN

Eugene Green, 58, a co-owner of the Three Brothers Farm, Pinckney - Dexter Road, and a resident here for about ten years died last week at Ford Hospital, Detroit, following a long illness.

Survivors include his widow, Aranka, two sons, Irvin and Leslie, two brothers of Pinckney and several brothers and sisters residing out-state.

Funeral services were held last Thursday at the Hebrew Memorial Chapel, Joy Road. Burial was in Royal Oak.

Mr. and Mrs. Robert Watson and son, Ricky, of Detroit were Saturday guests at the Charles Wiltshire home.

Mrs. DuWayne Wilson of Highland Lake, president of the Sixth District, V. F. W. Ladies Auxiliary, attended the Pow Wow, department Fall Conference in Grand Rapids during the past weekend.

Mrs. Claudia Peters of Jackson is visiting at the Fred Read home.

## RE-ELECT JUDGE OF PROBATE

## HIRAM R. SMITH FOR ANOTHER TERM

For 12 years Judge Smith has administered the important office of Judge of Probate with honesty, fairness, helpfulness, promptness and efficiency. He has been a friend to everyone who has sought his help or advice. Born and raised on a farm in Livingston County, he understands the problems of all our people. His 40 years of experience as a lawyer and Judge eminently qualifies him to determine and solve the many important matters that come into this Court. It is an office that should not be left in the hands of one without experience. Hon. Arthur E. Moore, a nationally known Probate Judge, of Pontiac, who frequently calls on Judge Smith to hold Probate and Juvenile Court for him when away, wrote Judge Smith, after returning from a Probate Judges' convention:

"It was indeed a pleasure to hear the Judges throughout the State express the high regard they hold for you and the appreciation for the way you are operating the Probate Court of Livingston County. Undoubtedly your years practicing law and fine past experience are of great help in your Probate Court work. I am sure the people of Livingston County hold you in the highest regard and are indeed appreciative of how fortunate they are in having a man of your caliber exercising this important position."

Hon. Willis L. Lyons, Probate Judge of this county for 34 years and former Circuit Judge says:

"Judge Smith is an able Probate and Juvenile Judge. His administration of the office for the past 12 years has been outstanding for its promptness, fairness and efficiency."

Referring to the policy of changing a Probate Judge for a new, inexperienced person, the Lansing State Journal, in an editorial some time ago stated:

"The Judge of Probate will remain in your affairs long after you have forgotten your campaign furor. Go where one will, into most any county of this state, or other states, and one will generally find the people leaving the office of Judge of Probate politically alone. They seem to want a man who will remain on the job, year in and year out. They want a fatherly sort of man, they want a man of wisdom and withal a man of great patience toward those not accustomed to things legal and formal. The term 'Probate' does not tell the story of the Probate Office as it should. But we all know it deals with Wills, with Estates, with Mothers' Pensions. It deals with the affairs of minors and with those termed delinquent. The office is not one that deals with political theory—it is an office that deals simply with humankind, usually in its hour of trouble. Usually those who go to the Probate Office go in a time of confusion. They want to meet someone who is just, true, dependable and one who will give sound advice."

"In most counties, as one notes those who are incumbents of the Probate Office, one finds that people generally choose a man experienced with life as it is . . . Estates, big, medium and little, in due course, go their way to the probate office . . . So pick the person as best you can for the office. Give the selection earnest and due consideration."

Will all new registrants, all young voters, all those who have had no occasion to ask for assistance in the Probate Court, ask someone who has. Will those who have had occasion to have any matter here, kindly see or phone their friends and acquaintances and advise them for whom to vote. If you wish to continue Judge Hiram R. Smith in office for another term, be sure to look for his name on the NON-PARTISAN ballot and vote for him on the ballot or on the voting machine. Kindly remember to vote for the re-election of Judge of Probate, Hiram R. Smith, on the Non-Partisan ticket on November 8th.

## MICHIGAN MIRROR

Michigan can continue to guarantee the loans floated by school districts—a system which schoolmen say has worked out well so far—if voters adopt the constitutional amendment which will be proposal number one on the Nov. 8 ballot.

Present provisions similar to the proposition up for approval are due to run out in 1962.

If enough voters say "yes" on election day, the state could stand behind the school districts in their borrowing for another 10 years. Some changes, most of them relatively minor, in the state's role in this phase of borrowing would also be made.

As the law and Constitution stand now, the state can borrow up to \$100 million to help the state guarantee the loans.

But the school districts might get a slightly better interest rate from the fact that the state is behind the bond issues. Brown said some school people think present bond issues should have been able to get a better interest rate anyway.

The proposed law would also allow school districts to float bond issues for shorter periods than required under existing rules.

Only 25 to 30 year bonds can be guaranteed by the state under existing conditions, but bond issues to be paid off in 15 or 20 years or even shorter periods would be eligible for the state backing under the proposal on the ballot.

**PINCKNEY DISPATCH**  
Thursday, October 27, 1960

Mrs. Murphy, 32, won the coveted crown in Ft. Lauderdale, Florida, competing as Mrs. Indiana with finalists from every state and the District of Columbia.

"With five children," says the tall, dark-haired queen of homemaking, "we have had to learn to 'do it ourselves' in work, play and family living."

Husband George is manager of a freight terminal in Kentland, a small community of 2,000 population located some 50 miles south of Chicago. The Murphy's live conservatively in a rambling home and make every dollar count.

It was in this setting that Rosemary revealed her favorite pastry recipe—grapefruit cake—the same recipe she used, incidentally, in her successful quest of the Mrs. America crown in Ft. Lauderdale. Total preparation time in the baking, Mrs. America said, is about 25 minutes, with the baking itself consuming approximately the same amount of time.

### Mrs. America Grapefruit Cake Recipe

1½ cups sifted cake flour; ¾ cup sugar; 1½ tspn. baking powder; ½ tspn. salt; ¼ cup water; ½ cup vegetable oil; 3 eggs separated; 3 tblspn. grapefruit juice; ¼ tspn. grated lemon rind; ¼ tspn. cream of tartar.

Sift together flour, sugar, baking powder and salt in large bowl. Make a well in center of dry ingredients. Add water, oil, egg yolks, grapefruit juice and lemon rind. Beat until very smooth.

Beat egg whites and cream of tartar in medium-sized bowl until stiff but not dry. Pour egg yolk mixtures over whites, folding gently with rubber spatula just until blended (do not stir mixture). Pour into ungreased 9-inch layer cake pan. Bake in moderate oven 350 degrees Fahrenheit 25 to 30 minutes or until cake springs back when lightly touched with finger.

Invert pan on cake rack until cool. Run spatula around edge of cake; carefully remove from pan. Gently cut through cake horizontally with serrated knife to make two layers. Fill and frost with grapefruit, cream cheese frosting.

## At Age 96, History Prof Makes History

Chances of beating 100,000-to-3 odds are pretty slim.

James Alton James, Chicago, dean emeritus of the Northwestern university graduate school recently beat these odds. He won by living to 96 years of age and collecting on his insurance policies himself.

When James took out his two \$2,000 life insurance policies from the Northwestern Mutual Life Insurance Co. shortly after the turn of the century, the chances against his surviving to 96 to collect the face value were one hundred thousand to three.

On his 96th birthday James was paid a visit by a Northwestern Mutual representative who told James that he could collect the proceeds of his policy — \$4,000, but James preferred to leave the money on deposit with the company and draw interest.

According to the company, over the years James received \$2,313.72 in cash dividends in addition to the \$4,000 of policy proceeds now payable. He had paid total premiums of \$3,676.80 on his policies.

The retired professor spends his time these days "keeping busy". He is now writing a history of the university and of the university's graduate school — a task he has been working at since he retired as chairman of the history department in 1936.

From 1898 to 1936 he was history department chairman. During that time he also served as the first dean of the graduate school — a post he held from 1913 to 1931.

During his career he has served as first chairman of the Illinois State Park commission, lectured at the University of Prague and was consultant to the World Council of Churches meeting in 1954 in Evanston.

## Mrs. America Partial To Pastry

"We like to do everything together."

Those words sum up the spirit that prevails in the household of Mrs. George (Rosemary) Murphy, the Kentland, Indiana mother of five children whose homemaking skills catapulted her to national fame last June as the nation's number one homemaker, Mrs. America of 1961.

## Hot . . . Savory MEAT BALL NOODLES

The Big Hunger days of the year are with us once again. So it's cheers for this sturdy dish of savory meat balls and tender egg noodles in herb-tomato sauce. All easy to make, too, as you will see.

¾ pound ground beef	1 minced garlic clove
1 cup herb-seasoned stuffing	¼ cup butter
2 cups canned apple sauce	2 8-ounce cans tomato paste
½ teaspoon salt	½ teaspoon oregano
Flour	8 ounces wide noodles, cooked according to directions on package. (About 4 cups)
¼ cup shortening	
1 large sliced onion	Parmesan cheese, if desired

Combine meat, stuffing, ½ cup apple sauce, and salt; mix well. Form into small balls. Roll in flour. Sauté in shortening, until lightly browned. Sauté onion and garlic in butter until golden brown; add tomato paste, remaining apple sauce and oregano. Cook 10 minutes. Add meat balls, slowly cook 10-15 minutes. Pour over cooked noodles; toss together. Serve with Parmesan cheese, if desired. Makes 4-6 servings.

And with it serve this Relish. Delicious!

4 cups canned apple sauce	1 cup sliced onion
1 cup diced celery	1 cup light brown sugar
1 cup diced green pepper	½ cup cider vinegar
	1 teaspoon pickling spice

Combine apple sauce, celery, green pepper, onion, brown sugar, vinegar and spices. Cook slowly, stirring occasionally, until thickened, approximately 2 hours. Makes 2 pints.

Marvin and Vivian Lott of Mason have been chosen Michigan's Outstanding Young Dairy Couple for 1961. The Lotts, shown here with children David, 7, Debbie, 2, and Diane, 10, won the honor over 10 District winners and six finalists in a contest sponsored by Michigan Milk Producers' Association.

The young couple will represent Michigan at the annual convention of the National Milk Producers Federation in New Orleans, November 27 to December 2.

A panel of three judges, including MMPA Director George Austin, MSU Extension Dairy Specialist Don Murray, and Edwin St. John, Agricultural Consultant of the Michigan Department of Public Instruction, unanimously selected the Lotts as the Outstanding Young Dairy Couple on the basis of a near perfect score on farm establishment, progress made, dairy program, community activities, personality.

Don and Shirley Brinks of Howell won second place.

## Conservation Notes

This year's "luck of the draw" is over for a record 218,800 hopeful hunters who applied for 1960 "any deer" permits in 30 oversubscribed areas.

It came to a close late Wednesday afternoon, October 19, when the last of nearly 83,000 successful permit applications was drawn from the bulging files in the Conservation Department's Lansing office.

Mailings will begin November 2 to notify all applicants of how they fared with the odds. Before this takes place, application cards must be marked by a commercial printer to indicate whether or not the applicant was successful.

Markings on some 92,000 applications will bear good news. The unmarked half of each card will be held in Lansing and used in checking for persons who may have illegally submitted more than one application.

Permittees will be allowed to take one deer of any age or either sex in areas 2-35 during Michigan's regular November 15-30 firearm season. The same rule will apply in Area No. 1

(a portion of Allegan County) during a special December 1-6 season there.

The bride was graduated from Lincoln Park High School and is attending the Alexandria School of Cosmetology. Mr. Waterbury was graduated from Ann Arbor High School and is employed by Killens Co., Ann Arbor.

## The Perfect Apple Pie

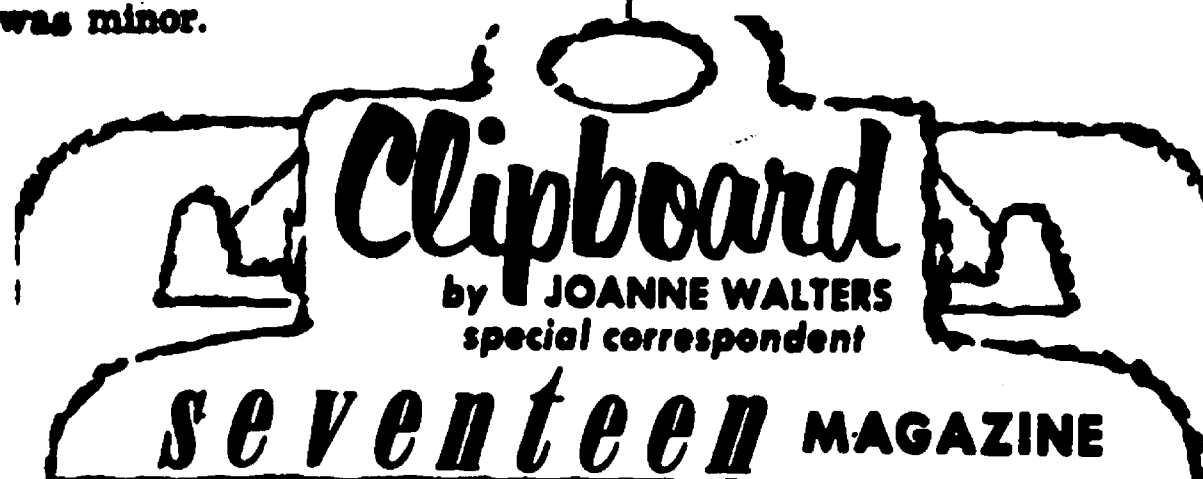

The best cooks in the land use this apple pie filling recipe. Remember to chill the dough, handle it little. The dough and filling recipes are in the new, first-ever Ladies' Home Journal Cookbook. The October Journal gives this filling goody:

Pastry for 9" two-crust pie  
8 green, tart apples, peeled, cored and cut into eighths  
1 cup brown sugar or 3/4 cup white  
1/4 teaspoon nutmeg  
Dash cinnamon

1/4 teaspoon salt  
1 tablespoon lemon juice  
Grated rind 1/2 lemon  
2 tablespoons butter  
Cheddar cheese (garnish)  
Cream (optional)

Line the pie plate with pastry and arrange the tart, green-apple slices in layers. Sprinkle each layer lightly with a mixture of sugar, spices, salt, lemon juice and rind. Save out enough for the top. When plate is full, dot with butter and cover with top crust. Seal and crimp edges. Bake in a very hot oven, 450° F., for 15-20 minutes, then reduce heat to moderate, 350° F., for 20-30 minutes more, until the crust is brown and apples are tender. Serve hot or cold, with cheese. Serve a pitcher of cream on the side. Eight servings.

## Resolution

It should be the objective of the Livingston County Board of Supervisors that a uniform position classification and compensation plan be established to provide proper compensation for county employees, based on the duties and responsibilities of the respective positions.  
THEREFORE, we the undersigned committee recommend that the Livingston County Board of Supervisors do at the earliest possible opportunity engage some qualified person or agency to study our several departments and make recommendations to the Board of Supervisors to the end in view of establishing such a plan.

## 4-H'ERS GEAR FOR OFF-THE-FARM JOBS

Economists now predict that only one out of nine farm youth will make his livelihood by owning or operating a farm.

When this ratio is applied to 4-H Club members who are brought up on farms and ranches, several hundred thousand each year will choose off-the-farm occupations. To better prepare these young people for jobs in industry, education and elsewhere, the Cooperative Extension Service of every state land-grant college or university is keying 4-H educational programs to current trends in jobs.

"The 4-H projects serve as apprenticeships to career explorations," stated Dr. E. W. Alton of the Federal Extension Service, addressing a group of business men and women whose firms contribute about a million dollars to 4-H work each year.

"Club leaders are placing more emphasis on vocational guidance," he said. Only two out of 10 high schools today offer vocational counseling, and most of these schools are in large cities. Extension workers are teaching boys and girls to "convert the complex cluster of 4-H experiences to day-to-day events," he

added. A recent report states that there are now three jobs awaiting every agricultural college graduate. They relate to research, industry, business, education, communications, conservation, service, and farming.

More than 50 business firms, educational foundations and individuals annually contribute \$200,000 in college scholarships besides other incentives in a collective effort to help 4-H Club boys and girls become responsible self-supporting citizens. This support is provided through national and regional 4-H programs arranged by the National 4-H Service Committee and the Extension Service.

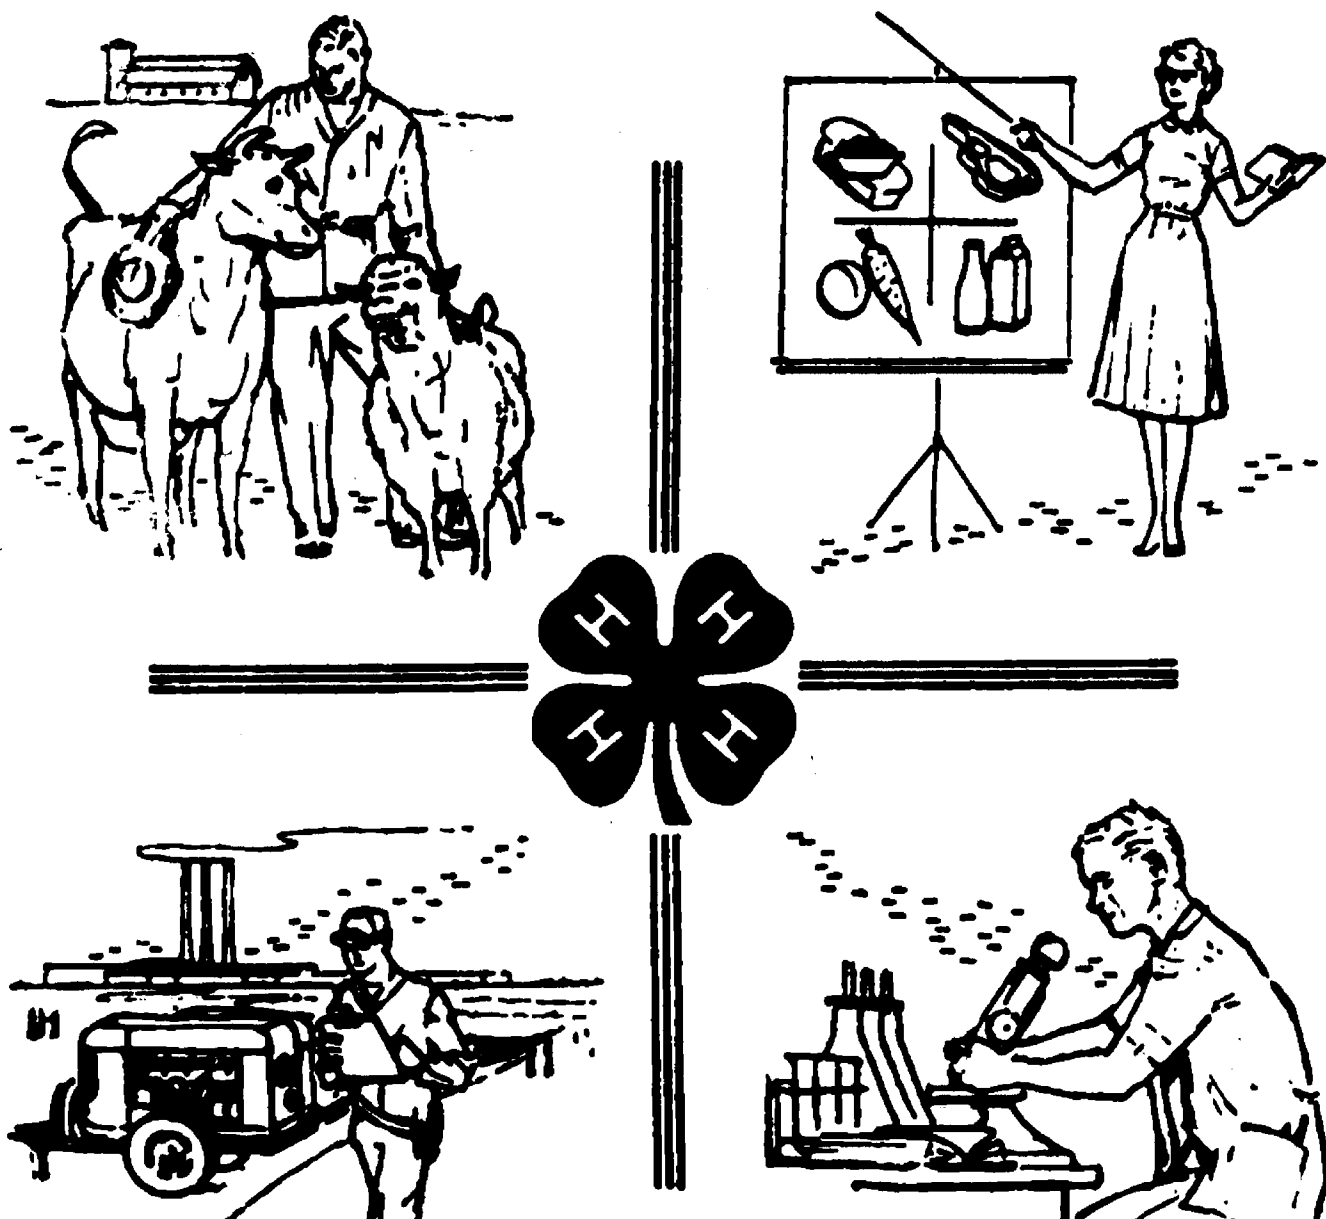

Award donors whose support of 4-H programs ranges from 15 to 43 years are: International Harvester — agricultural; Firestone Tire & Rubber — automotive care and safety; Mrs. Charles R. Walgreen — beautification of home grounds; Kerr Glass — canning; Coats & Clark — clothing; Westinghouse Educational Foundation — electric; Allis-Chalmers — garden; Montgomery Ward — home economics; Sears-Roebuck Foundation —

home improvement; Edward Foss Wilson — leadership; General Motors — safety; Sunbeam — home economics.

The Armour, Cudahy and Wilson companies plus Livestock Conservation, Inc., each provide awards in livestock projects. The following railroads contribute educational awards: North Western, Burlington, Santa Fe, Milwaukee, and Illinois Central.

Long-time supporters of the 4-H tractor program are American Oil, Standard Oil Foundation (Chicago), Standard Oil (Kentucky), Standard Oil (Ohio), Utah Oil Refining, and more recently, Humble Oil Refining.

Sara Wylie Oliver of the WAC, Fort Dix, New Jersey, is home for a visit with her parents, Mr. and Mrs. Fred Wylie, who are announcing Sara's marriage to Sp/4 William Alfred Oliver of Fort Dix and Lexington, Kentucky. The wedding took place June 23, last in New Jersey. The bridegroom expects to complete his tour of duty with the Army next spring.

## MICHIGAN MIRROR

The PROS and CONS of of Con-Con could fill a library. The issue of calling a Constitutional Convention to revise Michigan's 52 year-old basic law is the kind of a question that can make Republicans stand shoulder-to-shoulder with Democrats, or turn brother against brother—all for perfectly valid reasons.

Whether you're for it or against it, one thing that has to be remembered is that proposal three on the Nov. 8 ballot will NOT result in an immediate Con-Con if it is approved, and it does NOT mean the Constitution can't be revised if it is turned down.

What the ballot proposal would do is this:

It would put the question, "shall a Constitutional Convention be called?" before voters for their approval or disapproval at the 1961 Spring election. Under existing provisions of the Constitution, the question, which

was turned down in 1958, would not go before voters again until 1974—unless the Legislature voted to put it on the ballot again, or, as they did this year, citizen rousers circulated petitions to force the question on the ballot.

It would change the vote required to approve a Con-Con from a majority voting in the election to a majority voting on the question. Courts have interpreted the existing Constitution to mean a majority voting in the election must approve Con-Con to call one. The 1958 vote would have resulted in a Con-Con if a simple majority of those voting on the question were all that was needed.

The ballot proposal would change the method of selecting delegates from three for each state senatorial district to one for each state senator and one for each state representative.

It would order a special election 120 days after voter approval of a Con-Con became official in order to select the delegates to the convention.

These four changes would

have to be made in the present Constitution to enable the Con-Con proposal as it stands now to go before the people. That's why these amendments to the Constitution are up for voter approval November 8.

The lineups for and against proposal three show an impressive "team" on both sides.

Powerful groups worked actively to put the question on the ballot by popular referendum.

Distinguished spokesman and leaders have positive and active stands on the ballot proposal, and on Con-Con itself—some of them for and some against.

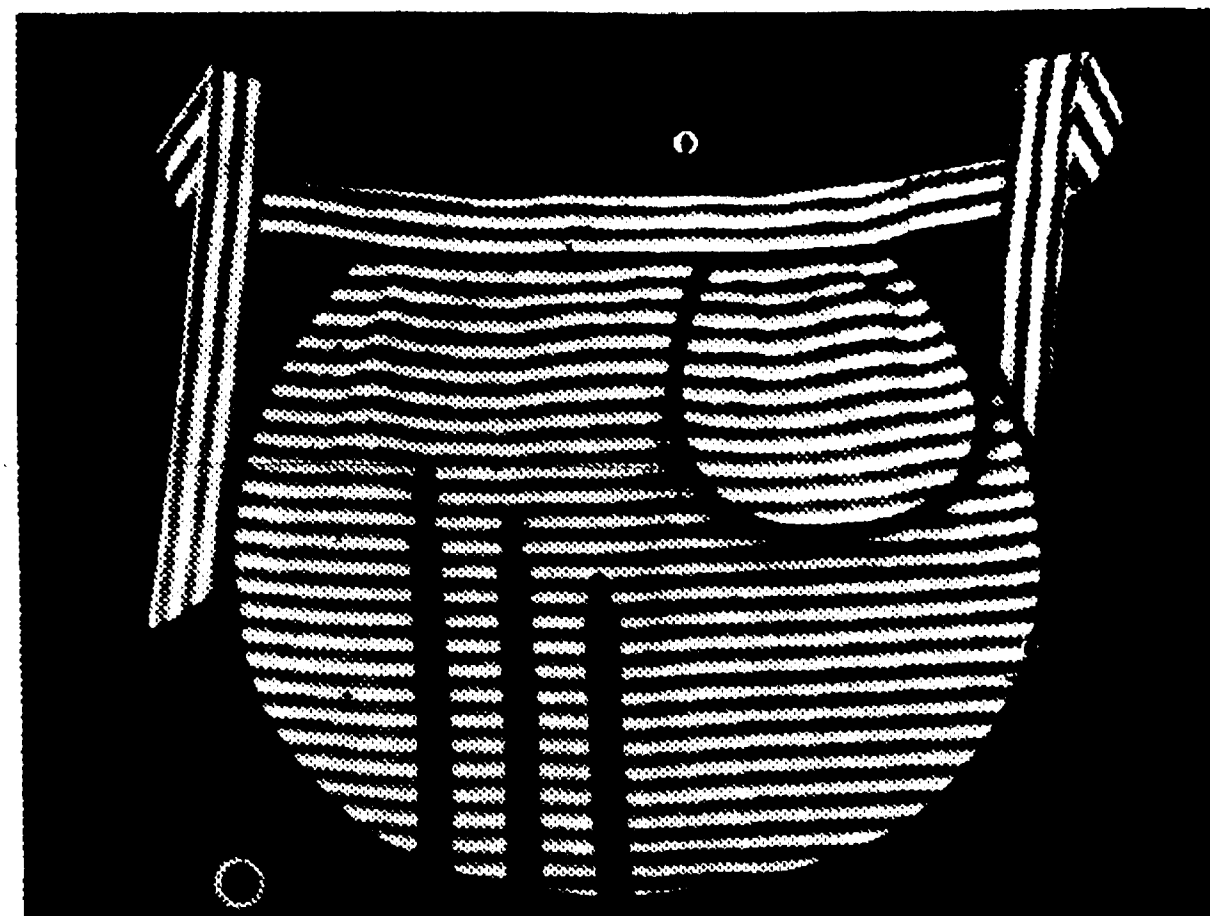

Both political parties are divided on the issue.

The liberal wing of the Republican party, led by Governor Candidate Paul D. Bagwell, and certain segments of the Democratic party, led by Gov. G. Mennen Williams, say that immediate Constitutional revision is needed, and the proposal on the ballot is the quickest way to get it.

The labor wing of the Democratic party, led by Governor Candidate John B. Swainson, and the conservative wing of chief spokesmen are in the Michigan Senate, say that Con-Con may or may not be needed, but the ballot proposal is not the way to go about it at any rate.

The chief reason behind the party opposition to the ballot proposal that neither Republicans nor Democrats would be assured of a clear majority of delegates under its selection method.

Other opposition to proposal

**YULE APRON** — Here's a gift idea for a friend or neighbor. To make this useful apron with a Christmas air, you'll need a basic apron pattern, a print or plain 100-lb. cotton bag, green bias binding, and metallic cord. Candles are strips of bias binding top-stitched to apron skirt. "Flames" and "Wicks" are red binding and cording.

three ranges from doubts about the cost of a Con-Con (estimated at from \$2 million to \$3 million) to fear that special Constitutional protection would be lost.

There is also the predictable inclination in some quarters to cling to the status quo.

The only safe assumption at this point is that win or lose, proposal number three on the November 8 ballot is only the first round in the battle over Constitutional revision by the Convention method.

Proposal number two on the November 8 ballot would amend the Constitution to permit the Legislature to raise the sales tax in Michigan from 3 percent to 4 percent.

The 1959 cash crisis and trends in state government indicate that more money is needed to operate existing and proposed programs.

Democratic leaders say that a sales tax increase would hit too heavily at low and limited income groups. They say an income tax—or as some call it "a tax based on ability to pay"—would be more equitable.

Many Republicans say a one-cent hike in the sales tax is the most effective measure to keep government solvent until more thorough tax revision can be worked out. They argue that the public prefers the sales tax increase which is collected in small amount and simply to filling out forms for an income tax.

Make laundering as easy  
as laundering can be—get a flameless

## ELECTRIC CLOTHES DRYER

### WHY A FLAMELESS ELECTRIC DRYER IS BETTER FOR YOUR WASHABLES.

Whites stay white, colors stay bright. There's never any sun fading or fume yellowing. Since it's electric, there are no products of combustion. Freshly washed clothes stay clean all the way through. There are models which have a temperature for every fabric, from delicate synthetics and wools to the heaviest work clothes. Detergent cycles make ironing unnecessary for much of today's laundry.

### TRULY A WORK-SAVING TEAM—AN ELECTRIC DRYER AND AN AUTOMATIC WASHER.

Pre-selected washing cycles and drying temperatures take all of the guesswork out of laundering. Gentle agitating and tumbling help fabrics to last longer.

### TAKE THE WORK OUT OF LAUNDERING AND THE LAUNDRY OUT OF HIDING.

Electric laundry appliances are so good looking, clean and easy to operate that you don't need to hide them any more. Many homemakers want them handy in the kitchen.

# NOTES FROM THE— ELEMENTARY SCHOOL

## FOURTH GRADE—

We are studying spelling extra hard this week because we are going to have a review test on Friday.

Dora Meabon celebrated her birthday on Tuesday.

We are making a leaf collection of neighborhood leaves.

We have added two pages about Iceland to our geography scrapbooks.

## FIRST GRADE—

We have been busy making decorations for our Halloween party. We each put a painting up in the hall. It has been fun to paint. Some have started new reading books but some of us have to work on our words. We are learning the number words.

## SEVENTH GRADE—

We enjoyed the flag raising this morning and hope we have more of them.

A new girl entered our room last week. Her name is Beverly. Welcome Beverly.

We are getting ready for Halloween. So far the class has only made pictures. We made these pictures from construction paper and instead of using scissors we tore them so there wouldn't be any straight edges. Then we mounted them on black paper.

## SECOND GRADE—

Our room looks very pretty with the beautiful tree we have made. We each painted several leaves and pinned them on a tree one of the children drew.

We are making our pumpkin men and Halloween pictures. We will decorate our room for the party.

We did not have a "Spell Down" last week. We wrote our words on the board. We tried to see how many words we can spell by hearing the sound. Most of us did very well.

## FIFTH and SIXTH GRADE—

Rex Hanks moved to Howell this week.

The 6th grade made landscape maps of Africa.

Original Halloween stories and poems were written by Bonnie Wylie, Judy Dean, Dianna Haines, Tim Umstead.

Tanya Gieb also read us two of her stories.

Tuesday we took a walk at the back of the schoolgrounds. Then we came back and drew one of the most colorful trees we had seen.

We decided by vote that we liked Bill Rentz's, Judy Hull's, and Pam Koch's the best.

## FIFTH GRADE—

Spelling Bee winners: Group I Susan Baughn, Penny Reynolds, Linda Whitley, Linda Zezulka, Linda Hutchings and Sandra Salyer.

Group II: Charles Chambers, Bob Potter, Diane Halliburton, Nancy Fadenrecht, Katherine Dorn and Douglas Miller.

We had a very nice assembly and enjoyed it very much. Eddie McGranahan sang a very nice song.

We are working in our History books. They are very interesting and help us learn about early America.

Everyone wrote two questions for each of our stories in Unit One and tried to stump someone. We're ready for a unit test.

Fraction kits are under way this week. We're each making our own and hope they will help us with our work.

As Thursday began hunting season we wrote ten good rules and discussed them.

Our multiplication tables are getting a real workout and we are getting to know them well.

We are beginning creative writing.

## FOURTH GRADE—

Each room in our building has a new poster to show how many parents join the Parents Club. We have seven members so far. We hope to have many more by next week.

Our first unit in Reading is finished. We enjoyed reading about children who did daring deeds, some of which were and some of which were foolish. Many children were brave to do the things they did.

Twenty children in our room had perfect attendance for the first six weeks of school.

## FIRST GRADE—

We hope Scott Towsley's mother gets well soon. We made cards for her.

We have our room all decorated for Halloween.

We also made Jack-O-lanterns and paper mache pumpkins.

Mrs. Caouette is our room mother, this year.

We enjoyed the flag raising this morning. Some of us car-

ried cards to represent the states.

## STUDENT COUNCIL NEWS

We had a flag raising program, Thursday November 20th, at which we said the pledge and sang songs. We wish to thank Eddie McGranahan for the lovely song he sang for us.

We received a letter from Mr. Basydlo of the Board of Education thanking us for putting in the new black top playground area. We appreciated the letter.

## SEVENTH GRADE—

We have almost finished the solar system. We are also making two new murals.

Last week we played a football game and tied with St. Mary's Catholic School team.

## EIGHTH GRADE—

Our class has reproductions of some famous paintings on one of our bulletin boards.

We have decorated our windows for Halloween, the artists are Pam Seefeld, Margaret Ackley, Kathy Shettleroe, Shirley Hileman, Stanley Kourt, Nancy Hollister, Mary Cosgray, Betty Radabough, Lee Allision, and Paul Gray.

Mrs. Meyers eighth grade

girls are discussing ways to get the people out to vote.

## SIXTH GRADE—

We are now studying about Japan and had a display of imported products from Japan. We received letters thanking us from Mrs. Anderson's room. Also we read three letters from a Japanese girl who was writing to Kathy Johnson. Mike Wiltshire and Jim Kourt are both ill and out of school we miss them very much. This morning October 20, 1960 we had a flag raising and sang three songs.

## EIGHTH GRADE—

We had a flag raising ceremony, Thursday morning.

We are starting a Parent's club membership drive. We hope to get a lot of parents to join.

We have a new book case and cupboard. We also got some new history books.

We have another new girl in our room. Her name is Linda Watchmaker.

Mr. Bailer's mother is doing a wonderful job teaching us how to draw.

We had a fire drill last Thursday.
