Three Accidents Mar Week End Traffic Scene

Two Persons Injured; Six Cars Damaged in Three Accidents

Two persons were injured and six cars were damaged in three separate week end accidents here. It was 'three at one blow' for a Miss Carpenter of Gregory when she struck the three cars parked in front of the Asher Wylie home about 11:15 Sunday night. Miss Carpenter said she swerved to avoid hitting a dog in the street.

She was unhurt. James Wylie's car was damaged badly, his father's pick-up truck and Shirley's car were dented.

The car driven by George Van Skiver of Mower road, traveling east in the dense fog about midnight on Saturday,

crossed Patterson Lake road and the lawn at the Sylvester Harris home and struck the front porch steps of the house. The car was moving slowly according to the driver and did minor damage to the steps. Neither Mr. Van Skiver or his passenger, Red Mansfield, were injured.

A car driven by Mrs. Ann Skinner of Farmington left the road and overturned about 1:15 a. m. Monday one and one-half miles east of Pinckney near the Emmett King home. The driver and her passenger, Michael Beck of Dexter, sustained minor injuries. County deputies who investigated the accident brought the couple to the office of Dr. R. Duffy for treatment.

Mrs. Skinner is a former Pinckney resident.

Old Stars and Old Vets to Battle Saturday Night

Two previously unheard of football teams are scheduled to play a game here Saturday night. Kick-off time will be 7:30 on the Veterans' Memorial Field. As the anticipated tremendous crowd stands to cheer the Old Stars and the Old Vets will go into action to do or die for Pinckney High . . . their old Alma Mater.

Seriously, the proceeds from this game of alumni players, which everyone will want to see, will benefit the High School Athletic Fund to help purchase an electric football scoreboard for the school.

Starring for the Old Stars will be such players as Speedy Lavey, Crazy Legs Higga, Bulldozer Hewlett, Rocket Amburgey,

Sputnik Huhman, Crusher Clark, Comet Charboneau, Killer Packer, Bull Moose Moon, Charger Dyer, All-World Al Mrofska and Little Dynamite Haines.

Their line-up continues with Dangerous Dunn, Big Chris Campbell, Dick the Bruiser Kennedy, Big Bill Miller, John Bre-wis, Pietras and Henry.

The Old Vets will send in such popular old Pirates as Fireball Gentile, Hoot Gibson, Geronimo Aschenbrenner, Peanuts Darrow, Ripper Schenden, Wrecker Wiltse, Hondo Hurtubise, Clipper Roth, Rocky Quisenbury, Tiger Ware, Fearless Packer, Bulldog Vedder, Toothless Mrofska, Buzz Bowman, Rick Miller, Clam Charboneau,

to head O. E. S. for ensuing year: Mrs. Harriet Rahrig was installed Saturday as Worthy Matron of the local chapter and John Rahrig, her hus-

band, as Worthy Patron. They were escorted to the East by their daughter, Patricia.

Flash Darrow and Everready Wakefield.

It is hard to predict the victor of this daring event, so tenacious and tough are these teams . . . and so little time to practice. No matter what the score . . . it's the out-come that counts . . . a fine, new football scoreboard for Pinckney High School. Don't miss the Big Game, Saturday, November 5, 7:30 p. m.

Wilmont Plummer died unexpectedly Tuesday afternoon. The body is at the Swarthout Funeral Home in Pinckney.

Pinckney O. E. S. Installs Officers at Public Ceremony

The highlight of week end activities here was the public installation service of the Order of Eastern Star, Pinckney Chapter, No. 145, held at the elementary school Saturday evening. All new officers, headed by Mr. and Mrs. John Rahrig, as Worthy Matron and Worthy Patron, respectively, were installed.

Harriet Rahrig's chosen theme of Friendship was carried out in the ship motif. A large sailing ship emblem in the background of the room was repeated in miniature at all star points, and tiny ships decorated the gifts the new Worthy Matron presented during the evening. Table decorations and the large cake which centered the beautifully appointed refreshment table were also of the ship design.

Installing officers were Mrs. Mildred Miller and Mrs. Sadie Moran; assistant installing officer, Mrs. Carmen Porter; installing marshal, Mrs. Alberta Close; installing chaplain, Merwin Campbell; installing organists were Mrs. Merwin Campbell and Mrs. Ella Hagman and the soloist was Mrs. Marilyn Edgar.

The all-purpose room of the elementary school was filled nearly to capacity for the occasion. All area chapters of the O.E.S. were represented as were a number from out of the state.

Gas Explosion Injures Three

Mrs. Danny Marshall, a bride of two weeks, her sister, Joann Kinsey and the latter's baby daughter, Patty Jo, suffered severe leg and arm burns in a fire that followed a bottled gas explosion in the former's home at Portage Lake, Friday afternoon.

The newlywed Marshalls had recently rented the house from the owner, Henry Winslow. A service man was installing the first supply of gas for the new tenants. No one was aware that a part of the copper tubing in the kitchen had been disconnected and it was gas seeping from there that was ignited by the fire in the oil space heater in another part of the room. The fire and smoke damaged the interior of the house and its furnishings.

The Pinckney Fire department was called to bring the flames under control.

Mrs. Marshall was treated at St. Joseph Mercy Hospital, Ann Arbor and released, her sister and baby are expected to be hospitalized for some time.

Kiwanis Club To Lead Muscular Dystrophy Drive Here Tonight

High school students will join the members of the Kiwanis club in conducting the Muscular Dystrophy Drive in the village tonight. Porchlights should be turned on by 7 p.m. when the volunteers begin their march. Don Gibson, Kiwanian and a member of the high school faculty, is Putnam chairman of the drive this year.

Be Sure to Vote Next
Tuesday, November 8

Young Citizens: though a long way from voting age, the Cub Scouts of Pack 58, display an interest in the approaching election. The Cubs posed for this photo before starting their "Get Out the Vote" march in the

village Saturday morning. They distributed reminder leaflets to every home while the Boy Scouts and the Explorer Scouts did the same in other areas of Putnam township.

At the regular meeting of the Pinckney Fire Dept. Thursday night all volunteer firemen were awarded their Firemanship Training certificate for having completed 15 to 18 hours of work in the University of Michigan Extension service courses held here earlier this fall.

Marine Pvt. Harry J. Buccilli, son of Mr. and Mrs. Ernest Bottke of 8555 Silver Hill road completed recruit training recently at the Marine Corps Recruit Depot, San Francisco.

The 11-week course included instruction in all basic military subjects and military weapons.

The young marine is now stationed at Camp Pendleton, California, and is expected home on a 20-day leave November 8th.

Engaged

Mr. and Mrs. Leonard Lee of 665 Patterson Lake Road, Pinckney, announce the engagement of their daughter, Bonita Louise to John C. Burg, son of Mr. and Mrs. John F. Burg, 2324 Patterson Lake Road.

Bonita and John are both graduates of Pinckney High School and are now attending Eastern Michigan University. No date has been set for the wedding.

THE CUB SCOUTS OF PINCKNEY PACK 58

A visit from the Pinckney Fire Department highlighted the Pack meeting of the Cub Scouts of Pack 58 at the elementary school last Monday evening. Carrying through the promise made during Fire Prevention Week the firemen arrived at the meeting with a fine film on fire prevention and answered questions about fire fighting and then topped off the meeting by taking the cubs for a ride on the big engine. Chief Cliff Miller and assistant chief Duke Van Blaricum were in charge and Charles Root was the movie projectionist.

Engaged

Mr. and Mrs. John Pendergrass of Bishop Lake Road, are announcing the engagement and approaching marriage of their daughter, Georgia, to Richard M. Kennedy, son of Mr. and Mrs. Murray J. Kennedy of Pinckney.

The bride-elect is a graduate of Pinckney High School, as is her fiancé; both were members of the class of '59.

Georgia is employed by the Michigan Bell Telephone Co., in Ann Arbor and Dick is a barber with the Adams Shops in Detroit.

A November 26 wedding is planned.

September Busy Month for State Police Officers

State Police officers made 20,559 arrests in September, 18,720 for traffic violations and 1,839 on criminal complaints, according to the department's monthly activity report.

In addition, 594 juveniles were arrested on traffic offenses and 503 delinquent minors and five wayward minors were apprehended.

Troopers made 32,243 property inspections and 3,459 liquor inspections.

Department vehicles traveled 1,848,149 miles, of which 1,072,309 were on traffic patrol and 775,840 to investigate criminal and other complaints.

Of 12,138 sets of fingerprints received by the bureau of identification, 7,086 were criminal and 5,052 noncriminal. Forty-eight wanted persons were identified.

Of 2,345 applicants to carry concealed weapons, 144 were identified through their prints with criminal records.

Two unknown dead and amnesia victims were identified, making the total to date 17 compared to three in the corresponding period in 1959.

GREGORY AREA

Mr. and Mrs. Burl Betterly and Mrs. Fred Marshall visited Fred Marshall at Foote Hospital, Jackson, and found him gaining slowly.

The "Teenie Weenie" belles met at the home of Mrs. Nettie Shevrovich Saturday evening where the couples played cards and enjoyed a luncheon.

Mr. and Mrs. Clyde Robeson and Marie called on Mr. and Mrs. Lester DeWitt and family of Lansing Sunday afternoon.

Sixteen Baptist youths with their counselors, Rev. and Mrs. Ramseyer, enjoyed a hayride with the Stockbridge B. Y. O. last Saturday night.

Mrs. Luada Marshall, Mrs. Irene Marshall, Mrs. Grace Rockwell, Mrs. Nettie Caskey and Mrs. Ila Robeson attended an all day board meeting of the American Baptist women's missionary at Cement City last week Tuesday.

Mr. and Mrs. Harold Myer had supper with Mr. and Mrs. Edgar Marshall at Mason Sunday.

The Unadilla 4-H club rally will be held November 7th at 8:00 at the town hall in Gregory. Special features will be a talent show, awards of certificates and premium money will be given out. Members will be signing up for the winter projects at this time. Each family

is to bring cookies or cupcakes. Coffee and milk will be furnished.

Mr. and Mrs. Roy Gladstone were visitors at the home of Mr. and Mrs. Garth Richards on Sunday.

Mr. and Mrs. Charles Horner of Wayne spent Sunday with their parents, Mr. and Mrs. Roy Shellhart.

Week end guests at the Shellhart home were Mr. and Mrs. John Gay of Wayne.

Mrs. Mary Reames spent three days with her granddaughter, Mrs. Lucille Horner, and Mrs. Helen Gay of Wayne.

Mr. and Mrs. Howard Marshall called on Fred Marshall in Foote Hospital Sunday.

Mr. and Mrs. Robert Ramseyer attended a wedding in Detroit this past week.

Mrs. Harvey Gough of Canal Point, Florida, spent a few days with her mother, Belle Leach.

Mr. and Mrs. Charles Latson and family were Sunday callers at the home of Mrs. James Caskey and Ferris.

Mrs. John Livermore attended the Republican Zach Chandler 63rd annual dinner last Tuesday at the Lansing Civic center.

The Gregory school was filled to the brim with ghosts, witches, goblins and other mysterious fantasies this past Monday for Hallowe'en, with many a cookie, candy and other treats disappearing.

Raisins, Apricots Have "Shelf Life"

If the children raid the raisin box for snacks, you'll never have to wonder how long raisins will keep. However, there is a time limit for keeping top quality of both dried raisins and apricots.

Anita Dean, foods and nutrition specialist at Michigan State University, says packaging and temperature can affect shelf life. She notes the recent study conducted by the U. S. Department of Agriculture. Researchers found that both light and dark raisins held quality much better in cartons than in treated cellophane bags. In fact, raisins in cartons kept well for a year at 70 degrees Fahrenheit or below. The best type of carton was one covered with foil wrapping. This added vapor resistance to keep fruit from becoming too dry.

Apricots in treated cellophane bags kept well at 70 degrees Fahrenheit or below, but darkened and lost quality within two or three months at 90 degrees. Light raisins turned dark quickly at high temperatures.

The study indicated that these dried fruits should be stored away from radiators, stoves or other sources of heat for best keeping qualities.

Annual Report of Local Library

The Pinckney Community Library, a free public library, has just released its annual report:

Putnam township contributed \$585.06 to it in the fiscal year ending Aug. 30, 1960; Village of Pinckney, \$150; Hamburg township, \$60 and Dexter township \$50. Other sources of income include \$85.92 in gifts; \$55.89 in fines and \$5.85 from the sale of duplicate books. With the balance of \$50.09 on hand at the beginning of the year they had a total of \$1057.81 available for library services during the year. The cost of service to each of the 903 patrons was \$1.17. The minimum standard for the state is \$1.50 per capita based on population, not patrons.

Putnam township had 513 readers, 337 in the township proper; the Village of Pinckney 248 readers, Hamburg 176; Dexter 91 and other areas, 52.

During the year 10,263 books were circulated: 4123 adult books and 6140 children's books or a monthly average of 855 books compared to 819 last year.

The library now owns a total of 4399 books, compared to 3481 at the beginning of the year. Of these 3111 are adult books and 1288 juvenile books. The State Library has loaned Pinckney 44 books during the year, and other libraries 83 books.

The local library is governed by a seven-member board, appointed for terms of varying lengths, 1 to 4 years, by the Putnam township board. Mrs. Robert Tasch is the chairman of the present board and serving with her are: Mrs. J. W. Winger, Mrs. Norman White, Mrs. Harvey Garr, Mrs. Fred Read, Mrs. Leonard Lee and Mrs. Albert Sannes, Miss Florence Preuss is the librarian.

NICHOLAS V. MUSTATIA

Nicholas V. Mustatia, 73, died Sunday night at St. Mary's Hospital in Livonia after a long illness. Mr. Mustatia was born Sept. 21, 1887 in Romania. He came to Detroit when he was about 13 years old and has lived there most of his life except for about 19 years when he lived in Gregory.

Survivors include his wife, Mary Mustatia; two sons, William of Gregory, Mich. and Edward of Mt. Vernon, Washington; three daughters, Carole Jacobs of Detroit, Irene Brodner of South Bend, Ind., and Lila Brown of South Bend. Also 10 grandchildren.

Funeral services were held at the Swarthout Funeral Home at two o'clock Wednesday with the Rev. J. W. Winger officiating. Burial was in the Pinckney cemetery.

1959 CENSUS OF AGRICULTURE

The 1959 Census of Agriculture, conducted in Livingston County last fall, counted 1,497 farms, according to a preliminary report just issued by the Bureau of the Census, U. S. Department of Commerce. Total land in farms was 229,492 acres. The average size of a farm was 153.3 acres. The average value of farms (land and buildings) in the county was \$36,267.

The average age of farm operators in the county was 51.2 years. There were 280 farm operators 65 or more years of age.

Of the 1,497 farms in the county, 837 were commercial farms.

Detailed statistics on crops, livestock, equipment, etc., are presented in the preliminary report, with comparable statistics for 1954. Copies of the county report may be obtained for 10 cents each from the Bureau of the Census, Washington 25, D. C.

PINCKNEY DISPATCH

The sophomore dance, which was held last Friday night, the 28th of October, turned out to be a very successful dance.

The dance started at nine-thirty and ended at eleven-thirty. The admission was thirty-five cents stag and fifty cents drag. The decorations, to say the least, were in the fall mood — leaves, pumpkins, and what have you?

Charlene Wilton was the announcer throughout most of the dance. While she was spending some of her time dancing, Mary Lee Aschenbrenner and Missy Rawden would alternately take over the record player.

Later on in the dance Missy Rawden performed a skit which lasted about eight minutes. Following the skit was a dance contest. The slow dance was won by Art Segura and Nancy Darrow, and the fast dance was won by Dave Kramm and Carol Pierzinski. Both couples received their money back for winning the contest.

This article was written in the Ann Arbor News Saturday, October 29, about the Pinckney Pirates.

"Coach Wes Reader's Pirates completely outplayed Saline last night, moving the ball consistently deep into Hornet territory, but the Hornets won the contest in the last 23 seconds, 6-0."

During the half time at Friday night's game the parents of the players were honored on the football field. They were the numbers of their son's jerseys and gathered on the field. The parents received lovely flowers in honor of the occasion.

Mrs. Swarthout reports that there are 25 members in the Visual Aids Club. Four of the members will receive certificates of operation for running seven machines. The membership includes six girls.

General Shop classes are studying Mechanical drawing. The students are making their own sketches and then making them accurate to scale with instruments; thus, a mechanical drawing. Some areas covered are: Ortho - graphic projection, Isometric projection and drawings having vanishing points at different locations. The architects scale enables the students to make drawings to scale.

Mr. Quigley wishes to thank the 15% of the Junior class that helped in the concession stand. It seems unnecessary that a class of so many students should be represented by so few.

The Pinckney Junior Varsity, sponsored by Mr. McCloskey went down to their second defeat of the season to a strong Stockbridge team. The score was 24-0.

The Pirates missed two scoring chances — one on the one-foot line. Their season record stands at four wins and two losses.

The remaining game is scheduled for November 3 at home. The time will be 4:00 p.m. The opponent is Boysville.

Football coach Wesley Reader stated that Friday night in our game against Saline we showed up with the best defense all year. He also states that if our defensive team works as well as they did Friday night we may have a good chance of defeating University High, who has been defeated only once this year.

An unscheduled game with Ypsilanti St. John, at their field will be played on Nov. 11. It is their homecoming game.

Mr. Reader also said that he was looking to the Junior Varsity for six good men for the Ypsilanti game, November 11.

The Senior boys will start out the game, but if they run into trouble the six J. V. boys will be there to help out.

All club meetings were held third hour on Monday, October 31. The Science Club, Mr. Quigley and Mr. Dunn sponsors, viewed a film on the distillation of crude oil. This club has 51 members.

The Future Nurses met with Mrs. Dorothy Dinkel. Plans were made to visit Harper Hospital, Detroit, on November 5. Many good ideas were brought up concerning the fun house at the carnival. The Future Nurses have charge of the fun house, but have to give 50% of the profit to the Student Council.

HAVE YOU HEARD?

Teacher to Missy Rawden: Missy, do you know any news to put in the paper?

Missy: Yes, I do. Nixon is going to be our next president.

What freshmen girl loves school so much that she got up on Saturday "rarin' to go?"

Everyone is very welcome to the yearly carnival sponsored by the Student Council on November 12. You're not only welcome, you're needed!

Leonard Slayden, Bob Childs, Pete Bryan and Jack Cotes are planning to join the Air Force. Good luck, boys. We'll miss you. We understand that the boys were honored at a party given at the Cotes home on Saturday night.

"My grandmother has always voted straight Republican, but she says that Kennedy will be our next President." (Pat B.)

What teacher got "hot under the collar" at the referee in Friday night's game?

Fifteen students met with Mr. Gibson at noon on Monday to make plans for the Muscular Dystrophy drive. Committees were appointed. Keith Morgan and Karl Burg are in charge of one group, and Francis Clark and Don LaBelle head another group. The drive will take place Thursday from 7:00 - 8:00 P. M. Give generously!

The popular disc jockey, Dave Pringle, will be Pinckney High's guest again on November 12.

Someone complained to Mr. Reader that the library should not have been painted pink, as pink is a stimulating color, but Mr. Reader said that the students should be stimulated to study harder when they look at the walls.

Only one boy made the honor roll in the Freshman class, but nine girls were on the list. We girls smarter than boys? We'd like your opinion.

Some good paragraphs on Freshman conduct have been written in English class. One paragraph was named "Our Reputation Is At Stake." The papers were well - written; they showed that the ninth graders are trying to settle down. We hope that they soon accomplish their goal.

Mrs. Morris says that Cheryl Van Norman bakes wonderful cookies.

A freshman who is still on the football team wonders why Larry Hull quit. Larry played a good game.

—It would weaken your protection under our Constitution. A small minority of the voters could set a Constitutional Convention in motion.

—It would hand power to dominate a "Con-Con" to 7 counties. Seven of Michigan's 83 counties would name a majority of the delegates.

—Would cost \$2,500,000 or more. 144 delegates would each be paid \$1,000 per month. Other charges would be heavy, including one, and probably two, special state-wide elections.

—Needed changes can be made by amendment. Michigan's Constitution provides orderly amendment procedures so that voters can ballot on each change rather than on a whole new document.

MICHIGAN MIRROR

Who will get Michigan's 20 electoral votes for president after the Nov. 8 general election?

Whether it's Republican nominee Richard M. Nixon or Democratic hopeful John F. Kennedy, the winner will have worked hard for the prize. Both have made Michigan a major target of campaigning—both in person and by delegation.

The political party's aim in an election is, of course, to elect as many of its nominees as it possibly can.

But since a coattail ride on the popularity of a ticket-leading presidential candidate counts just as much as a win by personal vote-getting power, the drums beat loudest for the man shooting for the White House.

A candidate for the Congress, governorship, legislature or any other office might, in other words, pick up votes through the appeal of a popular presidential candidate.

Rarely, if ever, would the reverse be true with the presidential hopeful picking up votes through the popularity of a local candidate.

At any rate, Michigan will have a good look at both Kennedy and Nixon by election day. Each planned three of visits to the state.

In addition, a flock of lesser lights from either party has made the Michigan tour.

Included in the prestige-laden group were United States senators of both political faiths, a fair number of U. S. representatives, several cabinet members and some relatives of the candidates.

Republican vice-presidential nominee Henry Cabot Lodge missed one invitation to speak in Benton Harbor, but was to appear later. Democratic Sen. Lyndon B. Johnson, Texas, who holds the nod for the number two spot on his party's ticket, had failed to schedule a Michigan visit two weeks before election.

The multitude of distinguished visitors was a mixed blessing to Capitol newsmen.

They haven't lacked for news to cover, but on some occasions, they have needed to be in more than one spot at a time.

Local party workers also have had their problems. They're the ones responsible for turning out a crowd of the appropriate size when a party bigwig drops by.

Perhaps Henry Ford, the fa-

WYNNE CHESTER SAYS:

No Arms—No Amour

Of course, that's an exaggeration. A woman doesn't have to hunt, or shoot, either, to get or to hold a man. But showing interest in the things HE likes certainly can't do any harm.

If you learn to shoot the rewards will be great for both you and your husband—and your sons, too. You'll share the beauty of a hike through the woods when all the trees are aflame with the colors of fall. And you'll thrill when the hunter—maybe it'll be you

—hits the first zooming bird on the fly.

But before that great day comes you must learn to shoot. Perhaps your husband or son will teach you. If not, you can get professional help from your local trap or skeet range. Remember, shooting is one sport that puts men and women on equal terms. A steady hand and a good eye are better than 200 pounds of muscle.

Arms—and the man and the woman are equal.

ther of the assembly-line technique and best known for the car that bears his name, should also get credit for inventing the supermarket.

This interesting observation has been offered by a pair of Michigan State University men

in an University publication.

Stanley C. Hollander and Gary A. Marple contend that Ford's "commissaries" of the period of the 1920's incorporated many of the features of the modern supermarket.

A Ford commissary in High-

land Park, Mich., sold \$6 million worth of merchandise in 1926.

The average sales for American supermarkets in 1957 was \$1.81 million, Hollander and Marple said. Ford emphasized rapid turnover, low prices, checkout cashiering, self-service, pre-packaging of bulk goods and many other features common in the markets today.

But, Hollander and Marple said, Ford actually had little influence on the supermarket of today.

In the face of protest from retail sales outlets who were competing with him, Ford refused to open his bag of tricks so that others could share in his merchandising methods and thereby missed a chance to affect substantially the course of retail marketing.

Red and white striped vests will be worn by certain Highway Department workers in the future, but not for sartorial elegance.

The new vest was developed to provide workers who have to operate near busy highways with an easily seen covering to protect them from possible accidents.

State law provides that the familiar black and yellow checkered vest can be worn only by persons engaged in traffic control.

Some contractors had asked permission to outfit workers near traffic streams with the checkered vest. But the Department had to turn down the pleas, though

recognizing the need for a protective device of some sort.

Tests showed the black and yellow to be the best colors, but the Department felt these would be too easily confused with the traffic directors.

They settled on the red and white stripes as the next best thing.

Hold-up Man Surprised, Caught

When a hold-up man entered the small store owned by Tom Hill, former Pinckney resident, in Canton Township last Friday, he had no way of knowing that the "clerk" behind the counter was State Trooper Leo J. Heatley of the Ypsilanti Post, out of uniform and off duty, helping out his brother-in-law. Twice he aimed at the officer and twice his gun misfired before he fled the store with about \$40 in a paper bag.

Officer Heatley, who hails from Dexter, persuaded the bandit with a gun and wounded him. James T. Colvin, 33, of Wayne, is now a police prisoner in the Wayne County General Hospital, assigned on charges. His father, also ap-

Fine Art for the Home

The talents of an FBI agent, an automotive executive and a Catholic priest have turned a community project in Birmingham, Mich., into a cultural event of nationwide significance.

Bill Robinson, a red-headed G-man who gets straight to the point, is something of an artist in the little spare time his demanding work allows. He not only knows what he likes, he has done something about it.

He told the Rev. William B. Davidson, assistant pastor of Holy Name Church in Birmingham, he felt the state of religious art in America was not good.

"We agreed that such objects in so many homes nowadays are not artistic," Fr. Davidson recalls. "So many statues, for example, are painted dolls rather than works of art."

They decided to take action. They formed a small committee of volunteers, solicited interested persons for financial help to pay expenses and offer cash prizes, invited artists to submit any work on the Life of Christ, and built an exhibit. In the 10 days it was held, 6,000 persons attended.

This year, some 300 artists from across the country will exhibit their art in what has become the National Religious Art Exhibition, under sponsorship of the parish, from October 4 through October 30. The Most Rev. John F. Dearden, D.D., Archbishop of Detroit, is Honorary Chairman, and the Sponsor is the Rt. Rev. Eugene M. Paddock, Holy Name pastor. The show is entitled "Christ—The King—The Church."

"We are doing what we set out to do," says Father Davidson. "Stimulate interest in religious art and encourage people to display good art of this nature in their homes."

General Chairman of the show this year is Irving A. Duffy, a vice-president of Ford Motor Company, who is a West Point graduate and former Army colonel.

"This project proves that volunteers are people who can get a job done," he says.

Be Careful While Deer Hunting

About one-half million deer hunters from 9 to 90 will head for Michigan's north country between November 15 and November 30.

"They will be almost three times as safe hunting as driving or riding enroute," points out Charles Shick, extension wildlife specialist at Michigan State University.

Last year, 16 people died in deer and small game mishaps. Still, hunting took only about a third as many lives per hour as riding.

The 1959 toll was 16 lives too big, however. Shick lists several gun-safety tips that can cut it this year:

1. Know your gun. Never point it at anyone, and don't carry it into a camp or building loaded. Point the weapon away from your partners when loading or unloading.

2. Never handle another person's gun without permission. And when you pick up a gun or take it from a friend, check the chamber and magazine for shells.

3. Check the safety open. You can easily flick it off without knowing it.

4. Know where your partners are and watch for strangers in the field.

5. Treat every gun as if it's loaded!

"Bright-colored clothes are recommended," Shick points out. "Yellow-orange is best as it's visible at a distance. And be sure to dress for comfort."

If he were limited to three items, Shick would take a compass, a knife and matches. Other important tools include a map of the woods, a rope, gloves, tissue paper and candy.

"At the start of your daily hunt tell someone where you plan to go and when you will return," Shick urges.

It's also a good idea to check in at a Michigan Conservation Department field office or a northern State Police post. Then officers can reach you with an emergency message.

Law requires hunters to post a registration card at all camp sites. Conservation Department field offices and deer license dealers have the cards.

Four county men were invited to board the Nixon campaign train at Ann Arbor last Wednesday morning for a ride as far as Jackson. They are: Pinckneyite Gerald Reason, Livingston County Republican Committee treasurer; Phil McBride of Brighton, Joe Cox of Fowlerville and Charles Ward of Howell. More than 15,000 turned out in Ann Arbor to hear the Vice President give a campaign talk at the depot. George Meader and Paul Bagwell also spoke briefly.

RE-ELECT JUDGE OF PROBATE

HIRAM R. SMITH FOR ANOTHER TERM

For 12 years Judge Smith has administered the important office of Judge of Probate with honesty, fairness, helpfulness, promptness and efficiency. He has been a friend to everyone who has sought his help or advice. Born and raised on a farm in Livingston County, he understands the problems of all our people. His 40 years of experience as a lawyer and Judge eminently qualifies him to determine and solve the many important matters that come into this Court. It is an office that should not be left in the hands of one without experience. Hon. Arthur E. Moore, a nationally known Probate Judge, of Pontiac, who frequently calls on Judge Smith to hold Probate and Juvenile Court for him when away, wrote Judge Smith, after returning from a Probate Judges' convention:

"It was indeed a pleasure to hear the Judges throughout the State express the high regard they hold for you and the appreciation for the way you are operating the Probate Court of Livingston County. Undoubtedly your years practicing law and fine past experience are of great help in your Probate Court work. I am sure the people of Livingston County hold you in the highest regard and are indeed appreciative of how fortunate they are in having a man of your caliber exercising this important position."

Hon. Willis L. Lyons, Probate Judge of this county for 34 years and former Circuit Judge says:

"Judge Smith is an able Probate and Juvenile Judge. His administration of the office for the past 12 years has been outstanding for its promptness, fairness and efficiency."

Referring to the policy of changing a Probate Judge for a new, inexperienced person, the Lansing State Journal, in an editorial some time ago stated:

"The Judge of Probate will remain in your affairs long after you have forgotten your campaign furor. Go where one will, into most any county of this state, or other states, and one will generally find the people leaving the office of Judge of Probate politically alone. They seem to want a man who will remain on the job, year in and year out. They want a fatherly sort of man, they want a man of wisdom and withal a man of great patience toward those not accustomed to things legal and formal. The term 'Probate' does not tell the story of the Probate Office as it should. But we all know it deals with Wills, with Estates, with Mothers' Pensions. It deals with the affairs of minors and with those termed delinquent. The office is not one that deals with political theory—it is an office that deals simply with humankind, usually in its hour of trouble. Usually those who go to the Probate Office go in a time of confusion. They want to meet someone who is just, true, dependable and one who will give sound advice."

"In most counties, as one notes those who are incumbents of the Probate Office, one finds that people generally choose a man experienced with life as it is . . . Estates, big, medium and little, in due course, go their way to the probate office . . . So pick the person as best you can for the office. Give the selection earnest and due consideration."

Will all new registrants, all young voters, all those who have had no occasion to ask for assistance in the Probate Court, ask someone who has. Will those who have had occasion to have any matter here, kindly see or phone their friends and acquaintances and advise them for whom to vote. If you wish to continue Judge Hiram R. Smith in office for another term, be sure to look for his name on the NON-PARTISAN ballot and vote for him on the ballot or on the voting machine. Kindly remember to vote for the re-election of Judge of Probate, Hiram R. Smith, on the Non-Partisan ticket on November 8th.

New Amendment to Social Security

Here is good news for many retired persons, and for the widows and children of working people who have died. Under the 1960 amendments to the Social Security Act, less work under social security is now required for benefits to be paid to a worker, or to his surviving family. According to Mr. W. Scott Hamlin, Manager of the Lansing Social Security Office, approximately one-third less credit for work under social security is now needed.

Payments under the new law can be made beginning with the month of October. Mr. Hamlin suggests that anyone whose application for old-age and survivors insurance benefits has been denied because of insufficient work under social security, re-contact this office. It will then be possible to check the worker's social security account to see if benefits are payable under the new law.

Dr. K. Chutjian of Detroit recently closed his offices there and moved his practice to his permanent residence at Winans Lake, near the Winans Lake Country Club.

BOY SCOUT TROOP 58

Most of the dads attended our meeting to discuss troop business last Wednesday.

A two day camp out is being planned by the troop for the Thanksgiving week-end. The camp-out will be in cabins at Bruin Lake.

Last Saturday the Scouts distributed "Get Out the Vote" circulars throughout the Pinckney area.

The troop consists of 19 scouts.

Don't forget to order your beautiful Christmas wreaths from one of the local scouts.

Be Vigilant During Nov. and Dec., Sgt. Ploehn Warns

With November and December averaging a fifth of the annual Michigan traffic deaths, Sgt. Adolph Ploehn, of the Brighton State Police post, is warning motorists and pedestrians to be unusually vigilant in these hazardous months.

The toll for last November and December was 299, or 20 per cent of the 1959 total, the same as the 33-year average computed since traffic records were begun.

More hours of darkness due to shorter days mean more driving and walking is done in reduced visibility, Sergeant Ploehn pointed out. Frequent unfavorable weather and road conditions increase the hazards. In addition, holiday shopping adds to the volume of pedestrian and vehicle traffic in these two months.

"More alert driving and walking can cut down this year end toll," Sergeant Ploehn emphasized. "To increase their safety, motorists and pedestrians must work at it every day. You can't take safety for granted."

Sergeant Ploehn offered these safety tips:

To drivers: Because traffic hazards increase in November and December, increase your alertness. Take it easy after dark and in bad weather. Increase your caution at hills, curves and intersections—there may be ice or snow. Obey the traffic laws and signs and watch out for the motorist or pedestrian who may not. Safe driving can prevent accidents.

To pedestrians: Be especially alert for the added walking hazards of the season. Don't block your vision with packages or other objects. Walk only where drivers expect you, but be on guard for the motorist who may be inattentive or careless. Be extra cautious at night and in bad weather. Remember, careful walking can keep you unharmed so always take your best steps in traffic.

The U. S. dollar is the soundest money in the world. And the dollar you keep in U. S. Savings Bonds is even better. It grows.

NOTES FROM THE— ELEMENTARY SCHOOL

THIRD GRADE—

Our room is being prepared for our Halloween Party. The boys and girls have voted to have pop and dixie cups of ice cream. Everyone will be in costume.

We just finished our study of ants by writing the different things we had learned about them, and making a cover to make it like a book. We found there were over 2000 kinds of ants in the world, with over 200 of them in the United States. The King Ant lives only one day after flying to some location; while the queen lives many years. It takes 16 days for ant eggs to hatch.

EIGHTH GRADE—

David Loar is moving to California next week sometime.

Shirley Hileman is the new chairman of the bulletin board, "Trouble Spots in the World."

Pam Seefeld and Kathie Shetler are arranging the November bulletin board in the South Hall.

SEVENTH GRADE—

Mrs. Erhards' room is going to dress up. We also will bring our own food because we have nothing in the treasury.

We will now have class dues.

FOURTH GRADE—

We have our room decorated for Halloween. Everyone cut a ghost from white paper and named his ghost. We have a Whitey, Casper, Happy, Boo, Spooky and many other names.

We made spatter print covers for our leaf books.

On days when it is stormy we play in the gym during our gym periods.

KINDERGARTEN NEWS—

We have our room decorated with all the characters that come out on Halloween. We have drawn cats, ghosts, owls, pumpkins and everybody has painted a jack-o-lantern.

We look forward to lots of fun at our party.

We wish to thank Mr. Smith for bring some pumpkins for our Halloween garden.

Danny Kimbler and Mark Hinchey celebrated their birthdays in October.

We have an alphabet game where we match the shape of the letters.

We have a new safety poster which reads "Don't play in the Street." This makes 6 and we can read what it says on all of them.

We have learned five new songs during October, including 2 Halloween songs.

We recognize the numbers 1 thru 6 and can form them in the air with our hands.

We can all recognize our names, many can write and spell them.

FIFTH GRADE—

Spelling Bee winners are: Roddy Widmayer, Susan Baughn, Diane Halliburton, Penny Reynolds, Katherine Dorn.

We made collages (cut paper pictures) and finished our graph pictures.

Halloween and Harvest time pictures were completed for room decorations.

Eddie Colone our president called a meeting to have us decide on the refreshments for our party.

Flash card drill in multiplication tables has been real fun. We are learning them thoroughly.

Mrs. Miller bought us some blank charts with which we drill in arithmetic.

We are having many parents joining the Parents Club. We are very proud of them.

Our reading and history Workbooks were checked today. They are not as easy as we thought. Many of us have corrections to do.

Report cards and parent conferences are due soon. We hope the parents make special efforts to see our teacher about us.

Next week we will announce our Multiplication Table Champions.

EIGHTH GRADE—

We had our first assembly show on Tuesday. It was very good. There were five dogs and a monkey.

Mr. Gibson presented a film on "Muscular Dystrophy" for the seventh and eighth grades.

Connie Slagle brought a

friend of hers, Jerry England, as a special guest.

FIRST GRADE—

Our plans are all made for Halloween.

We took our jack-o-lanterns home. Some of us have finished our first reading books.

We will get new books today or tomorrow.

Edna Thomas is 6 years old today.

Thomas Tolbert is a new boy in our room.

We enjoyed the dog show and would like to thank Mrs. Towsley for the thank-you note.

FOURTH GRADE—

Last week we elected our class officers for the year. Mary Plummer is our president; Jacalyn Reason, vice president; Secretary, Daniel Williams and Allen Russom, treasurer.

We planned our Halloween party which will be on October 31 in the afternoon. David Zenzulka is chairman of the games committee, Shirley Harmon of refreshments and David Jones for the clean-up squad. We plan to have home-made cup cakes and pop, with milk for those who don't like pop.

We have some Halloween decorations on our bulletin board.

Each one in our room has made a plaster-of-paris leaf plaque. We will start painting them next week.

In arithmetic we are working on division by 2 and 3.

We started Book Talks and Book Reports this week for our language lessons.

So far in our Parents Club

drive we have several members.

FIRST GRADE—

We have been busy making paper mache jack-o-lanterns. We made Halloween masks. Everyone put them on and we paraded around the room. Our party was lots of fun.

We enjoy watching Mr. Toad and our salamanders. We catch flies and bugs to feed them.

THIRD GRADE—

We have made Halloween decorations.

We made a collection of traveling seeds.

In arithmetic we are adding and subtracting 2 place numbers.

We are studying foods and where they are raised in Social Studies.

Mrs. Amburgey is our room mother.

We all enjoyed the dog show.

Group 3 in reading are working on the basic sight vocabulary. They are doing well in learning the words.

Reading group 1 and 2 strated a unit of stories about Indian children.

PICK A PAIR

Whether you choose the pattern or the fabric first, be sure they go together. Home economists at Michigan State University, say a design featuring fullness or draping requires a fabric that is soft and pliable. When the pattern displays pleats or sharp details, look for fabric with body that will keep creases.

CARD OF THANKS

Letters from The Dispatch Mail Bag on Political Issues

October 29, 1960

Martin J. Lavan, Chairman
Livingston County
Democratic Committee
Lavan Building
Brighton, Michigan
Dear Mr. Lavan:

Thank you for your letter inviting the Republican candidates for County office to debate with their respective opponents. After due consideration and discussion with candidates and citizens, the following conclusions have been reached.

1. The County officers do not set governmental policies. Rather, they carry out the duties assigned to them by the Board of Supervisors and those duties prescribed by law. Thus, there are few, if any, topics which could be considered debatable.

2. The Republican office holders have served the people of Livingston County well. They are good citizens who carry out their duties in an efficient, honest manner. They will stand on their respective records.

3. The possibility of holding a debate such as you have suggested has been discussed with a number of voters. It has been found that there is very little evidence of interest in such a program because of the lack of real issues to discuss.

Yours very truly,
Paul Baldwin, Jr.

Paul Baldwin, Jr., Chairman
Livingston County
Republican Committee
1036 Burns Street
Howell, Michigan
Dear Mr. Baldwin:

I am in receipt of your letter, postmarked 1:00 P. M. at Howell, Michigan, October 31, 1960, in reply to my invitation to debate the issues, dated October 15, 1960.

We had expected a reply from you without this unusual delay and I am disappointed at the contents of your letter in refusing to debate the issues of the campaign with the Democratic candidates.

It seems to me that the conduct of the County officers, some for forty-four years in office uninterruptedly, should and is a proper subject matter to discuss at this time. In this regard, I believe that the Democratic candidates might suggest to the Republican office holders innovations to streamline the County government by consolidating the offices of the Clerk and Register of Deeds, as an example, and other economies I am sure that would lessen the tax burden. We would not think it asking too much of an incumbent office holder to give an account of his stewardship to the people who pay his salary. It appears that the Republican office holders take the people for granted and their place on the Republican ticket as a visa for continuing in office through-out their lifetime.

Replying directly to your letter, the Democrats of this County emphatically deny that the Republican office holders have served the people of Livingston County well. Some of them are physically unable to carry out the normal duties of their office and others work at their office duties only part time.

We believe, as Senator Kennedy has pointed out, that we can do better and, in the interest of efficient government at the

County level, we have got to do better.

It amuses us when you say "They will stand on their respective records". Can you point out a single Republican incumbent office holder in Howell who has seen fit to tell the people of this County by radio, television, direct mail or classified advertising, or otherwise, the record he has made.

Is it not true, Mr. Chairman, that all the incumbents have done for years and years is insert small ads at election time reading "re-elect so and so" or "so and so will appreciate your vote"?

Replying specifically to paragraph three of your letter, it appears that the Republicans of Livingston County are suffering from the same virus as the leader of their National ticket who refuses to debate Senator Kennedy for a fifth time in spite of the overwhelming interest of the American people in such a pro-

gram and, perhaps, at the County level it is your idea "to leave well enough alone"; "we have never had it so good"; "don't rock the boat"; and "elect anybody so long as he is on the Republican ticket".

I am sincerely sorry in the interest of good government that we were unable to enlighten the people of Livingston County in public debate as to the antecedents, character, fitness, integrity and experience of the persons seeking re-election and their Democratic opponents so that the people could make a wise choice as an informed electorate on November 8, 1960.

Notwithstanding the refusal of the Republican office holders to debate openly with the Democratic candidates for office, the majority of the people of this County will repudiate this conduct and attitude of yours and vote Democratic, believing that in Livingston County "It is time for a change at the Court House in Howell".

Very truly yours,
Livingston County
Democratic Committee

TB Association Seeks Biggest Michigan Chain

Who has the biggest chain in Michigan? The chain is needed to dramatize the "Make a Chain to Break a Chain," theme of the 1960 Christmas Seal Campaign, it was learned today from Charles H. Baker, president of the state Christmas Seal organization.

How you determine the "biggest" chain depends on the type of chain, Baker said. An iron chain is measured by the diameter of the rod used to form individual links. "That's the kind we're looking for," said Baker.

"If anyone has or knows of a big chain we'd like to know where it is and what it's being used for," said Baker. The state Christmas Seal organization would like to have a picture of the chain and its owner to dramatize the 54th annual Christmas Seal Campaign.

Baker asked that anyone knowing of such a chain contact him in care

South Lyon honored its oldest and largest industry with an appreciation banquet last Thursday night. Leaders of all civic, social and religious organizations joined to plan the celebration at which the board of directors and officers of the Michigan Seamless Tube Company were guests of the community. Mayor Ross Sinclair delivered the keynote address which told the history of the company in South Lyon. Over 32,000 tons of tubing are produced there each year; volume sales for the company are reported over \$20,000,000.

The Fowlerville's Community Chest goal this year is \$4,000.

Miss Julie Kelly of Whitmore Lake has won her stewardess wings at Northwest Orient Airlines. She is based at Minneapolis, Minnesota.

Brighton firemen will spon-

sor the area's annual Halloween costume parade there Monday evening with prizes offered to the best costumes and free cider and donuts to all the little ghosts and goblins and such.

Door-to-door salesmen in Chelsea must secure permits from the village council before doing business there. A flagrant disregard for business-ethics by many of these dealers is the reason for such action.

Dexter's football players honored their fathers at the recent Dad's Night on the night Pinckney played there. Dad's were invited to sit on the benches beside their player-sons.

Miss Bessie Zielman, Mrs. Douglas Smith and Mrs. Fred DeWolf attended the consecration ceremonies at St. Paul's Cathedral in Detroit, last Thursday, for the Rev. Robert L. DeWitt, as he entered the ranks of Suffragan Bishop for the Episcopal churches.

Mr. and Mrs. William Waterbury spent the week end in Columbia City, Indiana, visiting friends.

On Monday, November 7, the Hamburg PTA program will be on Child Vision. Guest speakers will be the following Doctors of Optometry, Richard Britton,

President of the Michigan Optometry Society, Wayne Chapman, and Robert Britton of Charlotte, and Roger Kuehlman of Grand Ledge. Everyone is urged to attend.

Daniel Baschal of Dearborn, spent the week end with Mr. and Mrs. Gerald DeWolf of Ore Lake.

Peter Gerycz left last week for Ft. Leonard Wood, Missouri, where he will spend six weeks training for the Army Reserves.

Mr. and Mrs. James Tepatti, were visitors on Sunday and Monday of the Leonard Rettmans of Grosse Pointe.

Mr. and Mrs. Märt Ritter left Wednesday morning for Florida, where they plan to make their future home.

Barbara McAfee, of Eastern Michigan University spent the week end with her parents the Lester McAfees.

Mrs. Dorothy Hart and Mr. and Mrs. R. V. Lampe, of Ravenna, Ohio, were callers of the Hollis Whites on Saturday.

Mrs. Clifford Van Horn and Mrs. Hollis White and son, Edsel, called on Mr. and Mrs. Raymond Smith of Owosso on Sunday. Mrs. Smith, the former Eva Wenderlein who taught at the Pettysville school, was injured in a fall last November. Her leg was broken and she is still using crutches. Mrs. Smith who is confined most of the time to her home would enjoy hearing from old friends, her address is 3740 Vandekarr Rd., Owosso.

Mr. and Mrs. Carl Sowers are the happy parents of a baby boy born October 27, weighing 7 pounds and 1 ounce, at the McPherson Community Health Center. William Eugene is the name of the newest member of the Sowers family.

Mr. and Mrs. Frank Hansek of Drayton Plains called on the Howard Riopelles and the Harold Radys on Sunday. The latter leave this week for their new home in Frederick, Mich.

The County GOP headquarters, located at 114 North State street, Howell, will hold open house on election night.

Everyone is invited to drop in for a cup of coffee, watch television returns and, if a Republican victory, to celebrate.

Hallowe'en Dance at St. Mary's Parish Hall Well Attended

At least fifty couples attended the Halloween costume dance at St. Mary's Parish Hall on Saturday night. Our Lady of Fatima Guild was the host.

Leo Burton of Portage Lake won first prize, a large framed picture, for his masquerade as a head-hunter. Mrs. Don Burns as a clown, was awarded second prize, a luncheon set.

Costumes of every description, original, clever, gay and comical, added to the hilarity of the evening. Dancing, both square and round, and delicious refreshments completed the party.

In a drawing at the close of the evening the afghan, donated

by the guild, was won by Rita Wetzel of Ann Arbor.

Pilgrim Fellowship Help in UNICEF Fund Drive

Twenty members of the Junior Pilgrim Fellowship of the Congregational church participated in the UNICEF fund drive here Monday evening. The youngsters, who are to be commended for giving up their usual trick and treat march, collected \$53.54 in the village and the Hi-Land Lake area for the milk fund of the United Nations International Children's Emergency Fund.

Following the drive the group enjoyed a weiner roast at the Keith Koch home, their scheduled hayride having to be cancelled because of rain.

A Time for Giving

By ELIZABETH A. COLONE, Editor

November is the month of Thanksgiving and of giving . . . which is really another way of offering thanks. This is the month of community chest drives; at least three charitable organizations not included in the chests will be conducting drives in this area this month. The Boy Scouts annual fund raising will open here on November 9; the local Kiwanis club and high school students will solicit for Muscular Dystrophy here tonight; the American Red Cross this year advanced its usual spring drive to this month because road conditions in spring made it so difficult for volunteers to cover the rural areas in the past.

Though Pinckney has not made an official move to organize a "give once for all" campaign, there is in effect an unofficial community chest. For several years now money donated by Pinckney citizens employed in other areas has been returned to this community for distribution. Village Councilwoman, Marion Russell, handles the account, giving annually a portion of the total to as many groups as possible.

There are those who lament being solicited "every time I turn around" and then there are those who complain that they are missed, for some reason or other, and "no one ever comes to get our donation".

A set time for giving . . . "a give once for all" may be the answer . . . a full-fledged Community Chest Drive for Pinckney next year! Meanwhile, let's count our blessings and give to all the drives this month.

At the close of registrations for the coming election on October 10, last, the total number of voters registered, according to Putnam Township Clerk, Murray J. Kennedy, was 1037. That probably does not include every eligible voter in the township but it is an increase over all other years of registration. At least that many citizens can and do plan to go to the polls on November 8.

What will be the total of votes cast at the close of voting on November 8th? What will be the percentage of votes cast? Will all these citizens have performed their duty? Now a 100% voting record for this area certainly is not beyond the realm of possibility.

About 900 votes were cast in the presidential election here four years ago which gives as an indication of a possible high average. Why not go just one better this year and make it 100%? It can be done.

Absentee ballots will be available until 2 p.m. Saturday, November 5, at the home of the township clerk for any voter who for a legitimate reason will not be able to go to the polls on election day. Active members of both parties have indicated that they will furnish transportation for anyone who needs a ride to reach the polls. Individual effort and the desire to use one's vote should cinch the perfect record attendance at the polls here next Tuesday. It's a pleasure, a privilege, and a DUTY TO VOTE.

GO TO THE POLLS NOVEMBER 8!

Tularemia Offers Little Danger to Rabbit Hunters

Rabbit hunters should not worry about contracting tularemia from infected animals, a University of Michigan wildlife management specialist declares.

Assistant Prof. A. B. Cowan, a veteran hunter, points out that "the chances of getting tularemia this way are so slight that I wouldn't even think about it."

Tularemia, sometimes called "rabbit fever," is a disease characterized in man by a recurring fever. It can be transmitted from an infected animal to man.

If the hunter does bag a rare infected rabbit, it may be possible for him to identify the case, Cowan says.

"One should look for tiny gray spots on the liver and the spleen. If these are present, they indicate infection." The

wildlife specialist adds that in an early case of tularemia, the spots might not have developed.

If the animal is sick, or if the organic spots are identified, the rabbit should be burned to dispose of it quickly, Cowan recommends. The disease can be confirmed if the hunter is near a laboratory such as those operated at the U-M.

The finding of worms — cottontails and snowshoes are commonly infected by tapeworm cysts in the body cavity and organs—is nothing for the hunter to be concerned about, Cowan adds.

"The viscera are cleaned out anyway and these worms will cause no trouble at all. The same is true of botfly larvae in the skin. Though really ugly to look at, they do not interfere with the eating value of the rabbit and come away when it is skinned."

Library News

All children who are taking part in the contest to name Misty's Colt are asked to come to the library after school on Monday, Nov. 14 to vote for a committee to choose the best name submitted by boys and girls of our library for the national contest.

The committee will meet at the library on Saturday, Nov. 19 at 10 o'clock to decide the best name of those submitted and to write the 50 word statement as to why they chose it.

Your name for the colt must be in the library by Tuesday, Nov. 15 at 5 o'clock.
