School Board Issues Warning On Possible Hepatitis Epidemic

Because of the reports that in many of our adjoining communities, Hepatitis is fast approaching the epidemic stage, the Pinckney Community School Board of Education has requested Nurse Dorothy Dinkel to issue a warning that may help to

forestall such a fate for Pinckney Community Schools area.

Symptoms of Hepatitis include loss of appetite, nausea or vomiting, fever, muscle pains, abdominal distress, and jaundice or yellowing of the skin and whites of the eyes.

Evidence shows that Hepatitis is spread from person to person through the intestinal route, as in typhoid fever. It is believed to be water borne, food borne, and possibly milk borne.

Prevention can best be accomplished by a high standard of personal cleanliness and community sanitation. Children should be taught to wash their hands thoroughly after going to the toilet. Safe sewage disposal is essential, preferable by means of a public sewer or a septic tank in good operating condition. A safe water supply is also necessary.

Strict habits of cleanliness are to be upheld by everyone, not just the children.

It's so easy to tell the children to keep their hands away from their mouths, but this goes for mom and dad as well.

Wash (with soap) before eating.

Wash (with soap) after each trip to the bathroom.

Wash (with soap) after handling school equipment, students books or clothing other than your own.

Just wash (with soap) every time you think of it.

Emphasis is made on following your doctor's orders. During the course of the disease, even though the patient feels better, a relapse is likely if he attempts normal activity before he should. Following your doctor's instructions carefully, recovery will be almost always complete.

All children who are ill are asked to remain home until they are well, for their own health and for the health of other students.

Letters bearing this message prepared by Mrs. Kellenberger last week, have been sent home with all elementary school children.

Pirates Lose to Manchester Friday, 64-43

The P.H.S. Pirates experienced another loss, their seventh, of the basketball season at Manchester last Friday night, 64-43.

The Pirates, reportedly improving their game were trailing by only nine points at the end of the first period but try as they might, were unable to catch up with the Dutchmen.

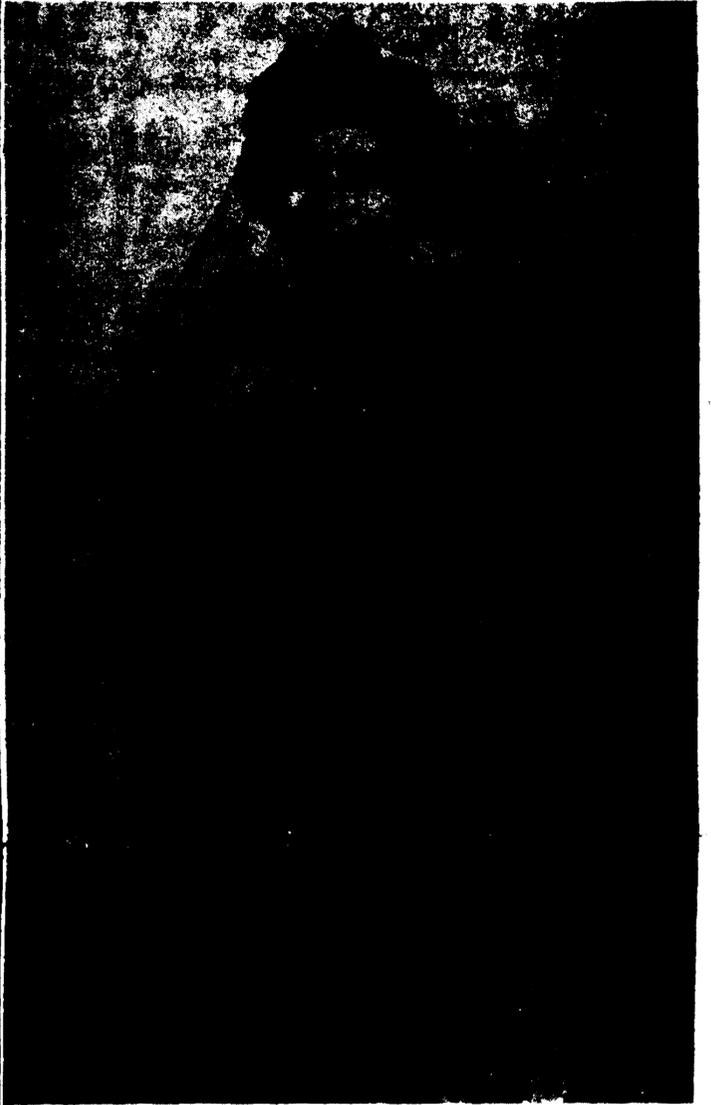

Ed Guy topped his teammates with 19 points this week while Tom Ritter scored 12 points.

In the junior varsity game the little Pirates lost a close 46-43 game to the little Dutchmen.

MARCH OF DIMES TEEN DANCE

The teen-agers with the cooperation of Jerry's Soda Bar have raised the reading on their March of Dimes thermometer to \$422.37 of their \$600 goal. The total now registered includes proceeds from two dances at the soda bar, a school dance, a cake sale, donations from several Main street business men and \$40 from St. Mary school. The drive will run to the end of this week with every teen doing his utmost to reach the goal. Contributions may be made at the drug store and to Miss Leslie McAfee, chairman for the teens fund raising campaign.

St. Pierre-Campbell Vows Spoken Saturday in Ypsilanti

MRS. WILLIAM CAMPBELL

St. John's Roman Catholic church in Ypsilanti was the scene of a wedding Saturday, February 4, when Miss Catherine St. Pierre became the bride of William Campbell. The bride is the daughter of Mr. and Mrs. Sam St. Pierre of Lakeland. The bridegroom is the son of Mrs. George Campbell, and the late Mr. Campbell of Ypsilanti.

The double ring ceremony was performed at noon by the Reverend Fr. Helner of St. John's church.

Escorted to the altar by her father, the bride wore a ballerina length gown of chantilly lace panels and net over satin with a sabrina neckline. Her fingertip veil of illusion was attached to a lace and pearl tiara. She carried a cascade bouquet with a white orchid set in white roses and ivy.

Serving as maid of honor was Miss Jolean Basydlo. Her bal-

lerina length dress of red taffeta featured a bouffant skirt. She carried a bouquet of red and white carnations with white satin streamers.

Joseph Goyete of Davidson, brother-in-law of the groom, served as best man. Seating the guests were Harold Campbell and Gerald Horn, both of Ypsilanti.

For her daughter's wedding, Mrs. St. Pierre wore a beige silk shantung suit dress and brown accessories. The groom's mother chose a dusty blue lace dress with matching accessories. Both mothers wore corsages of sweetheart roses.

The ceremony was followed by a breakfast for the immediate family at the Huron Hotel in Ypsilanti. A reception and buffet luncheon was given in the evening. The bride's cake was served by Miss Lynne Champion of Jonesville and Miss Catherine Wiltse of Pinckney was in charge of the guest book.

When the newlyweds departed for the south, the new Mrs. Campbell was wearing an emerald green suit dress with black accessories. The couple will reside on Cross Street in Ypsilanti.

The bride, a 1957 Pinckney high school graduate, is now a student of Education at Eastern Michigan University and will graduate in June. The bridegroom is a graduate of Ypsilanti High School and presently attends Eastern Michigan as a student of engineering.

Many times the people of the
 community have asked, "What
 is Kiwanis?" "What do they
 do?" "Who belongs to Kiwanis?"
 I would like to answer these
 questions in a few short para-
 graphs.

To begin with, Kiwanis is a
 service organization. Our motto
 is "We Build" We attempt to
 serve our community in such
 a way that the community can
 build a better tomorrow. Our
 Pinckney Kiwanis Club offers
 support to the following organi-
 zations: Boy Scouts, Cub Scouts,
 Pinckney Community Schools.
 We have organized and operated
 the summer baseball league. We
 offer awards for achievement in
 the school system such as Boys
 State, Girls State, Camp Inter-
 locken. We have helped to pay
 the expenses of students to the
 Boy Scout Jamboree and the
 Girl Scout Jamboree.

With the cooperation of the
 school authorities we have se-
 cured such items as glasses,
 shoes, and other clothing which
 the parents of some of the stud-
 ents could not afford. In every
 case in which I use the pronoun
 "we", you the citizens of this
 community were included. None
 of these community services
 would be possible without the
 help of you, the citizens of
 Pinckney.

Kiwanis members come from
 every walk of life. Our member-
 ship numbers a preacher, a drug-
 gist, an electrician, a prison farm
 worker, a butcher, and a doctor.
 I can think of only one occupa-
 tion which is represented by
 more than one member of our
 club.

Each of our members recog-
 nizes a responsibility to a su-
 preme being; there are at least
 six faiths represented in our
 Club. The basic thing which we

all have in common is the desire
 to work together to improve our
 community.

Students who made the honor roll and those who had perfect attendance third marking period were honored at an assembly on Friday morning, February 3 r d . The awards were given out by Mr. Quigley, assisted by the class secretaries. The Kiwanis Award for the highest scholastic average in the 11th grade over the six week's marking period went to Rachel Nash. Mr. Gibson, president of the local Kiwanis club, presented the award, and commended Rachel for her ambition and interest in school activities.

Following the presentation of awards: Mr. Ralph Peterson, of the University of Michigan, showed slides prepared by Miss Margaret Poulson, Employment Supervisor of the Bell Telephone Company. Application forms were flashed on the screen, and the students were shown the im-

portance of good attendance and punctuality. Personality traits were discussed. The importance of good grades was stressed. Students gained the concept that high school is a training ground not only for future employment, but for a way of living.

Hall-Hollister Wedding Vows Read Here Saturday Evening

MRS. WILLIAM HOLLISTER

The Community Congregational church was the setting when Miss Evelyn Hall and William Hollister spoke their marriage vows Saturday evening at eight o'clock. The Reverend J. W. Winger officiated at the candle-light ceremony.

The bride is the daughter of Mr. and Mrs. Ralph Hall and the bridegroom's parents are Mr. and Mrs. Harold Hollister.

For her wedding Evelyn chose a gown of white silk taffeta fashioned with a square neckline, cap sleeves and a full skirt. Her veil of illusion was held by a crown of seed pearls and sequins. She carried a white Bible with a corsage of carnations and hyacinth flowerettes. The Bible was a gift from the Reverend Cora Pennell of South Lyon.

Miss Marybelle Seavitte of Dearborn was the maid of honor. She wore a gown of powder blue in ballerina length and carried a corsage of pink carnations and heather.

Robert Hollister served as his brother's best man. The guests were seated by Don Bolling of Dexter, Peter Bobon, Neil Hall and Paul Russell.

Master David Hollister, brother of the bride-groom, was the ringbearer and the bride's sister, Phyllis Hall was the flower girl. She wore a nylon dress of strawberry pink.

Immediately following the ceremony, a reception for more than 200 guests was held at Pilgrim Hall. The bride's aunt, Mrs. Stanley Hall of Marine City, poured coffee; Mrs. Har-

MICHIGAN MIRROR

Echoes of unemployment in this state reverberate from legislative halls to relief lines and vice versa.

Since most goods and services in the state are consumed at a higher rate by working people than unemployed, nearly everybody feels the effect of economic hardship caused by unemployment.

The year 1961 has started out as if it were going into a less than satisfactory one from the employment standpoint.

Though some economists and politicians too, hopefully predict an upturn in the final half year of 1961, the fact is any period of poor economic conditions is felt for a long time after things improve.

Take two of Michigan's major, non-manufacturing industries, for example.

Farmers don't sell as much food when Michigan factory workers are out of jobs. While much farm produce is shipped out of the state, the biggest market is still at home.

Tourist and resort operations account for another big slice of Michigan business each year.

But out-of-state people alone don't bring prosperity to the owners of hotels, motels, stores, gas stations and the hundreds of other businesses surrounding the Michigan recreation areas.

Michigan is not alone, of course, as a state with recurring unemployment problems.

However, the problem here is with us time and again, and always produces a hitch in state operations as well as in the economy as a whole.

It's like an athlete who runs a continuous 100-yard dash, but falls into a hole every 25 yards.

Things race along between unemployment seizures, but every time the state falls into a hole, it must painfully crawl out and get back on its feet before it can start running again.

State fiscal officials take into consideration the trials and tribulations of the economy when they estimate revenue for a given year.

Lawmakers too would like to gather an intimate knowledge of the workings of the economy to help them in planning for expenditures and decide what can be done in what year.

Committees working on the program are in operation. More people will tackle the same issues from time to time and from different angles.

Whether government intervention, either state or federal, will ease the problems which unem-

ployment creates in an economy like Michigan's is a question only trial and error will answer.

Argument over "guided economy" versus "laissez faire" will likely go on.

At the same time, government will likely continue to operate more and more programs aimed at bolstering sagging sectors of the economy.

Numerous federal programs are in the works. Some would try to guarantee less drastic peaks and valleys in the employment picture.

Others would aid chronically distressed areas. Almost all would apply in some way or another to Michigan.

Gov. John B. Swainson, for one, has his eye on area redevelopment legislation before the federal Congress. He thinks we have fruitful training ground in Michigan for testing such a program.

SHOULD TRUCKERS try to hoodwink the state on weight taxes, they would face a virtual army of investigators and observers.

Secretary of State James M. Hare said officers from his branch of the government, whose job it is to see that commercial vehicle registrations accurately reflect the size of the vehicle being registered, work closely with the weighmasters division of the Highway Department and the enforcement officers of the Public Service Commission.

The State Department officers carry a book with them showing each commercial registration by license number and size.

When an obvious discrepancy between actual weight and registered weight turns up, spotted by men of one or the other of the agencies concerned with these things, further investigation often leads to other violations.

Congratulations are being extended to Mr. and Mrs. Bill Williams who will observe their wedding anniversary on Friday and to Mr. and Mrs. Howard Thayer who will observe their anniversary next Tuesday.

FILMS

Students in the history and civics classes saw two films from the audio-visual aids department of the University of Michigan on Thursday, February 2nd. One was the story of Thomas Jefferson's achievements. The other film was one of the "You are There" series; the title was "The Boston Massacre."

A special "thank you" to Mrs.

Swarthout for ordering the films and scheduling the presentations. A "thank you" to Mr. Gibson, also, for getting the "mule." (the machine) to cooperate.

Mr. Morris and the civics classes wish to thank the Dispatch office for the three special issues of the Washington "Evening Star." These issues contain on-the-spot coverage of the inauguration, and fine pictures. The pictures and reports of the cabinet members are very helpful, as the students in the civics classes have to memorize the names and offices of the Cabinet members. Mrs. Colone received the special issues from Congressman Chamberlain.

SUFFERING BASKETBALLS!

The freshmen of P.H.S. were once again defeated as their losing streak continued Thursday when they suffered a 54-31 loss as the hands of the Manchester Dutchmen. This was one of their worst nights on the floor. The Pirates high-scorer was Tim Clark, as he poured in nine points. LeVerne Hunt was next with six.

Six games remain, and the Pirates are going to be in there fighting for every one of them.

Reporters: Larry Hull and Jim Barker.

FIELD TRIP

Two sections of the Home Economics classes and the General Business class went to the new McPherson bank in Howell last Thursday. Since the Home Economics classes are studying financing, this was a good experience for them.

Two hours were spent touring the bank, seeing how the machines were run, and talking to the cashiers. Refreshments were served at the end of this time.

The three classes were divided into four groups each, accompanied by a cashier to explain and answer questions. On one tour the cashier let a few girls hold a total of \$15,000 at once.

There are 32 bank attendants—counting both Howell and the Pinckney branch. They are always ready to serve the patrons of the bank.

PINCKNEY DISPATCH

Notes

Cheryl Van Norman's descriptive sketch was chosen for publication in the "Dispatch" this week.

AN EXPERIENCE IN AFRICA

I often imagine that I am in a jungle in darkest Africa. Everything around me is beautiful. The trees and bushes flame with many-colored flowers. Tropical birds lend their splendor to the scene.

I listen to the many noises in the jungle: the hippo in a nearby river splashing his tail against the water, birds screeching over scraps of food, the calls of the wild animals, and the ever-present beating of native drums telling of my presence here.

The natives are near. I hear the fire crackling; I smell the wild game roasting on the pit fire, mingled with the strong accent of tropical flowers.

The native eyes are upon me. I feel the shiny, black eyes piercing me. I am afraid.

A NEW COLUMN

At the suggestion of Pamela Hoeft we are going to get in touch with some of the former graduates of Pinckney High School. We have decided to take a cross section, as it would be impossible to interview everyone. We will try to get information about a few recent graduates; we will attempt also, to interview a few of the "older grads."

If any of our readers wish to offer assistance in this project, will you please notify any one of the following people: Rachel Nash, Pamela Hoeft, or Sharon Gallup.

This week we have interviewed Mr. Francis Shehan ('38) and Miss Carol Howell ('60).

Francis Shehan, Class of '38

Mr. Francis Shehan, who resides at 2200 M-36, two miles east of Pinckney, was chosen for this week's interview. Mr. Shehan was a member of the Pinckney High school graduating class in 1938.

Mr. Shehan said that basketball was not one of the sports in Pinckney High until 1938, the year of his graduation, so he didn't have a chance to play the game to any extent. He was, however, active in football and baseball during his high school years.

On June 13, 1953, Mr. Shehan took Miss Janet Lundin for his wife. Mr. and Mrs. Shehan now have four healthy, active and charming children. The oldest of the children, Tommy, is seven years of age; Roy, the other boy of the family, is one. The "in-betweens" are two girls, Susan, five, and Patty, four.

Mr. Shehan was elected supervisor of Hamburg Township in 1959. He also runs a farm and works as a carpenter part-time.

Pamela Hoeft, Reporter

Miss Carol Howell

Miss Carol Howell, a 1960 graduate of Pinckney High, is now attending Eastern Michigan University. She is studying to become a teacher of English Literature.

Carol plans to be married in the summer, but she will complete her education.

Carol's advice to Pinckney High School students is this: especially if you intend to go to "Develop good study habits, college. The competition is great, and many students find themselves poorly prepared. Learning how to study helps a great deal in catching up with the other students."

Sharon Gallup, Reporter

MANCHESTER GAME

The girl's basketball team of Pinckney High lost their first game, 22-26. The game was played in Manchester Thursday night. The girls who participated were: Carol Miller, Nancy Read, Mary Kelly, Judy Darrow, Nancy Darrow, Camille Buda, Dorothy Clark, Nancy Wagner, Dianne Curtis, Brenda Hoyt, and Louise Basydlo.

The yearbook committee has set another deadline for the yearbooks, February 10. The meeting was held at the home of Louise Basydlo.

The names of Robert Rutter, 12th grade, and Pamela Hoeft, 9th grade, were unintentionally omitted from the honor roll list furnished for publication last week.

PRINT ST. MARY'S SCHOOL PAPER

The students of St. Mary's school published the first issue of their school paper, *Youth at Work*, last week. The five sheets of the issue contain news of each grade, first through eighth, sport news, humor, personality sketches and cartoons. Those who have read the paper will be looking forward to the next issue.

CLUB MEETINGS

All club meetings were held first hour Monday, February 6th. Reports will appear in next week's issue of the Dispatch.

BETTER GRADES

Several of the high school teachers have been using the articles currently appearing in the daily papers: "You CAN Get Better Grades" by Leslie J. Nason, Ed.D. Some very beneficial discussions have developed in some of the classes.

KINDERGARTEN

We made a new calendar for February. We are happy to have David Tucker back after having his tonsils out.

Our morning group enjoyed hearing the High School band on Feb. 12. It helped us with ideas for our own rhythm band.

We are finishing our winter mural, with children sliding down hill.

Noel Cooke had his tonsils out last week, and each classmate copied a get well letter to him.

We hung George Washington's picture up on our wall — we learned his birthday is in February, and that he was our first president.

We learned a Valentine song this week.

brothers and sisters or friends.

The Standard Achievement Tests were hard but very interesting — We hope we did all right.

We have handed in outlines and summaries for our bulletin board display on our states—some of us still haven't.

FIRST GRADE

Mrs. Rooke

We have enjoyed working on our new Arithmetic books. We have finished our Writing Books and now have a new spelling and writing book.

On February 2nd we learned a poem about the ground hog. The ground hog saw his shadow so we are going to have more winter so they say.

FOURTH GRADE

Mrs. Campbell

Mary Plummer had an all A card for the last marking period. Others on the Honor Roll were Shirley Harnou, Daniel Williams, Joanne Craig, and Breeta Brash.

For the first semester, five students were here every day—Gordon King, Williard Chambers, Breeta Brash, Dennis Reason, and Mary Plummer.

We have been learning how to write good paragraphs. We wrote about our pets or the pets we wished we had. Jackie Reason's paragraph about her pet dog, Lady, was chosen by the class, to be sent in for the school paper.

We now have eight beginning band members.

We learned our fives from our multiplication table records. The musical way seems to make it more fun.

FIRST GRADE

Mrs. Thayer

We are glad Keith Stapleton is feeling better.

Happy birthday to Scott Towsley. He is seven years old.

Most of us are doing well in our writing. Letter formation and spacing is improving.

We enjoyed the band concert and want to thank the members and Mr. Napier for coming to our school.

FOURTH GRADE

We have been taking Stanford Achievement tests this week. Most of us have enjoyed them. We would like to thank the

band for the concert. Many of us hope to be in the band when we get in high school.

We made a February calendar. We found February to be a very interesting month.

Frank Behm, Sandra Bell, Kenneth Blades, Janet Cosgray, Linda Haines, Shirley Josephson, Darlene Knapp, Christine Line, Gary Marsh, Dora Meabon, Sally Miller, Jim Nash, Edna Pesola, Patty Puckett, Terry Reason, Mike Shelden and David Wludyka, were not absent during the last six weeks. This is nearly half of the class and a very good record.

Mrs. Van Blaricum

SECOND GRADE

Mrs. Anderson

Tom Kaiser's dog Tippy, got his foot cut and almost run over.

Yesterday, when there was no school, Ricky Noskin and his little brothers went sliding down hill.

Susan Riggs went over to her grandmother's when there was no school. She had good things to eat.

Keith Swarhout got a half dollar for a good report card.

Tara Tolbert got some new shoes.

Lois Chambers mother made ice cream out of snow.

SEVENTH GRADE

Our room had a visitor on Thursday. His name is Frank Murphy. He told us all about computers and about our number system. He also told us about his visit to Chili, Brazil and the Panama Canal.

KIWANIS CLUB NEWS

The Pinckney Kiwanis Club observed Ladies Night at its dinner meeting Tuesday night with a large attendance and a special program. Guests of the club were Rachel Nash, a junior, and Rubylee Thornton, a sophomore, who recently received the club's honor certificates for their high scholastic records. A barber shop quartette furnished the entertainment of the evening.

Items of Interest About Your Friends and Neighbors

Shortly after five o'clock Friday afternoon the car driven by Miss Evelyn Hall left the Dexter-Pinckney road to avoid a collision with an oncoming vehicle. Miss Hall's car struck two trees and was demolished; she suffered minor injuries.

Mr. and Mrs. Jack Young entertained at their home on Sunday for the pleasure of their son, David, on his eighth birth-

day. Dinner guests included David's godparents, Joe Burns and family and Mr. and Mrs. Robert Darrow of Livonia.

Mr. and Mrs. Jerry Speake and daughters spent the week end in Royal Oak where they attended the christening of their niece, Carolyn Suzanne, daughter of Mr. and Mrs. John Hughes at St. Johns' Methodist church in Royal Oak. A family dinner

at the home of the baby's grandparents, Mr. and Mrs. Forest Hughes, marked the occasion.

Kathleen Marie, the infant daughter of Mr. and Mrs. Merlin C. Lavey was christened at St. Mary's church Sunday. Mr. and Mrs. Louis Stackable are the baby's godparents.

Leslie Curtis of Auburn Heights and the Milton Curits family of Midland were week end guests at the Ralph Hall home.

An article last Friday in the Detroit News on Michigan's role in the Civil War was of

particular interest to local residents. The article carried the story of the war as seen by Capt. Gus Smith of Howell, who wrote to his family that war was "not in the least bit glamorous." A picture in this issue of the NEWS shows the blacksmiths of the 3rd Michigan Cavalry from various communities of southern Michigan and George Clinton of Pinckney appears in the group. He was a brother of the late Thomas Clinton, father of Mrs. Fanny Kavanaugh and the late Mrs. Jennie Clinton Devereaux.

why there's no water heater like an ELECTRIC WATER HEATER

YOU CAN PUT IT ANYWHERE—even in an airtight closet. Because there's no flame, an electric water heater doesn't need air flow to support combustion, or a vent to carry off fumes. There's

even a table-top model you can put under the counter in the kitchen or utility room. Here's the only heater you can always place close to point of greatest hot water use.

PLENTY OF HOT WATER ROUND THE CLOCK. For dishes, laundry, baths, there's always plenty of hot water available. Electric water heaters have two heating units: one for normal use, the other for these special occasions when there's an extra demand for hot water.

HOTTER HOT WATER WHENEVER YOU NEED IT. Some laundering requires very hot water to get clothes really clean. Dishwashers, too, need water that's very hot. Remember, an electric water heater can keep on and on, delivering the extra-hot water needed without burning out.

OPERATING COSTS ARE AMAZINGLY LOW. The popular 50-gallon heater will meet the needs of 8 out of 10 families. Using estimated operating costs for this size unit, a plentiful supply of hot water for all family needs should cost you less than 15¢ a day!
