High School Music Festival Plays to Capacity Crowd

The Spring Festival presented by the high school music department has been described in the highest praises. A truly delightful performance by band and

chorus pleased the appreciative audience who filled to auditorium almost to capacity.

Dennis Napier, director of the music department, conducted the band and the chorus in the two-hour program.

The "Vincent Youman's Fantasy" which combined band and chorus in a thrilling climax to the program brought a standing ovation from the audience.

KINDERGARTEN DAY IS NEXT MONDAY

Next Monday, May 22, has been set as Kindergarten Registration Day at the Pinckney elementary school, according to principal Jennie Kellenberger. There will be no school for present kindergartners that day and Mrs. Parks, the teacher, will be in her class room to meet and register the new pupils.

TO BE INSTALLED

Miss Karon King will be installed as Worthy Advisor of the Order of Rainbow for Girls, No. 67, Pinckney Chapter, at the Masonic hall, Thursday evening at 7:30. Miss Pat Borovsky will be her associate advisor.

Karon is the daughter of Mr. and Mrs. Emmett King and Pat is the daughter of Mr. and Mrs. Charles Borovsky.

An entire new slate of officers to be published next week will also take office in the public installation.

NOTICE

Pinckney will have its annual Memorial Day Parade on Tuesday, May 30, starting at 2 p.m.

There will be the many outstanding features that highlighted the parade plus additional attractions and events.

The line of march for the parade, the name of the speaker and other details will be published in next week's issue of the Dispatch.

Meanwhile every organization and individual in the Pinckney area is urged to plan to enter the parade and/or to attend the events and solemn memorial to the war dead on the village square.

Wins U-M Scholarship

Richard Line, son of Mr. and Mrs. Thomas Line, a junior at Pinckney High School has won a National Science Foundation Scholarship to attend the University of Michigan Summer Science Training Program.

The National Science Foundation, through its summer Science Training Program for the Secondary Students, makes available to scholars of high ability educational experiences in Science and Mathematics beyond those normally available in high school courses, for the purpose of accelerating their scholarly development.

The summer program begins June 19 at Grand Rapids and continues for six weeks. Each participant must attend one course each in mathematics and physics. They have one elective in either mathematics, physics or chemistry.

The courses consist of lectures, quizzes, supervised study periods, laboratory work and field trips centered around one or more areas of science. They also may work on a project of appropriate scope under the guidance of experienced scientists.

Coming Events

The Girl Scout troop will hold a Bake Sale, Saturday morning at 10 at Jerry's.

The Rainbow Girls will conduct a car wash service from 9 a.m. to 5 p.m. Saturday on the Village Square.

The Lansing Deanery Council of Catholic Women will hold its last meeting of the year, May 17, at 8 p.m. at St. Mary's parish hall. A brief business meeting will be followed by a film and a social hour and refreshments.

Rummage sale at St. Mary's school hall, given by St. Gerard's Guild, Friday evening, May 26th, 7:00 p.m. Also Saturday, May 27th, 9:00 to 1:30.

There will be some exceptionally nice articles at this sale, everyone welcome.

The Livingston County Republican Women's Club will meet, Wednesday, May 17, at 1:30, at the home of Mrs. Jess Allen, 346 Inverness Dr., Howell. Mrs. A. C. Topor will review Senator Goldwater's latest book.

Friday, 7:30 p.m., May 19, Friends Night, O.E.S. at Masonic Hall. Officers from various chapters are taking part. Some from Howell, Brighton, Linden, Esther chapter, Royal Oak chapter, Dexter, Stockbridge and others. New rug and new drapery dedication, also.

COUNTY ACCIDENT REPORT—APRIL 30th TO MAY 8th

There were 9 property accidents; 5 personal injury accidents; 7 persons injured, 16 cars involved.

Class Honors Announced For PHS Senior Class

Carol Miller with a scholastic average of 11.42 out of a possible 12 for four years has been named valedictorian of the graduating class of 1961. Louise Basydlo, with 10.34, is the Salutatorian.

Carol, daughter of Mr. and

CAROL MILLER

LOUISE BASYDLO

Mrs. Clare Miller of 344 E. Main street, has been accepted to enter the University of Michigan next fall. Her new honor climaxes a four-year period of honor-roll ratings and many extra-curricular activities. This year she was the editor of the high school year book, The Pirate Log, vice president of the Student Council and secretary of her senior class. Since her freshman year Carol has been active in the Future Teachers of America, local chapter, and in addition to holding other class offices as a sophomore and a junior, she was a member of the girls' basketball team for four years.

Miss Basydlo, daughter of Mr. and Mrs. Joseph Basydlo of 8996 Pettysville Road, has been most active in sports and music in addition to maintaining honor-roll standings in her studies. She was a member of the cheerleaders squad for four years; a basketball player for four years; a member of the high school chorus for two years and during her senior year a staff member of the yearbook and an office assistant in the school office.

Carol and Louise were co-captains of the basketball team this year.

Moments after learning of her selection as Salutatorian, Louise was told she had been awarded a scholarship to Jackson Business University, Jackson, as the winner of one of the 100 scholarships given Michigan students by the Michigan Business School Association. Louise had taken a competitive examination with more than 500 other students in the state to earn this award.

Commencement exercises for the 75 graduates of Pinckney's class of 1961 have been scheduled for Friday evening, June 2, to be held out of doors under lights weather permitting.

PHS Track Team Wins at Chelsea by 57-52 Score

Pinckney's track team defeated Chelsea last Thursday at Saline with a score of 57-52. Pinckney's depth showed well in taking 8 seconds, 8 thirds, and 5 firsts to give Chelsea its first

defeat of the year. With three events to go Pinckney was down 38 to 48. But Tom Ritter won the Mile and Roy Kinsey took second.

John Colone won the 880 run and Gary Szalwinski took third tying the score 52-52, having only the 880 relay to decide the meet. Bob Beck, John Holben, Karl Burg, Jim Wicker showed their heels to Chelsea winning the event and defeating Chelsea to give Pinckney a tie for second place in the conference with a 3-1 record.

At the Regionals Saturday Pinckney ran well with Tom Ritter running his fastest mile in time 4:43.1. Jim Wicker turned a good 10.4 in the 100 yard dash. Pinckney will run at Eastern U in Ypsi Tuesday night in the Washtenaw Conference meet. A big night for the team will be Thursday, May 18 at Saline when Dexter will be matched with Pinckney. This meet will close the season for the local team which has been the best in the track history of Pinckney.

LIBRARIES OBSERVE MICHIGAN WEEK

Michigan libraries, schools, book dealers and cultural organizations have a great literary heritage to display during Michigan Week, May 20 - 27.

Outstanding names in American literature are interwoven in Michigan history, reminds Michael P. Church, of The University of Michigan, secretary of the Michigan Week Cultural Activities Committee.

There are Carl Sandburg, Ernest Hemingway, Arthur Miller, Ring Lardner and Edna Ferber, for example. Paul de Kruif and Lloyd C. Douglas, Rex Beach, and James Oliver Curwood, such modern writers as Glendon Swarthout, John Voelker, Allan Seager, John Ciardi, Vera Sacider, Betty Smith and Maritta Wolff.

ADVANCE MEN: The Cub Scouts of Pack 58 were out Saturday morning with hand bills heralding the date of the annual Kiwanis Auction Sale — July 1. The Boy Scouts, too, will be helping the Kiwanians in this project. Proceeds from the sale are used to finance recreation and other needs of area boys and girls.

The Club is seeking donations of all types of articles for the sale. They will pick up and store donations from now until sale time. Any member of the Club, Cub Scouts or Boy Scouts will be happy to take your name and call for the items of your convenience.

ing May 24 for England, on the Queen Elizabeth for a vacation trip of four months.

Miss Ruth Gallup, Young Republican National Committee-woman, daughter of Mr. and Mrs. Earl Gallup is attending a Midwest Conference in Kansas City, Missouri, this week end. Next week end she'll attend a Regional Meeting in Toledo, O. In June, the National Convention will be held in Minneapolis, Minnesota, and Ruth will be there for a week.

Eight members of the Village Squares, Pinckney square dance club, traveled to Spring Lake, near Muskegon, Saturday night to earn a coveted club honor, the "Knothead" badge. Requirements for the award call for a trip of 100 miles for a dance session. The local dancers: Mr. and Mrs. Bud Witter, Mr. and Mrs. Robert Amburgey, Mr. and Mrs. Cliff Miller and Mr. and Mrs. Win Baughn were accompanied by three couples from Ann Arbor.

Ten O.E.S. members from Pinckney Chapter to attend Dorothy Lounsberry's reception at Fowlerville Mason hall Saturday evening. She is grand committee woman. Monday evening Mrs. Eloyse Campbell, Mrs. Esther Hall, Mrs. Eva Engquist and Mrs. Harriet Rahrig attend a reception for Fred Kiecher in Michigan City. He is Grand Sentinel of the Grand Chapter of Michigan Order of the Eastern Star.

Mr. and Mrs. George Orry and sons attended the Old Timers Football game at Michigan State U. on Saturday. The teams were the State Varsity (next season's team) and the alumni team of professional players now playing on various teams in the country.

Mr. and Mrs. John Lundin had as their Sunday guests the Robert Gannon family of Grosse Ile, the Marvin Hoards of Gregory and the Frances Shehan family for a picnic dinner.

W. H. Meyer remains a patient at St. Joseph Mercy hospital where his condition is reported improving. Mr. Meyer underwent the amputation of a toe last week.

Earl Stanley was taken back to McPherson Health Center following a brief return to his home here. His daughter, Mrs. Brandon White, has been called here from her home in Florida.

Roddy Darrow who has been a patient at University Hospital for some time is now able to be out of the iron lung several times a day. The nature of his illness, similar to polio, has not been revealed.

Miss Mary Curlett of Roseville and Nelson Davidson of Detroit were Saturday visitors at the home of Mrs. Paul Curlett and Paula.

The thirty-five Girl Scouts of Miss Amanda DeBarr's troop and their guests enjoyed a roller-skating party at Island Lake rinks Tuesday evening.

Mr. and Mrs. Wayne Shettroe and children spent Mother's Day with the former's mother, Mrs. Pearl Shettleroe in Detroit.

Mr. and Mrs. M. E. Darrow enjoyed a Sunday evening telephone visit with their daughters Mrs. Evalyn Kaufman and Mrs. Constance Bunce and their grandchildren Cathe and Dick Loomis, all of New York City, when the "children" called home with Mother's Day greetings.

William Shehan who had apparently fallen from the porch at his home was found there early Monday morning by the Free Press rural mail carrier and taken to McPherson Health Center. The elderly Mr. Shehan who lives alone had suffered from

exposure, cuts and bruises. He will remain under observation in the hospital.

Mr. and Mrs. Eric Rose and daughters spent Sunday at the Mark Teaker home in Toledo, Ohio.

Mrs. Gerald Bauer and son Louis of Bell Oak were Sunday visitors of the former's mother, Mrs. Louise Shehan.

Mother's Day dinner guests at the Fred Read home were Mrs. Read's mother, Mrs. Claudia Peters of Jackson, Mrs. Hazel Clelland, also of Jackson, the Robert Read family, the John McGuire family of Orchard Lake and the James Whitleys.

Mother's Day visitors at the home of Mr. and Mrs. George Holt were their children, several grandchildren and their great-grandson, baby Erich Overhart, age 6 months. The visitors were Mr. and Mrs. Jerry Mulligan of Berkley, Mr. and Mrs. Ralph Reeves and sons, George and Louis, of Huntington Woods and The Walter Overhart and Erich of Farmington.

Mother's Day, like Christmas, holds more sentimental moments, probably, for all families than any other days of the year. The day was observed here with many happy gatherings, taking Mother out to dinner or visiting other mothers during the day. In every case "Mom" was "guest of honor" whether she was hostess to her family or just being entertained.

Mr. and Mrs. Vern Button and Mr. and Mrs. Milton Utter, all of Lansing were recent visitors at the Milton Carver home.

The home of Mr. and Mrs. William Weatherbee of Petytsville was the scene of a birthday party Thursday evening honoring their daughter, Mrs. Robert Toy of Buck Lake and her friend, upon their birthdays which occurred during the week. Among the guests were Mr. and Mrs. Jack Hintz of Portage Lake, Mr. and Mrs. Steve Aschenbrenner, and Mrs. Marsha Malone of Ann Arbor.

Pinckneyites who were confined to McPherson Health Center during the past week were Mrs. Joyce Murphy, Katherine Shugg, Mary Jane Jeffreys, Kitty Sue Williams, and Mr. Earl Stanley.

Mr. and Mrs. Fred Murphy are the parents of a son, born on May 6, at McPherson Health Center.

NOTES FROM THE—

ELEMENTARY SCHOOL

SEVENTH GRADE

Mr. Benham
We are planing to go to the Cinerama May 27th. It is "The Seven Wonders of the World."
We had a cupcake sale May 10, we made \$12.15. We sold 19 dozen.

FOURTH GRADE

Everyone is working very hard in order to finish all the work we need to do this year.

We started a new unit on the care of our teeth. Our daily record shows us we are brushing our teeth daily. We are learning how to have strong, healthy teeth by eating "Protective Foods."

In arithmetic we are learning how to subtract in the thousands and how to find averages. On our last processes test Joanne Craig, Shirley Harmon, David Jones, Mary Plummer, Shirley Potter, Allen Russom, and David Zezulka each had perfect scores. Allen has had all of his processes tests right for the whole year.

Our plans are complete now for our annual trip to the museum at Michigan State University, East Lansing, and to Potter Park Zoo in Lansing.

SECOND GRADE

Mrs. Anderson
Lois Chambers pet duck has little ducks.

Kathy Johnson will have some new clothes.

Ricky Nosker's father went up north. He got a lot of fish. He showed Ricky a big one.

Kathy Lazlo's dog went to the hospital.

We are going on our trip on Tom Kaiser has to mow the lawn. He saw some big fish.

Eddie Williams father got his tractor.

We are going to the Festival of Songs.

Joy Collins father has some plants up in his garden.

We are making something for Mother's Day.

SIXTH GRADE

Mrs. Tasch
This Saturday, May 13th, we will go into Detroit to see the Cinerama for a class trip. The Cinerama entitled, "Seven Wonders of the World."

Thursday, May 11th Mrs. Erhard came into our room to visit us. She asked if we were good in arithmetic, could we divide decimals and etc.

Wednesday, May 10th, the boys had a game with the seventh grade. The girls also had a game with our girls.

Through the week we have had some fun acting the story "Casey at the Bat."

EIGHTH GRADE

Mrs. Meyers
We would like to show our appreciation to Mrs. Wright for taking over while Mrs. Meyer was absent today.

We are writing compositions in English on "What This School Year has Meant to Me."

Roger Bonner gave a talk on "Shepard's Flight Through Space."

Stanley Kourt gave a report on the Russian capsule.

Mary Wylie was voted to be the "Most Diligent Student of the Year 1960-1961."

Rochelle Randall was voted to be the "Best Citizen of 1960-1961."

Yesterday, May 10th, our room had a baseball game. Mary Wylie and Gary Henry were the captains and chose mixed teams. The game was continued today. Gary's team won with a score of 15-0. It was a good game.

We are planning to go to Cinerama in Detroit this Saturday. It is showing the "Seven Wonders of the World". Miss DeBarr will be our bus driver.

We all sincerely hope that Mr. Meyer gets well very soon.

FIFTH GRADE

Mrs. Miller
We wish to thank Mrs. Halliburton, Mrs. Warren Miller, Mrs. Chambers, Mrs. Colone, Mrs. Quesenberry, Mrs. Reynolds, Mrs. Root and Mrs. Whitley for going with us on our trip to Greenfield Village. We had a very good time and Mr. DeLapp enjoyed taking us.

Congratulations on summer birthdays to Sandra Salyer, Marjorie Quesenberry, Bill Brash, and Dennis Aschenbrenner.

We are very happy to know that Rodney Darrow is much better. We sent him cards, gifts and letters. We really miss Roddy! Get well soon. We also sent Mr. Meyer cards to St. Joseph Hospital.

We are doing science units and will be ready for exhibit soon.

3RD GRADE

Mrs. Darrow
Dick's father, Mr. Davis came to talk to us Tuesday afternoon. He gave us much information about planes and flying. We certainly enjoyed his talk and appreciate his giving

of his time to our class. Mr. Davis is an airline pilot.

Wednesday our class took their trip to Willow Run airport. We enjoyed it very much. We wish to thank Mrs. Glatus, Mrs. Colone, Mrs. Bell, Mrs. Quesenberry and Mrs. Knipple for going with us. We also would like to thank Mr. Singer, our bus driver.

Mary Hornbeck of Ann Arbor is a new student in our room.

THIRD GRADE

Mrs. Henry
This was our month to take charge of the bulletin board. We presented mother with a wish for a happy vacation. We drew pictures depicting various ways of safety in our summer activities.

On Tuesday, Mr. Davis, who pilots a jet plane between New York and New Orleans, came and talked to both rooms about flying. He had three models of planes. His jet plane weighs as much as one hundred automobiles, cruises at 600 miles per hour, and holds two big truck loads of fuel. We thank him for coming.

We were all pepped up for our trip to Willow Run on Wednesday. We went through the post office, freight office, repair office, repair hangar, and on to the observation deck. We saw several passenger planes but we were there at the wrong time of the day to see any jets. We would like to thank all the mothers who went with us on our trip.

SEVENTH GRADE

Mrs. Carr
The seventh grade received an award from the Muscular Dystrophy Association of America for their assistance in the Livingston County Fund Drive of 1960. The award is signed by Jerry Lewis, Mrs. Lou Gehrig, James A. Farley and William Mazer. We turned over the entire proceeds from our first school paper this year to the

1961-CROP OATS COUNTY PRICE SUPPORT RATES SET!

The U.S. Department of Agriculture recently announced 1961-crop oats county support rates. The rates are based on the 1961 national average support price of 62 cents per bushel for Grade No. 3 oats. The method followed in determining rates is the same as in previous years.

While the 1961 national average support price is 12 cents per bushel above the 1960 level, county rates are increased 13 cents per bushel from 1960 rates because of shifts in production in the heavy producing areas where market prices are normally lower. Terminal rates are not established for oats.

Price support will be carried out, as in previous years, thru farm and warehouse stored loans and purchase agreements. Support will be available from harvest time through Jan. 31, 1962. Loans will mature on April 30, 1962, in Michigan.

Copies of the county rates are available at the County Agricultural Stabilization and Conservation (ASC) Offices. Copies will be available also in the Grain Division, Commodity Stabilization Service, U.S. Department of Agriculture, Washington 25, D.C.

POSTMASTER EXPLAINS
AIR MAIL SERVICE

"Air mail envelopes should never be used unless the sender desires air mail service. While the use of air mail envelopes for first-class surface mail is unfortunate not widespread, usage is frequent enough to merit special attention." So says Postmaster Lawrence Baughn.

The colorful red and blue bordered envelopes are restricted to mail intended for transportation by air. If this restriction is not observed, there is potential trouble and embarrassment for everyone concerned. Air mail envelopes which do not bear sufficient postage (7c per ounce up to 8 ounces) are handled as air mail, and postage due is collected from the addressee. In the process, the post offices involved are compelled to give the item in question special and expensive attention. The person to whom the envelope is delivered is certainly not pleased when he is requested to pay for special service that neither he nor the sender had in mind.

Questions about air mail will be quickly answered by calling at the Post Office.

NEIGHBORING NOTES

Fowlerville High school's Owen Judd pitched a no hit - no run game against Stockbridge high last week.

St. Patrick's Parish in Brighton has announced plans for a new church and administration building including a rectory. Ground breaking ceremonies were held on Sunday. The total cost of the buildings will be in the neighborhood of \$340,000.

The Stockbridge school bond was defeated last week: 808, no; 647, yes.

The annual Open House at Pontiac last week attracted 3,370 visitors to see and learn about a mental hospital setting. The attendance was a record-breaking one.

The Kirkland Centennial farm will grow one Friendship Acre of wheat for CROP this year. Mr. and Mrs. George Kirkland, long time CROP workers, are the first in the County to report a 1961 Friendship Acre. Partial reports indicate there are a number of others. A Livingston County donor who wishes to remain anonymous has agreed to match two for one all 1961 contributions in excess of Livingston County 1959 CROP gifts of \$2,857.13. Each Friendship Acre in the County will thereby have added value after the 1961 goal has been reached. On Thursday, May 4, under the auspices of the Michigan Crippler Children Commission, the Livingston County Health Department, and the physicians of the county, a plastic clinic was held at St. John's Episcopal Church Parish House. Reed Dingman, M.D., Plastic Surgeon from Ann Arbor, examined forty-eight children for various conditions. Harlan Bloomer, Speech Correctionist from Ann Arbor, also

TRACTORS ARE
DANGEROUS FOR
YOUNG PEOPLE

Farm boys should not drive tractors on the highway until they have licenses to drive cars, believes an agricultural safety engineer at Michigan State University.

Richard Pfister says tractors on the highway are really more dangerous and harder to drive than cars. Youngsters can steer, but many lack needed judgement.

"Twenty-eight of the state's seventy-two tractor highway fatalities since 1955 have involved children under 14," Pfister points out. "That's a big toll considering that these kids spend two-thirds of the year in school."

By comparison, only eight men between 30 and 44 suffered similar mishaps. These men do a good share of the tractor work.

Highway tractor accidents have been getting more serious. In 1955, Michigan had two tractor fatalities in the field for every one on the highway. Now the two are about equally common.

Production scheduled for June 22, 23, and 24 will soon go into rehearsal. About 100 more actors are needed to sign up for the cast.

Two Dexter High school senior boys have been awarded U. of M. Regent scholarships. They are Robert J. Baumgartner and William Murphy. The latter is the son of Mr. and Mrs. A. Murphy of Silver Hill Road, Pinckney. "Pat" plans to enroll in the University's Literary School in September.

We received this letter in our Business Office the other day and we think it might be of interest to you:

Dear Sirs—

I have had my hearing aid phone since Jan. 9th, 1961.

My husband was ill and in bed most of the time, so I had great need to hear who called us. Throughout his illness and death I just never could have gotten along without my phone.

What a blessing to be able to hear our friends from Texas and Florida and others, that I could never hear before. It costs so little a month and means so much to hard of hearing people like me. Why not advertise it more, in fact, I haven't seen any advertisements in any of your pamphlets about it.

Thanking you for its aid

Sincerely,

Mrs. Wm. C. Placeway
10930 E. Grand River
Brighton, Michigan

Thank you Mrs. Placeway for your kind letter. With your permission we are letting our customers know how you feel about the hard of hearing telephone.

If any of our other readers have difficulty hearing over the telephone we suggest that they contact our Business Office for further information regarding this type of instrument.

The 1961 Pinckney telephone directory goes to press next month.

Now would be an excellent time to arrange additional listings for other members of the household who are not listed in the current directory. Many calls are not completed because the name in the book is not the same for everyone living in the house.

This happens often in the case of teen agers, wives, roomers, or other family members. Why not look at your listings in the book now and if you desire additional ones or wish to change your own, call the Business Office, Howell 9911.

From where I sit... by Joe Marsh

Teacher Learns
a Lesson

Fuzzy Goodwin may hold a half-dozen important positions around town—chairman of the school board included—but he's still the same modest fellow that I grew up with.

At the last PTA meeting, Fuzzy made a point of getting together with some new teachers. One of them, a lady with some strong ideas about education claimed that none of the others had gone to the right college—hers.

"Well, Miss, that isn't so bad," Fuzzy told her. "One of our board members didn't even

go to high school, let alone college." "No! Who?" she said. "Me," he said.

From where I sit, some of us want people to be carbon copies of ourselves. But that just isn't the American way. Our heritage of freedom implies the right to be different, even in little things—like your choice of tea or coffee and my preference of a glass of beer. I say "be yourself" and no "studying up" to be like each other.

REGULAR BOARD OF EDUCATION MEETING APRIL 6, 1961

The meeting was called to order by Pres. Young at 7:40 p.m.

Roll Call—Present: Basydlo, Kinsey, Swanson, Goucher, Young, Mrs. Towsley. Absent—Walton.

Minutes of the previous meeting were read and approved.

Mr. John Mader — Director of Special Education of Washtenaw County — met with the Board and discussed the special education program as set up by the Washtenaw County Education system.

Supt. Reader's report—

1. Boiler report — Investigator for the Insurance Company gave the school system favorable approval on the School Boiler.

2. Presented additional Teacher's contracts for signature.

3. Bleacher seats for the Athletic field arrived and put into use.

4. Two High School Diplomas for Board signature.

5. On investing "reserve funds". Best investment — U.S. Treasury Bonds.

6. All help covered by Workmen's compensation whether hired by School or merely helping school personnel.

7. That School Budget for 1961-1962 school year was prepared.

Mr. Kinsey reported that the Village Council is planning to erect signs in regard to loading and unloading School Buses within the Limits of the Village.

Motion by Kinsey, 2nd by May 1, 1961. Carried.

Swanson that all Teacher's signed contracts be returned by

The Board entered into a lengthy discussion on the proposed school budget as presented by Supt. Reader. It is difficult to draw up a budget as the following items are not available at this time:

1. State Aid per child is not available until the State Legislature adjourns.

2. School assessed valuation is not available until the Board of Supervisors meet in late April or early May.

3. Child accounting is not definite till following school year.

All proposed school budgets must be in the hands of the County officials by mid-April.

Motion by Kinsey, 2nd by Swanson that we accept the proposed budget of \$474,980 as presented. Carried.

Due to numerous inquiries in regard to establishing a track for High School competition, the Board is undecided as to whether to locate it on limited basis on the local field of plot its future within the next Building program. This project is very expensive to develop.

The Board approved the bills and had same paid.

Motion by Basydlo, 2nd by Mrs. Towsley to adjourn. Carried. Time 11:06 p.m.

Visitors — Mr. Robert Dunn, Mr. Lloyd Hendee.

Supt. Reader's reports —

1. Suggested that the present car used for Driver-Training Program be sold and a new one purchased.

2. A delay in the arrival of Diplomas for the graduating class and another meeting needed to sign same.

3. A monopoly in price fixing by companies selling "bleacher seats" has been uncovered.

4. School census time.

5. Busses for the coming year.

At this time the Board entered into one of the lengthiest discussions on record on the following topic:

Motion by Kinsey, 2nd by Walton that the Board of Education adopt the following resolution and place it on the June 12th ballot—"Shall the School District No. 2 frl., township of Putnam, counties of Livingston and Washtenaw, and state of Michigan, levy one (1) mill to create a sinking fund for the purpose of establishing building and site fund for a period of 3 years?"

Of all the opinions expressed on the issue "pro-con" the Board felt that such a fund was long overdue. This fund could be available for purchasing a site for future school, possibly adding additional classrooms. Last bond issue calls for 3 tax dollars for purpose of using \$2. The negative opinion that defeated the proposal was based on the fact that there was strong possibility of another "bond millage vote" before another year passed — no doubt causing much confusion — thus erasing a possible solution.

Roll call vote—

YES — Kinsey, Walton.

NO — Goucher, Mrs. Towsley, Swanson, Basydlo.

Motion defeated.

Probably the next two years will be the busiest and most trying that will face the future Board of Education since the Consolation period. The committee of "Future Building Activity" was not prepared to offer any report on future needs to date. The task is turning out to be complex and difficult.

In checking the former Pettysville school building it was found that it would be necessary to begin to repair that building. Due to the fact that it does not fit into the present system without a heavy capital outlay, the Board decided to sell the property.

Motion by Swanson, 2nd by Goucher that we sell the Pettysville school building and land and place the proceeds into the general fund. Carried. Basydlo-Goucher appointed to handle the sale.

Motion by Goucher, 2nd by Swanson that the Board of Education invest the funds in the Reserve Building account — in U.S. Treasury bonds and have the McPherson Band handle the transaction. Carried. Supt. Reader was asked to carry out this on behalf of the Board.

In discussing the "track program" Mr. Gilbert Dunn pointed out that there was sufficient land to establish a minimum oval track at the Hamburg Elementary School at Hamburg. The possibility of establishing one at the Veterans Athletic field is being checked.

At this time, Mr. Lloyd Hendee entered into a length discussion on the transportation of youngsters by busses. Mr. Robert Dunn, who is in charge of the transportation department, and Supt. Reader pointed out that the Dept. of Education of Lansing draws up rules and regulations for Schools to abide by in order to be re-imbursed for this service. There is a stronger movement to establish more

loading zones and minimize the lengthy routes and numerous stops, thus more road travel for school children to meet the busses. Mr. Hendee pointed out that there is growing concern over the youngsters safety on the road due to many outbreaks by sex-maniacs. This is a grave problem facing the whole Nation to-date. Alertness by parents and their children may help to control this problem.

Mr. Robert Dunn discussed the report on the busses to date. He pointed out that this District needed two new busses. Instead of disposing of the busses that are to be replaced, he suggested we keep them for spare busses. Only International Dealers were asked to submit bids — The International busses are more economical to maintain and to operate.

Bids are as follows —

Howell — 2 chassis — \$6970 — 66 pass. bus.

Chelsea — 2 chassis — \$6873 — 66 pass. bus.

Stockbridge — \$7077 — 2 chassis — 66 pass. bus.

Wayne body — \$3795 each.

Superior body — \$3799 each.

Motion by Swanson, 2nd by Mrs. Towsley that we accept the recommendation of Mr. Dunn, Transportation Administrator, and purchase the chassis from the lowest bidder, Chelsea, and One Wayne and one Superior body. Also have installed a heavy duty generator in each. Carried.

Motion by Basydlo, 2nd by Mrs. Towsley that we accept the recommendation of Supt. Reader to purchase new car for Driver Training Program and trade the present on the new purchase. Carried. Mr. Reader to handle the transaction.

Supt. Reader was authorized to proceed with the Census as in the past.

The manufacturers of the Bleacher seats have been accused of price fixing and many of the School Districts who have purchased seats since 1955 have

grouped together and proceeded to start suit against them. Pinckney school have purchased two sets — Gym and Athletic field. The Board approved the action against these concerns and authorized the School attorney to file a claim.

Secretary read the following communication:—

1. Letter of Appreciation from the Elementary Student council.

2. Letter from Mrs. Rene Miller, Elem. teacher, stating her reason for leaving the Elementary staff for another position in Ann Arbor. Board's wishes for a successful new beginning.

Motion by Swanson, 2nd by Mrs. Towsley to pay bills as read. Carried.

Motion by Goucher, 2nd by Mrs. Towsley that the Board approve the offer of the Pinckney Elementary School Student Council to purchase proper identification for that school and have the same erected. Carried.

Motion by Walton, 2nd by Basydlo to adjourn. Carried.

Time 12:15 a.m. Friday.

The Board is considering the possibility of having two regular meetings every month.

JOSEPH BASYDLO,
Sec. of the Board of Education
JOHN L. YOUNG,

MICHIGAN MARCHING FORWARD . . .

Just to show that they are doing their bit to help Michigan "march forward", several students have submitted advertisements for local areas.

PINCKNEY

Pinckney is a wonderful little town in Livingston County. It is a perfect place to spend a

vacation. There are several lakes very close to the village, and fun is all around you. You can fish, swim, go for boat rides, hike through the beautiful woodlands or just take it easy.

Pinckney has beautiful scenery and friendly people. What more could you ask? The town square is beautiful, it looks as if it belongs in Greenfield Village.

You will find Pinckney a beautiful place where you can rest and enjoy yourself. You will want to come again the next time you have a vacation.

Elma Shugg

MICHIGAN'S PLAYLAND

Michigan, beautiful Michigan, will soon come to life with the gaiety that flies in on the robins wing as spring buds forth and blossoms into summer.

Thousands of Michigan lakes attract many tourists every year. Within fifteen miles of Pinckney are more than fifty lakes, several of which are rather large.

While you are visiting the Water Wonderland, "you can stop at a place called Hell." Don't let the name fool you. Actually the place is a rather cool resort spot.

After paying a visit to "Hell" you may wish to visit Paradise, just one day's journey away.

Everything in Michigan's playland point to fun. Tourists are welcomed by the friendly smiles of Michigan residents.

Why not join the many happy tourists who will visit Michigan this summer?

A PLACE FOR THE YOUNG AT HEART

You ask me why I like living at Strawberry Lake. Well, I'll tell you. Strawberry Lake is the perfect place for the young at heart.

There are so many things here to entertain one: boating, skiing, surf boarding, canoeing, camping: Just everything!

You couldn't find a finer group of people anywhere. I'm

really glad I can call these fine citizens my neighbors.

If you are searching for a place to buy or rent a cottage, I'm ready to guarantee that you will be more than happy at Strawberry Lake.

Even though you don't feel young now, once you become a resident of Strawberry Lake you will find yourself joining in the fun that once you thought only "kids" could have.

Yes, Strawberry Lake truly is the place for the young at heart.

VACATION IN PINCKNEY

Come, enjoy a vacation in Pinckney. It's a quiet, pretty village in Livingston County in the southeastern part of Michigan. The location will thrill you—set in the midst of lakes, streams, recreational areas and surrounded by the fertile, well kept farms, it is a little paradise.

The silent streets and peaceful atmosphere of the village will help you rest and enjoy life. The fine, friendly people you meet will add to your pleasure.

Visit nearby "Hell", and enjoy its attractive cottages and beautiful damm site. Take advantage of the fine fishing while you're there. Then take a hike up Peach Mountain and visit the well - equipped observatory owned by the University of Michigan.

Enjoy the beautiful scenery at you drift lazily down the Huron River some bright day.

When you tire of the out-of-doors, come home to quiet Pinckney, and chat with the friendly neighbors about the fish you almost caught.

Uncle Sam, your bank, and you

How this 20-year-old partnership helps keep America strong

Since May 1941, America's banks have sold nearly 2 billion separate U.S. Savings Bonds at no cost to the Government or the taxpayers. To give you some idea of the time involved: if you merely handed out that many Bonds at the rate of 1 a second for 10 hours a day, it would take you 152 years to reach the bottom of the pile.

Why have the nation's banks and bankers carried on this vast project of information, service, and issuance of U.S. Savings Bonds?

A winning team. For one reason, the Bond program and the Banking business have grown together. Hand in hand, they've helped make

Americans the saving-est people in the world.

Another thing bankers are interested in: Bond dollars help keep America strong. A good reason for the Banking business or any business to get behind the Bond program.

What you buy at the Bond window. Savings Bonds are guaranteed to grow: \$18.75 becomes \$25 in 7 years, 9 months, and grows to \$36.25 in another 10 years. If they're lost or destroyed, the Treasury Department replaces them free.

Buy and hold U.S. Savings Bonds—for the things you want, and the Peace to enjoy them.

"America's Banks are proud to be part of the Bond Program,"

says Carl A. Bimson, President, Valley National Bank, Phoenix, Arizona, and President, American Bankers Association.

"We believe it is good for America as an economic stabilizer; it is good for the individual and the community; and it is good for banking. The promotion of Savings Bonds has helped to make savers out of non-

savers, to revitalize the American tradition of thrift, and to build savings in all forms to record levels.

"The American Bankers Association congratulates the Nation and the public on

the 20-year success story of the U.S. Savings Bonds Program, and pledges its vigorous continued support."

HAMBURG TOWNSHIP SPECIAL MEETING MAY 8TH, 1961

A special meeting of the Hamburg Township Board was called to order at 8:05 p.m. by Supervisor Francis Shehan. This meeting was called and paid for at the request of Mr. Robert Wheeler and Mr. Alex Winisky. Attorney Reed Fletcher was present to represent Mr. Wheeler and Mr. Winisky. Mr. Donald Moon was present to advise the Board.

The proposed Plat of Lac Beau Riviera, a subdivision of part of the North FRL 1/4 Sec. 32 of Hamburg Township, was submitted to the Board.

Inspection of Plat showed it was not in accord with a Hamburg Township resolution dated March 17, 1961: "That henceforth, all new Plats in Hamburg Township have lots with a minimum of 80 (eighty) feet of width and 100 (one hundred) feet of length to assure adequate room for effective and sanitary septic tank drainage. This motion to take effect immediately."

Mr. Reed Fletcher asked that the Board make special consideration, because much preliminary work has been completed.

Motion by Wm. Backlund. Supported by E. Rettinger.

That the proposed Plat of Lac Beau Riviera be considered and that the Board make recommendation for approval or rejection at the next regular meeting.

Motion carried.
