Miss Nancy Nash Wins County Beauty Contest

MISS NANCY NASH

Miss Nancy Nash as Miss Pinckney was the winner of the 1961 Miss Livingston Beauty Pageant held at the Howell high school last Thursday evening. Nancy, a lovely brunette, is the daughter of Mr. and Mrs. Mark Nash of 7510 Pettysville road. She is a 1959 graduate of Pinckney High school and now a sophomore at Michigan State University.

As one of the nine entrants in the contest sponsored annually during Michigan Week by the Howell Jaycees to select a Miss Livingston County who will later compete for the Miss Michigan title, Nancy was judged on beauty, talent and personality. She is a member of the State Singers and the Madrigal club at MSU and presented a vocal number as her talent for the judges.

She sang Jerome Kern's "I Feel Pretty" and "Tonight" from "The West Side Story."

Miss Joan Geer, Miss Livingston County of 1960, crowned her successor before a capacity crowd. As winner of the title Miss Nash is given an all-expense paid course at the Powers Modeling School in Detroit. She will also be provided a free week end at the state contest to be held in Muskegon in July. The winner and the runners-up, Miss Nancy Barton of Howell and Miss Sharon Lee Langbecker received many fine gifts donated by Howell business men.

Mrs. Oscar Powell, Mrs. Richard Randall and Miss Florence Preuss were in Detroit on Wednesday. Miss Preuss visited the children's room at the Main Detroit Public Library and conferred with the children's librarian in the morning.

Mrs. Dora Stackable and son Robert, and Mrs. William Chunn and Mrs. Joe Stackable were Saturday callers at the home of Miss Helen Tiplady and Lee Tiplady.

Baccalaureate Held Sunday Evening

The Reverend Thomas Murphy of the People's church delivered the baccalaureate address to the Class of '61 in the high school auditorium Sunday evening. He spoke on "Remember Thy Creator In The Days Of Thy Youth."

Supt. Wealey Reader introduced the speaker and the Reverend Luther Kriefall of the St. Paul's Lutheran church in Hamburg, who gave the invocation and the benediction.

The Girls' Chorus under the direction of Dennis Napier offered four selections; "Grant Us Thy Peace," "The Lord's Prayer," "This Is My Country" and "Graduation Day."

The seventy-five graduates will gather again on Friday evening, June 2, at 8 o'clock for their commencement exercises. Eugene Thomas of Kalamazoo Central High and NEA vice-president, will deliver the address and Supt. Reader will present the diplomas. Weather permitting the exercises will be held under lights on the Veterans' Memorial Field.

SENIOR COMPOSITE PICTURE NOT AVAILABLE

The Dispatch sincerely regrets it is unable to publish the traditional composite senior picture of this year's graduating class.

The studio which took the senior pictures has been unable to supply us with the picture, but as soon as it is available we will publish it.

Accidents Claim Seven Lives Since Friday Evening

Accidents claimed seven lives in this area in the past few days and resulted in injuries to five others.

About 1:00 a.m. last Friday morning a 2-car accident on E. Grand River in Howell took the lives of three Howell boys, Dave Cunningham, Tom Nash and Robert Pitts who were riding in a vehicle that collided with that of Mr. and Mrs. Richard Jackson of Gregory. Mrs. Jackson (Betty) was also killed. Her husband suffered numerous injuries and is at McPherson Health Center in Howell.

At ten o'clock Friday morning the cars driven by Louis

WENS NATIONAL DEFENSE SCHOLARSHIP

Mr. Robert Dunn, Chemistry, Physics and Modern Language instructor at Pinckney High School has been awarded a National Defense Educational Scholarship to attend Georgetown University in Washington, D. C. during the summer of 1961.

These institutes seek to improve the quality of foreign language instruction in the Nation's elementary and secondary schools by providing advanced training, particularly in the use of new teaching methods and instructional materials for teachers.

The summer program begins June 22 at Washington and continues for seven weeks.

Mr. and Mrs. Adam Bochini and children of Warren were Sunday guests at the Murray Kennedy home.

Each and Marion J. Reason, both of Pinckney, crashed head-on on the Dexter Pinckney road at the intersection of Stinchfield road resulting in the death of Mr. Esch and injuring Mr. Reason, who was taken to St. Joseph Hospital in Ann Arbor. He had facial and chest injuries but was able to return to his home on Saturday.

Late Saturday afternoon the car driven by Mrs. Pauline Tice of Dexter went out of control after side-swiping another car and crashed into a tree killing Mrs. Tice's six-year-old daughter, Patricia Lynn, and Arthur H. Harter, 7, a neighbor boy, riding with them. Mrs. Tice, 33, and her two other children were taken to St. Joseph Mercy hospital with severe injuries. She is an employee of the Aco Company in Pinckney and well-known in the community.

Annual School Election Is June 12th

The annual election of the Pinckney Community Schools School District, Livingston and Wahtenaw Counties, will be held on Monday, June 12, with polls in the high school gym open from 1 p.m. to 8 p.m.

Electors will name two (2) trustees for four year terms and one (1) trustee for a two year term. There are no propositions to be voted upon in this election.

Four candidates had filed for the trustee posts and the following names will appear on the ballot: Joseph Basydlo, incumbent, who seeks a four year term; Lawrence Baughn, for a four year term and George Roth, four year term.

John Walton, incumbent, is the only candidate running for the two year trustee post. He was appointed by the school board last winter to fill the unexpired term of C. C. Hollingsworth, who had resigned.

BASYDLO, a veteran school board member, is now serving as secretary of the board. He is a life-long resident of this area and a former school teacher. He is also a carpenter and with his family lives at 8996 Pettysville road.

BAUGHN, postmaster of Pinckney, is also a member of the County School Board. He and his wife, a former school teacher, and their three children live at Portage Lake.

ROTH has been a Pinckney resident for several years. He is a barber living with his family on Patterson Lake road.

WALTON is employed by the state as a field agent for the Office of Vocational Rehabilitation, Department of Public Instruction. His wife, Helen, is a member of the high school faculty. The family live at Hilland Lake.

NOTES FROM THE- ELEMENTARY SCHOOL

THIRD GRADE

Mrs. Henry
We are very busy finishing up our work for the year and taking our final tests. To look back, our year has seemed very short. We are looking forward to next year and the fourth grade.

Each one of us want to thank our room mother, Mrs. Gramer, for all the things she has done for us this year.

Our Third Reading Group is enjoying our new reader's "Reader's Digest". The stories are all taken from regular "Reader Digest's" but written in third grade level. Everyone looks up extra information on every story. So far we have read about Wild Animals, Annie Oakley of the Wild West, National Audubon Bird Society, Caves, Bloodhounds, Oysters, and Flying Doctors of Australia.

SEVENTH GRADE

Mrs. Erhardt
Today our room had a hat day. It was very successful about 11 people have hats. Some of them forgot so we are going to have one tomorrow too, and anyone who doesn't wear a hat has to give 2c to the library. Some of the boys and girls did

not wear hats so we made some. They are funnier than the ones we bought.

Today we are going to play Mrs. Tasch's girls in a game of soft ball. Let the better girls win! We won the last one. And we hope we win again.

One of the girls in our class got caught up a tree last night.

FIFTH GRADE

All the summer birthdays have been celebrated and we are hoping that was our last birthday spanking.

We have had tests all week and are ready for our hike to the farm of Julius Aschenbrenner Sr., on Cedar Lake road on Monday for our science activity.

We have cleaned our desks and erased all marks on every book — counted all library books — finished most of our work books and are completing our Science Units.

We have had a very wonderful year. We wish a speedy recovery to Rodney Darrow. We surely miss him and hope he gets well real soon.

Congratulations to all the Eighth Graders. We shall miss them but wish them the best of luck in High School.

The Fifth Grade class would like to wish the best of luck to Mrs. Miller and to say we have all had a very nice time having her as a teacher. We all hope she has a nice time in Ann Arbor.

Congratulations to Linda Zezulka for being the "Service Squad Girl of the Year." We are proud of her.

Roddy Widmayer, Sec.

FOURTH GRADE

On Wednesday we went on our class trip to Lansing. First we went to the museum at Michigan State University. A guide gave a short lecture on the pre-

paration of exhibits after which we toured the museum. We saw many interesting exhibits of animals, antiques, fish, etc. During the afternoon we toured the zoo at Potter Park. On the way home we stopped and crossed the "skywalk" across Philadelphia Avenue. We had a wonderful time. We would like to thank Mr. DeLapp for driving us and Mrs. Bell, Mrs. Davis, Mrs. Behm, Mrs. Haines, Mrs. Nash, Mrs. Line, Mrs. King, Mrs. Meabon and Mrs. Shelden for going with us.

These last few days are very busy. We are trying to complete our works and clean up our books and desks in readiness for another year.

KINDERGARTEN

We all enjoyed our trip to see the fire engine, the store and the farm. We wish to thank Mr. Parks for the treat. Mr. Grodell for showing us baby goats, ducks, chickens and rabbits and his lamb named Mary Ann. Also Mr. Delapp for showing us baby colts, calves and lambs.

We have a bird's nest which we think is a work of art. We think birds are clever.

Our room has many vases of flowers which people have brought from home.

We have been learning about Michigan — we have a map of Michigan on our wall and we know where the Mackinac bridge is.

We are making animal scrap books and copying the names under the pictures.

We have a new safety poster on which it says "Walk of Left Facing Traffic."

We made paper plate clocks with hands that turn around.

ELEMENTARY STUDENT COUNCIL NEWS

The Safety Patrol Service Squad and Student Council had an end of the year party Thursday, May 25, 1961. The Council furnished pop and dixie cups.

The Student Council is buying gifts for the sponsors of these organizations: Safety Patrol, Service Squad, and Student Council, our beloved principal and the two teachers who are our field day recreation leaders.

On field day there will be dixie cups for everyone in school, furnished by the council.

This is also the end of our Council year and we all would like to thank our sponsors, Mrs. Tasch and Johnson very much.

PINCKNEY DISPATCH Wednesday, May 31, 1961

SIXTH GRADE

Mrs. Tasch
Since school is almost out, we are almost finished with our school books. Soon we will have to wrap them up and put them away.

Wednesday, May 24, John Crittenden won an arithmetic speed and accuracy test. Also Wednesday, Mrs. Tasch wrote on the black board all the things in arithmetic we should have learned this year. Almost everyone knew the problems she wrote down.

Since we decided to have a pupil-teacher each day we think it has worked very satisfactorily.

Next Wednesday, May 31st we are planning to throw a class birthday party. This party will be for everyone in our room. We are planning to get a \$7 birthday cake from the Dexter Bakery.

SECOND GRADE

Mrs. Johnson
The children in our class went to Chelsea Mills to watch the packaging of Jiffy Mix. We enjoyed seeing the packages filled and put into cartons. Each child received a package of chocolate cake mix and a package of frosting mix. Our guide told us that the products are shipped to each of our fifty states and to Mexico.

After seeing the mills we went to Huron River Park in Dexter for a picnic.

We have four girls sick with hepatitis.

The boys in the room will try to spell down the girls this week.

We wish for all "A Happy Vacation."

EIGHTH GRADE

Mr. Benham
We played St. Mary's school in baseball. Our 8th grade boys won. It was a very good game.

Last Monday the Hamburg boys and girls came to the Elem. school to play baseball. After that we had pop and potato chips. We all had a nice time.

Everybody is finished with their science report. They all did a very nice job on them.

FIRST GRADE

Mrs. Rooke
For weeks we have been excited about our trip to Potter Park. We read many stories and saw many pictures of the animals and birds we would see. We planned who were to be partners and what mother we would go with.

Wednesday finally came. It was a beautiful warm day. All but two of our room were able to go. Everyone had a nice time. We want to thank all the mothers and the bus drivers too.

We have made many pictures of the animals and birds we saw. Also we had fun on the big playground.

SEVENTH GRADE

Mrs. Carr
Last Thursday we took our class trip. We went to Greenfield Village. We divided up into smaller groups so as to see more in the short time we had. We would like to thank all the mothers and fathers who went along to supervise the groups. Also Mr. Singer our bus driver. Martha Nash

EIGHTH GRADE

Mrs. Meyers
The game we played against the Catholic School was in our favor 10-8.

Monday, May 22, Hamburg's Eighth Grade came to our school. The three rooms choose captains, one from Hamburg and one from Pinckney; the tain won, 13-10.

LIBRARY NEWS

Mrs. Morris' Civics Class has placed three attractive exhibits of units of work on Michigan in observation of Michigan Week. The library had a display of "Michigan in Books" and a literary map of Michigan featuring the locale of stories about Michigan and the birth-place and residence of Michigan authors.

The Pinckney Community Library Board and staff extends congratulations to the graduation class of P.H.S. 1961.

We wish you well in your future, and hope that those of you who remain in Pinckney will avail yourselves of the recreational and educational reading material of our library. The library is an agency for adult education and if we do not have the information you need we will get it for you.

HUSKS, HULLS & CHAFF
By George MacQueen

We have heard of white caps on the Great Lakes when caused by being whipped up by the wind. As we look around now we can see white caps or hot caps dotting the landscape on Dr. Pat May's melon patch. Looks like a start has been made for having the second annual Melon Festival. August Schmidt and Burt Lovas have been "bird-dogging" the whole deal making sure the new growers raise their plants, sterilize their soil, make proper fertilizer application, etc., to assure a crop of melons. The three 'sweethearts' of the Howell Honey Sweet Melon, Willard Wiltse, Stanley & Gerald Knight and the Dankers are busy about the melon business these days.

Patricia Borovsky, daughter of Mr. and Mrs. Charles Borovsky of Mill street, underwent corrective heart surgery at the University Medical Center, Ann Arbor on Friday. Pat, who is to be a sophomore in high school next fall, is reported making good progress.

Birthday greetings go this week to Wendy Horst and Lillian Campbell who celebrate on Saturday; to Mrs. June Hendee and John Tessmer on Monday; Mrs. Eileen Winger on Tuesday.

JACK CLARK

OLD GRAD INTERVIEW—

The final story in the series of interviews with "old grads" by high school reporters brings back a 1956 graduate of Pinckney High School. He is Jack Clark, son of Mrs. Walter Clark of Putnam street and the late Walter Clark.

Jack, who now lives in Muskegon, recalls that while in high school he was interested in many sports as a spectator, mainly because his time was limited due to the fact that he spent all his spare time working in the local drug store to accumulate funds for his future college days. He especially enjoyed science and chemistry among his studies. His favorite teachers were Mr. Reader, "for his friendliness and helpfulness extended to all his students" and Mrs. Morris for "her fine ability in teaching and helping her students thoroughly."

Musically and athletically last Thursday, May 11, will stand out in the memory of Pinckney high school students and the community.

A baseball victory, a track triumph were recorded for P.H.S., in addition to the successful concert in the evening.

Baseball history was made in the game with Roosevelt.

In the oddest play of the season, the Pirates scored a victory run on a two-out strikeout which normally would have ended the game. There were two men out at the top of the seventh when Gerald Darrow singled and held first until there were two strikes on the next batter, Don Barker. Darrow broke on the next pitch, a low third strike that hit the dirt behind the plate and bounced out of the Roosevelt catcher's hand. The catcher threw to second where it was missed and the ball went out into center field permitting Darrow to score. Barker followed with another score on Jack Young's single.

Roosevelt had a two-run lead earlier. The final score: 4-2.

Battery for the Pirates, Bob Williams and Terry Rowell.

Graduation found Jack ready to enroll at Ferris Institute at Big Rapids from where he was to receive a diploma in June, 1960. Today, a year later, he is employed as a professional service representative for Merck, Sharp and Dohme Pharmaceutical company.

On October 24, 1959, Jack was married to a former high school classmate, E. Vickie Laszlo. Their home is at 3240 Gettys Avenue, Muskegon. Medical activities interest him and bowling is his hobby.

His philosophy of life; "To know your fellow man and to help those in need with word, thought and deed."

His advice to high school students of today: Accomplish all your high school courses with high scholastic grades; and above all, prepare yourself . . . by studying . . . for the future.

LOCAL BOY ATTENDING TECHNICIAN SCHOOL

Currently attending the Electronics Technician School at the Treasure Island Naval Schools Command, San Francisco, Calif. is Duane L. Haines, seaman, USN, son of Mr. and Mrs. Clifford Haines of 405 Rose St., Pinckney.

Scheduled to end June 2, the school qualifies personnel in the repair and maintenance of highly technical electronic communication and radar equipment used aboard Navy ships.

ATTEND MEETING

Mrs. Swarthout and Mrs. Morris attended the educational convention in Ann Arbor Friday, May 12.

George Tansley, Patterson Lake, Pinckney, is the first driver to be apprehended for speeding through Hell. A State Police officer ticketed Tansley Friday afternoon for exceeding the 35 mile per hour speed limit recently set for the 1/2 mile stretch through Hell, (Mich.)

MICHIGAN MIRROR

Michigan week, 1961, is now history. In terms of activity by Michigan people within the state and publicity for Michigan outside, it was the greatest yet in the opinion of those who worked to make it a success.

Naturally, those who boost this state are anxious that the effort be year-round rather than just a seven day binge. They are devoting much time to stretching effects of the "boost Michigan" idea as long as possible, and giving the drive a new lift each year in the May celebration. One way to keep things moving is to name the next year's chairman before this year's program is finished. That was done this year.

1962 Chairman is Edward O. George, sales vice president of Detroit Edison, whose home was in Petoskey until 1929 when he went to work for the utility. Before this year's Michigan Week was started, he was busy organizing for next year; asking clubs, schools and other groups to improve this year's activities for the 1962 campaign which takes place, incidentally, May 20-26 next year.

"The manufacturer all too often leaves industrial promotion to the retailer, the banker, the insurance man, the utilities so far as leadership and strong participation are concerned," said Dan Gerber, Fremont baby food manufacturer and Michigan Week enthusiast, in one of the more significant talks made on the subject.

He asserted that manufacturers should be out in front in their local industrial programs by the same reasoning that leads them to positions of leadership in such activities as the Community Chest. "It is no nobler or wiser to help one's fellow-man thru charitable organizations and social services than to help assure jobs for him and his children through the promotion of more payrolls for the community," he stressed.

"I didn't know Metrecal is made in Michigan," a statement frequently heard since this Michigan "Product of the Year" was selected for 1961 honors, emphasizes that many of us know far too little about our state and some of its outstanding products, says Lowell Treaster, director of MSU Information Services and a Michigan Week worker. Metrecal, manufactured in a busy Zeeland plant, has received much national attention, but few realize its Michigan connection. Hush Puppies, a smart, moderately priced sports shoe made in Rockford, was selected as 1960's Product of the Year.

Mr. Treaster pointed out that more knowledge about Michigan permits individuals to make sound decisions for improvement. "Man can do something about our environment and Michigan Week is one of the most useful vehicles in our state for this purpose," he said. "Through this event we have the opportunity to inspect our surroundings from every point of view. We see the beauties and the shortcomings. We learn about some of the assets that make our communities, our state and our nation the envy of other peoples throughout the world. By identifying both the good and the bad, Michigan Week prepares the way for improvement of our environment."

Michigan Week is financed by Greater Michigan Foundation, an organization in which many groups work toward these ends:

To get Michigan people better acquainted with their state and each other, their prides and problems;

To win favorable attention for Michigan nationally.

To encourage Michigan people to work together on an all year basis.

Don C. Weeks and the staff of the Economic Development Department which he heads do a great deal of the co-ordination for Michigan Week. Mr. Gerber, a former chairman and recently appointed member, had this to say of that office in his recent Detroit talk:

"The staff of our state Economic Development Department is one of the ablest and most highly respected in the business. Under sometimes the greatest handicaps, this department has done and is doing a most effective job, with devotion, perseverance and distinction that every Michigan citizen should applaud."

Delegates to a convention for the purpose of revising the 1908 Michigan Constitution will convene in October. They have a chance to rise above partisan bickering and special interest pressure and devise a solid document to provide a basic framework for government.

The Constitution, of course, is no more responsible for Michigan's troubles than any other one thing.

But a sound basic document, coupled with a better economic situation and responsible actions by the leaders of political parties, business and industry, could mean Michigan is on the road to better things.

It may be an oversimplification to say that one Payless Pay-day shattered the image of a great state. The rebuilding job, which may be underway, is neither simple, nor easy nor short.

Helpful hints for hospital operation can mean money in the bank to the employee suggesting them.

A panel of experts in the field of hospital administration is currently judging 202 entries in a contest to decide who came up with the best idea for saving time, money, work or any combination—or simply improving hospital service—in the last year.

Sponsored by the Michigan Hospital Association and Michigan Blue Cross, the contest calls for written reports on ideas that have proven a boon to effective operation of hospitals. Four \$500 awards and ten of \$100 each will also be given.

After screening, winners will be picked by the judging panel and announced at the 42nd annual convention of the Michigan Hospital Association in Grand Rapids June 18-20.

Bill Would Cut Sales Tax On Heavy Items

A bill introduced by Rep. Rollo G. Conlin (R-Tipton), would subtract the allowance made in a trade-in from the purchase price, with the sales tax being paid on the difference only.

This, said Representative Conlin, would encourage sales of autos, appliances and other items where trade-ins are usually a part of the deal. It would cost the state, he estimates, about \$17 millions in revenue, but he believes that it would be made up in increased sales.

Mr. Conlin is chairman of the House Taxation committee.

Resolution Asks Study Of Dep't

A Resolution was introduced in the House of Representatives Thursday, by Rep. Ross Stevens (R-Atlanta), asking that a joint committee of the House and Senate be named to study and investigate the Conservation Department.

Representative Stevens said that the hundreds of complaints and petitions that are coming to the desks of the legislators, indicate that the public has lost confidence in the way the Department has been operated. He said that he hoped that a study of the department would restore confidence in its handling of the various conservation matters.

Would Admit Evidence In Civil Suits

A bill which would allow the admission of evidence of convictions of motor vehicle law violations in civil actions, introduced by Rep. Terbush, (R) Owosso, passed the House last Friday.

The use of such evidence in civil cases, its sponsors claimed would establish responsibility in cases where suit was being brought for damages arising from an automobile accident.

Legislation will make them available for use in institutions other than the one in which they were devised.

STATE POLICE SLATE EXTRA DUTY FOR MEMORIAL DAY

With motorists converging on Michigan highways during the extended Memorial day period, the first major holiday of the warm weather season, the State Police have scheduled increased traffic patrols from noon Friday, May 26, to midnight Tuesday, May 30.

They will be assisted by 106 National Guardsmen from 1 p.m. to 11 p.m. on Monday and Tuesday, May 29 and 30, as second men on two-man patrols and on point control. Another 98 Guardsmen will aid sheriff departments.

State Police Detectives will be used on desk assignments to relieve uniform officers for additional patrols and pass days are cancelled for Monday and Tuesday.

Patrol shifts will be lengthened from eight to 10 hours and assigned generally to the state trunkline system with special attention to high accident areas.

Weather permitting, radar speed meters will be in service from 8 a.m. to 5 p.m. in high accident areas and department planes will aid in directing patrols to accident sites or to highway sections with unusual congestion.

The Memorial weekend last year claimed 21 lives in 17 fatal accidents, an average of one death every three hours and 43 minutes. The rate was much worse than that of the average of one fatality each four hours and 16 minutes for the Memorial holiday periods in the seven years of 1953-59.

"Traffic deaths in Michigan for the first four and a half months this year are about five per cent ahead of the 1960 rate for the same period," said Commissioner Joseph A. Childs.

"To hold deaths down during the heavy travel of the Memorial holiday period, motorists are urged to faithfully follow the rules of the road. Drive defensively too, always being on the lookout for the driver whose maneuver might involve you in an accident. Pedestrians are cautioned to be unusually alert, especially in recreation and resort areas.

A feature of the Michigan Week celebration will be the Michigan Products Sample Fair to be held at the Civic Center, Lansing, on May 25 - 27, 1961. Only Michigan manufacturers and producers will participate in the show.

BUILT TO SAVE YOU MONEY... The new "Turbo-Jet" fogs your entire barn FAST... on the least possible amount of spray. Its permanently set nozzle not only eliminates unnecessary adjustments, but breaks down the spray into a fine, penetrating fog that gives you safe, economical protection.

NEW NOZZLE... Exclusive external vortex type venturi creates controlled turbulence... Air blast from powerful motor enters the venturi tube and the spiral stream lifts fluid from the tank, whirling it out from the venturi chamber in a clockwise direction. As the stream of fluid meets the whirling blast of air, it is dispersed into droplets of the most effective microscopic size for maximum efficiency and effectiveness of spray material.

- Body supported on spring friction clutch-traction bearings, which permanently maintain firmness of jet direction adjustment.
- High cooling efficiency. All aluminum body distributes and dissipates heat more rapidly.
- Instantly mounted, all parts assembled, unitary nozzle. No screws or bolts to tighten or leak air.
- Motor clamps firmly endwise in housing and locked radially with a torque ring to preclude any displacement.
- Balanced and cool handle for comfortable carrying.
- Output of 3.57 gallons per hour. No adjustments or settings necessary. Sprayer permanently set for most economical and effective amount of fog.
- All major parts of heavy gauge aluminum and stainless steel. Rust-proof and light to transport.
- New heavy gauge gallon container with reinforced beaded opening for maximum rigidity.

Notes of 25 Years Ago

Pinckney was slaughtered by Hamburg last week . . . in baseball. The fast Hamburg Tri-County league team knocked Pinckney out of first place by Pinckney out of first place by trimming them 17-3 before a huge crowd of fans. The Hamburg Umpire was Rev. Taylor and Conk for Pinckney.

The school operetta "Forest Court" presented here Friday night delighted the audience who filled Community Hall to see the grades perform under the direction of music teacher Mrs. Iva Meyers. Leads in the play were taken by Gerald Darrow and Ross Lamb; one in a rabbit costume and the other a tortoise. Rita Kennedy was the tiny fairy queen. More than fifty children took part.

Mrs. Malooney of Detroit is a house guest at the H. C. Vedder home this week.

Postmaster Miller received a letter this week from George Reason in Los Angeles, Calif., and a photo showing a fine catch of baracudas by the latter.

A crowd of about 500 people attended the first showing of the free movies on the village square on Saturday night.

Mr. and Mrs. James Docking were called to Grand Rapids Tuesday by the sudden death of her brother, J. W. Bradley. He had suffered a heart attack.

Mrs. LaVerne Howard of Ypsilanti, outgoing president of the Huron Valley Girl Scout Council (right), presents gavel to the new president, Mrs. C. M. Enkemann (left) of Ann Arbor. The Huron Valley Girl Scout Council includes all of Washtenaw and Livingston and the western part of Wayne counties. Mrs. Enkemann will serve for three years.

A number of local residents attended the wedding of Miss Carolyn Tobin and Lawrence Clyde McCleer in Detroit Monday morning, May 24.

John Hornshaw, 69, died at his home here Monday morning. He was a native of Toledo. He and his family lived in Detroit and Brighton before coming to Pinckney. His wife, Frances, and two sons, John Jr. and George, survive.

Bruce Euler is enlarging his store and dance hall at Lakeland.

Miss Helen Fiedler entertained a group of friends from Monroe at the Read cottage at Portage Lake.

Archie Cochrane, brother of Mickey Cochrane, Detroit Tiger manager, was in town last week. He is now a road man for the Ford Motor company. The Ford baseball team for which he played last year is no longer in existence.

Paul L. Adams

State Attorney General Consumer, take warning!
My name is Paul L. Adams. I am your Attorney General. My job is, among other things, to protect consumers from shady or tricky deals and fraudulent selling devices.

By one of life's little ironies, the name "Paul Adams" appears on material now being widely circulated by mail in Michigan to solicit customers for the "National Protective Life Insurance Company." This name appears in facsimile signature form on a so-called "safe driver certificate" and on a so-called "safe driver award" offered as part of the solicitation.

I am in no way whatsoever connected with the National Protective Life Insurance Company. My inquiries reveal that this company has not been authorized to do business in the State of Michigan. I have not been able to learn that this company has been authorized to do business in any other state. I have notified the Attorney General of Indiana, the reported home state of this company, that the company is not authorized to do business in Michigan.

The State of Michigan does not sell, endorse, approve or have any information about this insurance, nor does it issue any safety awards or certificates through this company. Neither does Paul L. Adams, your Attorney General.

NEIGHBORING NOTES

William E. Murphey, son of Mr. and Mrs. William A. Murphey of 9584 Silver Hill road, Pinckney, has been named the valedictorian of the 1961 Dexter High school graduating class. Kathryn Engle, Dexter, is the salutatorian.

Toll-free telephone service between Dexter and Chelsea, as well as Dexter "locality" service at Portage Lake and Loch Alpine seems assured after the hearing held in Lansing last Monday. Representatives of eight governmental bodies and civic groups attended the hearing and sent letters of approval to support the company's proposal. Mrs. Leonard F. Davis of Portage Lake represented the Portage Lake Association.

Burglars entered the TV and Appliance Store owned by Leon Meabon of Chelsea last Saturday morning and removed approximately \$7000 worth of television sets, phonographs and radios. Entrance was gained by breaking locks on the rear door of the store. Three law enforcement agencies are investigating the robbery.

Memorial Day parades and ceremonies to honor the war dead were on the agenda in every surrounding community on Tuesday of this week. South Lyon's parade was held in the morning; their VFW Lovewell-Hill post 2502, color guard, coming to Pinckney in the afternoon. Dexter, Chelsea, Stockbridge, Brighton and Fowlerville had scheduled programs that attracted many spectators.

Ninety-one seniors will get their diplomas in commencement exercises at Stockbridge high school tomorrow evening. Miss Marcia Gillmore of Gregory is the valedictorian.

William Esch, 19, of 418 Clinton St., Stockbridge, is the winner of a 1961 Pontiac Catalina and \$1,000 cash as winner of the weekly grand prize in the Marathon Vacation Sweepstakes, now going on at Marathon service stations in the area.

STATE POLICE NEWS

State Police officers made 18,153 arrests in March of which 16,537 were for traffic offenses and 1,616 on criminal complaints, according to the department's monthly activity report.

In addition, 415 juvenile traffic offenders were arrested and 423 delinquent minors and seven wayward minors apprehended.

Troopers made 27,220 reports and 3,058 liquor inspections.

MORTGAGE SALE

Default having been made in the conditions of a certain Mortgage made by Craig W. Brooks and Mary Ellen Brooks, husband and wife of 8672 Main Street, Whiteoak Lake, Michigan to Vern W. Busch and Ruth Venn Busch, his wife, then residing at R.F.D. South Lyon, Michigan and now having their residence at R.F.D. 2, Box 39, Franklin, North Carolina, which Mortgage was dated August 8, 1957 and recorded on August 9, 1957 in Liber 335, of Mortgages, page 253, 254, and 255, Livingston County Records.

And the Mortgagees having elected under the terms of said mortgage to declare the entire principal and accrued interest thereon to be due, which election they do hereby exercise, pursuant to which there is claimed to be due, at the date of this notice, for principal the sum of \$30,431.54 plus interest from March 1, 1961, at six per cent per annum as provided in said Mortgage; no suit or proceedings at law or in equity having been instituted to recover the debt by said mortgage or any part thereof.

Now, therefore, pursuant to the power of sale in said mortgage, and the statute in such case made and provided, notice is hereby given that on August 31, 1961 at 10:00 in the forenoon, Eastern Standard Time, said Mortgage will be foreclosed by a sale at public auction to the highest bidder at the West Entrance of the Court House in the City of Howell, Livingston County, Michigan, that being the place for the holding of Circuit Court for said county, of the premises described in said Mortgage, or so much thereof as may be necessary to pay the amount then due on said Mortgage with interest at six per cent per annum and all legal costs, charges and expenses, including the attorney fees as allowed by law, and also any sums paid by the undersigned to protect their interest, prior to the sale, which said premises are described as:

Part of the Southeast quarter (SE¼) of Section 26, Town 1 North, Range 6 East, Michigan, described as follows: Beginning at the Northwest corner of the Southeast quarter (SE¼) of said Section 26, running thence South 34 rods; thence East 10 rods thence South 16 rods; thence East to the East line of said Section 26; thence North 50 rods; thence West to the place of beginning; excepting therefrom all that part of said described land, that lies North of the high water mark of the mill Pond. Also a part of the Southwest quarter (SW¼) of the Northeast quarter (NE¼) and part of the Southeast quarter (SE¼) of Northwest quarter (NW¼) of Section 26, Town 1 North, Range 6 East, Michigan, described as follows: Beginning at the center of said Section 26; thence North 44.7 feet; thence South 78 degrees 14' West 330.73 feet; thence North 536.5 feet; thence East 504.22 feet; thence South 19 degrees 45' East to the East and West quarter line of said section; thence West along said ¼ line to the place of beginning, excepting and reserving therefrom a right of way of Michigan Air Line Railroad.

Together with the hereditaments and appurtenances thereto belonging, as in said Mortgage provided.

EUROPEAN PINE SAWFLY CONTROL

The time has again arrived this spring for the European Pine Sawfly to start chewing up the needles of Red and Scotch Pines. The larvae, or worm stage of this sawfly, have emerged and they will feed in clusters on previous years needles and may completely defoliate the tree.

The loss of needles from trees intended for Christmas trees could be a serious blow to managers of plantations, but fortunately this insect is easy to control by spraying directly on the larvae as they are feeding.

SERVICES HELD FOR LOUIS W. ESCH

Funeral services for Louis W. Esch, 59, of 3300 West M-36, who was killed Friday in an automobile accident near Portage Lake in Dexter township, were held at 2 p.m. Monday at the Bendle Funeral Home in Dexter. The Rev. Donald Eaton officiated.

Burial was at the Clarenceville Cemetery near Farmington.

An employee of the Economy Baler Co. in Ann Arbor for the past 11 years, he came to the Pinckney area to live in 1937.

Mr. Esch was born on Nov. 20, 1901, at Farmington, a son of Frederick and Lois Esch. He and Elma Englehart were married on Oct. 29, 1924, in Pontiac. She survives.

Other survivors include four sons, Walter of Ann Arbor, Eugene of Grass Lake, Ronald of Dexter, and Lester, at home; four daughters, Mrs. Rex (Margaret) Duryham of Dexter, Mrs. Elvin (Shirley) Ransom of Chelsea, Mrs. Richard (Alice) Hadley of Grass Lake, and Miss Dorothy Esch, at home; 15 grandchildren; four brothers, Henry of Redford, Ernest of Fowler, Albert of Mt. Clemens, and Reynolds of Northville; and two sisters, Mrs. Alvina Rosow of Redford, and Mrs. Emma Way of Farmington.

A family reunion was held on Sunday at the home of Mr. and Mrs. Robert Ackley. The following were present: their daughter Roberts and Thomas Neff of Dexter, Mrs. Ackley's sisters, Mrs. Madge Rowe and Mr. and Mrs. Ronald Hoskin and family from Ferndale, Mr. and Mrs. Mylo Kettler from Jackson, Mrs. Robert McWenney and three daughters from Brooklyn, Mr. and Mrs. Orve Good and five children from Jackson and Mrs. Irene Jack of West Main Street.

NAMES ON BOXES NOW REQUIRED

Notices have been issued in the past week to many rural box holders who do not have their names on their mailboxes. Postal regulations require that names be plainly printed on mail boxes and every effort is being made to fulfill this ruling.

200 Attend Farewell to Rev. Winger

Nearly 200 friends in the community and from out-of-town attended the Kiwanis Clubs' dinner honoring Reverend J. W. Winger and Mrs. Winger at Pilgrim Hall last Tuesday evening. Reverend Winger, minister of the Community Congregational church for the past seven years and a charter member and past president of the Pinckney Kiwanis Club, is leaving with his family next week to assume a new pastorate in Eldora, Iowa.

A surprise "This Is Your Life" program in the high school auditorium preceded the dinner. Don Gibson, Kiwanis president, was master of ceremonies in the Ralph Edward's fashion. Delegates were present from the Chelsea Kiwanis Club to assist as song leaders in presenting Mr. Winger's life.

Out-of-town guests who "re-appeared" to help relive happy episodes were Mr. and Mrs. John Adgate, Mrs. Hazel Herrick, Mr. and Mrs. Fred Bowen, all of Saranac, Mich.; Mr. and Mrs. P. H. Smith, Grand Rapids, Dr. and Mrs. C. O. Willis and daughters, Patricia and Priscilla and Mr. and Mrs. Keith Haller, Lake Odessa.
