## Auto-Train Crash Friday Takes Lives of Two Residents

A lunch-hour spin in a new convertible for a two-year old boy and his favorite cousin ended in death shortly after 12 o'clock Friday afternoon.

Edwin William Wakefield, 21, and Teddy Stockton, age 2, were killed instantly at the Grand Trunk railroad crossing just west of town when the Wakefield car crashed into a freight train.

Witnesses said the driver ap-

parently did not see or hear the approaching train until it was too late to stop his car. Deep skid marks indicated the driver's desperate attempt to avoid the crash.

The crossing, like four other railroad crossings on the outskirts of Pinckney does not have signal lights of any kind. The deaths on Friday bring to a total of five the deaths at these various crossings in the past three years.

He will assist in the business at Hamburg when time from his studies permits.

The Weeds plan to hold Open House at the store in the near future. The dates for the event will be announced in a future issue of the Dispatch.

## Vliet-Cosgray Wedding Vows Taken Saturday

Carol Ann Cosgray and Glenn Russell Vliet spoke their marriage vows at seven o'clock Saturday evening, August 12, at the Pinckney Community Congregational church. The Reverend William Hainsworth read the double ring ceremony in the presence of more than one hundred guests.

The bride is the daughter of Mr. and Mrs. Ray Cosgray of W.M-36 and the parents of the bridegroom are the Ira Vliets also of W. M-36.

For her wedding the bride chose a floor length gown of imported Rose Pointe lace and nylon tulle over white taffeta with a fitted bodice and a jeweled, scalloped portrait neckline. The long fitted sleeves were finished in deep points at the wrists and the full skirt of the gown fanned into a chapel train bordered on the edges by deep lace scallops. A double crown

of cut crystals held her bouffant veil. She carried a bouquet of white carnations and pink sweetheart roses.

Miss Janice Rose was the maid of honor. She was gowned in aqua nylon chiffon over taffeta. The bridesmaids were the Misses Mary Gosgray, sister of the bride and Linda Kellenberger. Both wore pink nylon chiffon over taffeta identical in style.

The bridegroom was assisted by his brother, Ike Vliet, of St. Joseph, as best man. Serving as ushers were Clarence Vliet of Wayne, Chet Reginek of Garden City, Clare Hollister and Carl Hollister, uncles of the bride, both of Pinckney.

Master Ricky Reginek was the ring bearer and little Miss Cindy Van Blaricum was the flower girl, wearing white and carrying a basket of rose petals. Following the ceremony there

## ● NEIGHBORING NOTES

Angle parking in the downtown streets of South Lyon will soon be replaced with parallel parking, according to a decision handed down by the city councilmen. "Women drivers may not like it," a councilman remarked, "but they'll get used to it."

Fiends, according to Brighton Police, entered the old cemetery near the City Hall sometime in the early morning hours last Sunday and desecrated two graves. One grave with an 1881 tombstone was opened and another partly dug out. Police were puzzled as nothing seemed to have been removed. They offered a reward for information leading to the persons responsible. (Editor's note: Two seventeen year old boys from the Detroit area have since been arrested and confessed to removing some bones and a casket latch. They are held in the Livingston County jail at Howell. They say they were dared by other companions to open the graves.)

Ruth Utter, with 1400 votes, is leading the race for the 125th Anniversary Queen honors at Fowlerville.

Mr. and Mrs. Robert Lyndon of Dexter have purchased the Dexter Theatre building and the house adjacent to it from the Gulf Oil Company and will move their offices of the Lyndon Photos, Inc., and University Studios, Inc., there immediately. The Lyndons will continue to use their present building on Central street as a plant

From 25 to 40 trucks lined up at one time to deliver wheat to the Blaess Elevator on the Chelsea - Dexter road was a common sight most of last week. The unfavorable weather made it very difficult for farmers in the area to harvest their grain. Every load received at the elevator had to be processed through the dryer.

Hazen Stowe, age 63, of Stockbridge passed away last week at Foote hospital following a long illness. Mr. Stowe was a Ford Dealer in Munith for many years.

## News Notes From HAMBURG

On Sunday afternoon at 3:30 p.m. ground breaking ceremonies were held at the St. Paul's Lutheran church of Hamburg. The Rev. Webber of Fraser gave the sermon and the choir rendered several hymns. The present pastor, the Rev. Luther Kriefal also participated in the ceremony. When completed the new addition will have a seating capacity of two hundred. Construction will begin immediately and they expect to hold services in the new building by November. There will be a full basement with a ground level entrance where Sunday school services will be held.

Duane Waterbury left early Sunday for Texas where he will attend a two week camp in the Army Reserve.

### CALCIUM MISSING IN MANY DIETS

Perhaps as many as two of every five adult Americans are steadily losing their reserves of body calcium because they do not drink enough milk or eat enough cheese, says Miss Roberta Hershey, a Michigan State University nutrition specialist.

Surveys show that three in ten households provide less calcium than is recommended by the National Research Council, she says.

"The way Americans are accustomed to eating," Miss Hershey says, "unless milk or cheese are used generously every day, calcium is almost certain to be lacking."

Calcium is needed for efficient heart and muscle action and for proper functioning of the nerves. It is also necessary for the structure and maintenance of bone and vital for blood clotting, she stresses.

Milk consumption is sometimes blamed for weight gains. But, it could be other foods that are adding up the calories. One cup of skimmed milk counts up to only 85 calories, but contains all the proteins, B vitamins, calcium and other minerals of whole milk.

By contrast, the average soft drink "costs" 80 to 107 of the day's calorie allowance and furnishes no other nutrients.

Researchers at Michigan State University believe they have some answers for control of the Zimmerman pine moth, which damages Michigan Christmas trees.

## Health Center Meet Held August 8th

At a meeting of the Board of Trustees of the McPherson Community Health Center held on August 8th, the Building Committee was instructed to proceed with working drawings for three portions of the planned expansion program at the hospital.

Mrs. Lynn Zimmerman, Chairman of the Board, in announcing the activities of the board to the community, stated that the action taken will provide a physical therapy unit and an auxiliary work room in the west wing of the ground floor as partial completion of this area. A new maintenance section will be added to the north end of the existing ground floor, providing an engineering shop of about 2,600 sq. ft.

A fully equipped intensive care unit will be added to the north end of the first floor directly above the engineering shop, and will provide some 2,400 sq. ft. of patient area. It will be designed so that multiple critically ill and injured patients will be under constant surveillance of a graduate nurse. This unit is to be designed and structured on the basis of information made available through the pilot study program that has been going on in

the hospital intensive care since March, 1960.

In addition, the north wing of the second floor will be enclosed, but not completed at this time. Provisions have been made to complete only two ward units closest to the central core nursing station. Eventually, as the need arises, expansion can be provided through completion of the remainder of the second floor. An additional 25 beds can be provided at that time. This will include a private corridor with seven private rooms.

It is anticipated that the three portions of the building program will cost an approximate \$210,000.

John Slater, acting Chairman of the Building Committee in the absence of Oscar Beck, advised the Board of Trustees that he anticipated the working drawings for the project could be completed by September 30th and that ground could be broken for the project late in the fall.

The speed at which the entire project could be completed is dependent upon many factors, including the weather. It is hoped, however, that the new portion of the building will be ready for occupancy sometime early in the spring of 1962.

Mrs. Edith VanNorman has returned home from a visit in Forest, Ontario, Canada, bringing with her a cousin, Miss Lelia Cable, who was to be a guest of honor at a bridal shower given here by the VanNormans. Mrs. VanNorman's family very pleasantly surprised her with a

birthday party upon her return home. Present for the occasion were Mr. and Mrs. Richard Thomas, daughters, Cathy and Sandra, Cheryl and Rusty Van Norman, Miss Edith VanNorman of Lansing and Miss Marion VanNorman of Livonia.

Thirteen can be a lucky number, too; that is the number of birthday cakes that will be cut here this week, at least, according to the birthdays listed on the Kiwanis Community calendar. Greetings (and cake) go today to Charles Howell, Mrs. Eleanor Clough and Mrs. Russell Glover; tomorrow to Fred Williams; Friday to Dawn Renee Stauffer; on Saturday to Catherine May, Mrs. Fred Read, James Corey Rooke and Josephine Howell; on Sunday Robert Widmayer, Rebecca Morris and Rickie Krahn will celebrate. ## PRICE SUPPORT ELIGIBILITY FOR OATS BROADENED

The U. S. Department of Agriculture recently announced that 1961 crop price support eligibility requirements are being broadened to include "badly stained or materially weathered" oats.

Previously, minimum eligibility requirements were for oats or garlicky oats grading No. 3 or better or for oats or garlicky oats grading No. 4 because of test weight only. The discount for grade No. 4 on test weight is 1 cent per bushel from the basic county support rate for grade No. 3.

Oats grading No. 4 because of test weight or weather damage must meet all other grading requirements for grade No. 3 oats to be eligible for support.

plain that excellent teachers are decidedly scarce. Perhaps the fact that the monthly average wage for rural teachers in Michigan is only \$53.31 for men and \$45.69 for women explains reason.

Mr. and Mrs. Bruce R. McPherson of Howell were Monday callers at the Charles Love home. They came to remind Mrs. Love it was time to celebrate her 78th birthday. Many friends and neighbors joined them later in the day.

The annual picnic of the St. Mary's church will be held in Jackson's Grove, Wednesday, Aug. 20. Chicken dinner, baseball (Chelsea vs. Pinckney), a good speaker and music by the North Lake Band are planned and a party in the evening.

Governor Ferris and Senator Murta will speak at the Brighton Catholic parish picnic Saturday. Spellman's Symphony of Detroit will present a concert in the afternoon.

**A SIGNIFICANT MILESTONE IN FREE ENTERPRISE** was reached recently when Mr. and Mrs. Hugh T. Polson of Wichita, Kan., together became the 2,000,000th AT&T share owner.

Thus, the Bell System becomes the first privately owned business in history to be owned by so many people—people from all walks of life. This is a prime example of people's capitalism in action—a dramatic testimonial to the American economic system—democracy in action. Incidentally, just 10 years ago Mr. and Mrs. Brady Denton of Saginaw jointly became the 1,000,000th AT&T share owner.

**WHEREVER YOU ARE** this summer, chances are you'll be near a public telephone—whether it's an indoor booth or the familiar outdoor booth, or the handy new Walk-Up or Drive-Up variety. Any one of them—and there are more than 45,000 in Michigan—is your "phone away from home."

**PRODUCING A RABBIT** out of a hat is a startling feat of magic—much like the "magic" produced by Bell System scientists. A good example is a new way to increase the capacity of transatlantic cables. The equipment seeks out the pauses which are a part of every telephone conversation and uses them for extra calls. This remarkable achievement doubles the capacity of undersea cables. It's this kind of ingenuity that helps keep your phone costs low while providing you with ever-improving service.

## Missionaries, Mission Leaders to Speak at Bible Conference

Missionaries Darell Champ-lain, from the Congo, and Bill Standridge, from Rome, Italy, are among the featured speakers on the program of the 1961 Beulahland Bible Conference, for the week of August 20 through 26.

The Beulahland Bible conference is an annual nondenominational conference held at the Happy Day Camp property, three miles east of Pinckney, Michigan, on M-36.

Both the featured missionaries, together with their families, have recently returned from their overseas assignments, and will be bringing up-to-the-minute reports on the progress of evangelical missionary work in these countries, as well as colored slides illustrating conditions there.

Other speakers planned for the "Missionary Week" are Dr. Harland J. O'Dell, president of the Independent Faith Mission, and Rev. W. C. Standridge, Sr. mission executive secretary. Dr. O'Dell is pastor of the Canton Gospel Center, Canton, Ohio, and past president of the American Council of Christian Churches. He has traveled widely throughout the world to visit missionaries and mission fields, and last year made a round-the-world tour on behalf of the International Council of Christian Churches. Recently he led a group of Korean religious leaders on a Truth Tour through the United States, reporting on the Communist atrocities and suppression of religion in North Korea.

Meetings will be held, beginning Sunday, August 20, at 3 and 7 p. m., and will continue nightly at 7:30 p. m. The 1961 Beulahland Conference program will continue for the following week, with Dr. Harry Ketcham as principal speaker, and will continue on Labor Day, September 4, with a Christian Patriotic Rally, at 10 a. m. and 3 p. m.

Special music for this Sunday will be provided by the Men's Quartet, led by Millard Poppy, of Brighton. Miss Joan Hoover of Dundee will be guest soloist,
