Chest Drive Plans Being Formulated

William McPherson IV of Howell addressed a number of interested local citizens on the organization of a community chest for Putnam township at a public meeting in the high school last Tuesday evening.

He said in part:

"You have come together this evening, because for one reason or another you feel that the efforts of Pinckney and Putnam Township in meeting your responsibilities to your youth, and to vital health and welfare services are not being effectively channeled. We all recognize that in every community there are those who lead and those who are happy they are not the ones to do the work. This fact exists here as your presence attests."

"What is a Community Chest or United Fund? I define a Community Chest as a common effort to appraise the services of the agencies which serve us and to provide the funds needed to produce those services."

"In order to accomplish these purposes, we need... First, we need dedication to the purpose and... we wish to accomplish. Unless there is a general acceptance of the idea on the part of the community as a whole, you should not begin. I believe you are ready to take the step now as Howell, Brighton, Hartland and Fowlerville have before you."

The group adjourned with plans to set another meeting in the near future to be attended by representatives of every area, business, civic organization and industry.

Among the hunters here for the opening day of hunting season Friday were George Youngerman Jr. and son, David, of Royal Oak, and Mrs. Lewis Waite and son, Lance of Oak Park, who spent part of the day visiting at the home of Mr. and Mrs. George Youngerman, Sr.

PIRATES EDGE DEXTER, 7 TO 6

The Pinckney Pirates triumphed over the Dexter Dreadnaughts Friday night to win the Homecoming football game, 7-6, and to capture first place in the Washtenaw Conference standings as more than 3000 spectators looked on.

They left no doubt of the fact that they are a terrific bunch of football players on their way to gain the conference crown.

Tied with Dexter for first place until Friday, the Pirates are now the only undefeated team in the league. Dexter is now second, University High, third; Chelsea, fourth and Saline, whom the Pirates will meet this week Friday, are in fifth place. Roosevelt of Ypsilanti and Manchester, neither having won a game this season, are sixth and seventh, respectively.

The Pirates finished in the bottom position last season.

Coach Wes Reader's boys scored a 65-yard touchdown in Friday's game the first time they had the ball. Terry Rowell, fullback, made the key play for the Pirates when he blocked Dexter's pass on a conversion attempt. He also passed 20 yards to halfback Bob Williams for the touchdown. On the extra-point try, quarterback Jack Young threw to Mike Manns, making the score 7-0.

In the second quarter, Jerry Socks scored Dexter's touch-

down on a four-yard run. Their extra-point pass was spoiled by Rowell.

The rugged defenses of both teams then went into action and neither team was able to score again.

The victory added to the exuberant and colorful Homecoming ceremonies of the evening.

(See Homecoming Pictures on Back Page)

Senior class candidate Kay Wylie was crowned Homecoming queen at half-time of the game. The floats of each class circled the field bringing the class queens and their court to the platform where the winner was announced. Miss Mary Kelly, 1960 Homecoming queen and now a student at Siena Heights college, Adrian, crowned the new queen and placed the royal robe of velvet and ermine over her shoulders. Miss Wylie and her court, Marte Mayne and Janice Rose, reigned at the dance which followed the game.

The Pinckney High school band under the direction of Dennis Napier performed at half-time, presenting a cinderella-to-princess theme in music and pantomime.

St. Mary's Confirmation Class Numbers 110

The Sacrament of Confirmation was administered in St. Mary's church last Tuesday evening at 7:30 o'clock to one

hundred ten adults and children by the Most Reverend Bishop Henry Donnelly, Auxiliary Bishop of Detroit, who was delegated by Bishop Albers of Lansing.

Bishop Albers was taken ill and confined to St. Lawrence hospital in Lansing just a few days before his scheduled visit to St. Mary's.

Assisting Bishop Donnelly were nine visiting priests; Fr. L. McCann of Brighton, Fr. S. Van Tiem of Dexter, Fr. J. Wicker and Fr. J. Schmitt, both of Howell; Fr. K. Ledwidge of Jackson, Fr. L. Malkowicz of Northfield, Fr. E. Kokowicz of Lakeland, Fr. Leo Poser and Fr. Joseph Reiner, both of Mar-ionhill Seminary, Brighton.

JUNIOR P. F. MEMBERS SEEK UNICEF FUNDS

The Junior Pilgrim Fellowship of the Community Congregational church will seek funds for UNICEF, the United Nations Children's Fund, this Halloween as they have done in the past.

The local drive will start at 5 p. m. next Tuesday and solicitors will be wearing identification badges as they go door to door. Their "tricks or treats" entreaty answered with a donation of money will mean health and happiness for children in many lands.

For instances, ten cents will buy 50 glasses of milk for undernourished children in India; the price of an ice cream cone in Pinckney will protect ten children with TB shots in Chile, South America; the price of a candy bar here will protect a child from the dread disease, yaws, in India.

All contributions will be welcome and may be sent to the church by anyone who is missed in the current drive.

Approve Storm Sewer

At a special meeting Monday night the Pinckney Village Council approved the installation of a 10 inch pipe storm sewer for various areas in the village.

Work will begin shortly on the installing of these drain pipes from the corner of Howell street, east on Putnam (north side of street) to Williams street. East of Williams the drains will be put on the south side of Putnam and will run east to connect with the existing drains at the intersection of Park and Putnam streets.

REPUBLICAN WOMEN HOLD LUNCHEON

About sixty women from the county attended the Livingston County Republican Women's Club luncheon, Wednesday, October 18, at The Colonnade, in Howell.

Mrs. Bernice Zilly, of Grosse Pointe, state program chairman, of the Republican Women's Club Federation of Michigan, was the speaker of the afternoon. She spoke on "Con Con", the way in which the convention is set up and talked pro and con on a number of the proposals being presented to the delegates, by the delegates themselves. Mrs. Zilly is a noted speaker throughout Michigan and is well qualified to discuss many subjects.

The next regular meeting of the club will be November 15, at the home of Mrs. Wilt of Brighton.

PRACTICAL NURSING, MAIL-ORDER DIPLOMAS

By Paul L. Adams
State Attorney General

A flourishing market in correspondence school "degrees" in practical nursing which are not acceptable in Michigan is a matter of present concern to my office.

These correspondence courses in nursing are not approved or recognized by the Michigan Board of Nursing or the Superintendent of Public Instruction. Yet hundreds of Michigan women have a license as a practical nurse.

The victims of this racket are usually women in the low income bracket who are forced to work to help support a family or are conscientiously trying to improve their job skills. Most distressing is the fact that these people deprive themselves to get the money — usually in excess of \$200 — to receive a worthless, gold-seal "diploma," a graduation pin, identification card, gauze face mask, receipt book or identification card. Some schools may throw in a thermometer!

Personal contacts in Michigan by agents of these schools are illegal since none are approved by the necessary state agencies.

Don't be misled by the false promises of job security. If you want to be a licensed practical nurse, check with the Board of Nursing in Lansing. Don't fall prey to a mail-order degree!

WYNNE CHESTER SAYS:

Montana Antelope Herd Goes Hawaiian!

The careful planning, the wide knowledge and the tireless work of our game conservation and management folks will always surprise and delight me. It seems now, that Montana's wise management of her antelope herds has permitted the shipping of a sizeable band of these beautiful animals to the green meadows atop Lanai Island in Hawaii.

Sheltered on their mountain top the fleet, graceful animals will be fully protected for five years so that the herd may increase before any are taken. After the rugged, wintry winters of Montana I can't help but think that those prong-

horned beauties will be really appreciative of Hawaii's gentle climate. Game officials expect them to thrive in the area, along with the deer, grouse, pheasant, quail, dove, sheep and mountain goat that already abound there.

Our western antelope herds were once in serious danger of extinction but the careful herd-conservation programs of our western states have brought them back, stronger than ever. I think that both the state of Hawaii and that pronghorn herd are very lucky.

Odd thought... I wonder how an antelope likes pineapples... and the Hula?

From where I sit... by Joe Marsh

Friendly "Enemies"

Just about my closest friend in town is old Colonel Harmon, our banker. Yet, when I was a lot younger and had just started the *Clarion*, I actually thought he was my enemy!

Whenever I wrote an editorial, there was sure to be an angry letter from the Colonel, taking the opposite side. Seemed pretty clear he'd just as soon I was out of business.

But in the Depression, when it looked like the *Clarion* would have to shut down, it was Colonel Harmon who offered the loan that kept me going. Startled, I asked him why. "Well," he growled, "just be-

cause I don't agree with a man, doesn't mean I don't value his opinion. Besides—if you'd closed up, who'd I have to argue with?"

From where I sit, one of the wonderful things about America is the way people respect each other's opinions. For example, the Colonel doesn't happen to share my preference for a glass of beer, but he understands I have a right to feel the way I do. It's tolerance like this that keeps our friendship "in business."

Mrs. Darrow

We are sorry Sandra Asbury and John Herring moved away.

Each of our reading groups have finished a section in their reading books. Our new sections are Schools Far and Near and Strange Things Happen.

EIGHTH GRADE—

Miss Penrose

We had a town meeting. We discussed two subjects in our town meeting. It lasted for about an hour. Christine Clark was the only one who dressed like the people in those days.

Our new safety poster says on it, "Don't Play in the Street". It has a STOP sign on it. Some of us know the words STOP and GO.

Patty Holcomb brought back some cotton from her trip down South.

Many beautiful colored leaves have been brought to school. We have pressed many of them in waxed paper.

Linda Susan Keiser brought ears of pretty Indian corn to hang up in our room.

Most of us can spell our first names and some of us our last names, too.

We learned to form number 5 and also to count to 5.

We know two Halloween songs and we are planning a parade and party.

THIRD GRADE—

Mrs. Henry

We are working very hard on our Weather Unit. Our four committees are looking for information on the kinds of clouds and what kind of weather each one brings, keeping a graph of the daily temperature, how a barometer and anemometer works, and how weather is predicted. Each committee will report on their findings next week.

In reading we are starting our new third grader reader. We will have three reading divisions. Our phonic lessons follow our stories.

SIXTH and SEVENTH GRADES—

Mrs. Carr

We have two new students both in sixth grade. Since we lost Joe Sepulveda and Katherine Dorn last week this keeps our number at 34.

We are making big plans for our Halloween party.

Nouns and verbs are still giving us trouble but we hope to master them soon.

SECOND GRADE—

Mrs. Johnson

Some of us have new reading books.

We are bringing in leaves to make a "Leaf Book". We are not getting them done very quickly.

This week we finished a number booklet. We will be able to take them home soon.

The room is beginning to get that spooky look for Halloween with all our witches, pumpkins, etc.

EIGHTH GRADE—

Mrs. Douglas

Last Friday our eighth grade played football at Hamburg. We won 2-0.

Church Teams Score Cage Victories

The "Pinckney Pilgrims", sponsored by the Community Congregational church, and St. Mary's are the winners of the first two games played in the Little League Basketball season at the high school gym Saturday morning.

The Pilgrims defeated the Hamburg team 18-17. Don Hollister was the high scorer for the victors with 8 points and Mike Stevenson of Hamburg accounted for 9 of his team's points.

St. Mary's young cagers beat the Playland juniors, 30-16. Maurice Scherrens made 16 points toward the winning score and Joe Sepulveda led his fellow teammates with 14 points.

There will be two games again Saturday morning starting at 9:30 between two of the five teams in the recently organized league for boys of the 6th, 7th and 8 grades in the school district.

Don Gibson and Don Barker were the officials for Saturday's contests.

Public Invited to Observe Con-Con Delegates in Action

Constitution Hall, where proposals for a new Michigan Constitution are being debated, is open to the public.

James M. Hare who was a member of the commission which prepared the facilities for the Convention said, "Many of us in Lansing are deeply concerned when we find that there are many people in the State who have the idea that the public is not wanted at the deliberations or debate."

"Since the group assembled on October 3, we have been surprised to hear that many parents and students believe that visitors are not welcome," Hare said. "This, of course, is not true."

Hare pointed out that the Preparatory Commission had taken many steps to insure maximum public participation by providing 180 spectator seats, setting up microphones, cutting large picture windows into the walls of Constitution Hall, and providing for closed circuit television facilities to take care of overflow crowds.

Television monitors have been placed in the large lounge, in committee rooms, and elsewhere in Constitution Hall. There are enough of these closed circuit receivers to accommodate up to several hundred visitors.

Hare pointed out that these monitors will be most useful when busloads of eager students and other interested citizens begin to head toward Constitution Hall for a personal look-see. From 300 to 900 students alone, not to mention older visitors, come to Lansing every day when the Legislature is in session, and many additional groups are expected to come to see this once-in-a-half-century Convention.

"The reason that many more students haven't come already," Hare said, "is clear to any schoolman: a bus trip to Lansing, to be a real educational experience, takes pre - planning and thought by both student and teacher plus permission of the parents, principal, and the school board."

Coming Events

The Women's Fellowship of the Community Congregational church will meet at Pilgrim Hall at 8 o'clock Thursday evening. There will be a business meeting, program and social hour.

The Rainbow Mother's Club will sponsor a toy demonstration on Thursday, November 2, at 7:30 p. m. at the Masonic Hall. The public is invited. Purchases can be put on a lay-away plan up to five weeks.

PINCKNEY DISPATCH
Wednesday, October 25, 1961

"Almost everyone in Lansing is agreed on one thing," Hare concluded. "If the public doesn't understand the Constitution it will never be accepted at the polls, and the time and money and effort which have been spent on this Convention will have been wasted."

"If school children can watch democracy in action and observe the 144 delegates in their deliberations and, if they and their parents see the issues clearly, the Constitutional Convention will have been worth having. It is our hope that many thousands of parents, teachers, children and other interested citizens will visit the Convention every week it is in session."

Convention authorities recommend Tuesday, Wednesday and Thursday visitations for school groups. Most of weekly deliberations will begin on Monday evening and close on Thursday afternoon or early Friday.

Notes of 48 Years Ago

Last Thursday as Frank Kennedy was pumping gasoline into the gasoline house used in connection with Flintoft's garage the hose became disconnected and a stream of gasoline shot out, striking the lights of an auto standing just outside the door. Immediately the whole place was ablaze both inside and out. Due to the quick work of bystanders, the conflagration was smothered in a few minutes with sand and flour. The building contained a sunken tank with a capacity of 500 gallons so tragedy was avoided by quick action.

This issue carries a notice by ten milk sellers in the village that due to the high cost of cows, feed, labor and living expenses, they cannot sell milk at less than 7c a quart —the new price effective at once.
