## Football Banquet To Be Held Dec. 16 at PHS Gym

A football banquet to honor the P. H. S. varsity team which won the Washtenaw Conference championship, has been scheduled for December 16 at 6:30 in the evening in the high school gym.

All varsity players, their dads, coaches and speakers will be guests. Those who wish to honor the team may purchase tickets of which a limited number will be available.

Serving as tri-chairmen for the event are Mrs. John Young, Mrs. John Burg and Mrs. John Colone who will have the assistance of all football mothers, the Kiwanis Club and many members of the community who have followed the team through its 9-0 season.

Plans are to seat 300 guests at the banquet. Tickets will be available later this week from the chairmen, Kiwanis officers and at the high school.

Mr. and Mrs. Joe Basydlo and family were Thanksgiving dinner guests at the Anthony Piotrowski home in Detroit. Victor Basydlo, home from Stout State college, Minomine, Wis., and Louise, home from Jackson Business College were also guests.

Mr. and Mrs. Joseph Kaufman of New York City were Thanksgiving week-end guests at the home of Mrs. Kaufman's parents, the M.E. Darrows.

## Con-Con Delegate Reports Things Are Moving Forward

I am privileged to report to you this week that things at the Convention are beginning to shape up and I can see that we are starting to move in a forward direction.

As of today, all committees have had, or still having, testimony from every field imaginable. This could, in some cases, prove drastic. However, I don't believe there will be any difficulty on the part of the delegates to sift the grain from the chaff in order to come up with the right answers. Today, it was brought out in our Committee Meeting on Local Government that 75 per cent of the state's population lives in cities or villages. We also 1257 townships in Michigan, of which 90 of these townships have a population of over 5,000 people. Needless to say, these are located around metropolitan areas. Because of the high population within the township, this results in problems such as sewers, water and other services. However, the township is also faced with annexation problems from large cities adjacent to them. I might add, there are those delegates who think that annexation should be no longer a problem of the people but that possibly the courts would be able to hold hearings and act on annexation problems. Thus, taking away from the people, the overall decision as to the final outcome. However, I believe also, that the Convention feels it would be playing with dynamite if it tried to abolish the township government as we know it today in rural Michigan.

Yesterday, the Committee of the Executive Branch was privileged to have before them the Honorable Murray D. VanWagoner. Mr. VanWagoner stated very firmly that the system of electing our State Highway Commissioner is the system that holds the best interest

## Little League Play Results

In Little League basketball the results of last week's play shows Playland defeating St. Mary's 28-22 with Robert Umstead scoring 10 points for the victors and Maurice Sherens scoring all of the 22 points for his team.

Mike Manns and Bruce Henry refereed the first game.

Hamburg cagers were downed by the Pinckney Pilgrims 20 - 12.

Robert Seefeld scored 12 points for the winners and Mike Stevenson 7 for Hamburg.

Jack Young and Mike Manns were the officials.

In a third game the Pinckney Merchants played the second team (younger boys) of St. Mary's and defeated them 22-8. Jeff Davis was high with 11 points for his team though he actually scored 13 points — 2 for St. Mary's in the opponents basket. Mike Sepulveda caged 5 points.

of Michigan's future. He also stated that he thought the highway commissioner is one of those offices that should be kept as closely to the people as possible, and that he could not think of another agency in state government that affects the lives and economy of Michigan as critical as the State Highway Department.

Governor VanWagoner not only strongly recommended the election of our State Highway Commissioner, but he would also give him a four year term and make sure that he has the funds through constitutional earmarking of gas and weight taxes to do the job so vital to Michigan's social and economic future.

In respect to the Judiciary Committee, they were privileged of having our Circuit Judge Michael Carland, who represented the Michigan's Judges Association, testify for them last Thursday. Judge Carland stated that he thought he could safely say that his Association did not believe that there was need for radical changes in our present constitution, insofar as the Judicial Branch of our State Government was concerned. He also stated that they believed, on the whole, that our present method of selecting our judges should be continued and upon a non-partisan basis. Judge Carland also stated that the Michigan Judges Association favored the abolition of probate and justice courts as constitutional courts.

At the finish of the Judge's testimony, the committee posed 92 questions for him to answer. It was the feeling of the committee that the Judge's testimony was a great benefit to them. And I am proud to say that our Judge is highly respected among the members of the Judiciary Committee of this Convention.

## Coming Events

There will be a Book Fair on Monday, December 4 from 10 a.m. to 4:30 p.m. in the all-purpose room of the elementary school. There will be displays by three companies numbering more than 2000 books. The public is invited to see the fair and may purchase books.

The "Peoples Church of the Air" with Pastor Thomas Murphy will be heard from 10:05 through 10:20 a. m. Sunday mornings on Radio Station WHMI, Howell.

Thanksgiving dinner guests at the home of Mrs. Roger Carr were the Robert Carr family of Cleveland, Ohio; the Michael Carrs of Decatur, Ill.; the Leo Bettas family of Walled Lake, Mr. and Mrs. Wayne Carr and Molly and Mrs. Carl Middleton of Detroit. The latter remained as a week end guest.

## Community Chest Goal Set AT \$5,000; Starts Dec. 11

The newly organized Hamburg-Putnam Community chest directors have set a goal of \$5000 for the first fund raising effort and have named December 11 as the starting day of the campaign throughout the Hamburg and Putnam areas.

At the organizational meeting at the high school last week Hamburg joined the Putnam residents who earlier laid plans and named a board of directors for an initial drive.

Lloyd Hendee has been named to serve as Chairman of the Board. Oscar Beck is the treasurer while James Blommel, of ACO, Inc., Don Gibson, Don Swarthout of Pinckney and Manly Bennett and Hugh Radloff of Hamburg are board members.

Captains are being named this week and will assume their job of enlisting volunteer works to solicit funds in all areas. Campaign kits and materials are expected to arrive here this week.

Chairman Lloyd Hendee has pointed out that the chest will support eight or more organizations with the pledges made on the percentage basis rather than in indefinite amounts in this first campaign.

Mrs. Stanley Dinkel and other volunteer workers in the area as well as several people from the Hamburg area are credited with making the organization of the Community Chest a reality for the two communities.

Optimism is felt for the success of the undertaking as the totals collected in the numerous separate drives in one area alone have netted about \$3000 a winter in the past years.

Ten tentative breakdown of campaign collections reached by the committee at the meeting last week would be as follows: various community endeavors, 20%; American Red Cross, 20%; Muscular Dystrophy, 20%; Boy Scouts of America, 20% and The Girl Scouts, American Cancer Society, Boys' and Girls' Recreational activities and the Heart Association sharing in the balance.

PIRATE FULLBACK Terry Rowell, Pinckney's top football player of the undefeated season, was named last week to the third team of the Detroit News' All-Suburban selections for 1961. Terry, a senior, was the only player to be chosen from the Washtenaw Conference. He scored seven touchdowns, threw six touchdown passes from the fullback position and intercepted eight passes as a linebacker. He is the son of Mrs. John Rowell of Patterson Lake. Terry was also named to the Washtenaw All-League team as a back.

## Elks to Hold Memorial Services

Howell Elks Lodge No. 2168 will honor their deceased members in Memorial Services at 1 P.M. on Sunday, December 3. This is in keeping with a tradition in which all Elks Lodges set apart the first Sunday in each December for this purpose.

Highlighting the local services will be the dedication of a Memorial Tablet on which will be inscribed the names of the deceased members. This tablet will remain permanently in the lodge room.

The public is invited to attend these open services which will be held in the lodge room at 215 E. Grand River, Howell.

## School Board Will Discuss Proposed Bond Issue

Members of the Pinckney Board of Education will make their first public appearance at the Parents Club meeting tomorrow night to discuss the \$1,175,000 bond issue for which they plan to call a special election in the near future.

The proposed bond issue will be for a new high school and for additions to both the Pinckney and Hamburg elementary schools.

The board voted five to two in favor of proceeding with preliminary steps and other requirements to bring the issue to a vote. The \$1,175,000 total was approved on the basis of informal estimates made

of the current and long range needs of the school district. No architectural plans have been prepared.

Livingston County Christmas Seal contributions, as in nearly every county in the state, are soaring substantially above the 1960 level, it was reported today.

Receipts from this area for the first two weeks of the campaign, which opened Nov. 13, totalled \$1,409.00 compared with \$1,173. for the like period last year. J. Irvin Nichols, executive director of the Michigan Tuberculosis and Respiratory Disease Association reported.

HASSEL HEATON of Mill Street was the first to report his deer kill to the Dispatch. Hunting in the Waterloo Area, south of Waterloo on the second day of the season, Heaton bagged this 12-point buck which dressed out 136 pounds at a local freezer plant

# News Notes From HAMBURG

The Howard Riopelles spent Thanksgiving with son, Howard and his family of Allen Park. They returned home on Sunday.

The James Tepattis spent their Thanksgiving with her brother, John Hatter, and family of Dearborn.

The Lester McAfee family and the Duane Waterburys drove to Muncie, Indiana, to spend Thanksgiving with Mrs. McAfee's sister and her family, Mrs. Amelia Campbell. Mrs. McAfee remained for the week end while the rest of the family drove back Thursday night.

Jane N. Bennett of the Bennett Insurance Agency in Hamburg has announced plans to consolidate with the Grace Brown Agency of Whitmore Lake. The firm will be known as the Bennett - Brown Agency and will be located on the Whitmore Lake road, Whitmore Lake, in a building now being remodeled for new offices. The firm expects to open about February 1.

The Hamburg PTA have been invited to hold their regular monthly meeting at the Boys Vocational School near Whitmore Lake. The date of the meeting is on the 4th of December at 8 p.m. The PTA is also making plans for the Christmas program.

The James Kubat family spent Thanksgiving at their cabin near Ludington. They remained for a few days to do a little hunting also.

Mrs. Hollis White and son Edsel are accompanying Mrs. Dorothea Hart of Chelsea on a trip to California. They left Friday morning for Ottawa, Ohio, where they plan to visit friends. A brief stop in Knox, Indiana, to see old friends and on to California. Mrs. White plans to have a nice visit with son, Mark, who is at the March Air Force Base in Riverside.

The John McMillans of Rush Lake were guests of the John McMillan Jrs., of Darwin Rd. for Thanksgiving.

## Local Items

Mr. and Mrs. Lee Goucher and family spent Thanksgiving Day in Farmington as guests of the John Webbs.

Local high school girls will be among the more than 403,400 in the nation's schools taking a written examination for the 1962 Betty Crocker Search for the American Homemaker of Tomorrow.

Mr. and Mrs. Louis Bycraft of Ann Arbor and Mr. and Mrs. Charles Bycraft of Chelsea were Thanksgiving dinner guests at the James Pine home.

Mrs. Gladys Lee of Lakeland together with Mrs. Helen Packard of South Haven returned home Sunday from a trip which took them from the National Association of Postmasters Convention at Denver, Colorado, to Hawaii. While in the islands they flew from Honolulu to the Islands of Maui, Molokai, Oahu, Kauai, Hila and Kona. They also spent a week visiting Mrs. Packard's son, Albert Packard, stationed on a submarine at Pearl Harbor. His home is in Pearl City. After flying back to San Francisco the travelers boarded the Santa Fe train for their return home via the scenic route. Mrs. Lee reports heavy snowfall "from the time we left California to Chicago."

Mr. and Mrs. Paul Drake and family of Royal Oak, Noel Rose, of Henry Ford school of nursing and Mr. and Mrs. George Youngerman were Thanksgiving dinner guests at the Eric Rose home.

Sunday dinner guests at the Max Reynolds home were Mr. and Mrs. M. J. Reason, Mrs. Mabel Reynolds and Miss Otho Reynolds of Detroit.

Dr. and Mrs. Cecil Hendee of Lansing, Mr. and Mrs. Russell Nouffer of Holt, and the Ambrose Kennedy family of Pontiac were the Thanksgiving dinner guests at the Lloyd Hendee home. Jim Kennedy remained for a week end of hunting with Jeff Hendee.

### In Case Of Fire

**At home—**  
Get everybody out of the house quickly.  
Call the fire department at once.  
(Every member of your family should know how to call the fire department.)

**At public gatherings—**  
Walk, do not run, to the nearest exit.  
Summon the fire department from the nearest fire alarm box or telephone. Keep calm.  
Remember, the danger of being crushed in a milling crowd at an exit can be almost as dangerous as fire itself.  
Act quickly, but with a clear head.

The Robert Amburgey family had as their Thanksgiving dinner guests the Ken Mohlman family of Drayton Plains and the Doyle Templetons of Keego Harbor.

## MICHIGAN MIRROR

Housewives in America spend at least one-third of the nation's annual income.

For this reason, a group of Michigan people believe public school education should train women to be discriminating buyers from the time they are playing with dolls until they are ready to buy toys for their own children.

A recent consumer protection conference conducted by a division of the state attorney general's office spent a long day considering the problems facing the public in everyday buying.

"It is rather difficult to explain to a person with a minimum education the difference between the various size packages in relation to price and content," said Mrs. Maxine Virtue, assistant attorney general in charge of the consumer protection division.

"The conference participants suggested education in this area should start in the grade school and be carried continuously in the curriculum through the university," she said.

It was also urged that people in responsible, leadership positions should educate the housewife-consumer regarding habits of discrimination as contrasted with economics.

"Industry interests play largely on motivational aspects of marketplace choice," Mrs. Virtue said. "If the consumer seriously wishes to be protected, she should develop a resistance to these practices."

Conference participants generally were agreed packaging habits of industry should be standardized by legislation.

"It seemed to be the consensus, however, that proper education and communication would bring about a great deal of voluntary self-regulation by both producers and retailers," said Mrs. Virtue.

in both commercial and private mail traffic.

"Christmas seals" account for a large percentage of the commercial mailings in November and December.

The term "Christmas seals" started many years ago when tuberculosis was striking at its peak. Since then many organizations joined the band - wagon and distributed stamp-like seals during the holiday season.

Tuberculosis associations throughout the nation have continued pre-holiday mailings of seals as their single fund-raising campaign of the year.

In Michigan this year seals were mailed to nearly two million homes and business places. The Michigan TB and Respiratory Disease Association hopes to set a new record, by collecting a million dollars.

Impact of the disease has lessened considerably, officials report. Leaders in the battle against TB have set 1970 as a target date for eradication of the disease.

The happy holidays this year will be somewhat less than joyous for many Michigan residents, state statistics show.

November, December and January are traditionally the worst months on the highways. Holidays throughout the year generally bring an increase in the number of traffic accidents.

The three year-end holidays contribute to heavy traffic substantially and wintry weather gives cause to extra care behind the wheel.

Highway department officials marked the recent opening of additional high mileage with predictions the new multi-lane divided highway through the north central section of the state would result in a sharp drop in traffic accidents.

Department studies on other freeways in the state would tend to support this prediction. There are fewer accidents on divided highways than on the roads they replaced. One reason for this, however, would seem to be that the old roads were not built to accommodate the current traffic loads and speeds.

State Police records tend to discount the highway department's rosy picture of the effect of multi-lane routes.

Overall traffic accident records in Michigan have not substantially decreased. In the last two years fatalities have been as high or higher than previous years.

State Police Commissioner Joseph Childs placed emphasis on recent months on extra care on roads near home.

"People get off the high-speed routes and near their homes, where they have driven the side roads year in and year out," he said. "They often get careless because they aren't ready for the unpredictable."

Thomas Grainger has been discharged from McPherson Health Center and is convalescing at home as is Mrs. Zela Hull who was discharged on November 18.

# NOTES FROM THE— ELEMENTARY SCHOOL

## THIRD GRADE—

**Mrs. Henry**

One of our reading groups has finished the first third grade Economy Reading Books. They are looking forward to our new books.

This has been a week of reviews. We took our review tests in Arithmetic, Language and Spelling.

In spelling, those who got 100 on their trial tests in reviewing the five weeks words, were excused from the final test. Joel Burg, Penny Goucher, Linda Gyde and Cathy Salyer had gotten 100.

Mrs. Butler has been ill for several days, we hope the cards and letters we have sent will help her recovery.

Joanne Craig has moved to Seattle, Washington, but to take her place we have a new boy Richard Regensburg from Gloversville, New York. We hope he enjoys our school.

Mrs. Clark has taught us how to make stencils and many ways to use them.

It will be interesting to watch the sorghum seeds grow, and we hope they will be a novelty in our summer gardens.

## SIXTH GRADE NEWS—

**Mrs. Tasch**

Tuesday afternoon we wrote five sentences about what we learned that afternoon. We voted on which sentences were best and Sam Singer got the most votes. These are the sentences he wrote: 1. I read that Atomic Energy is our tenth wonder. 2. I read how small molecules and atoms are. 3. I learned that fissions means atoms gathering and fusions means atoms separate. 4. If you fire a bullet at a target, you can't see the bullet take off, but then you see the gun is empty and a hole in the target. That is indirect evidence. 5. I learned about Lucretius, a poet, Newton, a learner of gravity, and Democritus, a philosopher.

We are making plans for Christmas presents for our Moms and Dads and are planning on making them very soon.

We hope all of you had a nice Thanksgiving.

## EIGHTH GRADE—

**Miss Penrose**

This week we only have three days of school because of Thanksgiving vacation.

Monday we got a new girl in our room. She is from Gloversville, New York. Her name is Paula Regensburg.

Our teacher Miss Penrose will be Mrs. Osterhoudt when she comes back to school next Tuesday. She is getting married during Thanksgiving vacation.

Today, November 22 we are having our Gym teacher, Mrs. Rawson as a substitute teacher, because Miss Penrose is away.

Jerry Smith has a new dog.

Steve Latimer has a baby collie.

Mike Meriwether's dog has a broken leg.

Mike Hendee's grandfather moved in with them.

Edna Thomas' baby kitten was run over.

## MRS. JOHNSON

We made a Pilgrim scene on our science table. The children made pilgrims and Indians and a long table for the feast.

We have lost another boy from our room. Keith Stapleton moved to Chelsea. We now have only 25 boys to our 10 girls.

We had a couple daddies who "got" their deer. They got them in the Pinckney area.

Arlen Stauffer left for Indiana for the holiday.

George Cottom has told all about his trip to New York.

## KINDERGARTEN

We made a Thanksgiving mural with Pilgrims and Indians eating.

We have a new safety picture. We are all making safety rules of our own.

Most of us are going to our grandmothers for Thanksgiving. We have learned the song about "Over the River and Through the Woods."

We think we have many things to be thankful for.

We have started our rhythm band. We have some good players.

## MRS. ERHARD'S NEWS

This week we have learned quite a few new terms in arithmetic. We had a 100 word spelling test on Wednesday (November 22), we don't know our marks yet! We all enjoyed the Thanksgiving program which was over the P. A. system.

## SIXTH AND SEVENTH

**Mrs. Carr**

This week we have a new girl. Her name is Hellen Lynch. She's in the seventh grade. She came from Hamburg Elementary school. We've made a unit on farming and space.

These people are the ones who have 100 in spelling: Tanya Geib, Donald Hollister, Carlene McCarty, Judy Dean, Karen Crosser, La Dawn Shirey, Judy Hull, John Darrow, Jack Pfaff. And here are the "A" people: Allen Porter, Barbara Battle, Tim Umstead, Bonnie Wylie, Bonnie Custs.

We had a substitute for Mrs. Carr. The substitute was Mrs. Wright.

Lynn Dee Miller and Linda Susan Keiser both celebrated their birthdays on Nov. 13. We learned to form no. "7" in the air with our hands. We learned 2 Thanksgiving songs and are working on a mural of the Thanksgiving story. Danny Lobdell has a new baby brother. We have been learning about Indians — how they lived, how they made their houses and how they got their food. Some of our fathers have gone up north hunting.

Senior Thomas Read, who spent last summer in Germany, was invited to speak at the Bushnell Congregational church in Detroit last Monday to a committee of that church which was considering sponsoring a student on a trip to Europe in the future. Tom described his experiences and the work of the Michigan Council of churches which sponsored him. This week Tom was notified that the committee decided to send their student through the same organization.

## Scenic Michigan Freeway Wins National Award

A 21-mile section of Interstate 75 Freeway in Northern Michigan has been selected as one of America's most scenic new highways. The freeway, which extends from Indian River to Mackinaw City, was cited as an outstanding example of a highway designed to take advantage of the natural terrain and scenic beauty of the area. State Highway Commissioner John C. Mackie will receive a plaque from Parade Magazine and Better Highways Information Foundation, sponsors of the national contest to pick the nation's finest new highways.

## Deer Storage Is Under Regulations

Dressed and cut up deer may be stored in commercial cold storage with other food supplies if skins and hides are not included under Michigan laws.

This is the word to successful deer hunters from the Michigan Department of Agriculture's foods and standards division headed by J. L. Littlefield. Each year the lucky hunter creates more than his share of problems for locker plant inspectors.

Strict regulations govern the storage of wild life. One of these prohibits the storage of hides and skins unless separate storage rooms with no open passages leading into locker rooms, chill rooms, aging rooms, or sharp freeze rooms are provided. Hides and skins must be stored elsewhere.

"Deer stored in other than locker plants, such as refrigerators or freezers in grocery stores and meat markets must be stored so there is

Michigan deer hunters will take home at least as many bucks this fall as in 1960 when they harvested some 47,000, the Conservation Department estimates after checking field reports covering the first week of the firearm season.

no possible contamination of other foods from dust, vermin, animals or persons," Mr. Littlefield explained.

Deer still having the hide on must be stored in a separate room from all other provisions, under Michigan regulations.

### LIBRARY NEWS

We wish to thank Miss Ella Campbell of Ann Arbor for books and Mrs. Wm. Austin (Pat Palmer) for magazines.

New books include Freuchen, "Arctic Adventure" and Michener "Return to Paradise" for adults. We also have several new books for children just beginning to read. "Hole in the Hill," "Boy Who Would Not Say His Name," "John's Back Yard," "Just Follow Me," "My Own Little House" and "Nobody Listens to Andrew."

Teen-age girls will enjoy Wyndham "Candy Strippers", a story of young student nurses.

The Writer's Club met at the library Monday, Nov. 20. Several members read poems about "Peace," "Thanksgiving" and Christmas.

One member outlined a work on Lifeskills, those attitudes and knowledges which make for a well-rounded, mature individual and his participation in civic and world affairs.

There will be just one meeting in December, Monday the eleventh. We hope all members will be present at this Christmas meeting. Anyone interested is invited.

## NEIGHBORING NOTES

David Vickers of Stockbridge was elected to membership in the American Angus Association at St. Joseph, Missouri, recently. He was one of the nine Michigan breeders of pure Aberdeen - Angus cattle to be named last month.

Santa Claus visited Brighton last Saturday arriving for the brief unscheduled visit via helicopter. Twenty-nine members of the Brighton Area Chamber of Commerce are launching their "Holiday Bonanza," a special affair designed to keep shoppers "at home" with their local merchants.

The Fowlerville post office was recently commended on its promotion and sale of U. S. Savings stamps and bonds during the past year.

City postal delivery in South Lyon became a possibility again as a new survey was set. Residents have long sought home delivery of mail but were denied as "too small a city" to deem the service.

Mrs. Elizabeth Davenport, newly announced Dean of Women at the University of Michigan is a former Dexter girl. She was the former Elizabeth Kingsbury and received her early education in the Dexter schools.

### NAME COMMITTEES

Mrs. Jeanette Slagle of Hamburg, Mrs. Pat Scott and Mrs. Emmett Widmayer were named by the Parents Club last week to serve on a committee preparing a recommendation to the Board of Education that hot lunch menus be posted in advance by the hot lunch program of the Pinckney Community schools. Parents interested in this information should write to the committee on or before December 1st.

Pheasant kill dipped to about 950,000 birds in Michigan this fall, some 22,000 shy of last year's mark, according to a preliminary estimate of the Conservation Department. Part of the drop in kill is traced to reducing hunting pressure evident throughout much of the state's pheasant country.

Wedding anniversary congratulations are extended on November 30 to Mr. and Mrs. Jack Jeffreys and on December 5 to Mr. and Mrs. James D. Richards.

## Cub Scouts Hold Meeting

Cub Scout Pack 58 held its regular monthly pack meeting Monday, Nov. 27 at Pinckney High School with Harold Halliburton, Cub Master presiding. The meeting began with Den 4 performing the Opening Ceremony. Den 1 did a skit, a magic Act in accordance with November Theme of Magic. Den 5 did the Closing Ceremony. David Zezulka, Court Geib, and Mike Sheldon of Den 7 received Service Stars for the year.

Jon Randolph received his Lion Badge and a Gold Arrow for Electives completed. Mike Scott, a new Cub Scout received his Bob Cat Pin.

Of the Pack Committeemen and Den Mothers for Cub Scout Basic Training, Program planning and Den Meeting Training, certificates were presented to Marian Clark and Connie Auxier. For Basic Training Wanda Riggs, Robert Riggs, and Courtland Geib received certificates. Hal Schall received a certificate for Basic Training and Program Planning.

December Theme is titled "Follows, Helps and Gives" where Cubs learn the real meaning of the Holidays and Cub Scout ideals.

An Inspection Report of Uniform and Appearance of all Cub Scouts was made. Neatness was the big factor. Each Uniform had the same chance to score and the cubs proudly displayed their achievements and badges.

It was announced that Webelos Meeting would be Dec. 13, at the Pinckney Elementary School.

Cub Scouts and parents enjoyed pop and cookies at the close of Pack Meeting.

Charles F. Hewlett of Victoria, Texas, is a house guest at the home of his son, Mr. and Mrs. Charles E. Hewlett. He arrived for Thanksgiving and will remain until Sunday. Mr. Hewlett, a former Pinckney resident, is also enjoying visits with many local friends during his stay.

## Fall Pasture Top-Dressing Benefits Farmers Five Ways

More and better grass, lower feed bills and higher profits are among "pay-offs" from top-dressing permanent pastures this fall with nitrogen-phosphate-potash fertilizer according to soil tests.

FIVE profitable "pay-offs" from top-dressing permanent pastures this fall with a complete fertilizer containing nitrogen, phosphate and potash where needed were listed by the Midwest division of the National Plant Food Institute:

- 1 - Earlier grazing next spring for beef and dairy cattle;
- 2 - More and better grass during the spring season;
- 3 - Extra grazing days at the end of the season;
- 4 - Lower feed bills;
- 5 - Higher net profits because of lower costs of production.

"There are increasing indications in many Corn Belt areas that fall-added fertilizer containing nitrogen as well as phosphate and potash can give as good results in pasture production as plant food put on in the spring," says the Institute.

"Some safeguards are necessary, however, so far as nitro-

gen is concerned. On very sandy soils where water leaches quickly through the soil, losses of nitrogen can occur.

"Agronomists say there will be a greater response in the spring if pasture fertilizer is put on the late fall, just before growth stops."

Fall fertilization is a time-saver, because it helps the farmer spread out his work load, the Institute reports. By putting on plant food in the fall, more attention can be given to other important work in the spring.

Moreover, in the fall farmer ground makes it easier to apply fertilizer through the use of broadcast spreaders and bulk spreading with trucks. In the fall, too, you can be sure of a greater choice of fertilizer grades and fast deliver.

Birthday greetings go this week to Tom Kennedy, Nancy Hayes, Chuck Hewlett, Pat Clarke, Herman Vedder, John Brewis and Clyde Clough, all of whom celebrate today. Tomorrow Mary Jane Porter, Fredrick Thomas Porter and Milton Campbell will mark

their birthdays: on Friday, Cheryl Ann Williams, Richard Line and Robert Amburgey; on Saturday, Frank Niewiadomski, Roy Campbell and Theo. Klingman, Jr.; on Monday, December 4, Deborah Rogers, Terry Bennett, and Robert Read will cut the birthday cakes.

## OUR BEST WAY-OF-LIFE INSURANCE

The men of the Army and Air National Guard work as citizens and train as military men to protect our way of life. More than 472,000 strong, they stand at our first line of defense. On a minute's notice, runway alert units are activated... air defense units manning Nike-Ajax bases swing into action... 27 combat divisions prepare for mobilization. But the Guard's protection does not end with its battle function. In peacetime, it is just as ready to cope with disaster... and just as admirably efficient. Today, the citizen-soldiers of the National Guard are better trained than ever before in the 300-year history of the Guard. They are, in every sense, our *Up-to-the-Minute Men*, ever ready to serve, and to serve well, our nation's interest.

## Tuna With A Twist Of Tang And Crunch

Olney & Carpenter, Inc., Photo

The creative twist in this tuna production comes from a couple of versatile supporting players perfectly cast in the roles they play. Tasty French Fried onion rings add palate-pleasing "tang" to an a-la-king sauce and crisp, shoestring-style potato sticks supply an appetizing crunch.

Actually each of these stellar performers has a dual role. Besides using the onion rings to dramatize the flavor of your sauce, save a few to garnish your casserole or chafing dish. The shoestring potato sticks offer both a zesty flavor of their own and an ingenious switch on the usual a la king base of toast-points, patty-shells or rice.

Staging this hearty party or family dinner dish is simplicity itself! The French Fried onion rings and potato sticks come right out of a can—convenient and delicious either hot or cold.

| 2 tablespoons diced green pepper | 1 3-oz. can drained button mushrooms, (optional)              |
| 1/4 cup flour                    | 2 cans tuna fish (7oz.)                                       |
| 1/2 teaspoon salt                | 2 cans crisp O & C Shoestring-Style Potato Sticks (2 1/2 oz.) |
| 1/2 teaspoon pepper              |   |
| 2 cups milk                      |   |
| 1/4 cup diced canned pimientos   |   |
| 1/2 cup sliced celery            |   |

Melt butter in saucepan. Add green pepper and saute until tender. Stir in flour and seasonings. Blend in milk and cook, stirring constantly till thickened. Add pimientos, celery, French Fried onions, mushrooms and tuna fish. Continue to heat, stirring constantly, until mixture is hot. Heat Potato Sticks just before serving. Serve a la king over the crisp hot sticks. Lobster or shrimp, substituted for the tuna fish make this dish elegant enough for any gathering.

Mr. and Mrs. Ralph Williams are entertaining the former's parents, the R. L. Williams of Jonesboro, Arkansas. All the Williams were Thanksgiving dinner guests at the James Turner home in Brighton.

Mr. and Mrs. W. H. Euler observed their 54th wedding anniversary on November 20. On Thanksgiving Day they were dinner guests at the K. A. Wylie home. Cadet Dick Wylie telephoned from West Point Military Academy in the afternoon to extend greetings to his parents and to his grandparents, the Eulers.

## Good Management, Plant Food Make Profitable Team

PUT your "first team" in the field if you plan to score high profit yields of forage and row crops, advises Dr. B. N. Driskell, University of Kentucky extension agronomist.

Dr. Driskell says the "first team" should include fertilizer that provides nitrogen, phosphate and potash, plus lime, as needed. Other team-mates should be well-adapted seed and good cultural practices.

"Best place to start is with an accurate soil test, says Dr. Driskell, in a statement summarized here by the Midwest division of the National Plant Food Institute. "Such a test can tell you what nutrients the soil needs to produce high-income, low-cost crop yields.

"If lime is needed, it can be applied this fall to help condition the soil for next spring's plantings."

The importance of proper fertilization is emphasized by the Kentucky Department of Feed and Fertilizer which says that "a farmer cannot expect to produce a good crop unless he feeds the plants by applying the proper amount and kind of fertilizer."

The department points out that a return of \$3 to \$5 can be expected from each dollar invested in proper fertilizer, where fertilizer is needed.

## RAINBOW GIRLS PLAN DANCE

The Order of the Rainbow for Girls, Pinckney Chapter, No. 76, will sponsor a "Snow Frolic" dance, Saturday evening, December 2, from 7:30 to 11:30. The public is invited to attend this event in the gym of the elementary school. Music will be by recordings. Tickets are .35c per person.

Thanksgiving dinner guests at the Robert Vedder home were the Joseph Heath family of Jackson, the Noel Cooke family and Mrs. Catherine Heath. Tiny visitors over the week end were infant twins Candy and Marty Heath who stayed while their parents the Charles Heaths of Ypsilanti attended funeral services for Mrs. Heath's grandmother in Pennsylvania.

## Slate Christmas Tea Dec. 2

The annual Christmas Tea and silent bazaar of the Women's Fellowship of the Community Congregational church will be held in Pilgrim Hall on Saturday, December 2, from 1 to 5 p.m. The public is invited.

There will be a Treasury Tree upon which will be pinned the tiny aprons and envelopes distributed earlier for contributions of cash to be given in lieu of sewing and furnishing material things as for the usual type of bazaar. Tables of beautiful Christmas goodies and decorations will be on display. Baked goods will all be for sale as will some of the decorations. Many members will be displaying their holiday specialties, not for sale, but to give suggestions for

those seeking ideas on "What To Make at Home."

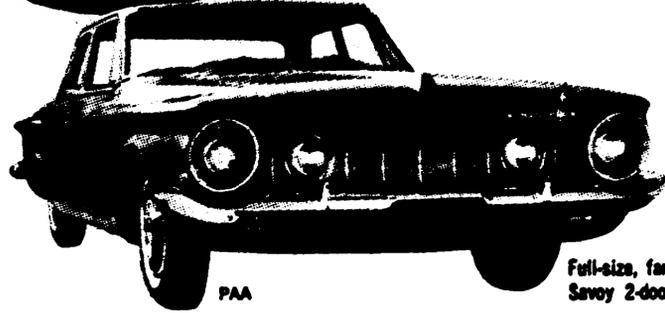

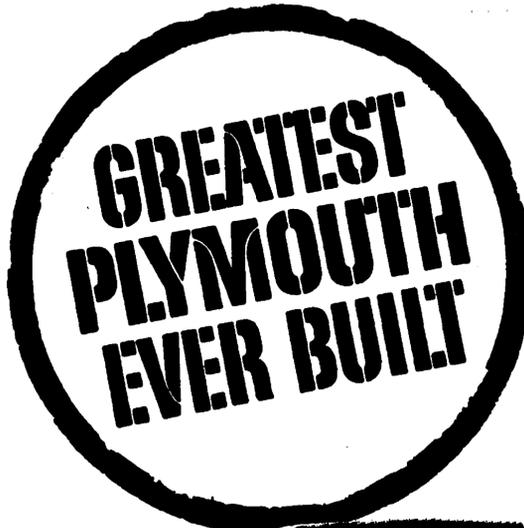

There will be a Christmas program and music under the directorship of Mrs. Doris Shetteroe, whose program of last yule season has brought requests for a repeat performance.

Mrs. Charles Ward, Mrs. James Whitley and Mrs. John Lundin will be in charge of baked goods and refreshments.

All members and friends of the church are urged to attend, bring a friend, and launch the holiday season by enjoying the fellowship program, holiday goodies and novelties at Pilgrim Hall this Saturday afternoon.

Mr. and Mrs. Robert Vedder observed their 15th wedding anniversary on Monday of this week.

## ● Notes of 25 Years Ago

The Pinckney chapter O. E. S. held installation services Saturday night for new officers. Mrs. Winifred Graves was installed as Worthy Matron; Albert Dinkel as the Worthy Patron. Mrs. Hazel Parker and Percy Ellis are the associate matron and patron.

The Sprout school held a very successful box social Saturday night. Mrs. Grant Cass was the

auctioneer. The first part of the evening was spent in playing keno with poultry as prizes. Miss Bernice Isham, teacher of the school, said part of the proceeds would be used to buy dishes for hot noon lunches for the students.

The William G. Greening Estate at Plainfield was sold at auction this week.

Mrs. Weltha Vail spent the week end with Dr. and Mrs. W. Snyder in Horton.

C. H. Kennedy and Verne Corey were in Toledo last week to purchase Christmas goods for the general store and the drug store.

The Misses Fanny Monks and Nellie Gardner had as Sunday dinner guests Mrs. Maria Dinkel, Mrs. Zora Chambers, and Mr. and Mrs. John Dinkel.

John Smuda, 55, well-known Howell plumbing contractor lost his life Saturday noon when his pick-up truck collided with a large truck operated by the Brewery Products Co. of Ann Arbor.

Six slot machines were confiscated near Howell by Sheriff's officers this week. Operators failed to heed the warning issued earlier.

Putnam's quota for the annual Red Cross Drive of 1936 is \$25.

M. J. Hoisel and Miss Nellie Gardner are the chairmen of the local drive.

Five of the local deer hunters have returned with deer so far from the north country: Edmund Haines, Bert Daller, Ralph Harris, Clare Swarhout and Rex Harris.

# How 45,000 companies help their employees buy security

The average American company is pretty busy tending to its own business. Yet many companies have sandwiched in a valuable service for their employees—the Payroll Savings Plan for U.S. Savings Bonds.

Through this plan, your payroll clerk sets aside a certain amount each payday for Bonds, buys them, and arranges to get them to you. It's completely automatic, and the easiest way in the world to save.

*Save as much or as little  
as you wish*

Employees can sign up to save as little as \$1.25 a week. The average among the more than 8 million folks on the Plan is \$20 a month. All in all, 45,000 companies help

their employees save about \$2 billion in Savings Bonds a year—a lot of future homes, vacations, college degrees, and nest eggs for retirement.

#### *The security built into Savings Bonds*

U.S. Savings Bonds are guaranteed by the Government to grow. \$18.75 becomes \$25 in 7 years, 9 months. In 10 more years, it becomes \$36.25. Your Bonds can be cashed in anytime, with interest. And if they're lost or destroyed, the Treasury Department replaces them free.

Every Savings Bond you buy is an investment in Peace. What better way to help your government help you enjoy the things you're saving for.

#### Hats off to American Industry!

"American Industry has given the Savings Bonds Program its greatest success," says William H. Neal, National Director of the Treasury's Savings Bonds Program.

"45,000 American companies have sold many billions of dollars in Savings Bonds—at no cost to the taxpayer," says Mr. Neal. "By operating the Payroll Savings Plan, these companies, big and small, are helping to keep our country strong. At the same time, they're helping 8 million people save automatically for the things they want. America owes a vote of thanks to these companies for their outstanding contribution to the 20-year success story of the U.S. Savings Bonds Program."
