## Children Again Offered Fluoride Program by Parents Club

The Parents Club of the Pinckney Community schools will again sponsor the annual fluoride program for children in the community. Mrs. Robert Amburgey is the chairman.

The opportunity to receive this preventative dental care will be offered through the club this summer to children in the 2nd, 5th, and 8th grades. Pre-schoolers, three and four years of age, may be included, if the parents so request. Mrs. Amburgey announced.

The fee for each child is \$3.00 payable in advance. The time and

location of the clinic will be announced at a later date.

An appointment card will be sent to each registered person, on before June 1, informing of the clinic location, time and date for the treatment. The service includes dental inspection, cleaning of the teeth, and the applying of four applications of fluoride solution to the child's teeth.

Parents desiring this service of the decay preventive program must complete a form sent home with school children and return it with \$3.00 (per child) to Mrs. Amburgey at 235 W. Main street. Further information and additional blanks may be secured from her by telephoning UP 8-3425.

## Speech Class Play Friday

The Speech Classes and the high school band will join their talents in the production of a three-act play to be presented Friday evening, March 23, at 8 o'clock in the high school gym.

The play is being directed by Don Gibson and the band is under the direction of Dennis Napier.

"Lock, Stock and Lipstick," a fine comedy, holds entertainment for the entire family.

The public is invited. Tickets will be available at the door.

## F.T.A. NEWS NOTES

Bruce Henry, State F.T.A. Newsletter Editor, conferred with Gov. Swainson Monday afternoon, and his picture will appear in the Michigan Educational Journal next month.

This week end Bruce, Pam Hoelt, and Gary Hull will attend the F. T. A. Delegate Assembly at St. Mary's Lake in Battle Creek, with the local club sponsor, Mrs. Floyd Miller. Bruce will distribute copies of the Newsletter at the business meeting.

## Con-Con Delegate Report Discusses Judicial Districts

The committee finally finished the article on judicial branch after 14 days of extensive debate. One of the main questions were whether we should divide the state into nine districts and elect a judge from each district or continue with the statewide elections. Each of these systems, I must admit, are not without fault. From a rural or out-state point of view, this would seem to be highly desirable, however, the district plan was defeated by a 62 (61 Republicans and 1 Democrat) to 64 (31 Republicans and 33 Democrats) vote.

We have created a new Court of Appeals consisting of nine judges. In the fight as to the method of election of these judges, the advocates of the district plan were successful in their efforts. The Legislature will set the district line as well as the election rules.

The Legislature is authorized to set up a system of lower courts which would take the place of the Justice of the Peace Court and the Circuit Court Commissioners. They also are directed to schedule the salaries of the new judges or justices. This devised out of a vast amount of people who are demanding the abolition of a fee system. One of the main evils of the Justice of the Peace Court dealt with the collection agency justices.

We now are considering the committee report of the Executive Branch. (Chairmaned by John Martin, R-Grand Rapids.) It seems that the important issue is whether or not we will elect or appoint the Administrative Board. The report of the committee recommends the appointment of all the members. There also seems to be a favorable trend to create a legislative audi-

tor selected by the Legislature for a term of 8 years. According to testimony, there is a definite need for such an office to be created, however, there is a reasonable possibility that a compromise can be agreed upon which would do the following:

1. Allocate sales tax funds entirely to schools and local units of government with 12 cent going to local government.
2. Retain the allocation of gasoline and weight taxes for highway purposes.
3. Retain the 15 mill tax limitation on personal and real property.
4. Continue to elect the Governor, Lieutenant Governor, Attorney General and Secretary of State.
5. Elect a State School Board who in turn will hire the State Superintendent of Schools.
6. Allow the Governor to appoint the State Treasurer.
7. Allow the Governor to appoint a four member bipartisan State Highway Commission who would in turn hire the State Highway Commissioner.
8. Apportion the Senate on the same basis as we have now but add four Senators — one each for Genesee, Oakland, Macomb and Wayne Counties. (This would mean a 38 member Senate. In 1970 the Senate would probably increase to 40 members).
9. Apportion the House of Representatives on a "nearly" population basis.

Compromises such as these do not come easy. Neither we nor those who differed from us gave up our positions easily. And how do men accept compromises — as gracefully as possible — outwardly. Thomas G. Sharpe  
March 16, 1962

## Martha Nash Spelling Champion

Martha Nash of Mrs. Douglas' 8th grade is Pinckney elementary school's spelling champion. She won the school spelling bee held last Wednesday. Linda Wylie of Mrs. Osterhoudt's 8th grade is the runner-up.

Linda went down on the word accelerate. Martha after spelling it correctly was given another word, aluminum which she also spelled correctly to be declared the winner.

Martha will represent the school in the district bee to be held here on April 11. In case of her absence or illness Linda will participate in the contest.

## Baseball Call Attracts 39

There was a record turn-out of 39 players in response to the first call for high school baseball practice, according to Coach Wesley Reader.

Catcher Terry Rowell and all the starting pitchers are back. The team enjoyed a 12-4 record last season, finishing in second place in the Washtenaw Conference League.

During the spring vacation week of April 9 the team will play at least four non-league games to get into shape for the league opener on April 17 at Chelsea.

A schedule will appear next week.

## Squares Slate Dance Sat. Eve

The Village Squares, square dance club, will not only dance from 8 to 11 p.m. Saturday evening, they will take time for a silent auction and a bake sale between dances at the elementary school. Gordie Lindland of Ann Arbor will be the caller.

There will be items of gifts to bid on in the auction and baked goods to take home for dinner on Sunday.

Lunch for dancers will be furnished. Couples will bring their own coffee cups. Any couples in the area, members or not, who can square dance, are invited.

Birthdays cards are being opened today by Mrs. Tilli Cottom, Jerry Van Slambrook and Kathy Sue Howe. Tomorrow is the birthday of Mary Krahn and Bond Collier; Friday, Kevin Ledwidge and Ann Marie Rogers. Saturday's list includes Cherie Guzinski, Mary Beth Kozji, P. T. Retinger, Fred Schuman, Michele Rogers and Cathy Johnson. Sunday marks the birthday of Mrs. George Roth, Butch Belcher, Vicky Dettling, Selma Fisher, Nancy Collier and Emmett Widmayer. Sandy Jones and Philip Vosmik share Monday as their birthday and Tuesday, March 27, Stanley Kozji, Charles Huntley and Ralph Kiner will be "spanked".

Congratulations are extended to Mr. and Mrs. John Rahrig, who will be observing their wedding anniversary tomorrow.

## Community Chest Called Success With \$2270.93 Being Collected

The board of directors of the newly organized Hamburg - Putnam Community Chest announced Friday evening following their meeting that the initial fund drive of the two communities netted \$2270.93. A goal of \$5000 was set last November when the drive was off to a late start.

The board also stated that expenses for the drive totaled \$30.15, the cost of campaign kits for the volunteer workers.

All in all, the group expressed satisfaction with the results of the drive, a first time effort. Many volunteer workers who knocked on doors were told that the householder had already given earlier at his place of employment. The fact that the drive was organized so late in the season may also have accounted for the smaller donations, where they were given, because of the approaching holiday shopping season.

Next year's drive, the board said, would be scheduled for early fall.

The money collected in the drive just concluded will be allocated thus: Community Endeavors, 20%, Red Cross 20%, Muscular Dystrophy 20%; Boy Scouts (Portage Trails Council) 10%; Girl Scouts 5%; Boys' and Girls' Recreational Activities 5%; Cancer Fund 10% and the Heart Fund 10%.

Putnam Township Supervisor Lloyd Hendee, served as chairman of the Board since its organization. Other board members are James Blommet of Aco, Inc., Pinckney; Don Swarhout, Don Gibson and Oscar Beck, treasurer, all of Pinckney. Hugh Radioff and Manly Bennett, of Hamburg.

Hendee extended thanks on behalf of the board to the volunteer workers of both Hamburg and Pinckney and to all the citizens who expressed their interest in favor of the future drives.

## Spring Achievement Day Scheduled March 29-31

The annual 4-H Spring Achievement of Livingston County clubs will be held on March 29, 30 and 31 in Howell.

Exhibits will be on display at this time in the Armory and programs will be held at Howell High school.

Exhibits by all clubs, including the Handicraft and sewing of

Pinckney clubs, will be entered on March 29 for judging on March 30. The Dress Revue and Achievement program will be held on the 31st.

Some 500 4-H members of the County are participating in the three-day event.

## GOP Women To Meet

The speaker for this meeting is to be Dan Jackson, who is the Field Representative to our area from the State Central Committee. Mr. Jackson should have much of interest to report. Any woman interested in a Republican Women's Club are cordially invited to attend. This is not a luncheon meeting, however coffee and cookies will be served.

The Livingston County Republican Women's Club will meet on Wednesday, March 21st at the Howell Township Hall, 3525 Byron Road, at one p. m.

## Burglars Visit Grade School

Thieves returned to the Pinckney elementary school for the second time in two weeks and again smashed the coin boxes of the milk vending machines to remove approximately \$30 in coins.

The break-in occurred sometime during the week end. Entry was gained through a large window on the front of the building.

Money was also taken from the desk of Mrs. Kathryn Thayer, first grade teacher, whose room was the one entered via the window.

The door of another class room was badly damaged as the burglars attempted unsuccessfully to open it.

State Police were called Monday morning as soon as the crime was discovered.

## Bruce Henry Wins Annual Honorary Science Award

Throughout the United States, educators recognize the annual Bausch & Lomb Honorary Science Award as evidence of superior scientific aptitude.

In announcing Bruce Henry as the 1962 winner, Mr. Robert Dunn, Science Instructor at Pinckney High School said, "These awards are especially significant. Today, everyone realizes the importance of the study of science in our secondary schools. The Bausch & Lomb Honorary Science Award provides appropriate recognition to senior students with the highest scholastic standing in sci-

ence subjects." The Science Award — a handsome bronze medal — is presented in more than 7,500 schools. Since its introduction in 1933, there have been 154,000 winners. Surveys have revealed that more than 30% of the winners have been encouraged by the Award to follow scientific careers.

Winners of the Honorary Science Award are then eligible to compete for Science Scholarships, sponsored by Bausch & Lomb, Incorporated, at the University of Rochester. Three, or more scholarships are provided annually.

# Health Center Notes . . .

The Women's Auxiliary of the McPherson Community Health Center will hold its next monthly meeting in the hospital auditorium on Wednesday, March 21st, beginning at 7:30 p. m.

As an experiment, it was decided to pick a program theme for the entire year and Mrs. John Slatter of Brighton, program committee chairman, selected, "Know Your Hospital."

In this connection, Mrs. Marjorie Stowell, Director of Nurses for the Health Center, will discuss the nursing department in general with particular emphasis being given to the subject, "Continuing In-Service Nursing Education."

To begin the program's theme of "Know Your Hospital," Edw. G. McPherson, Treasurer of the Board of Trustees, spoke at the auxiliary's last meeting about the Board. In spite of the bad weather the day of the meeting, a large number of members turned out to hear Mr. McPherson tell the functions of the Board. He explained how the hospital corporate members elect board members and how the board in turn hires the hospital administrator. Mr. McPherson stated there are five board committees and explained how these committees are formed. The members in attendance thoroughly enjoyed Mr. McPherson's talk.

They felt that the auxiliary's theme of 'Know Your Hospital,' is an excellent one and through it, members hope to learn more about this wonderful community institution which they serve on a volunteer basis.

## LADIES MISSIONARY SOCIETY TO MEET

The Ladies Missionary Society of the Peoples Church will sponsor an all-church missionary evening, March 26, 7:30 p. m.

Guest speakers will be Mr. and Mrs. Paul Whaley, now working in Jewish Evangelism.

The public is invited to attend this program.

Laurence Ray Mills, son of Mr. and Mrs. Donald C. Mills, of Rush Lake, has enlisted in the Aviation branch of training in the U. S. Navy. His basic training will be at Great Lakes, Illinois.

Jack Sheldon who was a patient at St. Joseph Mercy hospital was able to return to his home Monday.

met for an all day meeting last Wednesday with Mrs. George Marshall. The day was spent cutting and sewing quilt blocks in addition to the regular meeting.

Miss Carolyn Robeson of Muskegon was home for the first week end since Christmas to visit her parents, Mr. and Mrs. Clyde Robeson. It seems they have had a little snow and bad weather up there.

Mrs. Eleanore Schultz was a Saturday evening supper guest of Mr. and Mrs. Carl Richmond and family.

## Letter to the Editor

March 19, 1962

To the Editor:

As regards the proposed school bond issue, why is the public hearing only pro school board considerations? Your newspaper directly contributes to the apathy of this community by its minimum news coverage. Where are those phantom school board members who dissented? Where are the Parent's Club members who demonstrated interest and spunk at the beginning of the school year? Where is a spokesman for Hamburg, whose area residents apparently will bear more expense than others? And where is anybody who questions and evaluates merchandise before he buys?

Is the Citizens Committee a step-child of the School Board and may not its finding be "mislaid" if contradictory? The truth and need would be better served by a more public representation. Surely a confident school board coalition would welcome rebuttal in order to establish its position more firmly. It will be impossible to do this if no opposition exists. How about it? Do you care one way or another about the school-bond issue.

Mrs. F. Ray Williams  
Mill Street  
Pinckney, Michigan

The Hiawatha Beach Church at Buck Lake, Hamburg, will have a showing of a film on Wednesday evening, March 21, at 7:30 p. m. There will also be special music by the Livingston County Youth for Christ.

Reverend and Mrs. Charles Michael are announcing the arrival of a daughter, Martha Kay, on March 7, at McPherson Health Center. The young lady weighs just over nine pounds.

# News Notes From HAMBURG

Mr. and Mrs. Duane Waterbury and Mr. and Mrs. Ivan Waterbury had dinner at Bill Knapps in Ann Arbor on Saturday in observance of Ivan's and Vera's birthdays.

Mrs. Helen McMillan had a "get together" of little folks in honor of the birthdays of Roberta and Robert Hoelt who are two years old and for Susan Shehan who is now seven years old.

Mrs. James Tepatti and Mrs. B. Lehw are on a two day "holiday" in Detroit visiting Mrs. Tepatti's sister, Mrs. Leroy Williams.

Martin Tepatti of Northville is now employed by the Hamburg Dairy on the wholesale route. Duane Waterbury is now employed by the Pittsburgh Paint Co. in Ann Arbor, he is taking a training course in salesmanship.

Mr. and Mrs. Steve Rickwalter of River Rouge were callers at the home of Mr. and Mrs. L. M. Tubbs on Friday.

Mrs. Margaret Smith, Mrs. Clarice Waterbury, Mrs. Wilda Burger and Mrs. Florence Wheeler spent last Thursday in Pontiac.

Mr. and Mrs. Paul Lenhart spent last week end in Peru, Indiana.

Gladys Kirk, Florence Kiner, Doris Kramer, Jean Densmore, Margaret Smith and Genevieve Katz had lunch at Grace Howards home in Ann Arbor on Monday.

## Notes of 48 Years Ago

James Kirtland, for many years a resident of this district passed away this week at the age of 90. He had been paralyzed for years.

A. Randall has purchased the James Docking house on Dexter road, also the fourteen acres adjoining it from E. J. Briggs. He will move there soon.

The P.H.S. seniors will present their class play "The Bank Cashier" at the Opera House on March 21. Amos Clinton is the owner of a new Overland roadster.

Robert Vining has moved into the Charles Grimes house.

The mayor of Alpena, M. Gustin, was in town last week and engaged Bill McKinder of Anderson to manage his farm of 800 acres in Alcona county. He intends to make it the finest stock farm in the state. MacKinder, who formerly worked for the C. M. Wood estate there for 6 years was chosen because of his fine work on farms. He will sell his own farm stock and machinery at auction before leaving.

Norma Curlett of Mayville was called home this week by the illness of her mother, Mrs. Lizzie Curlett.

Mr. and Mrs. Reynolds Densmore, Sr. visited the Jack Brooks in Royal Oak on Sunday.

Mrs. Anna Dunn and Miss Alma Wier are patients at St. Joseph's Hospital. Dorothy Heimberger is a patient at the University Hospital.

The Coyle Fishers were house guests of the James Tepattis last week. The Hessenhauers of Ypsilanti also called on the Tepattis and showed pictures of their recent trip to Europe.

Mr. and Mrs. Duane Waterbury accompanied by friends went Downtown Detroit on Sunday to attend the showing of The West Side Story at the Madison theater.

The Leo Walkers of Grass Lake were Sunday guests of the Hollis Whites.

Bud Szalwinski is confined to the hospital.

Mr. Ludwig Goppold of Stuttgart, West Germany is now residing with his mother, Mrs. Nick Kaluser. He arrived last Monday at Detroit Metropolitan Airport.

Francis King and Verna Valkenburg spent Friday in Detroit.

"Skip" King and his father, George King attended the Red Wing - Chicago Black Hawk hockey game on Sunday.

# NOTES FROM THE— ELEMENTARY SCHOOL

## FIRST GRADE

We have finished our Dot and Jim books, and all of us are now reading in new books.

Margaret Bell is expecting to see her Daddy on Sat. He has been stationed in Korea. His new station will be in Texas.

Georgia Devine and Mary Susan Read read us a story.

A dog has been taking the food we put out for the birds.

We all made a picture for St. Patrick's Day.

Eddie Gerdell went to Detroit yesterday.

Rex Meabon is sick again. We hope he is feeling better.

## FIRST GRADE

We have finished our "Dot and Jim" books and have been reading the stories we liked best. We are getting new reading books.

The Science Class we are watching for signs of spring. Most of the boys and some girls are playing marbles. Boys are playing with baseballs. The snow is going away.

Joey and Gene saw a robin.

In our writing we are making picture dictionaries.

## KINDERGARTEN

We have a new safety picture about how to fly kites.

Denise MacAinsh celebrated her 6th birthday March 8th.

We learned a new song "A Cat Should Have A Little Bell."

Vickie Vedder's cat ate up her bird.

We made paper plate clocks with hands that turn around. We are learning to tell time.

A cardinal bird visited our room. Its wing was hurt and Mike Hendee was taking care of it.

We put pictures of animals on our wall, their names are written under them. We are learning about pets and how to take care of them.

We made a number book and put a cover on it.

## THIRD GRADE—

We completed our study of peanuts and made booklets of the information we got from our reading.

We were surprised to find peanuts were used for so many things. Medicine, plastic, shortening, soap, synthetic wool, insulation, and margarine are a few of the things peanuts are used in besides candy. We used this unit for the bulletin board in the hall.

Our spelling tree is up now and we are trying to keep our little kites high in the tree.

We have 12 larger kites on our bulletin board. Each day we work 12 problems and put our name on the kite showing that number. Everyone hopes the twelfth kite will be full of names.

Mrs. Clark substituted for us on Thursday afternoon so Mrs. Henry could attend a funeral. We enjoyed having her.

All of us sent get-well wishes to Elizabeth King and hope she will soon be out of the hospital.

We have 12 larger kites on our bulletin board. Each day we work 12 problems and put our name on the kite showing that number. Everyone hopes the twelfth kite will be full of names.

Mrs. Clark substituted for us on Thursday afternoon so Mrs. Henry could attend a funeral. We enjoyed having her.

All of us sent get-well wishes to Elizabeth King and hope she will soon be out of the hospital.

## SEVENTH GRADE

We want to congratulate Martha Nash on her winning the school spelling bee.

Jim Kourt and John Crittenden gave an oral report on the solar system which was interesting. They are planning to do two more bulletin boards on chemistry and atomic energy and give an oral report on them also.

We have a new girl from Ann Arbor. Her name is Caroline Teachworth.

For English we are learning 45 prepositions and we have taken a test on them.

Fourteen people of our class are doing algebra with Mrs. Erhard's help.

## EIGHTH GRADE

We made about 21 dollars on our cupcake sale, 10 dollars of it going toward the Korean Orphan our school is supporting. Martha Nash won the school spelling bee.

Monday we are giving oral book reports. In math, one group is studying easy construction and the other group graphs.

In science we are learning Care of Body.

Our boys beat Mrs. Erhardt's boys 28 to 27 in a basketball game.

Mrs. Matilda Kramm of Lakeland, Mrs. Vivian Morrison, Adelaide Oleski, Harriet Miller, Irene Weber, Violet Dunn and Mrs. Charles Michael were listed last week as area patients at McPherson Health Center.

## America's Famous Sailing Ships

"THIS IS THE NEW OCEAN... AND I BELIEVE THAT THE UNITED STATES MUST SAIL ON IT AND BE IN A POSITION SECOND TO NONE..." SAID PRESIDENT JOHN F. KENNEDY FOLLOWING THE FIRST ORBITAL FLIGHT OF ASTRONAUT LT.-COL. JOHN GLENN JR. IN THE UNITED STATES SPACE SHIP "FRIENDSHIP 7"

BUT WHEN THE MOON AND STARS STILL HAD OUTER SPACE TO THEMSELVES, AN EARLIER UNITED STATES SHIP NAMED "FRIENDSHIP" WAS MAKING HISTORY ON THE OLDER OCEANS DURING EXCITING TIMES LEADING UP TO THE WAR OF 1812. THE 342 TON "FRIENDSHIP" WAS LAUNCHED BY ENOS BRIGGS AT SALEM, MASS. IN MAY, 1797.

A FULL RIGGED MODEL, MADE BY THE SHIP'S CARPENTER THOMAS RUSSELL IS THE DELIGHT OF YOUNG VISITORS TO PEABODY MUSEUM IN SALEM. HELPING TO STIMULATE INTEREST IN THE PRESENT GENERATION IN OUR GREAT MARITIME HERITAGE REPRODUCTIONS OF EARLY AMERICAN SAILING SHIPS ARE FEATURED ON THE OLD SPICE LINE OF MEN'S TOILETRIES BY SHULTON, INC. THE COMPANY IS ALSO PRODUCING A MODEL FLEET OF THESE SHIPS TO BE EXHIBITED THROUGHOUT THE UNITED STATES.

# NOTICE ANNUAL TOWNSHIP MEETING

NOTICE IS HEREBY GIVEN, That the next Annual Township Meeting of the Electors of the TOWNSHIP OF PUTNAM, COUNTY OF LIVINGSTON, STATE OF MICHIGAN

will be held at

**PUTNAM TOWN HALL**

Beginning at 7:30 o'clock P.M., Eastern Standard Time, on

**SATURDAY, MARCH 31, 1962**

Signed, MURRAY J. KENNEDY, Township Clerk.

Dated: March 14, 1962

## Notes of 25 Years Ago

Pictures received here from Col. Met Chalker who is vacationing in Lockhart, Florida, show him plowing his garden with a donkey.

A young colt purchased from Lucene McCluskey by George Clark balked and threw himself in such a way as to break his neck while being hauled by W. H. Meyer in his truck.

Miss Willa Meyer, daughter of the W. H. Meyers, took the nurses' examination at Henry Ford Hospital last week.

Mr. and Mrs. Bert Hoff are enjoying the summer weather at Hot Springs, Arkansas, currently.

Among those who attended the flower show in Detroit Sunday were the Ona Campbells and Leona, Mr. and Mrs. Cliff Van Horn, Dan Driver and Miss Gertrude Shields, Joseph Basydo and Miss Mavis Cheney.

Mr. and Mrs. Harvey Holmes of Munith are the proud parents of a son born March 12. Mother is the former Ruth Dunbar of Pinckney.

The Pinckney Independents played a double header in basketball at the high school Saturday night; lost both; 76-25 to Stockbridge and 53-49 to Webberville.

If you like artichokes in salads or as a vegetable, it is possible to grow them in your garden even if you live in the north. Start the seeds indoors in flats, transplant seedlings to pot after the first true leaves appear, and transplant once more to the garden when weather is warm.

## NEIGHBORING NOTES

For the third straight year Fowlerville high school has been awarded the Sportsmanship Trophy of the Ingham County League. Member schools in the league annually choose the school to be cited for outstanding sportsmanship and courtesy at sports events.

Clark Ackley, a Lansing architect, has been named the Fowlerville school board to assist in the study of the community school building program.

A plane in distress over Stockbridge last Saturday night was guided safely down by a local deputy and his patrol car spotlight. Deputy Gaye Weisenburg "led" the plane out of the residential district and after stopping traffic set up flares along the straight stretch of road south of town "helped" the pilot, Kirk Faufel of Ann Arbor, bring the Cessna 172 down safely. The pilot and three passengers with the help of local residents tied the plane down for the night. Owner, Paul Lambarth, also of Arbor, flew the plane away on Sunday.

The Peoples Party swept the village election in Dexter last week

### HAMBURG AND WINANS LAKE SCHOOL NEWS

The Spelling Bee contest held on Wednesday morning, March 14 was won by Nancy Suter, an eighth grader. Dan Hancy, a sixth grader gave Nancy a real run for the school championship.

Nancy will now represent the school at the District Bee to be held in Pinckney on April 11. Dan will be eligible only if Nancy is sick and cannot be there. Cathy Fisher, a fifth grader, was next to Dan. We are proud of all forty who were eligible and took part.

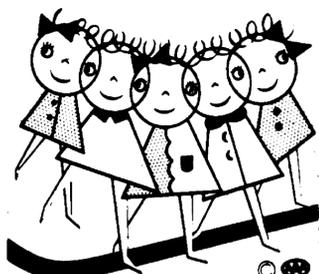

The sixth, seventh, and eighth graders are planning a swimming party at the Ann Arbor High pool Wednesday, March 21. They are looking forward to having a good time.

Mrs. James, the second grade teacher, was ill on Wednesday and Thursday and Miss Ross substituted for her.

Mrs. Downing's husband, Robert, has been confined to St. Joseph Hospital in Ann Arbor for the past few days. The latest word is that he is much better.

The children in grades kindergarten through third will not come to school on Friday, March 23 because of a curriculum study that those teachers will be undertaking. This will affect both schools.

### LOOK ALL WAYS

**BEFORE CROSSING**

WINNER, AAA TRAFFIC SAFETY POSTER CONTEST

as a record number of ballots were cast. Bruce Waggoner was elected new president.

The eleven Chelsea high school athletes who were suspended last fall for the violations of training rules will be able to participate in spring sports after all. They were reinstated last week following a special meeting of the coaches and administration. The reasons were four-fold; the top one being that the conduct and academic record of the boys during suspension was very good.

Head aches from the flooded basements and flooded roads seem to be the results of the rapid thawing of snow and ice in the Brighton area. More flooding was reported in that area than elsewhere in the county.

Amos Hooper, Jr., 68, former Livingston County Road Commission Supt. died on March 14 at University Medical Center following a brief illness.

## Official Village Council Minutes

Regular meeting of the Village Council, March 13, 1962, called to order by Pres. Stanley Dinkel followed by roll call of officers. Present: Lee Tiplady, C. M. Lavey, Roy Clark and Mrs. Marion Russell. Absent: Albert Shirley and Don Swarhout.

The Council certified the election results and those present, who were elected took their oaths of office.

Election results:  
Stanley Dinkel, President, 1 yr.  
Mildred Ackley, Clerk, 1 yr.  
Ruth Ritter, Treasurer, 1 Yr.  
Lee Tiplady, Trustee, 2 Yrs.  
Don Swarhout, Trustee, 2 Yrs.  
James Doyle, Trustee, 2 Yrs.  
Lorenzo Murphy, Assessor, 1 Yr.

Don Swarhout and Lee Tiplady were appointed to represent the Village on the planning board of the proposed new Township Hall and Fire Dept.

Motion by Clark supported by Russell to purchase the Dodge Fire Truck from the township to be rebuilt for the Village.

At the request of The State Election Commission the Council authorized the Clerk to bring all registrations up to date. This means that all village Electors who have not voted within the last 4 Yrs. will be notified and given the opportunity to re-instate their registration.

Laurence Munsell, Livingston Co. Building Official, met with the council to offer assistance of his Dept. to the Village if needed.

The Council voted not to participate in Mayor Exchange Day during Michigan Week.

Motion by Russell supported by Clark to allow following bills:

Noel Cooke, Major St. Work	19.25
Otis Matteson, Major St. Work	40.25
Norman Van Blaricum Major St. Work	52.50
Charles Hewlett Major St. Work	8.00
Robert Vedder Major St. Work	212.00
James Amburgey, Work on Drains	10.50
Robert Higgs,

## Easy-To-Use Onion Speeds Meals

Foods with Far Eastern accents appeal strongly to countless Americans. "Oriental Fantasy" is an exotic addition to the list and is no trouble at all to prepare.

Instant minced onion is sold under many brand names. Using it in vegetable specialties such as this one and in soups, salads, entrees, hot breads and sandwich fillings takes much of the drudgery out of kitchen work. It saves time and labor by eliminating the pesky chore of peeling, slicing and chopping onion. And it provides the gentle flavor of freshly-harvested onions without the strong odor.

Onion is the world's most popular seasoning next to salt, and no onion is easier to use than instant minced onion. When you cook with it, there are no wet eyes—only appetite-whetting results.

### ORIENTAL FANTASY

1/4 cup dried mushrooms	1 tablespoon soy sauce
1 1/2 cups water	1 can (1 lb.) cut blue lake green beans
1 tablespoon instant minced onion	1 can (5-oz.) water chestnuts
2 chicken bouillon cubes	1 teaspoon vinegar
1 tablespoon cornstarch	

Soften mushrooms in water in wauk or saucepan about 10 minutes. Add instant minced onion, crushed bouillon cubes, cornstarch and soy sauce; mix well and cook, stirring frequently until mixture boils and thickens. Drain beans and drain and slice water chestnuts and add with vinegar to sauce. Mix lightly, heat steaming hot and serve. Makes 4 or 5 servings.

**Caraway - Cheese Muffins**

If you're perplexed about what to serve your ever-hungry family these busy winter evenings, why not plan a simple cold cut-and-cheese platter brightened with these nippy Caraway-Cheese Muffins.

Hot breads make even the simplest meal more enjoyable. And these muffins are so easy to prepare. Just follow a basic muffin recipe stirring in shredded cheese and caraway seeds with the dry ingredients.

Although muffins take but a short time to prepare, you can cut last minute preparation time even more when you know your last minute kitchen time will be short. Mix together your dry ingredients in one bowl and your liquid ingredients in another. Refrigerate both until just before mealtime. Then quickly stir together the two mixtures and bake as usual. Or, you can spoon the prepared batter into muffin cups and refrigerate a short time before baking.

Quick breads made from enriched flour are nutritious as well. Food laws and the B vitamins thiamine, niacin and riboflavin are added to flour to enrich it for your family's better health. Why not serve some "good-for-you" hot breads often?

**CARAWAY-CHEESE MUFFINS**

- 2 cups sifted enriched flour
- 1 1/2 teaspoons caraway seeds
- 1 tablespoon baking powder
- 1 egg, beaten
- 1 teaspoon salt
- 1 cup milk
- 2 tablespoons sugar
- 2 tablespoons melted shortening
- 1/2 cup shredded American cheese (2 ounces)

Sift together flour, baking powder, salt and sugar. Stir in cheese and caraway seeds. Combine egg, milk and shortening. Add liquid to flour mixture, stirring only until flour is moistened. Fill greased muffin pans 3/4 full. Bake in hot oven (425° F.) about 20 minutes. Makes 12 2 1/4-inch muffins.

**Representative Terbush Decides Not to Seek Re-election**

State Representative Jay M. Terbush, Jr., will not seek re-election. Terbush said today that he plans to leave the Capitol scene in order to devote full time to his law practice.

In making his announcement, Terbush issued the following statement:

"For the past four years it has been my privilege to serve the people of the Shiawassee-Living-

ston District as their State Representative in the Michigan Legislature. I am deeply grateful for the trust which the people of this district have shown in me and for the opportunity and privilege of public service. I have enjoyed the work and the experience very much but it has finally reached a point that I feel I must choose between being a politician or a lawyer. For this reason, I will not be a candidate for re-election."

Terbush was elected to the House of Representatives in November, 1958 and re-elected in November, 1960. He is presently a member of more active committees than any other member of the House being Chairman of the State Prisons Committee and a member of the Judiciary, Conservation, Military and Veterans' Affairs, Elections, and Revision and Amendment of the State Constitution Committees.

Prior to his election to the Legislature, Terbush served four years as Prosecuting Attorney for Shiawassee County.

**Letter to the Editor Describes Apathy Toward P-TA Group**

March 16, 1962

To the editor:

I'm a little tee-ed off and would like to express my views in a Letter to the Editor if you are willing to publish it as such. It seems to me that a Letter to the Editor column might prove a very good medium for clearing the air on a lot of current questions.

My concern right now is the general apathy concerning the Parent-Teachers group. In what little experience I have had in ob-

**Rev. Stauffer Guest Speaker**

The Reverend Melvin Stauffer, pastor of the Calvary Mennonite church here, will be the guest speaker at the meeting of the Women's Fellowship of the Community Congregational church at Pilgrim Hall Thursday evening at 8 o'clock.

He will present color slides taken during his recent missionary tour in Jamaica, Haiti. Rev. Stauffer made the trip last January with a group of missionary leaders of his church. The program will precede the business meeting.

serving Parent-Teachers groups in other communities, the school and its personnel have been instrumental in promoting, directing and furthering the interests of the Parent - Teachers groups. My brief experience here in trying to help get the group going again has had no encouragement from the school personnel — in fact there is a definite opposition to the undertaking. What's wrong? I was even told at one time during the year that there was some question whether notices of meetings could be sent home through the school! I was discouraged from doing this. I don't understand this opposition at all; the Parents club has benefited the schools in the past — both materially in equipment purchased, and more important, as the only liaison between home and school.

We had a substantial turnout of parents at the beginning of the school year, but we lacked strong enough leadership to pull it together into a unified group — everyone had an axe to grind but no one wanted to take any responsibility. With proper direction from persons who have had PTA experience in the past, and a show of confidence and cooperation from school personnel could have

made this group a real going thing. In this particular situation the losers are three-fold; the parents, the school administration and the children in the schools.

The Board of Education antagonized the group as a whole, first by discouraging representation at the School Board meetings; then by putting the Parents' Club in the middle in their divided stand on the school bond issue; and finally by scheduling their Citizens' Committee meetings on the same dates as the already - established meeting date of the Parents' Club, thus draining off attendance at the Parents' Club. The end result is that divided we are going to fall short of achieving our goal of bettering school conditions for our children.

The above views are strictly my own and do not necessarily reflect the views of the Parents' Club.

Respectfully  
Doris L. Sannes

# Consumer Protection Discussed In This Week's Michigan Mirror

Consumer protection is a primary responsibility of the weights and measures division of the State Department of Agriculture.

The past calendar year was a busy one for the state unit when a number of short weight outbreaks were noted in concentrated inspections of grocery stores.

In all, the department reported only 646 convictions for law violations. Some 248, or 38 per cent of these violations of weight and standards laws, were for short weight or short measure.

The number of convictions, however, do not clearly depict the department inspection activities. In reweighing or checking quantity, 171,020 packages were checked during the year and 39,740 were found to contain less than the quantity listed.

Many of these short-weight dis-

closures were corrected by the 305 seizures of the items, the department said.

Additionally, a total of 1,336 seizures or "stop sales" orders were placed on more than 10 million pounds of commodities which did not conform to the law.

Gov. John B. Swainson called for legislation this year to bone up the laws relating to weights and standards but ran head-long into a problem: enforcement.

Department officials pointed out that present laws could stand tightening, but even currently the major problem is the difficulty of using 40 inspectors and seven supervisors to check the estimated 75,000 establishments which come under the laws.

The Governor then called for legislation to help make every shopper an inspector, a bill which

would require retail meat stores to provide a scale for the consumer to check weight. A first attempt to pass the measure failed in the Senate, but Stn. Raymond D. Dzendzel, D-Detroit, hoped to gain enough support for the proposal later in the session.

Trouble on the highways across the nation fails to lend itself to the uniform S.O.S. distress signal used on lakes and waterways.

A uniform distress signal has been adopted, however, for use on freeways where getting out of a car to signal for help could cause additional trouble.

Weather permitting, the American Association of State Highway Officials advises motorists who need help on the freeway system to raise their car hoods and tie a white cloth to the door handle closer to passing traffic.

Under no circumstances should a motorist walk on a freeway. This makes him vulnerable to accidents or might cause a driver to swerve suddenly, the Association reports.

If the trouble occurs at night, motorists should have tail lights and interior lights on in addition to raising the car hood. A turn light should also be left on so passing drivers won't mistake the vehicle location for the through traffic lane.

If a disabled vehicle blocks any part of a traffic lane, other warning devices, flares, flashing lights, lanterns or reflectors, should also be used to warn oncoming traffic.

Parental pressure on youth preparing for college can be a deterrent to success in full utilization of the youth's own aims, the Michigan Education Association says.

Theoretically, there may be one perfect college for each child, but the Association warns that parents who emphasize the importance of gaining entrance to "the school" can cause unintended problems.

"While your child is waiting for acceptance by a college, help him realize that his success does not depend upon admission to any one college," the professional organization advises.

"No matter where he goes, he's likely to find more books than he can read in four years, more equipment than he can master, and teachers who will be wiser than he is even when he is a senior."

The association advises parents to remember that regardless of enrollment pressures at a given institution, "somewhere in the nation there is still space in an accredited college for every qualified high school graduate."

How healthy are you? The answer may surprise you, according to the State Health Department.

A recent sampling of Michigan's population told the department that nearly two of every five persons in the state between the ages of 21 and 70 need to see their doctor.

In a testing of some 639 per-

## PINCKNEY

Telephone lines

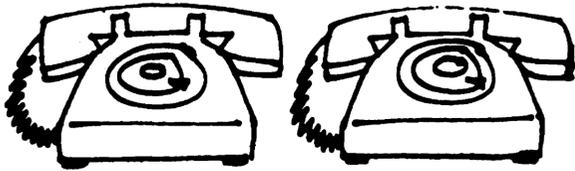

By RUSS ENGELHARDT, Manager

AS A FARMER would you be interested in an intercom between the house and the barn, a monitor system that will

let you hear sounds from the barn and barn yard and an extension in your barn so that you can get your calls? All of these features are part of our new Farm Interphone System. Call your business office for further details.

THESE TWO TELEPHONES may look alike, but they aren't. One is a private line and the other is a party line telephone, and there's quite a difference. A private line telephone is always ready for you to use. And friends can reach you when they want you. And though it may seem hard to believe, in town a private line costs only pennies a day more than a party line does. It's a down-to-earth blessing at a down-to-earth cost. If you live in town and now have party line service, why not call us about getting a private line telephone soon?

PASSING THE BUCK usually refers to letting "George" do something nobody else wants to do. But that's a far cry from the reason why your telephone company arranges with others to accept payments for phone bills. Since many people like to pay bills in person, we had to find a way of making this possible at a reasonable cost. So, at no extra cost to you, we've arranged for several conveniently located banks and other businesses to accept payments for us. It all helps keep your phone bills low, while making sure you get the service you want.

## Library News

We have subscribed to the National Geographic Magazine and the Jan., Feb., and March issues are here.

We received the following books this week which will be available during National Library Week:

"The Curse of the White Panther" by Merritt Greene — a sequel to "The Land Lies Pretty." This is a local historical novel based upon the United States attempts to buy Indian land in Michigan and ends with the Toledo War in which both Michigan

sons, the department measures height, weight, and blood pressure and tested the blood and urine. Some 249 of the persons showed some abnormality and 124 were referred to their physician.

The results showed little difference between the sexes. About 40 per cent of the men and 39 per cent of the women exhibited some irregularity.

Most prevalent abnormality was disproportionate height - weight measurements. Abnormal blood pressure of high levels of sugar in the blood or urine were also found in any of the persons who considered themselves in perfect health.

and Ohio claimed Toledo. For adults and young people.

"The Andrews Raid" by Epstein is the true story of the Great Locomotive chase during the civil war when Union soldiers penetrated into the enemies lines and stole a train in order to destroy rail tracks, bridges and supplies along the way. Elementary school age.

"Let's Visit Korea" by Caldwell tells of the history, land, people and customs of the Koreans. Elementary school age.

We wish to thank Mrs. Herman Vedder, Jean Kennedy, Mrs. Leonard Davis, Mr. C. H. Wilshire, Mrs. C. W. Fugate and little Jimmy Belcher for books.

Mark Friday, April 6 on your calendar now. We are having open house that day from 4-7:30 p. m. If you like those hours we will keep the library open on Fridays. We want all of our friends to plan to attend.

Mrs. W. H. Meyer, and Mrs. Charles Chamberlain are still listed as patients at St. Joseph Mercy hospital where each has been confined for several weeks.

## Begins Training

James R. Emery, son of Mr. and Mrs. James C. Emery of 7227 Strawberry Lake rd., Hamburg, Mich., began recruit training, Feb. 19, at the Naval Training Center, Great Lakes, Ill.

The nine-week basic training consists of classroom instruction in naval topics, including military etiquette, drill, physical fitness, swimming and survival, first aid, shipboard safety precautions and security duty. In addition, recreation periods are included in the rigorous program.

Throughout the training, recruits receive specialized counseling which assists them in selecting a rating in which to work from more than 65 available job specialties.

## Aberdeen New A.A. Principal

David Aberdeen, 32, of Portage Lake, and a member of the Ann Arbor Public Schools faculty since 1959, was named last week to the principalship of two schools, Carpenter and Meadowview, both in Ann Arbor. He is a sixth grade teacher at the John Allen school there.

Aberdeen received both his Bachelor's and Master's degree from the University of Michigan. He has done graduate work at Chicago Teachers' College, also.

He formerly taught in Dexter and in several Chicago elementary schools. He and his wife live at 11921 Portage Lake Road.

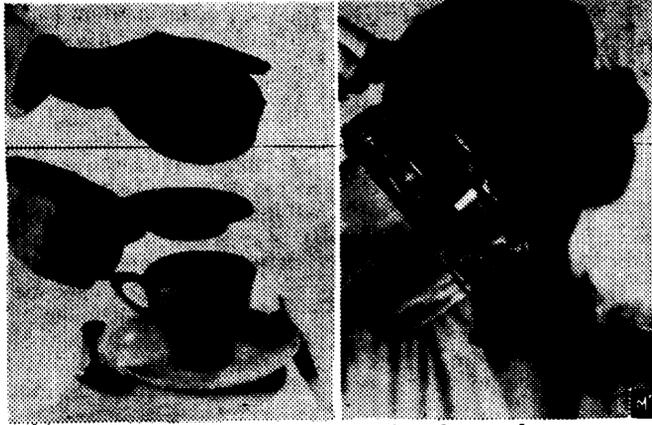

The son of Mrs. Winifred Aberdeen and the late Frank Aberdeen of Pinckney, he is a graduate of Pinckney High school.

**PINCKNEY DISPATCH**  
Wednesday, March 21, 1962

**CLOTH OF GOLD . . .** A gossamer web of 100% gold Lurex, spun by Mort Cole, is shaped into the new shift. The lightweight and non-tarnishing metallic yarn shimmers gently in the evening light and gives brilliance to this simple-but-smart cocktail dress. The belt can travel the circuit . . . from hips to waist or completely off as the wearer wishes.

## ELIMINATES LEFTOVER COFFEE

The problem for many has been that the cup does run over. The housewife who makes coffee in mid-afternoon and the individual who does the same thing at midnight usually end up with more than the desired one cup will hold. Consequently, they pour more down the drain than they drink.

A new development by a West Coast firm can end all that. The "Unicup", a one-cup coffee maker, should prove the solution. Introduced by Norcal Plastic Products of Burlingame, Calif., the "Unicup" comes in two sections. The bottom section is filled with a tablespoon of drip grind coffee. With the second section placed on top of the unit the "Unicup" is then set on a cup. Boiling water poured into the top section drips through, with the newly made coffee, in about a minute.

## Insurance By Mail; Not Always What It Seems To Be . . .

Unlicensed foreign insurance companies are the source of numerous complaints from Michigan consumers who, after responding to attractive newspaper advertisements placed by out-of-state insurance companies, discover too late that the coverage is not what they thought it would be; and that because the insurance company is not registered with the State of Michigan, state authorities can offer no quick and painless remedy.

When challenged, continued Attorney General Kelley, these foreign insurance companies who are not authorized to do business in Michigan, usually reply they are operating entirely in interstate commerce and, therefore, are beyond the reach of any state officer or department in Michigan. Fortunately, development of case law doctrines on "doing business" within the last few years have brought many out-of-state operations within the reach of state control. Despite this fact, it is the experience of my Consumer Protection Division that Michigan citizens who purchase insurance from these companies do so in the belief and expectation that they are fully protected by the authority of the State Insurance Department. Since this is not the case, I am asking the division to review with the Department of Insurance the present status of all such complaints, and develop a plan for bringing this problem under control. Meantime, I am taking this opportunity to report to the people of Michigan that they will be wise to check with the State Insurance Department and with the Consumer Protection division before investing in insurance advertised by an out-of-state insurance company, no matter how attractive the advertisement.

Among those unlicensed foreign insurance companies concerning which complaints have recently been received are the following:

Prudential Life and Casualty Company

Oklahoma City 18, Oklahoma

Peerless Life Insurance Co.

Automobile Owners Division

434 S. Wabash Avenue

Chicago 5, Illinois

Automobile Owner's Association, Inc.

2632 McGee Street

Kansas City 8, Missouri.

(Editor's note: Literature and applications from two of the above companies was found in our mail in the past weeks, so many local box holders have received them, too . . . A word to the wise.)

## Basketball

In the first game in the Dexter Recreation league last Wednesday night Dexter won over Pinckney 59-50. Clark scored 19 points for Dexter and Snyder 15 points for Pinckney.

In the second game of the evening Stockbridge lost to Chelsea, 67-64. Patrick scored 15 points for Chelsea and Long 14 points for Stockbridge.

Today at 8 p. m. at Dexter, Dexter will play Chelsea in the play-off for the championship.

At 7:00 p. m. Pinckney will engage Stockbridge.
