PINCKNEY, MICHIGAN, WEDNESDAY, JANUARY 16, 1963

SINGLE COPY 10c

The Way We Have It

BY DOLLY BAUGHN

... about February 1st, "Pat's Beauty Shop" will move into the unoccupied building between Jerry's Drug and Gentiles Home Center. That dark empty window has been an eye-sore to the beauty of Pinckney's Main Street for quite some time now, — 'twill be nice to have it filled again! (Mrs. Pat Roslecki has her beauty shop at 220 W. Unadilla Street at the present time.)

... the skaters in and around the Village have a rather decent place to skate now due to the efforts of Chuck Hewlett and George Roth.

With the compliments of the Pinckney Fire Department, Chuck and George are allowed use of the auxiliary pump, with which they pump water onto the pond keeping the surface smooth.

This "rink" is located corner of Howell and Mower Roads. Mr. Phil Gentile owns it, and is most happy to let the "Sonja Henies" and the "Freddie Trinklens" of today make use of it.

... Deputy Robert Egler is not the least bit hesitant, keeping order in town, by arresting anyone drunk, disorderly, or causing vandalism of any type. It cost one minor \$15.00 fine, and \$4.30 court costs only last week for such goings on that probably this week seems to him rather a lot of money spent unnecessarily.

... the Pinckney General Store parking lot was real slippery last Saturday morning. At least John McMillan, and Robert Mollison thought so when the vehicles they were driving, collided. Mr. McMillan was at the time driving Shirey's Phil Gas truck, and while no person was injured, there was considerable property damage.

... Mr. Cliff Miller after being Pinckney Fire Chief for the past 6 years, has turned his resignation in to proper authorities. Reasons are personal and nothing compulsory, in fact it is too bad that such an apt and able person resign from this position.

... that Howell - Pinckney Road is something you should read about and hardly ever see. "Mister Bull-dozer" is again busy making ash out of the beautiful, giant trees along the way between Swarthout and Cooon Lake Roads. We shall have to be patient and bear in mind, some day we may have decent traveling all the way from Pinckney Main Street to Howell's Main Four.

... the turnout at the Pee Wee League's final basketball tournament Sunday afternoon was great! With Father Horikan urging his congregations that morning to get out for this event, the bigger share of the audience were "rooters" for the St. Mary School team. (That's the team finishing with 1st place honors Sunday). Announcement of this tournament was made in last week's Dispatch and there were Hell's Playland team, Hamburg Merchant's team, Pinckney Merchant's team present, as well as the St. Mary School team — But! Well a few parents did make an appearance.

... Bell Telephone workers alerted firemen last Friday afternoon while doing work in the Pinckney Telephone office, and some way getting wires crossed to set off the fire whistle again. It's nice to know the firemen are alert — but there is a story of a little boy who called "wolf" too often, and — well! chances are that won't happen here!

... the Pinckney Community Schools have received the new vehicle, to be used, primarily, for transferring food from high school to the Elementary and Winians Lake School. It's a white Falcon, station-bus, and Mr. Black, school custodian, will soon have some identification on the side of it. Watch for it!

... the drilling of the new well at the Pinckney H. S. is coming real fine. Mr. Mesbon who is doing the drilling reported being down 103 feet, Monday morning, with the big 6" well casing.

... the plans for the new building for the fire department and the Library are coming fine. More next week, o.k.?

COUNTY WILL HIRE THREE EMPLOYEES

IN PROCESS of making plastic jewelry (cuff links, earrings, tie bars and pendants) are Pinckney High School students (left to right) Jim Jeannette, Dennis Reynolds, John F. Burg, instructor, Bruce Melby, and Larry Fornash. Pinckney High School students design and make projects from polyester resin, a form of liquid

plastic, in the General Shop class as part of the exploratory experiences in the Industrial Arts Program. This area of experience is one of 10 in which boys and girls have opportunity to plan, design and construct projects of many types of materials.

Need Warden, Court, Tax Aides

HOWELL — Three jobs are available for residents who would like to work for the county.

They are: Friend of the Court, paying \$4,400; Dog Warden—subject to wage adjustment but possibly around \$4,500; and secretary to the new Tax Equalization Consultant, salary to be established.

These jobs were discussed yesterday (Tuesday) by the Board of Supervisors meeting in Howell.

Martin J. Lavan, Supervisor from Brighton City, urged the board to set the salary at \$5,000, but his request was rejected by a roll call vote. The duties of this position involve collection of alimony for divorced wives.)

The person to be appointed will be recommended to Circuit Court Judge Michael Carland who in turn recommends

to Gov. Romney that the appointment be made.

The Dog Warden will fill the vacancy which has occurred because of the death of the former warden.

Applicants are being asked to submit their applications in writing to the Agriculture Committee, care of Livingston County Clerk, Howell, Main, by Jan. 28.

To be eligible, the person must be a male, 30 years of age or over, and a resident of the county.

Welfare Dept. Report Shows Higher Expenses

HOWELL — The following matters were given attention Tuesday by the Livingston County Board of Supervisors, meeting at the Court House here:

— Cecil Bohm, Social Welfare director, gave a financial report for the operation of his department in 1962. Direct Relief disbursements of \$108,168 were down about \$10,000 from last year. Social Welfare disbursements (primarily for

hospital care) of \$152,862 were up about \$20,000 over the expenses of 1961.

— Hartland Supervisor Harold Armstrong gave a detailed oral report on the activities of a special committee which has been investigating the possibility of obtaining a "Medicare" facility. The group is composed of two doctors, two trustees from McPherson Community Health Center, two members from the Welfare Board, and two members of the Board of Supervisors.

— Sheriff Lawrence Gehring's request (by letter) for placement of the administration of the dog law in his department was rejected.

— Supervisors Harold Campbell and William Hogan agreed to attend a two-day state supervisors' meeting next week in Lansing.

— Two new supervisors took their seats on the board: Robert G. Beers of Brighton Township, replacing Joseph Ellis now County Clerk, and Earl Dickerson of Isoco Township, replacing Clair Miller, now Drain Commissioner.

— A seven-man delegation from the area adjoining the Howell airport appeared to object to expansion of this site for a county airport and to present a petition signed by 41 persons opposed to the proposal.

Blood Bank Donors Needed

Pinckney residents will have the opportunity to give blood to the Red Cross Blood Bank when the Mobile Blood Unit visits Pinckney on Wednesday, Jan. 30, from noon to 6 p.m., according to Mrs. Helen Bauer of the Livingston County Red Cross Chapter.

Mrs. Stanley Dinkel and Mrs. Gene Edgar have been named local chairman for the blood bank and citizens able to give blood should call them for appointments.

Mrs. Dinkel may be reached after 5 p.m. at UP 8-3131 and Mrs. Edgar, during the day at UP 8-9721.

Several volunteer workers will also sign up prospective donors.

The blood unit will be stationed at Pilgrim Hall, west of the Community Congregational Church, just north of the high school.

Mrs. John Rahrig will serve as chairman of the canteen which provides a snack for donors following their donation of blood.

Pinckney Calendar

January 16
Fifty-plus Club, noon luncheon meeting, Pilgrim Hall, Program.

January 17
PTA, 8 p.m. at elementary school; important business meeting; naming of various committees and coffee hour. All parents urged to attend.

January 21
Writers Club, 1:30 p.m., Community Library. Adult interested in creative writing invited to attend.

Birth of A New Column!

"He who can take advice, is sometimes superior to him who can give it". Von Knebel.

However, it is believed to be so, that there be some people, including town-agers, among our readers, and in our communities, who would make use of a column, where-in, they could present problems and receive a new approach to the answer.

If you agree, mail your problems, in letter form, signed or un-signed, to "Dear Jean", Box 74, Pinckney, Michigan.

School Board Minutes

Each month the Pinckney Community Schools Board will publish minutes of their meetings in the Dispatch. Minutes of the last meeting will be found on page 3.

The Sign of the Pig

The Top Diet Dears held their weekly meeting, Monday night at the Miller School.

There were 14 members present all with one goal in mind. "To Shed Pounds" Exercise is the main activity and enjoyed by all.

Those that showed a loss in weight are known as Queens and for this week members are: Marion Van Raden and Kathryn Hodgkin. The name of Turtle means they have held their own which one lady qualified. The penalty of gaining even a single pound gives you the lowly name of Pig. The member gaining the most weight must display in their yard a red pig sign. So if you see this while driving by it doesn't mean Pork for Sale! It means shame on the resident.

Rainbow Girls Installation To Take Place on Saturday

Pinckney Assembly No. 67, Order of the Rainbow for Girls, will hold installation ceremonies on Saturday at 8:00 p.m. at the Masonic Hall.

The public is invited to attend.

Worthy Advisor will be Kathie Shettler, Worthy Associate Advisor - Frances Reason, Charity - Donna Klave, Hope - Mary Wylie, Faith - Pam Winslow, Love - Kathy Winslow, Religion - Cindy Hughes, Nature - Sharon Bowler, Immortality - Charlene McCarty, Fidelity - Linda Clough, Patriotism - Mary Sullivan, and Service - Linda Wegener.

Confidential Observer will be Cindy Borovsky, Outer Observer - Linda Wylie, Drill Leader - Judy Borovsky, Historian - Pam Koch, Chaplain - Janice Heiner, Associate Drill

Library News

Adults who like good books with much action will enjoy Tharp's biography of the Baroness Frederika von Riedesel wife of the German general who commanded Britain's mercenary troops in the American Revolution. The Baroness and the general describes her trip across Europe to join her husband in America, her life with him during the war, and the long trek on foot from Connecticut to Virginia as a prisoner of war.

Paradis, "Business in Action" is an economic sketch of business today; the stock market, installment buying, automation; advertising; the U. S. as a financier and the European common market.

Neal, "Diary of Democracy" is the story of political parties in America from 1620 to the present time.

For younger people we have Kugelmass, "Ralph Bunche, fighter for peace and Whitehouse," Billy Mitchell, advocate of the air force; Floethe, "The Story of Lumber" and Colby, "U. S. Space Age Army."

Mrs. Margaret Clark and Mr. and Mrs. Nectar Engquist have given books to the library and Mrs. Fugate, Mrs. Tweed and Mrs. Palmer, magazines.

The Writer's club meets at the library, Monday, Jan. 21 at 1:30.

Space Heater Caused Fire

PINCKNEY — The Pinckney Fire Department was summoned to the home of Marjorie Williams, Swarthout's Cove, last Wednesday, when an oil space heater caught the wall behind it on fire.

Neighbors noticing the flames and smoke called the firemen.

Jerry Speake, on behalf of the firemen, reports they soon had things under control with not too much property damage.

Herbert Bowles was accepted as a new Kiwanian.

Detroit Edison Notes Sixtieth Anniversary

January 17th is Detroit Edison's Sixtieth Anniversary. The year of the company's corporate birth — 1903 — saw many significant events. For example:

"The first automobile trip across the United States was accomplished. Coast-to-coast time — 69 days.

"Henry Ford, erstwhile chief engineer for Detroit Edison's corporate parent, the Edison Illuminating Company, formed the Ford Motor Company.

"President Theodore Roosevelt concluded agreements with Colombia permitting the United States to undertake the building of the Panama Canal.

"Wilbur and Orville Wright made the first successful airplane flights in an aircraft of their own design which they patented the same year.

Such was the eventful setting for Detroit Edison's corporate debut. The story of the company from then till now may be viewed in many aspects.

One of these appears in the lives of six men — six leaders of the company during its first 60 years. One of them, Alex Dow, headed the business for nearly three of these six decades.

CHARLES WETMORE In 1903 Alex Dow was manager of Detroit Edison. He was also an uncommonly astute reader of future implications in the events of the day. For the benefit of Charles Wetmore, first president of the new corporation, and for others (Continued on Page 2)

Stop or Smile

WILLIAMSTON — This Ingham County community is inviting people traveling the Interstate 96 Freeway to stop or smile.

Two 6-by-20-foot signs along the freeway say: "Next exit, Williamston. STOP or smile as you, go by."

Kiwanis Installation Held

GEORGE BOTH, LOUIS ROGERS

At the regular Kiwanis meeting last Tuesday evening new officers were installed to office for the ensuing year.

Paul F. (Jerry) Niehaus of Chelsea, was on hand to perform the official installation duties. Chelsea Kiwanis Club is the "mother" to the Pinckney Kiwanis Club.

Louis Rogers, out-going president at this time turned the Kiwanis gavel over to Mr. George Both, who has been elected and installed as the new president.

Other officers elected to office and installed at this time were Robert Tsch, vice-president; Gary Eichman, assistant vice-president; Howard Thayer, secretary; and Leonard Lee, treasurer.

Plastic Firm Expects To Open By Late Summer

HOWELL — A new industry for Michigan and further growth in Michigan's stature as a plastics industry center were disclosed today, with the announcement that Detroit-based Cadillac Plastic & Chemical Co. has purchased the cast vinyl film operation of Union Carbide Corporation and is moving it to a new plant in Howell.

The entry into films manufacture represents a more \$1.5 million expansion for Cadillac Plastic, and is expected to add some \$2.5 million initially to the company's annual volume, President Richard J. Jacob said. The new plant will also be used for the manufacture of other specialty film products, he added.

Cadillac Plastic, a division of Dayco Corporation, is the world's largest plastics warehouse distributor, (with service centers in 23 cities) and also manufactures plastic sheets and rods in four plants.

Equipment for the vinyl films line will be moved from Union Carbide's Bound Brook, N. J. plant and will be in operation in a 30,000 square-foot plant in Howell by late summer.

A nine-acre plant site provides ample room for plant expansion as new film lines are added. The films will be marketed under the company's Cadco trade name.

The cast vinyl films are noted for their exceptional clarity, flexibility and toughness. Special versions are used in food packaging and laminations, hospital and surgical products. General purpose grades are used in storm windows, automobile seat covers and inflatable toys.

"Our cast film business has become a highly specialized activity," said Robert C. Schroeder, Film and Sheeting manager for Union Carbide, one of the four largest basic plastic resin producers. "We have had difficulty from time to time properly servicing our customers because it is such a specialized business."

"It is our feeling that Cadillac Plastic has demonstrated an ability to handle this type of operation in a very effective manner. If this business is to prosper it will require the type of special attention which Cadillac Plastics can give it. Therefore we feel our customers will also benefit by this move."

In addition to its plastics distribution business, Cadillac Plastic is also a leading manufacturer of plastic stock shapes with plants in Warren and Dundee, Michigan, Toledo and Auburn, Indiana. The Howell facility will be its fifth.

The company will continue to purchase raw materials from Union Carbide and will cast both the general purpose grade and the 15 special grades of films currently produced.

Transfer of a manufacturing operation from a basic producer to a specialized maker of semi-finished shapes, though unusual in this era of continuing vertical integration, is not unique in the plastics industry.

Cadillac Plastic completed a similar transaction with DuPont for its Lucite cast acrylic rod and tube operation some 10 years ago. Since that time Cadillac Plastic has substantially increased sales of these materials.

Six from County Get MSU Degrees

HOWELL — Degrees were awarded to 856 graduates at Michigan State University's fall quarter commencement exercises, six from Livingston County.

Dr. John A. Hannah, MSU president, presented the degrees to the class, which included 66 students who received doctoral degrees and 269 students who received master's degrees.

Dr. Samuel M. Brownell, Detroit superintendent of schools, was the commencement speaker.

Those from Livingston County who received degrees were: Merle S. Allbright, 9313 Anticline Rd., Howell, M.A., Special Education;

Edward W. Allis, 603 Fleming, Howell, B.S., Mechanical Engineering, with Honor;

Charles E. Nichols, 11622 Durand Rd., Howell, B.S., Ag. Engineering, with Honor;

Paul E. Randolph, 3568 Mason Rd., Howell, B.S., Floriculture;

Joseph H. Rawden, 8683 Clubhouse Dr., Brighton, B.A., Restaurant Management; and Nancy L. Tobias, 722 E. Grand River, Fowlerville, B.A., Speech.

Recruiter Visits Howell, Weekly

HOWELL — Every Tuesday from 9:00 a.m. until 4:00 p.m. there will be a Navy Recruiter in the basement of the Post Office at Howell, to serve Livingston County applicants.

This will be the only day of the week that applicants will be tested and interviewed regarding a Navy career.

There is a Navy Recruiter who resides at 131 Browning Drive, Howell, phone 1865W who can be reached any time after 5:00 p.m.

Lansing Casual And Farm Labor Office Moves

The Lansing Casual and Farm Labor Office has recently moved to a new location at 531 E. Shawawasee Street, it was announced by Frederick Hanes, Branch Office Manager, and Ray Yeutter, Crop Area Supervisor.

Walter Dunnebacke is in charge of the Casual Labor Section of the Office, and Manuel Chiunti is in charge of the Farm Labor Section.

This Office specializes in supplying labor for short time jobs and supplying farm labor on both a seasonal and year-round basis. The telephone number is 373-6636.

Poultry losses from all causes cost producers about \$240 million annually, say Michigan State University poultry specialists.

Around Bishop Lake

The Brighton Recreation Area around Bishop Lake has a new manager, Jack Henry was transferred from the Straits State Parks at St. Ignace to this area. He and his wife and child will reside at the residence next to the Headquarters on Chilson at Bishop Lake Road.

Scenes continue to change around here. What once was a peaceful little stream winding its way from the Chilson Pond to the bridge on Bishop Lake Road, will be a lake complete with beach, by summer.

The contractor has been hauling the beach sand in a frantic effort to finish the job before real winter sets in. It is shaping up nicely and you can be assured, it will be beautiful by the time swimming season arrives.

The dike along Chilson Road will present the lake encroaching upon the roadway. This lake will give the hundreds of picnickers another spot to spend a lovely day.

*Miss Vickie Widmayer of Pinckney was an overnight guest of Miss Mary Schroeder, Thursday night.

Southwest Soil Conservationists Reject Merger with Other Districts

By LAMAR M. WOOD

HOWELL — Charles F. Love, 3145 Cedar Lake Road, was elected as a director in the Livingston Southwest Soil Conservation District on Friday evening, Jan. 4, at the annual meeting of the District held at the Trinity Methodist Church. His term will be three years, and he replaces Bruce H. Love, who has just completed a three-year term and declined the nomination for another term.

Love is a farmer in Marion Township, Ed Kora was also nominated, and received 29 votes to 36 for Love. Both nominees were from Marion Township, in order to maintain representation for that portion of the District.

A resolution was drawn up by the Board of Directors and presented at the annual meeting by Bruce Love, as follows: "Whereas it is considered it will be more efficient and more economical to have one Soil Conservation District in Livingston County; Therefore be it resolved that the Livingston Southwest Soil Conservation District be in favor of merging with other Districts in the with to form one District."

After considerable discussion, with many opinions on both sides of the question, a vote was called for by Robert Ruttman, District Chairman. The result was 23 votes, 22 and one.

The question of consolidation of the four Districts in Livingston County has been discussed several times recently by the four Boards of Directors during joint monthly meetings, and during individual Board meetings.

A county-wide district would correspond to most of the districts in Michigan, and would have one board of five directors. At present, there are four boards of five men each.

Joint meetings are usually held each month, followed by a meeting of each individual

board for each of four small districts.

Each district is four townships in area except the Fenton District, which has six townships, two of them being in Genesee County.

Robert Ruttman, Andrew Henry, Jim Diefenthaler and Arthur Meschke will continue to serve the Southwest as directors during 1963.

There was a fine attendance of 86 people at this meeting,

who enjoyed a dinner served by the WSCS. The new church was found to be excellent for the gathering.

Dr. Ray Cook, head of the Soil Science Department at MSU, was the speaker and showed colored slides taken on a trip to Taiwan (Nationalist China) and other countries.

The Southeast Livingston District annual meeting was held Tuesday evening last week.

NEW EXECUTIVE — Carl C. Albrecht of Greenville, Michigan, has assumed his new job as director of the Brighton Area Chamber of Commerce.

Dance at Armory Will Benefit March of Dimes

HOWELL — The annual March of Dimes County Dance will be held on Saturday, January 26, at Howell's new Armory.

Dancing will be from 10:00 to 2:00.

The dance is being sponsored by the Howell Jaycees as a community service project.

Tickets are available from Paul Hougaboom's State Farm Insurance Agency, or through any Jaycee or March of Dimes worker.

Mrs. Zimmerman Will Address Center Auxillary

HOWELL — The Women's Auxillary of the McPherson Community Health Center will meet tonight (Wednesday) at 7:30 p.m. in the hospital auditorium.

An election of officers will be held. Mrs. Lynn Zimmerman, Chairman of the Health Center Board of Trustees, will be the speaker for the evening.

More farm owner-operators are increasing the size of their farms by renting, according to Michigan State University agricultural economists. Narrowing profit margins in recent years have exerted pressure on the larger farms. And, at the same time, high land prices and increasing needs for operating capital have made it difficult to buy rented land.

Husks, Hulls and Chaff

Outlook information is always interesting. One service American agriculture enjoys is that of the information gathered together by the various agencies of the U. S. D. A. These are the Economic Research Service, Foreign Agricultural Service, Agricultural Research Service and the Statistical Reporting Service.

Trends that develop are of value in planning any business. With the business of farming this is especially true.

Farms are getting fewer and larger. Using the 1959 census definition of a farm, the total number of farms decreased by more than one-fourth between 1954 and 1959. The sharpest decline was in the number of small farms with less than \$2500.00 of marketings. Farms with sales of \$10,000.00 and over increased by more than a third.

Michigan State University soil scientists may be able to predict the reactions of fertilizers on different soils and whether or not these soils are producing at full capacity.

But first they have to identify one of the chief reservoirs of plant nutrients in the soil — the clay particles. These are the active mineral fractions in the soil, absorbing nutrients for later use by the plant.

M. M. Mortland, MSU soil scientist, is using a process called X-ray diffraction to identify different clay particles in Michigan soils. The gadget used in this process enables researchers to see the different structures of the clay particles, making it possible to identify them.

Clay particles differ in surface area and in chemical properties. Those which have the largest surface area can store more nutrients, thus boosting the yield potential of the soil. But scientist's haven't found all the answers yet; more work needs to be done before farmers can predict yields and correctly estimate the full capacity of a field.

At a recent series of agronomy meetings held in the Extension Office, Lou Perry of Howell and Waldo Kidder, his boss, both of American Agricultural Chemical Co., expressed their interest in this sort of needed information.

Clay particles directly influence the exchange capacity of a soil. This is higher in soils of greater percent clay and less in soils of greater percent sand.

New TV Show Will Explain Electricity

By DUANE GIRBACH
County Extension Agent
4-H Club Work

Livingston County boys and girls will soon become 4-H members via TV.

They'll be invited to learn about electricity through a series of 4-H TV Electrical Club programs scheduled for 9:00 a.m. each Saturday morning starting January 19 on Channel 12, the Flint station.

Jim Culver, 4-H TV Electrical Leader, will lead area boys and girls between 10 and 12 through a new adventure in learning about electricity. A special feature of each program is "4-H Electrical Theater" designed to help the 4-H'ers learn how electricity is used for transportation, heat, light, and many other ways electricity serves man.

Those who want to join the 4-H TV Electrical Club can do so. Just send a card addressed to: 4-H TV Club, State 4-H Office, Michigan State University, East Lansing, Michigan.

Give your name, address, county, and age. You will soon receive your membership card, badge and 4-H Electrical Club manual that will lead you through your electrical club project.

Think naught a trifle, though it small appear; Small sands the mountain, moments make the year.

Senior Profiles

By Steve Chamberlain

The subjects I am now taking in my senior year include trigonometry, College English, government, and civics. I am a member of the Yearbook staff.

My extracurricular activities include traveling, hunting, fishing, and working on cars.

At present I am in the Naval Reserve and after graduation I will go on active duty.

SHIRLEY CZERWINSKI

By SHIRLEY CZERWINSKI

I came to Pinckney High School from St. Thomas High School, in Ann Arbor, in my junior year. So I have been at Pinckney for only two years.

During my first year at Pinckney, I was a member of the Future Teacher's Club. This year I am again with Future Teachers and a member of the yearbook staff.

I am taking four courses this year: Typing I, College Preparatory English, World History, and Government.

My future plans are to attend Eastern Michigan University, where my application for admission has been approved, and prepare myself to become a teacher on the Later Elementary level.

Steve Chamberlain

TEACHER of the week

RICHARD McCLOSKEY

Our teacher of the week is Richard McCloskey. Mr. McCloskey is in his fourth year at P.H.S. teaching mathematics in grades 9-12.

Besides his teaching duties, he is Student Council Advisor, Junior Varsity football coach and driver education instructor in the summer.

Mr. "Mac", as he is called by the students graduated from Ferris Institute.

He has also attended the University of Notre Dame, Michigan State University, and University of Wyoming.

Mr. "Mac", his wife Joan, and his two sons David and Steven are looking forward to another summer at the University of Wyoming.

Mr. McCloskey thinks the students at P.H.S. are the best. He wishes, however, that more students would take an active interest in school affairs.

KINDERGARTEN NEWS MRS. PARKS

Everyone had a wonderful Christmas. Some of us didn't want to come back to school, because we had so many nice things at home to play with.

We made a new calendar for January 1963.

We learned to form number 7 in the air this week, and also, learned a new song called, "Mr. Snow Man."

We started a rhythm band. We are all good players.

Bobby Puckett celebrated his 6th birthday on Dec. 23.

Our class pictures are hanging on our wall.

A new boy Rollie Singer, III, has joined our morning class.

SEVENTH AND EIGHTH GRADE MRS. CARR

The new officers elected in our room for this semester are Loy Russom, president; Dennis Verten, vice-president; Ronnie Schlickemayer, secretary.

Our room's next publication of "News of All Ages" will be on sale about Feb. 1.

Everyone has to have a book report handed in before our next report card markings.

The 7th graders are making a unit on Africa, and the 8th graders are making a unit on transportation.

The 8th graders each had to draw a picture of the human heart and name the parts.

The 7th graders are studying on "Fire Prevention".

IN THE PLAY A BOY IS ON TRIAL FOR MISSING WORDS. WE PLAN TO DO THE PLAY FOR THE SIXTH, SEVENTH, AND EIGHTH GRADE CLASSES.

We are writing tests now. It will soon be time for reports cards again.

Every student gave an oral book reports last week.

We are grateful to Brian Sapsford for bringing the electric plate for our science experiment.

SIXTH GRADE MR. TASCH

We are studying Penmanship and Geography.

We are doing a unit on Russia. We have not taken down our Christmas decorations yet, or put up any Valentine decorations.

EIGHTH GRADE MR. MEYER

The class officers, recently elected to office for the second semester term are, Linda Clough, president; Shirley Hollister, vice-president.

Pirate Log Edition VII

By EDITOR GERALD PIKE

We are very proud to announce that our yearbook is coming along with a great amount of success.

The first third will be completed and in the hands of our publishers (Lyndon Studios of Dexter) by our deadline of Jan. 10.

The help we have received on it has shown a true interest in the affairs of our school.

The seniors, as well as two juniors, who will be on the staff next year, have given a great deal of time to the creation of this book.

We feel that our book is going to be the best Pirate Log to come off the presses, and by far the largest.

I wish to pass on my deepest thanks to H. A. Powell studios, for their fine photography, and to all the firms which have donated advertisement to our book.

Without their help our book would virtually be impossible.

Future Teachers Hear Director

Robert Richards, state director of F.T.A. from the Michigan Education Association was guest speaker for the local chapter of Future Teachers of America.

Mr. Richards discussed characteristics of good teaching and requirements for the profession. He told the members of available scholarships for prospective teachers and advised them to work hard in high school and to take strong academic courses to assure themselves of admittance to teachers colleges.

Student Council News

By NANCY BOND PRESIDENT

We are most grateful to the Village Square Dancers for the \$25.00 given us, in their behalf, by Mrs. Clifford Miller.

Mr. Mel Reinhard has won the "Leadership" contest we had for the most active adult.

He received a key chain, which read, "Leadership, 62-63, P.E.S.C. (Pinckney elementary Student Council).

We are planning a school Valentine party in February.

When Mrs. Farmer Wants In . . . She Wants In!

BRIGHTON — Getting groceries the hard way was what Gertrude Farmer, 32, tried to do last week.

As she drove up to the Busy Bee Market, she didn't stop where most customers do but continued right on through two plate glass doors with a resounding smash and damage amounting to over \$400.

Mrs. Farmer, wife of Leonard Farmer who is president of the Brighton Area Chamber of Commerce, told state police that her brakes failed to work.

Her car, with damaged front fenders, was insured.

Pinckney People You Know

BY DOLLY BAUGHN

Mr. and Mrs. Ed Wakefield and two daughters spent New Year's Day at the Ted Stockton home.

Rosetta Wakefield left Saturday night, via airplane for Greenville, South Carolina, to continue her studies at Jones University there, after being home over the holidays.

Lt. Richard Wylie, after being home for the holiday season, left last Tuesday for Ft. Benning, Georgia, where he will spend more time in Ranger Training.

Mrs. Irene Jack should be far in the "deep south" by now.

She left last Wednesday driving through to Gulf Port, Mississippi, and plans to spend the bigger share of these winter months there. Her friends may write her, if they so wish, at 1617 Jones Ave., Gulf Port, Mississippi.

Mr. and Mrs. Floyd Campbell, Jr. are "Mommie" and "Daddie" now!

Floyd James, III, made his debut at St. Joseph Hospital, Tuesday, January 8, weighing in at 6 lb. 5 oz. Mother (Sharon Griffiths) and son are doing fine.

Grandma and grandpa Griffiths are rather well pleased with everything concerned too! Congratulations to them all!

To the many readers wonder-

ing "what has become of the 25 and 48 year olds news".

I shall enlighten you to the extent that — until some good Samaritan climbs to the rafters of the garage where the old papers are stored — these just won't be any such column in the Pinckney Dispatch. (Any volunteers?)

Miss Amanda DeBarr was in St. Joseph Hospital on Monday

to have her broken ankle "re-packaged" with a different type cast. She now has a walking cast, which should prove more comfortable and convenient, with being able to bend her knee now.

Friends of the Horace Hansens will be interested to know they have moved to California.

Mr. and Mrs. Hensen lived on Unadilla prior to this change of address, and their son, Jim was a seventh grade student at St. Mary's School.

Mr. Hanson had the chance for a new job, that came about rather suddenly, and required him to be in California by January 15. They didn't have too much time to pack up, say "good-byes," and get out there.

Mr. and Mrs. Jack Doyle, were blessed with a tiny, tiny bundle from heaven. A little 4 lb. 12 oz. daughter, Julie Ann, arrived at McPherson Com-

Board of Education Minutes

EXCERPTS FROM MINUTES BOARD OF EDUCATION

The following highlights of the Regular Meeting of the Board of Education, Pinckney Community Schools are taken from the Official Minutes of the meeting held January 3, 1963.

The Official Minutes are read aloud at every meeting and all minutes of previous meetings, dating back to 1949, are available for examination by anyone upon reasonable request to the Secretary. Regular Meetings are held at the High School the first Thursday of every month at 8:00 P.M. Official matters are voted upon only at Regular or Special meetings and the public is urged to attend. Persons desiring to bring matters before the Board are requested to contact any Board member as far in advance of meetings as possible in order that the item can be properly placed upon the agenda.

Regular Meeting, January 3, 1963. Meeting called to order by President John Walton at 8:00 P.M. Roll call Present: President Walton, Secretary Lee Goucher, Treasurer Jack Swanson, Trustees Lyle Kinsey, George Roth, Hugh Radloff. Absent: Trustee Thomas Line.

Minutes of previous meetings read and approved.

Mrs. Jennie Kellenberger, Pinckney Elementary Principal reported on program for mentally and physically retarded children. Pinckney Schools will participate in the recently voted County program when funds are made available.

Superintendent of Schools, Wesley Dunn reported on progress being made by the University of Michigan Bureau of Schools Services in their study of the Pinckney System. The Board entered into an agreement with Dr. Raymond Kehoe of the University at the November, 1962 meeting for a complete survey of their curriculum and building needs of the Pinckney Community Schools.

Acting upon a request from the parents of twenty three children, the Board directed the Superintendent to have bus service extended on Patterson Lake Drive with the bus supervisor to make final decision as to weather and road conditions which could limit this route at certain times.

Building and Grounds Supervisor George Black reported on failure of the old well at the High School. Motion by Swanson, second by Goucher to have Superintendent take whatever action necessary to install new State approved 6" well and submersible pump and 500 gallon storage tank.

Gilbert Dunn, Hamburg Elementary Principal gave a detailed report on the experimental television being used at the Hamburg School. Considerable discussion followed concerning the various programs available to the schools. Motion by Kinsey, second by Radloff to have the Superintendent negotiate for use of programs and classroom teaching aids supplied by Airborne Television Service. These programs are broadcast continuously from planes circling the widest and have been proved successful in more than a years actual use by many schools. Motion by Roth second by Radloff to pay bills as read in the amount of \$16,777.06 including the semi monthly payroll.

Motion by Swanson, second by Kinsey to adjourn. Time 9:30 P.M. Submitted by Edwin L. Goucher, Secretary, Board of Education, Pinckney Community Schools.

Funeral services were held at Swarthout's Funeral Home, for Mr. Camil Brackque, age 83, on Monday, January 14. Mr. Brackque was a patient at McPherson at the time of his death. Mr. Brackque lived at the M. L. Hinchey home about two years back. He was from Belgium and has no living relatives here.

Mrs. Leona-Marie Bonner and her sister-in-law, Mrs. Helen Bonner of Ferndale, attended the Friday Matinee performance of "Camelot" at the Fisher Theatre in Detroit.

Lit Class Studies Shakespeare

The Pinckney High School honor students in the American and English literature classes met Wednesday evening in the home of Mr. and Mrs. Welton Chamberlain. Shakespeare's tragedy, Romeo and Juliet, was the subject for study and discussion.

The officers were elected for the coming semester. They are: president, Anita Clark; vice-president, Viola Treaster; secretary, Brenda McKnight, and treasurer, Carolyn Nichols.

A spring motor trip to Stratford, Ontario is being planned. It is there where Shakespeare's plays are presented. Refreshments were served and the evening recreation consisted of playing "Authors" and "Go to the Head of the Class." The next meeting will be Feb. 6.

A material sense of existence is not the scientific fact of being.

Rebekahs and IOOF Install Officers

A joint Installation of the Hamburg Rebekah 489 and IOOF 438 Lodges was held in the Odd Fellows Hall in Hamburg on Saturday night.

The following officers were installed:

For the Rebekahs: Mrs. Ruby Vasher, Noble Grand; Lucile Bennett, Vice Grand; Clarice Waterbury, RSNQ; Lorraine Litke, LSNQ; Jean Densmore, RSVG; Mae Koeppen, LSVG; Eleanor White, Recording Secretary; Dorothy Smith, Financial Secretary; and Jean Fisher, Treasurer, also Alice Lindsey, Degree Captain, Lois Borton, Musician; Glayds Kirk, Chaplain; Eva Halverson, Warden; Marie Brown, Conductor; Genevieve Katz, Inside Guardian; and Edna Peach, Outside Guardian. Margaret Smith is the Junior Past Noble Grand.

The IOOF installed: James Vasher, Noble Grand; Stanley Koski, Vice Grand; William

Whitmore Lake School Board Faces Dilemma

WHITMORE LAKE — A serious problem confronting the Whitmore Lake School District could have an effect on the four surrounding districts of Brighton, Lyon Township, Dexter, and Ann Arbor.

A recent study by the University Bureau of School Services advises the district to either expand or dissolve. If the latter, the district could be divided up into the four districts named.

Dr. Ray Kehoe of the U of M Bureau prepared a 34-page report which analyzes the sewer and water problem besetting the community and their relationship to the school problem.

He said the high school's limited size (600 students) prevents it from operating as an efficient level.

A Citizens' Committee expects to have a meeting Jan. 30 to prepare a course of action to present to the Board of Education.

PINCKNEY

By RUSS ENGELHARDT, Manager

IF YOUR CLUB, SCHOOL, church or civic group is planning a program, the new Bell System film, "TELSTAR," could be just what your Program Chairman is looking for. This 27-minute film, in color, is a dramatic on-the-scene story of the development, launching, and history-making performance of the world's first active communications satellite. Narrated by Alexander Scourby, the film is available on loan, without charge, from our business office.

WE "THINK SMALL." The Telstar satellite, only 34 1/2 inches in diameter, contains 15,000 components. Size was certainly important in designing it. When it comes to our regular telephone equipment, we look for ways to make parts and components smaller, too. It takes a lot of equipment to make your telephone work... a single call can involve thousands of electrical switches. Since buildings are needed to house this equipment, savings in space mean savings in money. Making equipment smaller requires less material, and that saves money too. This "miniaturization" is just one of the many ways we strive to do things better and more efficiently, so you get more for your telephone dollar.

WHEN AN ILL WIND BLOWS the smart woman goes—shopping by phone! Sensible? Couldn't be more so! Shopping by phone is the cozy, quick way to run all over town—right from your easy chair. So don't let blustery winds blow away your shopping plans. Settle back and shop by phone. Just check your newspaper or the Yellow Pages for what you want or where to buy it. Give the dial a few flicks... and it's yours! Shopping by phone is fast... easy... fun. Why not try it soon?

Retailers Approve Passage of Proposed Constitution

EDITOR'S NOTE: This is No. 52 in a series about the proposed new Michigan constitution. Additional articles will appear in subsequent weeks.

The Michigan Retailers Association has added its voice to the growing number of non-partisan Michigan groups which endorse the passage of the proposed new state constitution at the April 1 election.

Richard O. Cook, executive vice president of the organization, reported that 94 per cent of the voting members had approved the document in a poll taken by mail.

"We have turned our organization efforts to carrying out the dictates of the membership," Cook said. "We are working with all other interested groups and individuals to assure knowledgeable voter participation in the spring election."

The retail association has 3,600 member stores spread a-

round the state. Its poll was taken after a special committee appointed by President Paul C. Wagner, of Ann Arbor, studied the new basic law formulated by the recent Constitutional Convention.

The MRA membership expressed itself on a proposed "policy declaration" which needed a two-thirds vote for approval.

The new is but the old come true. Each sunrise sees a new year born.
—Helen Hunt Jackson

Executive Vice President Cook said 74 per cent of the eligible voting membership — 20 per cent above normal — registered its opinion.

"We consider this an excellent return that clearly indicates the interest of Michigan retailers in this most vital subject," Cook said.

The policy declaration says that the proposed constitution is "structurally capable of providing the basic system of

government for the citizens of a growing Michigan."

"The new constitution, as supported by a majority of the delegates to the Michigan Constitutional Convention, is such a capable document and deserves the full support of all Michigan citizens."

"The Michigan Retailers Association therefore strongly urges the adoption of the new constitution in April, 1963, by the voters of this state."

"Further, the association urges all members to actively participate in programs designed to acquaint citizens with the provisions of the new constitution and to assure knowledgeable voter participation in the 1963 spring election without regard to political considera-

tions or personal prejudices involving limited sections of the proposed document."

Among other nonpartisan state groups which have previously endorsed the new constitution are the Michigan Farm Bureau, the Michigan League of Women Voters, the Michigan Education Association, the Michigan Council of Churches, the Michigan Junior Chamber of Commerce, the Michigan Congress of Parents and Teachers, the Michigan Chapter of the American As-

sociation of University Women, the Michigan State Chamber of Commerce and the Michigan Municipal League.

George Romney Will Address Mich. Editors

Gov. George Romney and White House press secretary Pierre Salinger will headline the 95th annual conference of the Michigan Press Association Jan. 25-26 at Michigan State University.

Editors of the state's 375 weekly newspapers and their wives will join with representatives of Michigan dailies to hear these and other top speakers at the meeting at MSU's Kellogg Center for Continuing Education.

Gov. Romney will discuss some of the challenges facing the state in these crucial times. Mr. Salinger will outline the problems community newspapers face in printing news of national significance.

Also featured are Al Capp, nationally syndicated cartoonist and creator of Li'l Abner who will talk on how newspapers can best use cartoons and pictures, and Kenneth McFarland, speaking on "Selling America to the Americans."

Typographic expert Edmund C. Arnold, Troy (Ohio) News publisher, R. George Kuser Jr. and Sen. Philip A. Hart round out the list of speakers.

Results of the annual MPA newspaper contest, meetings of Michigan Weekly Newspapers Inc. and Michigan League of Home Dailies, equipment displays and the All-Michigan dinner are other highlights.

Records Show Peak 1962 Job Placement

WASHINGTON, D. C.—Public employment offices in the Federal-State system made an estimated total of 6,800,000 nonagricultural placements in 1962, a record high for a peacetime year, the Labor Department's Bureau of Employment Security announced in a year-end statement. This number was 15 percent above that of last year's 5,902,100.

Placements were higher in all occupational groups with the largest increases shown in semiskilled (up 21.9 percent), professional and managerial (up 20.5 percent), and unskilled (18.2 percent).

The Bureau also reported that the Federal-State public employment offices made 8,510,000 agricultural placements during 1962. This is a 3.4 percent drop from the 8,806,100 figure in 1961. The decline in such placements was largely attributed to the increase in mechanization and intensive farming.

JUMBO

By FRANKLIN D. SWANSON

January 17th Is Detroit Edison's Sixtieth Birthday

Ever since 1903 . . . for all of the sixty years of our company's corporate life . . . people like those pictured here have enjoyed the responsibility of serving people like you.

You can find your Edison man (or, in one case, a woman) on this map near the place where you live. He is one of the managers of the 10 districts and 51 customer offices outside of Detroit. And, of course, he's only one of many Edison men—and women—who serve you. Also essential are the linemen, the power plant and substation operators, the meter men, the appliance servicemen, the engineers, the builders and planners and clerks and record-keepers—each and every one of the 9,500 men and women of Detroit Edison.

Like the neighborhood people shown here, all of Edison's people throughout the communities of Southeastern Michigan are doing their best to help you to live better and better . . . electrically.

John Williams Sails Aboard Navy Destroyer

HAMBURG — John F. Williams, machinist mate third class, USN, son of Mr. and Mrs. Joseph S. Williams of 7150 Stone St., Hamburg, was advanced to the present rate recently while serving aboard the radar picket destroyer USS Charles P. Cecil.

After serving with United States quarantine forces in the Caribbean, the Cecil returned to her homeport at Norfolk, Va. Earlier this year, the Cecil served six months with the Sixth Fleet in the Mediterranean.

Obituaries

JILL RAE RIFE HOWELL — Jill Rae Rife, 4-year-old daughter of Mr. and Mrs. Ronald Rife of Cohoctah, died Wednesday night, Jan. 9, at University Hospital in Ann Arbor after a brief illness.

Besides her parents, she is survived by a brother, a sister, and grandparents, Mr. and Mrs. Herman Rife of Fowlerville and Mr. and Mrs. Rex Peckens of Cohoctah.

Services were held Saturday at 11 a.m. at St. Joseph's Church and burial was Mt. Olivet Cemetery.

GEORGE SHANNON HOWELL — Services will be held today (Wednesday) at 2 p.m. for George Shannon, 67, of 2222 Chilton Road, who died Saturday at his home.

Survivors include his widow, Jessie, and one brother, John of Howell.

Burial will be in North Hamburg Cemetery following services at Schnackenberg Funeral Home.

MRS. PEARL SWICK HOWELL — Mrs. Pearl Swick, 77, of 209 Lincoln St., Howell, died Monday at a Howell convalescent home after a long illness.

She is survived by two sons, Arthur Swick, Lake Lansing, and John E. Swick, Howell; a daughter, Mrs. Harry Michaels; five grandchildren and four great-grandchildren.

Funeral services will be at 2 p.m. Thursday at the Schnackenberg Funeral Home, Howell.

Burial will be in the Lakeview Cemetery. She had been a Howell resident for about 32 years.

CLUB NOTES

DAUGHTER OF THE AMERICAN REVOLUTION

Philip Livingston Chapter Daughters of the American Revolution met with Mrs. August Schmidt for its Jan. meeting on the 8th.

Mrs. Fred Hubble was assistant hostess. Following a dessert luncheon the Regent, Mrs. John S. Page, called the meeting to order; the usual ritual was followed by Prayers of the Day, by the Chaplain, Mrs. E. A. Rosa.

Among the items of business was the announcement by the Regent of the members who will serve on committees at the State Conference to be held at the Jack-Tar Hotel in Lansing March 13-14 and 15.

Philip Livingston will be hostess with the Lansing, St. Johns and Sealt St. Marie Chapters.

It was voted to sponsor an item in the May 1963 issue of National D A R Magazine in regard to the choice of the name of the Chapter. Mrs. Don Van Winkle, a former Regent, was selected to prepare this material. Chapters are named in honor of an outstanding character of the Revolutionary period. Philip Livingston, patriot, was the third signer of the Declaration of Independence.

Mrs. Schmidt gave a brief resume of the months' notations on National Defense.

The subject of the program for the afternoon was "Thomas Jefferson, Architect" by Mrs. Don Van Winkle.

With a brief sketch of his life and political association with America, she devoted the talk to his outstanding accomplishments in the buildings he designed, which are the heritage of the United States among its cherished shrines.

The next meeting of the Chapter will be at 1:30 P.M., Feb. 3, at the home of Mrs. R. Sydney Clark, 616 E. Clinton Street, Howell, Michigan.

Larry Snowgold Serves Aboard Submarine

LAKELAND — Larry Snowgold, top deckman's mate, USN, son of Mr. and Mrs. Richard A. Snowgold of 4974 Girard Dr., Lakeland, was aboard the Polaris missile submarine USS Nathan Hale when she was launched, Saturday, Jan. 12, at Groton, Conn.

The Nathan Hale is the newest fleet ballistic missile submarine of the Lafayette class. She is nuclear-powered and can carry 16 medium range missiles with nuclear warheads.

When she joins the fleet on patrol, she will be manned alternately by two crews. Each receives intensive training in engineering, special weapons and computer operation, as well as general subjects by all submariners.

Cranbrook Offers Scholarships

March 1 is the deadline for scholarship applications at Cranbrook School, college preparatory school for boys, for the 1963-64 academic year. Up to \$1,500 in scholarships to deserving students are being offered.

Any boy may apply for a grant if he is eligible for entrance into grades 9, 10 or 11 next September. Inquiries should be addressed to Howard Wert, Director of Scholarships, Cranbrook School, Bloomfield Hills, Mich.

Candidates should have an above average academic record, good school citizenship, leadership qualities and a proven need for financial aid.

While there is no fixed number or size of grants to be made, at present more than 10 percent of Cranbrook School's students receive financial assistance.

A boarding and day school, Cranbrook enrolls 380 students from all over the United States and several foreign countries.

It is one of six non-profit Cranbrook institutions located in a cultural center on 300 landscaped acres northwest of Detroit.

Announce Engagment

JEAN JAHNKE

Donald Weed, Hamburg, To Marry Ann Arborite

Mr. and Mrs. Arthur Jahnke of Ann Arbor announce the engagement of their daughter, Jean Elizabeth, to Kenneth Donald Weed, son of Mr. and Mrs. Donald C. Weed of Hamburg.

Miss Jahnke, graduate from Ann Arbor High School, is a senior at Western Michigan University.

Her fiancé, who was graduated from Waterford High School, will be graduating from Western Michigan University this January.

A June wedding is planned.

CUB SCOUTS

At the last Pack meeting of Pinckney's Cub Scouts several awards were presented.

David Kimbler has earned a Wolf badge with a Gold and a Silver Arrow.

David Clark was given a Bear badge.

Terry Roskowski received a Wolf badge and Ric and Ron Schall each a one-year service Star.

New Bobcats are Craig Campbell, Mike Clark, Tom Grover, Marshall Miller, and Gregory Pena.

Mrs. Harold Halliburton arranged an enjoyable party for the Cubs and their families.

The next Pack meeting will be Monday, Jan. 28 at the Pinckney Elementary School at 7:30 P.M.

THE PINCKNEY WRITERS CLUB

The Pinckney Writers Club will meet Mon., Jan. 21, at 1:30 to 3:30 p.m. at Pinckney Community Library - anyone seriously interested in creative writing is cordially invited to attend.

MARRIAGE LICENSES

Roscoe Barbour, 26, Gregory, Mich., and Sandra Oates, 18, New Boston, Mich.
 Melvin Williams, Jr., 25, South Lyon, Mich., and Yvonne F. Grover, 26, Fowlerville, Mich.
 Don Edwin Mills, 22, Pinckney, and Joanne Katharine King, 18, Pinckney.
 Bert Holbrook, 25, Dansville, Mich., and Judy Diane Coggins, 20, Fowlerville, Mich.
 William H. Hammon, 22, South Lyon, Mich., and Margaret A. Hogan, 19, Brighton, Mich.

Village of Pinckney

Official Minutes

Official Minutes
 The regular meeting of the Village Council, Jan. 8, 1963 called to order by President Stanley Dinkel followed by roll call of officers. Present: Roy Clark, Don Swarthout, Lee Tiplady, Mrs. Marian Russell and C. M. Lavey. Absent: Jim Doyle.

It appearing to the Council that a petition was filed with Mildred Ackley, Village Clerk on the 7th of January, 1963 signed by over 20 (twenty) registered and qualified electors of the Village of Pinckney requesting the submission at the next regular Village election held in said village of the question of sale of spirits for consumption on the premises in addition to beer and wine within the Village limits.

And it satisfactorily appearing to the Council that said petition has been signed by registered and qualified electors of the Village in a number not less than 35% (thirty-five percent) of the total number of votes cast for all candidates for the Office of President of the said Village at the last election held for such a purpose; and it further satisfactorily appears to the Council that said petition was filed at least 60 days prior to the next regular Village election to be held in said Village on March 11, 1963.

The following resolution was introduced by Councilwoman Russell and its adoption moved:

Be it resolved that at the regular election to be held in the Village of Pinckney on March 11, 1963 that there be submitted to the electors of said Village the question of sale of spirits for consumption on the premises in addition to beer and wine within the Village limits, and that the form of ballots by which the same shall be submitted shall be in the following form: "Instructions: If you are in

favor of the following proposal, place and cross (x) in the square — after the word "Yes". If you are not in favor of the following proposal place a cross (x) in the square — after the word "No".

"Shall the sale of spirits in addition to beer and wine be permitted for consumption on the premises within the Village of Pinckney under the provisions of the law governing same?"

Yes —
 NO —

Resolution supported by Councilman Lavey.
 Resolution unanimously adopted.

Motion by Lavey supported by Tiplady to allow bills as read:

Howell Construction Co., Inc., Bal. on Acct. (May 1962), \$3,000.00; The Brighton Argus, Inc., Printing, \$5.31; Lavey Ins. Ag'y, Renewal policy and Add'l. Pre., \$138.90; Gentile Home Ctr., Misc., \$4.08; Van Winkle, Van Winkle and Heikkinen, Legal Services, \$15.00; Robert Egeler, Marshal's Salary, \$125.00; J. W. Featherly and Sons, Major St., Snow Removal, \$65.00; Robert Vedder, Major St., Snow Removal, \$20.00; Norm, Miller Major St., Snow Sidewalk, \$30.00; Ken Kellenberger, Labor on Drains, \$58.00; Heckey Swarthout, Use of Electricity for Decorations, \$8.50; Beck's Marathon, Use of Electricity for Decorations, \$8.50; Lee's Standard, Use of Electricity for Decorations, \$8.50; Vincent LaRosa, Use of Electricity for Decorations, \$8.50; Pinckney Bank, Use of Electricity for Decorations, \$4.25; Liv. Co. Road Com., Rock Salt, \$23.58; Bond's Electric Repair, Installing Box for Christmas lights, \$5.08; Jim's Gulf Ser., On Acct., \$12.00; Thomas Read Sons, Inc., On Acct., \$5.35.

Motion to adjourn.
 Mildred Ackley, Clerk

Howell's Woes
 HOWELL — Tom Hicks was high scorer for the Highlanders, Friday night at Okemos but his 12 points and other scores of his teammates were not sufficient to put the Howell team in the win bracket.
 Okemos took the game, 63 to 40, playing in the Capitol League Circuit.
 Their Junior Varsity trimmed Howell, 49-25.

Playland Cagers Takes Second Half Title

ST. MARY'S, Winning team of tournament Pee Wee league. Front row: Tom Grant, Doug Keiser, Bob Mollison, Bobby McMacken. Second row: Jim Weatherlee, Bill Batsford, Roger Hardin. Third row: Bryon Walton, Bob Kaiser, Mike Sepulvado, Jim Cloyton, Bill Mallison.

In a rough and tough battle right down to the wire, Playland cagers took the measure of the Pinckney Merchants in an overtime game by a score of 31 to 24 and top honors in the 2nd half schedule in the Junior High circuit.

Despite losing 3 men via the personal foul route, the Playboys after a 24 to 24 tie in regulation time, staggered to a 7 point victory in the overtime.

Bread and butter man Jim Douglas, was high man for the night, pumping in 14 points for the winners, followed by Loy Russom with 9 counters.

Big Jeff Davis carried the mail for the Merchants driving in for 13 points, to easily lead the team in the scoring.

In the other game the Hamburg C. of C. took a hard fought 21 to 19 men over the Congregational boys. This game too required overtime play after a 17 to 17 ending in regulation play.

JEFF DAVIS, awarded trophy donated Pinckney Dispatch for most valuable player to his team. Jeff is co-captain of the Pinckney Merchants.

Frank Zezulka was high for the Pilgrims with 7 scores and Don Hollister close in line with 6. For the Hamburg team Larry Nichols came up with 7 points to show the way for his club.

Bill Light and Garry Henry blew the whistles and were two tired boys when the final gun sounded.

Trojan Matmen Pin Country Day

WHITMORE LAKE — The Trojan Wrestling team defeated Detroit Country Day school, Friday afternoon by a lopsided score. The match went as follows:

- 85 — Walter Szegea was pinned by Randall
 - 103 — Mike Szegea was pinned by Sonda
 - 112 — David Green was pinned by Doner
 - 120 — Gary Nollar was pinned by Swain
 - 127 — Tom Hopkins defeated Smith 15 to 2
 - 133 — Jim Shehan was pinned by Sneed
 - 138 — Bruce Schwemmin defeated Loud 3 to 1
 - 145 — Dennis Schumann was pinned by Fogerty
 - 154 — Roman Kurylak was pinned by DeGalen
 - 165 — John Rorabacher was pinned by Saylor
 - 180 — Gary Romine was pinned by Blome
 - H. W. — Jim Bell was pinned by Addis
- The team is now looking forward to its match with Our Lady of Sorrows School, Thursday at home.

I feel within me a peace above all earthly dignities, a still and quiet conscience. — Shakespeare

When a man is wrapped up in himself, he makes a pretty small package. —John Ruskin

Michigan Ski Resorts Continue To Mushroom

The booming popularity of winter sports in Michigan and the growth of facilities both pleases and perplexes officials of the state tourist council.
 "Keeping track of the number of Michigan winter sports centers is like counting rabbits," says council director Robert J. Furlong, "it depends on when you last looked."
 When the council issued its winter sports guide in late October, there were 83 winter sports centers scheduled to operate. Since then, five more areas have opened for the first time or have been reactivated.
 Meanwhile, two centers that were included in the original listing, Houghton Lake Snow Bowl and Gay El Rancho Ski Resort, have suspended operations.

The net result is that Michigan now has 88 winter sports centers in operation, more than any other state. Free copies of the winter sports guide listing all but the five new additions are available by writing: Ski Map, Michigan Tourist Council, Lansing 26.

The added entries include two in the Upper Peninsula, one in western Michigan and one in the southeastern portion of the state.
 Marquette in the upper peninsula is the site of Mt. Mesnard, a municipally operated ski slope with warming shelter and tow. Another municipal ski area is the Al Quaal recreation area at Ishpeming which is served by three rope tows and has a skating rink on the site.

Lakers Win Number Four, Down Mason Erie, 45-40

Whitmore Lake Varsity made it three in a row, Friday night by defeating Mason Erie, 45 to 40 after a hard-fought game.

Whitmore Lake took the lead 11 to 3 during the 1st quarter and held it till the half when they lead 26 to 10.

Mason Erie came back fighting the 3rd quarter and the 4th quarter outscored the Trojans, 21 to 12 but the last quarter spurt wasn't enough and the Trojans brought home another victory making the season tally 4 wins; 2 losses.

High scorers for the Trojans were Jim Wint with 11 points followed by Al Ruthenberg with 9.

Don Gaultz was high scorer for Mason Erie with 12 points.

Pirates Bare Teeth But Bite is Missing

PINCKNEY — If you had walked into Pinckney High last Saturday morning you probably could have heard the exuberant cheers of an over-excited crowd still echoing about the gym from the night before.

The Dexter Dreadnoughts sailed down to Pinckney to try to sink their long time foe the Pirates, and succeeded: 49 to 38.

be much like the other first quarters Pinckney has played this season, (their record 0 and 6) with the other team well in the lead; in this case 12 to 2. This one and only basket for the Pirates came in the first few seconds of the game.

From this point on, though the encounter was much closer than ever predicted by either side. Both teams had their share

of troubles in the second period. Dexter was not hitting as well as was expected and lost the ball several times.

Pinckney was also in the basement as far as hitting average (neither team hit over 20 per cent of their shots the whole game) and only managed to take advantage of Dexter's ball-losing streak for one minute; but, in that one minute, to the delight of the Pinckney spectators, they made a six-point surge.

The crowd was left screaming at half time with the score resting at 20 to 14 in Dexter's favor.

Because of the surprising closeness of the first half, Pirate backers tried not to lose sight of that much-desired first victory of the season by cheering louder than ever before.

But in the remaining periods of the game the Dreadnoughts started to make those earlier missed shots and stretched their lead to 10 points and more.

The P. H. S. cheering didn't stop, though, until the last minute or so when it became evident that the Pinckney Pirates would once more go to their lockerooms in the shadow of defeat.

This gives Dexter a record of 3-3.

The Pinckney J.V.'s had a bad night all the way around. They were plagued with an acute case of fouls, steps, but-terfingers, and bad passes.

Their shooting was certainly not up to par, as they left in the wake of the Junior Dreadnoughts each of the four quarters. The final score 65 to 26.

SKATING PARTY
 The eagerly awaited Hi-Laker's Skating Party will be held Saturday, January 19, starting at 3:00 p.m. and continuing on into the evening until all are satisfied that enough is enough.
 Headquarters for the occasion will be at Sannes residence on West Shore Drive and all activities will be on the lake adjacent to headquarters.

There will be skating, music, singing and refreshments. Coffee and hot chocolate and cookies will be furnished but it is up to you to bring your own hot dogs and buns. Trimmings will be there.

There will be a roaring fire for the elders to gather round and relate how good they used to be.

WINTER SWIMMERS
 Anyone interested in winter diving through the ice? - No? I'm not cracking up for one can observe the Underwater Diving Club from the Dexter area performing out at Silver Lake on most Saturday afternoons. I understand that their maneuvers and demonstrations of skill are very interesting to watch.

Here's the news on the Fishing Contest. Beginning with the publishing of this edition our contest begins officially and prizes to be awarded are as follows:
 1. Largest game fish by weight taken on hook and line through the ice from Hi-Land Lake - \$10.00 cash.
 2. Largest Bluegill by weight taken on hook and line through the ice at Hi-Land Lake - \$5.00 gift certificate from Kiner's Bait & Tackle Shop.
 3. Largest Northern Pike by weight speared through the ice at Hi-Land Lake - New Fishing Spear from Kiner's Bait & Tackle.
 4. Special for fishermen under 12 years of age for largest, by weight, fish of any kind taken by hook and line through the ice at Hi-Land Lake - \$5.00 cash.

Bill Harvey's Grand Opening

On Thursday, Friday, and Saturday, Jan. 17, 18, 19th, Bill Harvey will have the pleasure of holding his Grand Opening of the new lounge and dining room on 10180 Grand River, Brighton.

Residents of Brighton no doubt recall the former Harvey's located in the same area.

The Highway Department purchased the building and part of the land to make way for the new U. S. - 23 expressway.

Mr. Harvey has been in business here since 1947 living in Brighton with his two daughters, Jean still residing at home and Judy now Mrs. Richard Chrysler living at Fonda Lake. The kitchen will be completed in two or three weeks at which time dinners will also be served.

300 ATTEND HOWELL ARMORY DEDICATION

BIG DAY — Everybody was happy at the opening of the Howell Armory last Saturday. Gathered at the banquet table around the symbol of the Company B 107th Signal Battalion are (from left to right) Capt. Howard W. Nichols of Howell, Commanding Of-

ficer; Mayor Heller, Howell; Major General Ronald D. McDonald, Adjutant General of Michigan; and Edward Fritch of Howell, Chairman of the Citizens Committee of Howell.

—Photographs by Floyd L. Gibbs

EARN HONOR — Master Sergeant Herman E. Kresse, 2564 Fisher Rd. Howell, holds his award for being the "Outstanding Soldier of the Year." He has been in the Guard for 15 years and is on fulltime duty with the Howell unit as the administrative sup-

ply technician. Capt. Howard W. Nichols shakes his hand. On the left is Major General Cecil L. Simmons, while Col. and Mrs. Leo C. Whitaker of Lansing are seen standing between the two handshakers.

HOWELL — Some 300 proud Livingston countians turned out Saturday afternoon to help dedicate the new \$430,000 Armory located on a six-acre plot in Howell at 725 Isabella st. Dedication ceremonies started with the posting of the colors. Joseph Brady, vice-president of Citizens Mutual, served as the master of ceremonies. Maj. General Ronald D. McDonald adjutant general of Michigan served as the principal speaker, pinch-hitting for W. R. Deininger, assistant secretary of defense, who was unable to fly from Washington because of foggy conditions existing there. General McDonald read a message from Gov. Romney who said: "As commander of the Michigan National Guard I will do everything I can to help maintain its proficiency and objectives." The speaker praised the local unit, saying, "Howell sends one of the finest delegations in

the state to Camp Grayling every summer." Following a social hour and dinner, a dance completed the day's festivities. Through the efforts of many local citizens and Veterans Organizations, the City of Howell and Livingston County were secured a National Guard Unit. The unit was activated in 1946 as Cannon Company 125th Infantry Regiment with a strength of three officers and twenty-one enlisted men. The Company Commander was Captain Glenn Bound. St. Joseph's Parish Hall at 311 East Grand River was secured for use as an Armory. Due to business reasons Captain Bound left Howell and command of the Company was assumed by Glenn Slueter 1947. A reorganization of the Active Army and Reserve components in 1948 resulted in the local unit converted to Heavy Mortar Company, 125th Infan-

try Regiment. On Dec. 2, 1950, Captain Howard W. Nichols took command of the company. Another reorganization of the Army resulted in the unit being redesignated as Company B, 107th Signal Battalion on March 15, 1959. Due to the inadequate facilities of the rented Armory, a drive was started to secure land for a new Armory. Through popular contributions, a six-acre tract was secured near the Chesapeake and Ohio Railroad tracks at a cost of \$3,000. The cost of National Guard Armories is shared by Federal, state and local governments, and the raising of this money for the Howell Armory took several years. Final contributions were \$245,000.00 from Federal sources, \$107,000.00 from state funds, \$68,000.00 from Livingston County, and \$10,000.00 from the City of Howell for a total cost of \$430,000.00 including furnishings.

—LETTERS to the EDITOR—

Green Oak Twp. Shows Life

Dear Sir: In addition to the incumbents running in the Republican Primary, February 18th, for offices in Green Oak Township, we are pleased to hear of four new candidates.

For the first time in 50 years the people of Green Oak Township will have a real choice of candidates to represent the Republican Party. In the past township officials were picked by a small group of people, ran without opposition in the primary and were duly elected. As a result it is doubtful that the interests of the majority of the people in the township have been truly represented on the board.

Our township like many others, is growing rapidly and our problems and needs are very different than they were ten or even five years ago. Our local government must recognize this and keep up with the changing times, or we are in real trouble.

We should not forget that in order to exercise our right of choice we must register and vote. All unregistered voters must register not later than Jan. 21, 1963, to be able to vote in the primary election. Voters may register at the home of the Township Clerk, Forrest King, 9124 Lee Rd., Brighton, Michigan.

B. A. Witting
Brighton

Why Attack Oscar Muller?

Dear Sir: After experiencing the most surprising attack over the phone and the bombardment (telephone calls) of the City Hall by some misinformed individuals (Brighton Merchants) who obviously do not like children, because according to them, they do not bring any business to town. Apparently all they like, is money in their cash register.

This writer had the permission and consent of the Mayor and all the City Councilmen of the City of Brighton, to rope off Main St. for the safety of all children young and old, upon the arrival of Santa Claus by helicopter.

Originally this writer had planned to land Santa and helicopter on Main St. in front of the City Hall and Fire Hall or on the Mill Pond.

I cannot understand the attitude of those individuals who so savagely attacked City Hall and this writer on the roping off of Main St. for just 3/4 of an hour.

As for slamming the receiver down on me and the denial of a couple of other merchants that they also were against my plan - well, let the Almighty and the public opinion take care of that.

Have you merchants forgotten that those very children made you rich? Paid for your homes, yachts, cars (some of you being in the so-called better class of Brighton)? How did you get there?

Have you forgotten that those same children have grown up and have children and have you forgotten all their relatives, etc. As for your argument that people simply wouldn't walk on a roped off Main St. (my idea of a Mall), People walk more in west Highland, Arborland, Eastland, etc.

With the help of my friend Mr. Chris Klages of the Weston Multicut, who let us land on his property to pick up Santa and Chris Carol and my

friend the good Dr. George Schaffer who gave me permission, to land the helicopter with its passenger, on his lawn, everything went well, and the warm smiling faces of all my beloved children of Brighton and surrounding areas, was plenty enough reward for me and the great response of the crowd, young and old - talking to Santa Claus in my store.

All this writer wanted was a real Christmas, a real personally arriving Santa by helicopter (and it cost plenty of hard earned money) so that all of the loved ones of ours, and even we old young kids, would have a warm feeling in our hearts towards everyone, regardless of creed or race.

Is this really so bad?

Have you merchants, in your mad desire for money, turned into such "Scrooges" that you can no longer understand the human warmth for your fellow human beings?

I also wish to say, that even if you have hurt me, I do not hold any bitterness towards you, on the contrary, I want to wish all of you a very happy and prosperous 1963.

Let's all of us work together on a future Greater Brighton Area. Let's all of us have the future security of all our children on our minds.

Yours always respectfully
Sincerely, Oscar Muller

P. S. — To all the residents of the Brighton - Howell - Pinckney - Gregory - Hartland - Whitmore Lake - South Lyon Area, Let's still believe in mankind; Yours truly is still a kid at heart.

Commendation for Muller

Dear Sir: May I add my commendation to the others in favor of the hopes and dreams of Oscar Muller.

In the years that I have lived in Brighton, I often heard of the temperate, terrible tempered Mr. Muller, but never having made his acquaintance, I wasn't interested. These past two years, I have come to know Oscar, his wife and their children, and I like them.

What has happened before in the life of this man is of no consequence to me. I like the way he thinks right now.

Education, grammar and composition may not be his forte, but I believe that there is a keen sense of altruism in his desire to be a part of and a friend to, Brighton and it's citizens.

I have heard the jibes and innuendoes spoken by the opposition to Mr. Muller's letters to the Argus and to his business methods, and I can only

answer to Brighton's problems, but he is, in his way, a crusader with a belief, so let's drop the brick bats and let the man speak his mind. He may or may not find the answer to his desires, but let us remember that he is entitled to his own opinions.

Sincerely Yours,
Patricia Colby

Applications for Farm-Stored loans

Jacob Bontekoe, Chairman of the Livingston County ASC Committee, wishes to remind farmers that Jan. 31, is the final date for completing applications for Loans and Purchase Agreements on the 1962 crop wheat, oats, barley, and rye.

Applications for farm-stored loans on the crops listed above must be made on or before Jan. 15, in order that samples can be drawn and tested in time to complete the Loans by Jan. 31.

Applications for Purchase Agreements and Warehouse Loans may be made on or before Jan. 31.

Social Security Administration Man Available

"W. Scott Hamlin, Manager of the Lansing office of the Social Security Administration, states that a representative from that office will be at the Post Office in Brighton on the Second Thursday of each month from 10:00 to 12:00 noon. The dates of his next several visits will be Feb. 14, and March 14, 1963.

Anyone desiring information regarding Old-Age and Survivors Insurance Benefits, Social Security Account Numbers, or other business concerning social security, may contact him at those times."

 - Friday, Jan. 25
Tuna fish and noodles, vegetable, sandwiches, fruit, milk.

+ 60th Birthday

(Continued from Page 1)
influential in the business Dow drew a most promising picture and followed through with bold proposals. "A new power plant for a new company," was his emphatic recommendation. President Wetmore, a native of Marquette, Michigan, a Harvard graduate and a financial expert, went along with his manager's bid for immediate expansion.

Plans were launched for the company's first large-scale generating plant, located on a riverside site in the village of Delray.

SPURT OF EXPANSION
This was the beginning of a growth that more than fulfilled

all of Alex Dow's great expectations. In those days Detroit Edison was employing 300 people to serve 22,000 customers in a 25-square-mile area which is now central Detroit. Four small power plants were able to meet a maximum demand of about 5,000 kilowatts. The company had 125 stockholders and total assets amounted to \$7,500,000.

Now, 60 years later, Edison people number 9,300 serving nearly 1,300,000 customers throughout a 7,800-square-mile Southeastern Michigan territory.

Six big power plants have an aggregate capability of 4,000,000 kilowatts. The company is

owned by 106,000 stockholders and total investment is close to 1.3 billions of dollars. Alex Dow succeeded Charles Wetmore as president of Detroit Edison in 1912. Meanwhile, the company had been moving steadily into a large metropolitan area, a circling ring of cities, villages and townships beyond Detroit limits.

In 1904, Edison had bought a privately owned electrical system called the Grosse Pointe Company, and extended central service in that area.

By 1905, the movement to the east included Hamtramck, Highland Park, and the towns of Fairview and Woodmere — now long gone from the map.

To the south, expansion was less rapid. Monroe became an interesting peninsu-

ity but it was not until 1917 that the local municipal plant was offered for sale. Then Detroit Edison bought it and integrated it with the central system.

Port Huron, too, was subject to early negotiations but the existing municipal utility plant, including a gas-works, did not come into the Edison system until 1919.

Westward expansion of the Edison Company began with negotiations for the purchase of the Washtenaw Light and Power Company, which served the small communities of Westland and Ann Arbor. Acquisition of this small system in 1905 was the beginning of a series of additions — all hydro-electric properties.

These extended from Barton Pond west of Ann Arbor along

the Huron River east and south to French Landing in the Romulus-Belleville neighborhood.

The development called for several hydro-electric plants, the last of which went into operation at French Landing in 1925.

Livingston Players
Try outs for parts in their next play, "Design For Murder," will be held on Jan. 24 and 25th at 7:30 p.m. in the home of Tim Hurst, 10201 E. Grand River.

You do not have to be a member of the players to try out for a part. Anyone interested should call Mrs. Wilson, AC 9-4121.

Gregory News

By MARGARET LIVERMORE GREGORY — Mr. and Mrs. Arthur Brooks of Unadilla announce the engagement of their daughter, Barbara to Arnold Otto son of Mr. and Mrs. Gardner Otto of Stockbridge. Summer rites are being planned by the couple.

A reception honoring Mr. and Mrs. William Donohue is being given on Sunday, Jan. 20 from two until five in the afternoon at the home of the bridegrooms parents Mr. and Mrs. J. D. Donohue, 15723 Speer Road, Gregory. All their friends are welcome to greet the newlyweds.

125th Anniv.

The Gregory Baptist Church cordially invites you to attend the celebration of their one hundred and twenty-fifth anniversary at 10:00 a.m., Sunday, Jan. 20. Dedication services of the newly remodeled church will be held with a special program at 3:00 the same day.

Professor Heim Guest Speaker

Over one hundred people interested in the restoration of the "Realy" home attended the First meeting of the Waterloo Historical Society last week

Thursday at the Stockbridge Town Hall.

Professor Heim guest speaker from the University of Michigan showed the guests present a rare edition of HOW TO DO book written by Asher Benjamin printed in 1830.

This book is among the collection of rare books from the U. of M. library. In this book was a picture of the present day Unadilla Hall (yester years Unadilla Church) with complete instruction for building and adapting this basic design for ones needs, be it a hall, church, or house.

Among the evening guests present were Mrs. Chamberlain, and the Rev. and Mrs. W. Chamberlain. The Chamberlain home in Pinckney, one of its landmarks, underwent discussion as a true structure of "Greek Revival" in building during the early pioneer-days.

Professor Heim explained how the original simple lines were brought from the East and adapted to the needs of the people in the Midwest.

The home of Mrs. Pearl Marshall of Gregory was discussed as original Victorian styled home of early years, with its "gingerbread" designs, somewhat more elaborate than the Colonial type such as the Chamberlain home. The Victorian period of

building came into style with the invention of the Jig Saw. Jan. 24 channel ten T. V. out of Jackson will host a program in which Mrs. S. A. Beckwith of Stockbridge will talk of the restoring of the "Realy" farm.

Professor Heim pointed out to those present, that in the true desire and searching for material in this project, everyone will gain.

The people who are digging, the people who are doing, in this restoration program are gaining something more on this journey, than just a farm home restored to its original style of living.

They will gain new knowledge to the hardships and the life in general of pioneer people in the Midwest and add to their knowledge that they are helping to preserve something special in America history.

At the close of the meeting Mrs. Erna Mollenkoph and Mrs. Florence Walz served refreshments.

Mrs. Bangs Richmond, Mrs. Nettie Caskey and Mrs. Ruth Barbour attended the funeral of Ralph Havens in Owosso, last week.

Mr. and Mrs. Herold Ludtke had dinner last Friday evening with Jack Caldwell of Okemos.

Mr. and Mrs. Pete Jasket and son of Chelsea were supper guests Sunday evening at the home of Mr. and Mrs. Clarence Embury.

Mrs. Mort Cole is a patient at the University Hospital.

Tim and Cindy Hodges underwent a tonsilectomy last week Friday at the W. A. Foote Hospital in Jackson.

Barney Ropecke is a patient at the Foote Hospital in Jackson.

Supper guests Saturday evening at the home of Mr. and Mrs. George Marshall were Mr. and Mrs. Harland Robeson and sons of Stockbridge.

Mrs. Pearl Marshall and Mrs. Maxine Sweet of Stockbridge were in Jackson, Saturday.

Mr. and Mrs. Herold Ludtke and son Gary were dinner guests of Dr. and Mrs. Clifford Crockett, Saturday evening in Lansing.

Clyde Robeson is a patient at the W. A. Foote Hospital in Jackson suffering hand injuries received from a recent auto accident.

Dinner guests Saturday of Mrs. Pearl Marshall were Mr. and Mrs. George Marshall, Robert Dale Marshall of Ann Arbor, and Mrs. Maxine Sweet and family of Stockbridge.

Corsetti and Donohue Wed

Attending the 10 o'clock wedding of Miss Marie Corsetti to Mr. William Donohue, Saturday, Jan. 12 at the St. Al-

bert Catholic Church in Dearborn were the bridegrooms parents Mr. and Mrs. J. L. Donohue, Mr. and Mrs. J. D. Donohue, Mr. and Mrs. James Donohue and Deborah Ann and son, Michael of Bunny Lake, and Miss Donohue of Ann Arbor. The bride is the daughter of Mr. and Mrs. Carl Corsetti of Dearborn.

Oates, Barbour Exchange Vows

Miss Sandra Oates, daughter of Mr. and Mrs. Wayne Bonnell of New Boston became the bride of Mr. Roscoe Barbour son of Mr. and Mrs. Clifton Barbour, Gregory, Saturday, Jan. 12.

The single ring wedding was performed at the Gregory Parsonage with Reverend Robert Ramsey officiating.

For her wedding the bride wore a dress of blue with white accessories, her flowers were a corsage of white carnation and red roses.

Attending the bride was Miss Kathy McDermitt also of New Boston and Mr. Jerry Barbour brother of the groom.

An evening reception was held for 90 guests at the Gregory town hall, where a buffet supper was served.

The bridal table was centered with a four tier wedding cake, white with touches of pink decorating it, bridegrooms cake, punch coffee and ice cream were also served.

After a trip through North-

ern Michigan the couple will reside in New Boston.

Mr. Barbour is a Stockbridge High School graduate and was recently discharged from active services with the U. S. Army overseas, after serving for two years.

For a Prettier Face

A PRETTY FACE deserves the best, in this case a powder puff that need never show a sign of soil because it can be washed quickly and dries in minutes. Fine-celled urethane foam called Scott Facial Foam is used for puffs with a soft, skin-like surface that picks up and spreads a generous quantity of powder smoothly and evenly. Resilient foam compresses flat in any compact, is used here with Angel Face Medicated Compact Make-Up because of its sanitary, non-allergenic qualities.

CDR Heath, USN Will Command Squadron 7

CDR LEROY A. HEATH

PINCKNEY — On Jan. 11, CDR Leroy A. Heath, USN will relieve CDR Louie "B" Hoop, Jr., USN as Commanding Officer of Heavy Attack Squadron seven at the Naval Air Station Sanford, Florida.

Hatron Seven is the first fleet squadron to fly the Navy's supersonic Vigilante attack aircraft.

This same model aircraft was flown by CDR Heath on Dec. 13, 1960 to 91450 ft, a new world altitude record for aircraft with a 1000 kilogram load.

CDR Heath was raised in Detroit where he joined the Navy in 1942 as an Aviation Cadet. Mrs. Leroy V. Heath, mother of the new commanding officer now resides in Pinckney, Michigan.

CDR Heath is married to the former Mary Helen Gardner of Detroit.

CDR and Mrs. Heath and their seven children presently have their home in Sanford, Florida.

Heavy Attack Squadron SEVEN is assigned to the Navy's nuclear powered carrier, USS Enterprise, the squadron recently completed a successful deployment to the Mediterranean area and is scheduled to return to the Sixth Fleet in the near future as part of Air Group Six aboard the Enterprise.
