SINGLE COPY 10c

BALLOT PROPOSAL ASKS OK FOR NEW TOWN HALL

- Town Hall - Questions, Answers

(Editor's note: Many questions have been asked about the proposed Putnam Townhall. Following are some of these questions together with answers supplied by members of the planning group representing the Township Board, the Fire Department, and the Library Board.)

QUESTION: Why was the Village Park chosen as the site of the proposed building?

ANSWER: The Park is Township property and belongs to all the citizens of Putnam Township. It is the site of the present Townhall and is thought of by many as the center of the community. Purchase of additional land for the new building, including fire department driveway, parking and landscaping would have added many thousands of dollars to the cost of the project. Adequate paved blacktop parking for the new building presently exists on all sides of the square.

QUESTION: What facilities are to be included in the proposed building?

ANSWER: (1) Fire Department space for three large fire engines and two smaller vehicles. Locker and shower room for firemen, space for servicing equipment and drying hose. Space will be available for future living quarters for three or four paid firemen when the population increases to the point where this will become necessary.

(2) Modern comfortable library to a low space for the present six thousand volume library to double in capacity. Separate adult and children's area are planned.

(3) Offices and record storage space for the Township and Village. At present all official business must be transacted from the homes of the elected officials and safe, fireproof record storage space is non-existent in the community.

(4) Public meeting rooms for the Township Board and Village Council.

(5) Large activity room for use of any recognized organization in the community, seating capacity, 180.

(6) Snack kitchen and toilet facilities, coat rooms, storage rooms, etc. have been provided for.

QUESTION: What is the total cost of the project and how is it to be financed?

ANSWER: The total building and site improvement cost is estimated to be \$106,000.00. Application has been made to the community facilities Administration of the U. S. Government for one half of the cost, \$53,000.00. The other half is to be provided by issue of general obligation bonds by Putnam Township.

QUESTION: How will the bonds be paid off?

ANSWER: Approval to issue the bonds and approval to levy debt millage upon all the taxable property in the Township must be granted by a majority of votes at the April 1, 1963, election.

QUESTION: How much will the tax levy amount to?

ANSWER: Taxes to be levied for the proposed building will not exceed one mill. This approximates \$3.00 per thousand on your assessed valuation.

QUESTION: What materials will be used in construction of the building?

ANSWER: The building will be built entirely with fire proof materials. Floors on grade will be poured concrete and the upper level floor and roof construction will be light-weight concrete block and the exterior will be face brick. Door and window frames will be aluminum. Finished floors will be resilient tile or colored concrete. Corridors and toilets will have a vitreous enamel finish. Heating will be oil fired hot water radiation. A new well and large volume pump will be provided for the fire department.

QUESTION: How much will it cost for annual maintenance?

ANSWER: Inasmuch as the building will be built from materials requiring little, if any maintenance, the amount presently expended for fuel and custodial services for the existing two buildings should be adequate for operational purposes.

QUESTION: What is the present Township indebtedness?

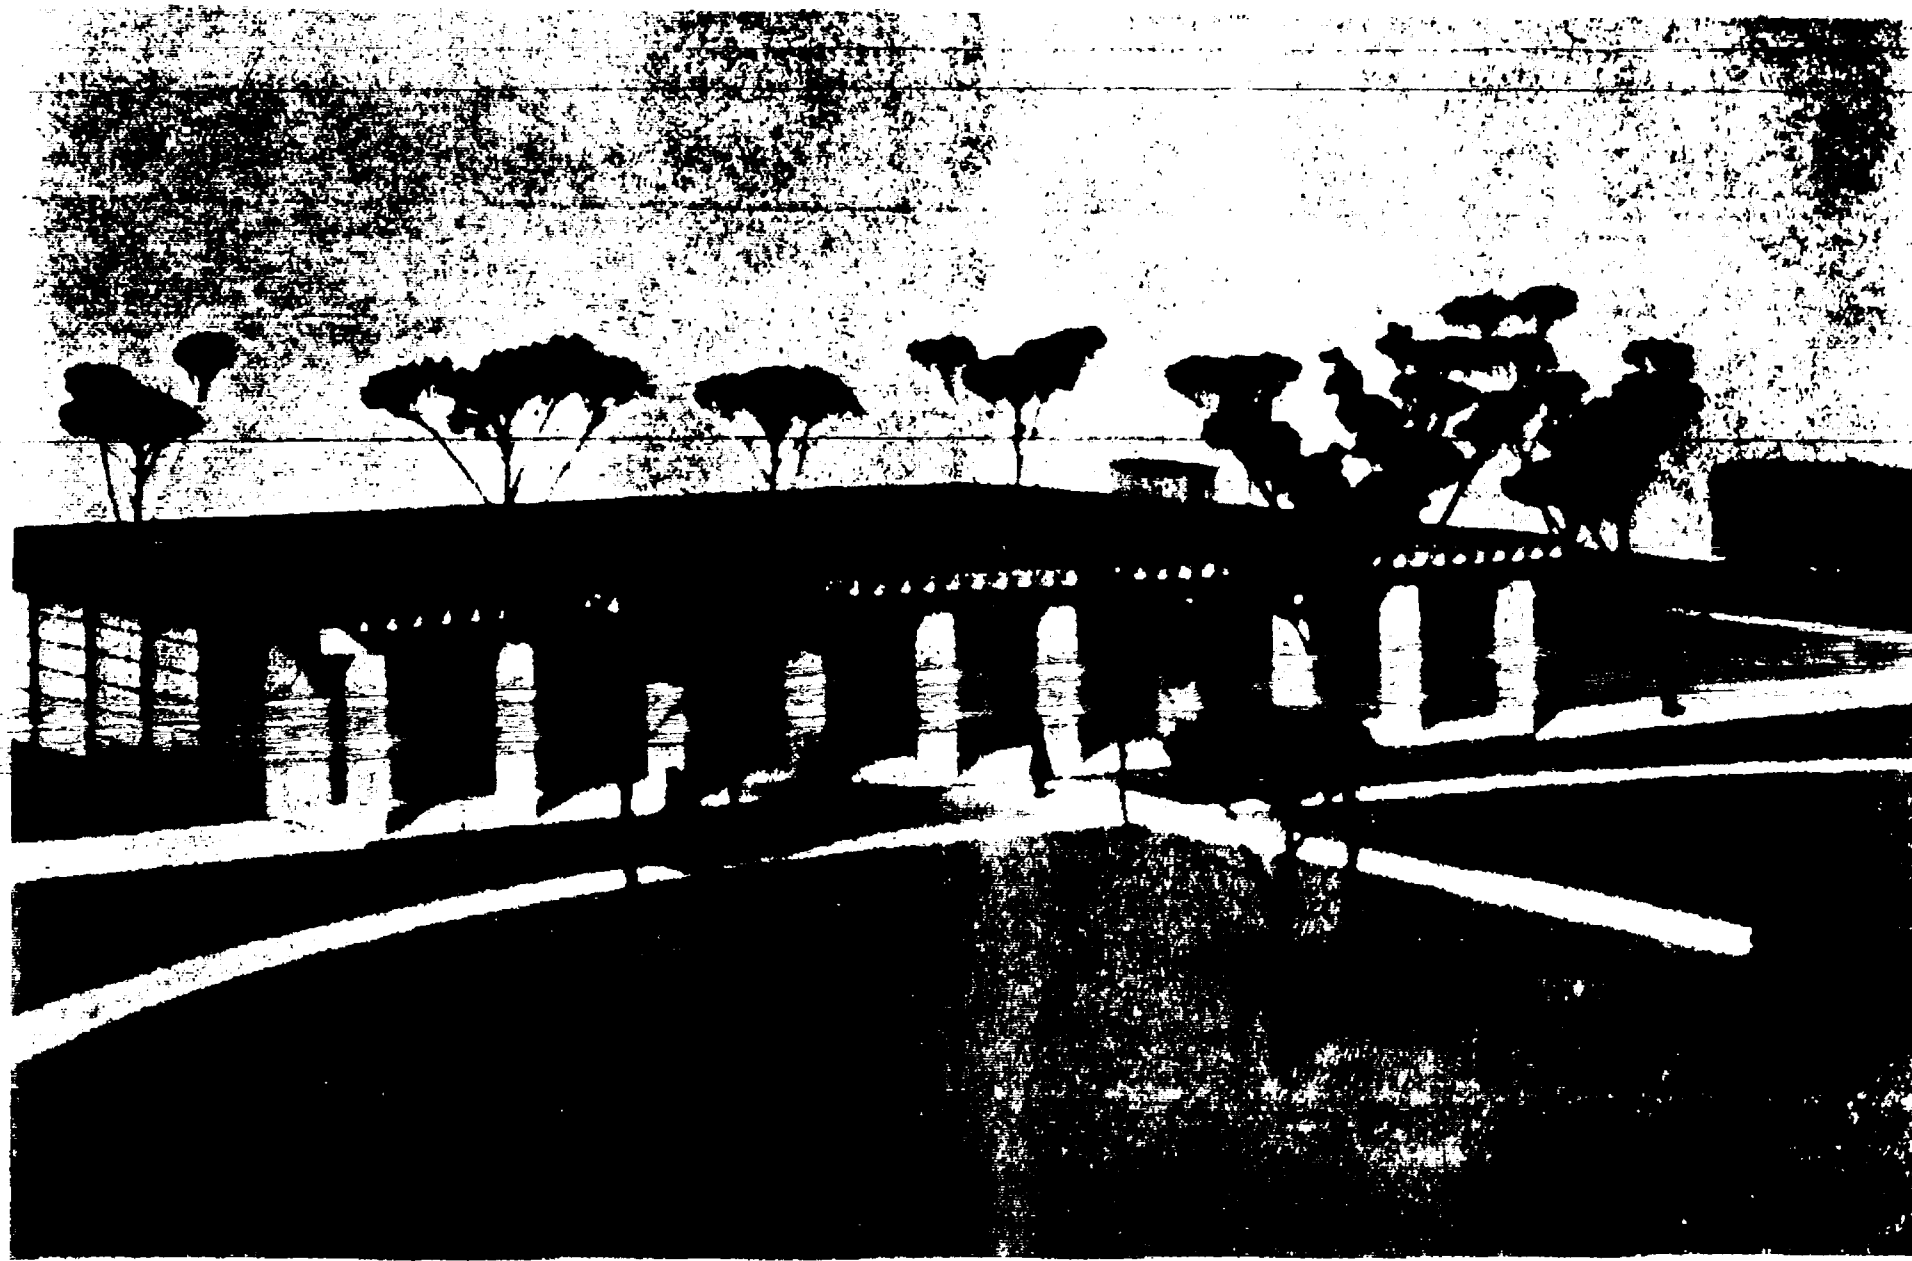

ANSWER: The Township has no bonded debt whatsoever and all current expenses are met by the annual budget.

QUESTION: Specifically—what government funds are available to assist local communities?

ANSWER: A recent Congressional Act provides funds to assist local communities to build many types of needed public improvements except schools. To qualify, it is necessary to establish a need for the proposed project and the county wherein the project will be located must have an unemployment factor of at least six percent of the workers.

Putnam Township meets all the requirements of the Act and the application is now being processed by the Community Facilities Administration. It should be noted that these funds are not available in unlimited amounts and as with all government grants the interest and need at the local level will be a deciding factor.

(Continued on Page 9)

Architect's drawing of proposed \$106,000 Putnam Township Hall

Vagabond Coach, Howell Melons Are Michigan Week Selections

HOWELL — Announcement of county choices for participation in preliminary Michigan Week contests was made this week by Douglas Parmenter, Livingston County Michigan Week Chairman.

Vagabond Coach Manufacturing of Brighton was selected for having the "Product of the Year."

Howell honey sweet melons will be submitted as the county's leading agricultural product.

Vern Fitch was chairman of the committee which selected Vagabond while Dan Howlett of Gregory was head of the agricultural product award.

COUNTY QUEEN
A search is now under way

to find "Miss Livingston County."

At a meeting of the Board of Directors of the Livingston County Hairdresser's Association the members of the board accepted the responsibility of conducting the Miss Livingston County Pageant for 1963.

Juanita Sonnenberg, of Howell, will be the general chairman for the event and will appoint various committees.

The pageant will be staged during Michigan Week, which is scheduled from May 19 through 25.

The program has been staged by the Junior Chamber of Commerce in previous years, according to Parmenter.

The local hairdresser's group is a comparatively new organization in the county, having been organized in 1959.

It is a branch of the National Hairdresser's and Cosmetologist Association. It is not a compulsory organization but is made up of the people in the profession who are interested in promoting their education and professional standing.

The local group carries on a year round charitable project at the Howell State Hospital and spends considerable time donating their services to the aged patients at the Bonnie View Convalescent Home in Howell.

AREA CHAIRMEN

Area chairmen, announced recently by Parmenter, are Ed Parrish, Brighton; Gus Rissman, Howell; Thomas Kane, Fowlerville; and George Roth, Pinckney.

Achievement Award chairman is Joseph Brady of Howell.

The county chairman urged all businessmen to attend a seminar on "How to Finance Business Expansion" which will be held on May 22 at the Rackham Building in Ann Arbor.

He said more information would be announced on this matter later.

Library News

BY FLORENCE PREUSS
New books this week include: Cochran's, "Concise Dictionary of American History," tells the "what," "why," and "how" of major events, and social forces in the history of the United States. For use in the library only.

DuMaurier's, "The Glass-Blowers," a historical novel about an old glass works.

Dower's, "Kites," how to make and fly them.

Also two excellent mysteries — Woods' "Bloody Instructions," and Shannon's "Death of a Busybody."

Dexter Library has presented us with a copy of "The Bark Covered House," by Nowlin (1876) and reprinted by the Dearborn Historical Society. It is a graphic and thrilling description of real pioneer life in the Wilderness of Michigan.

Miss Marion Gardner presented us with several good mystery novels.

The Way We Hear It

Mr. Park's reporting the first robin of Pinckney had arrived, began a long list of reports that good old warm weather creatures had arrived!

Pinocchio No. 2 Club report seeing an Oriole, Mrs. Marilyn Edgar saw a polly-wog, Mr. R. Allen reports a robin, then other reports of ants, worms, flies, hornets, and so many others too numerous to mention, and no one cared to relate their names to make it really tremendous news, but it is nice of them to report so we are sure warm weather is here.

George Roth is remodeling his building next to "Bev's Restaurant," but is not sure when, or if he is going to move in and have a barber shop there.

Bids can still be made on the 1934 Chevy truck chassis belonging to the Village. Send them to the Village Clerk, before April 9.

The Village Council has decided not to participate in Mayor's Exchange Day during Michigan Week.

Ray Williams was recommended and approved by the members of the Putnam Township Board as a new fireman for the Pinckney Fire Department.

Close to 900 people attended the St. Patrick Day dinner at St. Mary's School Hall Sunday, March 17.

Phil Gentile, owner of Gentle Home Center, and his two right-hand men, Joe and Ed, received shipment and have on display now, new electric lawn mowers.

Since these run so quietly, they highly recommend them to women who like to mow the lawn without disturbing their husband's sleep.

SCHOOL REPORT

Part of the study of the Pinckney Community Schools will be found on Page 14. The rest will be published in next week's Dispatch.

Citizens to Pick Township Heads

Voters will go to the polls Monday to decide if Michigan should have a new constitution, to select state officials, and in the townships — to elect local officers.

Putnam Township candidates are as follows:

SUPERVISOR: Lloyd Hendee (Democratic incumbent), and Stanley Dinkel (R).

CLERK: Murray Kennedy (Democratic incumbent), and Jerry

TREASURER: Helen Reynolds (Democratic incumbent), and Harriet Rahrig (R).

TRUSTEE (four year term): John Wylie (Democratic incumbent) and Harold Henry (R).

TRUSTEE (two year term): Louis Stackable (Democratic incumbent) and Herman Vedder (R).

BOARD OF REVIEW — Asher Wylie (Democratic incumbent) and Don Swarthout (R).

CONSTABLES — Herbert Schendon, Louis J. Doyle, Arthur Kentz, and Richard Darrow all Democrats; Edmund Haines (R).

JUSTICE OF THE PEACE (four year term) — Mel Reinhard (D); no Republican candidate.

JUSTICE OF THE PEACE (two year term) — Bertram Wylie (D); no Republican candidate.

Hamburg Twp.

DEMOCRATS

FRANCIS E. SHEHAN
Supervisor

Francis Shehan, 43, lives at 2200 E. M-36 with his wife Janet and their five children. Born in Hamburg Township, he attended Pinckney High School. He is a member of the Hamburg Citizens League, Holy Name Society, St. Mary's Church in Pinckney, Farm Bureau, Township Association of Supervisors, Michigan Tourists Association, and Huron-Clinton Metropolitan Authority. Prior to becoming supervisor four years ago he was in farming and the building trades.

ELLEN MCAFEE

Treasurer

Ellen McAfee, 49, a township resident for 21 years, lives at 4115 E. M-36. She has been treasurer for four years. She received her education in high school, junior college, and business. She is a member of St. Stephen's Episcopal Church in Hamburg. She and her husband, Lester, are parents of two grown daughters.

EDWARD A. RETTINGER

Clerk

Edward A. Rettinger, clerk for the past two years, is married and the father of three children. A man of 45 years of age, he has been active in government on township, county, and state levels. He is chairman of the Livingston County Democratic Committee.

MANLY BENNETT

Trustee

Manly Bennett, incumbent, was born and raised in Hamburg Township. He is chief of the volunteer fire department.

JOSEPH ROMINE, JR.

Justice of the Peace

Joseph Romine is a long-time resident of Hamburg township and a college graduate.

Ray Williams was recommended and approved by the members of the Putnam Township Board as a new fireman for the Pinckney Fire Department.

Close to 900 people attended the St. Patrick Day dinner at St. Mary's School Hall Sunday, March 17.

Phil Gentile, owner of Gentle Home Center, and his two right-hand men, Joe and Ed, received shipment and have on display now, new electric lawn mowers.

Since these run so quietly, they highly recommend them to women who like to mow the lawn without disturbing their husband's sleep.

The Village Council has decided not to participate in Mayor's Exchange Day during Michigan Week.

Ray Williams was recommended and approved by the members of the Putnam Township Board as a new fireman for the Pinckney Fire Department.

Close to 900 people attended the St. Patrick Day dinner at St. Mary's School Hall Sunday, March 17.

RAY BAUMGARTNER

Board of Review

Ray Baumgartner has done building and is a licensed realtor.

REPUBLICANS

DELBERT LEAPLEY
Supervisor

Delbert C. Leapley is seeking the top elective job as Supervisor of Hamburg Township. Leapley is 52 years of age, a Republican, and lives at 8887 Pleasant Lake Drive. He has been a resident of Livingston County for the past 17 years, and of Hamburg Township for 7 years. He has been in business in the area for 14 years, and is licensed in real estate sales and appraisal. The Leapleys have two children.

ELIZABETH BELCHER

Treasurer

Elizabeth Belcher, 47, was born in Canada. She lives at 10554 Hamburg Rd., and has a small gift shop in Hamburg. She received a high school education. She and her husband, Lester, are parents of six children, four of them married. She has lived here for 17 years and has been active in civic affairs.

LOIS BORTON

Clerk

Lois Borton, born in Ohio, a resident of the township for 25 years, lives at 7490 Norend Dr. She is a Presbyterian, mother of two married children, and has been a Girl Scout leader for 12 years.

RICHARD J. DUNNING

Trustee

Richard J. Dunning, 45, has been a life-long resident of Hamburg Township where he has farmed the homestead on Chilson Road. He is married and a Presbyterian.

JAMES H. MORAN

Justice of the Peace

James H. Moran, 63, has been a resident here for 12 years and lives at 10967 Pine Bluff, Hamburg. He was born in Alpena and received a ninth-grade education. He is a member of the Community Congregational Church in Pinckney, a Mason and member of the I.O.O.F.

L. B. KRABBE

Board of Review

L. B. Krabbe, born in Wisconsin, is a painting contractor with a two-year college education. His wife's name is Mary. He has been a resident here for 14 years and has been a prefabricated building dealer in the county for nine years. A veteran of World War II, he is also a Mason.

Elementary - - - School News

SIXTH GRADE NEWS

Mrs. Tasch
We have been learning how to multiply fractions. We have also been learning how to reduce numbers before multiplying.

This Friday, March 22, will be the starting of spring vacation. We are very anxious for this.

The 7th grade put on a debate in our room. The debate was about "Free TV or Pay TV?" We enjoyed it very much.

Gloria Sockow was voted the best reader Friday.

8th GRADE NEWS

Last Friday our room enjoyed the pictures Mrs. Meyer took while she was in Europe. She showed us scenes from the Passion Play at Oberammergau, trooping of the colors at Buckingham Palace, the ornate churches of Italy and their interiors, the home of Shakespeare and Anne Hathaway, and many scenes from Holland.

Our seed project is about finished. Danny Holcomb is the star salesman so far.

A letter-writing project, correlated with the study of Congress was terminated by writing letters to our representatives in the Legislature asking for a convenient date to visit there while in session. Jim Kourt, Frank Zezulka, Tanja Geib, and Cindy Hughes wrote perfect letters of which those of Frank and Jim's were selected to send to Mr. Sharpe and Mr. Younger.

The windows decorated by chairman Carolyn Sullivan, Judy Miller, Carol Gyde, and Cindy Barovsky, make the room more attractive.

Linda Clough Larry Kessler, Linda Wegener and John Tasch

have missed several days of school because of the "flu".

We also missed the pleasant face of our janitor, Mr. Smith, last week.

As extra curricular work we are reviewing the United States, as to the individual states, capitals, physical features, and natural resources. Bulletin boards will be so arranged as to feature the different divisions of study.

Keep on keeping on in the face of obstacles and you'll succeed.

The Future Teachers of America delegate, Pam Hoeft, and her publicity agent, Jo-

Pinckney People You Know

BY DOLLY BAUGHN

First, I would like to say a word to all the Mothers this week, a rather special word, like, "be patient, Mother, this vacation for the kiddies lasts only this week!" Next week the fighting, rock and roll lovin', what can I do? where can I go? who can come over? Little dolls will be back in school. Bless their hearts. (Those teachers are so lucky!)

The Future Teachers of America delegate, Pam Hoeft, and her publicity agent, Jo-

anne Eichman, and sponsor, Mrs. Irene Miller, report they had a "tremendous" time last weekend when they went to St. Mary Lake for the F.T.A. Delegate Assembly.

Pam ran for a state F.T.A. office, and while she and her "coach", and her "publicity agent" put up a good fight and good publicity material, Pam bowed out to Sharon Bullock of Warren, Michigan. However, the two young ladies say they can "mark it down as a wonderful experience."

Mr. and Mrs. Leo Roberts of Rochester, Michigan, were dinner guests of Mr. and Mrs. Otto Poulson Sunday. Mrs. Roberts is Mr. Poulson's sister.

Last Thursday night Mr. and Mrs. Poulson and Mr. and Mrs. Fred Ruston (of Howell) attended the Salvation Army Annual Meeting and banquet held at the Masonic Temple, in Detroit.

Art Kitchen called from Missouri to "chat" with Bob and Beverly Umstead. Art is a friend of theirs and other Pinckney students. He attended school here until last fall when he moved to Missouri.

Gerald Reason was guest speaker at the Rotary Club in Brighton at their regular meeting last Thursday.

Due to not making good connections between the Mother, the newspaper, deadline, and myself, there is a boy, and we don't get his birth announced soon, he is going to be starting school!

On March 12, Robert Donald was born to Mr. and Mrs. Donald Kaiser (Marilyn Atkins). He weighed 7 lbs. 13 1/2 oz. and arrived at McPherson Health Center.

Mrs. Eva Reindeau called the Dispatch and wished to make comment to all who call in your news. It seems this is about the only way "out-of-town" people have to keep track of all their friends in Pinckney, and wish that more of you would make contact through this source!

I think it a terrific idea too, and wish more of you would call me (878-3141). Mrs. Reindeau wanted also, to say "hello" to all her "At one time acquaintances."

CTSN Don Baughn is spending 20 day leave with his parents, Mr. and Mrs. Winston Baughn, and sister, Barbara. Don was granted this leave after graduating last week from Communication Technician School in Pensacola, Florida.

Upon return to this base he will receive further transfer to Port Lyautey, Morocco.

Mr. and Mrs. James DeWolf have a 7 lb. 8 oz. baby girl. She was born March 17, at St. Joseph Mercy Hospital.

Mr. and Mrs. Robert Downing of Strawberry Lake are the maternal grandparents, Mrs. DeWolf being their daughter, Karen.

Ronald Ordway would like very much to say "happy birthday" to his father, Mr. Robert Ordway March 28.

Ronald, a 5th grade student

at Pinckney Elementary, made a special trip to my office with this message, and I therefore, am very happy to oblige him.

Mrs. Glenda Hoyt spent last weekend at her Silver Lake home.

Her daughter, Brenda, a Jackson College coed, and her son, Gordie, from Michigan State were home with her. Mrs. Hoyt makes her home in Jackson the bigger share of the winter.

Mrs. Jay Shirley left Metropolitan airport Saturday evening for a short visit with an Aunt and Uncle in Chicago. She returned, via jet, on Tuesday.

C. W. Baughn, principal of Dexter Elementary schools, and Mr. David Aberdeen, principal of elementary schools in Ann Arbor, will attend the Convention of Elementary Principals being held in Oklahoma next week.

Mr. Baughn is the son of Mr. and Mrs. Earl Baughn, and Mr. Aberdeen is the son of Mrs. Winifred Aberdeen, residents of Portage Lake area.

Floyd Haines, a son of Mr. and Mrs. Abel Haines of Pinckney, was recently discharged from Sparrow Hospital.

He is home now under the loving care of his wife, two daughters, and one son (about 8 months old). His address is Lower Avenue, East Lansing, Michigan, for those wishing to send word to him.

Clare Bell, a ninth grader of Pinckney High, is spending this vacation week visiting relatives down near Chicago, Illinois. His family took him there on the week end and then returned, leaving Clare there.

Mr. and Mrs. Henry Gilbertson and family are visiting Mr. Gilbertson's mother in Green Bay, Wisconsin during spring vacation.

Happy Birthday to Danny Henry March 26, and also to Mrs. Helen Reynolds who has a birthday coming up!

Otis Matteson, Ted Gray, Win Baughn, Cliff Miller, and Dale Miller spent last week end at the "Windy-Cliff" cabin near Lovell.

They can't remember when they have been so rested, and when they have ever had better luck fishing. (You should hear some of the fish stories!)

Council Minutes

Special meeting of Village Council, March 18, 1963, called to order by President Stanley Dinkel, followed by roll-call.

Present: Roy Clark, Lee Tip-lady, Don Swarthout, Marion Russell, James Doyle, Merlyn Lavey.

Absent: None.

The matter of determining the result of the Election held in the Village on Monday, March 11, 1963, being under consideration, it was thereupon determined, voted upon and carried and declared that the following proposition was voted upon by the electors of the Village of Pinckney as prescribed by law, with results as indicated below, viz:

200 from County Hear Mrs. Romney Speak in Armory

Last Wednesday several hundred persons braved a spring snow-storm to hear the "First Lady of Michigan," speak on the proposed Constitution.

Mrs. George Romney gave a very precise-to-the-point speech concerning this document that is to be voted on April 1.

Introduced by the Rep. Women's Club President, Mrs. Janet Miesle, Mrs. Romney illustrated to the group some very convincing arguments for the new Constitution.

Perhaps the one most significant point made was: finally establishing a definite point of responsibility.

In the present maze of departments and committees no one really knows to whom his work is responsible. The new Constitution will correct this situation and many many others as well, she said.

Arthritis afflicts more than 520,000 persons in Michigan.

The basest of all things is to be afraid.
—William Faulkner

"Shall the sale of spirits in addition to beer and wine be permitted for consumption on the premises within the village of Pinckney, Livingston County, under the provisions of the law governing same?"

Marion Russell then introduced the following resolution and moved it be adopted. Such resolution was supported by Lee Tip-lady:

RESOLVED, it appearing from the report of the election inspectors and of the Village Council, after an inspection of the vote cast at the Village Election held in said Village on the 11th day of March, 1963, that the election was in every way regular and conducted in accordance with the election laws of the State of Michigan, and further it appearing that the proposition "Shall the sale of Spirits in addition to beer and wine be permitted for consumption on the premises within the Village of Pinckney, Livingston County, under the provisions of the law governing same?" was carried by the following votes:

185 YES
101 NO
4 NOT VALID
Therefore BE IT RESOLVED that said proposition is hereby declared carried.

6 YEAS

NO NAYS

IN WITNESS WHEREOF we have set our hands at the Village of Pinckney, County of Livingston, State of Michigan, this 18th day of March, 1963.

STANLEY DINKEL
Village President
ROBERT ACKLEY
Village Clerk

Hell Chamber Plans To Meet This Sunday

The spring meeting of the Hell Chamber of Commerce will be held at the Ranch House Grill at Hell, Michigan on Sunday.

An informal session will get under way at 2 p.m. followed by an executive session at 3 p.m.

Awards on several contracts for the Satans Holiday Celebration on June 29 and 30 will be passed on at this meeting.

Any person or group representative wishing to participate in the Holiday is welcome to present proposals at this time.

IN MICHIGAN

BEER IS A NATURAL

From nature's light grain comes sparkling, light beer... Michigan's traditional beverage of moderation—it's light, sparkling, delicious.

And naturally, the Brewing Industry in Michigan is proud of the more than 20 million tax dollars it contributes to the state of Michigan each year—money that helps support our schools, our hospitals and our parks. In Michigan, beer belongs—enjoy it.

Osteopathic Hospital Will Be Built in Farmington Township

A new \$3,800,000 hospital to serve the fast-growing north-west area, including the south-east section of Livingston County, will be constructed in the Grand River-Eight Mile section.

To be known as Botsford General Hospital (Osteopathic), it will provide 200 beds in a five-story tower.

Surgery and X-ray departments, delivery rooms, laboratory, lobby, kitchen and cafeteria will be housed in an adjoining single-level auxiliary services building. It will also house a ready-access emergency department.

Ground will be broken for the new hospital on June 15, according to Murray D. Van Wagoner, chairman of the Ziegler Osteopathic Hospital board of directors. Botsford General will be operated as a unit of Ziegler Osteopathic Hospital, which is located at 4244 Livernois, Detroit.

Future plans call for construction of a matching tower housing 250 beds.

The second tower, Van Wagoner said, will fulfill the long-range goal of providing a complete "progressive patient care" medical facility, enabling patients in all stages of need to be accommodated according to their varying requirements.

For example, he said, an ambulatory patient could be cared for in a lower-cost area since his need for nursing care would be less. Patients requiring more nursing care would be in areas of the hospital geared to their more demanding medical requirements.

In revealing plans for Botsford General, Mr. Van Wagoner said the decision to build on the 15-acre site bounded by Grand River, Oxford, Independence and Colwell in the south-eastern corner of Farmington Township, was brought about by two prime factors:

A 1960 survey by the Greater Detroit Area Hospital Council indicating a need for approximately 1,000 hospital beds in this burgeoning area;

The pressing need of Ziegler Hospital staff physicians, as well as other physicians who have established practices in the area, for hospital facilities in the vicinity of their offices.

Along with northwest Detroit, Botsford General will serve the communities of Farmington and Livonia, plus Novi, Walled Lake, Farmington Township, Wixom, Redford Township, Southfield, Brighton, Northville, South Lyon, Milford, New Hudson, Quaker Town, Franklin and Wood Creek Farms.

Van Wagoner said the cost of construction, including the property, architect's fee, landscaping and parking facilities, will be approximately \$3,419,130. Equipment will cost approximately \$400,000, for a total of \$3,819,130.

On March 13, Federal aid in the amount \$1,152,585 was granted to the new hospital through the Hill-Burton hospital construction program. The balance of the \$3.5 million construction cost will be provided through mortgage funds, hospital operating funds and loans from staff physicians.

The parent hospital, Ziegler Osteopathic, which will continue to serve Detroit's populous near-west side, was

founded in 1944 and has expanded five times, the most recent enlargement completed last November. Current bed total is 165, with 108 doctors on the staff.

Its operation is directed by

a seven-man board of directors headed by former-Gov. Van Wagoner.

Other board members are Robert G. Surridge, attorney; Joseph Schoenith, president of both W. D. Gale, Inc., electrical

contractors, and the Rooster-tail; Hobart Taylor, Jr., former assistant Wayne County prosecutor now serving as chief counsel for the President's Commission for Equal Employment Opportunities; Dr. Ellis

Siefer, chairman of Ziegler Hospital's department of surgery; Bert Livo, a retired National Bank of Detroit executive, and Dr. Allen Ziegler, the hospital's founder and medical director. Construction will require approximately 16 months.

Rev. Stauffer Will Speak At County Meeting

The April Meeting of The Livingston County Holiness Association will convene on Tuesday evening, April 2 at 7:45 in The Brighton Wesleyan Methodist Church.

The speaker for this service will be The Rev. Melvin Stauffer, pastor of the Pinehills Menomonee Church.

There will be special music and the public is cordially invited to attend this inspirational, inter-denominational meeting.

Researchers at The University of Michigan developed a bite-size gadget to get samples of stomach tissue without expensive exploratory surgery.

EXPERT DRAFTSMAN — Terry Andren is busy at work at Lee Engineering in Brighton. Owner Robert Ibaugh says he does a "beautiful job." Andren is deaf, but can read lips and communicate by voice.

FISH FILLETS MAKE A DILLY OF A DINNER

Besides their growth-promoting, health-protecting benefits, seafoods offer extra dividends of flavor, color and texture variety. The many varieties of fish lend themselves to a thousand methods of preparation and service — hot or cold, rich or low-fat, traditional or clam chowder, exotic as sole amandine.

Experimenting with spices and herbs is an easy way to give your favorite seafood a new aspect by transforming it into a gourmet dish. Dill, often overlooked in fish cookery, adds an appetizing fragrance to baked or broiled fish. In this recipe for dill-flavored fish fillets, fresh or frozen chopped dill is best. If available, if not, common substitutes are dill seed, dill weed, powdered dill, or caraway seeds.

To complete a well-balanced gourmet meal, you might add boiled new potatoes with onion rings, cucumber slices in tomato or pepper cups, cheese biscuits, and pineapple upside-down cake.

FISH FILLETS WITH DILL BUTTER

2 pounds fresh or frozen fish fillets (flounder, sole, cod, haddock, ocean perch or other white-meat fish)
Salt and pepper
1/4 cup butter or margarine
1 tablespoon chopped parsley
1/2 teaspoon dill salt (or 1 teaspoon chopped fresh or frozen dill or a sprinkling of dill seed)

If fish is frozen, let thaw on refrigerator shelf or at room temperature for 30 minutes. Cut into serving-size pieces. Sprinkle both sides with salt and pepper. Melt half the butter and let remaining butter soften at room temperature. Preheat broiler. Place fillets on preheated greased broiler pan or on aluminum foil about 2 inches from source of heat. Brush with melted butter once or twice during the cooking process, but do not turn. Broil 5 to 8 minutes, or until fish flakes easily when tested with a fork. Blend the parsley and dill salt or chopped dill into the softened butter and spread over the cooked fish. Serve immediately with lemon wedges. Makes 6 servings.

FASHION SHOW—No fashion show is complete with the bride. Here is a scene from the show last week, held at the Hawkins Elementary School in Brighton under the sponsorship of the Brighton Business and Professional Women's Club.

Around Bishop Lake

By E. C. SCHROEDER
AC 7-3420

Ah! Spring Beautiful Spring! For a few days anyway. The 87 degree sunshine on Sunday brought out a Scout troop to the Campground, picnickers to the beach area, and some sight-seers. (A few less adventurous drivers took one look at the mud puddles on Bishop Lake Road and beat a hasty, though dignified, retreat to the main highway.)

The geese are pairing off and looking for nesting places along our lake shores, the Killdeer is screaming it's call in the meadows, and the robins are shopping for housing facilities.

*Mr. and Mrs. Gus Ahland and Mr. and Mrs. George May of Lakeland were dinner guests of the John Schroeders Friday evening. It was the 33rd wedding anniversary of the Schroeders. Wednesday, the 21th is Mr. Schroeder's birthday.

*Misses Joyce and Charlotte Cocanower are spending part of their spring vacation in the Detroit area.

*Mr. and Mrs. Matteson and son, Dwight, attended the wedding of Mr. Matteson's nephew, David Jamison, and Miss Mary Susan Kreps in Lansing, Saturday.

*The Jack Henrys and Dennis Muellerleiles visited the Outdoor Center at the Waterloo Recreation Area Sunday.

*Miss Mary Schroeder spent

Friday night and Saturday with her friend, Vicky Widmayer, who lives on Mill Street in Pinckney. They attended the birthday party of their classmate, Joy Cullen. It was a roller skating party at the rink at Island Lake.

With house and yard cleaning foremost in everyone's mind, the fire hazard has increased as leaves and rubbish is being burned. The snow is gone now so it is necessary to obtain a fire permit before burning anything outside of a regular rubbish burner.

Obituaries

GEORGE THOMPSON

PINCKNEY—George Thompson, 84, died Monday evening at Veterans Memorial Hospital, Ann Arbor.

Funeral services will be held at 7 p.m. Thursday, at the Congregational Church, Pinckney. Interment at Oakview Cemetery, Royal Oak, Friday at 2:30 p.m.

MRS. VIRGINIA CLARK

PINCKNEY—Mrs. Virginia Clark, 47, died this morning at McPherson Community Health Center.

Funeral arrangements have not been completed at this time. Mrs. Clark is a sister of Mrs. Winston Baughn of Pinckney.

False Pleasure will be, is chastened; it has no right to be at peace.

+ Questions

(Continued from Page 1)

Regardless of where the funds are disbursed, all of the taxpayers in the country share the burden of providing money for such Federal grants.

QUESTION: What is the area of the proposed building in relation to the Park?

ANSWER: The park contains about 100,000 square feet of land and the building will use only 7000 square feet of this area. (The actual floor area is more than 11,000 square feet but is on three levels.)

QUESTION: Why are kitchen facilities not being planned?

ANSWER: Provision is being made for a small snack kitchen where groups holding meetings may prepare coffee and light snack-type lunches. A fully equipped kitchen would have greatly increased the project cost and inasmuch as dining facilities are not normally considered a function of townhalls the inclusion of a large kitchen was considered to be a questionable use of taxpayer's money.

QUESTION: Is the building planned for future growth of the Township?

ANSWER: Yes. Public buildings of this kind are expected to be useful for 50 years or more. (The present Townhall was erected in 1883.) As the need arises for police, public works and other departments, interior changes can be made to include these functions at a minimum cost.

QUESTION: What happens if the voters approve the \$53,000.00 bond issue and the request for Federal matching funds is ultimately denied?

ANSWER: The Township Board's action in establishing this program specifically requires both a favorable vote on April 1, 1963 for the local share and approval by the Federal Government before construction can begin.

96 Election Inspectors Go To School

HOWELL — Livingston County's 96 election inspectors attended a school of instruction last Thursday at the Court House here, conducted by County Clerk Joseph H. Ellis.

General Instructions, County of Kalamazoo.

Ellis said this was the largest turnout the county had ever had. He referred to a law passed in 1961 which requires that each county conduct such a school before each state and general election. Attendance of all election inspectors is mandatory.

The clerk advised those present that the news "wire" services have asked to have an early report on the constitutional vote because of widespread interest in Michigan and the Midwest.

Because of this they have asked inspectors to call the vote in to the county clerk as soon as this result has been determined.

Latin American diplomats say aid won't solve woes south of the border.

Hearing Set For Sunday Closing Law

HOWELL — A hearing on the controversial "Sunday Closing Law" will be held tomorrow (Thursday) night at the Court House at 8:00.

The Board of Supervisors will convene in a special meeting immediately afterward to determine if the county should or should not permit the law to become effective.

Known as Act 128, the law has been rejected by at least 14 counties.

It requires that merchants selling certain kinds of merchandise during the week can only sell such items on Saturday or Sunday and says grocery stores containing over 4,000 square feet of floor space can stay open seven days only if there are not more than two owners and one other person employed in the store at any one time.

Actively fighting the law here in Livingston are Joe Harris of the Diamond Dot Market, Howell, and George Osner of Polly's Market in Brighton, who appeared last week at the board of supervisors' meeting.

The month before, Stirling Douglas of Fowlerville, also asked for its defeat by the board.

PLEASE!

PREVENT
FOREST FIRES

THE PINCKNEY (Mich.) DISPATCH, WED. MAR. 27, 1963 9

500 4-H Club Members Will Have Busy Weekend

Over 500 Livingston County boys and girls will be taking part in the 4-H Spring Achievement program tomorrow, Friday and Saturday.

The achievement program will be held at the St. Joseph Parish Hall, 311 East Grand River, Howell, and the Howell High School.

Exhibits will consist largely of clothing, handicraft, electrical and knitting project work.

The display will be set up on Thursday evening in the Parish Hall. Judging of exhibits will be accomplished between 9:00 a.m. and 4:00 p.m. on Friday. The exhibit area will be open to visitors from 4:00 until 10:00 p.m. on Friday.

The Friday evening activities will be held in the Howell High School. The dress revue rehearsal will start at 7:00 p.m. with a 4-H "Share The Fun Festival" and Awards Program at 8:15 p.m. Peg Lound of Fowlerville will be chairman of the evening program.

The annual dress revue will be held on Saturday afternoon in the Howell High School. Three hundred thirty-five girls will model garments made as 4-H projects.

Ginger Soja, a former 4-H Club member, will narrate the style show. Achievement marks the end of the winter 4-H project season.

The public is invited to view the exhibits in the Parish Hall late Friday afternoon and evening and attend the style show on Saturday afternoon.

Woman, 71, Saved After Ice Breaks In Lobdell Lake

HOWELL — A 71-year-old woman was rescued Monday afternoon when she broke through the ice, fishing at Lobdell Lake, two miles southwest of Linden, in North Livingston County.

Mary Longson, of 6154 Bennett Lake Rd., was aided by 200-pound Milton Hendrix, Jr., 19, who slid out on a board when he heard the woman, who is his landlady, calling for help.

Hendrix is the nephew of the woman's brother-in-law.

Livingston County Sheriff Lawrence Gehring said assistance was given in the rescue by police from Linden and from Argentine township. His department was also summoned as was that of Genesee County.

The woman had been fishing for about three hours. After her rescue she was taken to a Flint hospital by ambulance.

Owner Arrives Home In Time To Spot Theft

HOWELL — Arnold Minix of 10632 Pinckney Rd. arrived home Friday night just before 10 o'clock just in time to observe a red pickup truck driving out of his yard.

Upon checking his home, he found some items missing including an outboard motor, tools, and fishing tackle.

The Sheriff's Department arrested John Brown of 2115 Webster Dr., Parry Lake and another person of Howell both of whom were charged with breaking and entering.

Taken before Howell Municipal Judge Wilfred Ervin, their bonds were placed at \$1,000 for Brown and \$3,000 for Remali.

Nikita warns U. S. has 40,000 Atomic warheads.

Con-Con Staff Lists Reasons Why Public Should Okay Code

EDITOR'S NOTE: This is the last in a series of 48 articles about the proposed new constitution prepared by the Convention staff. A decision on the new document will be made by the state's electors at the polls on Monday, April 1.

"Michigan needs the new constitution. It holds the promise of the future. It is the state's escape from the shackles of the past and our means of reversing the trend towards dependence upon Federal government for answers to purely state and local problems."

So said Gov. George Romney this week, just four days before next Monday's election when Michigan voters will go to the polls to pass judgment on the proposed new state constitution.

Bipartisan support for the new document has become increasingly evident as Election Day approaches. Not only have more than a score of nonpartisan organizations in the state endorsed the proposal, but in recent weeks leaders in both political parties have been outspoken in their support.

Early this month Prentiss M. Brown, Democratic elder statesman and former U. S. Senator, announced his intention to vote for the new constitution. Dr. Connor D. Smith, Democratic chairman of the Michigan State University board of trustees, had previously announced his support.

William Palmer, a Democratic appointee to Michigan's original Civil Service Commission, has also announced his approval of the new Constitution. "It will keep the merit system and keep career people in state service," he said. "Some of the proposed changes, I believe, will also improve the relative of civil service with other branches of government."

At least 70 major changes from the 1908 state constitution are incorporated in the proposed document and 75 per cent of them received the unanimous or near-unanimous vote of the 144 delegates to the Constitutional Convention. No decisions at the conven-

tion were made on a strictly partisan basis and all sections of the document passed by the delegates had bipartisan support.

Among the significant improvements over the 1908 constitution are:

1. Abolition of Spring elections, saving an estimated \$1 million each two years.
2. Four-year terms for elected state administrative officials, permitting the time needed to establish a program.
3. Reorganization of Michigan's hodge-podge of 126 boards, bureaus and commissions into not more than 20 departments.
4. Tools to help the legislature solve the problems of mushrooming urban areas.
5. Co-ordination of the state's educational system through an enlarged 8-member state board of education who would have authority to appoint the superintendent of public instruction.
6. Expanded provisions on civil rights, including a new anti-discrimination clause which is to be enforced by the nation's first constitutionally-established state civil rights commission.
7. Legislative apportionment formulas which will guarantee to Michigan citizens a truly "balanced" legislature.
8. Improved basic enactments on finance and taxation which will permit short-term borrowing of substantial amounts of money at periods during the year when the state traditionally experiences lower monthly revenues.

No significant changes are made in people's right to amend the new document. The process will be substantially the same as in the present constitution.

The question to be submitted to the voters at Monday's election is a simple one — "Shall the revised Constitution be adopted?"

If the proposal receives a favorable majority, the new document would become effective on January 1, 1964. The first election for four-year terms under the new constitution would be in November of 1968.

EXTRAVAGANCES
 The cost of living is high today because too many people sail the sea of life under false colors.

Central States News Views

BUN STEER by Jacky Bill Hartack, accustomed to smarter mounts at Chicago-area tracks during the horse-racing season, takes a Brahman bull named "Amigo" off course at Florida's Gulfstream Park.

SIGN OF SPRING is lawn-mower giving grass a shower of fertilizer from new portable spreader sold to cover an average lawn in 20 minutes. Made by a Wisconsin firm, new "J-Way" spreader is making its appearance this season in several Midwestern states.

BUBBLING OVER with enthusiasm as Master approaches, Alex Kelly, 2, of Memphis, Tenn., already has a bonnet picked out.

TODAY AND TOMORROW
 BY RALF HARDESTER
 Features Editor of TV GUIDE MAGAZINE

NBC'S UPCOMING AIRING OF "THE WORLD OF DARRYL ZANUCK" will include something of 20th Century-Fox's \$85,000,000 worth of "Cleopatra." But you won't see Elizabeth Taylor or Richard Burton. An NBC camera crew will accompany Zannek to Spain to film him filming additional footage for "Cleopatra." Bandleader Ray Anthony is doing a half-hour musical-variety series for syndication, each episode to be aired only once. First two guests: Ernest Borgnine (McHale's Navy) and banjo-playing Dodgers shortstop Maury Wills... Movie producer Robert Aldrich "What Ever Happened to Baby Jane?" plans a return to TV (he produced some of the early Fireside Theater films) with an hour series, Mr. Man, to star 35-year-old character actor Victor Buono. Test film rolls in the near future.

VINCE EDWARDS WILL STAR IN THREE MUSICAL-VARIETY SPECIALS later this year. No network yet. Add Stoner Burke's "Our Man Higgins and I'm Dickens" — He's Fenster to the list of shows safe from the sponsor's ax for the rest of the season... An Alfred Hitchcock Hour in March, titled "The Hours Before Dawn," to have an all-female cast except for three male infants. Among the females: Gena Rowlands and Nancy Kelly... Dwayne Hickman, having made the proper threatening noises about quitting, has given up plan to do a new series of his own. He'll continue as a sort of ageless Doble Gillis under a new contract that gives him a percentage of the show... NBC's Mary Griffin Show travels to Paris, where it will tape a week of programs from such landmarks as the Ritz hotel, the L'Oréal perfume factory and the Elysee Palace.

DEAN MARTIN AND MARTHA RAYE Martha Raye WILL BE GUESTS WHEN Bob Hope presents the TV Guide Awards on his April 14 show on NBC... Hugh Downs and the Today show visit New Orleans to cover part of the Mardi Gras... CBS, moving rapidly into the 1963-64 season, is now firmly committed to the shows of Danny Kaye, Judy Garland, Phil Silvers and producer John Houseman's American history series. Not yet set, but being seriously considered are series involving George C. Scott (East Side, West Side), Jane Wyman and Dennis Weaver (The Giant Step), Robert Webber (The Warden), Ben Bondaret (tentatively titled Oskar Widow and created by Paul Henning, producer of The Beverly Hillbillies, in which she plays Cousin Pearl) and Cara Williams... Perry Como's summer replacement, Kraft Summer Theater, will consist of 12 one-hour dramatic shows out of Rome, some of them series test films, some reruns.

Card of Thanks

MY HEARTFELT thanks to all who extended comforting sympathy and help in my recent sorrow. A special thank you to Rev. Wm. Hainsworth, Don Swarthout, the Pinckney Fire Department and the O.E.S. Chapter 145. I will always be deeply grateful.
Amanda DeBarr

WE SINCERELY wish to express our thanks and appreciation to all for their thoughtful kindness during our recent bereavement.
The Joseph A. Brady Family.

MY HEARTFELT thanks to all the good folks for thinking of me while in St. Joseph Mercy Hospital. The many lovely sacred and get-well cards, flowers and gifts received from relatives, friends and acquaintances were all so greatly appreciated.
Mrs. B. Gleason

Easy With The B-Bomb: It Has Fallout Too

Too often, the use of pesticides has produced damaging side effects at the expense of wildlife. Property owners using bug sprays, weed killers, and other chemical poisons to get rid of pests, frequently deliver a knockout punch to wildlife in the process. In some cases, songbirds are poisoned by feeding on insects killed by pesticides, or die after coming into direct contact with chemical sprays. The property owner has every right to spray his shrubs, garden or grass to protect them. However, before he does, he should consider whether his spraying efforts will be successful without sacrificing other values. He also should be certain that spraying with chemicals is the best control method available. This is no small order. Much too little is known about the total effects of pesticides; research is far behind the stampeding pace of pesticide production. Until it catches up, everyone should take an extra hard look at the fine print on containers, and go easy with bug killers. In the words of this year's Mar. 17-23 National Wildlife Week theme, "Chemical Pesticides Are Poison — Handle With Care."

There May Be A Difference Between "PRICE" and "WORTH"!

Every time a house goes on the market, someone puts a price on it. Every time you look at a property, someone will gladly tell you what they are asking. The question should not be "How much is it?" but rather, "What's it really WORTH?" For the two answers may be far apart!

Some owners will bargain with you. Others won't. Bargaining can't tell you the one thing you need to know: THE TRUE VALUE. The spread between "Price" and "Worth" is a factor we reckon with daily. It causes us to turn down otherwise desirable listings. And it's another way in which we are prepared to provide a SERVICE TO YOU... whenever you are ready! Call

Pinckney Community School Survey - '63

PREFACE

This study of school building needs in the Pinckney School District has been prepared by the Bureau of School Services of the University of Michigan in response to a request from the Pinckney Board of Education. The charge was to study population trends, evaluate existing structures and curriculum offerings, and finally to develop a plan that would not only meet present needs but provide sufficient flexibility for future growth as it occurs.

Appreciation is extended to all who cooperated at the local level with the survey team.

Ray E. Kehoe
Donald R. Fox
Bureau of School Services
March, 1963

CONCLUSIONS AND RECOMMENDATIONS

1. Employ a Curriculum Director or Assistant Superintendent in Charge of Instruction

This new staff member should be charged with the responsibility and authority to develop programs of instruction on a system-wide basis. He would work with staff on selection of textbooks, developing courses of study, units of instruction and resource guides. Developing an in-service education program over a period of time would be a major responsibility. Such an individual would naturally be well equipped to assist with the recruitment and orientation of new staff members.

2. Recommendations for the Improvement of Education in the Elementary School Grades K - 6

a. Adopt the K - 6 Plan of Elementary School Organization

Few public school systems retain grades 7 - 8 within the elementary school. Boys and girls of this age group are too mature for the younger children and can profit more intellectually from a curriculum planned specifically for them as described in Appendix C.

b. Enrich the Elementary School Curriculum

Recommendations found in Appendix C should be followed with respect to art, physical education and health, vocal and instrumental music and library with instruction provided by specialists in these subject fields.

c. Reduce the Teacher-Pupil Ratio in Grades K - 6

Most quality school systems strive to maintain a ratio of teachers to pupils in each classroom within a range of 25 - 30 to 1. Regrettably most sections in the elementary schools of Pinckney exceed 30. It is difficult to adapt instruction to individual needs under such conditions.

d. Provide for the Needs of Special Education Students

Observations discussing this recommendation may be found in Appendix C.

e. Improve the Hamburg Elementary School

Students in this school would greatly benefit from a multi-purpose room for indoor recreation, physical education instruction, hot lunch, and community use.

f. Improve the Pinckney Elementary School

Structural deficiencies identified in Appendix D should be corrected so that efficiency of instruction can be improved. A library room is a necessity as is more adequate storage and improved toilet facilities.

g. Re-assign pupils attending the Winans Lake Elementary School to Other Attendance Centers

This school cannot provide the advantages of graded classrooms to all students. Nor is it economical to provide library service or a multi-purpose room. Hopefully, the property might be sold.

h. Adapt the Present Pinckney High School Building for Long Range Use as a K - 6 Elementary School to serve the Village of Pinckney.

- 1) Raise the 1888 unit of this structure.
- 2) Remove homemaking unit kitchens and equipment to a new senior high school. Convert this room to two elementary classrooms by dividing the present area.
- 3) Convert the present shop to a kindergarten room and a classroom. Remove equipment to a new junior-senior high school.
- 4) Use all other classrooms in the 1955 and 1969 units as elementary school classrooms.
- 5) Use the present music room as a combination library, music, and art room.
- 6) Use two of the three classrooms in the 1936 unit for offices for the superintendent of schools and his assistant in charge of instruction. Use the other classroom and office area on the second floor for storage of books, supplies and records for the entire system. Evaluators noted a marked shortage of storage areas in all buildings.
- 7) Use the gymnasium and kitchen as a multi-purpose room for the elementary schools during the day and as a community recreation center for young people and adults during evenings and on weekends.

1. Summary of Room Needs and Inventory of Rooms Available in the Pinckney System During the 1962-63 School Year

- 1) Kindergarten Room Needs at 27 Pupils per Classroom:
K enrollments in 1962 are 181
K rooms needed are 3
K rooms available are 3 (This assumes that one K room would be located in the Hamburg and Pinckney Elementary Schools and one would be located in the present Pinckney High School unit.)

- 2) Room Needs for 688 Pupils Enrolled in 1962 in Grades 1 - 6 Assuming 27 Pupils per Classroom:
Rooms needed would be 27
Rooms available would be 14 in Pinckney (assume 1 K room and 1 library room); 8 in Hamburg (assume 1 K room); 6 rooms in present Pinckney High School building (assume 1 K room here; 1 music-art library center; 1 multi-purpose room; 3 classrooms and superintendent's office used as central administrative center).

- 3) Conclusion: Assuming a 27 to 1 elementary teacher-pupil ratio; the razing of the 1888 unit of the present high school; the removal of children from the Winans Lake School; and the conversion of three classrooms and office in the 1936 high school unit for administrative offices and storage; then a surplus of just one classroom would exist for future growth in grades K - 6 in the Pinckney System assuming that all pupils in Grades 7 - 12 were removed to a new junior-senior high school

3. Recommendations for the Improvement of Education in the Secondary School Grades 7 - 12

a. Create a True Junior High School Program for Pupils in Grades 7 and 8

This recommendation has already been discussed. See 2a above and Appendix C.

b. Improve Curriculum Opportunities in Grades 9 - 12

As noted in Appendix C, fundamental improvements can be brought into being only by an expanded enrollment and when a new high school building is occupied. However, joint use of a modern secondary school plant by grades 7 and 8 as well as grades 9-12 can result in a more satisfactory assignment of teachers, a more efficient use of expensive shops, laboratories, gymnasium, music room, cafeteria, and library to mention only some of the major areas designed for joint use.

c. Construct a New Pinckney Junior-Senior High School Designed for 700 to 750 Students

If this building were occupied in September 1964 (the earliest probable date), the estimated enrollment in grades 7 - 12 would be about 600 students. This would provide a 25% margin for future expansion. The building would probably be filled by students now living in the district no later than 1970 or six years or sooner after occupancy. (See Chart 2 in Appendix A.)

d. Why Conversion of the Present Pinckney High School Building as a Junior High School Was Not Recommended

- 1) In the long run, the site of 3 acres was not believed adequate for future junior high school enrollments. Expansion of the site would be prohibitively expensive.
- 2) When increases of enrollment occurred, a building expansion would be required. Even after the 1888 unit is razed, three different construction units will remain: 1936, 1955, 1959. It would be unwise to add further space and create a hodge-podge of rooms and facilities.
- 3) It would be difficult to staff a small unit and offer a true junior high school curriculum. Instructors in art, shop, home economics, boys and girls physical education would not have full teaching assignments in these areas. A full time administration could not be justified.

e. Why Expansion of the Present High School Was Not Recommended

- 1) Site inadequacies more serious for senior high school than for junior high school.
- 2) Virtually impossible to provide a satisfactory curriculum program for more than a short time and then the problem would be worse than at present.
- 3) So many departments of the high school are inadequate, that virtually a new school would still be required. Some facilities that are poor or limited such as dining area and the boys locker room and the library would necessitate a relocation at great cost.
- 4) It is not being visionary to project an enrollment in grades 9 - 12 of 800 or more students in the Pinckney School as occurring in two decades or less. It is difficult to envision how any reasonable person might maintain that education of high quality could be provided on the present site under such circumstances.
- 5) Evaluators would prefer to house grades 7 and 8 or 7, 8 and 9 in a separate unit, but cannot ignore the need to achieve efficiency of operation and the need to put existing facilities to good use.

APPENDIX A Population Data

Analysis of census data provided by the school leads to the conclusion that census figures for the age groups 0-1, 1-2, and 2-3 are so erratic as to be of little use for long range projections. Data for older age groups are more stable and hence of value for projection purposes.

It is difficult to study growth patterns in the school district as district boundaries have been stable for only a few years. There is evidence, however, of some new home construction in the district as well as the winterizing of summer cottages located on the many attractive lakes within the district. Such move-ins tend to include younger families with few school age children initially. Estimates are that growth from these sources approximates 30-50 children yearly. One notes, however, great mobility of population and move-outs have been heavy on occasion—especially during periods of economic recession.

Knowledgeable persons expect that growth within the county and school district will be slow and steady—as during the past decade. Rapid growth through industrialization seems unlikely as water and sewers are lacking within the district. Anticipated growth within the Ann Arbor Area will undoubtedly spill over into the school district due to the attraction of the lakes.

It appears that Pinckney has shared in the general decline in the birth rate. This will cause elementary enrollments to decline somewhat four or five years hence unless compensated by children from new homes. The decline is expected to be only temporary with a rising trend anticipated near the end of the decade.

Parochial school enrollments are rather evenly distributed over grades 1-8 and total 150 pupils. Most of these have returned

to the high school in grade 9 during recent years. For reasons noted above, projections of elementary school enrollments can be made with less confidence than of secondary enrollments in the decade ahead. All students enrolled in grades 7-12 have already been born. Charts 1 and 2 show a projection of students now living in the district. Undoubtedly these will fluctuate somewhat, but unless affected by such factors as a new parochial high school in the area, large scale home developments, or severe economic conditions in the area, the figures should provide a fairly good indicator of probable enrollments. The figures will probably err slightly by being on the low side as no allowance was made for the effect of move-ins.

APPENDIX B

Standards for Effective and Efficient School Operation Introduction:

The Pinckney Board of Education has requested the Bureau of School Services of the University of Michigan to survey the building and site needs for the district both in the short run and in the long run. In order for the Board of Education and citizens of the school district to adequately evaluate the recommendations of the survey team they may find it helpful to examine the criteria which were used by the evaluators. The paragraphs which follow attempt to provide succinct summaries of these standards. The recommendations which follow are intended to be in harmony with the standards in so far as the realities of the situation permit.

1. Curriculum

- a. Regular classroom instruction in the elementary school should be enriched by consultant service from special

teachers in art, vocal and instrumental music, physical education, and library. Provision should be made also for the educational needs for the mentally and physically handicapped students.

Pupils in grades 7 and 8 should have daily instruction in English, social studies, science, and mathematics. In addition, boys and girls should receive instruction in art, vocal and instrumental music, and physical education and health. Exploratory experiences in home-making for girls and industrial arts for boys are also considered to be a basic part of the curriculum for this age group. Enrichment offerings are often scheduled on an every-other-day or every-other semester basis.

The senior high school should attempt to provide adequately for the educational needs of students who plan to attend a college or university and also for those students whose formal education will terminate with high school graduation. Senior high schools should assume at least 4 major responsibilities:

- 1) Education for democratic citizenship
- 2) Preparation for college
- 3) Pre-vocational education
- 4) Education for self-improvement in the fine arts

2. Administrative Structure

The administrative structure of a school system can be organized on an ideal basis only if the Board of Education does not have to take into account a complex of existing buildings. In the Pinckney District, 4 school buildings are currently in operation and three at least of them must be included in the long range planning for the district.

Conservation Headliners in '62

Victory over the sea lamprey appeared close at hand in Lake Superior as a result of chemical treatment of streams in recent years—firearm hunters registered the fifth highest deer kill in the state's history—outdoor recreation reached new heights in popularity and pointed up broadening challenges for state lands. These stood out as some of Michigan's top developments in conservation—resource management and use—during 1962. There were others, of course. Hopes of meeting future leisure-time needs were lifted when a \$200,000 federal grant was made to carry out a state-wide recreation and land conservation plan. Michigan's permit-bonding program for state parks swung into high gear, with some \$2 million worth of construction projects contracted and about \$1 million spent for new recreational lands through this its second year. Five new scenic drives were set up in state forests to add another dimension of recreational use to these lands. The year also saw much "lost" progress, particularly among game and fish program which were hard ridden by a prolonged cash crisis.—Mich. Dept. of Conservation

Roller Hockey Flying High

FIRST GAME

FRIDAY

Pirates Edge Stealers Friday night spectators at the Lakeview Roller Bank witnessed a fast and hard checking game by two good roller hockey teams.

The Stealers' league leading scorer Al Labush, kept the Stealers ahead midway through the second period on three consecutive goals to lead the Pirates by a three to one advantage.

But the Pirates quickly came back on three beautiful goals by Larry Shekell, to take the lead by a 4 to 3 score. At this point Al Labush again scored to tie up the game and thus forcing the game into "sudden death overtime."

After sixteen minutes of overtime, Ronnie Price, Jr., of Dearborn scored his second goal

of the night to win the game by a score of five to four. Pirate goalie Joe Waterbury turned in a fine performance to remain as first place goalie. Stealer goalie Cliff Lucas also turned in a fine game as he turned back 24 shots.

SECOND GAME

FRIDAY

The second game of the evening saw the league leading Romper Stompers roll over the cellar dwelling Fonda Lake Bandits. The Stompers were paced by their two big guns, Ron Price Sr., of Detroit and George Webster of Island Lake each gaining eight points on splendid performances.

Capt. for the Stompers Roger Shekell also had a fine night with one goal and two assists. The Stompers' goalie, John Birmingham, did a good job in allowing only one goal.

at 123 N. State street where
authorized Christian Science
literature may be borrowed,
read or purchased. It is open
to the public Monday through
Saturday from 11 a.m. to 4 p.m.
and from 6:30 to 9 o'clock Fri-
day evenings.
Freedom from materiality,
bondage of any sort, will be
emphasized at Christian Science
church services Sunday.
Highlighting the Scriptural
selections from the Lesson-
Sermon on the subject "Real-
ity" will be this passage: "The
night is far spent, the day is at
hand; let us therefore cast off
the works of darkness, and let
us put on the armour of light"
(Rom. 13:12).

ARTHUR SEGURA

Funeral services for Arthur
Segura, 17, were held Tuesday
at St. Thomas Church, Ann
Arbor.
He died early Saturday morn-
ing from injuries received in
an automobile accident the pre-
vious evening.
Surviving are his parents,
Mr. and Mrs. Benito Segura,
formerly of Pinckney, and now
of Ann Arbor, one sister, Mrs.
Richard Bennett, Pinckney, and
a twin brother, Benito at home.
Arthur attended Pinckney
schools before moving to Ann
Arbor last year and has since
been attending Ann Arbor High.

Obituaries

JAMES FOSTER

James G. Foster, 78, of 6405
Edgewood Drive, Green Oak
Township died Sunday night at
McPherson Community Health
Center, following a short ill-
ness.

He was born July 18, 1884 in
Mechanicsburg, Ill., a son of
James D. and Alice Bullock
Foster.

On April 18, 1910 he was
married to Mary R. Kessinger
in Springfield, Ill. Mrs. Foster
passed away October 14, 1956.

Mr. and Mrs. Foster had
lived in Lincoln Park, Mich.,
prior to moving to the Bright-
on area 35 years ago.

Mr. Foster, a retired Mich-
igan Bell Telephone Co. em-
ployee, had been a supervisor
in the Cass Avenue office in
Detroit.

He was a member of the
Telephone Pioneers of Amer-
ica, Wolverine Chapter No. 10,
Brighton Masonic Lodge No.
247 F. & A.M., Brighton Chap-
ter O.E.S. 314, Lincoln Park
Lodge No. 322 I. O. O. F., and
the Brighton Rebekah Lodge
No. 272.

Surviving is a son, Robert,
of Brighton, five grandchildren,
two sisters, Mrs. George Robb
and Mrs. Stella Force both of
Detroit, several nieces, nephews
and cousins.

Funeral services are being
held today at 2:00 p.m. from
the Keahn Funeral Home, with
Rev. A. C. Barker officiating.
Burial in Fairview Cemetery,
Brighton.

MRS. MAUD VANDERWALL

PINCKNEY - Mrs. Maud
Vanderwall, 78, of 5356 Redding
Rd. in Lakeland died Saturday
night at the Bonnie View Con-
valescent Home in Howell after
a long illness.

She was born on July 27,
1884, the daughter of David
and Jennie Welfare Andrews.

She was married to Jack
Vanderwall on Aug. 13, 1913 in
Grand Rapids. He died in 1941.

Mrs. Vanderwall, a Lakeland
area resident about 45 years,
is survived by three daughters,
Mrs. Janet Shirey of Pinckney,
Mrs. Francis Shirey of Lake-
land and Mrs. Helen Hopp of
Ypsilanti; six grandchildren
and four great-grandchildren;
four sisters, Mrs. Frank Sisley,
Mrs. Mayme Gilmer and Mrs.
Christine Herman, all of Grand
Rapids, and Mrs. Agnes Jud-
son of Lansing.

Funeral services were held
at 2 p.m. Tuesday in the
Swarthout Funeral Home,
Pinckney. The Rev. Thomas
Murphy of the People's Church
in Pinckney officiated. Burial
was in the Pinckney Cemetery.

Missionary Will Display

Colored Slides

Grace Baptist Church will be
host Sunday, March 31, to the
Rev. and Mrs. John Moseley
who have recently returned
from a term of missionary work
in Germany and Spain. While
there Rev. Moseley had several
occasions to travel in the Com-
munist held countries of Poland
and Yugoslavia.

Rev. Moseley will be speak-
ing at the morning service at
11:00 a.m. and showing colored
slides of Spain in the evening
at the 7:00 service.

The church will entertain
Rev. and Mrs. Moseley at a
pot luck supper at 5:00 p.m.,
Sunday evening.

The church is located at the
corner of Hacker and Hyne
Rds. The public is cordially in-
vited to attend these special
services.

PUBLIC NOTICE

The Livingston County Board of Supervisors has fixed the 28th day of March, 1963 at 8:00 o'clock in the evening of said day, in the Circuit Court Room in the Court House in the City of Howell, as the time and place for a public hearing on Public Act No. 128 of 1962, which Act prohibits the sale, trade or exchange of certain tangible personal property or both on any successive Saturday and Sunday and to provide certain exemp-
tions therefrom.

Public notice is hereby given that a public hearing will be held at the time and place aforementioned as provided in said Act. No. 128 before the Livingston County Board of Supervisors vote on the question of whether or not this Act shall be enforced in the County of Livingston.

It was further ordered that public notice should be published in the four newspapers circulated in Livingston County, they being the Living-
ston County Press, a newspaper published in the City of Howell, the Bright-
on Argus, a newspaper published in the City of Brighton, the Fowlerville Review, a newspaper published in the Village of Fowlerville and the Pinck-
ney Dispatch, a newspaper published in the Village of Pinckney, all of the
County of Livingston, Michigan.

s/ JOSEPH H. ELLIS
LIVINGSTON COUNTY CLERK

FURTHER NOTICE

The Livingston County Board of Supervisors will convene in special session March 28, 1963 immediately following the above aforementioned public hearing to consider the question "Shall Public Act 128 of 1962 be enforced in Livingston County."

Several ladies from the Gregory Baptist Church attended the Vacation Bible School work shop at East Lansing Tuesday.

Miss Marie Robeson accom-

panied Miss Marilyn Dixon at the Music ensemble, in Brooklyn Sat. Their Solo received a No. 1 rating.

Letter to Editor

Dear Sir:

It is our belief that the new proposed Community Center, to be voted upon in the April 1st election, is now within reach. This project with the anticipated 50 percent cost, shared by the Federal Government, means that the cost to you as a property owner, will be about half what we normally will have to "shell out".

About federal money. Let me pause for a moment and say this. There are many people who will protest the receipt of any funds, for whatever purpose, from the federal government.

An old argument runs that, because of bureaucratic expenses, only a small portion of the money which we send to Washington as taxes is returned locally as benefits.

Also there has been much concern of late that the government's deficit spending is creating an unmanageable debt that will be left on the shoulders of our children and grandchildren.

The argument and concern are valid. Many of us wish that we could return to the thrift and sound policies in government of an earlier day.

But we must look at it from this angle: If we in Putnam Twp. should turn down federal money if made available to us for any sound, and needed project we would, most likely, be commended and lauded for our courage in newspapers and magazines from Coast to Coast.

But the sad fact, my friends, is that the federal budget would not be lowered a nickel because of our action, and the unfortunate debt we are passing to our children and grandchildren would not be reduced by one cent. If they are going to pay let us at least, give them something here in Putnam Twp. for their money. We hope you will agree.

Sincerely Yours

Lloyd F. Hendee
Supervisor.

Does Pinckney Need a New Community Building?

Any corporation seeking a location makes a careful study of a community before deciding whether or not to move there. Among other things they evaluate carefully the community library and the fire department. Of course, they take a close look at the school system, also.

Why does Pinckney lose many of its best high school graduates to other communities? Could it be because there is not enough industry in Pinckney to provide ample and suitable employment?

If Pinckney is to attract industry and hold industry, a good library, a good fire department, a good school system are an absolute minimum.

A well known slogan says: "Advertising doesn't cost; it pays!" A good library, fire department and good school system constitute a sound investment which will pay good dividends in better youth, better adult citizens, increased payrolls, a more prosperous community, and other benefits. Voters might well bear in mind that community improvement, like advertising, doesn't cost; it pays!

BIENNIAL SPRING ELECTION

To the Qualified Electors:

NOTICE IS HEREBY GIVEN, That a Biennial Spring Election will be held in the

TOWNSHIP OF PUTNAM (PRECINCT NO. 1)

State of Michigan

AT

PUTNAM TOWN HALL

within said Township on

MON., APRIL 1, 1963

FOR THE PURPOSE OF ELECTING THE FOLLOWING OFFICERS, VIZ:

STATE OFFICERS

Two Regents of the University of Michigan; Superintendent of Public Instruction; Member of the State Board of Education; Two Trustees of Michigan State University of Agriculture and Applied Science; and Two Members of the Board of Governors of Wayne State University.

NON-PARTISAN OFFICERS

Two Justices of the Supreme Court.

TOWNSHIP OFFICERS

Supervisor, Township Clerk, Township Treasurer, 2 Trustees, Justice of the Peace (Full Term), Member of the Board of Review, 4 Constables' Commissioner of Highways.

AND TO VOTE ON THE FOLLOWING PROPOSAL:

Proposal Relative to the adoption of the Revised Constitution of the State of Michigan.

THE FOLLOWING AMENDMENTS OR PROPOSITIONS THAT MAY BE SUBMITTED

I. Bonding Proposition

Shall the Township of Putnam, County of Livingston, Michigan, borrow the sum of not to exceed Fifty-three Thousand (\$53,000.00) Dollars and issue its bonds therefor for the purpose of paying part of the cost of erecting, furnishing and equipping a building to be used as a town hall and fire station for said Township?

II. Millage Increase Proposition

Shall the limitation on the total amount of taxes which may be assessed against all property in the Township of Putnam, County of Livingston, Michigan, for all purposes except taxes levied for the payment of principal and interest on obligations incurred prior to December 8, 1932, be increased as provided by Section 21, Article X of the Constitution of Michigan, by one (1) mill of the assessed valuation, as equalized, of all property in the Township for a period of fifteen (15) years, the years 1963 to 1977, both inclusive, for the purpose of providing a debt retirement fund to pay the principal and interest on bonds of the Township in the aggregate principal sum of not to exceed Fifty-three Thousand (\$53,000.00) Dollars, to be issued for the purpose of paying part of the cost of erecting, furnishing and equipping a building to be used as a town hall and fire station for said Township?

Each person voting on the proposition to increase the total tax rate limitation must be a citizen of the United States of America, above the age of twenty-one (21) years, and have resided in the State of Michigan for six (6) months, and in the Township for thirty (30) days next preceding the election.

Each person voting on the proposition of borrowing money and issuing bonds of said Township must be a citizen of the United States of America, above the age of twenty-one (21) years, and have resided in the State of Michigan for six (6) months, and in the Township for thirty (30) days next preceding the election, and have property assessed for taxes within the Township or be the lawful husband or wife of such person. In addition to the foregoing requirements for each proposition, each person voting on either of the foregoing propositions must be a registered and qualified elector of the Township of Putnam. The place of election will be the Putnam Township Hall, Pinckney, Michigan.

COUNTY TREASURER'S STATEMENT

I, Dorothea J. Greer, County Treasurer of Livingston County, Michigan, do hereby certify that, as of February 14, 1963, the total voted increases in excess of the constitutional fifteen mill tax rate limitation and the years such increases are effective affecting taxable property in Putnam Township in said County are as follows:

Local Unit	Voted Increase	Years Effective
By Livingston County:	None	
By Putnam Township:	None	
By Livingston County School District:	3/4 Mill	
By Pinckney Community Schools School District:	1 1/4 Mills	1962 to 1978 Inclusive
	10 Mills	1963 to 1974 Inclusive
	1 1/2 Mills	1962 and 1963
	4 1/2 Mills	1963 to 1974 Inclusive

Dorothea J. Greer, County Treasurer
Livingston County, Michigan

This Notice is given by order of the Township Board of the Township of Putnam, County of Livingston, Michigan.

Murray J. Kennedy, Township Clerk

THE POLLS of said election will be open at 7 o'clock a.m. and will remain open until 8 o'clock p.m. of said day of election.

Why I Voted Against Longer Haul-Aways

By THOMAS G. SHARPE

State Representative LANSING—I am taking this opportunity to make a special report to the Shiawassee Representative District on a particular bill which passed the House of Representatives on Friday.

I do this for a very important reason. House Bill 316 is a measure which would allow automobile haul-away firms to lengthen their tractor-trailer rigs to 60 feet. This bill has a particular significance in our Legislative District of Shiawassee and Livingston counties. It could directly affect the incomes and economic livelihood of many of our residents, and it is for this reason that I am concerned as I am sure many of you are.

The bill is basically designed to give more business to the trucking firm which specializes in the transportation of automobiles and auto bodies. It does not benefit the truck driver. Just a little simple arithmetic will prove this point.

Today's auto haulers will each carry five cars. If we wish to move 35 cars, we must use seven trucks and seven truck drivers. By allowing the extension to 60 feet, seven cars can be carried on each truck. The same 35 cars will then only require five trucks and five drivers. Two drivers have lost their jobs.

From the standpoint of traffic safety, this is a tremendous new responsibility for the truck driver.

The measure tends to take business away from railroad companies. I am not interested in soliciting commercial business for railroad companies, BUT, I am deeply concerned and gravely upset to think that such a bill as HB 316 will result in taking away paychecks from many of the residents of our district.

CUTS BUSINESS
This bill tends to decrease rail business, and as a result, it would surely have the effect of eliminating jobs in the rail centers which employ large numbers of our district residents.

For these reasons I opposed the bill when it came up for final passage in the House on Friday. The bill, however, passed by the vote of 60-44.

Now, let me emphasize this point.

The fact that this bill passed the House of Representatives does not make it a law... far from it, in fact.

And there is no reason for any resident of our district to feel that his job is immediately in jeopardy... it is not.

There is, however, a potential danger here... and this is what we must concern ourselves with at this time.

The measure has now gone to the State Senate where it will be studied by the Committee on Public Utilities. The committee has until April 10 to report out the bill or it "dies."

I will make every effort to protect the interests of the working man in the Shiawassee District who would be directly affected by this bill. Even more important than that, I will speak out for the interests of every motoring citizen of our district whose safety on the highways would be jeopardized by this bill.

I would humbly suggest that if you feel as I do... that this is bad legislation... because it is contrary to the public interest and safety and because it jeopardizes the working men's jobs in both trucking and railroading... that you speak out to your State Senator or to me. Write us today and let us know how you feel. I will carry your message on to the Senate hearings.

Our economic future in Shiawassee and Livingston counties may be at stake... Inform yourself and speak out!

'Glass' Farmers Reap Fortunes

While the Livingston County farmer is shoveling snow and wondering if his place would be adaptable for a roadside vegetable market or whether a food center between Howell and Fowlerville would be more profitable, within a radius of less than 100 miles "glass farmers" are reaping a rich harvest due to the cold weather that struck in Florida and California.

In the Grand Rapids area the "glass farmers" are putting lettuce on the market in subzero weather, around Utica greenhouse rhubarb is coming on the market every day.

Surrounding Toledo are great cities of glass houses turning out tomatoes at luxury prices and in each of these areas the "glass farmer" is getting the top dollar for growing wanted supplies in greenhouses.

Truly a profitable enterprise that might cause some of our summer time farmers to take note and either pioneer on new greenhouse crops or copy methods from these nearby areas.

Quite some time ago we were in the Brownsville, Texas area when irrigation was just in its infancy there and farmers were raising lettuce in the winter-time, not under glass but under the winter's warm sun light, and that lettuce brought fabulous prices in the north and east.

At present, winter-weather damage to produce cannot be accurately determined. Shorter supplies will mean higher prices for all. Shoppers will find tender items such as radishes, cucumbers, green peppers, and tomatoes in shorter supply than usual. Best values may be found in the canned and frozen items, and in those foods not greatly affected by weather. Shoppers will find good supplies of Michigan apples, grapes, pears, carrots, potatoes and onions. Michigan's large supply of cherries will brighten March festivities as will fresh hothouse rhubarb.

Michigan supplies about 60 percent of the nation's hothouse rhubarb. A-1 Michigan hothouse rhubarb is sold in its fresh form.

The peak supply season this year was from February 15 through the balance of the month.

The annual Hothouse Rhubarb Festival was held at the American Legion Hall, in Utica, February 23.

The size of the 1963 crop is 5 1/2 to 6 million pounds compared to about 5 million pounds in 1962.

Final Requests Due on April 1st For Topical Fluoride Treatments

BRIGHTON—Final requests and fees are now being accepted for the Summer Topical Fluoride program to be held in Brighton.

This program is being sponsored by the Brighton Area Fluoride Committee in cooperation with the Michigan Department of Health.

The topical application of sodium fluoride to newly erupted teeth will reduce new tooth decay by 40% in groups of children.

In addition to these benefits the program offers a valuable educational experience with no discomfort involved, and dental health education is given the child by the clinic personnel.

The entire procedure consists of four visits to the topical fluoride clinic which will be held in the Junior High School. At the first visit the teeth are cleaned and the first application is given.

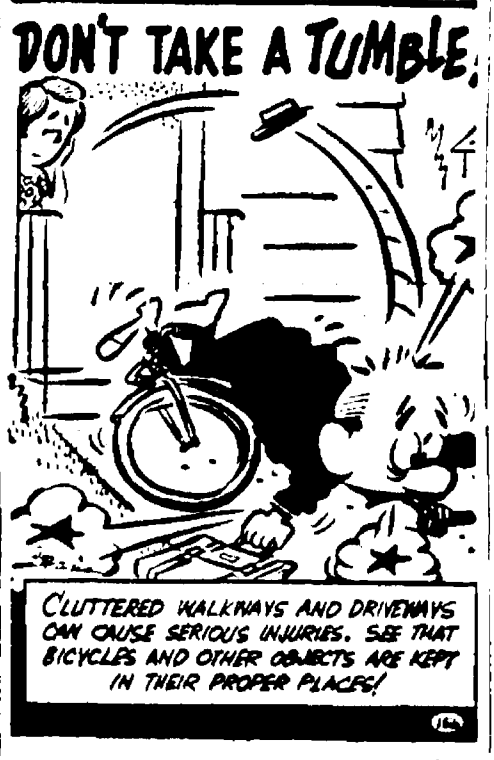

An application of sodium fluoride consists of the teeth being isolated with cotton rolls; then the teeth are dried with compressed air and a 2% solution of sodium fluoride is applied to the teeth with cotton tip applicators. On the second, third, and fourth appointments the application of the sodium fluoride is repeated.

Any child who is a pre-schooler (over three years), a second, fifth or eighth grader is eligible to enroll in the program. Special cases referred by the family dentist will also be accepted. The fee for the cleaning and four applications is \$3.00.

If you have not received the necessary forms to enroll your child in this program you may contact Mrs. William Hyno at AC 9-2992 who is the topical fluoride chairman in Brighton.

The fee and consent cards must be returned before April 1 in order for your application to be accepted.

Members of the Committee are: Chairman, Mrs. William Hyno; Treasurer, Mrs. Carl Bidwell; Publicity, Mrs. Donald Leith, Jr.; Supplies, Mrs. Robert Leland, Jr., and Mrs. Robert Scanton.

PINKNEY COMMUNITY SCHOOLS CAFETERIA MENU

Week of April 1

Monday, April 1
Bar-B-Que beef on bun, vegetable, fruit, milk.

Tuesday, April 2
Vegetable soup, meat sandwiches, cherry cake and sauce, milk.

Wednesday, April 3
Spanish Rice, vegetable, sandwiches, fruit, milk.

Thursday, April 4
Fried chicken with sweet potatoes, rolls, butter, fruit, milk.

Friday, April 5
Tuna-noodles, sandwiches, vegetable, fruit, milk.

At present, farmers are getting about 85 cents per 5-pound box, or about \$18 per hundred weight. Retail prices will probably range from 19 to 33 cents per pound as they did a year ago.

Inside greenhouses in the Grand Rapids area 30 acres of leaf and Bibb lettuce are growing. From October until May this area supplies these top quality, tender salad greens for Michigan tables.

It takes six weeks for fragile heads of Bibb lettuce to become fully formed while leaf lettuce harvest begins eight to ten weeks after seedlings are planted. Production is highly specialized and painstaking care is given to ship top quality products.

Howell Exposition

The first Howell Area Exposition in commemoration of Howell's centennial was held at the new Howell Armory on March 15, 16, and 17.

The following people won \$10.00 gift certificates which were given away by the sponsors: Howell Jaycees, and the Howell Area Chamber of Commerce. Each certificate is redeemable in merchandise at any of the Exhibitor's businesses:

A. C. Henry, Fowlerville; Crystal Handy, Oak Grove; Sue Spagnuolo, Fowlerville; Virginia Robinson, Brighton; Mrs. Jess Spaulding, Howell; Harold Anderson, Howell; William Deal, Howell; Robert Cotes; Eva Rander, Fenton; Nan Allen, Howell; Graham Ziegler, Howell; Harold Hicks, Fowlerville; Florence Withersell, Howell; Brad Teagan, Detroit; Dr. H. J. Benson, Howell; Dennis Maher, Howell; Dick Galloway, Fowlerville; John Townsend, Howell; Anna Green, Fenton; John Field, Brighton; Larry Giegler, Lennon, Mich.; Earl Smith, Howell; Dorothy Doyle, Pinkney; Donald Rosinski, Howell; Tom Longeway, Howell; Mrs. James Marvin; Lewis Gerhart, Howell; Kenneth Housner, Howell; Peggy Park, Mt. Pleasant; Mrs. Loyd Ricketts, Howell; Hazel Morlock; Mrs. Fred Hibner, Howell; L. Dieterle, Howell; Frank Paquette, Howell; Stan Lowe, Howell; Carol Gaines, Lima, Ohio; Frank Hartman, Howell; Ronald Kalen, Howell; Earl Holley, Howell; Catherine Munsell, Fowlerville; Dick Elled, Howell; Dennis Johnides.

Detroit; Jesse Falcon, Howell; Bud Erwin, Howell; Mrs. Orville Reams, Howell; and Trudy All, Howell.

Two oil paintings by artist Ralph Flournoy, given as prizes by Shippy's Color Center were won by two women from Fowlerville.

Estimates on the number of drapery pins in a glass bowl were entered by contestants. The correct amount totaled 1481 pins.

Mrs. Hazel Marlow won first prize with a count of 1478. The second prize went to Mrs. Ruby Holmes who had made a guess of 1468.

Girl Scout Planning Board Elects Officers

The meeting of the Girl Scouts Junior and Senior Planning Board was opened at 10:30 by Sue Kourt, President.

The minutes of the previous meeting were read and approved by all the delegates. Dues were collected, and amounted to \$14.00.

Mrs. Charles Pless, of Brighton, and Mrs. Sam Jones of Fowlerville, were re-elected planning board advisors.

The Constitution of the Junior and Senior Planning Board of District IV was read over by Sue Kourt. We discussed, and added an Amendment to the Constitution.

The 1963 officers were elected, as follows:
