

## Fowlerville Fair Runs Thru Sat.

FOWLERVILLE — Crowds from Livingston County and adjacent areas are flocking to the 77th annual Fowlerville Fair which opened its gates yesterday (Tuesday).

Activity will continue every day through Saturday.

Wrestling matches will be held tonight and harness racing which started today will again be scheduled for Thursday and Friday afternoons at 3:00 p.m.

This year again as last there will be two parades. The 4-H Clubs will present their parade on Thursday evening just before their annual Horse show and Talent Show. The open

Class Parade and the machinery along with the 4-H Champions will parade on Friday evening.

On Friday at 8:00 p.m., the Fair will feature the Hurricane Hell Drivers in a display of automobile thrills.

The final night will be capped Saturday with two performances of the Frosty Folies Ice Capades, one at 7:00 and the other at 9:00.

Children of school age are admitted free to the Fowlerville Fair at the gate at all times. This year they will be admitted free to the grandstand each afternoon.

## Pegs Enjoy Swim July 17

The Pegs of Pinckney had another enjoyable picnic lunch and swim at Bishop Lake, July 17. Another picnic is planned for Aug. 21 at Bishop lake at noon.

## Violations Increase In U. S. Mail

Pinckney's postmaster, Lawrence Baughn has received news release from Washington, D. C., that should interest the many Pinckney postal patrons, especially those who, within the past two or three years have filed complaints at the local post office concerning the violation of the mail obscenity laws in this community. The following is what Postmaster Baughn received:

Arrests and convictions for

violation of the mail obscenity laws soared to new, record-setting heights during fiscal 1963, and were up 100 per cent over fiscal 1960, Postmaster General J. Edward Day announced today.

In releasing the summary of obscenity law enforcement action for the fiscal year ended June 30, the Postmaster General said: "If further evidence were needed that the proper avenue to follow in enforcing

the mailability laws is criminal action rather than administrative penalties, I believe these statistics should lay the question to rest."

The year-end report indicates 761 arrests for violation of the mail obscenity laws during fiscal 1963 — an increase of 25.8 per cent over the number of arrests in 1962, and a 96 per cent increase over arrests in 1960 — the last full year in which administrative procedures were used in an effort to curtail use of the mails to disseminate obscene matter. Day ordered abandonment of administrative action and a stepped-up enforcement of the criminal statutes within weeks after assuming office.

Convictions in fiscal 1963 for obscenity law violations totaled 637 — a 26.6 per cent increase over fiscal 1962, and a 108 per cent increase over fiscal 1960. Fines totaling \$53,530 were levied against convicted offenders.

"We are continuing the toughest possible crackdown on those who deal in obscenity through the mails," Mr. Day said. "To facilitate this, we are working very closely with other law enforcement agencies, including the Criminal Division of the Department of Justice, and the FBI, local police departments throughout the nation, and Interpol — the International Criminal Police Organization."

"The success of these actions is evidenced by the unprecedented number of arrests and convictions for this offense during the past several years."

Among the significant arrests and convictions during the fiscal year was that of Ralph Ginzburg, who operated as Eros Magazine, Documentary Books, Inc., and Liaison News Letter, Inc.

More than 35,000 complaints were filed by patrons who received through the mails advertisements for the magazine Eros described as "a new quarterly devoted to love and sex."

Investigation by Postal inspectors culminated in the conviction of Ginzburg and his three firms at Philadelphia, Pa., on June 14, 1963, on 28 counts of violating the postal obscenity statute.

## Livingston County Democrat Women Held Luncheon

The Livingston County Women's Democratic League met Wednesday, July 17, at the Hamburg Township Hall for luncheon and their first election of officers. Mr. John Desch of Lakeland was elected president.

Future activities on the League's agenda are: Ladies Day for the Democrats at the University Student Union, on the campus of the U of M, Lansing, on September 14. The theme will be "Dollars and Sense—A stitch in Time Saves Nine". The morning session will deal with state affairs and the afternoon will be spent on national problems. On this day the Livingston County Club will man the reception desk. They have also been asked by the state committee to design and furnish name tags.

The Board Meeting and the name tag committee meeting will be held on Wednesday at 8:00 p.m., July 30, at the home of Marilyn Katola, Genoa Township.

The regular monthly meeting will be held Wednesday, Aug. 14 at the Hamburg Township Hall. The members of the Deertield League will be the guests of the Livingston County League.

The old advice, "work hard and pay your debts," can be reduced to "pay your debts" — you'll have to work hard.

## Bridge Over Huron River Nears Completion

The new bridge over the Huron River on the Hamburg Road is nearing completion, as above photo shows. The contract was let last March 13 to Gallagher Co. of Novi, for \$50,950, on the 135-foot long structure to replace the old iron bridge which collapsed last September 28. It is expected that the bridge will be opened to traffic later this summer, with the contract calling for completion in October.

Photo at right shows the school bus which was dropped several feet when the bridge collapsed on Friday morning, September 28 as Donald Fischer drove over it. The bus was loaded with 50 school children from the Winans Lake and Hamburg schools, but no one was injured in the accident.

## St. Marys Homecoming To Start Next Sunday

The annual Homecoming of St. Mary's Church which probably attracts more visitors to the community than any other event, will take place next Sunday, July 28.

Mrs. Leland Grant is serving as general chairman of the

event. Mrs. Lucius Doyle, Jr. is publicity chairman.

Dinner will be served from 12:30 to 5:00 p.m. in the parish hall. The menu this year will include 1/2 barbecued chicken per serving and the following to be family style: Mashed potatoes and gravy, salad, rolls and butter, home made pies, and beverage.

Booth games, refreshments and fun for all will be an added attraction offered on the school grounds.

Each Guild will be in charge of a booth: St. Theresa Guild will be displaying Religious Articles. St. Jude Guild will serve coffee and sell aprons. The St. Gerard Guild will have the Variety and Parcel Post Booth. The St. Gregory Guild will feature Pony Rides, the Fish Pond, Ice Cream and Pop Corn. Our Lady of Fatima Guild will have Baked Goods and the games of Penny Pitch, Cane Booth, and Throw Ball.

## Library News

New books this week include:

Taylor, "Encyclopedia of Gardening," the most complete and authoritative one-volume work on the subject, and covers every conceivable gardening question. Well indexed, cross-referenced and beautifully illustrated.

Lofts, "The Concubine," a story of Anne Boleyn — historically accurate and emotionally convincing which gives the reader a better understanding of King Henry VIII's England.

Miss Read, "Miss Clare Remembers," a simple heart-warming story of the life of a teacher in a quiet English village, covering the period from Queen Victoria's Jubilee to the present, and presenting a picture of the changes which took place in rural England during that time.

Get your overdue books in now. Fines suspended until August 1.

## New (MEA) Field Representative For Region 8 & 10

LANSING — Herbert C. Surtman, 28, became the Michigan Education Association's (MEA) field representative for MEA regions eight and ten on July 15. This area includes the cities of Lansing, Brighton, Flint and Lapeer and the counties of Eaton, Ingham, Livingston, Clinton, Shiawassee, Genesee, and Lapeer.

As field representative Surtman will act as liaison between state and local units of the MEA. His main duties will be to extend the services and programs of the MEA to its members and to improve the status of the teaching profession.

Married, with two children, Surtman has been teaching business education in Riverview for the last six years. He holds a bachelor's and a master's degree from Eastern Michigan University.

Surtman has been active in state and local education groups. He was president-elect of the Riverview Education Association in 1962-63 and chairman of that group's Tenure Study Committee. He was also a member of the MEA's Professional Problems and Salary Committees. In addition, Surtman has been chairman of the Business Education Evaluation Committee preparing for North Central Association accreditation.

Surtman succeeds Robert Richards in region eight and Donald Giese in region ten. Richards will be handling MEA student affairs and Giese will be office manager and field representative for regions six and seven.

## A Birthday Marjorie Stauffer Will Always Remember

WRITTEN BY  
Rev. Stauffer

Last Sunday, July 21, 1963 will be a day that will be forever remembered by a local housewife and mother.

Marjorie Stauffer, wife of Melvin Stauffer, pastor of the Mennonite Church of Pinckney, could never have guessed what was about to happen!

Throughout the morning, between and after the services, there were excited whispers from every quarter. "Do you think she knows?", and "How

many do you think will come?"

The entire church had planned a gala surprise to be held at the pastor's home immediately following the morning services. (After all, when you forever leave the good old "twenties" behind, it's worth a celebration.)

A family from Fowlerville had made previous arrangements to have the Stauffers in their home for dinner, so Marjorie did not become suspicious when she saw a friend's car turn into the drive at her home.

A number of families quickly arrived, and others then followed in quick succession, car after car until there were 59 people present for the great event.

A pot-luck dinner had been planned, and as the trays of mouth-watering goodies continued to be brought from the cars, one table after another was added to the growing line.

What a feast followed! There was beef roast, hot from the oven, meat- loaf, char-coal grilled hot dogs, cold cuts, fruit salads and vegetables salads and more salads, baked beans, cheesecake, and every other kind of cake, pie, potato chips, cool-aid, and then all the home-made ice cream they could eat. Plain vanilla, then vanilla with english walnuts, then more Mr. and Mrs. Bourne and

vanilla, until each one was definitely and delightfully filled to the brim!

Marjorie's gifts included pairs and pairs of nylon hose, perfumes and colognes, a covered pie-pan, home-made woven pillow, and cash for her purse. Guests included the Walter Eschs, Paul Yoders, and Verle Headings, all of Ann Arbor; Sidney Brubakers from Plymouth; Arnie Millers from Silver Lake; Dan Slabaugh from Whitmore Lake; Clarence Beachys from Fowlerville; Wayne Stutzmans from Dexter;

Wayne Dillers from Buck Lake; and Anne Long and Irene Bokros from Pinckney.

After the noon meal, an old-fashioned hymn-sing was held, in which two rows of singers sat facing each other, just a few feet apart. Someone would suggest a hymn, and then someone else would lead it as it was sung.

At the close of the hymn-sing, the pastor presented to his wife a magnificent oil painting nearly four feet in length. It created gasps of awe and delight. It was a picture of

a shipwreck, where rocky shoals had previously sunk a ship and claimed its victims. The rescue ship is just leaving the scene, and the seagulls are hovering overhead.

"I have titled the painting," said the pastor. "It is called, 'Life Without You', for my life without you would be just that, shipwreck!"

As the hour of 11:00 P.M. drew near, and the last guests had said good-by, Marjorie knew in her heart that this would be a birthday to remember.

## 42 Persons Injured in Traffic in County

A rash of minor traffic accidents hit Livingston County during the past week involving 52 vehicles in which 42 persons were injured.

The order of the day seemed to be running into trees, rear-end collisions, rolling cars over, drivers falling asleep, and failure to obey stop signs.

The State Police and Sheriff's department were kept on the run policing the various accidents on county roads, but luckily there were no fatalities.

The wreck causing injuries to the largest number of people occurred when Allen A. Blom, 31, of Detroit, failed to

stop for a stop sign on north-bound Kensington Road and his automobile was stuck broadside by a magnificent driver by Charlie E. Quicksill of New Jersey. Ten persons received injuries in this crash.

The county accident report for the week includes 17 property damage accidents, 16 personal injury accidents in which 42 persons were injured and 52 cars were involved in the rash of wrecks.

## Local Woman Has Attack

Mrs. Mollie Grant, headcook at Bev's Restaurant in Pinckney, had a heart attack Monday morning while she was on duty. She was taken to St. Joseph's Mercy Hospital, Ann Arbor, in the Swarthout

ambulance. Since that time Mrs. Grant has had several more attacks and is at present listed as being in critical condition. She is expected to be in the hospital at least three more weeks.

Mr. and Mrs. Roy Hoett of Rush Lake were dinner guests of the Francis Sheehan's Friday afternoon.

Mr. and Mrs. John Lundin of Hi-Land Lake attended a benefit Hawaiian Hula in Sterling Township on Saturday evening.

Mr. and Mrs. Russell Clark and family were on vacation this past week. They drove through western Michigan and along Lake Michigan, stopping at Ludington and various other points. A tour through the Kellogg plant in Battle Creek was an interesting highlight of the trip. The Clarks spent the week end with Russell's brother and his family, the Jack Clarks. David, the oldest son of the Russell Clarks, evidently had just too much vacation—he had been rather sick for several days.

Mr. and Mrs. Robert Ackley and Margaret called on Mrs. Irene Jack who is recuperating at the home of her daughter Mrs. Ronnie Hoskins in Fern-dale. Mrs. Jack is reported to be feeling quite good these days.

Mr. Ackley is doing some recuperating himself these days. While bending over he hit a corner of a chair, and when his chest still hurt the next day he took his problem to Dr. Duffy and discovered he had a cracked rib.

Miss Sharon Muringham of Howell, 13 years old, has been staying this week with her grandparents, Mr. and Mrs. Dwight Wegener. Sharon helped her aunt, Nancy Wegener, celebrate her birthday Monday.

Mr. and Mrs. George Brun-ton of Rush Lake entertained their two daughters and their families for dinner on Sunday. Mr. and Mrs. Sveczpanowski and family were there from Livonia, and Mr. and Mrs. Hardt family came in from Berkley.

Michigan's highest and lowest points of elevation are only a few miles apart. The highest peak, rising 1990 feet, is in Baraga County, 14 miles west of L'Anse. Nearby, the bottom of Lake Superior is 1,020 feet down, 418 feet lower than sea level.

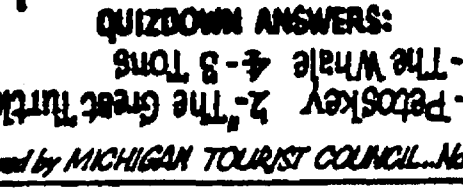

Mr. and Mrs. Joseph Griffiths flew home from Florida Monday morning. Their daughter, Mrs. Joanne Mattison and Mrs. Sharon Campbell met them at the Detroit Metropolitan Airport.

2- HISTORIC MACKINAC ISLAND, AN EARLY LANDMARK FOR EXPLORERS AND COUREURS DE BOIS, LATER A BATTLEFIELD FOR THE WAR OF 1812, WAS KNOWN TO THE CHIBWAS AS "MICHILMACKINAC." WHAT DOES IT MEAN?

### Booklet Describes Trucking in County

HOWELL — Livingston County plays a vital role in making truck transportation Michigan's fourth largest industry, according to data compiled by the Michigan Trucking Association.

Based on figures reported by the U. S. Department of Highway Department and by the Michigan Secretary of State, this county is "one of the vital cogs that does so much to keep our agricultural, industrial and commercial machinery running smoothly."

Three methods by which Livingston County participates in the over-all value of the trucking industry are reported in a new booklet published by the Michigan Trucking Association, entitled "Truck Transportation in Michigan."

One fact was that 3,110 trucks, valued at \$3,377,500, were registered to owners in Livingston County in 1961, the latest complete compilation available. This compared to truck registrations, with a value of \$427,485,350 throughout the State.

In the same year, 1,990 persons were gainfully employed in this county, with the total earnings of \$11,080,457, from various types of direct or indirect service to the trucking industry.

This figure compared to 292,168 truck employees, earning \$1,619,509 throughout Michigan. Statewide, trucking pays one out of every eight Michigan paycheck-earners an average of \$7,802 per year.

In addition to wages paid and trucks and other supplies and equipment purchased in this county, trucks also account for a substantial portion of taxes paid into Livingston County revenue coffers.

This money was derived from Michigan motor vehicle owners who paid \$224.5 million in special state highway-user taxes. Of this sum, Michigan's trucks paid \$68.7 million, or 30.6%, although they constitute only 11.5% of all vehicles registered. These figures do not include an additional \$41.9 million in special federal taxes of various descriptions.

Of the sum total of \$5,270,287, which represents the truck portion of all monies returned or expended in Livingston County in 1961, \$213,095 represented the truck portion of the county's share of user taxes and \$3,056,792 the truck portion of state, federal and bond fund expenditures.

"Livingston County can be proud of its contribution to the growth of the trucking industry in Michigan," stated Jack L. McNamara, Managing Director of the Michigan Trucking Association, in releasing the data assimilated by his office.

A program established by the Michigan Crippled Children's Commission for the training of child amputees in the use of artificial arms and legs was the first of its kind in the country.

### 4-H Members To Sell Fat Stock Friday Afternoon At Fowlerville

By DIANE GIBBACH  
County Extension Agent  
4-H Club Work

The climax to a year's 4-H Club work for many members enrolled in the beef project will be the fat stock sale.

The fat stock will be sold by Ed Gottschalk of the Howell Livestock Auction.

Members selling steers are Gaylord Dickerson, James Duncan, Catherine Munsell, Frank Munsell, Alan Jonckheere, and Arthur and Gordon Munsell of Fowlerville; Robert and David Riedel and Ricky Dodd of Brighton; Donald McGill, Mary Bollat, Johnny Bollat, Barbara Munsell, David Bain, Cindy Heall, Annette Heall, Sarah Jonckheere, Lauren Jonckheere, Bruce Peckens, Harold Peckens, Lynn Peckens, David Peckens and Kathy and Ralph Nichols, all of Howell.

Another phase of the steer feeding program which is

eagerly followed is the contest for the highest average daily gain. A special trophy will be awarded by the Howell Livestock Auction to the member who exhibits the animal with the highest average daily gain.

The fat stock sale will be held by Ed Gottschalk of the Howell Livestock Auction.

Members selling steers are Gaylord Dickerson, James Duncan, Catherine Munsell, Frank Munsell, Alan Jonckheere, and Arthur and Gordon Munsell of Fowlerville; Robert and David Riedel and Ricky Dodd of Brighton; Donald McGill, Mary Bollat, Johnny Bollat, Barbara Munsell, David Bain, Cindy Heall, Annette Heall, Sarah Jonckheere, Lauren Jonckheere, Bruce Peckens, Harold Peckens, Lynn Peckens, David Peckens and Kathy and Ralph Nichols, all of Howell.

## Local Divers Rescue Santa Maria

The Santa Maria sank! Not 451 years ago when Christopher Columbus sailed the ocean blue to discover America, but just a week ago Saturday while sailing on Portage Lake.

### Pinckney People You Know

BY DOLLY BAUGHN

Mr. Seth Benson has sent word to a friend in Pinckney that related his plans to leave Old Tappan, New Jersey, his home, to spend these next five weeks in Michigan for the purpose of attending a five week special course at Michigan State University.

Mr. Albert Fredenberg is a patient at the University Hospital, Ann Arbor. He has been absent from his duties at the Pinckney branch of McPherson State Bank "off and on" for nearly three months, all due to a slipped disc. His address for those "cheery messages" is 9th floor, University Hospital, Ann Arbor.

Mr. and Mrs. Jack Reason spent the weekend visiting the Andy Singers. The Singers are spending these two weeks at the Windy-Cliff cabin at Lovells, Michigan.

Mr. and Mrs. Oscar Beck had dinner at the Canopy in Brighton Sunday evening. "No special occasion," says Mrs. Beck, "just because I'm so nice!"

Mrs. Beck will be busy babysitting with 10-month-old granddaughter, Susie Tennenhouse, this next week while mother Karen moves from Ypsilanti to Ann Arbor.

Mrs. Helen Reynolds and Mrs. June Hendee were delegates of Putnam Township to attend the Women's Democratic Club last Wednesday held at the Hamburg Township Hall. A luncheon preceded the afternoon business meeting.

### Council Meeting

REGULAR MEETING  
July 9, 1963

Meeting called to order by President Stanley Dinkel, followed by roll call. Present: Tipplady, Clark, Lavey and Doyle. Absent: Swarthout and Russell.

Motion by Clark, supported by Tipplady, that some of the village sidewalks be repaired. Carried.

Motion by Lavey, supported by Doyle, to allow bills to be paid, as read. Carried.

Detroit Edison, street lights. \$158.10; Christine Dinkel, care of flag, \$6.00; Robert Egeler, Marshall's salary, \$125.00; Van's Motor Sales, gas and repairs, \$7.74; Pinckney Dispatch, printing, \$7.25; Martin Markus, major streets, \$149.00; Lorenzo Murphy, balance of 1962 salary, \$75.00.

Motion by Lavey, supported by Clark, to adjourn. Motion carried.

Robert Ackley, Village Clerk

Dale Smith, 26, living at 810 Third Street, is the owner, and constructor of the late Santa Maria. He spent his leisure hours during the past year building this 13 foot, square

rigged, near to being an exact replica of Christopher Columbus' flagship as possible, only to have strong winds come up suddenly last Saturday, shortly after the craft was successfully launched, and dished water over the gunwales, sinking the ship — pronto!

The two-man sailing craft was loaded with 900 pounds of concrete ballast, which probably added a great deal to its sinking.

As the Santa Maria was sinking, a most alert passerby, Dick Davis, 10 year old son of the Len Davis' of Fox Pointe, Portage Lake, in his aluminum row boat was the first to reach the sinking ship and he rescued the crew, consisting of Dale Smith the owner, and William Fisher, also of Ann Arbor. It seems these two sailors held so much faith in the craft, they had taken no precautionary measures with them, such as life preservers or life rafts on this first time

venture. In fact, it is understood young Davis threw a preserver to one of the "mates" enabling him to free himself from the sinking ship's riggings, in which he had a foot caught.

As the three left the scene in Davis' boat, it was decided that the Dexter Aquamarines, a skin diving club, would be asked to find the wreckage and attempt to raise the remains. That is exactly what they did, only to have the divers spend some 60 man-hours searching for the remains, all in vain!

By Wednesday things looked very discouraging, and then someone suggested that young Davis be contacted, and "perhaps he could point more definitely the place where the Santa Maria might be." This was done, and lo! and behold! it paid off! Davis took the skin divers to within 10 feet of the sunken ship, and with the aid of sonar, they located the craft, and an underwater survey proved the craft was sitting upright, all intact, 50 feet below surface resting on the bottom of Portage Lake.

It was raised Sunday, July 21, about noon, by relieving the craft of its 900 pounds of ballast and inflating air bags around it.

With a quick investigation of the ship it was conjectured by its owner, "it won't take too much 'fixing' before it will sail once again! and good as new."

### GREGORY

Mrs. Dan Howlett and family vacationed several days last week in Curran, Michigan.

Mrs. Luada Marshall, Mrs. Ila Robeson and Marie, attended a shower for their niece in Rives Friday.

Mr. and Mrs. Clarence Embury entertained Mr. and Mrs. Clyde Meabon, Mr. and Mrs. Leonard Meabon and Don and Mr. and Mrs. Pete Jaskot and Steven for a birthday dinner Sunday.

### 10-Year-Old Lad Gets First Place

The Huron-Portage Yacht Club had their sixth sailboat race for this season Sunday, July 21, on Portage Lake.

In the cruising class, 10 year old Dick Davis took 1st place. He was sailing a Flying Dutchman, Jr. There were no second or third qualifiers in this race.

In the Lightning class, Dennis Stevens came in 1st, Neil Vogt second, and Dick Boden, who has chartered the Dr. Robert Bird's craft, "Oh Me" for the season, came in third. The first three in the Rebel class were Dr. John Bartlett, Commodore Thomas Ehnman, and then Len Davis.

Red Richards captured first in the Snipes division. Dr. Louis Kivi, second, and John Swisher, III, was third. Dr. Avery Bartlett crossed the finishing line first in the Flying Scotsman event with Earl Merriman second, and Dr. Virgil Hawes third. The next scheduled race will be a night race August 3, at the usual place, and starting time will be 2100!!

A group of interested citizens, similar to that group attending the May regular meeting of Putnam Township board, turned out for the regular meeting of the board last week, seeking some action toward the zoning of Putnam Township. Supervisor Stanley Dinkel advised this group that a meeting will be held the latter part of August, at which Mr. Hans Haugard of Howell will be guest speaker. Haugard is Livingston County Extension agent community services.

Public announcement will be made in ample time prior to this meeting for those interested in attending.

## HAMBURG TOWNSHIP ANTI-LITTER ORDINANCE

Health, Sanitary, Safety and Protective Measures

#### SECTION I

Ordinance to regulate health, sanitary and safety conditions throughout the Township, to provide penalties for violation of any of the regulations or conditions contained therein.

#### SECTION II

Rubbish disposal: It shall be unlawful for any person to dump rubbish or waste materials on any land in Hamburg Township except in and on Public or Private Dumping Grounds as may be provided for the purpose. It shall be unlawful for any person to dump rubbish or waste materials within the right-of-way of any public street or highway, or park. All public or private Dumping Grounds shall be located not less than one hundred (100) feet from any public street, highway or park; nor less than five hundred (500) feet from any inhabited building, and/or recorded residential subdivision. Such dumping grounds shall be reached by a suitable service road of adequate width to permit safe travel. All such dumping grounds shall be burned, leveled and covered with a layer of dirt as often as necessary to eliminate odors, minimize rats and vermin.

#### SECTION III

Promiscuous Litter of Junk in Proximity of Dwellings or on any Lot, Parcel or Tract of Land in Hamburg Township: It is hereby specifically provided that any promiscuous litter of vehicles that are not in running condition, or unsightly accumulation of junk equipment, machinery, and/or parts thereof, and/or used materials located either in the proximity of a dwelling or on any lot, parcel or tract of land in Hamburg Township shall not be considered a "Junk Yard" or "Used Material Yard". Such an existing condition shall be "Illegal" to be abated in the public interest within fifteen (15) days from the date of complaint notice served either by mail, posting of the property, or personally by Township Supervisor of Hamburg Township, Livingston County. Each day said illegal use continues unabated after the expiration of said fifteen (15) days complaint notice shall constitute a separate offense and violation subject to action and penalties as provided by this ordinance.

#### SECTION IV

Any one who operates and maintains a bona fide business shall maintain and store all their essential equipment and material in a neat and orderly fashion.

#### SECTION V

Penalties: Any person, firm, association, or corporation who shall violate any rule, regulation, or condition of this Ordinance or shall operate the same without a license shall upon conviction thereof, forfeit a sum not to exceed one hundred (\$100.00) dollars together with the cost of prosecution or be imprisoned in the county jail for a period of not more than ninety (90) days, or both such fine and imprisonment in the discretion of the court.

#### SECTION VI

Any person, firm, or corporation, or his or its employees, agents, or officers who shall violate the terms and provisions of this ordinance, shall be guilty of maintaining a public nuisance and shall be guilty of misdemeanor and shall be punished as provided in Section V hereof. The continuance of such public nuisance as hereinbefore referred to shall constitute a nuisance per se and the same may be restrained by proceedings in the Circuit Court for the County of Livingston, State of Michigan, upon complaint of the Supervisor and Clerk of Hamburg Township and the institution of such proceedings shall not be a bar to the arrest, prosecution and conviction of any person, firm, or corporation violating the terms and provisions of this Ordinance or any suit to recover such penalty in an action of law.

#### SECTION VII

Sections of this Ordinance shall be termed severable, and should any section or provision of this Ordinance be declared by the Courts to be unconstitutional or invalid, the same will not affect the validity of this ordinance as a whole or any part thereof, other than the part declared to be unconstitutional or invalid.

#### SECTION VIII

This Ordinance shall become effective thirty (30) days after the first publication in accordance with Act 191, of the Public Acts of 1939, as amended.

Signed: FRANCIS SHEHAN, Supervisor

## Mobile School For Michigan Bell Employees

The one-room schoolhouse is making a comeback, this time on wheels!  
The Michigan Bell Telephone Company has begun using a mobile classroom to train its plant construction forces throughout the state.

A converted mobile home, the portable classroom is towed from community to community and set up outside the local Michigan Bell garage. The mobile classroom can accommodate from eight to 20 students.  
An instructor travels with the unit, ensuring that the same training methods are taught throughout the state.  
The eight by 40 foot trailer is equipped with folding chairs, visual aids, and the various types of telephone equipment needed to simulate local field conditions. An easel and a screen for viewing films are hung from the ceiling. The trailer is air conditioned in the summer and heated in the winter.

More than 1,200 construction men have attended classes in the portable classroom at 26 locations, extending from Detroit to Petoskey. The initial course covered new cable handling and testing techniques. A new course in cable maintenance and the operation of a man-carrying bucket lift is being developed.  
Eugene T. Joyce, general construction superintendent for Michigan Bell, said the mobile classroom has cut training costs by at least 50 per cent.  
Students are enthusiastic about the new mobile classroom. The training is geared to the types of equipment used in each locality.

cut traveling time, and students can park their cars outside the "school." At night, they can drive home to be with their families.

Money talks and it usually is talking about taking care of itself.

THIS SIMPLE FORMULA  
CAN SAVE YOUR  
LIFE:-

DS + BT = S. S.

Four out of five auto accidents happen because a driver doesn't allow enough braking time for a safe stop when unexpected danger occurs.

And, on today's heavily-traveled city streets and high-speed highways, unexpected danger is common.

But you can make the difference between smash-up and safety every time, by using this simple formula: D. S. + B. T. = S. S. (Danger Sighted + Braking Time = Safe Stop)

It's the Space Age on the highway, too. Leave enough between you and the other fellow!

## Ford Made Name for Car With Racing

From News Department  
Ford Motor Company

If Henry Ford still were alive, what might the maker of the Model T, the Model A and the industry's first low-priced V8-engine cars think of the products Ford Motor Company is building today?

No doubt he might grumble about the 90 models offered. He might look on today's colors and interiors as frivolous. Probably he would admire the size and economy of the Falcon and Comet cars as "practical." The Thunderbird and Lincoln Continental might receive his approval as "mighty comfortable" and perhaps — in black — as "elegant."

But of all Ford Motor Company's 90 models, the ones which probably would spark Ford's greatest enthusiasm are the 1963 1/2 high-performance cars.

Older folks remember Henry Ford for the Model T and Model A Fords they learned to drive. But their fathers probably remember Ford as the man who set the world's record for the flying mile at better than 90 miles an hour in 1904 with his famous racer, the "999."

### Loved Racing

Henry Ford loved automobile racing as a sport. Further, he foresaw that victories and records on the race track could provide the recognition that would make his planned passenger car stand out among the many makes competing for attention in the infant auto industry.

It was about 1900 when Ford first turned to the idea of building a racer. His Detroit Automobile Company had been turning out a car which Ford considered too expensive. Apparently he wanted to make one that would be both better and less expensive, but his stockholders vetoed the idea. In November, 1900, the company surrendered its charter and went out of business.

"I never thought anything of racing," Henry Ford remarked years later, "but the public refused to consider the automobile in any light other than a fast toy. Therefore, we had to race."

Whatever the source of the impulse, Ford determined to build a racer and use it to achieve recognition. His first race car had two opposed horizontal cylinders with a bore and stroke of seven inches. Eventually it developed 26 horsepower.

On October 10, 1901, Henry Ford, faced Alexander Winton of Cleveland at the starting

line on the Grrosse Pointe Blue Ribbon Track near Detroit. The Winton machine, although rated at 70 horsepower, was heavier than that of Ford, who already displayed a preoccupation with lightness that characterized his later Model T.

Ford won, covering the 10-mile distance in 13 minutes, 23 and 4/5 seconds.

### Publicity Feature

Shortly thereafter, the Henry Ford Company was incorporated. And, since the racer had helped make possible the new company, Ford determined to keep racing as a vital part of publicity for the firm.

Accordingly, March, 1902, found design of a new racing car well under way. However, Henry Ford shortly left the Henry Ford Company and joined forces with Tom Cooper, a bicycle racing champion.

Messrs. Ford and Cooper, setting up shop in Detroit, proceeded to design and build "The Arrow" and "999," the latter car being named after a New York Central train widely known for a record run between New York and Chicago.

The wheelbase and tread of the cars were greater than those of any previous American racing car: they measured nine feet nine inches and five feet two inches, respectively. The engines developed 70 h.p.

from four cylinders of seven inches' bore and stroke.

"The roar of those cylinders alone was enough to half kill a man," Henry Ford recalled later. "I did not want to take the responsibility of racing the '999' and neither did Cooper." However, Cooper recalled another bicycle racing champion named Barney Oldfield.

"Oldfield had never driven a car before," Henry Ford recalled some years later, "but he liked the idea of trying it."

### Oldfield Takes Wheel

Ford's racer, driven by Oldfield, met Winton's in a five-mile event at the Grrosse Pointe track for the Manufacturers' Challenge Cup on October 25, 1902. Oldfield opened up at once, did not slow down for the turns, and finished a lap ahead of his nearest competitor in five minutes, 28 seconds — an American record.

Oldfield always believed that his contest with Winton launched him on the great career he enjoyed in automobile racing. He is reported to have told Mr. Ford that each of them "made" the other — Henry Ford by building the car, Barney Oldfield by driving it.

Ford raced his way to more publicity and a third opportunity. On June 16, 1903, Ford Motor Company was incorporated. Six months later the new company had a line of three cars.

To attract attention to one of them — the Model B, intended to sell for \$2,000 — Ford resumed the role of driver. He announced that he would break the world's speed record with a four-cylinder engine substantially identical to that of his new Model B Ford car.

### Ford Better 90

On the morning of January 12, 1904, Henry Ford settled himself in the "999" and headed the car down a three-mile cinder course on the ice of Lake St. Clair northeast of Detroit. On that cold winter morning, witnessed by officials of the American Automobile Association, an automobile exceeded 90 miles an hour for the first time in motoring history.

As it had been born, so Ford Motor Company was catapulted ahead by Henry Ford and his racer. For the next decade — whenever steep grades, rough roads, mud or water obstacles had to be encountered — Ford cars did astonishingly well.

In those years half the cities of the land seemed to be staging automobile contests of some kind. Chicago had its annual Algonquin Hill Climb, Washington had its Sociability Runs, New Haven its Shingle Hill contests, and so on.

In 1831, President Jackson appointed Stevens T. Mason to the office of Secretary and Acting Governor of the Michigan Territory. Only 19, he was the youngest American to ever receive such an honor.

PRACTICING FOR the annual Fun Golf Contest are David Holdcraft and Carol Scott, which will be held at the Fun Golf on West Grand River, Brighton. All boys and girls are invited to participate as there is no age limit and the contest will be staged three Tuesdays in August, the 6th, 13th and 20th. Trophies will be given winners.

Each year, more people are striking it rich in outdoor fun collecting rocks and minerals in Michigan. Specimens that may be worked into pendants, earrings, and other jewelry are found in a number of places with the foremost area being the Keweenaw Peninsula—"Copper Country." Shores of Lake Superior are some of the best collecting places; colorful agates and thomsonites are much sought after along pebble beaches. Waste rock dumps of old copper mines offer excellent opportunities for finding such treasures as datolite. Another rock that takes a gem-like finish is jaspilite, found in the Marquette region of the "Iron Country." Garnet and magnetite are other popular collector's items from this country. Among the lower peninsula's outstanding display specimens are calcite crystals, located in limestone quarries near Monroe. The Petoskey stone, a fossil common in beach rubble along the south shore of Little Traverse Bay, rates high on the wanted list of many "gem" hunters. To learn more about rocks and where to find them, write the Department of Conservation, Publications Room, Lansing 26, for a free copy of "Collecting Minerals in Michigan."

### Big Things Come In Small

**E. S. GEORGE RESERVE**

Big Things are coming out of small packages on the E. S. George Reserve this summer. The lives and habits of water mites (tiny creatures related to spiders and chiggers) are the concern of a research team of four persons — including one internationally-known investigator from Japan. He is Professor Taiji Imamura of Ibaraki University (near Tokyo) who is currently about halfway through a two-month stay on the Reserve.

Water mites live in ponds and streams and are parasites on a wide variety of insects (as many as 27 have been counted on a single mosquito!). Since these animals have been a subject of considerable interest on the Reserve, Dr. Imamura's visit will greatly assist the studies as well as provide him with an opportunity to observe American water mites first hand.

This is Prof. Imamura's first visit to the U.S. He has shown a lively interest in learning American ways, and has been particularly impressed by the prominent place of women in our community affairs. Dr. Imamura believes that the refrigerator is the one convenience which has enabled women to find time for outside activities. He hopes, therefore, to purchase one for Mrs. Imamura on his return to Japan.

Prof. Imamura will leave Pinckney in mid-August to attend scientific meetings in Washington, D.C. He expects to tour the U.S. until some time in October, at which time he will fly back to his home and family in Mito, Japan. Residents of the Reserve will miss such delicacies as seaweed tea and smoked dried squid when he departs.

## Constructs Own Telescope

Henry Gordon, age 14, of 202 S. Seventh Street, Brighton, is shown here preparing to fasten the viewing screen to his telescope to observe the eclipse of the sun last Saturday. In accordance with safety precautions, the mirror intercepts the image of the sun and projects it through the eyepiece, onto the screen.

The telescope is a 6-inch f7.8 reflecting type. The main tube is 54 inches long and the complete assembly weighs 80 pounds. The mounting has three babbitted bearings for ease of adjustment. The complete telescope represents 275 hours of work.

Henry started working on it last October as a science project in school and completed it in April of this year. The main part is the mirror, which required many hours of grinding two glass blanks together, using different grits of abrasives at different stages of grinding.

Then comes the hours of polishing and testing as the finished mirror has to be near perfect to give satisfactory performance. With the exception of the main tube and the diagonal, all of the parts are made or shaped by hand.

It is a credit to Henry's patience as there are a good many telescopes started but very few are ever finished.

**TWO ENTRIES** in the Bass Contest, sponsored by Art's Sport Shop of Brighton, are held here by Richard Frost and Debbie Mudri. The bass held by Debbie weighed four pounds and four ounces, while the fish in Richard's grasp weighed three and one half pounds.

**BEACH DRESS**—Here's a quick and easy fashion made from a cotton terry bath towel. Fold hem together, cut at fold. Cut 5/8-inch curve for armholes, slight curve for necklines. Gather neck and bind with bias tape. Bind armholes, leaving 30 inches on each side for shoulder ties. Hem to desired length. By Cannon Home-Making Service.

In a final hectic week of play the Brighton Little League wound up in a 3-way tie. This is the first time this has occurred in the 10-year history of Little League in Brighton.

The Blues defeated the Greens 3-2 in the last scheduled game and the Oranges defeated the Golds to bring about this deadlock.

The Greens played the Oranges Monday and the winner played the Blues for the championship. Results will be in next week's Argus.

The Oranges started the week by defeating the Blues 1-0 on the one-out pitching of Mark Wenzel, a double by Roger Ritter, Eddie Gardner, Blues pitcher, limited the Oranges to a single by John Hardesty. Mark Wenzel scored the winning run after walking and scoring on a passed ball.

GUTH ANDERSON

6251 STEPHEN AVE.

AC 9-8216

Mr. and Mrs. Bob Anderson and son Tim and nephew Jared Page visited the DeWaters Art Institute in Flint a week ago Tuesday. They especially enjoyed the Bray Renaissance Gallery. Upon their return to Brighton they stopped off at Fenton Lake for the balance of the day.

Former neighbors of Mrs. Loid Allred were sorry to hear she was in the hospital. We all wish her a speedy recovery.

Mrs. George Belyea and Mrs. Robert Anderson spent a full day in Ann Arbor Thursday. They attended the Eleventh Annual Art Conference and the opening of the Annual Invitational Art Exhibit, at the Trueblood Auditorium. As students in oil painting, they enjoyed the Street Art Fair which will last through August 20. It was a pleasure to meet a local artist, Ralph Flournoy and his wife in one of the Street Booths. Both ladies have had hopes of displaying their art next year.

Bob Anderson spent Thursday night fishing for walleye in Lake St. Clair with his Uncle from Roseville. He is thoroughly enjoying his vacation by golfing every day the past week at Kensington, Salems Hills and the Farms.

Ronald Densmore was home on leave from the Kincheloe Air Base to visit his mother Mrs. Esther Densmore his sister, Mrs. Cooper and family and friends. He left Brighton Saturday afternoon.

Mrs. Delbert Densmore and son Douglas are expected to return for several weeks to stay with her parents, the Olivers in New Hudson. Her husband was shipped out on active duty for several weeks.

Mr. and Mrs. Genne Densmore have been residing with his mother since their return from Pennsylvania. They hope to find a place near Ann Arbor now that she has sold her home.

Mr. and Mrs. J. W. Page of Hillsdale and daughter Stephanie were weekend guests of the Bob Andersons. Their son Jared who was staying with the Andersons returned home with his parents Monday morning.

Mrs. Sylvia Hess, a scenic mural artist was very thrilled to have sold her first painting Friday. She had several of her works on exhibit at the Annual Street Art Fair in Ann Arbor. She sold three altogether. She took up painting some time last year and has thoroughly enjoyed it. Her mother and a sister were artists, her sister had done in some sculpturing. She thinks it would be awfully nice if all the artists in the area would get together to form a group and to have a Fair similar to the one in Ann Arbor. Perhaps during sidewalk days. We understand there are many such people in the area. Anyone interested please get in touch.

Mrs. Donna Hardesty and children with her sister and her family had taken a cottage at Portage Lake for a week. Their husbands joined them each night after work. They enjoyed some swimming and fishing while there.

Mrs. George Belyea and son Lance of Aldine dined at the Canopy Saturday. Later the two of them took Mrs. Arnold Clucky to see Robert Goulet at the Fisher in Detroit.

Mr. Belyea the same evening attended a stag Convention of the American Electrolaters Society at the Glen Oaks County Club.

## Ronald Farmer Finishes Drill In 4-Day Rain

BRIGHTON — Marine Private First Class Ronald C. Farmer, son of Mr. and Mrs. Charles Farmer of 5045 Culver Rd., Brighton, is serving with the Second Battalion of the Third Marine Division, a unit which recently participated in a joint U.S.-Republic of Korea amphibious exercise dubbed "Operation Flagpole" conducted near Seoul, Korea. The training exercise involved 67 ships plus numerous Marine air and ground units of both nations.

It ended June 28 as U.S. and Korean Marines secured their last objectives after four days shore combat in driving rain. "Flagpole" is similar to other operations periodically conducted by Seventh Fleet units with armed forces of Far Eastern countries to improve proficiency in amphibious maneuvers. It is aimed also at maintaining close working relationships between allied nations.

It consisted of a mock invasion force gaining limited control of parts of the Republic of Korea and requiring action by American and Korean forces to destroy the enemy and restore governmental control.

The George Goodalls enjoyed a lovely vacation in Traverse City. They saw the Cherry Festival for the first time. They visited the Scenic Gardens, swam, fished and boated.

Mrs. Jack Goodall attended a Surprised Bridal Shower for Kayla Hess of Richelle. The shower was given by Mrs. Kerchner of Island Lake. Their were about thirty ladies present.

## State Records 103 Drownings To Date in '63

There have been 103 drownings and 148 water accidents in Michigan this year through July 15, according to a provisional report by the State Police.

This compares with 106 drownings and 170 accidents through July 9, 1962. Of the accidents this year, 91 were fatal.

More detailed figures are available in only 118 of the accidents, the full reports on the others having not yet been received.

These show that 59 were fatal, 36 personal injury and 21 property damage only. There were 60 persons injured and the breakdown on types of accidents in which 69 drowned follows:

Ten boat operators, 15 boat passengers, 25 swimmers or waders, 3 fell through the ice and 16 fell from a bridge, bank, dock, pier or similarly. Of those in the latter classification or who fell through the ice, seven were children under 10 years of age.

## Rancher Glen To Entertain Brighton Camp

BRIGHTON — Rancher Glen, the Christmas Seal cowboy who has entertained more than one million Michigan youngsters, appeared at the Tamarack Camp in Brighton on Thursday, July 25.

A former radio and TV entertainer, Rancher brings a good health message urging the youngsters to develop habits that will help build strong bodies, thus reducing the possibility of serious damage should they be afflicted with tuberculosis or other contagious diseases.

Rancher is making appearances at similar camps throughout the state this summer. When school is in session, he entertains daily before grade school groups throughout the state.

He travels 25,000 miles each year to make the appearances under the sponsorship of the Michigan Tuberculosis and Respiratory Disease Association. His campaign on what he terms the "good health trail" began in 1955.

## Local Couple Move to Denver

ROBERT RODRIGUEZ

The Home Mission Board of the Southern Baptist Convention recently appointed one of its largest groups of missionaries for service in the United States. Included in the group were two local people, Mr. and Mrs. Robert B. Rodriguez, who will go to Denver, Colorado. Robert Benjamin Rodriguez has been appointed for Spanish work in Denver. He is a

graduate of San Antonio College, San Antonio, Texas; Baylor University; Texas Christian University, Fort Worth, Texas, and of Southwestern Seminary. Formerly a minister of education in a Spanish church in Fort Worth, he has also been a pastor-evangelist to Mexican migrants in the Texas Panhandle. His most recent work was as a pioneer pastor in Brighton. He is a native of San Antonio, Texas. Mrs. Rodriguez was named to served with her husband in work with the Spanish-speaking people in Denver. Born in Texarkana, Ark., she studied nursing at Baylor University, graduating from Texas Christian University.

## Goodwill Trucks To Make Pickup In Brighton

BRIGHTON — The next visit of Goodwill Industries pickup trucks to Brighton is scheduled for Tuesday, July 30. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative, Mrs. Don Larry, telephone number 229-8761.

Michigan pioneered in development and use of heavy motorized equipment for fighting forest fires. The federal government and other states are using ideas developed at the experiment station near Roscommon, only one of its kind in the nation.

## HAMBURG TOWNSHIP ANTI-LITTER ORDINANCE Health, Sanitary, Safety and Protective Measures

### SECTION I

Ordinance to regulate health, sanitary and safety conditions throughout the Township, to provide penalties for violation of any of the regulations or conditions contained therein.

### SECTION II

Rubbish disposal: It shall be unlawful for any person to dump rubbish or waste materials on any land in Hamburg Township except in and on Public or Private Dumping Grounds as may be provided for the purpose. It shall be unlawful for any person to dump rubbish or waste materials within the right-of-way of any public street or highway, or park. All public or private Dumping Grounds shall be located not less than one hundred (100) feet from any public street, highway or park; nor less than five hundred (500) feet from any inhabited building, and/or recorded residential subdivision. Such dumping grounds shall be reached by a suitable service road of adequate width to permit safe travel. All such dumping grounds shall be burned, leveled and covered with a layer of dirt as often as necessary to eliminate odors, minimize rats and vermin.

### SECTION III

Promiscuous Litter of Junk in Proximity of Dwellings or on any Lot, Parcel or Tract of Land in Hamburg Township: It is hereby specifically provided that any promiscuous litter of vehicles that are not in running condition, or unsightly accumulation of junk equipment, machinery, and/or parts thereof, and/or used materials located either in the proximity of a dwelling or on any lot, parcel or tract of land in Hamburg Township shall not be considered a "Junk Yard" or "Used Material Yard". Such an existing condition shall be "Illegal" to be abated in the public interest within fifteen (15) days from the date of complaint notice served either by mail, posting of the property, or personally by Township Supervisor of Hamburg Township, Livingston County. Each day said illegal use continues unabated after the expiration of said fifteen (15) days complaint notice shall constitute a separate offense and violation subject to action and penalties as provided by this ordinance.

### SECTION IV

Any one who operates and maintains a bona fide business shall maintain and store all their essential equipment and material in a neat and orderly fashion.

### SECTION V

Penalties: Any person, firm, association, or corporation who shall violate any rule, regulation, or condition of this Ordinance or shall operate the same without a license shall upon conviction thereof, forfeit a sum not to exceed one hundred (\$100.00) dollars together with the cost of prosecution or be imprisoned in the county jail for a period of not more than ninety (90) days, or both such fine and imprisonment in the discretion of the court.

### SECTION VI

Any person, firm, or corporation, or his or its employees, agents, or officers who shall violate the terms and provisions of this ordinance, shall be guilty of maintaining a public nuisance and shall be guilty of misdemeanor and shall be punished as provided in Section V hereof. The continuance of such public nuisance as hereinbefore referred to shall constitute a nuisance per se and the same may be restrained by proceedings in the Circuit Court for the County of Livingston, State of Michigan, upon complaint of the Supervisor and Clerk of Hamburg Township and the institution of such proceedings shall not be a bar to the arrest, prosecution and conviction of any person, firm, or corporation violating the terms and provisions of this Ordinance or any suit to recover such penalty in an action of law.

### SECTION VII

Sections of this Ordinance shall be termed severable, and should any section or provision of this Ordinance be declared by the Courts to be unconstitutional or invalid, the same will not affect the validity of this ordinance as a whole or any part thereof, other than the part declared to be unconstitutional or invalid.

### SECTION VIII

This Ordinance shall become effective thirty (30) days after the first publication in accordance with Act 191, of the Public Acts of 1939, as amended.

Signed: FRANCIS SHEHAN, Supervisor EDWARD RETTINGER, Clerk

## YOUNG, BEAUTIFUL, AND WHAT A FIGURE!

Certain houses, built in recent years, have a comely look about them. They're smart looking, unpretentious, neat and trim, cozy and companionable. Know the kind we mean?

Some of them are surprisingly moderate in price... all of them are cheaper than you could build today. Don't you owe it to yourself - and your family - to see what can be had in a house that's still young and lovely to look at?

# WHITMORE LAKE NEWS ...

BY MRS. SATTERLA

HI 9-4311

John Crawford, Ph.D., will have charge of Sunday morning worship services at Calvary Baptist Church, July 28, at 11:00 a.m.

Dr. Crawford, who with his wife, Gwen, helped a great deal in starting the Sunday school at Horseshoe Lake in the spring of 1947, which later became Horseshoe Lake Community Church, worked there about two years until they were called as missionaries to do linguistic work among the Indians in Mexico.

They spend their summers, usually at Norman, Oklahoma or at Twin Falls, N.D., as teachers for Wycliffe Bible Translators.

Come on out and renew old acquaintances and hear Dr. Crawford.

Mrs. Harold Seidel, Betty Gale Shackett, Emmett Satterla and nephew Gordon Glorin (Spanky) Satterla were at Newport Tuesday a.m. on business.

Mr. and Mrs. J. J. Martin held open-house Sunday, July 28.

14, honoring the 25th wedding anniversary of her parents, Mr. and Mrs. E. A. Thomas, Sr., of Joslin Lake Road, Gregory. Guests were present from Alpena, Detroit, New York, Mount Clemens, and Ann Arbor. Other children present were Mr. and Mrs. Walter Lutz and Mr. and Mrs. E. A. Thomas, Jr.

Mrs. H. N. Manning entertained the W.M.S. of Calvary Baptist Church at her home, Tuesday, for an all-day meeting. Before dinner Mrs. Satterla conducted the study of a chapter of "The Chains Are Strong," and after the bountiful luncheon Mrs. W. F. Nicholas conducted the study of "Better Vacation Bible Schools." If at any time you have a desire to join in these studies, you will be welcomed.

Mark, son of Mr. and Mrs. Jim Dockett, visited his friends, the sons of Mr. and Mrs. Jack Turnbloom, Monday.

Mrs. Raymond Prather of Sigourney, Iowa and her sister-

in-law, Mrs. Dewey Berry of Blisfield, called on her sister, Mrs. H. E. Satterla, Thursday afternoon. Friday evening Mrs. Satterla and family met her sister, Mrs. Anna Baker, at Willow Run Airport, who had flown in from Kansas City, Kansas, Saturday afternoon.

Gordon Satterla and family of Saline called on his mother and on Sunday Mrs. Satterla and family, Mrs. Charles Bieber and daughter Blythe Ann and B. D. Wilkinson of Milan attended the Berry family reunion at Palmyra Grange Hall at Palmyra, Michigan.

Mrs. Charles Bieber and daughter were Saturday evening guests of Mr. and Mrs. Richard Aseltine in Ann Arbor.

Cecil Rinesmith of Goodrich is ill with lobar pneumonia at the home of Mr. and Mrs. Clyde Ruppel. His mother, Mrs. Erma Davy, was with him Sunday.

Mr. and Mrs. William Randolph and daughters Jackie and Vickie of Maybee were Saturday afternoon guests of his mother, Mrs. Joe Howard. The girls stayed to spend the week with their grandmother, Joe Howard, Jr. entered St. Joseph's Mercy Hospital Monday for observation and possible surgery.

Harriett Satterla was a guest Saturday evening of Mr. and Mrs. Tom Williamson and Bill and Mary, celebrating Harriett's and B.D.'s birthdays. Later they attended the sequentennial festival at Clinton, and also visited her cousins, Alvin and Kenneth Satterla.

Miss Mildred Briggs and her sister, Mrs. Lloyd Babcock, and niece, Debbie and Cindy Vale, all of Blanchard, visited their sister and brother-in-law, Mr. and Mrs. Walter Tucker, Sr., for several days last week. The Tuckers received word from Grand Rapids of the very serious illness of their son-in-law, Arthur Howland.

Mrs. Jack DeLanois entertained 17 ladies at a baby shower for Mrs. William Smith of Ann Arbor Saturday afternoon.

Folks, I'm leaving today for one week at Camp Barakel, and expect to return Monday, July 29. If you have any company, go anywhere or have any news, will you please call my home, HI 9-4311, and tell it to my daughters. I'd greatly appreciate it.

Roger Clay, son of Mr. and Mrs. James Clay, and Connie, daughter of Mr. and Mrs. William Lewis, are spending this week at Camp Barakel too.

## CHEMUNG RIPPLES

Mr. and Mrs. Bruce Jones of Grand River have as house guest his parents, Mr. and Mrs. William H. Jones, who are former residents of Lake Chemung. The seniors Jones who now reside in Boca Raton, Florida, arrived on Friday, July 12th, and expect to stay for about six weeks.

Mr. and Mrs. Paul Clark and family spent Monday and Tuesday of this week in Kalamazoo.

Dave and Cindy Ahrendt have a new baby... a nine-month-old American Water Spaniel. I was watching Dave trying to give the new addition a bath in his back yard, but I think maybe the dog was giving Dave the bath!

Mr. and Mrs. William Heard and family had as Sunday guests Mr. and Mrs. Alton Copeland and family of Fowlerville, Dick Gates, also of Fowlerville.
