## The Way We Hear It

By Dolly Baughn

... progress is putting it mildly when speaking of the Pinckney Kiwanis Club sponsored Messiah choir! They boast having 68 members in regular attendance, with 15 churches represented from Brighton Gregory, Pinckney, Hamburg areas, and as far away as Fowlerville and Ann Arbor.

... one great need of this choir however, is that of a Harpsichord. They are trying desperately to rent, borrow, or obtain use of one by making repairs it may require. They would appreciate any information leading to one — and soon. Call Mrs. Doris Shetterloe or the Dispatch office, 878-3141.

... kindergarten children and first graders at Pinckney Elementary school received T. B. tests Monday morning this week. Also, children of this age group were transported to the Elementary from St. Mary's School for this test. It was a Livingston County sponsored project, and only those with parent's consent received the tests.

... there is a fund started at the Stockbridge State Bank for little 5 year old Tami Weilauf, whose father died October 6, and who still must undergo heart surgery, to close a small hole in the heart. The date for this operation was set before her father died, a T.B. patient, and her mother feels she must not cancel it or go back on Tami's father's wishes. Mrs. Weilauf will begin receiving her social security in six weeks time, but at present has no income, and anyone wishing to "help" may send contributions to the bank.

... Portage Lake property owners are happy to learn the board of supervisors of Washington County have put their o.k. on plans for a dam to be built that will raise and maintain a suitable water level in Portage Lake. During the past few years it has reached a very unsatisfactory, even a not too sanitary, level.

... a dozen and a half, or more, wives, sweethearts, and mothers may relax for a while! The big "All-Star" vs Hamburg Hell Cats football game is over — and with no serious injuries. The score of 6-7, favor of those Hell Cats, made a very exciting game, and both teams really played hard!

... the group of women doing door-to-door soliciting for the Putnam-Hamburg Community Chest Drive within Pinckney Village limits, completed their mission last week, and reports are that the amount was "quite satisfactory, considering that many people give at their place of employment." There were ten women who got out and worked hard in their attempt to collect funds.

... on November 27, a Wednesday, residents of Putnam Township, Pinckney Village included, will have the opportunity to vote on an ordinance granting the Consumer's Power Company the right to bring gas into the township for residential and business use for a period of at least 30 years. This should not be overlooked by the voters of Putnam, should it? Isn't this a step toward...

## Hamburg PTA To Hear Talk On Eye Center

The University of Michigan Medical Center's eye bank and program of sight restoration will be described to the Hamburg P.T.A. at their November 4 meeting by Phil MacBride. The project, known as the Michigan Eye Collection Center, is co-sponsored by the Ann Arbor Lions Club, and a number of other Michigan Lions Clubs have been assisting financially and with eye pledges.

A film on operations of the New York Eye Bank, with which the U-M is affiliated, will be shown. The Michigan Eye Bank was set up in 1957 to make healthy corneas available for persons suffering sight handicaps because of diseased corneas. In the past, patients undergoing corneal transplants often had long waits for the operation because healthy corneas were not available. Dr. Henderson, medical director of the eye bank has performed many such operations since the eye bank was started. The eye bank at the U-M Medical Center maintains a list of persons who wish to donate their eyes after death so that the sight of another person may be saved or restored. More than 7,000 Michigan residents have pledged their eyes, but eye bank officials say that many more are needed to assure a steady supply. Come and learn how you too can participate in this worthwhile cause. Hope to see you all there. Monday, November 4, Eight o'clock at the Hamburg School.

## Parents Night Will Be Held This Friday

What is known as "Parent's Night", sponsored annually by the P.H.S. Varsity Club, will take place during this Friday, November 1st, football game on Pinckney's Veteran's Memorial Field. Parent's of all football players will be admitted to the game, free of charge, according to Mr. James Bradley, Advisor of the Varsity Club. They will be seated together in one special section of the bleachers, and during half time be escorted to the center of the field by their son, and while wearing the same number as their son displays on his football jersey, be introduced to the remaining spectators. The pirates play University High, Ann Arbor, this week, 7:30 p.m.

## Prizes Offered For Costumes

All goblins, witches and ghosts around town on "trick or treat" night are invited to attend the party the Pinckney Elementary P.T.A. is sponsoring Halloween evening, October 31st from 7:30 to 9:30 p.m. in the parking lot behind the Pinckney General Store. There will be prizes offered for the best costumes, games for all, and a twist contest. Free cider and donuts will be served. The Village Council of Pinckney has contributed \$50 toward the refreshments. Each child attending is asked to give one item from his trick or treat bag to be donated to the children at the Howell Hospital.

# Fund Drive At \$3,000 With Two Weeks Left

## Camburns Installed by O.E.S. Library

Pinckney Chapter No. 145 Order of the Eastern Star held its installation ceremony Saturday evening at the Masonic Hall.

The program was opened by the retiring Worthy Matron, Emma Boyd. After the introduction of guests the following installing officers were escorted to the East and introduced: Installing officer, Carrie Griffith, P.M.; Installing officer, Sadie Moran, P.M.; Installing officer, Frances Robinson, P.M.; Installing officer, Carmen Porter, P.M.; Installing organist and soloist, Eloyse Campbell, P.G.O.; Installing officer of auxiliary officers Alberta Close. The Worthy Matron, Lucille Camburn, and Worthy Patron, Lawrence Camburn, were installed and escorted to the East by their grand-niece, Karen Sullivan, and grand-nephew, Don Sullivan, of Manchester. The Pinckney Assembly No. 67 Order of Rainbow for Girls formed an honor line through which the Worthy Matron and Worthy Patron walked on their way to the East.

Eloyse Campbell, P.G.O., sang "I Thank the Lord" for the Worthy Matron and Worthy Patron after they were escorted to the East, and "The Eyes of God" for the Chaplain while at the altar. The Past Matrons formed a heart around the altar and welcomed the retiring matron into the Past Matrons' Club and presented her with her past matron's jewel.

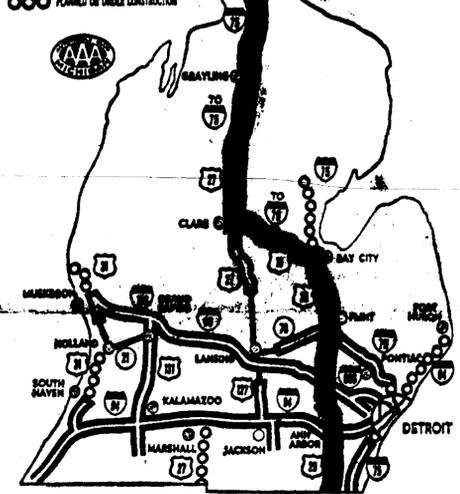

Beverly and Herb Bowles were chairmen of the refreshment committee, with Ruth and Charles Borovsky, Catherine and Ray Sullivan, Geraldine and Hollis Swarthout, Doris and Herb Sneed, and Ione Grainger assisting. Kite Dinkel was in charge of registering and the guest book. Rainbow Worthy Advisor Donna Klave and Worthy Associate Advisor Mary Wylie handled out programs.

## Vision Screening

Mrs. Dorothy Dinkel, R. N., local School Vision Technician has recently completed the Pinckney School Area Vision Screening. Parents of children who did not pass the vision screening were notified by mail. A "Doctor's Report Card" was enclosed in the letter. This card is stamped and has the return address of the Livingston County Health Department. When you take your child to the eye doctor, please give him the card to fill out and mail. This information is used in the Health Department and will be used by the schools in an effort to improve methods for helping the visually handicapped child. Although a child may have perfect vision one year, he may need glasses, or other corrective measures the next year. Therefore, periodic vision screening tests and doctors examinations are essential to the eye health of children.

Mae Daller and Edith Caff, past matrons, presided at the refreshment table. A large white cake in the shape of the cross symbolizing the worthy matron's emblem for the year was the table centerpiece. Ruth Huff of the Pleasant Lake Chapter OES presided at the punch bowl.

Leola Reason, Mother Advisor, and Cathy Winslow, Rainbow girl, were in charge of the gift table. Harriet Rabrig, in charge of the decorations carried out the worthy matron's colors of pink and white in the very beautiful decorations in the chapter room and dining room.

A DREAM of motorists for decades will become reality November 1, when a 22-mile segment of I-75 opens in the Upper Peninsula. Automobile Club of Michigan says. This will permit driving from the Ohio border 380 miles north to Sault Ste. Marie on the nation's longest freeway without encountering a stoplight or cross road. This cuts pre-free-way driving time by three hours on this route, Jerry E. Fisher, Auto Club touring manager says.

## Two Lakeland Postal Employees Attend Conference in Hawaii

This year's 59th annual convention of National Association of Postmasters of the United States held in Honolulu, Hawaii, found among the 4,000 persons attending, Postmaster Gladys Lee of the Lakeland Michigan postoffice, and her postal clerk, Mrs. Lorretta Gardner. The two ladies left Lakeland three weeks ago, and via jet soon arrived in Hawaii to enjoy the five day festivities of the convention. Upon arrival, Postmaster Lee, also vice president of the Michigan Chapter of National Association of Postmasters, was chosen to preside as Sgt.-Arms the duration of the convention. One very exciting happening while serving this position was that of ushering the new United States Postmaster General, John A. Gronowski to the stage. A 7 hour wait over in San Francisco, enroute to Hawaii gave Mrs. Lee and Mrs. Gardner time for a helicopter ride and a chance to view the city from the air, one they both agree will never escape them. A tour to, and around Pearl Harbor proved to be most interesting to the ladies during leisure time from convention activities. A little sunshine was brought into the life of Mike Vester, serving with the armed forces in Hawaii, when these two good samaritans invited him to their Hilton Hawaii Village home, where they stayed for a "home cooked" meal. 18 year old son of Mrs. Helen Males, of Lakeland, attended Pinckney school prior to his entering service. Among souvenirs brought back by Postmaster Lee are items such as leis, grass skirts, and most valuable are several Honolulu newspapers carrying pictures of Mrs. Lee escorting the postmaster general, and doing other various newsworthy acts she was involved in.

## Lifelong Resident Buried Monday

PINCKNEY — Mrs. Margaret F. Burns, 64, of 431 Unadilla died Friday afternoon at the McPherson Community Health Center after a long illness. She was born Oct. 24, 1889, in Pinckney, the daughter of James and Mary Kenney McCuskey. She was a lifelong resident of Pinckney and a member of St. Mary Catholic Church and its Altar Society. She was married to Raymond Burns Nov. 9, 1921, in Howell. He survives, as her eight children, four daughters, Mrs. Helen Young and Mrs. Margaret J. Conklin of Grand Rapids, Mrs. Bernadine Fry of Livonia and Mrs. Janice Darow of Pinckney; four sons, James R. of Ann Arbor, Donald W. of South Lyon and Joseph and David of Milford; 27 grandchildren and two brothers, Bernard of Los Angeles and Leo J. of Redford. Funeral services were Monday in St. Mary's Church with burial in St. Mary's Cemetery. Resulting from being chosen Sgt.-of-arms Mrs. Betty Melby, a second substitute clerk of Lakeland "held the fort" in the absence of Postmaster Lee and clerk Gardner.

## Community Chest Aims For \$5,000

The Hamburg - Putnam Chest Drive is now in its fourth week, pushing hard toward the goal set at \$5,000. President of the Board for this drive, Don Gibson, informs us that the chairman and their helpers have turned in a year 60% of this goal, with only two more weeks to go before the drive ends November 15th. ACO, Inc. leads in the industrial drive, with Jim Cannon in charge, the 400 employees have pledged and given a total of \$300, to the cause, which, Gibson feels deserves public recognition. The drive with in the Village was satisfactory to president Gibson, too, and he feels the ladies' did a fine job. They completed their drive as of last week with Mrs. Helen Reynolds and Mrs. Marion Clark the co-chairman. Those still at work in the Hilland Lake area under the chairmanship of Mrs. Chesley Green and Mrs. Gerald Goodwin, Mrs. Ralph Hall in the Cedar Lake area, and Mrs. Pat Scott covering the teachers and maintenance departments of the Pinckney Community schools are very encouraged with the results so far, and are looking forward to as good results the remaining two weeks. Anyone who has not been contacted or asked, but wishes to give to this worthwhile community project, may call Don Swarthout, Pinckney, 878-3103, or Mrs. Harold Richter, Jr., Hamburg 229-9141. A meeting will be held soon after this year's drive ends, according to Gibson, and those organizations that feel they deserve benefits from these funds should have their request prepared to submit to the Board at that time. The date and time of this said meeting will be published later in the Dispatch.

## CALENDAR

- OCTOBER 31 Pinckney Junior Varsity vs Williamston J. V's 7 p.m. at Pinckney.
- Annual Halloween masquerade parade through Village. Party to be held in Pinckney General Store Parking lot, 7:30 p.m. till 9 p.m. FREE cider and donuts, also, prizes and dance. Sponsored by Village Council and Pinckney Elementary school P.T.A.
- UNICEF Drive will be conducted in the Pinckney area, 5:30 p.m. to 6:30 p.m. Pinckney 7th and 8th grade students will participate in the door to door soliciting.
- NOVEMBER 1 Pinckney Varsity football game with University High here, 7:30 p.m. (Parent's Night.)
- NOVEMBER 2 Livingston County Youth for Christ Rally, Southeast school in Howell, 8 p.m. Rev. J. R. McDonald, guest speaker. Everyone welcome. O.E.S. officers practice, 2:30 p.m., Masonic Hall.
- NOVEMBER 4 M. E. A. fall meeting, 6:30 p.m. dinner, Masonic hall, Pinckney, \$1.75 per person.
- NOVEMBER 7 Pinckney 4-H Club Rally, 7:30 p.m. school gym, presentation of Fair premiums and certificates. 4-H members and parents invited.
- NOVEMBER 7 and 8 Parent-teacher conferences to be conducted, Pinckney Elementary School. Parents will receive appointment time via students.
- NOVEMBER 9 1963 Harvest Smorgasbord, Pilgrim Hall, serving time 5 p.m. till 8 p.m. sponsored by Sunday school of Congregational Church. Public invited. Adults \$1.50; Children 75 cents; pre-schoolers, FREE.

## Pinckney Fires Held at Minimum

Pinckney's Fire Chief, Robert Amburgey, reports just three runs were made this past week for grass fires, and considering the dry weather condition and in comparison to surrounding areas, this is to be considered a very good record. Howell and Ann Arbor for example, have experienced several bad fires, burning acres and acres of land. The first of the three calls, answered by Pinckney firemen was last Friday, about 2:15 p.m. when the "jeep" went to Mrs. Mae Daller's home, 212 East Main Street. Fire got out of hand when a person rooming at this address attempted burning refuse in the back yard. It was not considered serious, however, and was quickly extinguished. The remaining two fires were Sunday. The first being to the Bill VanBlaricum home, 3947 West M-36, and the second to the Ben White farm at Anderson, both grass fires. The Pinckney firemen were assisted at the latter fire by the E.E. George Game Reserve firemen.

## Howell to Host Christian Rally

The Livingston County Youth for Christ Rally will be held Saturday evening, November 2, at 8 p.m. at the Southeast School in Howell. Reverend J. R. McDonald of Flint will be the guest speaker for the evening. There will be special music for the occasion. While the program will be geared for students in junior and senior high school classes people of all ages are welcome.

# Zoning for Putnam Township Causes Frayed Nerves

By Alice Gray  
It was a hot meeting in the high school last Thursday evening; feelings ran high and tempers frayed as approximately 200 citizens gathered to discuss the possibility of zoning in rural Putnam township. At a conservative estimate 80 per cent or more of those present indicated, by a show of hands, that they were residents of the Hill-El-Land area where this heron's nest originated. The meeting was moderated by Stanley Dinkel, Putnam Township Supervisor, with Hans Haggard, Livingston County Extension Agent, present to answer any questions. In a few opening remarks, Haggard, admittedly biased in favor of zoning, stated that according to the Livingston County Planning Commission, Putnam can expect a 12,000 increase in population in the next 10 years. He said, "Putnam needs industry — there is not enough now to support the people living here. Eleven per cent of the residents of Putnam work in Ann Arbor." "Industry does not come into an area that does not have zoning," Haggard commented.

In the lively discussion that followed, factions led by Mel Reinhard, spokesman for the Hill Chamber of Commerce, and by Emerson Pattison, spokesman for those members of the Hill-Land Lake Property Owners Association that favor zoning, expressed totally different viewpoints. Citizens from the community of Hill, opposed to zoning, stated that Putnam Township with its 200 acres of state land, large U of M holdings, extended Girl Scout Camp acreage, and considerable waste land did not need zoning at the present time. With only 13 new building permits issued by the Building Inspector in the last nine months, they contend this is not an indication of any urgent need for zoning at this time. Families with livestock, burros and horses for pleasure expressed concern possible zoning curtailing their activities along these lines. LOUAG ZALE Reinhard delivered a lengthy address stating just where the Community of Hill stood on the proposed zoning ordinance but refused permission to publish his remarks stating those present at the meeting received his message. He did not want his remarks quoted or his views expressed in this article. Pattison stated that he would like to see Reinhard's statement in the Dispatch, that he, Pattison, would like to challenge him and disprove many of his remarks. Reinhard declined the offer. Pattison, probably feeling he has expressed himself adequately in his two letters previously printed in the Dispatch, left most of the action to his fellow thinkers, who are concerned about the possibility of undesirable establishments springing up over night in their neighborhoods. Many expressed the feeling that a steady pig farm near one's home, a blaring tourist attraction in a resort area, or a junk yard in a residential area is not what they want. They feel zoning makes possible a planned and programmed approach in meeting the needs and services of a community. ZONING — A TOOL Joe Kobus said that zoning is a tool whereby we, as citizens, can define what we, as citizens want in our community and expressed the hope that those factions that seemed to be "a-flooding" would bury their differences and work together for the good of the whole community. After the meeting, Supervisor Dinkel, upon being questioned, said that if zoning is wanted a petition would have to be submitted to the Township Board. If such came before the board there is a strong possibility that this might come before the voters. An Pinckney is an incorporated village under act 194 of the Public Act of 1945 as amended, Pinckney residents are not eligible to sign such a petition or to vote on a township zoning ordinance even if they have property outside the village limits. The Dispatch has contacted Haggard and he has encouraged to furnish us with copies of the extension booklet "Zoning in a Nut Shell," for our readers. This 57-page pamphlet explains zoning from A to Z. Free to drop in at the office and pick up if time. We will place some of the copies in the post office for your convenience.

# Hamburg Elementary News

So far this year we have gotten to a good start and the students seem to be having a good year.

Our first six weeks period is over with, and due to the large number of students with perfect attendance it is impossible to list their names. However, the number for each grade is as follows:

H. Kindergarten	16
P. Kindergarten	18
First Grade	15
Second Grade	23
Third Grade	21
Fourth Grade	23
Fifth Grade	27
Sixth Grade	24
Seventh Grade	13
Eighth Grade	14

**FIFTH GRADE**  
Ella Thomas is moving on Oct. 18 to Grand Haven. We are sorry to lose such a good student.

## Color TV Show Depicts Hell And Facilities

A highly entertaining Color presentation of Hell, Michigan, was witnessed by local viewers and the area reached by Channel 4-WJW TV Detroit recently on the popular Ron Gamble, Week End Show. Highlights included the Hell Parachute Club with some excellent sky diving, The Dam at Hell and Inferno Gift Shop and U. S. Whiskey Business concluded with a showing of the excellent facilities of the Hell Creek Riding Club.

Several church groups visiting here from Detroit were photographed having fun in the dance area. Congratulations are being received on the high quality of the show and visitors streaming in here express delight with the natural surrounding of Hell.

Some of the more important visitors were Ernie Harwell, broadcaster for the Detroit Tigers and John Scarpa and Harry G. Daniels, wealthy Detroit real estate operators and developers who expressed an interest in locating in this upcoming community.

Greyhound Corporation Executives are planning a series of conducted tours in 1964 for Senior Citizen Church Groups of all faiths.

They reported the 1963 series was a huge success. The Playland management plans to discontinue the Youth Center in 1964 and develop the entire area into a tourist attraction, catering to that type of trade only.

Caren Gainsley got a new baby brother on Oct. 13. That makes six children in her family.

Helen Stevenson and Peggy Slagle had birthdays on the same day—Oct. 14.

**SIXTH GRADE**  
This grade is studying on leaves, and how they help to make work easier. They are setting up some experiments which will prove how levers work.

Earlier in the year they were working on Dinosaurs. They found out how big the animals was, how much he weighed and when he existed. All of the students came up with some very good reports.

They are also studying on primitive men and how they lived. They are studying the New Stone and the Old Stone Age. Also how men developed better ways of living and protection, and better ways of transportation.

Jim Stenke made a new paddle for our grade.

**SEVENTH GRADE**  
The Seventh Grade is sticking very close to the books for the start of this school year.

In Geography they are going to be working with the natural resources of man.

English or Language involves going over the Parts of Speech before getting into new ideas.

Science finds the students studying the different plants and animals and the various parts of them. Each of them belongs in.

In conjunction with this national television which is working for the Science program. At the present the program is concerned with Electric Forces.

**EIGHTH GRADE**  
Every noon our grade sells Potato Chips and Fritos. This finances our parties and our class trip. The money left is split up between our class. The Potato Chips and Fritos are five cents per bag.

We have a television program on Science. It is very educational on the subject of Science. Sometimes our television does not work, and then we get our noon hour. We have our Science program two days a week—Monday and Wednesday. We hope our television keeps on working.

## SPORTS

**BY ALAN YOUNG**  
The big story in sports from Hamburg Elementary is Basketball. This Hamburg team seems just impossible to beat. They have played four games and have won them all.

The first game they rolled over the Ancient Pilgrims by a score of 23-9.

The second game they didn't look so hot, by winning by the score of 19-11, against the St. Mary's team.

The third game they played a team that looked like they weren't even in their class by winning by a score of 41-6. This game was against the Pinckney Merchants.

The fourth game was against the Pilgrims which they won by the score of 34-5.

Who knows, only time will tell, how long this roaring team from Hamburg will keep rolling onward to victory.

## + We Hear It

(Continued From Page 1)

ard progress? A gain in the right direction? Those persons leaving the vicinity to be gone this day of voting, should not neglect to obtain an absentee ballot from the Village clerk, Robert Ackley, or the Township clerk, Murray Kennedy.

... another big controversial subject 'round town is that of the zoning in Putnam Township. Chances are, the majority of people living in this township feel that an ordinance of some sort is needed, but the good of the community should be kept in mind, and that only, and no one person should worry if another is going to benefit by having zoning, or another have things a little tougher by having it, or easier if they do not have it, or whatever. Persons that have allowed their personal feelings to become involved, should perhaps take one giant step back, look the situation over again, then come back with some good down to earth reasoning that would help a zoning committee set rules for an ordinance that will make for a better community to live in.

... while playing pinocle last week with the Patterson Lake Pinocle Club, Mrs. Jo White was dealt a triple run! She continued to play, staying calm and collected, got the bid, and reports are she and her partner won that game!

... at an informal meeting of the school board officials, the citizen's group submitted plans of a new school proposal. This group has been working many weeks to come to this and feel they have reached some good solutions. You may rest assured that more will be published on this subject, soon as it's available!

Consistency is the last refuge of the unimaginative. —Oscar Wilde

## Bit by bit... every litter bit hurts!

**KEEP AMERICA BEAUTIFUL!**

## Ford Mustang II to Test Market

The Mustang II, an experimental car introduced by the Ford Division of Ford Motor Company, will accommodate two front-seat passengers plus two additional passengers in the rear seats. It is powered by a 271-horsepower V-8 engine identical to that used in the Cobra sports car. Pointed front fenders and simulated air scoops faired into the rear quarter panels are reminiscent of the design of Ford's original Mustang. The Mustang II has a detachable hardtop roof. Ford Division built the car partly to "test the market for a car of this type that could sell for less than \$3,000."

One happy hunter and one less buck deer in the northern woods near Lovells! Clare Swarthroat bagged this 8 point with only one arrow, so the story goes, and after not having shot a bow and arrow in nearly two years. Mr. Swarthroat moved to the vicinity of Lovells, Michigan last June, when he sold his barbering business in Pinckney and

## Letter To The Editor

In this beautiful Indian summer weather could it be the people of Pinckney have forgotten the snow and ice of last winter? It would certainly seem that they have, at least some of the local merchants have.

There is a small group of State highway department men who have been working in the Pinckney area for the past few weeks, their purpose here is removing dangerous headwalls from culverts for the protection of taxpayers who travel M-36, and also to the advantage of the local residents for better drainage in the rainy seasons.

It seems a shame that these men are so unappreciative that when their equipment breaks down, as it is bound to do, that the local people, mostly merchants report these men for resting for 45 minutes to an hour.

Did these people think of these things last winter, when they were sitting in their homes, stores, and offices working their eight hours a day? These men at that time were working any where from 12 to 24 hours a day so these people could go to, and from work, and make their deliveries on time.

When they went out for an evening, did they think of these men missing meals and doing without, to make it possible for them to travel their roads? Oh, no, but if they found a bad spot in the road they were the first to complain.

The highway M-36 is the most desolate road to travel for these men as there is no place to stop for coffee or meals after 9 p.m., but still these men do not complain. Most of them make less than the average factory worker, but regardless of this the roads are maintained to the best of their ability and equipment.

When you complain, count the miles of road these few men maintain with their foremen and supervisor who work with their men in bad weather and not from a comfortable chair at home or in their office. Do you stop for a coffee break? Think when you do, men and machine are not infallible! Sincerely, Lorraine Dailey (wife of a highway department man)

## Pinckney Stars Will Take On Howell Squad

After last week's football game, the Pinckney "All-Stars" are still able to move, and have big plans now to play the Howell All-Stars on Nov. 9th, 7:30 p.m. on Page Field in Howell, also a benefit football game.

"This game has all the promises of the game played here last Sat. night, but will be much a larger game," says Captain Julius Aschenbrenner. The offensive team as well as defensive, should practice this Sunday, 9 to 4, as usual on the Pinckney Athletic field.

Men to play offense are Phil Gentile, Gordon LaBelle, Herb Dyer, Neil Hall, Elvin Simonson, Jim Bradley (coach), Ed Guy, Don Clark, Lynde Huhman, Dick Higgins, Dick Johnson, Jim Eberts, and John Holben.

Men for defensive unit are Julius Aschenbrenner, George Roth, Bob Beck, Paul Burg, Big Fred Berry, in addition to several big defensive men who will be on hand.

It is planned to have a complete defensive and offensive group.

## SHORT OF WIND?

The National Wildlife Federation reports that Illinois Natural History Survey investigators have found that a duck breathes in and out about the same rate as a resting human when it is resting about 14 times per minute—but that its respiration rate increases to 98 per minute when it takes flight.

**Ford Mustang II to Test Market**

The Mustang II, an experimental car introduced by the Ford Division of Ford Motor Company, will accommodate two front-seat passengers plus two additional passengers in the rear seats. It is powered by a 271-horsepower V-8 engine identical to that used in the Cobra sports car. Pointed front fenders and simulated air scoops faired into the rear quarter panels are reminiscent of the design of Ford's original Mustang. The Mustang II has a detachable hardtop roof. Ford Division built the car partly to "test the market for a car of this type that could sell for less than \$3,000."

### Public Selects Board of Trustees

Thirty-one members have served on the Board of Trustees of the McPherson Community Health Center at one time or another since the open-

ing of the hospital in 1958.

The Board consists of 15 members elected at the rate of five each year for a three-year term. The Trustees are elected by members of the community who contribute annually \$1 or as much more as they wish, the membership in the hospital corporation.

The election of Trustees is highly important because they are the policy makers for the Health Center. This Board makes the major decisions in the operation of the hospital.

"We want as many people to join the hospital corporation as possible. This is not especially for the dues they might pay, but because we feel this hospital should reflect the desires of as large a segment of the county population as possible in planning present and future health care," said Mrs. June Zimmerman, Fowlerville, the Chairman of the Board of Trustees.

#### PRESENT BOARD

Present members are Mrs. Jess Allen (Secretary, 1959 - 1963), Thomas Anderson, DVM., J. Henry Cornell (Vice Chairman, 1961 - 1963), Donald Epley, Charles Keesler, George Kirkland, Thomas Kizer, Cecil Lepard, W. W. Madden, O. D. Edw. G. McPherson (Treasurer, 1955 - 1963), Wm. McPherson, III, Mervil Moore, Melvin Reinhard, John Slater and Mrs. Lynn Zimmerman, (Chairman 1959 - 1963; Secretary, 1955 - 1958).

#### FORMER MEMBERS

Former Board members are Robert J. Akin (Chairman 1956 - 1958, Vice Chairman 1955), Percy Allmand, H. H. Barnes, Oscar Beck, Glenn Berry, Edward Bottum, Robert Buechner, Fred Burt, Norlan Cartwright, Walter Geske, John W. Layton, James Murphy, Ross Robb, Mrs. Fred Rogers, Charles Sutton (Chairman, 1955) and Clifford Van Horn.

#### My Neighbors

"Now, George, don't you give him another peanut if he's going to be that way about it!"

### First Federal Participates In Milestone

Joining Savings and Loan Associations throughout Michigan and America in observing an historic milestone of reaching the 100 Billion Dollar mark in Savings and Loan Associations in America is the First Federal Savings and Loan Association of Livingston County, Howell.

"The rapid postwar growth of the Savings and Loan system illustrates the vital contribution which these associations have made in helping millions of American families purchase their own homes while at the same time consistently offering the highest return for public savings of any financial institution," said Melford J. McKay, Executive Vice-President of the First Federal Savings and Loan Association of Livingston County.

The Savings and Loan industry in America is annually creating 700,000 jobs in the construction of new homes; spurs over 2.4 billion dollars sales of furniture, appliances and equipment through S&L financed homes; instrumental in the construction of 429,000 new homes and the purchase of 757,000 existing structures last year alone. At the same time \$3 billion in yearly earnings are paid to 35 million savers.

#### AIDS LIVING

"We are proud to be a part of a sound financial system which has become so great a power in enhancing the standard of living and in creating jobs, services and facilities for American families," he declared.

The Savings and Loan industry in America has grown nearly 12 times since the end of World War II, from total assets of \$8.7 billion at the end of 1948 to over \$100 billion today.

Associations in Michigan have experienced comparable growth and as of June 30, 1963, held assets of over \$2,500,000,000 as compared to \$301,199,000 in 1948.

The Michigan Savings and Loan League reports that the savings growth shows an average increase of 14.8% over a year ago, amounting to \$292,311,140. The average savings account is \$2,350. Savings in all Michigan associations total \$2,297,744,498, representing 977,562 individual accounts, an increase of 69,131 over a year ago. During the fiscal year, dividends distributed to Michigan savers totaled \$81,661,622, an increase of more than \$14,000,000 over the previous year.

#### MORE LOANS

Mortgage loans and land contracts, amounting to \$2,112,092,302, show an increase in volume of \$290,787,702; an increase of about \$79,000,000 compared to a \$15,000,000 increase for the previous year.

The Federal Home Loan Bank Board recognizes the Michigan Savings and Loan industry as one of the soundest in the country. "Savings and Loan Association executives and members of their staff are proud of their remarkable growth and contribution to the stability of the Michigan home and economy. Today 74.4% of occupied dwelling units in Michigan are owner-occupied, the highest ration of home ownership of any state in the nation," McKay said.

### Christmas Gift Mail Deadlines Are Announced

HOWELL — Livingston County postmasters are advising that Christmas packages should be mailed by the following dates to assure delivery before Christmas:

By surface	By air
Near East	Nov. 1 Dec. 10
Africa	Nov. 1 Dec. 10
Europe	Nov. 10 Dec. 10
South and Central America	Nov. 10 Dec. 10

General information on packaging and mailing regulations may be obtained from postal clerks on duty. In Brighton, phone AC 9-6463.

#### FINDING QUAIL

##### THE MODERN WAY

The National Wildlife Federation reports that the Point Pleasant Register (W. Va.) carried this advertisement, appearing shortly before hunting season: "WANTED: PERMISSION to quail hunt on private property. Will pay reasonable price for privilege. References. Phone \_\_\_\_\_." This ad may not be an entirely new way of solving the problem of where to hunt, but at least the hunter is solving the problem realistically.

This only is charity, to do all, all that we can. —John Donne

### Know Your MICHIGAN LAW

By Attorney General  
**FRANK J. KELLEY**

[This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.]

In the hundreds of letters which flow into the Attorney General's office each week, there are almost always inquiries on who may vote on tax issues in school districts. "Must I be a property owner in order to vote?" is the most common question asked.

The answer to that question varies, depending upon the specific issue before the voters and upon whether the election is to take place under the present Constitution or under the new one which goes into effect on January 1, 1964.

Under the present Constitution all voters may cast a ballot on the question of raising the maximum tax limitation in a school district, but only voters owning property assessed for taxes may vote on the direct expenditure of public money or the issuance of bonds.

After January 1, when the revised Constitution takes effect, those who do not have property assessed for taxes will be able to vote on questions of raising the tax limitation only where the increase is for 5 years or less.

Otherwise, the rules on voting will remain the same, meaning that the other questions may be voted on only by those who hold tax assessed property. If any questions should arise in regard to these matters, the local school election authorities should be contacted.

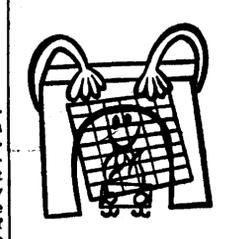

Lester Burgess, Brighton  
 William Hougaboom,  
 Howell

## TODAY'S TIP FROM YOUR JUNIOR FIRE MARSHAL

ON A WINTER NIGHT, A BLAZE IN THE PRELACE IS WARM AND CHEERFUL. BUT MAKE SURE THE PRELACE IS PROTECTED BY A SATISFACTORY SCREEN TO KEEP WAYWARD SPARKS FROM CAUSING A FIRE AND PERHAPS A TRAGEDY.

# Around Bishop Lake

By E. C. SCHROEDER AO 7-3438

WELL! — Things have perked up in the neighborhood — news-wise, that is. Last week I asked the girls to do something exciting for this column and they came through with flying colors—!

Ann Henry (Mrs. Jack Henry) gets the headlines! She brought a 9 lb. 5 oz. son into this world Saturday morning, Oct. 19, at the McPherson Community Health Center. Both little Gordon and his mother are doing just fine! Ann's mother, Mrs. Fitzer of Port Huron, and Mrs. Roy Russell of Waterloo, are keeping three-year-old Phil company until his new brother and mommy can come home. Jack Henry, Roy Russell and Mr. Fitzer retreated into the man's world of birds and guns up in the Thumb area for the week.

Marge Baker and the Andy Bowlines lived it up on Saturday, Oct. 19, in quite a different way. They went to the Michigan game in Ann Arbor and had dinner in town afterwards.

The Dennis Muellerlles went into Detroit recently for a look at the stores and to do a little window shopping.

The Ralph Schroeders celebrated their anniversary Friday evening, Oct. 18, by having dinner at the Canopy. They were married in Dearborn 27 years ago.

Christine came home for the weekend and attended the Pinckney homecoming game. We took her back to school in Detroit Sunday evening, Oct. 20, and visited the William Beelers in Dearborn on the way home.

Traffic was amazing — as far as the eye could see, the expressway was one string of cars — the lights giving an appearance of a giant necklace of double strands of diamonds and of rubies.

We were sorry to hear that Mrs. Orville Nash lost her brother last week. He was Carl Davenport of Flint.

Mr. and Mrs. Lloyd Nash and Mr. and Mrs. Orville Nash attended the funeral Friday in Flint with burial in Brighton.

Mr. and Mrs. Ray Gunn of Curtis, Michigan were house guests at the Nashes on Friday and Saturday. Mr. and Mrs. Rex Davenport of Toledo

and Mr. and Mrs. David Moll visitors.

Small Game season opened at 10 a.m., Monday, Oct. 21. Hunting was light. There were several campers at Bishop Lake — even a couple swimmers — and a few archers. The fire hazard is still with us, smoking and camp fires prohibited, so caution is still the word!

Richard Heller is the only one we know who got his bird the first day.

The meeting at the Southern Michigan Nursery Wednesday night, Oct. 16, had a good turn-out.

Everyone enjoyed the film on bear hunting in the Upper Peninsula.

The talk on our Southern Michigan deer herds by D. H. Jenkins was informative, thought provoking and interesting. The deer we see in the fields and on our highways are not a mirage!

They're multiplying like Australian rabbits, eating out truck gardens, orchards and crops, wrecking fences and cars and may outnumber us if something isn't done about them.

Did you know that the triangle made up by M-59, US-23, and Grand River is known as the "Bloody Triangle" because of the highway kills?

To date, only cars have been damaged and only deer have been killed—but a driver or passenger may be the victim the next time.

Mr. Jenkins had many of the answers to the problem but a solution will call for community action and cooperation.

Livingston County deer are not shy, gentle, fragile and endearing.

They are as bold as brass, handsome and rugged, and as big as cows!

To you who may have wondered about last week's news—this columnist just didn't get it in time. You may read it this week, it shouldn't have aged too much!

Daniel Muellerlles received his first communion this weekend. His parents, Mr. and Mrs. Dennis Muellerlles celebrated the occasion by inviting the family over for a dinner on Sunday. The guests were from Homer, Michigan.

Mrs. Jack Henry and the baby, Gordon, came home from the hospital Friday morning. Little brother, Phil, and "Daddy" Jack, and the maternal grandparents were on hand to greet them.

Mrs. John Schroeder is spending the next few days in Detroit and Dearborn.

## NOTICE TO BIDDERS

Sealed bids will be received until Friday, November 8, 1963 at 4:00 p.m. at the office of the Livingston County Clerk, Howell, Michigan, for two patrol cars for the Sheriff's Department, with two trade ins. Specifications may be obtained from the Sheriff's Department. The right is reserved to reject any or all bids.

LIVINGSTON COUNTY  
 BOARD OF SUPERVISORS  
 Joseph H. Ellis, County Clerk

# State Undertakers Stay Calm

The Michigan Funeral Directors Association has refused to become alarmed over the recent publicity which, according to its members, "is not representative of funeral service in Michigan."

In a formal statement issued this week, James Sullivan, president of the 300-member state association, called upon funeral directors "to continue to serve your people with honesty and integrity."

"Every profession, in its own time, is subject to periodic review, if not criticism, through the public press. Each profession has been attacked. And each has survived to continue to serve its people," he said.

"Like a doctor or a lawyer, the funeral director must render advice and service which he feels is professionally proper and which meets the needs of his clients," he said, "claims to the contrary notwithstanding."

Funeral service in Michigan has been declared a profession in a court of law, and according to an independent survey, the majority of the public in this state considers the funeral director in the same light as the doctor or the lawyer, he pointed out.

**GENERAL STATEMENTS**  
"Our critics tend to make broad generalizations which may make for interesting reading, but which

too often are not based on facts," he said, and he referred to one author who quotes a 1960 Department of Commerce survey in alleging that the average cost of funerals today is \$1,400.

"No such study was made by that department in 1960," Sullivan said. "When this was pointed out to the author, she casually dismissed her collection of twisted statistics by stating that she is a writer, not an economist."

"In 1962 a reputable business firm conducted a study which showed the average adult funeral in Michigan cost \$749. This figure did not in-

clude welfare or charity funerals," he said.

He pointed out that the survey covered 98,000 funerals across the nation and was not conducted among specific groups or in any confined geographic area.

**EXPENSES LUMPED**

"Most of our critics base their attacks on the situations in other states," Sullivan said. "What is true on the west coast, for example, is not necessarily applicable in Michigan and almost invariably these critics with carefree abandon lump cemetery expenses and flowers in with the cost of funeral service."

## Let's End Carbon Monoxide Deaths

Urging parents, teachers, and the news media to declare war on carbon monoxide, State Health Commissioner Dr. Albert E. Heustis has called for an all-out effort to warn the public against the danger of the lethal gas which last winter claimed more than 60 lives in Michigan.

"An intensive educational campaign with constant repetition is the only way to prevent the annual toll of utterly needless deaths from carbon monoxide poisoning," the commissioner said. "We must impress upon people — especially young people — the importance of being aware of this danger."

"The tragic scene of a young boy and a young girl found in a parked car with the windows closed, the ignition on, the gas tank empty and the battery dead, was repeated at least 16 times last year resulting in 18 deaths.

"In eight of these incidents both persons involved were killed — that's a pretty high mortality rate for any cause of death," Dr. Heustis said.

Although accidental carbon monoxide deaths happen at all times of the year, the majority of them occur during the winter months, starting with the approach of cold weather in the fall.

Halloween, with carefree youngsters darting about for trick or treat, is a time to stress safety for children, parents and motorists, Automobile Club of Michigan cautions. The costumed girl and boy above show how to combine safety and fun. Suzanne Hollen, 6, of Detroit, lifts her mask and looks both ways before she crosses a street intersection, while her brother, Tommy, 7, has his face painted and hence a mask doesn't impair his vision.

# Mich. To Number Highways

**LANSING** — The numbering of freeway interchanges in Michigan to provide additional guidance to freeway drivers, particularly travelers from other states, moved a step closer to final resolution recently.

The State Highway Department announced it would poll other states as a final step toward deciding which of two systems of numbering to adopt in Michigan.

State Highway Commissioner John C. Mackie said he was convinced interchanges should be numbered as a service to motorists.

"Before making a final decision in Michigan, we need to know what other states are planning so that we can have the benefit of their thinking," Mackie said.

"As a general rule, it's desirable that highway signing be uniform among the various states, but Michigan has an unusual mixture of state and national freeways, combined into an inter-related network, which may justify an exception here."

"We want to know what other states intend to do, but we are not bound by national considerations in this question," Mackie said.

Mackie said the two systems under consideration in Michigan were:

**TWO SYSTEMS**

1. Consecutive numbering by interchanges, as is done on the toll roads in Ohio, Pennsylvania and elsewhere.

2. Consecutive numbering by mileage as is done on the New Jersey State Parkway

"The consecutive numbering system by interchanges has the advantage that more people are familiar with it from previous experience on toll roads."

"It tells you how many interchanges you have left from where you are to where you want to get off. The motorist at Interchange 25 who wants off at Interchange 50, knows he has 25 more interchanges ahead."

"But interchanges are not evenly spaced in Michigan because we service far more points of entry and exit than do toll roads," Mackie said. "The motorist knows he has 25 interchanges but he has no way of knowing how many miles these 25 interchanges involve."

**NUMERICAL ORDER**

"Under the first system, interchanges appear in numerical order — 23, 24, 25, 26 and so on," Mackie pointed out.

"Under the second system, Interchange 21 may be followed by Interchange 26, if they happen to be five miles apart. In between the interchanges, the motorist has the mile markers, now in place along much of Michigan's freeway network, to guide him. Thus, if he forgets the last interchange number, he would have a marker every mile that it is not as immediately along the shoulder of the road."

"The sequence would be Interchange 21, mile marker 22, mile marker 23, and so on to Interchange 26," Mackie said.

"A defect of the consecutive system based on mileage is obvious to the motorist as the consecutive interchange system."

Attend The Church of Your Choice

# Hamburg Township News Notes

By MARTY DeWOLF

Gladys E. Lee has returned to her home at Lakeland after a three-week trip which took her to Honolulu, Hawaii. Gladys, who is the vice-president of the Michigan Postmasters, was a delegate to the 59th Annual Convention of the National Association of Postmasters.

She was one of 4000 delegates who attended the convention. Mrs. Lee stayed at the Hilton Hawaiian Village Hotel and attended the meetings which were held in three huge tents. Gladys was very honored in that she was selected as one of the six sergeants-at-arms. She was also chosen to escort newly-appointed Postmaster General John A. Gronowski to the platform to deliver his speech.

In addition to attending the meetings, Gladys also enjoyed a luau, a Polynesian floor show and hula lessons. Last Saturday morning three local children made their First Holy Communion at St. Patrick's Church in Brighton. The youngsters were Jacqueline Fitzgerald, Linda Mayville and Rodney Vosmik. Jacqueline was honored at a dinner on Saturday.

Among the guests there were Mr. and Mrs. William Fitzgerald, her grandparents; Fr. William Fitzgerald, her uncle; Frank Fitzgerald, her uncle; and Mr. and Mrs. John Crowley, her father.

Linda was honored at an open house on Sunday afternoon. Her guests included Mr. and Mrs. Ed Keegan and family, Mr. and Mrs. Weismiller and daughter, Mr. and Mrs. Frank Mayville and son, Mr. and Mrs. James Wilson and daughters, Mr. and Mrs. Ben Denmore, Jr. and daughters, Mr. and Mrs. William Navarre and family, Mr. and Mrs. Dennis Morgan and family, and Mr. and Mrs. Harold Richter, Jr.

Don't forget the Halloween Party tomorrow (Thursday) night at the I.O.O.F. Hall in Hamburg.

The party will start promptly at 6:30 with a parade through town. The party is open for pre-schoolers through 8th graders. Prizes will be given for the best costumes and cartoons will be shown.

There will also be a Halloween Party for Pinckney elementary students in the parking lot behind the general store. In case of rain, the party will be held in the high school. There will be games, prizes, and refreshments for those attending this party.

On October 18, Girl Scout Troop 559 had a cook-out at the home of Mrs. Robert Otto of Winans Lake. The girls are also planning another cook-out for this Friday, November 1. This time it will be at the home of Mrs. Leon Baginski or Ore Lake. The girls are planning a menu based around "Hobo Stew."

Mrs. Baginski and Mrs. Otto are co-leaders of the troop. One last reminder of the Bazaar and Bake Sale, sponsored by the Hamburg Rebekahs, which will be held this Saturday at the Scout Cabin, in Hamburg. The sale will begin at 9:30. Lois Borton is the chairman of the bazaar.

Democratic Women of Livingston County had their monthly meeting at the Hamburg Township Hall on Tuesday, October 22. The next meeting will be on November 20 at the Howell Township Hall.

On Wednesday, October 23, a group of women attended the Lutheran Women's Missionary League Fall Rally at St. Paul's Church in Pontiac. Those who attended the rally were Mrs. Lavina Keehl, Mrs. Inna Wilkie, Mrs. Johanna Mann and Mrs. George May.

Last Wednesday, eight women from this area attended the Children's Friends Society Statewide Convention at the new Concordia Junior College in Ann Arbor.

This was the first convention of this organization and the 1964 convention will be held next October in Bay City. Among the 254 persons attending were Mrs. Gustav Ahland, Mrs. John Schroeder, Mrs. Ben Wood, Mrs. Eugene Nissen, Mrs. Luther Kriefal, Mrs. George May and guests of Mrs. May, Emma Brockmiller and Mrs. Ann Frenz.

This Friday there will be an All Saints Day Worship at St. Paul's Lutheran Church at 8 p.m. There will also be communion.

The next meeting of the Hamburg Village League will be on November 7 at Pariahfield. At this meeting the women will discuss publicity and complete plans for their upcoming Christmas Bazaar.

The sale will be held on December 6 from 2-8 p.m. and on December 7 from 9 a.m. to 5 p.m.  
Mr. and Mrs. Jack Heary of Chilson Rd. have named their new baby, Gordon Oliver. He was born on Oct. 19 at McPherson Community Health Center.  
Guests at the Gerald DeWolf home last Sunday morning for brunch were June Baschal, Mr. and Mrs. Karl Baschal and children, Freddy, Jimmy, Carolyn and Suzanne, Jean Detemyer and JoAnne Nowak.

Mary Kay Shaw spent last Friday night at the home of her friend Mary Baginski of Ore Lake. The girls went to Howell to see "The Wonderful World of The Brothers Grimm."

Dinner guests at the home of the Karl Baschals of Rush Lake last Sunday evening were June Baschal and Mr. and Mrs. Charles Martola and children, Deany, Alan, Chuck, Yvonne, Sandy and Robbie of Dearborn Heights.

Guests at the home of Barb and Duane Waterbury last Sunday night were Sylvia and Fred Spry of Dexter.

Mr. and Mrs. James C. Emery of Strawberry Lake, Md. have announced the recent marriage of their son Seaman 3rd Class James Emery of the United States Navy. James was married on September 12 to Carol Delgiacco of Dorchester, Mass.

The wedding took place in Boston. James is stationed aboard the U.S.S. Wasp.

The Rev. and Mrs. Luther Kriefal of St. Pauls Lutheran Church returned home Monday after a six-day trip to Andover, South Dakota. While there, Rex Kriefal preached at the Andover Lutheran Church and also did a bit of hunting of which he is very fond.

Airman 2nd Class Robert Nosker, son of Mr. and Mrs. Robert Nosker of Strawberry Lake arrived home unexpectedly last Saturday from Kincheloe Air Force Base at Sault Ste. Marie.  
Bob was here for a two-day visit.

Emma Brockmiller of Farmington, Missouri, and her sister Mrs. Anna Frenz of St. Louis, Missouri, and Mr. and Mrs. George May have returned home from a trip to the Upper Peninsula. They stopped off on their trip in East Jordan to visit Mr. and Mrs. Gary Redmer.

Linda and Lou Crabtree left Monday for North Hollywood, Calif. after a two-week visit with Linda's parents, the Arnold Bechlers. Before leaving for home, Linda and Lou visited Linda's grandmother, Mrs. Marie Bechler, in Detroit.

LITTLE TOOT and BIG TOOT... from Walt Disney Productions, will be seen by millions of Americans on Thanksgiving Day when the J. L. Hudson Company presents its 37th annual Santa

Mrs. Robert Nosker, Beth Minock and Susie Buggy, all of Strawberry Lake, went to Chicago last weekend to visit Mrs. Nosker's daughter, Mrs. James Litherland.

Fay Ann Vosmik was in St. Joseph Mercy Hospital last Thursday and Friday for a check-up.  
Mary Moore was on the sick list last week.

Julie Damm came home from St. Joseph a week ago Saturday. She was in for the treatment of poison sumac.

Happy Birthday to Bill Waterbury on October 26. Birthdays for this week include Rosemarie Belcher on November 2, Matt Whybra on the 3rd, Annette Williams on the 4th, and Janet Teifer on the 6th.

The next meeting of the Hamburg P.T.A. will be on Monday, Nov. 4, at 8 p.m.  
Guest speaker for the evening will be Phil MacBride of the Brighton Township Lions Club.

He will speak on the "Eye Bank" and sight restoration and will also show a film on the subject.

# Players Receive Raves

**BY MARY A. BELTZA**

**BRIGHTON** — Over the weekend the Livingston Players' latest production played to a captivated audience.

"Affairs of State" could well be called the finest exhibit of the living arts by this community theatre group since its formation in 1961.

Fred Ouellette of Ann Arbor deserved congratulations for his work as director for the play. Ouellette comes to the players with a fine background in community theatre that dates back to 1955 when he started his career in theatre work in Indiana. Perhaps the fact that he is a fine actor in his own right aided him in casting the cast to their very smoothly polished performance.

In the role of Phillip Russell, acting diplomat, Tim Elliott drew the audience's sympathy and admiration as he tried to regain his wife's devotion. This has been seen here in other plays by the Players and has been very effective in each part but I think that it is best to say that his latest interpretation of the character of Phillip Russell was his best to date.

Chas Stephens was very sophisticated and gracious as Constance. Russell, Phillip's fortyish and restless wife. She was especially good in the final scene when she allowed the audience a glimpse of the tender side of the poised Constance as she broke into tears.

John Stephens' George Henderson was exceptionally well done. John's gestures and expressions were exactly right for the debonair albeit confused young senator.

The audience was his from the opening scene until the final curtain.

John was seen in the first production to be given by the "Slept Here," and also more recently he played "Old Jim in the Girls in 509."

Betty Golden made the transition from the modestly dressed schoolteacher Irene Elliott to the capable make-believe wife of George Henderson very convincingly. She was very attractive and carried just the right touch

of assurance that the role required. Betty has been hiding backstage in past productions and one wonders why, for she is truly a fine actress.

The jovial Byron Winkler was played by Larry Seim of Howell. Larry showed great ability in his role. He is a man of many interests but dear to his heart is his work with young people. He is choir-master of the St. Joseph's Catholic Church in Howell and has recently organized a Boy's Choir of about 40 young boys from the Howell Schools.

Ed Durk, past president of the Players was very capable in his role as the butler, Lawrence.

It takes a lot of work to put on a play of this calibre. The Livingston Players would like to remind you that they are affiliated with the Community Theatre Association of Michigan.

They invite anyone who is interested in any aspect of theatre work to come to their next meeting.

Meetings are usually held the first Thursday of every month at the West Elementary School, Brighton. Meetings end promptly at 10:00.

I have attended some of the meetings of the Players and would like to say that you will find the members all very friendly and warm.

Now if I may inject a personal note: I have been enthusiastic about all of the plays put on by the Livingston Players but I have never until "Affairs of State" seen a play in which my husband to attend one of their performances.

This is not a reflection on the ability of the Players; it is merely an indication of my spouse's disinterest in all things theatrical.

He had decided before the play that he would accompany me but I could tell by his skittishness that he was not prepared to enjoy it a bit.

Let me say that after the lights dimmed and the comedy began my reluctant better-half was the most rapt spectator in the audience.

I pass this along to you as proof that the latest performance by the Livingston Players was exceptional.

## 4-H Pioneers Discuss Ride

A special meeting of the Pinckney Pioneers was held Oct. 23rd. Beckie Henry reported that Ralph Hall, who will be our driver, decided to have the Hayride at 7:30 P.M. on October 30. In case of rain the regular work meeting is scheduled.

The annual 4-H Rally will be held on Nov. 7. Members will receive premium money, certificates, and pins. A program will provide entertainment. Parents of the members are urged to attend.

Families who wish to come, are invited.

As all business was discussed, the meeting was then adjourned.

Mr. and Mrs. Winton J. Wolf  
**Winton Wolf, Donna Seifert Are Married By Candlelight**

Emmanuel United Church of Christ, of Royal Oak, provided a quaint and lovely setting for the marriage of Donna Marie Seifert to Winton James Wolf on the evening of September 7 at 6 p.m.

One of the proudest members to attend the ceremony was the bride's maternal grandmother, Mrs. Mary Kuhn, a 20-year summer resident of River-Bank Lane, Highland Lake, near Pinckney.

The bride, daughter of Mr. and Mrs. John A. Seifert of Royal Oak, wore a floor-length gown of peau de soie accented by Alencon lace. The gown was fashioned with a sabrina neckline, elbow-length sleeves, and a bow-accented waist.

Her candlelight veil of tiered, French silk illusion was secured by a matching pill box encrusted with pearls and sequins. She carried a prayer book with a cascade of stephanotis and ivy centered by a white orchid.

Attending the bride was the maid of honor, Sandra Myers, and bridesmaids, Judith Seifert, Mrs. Dan McBrien, and Susan Kuhn. All wore floor-length gowns of Copen blue tribute satin with bell-shaped skirts and sleeveless jackets accented with applique.

The bridegroom, son of Mr. and Mrs. Walter F. Wolf, Detroit and Highland Lake, had his brother, Wayne Wolf, as best man. The ushers were Dennis Dutton, Dan McBrien, and Larry Darnell.

The double-ring, candlelight ceremony was performed by the Rev. Roy E. Lausman, and was followed by a reception and dinner for 250 guests at the Royal Oak American Legion Hall.

For her daughter's wedding, Mrs. Seifert chose a royal blue street-length sheath, and a gold pill-box hat with matching purse. The bridegroom's mother was gowned in turquoise silk chiffon fashioned on Grecian lines with matching hat and carried gold accessories.

Out-of-town guests included the bride's grandparents, Mr. and Mrs. A. R. Weigle, of Round Lake, Illinois.

The newlyweds spent their honeymoon in the Great Smoky Mountains and are now at home on Mark Twain Avenue, Detroit.

# SCHOOL NEWS

**SIXTH GRADE**  
**MRS. TASCH**

Last week we had a spelling bee in our room and Leon Blades was the winner. We have our room divided into nine groups. The people in these groups will work together. Right now each of these groups are working on a diorama together. In the diorama, we are going to put ancient civilizations. Today we all drew a picture of an Aardvark. We all voted for the best one, and Michele Staffan had drawn the best picture. There were still a few that were pretty close and so we hung them in the hall. We drew these Aardvarks with only a description from Mrs. Tasch.

We have some parents writing poems to send to school.

**FOURTH GRADE NEWS**  
**MRS. CAMPBELL**

Our class president Hilda Gray held a class meeting to plan our Halloween Party. We decided to have cider and cup cakes for refreshments. Hilda appointed a Refreshment Committee with Kathy Kourt for Chairman, Jana Haines, Kevin Urbany, and Janet Kellenberger are on the Games Committee. Stephen Latimer and Michael King are on the clean-up Squad.

Our room is well decorated with Halloween pictures and Jack-o-lantern pictures.

On our six weeks test nine from our room had all their words right. They are Sara Geib, Hilda Gray, Stephen Latimer, Stephen Lawrence, John Porter, Susan Roth, Aldo St. Louis, Gerald Smith, and Esmeita Waiter. We hope many more pupils will have them right next time.

Last week for our weekly lesson we had 24 A's from 36 children.

On our Explorer's Reading Test we proved to be very good readers. Sara Geib and John Porter were high with Michael Merriwether second.

Everyone was sorry to have

**Hamburg Wins Championship In Cage Play**

Hamburg Cagers continued their complete mastery over the Pee Wee League Players this week winning 2 more games and clinching the league championship.

St. Marys and Pinckney Merchants broke even each winning and losing one and the luckless Pilgrims dropped a pair to land them hopelessly in the basement.

St. Marys and Pinckney Merchants are tied for second place with 4 wins and 4 losses. The luminaries for the week were Hanson for St. Marys, Rocky Bennett for Hamburg, the Darrow boys for the Merchants and Wes Scott for the Pilgrims.

Games resume Saturday at 10:00 A.M. in the High School gym.

Admission is free.

Big league officiating for the youngsters is being supplied by Bill Light, and Bruce Henry both of whom have performed excellently.

**Sportmen's Isles**

Michigan's more than 500 islands provide top recreation as the favorite habitat of wild fowl, according to the Michigan Tourist Council.

Many of the islands, located in the Great Lakes, are favored by fishermen who find such locations especially rewarding.

**Man is properly self-governed when he is guided rightly and governed by his Maker, divine Truth and Love.**

—Mary Baker Eddy

Men well governed should seek after no other liberty, for there can be no greater liberty than a good government.

—Sir Walter Raleigh

Susan Roth leave our room to go to St. Mary's but we know she will enjoy going to school there.

Deborah LeClair was out for several days because she had to have her tonsils removed. She is feeling fine now.

Steven Hurley fell from a tree near his home last Friday morning and broke his right arm. It is going to be pretty hard to keep up with his work for a while but he'll try to do his best.

We enjoyed seeing the puppet show on Wednesday. The walk to the high school was fun too.

Nancy Collier visited her aunt for two days last week. Our Arrow Book Club books arrived. We received seventeen bonus books for the room.

We have finished our science unit on insects. Now we are working on a unit about the planets.

Merri Chris Ledwidge, Mike Wylie, Louis Schmidt, Pamela Rowell, Denise Dunn and Jana Geib made pictures for our Halloween bulletin board.

**SEVENTH GRADE**  
**MRS. ESHARDS**

Our room has been having a general music class for about 3 or 4 weeks. It is at 1:00 p.m. on Wed. We all enjoy it very much.

We have a new girl as of late. Her name is Susanne McIlvain. She comes to us from Hickory Corners, Michigan.

We have two class members who had birthdays lately. (Sorry it was not announced in last week's paper.) Gordon King had a birthday on the 16th. David Michael soon followed on the 18th. They were both 12.

We took our old maps down and are beginning our new ones. They are on resources and how men use them.

**NOTICE IS HEREBY GIVEN:** That the petition of Myrtle M. Board praying that the instrument filed in said Court be admitted to probate as the Last Will and Testament of said deceased, that administration of said estate be granted to Claude C. Board, of some other suitable person, and that the heirs of said deceased be determined, will be heard at the Probate Court on November 18, 1963, at 10 A.M.

It is Ordered, that notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Pinckney Dispatch, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, at least fourteen (14) days prior to such hearing.

# Rouge Complex — Symbol of Henry Ford's Dream

One hundred years after his birth, the industrial genius of Henry Ford is most aptly symbolized by Ford Motor Company's 1,200-acre Rouge manufacturing plant in Dearborn.

Located on the banks of the Rouge River, "the Rouge" embodies what was perhaps Henry Ford's greatest dream. It was the first, and remains the largest, integrated manufacturing area in the world — a self-contained complex where iron ore is converted into finished cars in an assembly plant a few hundred feet from the boat slip where it is unloaded.

**"FLOW" CONCEPT**

There was no originality in the mere size of the project. Other companies had achieved bigness long before Mr. Ford first thought of the Rouge. The new element in Henry Ford's conception was flow.

He and his associates already had demonstrated in the moving assembly line that the flow of parts in the factory was of vital importance. But Ford recognized further that without the flow of materials to the point of manufacture, the flow of parts might be impeded or stopped.

This concept led Ford not only to the Rouge, but beyond: to long-distance transportation of the raw materials he needed — iron and steel, lumber, coal, limestone, and silica sand for glass. He thus controlled the flow of raw materials from their very sources.

Ford also was confident that he could devise new and better processes for production of almost any product, and that he could persuade his suppliers to adopt these superior methods. But he said, "If those who sell to us will not manufacture at prices which, upon investigation, we believe to be right, then we will make the articles ourselves."

By 1915, Ford was ready to act on his dream of a super-plant. He was motivated by the growing inadequacy of the Highland Park plant and by the scarcity of raw materials during World War I. The scarcity, of course, did not become critical until after the Rouge was conceived, but its prospect was a good to action. Between 1915 and 1918, Ford had seen steel frames, malleable iron, steel for springs, leather and glass more than double in price.

Control of raw materials seemed to offer insurance against non-supply.

**A MUD FLAT**

The Rouge — then a remote mud flat in suburban Detroit — provided the setting.

When Ford proposed his plan for the Rouge, his associates were skeptical and some stockholders openly fought the idea. Despite these obstacles, he ordered construction of the first Rouge manufacturing buildings. A Model T car body first came off the Rouge assembly line in the fall of 1918.

Although it has been extensively revamped and modernized many times, the same Rouge assembly plant produced through the 1962 model year a total of 5,804,507 vehicles. The six-millionth Rouge vehicle, a 1964 model, will come off the line late this year.

In the 1920's, the Rouge

turned out nearly every component needed for the Model T. By the beginning of 1924, it was the chief reception depot for coal, iron ore and lumber used in the company's manufacturing operations. It processed all the coke for its own furnaces and foundry, and supplied coke to Ford's Highland Park plant.

Its blast furnaces produced from 35 to 50 per cent of the iron used in Model T's and tractors. It provided lumber for Model T bodies, and cardboard for these bodies and for shipping crates.

Its powerhouse supplied current to both the Rouge and Highland Park plants. It made most of the part and housed the final assembly of the Fordson tractor. Its foundry fashioned practically all of the iron, brass, steel and bronze castings used by Ford factories everywhere.

**MANY CONVEYORS**

The variety and completeness of mechanical equipment at the Rouge impressed even the technical experts. In conveyors alone it was a wonderland of devices. Gravity, belt, bucket, spiral, pendulum, roller, overhead monorail, scenic railway and merry-go-round — the list was both long in range and in adaptation to special purposes.

The machine tools were as notable. These, numbering 55,000 with the coming of the Model A, comprised standard types adapted to Ford routines or redesigned, and a large number of special Ford designs.

The Rouge was never static, reflecting Henry Ford's determination to improve machines and processes to the utmost. That determination continues today. Within the last 18 months, the Rouge Foundry has pioneered in thin-wall cylinder engine-block casting on the most modern molding line in the industry.

Ironically, it was the popularity of the very car the Rouge produced that caused its productive capacity eventually to fall far behind demand. This development prompted a movement toward decentralization of manufacturing and assembly facilities to serve distant markets.

This decentralization and the complex nature of the modern Ford-built car — containing many more parts, nearly half of which are supplied by independent manufacturers — have made the Rouge today only one of many Ford Motor Company manufacturing and assembly facilities.

**FAST COMPLEX**

Even so, the Rouge remains unique in American industry. It is a miracle of manufacturing so vast and complex that few of the thousands of men

and women who work there have a full conception of its magnitude.

Its fleet of ore boats piles the Great Lakes, bringing in nearly 5,000,000 tons of raw materials each year.

Three blast furnaces smelt 4,000 tons of iron a day; 10 open-hearth furnaces and the mill turn out steel at an input capacity of 1,940,000 tons a year.

The Rouge generates its own electricity — enough to light the homes in a city of one-million persons. It manufactures its own coke and generates its own oxygen and nitrogen.

It burns enough coal to supply a city the size of Des Moines, Iowa.

Within the Rouge are the largest production foundry in America, an engine plant, a tool and die plant, a stamping plant and a radiator plant. Every 24 hours, the Rouge glass plant turns out a ribbon of plate glass 103 1/2 inches wide and nearly four miles long.

New cars are built at the rate of more than one a minute.

The 103 miles of track and 16 diesel locomotives comprise the largest industrial railroad network in America, handling about 150,000 freight cars annually.

There are 15 miles of paved roads, 1-1/3 miles of unloading docks and 81 miles of conveyors.

In a single 24-hour period, 6,900 trucks, 40,000 automobiles and 150,000 pedestrians pass through the gates of the Rouge.

Each year more than 150,000 persons from the 50 states, U.S. possessions and 89 foreign countries tour the area as guests of the company. It has been visited by American presidents, foreign dignitaries, Argentine gauchos and barefoot Fiji Island tribesmen in flowing white robes.

In the sweeping, forward rush of industrial progress, the Rouge still stands as the biggest permanent symbol of Henry Ford and of the greatest single industry ever created by man.

**HOW MUCH IS A HAWK WORTH?**

While it is difficult to place a dollar value on wildlife, the National Wildlife Federation reports this index to the value of a hawk: During the 1962 fall migration season at Hawk Mountain Sanctuary in Pennsylvania, some 15,000 hawks were observed; during that same period, 15,000 human visitors were attracted to the Sanctuary from Philadelphia and elsewhere, just to see hawks in flight!

**Barracudas  
Are Seeking  
New Members**

By MRS. ELAINE BLACK  
FURLICITY CHAIRMAN

The Brighton Barracudas are opening their membership. At this time every year we accept a few members. The Club has arranged for Pool facilities a 25 minute drive from Brighton once a week—in order to teach the Basics of Scuba Diving.

Prospective new members are not required to obtain all equipment necessary for learning.

The Club can supply the basic equipment, also the tanks. You have the opportunity to see, and use many different kinds of equipment, which enables you to be selected in buying your own.

Your instructors are considered some of the best in Michigan.

Interested persons 18 and over, may contact us through P.O. Box 218, Brighton, Mich., or call AC 9-6841 for information about the day, and time of meetings.

**SCHEDULE**

OCT. 31 — No Meeting — Pool Open.

NOV. 7 — Business Meeting, Pool Instructions.

NOV. 10 — River Dive — Pool Open.

NOV. 11 — Night 1 Meeting.

NOV. 14 — Business Meeting, Pool Instruction.

NOV. 21 — Club Films and Films — Pool Open.

WINTER, AAA TRAFFIC SAFETY POSTER CONTEST

**Property Stolen From Your Auto May Not Be Covered by Insurance**

"If a camera is stolen from my car will my automobile theft policy cover the loss?" a writer questions.

No, it will not. Only equipment attached to your car — and the car itself — is insured against theft. If your hood ornament or hub caps were stolen you would be paid for the loss. You also would be reimbursed if your car radio were taken but not if your portable radio were stolen — at least you would not under the terms of your family automobile policy.

These are, however, policies that do provide this protection. Personal property floater policies or a "household" package policy would cover you if your belongings were taken from your locked car.

Policies also are available that would provide payment even if your belongings were stolen from an unlocked vehicle. These policies are designed to offer the broadest possible insurance protection and not intended to encourage the policyholder to leave his car unlocked.

Where possible, it is a good practice to keep your valuables out of sight — lock them in your trunk or glove compartment. Also, you should always lock your auto and leave the keys in the ignition, even if you are only going to be away from the car for a moment or two. Across the country cars are stolen at the rate of one every minute and a half — most of them are unlocked.

This column will be glad to answer questions you may have about property and casualty insurance. Send them to Gene Nelson, manager to Gen. Nelson, National Insurance & Real Estate, 2005 Main Street, Whitmore Lake, Mich.

# Ailing Bulldogs Show Spunk

## Eagles Soar To Victory

BY JIM STANFIELD  
HARTLAND — Last Friday night Hartland gained its second victory of the season by tromping New Lothrop 46 to 6.

Tom Risner started off the first quarter with a 20-yard

run around the right end for a fast 6 points.

Dale Callaghan made six points in the second quarter from the New Lothrop 20 on a sweep to the right side then cutting to the left into the end zone for the score.

In the third quarter Phil Johnson ran 75 yards around the right end for another TD. An extra point was made to make it 7. Now Lothrop made its only TD in the third quarter.

The Eagles really got going in the fourth quarter. Jim Briggs charged 4 yards up the middle for one TD. Dewey Matthews passed to Chris Spahr from the New Lothrop 17-yard line for another 6 and the extra point made it 7.

Dale Callaghan, on a 60-yard run made 6 more plus another extra point made it 7 more.

Then Bill Klein picked up a fumble and ran it 30 yards for another Hartland TD. The extra point made the final score 46 to 6.

Dale Callaghan made the most yardage for Hartland with 147 on the ground and 82 yards on passes.

Total yardage for Hartland was 330 yards on the ground and 181 yards on passes for a grand total of 511 yards.

The Junior Varsity squad lost their game by a score of 46 to 6 in its game with Fowlerville, Thursday night at Fowlerville.

**SCORING BY QUARTERS**  
Hartland 6 6 7 27-46  
New Lothrop 0 0 6 0-6

## Score 2 TD's Against Strong Foes

BY LEE NILES  
BRIGHTON — The fans were happy.

Brighton with its crippled team played a remarkable game against Northville — a team that is tied for first place in the Wayne-Oakland League.

The game was held Friday night on the home field with Northville winning 34-12, but discovering the Bulldogs were stiff competition.

Brighton's fans weren't happy they lost, but that: the Bulldog offense clicked and scored two touchdowns. These were the first points in four weeks; since the victory over Holly, the team hadn't scored.

In the second period Larry Flowers, fullback for the B.H.S. team, faced 15 yards up field and over the goal line for a Bulldog touchdown. Mike Fournier at quarterback tried the quarterback sneak but missed the extra point by inches. The scoreboard read Northville 14 — Brighton 6.

The offensive line of Dennis Scott, left end; Mike Dundas, left tackle; Clark Millar, left guard; Paul Dixon, center; Bob Larabee, right guard; Gary Armstrong, right tackle; and Mike Stellwagen, right end, blocked better than in the past three weeks and gave the backfield a little running room.

Mike Fournier started at quarterback, Doug Zimmerman at left halfback, Larry Flowers at fullback and Lee Niles at right halfback. This backfield gained more yardage than in the previous 2 weeks combined.

Bob Larabee came in the game at left half and stretched for a touchdown in the 4th quarter. Larabee carried the ball 5 times for a 7.4-yard-per-carry average. The conversion again was no good.

Doug Zimmerman and Larry Flowers combined on the ground for 100 yards rushing, each carried the ball 11 times.

Lee Niles ran the ball five times at right half, as did Bill Osborn for a 3.5-yard average per carry.

Mike Fournier ran from the quarterback spot and gained 10 yards; Bob Cameron rolled out to pass, but ran for six yards instead.

Fournier attempted eight passes and hit Bob Larabee for 8 yards on his only completion, while one of his passes was intercepted.

Bob Cameron tried to pass 3 times and found Larry Flowers for 3 yards on 1 for 3.

Northville's first touchdown came on an end sweep with fullback Ron Rice scoring. Northville stayed on the ground and went over the

goal line 4 more times to win 34-12.

**PRIESKORN PLEASED**

Northville couldn't move in the air, but danced everywhere on the ground.

Coach Prieskorn exclaimed, "I thought the game was closer than the score indicated. I was also pleased with the defensive play of Gary Armstrong."

Linebacker Gary Armstrong, the Bulldog captain, was the most frequent tackler with 20. Richard Burrus had 8, Steve Kujawa 5, Lee Niles 4, Paul Dixon 4, Larry Flowers 3, Dennis Scott 3, Mike Dundas 2, Doug Zimmerman 2, Bob Larabee 2, while John Hodgins, Jim Bidwell, Dennis Mayo, Clark Millar, Mike Stellwagen and Ken Whitney received one apiece.

The starting Bulldog defense found the line of Steve Kujawa, Jim Bidwell, Frank DeLucas, Richard Burrus, and John Hodgins, big, tough, and ready to play.

Supporting the line were Larry Flowers, Paul Dixon, Gary Armstrong, and Doug Zimmerman as line backers, while Bob Larabee and Lee Niles were at defensive half-back watching for the TD pass that never was thrown.

When Coach Prieskorn's team had to punt, they didn't; they had Dennis Scott or Mike Stellwagen scramble around end and try for the needed yardage for a first down.

Coach Korowin said, "We played a good game; past injuries hurt us. Gary Armstrong played another real good game. I was pleased with offensive tackle Frank DeLucas."

Coach Prieskorn stated, "For his first varsity game, I thought Larry Flowers ran well."

**JV'S MOVE UP**

Larry Flowers, one of the JV players called up to varsity this past week, recovered a fumble. Bill Osborn and Bob Cameron were the other players brought up to replace the injured varsity regulars.

Dennis Hartman, Buzz Davison, Phil Stine, Don Kearns and Russ Anderson were the seniors out of action for their last home game at Brighton. Joe Kearns and Ron Lattimer are also out.

First downs for Brighton were 11, and penalties of 20 yards.

**SCORE BY QUARTERS**  
Brighton 0 6 0 6-12  
Northville 14 7 6 7-34

This Friday the Brighton Bulldogs play their final game of the season at Clarenceville. The game starts at 8:00.

## Interceptions Please Pirate Fans

BY JOHN TASCH  
PINCKNEY — Last Friday evening the Pinckney Pirates went to Saline to play the Saline Hornets and lost by the score of 22 to 12.

A little thought and a little kindness are often worth more than a great deal of money. —John Ruskin

Some interceptions by the

at the end of the half the score was eight to six.

In the third quarter Griffin scored again, this time on a run of 61 yards. Still went in for the extra point. Again Saline scored, this time on a 25-yard run by Steve Miller. Dave Detling carried the ball for the extra point. Then in the fourth quarter Pinckney scored the final touchdown of the game. It was a 15-yard pass from Jim Barker to Del Fritz.

Friday, the Pirates play U High at Pinckney, 7:30 p.m.

## Car Pins Woman Against House, Break Legs

**BRIGHTON** — Last Friday morning Mrs. Clarence (Betty) Kerr, 808 Washington St., was seriously injured in a "freak accident" at the back door of her home.

The family car suddenly lunged, pinning her up against the house. Both legs were broken above the knees.

She was taken to McPherson Community Health Center.

by Road October 14. Twelve members were present, and also two guests of Mrs. Paulsen who were Mrs. Ruth Sutsin and Mrs. Helen Caldwell.

The theme was Halloween. "Bonco" was played by all the members.

First prize was won by Mrs. Louis Kessler, second by Marion Agier, third by Dolla Pardon, and the door prize was won by Ruth Sutsin. Refreshments were served.

**BRIGHTON BUSINESS AND PROFESSIONAL WOMEN'S CLUB**  
At the regular meeting held Oct. 22 at the Canopy at 6:30 p.m., a most impressive Emblem Pageant program was staged by eight ladies who are members of the Keego Harbor B.P.W.C.

They were clothed in gold and green gowns, and after the story on each symbol that make up our famous emblem, one lady would enter and place the symbols upon the plaque.

Guests were present from Ypsilanti and Ann Arbor as well as Keego Harbor.

President Margaret Kawalski presented each of the groups with a centerpiece from their table. Jenny Hopkins read a poem.

The local club's president gave a report on her attendance at the "Lansing Women in Government Dinner" held during the B.P.W. Week, Oct. 6 to 12.

Grace Lipka gave a report on the banquet that she and Mildred Shannon attended at the Statler Hilton in Detroit.

**BRIGHTON SCHOOLS THURSDAY, OCT. 31**  
Beef pot-pie with vegetables, white cake with glazed cherries, French bread, butter and milk.

**FRIDAY, NOV. 1**  
Cream of tomato soup, grilled cheese sandwich, assorted fruit, ice cream, bread, butter and milk.

**MONDAY, NOV. 4**  
Sloppy Joe on bun, buttered wax beans, chilled peaches, home-made sweet cinnamon raisin rolls, milk.

**TUESDAY, NOV. 5**  
Chili-con-carne, with crackers, vegetable strips, ginger cake, home-made rolls, milk.

**WEDNESDAY, NOV. 6**  
Baked meat loaf, oven-browned potatoes, butter-glazed whole carrots, fruit jello, bread, butter, milk.

**THURSDAY, NOV. 7**  
Old-fashioned beef stew, cabbage salad, apple crisp with cheese slices, French bread, butter, and milk.

**FRIDAY, NOV. 8**  
Oven baked fish with tartar sauce, butter whipped potatoes, combination salad, ice cream, bread, butter and milk.

**FRIDAY, NOV. 1**  
Baked tuna and noodles, buttered peas, carrot sticks, cherry sauce, whole wheat muffin, butter and milk.

**PINCKNEY COMMUNITY SCHOOLS MONDAY, NOV. 4**  
Spaghetti, cheese wedge, sandwiches, fruit and milk.

**TUESDAY, NOV. 5**  
Corned beef casserole, vegetable, sandwiches, fruit, milk.

**WEDNESDAY, NOV. 6**  
Hot dogs, vegetable, apricot cake, milk.

**THURSDAY, NOV. 7**  
Beef stew, sandwiches, fruit and milk.

**FRIDAY, NOV. 8**  
Tomato soup, egg salad, sandwiches, vegetable, fruit and milk.

**HOWELL THURSDAY, OCT. 31**  
Meat loaf with catsup, butter, and milk.

**FLAT-CAR FRAMES MAKE GOOD BRIDGES**  
According to the National Wildlife Federation, the Minnesota Conservation Department has found a novel and relatively inexpensive way to erect short bridges over streams. Old flat-car frames, purchased from railroad companies for \$100, are placed side by side on pilings driven into the ground.

Planks are bolted on the top of the frames

# ... Pinckney Prattle ...

By ALICE GRAY

The Jay Shireys had Mr. and Mrs. Kirm De Beck as dinner guests last Sunday.

It's amazing what different objects wind up in children's ears isn't it? Jerry, 3 1/2 year old son of the Jay Shireys, had a bead lodged in his ear which was flushed out by his doctor in Howell last Monday. But Mike Hendee, son of the Lloyd Hendees, topped them all some time ago, when he had a grain of wheat that had sprouted removed from his ear. Can anyone top that one? Let us know.

**BIRTHDAY FOR KATHLEEN**  
The Louis Rogers family celebrated daughter, Kathleen's birthday last Friday, October 25th with a family party. The guests were her grandparents, Mr. and Mrs. Alvin Washburn, with Katy's brother, sisters and parents enjoying the occasion also. Kathy's cake was a cut-out cake in the shape of an orange butterfly decorated with different color candies on the wings — too pretty to eat.

Walt and Louise Thorne of Hanover spent the week with Louise's parents, Mr. and Mrs. Joe Basvold. Sunday evening the Basvolds and the Thornes visited in Dexter with Ned and Donna Palmer.

Monday evening, the Missionary Society met at the People's Church and spent the evening repairing hymnals and mending patients' clothes for the Michigan State Hospital at Howell.

**LET'S GO TO THE AUCTION**  
Mr. and Mrs. Milo Case have sold their home on East M-36 to Mr. and Mrs. Jack Kozenich of Garden City who will have four school age children.

There will be an auction of household articles Saturday, November 16, at the Case home with a Stanley Bates as auctioneer. The auctioneer to go to Southern California when all details are settled. If all goes as planned, Mrs. Eleanor White will drive the Cleaer to California.

On Sunday, Oct. 27, Michele Rogers was given a party for her First Holy Communion by her parents, Mr. and Mrs. Louis Rogers. Among the guests present were Mrs. Helen Schwartz, Mr. and Mrs. Robert Schwartz and son of Detroit, the Joseph Caspers and daughter, Emily, with her friend, Jack, also of Detroit. Michele's grandparents, Mr. and Mrs. Alvin Washburn, and all the little Rogers had a grand time on Michele's big day.

Time has a way of speeding by, doesn't it? Seems like only a few weeks back that Richard Wylie graduated from West Point. Lieutenant Wylie, now in the engineering branch of the army, has been in Korea for the last eight months building badly needed roads and bridges. Dick in a very interesting letter to his grandparents, the William Eulers, says he has seen the rice crops planted, harvested and threshed, and as winter is approaching it is quite cold there now. Dick expects to remain in Korea for at least five more months.

Mr. and Mrs. Welton Chamberlain entertained the Al Drabings of Detroit at dinner last Sunday. The Chamberlains and Mr. and Mrs. Drabing became acquainted this summer when both couples were camping.

Mr. and Mrs. Ray Moriarty of Deerfield, Mr. and Mrs. Charles Clark of Kalkaska, Mr. and Mrs. Dennis Clark and five-months-old daughter, Arin Theresa, spent Sunday with Mrs. Margaret Clark and enjoyed a family dinner.

**MRS. TOLMIE DIES IN ENGLAND**  
Mrs. Eva Engquist had a call Sunday from the Andrews Air Force Base, Washington, D.C., informing her that her sister-in-law, known to many Pinckney people, had died Saturday afternoon. Mrs. Tolmie, wife of Mrs. Engquist's brother, S/ Sgt. Harold Tolmie, was an English war bride and was currently living in England where her husband is stationed with a SAC squadron. The Tolmies had no children. Mrs. Tolmie will be buried in her native England.

Paul Burg and John Mayne spent last weekend at the Burg cabin at Lovells.

On Sunday October 20, the Lloyd Harden family celebrated three family birthdays — Jeffrey, Judy Liz and Roger being the honored ones. Dinner guests that day were Mrs. and Mrs. Sam Hadden of Dexter, and Kenneth Shelly, also Mrs. Ethel Clark and son, Ronny, of Gregory. Mr. and Mrs. William Eck were afternoon callers.

Mary Lou Morse, granddaughter of Mr. and Mrs. George Tansley, made her First Holy Communion last Sunday morning. The Tansleys entertained at a breakfast open house in her honor afterwards.

Mrs. Irene Jack, who has been convalescing at her daughter's home in Ferndale, was in Pinckney last weekend visiting at the home of another daughter, Mrs. Robert Ackley. Mrs. Cleo Cullom, Mrs. Ida Frye, and Mrs. Estella Tubbs called on Mrs. Jack Saturday afternoon.

Mr. and Mrs. Frank Czerwinski and family spent the weekend in Bay City visiting at the home of Mrs. Czerwinski's mother. While there, Frank and son, Mike, did some unsuccessful hunting, we hear.

**DENNIS JAMES POHL ARRIVES**  
It's a new baby boy, named Dennis James, at the Melvin Pohl home at Portage Lake. The baby, born Tuesday, Oct. 15, weighed 7 pounds and 3 ounces at the St. Joseph Mercy Hospital in Ann Arbor. Dennis James joins a sister, Patty Jo, age 3 1/2, and a brother, Melvin, aged 11 months. Mrs. Pohl is the former Joan Kinsey.

Mr. and Mrs. Lucius Doyle, Sr. were in Ypsilanti last Sunday visiting with Mr. and Mrs. Max Smith.

Mr. and Mrs. Mark Nash and grandson, Stephen Bekering, spent the weekend at Niles, Mich., with the David Nash family. On Sunday, Mrs. Mark Nash's sister, Mrs. Clarence Wollenhaupt, Mrs. Sally Hendrixson, and Carla Hendrixson, all of Otsego, came to Niles to have Sunday dinner with the Nashes.

The Bridge Club met with Mrs. Florence Atlee at her Portage Lake home last Monday.

Pfc. Itolly Cole, who has been stationed with the army in Kentucky, left Tuesday, October 15, for Germany where he expects to be stationed until January of 1965. Mrs. Cole is at present staying with her family, the Loy Bonds of Unadilla Street.

Daniel Muellerlelle, son of Mr. and Mrs. Dennis Muellerlelle of Chilson Road, made his First Holy Communion last Saturday morning at the 8:30 mass, St. Patrick's Catholic Church in Brighton. His parents entertained at breakfast afterwards at their home. The guests were Mr. and Mrs. Frank Czerwinski, Mrs. Lloyd Nash, Mrs. Gerald Ritzer of Hamburg, and Mrs. Marge Baker of Chilson Road.

**HAY RIDE — BARBECUE**  
As a grand finale to home butchering, Mr. and Mrs. Don Gearhart of Cedar Lake Road entertained about 35 persons at a large barbecue. Barbecued pork, goat, and chicken were on the menu for the relatives and friends Saturday, Oct. 12. A hay ride around the surrounding area followed the barbecue.

Mr. and Mrs. Robert Read spent part of the week in the Upper Peninsula. They were back in time to attend the wedding of Mrs. Read's nephew, Robert Reid of Gregory, to Joanne Barnum of Ann Arbor, at Unadilla last Saturday evening, October 26.

Miss Regina Hill is a patient at the Metropolitan Hospital at the present time.

Hunters at the Windy-Cliff cabin at Lovells last weekend were Win Baughn, Lawrence Baughn, Olin Robinson and Harold Henry. Cliff Miller, Ted Gray and Dale Miller took in the Howell-Haslett football game at Page Field, Friday night, in which Dale's son, Bill, was one of the star players for the Howell team. After the game, Cliff, Ted and Dale took off for Lovells to join the rest of the "gang" at the Windy-Cliff.

Mr. and Mrs. Fred Read spent last Sunday in Jackson visiting with Mrs. James Cleland, Mrs. Read's sister.

Mr. and Mrs. Sam Hadden were dinner guests last Sunday at the Lloyd Harden home in honor of Joseph's First Holy Communion.

**BUSY DAY FOR THE CAMBURNS**  
Saturday, October 26, will be a day that will remain long in the memory of Lucille and Larry Camburn — it was certainly jam-packed with activities. High on the list, of course, would be the honor of being installed as Worthy Matron and Patron in the OES that evening.

In the afternoon, the Camburns attended the wedding of Mrs. Camburn's niece, JoAnne Barum of Ann Arbor to Robert Reid of Gregory at the Presbyterian Church in Unadilla and the reception that followed.

Mr. and Mrs. Roland Gordon of Beulah and their son, Ralph, a freshman at the U of M, were weekend guests at the home of the Camburns, attending the wedding and the OES installation with Lucille and Larry.

Mr. and Mrs. Claire Barnum of Unadilla, parents of the bride, Joanne, attended the OES installation Saturday evening also — Mrs. Barnum looking very lovely in her "mother of the bride" wedding attire and corsage.

Mrs. Muriel McGuire and daughter, Cathy, of Orchard Lake spent Friday with the Fred Reads.

Mr. and Mrs. Ralph Hall called on the Perry Browns of Ann Arbor last Sunday evening.

Mr. and Mrs. Cass Clinton and Cass's brother, Dr. Mark Clinton, and wife, had dinner last Wednesday at the Holiday Inn in Ann Arbor. Gerald Clinton, son of the Cass Clintons, and his son, Roy, drove out from Detroit last Saturday to spend the day with the Clintons.

**BIRTHDAY FOR DOROTHY DINKEL**  
Friday evening, neighbors of Dorothy Dinkel gathered at the home of Mr. and Mrs. Robert Amburgey on Main Street to help her, Dorothy, celebrate her birthday. Pres-

## Rushin' Roulette by Chon Day

The Travelers Safety Service  
Reckless driving caused more than 572,000 casualties in 1962.

## GREGORY AREA

**By M. Congray**  
Mr. and Mrs. Arthur American and family of Ann Arbor spent Sunday afternoon with Mr. and Mrs. Kenneth American.

Mr. and Mrs. W. B. Clark, Mr. and Mrs. Chester Clark and family visited the Art Maschke family Monday evening.

The Paul Moffats have sold their home to the William Barbers. The Moffats have purchased the Arthur McCleer home.

Mr. and Mrs. Lyle Kinsey are back in Pinckney after a two-week trip to Pensacola, Florida. Although the Kinseys drove, you could say they made a flying trip — made it there in two days. While there they visited with Mrs. Kinsey's aunt and uncle.

Sunday callers at the home of the C. J. Clintons were Mrs. Clinton's nephew, Major Fishbeck, wife, and daughter, Stephanie. Major Fishbeck is stationed at the Metropolitan Airport.

Tom Line, son of Mr. and Mrs. Thomas G. Line of Cedar Lake Road, and Barbara Waterbury, daughter of the Jack Waterburys of Hamburg, will be married November 1st at the Green Oak Free Methodist Church.

**RICHARDSON-MASSEY HUNTING TRIP**  
Woodrow Massey of Rush Lake Road and Ivan Richardson of the Dexter-Pinckney Road, who left Oct. 19, have just returned from a fishing and hunting trip to Aberdeen, South Dakota. If Aberdeen seems to ring a bell in your memory — it's been in the news a lot lately — that where the latest group of quintuplets was born recently, Massey and Richardson, who were staying with some of Mr. Richardson's relatives, thought they might catch a glimpse of Aberdeen's famous new citizens, but found the hospital guarded with state police to ward off all visitors. The hunting was only fair, too; it rained, rained and rained — but not a drop for our dry woods here.

Mr. and Mrs. George Marshall, Mrs. Maxine Sweet and Marcia attended the wedding of their cousin at Parma Saturday.

Mr. and Mrs. William Barber are the parents of a son, born Oct. 18.

Mr. and Mrs. Dan Howlett, and Mr. and Mrs. Laurmer Barbour attended the Annual HomeLife Chain Saw promotion banquet Saturday at Madison Heights.

Mr. and Mrs. Harold Myer were Tuesday supper guests of Mr. and Mrs. Alvin Myer and family to celebrate Bud's birthday.

Miss Kathryn Leeke of Munnith, and Misses May Howlett, and Jennie McGuffey of Jackson were Thursday luncheon guests of their cousins, Mr. and Mrs. Howard Marshall.

Congratulations to Mr. and Mrs. Ralph Chipman on their 66th wedding anniversary Sunday.

Mrs. Hazel Watkins spent last week with the Hollis Holloway family.

Mr. and Mrs. George Marshall, Mrs. Maxine Sweet and Marcia attended the wedding of their cousin at Parma Saturday.

Mr. and Mrs. William Barber are the parents of a son, born Oct. 18.

Mr. and Mrs. Dan Howlett, and Mr. and Mrs. Laurmer Barbour attended the Annual HomeLife Chain Saw promotion banquet Saturday at Madison Heights.

Mr. and Mrs. George Marshall, Mrs. Maxine Sweet and Marcia attended the wedding of their cousin at Parma Saturday.

Mr. and Mrs. William Barber are the parents of a son, born Oct. 18.

Mr. and Mrs. Dan Howlett, and Mr. and Mrs. Laurmer Barbour attended the Annual HomeLife Chain Saw promotion banquet Saturday at Madison Heights.

## Pinckney People You Know

BY DOLLY BAUGHN

Mrs. Harold Riggs returned home Sunday after spending last Thursday in the Howell Health Center. She had surgery on that day, but is home and feeling fine now.

Mrs. James (Helen) Dunn is a patient at the Howell Health Center. She had surgery last Thursday, and again Saturday. She feels "pretty good", but does not plan to be home before the end of this week. Her daughter, Denise, is staying at the Lloyd Hendee residence "till mother gets home."

Dr. Cecil Hendee of Lansing was among the pheasant hunters at the Lloyd Hendee home Saturday.

Birthday felicitations were in order for James Pietile October 25. He turned 14 on this day. Many happy returns of the day, Jim!

Mr. Lee Lavey and son, Robert are in Chicago this week, attending a hardware convention.

The James Douglas' family have moved to a new residence at Buck Lake. Their former address was 4460 W. Shaffer Road. They feel sure they will like the lake atmosphere very much.

Mrs. Katherine Sullivan and Mrs. Mary and Caroline Sullivan's parent's home in Plainfield. They enjoyed a dinner "fit for a king", and then enjoyed home movies, shown by an uncle, also present, that were taken of Nova Scotia, New York and Pennsylvania.

The Louis Riggs family are all back home now! Louis spent last week moose hunting in Canada, (and had no luck at all, they just never will know what moose meat tastes like now!) and Mrs. Louis Riggs accompanied her mother, Mrs. Bond Collier, to Wisconsin to visit relatives.

Grandma and Grandpa (Robert) Taseh received word from Chicago, a new grand-daughter has arrived as of October 20, an 8 pound one, named Jennifer Louise. The Taseh's daughter, Gretchen, is doing fine, and is at home now with "Daddy", Paul Cromwell.

Mrs. Irvin Kennedy and Miss Gertrude Spears, visiting Pinckney friends and relatives while here from California, called on Mrs. Lloyd Harden and Mrs. Mabel Bell last Thursday afternoon.

Mrs. Ellen Leedy and daughter, Judy, were supper guests at the Lloyd Harden's Tuesday evening in honor of Judy Liz Harden's very first birthday!

Mel Reinhard, a graduate of Aquinas College, Columbus, Ohio, plans to renew many friendships and acquaintances Tuesday when he returns to that city, mainly to address a Seminar of Junior Achievement groups on the subject;

"How To Get the Most Out Of Your Advertisement Dollar".

Happy anniversary to Mr. and Mrs. Robert Read October 31st and to Mr. and Mrs. Lee McMichael on November 3rd. May you all have many happy returns of all the day!

James and Barbara Campbell, and "little" Jimmy had dinner last Saturday with James' sister, the Clair Johnsons of Ann Arbor.

Mr. and Mrs. Roy Campbell had a very pleasant surprise Sunday afternoon when their daughter, Mary Ann Phelps, and family of Wabash, Indiana drove in, unannounced!

Stanley Kozij and Margaret Hill have birthdays on October 30th, John Reidel on October 31st, Barbara Johnson on November 1st, Helen VanBlaircum, Horace D. Cole, and Elizabeth Henry on November 4th, and Chuck Wilshire on November 5th. Happy birthday to them, each and every one!

Mrs. Doris Sannes, and small son, called at the Dispatch office Tuesday morning. The Sannes are former Pinckney People, that moved to the Chelsea area this past summer.

Tom Read, son of Mrs. Mary Read, has decided to pursue his father's ambition that of completing a three month apprenticeship at the Muench Funeral Chapel in Ann Arbor, where it was requested he room during this period of deciding should he or shouldn't he? Now he has made up his mind and will attend U of M, for two years and spend one year at an embalming school in Wayne, Michigan. The best of luck, Tom.

**Ken Stonex Receives Award**

BRIGHTON -- General Motors Automotive Safety Engineer Kenneth A. Stonex has received the Award of Honor of the Metropolitan Life Awards for Research in Accident Prevention for 1963, according to an announcement by the National Safety Council.

The award was presented at a Monday luncheon, Oct. 28, at the 51st National Safety Congress at Chicago.

It is administered by the National Safety Council under a grant from the Metropolitan Life Insurance Company and is one of two awards given annually for two research projects judged as the most significant contributions toward reduction of accidental injuries and deaths.

The second award, or Award of Merit, was presented to Dr. William Haddon, Jr., director of the New York State Department of Health epidemiology residency program for his study of skiing injuries.

The Stonex research was aimed at finding ways to reduce dangers that occur when a car runs off the road, a type of accident that each year takes more than 10,000 lives.

According to his study the principal dangers are such roadside obstacles as trees, boulders, utility poles, abrupt slopes and inadequately designed or over-age guardrails.

Stonex reported that a 33-foot strip of obstacle-free roadside would provide safety for at least 80 per cent of the motorists who, for one reason or another, run off a highway.

His report included roadside accident data from Cornell Crash Injury Research, studies by Prof. John W. Hutchinson of the University of Illinois and data from General Motors Proving Ground.

He also suggested elimination of two-way traffic as a way to reduce fatalities, inasmuch as "opposite-direction" accidents result in from 4,000 to 5,000 deaths annually.

**Events Calendar**

WEDNESDAY, OCT. 30  
Blood Bank -- Presbyterian Church, noon to 6 p.m.  
THURSDAY, OCT. 31  
Annual Halloween Parade, 7 p.m., starting at Hynes' lumber yard.  
Recovery Inc. -- Presbyterian Church, 8 p.m.

**Four Are Injured on County Roads**

Kita Rose Spicer, 25, of Pinckney had a lucky escape Sunday at 7:30 P.M. on E. M-36 near Farley Rd.

Going west at 50 m.p.h. she went off the road and, in attempting to get back, lost control and skidded 90 feet. She came to rest against a telephone pole and only scratched the paint on her 1959 model car.

Lawrence J. Visel, 23, of Brighton was cited for failure to have his car under control Sunday at 2:15 a.m. in Howell on Grand River in an accident 100 yards east of the Shiawassee River Bridge.

Visel was taken to McPherson Community Health Center with head injuries.

Lawrence W. Lockwood, 31, of Dearborn, lost control of his car Sunday when his wheels caught in loose gravel coming over a hill on Brighton Rd. He hit a tree one-quarter of a mile east of the Richardson Rd. at 11:30 p.m.

Lockwood and his passenger, Kim Lockwood, 7 also of Dearborn were taken to Oakwood Hospital, Dearborn; by ambulance.

A tractor, owned by Ind. Trans. Inc. of Lansing, and

driven by Rodney Lane, 41, of Mason on Saturday hit a truck belonging to Metz & Wiewand and driven by Tyler F. Thomas, 23, of Howell.

Lane was passing the truck when it made a left turn in front of him and he hit it, according to the Livingston County Sheriff's Dept.

The accident occurred on M-59 and Oakcrest Dr. (a private Rd.) at 10:55 a.m.

The 1959 Pick-up truck driven by Thomas was a total wreck and Thomas was taken to the Health Center by ambulance with a broken arm and possible ribs broken.

**Obituaries**

EDWARD GESSER  
Funeral services were held Friday for Edward Gesser from St. Patrick Catholic Church and burial was at Mt. Elliot Cemetery, Detroit.

The Metropolitan Life Award is the second Mr. Stonex has received in the past two years. In 1961 the Highway Research Board of the National Academy of Science, National Research Council, cited his paper, "Roadside Design for Safety," for outstanding merit at its 39th annual meeting.

It detailed the GM program for removing roadside hazards and redesigning the roadside slope contours for safe driving.

At that time Mr. Stonex was assistant director of GM Proving Grounds. Last month he was named GM Automotive Safety Engineer.

Mr. Gesser died Tuesday, Oct. 22, at his home at 327 South Third Street. He is survived by two sisters, Mrs. William Gress of Detroit and Mrs. Gladson Remayer of Hamilton, Ohio. His wife died in 1943.

Mr. Gesser was retired and had lived at Crooked Lake at one time.

ALFRED M. FRIEDMAN  
BRIGHTON -- Funeral services for Alfred M. Friedman, killed in an auto accident, 453 US-23 were held Thursday from the Hebrew Memorial, Detroit.

He is survived by his wife, Saerue, a son, Edwin, and two brothers and four sisters.

## Choir To Sing at Church Fall Festival

ARGUS • EAGLE • DISPATCH • WED., OCT. 30, 1963

### Garden Club Plans Projects

Mrs. Don Johnson, was hostess to the Town and Country Garden Club for the October meeting last week.

Desert and coffee were served by the hostess and her assistants, Mrs. Wilfred Erwin and Mrs. Dorothy Dunn, after which club projects for the coming year were discussed.

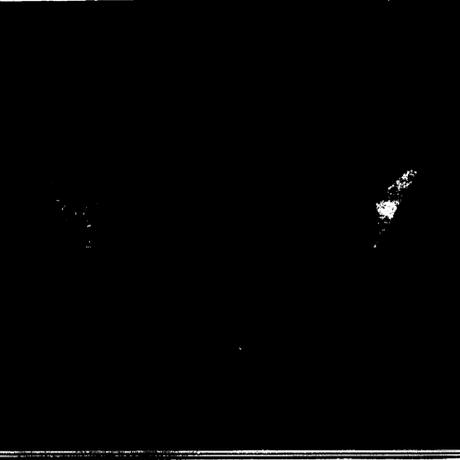

A workshop will be held on Monday, November 4 at the home of Mrs. Richard Blued on Oak Grove Rd. At that time Mrs. Tom Sullivan will show the members how to make a pine cone wreath.

The next regular meeting of the club will be held on November 18 at the home of Mrs. Reed Fletcher. James Sparr of the Howell Green House will be the guest speaker. He will discuss Christmas arrangements.

### U of M Club

Because of conflict with another meeting in Howell, the evening of November 7, the University of Michigan Alumni Club meeting has been rescheduled to November 20.

It will be held at the home of Mr. and Mrs. Joe Brady at 8 p.m. on that date.

### HIGH-FINANCE — Glenn S. Allen, Jr. confers happily with Frank Biggood, president of the Howell Chamber of Commerce where he made a stop Monday afternoon. Allen, State Controller, spent the day in Livingston County explaining the Governor's tax reform program to civic groups.

### Marriage Licenses

James E. Schultz, 21, of Howell, and Carol S. Morrison, 23, of Pinckney.

John M. Maher, 20, of Detroit, and Barbara Jean Newton, 19, of Brighton.

Robert B. Reid, of Gregory.

and Joanne L. Barnum, of Gregory.

George E. Roach, 20, of Clyde, Ohio, and Carol Jean Brown, 17, of Pinckney, by consent of mother, Mrs. Lila Brown.

Donald R. Morgan, 26, of Howell, and Gloria Maude Petry, 20, of Howell.

James P. Luke, 20, of Fenton, and Virginia L. Felch, 17, of Brighton, by consent of mother, Mrs. Marjory Felch.

Charles J. Regoulot, 18, of Howell, and Deloris M. Schaffer, 18, of Howell.

Paul T. Recker, 27, of Howell, and Norma Jean Foster, 22, Howell.

Jerry M. Woody, 20, of Brighton, and Charity M. Parks, 16, of Brighton, by consent of mother, Susie Curtis.

Paul Woodie, 24, of Pinckney, and Mary Ellen Sears, 18, of Pinckney.

### Wild Spenders Throw Caution To The Winds

Eighty persons spent money as if it were being declared illegal the next day, and won and lost sums that would make even a Rockefeller or Kennedy blink but none felt any pain as it was all paper money.

The occasion was "Las Vegas Night" at Chemung Hills Country Club last Saturday night.

The Black Jack game got a heavy play with the big wheel receiving its share of activity. Other games were dice, crap and draw poker.

There was a drawing for a brand new golf bag which was won by Bill McPherson IV and members and their guests were able to purchase other prizes with their paper winnings.

A western buffet of cold cuts, baked beans and relishes was served a hour's midnight with peach cobbler for dessert to remind the guests that a bright, happy summer was over.

Everyone present agreed that, win or lose, they all had a good run for their paper money.

### 18 Couples Search County For Treasure

The Howell Jaycees held their annual Halloween party on Saturday night and 18 couples took part in a treasure hunt that led them all over Livingston County, ending up at Waldenwoods in Hartland. There the temporary witches and warlocks had refreshments and played games the rest of the evening.

Of the 200 community surveys sent out by the Jaycees 175 have been returned. Results will be correlated and published as soon as possible.

A membership drive will be held during the month of November with each Jaycee being required to sign up a new member during that time. An orientation program will be held in December for the newcomers.

Thirteen men traveled to Ypsilanti recently and captured the Travel Trophy Award for the Howell club. This trophy is awarded for the most man-miles traveled to a district meeting.

This is the first time in six years that the Howell club has won the trophy which will be engraved with their name.

### Chemung Hills Professionals Will Return

There was a goodly turnout at Chemung Hills Country Club last Wednesday night for the annual meeting.

Members elected Robert Parker, Miller Beumann and Ralph Banfield to a three-year term on the men's board. Bob Blauk was elected to serve a two-year term and Clarence Kirby of Brighton was chosen to fill a one-year unexpired term.

Committee reports were given and golf trophies were awarded.

Massie Miller, pro at the club, was presented with a two-miter bag by the membership in appreciation of his efforts on behalf of the club.

Mrs. Miller, or "Tee" as she is known, was given a train case for her big part in making the club operation such a success this past year.

All the members were delighted to hear that Massie and Tee will be back on duty at the club next spring.

### Howell Club Calendar

WEDNESDAY, OCT. 30  
Style and Talent Show, sponsored by Livingston County Unit 30 Hairdressers, 8 p.m., Howell High School.

SUNDAY, NOV. 3  
Fall Festival of Arts, St. John's Episcopal Church, 7 p.m.

MONDAY, NOV. 4  
Town and Country Garden Club workshop, home of Mrs. Richard Blued, 6318 Oak Grove Road.

WEDNESDAY, NOV. 6  
Pins to Paddles Child Study Club, home of Mrs. Lawrence Gonica, 319 Byron Rd.

### St. John's Program Offers Music, Art

BY MARY A. BELVEA

HOWELL — One of the cultural highlights of the fall season will take place in Howell, Sunday, at 7:00 p.m. At that time St. John's Episcopal Church on Walnut and Sibley is offering an evening which should be very interesting and enlightening.

Under the direction of Mrs. E. G. (Pat) Biggood, the church will present a drama, choral selection by the augmented Adult Choir of St. John's, classical organ performances by Noel Heinz and an art exhibit.

This is the second annual Fall Festival of Fine Arts to be given by St. John's. The festival is the brainchild of Mrs. Biggood and Mrs. William Carter IV. Last year's festival proved such a success that it was decided to enlarge this year's program.

The program will begin in the church with a brief welcome speech by Mrs. Biggood and will be followed by the choir singing "The Heavens Are Telling" by Hayden, the Albert Hay Malotte version of "The Lord's Prayer," "The Heavens Are Declaring" by Beethoven, "On Great Lone Hills" by Sibelius.

The choir will be under the direction of Noel Heinz.

Following the choral program will be a drama based on the life of Thomas A. Becket.

In the role of King Henry II will be Ian Biggood who had the role of a reporter in one of the Livingston Players productions.

Noel Heinz will be seen in the role of Becket.

The Archbishop will be portrayed by Malcolm Yager and in the role of Gwendolyn will be Ginny Walters. Pat Biggood will be a page in the play.

An art exhibit will be held in the Parish House and will consist of painting, sculpture and needlework.

Also included in the exhibit will be rare pieces collected from various parts of the world.

One of the services which will be offered at the Festival will be child care which will be furnished free of charge.

Heinz will provide music for the whole program and will also do some classical works accompanied by tape recordings of the Philadelphia Symphony Orchestra. He will

play the final movement of Symphony Number Three in C Minor, an organ solo written by Saint-Saens.

Refreshments of tea, coffee and cookies will be served at the exhibit.

In an effort to maintain authenticity, Mrs. William Carter IV has done much costume research for the drama. Sets were also designed by Mrs. Carter aided by Mrs. Biggood. Lighting will be done by Malcolm Yager.

The evening is open to all denominations and is free of charge but free-will offerings will be accepted.

A lot of work and preparation has gone into the Festival and I am sure it deserves our support. I know I am not going to miss it. How about you?

### State Police Joining Study Of Car Safety

Michigan State Police will begin participation November 1 in a third Cornell University automotive crash injury research program, Commissioner Joseph A. Childs reports.

The new project will be for four years, ending Oct. 31, 1967. Each of the eight State Police districts will participate in turn for a six-month period, starting with the first, or East Lansing, district.

Purpose of the program is to obtain practical information relating to structural engineering and the value of safety equipment in automobiles through statistical and photographic records.

Findings are expected to contribute to the development and improvement of safety features which can be effective in reducing accident injuries and fatalities.

The State Police are cooperating in the research with the Michigan Department of Health, Michigan State Medical Society, Michigan Hospital Association and Cornell University. Similar studies are being conducted in 25 other states.

The State Police participated in two previous two-year ACIR programs which ended in August, 1959, and in April, 1962.

### Sheriff Granted Additional Man

HOWELL — Livingston County Sheriff Lawrence Gehringer will have to get along in 1964 with three fewer deputies than he would like to have.

His request to the county Board of Supervisors for four additional men was whittled down to only one, bringing his staff up to an even dozen.

Gehringer had made the plea for more help because he feels the new central fire alarm system will be an additional burden on his force.

When the matter was placed on the floor at the annual October budget session, there was no recommendation from the Detention Home committee.

Supr. Allan B. Campbell, committee chairman, asked for a suggestion, said, "We hoped to pass the decision on to your renews."

Supr. Martin Lavan replied, "Cliff Heller has harped on committee work. Let's have them reach a decision."

"We will," Campbell replied, coming forth with the proposal to add one deputy. As a result, the budget for the Sheriff's Department was increased from \$190,000 to \$105,000 for 1964.

Plans call for replacement of two patrol cars during the first part of the year.

The board also approved spending \$668 for a dispatcher's desk for the Detention Home. This will be built by state prison labor.

### Health Center

HOWELL — The Women's Auxiliary of McPherson Community Health Center is planning a social evening and party to be held at 8 P.M. in the hospital dining room, Thursday, November 7.

For the card players there will be prizes for the winners, consolation prizes for the losers and ten door prizes.

Refreshments will be cake and coffee. Call AC 7-2813 for tickets.
