Father of Nine Children Released from Hospital

The Way We Hear It

By Dolly Baughn

. . . . Those Pinckney "All-Stars" lost their sox Saturday night, November 9, when they played football with the Howell "All-Stars." The score was 13 to 7, but that isn't bad, is it? One player said "you should have seen the Howell team, my gosh, they were monsters!" So what can you expect???

* * *

. . . . the date to vote on the new school proposal has been changed from December 16 to January 13, 1964. It is taking many citizens and officials, county, architectural, school, and others to ready this bond suitable for voters to vote. Of course they hope with all their might that they come up with something satisfactory to the majority of the voters and have it pass this time, and not delay the building of a new high school and the repairing and remodeling of the already usable portions of the schools being used at the present time.

Take time yourself and investigate the situation of the present school condition. Don't sit back and listen to some person that doesn't want his taxes to go up, or feels that Pinckney Community School district can struggle along as is, because it is becoming more impossible and impractible each day! No one likes to pay more tax money, definitely not me, but when something is needed so desperately as new school conditions, I am willing to try and do my share. How do you feel about it? Air your views with the remainder of the district, lets have a "letter to the editor" with just what you think. If you are against a new school, why? Naturally everyone is not for one, or there would be no problem. Let us hear from you.

* * *

. . . . A new septic field was recently put in at the Pinckney Elementary. This was a badly needed job done before freezing temperatures made it worse.

* * *

. . . . Mr. McCloskey and Mr. Bradley, basketball coaches at the Pinckney High, attended an all day Basketball Convention at Lansing last Friday. Basketball practice got under way here Monday, November 11, and the first scheduled game is December 3, South Lyon, there.

* * *

. . . . Hi-Land Lake Property Owners Association have pulled their weed control barge out of the lake and stored it for the winter, after a very successful season of clearing the lake of weeds. (We expect more information on this barge soon, Dow Chemical have been most interested in it's work, we understand, and the results should be most interesting.) Those HI-LA-POA's are also in the process of putting sand barrels at the road side for the residents convenience later when snow and ice prevail.

* * *

. . . . George Roth is back from his deer hunting venture into the U.P. already. He went up last Friday, came back Monday, deerless.

* * *

. . . . Mr. Dunn is doing a little experimenting with two way radios in the school buses. Why? we shall attempt to find out and let you know next week.

* * *

. . . . a man may fall many time, but he won't be a failure until he says somebody pushed him.

* * *

. . . . that Pinckney General Store is the "headquarters" for those Thanksgiving turkeys. Call, 878-9721, or go in and place your order. They will save one for you to pick up between now and the 28th!

* * *

. . . many people in this area are preparing to leave for the north woods and hunt deer. Hope to have a more complete list for publication next week. Didn't have time this week due to getting my hunters (father and son) packed and out of the way!

* * *

. . . . Jack Buecher of out Winans Lake way, is riding around in a beautiful blue, new 1964 car. The nicest part about this is, it is all his!

Handicraft Club Elects Leaders

The 4-H Handicraft Club held it's first meeting of this session Thursday evening, November 7, at the usual place, the basement of the town hall.

There were 24 boys between the ages of 10 and 21 that participated in the organizing of the club this year under the leadership of Marshall Meabon, and assistant, Paul Gehringer.

Officers were elected, and are as follows; President, Chuck Gehringer; vice-president, Chuck Vedder; secretary Jim Baughn; treasurer, Joe Pine.

The boys selected their projects and will begin work at the next scheduled meeting, Thursday, November 14. The group will continue to meet each Thursday at 6:45 p.m., unless notified differently by Mr. Meabon. There will, of course, be no meeting on Thanksgiving Day, November 28.

Hamburg Five Losese Last Tilt But Wins Crown

Playing smoothly and making a very few mistakes Jim Merna's St. Marys quint toppled the Hamburg Merchants from the undefeated ranks in the Little League. Saturday in another overtime thriller by a 28 to 26 score.

Hamburg had their best line-up including the sensational Leroy Cavens in the lineup and had no excuse. Joe Kennedy and Jim Hanson played steady ball all the way for the Micks while Rocky Bennett turned in the best game for the losers.

Pinckney Merchants turned in a neat 28 to 17 win for the luckless Pilgrim team with Jim Darrow accounting for 20 points for the winners and Wes Scott and Dave Zezulka scintilatting for the losers.

Friday, Hamburg had no trouble with the Merchants by a 54 to 13 count and St. Marys handed the Pilgrims a neat 19 to 9 lacing. The Pee Wee League tournament will be held November 23rd and 24th.

With Saturday games at 10 and 11 a.m. and Sunday games at 2 and 3 p.m. Tourney tickets will be sold in advance 25c for youngsters, 50c for adults and $1 for family admissions.

Hamburg will play Pinckney Merchants in the 1st game and St. Marys will take on the Pilgrims in the 2nd clash. The losers will play at 1:00 p.m. Sunday in a consolation contest and the winners will vie in the 2nd game for tourney honors.

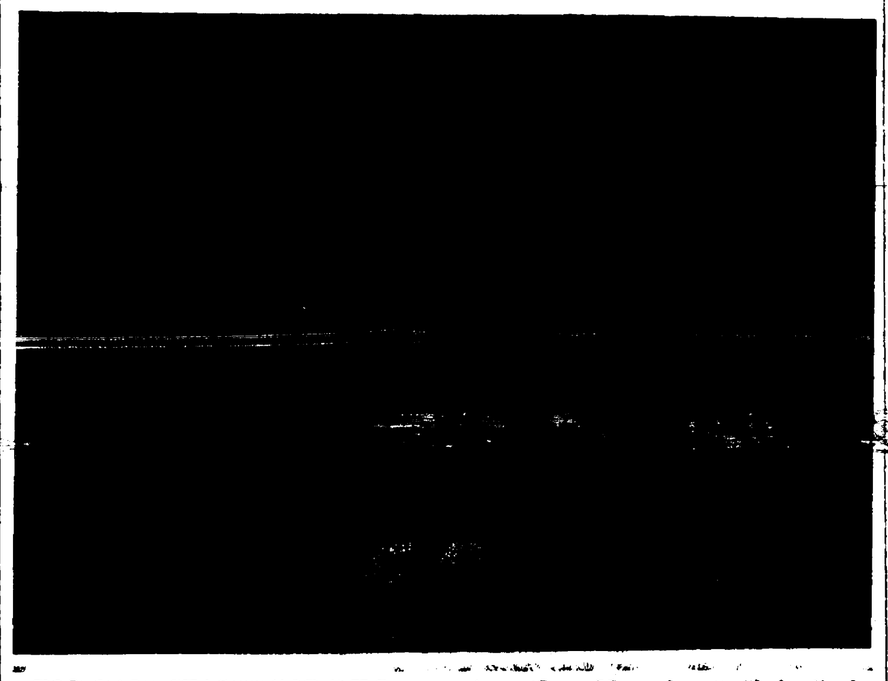
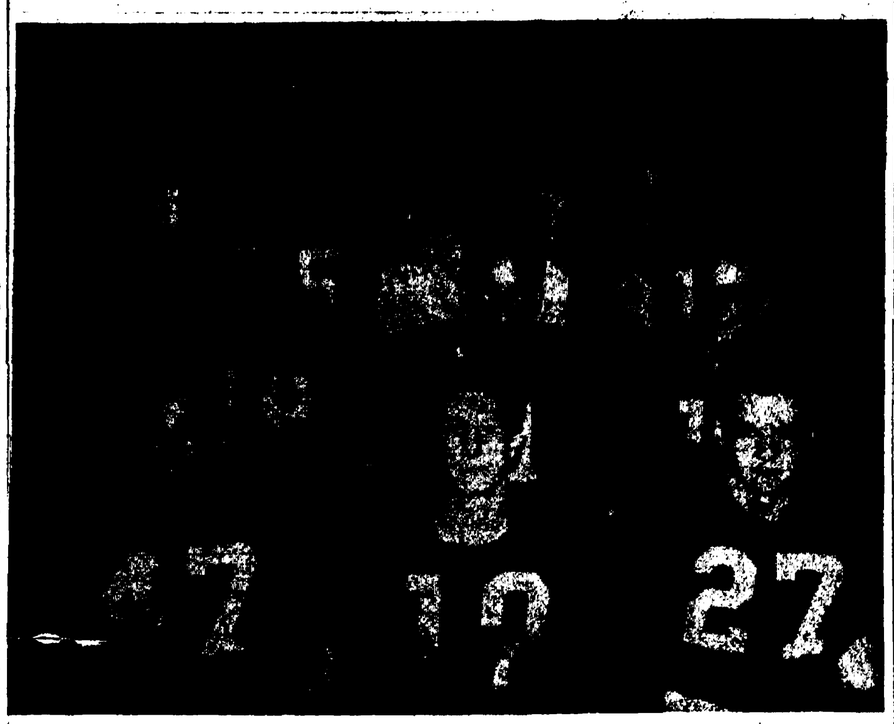
Election Board To Name Leader

HOWELL — The four-member, bi-partisan Livingston County Board of Canvassers will meet this afternoon at 3 p.m. in the Court House to elect a chairman, according to Joseph H. Ellis, County Clerk and temporary chairman.

Republican members are Kenneth Bucknell and Harry Catrell, both of Howell.



FOOTBALL SEASON FOR P.H.S. came to a close November 8, their final game of the season. Somewhat reluctiantly, Coach Wes Reader bids adieu to the senior boys due to graduate in June, 1964. Shown here are seniors, 1st Row: John Dinkel, Paul Taylor and Tom Chambers, 2nd row; Gary Hull, Vern Hunt, Robert Darrow and Ray Kellenberger, 3rd. row; Lee Emery, Larry Hull, Howie Singer and Jim Shirey, 4th row; Don La Belle, Duane Knapp, Jim Wicker and Richard Blades, and 5th row, Jim Barker, Del Fritz and Mike Teachwarth. John Mayne was absent at the time of the picture.



NEXT YEAR'S PROSPECTIVE players are this year's juniors shown left to right, 1st row, Steve Randolph, Tom Trumbell, Joe Darrow, 2nd row; Jim Jennette, Merle McMichael, Jim Pine, 3rd row; Larry Baughn, Coach Wes Reader, (plans to return as coach!) Harold Darrow, 4th row; Gary Henry, Hall Mills, Denny Williams, Bob Jones and row 5 is; Ken Garr and Allen Steffen.

School Board Names Collier

Bond Collier, 2863 East M-36 will serve as a member of the Pinckney Community School Board after receiving apointment last Thursday evening by the school board officials at their regular monthly meeting.

Collier will hold the position made available due to the resignation of Lee Goucher at the last regular school board meeting, October 3rd.

Collier is a court stenographer and is employed by the Ann Arbor courts. He and his wife, Rose, have lived in the Pinckney area since 1951. They have two daughters, Mrs. Louis (Elaine) Root, of Pinckney, and Nancy, a fourth grade student at the Pinckney Elementary.

State Divides Highway Taxes, Up 4 Per Cent

The State Highway Department has started distributing third quarter Motor Vehicle Highway Fund collections to Michigan counties and incorporated cities and villages.

State Highway Commissioner John C. Mackie said net receipts of the Highway Fund during July, August and September of 1963, amounted to $46,289,244, an increase of $1,798,892, or 4.4 per cent, compared to the same period of 1962.

Livingston County's share totalled $135,707, while Brighton received $5,091; Howell, $9,319; Pinckney, $1,904; Fowlerville, $3,565; and Stockbridge (Ingham County), $1,781.

All state gasoline and diesel fuel taxes and license plate fees go to the Motor Vehicle Highway Fund.

After deduction of collection costs and the Waterways Commission's share, the money is distributed under provisions of state law which provide that 47 per cent goes to the State Highway Department for use on state highways, 35 per cent to the State's 83 counties for use on county roads and 18 per cent to 515 incorporated cities nad villages for their roads and streets.

Under this formula, the State Highway Department will receive $21,755,945 as its share of the third quarter collections, while the counties will receive $16,201,235 and the incorporated cities and villages will get $8,332,064.

Has Lucky Escape When House Falls

This usually somewhat quiet community has been jarred by some rather alarming events this past week, and while none were fatal, they were of serious nature.

A sum of $270 dollars and the total of 7 milky-way candy bars were taken when the Max Russell home, 215 Pinckney Street, Pinckney, was broken into during the absence of the Russells, sometime between 3 p.m. November 9, and 4 p.m. Sunday November 10.

The sum of money included two 100-dollar bills. Investigation is still pending and any person with information available concerning this breakin, should notify the State Police Post at Brighton.

Louis Marshall, 9490 Cedar Lake Road, returned home Tuesday morning after a week's stay in Howell Health Center where he received treatment for injuries sustained when the house he was jacking up, fell and pinned his head to the ground.

Gary Cavin, Marshall's helper, quickly jacked the house up enough for Marshall to pull his head out, and Cavin rushed him to the Swarthout home, and from there was rushed to Howell by Mrs. Louetta Plummer, who luckily was available in the absence of Don Swarthout and ambulance.

Marshall received a broken jaw, factured cheek bones, broken nose, broken sinuses, and "two beautiful shiners". He is the father of nine children.

November 9, about 12:10 a.m. a 1964 foreign car driven by Courtland Geib went out of control and rolled over, at the corner of East M-36 and Pettysville Road. Geib received no injuries, however, his passenger, Mrs. Pardee [illegible] was taken to the Swarthout ambulance where she is still a patient, suffering pulled muscles in her neck. It is expected she will remain in traction another four or five days.

The Geibs have owned the car only a week, and were not accustomed to driving it as yet. Beib reports "they are very quick!"

* * *

A two car collision reported last Thursday, November 7, involved Theodore James Stockton, 6479 Alice Street, Pinckney, and Mrs. Emma Gilbert, 1197 Patterson Drive, Pinckney. The two cars collided at the crest of a hill on Patterson Lake Road, a half mile west of Cedar Lake Road. What could have been a serious head on collision, resulted into both cars having damaged front fenders only.

2-Headed Monster Attends Local Party

"A little nonsense now and then is relished by the most of men" was proven again last Saturday night when about 25 adults from the People's Church and one guest from Ann Arbor met at the home of Mr. and Mrs. Ivan Richardson on the Dexter - Pinckney Rd. for a belated Halloween masquerade party with masks, costumes and all the works.

The house was very dimly lighted by a huge Jack O'Lantern and as each guest arrived he was escorted into the living room and seated in a large circle—the magic word appeared to be—silence—and the mystery grew as to whom you were sitting beside.

When all the guests had arrived — the last being a two-headed monster, we were told the startling news that a friend of one of our number, had recently met a tragic death in a plane disaster and the remains were gathered up in small pieces and brought here for identification.

As they were slowly passed from hand to hand around the circle and we heard the gasps and cries that arose we were glad that both Dr. Kildare and Dr. Ben Casey were among the guests. There were also a dapper young Spanish senor and a gaily clad little Gypsy maid loaded with fancy baubles. Each guest was asked to perform a stunt which he did gracefully.

When lights ware turned on and 2 judges called to judge the crowd, it was a task there were so many—so good.

Finally 1st prize was awarded Ted Stockton who came as a sweet girl debutante, second went to Harvey Ritz, a coy little 6-ft. gal with blond braids. A booby prize was also given.

A romance that had began else where, budded and bloomed before our very eyes between a good Deacon clad in a long, red slinky gown and her boy friend, none other than one of our highly respected trustees; they kept us in stitches all evening.

The hostess with two ladies assisting her, served delicious refreshments with hot coffee and sweet cider. If our pastor came into his pulpit Sunday a. m. with his complexion a bit ruddier than usual we all understand why and said "Well, he's a good sport" anyway and as I started out—a little nonsense.

— — by one who was there.

Library ... News

New books for adults include: MacInnes "The Venetian Affair," a brilliant book of suspense interwoven with the stuff of current history.

Ruark, "Uhuru" — a story of Africa today where "Uhuru" or freedoom is the word most used.

MacLean, "Ice Station Zebra" — a novel of intrigue and suspense about a British meteorological station on the ice polar cap which has been swept by fire and the American nuclear submarine which goes to its aid with a "mysterious" doctor abroad.

Ashton Warner, "Teacher"—the author of "Spinster" tells of her methods of initiating Mauris children in New Zealand into civilization without deforming their spirits.

For younger readers ages 13-15 we have:

"Davy Crockett" by Constance Rourke, a biography of this legendary pioneer.

"Better Known as Johnny Appleseed," the biography of the man who spent his adult life planting throughout the Midwest.

Gray, "The Fair Adventure," a story of the youngest of the Mae Neils whose big day was usually dwarfed by someone else's bigger [illegible].

Howard, "Peddler's Girl," the story of a young girl in Michigan during the 1840's — and the trek from Detroit to Coldwater in a peddler's wagon.

Leeming, "Fun With Wire" — how to make useful and ornamental items from wire, including old coat hangers and chicken wire.

Visiting Fire Chief Responds To Alarm

What makes the difference who drives the truck??

Nonewhatsoever!

At least, last Thursday evening about 6:30 it didn't seem to matter too much when the Hamburg fire chief, Manley Bennett took the Pinckney fire truck to fight fire only minutes after Pinckney fire chief left Pinckney to fight a Hamburg township fire!

Confusing?? It may be but these men remained calm, cool and collected and seeing what had to be done,—did it.

Mrs. Don Oleski of Rush Lake, Hamburg Township summoned the Pinckney firemen when sparks and burning debris blowing from a near by trash pile, caught a boat on fire. Firemen Chuck Hewlett, fire chief Robert Amburgey, assistant chief, Duke Van Blaircum, Lefty Reason, Leonard Lee, Noel Cooke, Jerry Speake, and Merlyn Lavey answered the call.

Within 10 minutes after this call was answered, a second summons for the Pinckney firemen was received. Mrs. Wetherbee, 2020 Darwin Road called that she had a grass fire near her home.

This is where Manley Bennett comes into the picture. He just happened to be in Pinckney and was very happy to oblige the Pinckney firemen by answering their 2nd call.

The boat, owner unknown, was destroyed, the grass fire was put out with no serious damage, and everyone returned to their own home base!

Wylie Finishes

Marine Lance Corporal James G. Wylie, son of Mr. and Mrs. Asher Wylie of 330 West Main st., Pinckney, was graduated Oct. 25 from the Non-Commissioned Officers' School at Division Schools Center, First Marine Division at Camp Pendleton, Calif.

The school is designed to provide background in leadership both in the classroom and in the field.

Seniors Visit State Capital

By PAM HOEFT

Wednesday, November 6, our Pinckney High School government classes went to Lansing, Michigan state capital. We were met by Representative Sharpe. Mr. Sharpe took us on the floor of the State House of Representatives where he explained briefly what we might see that afternoon when we sat in on a legislative session. After his explanation several questions concerning the state government were asked. He very graciously answered them.

After this we received a guided tour of the capitol building. The points of interest were the replica of the Liberty Bell, the flags carried by different divisions of Michigan's military men and a brief glimpse of Michigan's past on our visit to the archives. During our tour we visited the office of the Attorney General, Frank Kelley. We spoke with Billie Farnum, the Auditor General, and we shook hands with Governor Romney.

Following lunch we saw the Michigan Supreme Court in session. We also saw the Senate and the House of Representatives beginning their sessions. To our dismay both the Senate and the House recessed for forty-five minutes to hold a party caucus. This was good in that it gave us time to talk with one of the page boys of the House of Representatives. We found out about his duties, where he lives, how he got his job and how he attends school while working at the capitol.

We arrived back at Pinckney at five o'clock after a tiring but definitely profitable journey. We thank our instructor, Mr. Don Gibson, for arranging and taking us on this field trip.

David Otwell Reassigned

LACKLAND AFB, Tex. — Airman David Otwell, son of Mrs. Amelia S. Otwell of 7 Kimble Drive, Pinckney, is being reassigned to Lowry AFB, Colo., for technical training as a United States Air Force munitions and weapons specialist.

Airman Otwell, who enlisted in the Air Force a short time ago, has completed his initial basic military training here.

The airman is a 1963 graduate of St. Thomas High School, Ann Arbor.

Board Minutes

MINUTES OF REGULAR SCHOOL BOARD MEETING

NOVEMBER 7, 1963

Meeting called to order by President John Walton at 7:45 P.M.

Roll Call:

Present: Walton, Roth, Swanson, Kinsey, Radloff, Line.

Absent: None.

Minutes of regular meeting held Oct. 3, 1963 and special meeting held Oct. 29, 1963 were approved as read.

COMMITTEE REPORTS

Radloff reported that a one year option for 50 acres has been obtained on the Francis Shehan property. This site, as recommended in the citizens committee report, was optioned at a selling price of $38,000.

STAFF REPORTS

Mr. Reader reported that the septic tank problem at the Pinckney Elementary School should be corrected by this coming Saturday. He also informed the board that the proposed school election could not be held on Dec. 16, 1963 due to a conflict with special township elections. A new election date will be established at the next meeting of the board.

Mr. G. Dunn reported on the planned activities of the curriculum committee.

OLD BUSINESS:

A letter from the Charles Lane Assoc. Inc. requesting the cancellation of this firms contract with the board was read by the Secretary. Action on this request will be referred pending study by the board.

Four bids on additions at the Hamburg and Pinckney Elementary Schools were received and opened. These bids were presented as follows:

	H.E.S. Add'n.	P.E.S. Add'n.	Alternate No. 1	Alternate No. 2
1. Don Butcher Const. Co.	$32.546.00	15,371.00	plus $812.00	-$517.00

The Pinckney Board of Education and the Livingston County Board of Education, which reserved the right to reject all bids, went into an executive session at 8:15 P.M. to discuss the bids as presented. Public meeting was reconvened at 8:50 P.M.

The Architect was instructed to determine the specification compliance of all bids and report to the board on November 14, 1963 at a special meeting.

NEW BUSINESS:

Mr. Vander Meiden representing the architectual firm of Vander Meiden & Koteles was present. This firm was recommended by the Citizen's Committee to design the proposed building program.

Motion by Kinsey, that the Pinckney Community School District enter into a contractual agreement with the firm of Vander Meiden & Koteles, second by Line.

Motion carried.

The Livingston County Board of Education stated that they had agreed to relinquish their bid reservation rights. This action will permit the Pinckney Board to award the bids on the H.E.S. and the P.E.S. as soon as possible.

Mr. Reader presented the results of the recently completed audit for review by the board.

Nominations were opened for the names of candidates to fill the vacancy created by the resignation of Edwin Lee Goucher. Mr. Herbert Schenden was nominated by Roth. Mr. O. Bond Collier was nominated by Swanson.

Motion by Kinsey that nominations be closed, second by Line.

HOWELL -- Mrs. Jessie F. Rady, 80, of 924 Sunrise Park, Lake Chemung, died Monday at McPherson Community Health Center in Howell after a long illness.

She was born on Dec. 8, 1882, in Ontario, Canada.

She is survived by her husband, Thomas.

Also surviving are three daughters, Mrs. Dorothy Stevens of Detroit, Mrs. Florence Blades of Pinckney and Mrs. Renee Becker of Detroit; two sons, Harold (of Petoskey and Frank of Belleville; and a sister, Mrs. Ann Jackson of Fowlerville.

Funeral services were today (Wednesday) in the McDonald Funeral Home in Howell. Burial was in Lakeview Cemetery.

Routine Audit Of County Books Is Being Made

HOWELL — Billie S. Farnum, State Auditor General, today announced that a State audit of Livingston County is being conducted.

Farnum said that this is a routine audit which his department is required by law to conduct annually in each county, to ascertain if the accounting systems and records conform to and are consistent with proper governmental accounting standards; if there has been an irregularity in the receipt, expenditure or disposition of any monies received or appropriated, or if such funds have been disbursed and used for any purpose other than that provided by law.

The last State audit of Livingston County, conducted this year, was for the calendar year ended December 31, 1961.

. . . Pinckney Prattle . . .

BY ALICE GRAY

The "Go-Getters" Farm Bureau club met Tuesday night at the home of the Lawrence Kemps on Spear Road. After a pot luck dinner, the group went on a hay-ride. The topic for discussion for the evening session was "Teen Age Drivers and Midnight Rides."

We've heard some dissatisfaction voiced with the proposal that the new Pinckney High (if the voters should decide to build one) be built on land from the Francis Shehan farm on East M-36—main objection being that it is in Hamburg Township, and so far from town. But where else is there? Any suggestions? Nothing definite is settled only an option taken.

The Shehan place is two miles from town; and for the acreage needed—about 40 to 50 acres, with frontage on main road, it seems the logical choice. There just aren't many places near Pinckney that would meet the qualifications. Your comments would be appreciated in a letter to the Editor.

PLANE RIDE FOR BOY SCOUTS

There is never a dull moment in Boy Scout Troop No. 58 these days, with all the hikes, compass reading, football games and other activities but the really big thrill came when nine boys of the troop camped out at Bruin Lake last weekend. John Towsley, pilot for a commercial air line company, took each boy scout for a ride in his private pontoon plane. Scoutmaster Donald S. Oleski was very grateful to Mr. Towsley, and says "It is going to be pretty hard for me to top that." Scoutmaster Oleski has been on the job only four weeks — since Vic Basydlo, former scoutmaster, has left for service in the army.

30TH ANNIVERSARY FOR THE CAMPBELLS

When Merwin and Eloyse Campbell accepted an invitation last Sunday to go to dinner in Detroit with George and Eva Engquist they were unaware that even bigger and better things were yet to come. In fact, they had been deliberately spirited out of town to enable Esther Hall, Mrs. Campbell's sister, and Mary Campbell, son Dick's wife, to decorate the Campbell home on Unadilla Street on a truly grand scale with pink and white streamers, wedding bells, and clusters of ribbons decorated with pearls and sequins; all carrying out the "pearl" symbol of the 30th wedding anniversary. As all cars of the guests had been parked out of sight when the Campbells and Engquists returned around 6:30 p.m. Mrs. and Eleanor [illegible] entered their front door to the general cry of "Surprise."

Dinner was all prepared and served to the 20 guests assembled, the same guests that had helped the Campbells celebrate their 25th anniversary five years ago. The lovely centerpiece was made up of pink flowers and white pearl grapes: the cake, made by Mrs. Dick Campbell, was a three tier pink and white creation.

Daughter Beverly and husband Ray Spencer and daughter Tammie of Owosso were present, son Dick and wife Mary and small son Kevin were there, plus guests from Fenton, Owosso, Ann Arbor, Ypsilanti, Chelsea, Howell and Pinckney. This was truly an occasion to cherish in one's memory back for years to come.

41 DAYS TILL CHRISTMAS

It's worth a trip to the Village Beauty Shop (next to the Dispatch) these days just to see the beautiful afghan Pat Kosiecki is knitting in shades of beige and brown for her mother-in-law's Christmas present.

Do you relize that it is only 41 days until Christmas? And all that shopping to be done! A gift subscription to the Pinckney Dispatch might be the answer in some cases—an elderly house-bound person, a relative new to the community —a gift spread over the year with 52 weekly reminders of your thoughtfulness.

Tickets Issued To 3 Residents From Livingston

Several accidents involving deer were reported to the Livingston County sheriff's department during the past week. Fortunately they only involved property damage and there were no personal injuries.

Sheriff's deputies issued tickets to three county residents last week.

Charles E. Pitts, 24, 6275 Byron Rd., was ticketed for driving at excessive speed following an accident on Byron Rd. at 1:50 p.m. on November 10. Pitts told deputies that he thought a tire blew and he struck a telephone pole. He was not injured.

Emma Marie Gilbert, 57, 11197 Patterson Dr., Pinckney, was ticketed for leaving the scene of a property damage accident after her car was involved in an accident with a car driven by Theodore James Stockton, 5794 Alice, Pinckney, on November 7 about 7:25 p.m.

Stockton told deputies that he came over the crest of a hill and found the Gilbert car on his side of the road. He stated that after they hit she kept right on going.

Deborah Ann Bignell, 16, of 320 Riddle, and Julie Erwin, 15, 1015 N. Michigan, were injured when their car rolled over on Marr Rd. about 8:30 p.m. on November 7.

Miss Bignell told deputies that she was driving west on Marr Rd. when a deer ran in front of the car.

She attempted to stop but her foot hit the gas pedal instead of the brake. She was ... ing an operator's license. The two girls were taken to the McPherson Community Center by ambulance for treatment.

Farm Chemical Dealers Honored for Good Sales

The American Agricultural Chemical Company has announced that 20 of their dealers from Ingham, Livingston and Washtenaw Counties have been awarded plaques in recognition of their outstanding sales achievements on behalf of Agrico Fertilizers.

The 20 dealers are Wilson Force, Mason; Ronald Morse (deceased), Williamston; John Taylor, Stockbridge; Howard Strobel, Webberville; Lloyd Hendee and Rex Hendee, Pinckney; Allen Alber, Manchester; Willard Blumenauer and Walter Blumenauer, Manchester;

Also, Charles Braun, Ann Arbor; Herbert Diuble, Ann Arbor; D. E. Hoey and Sons, Dexter; Raymond Jacob, Grass Lake; William Kuebler, Manchester; Neil Nixon, Dexter; Alton Schneider and Benjamin Schneider, Ann Arbor; Shehan Bros., Whitmore Lake; Sparrow Farm Supply, Willis; Talladay Farms, Milan; Washtenaw Farm and Garden Center, Inc., Ann Arbor; Ypsilanti Farm Bureau Assoc., Inc., Ypsilanti.

These dealers represent 431 years of Agrico Fertilizer selling experience. The awards were made at a dinner which took place at Inn America, Ann Arbor, on Nov. 7.

Company personnel in attendance were M. H. Brown, Assistant Manager, Michigan Sales; Waldo Kidder, Midwest Agrico Agronomist; Terrence Maley, Assistant Office Manager, Detroit; Agrico Field Representatives Lou Perry, Karl Harper, Howard Veldhoff.

Also in attendance were Herbert Frederick, Sales Manager (retired), Detroit, and Howard Heath, Farm Director, Radio Station WPAG.

Recognized as outstanding in years of service as Schechter and Wright with a sales record of 55 years; Talladay Farms with 53 years; Ypsilanti Farm Bureau Assoc., Inc., wtih 43 years; D. E. Hoey and Sons with 33 years.

HERBERT FREDERICK, retired district sales manager for Agrico Fertilizers, made presentation of the "outstanding sales achievements plaque" to Lloyd and Rex Hendee, shown here with their wives, June and Dalene. The Hendee's farms are located on Farley Road, Pinckney.

I would like for all of little Jeanne Baughn's friends to know she has recovered from her surgery just fine, and you would never know she had been in the hospital. (She was there Monday, November 3 till November 6th, for hernia operation.) She enjoyed all the get-well-cards so much, it was nice she was remembered so well, made Jeanne and Mommie feel good!

* * *

Mr. Ernie Wright of Howell-Pinckney Road was a patient at the Howell Health Center when Jeanne was there, and he is reportedly in good condition again, and most likely ready to paint another barn? Ernie fell from a ladder nearly two weeks ago while painting his barn, got up, went into the house, ate lunch, went back finished the barn painting, before his wife arrived home to take him to the hospital! How about that? And at the hospital they discovered he had a broken knee cap and a broken arm. He is convalescing at home, with arm and leg in casts!

Carol Gerycz was crowned this year's queen at the annual Pinckney Homecoming game last Friday night. Her escort was Norman Bock.

Eva and George Engquist were installed as Worthy Matron and Patron of Pinckney Chapter 145 at an impressive ceremony at the elementary school last Saturday night. Retiring Matron, Roberta Amburgey, was presented her past matron's jewel by the past matron in a ceremony at the altar.

Jack Clark has received a Parke Davis scholarship at Ferris Institute.

Jimmie Lavey is attending Cleary Business College at Ypsilanti.

In Mrs. Anderson's first grade news—Gary Burg reports he went out squirrel hunting with his dad. His dad shot and missed and ran out of shells. (No comment).

Mrs. Emma Lewis and sons, Beryl and Warren, Mr. and Mrs. Otto Poulson, Henry Johnson, and Kenneth Gearhart and wife attended the wedding of Patricia Hollis and James Gross at St. Stephen's Church, Hamburg, on Saturday evening.

Len Kitchen of Patterson Lake, who is attending the U. of D. in Detroit had his hand badly injured Halloween night when a firecracker he was holding exploded.

David Schoenfeld and Charles Radmacher of Roseville visited in Pinckney last Tuesday. Schoenfeldt is a former army buddy of Norman Miller and served with him in New Guinea and Australia.

TWENTY FIVE YEARS AGO
November 2, 1938

Dr. H. G. Boyer, ... physician, who has had an office in Pinckney since last spring has decided to leave here and locate at Bancroft, Michigan. He will leave this week.

The Sunday night broadcast over WJR of H. G. Wells novel depicting an invasion of this world by Mars was too realistic for some Pinckney people. Some local residents went into hysterics and many backsliders resorted to prayer before they finally became aware that it all was fiction.

Mr. and Kenneth Davis of Plymouth have moved into Abel Haines tenant house.

Katherine and Hollis Swarthout entertained the pupils and the teacher, Mrs. Eva Melvin, of the Cordley school at a Halloween party on Monday evening.

Lucia Soper was the winner of the school song writing contest at the PHS and was presented with a $2 cash award.

Kennedy's General Store has chocolate drops and orange slices advertised at 10c per pound, butter at 24c a pound, and 10 pounds of sugar in a cloth bag for 46c.

Scoutmaster John Burg and chairman of the Troop Committee ... Walter MacFeen, Scout Executive of Livingston County, will attend the next regular meeting of the Scout troop on November 7.

FORTY EIGHT YEARS AGO
November 17, 1915

Last Thursday Miss Florence Reason of Pinckney and Fred Arzt of Detroit were married in Pinckney with Rev. J. V. Coyle officiating. Immediately after the ceremony they left for a short trip to Chicago.

Charles Eisele who lived north of town, while driving on Pearl Street near the St. Mary's Church, last Monday evening, was run into by an auto driven by Guy Kuhn from Gregory. The new buggy which Mr. Eisele was driving was badly damaged, but no one was seriously injured.

The PHS seniors surprised Arla Gardner at her home last Wednesday, the event being her birthday. Seniors, teachers, and friends were present. Miss Gardner was presented with a manicuring set from her class and a box of stationery from the teachers.

Frank Battle is building an office, across from the livery barn, for Dr. Hefferman.

The local livery barn has been sold to parties from Morris by the name of Bennett who expect to take immediate possession.

John Farley of Hamburg sold his big crop of beans recently to Thomas Read of Pinckney. Mr. Read gave Farley a check for a little over $1,400. "This was certainly some price for a man's crop of beans," the Dispatch writer states.

Four Men Die In I-96 Crash

WIXOM — Four men were killed near Wixom on I-96 ... when their car left the road, striking the rear of a parked double-trailer truck loaded with 88,000 pounds of steel.

The victims in the I-96 crash were J. Larry Sammons, 25, and John F. Martin, 30, both of Farmington Township, and William R. Thompson, 21, and William Collins, 34, of Detroit.

The truck driver, Paul O. Estep, 25, of Fenton, told the Brighton police he pulled off the road because of engine trouble.

He was not injured.

State troopers at the Brighton Post were unable to determine who was driving or why the vehicle left the pavement. The truck was parked four feet from the roadway, they said.

Buick Story Told in Calif.

The Public Relations Society of America at its 1963 National Conference Monday in San Francisco set forth in all detail for the first time the story of the nation's most unusual and most dramatic employe-relations program.

It's the story of the unique, now widely adapted communications between management and the 19,000 employes of Buick Motor Division of General Motors in the home-plant city of Flint, Michigan.

This employe program utilizes two hours of commercial radio time each workday, and for a 6 a.m. hour has achieved a listenership of more than 85 per cent of all Buick's factory workers who motor to work. Last year it inspired messages back to Buick from 13.5 out of each 15 factory workers.

John L. Rose of Detroit, director of public relations at Burroughs Corporation, will preside over the session on outstanding achievements in corporate public relations.

The University of Michigan was the first in America to sponsor a project designed to study and develop the uses of atomic energy for other than wartime purposes, the Phoenix Project, in 1948.

BUSY WORKERS — Preparing for St. Paul's Bazaar are (left to right) Mrs. George Cole, Mrs. Rolf Owen, and Mrs. M. B. Young.

St. Paul's Women Prepare for Bazaar

The women of St. Paul's Episcopal Church of Brighton will again present their Annual Bazaar on Friday and Saturday, November 22 and 23, beginning at 11:00 each morning.

Several months of creative efforts by the women and their friends have produced many new and unusual items.

The Parish House by the Mill Pond will offer a wide selection of Christmas decorations.

A Doll Fair, an outstanding Pastry Shop, unique aprons, mysterious Post Office packages, a Toy Shop and Woodcrafts.

A buffet luncheon will be available at mid-day both Friday and Saturday. A snack bar will be open throughout both days.

William Scotts Wed 50 Years,

On Sunday, November 10, the occasion of the Fiftieth Wedding Anniversary of Mr. and Mrs. William H. Scott of 7835 Crooked Lake Road, was celebrated at the home of their son and family, the George Scotts.

Nearly fifty relatives and friends besides their own family helped to make the occasion a memorable one. A telephone call from a daughter, Arlene (Mrs. Don Adams) from Sunnyvale, California, was a delightful surprise.

Out of Town guests were from Jasper, Maysville, Lansing, Richmond, Silverwood, Hamburg, South Lyon, Wixom, Benton Harbor and Grand Rapids.

Silver Anniversary Party To Honor Frank Hathaways

An Open House in honor of the silver wedding anniversary of Mr. and Mrs. Frank Hathaway will be held Saturday from two until seven o'clock in the evening, at the Wesleyan Methodist Church parlors, 228 S. Fourth Street.

The affair is being given by the couple's children, Mr. and Mrs. Rodger B. Hathaway and the Misses Noreen and Mary Hathaway.

Friends are invited to attend.

D.A.R. Gives Acre of Pine Trees To State Conservation Department

The Philip Livingston Chapter, D.A.R., met at the home of Mrs. E. A. Ross on Nov. 5.

Mrs. Hiram Smith opened the afternoon program with a reading, "A Few Remarks at Gettysburg" by Tom Mahoney, especially appropriate during this 100th anniversary of the year of the battle and the dedication of the battle field in November, 1863.

Mrs. Robert D. Willoughby of Plymouth, Michigan, State Chairman of National Defense, gave an interesting, thought-provoking talk, stressing the importance of everyone's personal interest in the affairs of our country, their study of the problems facing Congress and constructive understanding.

The Chapter voted to give an acre of pines, a project of the Conservation Department in the reforesting of Michigan. Mrs. Andrew R. Jackson also donated an acre in memory of her mother, Mrs. Claude A. Burkhart, a former regent of Philip Livingston Chapter.

The club accepted the gift of an unusually fine copy of the 1895 Livingston County Atlas and six original lists of the first patrons in the Howell area, of Free Rural Delivery, printed in 1901 and printed lists of the County Officers for the years 1900 through 1906, which were recently given to the Chapter for preservation in the DAR Museum, by Francis R. Line and his mother, Mrs. C. S. Line of California, former well known residents of Howell.

Gifts of clothing to be sent to the Tomassee School in South Carolina were also accepted.

Mrs. August P. Schmitt and Mrs. Isaac Margeson were assistant hostesses.

Several guests were present to enjoy the afternoon.

The next meeting will be on Dec. 3 at the home of Mrs. R. Sydney Clark, with the Christmas message, "Be Strong and of a Good Courage," with the Rev. Richard V. Ingalls as the speaker.

Hartland and Brighton Grads Are Married in California

The American Baptist Church, Santa Maria, California, was the setting for the wedding, October 19, of Margie Ann Warr and Larry Leroy Wilson.

The bride is the daughter of Mr. and Mrs. Roy Warr, Spencer Road, Brighton. Parents of the bride groom are Mr. and Mrs. Dayton A. Wilson of Santa Maria, California.

The Reverend Ralph P. Rowe officiated at the double ring ceremony.

For her wedding the bride chose a street-length white brocade gown and carried a bouquet of white Fuiji and baby mums in lace.

Miss Vicki Seal was maid of honor.

Serving the bride-groom as best man was Lee Browning.

Immediately following the ceremony a reception was held at the home of the bridegroom's parents.

The bridal couple will reside at the Newlove Trailer Park, Santa Maria.

The new Mrs. Wilson is a 1962 graduate of Brighton High School and her husband graduated from Hartland High School in 1959. He is employed at the Kinney Shoe Store at Santa Maria.

HAMBURG NEWS
(Continued From Page 6)

Ellen McAfee is now home from a three-week vacation in California. She drove out with Mary Burke and flew home last Sunday.

Ellen went out to visit her daughters, Marge Clago and Leslie McAfee. While there she visited Cerritos College of Fine Arts where Leslie is a student.

She also went to Disneyland, Laguna Beach, Santa Barbara and to San Francisco where she visited Mr. and Mrs. Raymond Baird and family. One of the highlights of her trip was seeing her sister, Nellie Swamp, in Albuquerque, N. M. The two ladies hadn't seen each other since 1946. They had a wonderful reunion.

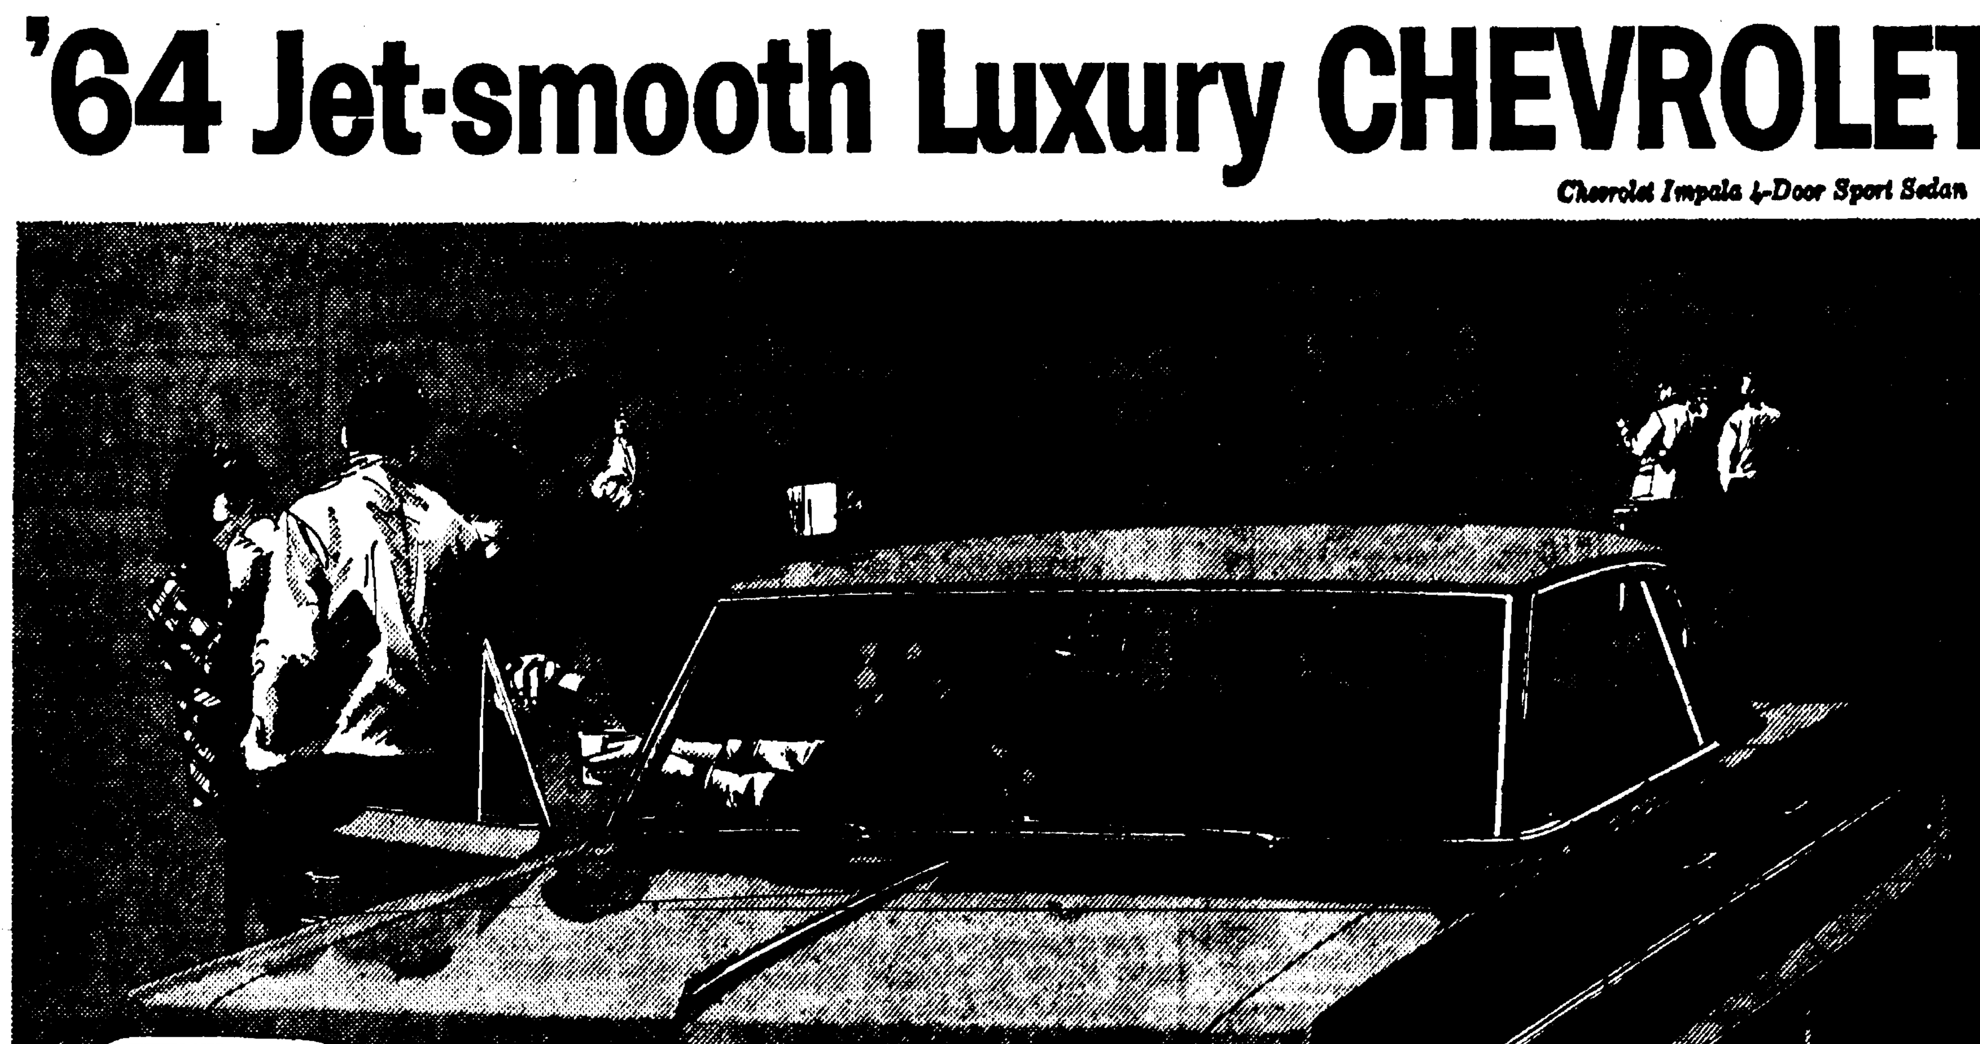
'64 Jet-smooth Luxury CHEVROLET
Chevrolet Impala 4-Door Sport Sedan



Here are looks, luxury and comfort you'd expect to set you back plenty—if they came from anybody but Chevrolet.
Fresh-minted styling with clean uncluttered lines that give the '64 Jet-smooth Chevrolet its feeling of new length and lowness.
Rich new interiors with supple fabrics (sink your hand into the new vinyl upholstery of the new Impala Super Sport Series, for instance, and ask yourself if you've ever felt softer seat covering).
Here are the niceties of Body by Fisher craftsmanship like you'll find on expensive cars. And stylish touches like the vinyl-clad roof* you can order on the Sport Coupes.
Door-to-door carpeting and foam-cushioned front and rear seats are standard now in all models, including the modestly priced Biscaynes.
And there's a wealth of power to pick from. Engines from a peppery 140-hp 6 to a 425-hp V8*. Transmissions that are refined for smoother, more silent operation. Sixteen power teams in all.
Then, with all of that going for you, you've got the '64 Jet-smooth ride at work to cushion you from road noise and vibration like few other cars can at any price.
Been promising yourself luxury like this someday? Your someday is here, as your dealer will gladly show you.

Hamburg Township News Notes

By MARTY DeWOLF

HAMBURG SCHOOL NEWS

On October 30, 10 students were chosen from each of the 2nd through the 8th grades to paint Halloween pictures on the store windows in Hamburg.

The Chamber of Commerce awarded prizes to the boy and girl in each grade who they felt did the best job. The winners were: Second grade Mary Jo Sinclair and Larry Backlund; Third grade Kathy Jeanette, Joey Dean; Fourth grade, Beverly Ash, Ross Scott and Mike Waterbury (the two boys did equally good work). The whole fifth grade class worked on the painting, so they divided the money. Sixth grade, Mary Koziz and Jim Radlof; Seventh grade, Terry Martin and Kim Tolbert; and Eighth grade, Kathy Winslow and Dan Radloff.

Mrs. Mary Kennedy is now working in the school office every morning.

The eighth grade students are now publishing a school paper. Assisting them in the publication of the paper is Miss Thomas, their literature teacher. The paper comes out every other Friday.

The P.T.A. has purchased two leather basketballs for the Hamburg Merchants, who are participating in the Pinckney Jr. High Basketball League.

Report cards were passed out today (Wednesday).

The kindergarteners and first graders were given TB tests by the Livingston County Health Department on October 26th.

The P. T. A. has appropriated $200 to the school. The money will be used to purchase a film strip viewer and dark curtains for use in the classrooms.

CHURCH NEWS

MISSIONS

GREEN OAK TOWNSHIP—"Men and Missions" will be the theme on Sunday in Free Methodist Churches across the nation and around the world.

The Free Methodist Church at Green Oak will be participating in this world-wide observance, on Sunday evening at 7:30 p.m.

A program depicting the work of 210 Free Methodist missionaries on 23 fields will be presented by the laymen of the church.

Highlight of the year for Free Methodism was the opening of a new field in the Republic of Congo. In this area recently vacated by another mission, 7,000 members were received into the church. Over 5,000 students enrolled in 80 schools now become the responsibility of the Free Methodist Mission.

The Free Methodist Church believes that world missions are more important than ever before and is actively expanding its overseas program. Eighteen new missionaries are being sent abroad this fall.

The missionary secretary, Dr. Byron S. Lamson, says: "The exploding population of the world, the crises of our times, and the great commission of our Lord impel us to wholeheartedly throw our resources into this great work."

Laymen participating in the day's program will be John Ernest, Irving Field, Norman Green, Clarence Jones, Earl Swanson, and J. W. Vibbart.

A men's quartet will be presenting special music. The Rev. Harold Tjepkema is pastor.

Representatives of the sponsors of American Education Week watch Governor George W. Romney sign a proclamation designating November 10-16 for this year's observance.

From left to right are: Octavius Townsend, Michigan Education Association president, Ishpeming; Herbert Auer, Michigan Congress of Parent-Teacher Associations secretary, East Lansing; Romney; and Dr. Lynn Bartlett, state superintendent of public instruction.

Pay for Nurses Increasing in Mich.

Salaries for professional nurses in Michigan hospitals are increasing, members of the Michigan State Nurses Association were told during their recent four-day convention in Lansing.

Avis J. Dykstra, R. N., associate executive secretary, revealed MSNA's 1963 survey findings to the MSNA House of Delegates Tuesday night. "General duty nurses received an average beginning monthly salary of $359 in 1963 as compared to $344 in 1962," she said.

Michigan's hospitals were commended for their progress; of the 227 hospitals which took part in the survey, two-thirds have provided salary increases for R.N.s this year.

As of July, 24 percent of the responding hospitals have reached or exceeded the recommended minimum salary of $400 a month which was urged by the MSNA membership last year.

"The nursing profession has made valiant attempts to keep abreast of the fast changing needs in health care, but the demand for nursing services still far exceeds the supply," said Miss Dykstra.

Michigan needs at least 3,000 more registered nurses just to meet the current unfilled nursing positions in hospitals alone, and there are serious shortages in faculty for schools of nursing, public health programs, psychiatric care, nursing homes and other special fields."

MSNA delegates concurred that a major factor in the critical shortage is that nursing has not been economically attractive enough to recruit sufficient numbers of capable young people into nursing, or to retain qualified R.N.s already in the field.

Perfection is attained by slow degrees; it requires the hand of time. —Voltaire

Around Bishop Lake

By: Mrs. John Schroeder

The government class of the Pinckney High School visited the Capitol last Wednesday, November 6.

From this area, Ralph Schroeder, Jr., and Nianne Bowlin took the trip.

They were introduced to the House and the Senate and given the "Cook's" tour of the building by Representative Sharpe of Howell.

They shook hands with Governor Romney (even though he had precious little time for pleasantries since his tax program was in definite jeopardy that day!) and the attorney general and watched the Supreme Court in action for awhile.

They were able to ask questions of many of our legislators and received answers to matters under discussion in their class. They also visited with several of the page boys.

It was "quilting time" for four of the women from here-abouts last Wednesday. Mrs. Clayton Carpenter, Mrs. Justin Stecker, Mrs. John Schroeder and Mrs. George May got together for the day and enjoyed some nice, old-fashioned socializing while getting a quilt ready for the final finish work

If you are noticing a sudden lack of adult males in your neighborhood, it may be due to the magic of deer hunting season which opens on the 15th. Ralph Schroeder, Sr. leaves on Thursday to hunt around East Tawas.

L. Barnes, Cecil Lindburg and Paul Keranen all headed "up North."

Wally Boerge and Darwin Allen left on the 13th for Baldwin, not to hunt, but to patrol and watch the hunters!

They will be assisting the law enforcement officers in that area — courtesy of the Forestry Department. Lloyd Nash, like many other area men, plans to hunt right here. (He'll probably be the only one ending up with venison steak!)

We may have had rain — and even a snow flurry — last week but the forsythia along the driveway at the Southern Michigan Nursery decided to dress up just once more for the season and are flaunting their yellow blooms against November skies.

Brighton City

Council Minutes

The meeting was called to order at 7:25 p.m.

The roll was called, there being present Mayor Cooper, Councilmen Siford, DeLuca, Cuthbert, Oliver, Engel and Gaffney. Minutes of the special meeting of September 12, 1963 were approved as written.

It was moved by Councilman Siford and seconded by Councilman Oliver that the annexation of the land at the northwest of the city become effective January 1, 1964. Unanimously approved.

City Manager Marshall stated that new deeds and title insurance had to be acquired for the water well site west of the city.

Councilman Siford questioned the City Attorney as to whether the city would be responsible if, after the city started using the well site, wells in the surrounding area were to run dry. Mr. Baetcke stated the city would not be responsible.

Councilman Siford reported on the committee action regarding the proposed zoning ordinance.

City Manager Marshall presented the Council with a survey regarding the remeval of parking meters in other communiteis. This report is to be discussed at the next Council meeting.

City Manager Marshall gave a brief report on activities during the past month. He also stated Virginia Hamann had resigned from the Chamber of Commerce and would not be making a parking meter survey in the city.

Messrs. Colt Park and Bob Leland appeared before the Council to answer questions regarding the proposed zoning ordinance. Considerable discussion was given to changes proposed by the committee making the study of the ordinance. It was decided that several changes would be made before the ordinance was adopted.

Several members of the Brighton Fire Department were present to discuss the purchase of a new radio alert system. Mayor Cooper advised them that there were no funds available at this time but toward the end of the fiscal year funds might be available. The Council was asked that if the Fire Department were to purchase the radio system from their own funds, would the city reimburse them. It was decided the city would make the reimbursement but the time it would take to do so would be very indefinite.

Mr. Whitney Kimble appeared before the Council regarding several items.

Discussion was given to the codification of the ordinances of the city. City Manager Marshall stated he had talked with Mr. Sidwell regarding the work he had started on the codification. The City Manager said he had done some codification work on the city ordinances and that it would take a great deal of time. He suggested that the codification be approved as progress is made. Councilmen Siford and Gaffney volunteered to work with Mr. Marshall and a special meeting will be held October 10th to work on codification.

It was moved by Councilman Cuthbert and seconded by Councilman Siford to adjourn at 10:40 p.m. Unanimously approved.

Marshal Cooper, Mayor
J. E. Siford, City Clerk

TO THE 1,185,000 FAMILIES SERVED BY

DETROIT EDISON

The electric appliances you have in your homes are a part of your way of living. Some electrical uses are so important that it is hard to imagine being without them. Light bulbs, radios and refrigerators come quickly to mind as examples of what I mean.

Just a few years ago, television swept into our homes to add another enriching page to daily living. Edison was among the very first Detroit-area sponsors of a TV program because—firm believers in the merit of this new electrical device—we were eager to support and encourage this young struggling industry.

To tell you factually about worthwhile, new electrical uses has always been, I feel, a responsibility. We are in a position to know about them more quickly and more thoroughly than most other people.

What of electric heat, one of the newest?

There is no finer home heating system. In degree of comfort achieved, in convenience, in adaptability to diverse living habits, electric heat is unexcelled. The family which enjoys electric heat receives full value for its cost.

As for the costs, last month we announced a new all-electric residential rate for those Edison customers who heat electrically and who use only electric appliances in their homes. The net result of the new rate is a lower average unit cost for electrical service for this particular kind of home. It is always pleasant to announce a decrease in cost of electric service, especially so when the saving is substantial, as in this case.

This lower rate is evidence of our desire to provide you with the best possible service at the lowest possible cost. This is our constant purpose.

Sincerely,

Walker L. Cisler

Last Minute Pass Gives Pinckney Victory

BY JOHN TASCH

PINCKNEY — Last Friday evening the Pinckney Pirates played the Clinton Redskins for their final game of the season and won in the last minute of the game by the score of 20 to 19.

The Pirate's won on extra points for they converted two of three while Clinton got only one for three tries.

Clinton was first to score on a one-yard plunge by Don Saxton early in the first quarter. It looked good for the Redskins then, but there was no more scoring in the first period.

Pirate fullback Del Fritz then ran 45 yards around left end and on the next play raced around right end for 30 yards and a touchdown.

The extra point was a pass from quarterback Jim Barker to end Jim Pine.

Clinton then scored again, this time on a one-yard sneak by John Senkewitz. Dave Papsdorf kicked the extra point and Clinton was ahead 13 to 7.

Pinckney was far from giving up, for in the fourth quarter Barker went in from a yard out and Merle McMichael scored the extra point on an end run. So the score was all tied up, 13 to 13!

Now it was building up to be the most thrilling game the Pinckney and Clinton fans had seen this year.

Clinton downed the Pinckney fans' spirit a little when they again scored, this time on a four-yard run by quarterback Dennis Sweet.

The Pirates had not given up, for after two long passes, one to McMichael and one to Jim Wicker. Fritz, with 39 seconds left in the game, received a 17-yard pass from Barker for another six-pointer! So Pinckney was ahead by one point, 20 to 19!

The try for the extra point was not successful. Even with such little time left, Clinton threatened to score again but was stopped with 10 seconds to go when Gary Henry, who played a very good defensive game, intercepted a pass.

The win left Pinckney with a 4-5 record at the end of the season and Clinton wtih a 6-3 in the won-lost column.

Howell Nips Fowlerville

HOWELL — There was whooping and hollering and a big parade in Howell Friday night—but there was no joy in Fowlerville—their mighty team had lucked out.

Final Score: 19-14.

Over 5,000 fans poured out to watch the clash of the two unbeaten squads and all bleacher seats were filled by 6:30.

The victory was the ninth win for Howell against no defeats; for Fowlerville it was their first defeat of the season after seven wins.

Coach Don York's squad was lagging behind at half time 7 to 6 but surged ahead in the second portion to 13-7, then 19-7.

With a little more than three minutes to play, the Gladiators scored their final tally and conversion.

Highland touchdowns were scored by Len Gallup and Tom Hicks, 2.

Fowlerville's two markers were notched by Quarterback Gordon Hetrick.

Basketball Takes The Spotlight As Whitmore Squad Starts Drills

BY DENNY HAINES

WHITMORE LAKE — As the sounds of "We want a touchdown," and "Rush em back," "Push em back, way back," fade away from the gridiron of Whitmore Lake High School, new sounds like "Dribble Dribble, down the floor, and "Make that shot, sink it," start echoing from these hallowed halls.

Basketball is beginning to take shape here as the whole student body always take an active interest and this year promises to be no different.

The boys, both varsity and Junior Varsity, have been practicing for three days in hopes of their first winning season in 2 years.

Whitmore opens the season Dec. 3 against Emmanuel Christian and all the boys are eyeing this opening contest very intently.

So far head coach Robert Ellis has 11 varsity men working out on the court and one more boy may be added to the varsity roster.

Drilling is the thing Coach Ellis is concentrating on for the first couple of days.

"You have to be quick, sharp thinking, shoot good, and be able to play defense, in order to be a good basketball player," said Ellis.

Basketball is an exciting sport to watch as well as an exciting sport to participate in. Whitmore Lake will play many home games giving all Whitmore residents and students a good opportunity to watch some games.

Whitmore also plays many games and some tournaments on the road and any Whitmore rooters who can attend these games are appreciated not only by the players but by the cheerleaders who need spirit from all Whitmore rooters.

The varsity cheerleaders are the same for basketball as they were for football and we hope they can do as good a job for our courtmen as they did for our football team.

The basketball players as well as the student body was saddened by the loss of Junior Varsity Coach Frank Vetter who resigned his post.

The new J.V. coach is Dan Smith who was the 7th and 8th grade coach last year.

We wish Coach Smith all the luck in the world, but it will be hard to beat the 13-3 record Coach Vetter and his boys compiled last year.

Their was a lot of action as the Highlanders and Gladiators tangled Friday night.

WHO IS HELPING WHOM? Fowlerville (dark jerseys) and Howell players are fighting for inches.

Sports Profile

JIM VOLTZ

By Ken Luttermoser
(B.H.S. Review Staff)

If you see "a big kid" around the town shooting basketballs in hoops, it's probably Jim Voltz, our star basketball player of the week.

"Big Jim," a senior, is one of the two returning letterman at B.H.S. Jim, a "giant" 5 foot 7 inch guard, has been playing basketball for three years.

A Wilt Chamberlain fan, he plans to coach basketball after he "retires." Jim's greatest love is basketball and in the off-season he keeps in "shape" playing baseball and roller hockey. He thinks the coach is "a pretty good guy" and the practices are very fair.

Jim will never forget the Clarenceville game two years ago, while he was on the Junior Varsity basketball team. It was a hard-fought game all the way with the lead changing constantly. With only seconds remaining, Jim "swished" a basket from 30 feet out to win the hard, rugged J.V. game. Jim had his best day with 12 hard-earned points.

"This year the league will be even except for Clarkston, which will be a little bit tougher, because they will have more returning Lettermen."

Seven Veteran Wrestlers Return To Trojan Squad

BY DENNY HAINES

WHITMORE LAKE — Not to be counted out in the winter sports cavalcade is wrestling.

This great sport provided the only over .500 record of all varsity teams last year at Whitmore Lake High School.

Coach Jack Townsley's men are facing a stiffer schedule this year but they have a year's experience behind them as well as the return of 7 lettermen.

Returning are Walter Szegda, Mike Szegda, Jim Nicastri, Dave Green, Gary Nollar, Bruce Schwemmin, and Dan Zalewski.

The men of the wrestling team are divided into classes according to weight. Here is the way Coach Townsley hopes to have his men lined up.

WEIGHT

95 lb. — Walter Szegda, Terry Hadley
103 lb. — —Mike Szegda, Jim Nicastri
112 lb. — Dave Green, Tom Jones, Doug Issacson
120 lb. — Gary Nollar
127 lb. — Bruce Schwemmin, Dean Lemon
133 lb. — Charles Curry
138 lb. — Don Lupi, Sam Curry, Doug Hoffman
145 lb. — Dan Zalewski, Larry Nix, Mike Daniels
154 lb. — Doug Burton, Mike Thelen, Phil Madouse, Lynne Basquin
165 lb — Jim Bell
180 lb. — Ron Nix
Heavyweight — Dale Withey

After winning 6 matches last year while losing a mere 3 the return of 7 lettermen plus one year experience promises to be a plus-factor in making this a good, solid, all-around team.

Coach Townsley and his crew hope you will attend some matches and find out for yourself why wrestling boasts itself to be the most interesting sport to watch.

Special Care Required When Using Carbon Tetrachloride

"I know carbon tetrachloride is an efficient cleaning agent but is it as dangerous to use as I have heard it is?" a reader asks.

Used properly, "carbon tet" is a very good cleaning agent. Used improperly, it is indeed very dangerous.

A recent report from the Accident Prevention Department of the Association of Casualty & Surety Companies advises that "when possible, substitute a less toxic solvent for carbon tet."

If you must use it, follow these precautions: only use in a well-ventilated room or outdoors; avoid inhalation of the vapors and avoid repeated contact with the skin.

You cannot overdo these precautions. A single exposure to a heavy concentration of the vapors can cause death. Repeated exposures to lower concentrations can cause a chronic poisoning. Symptoms can include: fatigue, anxiety or depression, jaundice or muscular twitching. The liquid or vapor also can damage optic nerves and cause blindness. Even brief exposures to carbon tet vapors can cause kidney damage in some people after they have been drinking alcoholic beverages.

First aid measures include washing the skin or eyes thoroughly if carbon tet comes in contact with them, removing a victim to fresh air if he is overcome and, most important, calling a doctor in every case.

In industrial use, the Association urges extreme protective measures — in heavily contaminated areas, for instance, it recommends safety goggles, self-contained breathing apparatus and rescue harness and lifeline. Safety goggles and rubber gloves and aprons should be used at all times.

This column will be glad to answer questions you may have about property and casualty insurance. Send them to Oren Nelson, married to the attention of Nelson Insurance & Real Estate, 9555 Main St., Whitmore Lake, Michigan.

ON HAND FOR the presentation of a "300" ring and patch are Ernie Dieterle, left, Cherry, and Howard Taylor.

Bowler Honored - '300' Game

BRIGHTON — Sonny Cherry of 6380 Fonda Lake Dr. was honored last week at the Brighton Bowl for rolling a perfect game on Oct. 1.

He received a diamond ring with the inscription "300" written in gold on a ruby; also, a "300" patch.

Cherry, who carries a five-year bowling average of 165, was rolling above this on the night he achieved local fame.

He posted scores of 180 and 203 in addition to his 300 game.

This was the first such achievement in the 14-year history of the local alley and owner Howard Taylor presented Cherry with $50 in recognition of the feat.

On hand for the presentation were the bowler's wife, Pat; Ernie Dieterle, Ann Arbor Bowling Association secretary-treasurer, and bowlers who were using the lanes at the time.

Self Esteem Shows Decline As Pupils Age

Whatever else we have done, we seem to have communicated a sense of personal failure to many of our pupils, William C. Morse, University of Michigan professor of educational psychology, claims.

"In general, the longer we have them in school, the less favorable things seem to be," he says. "If we care about the pupil's self regard, we have much work to do."

Recent research studies at the U-M show a decrease in self esteem with age.

For example, while 12 per cent of third graders tested did not indicate that they felt "pretty sure" of themselves, 34 per cent of the 11th graders made the same response. Also, 44 per cent of the 11th graders "often wish they were someone else," Morse notes.

Check-ups Urged For Relatives Of Diabetics

"Every blood relative of a diabetic should let Diabetes Week, set this year for November 17-23, be a reminder to be tested annuall for the disorder," declared Dr. Frank S. Perkin, Detroit, medical director of the Michigan Diabetes Detection Program, and Dr. William M. LeFevre, Muskegon, chairman of the Diabetes Commission of the Michigan State Medical Society, in announcing plans for this year's detection effort.

"A family history of diabetes is the most important predisposing factor. And, contrary to past evidence, research recently reported from England indicates that a tendency to diabetes may be a dominant rather than a recessive hereditary characteristic," the doctors stated.

"As high as one-third of the population may have the genetic tendency to diabetes and would presumably become diabetic if they lived long enough.

Predisposing factors which may bring on diabetes in susceptible persons include overweight, repeated pregnancies, surgery and even emotional stress, the doctors indicated. Diabetes is increasingly likely to occur in an unrecognized state after the age of forty.

Let All of Us Act at Fonda!

In your November 6 edition, there appeared an article under the caption "Lake Residents to Incorporate." It stated [illegible] residents met on October 23 to decide on forming an association in order to provide, as Mr. McConnell stated, "area protection against future threats such as exist in the request of commercial zoning on Kinyon Drive."

If such a meeting were held to decide on such an important issue, why weren't all the residents notified in order that they could attend and be informed as to the necessity of such an association?

Since receiving your edition, I have contacted several of the residents in this area and this is the first time they had even heard of a meeting such as this being called.

From your article, it seems that Mr. McConnell is the spokesman for the group, so therefore, I shall now direct my remarks toward him.

As I understand it, this new association will take the place of the now defunct "Fonda Lake Community Association, Inc." which was voted out of existence by a majority of votes. If this be true, Mr. McConnell, what will be the format which governs your reasons concerning the need of reorganization?

Apparently, there was a whole lot to be desired in the former association. What makes the difference in this new request? Are your new by-laws, rules, and regulation any different?

If so, why not start a running campaign through the area informing us as to the soundness of your suggestions?

From your statement, Mr. McConnell, it seems to me that the only reason for attempting to reorganize would be so that a few people could attain the stature of becoming the so-called leaders of our community and therefore re-institute continued wrangling and animosity which has existed over the Fillmore request for rezoning.

WHY NOT INFORM?

The opinion of a small group of people does not constitute the true feeling of the entire community. If, as you state, Mr. McConnell, the association will be for the "area," then why not inform the people publicly, as you did in this article, and let them decide whether or not to accept your suggestion.

An association does not need immediate incoporating to be acceptable by the people. Why not let the people see if such a move will be for the betterment of the community before action such as this is taken?

Make it work for the people first, then incorporate later if necessary. When people are compelled by the threat of extinction to join an organization, then we might as well go to Russia where situations of "no voice in the matters of people" exist.

It was also stated that another meeting is planned for the "near future."

As long as this association is to affect the whole area, then why not inform the editor of this paper as to the time, place and the date of such a meeting so that it may appear on the front page, as you did your notice of a decision to incorporate?

All the people in this area are important, Mr. McConnell, not just a small group. We will all be affected, so why not let us voice our opinions and take a share in the voting?

Mrs. Dorothy Hoskins
Fonda Lake

Reader Enjoys Argus Stories

We enjoy reading about the many friends we know and about the expanding growth of Brighton.

Also, I follow the articles about the McPherson Community Health Center with great interest.

Because I was working at the hospital until I moved down here and I enjoyed working there so very much.

Even though we are making our home here now we still have a soft spot in our heart for Brighton because we spent many years in the Brighton area, out at Little Crooked Lake to be exact.

When we offered Bob Darga a short ride to his home last Friday, we thought his feet were dragging— and they were!

Bob said on the way home Terry Hargesheimer, who was the driver that day, had a flat tire. No problem there—he also had a very good spare tire.

The problem arose when they couldn't change the tire because Terry had no car jack. So the five boys in the car walked a long time before they could hitch a ride.

We extend a welcome to Mrs. Anna Hansan, who permanently moved into her Island Lake cottage on Wednesday, November 6. Before she sold her Detroit properties and made this permanent move, she spent only the summer months out here.

Beverly Decker and Ruth Hurst again this year were on stage taking a part in the senior class play. Bob Witting participated again this year, behind the scenes, helping with the many jobs that needed doing to help make the production a success.

We received a last minute call before column deadline time from Mrs. "Ike" Bailey in which she gave us some sad news and then some good news.

Mrs. Bailey's next - door neighbor, Mrs. Nicholas Lutz, is back in St. Joseph Mercy Hospital, in Ann Arbor, seriously ill.

George Bufford returned home on Sunday, November 10, finally discharged from Beaumont Hospital, into the care of his local doctor.

State Police Recruits

Seventy candidates for positions as Michigan State Police troopers were notified to report for a nine-week recruit school opening Tuesday, November 12.

Graduation for the class will be held Wednesday, Jan. 8.

This will be the second training school to be held this year.

Forty-one probationary troopers graduated in September and now are on field assignment prior to recall next year for advanced trooper training.

Trifles make perfection, and perfection is no trifle.

The pursuit of perfection, then, is the pursuit of sweetness and light.

Hartland Seniors Offer Comedy

HARTLAND — On Friday and Saturday evenings at 8:00 p.m., the Senior Class of Hartland High School will present Jesse Stuart's "The Thread That Runs So True."

This three-act comedy is a dramatization of Jesse Stuart's novel about his own experiences as a beginner school teacher in the Kentucky mountains.

It presents with irresistible humor and idealism the problems and triumphs of the dedicated teacher in a backward community.

Jesse is still in his teens when he takes on the job of teacher in Lonesome Valley School.

Many of his students are older than he and certainly those in the clique led by the school bully are bigger and tougher. They are there to have a place to go while the work on the farm is slack and they intend to have fun baiting the greenhorn teacher.

Among the students are a few who respond to Jesse's enthusiasm for education; yet even with these he meets opposition. Their parents resent his encouragement to their sons to seek further education, since obviously the elementary grasp of the three R's is enough.

Also further education might deprive them of a farmhand. The school bully, however, becomes the leader of the opposition both in school and the community.

The antagonism between him and Jesse is the keener because both are interested in Naomi, the lovely girl who sings the old ballad from which the title is taken.

Their problems interweave with others; the school board's fight about whether Jesse keeps his job or not; the box supper auctions; the contest with the "city" school in a neighboring small town which has always despised—and defeated—Lonesome Valley, but gets its comeuppance at last.

Tickets will be available through the members of the Senior Class as well as at the door at the price of 75 cents for adults and 50 cents for students through the twelfth grade.

Each performance will begin at 8 p.m.

Casimir Ciarkowski, shop, mechanical drawing, and general math teacher, is the director of this play.

Post Office To Hold Exam For Custodian

The Postmaster at Howell has announced the opening of a new Civil Service examination for Custodial Laborer positions for duty at his office.

Competition in the examination is restricted by law to persons entitled to veterans preference.

Starting pay for full-time Laborers is $3,905 per year, or $1.88 an hour. Some positions may also be filled from this examination at a starting pay of $3,595, a year, or $1.73 per hour.

Applicants must be at least 18 years old and reside within the delivery area of the Howell Post Office, or be a bona fide patron of that office.

Complete information and application forms may be obtained from the Howell Post Office; or from the office of the Executive Secretary, 123 Federal Building, Detroit, Michigan 48233.

Actors' Group Chooses Play

At their meeting Thursday the Livingston Players selected the play they will produce in the spring, "Twin Beds."

Three plays were on the ballot. "Twin Beds", "See How They Run" and "I Remember Mama".

Before the voting a synopsis of the plot of each play was given by Pat King. Betty Golden explained what sets would be needed for each play. A description of the characters was given by Joan Campbell, president of the group.

The Players meet on the first Tuesday of each month and invite anyone who would like to get behind the scenes or up front in community theatre to attend. All meetings are open to visitors.

Over the weekend eleven members of the Players attended the state - wide convention of the Community Theatre Association of Mich. The convention which is held bi-annually was held in Wyandotte this time and included a business meeting and workshops on theatre work.

Saturday evening the Wyandotte Community Theatre, host performance of te play, "The Far Country," story of Sigmund Freud and the birth of psycho - analysis.

Members of the Players who attended the convention were Joan Campbell, Esther McCreedy, Alice Krupa, Mr. and Mrs. John Stephens, Mr. and Mrs. Fred Golden, Mr. and Mrs. Ed Durk, and Mr. and Mrs. Tim Hurst.

Brighton City Council Proceedings

MINUTES OF THE SPECIAL COUNCIL MEETING OF OCTOBER 10, 1963

The meeting was called to order at 7:40 p.m. The roll was called, there being present Mayor Cooper, Councilmen Oliver, Engel, Gaffney, Siford, DeLuca, and Cuthbert.

A motion was made by Councilman Cuthbert to approve the transfer of a liquor license from Leslie and Mary Oliver to John N. Martain. Seconded by Councilman DeLuca and approved.

A motion was made by Councilman Gaffney to transfer $125 within budget item 4-10. Councilman DeLuca dissented feeling that the transfer should be made at budget time. Seconded by Councilman Siford and approved.

The meeting was adjourned at 7:55 p.m. by Mayor Cooper without objection.

Minutes of Brighton Area School Board

October 28, 1963

A special meeting of the Brighton Area Schools Board of Education was held at the Miller School on October 28, 1963. All members were present. Superintendent Hawkins and Assistant Superintendent Fitzgerald were also present. Dan Cole, Mr. Kujawa and Mr. Gail were visitors.

The meeting was opened by President Probst at 8:00 P.M.

Minutes of the October 14, 1963 meeting were read and approved after some corrections.

Dan Cole appeared before the Board to request permission to take English 12 and ½ year of English 10 at Ann Arbor High School and have credits apply toward a diploma from Brighton High School. Mr. Fitzgerald informed the board that Dan needs 2 credits instead of 1½.

Moved by Mr. Lew Allen and seconded by Mr. DiLavore that the Brighton Area School Board accept toward a diploma at Brighton High, credits gained at Ann Arbor High School by Dan Cole during the 1963-64 school year. Carried unanimously.

Mr. Hawkins informed the board that the County Board of Supervisors voted that Brighton Township must levy amount of school taxes originally approved, or produce the deficit from their general fund.

Mr. Hawkins reported some facts concerning building program.

1. Mr. Scurlock was told to try and design new high school for not over $1,600,000, including site and equipment. Topographic map to be made this week.
2. Complete cost of Hawkins school was $489,919 divided by 28,800 sq. ft = $16.98 per sq. ft., including site and equipment.
3. Complete cost of Miller school was $405,000 divided by 21,500 sq. ft. equals $18.83 per sq ft., including site and equipment.
4. Present enrollment in High School building is 836 in grades 7 through 12.
5. Counting students already here, 1964 enrollment will be 936 (7-12).
6. 1965 enrollment will be 978 (7-12).
7. Present total enrollment is over 2,100 students with 365 in Miller building.
8. (a) West Elementary, gym and shop were occupied in 1950-51.
   (b) Second High School addition, 8 classrooms and music, 1953-54.
   (c) Third High School addition, 5 classrooms, 1956-57.
   (d) Miller School, 1957-58.
   (e) Hawkins Elementary School, 1959-60.

A general discussion followed concerning several aspects of the building program, school sites in particular. Several schools are holding bonding elections approximately the same time as Brighton Area Schools. The closest one is Pinckney which plans its bonding election during the first part of December.

Mr. Kujawa expressed his concern over the amount of injuries suffered by the football squad this season and what the reasons might be. Much interest and concern was indicated by all persons present.

No further business appearing it was moved by Mr. Lew-Allen and seconded by Mr. McMacken that the meeting adjourn at 10:05 p.m. Carried unanimously.

Approved: Nov. 11, 1963

Brightonettes Extension Club Studies Taxes

BRIGHTON — The Brightonettes Study Group met on Tuesday, Nov. 5, at 8:00 p.m.

The lesson, given by Mrs. Jack Pethoud, was on taxes, with income tax and state tax the main topics. Governor Romney's tax reform bill was also discussed.

The discussion on property tax and state tax seemed to draw special attention from the group. "We realized that the common housewife does not know all that she should about taxes, why they are needed and how they are spent, therefore the subject of taxes was found to be informative and interesting," said Mrs. Richard Drake, club chairman.

The group held their meeting this month at the home of Mrs. William Chaplain, with Mrs. Donald Shosey as cohostess. Following the meeting, refreshments were served.

The next meeting will be held at the home of Mrs. Robert Williams, with Mrs. Robert Lifsey as co-hostess.

The lesson then will be presented by Mrs. William Chaplin, with the subject being "Art Appreciation."

The group will work with pieces of broken glass, making pictures. A second project will be taking old shoes and covering them with new fabric.

Safety Will Be Discussed

BRIGHTON—Presidents and chairmen of one of the more than 135 organized women's club groups in the State of Michigan, will soon receive an invitation to attend the "President's Preview" being sponsored by the officers of the Women's & Rural Divisions of the 34th annual Michigan Safety Conference.

The Reception for these club presidents will be held Wednesday, November 20, at 2:00 p.m. in the northwest office center of Michigan Bell Telephone Company in Southfield.

One of the efforts of the reception will be the "kick-off for the 2nd annual Mrs. Safety Award contest, which was originated by the Women's & Rural Divisions of the Conference a year ago.

In the first Mrs. Safety Award Contest, a most successful search was undertaken for the woman in the State of Michigan who had done the most during the previous year in her own community, county, or state to foster safety education or accident prevention programs, and the winner was Mrs. Raymond (Betty) Maltby, State Safety Chairman of the Michigan Home Economics Extension Council.

Mrs. Maltby, of rural Brighton, who is currently Chairman of the Rural Division of the Michigan Safety Conference, will be on hand at the President's Preview, to discuss the Mrs. Safety-1964 Award program, and will also reveal some of the programming efforts that she is involved in with the M.H.E.E.C., and with other safety organizations and committees she serves.

Mrs. Maltby hopes that the alarming increase in accidents of all kinds, especially those that are occuring in the home, in traffic and in public places, will interest all women, and give added incentive to women's clubs and organizations to support safety education and accident prevention efforts of all organizations and official agencies of government in their areas, and that they will become actively engaged in such efforts and programs, and will submit entries in the Mrs. Safety-1964 Award Contest.

An additional attraction of the November 20 reception will be a tour of the Michigan Bell Telephone Company Southfield plant, where the world's largest single commercial computer installation is in use.

Fall Enhances Falls

Michigan has more than 150 waterfalls offering autumn appeal for camera fans and nature lovers, according to the Michigan Tourist Council.

Many of them are accessible by short foot trails, while others are located along familiar roads.

Don't 'Grill' Deer on Car Say Conservationists

Venison steaks can be grilled over charcoal — about an inch thick, pink and juicy in the middle; with a little onion or garlic flavor — and they're hard to beat. Everything figured, they'll cost you plenty per pound but they're worth it.

You can also "grill" them on the front of your car. This too will be costly and probably pretty dangerous. Last year at least 4,146 deer were killed by cars on Michigan highways.

This year, if the present trend continues, the toll could be close to 5,000 — auto repair bill, $1,000,000 — hospital bills, or worse, unknown.

When the Conservation Department started keeping records of whitetails killed on the highways in 1954, most of the deer-car collisions occurred in the North — 766 in the Upper Peninisula; 727 in the northern part of the Lower Peninsula; and only 378 in the farm country south of Highway M-46.

Today, the whole picture has changed. In 1962, southern Michigan motorists killed 1,643 compared to 855 in the Upper Peninsula and 1,537 in the northern Lower Peninsula.

The Department expects the highway kill to hold pretty steady at about its present level in the northern regions. An increase in the volume of traffic in northern Michigan could change the picture somewhat, and as more high-speed highways are built through deer country, accidents along these freeways will go up.

DEER, CARS DON'T MIX

The highway hazard caused by deer in southern Michigan is already a serious problem, and it's going to get a lot worse. Only six percent of the deer live in southern Michigan, but 90 percent of the automobiles "live" here.

Since 1954, auto traffic in this part of the state has increased 27 percent, and the number of deer killed by cars has jumped 316 percent.

The farmland deer herd is growing at an explosive rate—about 14 percent per year. It now measures about 45,000. Before 1970 it colud reach 100,000. What will the highway kill be then?

Motorists can reduce their chances of hitting deer by learning to drive defensively. Here are a few practical suggestions:

When you see a sign along the highway that says "Deer Area," believe it, but don't expect deer to be standing right by that sign. They might be half a mile down the road. Then too, you might pass through such an area every day for a year and not see a deer, but on the next day, wham!

When you see a deer beside the road, slow down first, then watch for the second or third deer. Too many drivers are so wrapped up watching the first deer cross the highway that the second or third whitetail they didn't see gets wrapped in the grill work.

Don't believe for one second that a deer thinks like an intelligent human being. A deer doesn't think of a car as being able to kill him. He'd just as soon wait till you are right there before jumping in front of your car. Treat a deer by the road as you would a two-year-old child.

Milestone in Deer Management

Back in 1952, Michigan had its first large-scale special deer season; more than 100,000 antlerless whitetails were killed in the northern lower peninsula. Even before the final shot was fired that year, many people were talking about the herd being "exterminated." Some are still voicing scepticism. Say what they will, this state has reached a new milestone in deer management under the Conservation Department's program of regular and special seasons. Sometime last November, a Michigan hunter killed the one-millionth deer to be legally taken since the start of the 1952 season. Over the last 11 years in which antlerless deer hunting has been extended to most of the upper peninsula, sportsmen have harvested an average of almost 93,000 whitetails annually—from a herd that critics said was being "shot off" by special seasons. Looking ahead, hunters can take even more deer each fall without hurting the future of their sport. During the 1963 firearm season, for example, they can safely harvest 125,000 bucks, does, and fawns.

State Hospitals Need Personnel

Michigan's general hospitals may have to eliminate beds, close off patient rooms, or cancel present expansion plans because of an alarming shortage of skilled hospital personnel. And it's getting worse every day, says Allan Barth, executive director of the Michigan Hospital Association.

At the present time there are over 3,200 openings in hospitals for trained specialists. If available, over 1,600 registered nurses and 1,000 licensed practical nurses could be given immediate employment.

In addition, there are severe shortages of dietitians, laboratory technicians, medical record librarians, medical social workers, occupational therapists, physical therapists, nurse anesthetists and x-ray technicians.

"A recent survey of 186 Michigan hospitals presented a gloomy picture for the future," Barth said. Projecting their needs for additional qualified personnel between now and 1968, these hospitals conservatively estimate they will need still another 4,100 specialists to maintain their current level of patient care.

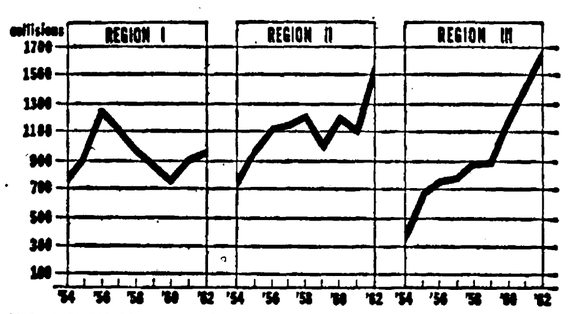
The University of Michigan was the first U.S. institution of higher education to provide instruction in aeronautical engineering, in 1913.

Waters Unlimited

If Michigan streams and rivers were placed end-to-end they would reach one and one-half times around the equator, according to the Michigan Tourist Council.

The state has more than 36,000 miles of rivers and streams.

Deer-Car Accidents Speeding Upward



This fall, Michigan deer hunters should bring home over 7,000,000 pounds of venison. During the year, motorists will "bag" another 300,000 pounds. Hunters will get a lot of sport and good eating for their efforts, but drivers who hit whitetails are in for nothing but trouble---and danger. Damage to their cars alone will average about $200 per accident. With this year's highway deer kill expected to approach 5,000 animals---some 850 above the record toll of 1962---auto repair bills will total $1 million. As these graphs show, the hazard of deer-car collisions is most serious, and increasingly so, in the southern half of the lower peninsula (Region III) where whitetail numbers are snowballing each year. Since 1954, auto traffic in southern Michigan has risen 27 percent; the number of deer killed by cars has rocketed 316 percent. The Conservation Department expects highway kill to hold pretty steady at about its present level in the upper peninsula (Region 1). It looks for a continued increase in these accidents along freeways of the northern lower peninsula (Region II), but not at southern Michigan's "smashing" rate.

Is Still Open For Business!
AND THERE ARE HUNDREDS OF [illegible]

TO OWN.... OR NOT TO OWN?

That is the question. And here is the answer!

Money laid out for rent is SPENT. Applying much of that sum to a mortgage or land contract is money SAVED. The amount may be similar — but one is a burden, the other a benefit.

If you have never experienced the satisfaction and comforts that most home owners enjoy . . . . you're missing something. Something very basic!

Why not let us show you a few facts and figures to mull over?

Church Bazaar Will Be Held November 21

Port Holiday is the theme of the annual Christmas Bazaar being planned by the Woman's Society of the Walnut Street Methodist Church. The event will be held on Thursday, November 21, from 10 a.m. until 6 p.m. in the church parlors.

The streets of Port Holiday will be lined with booths offering aprons, linens, jewelry, books, candy, baked goods, children's toys, Christmas and holiday items, parcels from faraway places and many other gift items.

A cafeteria style luncheon will be served from 11 a.m. until 1:30 p.m. under the supervision of Mrs. Frederick Walker. A coffee shop will be open both morning and afternoon.

Mrs. Dorothy Trafton is general chairman of the affair which promises to be both interesting and rewarding for those attending.

300 Persons At Travelogue Given by Lines

Over 300 hundred persons attended the travelogue sponsored by the Friends of the Library at Howell High School Thursday night in spite of the fact that two other events took place at the same time.

The colored movies of Korea and other parts of the world were beautiful and were wittily and interestingly narrated by Winfield Line. At the close of the program Mrs. Line addressed a few remarks to the audience who received her with the warmth adn affeciton due an old and valued friend.

It is planned to use the money raised by this venture for the purchase of a new desk for the Howell Carnegie Library. The Lines donated their services to aid the library.

Guests at Health Center Party Fill Dining Room, Auditorium

At the card party last Thursday, given by the Women's Auxiliary of the McPherson Community Health Center, both the dining room and the auditorium were filled with guests and late comers were seated at tables in the hall.

Coffee and cake were served at the beginning of the evening from a large table decorated with silver sets at each end and a large arrangement of artificial flowers in the middle. After the guests had eaten, leftover cakes were sold by Herb Sneed who consented to act as auctioneer.

Among the door prizes which were awarded to lucky ticket holders were a portable mixer, a brass magazine rack, cologne, manicure sets, a teakwood tray, bone china cups and saucers, floral arrangements and a Christmas centerpiece. These were donated by merchants around town.

Table prizes were baskets of strawflowers and pine cones or small apothecary jars filled with flowers. A consolation prize of a nylon net scouring pad in white or yellow was also on each table. The tallies featured a picture of the hospital on one side.

Local Doctor To Give Talk

The next meeting of the Women's Auxiliary of the McPherson Community Health Center is scheduled for Wednesday, November 20, in the auxiliary room of the hospital.

The business meeting will begin at 7:30 p.m. and conclude at 8:30 at which time Dr. Thomas Barton will speak on the role of the physician in the success of the new progressive patient care program.

All members of the auxiliary are urged to be present at this

Music Club Listen to Bach

The Reverend and Mrs. Robert Coffey of Brighton entertained the Howell Music Club at their home in Brighton last Friday.

Mrs. John Thede, president, greeted the members and guests and conducted a short business meeting after which she turned proceedings over to Mrs. J. E. Cronan, program chairman. Mrs. Cronan introduced Mrs. Annette Wiggins who presented the all-Bach program.

Mrs. Wiggins read portions of a manuscript which was a translation of a book written by Anna Magdalena Bach, wife of the great composer. The reading was interspersed with the following musical number: "Jesu, Joy of Man's Desiring" and "Air from the Sonata for Unaccompanied Violin" played on the piano by Mrs. Stanley Hoffman.

Mrs. Betty Christopherson, accompanied by Mary Hoffman at the piano, sang "Bist du bei Mir" and "Komm' Susser Got".

Mrs. Portia Thede played an unaccompanied cello number, "Gigue-Suite No. 3 in C Major" followed by "Vivac-First Movement of Sonata No. 3 in G Minor" and "Air for G-String from Suite for Strings" with Mrs. Coffey at the piano.

The final number, played by Mrs. Coffey, was "Fugue from the Chromatic Fantasy and Fugue".

The evening was closed with the usual fun group-singing and refreshments.

The December meeting will be held at the home of Mrs. Laura O'Leary.

Mrs. K.E. Vincent Succumbs at 82

Mrs. K. E. Vincent died last Saturday here in Howell. She was 82 years of age.

She had been a resident of Lansing for 70 years but had lived in Howell for the past 10 years and was a member of Grace Lutheran Church.

She is survived by three daughters: Mrs. Lona Hammond of Ionia and Mrs. Edna Carmer and Mrs. Retha Trentham, both of Lansing; two sons, Edgar Daft of Port Huron and Charles State of Lansing; 17 grandchildren and 20 great grandchildren.

Funeral services were held on Tuesday at 11 a.m. from the Gorsline - Runciman funeral home. Interment was in Chapel Hill cemetery.

Wasn't that an exciting football game last Friday night! I am not a very knowledgeable fan and I sometimes had trouble keeping track of the ball but I got so excited that I split my leather gloves and screamed myself hoarse with the best of them.

Now that the football season is over perhaps it doesn't matter but weren't you just a little irritated with the Detroit Free Press who referred to "Ron York's Gladiators"?

Vern Cole is back home after spending eight weeks in the hospital in Ann Arbor following open heart surgery.

No tally was kept of the people who took advantage of Bob Matthew's generous offer to serve refreshments following the Howell Fowlerville football game but it must have been "lotsa." Twenty-five dozen doughnuts and 19 gallons of coffee disappeared like magic.

Students will be out of school Thursday and Friday when teacher-parent conferences are to be held.

A description of the population growth of Livingston County was given Nov. 1 to members of the Livingston County Farm Bureau Women, meeting in Howell.

Hans Haugard, County Extension Agent for Community Affairs, described what is taking place here and what can be expected.

Haugard pointed out that to folks who live near large metropolitan areas the population increase appears larger than the statistics actually show. While population is increasing at an accelerated pace, the most noticeable trend is shifts and movement of population.

The most pronounced population shifts are in and around the nation's metropolitan areas like Los Angeles which increased about 500 per cent from 1950 to 1960. During that same period 86 out of Nebraska's 93 counties lost population or failed to grow and North Dakota had a net loss of almost 50,000 people. In Michigan 16 counties lost population while the state as a whole had a gain of 22.8% or about 1½-million.

Fourteen states had larger population increases than Michigan but continental United States increased only 18.5 per cent.

Livingston County is one of the Michigan counties whose population increase was exceptionally large percentage-wise. From 1950 to 1960 Livingston County increased from 26,725 to 38,233 or 43 per cent. Most of Livingston County's increase is in the southeastern quarter of the county: Brighton Township 72.5 per cent, Hamburg 82.2 per cent, Genoa 126.3 per cent, and Green Oak 146 per cent.

The population increase in Livingston County poses some problems. Industrial growth has not kept up with population increase, indicating that a large percentage of the labor force commutes to out-of-county jobs, making Livingston a bedroom community. Added burdens are placed on schools, roads, police, fire and other governmental services.

Residential areas do not provide sufficient tax revenue to pay their way. Business and industry are needed to help share the cost. A recent study by the Washtenaw County Planning Commission brought out that 1341 people working in the City of Ann Arbor have their homes in Livingston County. This is about 11 per cent of the county's labor force.

Haugard also mentioned that public and private non-profit organizations own large acreages in Livingston County that do not carry their full portion of the tax load. He said that an area of land almost equal in size to two townships was owned by the Michigan Department of Conservation, the Huron-Clinton Metropolitan Authority, City of Detroit, University of Michigan, many church groups, Boy Scouts, Girl Scouts, Y.M.C.A., and numerous other private nonprofit organizations.

Much of this land, he said, pays no taxes whatever. Because Livingston County is still comparatively rural and close to Flint, Pontiac, Detroit and Ann Arbor, we can expect this gradual erosion of our tax base to continue, thus increasing the tax burden on Livingston residents.

Questioned on what could be done, he said that only action at the state level could help this situation.

Haugard said the proponents of tourism and recreation would have us believe that this type of activity brings economic benefits. In the north country and [illegible] at some distance from the centers of population this is true. But, the thousands who visit the recreational areas in Livingston County are the one-day users.

The very intensive use of state-owned recreational areas creates traffic congestion and road maintenance problems and offers no economic return to the community. This continuous pilgrimage leaving the metropolitan area with a full gasoline tank and a full picnic basket leaves no visible economic benefit from its short stay in the area.

Haugard pointed out that so far the settlement pattern in Livingston County is mostly in the eastern half. The good farm soils of the west half are as yet not too badly invaded. He emphasized the importance of sound planning for future development.

The construction of a sewage disposal system in Fowlerville would help attract industry. Haugard said that community development, urban and rural, should be the concern of everyone.

He said that there is no single individual who has all the answers. He complimented the Farm Bureau women for their interest in community affairs and said that the local Extension staff is qualified and ready to help with any program concerned with community development.

The Northwest Quarter meeting Dec. 6 will be at the Howell Community Hall on Byron Road with a dessert-luncheon at 1:00 o'clock. Miss Dorothy Downer of the Detroit Edison Company will talk on Christmas Lighting and Holliday Decorations.

We have really everything in common with America nowadays, except, of course, language.
