## THE NATION MOURNS JOHN F. KENNEDY

Brighton flag flies at half mast.

John F. Kennedy and his family

*Ask not what your country can do for you,  
But, what you can do for your country...*

### Pinckney Activity Ceases

PINCKNEY — All social activities, and to a certain extent, business activities came to a near standstill last Friday afternoon as shocked and stunned Pinckney residents sat glued to their television sets, watching history in the making.

Baseball games were cancelled, dance plans abandoned, parties called off, and the village flags were lowered to half mast, where they will fly for a 35-day period of mourning for the late President John F. Kennedy.

Schools were closed Monday, as were all business places in the village, in due respect to the Kennedy family.

The assassination of John F. Kennedy was a terrible happening, and through the medium of television has been made more vivid to the American people, so much so, it will never be forgotten.

### President Johnson Issues Proclamation

President Lyndon B. Johnson issued the following proclamation on Saturday:

John Fitzgerald Kennedy, 35th President of the United States, has been taken from us by an act which outrages decent men everywhere.

He upheld the faith of our fathers, which is freedom for all men. He broadened the frontiers of that faith, and backed it with the energy and the courage which are the mark of the nation he led.

A man of wisdom, strength and peace, he molded and moved the power of our nation in the service of a world of growing liberty and order. All who love freedom will mourn his death.

As he did not shrink from his responsibilities, but welcomed them, so he would not have us shrink from carrying on his work beyond this hour of national tragedy.

He said it himself: "The energy, the faith, the devotion which we bring to this endeavor will light our country and all who serve—and the glow from that fire can truly light the world."

Now, therefore, I, Lyndon B. Johnson, President of the United States of America, do appoint Monday next, November 25, the day of the funeral service of President Kennedy, to be a national day of mourning throughout the United States.

I earnestly recommend the people to assemble on that day in their respective places of divine worship, there to bow down in submission to the will of almighty God.

### Americans Are Saying!

#### MICHIGAN

Former Michigan Gov. G. Mennen Williams: "No man in recent times so affected the lives and aspirations of the people of our country and the world."

Henry Ford II: "Kennedy will be remembered by millions of people the world over as a great man and a great president."

Former Gov. John B. Swainson: "The events of Friday are uniquely the American tragedy of the century. President Kennedy truly gave his life for his country."

Congressman Robert P. Griffin: "No words can describe the shock of this day."

#### LIVINGSTON COUNTY

Ed Bettinger, Livingston County Democratic Chairman: "Hate has killed a great American and a truly great president. But God's love and the love that John F. Kennedy had for all mankind cannot be wiped out by political despots or an assassin's bullet."

"The one consolation we can draw strength from is that our country is fortunate to have a man of Lyndon B. Johnson's stature and experience to carry on our national commitments."

Peter S. Marshall, Brighton City Manager: "I feel just as

you do."

### He Gave His Life!

The nation and the world continues its utter grief for the loss of John F. Kennedy, beloved president of the United States, mowed down at the peak of his life by an assassin's bullet.

For four days, the nation's television and radio stations have given complete coverage to an event which everybody describes as "impossible, a great tragedy."

Through his three years as president, we have shared the life of the president and his family so that we have become united as one.

People throughout the country continue to cry bitterly on what has taken place.

Kennedy, 46, was mortally wounded Friday at 12:30 P.M. (C.S.T.) as he rode through the streets of Dallas, Texas. He died at 1 in a Dallas hospital.

Police apprehended Lee H. Oswald, 24-year-old former U.S. Marine, who was killed in the Dallas Police Station Sunday morning at 11:17 before the eyes of millions of television viewers. Police arrested Jack Ruby,

52, a Dallas night club owner who broke through police

to fire one shot at the accused assassin.

Forty-five minutes after this incident, the cortege bearing the body of the president, left the White House, and paraded slowly up Pennsylvania Avenue to the Capitol to the muffled beat of drums as a crowd of 300,000 persons lined the street.

Citizens of the United States and dignitaries from throughout the world came to Washington to pay tribute to our great president.

Final rites were held yesterday (Monday) noon at St. Matthew's Catholic Cathedral in Washington with the funeral mass celebrated by Richard Cardinal Cushing, Archbishop of Boston.

Burial followed in Arlington National Cemetery across the Potomac River in Virginia.

At noon yesterday, the nation bowed its head in reverence to a man whose high esteem is shown by the respect he is receiving from the world:

OUR LATE PRESIDENT:  
JOHN FITZGERALD KENNEDY

# Hell Chamber Endorses New School Plan

The Hell Chamber has endorsed the proposed \$1,500,000 bond issue for the Pinckney Community Schools, which will be voted on early in January 1964.

After consulting with members of the Citizens Advisory Committee, Mel Reinhard, Executive Secretary of the Chamber stated, it is very evident, there is almost a 100 per cent spirit of co-operation among this group in contrast to the divided opinion, very much in evidence, when previous bond issues were proposed and incidentally defeated, and after a careful study of all the fac-

tors involved, there is no question, but what this bond issue should be approved.

"In any platform, there is usually one or more issues of conflict, but the overall plan of this new offering is the best yet placed before the voters of the Pinckney Community School district," Reinhard said.

"Under the present laws, there is only one source of revenue for school purposes, a tax on the property owners and the outlook for relief to the tax payers for educational purposes on any future fiscal reform program appear inadequate and slim indeed." So, then, that we might just as well face up to our community responsibility today and stop whistling in the dark, in the hope that some future generation will do it for us.

"Let's face it, even though this issue will hit us, just where we feel it the most—

## The Way We Hear It

By Dolly Baughn

... after a "most successful" year in business the Hell Creek Riding Stables has closed! Tom Davis and Tom Abrams, the Stable owners feel the horses deserve the rest till next spring when, if all the big plans materialize, they will be ready for a bigger and better season than the recent one proved to be. Tom Davis is going to spend his time working at Mt. Brighton and Mr. Abrams will just continue his work as usual and continue night classes at the U. of M. till spring.

... The Allen Organ Company of Detroit, Michigan have loaned to the Community Chorus Members, one Harpichord to be used December 8, when the chorus will present the ever famous "Messiah" for the public in the Pinckney High Gym.

... when LaRosa Bowl opened back in the year 1950, the first ladies league formed consisted of 18 teams and those teams alternated Monday and Tuesday nights. A list of the teams and their captains for that year were as follows: Shirley Radio & TV, Lucille Shirley; Hi-Land Lake Store, Martha Dagg; Gregory Airport, Betty Rooster; Dinkel Plumbing, Irene DePhillipi; Kennedy's Store, Rita Howe; Doolittle's, Dorothy Parker (Sprout); Marshall's Store, Hazel Brenner; Tip Top Grill, Clare Palmer; Ellis Lakeland Hotel, Gladys Lee; Wylie Insurance, Elizabeth Wylie; Clark's Grocery, Marie Schroeder; Zukley Lake Tavern, W. Lenhart; Pinckney Tavern, Alta Shirley; Boo's Products, June Boos; Van's Motor Sales, Esther Widmayer; Hendee Trucking, June Hendee, and Kay's Beauty Shop, Roberta Amburgey. Remember those days, gals??

... the persons responsible for the entering of the Max Russell Home 215 Pinckney Street on the night of November 9 have been found out and Mr. Russell convicted \$179 of the \$270 that was stolen.

## 69 Voices To Be Heard In 'Messiah'

A chorus with 69 voices, and a small orchestra, composed of U. of M. musicians will present the ever famous "Messiah" to the public December 8, at the Pinckney High School beginning at 8 p.m.

The presentation of the "Messiah" in such a small community is seldom heard of, according to Steve Jones, choir director, and he hopes the people of the community appreciate the efforts of this group to the extent of attending the performance.

Not only are there many local people included in the chorus, there are also people from Ann Arbor, Brighton, Dexter, Fowlerville, Hamburg, and Howell.

The community chorus was organized in September of 1963 under the auspices of the Pinckney Kiwanis Club. Under the direction of Steve Jones the chorus has held weekly rehearsals every Sunday afternoon. A prime factor in its success has been the dedication and the talent of the individual members along with that of the conductor.

right in the pocketbook, any issue that is worthwhile, hits us in the same place, whether it is a car purchase, a home purchase, a business investment or a bond issue for a new school.

"There is no question, but that the realization of this proposed high school, etc., will increase property values in Hamburg and Putnam Townships, in at least the same ratio as the cost of the system.

"One of the first questions any intelligent new comer, moving to this area wants answered is, What is the condition of your school system?

"It is very true, the increased property tax will cause a hardship on some, particularly the retired and fixed income element. But when you consider the benefits accruing to the youngsters in future years from this improved educational system, is there any sacrifice too great? That same

retired group probably spend a considerable amount of money for whims of their grandchildren, why not spend this money on a new school set up? Give them something that will really pay off in big dividends and curtail some of those whims?

"Voting Yes, for this bond issue, will unquestionably be a sacrifice to each individual and sacrifice is usually difficult and irksome and only love can make it easy. Perfect love can make it a joy. Everyone knows, we are willing to give, in proportion as we love, and that when love is perfect, the sacrifice is complete.

"So all that we have to do, is love these youngsters just a little bit more, just enough to vote YES on this bond issue and when in future years, you reap the good that came out of your YES vote, and your pocketbook, you will be only too glad, that you too, made this sacrifice."

## Something No One Can Crow About

TAKEN FROM "CHANTICLEER" HI-LAND LAKE NEWS

From time to time we have mentioned the street signs that have been erected at the street intersections of Hi-Land Lake. They cost money for the materials, they were carefully constructed by a retired member on the lake and the cutting out, painting and lettering of the signs took many hours of labor by other members.

say nothing of the work of erecting them. They harmed no one but were a benefit to all who use the roads of the lake as well as being attractive in appearance.

During the night of October 23 two of these signs were wantonly cut down and taken away. The signs were the ones at the entrance of Outer Drive and Sunset Drive. The evidence indicates that it was the handiwork of an adult. It is hard to imagine one so mentally deranged that he would stoop to such vandalism.

To be sure they were only street signs but pause to reflect a moment. Many of the streets on the lake were not marked. Often a few minutes may be the difference between

saving a human life or a burning home. If the driver of an ambulance or a fire truck is delayed by taking the wrong street or not being able to locate it a life might be lost or a home destroyed.

If the wanton removal of a street sign should result in the loss of life or a home it would be an enormous burden for the vandal to carry on his conscience for the rest of his life. IT CAN happen.

## Obituaries

DAVID S. GORDON

David S. Gordon, 64, a retired employe of King-Seely Thermostats Co., died Friday evening at St. Joseph Mercy Hospital following a long illness.

He lived at 11505 Portage Lake Rd., Livingston County, and had worked at King Seely for 20 years before retiring a year ago.

Mr. Gordon was born July 2, 1899, in Watertown, S. D., the son of Guy and Belle Betchen Gordon. He married the former Drusilla Darling in Colorado June 29, 1935. She survives.

Mr. Gordon was a Navy veteran of the First World War and was a member of the Peoples Church of Pinckney.

Surviving besides his wife are a daughter Mrs. Walter Tucker of Pinckney; two grandchildren; two sisters, Mrs. Dorothy Webb of Dexter and Mrs. Olive Barker of Pinckney; a brother Jack of Mt. Rose, Colo.; and several nephews and nieces.

Funeral services were Monday at the Muehligh Funeral Chapel with the Rev. Thomas Murphy of Peoples Church officiating. Burial took place in Memorial Gardens Cemetery.

FLOYD A. HAINES

Floyd A. Haines, 46, of 6215 Toward Ave., East Lansing, died Tuesday, November 19, at the residence following an illness of several years.

He was born in North Branch, and had been a resident of East Lansing for 24 years. Mr. Haines was employed at Simon Iron & Steel Co.

Surviving are his wife, Edna N.; three daughters, Susan, Nancy, and Tammy, one son Perry; his parents, Mr. and Mrs. Abel W. Haines of Pinckney; four brothers, Harlow of Albion, L. D. Haines of Hamburg, Howard of Pinckney, and Jack of California; seven sisters, Mrs. Mildred Parks, Mrs. Marjorie Davis, Mrs. Rennie Schenden, Mrs. Jeannette Singer all of Pinckney, Mrs. Clessie Aldenbrandt of Dexter, Mrs. Leola Sheets of Florida, and Mrs. Barbara Burns of South Lyons.

Funeral services were held Friday, November 22, at the Gorsline-Runciman Funeral Home, Lansing. Interment was at the Gunnisonville Cemetery.

## Church Group Re-organizes

The Pilgrim Fellowship group of young people has been re-activated at the Pinckney Community Congregational Church under the direction of the Rev. Gerald Bender.

At a meeting last Sunday at the Pilgrim Hall officers for the coming year were elected. Larry Baughn is the president; Kathy Shettler, vice president; and Judy Reynolds, secretary-treasurer.

Twenty-one members were present. Meetings will be held every Sunday afternoon at 4:00 P.M. at Pilgrim Hall.

## Resident Hurt In Home Fall

Edmund "Friday" Haines is in room 3381 at St. Joseph's Mercy Hospital in Ann Arbor after he had become ill last Thursday and fell through an outside door at his home on Main Street. He fell on a cement landing.

It is believed Mr. Haines has a stomach ailment, X-rays have been taken and he will remain in the hospital for observation.

To add to his woes, he is suffering from a concussion and required 12 stitches to close the gash over his eye due to the fall.

If you can't have the best of everything, make the best of everything you have.

## Fellowship Makes Plans For Bazaar

The Women's Fellowship of the Pinckney Community Congregational Church met last Thursday, November 14 at the home of their president, Mrs. Roberta Amburgey on Mower Road. Twenty one members were present.

Mrs. Tom Ware and Mrs. Ralph Hall gave a report on a recently held tour they had taken recently with a group of church women viewing the changes taking place in some of the Detroit churches, when their more "well-to-do" members move to the suburbs leaving their churches to the steadily encroaching slum areas.

Plans are being made for the annual church Christmas Bazaar to be held Saturday, December 7 at Pilgrim Hall under the general chairmanship of Mrs. Sadie Moran and Mrs. Herman Vedder. The lunch room and coffee shop will be chairmanned by Mrs. Eric Rose.

Women of the church are busy these days making Christmas corsages, jewelry, aprons and various other items for booths at the Bazaar.

Every one present brought wrapped Christmas presents for children for the Delmo project.

## School Doors Will Close For Holiday

The Pinckney Community Schools will be closed Wednesday evening, November 27, for the Thanksgiving recess, Thursday and Friday. Students will return for classes Monday morning, December 2. Schools will be in session two and a half weeks when they close, Wednesday, December 18, at 2 p.m. for Christmas vacation, and will resume classes Thursday, January 2.

## ACORN-ER of Green Oak

BY RUTH ANDERSON, 229-6216

Just got word from Las Vegas, Nevada, on the marriage of Richard Fleming and Janice Greenly. They were married Thursday, November 14. They report having a wonderful honeymoon and hate to return home and back to work.

Another letter from Muskegon brings us news of another former neighbor, Mr. and Mrs. Robert Eikenberry and five children enjoy their new home, overlooking Lake Michigan. They would like to hear from some of their former neighbors. Write 3060 W. Sherman Blvd. Mrs. Eikenberry is leader of a 4-H group, teaching sewing and leading a junior girls missionary guild at their church.

Some relatives and out of town guests at the Bill Spicer and Rae Marie King wedding Nov. 9 were Mr. and Mrs. George Passint and their son, George from Milwaukee, Wis. Mrs. Beverly Duda from Milwaukee and her mother, Mrs. John Duda from Ironwood, Mich. Mr. and Mrs. Ernest (Honey) Furster of Highland, Mich. Mr. and Mrs. Jack Jackson of Detroit, Mrs. Anna Kurovich, and daughters Dorothy and Judy, of Madison Heights. Mr. and Mrs. Chas. Corbin from New Hudson, Mr. and Mrs. Lou Fella and daughter, Sharon, of Detroit and Pic. Reed Spicer and wife.

Mr. and Mrs. Glenn Hess of Richelle recently returned from a trip to Tucson, Arizona. They also had a nice time while in Mexico.

Mrs. George Belyea and Mrs. Robert Anderson spent an afternoon last week, visiting

Mary Lynn Cobb who was ill and in bed with a cold.

Mrs. Ruby Duty, whose birthday was Nov. 17 was very happy when a few neighbors children and her own had surprised her with a little birthday party at her home. Denise, Darlene and Jerry Slagle along with Judy Russell, Jimmy Welyke and daughter, Regina and Mrs. Duty's mother, Mrs. Ellen Harmon were present.

Welcome to Mr. and Mrs. Bill McDuff, who moved here from Howell. They are residing at 6280 Beth Ave.

Mrs. Lenord Haas and three daughters and friend, Mrs. L. Clinder, visited downtown Detroit, to see the Hudson Dept. Store Christmas Fantasy last Wednesday morning.

Mrs. Haas celebrated her birthday Nov. 23. Her mother, Mrs. Allen, of Madison Heights, gave a little party for her and a few friends.

Mary Ann Belyea has been substituting for Mrs. Evelyn Trembath on the Wednesday Afternoon Ladies' Bowling League. Mrs. Trembath was in the hospital.

November 21 was the tenth anniversary of Mr. and Mrs. Donald Brokaw of Sidney.

Mrs. Donald Johnson of Sid-

ney informs us that her son, Russell, is fine and back in school. He fell at school recently and was knocked out for about 20 minutes. He had a slight concussion and was home for a few days. Bus driver Ken Burrison of Howell helped Russell.

His Den from Pack 150 sent him a note which he answered as soon as he was able.

Happy birthday to Cathy Johnson who is 3 years old today.

Donald Johnson and wife, Wilma will celebrate their anniversary Nov. 28.

## Area Churches To Give Thanks

Thanksgiving services have been announced by three area groups.

Brighton will have a union service, as well Whitmore Lake, both Wednesday evening. St. Paul's Lutheran Church in Hamburg will hold a service at 10 A.M., Thanksgiving Day.

A Thanksgiving Eve worship service will be held at the First Methodist Church, 400 E. Grand River, Wednesday, Nov. 27, at 8:00 P.M.

The service is to be sponsored by St. Paul's Episcopal Church, St. George's Lutheran Church, The Methodist Church, The First United Presbyterian Church, and The Wesleyan Church.

The ministers from these churches will lead the service. The offering will be sent to CROP, the Christian Rural Overseas Program. "Every dollar sent to this program sends 300 pounds of surplus food to hungry people overseas," a church spokesman said.

There will be a care group for small children during the services.

Union Thanksgiving service of Whitmore Lake churches will be held at the Green Oak Free Methodist Church, at 7:30 p.m., Wednesday Nov. 27.

Special music will be by the Methodist Church, with the message by Rev. William Nicholas of the Calvary Baptist Church.

## External Influences Weakening

Changes in our society make dating a problem in the grades and certainly in junior high school, according to Richard L. Cutler, University of Michigan associate professor of psychology.

"The average youngsters are dating younger, going unchaperoned younger. There are more pregnancies among the younger girls and more younger marriages," Cutler says.

"What's going on is something that is penetrating our

whole society and several things are contributing to the loosening of the control parents have over their children," he says.

Among these contributing factors he names decay of the primary family group.

"Home is not as important as it used to be as a source of pleasure and gratification. Fun and pleasures for the entire family are found outside the home, and they are inexpensive.

"Every generation is differ-

ent from every other one by virtue of having grown up in a different era. The present generation has seen such immense and fast changes since the first atomic bomb was dropped that we parents cannot comprehend how they see the world," he says.

### EMPHASIS CHANGED

The traditional emphasis has been on saving and on delay in gratification. "But since World War II this country and its people have grown unbelievably rich. We have good cars, good clothes, good rugs on the floor, all provided by jobs.

"Now we are overpowered by the philosophy of immediate reward. We think, 'why wait, why not enjoy things now?'"

"Then we say to our kids, 'You better wait, you are too young for lipstick, grownup clothes, sex, and marriage.' We live one way and expect them to live another," says Cutler.

He concludes, "If you want your children to have what you call a good life, you must live your own life according to the same standards. Then when you have to fight for these standards in your child, you are in a position to have more control of the children."

Democracy in the United States will work better when more Americans are interested in the general welfare and more forgetful of private profit.

## What the Nose Knows

The nose is a delicate organ, both as concerns its smelling abilities and its structure.

The nose bruises and bleeds easily when punched. Its delicate lining covers a dense network of blood vessels, and the slightest break in this mucous surface causes bleeding.

It's an indelicate topic, but — too many people pick at the nose in a sort of habit pattern that is not only repulsive to others but also potentially dangerous. Serious infection may result. Another dangerous practice is pulling hairs from the nose. Excessive use of nose drops or inhalants can cause permanent damage to the delicate membrane.

A sometimes serious side effect of nose troubles can be involvement of the sinuses that empty into the nose.

If you must wash out your

## Bureau Advises Farmers To Improve Marketing

The recipe for better farm prices cannot be "cooked up at random," according to the Michigan Farm Bureau, in its October Discussion Guide material.

"Arbitrary overpricing, backed by tactics of force, can actually help to destroy the soundness of farm markets," said Donald Kinsey, MFB Education and Research Department, and author of the discussion material.

This kind of thinking does not take into consideration the consumer with his many choices of available foods. Also, ready to fill the gap created by unrealistic price pressures is the genius of American invention in creating new substitute food, said Kinsey.

Farmers have felt the sting of such replacement in the past, and they cannot afford more of this, he said.

"To meet the growing organized power of the modern supermarket system," Kinsey

said, "farmers must match it with more than mere organized power of their own."

"The farmers' marketing organizations must have skills to match the experts of the marketing system. They must have complete and accurate information about the market and its current conditions, and they must consider consumer needs and values which affect the acceptability of farm products."

This is a competitive world. Protesting against the "bigness" and power of the system will yield nothing, he said.

Kinsey pointed out that the supermarkets have taken a natural course of growth to meet competition and cut costs that have been hitting them with a cost-price squeeze familiar to farmers. Bigness has not come about just for "bigness sake."

The topic material concludes that farmers must accept the growing market system as it is, and learn to meet it with technological advances in marketing on their own part. They have done well in production — but there is "catching up" to do in marketing.

## Corn Leads Drop

Figures released by the U.S. the last of the month show that the great surplus of grains we once wept over is fast disappearing.

Corn led the decline in storage with 14% less surplus than a year ago. Oats likewise showed a decrease of about the same amount and the wheat surplus decreased about 10%. The report shows the combined total of all feed grains was 11% less than last year.

As yet we are to hear the effect of the new crop but apparently wheat is not in great surplus and the corn crop has been reduced by unfavorable weather — a long drought after a cruel winter.

So live that you help to answer the world's problems — not add to them.

## Colleges Have Doubled

BY ELMER E. WHITE  
Michigan Press Association  
Education facilities above the high school level are increasing in Michigan, according to Superintendent of Public Instruction Lynn M. Bartlett.

Construction at the state-supported colleges and universities makes this very apparent, but it is even a bigger factor where community colleges are concerned.

Bartlett noted that when the Michigan community college law is 13 years old, the number of its public locally operated colleges will have doubled.

"While this growth rate has been outstanding, we will again need to almost double this number in the next 10 years if we are to satisfy anticipated demands for post-12th grade education," said Bartlett.

By next fall, 18 community colleges will be in operation. In 1951, when the legislation to establish community college departments was passed, nine junior colleges existed.

Growth of these institutions in terms of use has been almost more significant. The superintendent noted that enrollments in community colleges have grown in the past 10 years from 8,000 to an estimated 40,000 this fall.

Bartlett emphasized, however, that Michigan has not yet met the real impact of need for community college space. The biggest jump in college enrollments is expected to hit in 1965.

"Considering the fact that some of our community colleges are not now able to accommodate all those who seek admission, we can see the imperative need for rapid expansion in this area," he said.

One new institution, Bay de Noc Community College in Escanaba, opened this fall. Next year the 18th community college, in northwest Wayne County, is due to begin classes.

Public instruction officials said there was a good possibility that studies and plans now in the preliminary stages could result in the addition of as many as nine new institutions very soon.

These could include two facilities in Macomb County, and one each to serve Oakland, Ionia, Monroe, Washtenaw, Livingston, Mason and Cass Van Buren Counties.

## TO THE FAMILIES WHO OWN THE 1,491,395 ELECTRIC APPLIANCES REPAIRED BY EDISON

Nearly one million three hundred thousand of your electric appliances were repaired by Edison in 1962 without extra cost to you. About 200,000 more, for which there was some moderate charge, were also repaired.

Much of the work was done by experienced Edison people. Also capable handicapped people, employed by Goodwill Industries, supported themselves by repairing 182,000 of the appliances you brought in. They, too, are competent and conscientious workers and we are happy to have their participation and assistance.

Edison offers other services that cost nothing extra. These include the exchange of a variety of light bulbs and of fuses and appliance cords. There are advisory services for the homemaker to assist her with lighting, cleaning, laundry and kitchen planning. For the homeowner there's advice on home heating, water heating, wiring, and helpful suggestions about shrub and tree planting near electric lines. Similar types of services are offered to churches, schools, business firms and other establishments.

These services are brought to your attention because many of you may not be taking fullest advantage of them. Perhaps you are new as an Edison customer or perhaps you have just overlooked some of them.

People, moving to other areas, often write back to their friends to say how they miss Edison's extra services. From their comments it seems to us that Detroit Edison is an exception in providing such services without any extra cost to you.

Our Edison service is a broad service. It includes all the items described above, and all the electric energy you need. We like to feel our services are the kind that serve you well, and at a fair and reasonable cost.

Sincerely,

*Walker L. Cisler*

## Hamburg Township News Notes

By MARTY DeWOLF

Last Saturday afternoon the Lady Macabees of Hamburg met for the final meeting of the local chapter. Organized in 1881 the group is disbanding after 102 years of active work. The main purpose of the combination luncheon - meeting was to present the group's charter to Hamburg Township Board Officials. On this charter are the names of some 30 families who were the original members of the organization, all from the Hamburg area.

Democratic Women of Livingston County met Nov. 20 at the Howell Township Hall. Local women who attended the meeting were Mrs. John Desch, Mrs. Floyd Bradley, Mrs. Leonard Lark, and Mrs. Anthony Basman. The highlights of the evening was that of writing letters to Congressman Chamblin and Senator Hart, concerning bills which are presently on the Senate floor.

During Advent St. Paul's Lutheran Church will have special Advent Services each Wednesday, December 5, 12, and 19 at 8 p.m. Everyone is welcome to attend.

St. Paul's Lutheran Church will have a Thanksgiving Service on Thanksgiving Day.

The Mary-Martha Circle of St. Paul's met last Wednesday evening at the home of Madeline Curtright of Ore Lake. At the meeting the group made plans for the smorgasbord which will be held on Dec. 7 at 5:30. On that same day there will be the Annual Christmas Bazaar beginning at 9 a.m. Try to stop in and look around.

On December 4 the Hamburg Rebekahs will meet to hold an election of officers. I'll let you know the results in a few weeks.

The County Past Presidents of the King's Daughters will have a Christmas Party on Dec. 2 at 12:30. The Pot Luck Luncheon will be held at the Marion Town Hall with the Marion-Isco Circle as hostesses. Everyone attending the affair is to bring a 50 cents exchange gift.

The Girl Scout Jr. and Sr. Planning Board of the district went to Plymouth Lodge last Friday evening for an overnight outing. The group will include several Cadets and Sr. Girl Scouts from the Hamburg area.

The girls will be chaperoned by Muriel Heiner. On Saturday, Annetta Saterfield, district advisor, and Norma Jean Pless of Brighton, and Lorraine Jones of Fowlerville, both planning board advisors will join the girls for lunch.

Last Wednesday Bernice Baker entertained the Rush Lake No. 1 Pinocchio Club, at her home at Rush Lake.

Longtime residents of the area, Mr. and Mrs. Milo Case of E. M-36 left last Thursday for their new home in California. New residents in their home are Mr. and Mrs. Kozemchik and their four children who moved from the Detroit area.

Jack Terry was among the many artists from the area who displayed paintings at the Brighton Art Show on Sunday, at the Brighton Ski Lodge.

Louise Reeb showed some of her decorated egg art at the same art show.

On Tuesday, November 19, several relatives dropped in at the James DeWolf home to wish James a Happy Birthday. Among the well-wishers were Joyce and Vicki Jo Terry, Eva and Vance Wiseman, Gary and Vicki Wiseman and sons Donnie, Vance and Scott, Elsie and Stephen Duchane, Jerry and Jo Anne Novak and Betty and Les DeWolf and sons Wally and Tommy.

On Saturday, November 23, Mr. and Mrs. Irvin Miller of Buck Lake attended the wedding of their granddaughter, Nancy Petozney, in a Plymouth, (Mich.) church. Mr. Miller gave the bride away.

Ellen McAfee and Barbara and Duane Waterbury drove to Detroit on Sunday to be the dinner guests of Mr. and Mrs. Omar Gass.

Joyce Terry and daughter, Vicki Jo, were dinner guests at the home of her father, Leslie DeWolf on Thursday. The occasion was Joyce's birthday.

Gail Reeb will be home from Western Michigan University to spend Thanksgiving with her parents, Louise and Jim Reeb on Cowell Rd. Gail is in her junior year at Western. She'll return to school on Sunday.

A week ago Sunday, Ellen McAfee went to Detroit to the home of Mr. and Mrs. Philip Hudson, to help them celebrate their 35th Wedding Anniversary.

and Mrs. John Schroeder.

Guests at the home of Mr. and Mrs. John Krupa last Saturday evening were Todd and Pat Mattie and Buss and Betty Winckle, all of Dexter, and Jim and Emma Boyd.

Last Friday evening Mr. and Mrs. Duane Waterbury attended a Square Dance in Ann Arbor.

Margaret Smith went to Lincoln Park last Wednesday to visit her sister-in-law, Mrs. Joseph Sakofski.

Thanksgiving Day, Don and Kate Wood will entertain their son and daughter-in-law, Kenneth and Joan Wood of Goshen, Mich., and Mrs. Arthur Jahnke of Ann Arbor and son, Wayne.

Fred and Marie Kraft and daughters, Gail and Pat, went to Dearborn last Saturday for a combination Thanksgiving dinner, family birthday party and farewell party. Fred's parents, the Fred Krafts, Sr., will soon be leaving for Florida where they plan to spend the winter.

Grace Whybra and children, Matt, Diane, Eric and Mike, of Ore Lake, spent last weekend at the home of Grace's parents, Mr. and Mrs. Carl Lewis in Three Rivers, Mich.

On November 17, Barb and Duane Waterbury took a short trip to Marine City where they visited with Carolyn Earl.

On November 16 and 17 Mr. and Mrs. Erwin Duchane and sons Stephen and Roger went to Battle Creek where they visited Elsie's sister and her family, Mr. and Mrs. Odell Wiseman.

Guests at the home of Mr. and Mrs. Ralph Hanneberg last week were Ralph's sister, Mrs. Eleanor Boyd, and her daughter and son-in-law, Mr. and Mrs. Don Balcom of London, Ontario, Canada.

Luncheon guests at the home of Mrs. George May last Thursday were Mrs. Clayton Carpenter, Mrs. Justin Stecker

and Mrs. John Schroeder.

A week ago Sue LaBelle and sons, Tommy and Mike, went to Jeffersonville, Ind. to visit Sue's mother, Mrs. Mae Woolridge.

Mrs. Eugene Nason and children, Anna and Jimmy, are spending Thanksgiving with her sister and mother in Cleveland, Ohio. Mary and Elizabeth will remain at home with their father.

Last Thursday Mrs. Herb Pagel went to Detroit to visit her sister, Ella Zinc, who recently underwent surgery.

The Rev. and Mrs. Luther Kriefall and son, Andreas, will be dinner guests of Fred and Marie Kraft on Thanksgiving Day.

Velma Campbell, Margaret Smith and Frances Eddy went to the Norton Greenhouse in Ypsilanti last week to learn the art of floral arrangements for Christmas.

Don't forget that the Hamburg P.T.A. will meet on December 2 at the school.

Mrs. Rita Wilheh, Mrs. Jacqueline Danna and Mrs. Ursula Sikkens were among the many women who worked on the Book Fair at St. Patrick Church last weekend.

John Krupa received many cards and visits during his recent illness. He is feeling much better these past few weeks than he has in quite some time.

I was able to get the names of a few men from this area who were fortunate enough to get a deer so far in this hunting season. They are as follows:

Tom Forest shot an 11-point buck in the local area.

CAROLYN AND JOHN KENNEDY dance for their father in the White House, John F. Kennedy, Jr., observed his third birthday Monday and Carolyn will be six tomorrow (Wednesday). (This

picture and that of the Kennedys on the front page were sent to Cheryl Sixbey of Island Lake from the White House).

## AROUND BISHOP LAKE

Getting the paper out early this week in order that you can relax with it after your Thanksgiving dinner Thursday. No gun news here, be a little thankful day!

The one week of fine (if you can call the warm, un-Novemberish weather "fine") dear hunting has brought satisfaction to quite a few in our area.

Dennis Muellerleile and his friend, Jerry Ritzert, of Hamburg brought two down from West Branch; Frank Ozerwinski and his son, Mike, each got one, as did John Selesky.

None could possibly be as thrilled and proud as Dick Heller, who shot a beautiful 7-point buck right here in our neighborhood!

(At least one 10-point and one 6 point were also taken from our "woods.") By men from Hamburg. I won't mention the men who came home empty handed—after all, there are quite a few days left to add to the score!

Mr. Henry Eskola went into McPherson Community Health Center for surgery Thursday.

Ralph A. Schroeder, Jr., with several classmates, attended a banquet at the YMCA in Ann Arbor Thursday night. John Burg accompanied them.

Several churches are having special Thanksgiving Services—check for time and make the day truly "thanksgiving" by attending the church of your choice.

CLASSIC—A perennial favorite of the well-dressed male is the trenchcoat shown here in durably water-repellent cotton gabardine. Fashioned with a full belt and pockets, it has a cape back and handsome cotton plaid lining. By Alligator.

## Hamburg Observes Funeral

BY MARTY DeWOLF

The news of President John F. Kennedy's death hit Hamburg like a fire hitting a forest.

The entire town was stunned.

Hugh Radloff, president of the Hamburg Chamber of Commerce, said that the President's death came as "a complete shock" and that many people in Hamburg cannot believe that it is true.

Radloff was very impressed with the fact that the businessmen of Hamburg gratefully agreed to close their establishments from 12-2 p.m. Monday in honor of the late President Kennedy.

Gilbert Dunn, principal of Hamburg and Winans Lake

Kennedy's death was "one of the most shocking things ever to happen."

He said, "It is just terrible that such a thing should happen in a country where Christianity supposedly prevails."

Dunn said that the students were informed of the late President's death, shortly before school was dismissed for the day.

He said the youngsters were just plain shocked and it had a profound effect on them.

It will be quite some time before everyone realizes the reality of this tragic event.

## Letter To The Editor

Dear Sir:

Recently the Board of Education and the Superintendent's Citizens Committee interviewed four firms of architects for the purpose of selecting one to design the proposed Pinckney High School. These interviews were necessitated by the termination of the agreement between the Board of Education and the architect under contract since the original building program was proposed over a year ago.

Inasmuch as I am a principal stockholder and general manager of one of the four architectural firms interviewed as well as a former member of the Board of Education, I feel compelled to make a public statement in view of the Board's decision to award this contract to a firm from the other side of the State.

A review of the Minutes of the Board will show that I introduced the resolution at the November, 1961 meeting calling for construction of a new high school and additions and alterations to the existing buildings. This program was suggested only after many months of study and was based upon experience gained while making similar studies for many school districts during the past twenty years of employment in school architecture. The Board subsequently adopted this program by a 5 to 2 majority and offered it to the taxpayers in the form of a \$1,175,000 bond issue in June, 1962. Due to the lack of an architect's plan, no announced site for the new school, strong opposition by

two Board members and general mis-understanding as to the need; the issue was soundly defeated.

The record further indicates that the Board reviewed the applications of some twenty architectural firms and interviewed eight of these with visits to schools designed by four architects. Finally, in April, 1962, the Board entered into an agreement with one of the architects who is a highly respected member of the profession. The minutes contain a statement by the Secretary showing that I abstained from voting in this matter to eliminate any possible contention of conflict of interest.

Time passes and the September 1962 and September 1963 enrollment and the School Census for the Pinckney district increased about as indicated by the population projection studies which I had prepared for the Board in 1960. The overcrowding of classrooms with some teachers attempting to teach more than forty children in rooms designed for thirty, the temporary division of the Pinckney Elementary gymnasium into two classrooms and the long list of State Fire Marshall condemnations at the dangerously overcrowded High School are now a reality. Half day sessions next year in some grades would appear inevitable unless an immediate start is made on a major building program.

Some months ago, the Board hopelessly divided on what course to follow, turned the entire matter over to the Superintendent with the request that he form a Citizen Committee to study the problem and make recommendations to the Board. These recommendations have been made and unanimously adopted by the Board as a program calling for construction of a new high school and certain alterations and additions to the existing buildings within the framework of a proposed \$1,300,000 bond issue. The program is identical to that proposed by me in the resolution of November, 1961, except that today the price tag has increased by \$125,000, a modest penalty for two years delay.

In the meantime I had resigned from the Board of Education due to greatly increased responsibility to the architectural firm I had helped to organize in July, 1962. At that time the Pinckney District had an architect and he was then (and still is) engaged in some minor additions at the Pinckney and Hamburg Elementary Schools. Therefore I could not possibly consider offering the services of my firm to pay over a district at that time. However, when it was brought to my attention by some members of the Citizens Committee that they were going to recommend a program to the Board similar to that one I had pro-

posed two years ago and suggested that other architects might be considered, I requested an interview for my firm. The interview was granted and my associates and I presented what we felt would be an excellent arrangement as to our professional services for the Pinckney School District. Despite my own deep personal interest in the community and with complete disregard to the professional background of my associates acquired in the design and administration of some two hundred school buildings, the majority of the Board and Citizens apparently feel they can obtain better assistance from an architect on the other side of the State. So be it.

I am obligated to my associates for investing hundreds of hours of their time to thoroughly analyze the Committee's program and offer a good solution. I feel a much greater sense of obligation to those few Board members and Citizens who did not think the grass was any greener on the other side of the fence. I am deeply distressed that others on the Board and Citizen Committee could not recognize the professional ability of my associates and my own personal devotion to the program as being equal to any architectural services considered. However, I also feel a certain sense of relief that the degree of success of the building program is no longer my personal responsibility.

The size of the bond issue and whether it passes or does not pass will no longer be subject to argument with everyone I meet on the street. Should the bond issue succeed (and believe me parents, it had better pass) and the construction cost exceed the budget, I will not have to face my neighbors with an explanation. As the years go by and should the buildings fail to meet the needs of the students and staff, I will not be personally blamed for the short sightedness of those planners away back in 1962.

## Life Brightens After Sadness Of Funeral

BRIGHTON—Life in Brighton began to show a return to a world of reality Monday after the final rites for President Kennedy.

During the period from 1:30 Friday afternoon when the word was heard throughout the nation, "Kennedy's been shot!" residents here, as well as the rest of the United States, have led an existence, stunned by the great tragedy that has befallen. The bad "dream" began.

Stores were closed for two hours from 12 until 2 P.M. yesterday as the mass was celebrated in Washington, D. C., for the nation's leader. The Rev. Robert Coffey reported that church attendance was greater than usual Sunday.

Schools were closed for the day, Monday, and mail delivery was curtailed. Later in the afternoon, someone put a coin in the juke box at Haller's Restaurant, and a smile appeared. "It was the first smile I had seen in three days," said owner Lawrence Haller.

State Police stated that calls were at a minimum over the weekend and that only two minor injury accidents had been reported at the Brighton Post.

When word was received of the shooting, Supt. H. Gordon Hawkins left it in the hands of each principal to decide how to relay the information to his students.

At word that the president had been shot, the reaction of many people was: Okay, what's the punch line?

But it was immediately obvious that the person relaying the news meant what he said. People dashed for their radios and television sets.

WHITMORE LAKE—In the wake of sadness and grief concerning the death of our Chief Executive all sports and practices have been curtailed at Whitmore Lake High School for at least the last four days. Practices, however, resume today for both basketball players and wrestlers as they make preparations for their opening contests on Dec. 3 and Dec. 6 respectively.

On Dec. 3 the Trojan basketballs will meet the Emmanuel Christian Courtmen on an away game beginning at 7:00 p.m. On Dec. 6 the men of Whitmore under the guidance of Wrestling coach Jack S. Townsley, will open the season at home against Detroit Country Day School starting at 4:00 p.m.

Both teams have been practicing hard in hopes of adding two winning teams in basketball and wrestling.

The basketball team under the direction of Head Coach Bob Ellis have started their practices with the return of 5 lettermen including Jim Wint, Mike Morton, Bill Burton, Ted Ringle and Bill DeFillippo.

Also in hopes of adding strength to the team Coach Ellis has 5 more men on the varsity roster as of now, they are Al Norton, Bob Glyson, Charlie Hall, Dave Wilson, and Gary Caskey.

While losing four lettermen, three through graduation and one through the armed services, coach Ellis is confident that the experience these returning lettermen this year compiled last season will be a plus factor in building a winning team in the 1963-1964 campaign.

On the wrestling note, Coach Jack Townsley is hoping to draft some more men to add to the already strong roster that he has this year.

Experience is a big factor in any sport and these wrestlers with one year's experience behind them promise to give their all out effort in every contest.

Schedules of both Basketball and Wrestling are posted in most stores in the downtown district in Whitmore so all residents will have a chance to see when the contests are played.

If there is anything you wish to know about sports schedules or anything you might want me to mention in the column I write you may contact me at 449-2431 and discuss it with me.

I promise, if you go and watch a wrestling meet or a basketball game in Whitmore

Success is not so much a matter of talent as of concentration and perseverance.

## Publicly Supported Organization May Qualify for Reduced Insurance

"Is there a special insurance policy for 'Y' buildings that offers a reduction in rates?" a YMCA officer asks.

You probably are referring to the Public and Institutional Property Plan which is available for types of property which are principally supported by taxes, contributions, donations or bequests and are not operated as commercial profit-making ventures. In addition to "Y" buildings, the properties of many other community service organizations and associations are eligible for this insurance.

Under this plan "Y" properties that meet its requirements can obtain up to a 25 per cent reduction in the rates and 40 per cent on extended coverage and vandalism rates except in certain coastal areas.

The plan has two principal features. The first is a \$300 deductible per building subject to a maximum deduction of \$1,000 per occurrence regardless of the number of buildings insured, on all losses except those from fire and lightning. The second is a requirement for an inspection program to promote fire safety and compliance with reasonable recommendations to reduce fire hazards.

Publics also must cover at least 90 per cent of the property value, either on an actual cash value or replacement cost basis and the property values must be large enough so that the annual premium is at least \$300.

These are general characteristics of the plan. Your local insurance agent can give you details about specific policies or exceptions in your community.

This column will be glad to answer questions you may have about property or casualty insurance. Send them to the attention of Nelson Insurance & Real Estate, 9555 Main St., Whitmore Lake, Michigan.

By ALICE GRAY

Mrs. Elizabeth Aschenbrenner, of Pinckney and Mrs. John Bezzeg of Dexter are spending the winter in St. Petersburg, Florida with Mrs. Helen Varga. Mrs. Aschenbrenner is enjoying her time in the warmer climate—goes out every morning and pick her breakfast grapefruit off the tree in the backyard.

Last Wednesday Mr. and Mrs. L. J. McKinley invited a few friends in to see the pictures they had taken of California as the McKinleys plan to leave for California within two weeks to spend their winter there, the pictures were of special interest to the guests—Mr. and Mrs. William Euler and Mrs. Nel Wylie.

Mr. McKinley retires from his position with the Michigan Dept. of Agriculture this coming week and if they like California well enough plan to move there this coming spring. They have a son and daughter there with families and a son with his family in Washington. They are very happy to be looking ahead to a united family gathering at Christmas, the first in 17 years—Don and his family plan to fly to California from Washington for the holidays.

Mrs. Wylie showed the slides that her son, Lt. Richard Wylie had sent her from Korea—showing life as it looks to him these days. He is stationed there for 18 months—which will be up April 1. He is a platoon leader and is busy building roads and bridges. Pinckney is proud of its West Point graduate.

During the evening, the secret leaked out, as secrets do in Pinckney that Will and Edna Euler were married 56 years ago that day so congratulations were in order. During the day the Eulers had received many cards, a gift of money and a box of fruit.

Mrs. McKinley, one of the best cooks in Pinckney, served some really delicious refreshments.

Have you seen those really cute house slippers made from wash cloths that the Student Council at the Pinckney Elementary school are making? They plan to make 200 pair for the patients at the Howell State Hospital.

The PEGS extension group are also making them as a Christmas item. They are easily made using one washcloth for each foot, folded and stitched about 2" from the fold, a casing made for a 13" strip of elastic which is put about 1 1/2" down, the top edges are folded down making a cuff. The heel end is tucked up and the toe end is left as it to form the pointed toe now so popular. A pom pom can be added and there for a very small amount you have some comfortable and easily washable slippers. Ask any extension member or drop in the office for clearer directions.

The boys of the Christian Service Brigade at the People's Church and their sponsors are leaving Wednesday for a deer hunting trip in Hillman, Mich. Sponsors are Hank Shirey, Dick Knapp, Louie Shirey and Pastor Murphy. They will have their Thanksgiving in the north woods.

**REASON REMODELLING**

## Illness

Mrs. Leon-Marie Bonner drove to Onarga, Illinois Sunday to visit with her son Cadet Roger Bonner who is attending Onarga Military Academy there. Mrs. Bonner was there to help Roger celebrate his 16th birthday—and took along a beautiful birthday cake for the occasion. While there she took Roger and three of his buddies out to dinner.

Mrs. Bonner returned to Pinckney Tuesday night bringing Roger and three cadets from Bloomfield Hills with her. The three cadets were met in Pinckney by their parents and travelled on to Bloomfield Hills.

The People's Church Young People's Group and the Bethel Baptist's Young People put on a service at the new Detroit City Rescue Mission last Sunday afternoon on Detroit's Skid row. Team leaders were Harvey and Carol Ritz, missionary interns at the People's Church.

Mr. and Mrs. Addison Meriwether have sold their home on Sunset Boulevard at Hill-Land Lake to Mr. and Mrs. Keene and two small daughters of Chelsea. The Meriwethers have bought a new mobile home and are going to Florida to spend the winter months.

## TWO BUCKS FOR BURGERS

The John Burg family on Patterson Lake Road have shot the grand total of three bucks and one doe so far this deer season. Paul, the Burg's son, got an eight point buck Sunday while hunting at Bruin Lake with Steve Morika.

The Virgil Howells will have their family home for Thanksgiving this year. Daughter, Carol, now Mrs. Edsel Thornton and husband will come from Tecumseh. Another son, Gerald, now attending classes at Cleary College in Ypsilanti will journey home. Son, Paul, a student at Eastern Michigan is also expected home if his schedule permits.

The Clare Millers and Clifford Millers both had wedding anniversaries last Saturday, November 23.

Linda Michael was six years old November 26.

## HILL TOP HOUSE

**SHAKES AND RATTLES**  
The Lloyd Harden house on the Howell-Pinckney Road was really "rocking and rolling" about 2:45 A.M. Saturday morning during the heavy rain and high wind storm.

Windows were broken, others cracked, and such was the suction of the wind, that one pillow was actually pulled out of a broken window. Mrs. Harden's mother, Mrs. Mabel Bell, who hasn't been too well lately, has a hospital bed on

casters. That bed rolled across the room all by itself as they do in "spook" movies.

Mrs. Harden tells us she thought, "This is it! We were all scared stiff. The house shook and rattled for about 45 minutes. We were sure a tornado was coming. We all gathered in the dining room, the most protected part of the house." A call to state police reassured them that no tornado was near.

When daylight came they filled a box with shingles that had blown off the roof during the gale, and retrieved a full garbage can that some playful gust of wind had picked up from one side of the house and deposited on the other side and never spilled a drop!

In the village numerous tree branches were broken off by the high winds, objects blown away but no real damage done by the high winds.

The roof was blown off the front porch of the Walter Tucker home on the Dexter-Pinckney road during the night.

Ora Haines, former Pinckney resident, his sister, Mrs. Grace Demaska of Mason, and Mrs. Demaska's daughter, Mrs. Freida Chadwick of Toledo were guests at the Clifford Haines home last Sunday.

Mr. and Mrs. Rudy Raetz had dinner last Sunday in Novi with the Rev. and Mrs. Fred Gunther, Rev. Gunther and Mr. Raetz were boyhood friends back in Winburn, Penn., and attended church together 50 years ago. Rev. Gunther later was pastor at that same church for 10 years—he is now retired.

Robert McArthur of Metropolis, Illinois, arrived in Pinckney November 13, to spend several weeks with his daughters, Mrs. Mildred Miller and Mrs. Roberta Amburgey and their families. Thanksgiving will find the Millers, Amburgeys, the Jim Knights and Mr. McArthur feasting together.

John Wild, of White Lodge, Cordley Lake, is in St. Joseph's Mercy Hospital recovering from ear surgery. He hopes to be home for Thanksgiving Day.

## POT ROAST ANYBODY?

Belle Farley, pacing horse owned by Roy Clark and Bert Wylie, did so well around this vicinity that she and her trainer James Dunn took to the Chicago race circuit. Belle has been gone so long that it prompted one Pinckney business man, whose name I have conveniently forgotten, to quip: "They sent her to the stockyards, that's what they did."

The other day we caught Bert in Clark's store and asked, "How about it?" Bert scratched his head and drawled in his slow and easy way— "Now we wouldn't have to do that; we could retail her right here."

Roy, whose slogan for years has been "The Best Meat in Town," was too choked up to comment.

The Pinckney school playground project was completed Tuesday. This was a WPA project. Acreage was purchased at the Haze estate and the street running through it (Howell St.) was closed. The tennis court is enclosed by a high fence. The athletic field will include a baseball diamond and football gridiron. Showers have also been installed. The boys in the high school assisted by digging the cesspool and 24 high school girls did the janitor work so that Mr. Jeffreys could put his time on the showers.

A spelling bee was held Friday between the freshmen and sophomore classes. The losers—the freshmen must give a party for the winners. There were four prizes of 50c, 25c, 15c, and 10c taken respectively by Rosemary Read, Francis Messersmith, Helen Reason, and Donn Widmayer.

Friday night a car owned and driven by Harry Frost hit a tree just the other side of the Sigler farm. Frost was uninjured and so was George Holben. John Holben suffered a deep cut from his mouth to his neck and was taken to St. Joseph's in A. A. where he had to have stitches taken both inside and outside the lip.

A new piano has been installed in the Pinckney school. They now have three.

Lee Lavey attended a hardware dealer's convention at St. John last week.

Mr. and Mrs. George Meabon, Jr., and her uncle, Howard May of Unadilla, are spending the week at their deer lodge in Hillman.

Royal Baker has purchased the cottage and land owned by Fred Lake east of Portage Lake and Swarthout's Cove. Mr. Lake, accompanied by Mr. and Mrs. Herbert Schoenhals left for Lakeland, Fla. last Friday.

James McCleer, MMI (SS) U.S.N., spent the past week with his parents, the Clyde McCleers of Gregory. "Jim" will return to duty now, aboard the nuclear submarine, the Abraham Lincoln, operating out of Holy Loch, Scotland.

The Reverend and Mrs. William Hainsworth came to Pinckney Friday and attended the luncheon sponsored by the Ladies Aid at the Pilgrim Hall. They stopped in the Dispatch office long enough to report that they are in the best of health, and enjoying their new home, Ann Arbor. They were in last week, too, and at that time reported they had had a very pleasant and enjoyable trip to Washington state, where they visited with relatives. All in all, they are certainly enjoying their retirement!

P.F.C. Bob Cole, who left the states for Germany in October is stationed in Kienstein, Germany. His wife, the former Gloria Bond, daughter of the Lay Bonds of Pinckney hopes to join him in late April.

Last Wednesday after school Bonnie Bond drove Nancy Bond and Barbara Grant to the Howell State Hospital—where the two girls are volunteer workers for the Care Club of Pinckney High. They had collected clothing, jewelry, toys, and etc., all needed for the patients. This is a good selfish deed these people are doing, and they hope to collect more of the same from local residents, and take them over before Christmas.

The Rev. and Mrs. Melvin Stauffer of Schafer Road, are spending Thanksgiving holiday in Indiana. The parents of both the Stauffers live just five miles from one another, allowing the Stauffers to have a nice visit with both on such trips as this.

Florence Utley, daughter of Mrs. Alma Utley of Portage Lake spent last week Tuesday at Saturday in St. Joseph Hospital undergoing tests and treatment. She returned to school Monday, says she feels just fine!

## CADET WAYNE BROWN

Cadet Wayne Brown will arrive home Tuesday, November 26, to spend a five-day leave with his mother, Mrs. Marcelle Brown and his two brothers, Bruce, 18, and Steven, 12, at their Portage Lake home.

Cadet Brown entered the Junior Military Academy in Chicago, Illinois, in October of this year, for his fifth grade year. He was awarded a bar for "courtesy" and "neatness" the first month in school.

Mrs. Brown spent November 19 with her son in Chicago, and together celebrated Wayne's 10th birthday. This was a special surprise to Wayne, and "one that will remain to be most memorable."

## Korean Baby

### Is 'Adopted' By Students

RUTH

The students of the Pinckney Elementary School have "adopted" a tiny Korean girl named Ruth through the auspices of the Korea Gospel Mission.

Ruth, who will be one year old February 11, is one of the many abandoned infants in Korea that are cared for in the Isabelle Orphanage in Pusan under the direction of Rev. and Mrs. Whang. Many of the infants when they arrive at the orphanage are suffering from malnutrition or tuberculosis and do not live very long even with the expert care given them by Mrs. Whang and her nursing staff.

The Pinckney students are sending money every month for the care of Ruth. This week they have sent her a large box of warm clothing, including a snow suit and some toys. Korean babies are smaller than American ones—at least those in the orphanage are. The Korea Gospel Mission writes, "Since Ruth is almost a year old, I would suggest a size 1 for her although it might be a little large for her right now."

The Pinckney Elementary students are using the proceeds from the Student Council Store, and various other money making projects to finance their "Ruth project—a very worthy project."

## NICKELCIDES

Weedicides, fungicides, pesticides, herbicides, insecticides, nematocides and plant nutrients are made of nickel chemicals for the agricultural industry.

## BUMPER QUALITY

Steel bumpers on practically all modern automobiles are now plated with two layers of nickel beneath their chrome finish. A semi-bright first layer of nickel protects against corrosion while the second, bright layer resists nicks and scratches.

#### PREFERRED The young man who wants to go to the top . . .

We are now talking to young men, 18 to 25 years of age, qualified to become a junior partner selling merchandise and service to the public. This young man must have a good knowledge of arithmetic, and at least a high school graduate. This young man must be in excellent health because the work is very hard physically and mentally—hours are long. Starting pay is low, but can be doubled in a month, with no limit in the future.

You could now be employed with a gasoline service station, a super market, or a local store selling merchandise to the public, and desire a change only for the purpose of bettering yourself.

If you have any creative talent in the field of writing or art this will help. YOU MUST HAVE THE WILLINGNESS TO AGREE TO FORM A DAILY HABIT OF DOING THE THINGS UNSUCCESSFUL YOUNG MEN DON'T LIKE TO DO.

Write only—giving name, address, phone number, age, weight, if married—name of wife, children, their ages, place of birth, education, military service. List all employers, reason for leaving or being discharged.

IMPORTANT—You must be a good planner and a self-starter. All replies kept strictly confidential. Address Box No. K-815, Brighton Argus, Brighton, Mich. Mark "Personal."

# Pinckney Prattle

By ALICE GRAY

Mrs. Elizabeth Aschenbrenner, of Pinckney and Mrs. John Bezzag of Dexter are spending the winter in St. Petersburg, Florida with Mrs. Helen Varga. Mrs. Aschenbrenner is enjoying her time in the warmer climate—goes out every morning and pick her breakfast grapefruit off the tree in the backyard.

Last Wednesday Mr. and Mrs. L. J. McKinley invited a few friends in to see the pictures they had taken of California as the McKinleys plan to leave for California within two weeks to spend their winter there, the pictures were of special interest to the guests—Mr. and Mrs. William Euler and Mrs. Nel Wylie.

Mr. McKinley retires from his position with the Michigan Dept. of Agriculture this coming week and if they like California well enough plan to move there this coming spring. They have a son and daughter there with families and a son with his family in Washington. They are very happy to be looking ahead to a united family gathering at Christmas, the first in 17 years—Don and his family plan to fly to California from Washington for the holidays.

Mrs. Wylie showed the slides that her son, Lieut. Richard Wylie had sent her from Korea—showing life as it looks to him these days. He is stationed there for 18 months—which will be up April 1. He is a platoon leader and is busy building roads and bridges. Pinckney is proud of its West Point graduate.

During the evening, the secret leaked out, as secrets do in Pinckney that Will and Edna Euler were married 56 years ago that day so congratulations were in order. During the day the Eulers had received many cards, a gift of money and a box of fruit.

Mrs. McKinley, one of the best cooks in Pinckney, served some really delicious refreshments.

Have you seen those really cute house slippers made from wash cloths that the Student Council at the Pinckney Elementary school are making? They plan to make 200 pair for the patients at the Howell State Hospital.

The PEGS extension group are also making them as a Christmas item. They are easily made using one washcloth for each foot, folded and stitched about 2" from the fold, a casing made for a 13" strip of elastic which is put about 1 1/2" down, the top edges are folded down making a cuff. The heel end is tucked up and the toe end is left as it to form the pointed toe now so popular. A pom pom can be added and there for a very small amount you have some comfortable and easily washable slippers. Ask any extension member or drop in the office for clearer directions.

The boys of the Christian Service Brigade at the People's Church and their sponsors are leaving Wednesday for a deer hunting trip in Hillman, Mich. Sponsors are Hank Shrey, Dick Knapp, Louie Shrey and Pastor Murphy. They will have their Thanksgiving in the north woods.

**REASON REMODELLING**  
The real estate business must be going great guns around Pinckney these days. Gerald Reason is remodeling his office on Howell Street.

#### Illness

Mrs. Leon-Marie Bonner drove to Onarga, Illinois Sunday to visit with her son Cadet Roger Bonner who is attending Onarga Military Academy there. Mrs. Bonner was there to help Roger celebrate his 16th birthday—and took along a beautiful birthday cake for the occasion. While there she took Roger and three of his buddies out to dinner.

Mrs. Bonner returned to Pinckney Tuesday night bringing Roger and three cadets from Bloomfield Hills with her. The three cadets were met in Pinckney by their parents and travelled on to Bloomfield Hills.

The People's Church Young People's Group and the Bethel Baptist's Young People put on a service at the new Detroit City Rescue Mission last Sunday afternoon on Detroit's Skid row. Team leaders were Harvey and Carol Ritz, missionary interns at the People's Church.

Mr. and Mrs. Addison Meriwether have sold their home on Sunset Boulevard at Hill-Land Lake to Mr. and Mrs. Keene and two small daughters of Chelsea. The Meriwethers have bought a new mobile home and are going to Florida to spend the winter months.

#### TWO BUCKS FOR BUEBS

The John Burg family on Patterson Lake Road have shot the grand total of three bucks and one doe so far this deer season. Paul, the Burg's son, got an eight point buck Sunday while hunting at Bruin Lake with Steve Morfka.

The Virgil Howells will have their family home for Thanksgiving this year. Daughter, Carol, now Mrs. Edsel Thornton and husband will come from Tecumseh. Another son, Gerald, now attending classes at Cleary College is Ypsilanti will journey home. Son, Paul, a student at Eastern Michigan is also expected home if his schedule permits.

The Clare Millers and Clifford Millers both had wedding anniversaries last Saturday, November 23.

Linda Michael was six years old November 26.

#### HILL TOP HOUSE SHAKES AND RATTLES

The Lloyd Harden house on the Howell-Pinckney Road was really "rocking and rolling" about 2:45 A.M. Saturday morning during the heavy rain and high wind storm.

Windows were broken, others cracked, and such was the suction of the wind that one pillow was actually pulled out a broken window. Mrs. Harden's mother, Mrs. Mabel Bell, who hasn't been too well lately, has a hospital bed on

casters. That bed rolled across the room all by itself as they do in "spook" movies.

Mrs. Harden tells us she thought, "This is it! We were all scared stiff. The house shook and rattled for about 45 minutes. We were sure a tornado was coming. We all gathered in the dining room, the most protected part of the house." A call to state police reassured them that no tornado was near.

When daylight came they filled a box with shingles that had blown off the roof during the gale, and retrieved a full garbage can that some playful gust of wind had picked up from one side of the house and deposited on the other side and never spilled a drop!

In the village numerous tree branches were broken off by the high winds, objects blown away but no real damage done by the high winds.

The roof was blown off the front porch of the Walter Tucker home on the Dexter-Pinckney road during the night.

Ora Haines, former Pinckney resident, his sister, Mrs. Grace Demaska of Mason, and Mrs. Demaska's daughter, Mrs. Freda Chadwick of Toledo were guests at the Clifford Haines home last Sunday.

Mr. and Mrs. Rudy Raetz had dinner last Sunday in Novi with the Rev. and Mrs. Fred Gunther. Rev. Gunther and Mr. Raetz were boyhood friends back in Winburn, Penn., and attended church together 50 years ago. Rev. Gunther later was pastor at that same church for 10 years—he is now retired.

Robert McArthur of Metropolis, Illinois, arrived in Pinckney November 13, to spend several weeks with his daughters, Mrs. Mildred Miller and Mrs. Roberta Amburgey and their families. Thanksgiving will find the Millers, Amburgeys, the Jim Knights and Mr. McArthur feasting together.

John Wild, of White Lodge, Cordley Lake, is in St. Joseph's Mercy Hospital recovering from ear surgery. He hopes to be home for Thanksgiving Day.

#### POT ROAST ANYBODY?

Belle Farley, pacing horse owned by Roy Clark and Bert Wylie, did so well around this vicinity that she and her trainer James Dunn took to the Chicago race circuit. Belle has been gone so long that it prompted one Pinckney business man, whose name I have conveniently forgotten, to quip: "They sent her to the stockyards, that's what they did."

The other day we caught Bert in Clark's store and asked, "How about it?" Bert scratched his head and drawled in his slow and easy way: "Now we wouldn't have to do that; we could retail her right here."

Roy, whose slogan for years has been "The Best Meat in Town," was too choked up to comment.

## Obituary

### MRS. ELLA LAVEY

PINCKNEY — Mrs. Ella Marie Lavey, 79, of 234 Putnam, died today at her home following a lengthy illness.

Mrs. Lavey was born April 15, 1884, near Bancroft, a daughter of George and Margaret Jeffreys Black, and married Leo Lavey on Jan. 2, 1922, in Pinckney. He died in 1955.

She was a member of St. Mary's Church and the Altar Society of the church.

Survivors are two sons, Merlyn former co-owner of Pinckney Dispatch and Joseph, both of Pinckney, and seven grandchildren.

Funeral services were Monday at St. Mary's Church, with the Rev. George Horan officiating. Burial took place in St. Mary's Cemetery.

#### SPECIAL SPRING

Spring mechanisms in modern scales and weighing machines are made of a special high-nickel alloy which will neither contract nor expand throughout a wide range of operating temperatures. This characteristic in the spring is essential to accurate performance of the scale.

WEDNESDAY and SATURDAY

220 So. Michigan Ave.

Howell Ph. 830

AMERICA'S PRIZE HIGHWAY—A 22.5 mile section of Interstate 75 in Northern Michigan has been selected as America's most scenic highway. The freeway was selected from among highways throughout the U.S. to receive the Parade Magazine Scenic Highway Award for 1964. The section chosen is between Vanderbilt and Indian River and is part of the Ohio-to-Soo Freeway. Judges selected it as the best example in the nation of a highway that combines scenery, speed and safety.

Gleanings from the Back Issues of the Pinckney Dispatch

### FIVE YEARS AGO

November 19, 1958

An all day rain put the damper on deer hunting on Saturday and Sunday. Five deer were shot near here—Leroy Lobdell, Art, Rentz, Jim Line, Lloyd Nash and John Towlesy each got one.

The Pinckney Grand Trunk section has been consolidated with Stockbridge.

Mrs. Dorothy Dinkel and children started for Battle Creek Sunday but turned back at Albion, due to fog, and spent the day at Stockbridge.

Pinckney High's Pirates wound up the football season by defeating Byron 6 to 0. Pinckney played their veterans the whole game. Seniors Fred Berry, Victor Basydo, Don Clark, Gordon Le Belle and Dennis Clark played their last game for PHS. Tom Singer and Dennis Morgan were elected co-captains for next year.

Boys were born to the William Allens and Clyde Lacys last week and a girl to the Robert Kidds.

Lee Lavy is building a machinery shed on his lots west of the Edward Wakefield home. Born to the Cecil Hookers last Thursday at University Hospital, Ann Arbor, a daughter.

### TWENTY FIVE YEARS AGO

November 16, 1938

The Pinckney school playground project was completed Tuesday. This was a WPA project. Acreage was purchased at the Haze estate and the street running through it (Howell St.) was closed. The tennis court is enclosed by a high fence. The athletic field will include a baseball diamond and football gridiron. Showers have also been installed. The boys in the high school assisted by digging the cesspool and 24 high school girls did the janitor work so that Mr. Jeffreys could put his time on the showers.

A spelling bee was held Friday between the freshmen and sophomore classes. The losers—the freshmen must give a party for the winners. There were four prizes of 50c, 25c, 15c, and 10c taken respectively by Rosemary Read, Francis Messersmith, Helen Reason, and Donn Widmayer.

Friday night a car owned and driven by Harry Frost hit a tree just the other side of the Sigler farm. Frost was uninjured and so was George Holben. John Holben suffered a deep cut from his mouth to his neck and was taken to St. Joseph's in A. A. where he had to have stitches taken both inside and outside the lip.

A new piano has been installed in the Pinckney school. They now have three.

Lee Lavey attended a hardware dealer's convention at St. John last week.

Mr. and Mrs. George Meabon, Jr., and her uncle, Howard May of Unadilla, are spending the week at their deer lodge in Hillman.

Royal Baker has purchased the cottage and land owned by Fred Lake east of Portage Lake and Swarthout's Cove. Mr. Lake, accompanied by Mr. and Mrs. Herbert Schoenhals left for Lakeland, Fla. last Friday.

### FORTY YEARS AGO

December 1, 1915

The Pinckney H. S. football team played at Dexter Thanksgiving Day and had some tough sledding. Roche Shehan, youngest man on the team, had his arm broken and Harold Swarthout had his leg badly twisted. Score was 0 to 0.

Born to R. M. Ledwidge and wife on Nov. 24, a nine pound girl.

Fred Wylie and family spent Sunday with John Connors and family.

Mrs. M. J. Reason and son Gerald spent Thanksgiving at Jackson.

Robert Entwistle has secured a position in the saw mill at

Highland and will go to work there this week.

The mill at Pettysville which has been idle for the last five months as the ram has been out, is now running.

The freshman class of BHS will hold a Necktie Social at the home of George Hocy on the Beebe farm next Friday. Each girl is requested to bring two neckties just alike of her own making.

A new 30 foot iron bridge is being placed over Pinckney Creek west of town.

Mr. and Mrs. Thomas Read were Sunday guests of their daughter in Akron, Ohio.

### EIGHTY YEARS AGO

November 22, 1883

Misses' 12 button box-toe kid boots are on sale at Hoff's for \$1.75.

The recent warm rains and thunder storms—following the very cold weather of the previous week—has ruined the fine skating at the mill pond. The ice is all "broken up."

The first railroad pay car of the Grand Trunk passed this way Tuesday, and made the railroaders happy with its

cash. Charles Ellis and Dell Orr have taken on the job of setting fence posts for five miles of the Grand Trunk line west of Pinckney.

That bold Pinckney hunter who tracked a pig for 5 miles, supposing he was pursuing a fine young deer, thought he could find just as good food game in his own barnyard—and so returned home Wednesday.

People in Pinckney, along with the rest of the nation, were concerned with the plight of Albert, J. P. Barnum's \$15,000 elephant who was ill with fever in New York. An attempt will be made to remove the cause of his trouble with surgery—something never attempted before. The eminent French veterinary surgeon, Dr. Leatid had been summoned to New York.

Charles L. Grimes has been engaged as principal of the school at Eaton Rapids.

Fred and Henry Ewen returned Friday from Dakota. They report the thermometer at 20 below zero when they left the prairie land.

## CAT CHAT

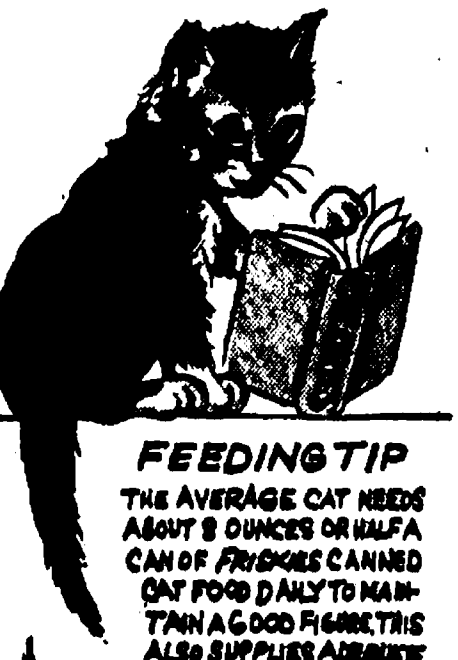

THE FASHION  
IN 16TH CENTURY JAPAN WAS  
TO KEEP CATS ON LEADS.

THIS LEFT THE MICE FREE  
TO PLUNDER GRAIN AND  
SILKWORMS—UNTIL 1602,  
WHEN THE GOVERNMENT  
ORDERED CATS UNLEASHED.

### CONTRARY TO POPULAR BELIEF

HUNGRY CATS MAY NOT MAKE  
THE BEST MOUSE TRAP.  
INHERITANCE AND EARLY EXPERIENCE WITH MICE ARE THE  
MOST IMPORTANT FACTORS IN DETERMINING THIS ABILITY.

FEEDING TIP  
THE AVERAGE CAT NEEDS  
ABOUT 8 OUNCES OF MEAT  
PER DAY. CATS CAN NOT  
EAT FOR DAYS TO  
HAPPY. A GOOD FEEDING  
ALSO SUPPLIES  
PROTEIN, VITAMINS AND  
MINERALS FOR NORMAL  
MAINTENANCE AND  
GOOD HEALTH.

## Pinckney People You Know

BY DOLLY BAUGHN

James McCleer, MMI (SS) U.S.N., spent the past week with his parent's, the Clyde McCleer's of Gregory. "Jim" will return to duty now, aboard the nuclear submarine, the Abraham Lincoln, operating out of Holy Loch, Scotland.

The Reverend and Mrs. William Hainsworth came to Pinckney Friday and attended the luncheon sponsored by the Ladies Aid at the Pilgrim Hall. They stopped in the Dispatch office long enough to report that they are in the best of health, and enjoying their new home, Ann Arbor. They were in last week, too, and at that time, reported they had had a very pleasant and enjoyable trip to Washington state, where they visited with relatives. All in all, they are certainly enjoying their retirement!

P.F.C. Bob Cole, who left the states for Germany in October is stationed in Kienstein, Germany. His wife, the former Gloria Bend, daughter of the Lay Bonds of Pinckney, hopes to join him in late April.

Florence Utley, daughter of Mrs. Alma Utley of Portage Lake spent last week Tuesday, till Saturday in St. Joseph Hospital undergoing tests and treatment. She returned to school Monday, says she feels just fine!

Last Wednesday after school Bonnie Bond drove Nancy Bond and Barbara Grant to the Howell State Hospital where the two girls are volunteer workers for the Care Club of Pinckney High. They had collected clothing, jewelry, toys, and etc., all needed for the patients. This is a good unselfish deed these people are doing, and they hope to collect more of the same from local residents, and take them over before Christmas.

The Rev. and Mrs. Melvin Stauffer of Schafer Road, are spending Thanksgiving holiday in Indiana. The parents of both the Stauffers live just five miles from one another, allowing the Stauffers to have a nice visit with both on such trips as this.

### CADET WAYNE BROWN

Cadet Wayne Brown will arrive home Tuesday, November 26, to spend a five-day leave with his mother, Mrs. Marcelle Brown and his two brothers, Bruce, 16, and Steven, 12, at their Portage Lake home.

Cadet Brown entered the Junior Military Academy in Chicago, Illinois, in October of this year, for his fifth grade year. He was awarded a bar for "courtesy" and "neatness" the first month in school.

Mrs. Brown spent November 19 with her son in Chicago, and together celebrated Wayne's 10th birthday. This was a special surprise to Wayne, and "one that will remain to be most memorable."

## Korean Baby

### Is 'Adopted' By Students

RUTH

The students of the Pinckney Elementary School have "adopted" a tiny Korean girl named Ruth through the auspices of the Korea Gospel Mission.

Ruth, who will be one year old February 11, is one of the many abandoned infants in Korea that are cared for at the Isabelle Orphanage in Pusan under the direction of Rev. and Mrs. Whang. Many of the infants when they arrive at the orphanage are suffering from malnutrition or tuber culosis and do not live very long even with the expert care given them by Mrs. Whang and her nursing staff.

The Pinckney students are sending money every month for the care of Ruth. This week they have sent her a large box of warm clothing, including a snow suit and some toys. Korean babies are smaller than American ones—at least those in the orphanage are. The Korea Gospel Mission writes, "Since Ruth is almost a year old, I would suggest a size 1 for her although it might be a little large for her right now."

The Pinckney Elementary students are using the proceeds from the Student Council Store, and various other money making projects to finance their "Ruth project—a very worthy project."

### NICKELCIDES

Weedicides, fungicides, pesticides, herbicides, insecticides, nematocides and plant nutrients are made of nickel chemicals for the agricultural industry.

### BUMPER QUALITY

Steel bumpers on practically all modern automobiles are now plated with two layers of nickel beneath their chrome finish. A semi-bright first layer of nickel protects against corrosion while the second, bright layer resists nicks and scratches.

The young man who wants to go to the top . . .

We are now talking to young men, 18 to 25 years of age, qualified to become a junior partner selling merchandise and service to the public. This young man must have a good knowledge of arithmetic, and at least a high school graduate. This young man must be in excellent health because the work is very hard physically and mentally—hours are long. Starting pay is low, but can be doubled in a month, with no limit in the future.

You could now be employed with a gasoline service station, a super market, or a local store selling merchandise to the public, and desire a change only for the purpose of bettering yourself.

If you have any creative talent in the field of writing or art this will help. YOU MUST HAVE THE WILLINGNESS TO AGREE TO FORM A DAILY HABIT OF DOING THE THINGS UNSUCCESSFUL YOUNG MEN DON'T LIKE TO DO.

Write only—giving name, address, phone number, age, weight, if married—name of wife, children, their ages, place of birth, education, military service. List all employers, reason for leaving or being discharged.

IMPORTANT—You must be a good planner and a self-starter. All replies kept strictly confidential. Address Box No. E-815, Brighton Argus, Brighton, Mich. Mark "Personal."

## Garden Club Hears Sparr

The Town and Country Garden Club held its November meeting recently at the home of Mrs. Reed Fletcher in Howell.

Following refreshments of pumpkin with whipped cream and coffee, a short business meeting was held and then the program was turned over to John Sparr of the Howell Greenhouse who was the featured speaker for the afternoon. Mr. Sparr discussed Christmas arrangements for the home.

Mrs. Fletcher's co-hostesses were Mrs. Miller Beumann of Howell and Mrs. John Slater of Brighton.

## Country Club Will Not Hold Annual Dance

HOWELL — A tradition of long standing is being broken this year by Chemung Hills Country Club. For the first time in many years there will be no Christmas Golf Ball.

The club house itself will not be available and no other suitable hall can be rented locally. In view of the sad period of national mourning further attempts to find a place for the event will be abandoned.

Members will instead concentrate their efforts on a gala New Year's Eve party and work to make it one of the best ever.

## CORROSION STUDY

The world's largest testing center for studying marine corrosion of metals, woods, plastics and paints is operated by the International Nickel Company, Inc., at Harbor Island, North Carolina.

The University of Michigan was the first institution in America to construct a building designed and equipped solely as a chemical laboratory, in 1856.

# 10 4-H Club Members Will Visit Chicago

## County Will Be Represented In Detroit by 4-H Members

HOWELL — Many 4-H livestock club members are putting finishing touches on prospective champion lambs, steers and porkers in anticipation of the 34th Annual Detroit Junior Livestock Show scheduled for December 9 to 12.

The show will open its annual four-day run at the Michigan State Fairgrounds, Detroit, on Dec. 9, when the first of nearly 400 4-Hers arrive with their prize livestock.

Livingston County will be well represented at the show by five area 4-H Club members, according to Harry Foster, Livingston County Cooperative Extension Agent, 4-H Club Work.

The group will include Harold Peckens and Barbara Munson of Howell and brothers Gordon and Arthur Munson of Fowlerville with beef animals. Judy Sober of Fowlerville will be showing a pen of lambs.

These 4-Hers will be seeking the glory and glamour which goes with owning one of the grand champions of the show.

One of the highlights of this year's show will be the increased competition in the highly-educational carcass evaluation contests, according to Ralph Morrow, 4-H livestock specialist at Michigan State University.

A record number of carcass entries are expected this year. The lamb carcass contest will be held for the fifth straight year while the steer and pork carcass classes are in their second year.

"Competition in these classes is keen as the youth become more efficient in producing the type of meat which the consumer is demanding for the dinner table," says Morrow.

Sponsors of the show are the Michigan Cooperative Extension Service and the Detroit Junior Livestock Society, which is composed of many livestock, business and industrial firms in Detroit.

HOWELL — Plans are nearly complete for an award trip to Chicago for the Livingston 4-H Club members. The 4-H Council Awards Committee selected 10 persons for their outstanding 4-H Club program and reports, according to Harry Foster, Cooperative Extension Agent, 4-H Club Work.

This group of 10 will be accompanied by Mr. and Mrs. Lyle Vogt of Fowlerville and Harry Foster, 4-H Club Agent.

The itinerary calls for the group to visit The Museum of Science and Industry, Chicago Board of Trade, Adler Planetarium, International Livestock Show and Horse Show, Chicago town and many other interesting and educational sights of interest.

The group will leave Howell early this Friday, the return Monday, December 2.

The award trip is sponsored by The McPherson State Bank of Howell and Piquette.

## First Federal Adds Trainee

Chandler has accepted the position as an Executive Trainee.

Chandler was born in North Carolina and moved to Port Huron, Michigan at the age of seven where he lived until his recent move to Howell. He was previously employed by Citizens Federal Savings and Loan Association in Port Huron for several years.

Chandler is a graduate of Port Huron High School and Port Huron Junior College where he majored in Business Administration. Presently he is studying through the Savings and Loan Institute in Chicago, Illinois.

Having recently completed six months active duty with the United States Army, Chandler is now attached to Co. B, 167th Signal Battalion Michigan Army National Guard in Howell.

If you are sensible, you will not fear the day you've never seen.

Temper gets you into trouble. Pride keeps you there.
