

# Pinckney Dispatch

VOLUME 80 — NO. 49

PINCKNEY, MICHIGAN, WEDNESDAY, DECEMBER 18, 1963

SINGLE COPY 10¢

## The Way We Hear It

By Dolly Baughn

credit for the windows of the Pinckney Dispatch being fixed so prettily for the Christmas holiday goes to Beverly Umstead. She put lots and lots of time in Saturday doing them and also the one for her mother in the Village Beauty Shoppe. They are very clever!

... results of the 4-H bake sale were quite tremendous, considering that part of the 4-Hers in the area did not participate! The boys' groups were to participate too but

was a misunderstanding and they didn't. This was to raise money to pay insurance premiums on the sewing machines and on the shop equipment used by the handicraft group. A very worthy cause! They didn't meet the entire expense, but did do rather well for a cold Saturday morning. They sold hot rolls and coffee and that drew a large number of people. It was nice—too bad you were not there!

... meetings are being held right and left recently throughout the school district. "Mr. Reader's Citizens Committee" is in charge of them; and they are informing people of the facts about the new school bond. Two meetings last week, one at Hamburg Elementary and one at Winans Lake School, and two or three scheduled for this week, one being Thursday at the Pinckney high school for Hi-Land Lake residents! All these are keeping these 10 committeemen rather busy.

... the Pinckney firemen may check up another successful "annual Christmas party" in their favor! Saturday, December 14, they entertained their wives, township officials, special guests, and other invited guests, numbering nearly 70 persons in all, at a "Smorgasbord-card playing-prize giveaway" event held in the high school gymnasium. The food was very delicious! Lots of fun had by all!

... a very good Samaritan is Mrs. Edward Sullivan, a substitute teacher at Pinckney High, who so generously donated her "subbing" services Tuesday for Mr. Quigley, who in turn offered his services to drive the school bus and take the "Care Club" members to the Howell State Hospital and play Santa Claus for the patients' benefit, while other members of the club voluntarily provided entertainment in a talent show type program.

... Tom Howe is looking for a mate for his cornish hen! He won the booby prize playing cards at the firemen's party, and now if he can find a mate to his prize, his entire family can eat all at the same meal! Nevertheless, he was very pleased with it.

... some people sleep right straight through the night even though their neighbors garage burns down, and fire trucks and other vehicles zoom by their home all hours of the night. This is sound sleep, right?

... the latter part of October the president of the Hi-Land Lake property Owners Association and the editor of the Association's paper, the Chanticleer, attended a meeting of Howell Lake property owners who had requested information as to the formation of the Hi-Land Lake Association and how it functions. In November the president, which by the way is Emerson Pattison, attended a meeting in Pontiac similar to the Howell meeting. Seems this local association is becoming widely known as one of the most active and effective associations in this part of the State!

... it might pay off to find the want ad section of the paper. Some of the older children seem to be selling practically new toys, and good sounding ads have been placed!

## Christmas Deadlines

Next week's paper will be printed on Tuesday because of Christmas, Wednesday, Dec. 25.

Correspondents' columns, club and church news, should be submitted by noon Friday. Display and classified advertisements will be accepted until noon on Monday.

## Skating Rink Being Readied For Pinckney

The season for skaters is with us once more, and another attempt is being made this year to devise a skating rink for all the agile skating artists, young and old, in the Village and surrounding area.

This year's rink is being built on the Village square. The season for skaters is with us once more, and another attempt is being made this year to devise a skating rink for all the agile skating artists, young and old, in the Village and surrounding area.

It is planned that if the "kiddies" will appreciate this combined effort and do their utmost to maintain the rink throughout the season, these four persons, and perhaps others, will see to it that it is kept in tip top shape for the skaters.

## Hamburg Team Wins Top Spot

With a tremendous display of rebounding ability and sensational shooting the Hamburg Merchants easily defeated St. Marys rugged little quint by a 39 to 17 score for Tourney honors, at the High School gym Sunday. The L. D. Haines coached lads led by Leroy Cavens and Dan Jones outplayed, outshot and outscored their opponents. The Micks were in the game for the 1st quarter only which ended 6 all, but starting in the 2nd quarter the Hainesmen tallied 14 points while holding their opponents scoreless and led 20 to 6 at half time.

The Pinckney Merchants overwhelmed the young Pilgrims, holding them without a field goal and romped to a 44 to 1 victory. John Darrow one of the leading high scorers pumped in 16 points. Leroy Cavens and Jim Hansen also finished high on the scoring list.

Pat Scott, League Treasurer MCD the awards and gave special praise to Bill Light and Dick Johnson the officials who handled both games in outstanding style. Don Gibson who organized and made the Pee Wee League possible, also came in for high praise from Scott, Rocky Bennett, Jim Hansen, John Darrow and Wes Scott walked away with appropriate trophies, with Hamburg taking away most of the coveted hardware.

## Buys Hereford Bull

## Fisher Bid of \$52,100 Sets Record in Texas

BRIGHTON — A prize Hereford bull, which brought the highest price, ever paid for such an animal in Texas, is now making his home at Hi-Point Farms on Rickett Road, two miles south of Brighton.

One week ago Tuesday, E. F. Fisher, one of the famous Fisher Brothers of automobile fame, bid \$52,100 for "Silver Mischief 213" at an auction at Windthorst, Texas. He is sharing the ownership with a cattle owner in another state.

Announcement of the purchase was made by the American Hereford Association. The very first bull to enter the sale ring Silver Mischief 213 is a senior yearling by Real Silver Domino 181, and out of a cow by Real Silver Domino 203.

## Use Air Mail Says Postmaster

The Pinckney Post Office will handle more Christmas mail this year than ever before. Postmaster Lawrence Baughn predicted today that his office will handle more than 150,000 pieces of mail during the Christmas rush this December.

"It's a little late to be planning to mail early the use of Air Mail is a real bargain," the Postmaster said. It is not at all uncommon for Air Mail from Pinckney to receive next day delivery to points 1,000 to 2,000 miles or more away.

Patrons are urged to complete their mailings with haste to avoid the chance of late delivery.

## Women Prove Friendships Can Endure

Some 35 years ago Mrs. Sadie Read, Mrs. Mabel Schaffer, and Mrs. Bess Devereaux decided to get a bridge club started. Of course these women were very young at the time, and had time to spare every other week, enough at least that they could start a club and make it a success.

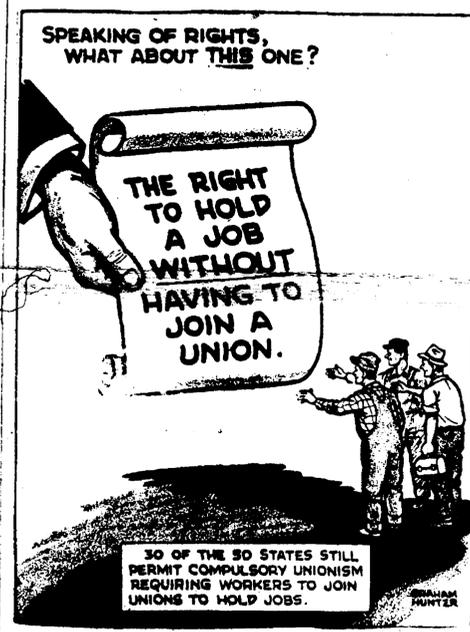

And what a success it was! This club is still very active today. The three original instigators remain avid bridge players and even though their partners have changed from time to time they still look forward to every other week of playing bridge.

"One almost unbelievable distinction this club has from other women's bridge clubs," explains one of the players, "is that this group of women have never had a fight, or a break up through all these 35 years." Certainly a very congenial group to say the least.

The players active this past summer were Mrs. Sadie Read, Mrs. Mable Schaffer, Mrs. Bess Devereaux, Mrs. Mae Teeple, Mrs. Doris Sneed, Mrs. Alice Mauk, Mrs. Florence AtLee, Mrs. Eleanor Ledwidge, Mrs. Viola Read, and Mrs. Sadie Moran. This group has been together the past ten years.

## IN PORTUGAL

Christmas is the occasion for a family celebration among the Portuguese. Families gather on Christmas Eve for dinner at the home of the oldest living relative. After the children have gone to bed, a crib or creche is placed before the fireplace, and around it are grouped the children's shoes, which serve the same function as Christmas stockings.

## Judge Carland Injured As Car Hits Patrol Car

Judge Michael Carland received chin lacerations Friday night, shortly after 8:00 when his car struck the rear of a Livingston County Sheriff's patrol

## Rainbow Mothers Host Reception

The Rainbow Girls Mothers' Club entertained nearly 90 people Monday evening at the local Masonic Hall at a dinner reception honoring Mrs. Midge Hammel, a state official elected to the state planning board for Rainbow Girls.

## John Weatherbee Participating In 'Big Dipper'

Marine Private First Class John M. Weatherbee, son of Mr. and Mrs. Thomas W. Weatherbee of 2020 Darwin rd., Pinckney, Mich., is participating with the Third Battalion, Third Regiment, Third Marine Division from Okinawa in a coordinated U.S. and Government of the Republic of China amphibious warfare exercise titled "Big Dipper" along the southern coast of Taiwan.

The exercise involves some 3,000 Navy and Marine Corps personnel, 20 ships and 100 aircraft of the U.S. Seventh Fleet. These forces will conduct amphibious and helicopter assault landings over separate beaches on D day, Dec. 2 to destroy and expel a hypothetical aggressor force which has attacked and invaded Taiwan.

After all aggressor held objectives are taken, the troops and equipment will return to normal operations. "Big Dipper" is similar to those exercises conducted periodically by units of the Seventh Fleet with SEATO and other allied nations in the Far East to improve their proficiency in coordinated amphibious warfare operations and to maintain working relationships with allied nations.

car, totally demolishing it. The accident occurred one-tenth of a mile west of Bowen Road on Grand River, halfway between Howell and Fowlerville.

Driving the patrol car was George Finlan with Laverne Dibble as a passenger. They told State troopers they were slowing down because of a car parked on the road before them when their car was hit, shoving it into the stopped automobile.

The driver of this vehicle was Clarence Lillard, 59, of Fowlerville.

He said he had stopped to assist a driver who had run out of gasoline.

Carland was taken to a Howell doctor for treatment while the other three men, who complained of neck pains, sought their own treatment.

No complaints have been issued in the case.

An insurance payment for the patrol car has been made in the amount of \$1,915 and the Board of Supervisors purchased a new Ford yesterday (Tuesday) for \$2,230 to replace the damaged vehicle.

## Hell Creek Bridge

Collins E. Thornton, Livingston County Highway Engineer has informed the Hell Chamber of Commerce, the Hell Creek Bridge which has been badly damaged will be repaired by the start of 1964 tourist season.

Also new road signs will be installed at Pinckney Dexter Rd.—Darwin Rd. and at Patterson Lake and Darwin Roads, by next spring.

The music department of the Pinckney schools presented a very cheerful hour of choral and instrumental music for the public last Thursday evening at their annual Christmas holiday concert. Mr. Dennis Napier directs the two groups, and Mrs. Eloyse Campbell is accompanist.

Singers in the chorus are: soprano; JoAnne Shugart, Pat Borovsky, Virginia Collette, Diane Hall, Sharon Oleski, Tanya Gelb, Janice Heiner, Betty Radabaugh, Sally Thatcher, Christine Buda, Catherine Buda, Florence Utley.

## County Buys Musson Home Behind Annex

HOWELL — Members of the Livingston County Board of Supervisors had a busy day yesterday (Tuesday) during which they decided to buy the Musson land and home directly behind the Court House Annex.

In other business they did the following things: Adopted a proposal providing pay increases for most of the county's 50 employees, ranging from \$75 to \$139 yearly, according to the provisions of the Johnson Salary Plan.

Special boosts were given John Brennan, Friend of the Court, from \$4,617 to \$5,088 and for Helen Brewer, a nurse, from \$4,506 to \$4,728. Mrs. Stanley Dinkel, a new nurse will receive the same pay.

Supr. Clinton Heller said this was in line with the prevailing rate paid by McPherson Community Health Center which he said starts registered nurses at \$4,800.

Heard Charles Corbin, director of the Tax Equalization Dept. describe the operation of his department.

Decided no executive session was held at the last meeting because a reporter was present and corrected minutes to reflect this position.

Heard a report of the Livingston County Road Commission, describing proposed work for the county on a three-year basis, and gave approval to the plan.

Got into a hassle over a surprise move by the County Relief Committee to appoint Welfare Director Cecil Bohm to replace the retiring Charles Sutton as a member of the three-man Welfare Department board.

Supr. Martin Lavan expressed his indignation at not having the matter placed on the agenda. He said, "The man you intend to appoint has become a controversial figure in this county and we should have some time to consider the matter."

## Village Squares To Hold Dance

Are you a "square dancer?" If you are, you should plan to attend the "Holiday Smorgasbord!" This will be a dance at the U of M Fresh Air Camp, 9 til 1, Friday, December 27. It is sponsored by the Pinckney Village Squares.

Callers for the evening will be Gordy Lindland of Ann Arbor, and Cleo Carlton of Livonia. Persons in charge would like to have all reservations made by December 24. To make reservations you may either see one of the regular Village Square dance couples, or call Harold Henry, 878-3497, or Gordy Lindland, No. 2-8149.

Ruth Bennett, Linda Bolzman, Frances Reason, Faye Winslow, and Altos; Judy Borovsky, Linda Latimer, Lydia Brown, Joyce King, Jeanne Kennedy, Christine Clark, Linda Kaminski.

Students in the band are: Flute; Christine Gow, Diane Parlette, Susan Baughn, Penny Reynolds, Marjorie Queeneberry, Dora Meabon.

## Cantatas, Services Are Being Planned

Churches in the Pinckney area are busily preparing Christmas programs, cantatas, and special services for the fast approaching holiday season.

Children are rehearsing their recitations, poems, and solos to be given at the family Sunday school programs in the next few days. Choir members have been spending extra hours perfecting roles in cantatas, duets, and solos.

Pastors, Priests and leaders of the churches are planning holiday services impressive with sacred music, candlelight,

and choir selections for this most joyous season of the year. Announcements from the churches have been made as follows:

**Gallean Baptist**  
Gallean Baptist Church at 9700 Michigan Road is presenting Sunday evening, December 22, at 7:00 P.M. The program consists of a play entitled "Joy to the World" which contains five tableau scenes and special music. The Sunday School classes will participate. The choir will sing selected numbers.

There will be a Watch Night Service from 9 to 12 on New Year's Eve.

**Community Congregational Church**  
The Christmas Program of the Sunday School was given on December 15. Over 100 treats were passed out by Santa Claus.

The Pilgrim Fellowship youngsters will meet at Pilgrim Hall, Saturday, December 21, at 7:30 P.M. for a hay ride. Upon their return they will go carolling, coming back to Pilgrim Hall for hot chocolate.

Rev. Bender will conduct a candlelight service Christmas Eve at 11:00 P.M.

**Mennonite Church**  
All Sunday School classes will participate in a Christmas program Sunday afternoon, December 22, between 2 and 3 P.M. There will be singing, poems, instrumental music and scripture recitation. The public is invited.

**People's Church**  
The bible school Christmas program "The Message of the Bells" by Elizabeth Brown will be presented December during the Sunday School hour at 9:30 A.M.

Sunday afternoon the young people of the church will sing carols at the Howell State Hospital.

Mrs. Nancy Nash Meeden, who toured Europe with the University Choral two years ago will be the guest soloist at the People's Church Sunday Morning Dec. 22 for the morning worship service.

"The Manger of Bethlehem" written by Charles F. Lane will be presented on Sunday evening, December 22 at 7:00 P.M. This Cantata is based on the scripture readings from St. Luke and is written for mixed voices. Twenty-three persons under the direction of Mrs. Eloyse Campbell, choir leader, will participate. The organ prelude beginning at 6:50 P.M. will be played by Sharon Gelpop consisting of the favorite Christmas music and carols arranged for organ.

After the Cantata the young people of the church will go carolling at various places and then go on to a party at the home of Martha Nash.

There will be a Watch Night Service starting at 9:00 P.M. December 31.

**St. Mary's Catholic Church**  
Masses will be said at 8:00, 10:00, and 11:30 A.M. on Sunday, December 22.

On Christmas Day there will be a midnight High Mass. Low masses will be 8:00 and 10:00 A.M.

Masses will be said at 8:00, 10:00, and 11:30 A.M. on December 29. On New Year's Day masses will be at 8:00, 10:00, and 11:30 A.M.

**Church of the Nazarene**  
There will be a Christmas cantata Sunday evening, December 22, starting at 7:00 P.M.

**Hiawatha Beach Church**  
The children of the Sunday School classes under the direction of Marvin Potter will have their Christmas program this evening, Wednesday, December 18. There will be recitations, choral selections, and an enactment of the nativity scene entitled "This Shall Be a Sign."

Rev. Michael will conduct a special New Year's Watch Night Service at the church from 9:00 to 12:00 P.M. on New Year's Eve.

and choir selections for this most joyous season of the year. Announcements from the churches have been made as follows:

Rev. Michael will conduct a special New Year's Watch Night Service at the church from 9:00 to 12:00 P.M. on New Year's Eve.

# ... Pinckney Prattle ...

By ALICE GRAY

Mrs. Marvin Shirey of Pinckney and Mrs. Orlo Bixel of Comins, Mich. were in Lima, Ohio over the weekend to attend a funeral.

The John Paul Wares who have moved into their brand new house on East M-36 entertained 16 guests last Sunday at a pre-Christmas dinner. Those present were the Earl Kimbler family, Mr. and Mrs. Tom Ware, Mr. and Mrs. Ross Lamb of Drayton Plains, and Richard Krahn.

### NEW BABY FOR THE BECKS

Cigars are the order of the day since William Beck of Beck's Marathon Station and his wife, Mariene, became the parents of a son, born Saturday, Dec. 14, at McPherson Health Center. Kenneth Lee, the new baby, weighed six pounds at birth. The Beck's are now the proud parents of three sons.

Measles seem to be prevalent these days in the younger set. Danny, five year old son of the Leonard Barrets, has missed some of his kindergarten classes this past week for that reason.

The little Brennemanns, Judy, Terry, and Mike, children of the Walter Brennemanns, students at Pinckney Elementary have been among the missing due to measles.

Mr. and Mrs. Rudolph Rantz of Cordley Lake left Monday, December 9 for a leisurely drive to Bradenton, Florida where they will spend the winter months. They expect to return to Pinckney around the first of April.

Mrs. Sadie Cooper and brothers, Roy and Raymond Harris have made a good many trips during the last couple months to St. Joseph's Mercy Hospital in Ann Arbor to see their sister, Miss Josephine Harris, who is a patient there. Miss Harris is in Room 5007, and while she is not supposed to have visitors she does enjoy lards and letters.

### ELEANOR LEDWIDGE HAS A BIRTHDAY

Mrs. Eleanor Ledwidge of 740 Putnam Street celebrated her 78th birthday last Sunday afternoon when her children honored her with a dinner held at the Twin Beach Country Club near Orchard Lake. This is an annual family get-together.

### Library

... News

The Pinckney Community Library Board and Librarian wish all their patrons "a very Joyous Christmas."

Christmas stories in the library include:  
 Davies, "Miracle on 34th Street."  
 De La Rame, "Dog of Flanders."  
 Dickens, "Christmas Stories."  
 Goudge, "Gentian Hill."  
 Goudge, "The Sister of the Angels."  
 Hooper, "Christmas Around the World."  
 Fox, "Legends of the Christ Child."  
 Knight, "Alexander's Christmas Eve."  
 Sawyer, "Christmas Anna Angel."  
 Sawyer, "Tono Antonio."  
 Sullivan, "Christmas With Ed. Sullivan."  
 Wagenknecht, "Fireside Book of Christmas Stories."  
 Wiggins, "Birds Christmas Carol."  
 Wiggins, "Old Peabody Pew."  
 Van Dyke, "Story of the Other Wise Man."

The Winter's Club met in the building Monday the 16th for a regular meeting and for Christmas refreshments. Next meeting Monday, Jan. 20 at 1:30.  
 A procession of pilgrims comes to the place where the celebration is scheduled. They carry clay figures of Mary and Joseph, and they seek shelter from the "innkeepers" within. At first the innkeepers refuse, they admit the pilgrims to feast and rejoice. Figures representing Mary and Joseph are placed in a replica of the manger. On Christmas Eve, the figure representing Jesus is added.

Gleanings from the Back Issues of the Pinckney Dispatch

### FIVE YEARS AGO

December 16, 1958  
 Charles Curtis Brown, 60, died suddenly at his home Sunday morning in the same house where he was born. A PHS graduate in 1917, Mr. Brown taught school for a while and then entered the employ of the Ford Motor Co., where he was still employed at the time of his death. His wife survives, also one son, Charles, and a daughter, Ruth Ann.

The engagement of Janet Shirley to Pvt. Ralph Williams of Arkansas was announced by her parents, Mr. and Mrs. Albert Shirley. The wedding is to be December 24th.

The John McQuires (Muriel Read) have moved from Grand Rapids to Orchard Lake. The Fred Reads and James Whitelys called on them Sunday.

The fire department took the pulmotor to the Otto Poulson home Thursday when he had a bad spell but he is better now.

Mrs. Sue Orey entertained Sunday at her home at a baby shower for Mrs. Martha Lavey. Twenty-two were present.

The Robert Ackleys, Margaret Ackley and Mrs. Roberta Neff attended the Messiah program in Ann Arbor at Hill Auditorium.

The Art Hamm family who lived with Mrs. Mae Daller are now located in Andra Prodesch, India.

George Roth spent the week-end in Chicago.

### 25 YEARS AGO

December 7, 1938  
 Miss Lucille Ryder and Asher Wylie were married at Coldwater on November 27. The groom is a son of Mr. and Mrs. James Wylie of Pinckney and the bride has been employed at the Michigan State Sanitarium. They will reside on the Wylie farm west of town.

At the annual election of officers, Livingston Lodge No. 76, F.&A.M., Ford Lamb was elected Worshipful Master.

Francis Shehan and Joe Lesiak attended the 4-H Club's Detroit Livestock Show Tuesday.

Mr. and Mrs. L. W. Hendee, the Albert Dinkels, the Gene Dinkels and Lou Shehan attended the International Livestock Show in Chicago last week.

Junior Doyle, while riding his bicycle Saturday night on M-36 in front of the Ross Read home, was hit by an auto driven by Ed Bennett. Junior escaped with a few bruises but his bicycle was badly wrecked.

Mr. and Mrs. Merwin Campbell have moved from the Bowman house on Pearl Street to the Sorenson house on Putnam Street.

Percy Ellis recently sold 36 head of cattle to Detroit packers which he had been fattening since last May. They brought over \$2,000. He also sold several truckloads of cattle, sheep and hogs from his farm.

Most of the boys here employed at the Hudson Motor Co. were laid off last week except Merwin Campbell, Stanton Line and Bert Van Blaircum.

Gerald Clinton has resigned his position at the Farmington Enterprise and accepted one on the County Press.

The Misses Lois and Helen Kennedy, Muriel Mac Eachren, Katherine Dilloway and Edsel Meyer took in the Milford-Pinckney basketball game at Milford Saturday night.

### 48 YEARS AGO

December 22, 1915  
 Eugene Dinkel was in Detroit Saturday. Otto Dinkel had charge of the draying during his absence.

Rev. A. T. Camburn entertained the Men's Class of the M. E. Church at his home last Friday night.

Mrs. H. F. Sigler entertained the Ladies' Bible Class of the M. E. Church at her home last Friday. There were about 30 present. A jolly time was had and the following officers were elected for the coming year: President, Mrs. Charles Teeple; Vice Presidents, Mrs. S. W. Guthrie and Mrs. S. H. Carr; Secretary, Mrs. R. K. Elliot; and Treasurer, Mrs. W. H. Clark.

John McIntyre has sold his residence, the old Colby place to Miss Nellie Gardner. She and Mrs. D. M. Monks will move there soon. Pat Murphy will move into the A. H. Vedder residence.

James Henry had the misfortune to break the bones in his hand while leading a cow, the first part of this week.

Walter Reason of the U of M spent the weekend at the home of M. J. Reason.

Miss Bernardine Lynch, who is attending school at Kalamazoo, is home for a two-week vacation. She is clerking at Meyer's Drug Store during the Christmas rush.

Miss Nida Lasher of Howell, and former Pinckney resident LeRoy Moran, were married in Howell last Saturday. Moran is now holding down a position in the government printing office at Detroit.

Alger Hall is visiting friends

in Flint and Bay City this week.

### 80 YEARS AGO

December 13, 1883

The first passenger train over the Air Line road arrived at Pinckney Monday afternoon. It was met at the depot by the Pinckney Cornet Band and quite a delegation of citizens who were treated to a complimentary ride for several miles out toward Hamburg and return. One train each day now runs to Pinckney, arriving about 3:00 p.m. and returning soon after. As soon as the ballasting is completed to Jackson, regular passenger and freight trains will be put on, with express and mail service.

Handsome invitations have been printed for a New Year's Ball at the Monitor House, Chamberlain's Band will furnish the music and W. B. Huff will be floor manager.

Mr. Churchill Handee of Putnam is very ill and not expected to recover.

Hon. William Ball of Hamburg was recently re-elected president of the Michigan Stock Breeding Association and also appointed delegate to Congress in the interest of the Association.

Mr. and Mrs. David Grimes are the guests of Pinckney relatives.

### CHRISTMAS IN YEAH!

Santa Claus is gaining favor with Italian children, but the traditional gift-giver, especially south of Rome, is Befana. Usually represented as a gray-haired witch who rides a broomstick, she brings toys for good children, but a stocking full of coal or ashes for naughty ones.

Legends say, variously, that she misdirected the Magi or that she refused shelter to the Holy Family. Repenting, she now goes around the world on Christmas Eve, seeking the Christ Child and doing good to children.

# Medical Social Worker Will Assist Patient To Cope with Other Problems & Anxieties

HOWELL — McPherson Community Health Center has taken one more step to give the inhabitants of Livingston County a hospital service unrivaled in other areas of like size in population, according to James H. Sullivan, administrator.

This step was the appointment of Mrs. Lois Hopkins

Ann Arbor to the post of medical social worker at the Health Center recently. Mrs. Hopkins is a graduate of the University of Michigan School of Social Work and comes to the Health Center with extensive experience in her profession.

Most recently she was a field consultant for the Multiple Sclerosis Society of Michigan. She also is known to the health professions of the county for her service as medical social worker at the Howell Sanatorium in 1958 and 1959.

Mrs. Hopkins' task as medical social worker will be to supplement the care given to patients by the physicians of the county and by the nursing and therapy staffs of the Health Center. Supplementary care is often necessary because there are many problems and anxieties which weigh heavily on patients. These are in addition to their concerns with the treatment of their physical ailments and other infirmities commonly associated with illness.

It is in the area of the "other problems and anxieties" that the medical social worker makes her contribution to the recovery of the sick person. She will work closely with the physician as she strives to solve the medical-social problems of the patient.

There are many ways in which she will attempt to help patients. Some patients may need to be reassured in the manner of living because of the course of an illness; the social worker may be able to help by explaining what new situations should be expected and how they best can be met.

Family problems of one kind or another often arise when there is serious illness in a family. Quite likely these will be unanticipated and difficult to resolve within the family. Many times the advice and counsel of the social worker can help the family through such a troubled period.

The readjustment period might occur either while the patient is under the physician's care or after the medical treatment is completed. Mrs. Hopkins will be available for help at either time.

Personal problems of the patient or those related to the behavior of one or more members of a patient's family might cause a physician to refer the case to the medical-social department. Likewise, the patient's family might find the social worker helpful in arranging care for the convalescent, the chronically ill,

or the terminally ill patient outside the hospital, when this is recommended by the physician.

Help is often needed in making living arrangements for a patient soon to be released from the hospital when there is no home to go to. In some cases financial assistance may be necessary to pay for the care, for appliances and supplies needed in the treatment of a patient. A knowledge of the various social, health and welfare agencies able to extend help to the indigent ill is part of the training of the medical social worker, as is the knowledge of how to work cooperatively with these agencies.

Mrs. Hopkins will be working with patients both in the hospital and in the Home Care Department. She will work closely with Mrs. Diane Webb, R.N., the Home Care Coordinator. In evaluating the home situation in which Home Care nurses are asked to care for patients.

When Mrs. Hopkins was asked if she could give some specific examples of the kinds of cases she might expect to have in Livingston County, she described several which she thought might occur locally.

For one, she mentioned the overburdened mother who was scheduled for surgery. This woman might need help in financial planning for the time she was ill and unable to keep at work at her part-time job.

She might need someone to talk to about the effects this illness might have on the children and on the husband who did not know how to carry on the home without her.

Another case might be one of a hospital patient whose recovery was being hindered by overwhelming family problems. The medical social worker might be able to talk to both the husband and wife and help them develop a stronger basis on which they might go on together after the husband was home again and restored to normal work activity.

Still another problem which might interfere with the convalescence of a patient at home would be that of a child patient with a brother or sister with a behavior problem. The treatment of the offending brother or sister might lead the social worker into a series of conference with agencies handling these problems. Through this, and for sometime later, she would necessarily keep in touch with the patient and his family, at least until she felt her support was no longer needed.

Many patients who need help in adjusting to new approaches to living brought about through illness might be the diabetic patient who has pride in her unusual recipes which are now forbidden her; or the patient who faces chronic invalidism and has a family unable to cope with the change in personality resulting from the illness.

## To Encourage Safety:

### Two Livingston Women Help Plan Conference

By Mrs. Mildred Chapel  
Through the efforts of Mrs. Raymond Maltby and Mrs. Ann Harmon, the first Michigan Women's Organization Conference on Safety will be held in Kellogg Center at M.S.U. on January 16, 17 and 18.

Mrs. Maltby and Mrs. Harmon have obtained a grant for the conference from the All-State Foundation. Women who are interested in the promotion of safety programs will be invited to this conference.

Governor Romney will issue invitations to representatives from all civic, religious, classified clubs, labor unions, medical auxiliaries, safety councils, farm and garden clubs, Farm Bureau women and Extension study clubs.

Due to space limitations, only 50 women will be invited by the Governor to participate. These women will be expected to take the information back to their respective organizations. For this reason the program is planned for audience participation in a workshop situation.

A steering committee composed of Mrs. Harmon, Mrs. Maltby, Gerald Shipman, Professor Leslie Silvernail and Gordon Sheehy, Director of the Traffic Safety Center at Michigan State University, are involved in planning the conference.

The program under consideration by this group is a most interesting one. Governor Romney will open the conference at a noon luncheon on Thursday. Experts in the safety field who will participate in the

**Pastor Wrote For Children**

"Up on the Housetop" is a happy Christmas song written by an Ohio pastor, Benjamin Hanby, in 1864.

Believing that music was a part of religion, he held weekly songfests for children in New Paris, Ohio. Since he was short of money, when the children needed a new song, he wrote it himself.

The song, which tells the joys of going "up on the housetops" and "down through the chimney with good Saint Nick" to the "click, click, click" of reindeer hooves, gained early popularity.

Its origin, however, was lost when the Chicago publishing house of George F. Root, publisher of the song, burned. Credit for the authorship was not restored until after Hanby's death.

IN BRAZIL  
Papa Noel makes the Christmas Eve rounds in Brazil, in a reindeer-drawn sleigh. He brings the trees with popcorn and bits of cotton — to make up for the snow that never falls. Since Christmas weather in Brazil is summery, picnics and boating excursions are a part of the celebration.

## Know YOUR MICHIGAN LAW

By Attorney General FRANK A. KELLEY

### Widows' Estates

[This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.]

Unfortunately, many widows are unaware of their legal rights in connection with the estate of their deceased husband.

Not only does the surviving widow have priority in the naming of an administrator of the estate, but she also is given certain financial benefits which have priority over all creditors, regardless of whether or not there is a will under Michigan law.

The widow and minor children constituting the family of a deceased shall be given reasonable amounts for support and allowances during the settlement, but not for more than one year in an estate where there are not sufficient funds to pay all the debts.

However, on the showing of necessity, allowances may be continued from time to time in any solvent estate beyond a year, but it shall be charged as an advancement from the estate against the interest of the widow or the minor children.

The exact amount that may be granted for maintenance is determined by the probate judge.

In addition to the right of the widow for a support allowance, she is also automatically entitled to:

1. All her husband's wearing apparel and ornaments;
2. All her wearing apparel and ornaments;
3. All the family furniture, and other personal property up to the value of \$200.

These rights are independent of any dower or other legal share she may have in the estate.

You should be aware that under Michigan law the widow is guaranteed a certain minimum inheritance of her husband's personal and real property in addition to what has been listed above.

The minimum share of real estate or personal property that she might inherit would be one-third and can be more depending on the circumstances. This is irrespective of whether or not her husband left a will.

I would advise the widow to consult a private attorney of her choice to counsel her on this subject.

IN GERMANY  
Many modern Christmas customs come from Germany, including the lighted evergreen tree. Appropriately, gift-giving season in West Germany today starts after Christmas bonuses are distributed on December 1.

## Well-Known Green Oak Tenor Sings for Godfrey This Week

Fred Kendall, regular tenor, and Rosemary McGann, "Cinderella" soprano on WJR's "Bud Guest Show," are guests this week with Arthur Godfrey on his CBS Radio Network "Arthur Godfrey Time." Kendall resides in Green Oak Township.

Godfrey was attracted by the two singers when he appeared with Bud Guest on the show, broadcast live from the WJR studios, Nov. 14. Godfrey was so impressed with the Kendall-McGann combination that he invited the pair for the December date.

Fred Kendall, possessing one of the finest tenor voices in the mid-west, has appeared in concert with the Detroit Symphony Orchestra, the Windsor Symphony (Ontario, Canada) and the Houston and Dallas symphonies in Texas.

In the field of musical opera, he has appeared with the Detroit Civic Light Opera Company.

Kendall has been pop-ballad "singer-in-residence" with WJR since returning from World War II military service in 1944, appearing as a regular on such programs as "Anything Goes" and "Guest House." Kendall is currently heard as featured tenor on the "Bud Guest Show," 12:30-12:55 P.M., Monday through Friday.

During their engagement with Arthur Godfrey, Kendall and McGann will be popular ballad solos and show tune duets from the light operettas and musicals of such composers as Sigmund Romberg, Jerome Kern and Rogers and Hammerstein.

CBS's "Arthur Godfrey Time" is heard over WJR at 11:10 A.M. to 12:00 Noon, Monday through Friday.

# Society NEWS

## Verville - Cahill

### Wedding Date Set

BRIGHTON — Mr. and Mrs. Paul Verville of Leo Dr. announce the engagement of their eldest daughter, Charlotte Jean, to Dennis Cahill, of Howell, son of Mr. and Mrs. Bob White.

A graduate of Howell High School, he presented Charlotte with a ring on November 15. The wedding will take place at St. Johns Episcopal Church of Howell on February 15. Mr. Cahill is employed at his father's service station in Howell but will have a business of his own in the near future.

### Marriage Licenses

Daniel Alford Newman, 23, Ypsilanti, and Josephine May McKinley, 18, Brighton.  
Bernard F. Kourt, 40, Brighton, and Winifred Jean Wilson, 36, Howell.

### Shower Fetes

#### Beth Osborne

Miss Beth Osborne was honored with a bridal shower Sunday, given by Mrs. Robert Kennedy.

Eighteen guests were present. The centerpiece was two heart shaped cakes joined together with two little love birds with a pearl ring around their necks.

Miss Osborne and John Cord will be married at the First Methodist Church on January 11.

### IN SCOTLAND

Christmas feast favorites in a rich cake or cookie, and haggis, a kind of pudding. New Year's Eve, or Hogmanay, is the principal day for gifts and greetings, when children go singing from house to house, in hopes of a treat. New Year's visits are paid — and it's customary for the visitor to bring along a pocketful of coal.

Mrs. Weatha M. Reicks announces the engagement of her daughter, Barbara L. to Dale A. Cole, son of Mr. and Mrs. Albert Cole of Brighton. A January wedding is planned.

WEDDING BELLS — Mr. and Mrs. Harold E. Dixon of Brighton Lake Road announce the engagement of their daughter, Deanna E., to Edminston B. Martin, son of Mr. and Mrs. Edminston Martin, Sr., of Crooked Lake. Both are 1962 graduates of Brighton High School. Miss Dixon is employed by Michigan Bell in Howell. Mr. Martin is employed by M. Gardner tile. A January wedding is being planned.

BETROTHED — Edward Haltz of Aiden, New York, announces the engagement of his daughter, Dorothy Jeanette, to Garrett Lee Barker, son of the Rev. and Mrs. Alvin Barker of Brighton. Miss Haltz is a student at Houghton College. Mr. Barker attended Houghton College and is now a student at Detroit Bible College. No date has been set for the wedding.

TO WED SOON — Mr. and Mrs. Ross Withers, Jr., announces the forthcoming marriage of their daughter, Theresa Ruth, to Gustav Frank Kasper, son of Mr. and Mrs. Gustav Kasper, Jr., of Brighton, on Dec. 26 at St. Rose of Lima Church in Chula Vista, California. The couple will make their home in California where Gustav Frank Kasper is stationed in the U. S. Navy.

## Cuban Refugee Family of Three To Reside Here

Mrs. Serafina Peguero and her two children, Jose and Dolores, arrived in Brighton last Saturday — one of many Cuban refugee families settling in the United States. Jose and Dolores arrived in the U. S. in the fall of 1961; Mrs. Peguero arrived in the spring of 1962.

The family lived in Florida until Saturday but now resides at 420 1/2 Spencer Road. The children speak English, but Mrs. Peguero doesn't. Jose is in the seventh grade, Dolores is a fifth grader.

The care of the family up to now has been part of a program jointly administered by the United States government and Church World Service, a protestant relief agency.

Now the responsibility for this family is being taken by the Presbyterian churches of Brighton and South Lyon. Robert Brigham of South Lyon is chairman of the committee in charge of the project. Roy Mester of Brighton, co-chairman, says Mrs. Peguero will be learning the English language and seeking employment.

Mr. and Mrs. Evert VanRaden, Howell, Girl  
13—Mr. and Mrs. Bert Holbrooks, Danaville, Girl

GOLDEN WEDDING — Mr. and Mrs. Rufus Darlington will be honored on the occasion of their 50th anniversary with an open house from 2-5 at their home, 12820 Spencer Rd., Milford, with their children, Mr. and Mrs. Vern Darlington of Wixom; Mr. and Mrs. Garner Hudson, of Milford; Mr. and Mrs. Delbert Musoy, Fowlerville; and Mr. and Mrs. Harold Blanck, Belleville will welcome relatives and friends. Rufus Darlington and Carrie West were married at home Dec. 24, 1913, and have lived in the vicinity of Livingston County their entire married lives. They request no gifts.

## Around Bishop Lake

E. C. Schroeder 227-3420

Nothing seems to be happening here — "News-wise." Everyone seems to be rushing from shopping, to programs, to addressing cards, to cleaning — a mad, mad, gay old world!

It's Mary Schroeder's 11th birthday today (Wednesday, Dec. 18).

Trapping is bogging down with zero temperatures and rabbit hunting hasn't quite taken hold despite the snowfall. So — we scuttle off until next weekend!

The Ramm household is a happy place with their young Marine, Jesse Petty, home on a Christmas leave.

# Gregory News

BY: M. COUGRAN

Mrs. Nettie Caskey and Feris Caskey attended a Nutrilite and Amway Christmas party at Jackson Saturday.

Mr. and Mrs. James Rolly returned to Fort Campbell Monday.

The Gregory Baptist men met Friday evening. Protestant Chaplin from the Saate Prison of Southern Michigan, was the special speaker.

Mrs. Dora Dewey, former Gregory resident passed away at Bradenton, Florida. Funeral services were held Wednesday from Caskey's at Stockbridge. She is survived by one daughter, Mrs. Chauncy Corser of Lansing and one son, A. L. Dewey of Florida. Interment

Plainfield Cemetery. Several ladies enjoyed an 'Old Fashioned' Breakfast at the home of Mrs. Carl Burkland Monday morning. Mrs. Burkland baked the pancakes for the occasion on a wood stove.

Mr. and Mrs. Richard Ludtke of Ann Arbor spent the weekend with Mr. and Mrs. Harold Ludtke and son.

Mr. and Mrs. Art Maschke entertained their farm Bureau Group for their annual Christmas Party Monday evening.

Mr. and Mrs. Clyde Robeson attended the 'Messiah' at Jackson Sunday evening. Their daughter Marie participated in the Messiah.

## Ready To "Bowl" You Over

Kittens don't usually come in bowls, but this quartet of feline chatters was playing with a ball of yarn and just seemed to wind up there. According to H. Jack Middleton of Purina Cat Care Center, cats are the most playful pets you can have. With bits of string, a ball of cellophane or paper, they'll play contentedly—and imaginatively—for hours. And from a practical standpoint, they add, a cat is the ideal pet for city, suburbs or country, since it thrives under widely different climates and circumstances. A word to the new cat owner: give your cat a scientifically prepared and balanced cat food, such as Purina Cat Chow. This is the first dry food to be specifically designed for cats, and supplies all the protein, vitamins, minerals and other nutrients needed by kittens, mature cats, expectant and nursing mothers.

## Michigan Police Will Endeavor To Insure Safe Holiday Driving

Making extra effort to help curb Michigan's mounting traffic toll, the State Police will operate special 36-hour road patrols during the Christmas and New Year holiday periods, Commissioner Joseph A. Childs reports.

Twenty-two persons died in accidents during the Christmas holiday period last year while another 30 were victims over New Year's. For the five years of 1958 to 1962 deaths averaged one every three hours and 12 minutes for the Christmas period and one every four hours and 30 minutes for New Year's.

Assisting the State Police will be 106 National Guard members who will serve either as second men on traffic patrol or on point control.

The patrols will provide maximum coverage from 3 to 9 p.m. each day of the holiday periods when traffic is expected to be heaviest. Emphasis will be on state trunklines and primary county roads having high accident experience and heavy traffic volume. Where available State Police detectives will take desk assignments to relieve uniform men for patrol services.

The Guardsmen will serve from 1 to 11 p.m. on the day before Christmas and for the New Year period during the hours which State Police district and post commanders decide are best for coping with traffic problems locally.

## Two-Car Crash Injures Five

PINCKNEY — Five persons were injured in a two-car collision on December 14 about 7:25 p.m. on Patterson Lake Rd., one-half mile east of Cedar Lake Rd., in Pinckney. Francis LeRoy Doan, 25, 4475 Patterson Lake Rd., Pinckney, driver of one of the cars, told sheriff's deputies that he had stopped for a car which was in the ditch when his car was struck from behind by one driven by Paul Stapleton, 19, 21430 Spears Rd., Pinckney. The deputies were unable to talk with Stapleton.

Ronald Makin, 14, Farley Rd., Pinckney, and Harold Fairbanks, 33, Route 2, Pinckney, passengers in Doan's car, and Donald Puckett, 21, 221 S. Main St., Pinckney, who was riding with Stapleton, were taken with the two drivers to St. Joseph Hospital for treatment.

Bad weather and icy roads caused a number of other accidents to keep the sheriff's department busy but the above incident was the only one resulting in injuries.

## Amazing Gift Seems Answer To Prayer

HOWELL — Are you one of those who feel that the age of miracles has passed? Cadet and Mrs. Howard Guetschow, officers in charge of the Salvation Army of Livingston County, will tell you that you could not be more wrong for they feel that a real miracle has just happened to them.

Cadet Guetschow was feeling a little discouraged over the response to the Army's canned goods appeal that is now going on to provide food for needy families for the holidays.

Remembering that the Bible warns, "You may pray amiss," he quietly and confidently asked the Lord to help the situation in His own time and His own way and waited.

When the contents of the Salvation Army kettles were being counted recently, Mrs. Guetschow opened an envelope that came from a kettle placed in Brighton. Inside was a note saying, "Here is 10 per cent of my pay since I got my job," and \$190.

A miracle? Cadet and Mrs. Guetschow think so.

## Bullet Fired Into Twp. Hall At Gas Election

HAMBURG TOWNSHIP — Last Thursday, citizens of Hamburg Township voted on the granting of a gas franchise to the Consumers Power Gas Company.

In Precinct 1 there were 170 yes votes and 4 no votes. In Precinct 2 there were 117 yes votes and 1 no vote. This all ended up to a total of 287 for and 5 against.

During the day a bit of excitement was created when a shot from a .22 rifle was fired through one of the windows of the township hall.

Those in the office at the time were Supervisor Francis Shehan, George Lloyd of Detroit, and Ellen McAfee. Women who were working in the poll area at the time were Grace Strass, Pearl Ripielle, Bernice Baker, Julie Ware and Ida May.

There were no voters in the building at the time, and no one was injured.

There's no limit to the height a man can attain by remaining on the level.

Spain. In Greece, St. Basilio comes on January 1 to deliver gifts, and he too is transported by ship.

## Pioneers Plan Yule Merriment

Plans for a Christmas party for the 4-H Pioneers were discussed at a business meeting December 4, in the home Ec room at the high school. It was decided that an ice skating party would be held at the John Wlodzyska home December 19, a Thursday, from 2 till 4:30 p.m. Refreshments will be hot cocoa and cookies, and there will be a gift exchange.

Because of the Pinckney 4-H Pioneers being such a large group they have split into two groups of 15 girls each. Each group elected their own officers. These are the heritage of success. Nobody envies a failure.

No problem will go away just because its feelings are hurt at being ignored.

## Pinckney People You Know

BY DOLLY BAUGHN

Arriving in time to get home and be somewhat acclimated by Christmas day with the family is Christopher John, 6 lb. 15 oz. son of the Louis Wellman's. Christopher was born December 11, at the Howell Health Center and is most anxious now to get acquainted with his sister, LuAnn, 5, and his brothers, Danny, 7, and Timmy, 2.

Mrs. Sadie Read left Sunday, December 15 to spend the holiday season with her son's family, the Russell Reads in Philadelphia, Pa. She will continue from there to go on to her winter "port" at Clearwater, Florida. She will be there till spring.

Mrs. Fran O'Leary is all smiles these days, what with having her son, Pvt. Gary Szalwinski home on leave till January 1. He surprised all his friends and relatives with his arrival, including Dennis Daily who was married last Saturday, and Gary was here in time for the wedding. He will return to Camp Pendleton, California and enter a school of electronics.

We would like to say "happy birthday" to Bud Szalwinski, Dec. 19, when he becomes one year older. Mr. and Mrs. Bud S. live in San Pedro, California.

Mr. Ora Haines and his sister, Mrs. Grace Dmaska, both of Mason, visited at the Cliff Haines home Sunday. Reports are that Ora is in good condition, healthwise.

Cliff Haines sprained his wrist and cracked two bones in his wrist while working at Chrysler Engineering at Chelsea the day before Thanksgiving. He has his wrist in a cast, where it is to stay for at least three more weeks.

Mrs. Bob Cole (formerly Florida Bond) was admitted to Howell Health Center last Tuesday p.m., and Thursday

was moved to St. Joseph Mercy Hospital Ann Arbor to be under care of specialists. She is getting along fine now, and will be moved back to Howell Health Center soon.

Jim Campbell, son of Mr. and Mrs. Campbell, graduated last Wednesday night from Radio Electronic Technician School in Detroit. He has attended this school for two and a half years. His mother, Mrs. Roy Campbell, attended the graduation exercises and the dinner following for the parents and friends of the grads. It was held in the Rackham Memorial Building, Detroit. Mrs. Campbell then spent the night with Mr. and Mrs. Jim Campbell at Highland Park.

## School News

SIXTH GRADE  
MRS. TASHCH  
By Becky Michael

Last Friday we decorated our room for Christmas. On Thursday before that, we drew names so we could exchange gifts.

We had the eighth grade, Mrs. Wilkin's room; the seventh grade, Mrs. Erhard's room; and the fifth grade, Mrs. Douglas' room, come and see our play we are doing for the parents next Monday.

We are making Christmas presents for our parents. Do you want to know what they are? Sure you do, but we aren't going to tell you!!

## Sea Inspires Lore Of Ships at Yule

Ships arrive on Christmas morning, carrying Jesus, Mary and Joseph, says the English carol, "I Saw Three Ships Come Sailing." This is one of many legends developed by seafaring peoples to connect Christmas and ships.

Stories of the first St. Nicholas were carried from Asia Minor to northern Europe by sailors, and children in Holland long believed that Saint Nicholas arrived by ship from

TO THE 1,185,000 FAMILIES SERVED BY

# DETROIT EDISON

What can you buy for pennies today? Electric energy is one thing—the cleanest, most versatile form of useful energy. One great advantage is its adaptability. Electric energy is used for lighting, cooking and communication; for heating, cooling and to run computers. It powers motors small enough to run wristwatches, and motors large enough to operate the presses that form auto bodies.

Detroit Edison provides electric energy for pennies per kilowatt-hour. And the more you use, the lower the unit cost becomes. Below, expressed in pennies, are estimated costs of operation of the more commonly used electric appliances.

Constant research, alert management and the dedication of our employees have enabled us to reduce the unit cost of electric energy. For example, when I first became a part of the electric industry in 1922, it took nearly two pounds of coal to generate one kilowatt-hour of energy. Over the intervening years I've seen technological developments reduce this figure to 1.7 pounds—1.5 pounds—1.25 pounds and then a pound. Today, the most efficient of our turbine generators produce a kilowatt-hour of electric energy from three-fourths pound of coal.

Detroit Edison has pioneered in many of the engineering improvements which have led to these and other economies. As a result, the company has not increased its rates for electric service since 1949. Equally important, most of our customers use more electric energy now than they did then, so the average cost per kilowatt-hour is 14 per cent less than it was in 1949.

This is one reason why it's good economy to live electrically. Detroit Edison services, including free or minimum cost electric appliance repairs, are additional reasons. Backing up these services are all the efficient facilities and friendly people that are the company.

Sincerely, *Walker L. Cislser*  
WALKER L. CISLER, PRESIDENT, THE DETROIT EDISON COMPANY

## Operating Costs of Electric Appliances for Typical Use in An Average Family

APPLIANCE	ESTIMATED OPERATING COST	APPLIANCE	ESTIMATED OPERATING COST
Air conditioner, Room...2 1/2 to 4¢ per hour		Heating pad.....1¢ for 8 hours

## Salvation Army Expects to Assist Over 125 Families at Christmas

The Salvation Army of Livingston County is working hard these days to see that every family in the county will have a merry Christmas. Workers are selling the Army magazine, "War Cry," not only to get their message into homes but to bring in money to further their work. A letter appeal is also being sent out to friends who have helped in the past and to possible new friends. Of course, the familiar red kettles are dotted around the county in convenient locations.

A toy drive was conducted and 16 or 18 gas stations in the county acted as drops for used toys which the Salvation Army picked up, refurbished and made like new for Christmas distribution.

Twenty food stores around the county also have big boxes in which those buying their weekly supplies may drop an extra can or two of food to share with a needy family.

On December 23 and 24 families whose names have been turned in to the Army by the county welfare board and Aid to Dependent Children will be at the Army Hall to select toys for each child in the family and to receive such items of clothing as they may need.

Then the food baskets will be given out. It is estimated by Cadet Howard Guetschow that between 125 and 150 families will receive baskets.

He says that even in the best of times 40 per cent of the people of the United States have some need. He also stated that by Christmas the Salvation Army will have given out about 600 boxes of candy to the children.

On December 23, all the families who are recipients of food and baskets have been invited to a party at the Lakeview Roller Rink which is being donated for the occasion by the owners, Mr. and Mrs. Farmer. Children of the Lakeview Dance and Skating Club will put on a Christmas program on skates as entertainment.

Carols will be sung and Santa Claus will be present to talk with the children and present each one with an orange, an apple and a box of candy. The Farmers are also donating candy canes that evening.

## Joy and Reverence Mark Holy Season

Candlelight and music, pageants and prayers fill churches everywhere as Christians celebrate, at special services, the birth of Christ. The joy and message of new life, hope and promise of "Peace on Earth, Good Will toward Men," finds expression many ways.

In choirs singing the praises of the Babe of Bethlehem, in scenes symbolizing the birth of a Child in a manger, in the gleam of candles reflecting the light of a Star, in the sound of voices raised in carols gathered from around the world and showing the true brotherhood of man, Christmas in all its beauty and glory goes out to hearts, young and old.

"CHRISTES MASSE"

To Western Christian believers, December 25 carries all the deep religious meaning appropriate to the anniversary of the birth of Christ. As the date for the celebration of "Christes Masse," the Mass of Christ, it was selected some centuries after the Nativity—selected from a number of possible dates, among them January 6, March 21, March 29, April 9, May 20, September 29 and November 17.

In some Eastern Orthodox churches, Holy Night comes on January 6, Christmas Day on January 7. The Armenian church celebrates Christmas on January 19.

Generally, researchers are agreed that the correct date and year of Christ's birth are lost in the past, although some tentative conclusions can be drawn. Since it is the meaning of the day that counts, the date that has for centuries symbolized the coming of the Saviour will undoubtedly continue its holy significance in Christendom.

To those who like to ponder on the world as it was when the Infant Jesus was born, and on the growth of Christianity, some delving into the researches about Christmas can be a rewarding experience. Any tendency to take Christmas for granted disappears in the fascinating study of the early Christian church and its growth in the face of resistance.

A comparison of Biblical references with archaeological and historical researches discloses that Christ was probably born before 4 B.C. — in other words, the present year is not 1963 of the Christian era but at least 1967.

Evidence to support this relates to the reign and death of Herod. An eclipse of the moon in 4 B.C., which coincided with a Jewish religious festival, has helped historians to fix the death of Herod at about this time — and when he died, according to the New Testament, the young Jesus, Joseph and Mary were living in Egypt.

**DATE FOR TOXES**  
That the birth of Christ may have occurred as early as 7 B.C. is deduced from archaeological discoveries indicating that one of three major tax collections in the reign of Augustus Caesar may have taken place then.

Selection of December 25 as the birth date of Christ may have been an effort on the part of early Christian leaders to counteract the pagan appeal of the Roman Saturnalia, a festival held at the turning of the year.

Selection of December 25 as the birth date of Christ may have been an effort on the part of early Christian leaders to counteract the pagan appeal of the Roman Saturnalia, a festival held at the turning of the year.

The Junior Choir will also sing. There will be a care group for small children.  
Christmas Eve  
Tuesday, Dec. 24  
8:00 P.M. — Holy Communion. There will be a care group for small children.

**PRESBYTERIAN WOMEN**  
The Presbyterian Women's Association held its annual Christmas party on Monday, Dec. 9, at 8 P.M.  
Amid gaily decorated miniature trees and many gleaming candles, the installation of new officers and circle drawing took place.

New officers for 1964 are: President: Mary Johnson; Vice-Pres. (Program): Irene Price; Vice-Pres. (World Service): Betty Dobson; Vice-Pres. (Fellowship): Shirley Barton; Recording Secretary: Helen Southwell; Corresponding Secretary: Darlene Hughes; Treasurer: Gladys Bellby; Nominating Committee: Norma Jamison; Circle Leaders: Helen English, Ruby Young, Thelma Ewing, Linda Cole, Mammie Engram.

These officers were elected by the Association and installed by Pastor Coffey. Special music was sung by Alicka Newcomb.

Each year the circle drawing is a time of excitement for everyone, waiting to know whose circle they will be in for the coming year. All five circle memberships are changed once a year.

After Past-President Norma Jamison presented the gavel to President Mary Johnson, refreshments of Christmas tree ice cream and cookies were served by Alva Singer and her committee. The climax of the evening was a worship service held in the sanctuary under the direction of Irene Price. The theme for it was "We Behold His Glory" in the Promise of His coming, in the Fulfillment of that promise, and in the Proclamation of that life and Truth.

Those taking part in the worship were Heidi Calusnitzer, Tessa Padley, Louella Fless, Louise Breman, Dorcas Bidwell, Betty Golden, Peg Leitz, and Fritzie Seger.

Sixty members and guests were present for this very special evening of inspiration and fellowship.

It is not so much a matter of civic morality as of a critical reexamination of all morality, personal, private, and public. —Daniel Goldberger

Eagles Win One Game, 39-33, Lose Other to Linden, 56-53

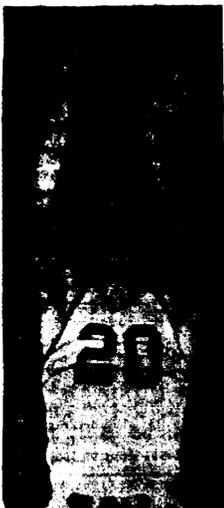

BY JIM STANFIELD  
HARTLAND — Hartland played twice last week, Tuesday Hartland traveled to Linden to go down in defeat by only three points. The game was so close all the way with Hartland leading at the beginning. The halftime score was Linden 28 Hartland 20 and the final score was 53 to 56.

Tom Risner was the high point man with 15 and Dale was second with 9. The JV's won their game with Linden by a rousing score of 53 to 30. Hartland led Linden at the halftime with a score of 29 to 18.

Hartland played host to New Lothrop last Friday night. The game was much like the game with Linden in that they both were very close. The halftime score was 21 to 17. Hartland went on to victory by the score of 39 to 33.

The JV's won their game with New Lothrop 40 to 33. Starters for both varsity games were Dale Callaghan, Dewey Mathews, Tom Risner, Merle Smith, and Phill Johnson.

Phill was high point man Friday with eleven and Merle was second with nine. Hartland will play host to Byron next Friday, Dec. 20. The game will be followed by a Christmas dance sponsored by the senior class.

HARTLAND'S Phill Johnson attempts a free throw.

Mixed Menu of Br'er Fox

FOXES EAT MOSTLY AT THE "MOUTH OF THE CORNUCOPIA"

Bounties were established because people thought foxes ate lots of game birds and animals. However, studies by the Michigan Conservation Department show that foxes simply eat whatever they can get. Probably the most important staple in their diet is field mice, but they also normally eat insects, snakes, rabbits, and dead creatures found on roadways or in the woods, corn, frogs, and many other kinds of meat, vegetables, and fruits. In proportion to other things, foxes do not eat many pheasants or rabbits, mostly because these two important game species are too tough to catch.—Mich. Dept. of Conservation

Saline Posts Top-Heavy Score in Victory Over Pinckney

Last Friday December 13, was certainly a day of bad luck, just as the superstitious ones predict it should be, for the Pinckney Varsity basketball team. They lost to Saline 79 to 34.

Again the Pirates were lacking height by taller opposing team members. Again the Pirates lacked the height to come up to their opponents height. Allan Steffen led the Pirates on the rebound with 13 baskets, all tall.

Pinckney made 12 of their 58 floor shots for 20%, while Saline made 31 out of 60 for 51%. Steve Randolph was the high scorer for Pinckney with 12 points, while Larry Heiber made 14 points and Harold Kuder made 12 for Saline.

Saline also lead in the free throw department by sinking 17 of their 24 shots for 70%. Heiber got 6 of his 14 points on free throws to lead Saline on these. Pinckney also had 24 attempts, but made 10 for 42%.

Pinckney had 20 fouls on them to Saline's 21. The Pinckney JV's lost to Saline J. V's prior the Varsity game.

Next Friday the Pirates journey to Ypsilanti to play Ypsi-Roosevelt.

SPORTS PROFILE

BY GARY OFFERMAN AND LEE NILES  
(B.M.S. Review Staff)

"It's making the right hand-offs and being where you're supposed to be, which is the hardest part about playing center," replied Hank Gallup, flashy center for the Brighton eagles.

"The Gallumping Ghost" (because you don't see him often, at least not often enough to satisfy him) has been with the Brighton team for three years. A "small" six-footer (6 foot 1 inch frame, just in case you want to get technical) "came out because it is interesting and exciting."

Hank didn't come out for basketball until he reached high school. On the freshman team he made 30 points in his first season of basketball. Last year on the Junior Varsity squad he played first and

Hank's best game came against Milford when he led both teams in rebounds and tossed in ten points for the Brighton cause.

This year Hank was brought up to the Varsity team and is currently second string. "Isn't bad considering he's only had two years experience!" as a friend remarked.

"Right now our team is experienced. The whole team has a lot of hustle and desire with a few breaks, who knows?" commented Hank.

So far Hank has two letters, one J.V. letter in basketball and one Varsity letter in baseball.

Hank's hobbies include reading, model cars, and Anne (his favorite hobby).

Hank plans to go into conservation work after he graduates.

Wolves Chew Up Brighton Bulldogs

Clarkston's Craven Hits for 29 Points

BY LEE NILES

BRIGHTON — The Brighton Bulldogs were beaten at Clarkston 60-26 by the Wolves Friday night.

Only 4 B.H.S. players broke into the scoring column, however, all the members of the team saw action.

The first-place Wolves used their fast break to build up a 13-3 lead in the first quarter. The Clarkston powerhouse rolled to a 29-11 half-time behind such players as Dan Craven, Ken Miskin, and Gary Pearson.

Craven was last year's "high point" man for the league and was accompanied by Miskin on the Wayne-Oakland league team a season ago.

Craven turned in a brilliant performance before a screaming crowd and a bewildered B.H.S. team. He hit for 29 points from anywhere outside with his jump shots. Add this to the fast break of the victors and Brighton couldn't handle it.

Miskin contributed eleven points to the Clarkston triumph and Pearson had 8 in the smear. With tremendous ball precision and Mike Bray, a 6-foot-4 center to get rebounds, the locals didn't stand a chance in the game.

Coach Robert Kucher's boys tried to control the ball and wait for good clear shots, but this didn't work as his team only made 14 per cent of their shots. The orange and black squad was led by the young sophomore, Bruce Evanson, with 10 points and all of his rebounds; even this wasn't enough to overcome the mounting division in the score.

Mike Stelwag sparked on defense but only had 6 points to his credit. Bill Benaar at his guard post passed the ball to the other boys and made 8 points, but failed to make an impression on the overwhelming score.

He was one of the 5 guards put in as one part of the game in a last resort by the losers.

Bill Benaar, Larry Flowers, and Jim Voltz shared the duties of guards, but never controlled the ball in an effective way. Voltz made two free throws to get his points in the fruitless effort by the Bulldogs to battle back.

Doug Zimmerman was the captain for Coach Kucher, but was helpless at leading his teammates to a victory. Kucher used all his boys in an effort to gain a win. Coach Kucher stated, "We ran into a real good ball club. The teams we've been up against have a combined record of 13 wins and only 3 losses. This proves that we're not the only team losing to these clubs."

In a wild match of fouls, technicals, boys being tossed out, and a zooming score, the Bulldogs' line-up made mistakes that Clarkston jumped on to score. Jonbury was thrown out for a non-sportsmanlike display under the boards with Evanson.

Miskin also was warned, as was Larry Flowers on the Brighton side.

Teamwork was lacking as the strong offensive attack was launched by the Wolves. Cliff Ritter and Hank Gallup added a brief moment of pleasure for the B.H.S. fans as they came up with 3 or 4 rebounds in a row, but this joy was soon erased by a burst of points by the howling Wolves.

The Wolves had something to howl about as they tied

for first place in football and seem to be the only real powerhouse in the league for basketball.

This is the fourth straight defeat for the Bulldog squad.

This Friday they play at Holly.

The Wayne-Oakland League standings are as follows:

Clarkston	3-0
Bloom Hills	3-0
Milford	2-1
Holly	1-2
W. Bloom	1-2
Clarenceville	1-2
Northville	1-2
Brighton	0-3

## Methodists Announce Three Events

Three special Christmas observances will be held at the Walnut Street Methodist Church in Howell.

On Thursday evening, Dec. 19, a family night potluck supper will be held followed by a program. Marcelle Smith will sing a group of selections and Sylvia Burden will tell a group of Christmas stories. Mrs. Smith, organist of the church, has recently been the soloist with the Saginaw Symphony. Mrs. Burden of Flint is past president of the National Storytellers League.

Sunday, December 22, at 7 p.m. the church school will present a program under the direction of Audrey Murray.

On Christmas Eve a family worship service will be held at 7:30 p.m.

## Howell Reporter

Mrs. A. C. Topor  
Howell 596

DEADLINE  
12 NOON MONDAY

## Don Rhodes Heads Chamber

At its meeting last Wednesday night, the Howell Area Chamber of Commerce elected the following officers: Don Rhodes, president; Ed Kowalski, vice president; James Settle, secretary; and William McPherson Smith, treasurer. Chosen as directors were Bob Akin, Russell Engelhardt, Fred Catrell, Harold Crandall, Dr. Robert Itzell, Harold Shippy, Kay Voss, and John Beatty. Frank Bignell will serve on the board ex officio as the immediate past president.

The date for the annual Chamber of Commerce banquet has been set for January 15. Further details and the name of the guest speaker will be announced later.

## 2 Lake Levels Established

HOWELL — Last week in Circuit Court Judge Michael Carland officially established the level of two county lakes.

Somewhat over a year ago the board of supervisors received petitions of more than two-thirds of the freeholders owning property abutting Bass Lake in Hamburg township and Cedar Lake in Marion township requesting them to take action to restore the normal height and level of the waters of the two lakes.

At their regular meeting on September 18, 1962, the board voted to have the court determine and establish such height and level for the purpose of promoting public health, safety and welfare, conserving natural resources of the state, protection of the abutting land owners and to preserve property values around the lakes.

Ruling on the Cedar Lake petitions on December 9 and on the Bass Lake petitions on December 10, Judge Carland established the normal levels and heights at 853.95 feet above sea level.

## 550 Voters May Be Cut From Rolls

Howell city voters are being notified this month if they have failed to exercise their right to vote within the past two years.

This is done in accordance with state law and voters have thirty days in which to re-instate their eligibility to vote. Approximately 550 people in the city of Howell are affected by this law.

Our destinies are decided not by chance but by choice — our choice. —Anonymous

The best way to get more out of life is to put more into it.

Telephone lines

By RUSS ENGELHARDT, Manager

THE ANSWERS TO MANY QUESTIONS about your phone service can be found in the front of your telephone directory—right before the listings of names and numbers.

For instance, the Area Codes for every section of the U.S. . . . emergency numbers for police and fire protection . . . how to place a conference call linking several relatives or business associates in two or more cities at once . . . and many more bits of useful information. Why not get acquainted with the information pages of your telephone directory?

THE PICK OF SANTA'S PACK is a colorful extension phone—selected for just the right room. A dainty little Princess phone for the bedroom. A space-saving wall phone for kitchen or workshop. A desk set for den or living room. Whichever you choose you'll know you're giving pleasure, convenience the whole year through. Place your order right now, just by calling our Business Office.

A VERY MERRY CHRISTMAS # and a bright New Year . . . from all of us at Michigan Bell

# K of C To Lay Cornerstone Sunday

The Howell Council 2659, Knights of Columbus, is making plans to have the cornerstone laying ceremony of their new hall on Grand River Ave. east of Howell, on Sunday at 3 p.m.

The Past Grand Knights have been personally invited to participate in the ceremony.

The cornerstones will contain a metal box into which will be placed mementos from the history of the council and current news items. The Howell Council had its beginning in 1927 when Chris Hupert along with Tom Sculley, Frank Bush, and Peter Sawyer met at the Hupert home on North Michigan to organize the council.

Hupert teamed with Sawyer and Sculley with Bush to conduct a membership campaign. They met again at the Hupert home about 10 days later with approximately \$140 in subscriptions for membership. The first initiation of 50 members took place on October 30, 1927 on the ground floor of the city hall building under the direction of Council 305 of Detroit.

Hupert had been a member of Council 305 since 1916. Ferd Thifels of Pontiac was District Deputy at the time. Father John Crow, who succeeded the organization, was the first chaplain. There were then 65 members in the newly-formed council. Chris Hupert became the first Grand Knight and he served in the capacity again in 1932.

The early meetings were held upstairs over Watson, O'Leary store and later on the second floor over what is now the Pinch A Penny store. The council built their hall at Earl Lake in 1948 and sold the property in 1961. Since then, meetings have been held at the Elks hall and more recently at John McMillan's on Rush Lake.

Since then, meetings have been held at the Elks hall and more recently at John McMillan's on Rush Lake.

## Santa's Reindeer

Ops: Plane Falls to Fly

Schemes — and sometimes people — on occasion fail to get off the ground but when it happens to Santa Claus . . . Well! There ought to be a law.

Santa had a date last Saturday to drop ping pong balls containing gift certificates in the Howell Shopping Plaza but when it came time to warm up the plane for take-off it was just too darn cold. In spite of frantic efforts on the part of a number of persons, nothing worked and the plane's engine stayed as cold as the weather.

However, the ping pong balls will be dropped Saturday afternoon if John Merton has to shoot them out of a cannon himself.

As for the jolly old saint — next time, Santa, get a horse! Er — I mean — reindeer.

## Howell Police Get New Cars

The Howell City Police Department is justly proud of its two new patrol cars.

The black Fords have automatic transmissions, special-built frames and shock absorbers, and custom bodies. Under the shiny black hood purrs a Thunderbird engine.

Police Chief Reginald Evans says that the cars are ideal patrol cars, extremely fast on pickup and acceleration. "They are a great improvement over past police cars and will serve any purpose of the department more than adequately," he said.

## Music Club Hears Church Choirs

The Howell Music Club held its December meeting last Friday at the home of Mrs. Laura O'Leary. Following a brief business meeting led by Portia Thede, president, the evening's program was presented.

The combined junior choirs of the Presbyterian Church, under the direction of Clifford McDowell, director, sang "All My Heart This Night Rejoices," "The Snow Lay on the Ground" and "O Little One Sweet."

A trio with Noel Heinz playing the organ, Robert Smith the flute, and Portia Thede, the cello, next offered "Pastorale" by Vivaldi. Miss Elizabeth Griffith read an article about Handel's "Messiah" and a little later in the program read a humorous poem in true "Elizabeth" mannerism.

A rare treat was a harpsichord trio, the harpsichord belonging to Mr. and Mrs. Robert Smith. Marcelle Smith played the harpsichord, Portia Thede the cello and Smith the recorder. They played the five movements of "Sonata 3" by Handel and Fitzmillian.

This is the first time that the instruments, recorder and harpsichord, had been played in the Howell Music Club.

At that time Dr. Hoffman made the presentation of a copy of the manuscript which Mrs. Annette Wiggins had read at the November meeting of the music club.

This was a translation of the life of Johann Sebastian Bach by his wife, Anna Magdalena. It was through the courtesy of Kenneth Loring that two copies were made, one of which was given to Mrs. Wiggins, to whom the original had been loaned by a friend.

The second copy is a permanent possession of the club and is in the keeping of Mrs. Wiggins.

## Duane Girbach Given Present For 4-H Work

HOWLERSVILLE — The Livingston County 4-H Council held an Open House on Saturday for former County Extension Agent in 4-H Work, Duane Girbach. The event was held at the 4-H Building on the Fowlerville Fair Grounds.

Girbach and his wife, Joan, were the center of attraction throughout the entire evening.

Light refreshments were provided by 4-H members and leaders. The 4-H Service Club, a group of older 4-H Club members, served the refreshments.

The 4-H Clubs and 4-H Council of Livingston County presented Girbach with an attractive case as an expression of appreciation for his excellent contribution to the 4-H program in Livingston County.

Girbach is now working on his masters degree at Michigan State University. At the completion of the winter term in March he will resume his appointment as County Extension Agent in Agriculture, reports Harry Foster, County Extension Agent, 4-H Club Work.

## Cards Show Changes

Greeting cards for Christmas show, each season, an increase in the number of religious subjects — but this has not always been true. In fact, the earliest Christmas cards often had designs that seemed to have no connection with the holiday.

Instead of Nativity scenes or symbols of holly and mistletoe, early American Christmas cards of the 19th century were decorated with roses and portraits of young ladies, according to the Encyclopedia Americana. Often, plump robins were pictured sitting on tree branches dripping with icicles. In this early stage pin-up girls were not unusual. Kate Greenaway drawings were frequently used, some cards picturing single figures from her drawings, others portraying dancing girls with garlands of flowers.

About 1870, cards were frosted and fringed with heavy silk.

## State Auto Death Toll Continues Upward March

Michigan's 174 traffic deaths in November were 58, or 50 per cent, more than 116 in the same month a year ago, according to State Police provisional figures.

It was the tenth month of increase in deaths this year compared with the same months in 1962.

The provisional 11-month total of 1,651 deaths is 192, or 13 per cent, higher than 1,459 in the same period last year. During November the year's accumulating number of fatalities reached and passed the 1,571 mark for all of 1962.

More complete figures for the first 10 months showed 1,477 deaths and 98,157 injured in 200,642 accidents. These were increases of 10 per cent in deaths and accidents and 15 per cent in injured over the same period in 1962.

Estimated mileage traveled in the first nine months, the latest information available, totaled 26.3 billion, seven per cent more than in the same period, while the death rate of 5.00 per 100 million vehicle miles was up six per cent.

Lillie Gatesman, who may loan it for reading on request.

Marcelle Smith then sang "The Little Road to Bethlehem" by Michael Head, "Sweet Marie and Her Baby" by John Jacob Niles, "A New Christmas Morning" by Mack Gimsly and "The Carol of the Sheep Bell," which is a Slovakian carol.

According to the custom of the club, there was community group singing led by Clifford McDowell. The Christmas spirit was very evident in the enthusiasm shown with all taking part.

A poem by Elizabeth Griffith to the Music Club, to the tune of "Jingle Bells," was sung gustily, followed by many of the other Christmas carols.

Following the program, which all the members felt showed to the fullest the great talent within the club, refreshments were served by the hostess and her committee.

## Home Lighting Contest to End Thursday Night

The judging for the home lighting contest sponsored by the Howell Area JayCees will take place on December 19. A \$50 bond will be awarded as first prize and there will be two second prizes of a \$25 bond.

In addition there will be about \$100 in gift certificates for those receiving honorable mention.

You must enter this contest for your home lighting efforts to be eligible. Call Robert Alder, 403 Lake St., chairman, at Howell 2494 to register your home.

Plans are complete for the Hope Industries dance which is sponsored by the Jay Cees and is to be held on New Year's Eve in the new Howell Armory. All the proceeds from the dance will be given to Hope Industries which gives employment to the handicapped.

## Committee Weighs Steers For Fair

HOWELL — The official weighing of the Livingston County 4-H beef for the 1964 project season was completed Saturday. These cattle will be exhibited at the Fowlerville Fair next summer, reports Harry Foster, County Extension Agent, 4-H Club Work.

Members of the 4-H Fat Stock Committee weighed over 30 individual steers owned by as many 4-H club members. The weighing committee consisted of Kenneth Peckens, David Hearl and Art DeForest who are 4-H Club leaders, and County Extension Agent in Agriculture, Duane Girbach, and Harry Foster, 4-H Extension Agent.

The 4-H Club members received management and feeding suggestions to make the project a meaningful, learning experience.

## JUMBLED Jottings

BY KATIE TOPOR  
Many times people have been heard to object to the use of the X in Xmas. They shouldn't for X is the Greek letter for Christ as used on the processional cross, altar hangings, etc.

Only five more shopping days left after today. Time is sure fleeting, isn't it. I'll wager most of you have lots to be done before the big day, just as I do.

Congratulations to Dr. and Mrs. F. C. Rieckhoff, Sr., who celebrated their 40th wedding anniversary last week.

Did you hear about the little boy whose mother heard him crooning softly to himself, "While shepherds washed their socks by night"?

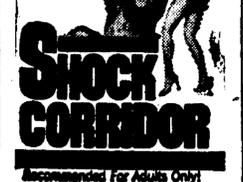

Avilda Newcomb is recovering nicely from her recent surgery.

T. Ryan Bonner IV, son of Mr. and Mrs. Thomas R. Bonner of Timothy Acres, Pinckney, was discharged from the 101st Airborne at Fort Campbell, Kentucky, last Tuesday and flew home the same day. He will enter Eastern Michigan University, Ypsilanti, next semester.

Is It A Dark Day?

Inasmuch as one of the functions a newspaper takes upon itself is that of helping to solve community problems through communication, we are always interested in learning how people can reach good conclusions with a minimum of effort.

To this end, several months ago, there was comment in these columns on a book called "New Ways to Better Meetings." It contends that there are very few small groups which should use Parliamentary Procedure because this type of law was designed for a large group. In other words — don't dig your garden with a steam shovel, use a trowel!

Another book has appeared on the market written by University of Michigan psychologist Norman R. F. Maier, called "Problem-Solving Discussions and Conferences."

Officials apparently think they have a good thing on their hands because since July 10 we have received at least five separate news releases dealing with this book.

Attention is called to it at this time because of current discussions being held by the Brighton Area Schools Board, Pinckney Community Schools Board, Whitmore Lake School Board and South Lyon School Board.

To observers, the disagreement that is occurring may seem like a dark day, but let us return to Prof. Maier who says:

DON'T JUMP TO CONCLUSIONS

Successful problem-solving depends, in part, upon the location of the specific problem that is selected from the general problem area.

"This sounds obvious, but even seemingly clear-cut problems may contain a surprising variety of specific problem locations — a point not always appreciated by conference leaders and individual problem solvers."

To often a conference leader is likely to take his first conception of a problem as the starting point and immediately look for solutions, says Professor Maier, whose recent research, supported principally by the National Institute of Mental Health, deals with improving the effectiveness of a leader's performance in group problem-solving and decision-making.

IT PAYS TO SOLVE A PROBLEM TWICE

Research in laboratory on group problem-solving provides weighty evidence that the method of seeking two or more solutions to a problem is one way to improve the quality of group decisions.

In general terms, the study showed:

Solutions are of higher quality when groups are asked to find a second solution after they have solved the problem; the group members are as much satisfied with the second solution as with the first — that is, the improved quality is obtained without any loss of acceptance; and improvements in quality are achieved in little additional time.

The major implication of these findings is that a group discussion leader can broaden the horizon for problem-solving by using the multiple-solution method effectively.

So, maybe it isn't such a dark day. Perhaps, the first solutions of some of these groups — resulting in defeated bond issues — will result in a second solution which in reality is a better one.

No Puzzle

Brighton school superintendent H. Gordon Hawkins recently told the board of education that the chain of command was mixed up.

They advised him to straighten it out.

If Hawkins is puzzled, this is a puzzle too.

How could he have had any doubt as to whose job it was to establish how the personnel is to be organized?

In the policies adopted this past spring by the board, the very first sentence says:

"The superintendent of schools shall be the chief executive officer of the board of education and shall be responsible for managing and directing the policies of the board of education and the policies and laws of the state of Michigan."

The role of the assistant superintendent is also spelled out in sentence No. 1 under the section outlining duties for this officer:

"The assistant superintendent of schools shall be responsible to the superintendent of schools and assist the supt. in managing and directing the policies of the board of education and the policies and laws of the state of Michigan."

There is absolutely no reason for the superintendent to bring his problem to the board and they did the proper thing in turning it back to him.

There is no puzzle.

Basic Freedom Protected

The Michigan Supreme Court recently ruled that Detroit policemen illegally searched the car of a man who was charged and later found guilty of the possession of narcotics.

He was stopped for a traffic violation of obscured traffic plates. Then officers got into his car to check the mechanical operation and discovered marijuana cigarettes.

Officers said he was not ticketed for any traffic violation.

In the unanimous decision, Justice Michael D. O'Hara said the police had no reason to suspect the defendant's brakes were not in good condition but used the mechanical checkup as an excuse for entering his car.

We applaud this decision. Protecting of this man, protects all of us from illegal search and seizure and if law enforcement officers are not constantly reminded, they are prone to overstep their bounds.

This can ultimately lead to a police officer stopping any citizen for any reason whatsoever, asking him to get out of his car, to stand in embarrassment, while his car is searched.

Justice has triumphed again.

Letters To The Editor Express Your Views

This newspaper invites residents to write to express their views on any subject they so desire, provided the remarks are in good taste.

However no letter will be printed without also using the name of the writer (or writers). This policy allows any reader to know whose remarks he is reading.

By shielding the name of a writer, a newspaper can also be judged as supporting the views of the author. This we do not do unless we care to add an editor's note or make comment elsewhere in our editorials, stating such support.

Educators Release 'Position Paper'

LANSING — A major new "Position Paper" on teacher education by a group of influential professional educators violates all the rules on how the mythical "educationist" is supposed to act, reports the Michigan Education Association.

For one thing it says that there's smog as well as sunlight in the teacher education picture; it spells out the big stake of the public in this important enterprise; it demands innovation on many fronts; it invites criticism from all hands; and it says these things in plain laymen's language.

The position paper represents the distillation of several years' work by the National Commission on Teacher Education and Professional Standards (NCTEPS), a unit of the National Education Association. It summarizes the Commission's stand on five key—and controversial—areas of teacher education: selection of teachers; their preparation; their continuing education; how standards of competence should be set and maintained; and how theory and research in the field can be translated into action.

Some of the highlights of the paper are as follows: "An internship, jointly planned and supervised by the schools and the colleges, should follow the regular five-year preservice program of teacher education which includes student teaching." "An environment conducive to personal and professional growth is essential for teachers. Such an environment should include a high level of academic freedom, a reasonable work load, appropriate assignment, opportunity for intellectually stimulating relationships with colleagues, adequate facilities and materials for good teaching, a democratic atmosphere, and recognition of diversity among individuals."

"A systematic plan for sabbatical leave with pay should be available to professional personnel. Increased state aid to local school districts is needed to make such a plan possible. Greatly expanded programs of scholarships and fellowships are also needed to enable more teachers to engage in full-time study on a college campus during the summer or the academic year. These programs should be supported by both state and federal funds."

"Sound continuing education suffers from pressure to translate all college work into degree credit. Not all continuing education should apply to advanced degrees."

"The profession should take prompt and firm action to reduce the possibility that state licensing requirements can be evaded. Every state should move as quickly as possible to eliminate the issuance of emergency or substitute permits."

"Teachers, administrators, and other specialists should be assigned only to positions for which they are fully qualified by preparation and license. Members of the teaching profession should accept only those assignments for which they are qualified."

Man walks in the direction towards which he looks, and where his treasure is, there will his heart be also.

—Mary Baker Eddy

HOLIDAY CORNER—Create a festive look with coordinated table setting and window treatment. Bright green cotton swivel, a floor-length cover for the small round table, seat covers, and floor-length chair cushions for the chair. Finger painting projects suggest you make a paper pattern of tree and other festive motifs. Trim cushions with contrasting fabric-covered buttons to strengthen the contrast. Remove from window shade. For sparkling accent, apply white upholstery fringe to hem of cloth with narrow piping stitch and also to shade hanger.

'Twas Only Yesterday

FIVE YEARS AGO

November 24, 1958 Sergeant John E. Pennala, 53, commanding officer of the Michigan State Police at Brighton, will retire this year after having completed more than 29 years of service.

Mr. and Mrs. Clarence F. Hicks of Woodland Lake entertained guests from Saudi Arabia last Tuesday. The Ira Southern and daughter, Karen, who had been the residents of Saudi Arabia for the last two years, are in this country for a two-month vacation.

The Brighton State Bank has expanded and added 10 more men to its payroll. When the present 123-by-40-foot addition is completed, another extension will be added to the total structure, making the total facilities approximately three times the size of the original building completed in 1948.

Over 150 friends and relatives attended the 50th wedding anniversary open house of the Newmans held at their farm home on Newman Road.

Ernest Nauenburg has taken over the Wilson Barber Shop on Main Street and has a

evening from a thrilling tour of Caribbean Sea ports of call aboard the Alcoa Steamship, SS Pennant. Mr. and Mrs. Fred Hyne and Dr. and Mrs. Gerald Pelkey spent almost four weeks in the Caribbean.

Mr. and Mrs. Clarence F. Hicks of Woodland Lake entertained guests from Saudi Arabia last Tuesday. The Ira Southern and daughter, Karen, who had been the residents of Saudi Arabia for the last two years, are in this country for a two-month vacation.

The Brighton State Bank has expanded and added 10 more men to its payroll. When the present 123-by-40-foot addition is completed, another extension will be added to the total structure, making the total facilities approximately three times the size of the original building completed in 1948.

Over 150 friends and relatives attended the 50th wedding anniversary open house of the Newmans held at their farm home on Newman Road.

Ernest Nauenburg has taken over the Wilson Barber Shop on Main Street and has a

they were again thankful to be part of Brighton. Harold R. Johnson was elected last Tuesday evening as Worshipful Master for the ensuing year of the Brighton Lodge No. 247, F.&A.M.

Twenty-four outfits of new clothes are being sent to Arabian Refugee Children by the Women of St. George Lutheran Church. The garments were sewn by the St. George women from patterns and fabrics of the type used by Arabian children. Mrs. Anna Schopenhak was sewing chairman and Mrs. Ruth Ludtke was special needs chairman.

Two Brighton Bulldogs were placed on the Wayne-Oakland All-League football team. John Cord was selected for All-League tackle and Keith Williams was selected for the backfield.

Russel Hudson, senior guard, was elected captain of the 1958-59 BHS basketball team at a meeting of the eagles held last week.

Miss Margaret Conely, daughter of Mrs. Ada Conely of Pleasant Valley Road, left Friday, November 28, for the 1958-59 Dress Review being held this week in Chicago.

Representatives from the 49 states will attend the review, with Margaret representing Michigan. She is a Brighton High School senior.

Ann Masak, BHS junior, won the second award in the Livingston County Voice of Democracy essay contest.

John Krupa, Brighton, moving goods proprietor, is getting ready to move in his new store on E. Grand River near the city limits.

Mrs. Hazel Shepard of West Branch was unhurt when her car rolled over Friday on US-16. State police report that the accident was caused by slippery pavement.

Leon Newman, 63, who was a wholesale egg merchant here died Thursday in Detroit. Brighton relatives surviving are a sister, Mrs. Inza Newman, and several nieces and nephews.

Brighton's fire department was called out at 3:00 a.m. Wednesday morning when fire broke out at the Ed Green home. Two miles south of Chilsom. They made a record run but were unable to save much of the building or contents.

Harold O. Richards, son of Mr. and Mrs. Owen Richards of Brighton, has been placed on the honor roll at the U. S. Navy Pre-flight School in California.

H. M. Conely, F 2 C of the Great Lakes Naval Training Station, Illinois, spent Sunday in Brighton with his mother, Mrs. Irene Pitkin, and family.

Lieut. Robert E. Finch, wife and son are here from San Pedro, California on a 15-day leave of absence visiting with the lieutenant's parents, Mr. and Mrs. T. A. Finch, and Mrs. Finch's parents, the J. A. Bradys.

Tony Weitzel, columnist of the Detroit Free Press, was the speaker at the Rotary Club meeting Tuesday. He appeared as the guest of E. Reed Fletcher.

FIVE YEARS AGO December 3, 1958 The Brighton Mill Pond inhabitants were anything but thankful last Thanksgiving morning. As usual the ducks had tucked their bills under their wings Wednesday night for slumber and found they couldn't move Thursday morning. The mill pond froze over during the night while the feathered party slept. Some members of the Junior Fire Dept. freed the ducks and

BELATED NEWS — This was just "leaked" to the Argus from the General Motors Proving Grounds. On Oct. 22 the new 4 1/2-mile circular track was opened.

To mark the event, five cars, driven by chief engineers of the car divisions, broke simultaneously through a ribbon stretched across the track.

The GMPG "Grinder" describes this as the "largest construction project in Proving Ground history."

WELCOME NEWCOMERS — Recent arrivals in the Brighton area are: Mr. and Mrs. Steve Anthony of 5470 Red Fox Drive, who have come here from Morehead, Minn. They have a son, 13, and the father is opening his own steel cutting business in Detroit.

Mr. and Mrs. Rex Cottrell of 8850 Hamburg Road, formerly of Hilldale, who have a son, 5. Mr. Cottrell is a sales rep. for Dunlop Tire Co.

Mr. and Mrs. Floyd Taldin of 414 E. Grand River who have come here from the Soo. The father of three sons and one daughter is employed at Boys' Vocational School at Whitmore Lake.

LETTER FROM FLORIDA — Mr. and Mrs. Homer M. Steinhauer write from Sarasota that they had a "lovely tribute picnic" given them when they were here this summer by neighbors at Academy Hills subdivision.

Hostesses for the occasion were Mrs. Ed Danforth and Mrs. Caroen, who provided "Christmas in July." The tables groaned with bounty of Mich. homegrown and cooked foods. When the children asked us to return and live there, we could only say that due to health, we at present must remain in Florida. But we hope to be back, the Good Lord willing, to visit you all again.

Mrs. Betty Love will return this week from Mellus Hospital where she underwent major surgery.

The Federated Church, of Brighton, will make the centennial of the Presbyterian part of its organization Sunday with a special morning service, noon dinner, and an informal afternoon program. The Baptist part of the church will be 80 years old in 1954.

Mayor Albert Cole in a lengthy article recommends a city manager - city council system for Brighton to replace the present mayor type of government.

The Rotary Club will sell Christmas trees this year to help finance the School Building.

Cpl. Marvin H. Mabb is returning home from Germany after spending 11 months there. Marvin, with wife, Elvora, and 3-month-old son, Michael, will be at their new home on Leith Street. This will be the first meeting for father and son.

TWENTY YEARS AGO

December 8, 1943 Lieut. Buel Pitkin visited his parents, Mr. and Mrs. G. E. Pitkin, Saturday night. He flew home from his station at Fort Benning, Georgia in a B-25 plane. The Pitkins drove to Selfridge Field after him.

Oddfellows and Masons have elected officers for 1944. Frank H. Seger is the newly elected Noble Grand of the Odd Fellows. The Masons elected Arnold Hanson as Worshipful Master.

weaver was so kind last weekend that many city people were out to their cottages at nearby lakes. Parties were also picnicking along the highway, an unusual sight for early December.

Thomas S. Leith, son of the Donald Leiths of Brighton, and Betty Jean Heing, daughter of Mrs. Retha Heing, also of Brighton, were united in marriage on Saturday evening, December 4, at the home of Rev. Simmons on Church St. Both are graduates of BHS.

Employees of the Brighton Advance Corp. honored James Theobald with a surprise party Thursday honoring his 80th birthday. Cake and ice cream were served to about 70 employees of both shifts.

**BUILDINGS FOR SALE**

Sealed proposals will be received by the undersigned at 1750 Guardian Building, Detroit 26, Michigan, until 2:00 P.M., E.S.T., on January 8, 1964, for the sale and removal from the premises of a building located in Kensington Metropolitan Park, Milford, Michigan, at 3365 Labadie Road. A Certified or Cashier's Check in the amount of Ten Percent (10%) of the bid price must accompany each proposal. A successful bidder will be required to remit the balance of the Bid Price within seven (7) days of the date of being notified of the award. A successful bidder must also deposit Fifty Dollars (\$50.00) to assure proper cleanup of the site after the removal of the building. Envelopes containing proposals should be plainly marked as follows:

"BUILDING PROPOSAL"  
 The Authority reserves the right to reject any or all proposals, to waive irregularities and/or formalities in any proposal and to make award in any manner deemed for the best interest of the Authority.

Proposal forms may be obtained at the offices of the Authority, 1750 Guardian Building, Detroit 26, Michigan, or at the Park Office at 2240 West Bumbo Road, Milford, Michigan.

For the food-wise homemaker, summertime can truly be happy guest-time. But for the one who lacks the knack or knowledge of convenient foods and quick-and-easy cooking, feeding is a queasy chore. The answer is simple and simple and advanced cooking, according to the Borden Kitchen which provides this fine example: A summertime company salad in which cooked chilled macaroni is used as a base features a tasty cheese and vegetable combination. It's a filling salad which can be combined quickly. To round out the guest offering, have plenty of cheese slices and cold cuts on hand, and serve with piping hot refrigerator-ready biscuits, plus instant coffee, hot or iced.

**Cheddar-Vegetable Salad (Makes 6 one-cup servings)**  
3 quarts water      3/4 cup sour cream  
1 tablespoon salt      1/2 cup mayonnaise  
2 cups uncooked elbow macaroni      1 teaspoon salt  
1 1/2 cups cooked, drained peas (one 10-oz. package frozen peas)      1 teaspoon oregano  
1 cup diced celery      1 teaspoon prepared mustard  
1/2 cup finely chopped pimiento (one 4-oz. can)      1/4 teaspoon pure onion powder  
2 tablespoons candied sweet relish      1 (6-oz.) package Velveeta Sharp pasteurized process cheese slices  
Crisp lettuce leaves

In a 4-quart saucepan bring water and salt to a rolling boil. Add macaroni. Boil, uncovered, 12 to 15 minutes, or until tender, stirring occasionally. Drain. Cool. In a large bowl, combine all ingredients except cheese and lettuce. Toss lightly using two forks. Cover and chill in refrigerator. At serving time, spoon into crisp lettuce leaves. Cut cheese slices into thin strips, as for julienne. Arrange cheese on top of salad, or toss lightly with ingredients before placing on lettuce.

# Too Much Money — Tax Reform Fails

BY ELMER E. WHITE  
Michigan Press Association

## MONEY PROBLEM

Probably the biggest single factor, other than the sheer presence of partisanship, in the defeat of Gov. George Romney's fiscal reform program was within the Governor's ranks.

It was not an intentional blow, but an unavoidable one.

Controller Glenn S. Allen, Jr., who ran with Romney last year on the state GOP ticket, was forced into disclosing his estimate of the state's fiscal picture at the end of the current fiscal year.

The picture was so rosy, although Allen was conservative in his estimate, it had adverse effects in the Legislature. Some Republicans, already convinced they did not want an income tax, became more firm in their opposition when the estimate was announced.

At least some Democrats who have favored a similar reform program in past years decided to vote against this one on the basis of Allen's estimate of a \$25-million surplus at the end of June.

For many of the Democrats it was largely a matter of choice: to support a program basically the same as they had supported under their own party's administration, or to find enough flaws in it to vote against it and hand Romney his first important defeat.

Allen had little, if any, choice. If he held back with the figures, quite a few more

legislators had indicated they could not vote on the program.

Releasing his estimate, however, confirmed what most legislators thought was true. The \$77-million package of nuisance taxes enacted in 1961 is more than doing its job because Michigan is continuing to ride the wave of a boom.

All Romney's pleas to "fix the roof before the rains come" were to no avail. The impact of lack of action will probably only be known when the boom wave crests and begins to fall.

**HELP FOR STUDENTS**  
Loans available to Michigan college students through the Michigan Higher Education Assistance Authority will be sharply increased if the 1964 Legislature enacts a law to be proposed.

Superintendent of Public Instruction Lynn M. Bartlett said the law would raise the guarantee to banks on loans from the present 80 per cent on principal and interest to 100 per cent on principal alone.

Bartlett said this was expected to encourage greater participation in the loan program by banks.

The Authority already has passed the \$500,000 mark in loans guaranteed for college youth in the state. The first loan was approved just over a year ago.

Now 23 banks are involved in a participating agreement with the Authority to extend the loans, but officials hope the percentage guarantee change would enlist many more of the state's 375 banking institutions.

**BIRTH RATE DOWN**  
There is a good chance Michigan will record the lull before the storm in birth numbers this year.

State Health Commissioner Dr. Albert E. Heustis reports that at the three-quarter mark on the calendar year a total of 130,067 births were recorded, for an average of around 14,500 a month.

Projecting this through the last three months of the year would give a 12-month total of about 173,000 births. If the number this year falls below the 180,000 mark, it will be the lowest numbers since 1952 Heustis said.

The 1962 report showed 181,754 new babies were born. That was the fifth consecutive year to show a decline.

Michigan's latest population explosion high was in 1957 when 208,438 babies were born. The birth rate has been declining steadily since.

Another peak should come soon, as more and more "war babies" reach the marriage stage.

## Research Seeks Leukemia Cure

Leukemia has become one of the most dreaded words in the English language in recent decades. Leukemia — cancer of the blood-manufacturing organs — is incurable, and it is increasing. It is usually thought of as a disease of children, but it affects even more adults.

Leukemia today still cannot be cured, but it can be attacked much more effectively and directly, says Today's Health, the magazine of the American Medical Association.

With modern drug therapy, more than two-thirds of the acute attacks of leukemia now can be slowed down. The chances of giving many active and comfortable years to the sufferers have been greatly increased.

In addition to new drugs, physicians also sometimes use blood transfusions and x-ray therapy in treating leukemia. The best results usually are obtained in management of the acute phase of the disease in children. There has been relatively little improvement in the over-all rate in adult patients.

Researchers are, of course, seeking other more effective methods of treatment for both the acute and chronic types of the disease. One line of investigation is replacement of the patient's diseased blood marrow with healthy marrow from a donor. This approach has sharp limitations. There is no proof yet that marrow transplants will last.

Leukemia is not contagious like measles, but it has occurred in small "clusters" in various parts of the country. Eight cases were recorded in one relatively small suburban area near Chicago.

## Value System Lags Behind Changing World

The biggest lag in social change is our trailing value system, a Rutgers University sociologist told the Michigan State University Cooperative Extension Service staff recently.

Speaking at the annual Extension conference, Dr. Helen Hurd said:

"We tend to judge today's teenagers, today's public officials, today's educators, today's families and communities, today's attempts to cope with readjustment — all in the light of our personal remembrance of things past."

She pointed out that we are living in an "urbanizing" society in which even the farm community becomes "urbanized." The needs of people — whether farm or city residents — are not too far apart.

"In fact, the old-fashioned rural society as a way of life has virtually disappeared from the American scene," she said. "And I think it can be said in truth that Americans have not yet adjusted to the urban situation."
