VILLAGE CAUCUS SET FOR FEB. 17th

Car Slides Into Train At Hamburg

HAMBURG — Two Pinckney High School juniors, both 16, received minor injuries Friday afternoon when their car skidded into a freight train while they were on their way to Ann Arbor for ice cream.

The accident occurred at 1:40 when Barbara Douglas, 16 of Hamburg was unable to halt her car in time as she descended an incline on the Hamburg Road.

Her car slid into the second train car and was dragged about 78 feet.

State troopers estimated the speed of the car at 20 miles per hour and that of the train at 35 miles per hour at the time of the accident.

A passenger in the vehicle was Marian Tait, 16, of Pinckney.

Barbara told the troopers she did not hear the train whistle.

Where the road descends, there is a building on a hill obscuring the driver's vision of any train that might be approaching from the right. The first of two crossings, it is marked only by a wooden sign. There is no flashing signal at this point.

A barber, John Saumby, whose shop is located in the building, said he saw the car out the window and heard the whistle.

"I knew there was going to be an accident," he said. "As soon as it happened, I didn't even check to see if anyone was hurt but ran for Dr. R. W. Phillips who has an office about 200 yards away."

Livingston County's Board of Supervisors, meeting Monday at the Court House, heard a proposal to ask residents here to vote on a 1 1/2 mill levy for five years to improve over 100 miles of roads.

The resolution, offered by the Roads and Bridges Committee, was tabled for further study.

Supervisors were treated to a newly-tiled floor in the board room.

Approval was given for release of \$750 to be used to match state funds in enforcing boating laws on county lakes.

Members were advised that Mrs. Clara Healy, secretary of the Tax Equalization Director, had resigned to take a state job at the Howell Hospital.

Josephine Grostic as deputy register of deeds was given a pay boost to \$3,334.

The recent performance of Handel's Messiah, sponsored by the Pinckney Kiwanis Club was such an outstanding success, that a vesper concert to be given during the Easter season has been planned.

The Kiwanis Club has announced that the rehearsals for the Mozart "Requiem," which will be sung at the concert, will start Sunday at 2:00 in the Pinckney High School gymnasium.

Everyone who enjoys singing is urged to come. Registration will be from 2:00 to 2:30 P.M. Rehearsal will follow immediately.

The Easter concert will be under the baton of Steve Jones, who so ably directed the "Messiah" in December.

The Way We Hear It

By Dolly Baughn

... license plates will be sold at special times again this year, same as last, for your convenience. Livingston county's authorized license plate dealer, Mr. John Birdsong of Brighton will be at Lavey's Hardware store, 114 West Main Street, Pinckney on January 29 and February 12, the hours of 1:30 to 5:30 p.m. Persons in the area may purchase their 1964 "tabs" at this time.

... two cases of scarlet fever have been reported in the area. The two persons having the disease attend the Pinckney Elementary school, in fact, one broke out with the rash while in school. Let's hope this will not grow to an epidemic stage.

... the day following the school bond election, Supt. Wes Reader received a long distance call from Detroit. Seems that this certain party was waiting the outcome of the election to see if they wanted to buy property in the Pinckney Community School district, or not. This should prove what good school facilities mean to many persons.

... the Pinckney fire department was summoned to the Edwin C. Stacy home, 10850 Kennedy drive, Swarthout Cove, at 1:50 a.m. Friday night, when fire left in the fireplace caught fire to the surrounding fireplace wall, doing extensive damage.

... P.H.S. students wrote tests and exams last week the first four days, and were dismissed from classes Friday.

... a good sized crowd attended the Student Council dance Friday night in the Pinckney High gym. The guests danced to the "live music of 'Little Mac and the Bravados,' consisting of 3 guitars and a drum. The musicians are from Brighton, and usually play each Friday night at the roller skating rink for dances held there.

... Mr. Reader wasn't considered too tactful when a lady approached him recently, requesting use of a room at the high school, for members of the TOPS club to hold their meetings. "TOPS" stands for Take Off Pounds Sensibly, and the club consists of a group of "girls" who wish to lose weight doing exercises.

Now back to Mr. Reader's reaction. When asked for the room, it is reported he just sat, and chuckled, and then replied, "why, yes. There is a room available. In fact, this might be the answer to a big problem! The room will be on the second floor of the 1888 section of the high school, the part that must come down!" Of course he was just joking!

Annual Auction Will Be Held

The men of St. Mary's Church in Pinckney, members of the Holy Name Society, have plans underway for their annually-sponsored "Card Party and Chinese Auction."

In past years, since this event took place, it has proved to be a very enjoyable and entertaining evening of fun for those who attend. This year it will be held February 8, in the parish school hall.

Proceeds will be used toward the proposed church, St. Mary members plan to build in the near future.

Boy Scouts To Get Badges

When the boy scouts meet tonight it will be for a special event with the fathers and mothers invited to see their sons, receive 1st, 2nd class badges, 1st and 2nd class tenderfoot badges, and service awards.

Last Saturday night the Scouts, Troop 58, enjoyed a skating party and wailer roast at the George Botsford home.

The Scouts are making an appeal to the older boys who have maybe outgrown, or have no longer need for their old scout uniforms that are still in good condition.

If there are any such uniforms in the area the scouts of Troop 58 would like to buy them. You may find out further details by calling Scoutmaster, Mr. Don Oleski, 873-9912.

First Meeting To Start at 1:00

This is time to think of spring election once again, and persons living within the Village limits are looking forward to voting for the officers of their choice once again.

At the latest Village council meeting, caucus date was set for Monday, February 17. Those seeking election on the "Citizens" ticket should be at the firehall, for the purpose of being nominated, at 1 p.m., and those who will run on the opposing ticket, or the "Union" ticket should make appearance at 2 p.m. the same day, the same place.

All incumbent members presently serving on the council will seek re-election to office, providing they are nominated. It is compulsory that they be nominated before their name can appear on a ballot.

Those now serving on Village Council are Stanley Dinkel, president, Mrs. Rosemary Whitley, treasurer, Robert Ackley, clerk, Lorenzo Murphy, assessor, and the three trustees whose two year term will expire this spring are Lee Tip-lady, Don Swarthout, and James Doyle. The three trustees who will complete their two year term, those elected last year, are Mrs. Marion Russell, Roy Clark, and Merlyn Lavey.

Mr. William C. Haines, 10136 Pinckney-Dexter Road met with Council members last Tuesday night, requesting the council's acceptance of the "Don-Carol-Knolls Subdivision," of which Haines is owner. This subdivision is located behind the row of homes that began with Mrs. Hoard Read's home, 555 Patterson Lake Road. Mr. Haines has sites for 22 homes, and tentatively plans to add a lake by possibly damming up the creek running through the property, and have a roadway built from Patterson Lake Road through to the Dexter-Pinckney Road.

The council is considering Mr. Haines' requisition.

Two Residents To Vacation In Sarasota

Leaving Pinckney, January 27, for Siesta Key at Sarasota, Florida, will be Mrs. Leonie Marie Bonner and special guest, Miss Florence Preuss, Pinckney Community Librarian.

The two women will spend one week in the sunny south, before Miss Preuss returns, via bus, to Michigan.

Mrs. Bonner will remain in Florida until a few days before Easter when her plans will take her to Onarga, Indiana, where she will visit her son, Roger Asa Bonner, a student at the Onarga Military Academy. While there she will attend the annual minstrel show for which the Academy is fast becoming famous.

Argus Editor Leaving Job

BRIGHTON — Resignation of Bill Gail, Argus and Whitmore Eagle editor, was announced this week by Rex E. Hendrix, publisher of the two newspapers.

Gail, 46, is leaving at the end of this week to become editor of the Livingston County Press.

A Brighton resident, he plans to stay here with his family.

DAR Honors Local Girl

PAMELA HOEFT

Miss Hoeft, daughter of Mr. and Mrs. Anthony Hoeft of Rush Lake Road, Pinckney, was chosen as the "Good Citizenship Girl" from the senior class of Pinckney High.

The program of selection is carried in the sponsorship of the Phillip Livingston Chapter of the Daughters of the American Revolution.

"Pam" was chosen by the members of the senior class and the high school faculty, using the rules set by the DAR stating that the candidate must possess the four qualities to an outstanding degree. Those four qualities are dependability, service, leadership and patriotism.

Pam is majoring in science, math, English and history. She intends to enter the teaching profession in the field of science and will pursue this ambition further at Central Michigan College, Mt. Pleasant, beginning next fall.

This very popular young lady had been a member of the Future Teachers Club, has served as librarian, treasurer and president of Future Teachers Association, a member of the National Honor Society, Phi Tau Alpha, of which she was recently appointed Historian Parliamentarian; a Literary Club member, and was a member of the cheer-leading club at Pinckney High.

Additional activities that Pam is associated with, outside of school, are the Girl Scouts, 4-H and is a member of St. Mary Church choir and Youth Group, and is a past-

president of the Rush Lake Ski Club.

On March 3, Pam will join four other county high school girls, chosen by the same standards at a luncheon at the home of the Regent, Mrs. John S. Page in Howell. Mothers of the chosen DAR girls will also attend this luncheon.

During the State Conference of the DAR to be held at Grand Rapids March 11, 12 and 13, the five county girls, including Pam, will be among the hundreds of Good Citizenship Girls to be honored from throughout the State of Michigan.

Raddatz Report Shows \$320,000

By: BILL GAIL

HOWELL — Livingston County's available cash on hand at the end of 1963 amounted to roughly \$320,000, Finance Committee Chairman Carl W. Raddatz told the Board of Supervisors Monday afternoon.

And, if Brighton Supvr. Martin J. Lavan is right, there is an additional \$40,000 available in the Welfare Department which has been placed, by order of the board of supervisors in a so-called building fund.

This report by Raddatz bears out a contention made last spring by three members of the County Allocation Board that the county would have a large cash surplus to use this year. This was never admitted by Raddatz.

At that time, the county was asking for 8.77 mills, and claiming it would not be able to balance its budget.

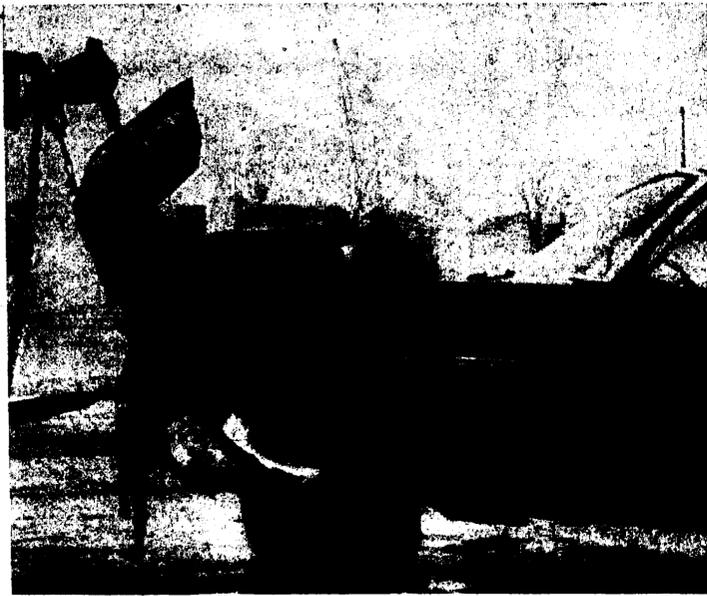

Lepard, and Leo Kujawa voted to allow three mills, stating that the \$665,000 budget presented showed neither anticipated beginning nor ending balances.

This allocation produced a deadlock with the other three members: Raddatz, County Treasurer, Dorothy Green and County School Supt. Walter Hampton.

The matter was eventually...

DANGEROUS APPROACH — This car is a few feet from the spot where the train and car collided. The building on the hill obscures the vision of descending drivers and the crossing is marked only by crossed bars. There is no flashing marker.

MANGLED MOTOR — The front end of this car in which two Pinckney High School juniors were riding, received a mauling Friday afternoon when it slid into the second car of a freight train at the railroad crossing in Hamburg.

LUCKY GIRLS — Marian Tait, 16, left, shows Barbara Douglas, also 16, a scratch she got on her hand when the car Barbara was driving slid into a train.

Divorces Decline in County

HOWELL — Reconciliation of "countless" Livingston County divorce-bound couples was noted this week by John R. Brennan, Livingston County Friend of the Court.

In his annual report (see page 7) the court official says these results can be attributed to two factors: (a) conferences with the parties; and (b) strict enforcement of the temporary support orders.

"By forcing the fathers to keep current on the support orders during the pendency of the divorce suit, many

fathers came to realize that divorce is a luxury." Brennan noted that 705 children are receiving support through his office.

FEWER DIVORCES
The number of divorces granted has declined for the past three years although more cases have been filed.

In 1961, 189 were granted; in 1962, 140 were granted; in 1963, 140 were granted. Last year 173 were granted and 79 were granted.

A greatly increased collection of statutory fees is shown for 1963 over that of 1962. The official collected \$2,024 last year as opposed to \$118 in 1962.

Brennan, a Brighton attorney, was appointed to the court job last year, succeeding John Hagman, who retired as the county clerk at the end of 1962.

Hagman served as Friend of the Court, in addition to his other duties as county clerk which also includes being the clerk of the court.

A salary boost was given Brennan in December by the Board of Supervisors from \$4,617 to \$5,088.

Evenson's Stellar Play Can't Help Bulldogs

Lake Squad's Winning Continues

WHITMORE LAKE — The Trojans made the 500 grade last Friday night with a 52-42 victory over Detroit Country Day School. The Trojan victory over D. C.

D. S. gave them a 5-5 overall record for the year. Coach Bob Ellis's corps is now riding on a four-game winning streak still hoping to continue this streak this week as

they have two tough games; Hartland on Jan. 21, and on Friday Jan. 24 against Emmanuel Christian.

Coach Ellis surprised the crowd with a new type of play as he ran a two-unit game.

He had two units alternating throughout the game and this keen strategy by Ellis paid off in the form of a victory, over the D.C.D.S. cagers.

The Country Day team found it hard to curtail the Whitmore cagers as they were taken by surprise by the two unit game.

All Trojans played well on the Whitmore victory. Fouls were numerous for both teams and the Trojans gave Country Day many charity shots.

Bill DeFillippo paced Whitmore Lake as he netted 21 points. Ted Ringle came through and netted 10 points. Rebounding wise, things were pretty good for Whitmore as things were pretty even on the boards.

However, Jim Wint led the Trojans in this department as he grabbed 10 rebounds for the team.

The two unit system pro-

vided good defensive work for Whitmore and Junior Bill Burton played a razzle dazzle type of good game for Whitmore.

The two-unit system provided a chance for everyone to play including new team member Paul MacNamara who joined the squad this week.

The Trojans played good throughout the game and a fine fourth quarter provided the winning margin.

Bill DeFillippo enjoyed a good fourth quarter scoring wise as he took the scoring runs.

Whitmore Lake was well represented by our hometown rooters and the cheering and good spirit was a good morale booster for the Trojans.

"By the time a man can afford to lose a golf ball he can't hit it that far."

Lose to Howell, W. B'field.

BY LEE NILES

When a team looks good in practice and then fizzes on the floor, what does a coach do?

This is the biggest problem with the BHS club. The responsibility is improving even though they haven't won a game in nine tries.

A week ago last Tuesday the Bulldogs dropped another game but this time it was to another winless, victory-seeking team: Howell!

After the opening minutes of play, the hometown favorites could smell the taste of victory. Only seconds later their hopes were crushed, as fast breaks and superb rebounding for the Highlanders paid off.

The Bulldogs had a shabby defense and the Howell boys ran them ragged. Then the grueling first quarter was over and the score was 10 to 19 and the battling Bulldogs were behind again.

Even the fact that they were down didn't stop the boys from hustling. The second period pushed the Howell lead to 33 to 20 and the squad of Evenson, Benear, Don Herbst, Stellwagen, and Ritter were puzzled.

The offense had planned to feed Evenson in the center and he'd make the easy jump shot, but Howell had practiced hard and were ready for this every time. When Evenson was bottled up, he passed the ball to "Bullet" Benear and he'd score on an inside lay-up.

After half time the Bulldogs outscored the Highlanders 19 to 17, but lost the game 72 to 52 at Howell.

Bruce Evenson was a whiz on offense and hit for 22 points, while Benear made 14. A stand-out on defense, Ritter scored 6 points as did Jim Voltz. Don Herbst made 3 and Doug Zimmerman scored 1.

In Friday's game here on the home court, the Bulldogs lost 62 to 38 to West Bloomfield.

For an offense the BHS club used a wonder boy — Bruce Evenson. For rebounds, the BHS squad called on — Bruce Evenson. On defense, the star was — Bruce Evenson.

Bruce Evenson, a tall sophomore with tremendous skills in football, baseball, bowling and basketball, is a star. He plays for Brighton and is the only bright spot on a dismal flop: the Bulldogs!

With the loss of Dennis Hartman, still on crutches from his football accident, Coach Robert Kucher has had to call on young, inexperienced and even JV players to make his squad. Don Herbst, also a sophomore, was brought up from the JV team a couple weeks ago, but he needs work!

Cliff Ritter, a Junior, has a little height, but is a streak player. He runs fast and cold.

sometimes looks great, then comes the cold wave and his shot is off.

Mike Stellwagen, a junior also, doesn't shoot anymore, he can rebound, but is a natural guard. "Bullet" Benear rounds out the starting squad and is the only starting senior. He can and does shoot, but on defense is weak.

Maybe these are a few of the reasons the Bulldogs lost 67 to 38 Friday. Because Evenson scored 15 points in the first half and the entire team

only had 15 points.

The Lakers had 23 points at halftime and then went on to victory, capitalizing on a strong defense and well-rounded offensive attack.

Evenson scored 25 points, Benear had 4. Voltz made 3, Stellwagen and John Hodgins scored 2 points each, and Don Herbst and Ritter made 1.

Next week the boys play at Milford and are still seeking a victory. The Bulldogs are in last place in the Wayne Oakland league.

Hartland Fails Twice

By JIM STANFIELD
HARTLAND — Hartland lost two games last week.

The first was to Linden by the score of 67 to 62.

It was quite close throughout. Hartland had a good night but Linden held a slight edge to win the game. The halftime score was 32 to 23 in Linden's favor.

Starters for Hartland were Dale Callaghan, Dewey Mathews, Merle Smith, Phil Johnson, and Tom Risner. Dale Callaghan was again high with 22 points.

The University of Michigan was first to offer a summer institute on thermo-nuclear fusion sponsored by the Atomic Energy Commission in 1960.

The Junior Varsity was a runaway victory for Hartland. Hartland scored 54 points to Linden's 17.

Last Friday saw Hartland lose to Birch Run. Both teams had a good scoring night. Hartland made about 40 per cent of its shots and Birch Run made

about 50 per cent of theirs.

The final score was Hartland, 66, Birch Run, 76. The Hartland JV squad lost their game also.

Starters were Dale Callaghan, Dewey Mathews, Merle Smith, Phil Johnson, and Tom Risner. Dale Callaghan was again high with 22 points.

The University of Michigan was first to offer a summer institute on thermo-nuclear fusion sponsored by the Atomic Energy Commission in 1960.

Wildlife Story In The Snow

Tracks in the snow tell us many interesting things about the comings, goings, and doings of wildlife. For example, take this likely woodland scene sketched by cartoonist Ozz Warbach: (1) Judging from the tracks and fallen twigs, a recently-arrived porcupine is gnawing on this tree. (2) A restless red squirrel has been busy making the rounds from tree to tree, fretting to see if everything is all right in his little domain. (3) Mr. or Mrs. Ruffed Grouse had landed in a clearing but was quickly frightened away, probably by a weasel (4) who was poking around stumps and logs for a wintertime meal. It's hard to say whether the weasel found the white-footed mouse (5) at home. With the snow still not too deep, a white-tailed deer (6) freely moves about in search of food. He will be yarded in a swampland when the going gets tougher.

THE ROARING TWENTIES

Firemen Elect John Dymond

BRIGHTON — John Dymond was elected president of the Brighton Volunteer Fire Department Jan. 20 to serve for a one-year term. He replaces Don Rollison.

Other officers chosen were Bill Orndorf, vice president; John Wenzel, secretary, and Melvin Skeman, treasurer.

New directors are Leon Sutfin, Mel Millar, Dave Sobieski, and John Conley, chairman. Frank Quinell was appointed chairman for a pancake supper to be held Saturday Feb. 8 at the Fire Hall.

Plans are being made for the annual firemen's ball to be held after Easter.

Livingston County

Bd. of Education MINUTES

JANUARY 16

A regular meeting of the Livingston County Board of Education was held January 16th in the Court House Annex.

Members present: Robert E. Smith, Lawrence Baughn, Walter Hampton, Charles E. Wilkinson, P. R. Allmand, Bernice Hyne, also James Barker and Marjorie Porter.

Meeting called to order at 8:00 P.M. by President Smith. Minutes of the December 10th meeting were read and approved.

The following bills were presented:

A request for the transfer of property from the Howell to Brighton School District was read. A hearing will be held

on February 13th to determine judgment on this petition.

The Secretary gave a report on a series of meetings held recently exploring the possibility of having certain subject matter areas in the form of non-credit workshops made available to the teachers of the School District of Livingston County. These courses, if sufficient interest is shown, will be financed cooperatively by each of the school districts and the County Board of Education.

Credit courses which will lead to certification in the various areas of special education are also being explored.

The budget for the Intermediate School District for the 1964-65 school year must be reviewed by a board composed of a representative from each of the local school districts. The tentative date for such a meeting is February 20th.

President Smith indicated a desire to have the County Board of Education work cooperatively with constituent school boards to study the possibility of straightening out boundary lines between school districts. This study will be discussed at the next meeting of the local superintendents of the county.

Mr. Barker presented a report of anticipated Special Education expenditures to April 1, 1964 and recommended a transfer of funds be made from the Savings account to the Checking account to cover these expenditures. A motion by Mr. Allmand and seconded by Mr. Baughn that an amount up to \$37,793.00 be transferred as needed up to April 1, 1964. Motion carried.

Mr. Barker gave a progress report on the Special Education program to date. All schools in the county are being

Auto Theft Cases - To Be Adjudicated

HOWELL — At last week's session of Circuit Court the case of Bryan S. Aseltine, charged with armed robbery and unlawfully driving away an automobile, was adjourned until February 3. He was held without bond and Robert Kleebe was appointed as his attorney by the court.

Larry Eugene Shaddon will be arraigned on Feb. 3 on a charge of unlawfully driving away an automobile.

No bond was set and Stanley Berriman was appointed by the court to act as his attorney.

Hartland Offers Adult Ed Classes

HARTLAND — A registration meeting for two adult education classes will be held tonight at 8 p.m. at Hartland.

The two classes to be offered are Arts & Crafts and Typing.

"Our first meeting, held January 15, failed to bring out enough registrants for the classes," said David Bennett, "so please try to attend this meeting."

Any questions you may have will be answered at the meeting or by calling Bennett at Hartland 5951 during school hours.

CHEMICAL-TOTING BARGES

Barges are transporting more than 10 million tons of corrosive chemicals annually along the principal inland waterways of the United States. Tanks in barges carrying the most corrosive chemicals are lined with nickel-chromium alloys to safeguard against both corrosion and contamination of the products carried.

served by a speech program and three type "A" rooms for the mentally handicapped are in progress. A report was also made on the building activity involving special education facilities at Fowlerville and the Hamburg site of the Pinckney School District.

A motion to adjourn was made at 10:00 p.m.

School Will Collect Clothing

HAMBURG — Next week has been declared "Save the Children Bundle Days" at Hamburg and Winans Lake Schools by Principal Tunn.

Students throughout these two schools are collecting wearable used clothing for distribution to needy youngsters in the Southern Appalachian mountain region of the United States and in many foreign lands.

Although the emphasis is on clothing for children, adult clothing will be welcomed also.

This will be the 22nd year that the collection will be held. "The appalling number of school dropouts due to lack of

even minimal clothing, makes the appeal even more urgent than ever," says Tunn, chairman of the Bundle Day Committee which has been formed to implement the drive in the schools.

"I strongly urge wholesale cooperation by Hamburg citizens in making the collection a great success," he added.

"Shoes, coats, dresses, suits and underwear—all are desperately needed by these victims of flood and economic conditions. Students and other local residents are asked to the committee to bring their contributions to the collection

centers setup in each school," Tunn concluded.

The 32-year-old Save the Children Federation, whose national headquarters is in Norwalk, Connecticut, is a non-sectarian international welfare organization, registered with the U.S. State Department Advisory Committee on Voluntary Foreign Aid.

American Indian children, youngsters in the Southern Appalachian region and in 17 overseas countries are aided by the Federation through sponsorships, self-help scholarships, family-community self-help projects, and the annual clothing collection.

"Can I get a business loan at your bank?"

It's more than likely! We help small local businesses as well as larger ones with sound credit needs of many kinds; for we believe that whatever is good for any one business is good business for the entire community. So whether you are a farmer, contractor, merchant, or in some other line, look to us for economical financing of machinery, materials, inventory — whatever your need may be. Come in and talk the matter over. We will give your problem our careful attention, and give you yourself a prompt decision.

TO THOSE LIVING IN THE COMMUNITIES SERVED BY DETROIT EDISON

As you grow and prosper, so do we. The nature of our business makes us very much a part of the 67 cities, 76 villages, 214 townships and 258 other communities that make up Southeastern Michigan.

It is mutually advantageous for us to encourage farmers to follow good agricultural practices, for example. Electrically driven machinery, so vital in combating the cost-price squeeze, is fast turning farms into food factories and there is much to learn in the process. The successful farmer of the future will be the one who best knows how to evaluate and use these "wired hands."

In behalf of business, we're constantly searching for new and improved ways to put versatile electric energy to work. This helps make our recommendations to our industrial and commercial customers more valuable and meaningful.

To aid in bringing new business enterprises into this area is another goal of ours. We help firms in search of new locations to find the best sites. Of greater long-range importance, we help communities make themselves more attractive to industrial newcomers. One way of doing so is by assisting in the research and work which lead to community planning and to the establishment of industrial development committees.

As you grow and prosper, so do we. We seek always to be staunch and enthusiastic boosters of the area and the people we serve.

Sincerely,

Walker L. Cisler

**WHAT'S MOST REAL
IN REAL ESTATE**

When you acquire a new home, invest in a property or a business... what is the one most important thing to concern yourself about? We'd say it's VALUE... real, lasting value!

You'd never forgive yourself if you later realized you'd paid too much... or foreseeable events caused sharp depreciation.

Knowing what makes a property hold and increase its value through the years is our business. And that knowledge is at your service... when ever you wish.

Lou Parmenter, Realtor & Appraiser,

STRENGTH FOR THESE DAYS
He that hath ears to hear, let him hear.—(Matt. 11:15)
Through prayer we can learn to respond properly to the spiritual guidance that God makes available to us; to feel the life forces that He has instilled within; to hear the Divine Messages that hold the promise of heaven.

Chamberlain Lists Nominees For U.S. Service Academies

Congressman Charles E. Chamberlain of Michigan's Sixth District today announced his nomination of candidates to compete for the annual appointments to the nation's Service Academies.

In releasing the names of the candidates, Representative Chamberlain stated, "I have received a record number of applications this year from an outstanding and well-qualified group of young men. While I am pleased to see the impressive results this group compiled on the competitive Civil Service examinations," he continued, "it has been very difficult to select the limited number I am allowed to nominate."

The Congressman advised that his choices were based primarily on the Civil Service examinations and the boys' high school academic records.

This year the Sixth District is allotted two appointments to each of the U. S. Naval Academy in Annapolis, Maryland, and the U. S. Military Academy in West Point, New York, and one appointment to the U. S. Air Force Academy in Colorado Springs, Colorado.

Final selection of the appointees will be made by the Academies and announced in

late spring. Those chosen will enter the Schools in July.

The candidates nominated by Mr. Chamberlain this year are: U. S. Air Force Academy: Charles W. Chabot, Lansing; Gary W. Davis, 11574 Algonquin Drive, Pinckney; Curtis R. Knapp, 418 W. Caroline St., Fenton; Harry J. Parke Lansing; Clyde T. Spitzer, Davison; Jack L. Worrall, Lansing.

U. S. Military Academy: Edward R. Bates, Flint; Landis K. Crockett, East Lansing; Paul J. Dixon, 1445 Brighton Lake Road, Brighton; Michael J. Giacalone, Jr., Flint; James

T. Pearce, Lansing; Randall R. Smith, Lansing; Thomas L. Vollrath, Grand Blanc; Jon H. Zdybel, Lansing.

U. S. Naval Academy: Bruce R. Beebe, Flushing; James D. Kohler, Lansing; Bruce C. Leitkam, Linden; Archie M. Lewis, Holt; Frederick R. Lindsay, 10564 Pine Bluff Ave., Hamburg; Edward W. Mackey, Flint; Paul M. Oesterle, Mason; Gary D. Owen, Flint; William G. Paine, Jr., East Lansing; Lawrence E. Schlanser, East Lansing; James A. Stewart, Montrose; Kenneth L. Wrook, Holt.

GOP Should Establish Position On Welfare, Says Dem. Official

House Democratic Leader Joseph J. Kowalski has called for a public debate between George Romney and Arthur J. Elliott to clarify the position of the Republican party on Elliott's rejection of an "excessive welfareist philosophy."

George Romney recently delivered a special legislative message on social welfare legislation. He called for higher welfare expenditures and increased state participation in established federal welfare programs.

Last week GOP Chairman Elliott contradicted Romney's recommendations. He said, "The welfare-oriented politicians do a great disservice to the country because through their actions and propaganda fan class struggle and foment misunderstanding and distrust between different segments of our society."

George Romney's recommendations are more consistent with Democratic programs

than are Elliott's, Kowalski said, consequently it appears that there will be substantial Democratic support in the legislature for expanding worthy social welfare programs.

"But with GOP leaders Romney and Elliott pulling in opposite directions, confusion is certainly to develop within the GOP legislative ranks — and the chances of failure heightened."

Which leader should the Republican legislators follow?

"In the interests of updating social welfare laws and programs in Michigan, this apparent conflict between Romney and Elliott must be resolved. Either the Republican party is what Elliott calls a 'welfare promoting party' or it isn't."

"It can't be both." He concluded by saying, "The legislature and the electorate of Michigan have the right to know which it is."

RAY LANNING Becomes 83

Ray L. Lanning celebrated his 83rd birthday on January 15. A party, attended by many of his relatives was held for him Saturday.

Guests present at the party were Mr. and Mrs. Charles Lanning of Livonia, Mr. and Mrs. Donald Wunderlich (nee Dorothy Lanning) of Livonia, Mr. and Mrs. Richard Lanning of Southfield, and from Brighton: Mr. and Mrs. Jack Lanning and daughter, Karen, Mr. and Mrs. Ray Lanning and sons, Dean and Douglas and Mary Harmon, Mr. and Mrs. Leon O'Dell and sons.

Also present were Paul and Helen Lanning, living at home. Mr. Lanning has 7 children, 21 grandchildren, and 30 great grandchildren.

Women Unite In Traffic Safety

The Michigan Women's Traffic Safety Conference, sponsored by the Michigan State Safety Commission, the Michigan Citizens Highway Safety Action Committee, The Home Economics Cooperative Extension Service of Michigan State University and the Traffic Center Program of the M.S.U. Continuing Education Service, met January 16, 17, and 18 at Kellogg Center, M. S. U.

Mrs. Raymond Maltby, Brighton, one of the members of the planning committee, was present along with 84 other state-wide safety leaders from the 37 different Michigan women's organizations that include safety as part of their program. An estimated one-half million Michigan women are members of these combined organizations.

Governor George Romney, the opening speaker, presented his recommendation on traffic safety that had just been delivered to the State Legis-

lature. He stated that the public must aid in controlling the problem of the critical and continuing traffic situation that Michigan is experiencing, and that organizations can play a major role in getting the public into action.

State Police Commissioner, Joseph Childs, along with other top State Officials and Educators interested in Traffic Safety, met with the women throughout the three-day working conference.

A grant of \$2500 from the Allstate Foundation made possible this effort to unify women in promoting safety. The conference is considered a first in the nation.

It is the hope of the delegates that this type of unification of women's organizations be continued. The value of having received the correct information from the people most involved and interested in traffic safety, the help from educators to have a continuing Action Program that can be developed by any and all interested organizations for the dissemination of knowledge to the citizen, can prove to be one way of arousing the general public to the immediate need of action before more of our neighbors and friends are killed or injured because of needless traffic accidents.

Richard Lamore of School Lake had the misfortune to fall and break his right hand while learning to ski. He will have about four weeks of idleness before it will be in condition to use.

Mrs. Leo Adams received a letter from her parents, Mr. and Mrs. John Dishong, who are spending the winter in Fort Pierce, Fla. They say the weather has been cooler than normal and more rain than they like, but the fishing is wonderful and Mr. Dishong has been fishing almost every day.

Farnum Cuts Paper Work, Saves Costs

Less duplication is another term for efficiency in government, according to Auditor General Billie S. Farnum.

Efficiency is what each department head in state government is now asked to re-evaluate. True efficiency could bring about considerable savings in operational costs. This would leave more money for programs which benefit the people.

In Farnum's office studies have been under way to find more effective, faster ways of processing the tons of paper work involved in audit procedures.

Previously, the auditor general's office required, for example, five different forms for various steps in the veterans homestead tax exemption program. Last fall, Farnum announced the forms were combined into a single report which also would provide a carbon for the taxpayer.

"Usually," said Farnum, "efforts at tighter control of expenditures result in increased paper work, or so-called 'red tape.'"

"By application of work simplification principles to our procedures and forms, we have actually reduced effort and cost."

Initiation of work efficiency studies came shortly after Farnum was appointed as auditor general, when Otis M. Smith became a Supreme Court justice.

The use of business machine procedures and simplified reports, such as the 5-in-1 veterans homestead exemption report form, will also result in more effective audit procedures to carry out the intent of the law.

"The homestead exemption procedure is but one example of the work simplification program which has achieved excellent results and reduced administrative costs," the auditor general said.

A similar look at operations, this one in the state treasurer's office, has resulted in complete conversion from the use of paper checks to punch card checks.

Treasurer Sanford A. Brown noted that the change resulted in a savings of 18 employees, or about \$80,000 annually to the taxpayers, with no corresponding increase in cost. The employees were transferred to other departments.

"In addition the change will provide more efficient processing and speedier payment of state bills," Brown said.

MORE DEATHS Carelessness, combined with many other factors such as weather and physical conditions, snuffed out lives of nearly 1,900 people on Michigan highways last year.

The impact of the high death toll, fourth highest on record since the count was started in 1953, greatly concerns state officials and police agencies which deal with the statistics.

Very few others, however, could even guess at the number killed in one state in a single year. Most take the "it couldn't happen to me" attitude.

The fact that the high death toll had impressed only a few drivers was seen in the early weeks of this year. Traffic accidents continued on the increase, both in fatal injury and property damage crashes.

Improved highways in the state lessen some of the danger on the roads. At the same time the freeways give way to a feeling of power with little, if any, sense of fear.

More people going farther in shorter times contributed to the nearly annual increase in the traffic death toll. But any of the experts will clearly point out the single factor blamed most often — the motorist's carelessness.

Another kind of carelessness showed up in water accident reports for last year, but it showed basically the same disregard for life of oneself as others.

Fatalities in all types of water accidents increased by eight, to 244, over 1962. A breakdown of the annual report showed deaths of swimmers or waders remained the same, at 96, but boat accidents claimed more lives.

The 1963 report showed 47 boat operators and 40 boat passengers died in accidents as compared with 36 and 29, respectively, the previous year.

Official Green Oak Township Board Minutes

A regular meeting of the Green Oak Township Board was called to order at 8 P.M. by Supervisor Howard Spicer, other members present were Pauline Kravetz, Clay Wilt, Ray Lanning and Forrest King. Motion by Ray Lanning, supported by Clay Wilt that Stuart Leach be appointed Chief Enforcement Officer of the Green Oak Township Liquor Control Enforcement Department and that Constables DeHate, Shosey and

Wrenn be appointed Enforcement Officers. Motion carried. The question was brought up if the township had any authority to control trailers parked on State land other than a state owned trailer park. Mr. Brennan was to check and advise. It was brought out that there were a number of junk cars being parked on residential property and that this is contrary to Section 5.11 of the Township Zoning Ordinance.

Also in at least one instance a garage for the repair of automobiles is being operated from a residential lot in a large subdivision. Mr. Brennan was to meet with the clerk, the constables and the land use enforcement officer to set up a routine schedule to be followed to bring offenders of the Zoning Ordinance into court. Motion by Clay Wilt, supported by Ray Lanning, that we accept the Warren Anderson Contract as stipulated and revised December 7, 1963 in the amount of \$7,596.50 for the blacktopping of Stephen Street in Saxony Subdivision. Motion carried.

Motion by Mrs. Kravetz and seconded by Clay Wilt that the clerk and supervisor be given the authority to sign the contract to blacktop Stephen Street. Motion carried. Stuart Leach, the Green Oak Township Zoning Board Land Use Enforcement Officer, asked to be relieved of his duties in this regard as of March 1, 1964. Mr. Leach has done a fine job that the Board would like to have him continue, however a replacement will be sought and possibly appointed at the February meeting of the board. Moved by Lanning, supported by Wilt we pay bills as read. Motion carried unanimously. The Detroit Edison Co., Street lights, \$85.35; Town Hall \$11.80 and service Saxony \$2.70;

Michigan Bell Telephone Co., Channel service \$5.00; Mabel Harrison Refund on 1963 taxes, \$7.04; Klemen Blyskel same, \$1.00 and Eugene Davis Refund, \$3.59; The Brighton State Bank transfer from tax collection account to Saxony Water fund, \$153.25; Joseph T. Fuel Oil \$54.62; Whitmore Lake Fire Department 7 fires, \$795.00; Register of Deeds, \$31.25. The Clerk informed the

Board that they would have to appoint a Township Board of Canvassers at the next meeting. Two Democrats and two Republicans. Two to serve for a two year term and two for a four year term. Moved by King, supported by Lanning we adjourn. 10:30 P.M. Motion carried. Respectfully submitted, Forrest E. King, Clerk

Know Your Michigan Law
By Attorney General Frank J. Kelley

(This is a public service article explaining in general terms the provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney. The words "special assessment" are little known or understood, but they are important to the average citizen and his pocketbook. Different units of government have the power to levy a special assessment against a particular piece of real estate. This power is usually used by local governments to finance the construction or improvement of roads, sewers, water systems, sidewalks and the like. A particular group of property or lots in an area may be charged with the cost of the improvement on the grounds that this particular area receives a special benefit or convenience greater than that of the general public in the community as a whole.

PUBLIC HEARINGS
But in order for the local government to accomplish this special assessment, certain steps, including one or two public hearings, are taken. The first hearing, if held under local procedures, is known as the "necessity hearing" and is held after adequate legal notice is given. Notice of the time, place and purpose of this hearing is published in a local paper and, in addition, mailed to each property owner and party in interest affected by the special assessment.

The local tax assessment rolls are used as a mailing guide, so it is important that each property owner take steps to see that his name, address and property subject to tax are correctly set forth on the rolls. Thus, each piece of property in the special assessment district may be represented at the hearing. At or prior to the necessity hearing, an interested party can challenge the necessity of the project, the inclusion of his property in the special assessment district, the cost estimates and other related matters.

ROLLS PREPARED
If the governing body decides to proceed after the hearing, a special assessment roll is prepared. This roll will carry each property in the special assessment district and the tax assessment against each property, which assessment must be figured on the basis of particular or special benefits to be enjoyed by that property. Thus, one might properly be charged with part of the cost of a roadway or sewer that services his property.

On the other hand, a home owner could justifiably object to an assessment for heavy duty paving on his street which was to permit the re-routing of truck traffic through his residential neighborhood. The second hearing is held on the assessments themselves and follows the giving of legal notice as in the first instance. At this time the existence of special benefits and the amount of the assessment are open to the scrutiny of all interested parties.

Thus, a special assessment project has had to stand two tests: a test as to public necessity of the project and a test as to the amount chargeable according to special benefits to a particular piece of property.

BY ALICE GRAY

Richard Allen, of 11764 Pinckney-Dexter Road, has a very bad case of flu and has been confined to his bed for a week.

A car being driven by Mrs. Alice Rawson of Pinckney was heavily damaged in the early part of the evening one day last week when it struck a deer on N. Territorial just west of Zeeb Road. The car could not be driven following the accident which killed the deer, sheriff's men reported.

FLORIDA GET-TOGETHER

A cherry message came from Florida where the Ona Campbells are spending the winter. The Lee Laveys, who are spending several weeks in Florida, visited the Campbells one day last week, having a motel room nearby and sharing breakfast with Esther and Ona. Then both couples went on to visit the lovely Busch Gardens near Tampa. Joe Griffith, of Pinckney, called on the Campbells during his recent trip south.

They recommended the fishing, shuffleboard playing, and lovely poinsettias. Sounds enticing doesn't it as we sit here in the snow and cold?

Mr. and Mrs. Duwayne Wilkes and family of Clawson called on Mrs. Wilkes' uncle and aunt, Mr. and Mrs. Otto Poulsen of Pinckney, last Sunday.

Chester Gow, 1963 graduate of PHS, has completed his basic training and is now known as A 3 C Gow and is stationed at Kessler Air Force Base, Biloxi, Mississippi. Chester's parents are Mr. and Mrs. Chris Gow of Hamburg.

Mrs. Cacia Chamberlain, who spent the holiday season in Florida, came back to Pinckney on January 6.

Pat Bays, PHS graduate now employed by Eastern Airlines in Chicago, Illinois, came home last Wednesday, to be present at a family dinner in honor of her father's birthday, January 11. Pat's parents, Mr. and Mrs. Dennis Bays of Cordley Lake, Mr. and Mrs. Clifford Seales, Mrs. Anne Russell and children, Danny and Susan; Mr. and Mrs. Henry Gates, and A 2 C Robert Nosker were present at the birthday dinner.

As the skating rink on the town square was too wet for good skating due to the thawing weather, the Pilgrim Fellowship of the Congregational Church cancelled their skating party last Sunday and had an enjoyable meeting at Pilgrim Hall instead. Plans are being made for a dance and party to be held in the early part of February.

Mr. and Mrs. Jerry Speake were in Lincoln Park last Sunday calling on Mrs. Speake's mother, Mrs. Forest Hughes, who is in a hospital there.

Father Horkan of St. Mary's Catholic Church has been vacationing in Florida since January 5, but is expected back any day now.

Mr. and Mrs. Harold Wheeler of Chelsea called on Mrs. Bell and the Lloyd Harden's with whom she lives, last Sunday.

Mr. and Mrs. Edgar Leemon of Main Street and their four children traveled to Petersburg last Sunday to spend the day and have dinner with Mrs. Leemon's mother, Mrs. Eva Wohlgamuth.

Mark Nash and daughter, Martha, were in East Lansing last Friday night helping another Nash daughter, Rachel, sophomore at Michigan State, move into Van Housen Hall, a new co-operative dormitory.

"BUTCH" NOSKER HOME

A 2 C Robert Nosker came home Friday, January 10 to spend the weekend at the home of Mr. and Mrs. Robert Nosker of Strawberry Lake. "Butch", who has been stationed at Kinchloe Air Force Base near the Soo, is being transferred to Patterson Wright Field, near Columbus, Ohio for tests and treatment at the Medical Center there to correct a recurrence of an old ailment.

Catherina C. Tait and Roger Koepfen, both of Pinckney, were married at 7:00 P.M. Thursday, January 16 at the St. John's Lutheran Church in Howell with Rev. Houston officiating.

Mr. and Mrs. Roger Koepfen called on their parents, Mr. and Mrs. Rudolph Koepfen on Whitewood Road last Sunday.

All Masons in this area are looking forward to the annual venison banquet and guest night to be held Saturday, Feb. 8 at the PHS gym. Dr. Skronowski, superintendent of the Howell State Hospital will be guest speaker of the evening and will show slides.

HE WOULDN'T TELL!

Mrs. Fern Reason and children surprised the head of the family Roy Reason, with a birthday party last Saturday evening at their home on Main Street. Roy's sister, and guests, Emma and Jim Boyd, Catherine Sullivan, Grant and Edna Ward, Heeb and Beverly Bowles, Robert and Dorothy Reason spent the evening playing cards after which a lunch was served. There was birthday cake — but no candles, and Roy admitted to being 39. There are sure a lot of us 39-ers!!

Mary Ellen Botsford, daughter of the George Botsfords of Portage Lake, entertained her third and fourth grade classmates at St. Mary's School at a skating party last week.

Mr. and Mrs. Russell Johnson (Lorraine Tomasi) and their two year old daughter, Lynde, of Wayne visited Lorraine's mother, Mrs. Stanley Tomasi on Wednesday, January 15. Mrs. Loretta Jordan of Whitmore Lake called on the Tomasis last Friday evening.

Francis Tripp, daughter of Mr. and Mrs. Willard Tripp of Cedar Lake Road celebrated her 17th birthday last January 12 at a family dinner in her honor.

GRACE TEMPLETON STILL HOSPITALIZED

Mr. J. J. Templeton of Farley Road had as Sunday guests his two sons and their families, the Art Templetons and the Richard Templetons, and his daughter and her husband, the Bryon Rogers.

In the afternoon the group called on Mrs. J. J. Templeton in McPherson Health Center where she has been a patient for the last five weeks after she suffered a fall which broke her pelvic bone. Mrs. Templeton hopes to be able

to walk about in another week and then soon after will be the big day when she can come home.

Mr. and Mrs. Robert Tracey and small daughter, Shari, were in Hillman last Friday, Saturday and Sunday visiting with Robert's parents, the William Traceys.

Bryon, son of Mr. and Mrs. John Paul Ware of East M-36, was three years old last January 16 and his grandparents, Mr. and Mrs. Tom Ware, his aunt and uncle, Lois and Earl Kimbler with their children and uncle Richard Krahn all were present to help him remember the day.

Sunday dinner guests at the George Youngerman home were Mr. and Mrs. Roy West (the Youngerman's daughter) and their son, Gaylord West who is home on a short vacation after exams at Purdue University.

BIRTHDAY DINNER AT THE GATES HOME

It was Mrs. McGrum birthday so the John McGrum family came from Parma, Ohio to spend the weekend at her parents' home, Mr. and Mrs. Henry Gates of Cordley Lake. At the Saturday dinner in her honor were the Dennis Bays, and Mrs. Anne Russell and children. It was also a much enjoyed, belated Christmas for the McGrum children, Jamie and Terry.

Mrs. Lillian Wylie called on Mr. and Mrs. Thomas Butler in Gregory last Sunday. Mrs. Wylie taught at the Hamburg Elementary School last Monday and Tuesday, the 13th and 14th substituting for Miss Carlson. On Friday she was to be found teaching at the Stone School taking the place of Mrs. Myrna Darrow.

Jim Whitley, Pinckney's own square dance caller, attended a workshop for callers in Detroit last Sunday night.

40TH ANNIVERSARY FOR EVERARDS

Mr. and Mrs. James Everard of Rush Lake were completely surprised last Friday, January 17 when they called on their son and his family, Mr. and Mrs. John Everard of Indiana, Detroit to find themselves the guests of honor. It was the Everards' 40th wedding anniversary.

Rush Lake neighbors who went to Detroit for the occasion were Mr. and Mrs. Stanley Mendyral and daughters, Joyce and Doreen, Mr. and Mrs. Thomas Stremetsky, Mr. and Mrs. Frank Richard, and Mr. and Mrs. William Stolberg.

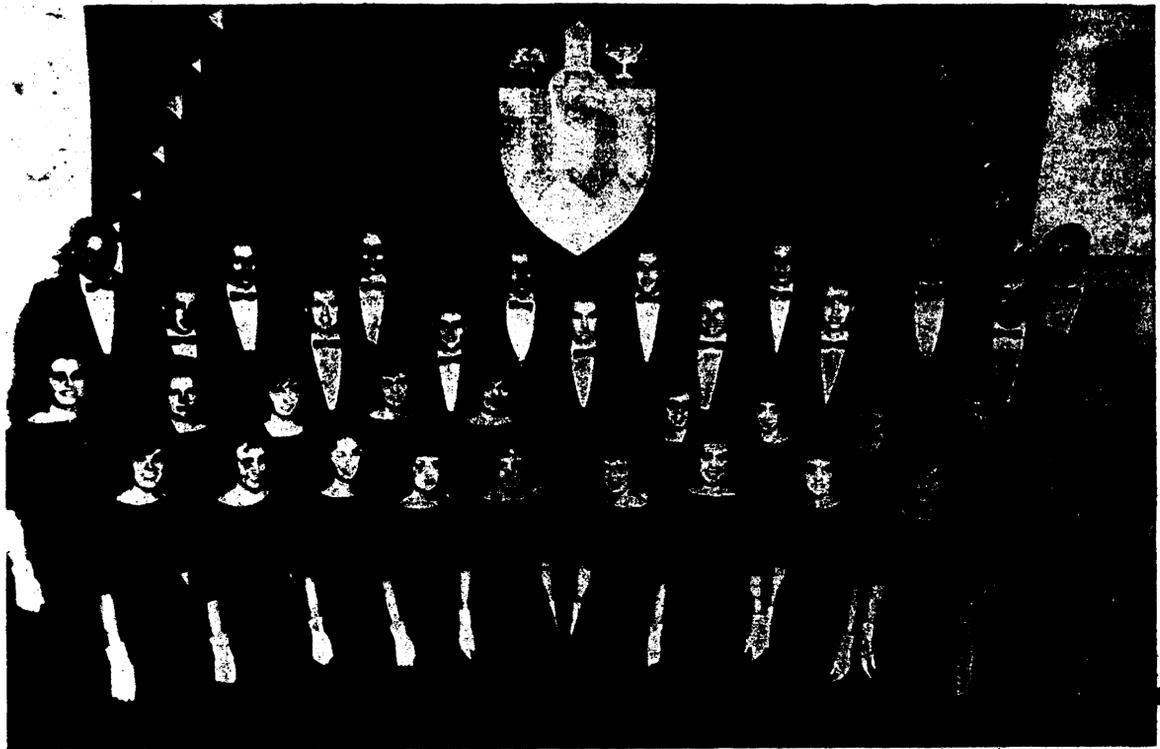

Shoppers in Ann Arbor these days are being treated to the sight of Mary Lee Aschenbrenner's (Miss Pinckney of '63) photo displayed in the windows of Talbot Studios. Mary Lee has changed positions and is now employed at the U of I in the Audio Vision Dept. where she is a secretary to a group of professors. This department is engaged in making films.

Have you ever heard of a Chinese auction? It is quite an intriguing version of the old reliable auction—just ask a member of the Holy Name Society of St. Mary's Church to enlighten you. They are planning a card party followed by the Chinese Auction to be held on Feb. 8 at the St. Mary School. Refreshment will be served and all proceeds are to go to the new church fund.

Hamburg Township Supervisor Francis Shehan is a delegate to the State Supervisors Convention being held in Lansing on January 21, 22, and 23.

COLE BABY ARRIVES

Mr. and Mrs. Bob Cole (the former Gloria Bond) are the parents of a baby girl born on January 15 at St. Joseph Mercy Hospital in Ann Arbor. Their daughter

WILL SING HERE — The Detroit Bible College Chorale, under the direction of Leon G. Anderson, will present a sacred concert at People's Church, Pinckney on Thursday, Jan. 30 at 7:30 P.M. The Chorale is composed of 38 students, chosen through competitive audition. The Detroit Bible college is an interdenominational college, offering majors in Bible, theology, Christian education, and sacred music. Minors in liberal arts are English, speech, Greek, Spanish, Hebrew, social studies, music and history. Four fields of specialization are General Bible, Missions, Christian Education, and sacred music. Minors in liberal arts are English, speech, Greek, Road, Detroit.

ter, and first child, has been named Jacqueline Anne, weighed 5 pounds and 3/4 ounces at birth, has been placed in an incubator for the time being.

Mrs. Cole, who has been hospitalized for many weeks prior to the birth, is still quite ill with toxemia and will remain in the hospital for some time to come. The young father, Pfc. Cole, is home on emergency leave from Germany where he is stationed with the army. This is the 5th grandchild for the maternal grandparents, the Loy Bonds of Unadilla Street.

A recent guest at the Walton Chamberlain home was Mrs. C's uncle, Dr. Carl Johnson, M.D., who has just returned to the States. Dr. Johnson has spent 30 years in Panama where he is director of the Gorgas Memorial. He was in this area to speak at the Public Health Conference at Ann Arbor, and of course to have dinner and a long visit with his niece and her family.

Mr. and Mrs. Edward Nosker and two children of Toledo, Ohio were Sunday guests at the home of the Robert Noskers at Strawberry Lake. The two Nosker gentlemen are brothers.

William Wetherbee of Petytsville Road celebrated his birthday on Tuesday, January 21, with Mr. and Mrs. Robert Toy of Buck Lake and Mr. and Mrs. Jack Hinz of Portage Lake, and of course Mrs. Wetherbee on hand to remind him that he, too, is "39!"

LATEST BULLETIN ON TOPS

We've received calls from gals with "slim ideas" and things are shaping up (in a manner of speaking, that is). Brighton and Chelsea chapters of TOPS (Take Off Pounds Sensibly) are commending us on our right thinking and have generously offered help in organizing. Materi has not come from TOPS headquarters in Wisconsin as yet, but should be here soon. We can have a room at the PHS every Wednesday evening for meetings—if that day is generally acceptable to members. We'll keep you informed. In the mean time—STOP EATING!!

"CHUMPY" SALMON DEVELOPED

According to the National Wildlife Federation, "chumpy" salmon — a cross between chum salmon males and pink, or humpy, females — are becoming popular with Washington State sports anglers.

Some 155,000 fingerlings of this hybrid were released by the state's Department of Fisheries in 1961 in an attempt to provide an even-year returning pink salmon, which ordinarily run in Washington State waters only in off years.

Obituaries

LUDWIK BARLEY

Ludwik Fred Barley, 502 S. Michigan, Howell, died on January 14 at his home of a coronary attack. He was 59 years of age.

Mr. Barley was born in Yugoslavia on August 19, 1904, the son of Frank and Sophia Yerick Barley. He was married to Lillian Czajkowski who preceded him in death by just two weeks.

He had lived here in Howell for a little over four years, coming here from Orleans Corners and was the proprietor of the Western Auto store. He had formerly lived in Detroit and the Ionia area. He was a member of the Howell Lion's club.

Funeral services were held on January 16 at 11 a.m. from the MacDonald funeral home with the Rev. Jerome Schmitt of St. Joseph's Catholic church officiating. Interment was in Mt. Olivet cemetery in Howell.

FLORENCE THOMAS

Florence Alleen Thomas, 316 S. Michigan, Howell, died on January 14 at University of Michigan hospital in Ann Arbor following a brief illness. She was 50 years of age.

Mrs. Thomas was born on December 23, 1913 in Brighton, the daughter of George and Elizabeth Roblin. In 1931 she was married to Harold E. Thomas and resided most of her married life in Howell.

She is survived by her husband; three daughters, Evelyn Thomas, Elizabeth Teeples and Geraldine Martin; her father, George E. Roblin of Brighton; a sister, Bessie Anderson of Brighton; a brother, Alfred Holderness of Detroit; and four grandchildren.

Funeral services were held Friday, January 17, at 2 p.m. from the Schnackenberg funeral home with the Reverend Charles Klob officiating. Interment was in Fairview cemetery in Brighton.

Fred Catrell Named 'Man of Year'

Fred Catrell was named "Man of the Year" at the annual banquet held by the Howell Area Chamber of Commerce on January 15.

Frank M. Bignell, president for 1963, presided at the meeting and the invocation was given by Paul H. Uber, Sr.

Following dinner which was served to 144 persons, Herb F. Schott led in community singing with Mrs. Stanley Hoffman accompanying at the piano.

Bignell made the presentations and then Donald E. Rhodes introduced the speaker of the evening, Senator Frank D. Beadle.

Then came the moment of

the "Man of the Year" award which had been a closely-guarded secret. The presentation was made by Mayor Clifton Heller.

Catrell who was 70 years old last December was born in Brighton township and was raised in Unadilla township. He will have been married to the former Lucy Cook 47 years this coming May and they are the parents of three children, two daughters and a son.

Catrell was employed at the Howell Electric Motors for 20 years and in 1940 was elected city clerk of Howell. He has

Howell Grad, Wins Award

A Cordner award, the highest measure of individual achievement in the General Electric Company's "Accent on Value" program, was recently presented to Joe O'Leary of Erie, Pa., formerly of Howell.

There were only 300 of these awards given throughout the entire General Electric Co. which has a total employment roll of 250,000 persons.

The award was made in recognition of his significant contribution to the program.

O'Leary who is sales manager of the Equipment Industries, Industrial Section, won his award for outstanding sales contributions in developing sales of company systems and products sold in the mining excavation markets.

U of M Art Course Starts End of Month

HOWELL — An art education course offered by the University of Michigan, will begin here Jan. 30 at 7:30 P.M. in the Howell High School.

While intended primarily for persons taking it as a credit course, there will be limited openings for residents with adequate background who wish only to attend because of their interest in the subject, according to Ardell A. Henry, supervisor for the U of M Extension Service and Center for Graduate Study.

He advised that no transcript is necessary to earn the two hours of credit and that the course offers both graduate and undergraduate credit.

"The hours earned will be entered on the student's transcript," he said, "and be readily transferred to any other institution."

There will be 15 weekly sessions taught by Kenneth Kurmmerlein, art lecturer.

Those interested may attend the first meeting without obligation, Henry pointed out. Registration will be taken at this time but fees may be paid at the following meeting.

Retail Events Get Attention

The Retail Division of the Howell Area Chamber of Commerce met recently at the Colonnade to set up the retail promotional calendar for the year.

Preliminary plans for the Washington Birthday sales were discussed and Charles Itself was named as general chairman for the event.

Also discussed were the dates and general plans for the Howell Exposition to be conducted jointly with the Junior Chamber of Commerce. Details of this will be published later.

Court Orders Two To Jail For Non-Pay

HOWELL — Twelve divorced men have been cited for non-payment of child support by John R. Brennan, Livingston County Friend of the Court.

They were ordered to appear before Circuit Court Judge Michael Carland during December and January. Two men were given alternatives of paying amounts owed or serving time in jail.

Appearing below is a list of those cited and the disposition of their cases:

Charlie R. Smith, address unknown, now living in Arkansas.

David Beattie, 607 W. Clinton, Howell, to serve 4 months in the county jail or until he pays \$50.

Roy Miller, 3116 Ras-kob, Flint, did not appear; attachment now issued.

Virgil Biller, State St., Howell, ordered to pay \$198; paid.

Major Mackensen, 1309 S. State, Ann Arbor, ordered to pay \$570 or 30 days; elected to remain in jail.

Ronald Talbot, 622 1/2 East Grand River, Howell, 30 days or \$220; paid full amount on December 10.

Gary Cotter, 2024 Oak Grove, Howell, settled out of court.

George Foreback, 8191 Woodland Shore Dr., Brighton, \$15 per week until returning to work, then \$25 per week until arrearage is paid up.

Charles O. Huff, 4200 Latson Rd., Howell, settled, paid \$112 on arrearage.

Carl Hollister, 2822 West M-36, Pinckney, adjourned to Feb. 3.

William Gleason, 10511 Maple St., Hartland, to pay \$20 per week on arrearage; must be paid in full by March 1.

Daniel Harvey, 475 Scio Church Rd., Ann Arbor, settled out of court; paid \$182.

Bloodmobile Will Make Stop January 29

Prospective blood donors are being asked to appear at the Howell Armory on January 29 from noon to 6 p.m.

The mobile blood bank will be there and any resident of Livingston County who is in good health and between the ages of 18 and 59 is asked to contact Mrs. Betty Coo at Howell 693 for an appointment to donate.

The quota of blood for Livingston County is 1000 pints for the year which runs from July to July. As of this date about half of the quota has been donated.

Any resident of the county is entitled to whole blood and its derivatives without charge for the blood or the blood products themselves. Any time blood is needed it will be replaced or furnished upon request.

Mrs. Helen Bauer is chairman of the Livingston County Blood program.

County Building Soars, Permits Up One Third

HOWELL — Figures on building in Livingston County during the year of 1963, compiled by Lawrence Munsell, County Building official, show construction was initiated on 312 residence with a total value of \$4,643,940.00.

Five hundred additional permits were issued for garages, carports and alterations at a cost of \$1,585,836.00.

Nineteen commercial permits totaled \$797,677.

The total of almost 7 million dollars represents a 33 percent increase over 1962.

A surprising fact brought to light by this tabulation is that Tyrone Township emerged as the leading township in residential construction.

Building permits were issued for 52 new homes in Tyrone, with a valuation of \$884,000.00.

Census data for the decade 1950 to 1960 shows the southeastern quadrant of Livingston County to have had the greatest population increase.

Brighton Township increased 72.5 percent, Hamburg 82.2 percent, Genoa 126.3 percent and Green Oak 146.9 percent. During that same period Tyrone had a population increase of 45.6 percent.

Does this increase in residential construction indicate a change in the settlement patterns within the County? "Time alone will provide the answer," Munsell says.

In the meantime local builders say, "1964 looks like the best year yet."

He that hath ears to hear, let him hear.—(Matt. 11:15) Through prayer we can learn to respond properly to the spiritual guidance that God makes available to us; to feel the life forces that He has instilled within, to hear the Divine Messages that hold the promise of heaven.

Livingston GOP Women Start Drive To Raise Funds for Fall Election

HOWELL — Members of the Livingston County Republican Women's Division are going to work "to help win the GOP election in November," according to Mrs. Jess Allen, party spokesman.

Last Wednesday at a meeting in the Republican Headquarters in Howell the women voted on a program this year that will interest not only the busy housewife but also the career girls.

They voted to institute the "Grow Program" which is a nation wide registration drive headed by Republican National Vice-Chairman, Elly Peterson of Charlotte.

Phillip H. MacBride of Brighton County Finance Chairman, spoke to the group on his plans for fund raising.

Other members of his committee are Norman Topping of Gregory and Dr. Boyd Shertzer of Howell.

Mrs. Norma Kuhn of Hartland, county vice-chairman, told the group about the '64 VIP Leadership Seminar held in Lansing last Saturday which she attended.

Others attending the seminar were Charles R. Ward, county chairman, and Mrs. Ward, Mrs. Jess Allen, Livingston County's representative on the Republican State Central Committee, Robert Kleeb, Norman Jamieson, Jr., all of Howell, and Kenneth C. Weber of Brighton.

The following officers were elected: Mrs. Andrew Jackson, president; Mrs. Joseph Miesle, Jr., vice chairman; Mrs. John Hagman, second vice-chairman; Mrs. Thomas Sharpe, secretary; Mrs. Calvin Gatesman, treasurer, and Mrs. Jess Allen, program chairman.

The next meeting will be held, February 18 at the home of Mrs. Jess Allen, 346 Inverness, Howell.

This will be a fund-raising event at which the women will serve a pancake brunch for both men and women from 11 A.M. to 2 P.M. Tickets are available from members.

Mrs. Allen said, "Her group hopes to interest area women in Republican activities on the local, county, state and national level." She invites all interested women to join this division.

On New Year's Day, Doug and Kay Phillips and children, Marilyn, Susie and Randy, visited Doug's mother, Eleanor Phillips, in Livonia.

FIRST CHILD
Mr. and Mrs. Charles Huntley, Jr., are the parents of their first child, a daughter, born on Dec. 17 at McPherson Community Health Center. Kelly Rene weighed in at six pounds and 13 ounces.
Charles is presently stationed in Alaska with the Air Force at Shemya Island. He is the son of Mrs. Sadie Huntley of Buck Lake.

Stephen Duchane, son of Mr. and Mrs. Erwin Duchane, celebrated his eighth birthday Friday, Jan. 3. He was honored at a party attended by his brother, Roger, Wicky and Joyce Terry and Les and Betty DeWolf and sons, Wally and Tommy.

BELEATED BIRTHDAYS
Birthday wishes go out this week to Marshall Miller, Jr., and Frances King on Jan. 1, Donald Hoard and Michael Manns on Jan. 3, Elizabeth Ann Nissen and Lyla Hollis on the 4th, Gladys Kirk on Jan. 5, Virginia Sowers and Maria Fitzgerald on Jan. 6, Donna Dockett on Jan. 7, Lavina Keehl and Judy Daley on Jan. 8, Barbara Shepherdigan and Linda Miller on Jan. 10, Arlene DeWolf on Jan. 13, Jason Suter and Claudette Gow on Jan. 16, Viola Gow on Jan. 14, and Susan Damm on Jan. 17.

Mr. and Mrs. Eugene Nissen celebrated their 13th anniversary on Dec. 29. Mr. and Mrs. Luther Kriefel celebrated their 3rd anniversary on Dec. 30, and Mr. and Mrs. Arthur Chapman will celebrate their 48th anniversary on Jan. 22.

The Hamburg Chamber of Commerce will hold its first meeting of the year Thursday, (January 23,) at the Hamburg Township Hall. The meetings are now scheduled to be held the fourth Thursday of every month.

A week ago, Elsie and Erwin Duchane and sons, Stephen and Roger, spent a few days at the home of Erwin's sister and brother-in-law, Mr. and Mrs. William Zimmerman of Bay City.

AROUND BISHOP LAKE
By: E. C. SCHROEDER
Times like this are frustrating to a "reporter" — no one is doing anything! Guess they are licking their wounds after the holidays!
A few ice fishermen toddle out onto the lakes, a few rabbit hunters make a weak attempt to hunt in the surrounding hills and swales, a few young people own skates and make half-hearted attempts on the ice covered with the spring like thaw—
Marge Baker and little Judy trot over to visit with Ann Henry every once in a while.
Mary Mullerelle makes her daily trips to bring the children to their classes at St. Pat's. Rosie Glowacki flies by each morning to the job in Howell — all very everyday and prosaic.

Ralph Schroeder, Sr., returned from Sparrow Hospital in Lansing after surgery on his nose — feels well but will be at home for at least a week. Christine Schroeder same home Wednesday.
And Mary Schroeder had three of her friends over on Wednesday night — Kathleen Swarthout, Penny Goucher and Cathy Salver, all of Pinckney.
Then on Sunday, Mr. and Mrs. Elmer Martilla of Southfield and Mrs. Arvid Pyykkonen of Atlantic Mine, Mich. were visitors at the Schroeders. That covers our family at least!

Jane Lindburg (Mrs. Cecil Lindburg) attended a funeral of a close friend in Owosso this week.

The Lloyd Nashes went into Toledo Sunday to visit their friends and relatives.
Next week I'll try to ferret out more exciting "gossip" for all my gentle readers.

Guests at the home of Ted and Thelma Winkiehaus, this past week, have been Mr. and Mrs. Robert Ward, their nephew. The Wards are here from Washington, D. C. and are staying with the Winkiehaus while looking for a home in the Royal Oak-Birmingham area.

Friday, January 10, was an exciting day for the Denamore family. Leslie Ziler, the Sr. Denamore's nephew, came here from Detroit to take pictures of each member of the family. He is a photographer in Detroit. They are all anxiously awaiting the arrival of the portraits.

Next Tuesday, January 28, 20 girls of Junior Girl Scout Troop 559 will take part in an investiture. At this meeting the girls will receive their wings and their Girl Scout pins.

The leader of the troop, Mrs. Leon Baginski said that all of the girls' mothers have been invited to the ceremony.
Refreshments will be served and the movies taken of last year's day camp and the Bob-lo trip will be shown.

Huron-Valley Girl Scouts who are out of school Friday afternoon, will be going to the Shrine Circus on that day.

The Sisters of St. Patrick's Church had an open house Sunday at the new Convent, which is located on Rickett Rd. The site was donated by E. F. Fisher.

On Saturday, January 18, Clarence Radlof was released from St. Joseph Hospital after a nine-day stay.

Dick and Edna Hollenbeck are now home from a three-week vacation which took them to Georgia and then on to Arizona to visit their son.
They visited Mr. and Mrs. Carl Friskey in Douglas, Arizona, and then drove the southern route to Columbus, Ga., where they saw their son, Roger, who is in the Army.
They left the day after Christmas and returned home last Tuesday.

Another son, Jim, accompanied them to Arizona and returned on January 4, by train so that he could enroll for this semester, at Ferris Institute, in Big Rapids.

Mr. and Mrs. Marshall Morse of White Lake spent one evening last week at the home of Mr. and Mrs. Howard Ellopelle.

Members of Girl Scout Troop 101 are busy collecting items which will be used in a newspaper they are presently working on.
The girls are putting together the paper as a part of the Writer Badge, which they are earning. Lois Borton and Helen Gondak, the co-leaders of the troop are assisting the girls on the project.

Last Friday afternoon Joyce Terry entertained Eva Wiseman and Janet Santure for lunch.
The newly-formed Student Council of Hamburg School will have a Bake Sale on January 25, a Saturday, at the Boy Scout Cabin, beginning at 10 a.m. Proceeds of the sale will be used to purchase belts and raincoats for the newly formed safety patrol. Sponsor of the Student Council, is Mrs. Herzog.

On Tuesday, January 14 a Naturalist from Kensington Metropolitan Park gave lectures on nature, to the students of Hamburg School. The classes were divided into four different groups so that lectures could be given for different age groups.

Last Saturday, January 18, the 6-8 graders of Hamburg School went to Ann Arbor High School where they had a swimming party.

Mrs. Harold Thomas of Howell suffered a stroke two weeks ago and was taken to University Hospital, where she is still a patient. She is the mother of Miss Thomas, who is the sixth grade teacher at Hamburg.

Report Cards will be issued today, Wednesday, at Hamburg School.
Birthdays this past week were celebrated by Stephen Fitzgerald on Jan. 13, Anthony Jablonski on Jan. 16, Robert Fitzgerald on Jan. 17, Reynolds Denamore, Jr., on Jan. 20 and by Scott Munzel on Jan. 26.

BRIGHTON — David M. Pendorf, machinist's mate third class, USN, son of Mr. and Mrs. Henry Pendorf of 5853 Winans Lake Rd., Brighton, was recently promoted while serving aboard the guided missile light cruiser USS Springfield operating with the Sixth Fleet in the Mediterranean.

His promotion was based on proficiency, leadership ability and score on the Navy's fleet-wide examination, a Navy spokesman said.

Fred J. Devine, aviation machinist's mate airman apprentice, USN, son of Mr. and Mrs. Fred J. Devine of 8705 Coon Lake Rd., Gregory, is serving with Patrol Squadron 40 at the Naval Air Station, North Island, San Diego, Calif.

Marine Private First Class Fred C. Brown, son of Mr. and Mrs. Lawrence Brown of 715 Spencer Rd., Brighton, is serving with Marine Corps Battalion Landing Team 3/2, the amphibious striking force of the Sixth Fleet operating in the Mediterranean.

(Submitted by John R. Brennan, Attorney, Friend of the Court; Joanne Jones, Deputy.)

To the Honorable Board of Supervisors:

There follows a brief summary in connection with the operations of the Livingston County Friend of the Court office for 1963. Included is a statement as to the authority for the office, its purposes and activities. In connection with the last item, the investigative and enforcement activities of this office will be detailed.

LEGISLATIVE AND JUDICIAL AUTHORITY

The office of the Friend of the Court was established under provisions of Act 412, Public Acts of Michigan, 1919, as amended (M.S.A. 25.171 et seq). The Supreme Court of Michigan, by Court rule, has implemented the statutes from time to time.

Effective January 1, 1963, the Supreme Court of Michigan promulgated certain rules, known as Domestic Relations Rules, which among other things, define the duties of the Friend of the Court. (GCR of 1963, 721-731)

These rules have extended the duties of the Friend of the Court so that the investigative function of the Friend of the Court is now mandatory.

OPERATIONS

It is only after an action for divorce, separate maintenance or annulment has been commenced that the function of this office become applicable. This office is an adjunct of the Circuit Court and has the major duties of investigating the home, children and parties involved and of enforcing the orders of the Court.

INVESTIGATION

In every case involving minor children, this office must make an investigation of the home and of the parties and make a recommendation to the court as to custody and visitation privileges. This report contains pertinent factual information as to the needs of the children, financial circumstances of the parties, school information, home environment of the children and the possibility of reconciliation.

Special investigations are often required to handle the many legal and social problems concerning the welfare of minor children. Conferences are arranged between the parties with reference to disputes over custody, visitation, supervision, neglect of the children, or suitable boarding care. The results of this work have been most gratifying.

that the majority of these problems have resulted in an amicable adjustment of the differences between the parties.

Another area of investigation are those cases which are referred to this office from Friend of the Court offices in other counties. This is done when one of the parties to a divorce action started in another county is a resident of Livingston County. An investigation and report is made and forwarded to the Friend of the Court making the request.

ENFORCEMENT

The department processes all complaints relative to non-compliance with support orders and visitation orders entered by the Livingston County Circuit Court.

In addition this office is responsible for the enforcement of all orders entered under the Uniform Reciprocal Enforcement of Support Act, adopted by our 50 states and territories.

The purpose of the act is to provide support for children and other dependents when the party responsible for support resides in another state.

MISCELLANEOUS

This office receives the money paid by the responsible party and then after the appropriate bookkeeping entries are made, our check is sent to the person entitled to receive the support.

In this connection, this office furnishes the parties, if requested, a statement of amount paid during any given taxable year.

During the past year through the efforts of the Honorable Michael Carland, Circuit Judge, the filing fee in divorce cases was raised from ten dollars to twenty dollars, effective April 1, 1963.

This additional ten dollars helps defray some of the expense in running this office.

Also this office is responsible for Waivers of Jurisdiction to the Juvenile Court where a child of divorced parents is subject to custodial disposition by the Probate Court for Livingston County. This would include those cases where the child is being adopted where there is a delinquency problem.

SUMMARY 1963

Summary of Livingston County Divorce Statistics: Population, Federal Census 1960 - 38,026

TABLE I

In the following table, the abbreviations used are as follows: YR, Year; M-L, Marriage Licenses; D-F, Divorces Filed; D-C, Divorces involving Children; D-G, Divorces Granted; and M-C, Final Reports RE: Minor Children.

YR	M-L	D-F	D-C	D-G	M-C
'61	272	139	93	87	47
'62	320	149	87	87	47
'63	305	172	98	79	47

The above does not include the temporary support motions, motions for modification of divorce judgment, motions brought under the Uniform Reciprocal Enforcement of Support Act, or paternity actions.

TABLE II

CASE LOAD
Active cases on file as of December 31, 1963 - 206.
Number of children receiving support through this office - 705.

TABLE III

Total Receipts:
1962 - \$184,415.78
1963 - \$219,589.74
Annual Fee:
1962 - \$118.00
1963 - \$2,024.00
Additional Filing Fee:
1963 - \$840.00
Direct Payments:
1963 - \$6,731.11

TABLE IV

Number of checks issued by this office for support in 1963 - 6,580

ENFORCEMENT FOR 1963

Number of persons receiving 72-hour notices - 129
Contempt Citations by Order to Show Cause - 131
Contempt Citations by Attachments - 45

The above figures do not include the numerous letters sent by this office advising of delinquencies nor do they include the arrangements and settlements made by this office with the individuals involved.

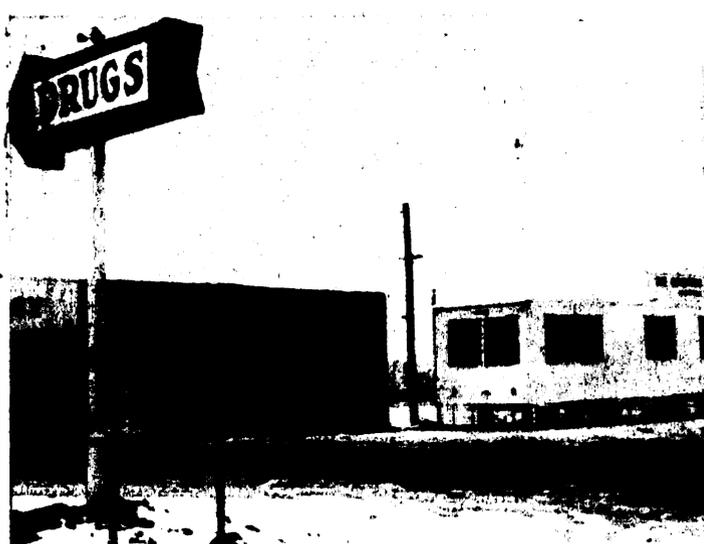

SUMMARY

During the past year, as the figures in Table III indicate, this office collected the sum of \$2,024.00 in statutory fees as compared with \$118.00 for the year of 1962.

In addition, there was the sum of \$840.00 collected as additional filing fees. This amount helps substantially to defray the expenses of this office.

There have been countless reconciliations effectuated by this office throughout the past year. This is due to two factors: (a) conferences with the parties; and (b) strict enforcement of the temporary support orders.

By forcing the fathers to keep current on the support orders during the pendency of the divorce suit, many fathers are realizing that divorce is a luxury.

Obituaries

NELLIE BOUTIN
LAKE CHEMUNG — Mrs. Nellie Boutin, 3645 E. Grand River, Lake Chemung, died on January 17 in the McPherson Community Health Center following a long illness. She was 73 years of age.

The daughter of Robert and Sarah Gordon Caswell, Mrs. Boutin was born on September 17, 1890 in Meaford, Ontario, Canada.

She was married in Detroit on July 3, 1912, to Alfred Boutin who survives her.

She was a member of the Presbyterian church and Howell Chapter 372, Order of the Eastern Star. She had lived in Livingston County for 43 years coming here from Detroit.

Besides her husband, she is survived by a son, Howard E. of Clawson; a daughter, June Gregerson of Northville; a brother, Dave Caswell of Toronto, Canada; a sister, Fanny Wilson of Niagara Falls, New York; and two grandchildren.

Funeral services were held on Monday from the MacDonald funeral home with the Rev. William Jones of the First Presbyterian church officiating. Interment was in Lakeview cemetery.

PRECIOUS CONTACTS

Platinum, one of the precious metals, used for modern jewelry, also finds use in the present-day automobile. Platinum alloys are used for voltage regulator contacts to ensure reliable electrical operation in these units.

WALLACE COOLEY

Wallace R. Cooley, of 532 Church St., Brighton, died Saturday afternoon at the Willow Run Convalescent Home, following a long illness.

He was born March 9, 1886 in Brighton Township, a son of William and Frances Skank Cooley.

On April 15, 1913 he was married to Esther Burns in Howell. Mr. and Mrs. Cooley had farmed in the Brighton and Milford area until 1945 when they moved to the Church Street address.

On April 15, 1963, they celebrated their Golden Wedding anniversary.

Mr. Cooley was a member of the First Methodist Church of Brighton.

Surviving, in addition to his wife, are six daughters, Mrs. Geraldine North of Sarasota, Florida, Mrs. Winifred Stevens of Mason, Mrs. Hilda Dymond of Brighton, Mrs. Helen Catlin of Milford, Mrs. Dorothy Eaton of Pontiac and Mrs. Phyllis Ballinger of Tawas, three sons; Jesse of Holly, Arthur of Brighton and Laverne of Milford, 28 grandchildren and 17 great-grandchildren.

Funeral services were held Tuesday from the Keene Funeral Home with the Rev. George T. Nevan officiating. Burial was in Fairview Cemetery, Brighton.

The future is always a fairy land to the young.

School News

It is no secret around P.H.S. of the many actors and actresses that attend classes there. No sir, not after that Christmas program consisting of two plays done by the students that are in Mr. Don Gibson's speech classes.

Another attempt in this category is underway now. The speech class students will present the play "Our Miss Brooks" come February 12, 1964. The public will be invited.

The cast of players and the characters they will portray are as follows: Martha Nash as Miss Brooks; Cherie Darracq as Miss Finch; Bill Backlund as Hugo Longueur; Stanley Kozl as Mr. Wadsworth; Rhoda Baxter as Miss Audobon; Barbara Kennedy as Fiske; Rose Marie Vedder as Elaine; Pat Wilshire as Jane; Bev Unstead as Sylvia; Rochelle Randall as Doris; Pam Seefeld as Marge.

Marion Tait as Faith; Melody Morris as Rhonda; Jim Jennette as Ted; Larry Bowles as Stanley; John Haas as Martin; Nieme Bolen as Mrs. Allen.

With this cast of players, and the play under the direction of Mr. Gibson, it will be well worth watching for!

Our room had a cupcake and fudge sale January 16. We made \$26.01. This money will go for food at our ice skating party which will be held at Shirley Harmon's house.

We have two new students in our room. The first one is Roy Reimer, who was in our room until last May when he had to leave. The other one is Arthur Koch, who was in Lincoln School in Ypsilanti before he came to Pinckney. (Strangely enough, he was elected treasurer within a week after he arrived.)

Keith Morgan Visiting Here On Furlough

KEITH MORGAN

Home on a thirty day leave! PFC Keith Morgan surprised his parents, Mr. and Mrs. Clark Morgan, 10447 Downing Drive, Strawberry Lake, when he arrived home New Year's Eve, unannounced, from Germany, where he has been stationed the past two years.

Moran is an engineer in the U.S. Army.

A big venture on his agenda while in the states is to go to Kitchener, Ontario, where he plans to surprise his brother, Perry Morgan. Perry is a student at St. Jerome School in Kitchener. Mrs. Helen Morgan will join her sons for this reunion.

Local Man Spends Yule Aboard Ship

Action was taken immediately — phone calls were made and approximately 150 to 200 voters were reminded to vote and were urged to get to the polls. This they did, resulting in a successful election.

Those serving as election inspectors in precinct I were Murray Kennedy, Virginia Amburgey, Catherine Heath, Marion Scott, Nancy Barker, and Eva Porter. Helen Walton assisted part time.

In precinct II the election inspectors were William Backlund, Eva Waterbury, Jean Denmore, Bernice Baker and Gladys Kirk.

Board Minutes

VILLAGE OF PINCKNEY
REGULAR COUNCIL
MEETING
JANUARY 14, 1964

Meeting called to order by President Dinkel followed by roll-call. Present: Tipplady, Swarthout, Russel, Clark, Lavey. Absent: Doyle. Reading of January minutes was waived.

Mr. Smith of Consumers Power Co. talked with the Councilmen, requesting permission to erect a sub-station

U.S. Will End Time-of-Day Cancellations

Beginning Feb. 1, postmarks will no longer tell the time of day that mail was canceled, according to Pinckney postmaster Lawrence Baughn. In its place will go a simple "A.M." or "P.M." designation.

Since 1879, postal regulations have called for the date and time to appear in postmarks. But the Post Office Department reports that this has cost countless man-hours, for changing the time in the canceling machines was a manual operation.

Anyway, a postal official said Wednesday, about half of all first class mail now is metered — that is, pre-cancelled by the mailer — and these postmarks do not include the time of day.

The rest of the postmark's face will remain the same, giving city, state and date.

First Federal Elects Board Library

The Seventh annual meeting of the Members of First Federal Savings and Loan Association of Livingston County was held on January 15, 1964, at which time the following directors were elected: Harold J. Sutton, Don Y. Main and John M. Schroeder. Other Directors are George R. Schaffer, Wilfred H. Erwin, Atty. James F. Boyd, William J. Skusa and Melford J. McKay.

Mr. McKay, Executive Vice President and Managing Officer, reported that savings gains and real estate lending reached an all time high for this area the past year. He said, "We feel that savings and loan institutions have achieved a critically important place in our total economy and that their influence will continue to expand in the foreseeable future."

"Reading is the Key" and all children in the community are invited to get their key at the library to mark their progress on the device for their winter reading program. How many doors will your key open?

We have long needed a good reference book for authors. We now have "Twentieth Century Authors" by Kunitz and Hayscraft and the first supplement to it by Kunitz, which brings biographical information about present-day authors up to 1955. These books are reference books for use in the library only.

New books for adults are: Curtis, "Plaster's Punch," the autobiography of an opera star who became hostess of the largest planters estate in Tahiti. Delightful reading, as witty as its title.

Whitney, "Seven Teas for Apollo," a suspense story against the background of modern Rhodes involving the priceless art to be found there. Foley and Burnett, editors.

Olivier, "Rise Up In Anger," the story of a German officer who during World War II was destroyed and thrown into a concentration camp. After the war he sets out to avenge himself upon his betrayers.

Letter to the Editor

We are now living in Reno, Nevada, and we are very happy out here. We are living in a brand new home. It was built by the Federal government and is for Senior Citizens only, or people on social security. The rent is based on the income of the family.

We have a beautiful house, with two bedrooms, a large living room, a large kitchen, and plenty of closets. We also have our own back yard, a patio, and parking space for the car. We are paying \$39.00 a month and for that we get our refrigerator, stove, draperies, and heat furnished.

We also get a lawn mower, a hose and shovel. We can plant flowers if we like. There is a large recreation room for entertainment. There are 100 of these houses built and it is called the "Tom Sawyer Village." It is really beautiful.

The weather is grand too. It gets cold at night and in the morning, but we have sunshine all day. Nice scenery, too, mountains all around and you can see the snow on the mountains.

After all the hard luck we had, we finally struck some good luck! I thank God every day. I just wonder why someone couldn't do something like this in Livingston County. It would be so nice for the elderly people.

You may print this letter in the Dispatch, if you like. I would like all our friends to know how lucky we are at last!

PEGS to Visit Legislature

The Pinckney Extension Group of Pinckney (PEG's) met Wednesday, January 15 at the home of Mrs. Marvin Livrance on Main Street.

Plans were discussed for the spring meeting to be held in conjunction with other extension groups in this area. Mrs. Steven Lazio will be in charge of this meeting.

One of the current projects of the PEG's is supplying a ward of patient's in the Howell State Hospital with a small remembrance during the Easter season.

Lesson for the day given by Mrs. Thomas Line and Mrs. Harold Riggs was on "Art Appreciation."

As the bill that appropriates the funds for the extension program appears in the legislature for approval or rejection this week, the PEG's are going to Lansing Thursday, January 23 and attend the State legislature session and put their views on record. A craft lesson will be given at the home of Mrs. Lazio on Cedar Lake Road next on Wednesday, February 5.
