

Pinckney Dispatch

P.H.S. Should Praise Pirates For Patriotism

These are pictures of Pinckney's Varsity basketball players:

These boys have worked hard and have gotten no where this year as far as being winners "score-wise." BUT, when it comes to spirit, fight, and patriotism to their alma mater, these boys are tops!

Each week these players

have taken a real tromping, and each week they return and "try it again" against new opponents. In surveying the situation and learning about some of the shall we say troubles, and disadvantages these boys are handicapped above statement must be true. They have spirit!

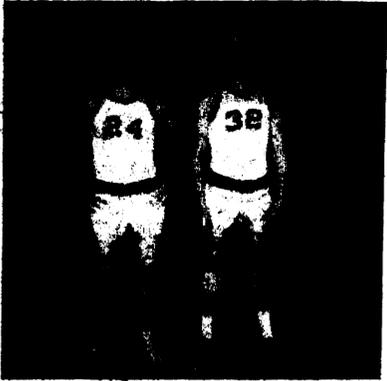

To begin with this year

these boys are handicapped with height problem. The Pirates have an average team height of 5 ft. 8 inches, in comparison to opposing teams having an average height of 6 ft. and over.

The two facts that Pinckney does not have the advantage of a Junior High program to arouse interest in basketball at an earlier grade, and help them prepare for Varsity ability, and that no physical education program is made available to help maintain their condition throughout high school until reaching Varsity team age, are reasons enough to understand the lack of team coordination and lack of individual coordination, that seems to stand out so noticeable among this year's players.

Another disadvantage is the gymnasium situation. There is one gymnasium that must be shared by the four schools in the district, Hamburg Elementary, Winans Lake school and the Pinckney high school. This holds the time given the Varsity players for practice to a minimum. And the gym is too small for more than one team to practice at one time.

Another big disadvantage. Now the fact that the building of the new proposed school should solve the larger share of these problems, does not help any at the present time. These boys need, and deserve, full support of their fellow students, the faculty, and all district residents! They deserve a "pat on the back" for just showing up at each week's contest.

Fire Alert System Passes Initial Tests

ARTHUR G. ELLIOTT JR., being welcomed by Charles Ward last Thursday evening. Looking on is: Charles Lyle, Nan Allen and Phil MacBride.

Two-Way Radio Is Now Ready For Full Use

Pinckney volunteer firemen recently participated in a county wide test of the recently installed communications system between various fire departments in the county and the Livingston County Sheriff's office located in Howell.

Fire chief, Robert Amburgey made remark to the effect this system should prove worthwhile and very helpful in the years to come.

The two-way radio was purchased by the Township in the fall and is now set to go. In the case of bad fires, bad storms, or other items of serious trouble the Pinckney firemen can now radio the sheriff's office, (headquarters) and ask for help, and they in turn radio a county "neighbor" and send help where it is needed.

The Pinckney Fire Department will add this radio to their long list of possessions. "The Pinckney Fire Department is one of the best equipped departments around," according to John Burg, secretary of the department. "Especially when you consider the size of the town, the population and all."

Along with the radio the department now boasts of having resuscitator equipment, a portable light plant, an auxiliary portable pump, self-contained oxygen unit, the ever-valuable grass fire-fighting

"Jeep," the American La-France high-pressure pumper, the 1,000-gallon tanker and a second smaller pumper outfit.

All this is good reason why the 22 volunteer firemen, which includes the fire chief and the assistant fire chief, take such pride in their department that they do.

The 22 members hold two meetings each month for drill and to maintain their department and equipment. They made 61 runs in 1963.

They were great promoters of the proposed Community Building in 1963, which would have housed their equipment, along with a library, town hall, etc. When this was voted down in the spring election, the firemen petitioned the Putnam Board officials for a second election. This time voters gave their approval for this building to be built with federal aid, but during this time Livingston County rose above the unemployment crisis and made Putnam Township ineligible for any such federal funds under this program.

Therefore, the firemen, somewhat discouraged, took it in their stride, and went about renovating the small building, formerly a school house, that was purchased by the firemen themselves to use as they saw fit. The building was moved to property behind the present fire hall. Last fall the ground surrounding the building was

(Continued on Page 7)

The Way State GOP Chairman Visits We Hear Livingston County Committee

By Dolly Baughn

... if the Village children wishing to have use of the skating rink again this year would be kind enough to STAY OFF the rink for a few days, Mr. Hewlett, and others, are trying desperately to produce a second rink after last week's January thaw. This is just about impossible though unless the children do stay off until they get it to a more advanced stage than it is now.

... an apology from the Pinckney staff of the Dispatch to Ronald Singer and Keith Morgan concerning the picture switch. This was not intentional and it was nice that they are both good looking young men! Neither one can complain that they were offended. Could they? (Yep, they could!)

... the Del Rio basketball team have a good chance of winning first place in their league. They play Dexter at Dexter this week for this number one position. Members of this team are, Phil Gentile, capt., "Stix" Ritter, James Bradley, Doug Gerkin, Gass Czelsak, Dennis Stevens, and Dick Johnson. Mr. Gentile owns the Del Rio Bar in Ann Arbor.

... the inside of the local fire hall got a new coat of paint last week.

... there aren't as many people actually working as you may have thought. The population of this country is 160 million... but there are 62 million over 60 years of age... leaving 98 million to do the work. People under 21 total 54 million which leaves 44 million to do the work. Then there are 21 million who are employed by the government and that leaves 23 million to do the work. Ten million are in the armed forces, leaving 12,800,000, the number in state and city offices, that leaves 200 thousand to do the work. There are 128 thousand in hospitals and that leaves 74 thousand people to do the work, but 62 thousand of these are bums or others who will not work, leaving 12,000. Now it may interest you to know that there are 11,998 people in jail, so that leaves just two people to do the work. And that is you and me, brother, and I'm getting sick and tired of doing everything by myself!

State GOP Chairman Visits Livingston County Committee

Arthur G. Elliott, Jr., chairman of the Republican State Central Committee, was the principal speaker at a meeting of county Republicans held at the Colonnade last Thursday evening.

Presiding at the meeting was Phil MacBride of Brighton, chairman of the finance committee for Livingston County. An analysis of the State Central Committee budget was presented by Mr. Elliott.

Another speaker was Charles Lyle, Oakland County chairman, who told how Oakland County Republicans had organized to produce a successful drive for finances. About 60 representatives

from the various townships and cities were in attendance, and initiated the first steps of organization for a fund raising program to meet the budget at county level. Mr. MacBride announced that additional volunteers from the various townships were needed and invited. Other Republican leaders present were Charles R. Ward, county chairman; Lou Stipe, treas.; Bill Ernst, sec.; Nan Allen, State Central committee woman; and several county officials.

Miss Kirschke Earns Degree At Eastern

Kathleen Kirschke of Pinckney was one of the 400 persons receiving diplomas at the Eastern Michigan University graduation ceremonies held at Bowen Field House in Ypsilanti Sunday afternoon, January 26.

Miss Kirschke, who graduated from Pinckney High School in 1959, was awarded a Bachelor of Science degree in Elementary Education. She will begin teaching the kindergarten class at Winans Lake School February 3.

Miss Kirschke lives at 251 Portage Street, Pinckney, with her parents, Mr. and Mrs. Claude Kirschke.

P. E. G. Goes To Lansing

The PEGs (Pinckney Extension Group) members travelled to the Capitol Building in Lansing on January 23 to lobby for approval of the current appropriation bill that is now before the legislature granting funds for the continuance of the Women's Extension Program.

In a meeting with Representative Thomas Sharpe, PEG president, Mrs. Nestor Engquist, expressed the convictions of all members when she told Sharpe, "The Women's Extension program, while of importance to urban residents, is of especial value to rural residents where the educational facilities for adults is so limited."

Mrs. Engquist said further, "Members benefit immensely through lessons conducted on phases of family living, efficiency in homemaking, crafts, philosophy, and many other subjects so helpful to today's women."

During this interview, Rep. Sharpe, our representative from Livingston County, who was so co-operative with the Extension women last year in their campaign for this program to be extended, pledged his full support.

PEG members, Mrs. Marshall Meabon, Mrs. Earl Kimbler, Mrs. Cliff Haines, Mrs. Theodore Gray, Mrs. Earl Packer, Mrs. Steve Lazo, Mrs. Jerry Swarthout, Mrs. Harold Riggs and Mrs. Raymond Maltby (Mrs. Michigan Safety for this year) were given a grand tour of the Capitol Building from the basement museum to the governor's office.

Mrs. Meyer Receives Degree

Mrs. Alta Meyer, one of Pinckney's most popular and respected teachers, was awarded her Master of Arts degree last Sunday, January 26, in a ceremony at Bowen Field House at Eastern Michigan University.

Mrs. Meyer, who has taught in the Pinckney School system for many years, was born in Uxcellia Township, near Pinckney, attended P.H.S. graduating here in 1914, after which she attended Michigan State Normal College (now Eastern Michigan) for two years. She taught school for one year before her marriage in 1916 to William Meyer.

After raising her six children, who all graduated from P.H.S., Mrs. Meyer went back to teaching, earning credits each year toward a Bachelor of Science degree, which was granted in 1958. She taught school in Washtenaw and Livingston County for twenty years, serving one year as president of MEA of Livingston County.

Credits earned at Michigan State, Indiana State Teacher's College, and Eastern Michigan University culminated in the master's degree awarded last Sunday.

Those of Mrs. Meyer's family present to see her awarded her diploma were Mr. and Mrs. Garth Meyer of Houghton Lake, Mr. and Mrs. Cyrus Albee (Megan Meyer) of Gladwin, James Meyer of Pinckney, Mr. and Mrs. William Lamb (Willet Meyer) of Ann Arbor.

Mrs. Meyer, who now teaches the 8th grade at Pinckney Elementary has long been active in civic and the social life of the community. She was the first woman to serve on the Pinckney Board of Education, was a Grand Committee Woman serving on the Blood Bank for Grand Chapter of Michigan, past worthy matron of Pinckney Chapter 145 OES, president of Livingston County Association OES, and Grand Representative of the State of Michigan for three years. Mrs. Meyer has twenty grandchildren, three of whom are attending Pinckney Elementary School at the present time.

Events Calendar

PINCKNEY CALENDAR
FEBRUARY 1
 Village Squares, Pilgrim Hall, 8 p.m. Gordie Lindland caller.

FEBRUARY 6
 Rainbow Girls, regular meeting, 7:30 p.m. Masonic Hall.

The whys and hows of professional negotiations for teachers will be the theme of the Michigan Education Association's Mid-Year Leaders' Conference, January 31 - February 1, at the MEA Camp, Battle Creek.

Approximately 250 MEA officers are expected to attend the two-day workshop.

FEBRUARY 8
 TOPS Club, Pinckney High music room, 8 p.m. Any one interested feel free to attend.

... Pinckney Prattle ...

BY ALICE GRAY

Mr. and Mrs. Otto Poulson were in Grotton Sunday to see their son and daughter-in-law who were injured in an auto accident two weeks ago. They found them home from the hospital and on the mend.

Vincent Schenden, son of Dr. and Mrs. Schenden, and Barbara Gaylord of Detroit are to be married February 1 in Detroit. Jerry Schenden, Vincent's brother who is attending college in California, will be home this Friday to participate in the wedding. Jerry will be here for seven weeks, having a vacation period between terms.

DANIEL ROGERS CHRISTENED
The new son of Mr. and Mrs. Louis Rogers, Daniel Louis, one month old, was christened at 1:30 P.M. Sunday, at St. Mary's Church in an impressive ceremony by Father Casey. Daniel's great aunt, Mrs. Helen Schwartz of Detroit, is his god mother, while Donald Buckman is the god father.

After the ceremony, Mr. and Mrs. Rogers entertained the christening party. Daniel's proud grandparents—the Alvin Wasburns, and other relatives at their home on West M-36.

Mr. and Mrs. William Slayer

of Mowers Road, Pinckney are moving this Thursday to Joslin Lake near Unadilla. The Salyers have five children.

Mrs. Mary Amburgey is at her home on Unadilla Street after a week long stay in St. Joseph Mercy Hospital. Mrs. Amburgey, who is subject to severe asthma attacks, was released from the hospital Sunday, January 26.

Mr. and Mrs. Willard Wiltse and Mr. and Mrs. Clifford Van Horn had dinner last Sunday at Knapps Restaurant in Ann Arbor celebrating Mrs. Van Horn's birthday which is January 28.

Mrs. Cora Scott of Rush Lake Road entered McPherson Health Center last Wednesday for an indefinite stay.

GOING AWAY PARTY
Ladawn Shirey, daughter of Mr. and Mrs. Lewis Shirey, entertained some of her classmates from the 8th grade at Pinckney Elementary School at her home last Friday at a going away party for another classmate, Sandy Salyer. Sandy is moving to Joslin Lake where she will attend school.

The youngsters present, Steffen, Karen Crosser, Judy Hull, Pam Koch, Pauline Van Blaircum, Diane Haines, Dennis Aschenbrenner, and John Wetherly played games during the afternoon and then refreshments were served. (They didn't skip school—7th and 8th graders had the day off while their teachers were at a curriculum conference.)

Rev. and Mrs. W. C. Standbridge, who operate the Happy Day Camp for children on East M-36 during the summer months have returned to Memphis, Tenn. after an extended holiday stay in Pinckney. The Standbridges will continue their work at Memphis for several more months.

They are helping establish a Baptist church in that area.

A good-sized crowd attended the Pinckney 4-H skating party at the Island Lake skating rink in Brighton Saturday afternoon. Boys and girls from all Pinckney attended.

RAY STILLWELL HOME ON LEAVE
There was a happy reunion on Unadilla Street this week. Ray Stillwell, who is stationed at Goose Bay, Labrador with the Air Force, came home last Wednesday to spend a three week furlough with his wife, the former Pat Thayer, and small daughter, Jill. Ray's term of service with the Air Force is up the 1st of July.

David Shirey was 17 years old on January 15 and celebrated at a family dinner in his honor. David is the son of Mr. and Mrs. Marvin Shirey of Pearl St.

Jerry Van Slambrook, son of Mr. and Mrs. Dan Van Slambrook, came home over last weekend from Chicago where he is attending the DeUry Electronics Institute. Saturday evening the Van Slambrooks had a family get together to visit with Jerry. Janet, their daughter, came from Ann Arbor, son Larry and his wife, Cora were there, and Mary Lee Aschenbrenner was a special guest.

EXCUSES! EXCUSES!
The Pinckney Masons didn't fare so well in their euchre tournament last Thursday, January 23 when they took on the Fowlerville lodge. About 20 men from here participated, and lost by a slight edge; however there are more meets to come with neighboring lodges. The reason they lost—or so the story goes—is that they, through a burst of brotherly love, gave their best player, Joe King, to Fowlerville to even up the sides for combat.

The losers having to put on a dinner for the grand champions is an added incentive to win.

Mr. and Mrs. Stanley Tomask, son Randy, and daughter, Mrs. Lorraine Johnson of Wayne, were in Detroit Saturday taking in the Auto Show.

Mr. Alvin Bechler, who had had a summer home at Rush Lake for about thirty years, moved out last week and plans to remain in this vicinity. Mr. Bechler had been staying with his daughters, Eleanor, and her family in Utica for some time.

PEGGS VISIT EASTERN MICHIGAN UNIVERSITY
Mrs. Raymond Maltby, who is very active in Women's Extension and Safety work on the state level, gave the Pinckney PEGS a tour of the campus of EMU last Thursday when they visited the Capitol in Lansing. They were amazed at the extensive building program now in progress. There seemed to be a greater number of buildings being built than were already in existence. Rep. Sharpe, in speaking of this state sponsored university, said, "There has been wet cement at EMU for the last 20 years. Building is always in process."

Sunday callers at the home of Mr. and Mrs. William Horner of Hilland Lake were Mr. and Mrs. Crossman, Mrs. Harold Rettich, Mr. and Mrs. Melvin Smith and Mr. and Mrs. Ted Smith.

Last Sunday afternoon Mrs. Arnold Bechler attended a pink and blue shower given for her daughter-in-law, Mrs. Ronald (Margaret Ann) Bechler in Howell.

Sunday callers at the home of Mr. and Mrs. Burl Storey on West Schafer Road were Mr. and Mrs. Arthur Bills of

VALIANT TOWN

When their Community center needed re-building the residents of Lansing, Mich. (Pop. 250) did the job themselves, obtaining federal aid. —From the Congressional Record

Lansing, Mrs. Storey's parents.

RECEPTION FOR KATHIE KIRSCHE
Family and friends gathered Sunday evening at the home of Mr. and Mrs. Claude Kirschke to honor Kathie after she had been awarded her Bachelor of Science diploma that afternoon at EMU. Her grandparents, Mr. and Mrs. Jack Hinz of Pinckney area were especially proud of her. Aunt and Uncle, Mr. and Mrs. Bill Wetherby, were present, as were Mr. and Mrs. Charles Hewlett and children, Mr. and Mrs. Zane Coghlan and daughter, Mr. and Mrs. Bob Harding and daughter, and Gordon Titus.

Some people have all the luck! Mrs. Cliff Miller, whose birthday was January 21, had not one birthday dinner, but three. Sunday's dinner was at her sister's, Mrs. Roberta Amburgey; Monday evening, Mrs. Harold Henry did the honors at her home on Mower Rd; and Tuesday, Midge's daughter, Mrs. Agatha Knight and her family had another birthday dinner for her mother.

Mrs. Jerry Speake was in Royal Oak last Sunday visiting with her mother, Mrs. Gerald Hughes, who was recently released from the hospital there.

Mr. and Mrs. David Taylor (Barbara Sprague) have moved into their newly constructed home on Swarthout Road.

Barbara's parents, recent Pinckney residents, have sent back news that is not too cheery in nature. Mrs. Sprague has had a slight coronary, and Mr. Sprague has been troubled quite badly with arthritis.

SATURDAY NIGHT DANCES

Last Saturday evening local square dancers were travelling to some far away places for an evening's fun. Dinner at Don's Beef House and then on to dance with Chuck Dillenbeck in Tecumseh was an enjoyable experience for some. In this party were the Mike Jeffreys, Cliff Millers, Ted Wahls, Roy Cischkes, Earl Schumanns, George Knapps, Ted Grays, and Carl Haynals. Some of the Village Square members danced to that real grand calling of Bob Norton at Danville. The Russell Clarks, Earl Kimblers, Jim Whitleys, Cliff Haines, Glen Lehmanns, Lee Baltruses, and Marshall Meabons were in this group.

Mr. and Mrs. Jack Clark Sr. Mr. and Mrs. Jackie Clark and children of Dexter and Mrs. Agnes Richardson of Howell were all guests at the Mark Nash home one day last week honoring Jane Nash Clark on her birthday.

John Singer, PHS graduate of 1963, is home from the navy for a 15 day leave which

he is spending with his parents, Mr. and Mrs. James Singer of West M-36. John arrived home Friday evening, after finishing his training at the Great Lakes Training School. James will next be stationed at Adka, off the coast of Alaska, near the Aleutians, where he expects to be for the next 1 1/2 to 2 years.

SURPRISE FOR MRS. HENRY SHIREY
Mrs. Henry Shirey was certainly pleasantly surprised at a birthday dinner given in her honor by her daughter and son-in-law, Mr. and Mrs. Robert Tracey of Fortage Lake. Present on this occasion were her sister and husband, Mr. and Mrs. Lyle Hopp, Karen Ellison and daughters; Mr. and Mrs. James Shirey of Pinckney, and Mr. and Mrs. Walter Bechler and family of Pinckney.

Mr. and Mrs. Glen Meeden (the former Nancy Nash) are in this area due to the accident that placed Rev. and Mrs. Meeden (Rev. Meeden is pastor of the First Baptist Church in Howell) in the Mercy Hospital in Benton Harbor. The Meedens, Sr. were returning from Chicago Saturday night on I-94 when their car and another collided, killing one passenger, an 18 year old college student, in the other car, and also causing the death of Mrs. Yanzito of Chicago, Mrs. Meeden's, Sr., mother.

Lisa Ann, daughter of Nancy and Glen Meeden, will stay with the Mark Nash family while her parents attend the funeral of Glen's grandmother, Mrs. Yanzito in Chicago. Upon their return they will pick up Lisa Ann, and return to Champaign, Ill. where they will register for the second semester at the University of Illinois where Nancy and Glen are both students.

OES MEMBERS ATTEND RECEPTION IN FOWLERVILLE
A number of Pinckney OES members attended the reception and dinner held in Fowlerville, January 22, honoring Frances Rathburn and Andrew Lovas, who have

both given loyal support and participation in Eastern Star and affiliated organizations for many years. Attending from Pinckney were worthy patron and matron, Mr. and Mrs. Lawrence Cambura, Mrs. Sadie Moran, Mrs. Mae Daller, Mr. and Mrs. George Engquist, Mrs. Dorothy Wilson, Mrs. Luella Ketchum, Mrs. Edna Ward, Mrs. Esther Hall, and Mrs. Eloyse Campbell.

TOPS MEETING THIS THURSDAY
Several of us went to the Brighton TOPS Club meeting Monday night to get oriented and came away very encouraged. Brighton's Queen for the year lost 40 pounds in 140 days.

All women interested in Taking Off Pounds Sensibly are invited to attend an organizational meeting Thursday, January 28, at 8:00 P.M. in the music room at the Pinckney High School. We will have signs up for everyone unfamiliar with the school interior. We have been very tactful about this (we think, anyway) and have not asked anyone personally to join—let your scales and that dress that the "cleaners shrank" be your guide. Everyone is welcome.

SAVE WITH PACKAGED PROTECTION

Our package policy for homeowners provides (1) fire insurance for your home and personal property (2) personal liability insurance (3) theft protection at home or away... plus a lot more! You get savings over the cost of individual policies providing the same protection. Call us for details.

Hartland Eagles Victorious

By Jim Stanfield
HARTLAND — The Eagles played two games last week, one with Whitmore Lake and the other with Morrice. Last Tuesday, Hartland traveled to Whitmore Lake to bring home a 65 to 59 victory. Both teams seemed to be well matched.

Starters were Dale Callaghan, Dewey Mathews, Merle Smith, Tom Risner, and Phil Johnson. Merle was high point man of the night with 22 points.

Last Friday, Hartland played Morrice at Hartland. The Eagle came through with another victory by the score of 70 to 54. Hartland took the lead early in the game. The Eagles held a substantial lead throughout most of the game. In a short scoring spree, Morrice battled the score back to about six points behind but Hartland widened the gap once to win the game by 16 points.

Starters were Dale Callaghan, Dewey Mathews, Merle Smith, Tom Risner, and Phil Johnson. Dale Callaghan was high point

man with 25 points
JV'S LOST
The JV squad lost their games last week. Both Games were close. Hartland lost last Tuesday's game by the score of 46 to 42.

Last Friday, the JV's lost to Morrice by a score of 47 to

48. Hartland took an early lead and held it up to the half, but Morrice crept up and took the lead in the last quarter to win. Gary Johnston had the high score for the night with 16 points.

Friday night Hartland will travel to New Lothrop.

County Conservationists To Hold Monthly Meeting

Members of the Livingston County Conservation and Sports Association will hold their monthly meeting at their clubhouse on McClements Road on Monday, February 3rd at 8:00 p.m. The meeting will consist of the regular business of running their club and discussing and acting on the preservation and utilization of Michigan's natural resources, particularly in Livingston County.

The after business program consists of "A Resume of the 1963 Hunting Seasons in Michigan," by Darrel J. Allen, employee of the Michigan Department of Conservation. This will include kill estimates on most small game species plus bear and deer. A film from the Department's television program entitled, "Birds in Winter," will be shown after the talk. Their 1964 plans will feature programs with speakers or films from subjects of water rights and stream improvement including the pollution program, to forestry and game topics.

These conservationists have set a high goal to accomplish in 1964. The biggest goal is keeping a watchful eye on Livingston County's natural resources, such as the growing deer herd and problems stemming from it, with hopes of being able to help solve some of the problems. They plan on remaining very active in America's largest and most powerful citizens' conservation body, Michigan United Conservation Clubs. A Youth Gun Safety Training Program is one other big project for this year.

Clarence Seeling is plotting them as president after serving more than ten years as secretary plus two years prior to that as president. Herbert Goodchild stepped down from the presidency due to the lack of time to devote himself adequately to active in the capacity of vice-president. He will remain president and will continue in his post as Range Master for pistol, rifle, and shotgun shooting.

Raymond McDowell will continue as Range Master of the archery section — one which has built up a state-wide reputation for excellence. Robert Massey has taken over the reins as secretary of the club.

Social activities for the past month included a pot-luck dinner prior to the January meeting and an "I've Got It Party" later in the month. Everybody had such a good time that they decided to have another "I've Got It Party" on February 14 at 8:00 p.m.

This group feels they are a needed organization in this county and they are doing their best to contribute as much as they can. However, like every other service organization, they need the support of local citizens. Anyone interested in conservation should feel compelled to contribute something to it. This is the place to air all your feelings regarding our natural resources. All State M.U.C.C. resolutions stem from actions or important items at such a meeting as this. Livingston County has a lot

To See or Not To See

Every February 2 the question of the day is: "Will the ground hog see his shadow?" According to legend, six more weeks of winter are in the offing if he does; when he doesn't, the cold weather is supposed to be over. Actually, Mr. Ground Hog is a deep sleeper during the winter. In his snug underground hideaway, he couldn't care or know less about the world outside. So, the odds are heavy against his being up and around to do any weather forecasting on Feb. 2. Instead, he'll come out to stay when the snow is gone and tender shoots are popping up in the fields, casting a much thinner shadow than when he made his exit last fall.

Mich. Dept. of Conservation

Bullpups Lose To Redskins

It was bad news for the Bullpups again last Friday as they traveled to Milford to play the Redskins. When the final buzzer sounded, the Bullpups were the underdogs being a whopping 51 points behind the Redskins (83 to 32).

"It was a pass to Rick Musch, no, it was intercepted by number 15 and Milford with another fast break scores again." This might have been the announcer's words as he brought you the play by play broadcast of Friday's game.

The Bullpups' trouble last Friday was not new; it has plagued them all year, "Bad passes." This resulted in very low scoring with an average of only eight points a quarter. The Milford team had a decisive height advantage which also added to Brighton's woes. To round off our Bullpup's trouble, the defense was weak, their free throws weren't hitting and the Milford fast break was working at its highest peak of perfection.

High point man for Brighton was Rick Musch with 10 points. Jack Ward and Fred Veresh split 44 points evenly between them to lead the Milford scorers.

Timber Resource Study To Begin

A once-in-a-decade opportunity is in the offing for Michigan counties whose economic growth has been held back for want of information about their timber supplies, according to the Conservation Department.

This chance to perk up local economies is pinned to a three-year general inventory which will be started early in 1964 by the U. S. Forest Service. Originally planned to provide forest information on a statewide basis, the study can be intensified — with additional funds — to give facts and figures on a county-by-county basis.

Specifically, Michigan will have to come up with \$146,000 during the next three years if its communities are to be tuned in for a close-to-home look at their timber resources. The U. S. Forest Service has already announced it will contribute \$321,000 to help do the job if Michigan will pay for the remaining costs.

Is such a detailed study really necessary? Would it be worth the money? The answer on both counts is "yes," say Department foresters.

Currently, Michigan's wood-using industry channels more than \$700 million each year into the state money belt. From 1950 to 1960, its pulpwood production jumped 112 percent, some 40 percent ahead of the national average.

In spite of this boom and the already bigness of the industry, there is plenty of room for expansion. Thanks to effective fire protection and early reforestation plantings, many areas of pole timber are reaching merchantable size. Forest growth is changing rapidly.

These things are probably best reflected by the fact that the state's annual cut of all timber is far less than half its yearly forest growth.

But here is the catch. To bring this harvest into closer line with the allowable cut, Michigan must have an updated picture of its wood supplies on the county level. It knows in general that cuttings are lagging behind growth. But exactly where? How much? What types of trees are involved? The general survey is not designed to provide answers to such questions.

That's where the detailed forest study comes in. It would measure the type, quality, location, and growth of timber in each county to lay the groundwork for developing and expanding forest-based industries. It also would answer questions about the kinds and amounts of wood already being harvested in these areas.

This information is a must to wood-producing companies, both old and new. Some established firms have had to forestal expansion for not knowing if there was enough timber to serve their operations over the long haul. New industries often have been forced to delay selection of plant sites because they lacked data about the volume and quality of timber that could be cut in areas they were eyeing.

A fresh look at forest resources on a county basis is also important to Michigan's Rural Area Development Program and to various federal-state projects. For example, federal funds are partially allotted for forest fire control according to the state's forest area.

Local forest information is also needed by counties to administer such federal cost-sharing activities as the Agricultural Conservation Program. Self-help efforts by planning boards and chambers of commerce call for detailed data on their areas' timber supplies to attract new industries and boost existing wood use.

From all sides of interest, the county-by-county inventory would be well worth the time and money. Michigan's share of the survey costs—\$146,000—is looked upon by Conservation Department foresters as a very small investment compared with its potential returns.

To launch the first year of this work, the Department is seeking a legislative appropriation of \$52,000.

It's been a long season and there's more to come. The team has improved in the past 10 defeats, but they are still streak players.

The team unity is not great; the boys don't hang around together, other than at practice. On the floor the guys are individuals and not a squad. Team work is a big factor in the B.H.S. attack and losing streak. In 10 games the club has tried all kinds of defenses and Coach Kucher is still working strenuously to shape up a team for next year. With Evenson, Herbst, Ritter, and Stellwagen coming back next season, add Flowers, Musch, and Lucker and other hustling J.V. boys and the possibilities are good.

The possibilities were fair for a Bulldog victory Friday night at Milford but the Orange and Black five lost 77 to 48.

The game was exciting in the first quarter as Evenson, Ritter, Stellwagen, Bensen, and Volts all made field goals while Don Herbst added a free throw for 11 points.

The Redskins were burning on rebounds as Evenson and Ritter were performing well, but fouls snatched the Bulldog lead. Milford made 5 points on free throws and hit on 8 outside jumps as their defense held off a strong B.H.S. offense.

In the opening 8 minutes the score was 14 to 11 and Brighton was 3 points down on Gary Newron's second basket.

Then the disastrous second quarter struck and a plague hit the hopeless Bulldogs. The local five made 11 more points and fouled 7 times and the Redskins took advantage of the fouls and scored 8 points.

Tim Barnes made two of the 4 field goals in the second quarter for Milford. They would have been down if the score were told by field goals; Brighton made 5. The last game was 31 to 22 at half-time in favor of the Gray and Red team.

A phantom came over the Bulldogs and a hush fell over the crowd in the third period as only 3 points were recorded for the Bulldogs.

As the fruitless Bulldogs ran around on the floor, but accomplished nothing, the Redskins jumped on the band wagon and scored 19 points. Again the period was led by high-point man Tim Barnes. Ritter fouled out followed by Stellwagen as the basement dwellers outscored the victorious Milford club 17 to 16, but lost the game 73 to 48.

Evenson didn't maintain his 17-point average, but wound up with 15 points for the evening.

Next came "Bullet" Bensen with 8 and Hank Gallup came off the bench and played a little more than a quarter to score 7 points. Then Mark Herlihigh had 4. Don Herbst made 3. Stellwagen and Volts made 2 each and Doug Zimmerman scored 1.

The Bulldogs are on the bottom of the Wayne-Oakland League with a 0 and 10 mark.

Next week the Bulldogs visit Bloomfield Hills at 6:30.

The world's first triple-chair lift, located at a western Michigan ski resort, is just one of 81 lifts serving Michigan winter sports centers.

Seaway Hearings Planned By Hart

Senator Hart Monday announced that Senate subcommittee on St. Lawrence Seaway problems will hold hearings in Michigan February 25 and 26.

The subcommittee, chaired by Senator Frank J. Lausche (D-Ohio), was established to study ways to improve the economic development of the Seaway hinterland and to build ship traffic in the Great Lakes.

Senator Hart will preside over the Michigan hearings. The first day's hearings will be in Muskegon and the next in Detroit. Exact time and location will be announced later.

Animal Husbandry Expert Will Address 4-H Meeting

The Army has Civil Service job openings for U. S. Army Reserve Technicians to serve Army Reserve units throughout the VI U. S. Army Corps states of Michigan and Indiana.

The jobs are as varied and interesting as assignments in the active Army. These jobs are broken down into five categories: Staff Administrative Assistant, Staff Training Assistant, Staff Administration Specialist, Administrative Supply Technician or Organizational Maintenance Technician, and are in the grades of GS5 through GS11 depending on the skill and experience of the applicant. Annual salaries run from \$4,690 as a GS5 through \$8,410 as a GS11.

The individuals assigned to the technician program are civilians employed through Civil Service procedures. To be considered for assignment, the individual must meet basic experience and training requirements prescribed by the Civil Service examining office and applicable requirements set forth in the Federal Personnel Manual Supplement.

Specialized activities and experience described by the U. S. Civil Service Commission are: experience acquired in either a military or civilian capacity which will provide a good working knowledge of organization and administration of military units; experience in administration of military personnel; experience in either military or civilian activities in supply fields, such as storekeeping, storage management, stock control, purchasing and procurement or general supply activities. The number of years of any of the above experiences is the basis for the different grades in the program.

Persons selected for unit technicians should be eligible to join an Army Reserve unit or be qualified to become a member. Retired Army Reserve personnel desiring employment as technicians should make application for transfer to the Ready Reserve prior to submitting applications for these jobs. Although it is desirable to be qualified to become a member of a Reserve unit, it is not absolutely necessary, and in any case interested persons should attempt to be placed on a Civil Service Register for future assignment.

Examinations are now being held for these jobs. Full particulars and information may be obtained at the nearest Post Office or U. S. Army Reserve Center. The examination announcements tell you what forms to submit to Headquarters, VI U. S. Army Corps, Battle Creek Federal Center, Battle Creek, Michigan 49016. You may obtain the forms at any Post Office or Civil Service Civilian Personnel office.

"No, I don't have my credit plate—will cash do?"

My God shall supply every need of yours according to his riches in glory in Christ Jesus. —(Phil. 4:19)

Sometimes it is difficult to see how the Lord will provide but moving in His mysterious ways God always manages to find methods, that did not exist before, to perform His glorious wonders.

Detroit Institute Offers Extensive Art Program

"Great Ages of Art," a first-of-its-kind cultural project in the nation, will open at the Detroit Institute of Arts on Tuesday, February 11.

The five-year project invites the public to explore the arts covering the great periods of cultural works in the Western world from the 15th century to the present time.

Co-sponsored by the university Center for Adult Education (Wayne State University, The University of Michigan, Eastern Michigan University) and The Detroit Institute of Arts, this unique "package approach" to the arts begins with the Renaissance era.

This year's program of some 50 events will introduce participants to the splendors of the Renaissance through special lecture series, concerts, films, and major exhibitions.

There will be lectures on the "Courtly Arts of the Renaissance" and "Great Monuments of Italian Painting," eight color films on "Treasurers of Tuscany" by Clifford West, a "World of Shakespeare" exhibit, talks and films on "People, Places and Things in Shakespeare's England," a lecture series on "The Age of Elizabeth," a movie series on "Shakespeare on Film," and other related events continuing through June.

Participants in the program will also receive reduced admission to "A Man for All Seasons," Robert Bolt's outstanding drama about Sir Thomas Moore's conflict with Henry VIII, at the Fisher Theatre, April 23.

Virginia Brose, Curator in Charge of Education, the Detroit Institute of Arts, said: "People seldom have an opportunity to choose a broad range of interrelated subjects. Our hope is to stimulate further interest in the great past periods of art by bringing national and world authorities to Detroit. In every instance we shall attempt to show original works of art to document the eras and to serve as connecting links to better understanding and appreciating these artistic treasurers of the great ages."

Cost of the entire program is \$25.00. There is a special price of \$37.50 for couples enrolling together.

Enrollment information may be obtained by calling the Art Education Department, Detroit Institute of Arts, TE 1-0360 or the University Center for Adult Education, TE 2-0026.

MISS BETTER BOATING—She's Penny Snyder, Michigan champion water skier and all-around boat gal. She'll be seen every day at the sixth annual Greater Michigan Boat Show at the Detroit Artillery Armory February 15-23. Penny will give boating and skiing tips to show patrons.

INSTANT HAPPINESS

Is What Mrs. Thomas Hunt, and Her Husband and Children Found . . .

In Her New Home Purchased In The Brighton Country Club Annex . . . Read The Letter Below on the Advantages of this Home.

MRS. THOMAS HUNT

Donald Henkelman Co.
Brighton, Michigan

I would like to thank you for making our life seem more pleasant now that we are settled in our new home.

We find the home to be comfortable, very pleasant, and very economical to live in.

After living here for the month of January we received our first heating bill (gas heat) and it was only \$18.00 a month and this was low one of the coldest months this year. So we are sure pleased to find the home so easy to heat.

Also, it is very handy to school and shopping facilities. Once again I will say thanks,

Sincerely yours,
Mrs. Thomas Hunt

Development Of New Milk Announced

By Mrs. Mildred Chapel
A new evaporated milk tasty enough to drink has been developed by the U. S. Department of Agriculture and is now being considered for commercial production.

It can be made at a concentration of either two or three times that of whole milk and dilutes to a high-quality beverage resembling fresh milk in flavor and color.

Chemists of USDA's Agricultural Research Service find that quick sterilization at high temperature preserves the fresh-milk flavor and that poly-phosphates, now widely used in cheese and other foods, prevents galling of the milk in storage. However, the use of polyphosphates in a sterilized milk concentrate would need Food and Drug Administration approval.

A milk concentrate stabilized with polyphosphates is now being test marketed by the University of Wisconsin.

The ARS chemists are working to further improve the product, especially to prolong its fresh-milk flavor and to prevent the slight sediment that sometimes forms after a few weeks of storage. They hope to overcome these defects by the time industry is ready for full-scale production.

SELECT VEGETABLES FOR THEIR VITAMINS

To get the most vitamins for your vegetable dollar, consider these tips from food economists.

You get several times as much vitamin A value from bright-orange, mature carrots as from pale-colored, young ones. Even so, young carrots are a good source of vitamin A.

Choose deep-orange varieties of sweet potatoes for highest vitamin A value.

The dark-green leaves of leafy vegetables are richer in nutrients, particularly vitamins A and C, than light-green leaves.

Peppers are high in vitamins A and C.

If the tops of beets are attached and still tender when you buy them, cook them. They are rich in vitamin A.

Tripp greens, kale, and collards are good sources of riboflavin as well as of vitamins A and C. Lima beans, peas, and young cowpeas (including black-eye peas) contribute appreciable amounts of thiamine and protein.

Make full use of vine-ripened tomatoes in summer when they are plentiful and inexpensive. Tomatoes that ripen on the vine out-of-doors in summer sunlight are twice as rich in vitamin C as those grown in greenhouses in winter.

Vitamins A and C are needed regularly for growth and healthy body tissues, say the food economists. And vegetables are a primary source of these nutrients.

Around Bishop Lake

By E. C. Schroeder — 227-3420

We breathed deeply and were content with Spring — for a few days — until a jealous winter roared back in at the heels of wild winds and thunder showers — That's our Michigan!

Someone else roared in Saturday morning. John H. Schroeder came home for the weekend! (Left Memphis on a balmy 75-degree evening and arrived shivering in our 28-degree blustery morning, coatless and hatless, yet!) He drove off again into the teeth of the blizzard at 6:45 AM Sunday.

It was Henry Eskola's 80th birthday Wednesday, Jan. 23. Carol Ann Davis celebrated her 12th birthday Saturday afternoon at the Mike Ramms with a number of her friends.

Mr. and Mrs. J. Stecker, Mr. and Mrs. J. Schroeder and the Clayton Carpenters enjoyed an evening together Friday. Did you know that Mr. Stecker was involved in a rather serious auto accident last week? He veered to avoid hitting a deer on US-23 near M-59, hit a spot of ice and went off the road, hitting a fallen tree. The car suffered extensive damage but Mr. Stecker had only a scratch and a nose bleed. The deer on our highways are indeed a problem! Perhaps we'll have to abandon the motor vehicle and do as the Lapps do — use deer for transportation. If you can't fight 'em, join 'em!

Miss Candace Barber was a weekend guest of the Lloyd Nashes. She is from Pontiac. That is that for this week! Come on — let's have some exciting goings-on — and report to me. Thanks!

Flint Quartet To Sing At Church of Nazarene

The Sons of Harmony Quartet of Flint, Michigan, will be singing for the Livingston County Holiness Association meeting to be held at the Church of the Nazarene in Howell, Tuesday, February 4, at 7:45 P.M. This service, which is sponsored by the co-operating churches, will be open to the public.

The Sons of Harmony are well known throughout this area, as this will be their fourth appearance at the Church of the Nazarene. Although these boys' ages range only from 17 to 21, they have already recorded two long-play albums. Because of the fine public acceptance of their first record, they were invited by the Blackwood-Statesmen Enterprises to record their second long-play album in the R.C.A. "Nashville Sound" Studios in Nashville, Tennessee. It was produced by Brock Speer of the famous Speer Family.

The Sons of Harmony began singing together quite by accident in 1959 but not until they won the contest of the Northern States Quartet Convention in May of 1961 did they really take their music seriously.

Their music Tuesday night will include original hymn arrangements, spirituals, and popular gospel songs, several of which have been composed by the second tenor of the group, Ron Roessink. First tenor is Dave Thomas; baritone, Don Brown; and bass, Bob Hammond.

Mrs. Leland Roessink is their arranger and accompanist and Mr. Roessink is their manager. The congregational singing will be under his direction.

Pirates Defeated at Hands Of U-High Cub Team, 83-42

BY JOHN TASCH
Last Friday, Jan. 24, the Pinckney Pirates lost to the U-High Cubs 83 to 42. It was their eighth straight loss this season.

U-High's lead never was in jeopardy as they took the lead in the first quarter by score of 24 to 4. Although the Pirates gave it the old college try they couldn't stay with the taller and better Cubs.

Carl Freeman, Rick Bolgos, and Johnny Jones were the high point men for U-High with 17, 14, and 11 respectively. Jim Barker led the Pirates in scoring with 13 points. He got these mostly on long jumpshots.

The Pirates were outbounded 61 to 31 and they shot 20 of 34 foul shots for 39%, while the Cubs made 15 of 28 for 54%. So the Pirates did lead in one category.

Pinckney committed 16 personal fouls while the Cubs made 24.

Pinckney Junior Varsity also lost, but not by so much, to the little Cubs. Mike Stevenson led them with 13 points in the 60-47 preliminary contest.

Lawrence Tech Plans Tribute To Late Coach

A tribute to the late Don Ridler, long-time Lawrence Tech athletic director and coach who died last year, will take the form of a benefit basketball-dance program at Olympia Saturday night.

The game at 8 p.m. will pit Lawrence Tech against Alma College. All proceeds from the game and the alumni homecoming dance to follow will go to a fund for the construction of the Don Ridler Memorial Fieldhouse on Lawrence Tech's campus, Northwestern and Ten Mile Road.

Music for the dance will be the nationally known Warren Covington Orchestra, an outgrowth of the Jimmy Dorsey group.

Folk singing, crowning of a homecoming queen and the Alpha Gamma Upsilon fraternity's Best Basketball Player of the Year Award will be part of the program.

Admission for the entire program is a \$4 per couple donation. For the basketball game only, the donation is \$1 per person.

Rainbow Girls' Advisor Installed On Saturday

Mary Wylie, daughter of Mr. and Mrs. Aash Wylie of Pinckney, was installed as worthy advisor of Rainbow Girls of Pinckney Assembly No. 67 at a public installation Saturday night, January 25 at the Masonic Hall.

Installing officers for the impressive ceremony were Donna Klave, installing officer; Judy Borovsky, installing chaplain; Kathie Shettleroe, installing marshal; Frances Reason, installing recorder; Mrs. Mervin Campbell, installing musician; Pat Borovsky, installing soloist.

Other officers installed were Pam Winslow, worthy associate advisor; Linda Clough, Charity; Linda Wylie, Hope; Dathy Winslow, Faith; Judy Borovsky, recorder; Cindy Borovsky, treasurer; Sharon Bowles, chaplain; drill leader, Dona Klave.

Those in the color stations are Jackie Reason, Love; Pam Koch, religion; Linda Wegener, nature; Ruth Bennett, immortality; Frances Reason, fidelity; Joyce King, patriotism; and Susie Nicholes, service.

Daylene Leleonek as confidential observer; Tanya Geib, outer observer; Sharon Gallup, musician; associate drill leader, Sandy Elliott; prompter, Kathie Shettleroe; Carlene

McCarty, historian; Carol Richmond, choir director; Fern Reason, choir mother were also installed.

The choir will consist of Debbie Borovsky, Marie Kramm, Lonnie Morgan.

Reverend Gerald Bender gave the invocation and benediction.

A new mother advisor and advisory were also installed during the ceremony. Mother Advisor this year will be Mrs. Beverly Bowles. On the advisory board is Mrs. Jean Kock, L. J. Henry, Mrs. Pat Stillwell, Mrs. Eleanor Clough, Mrs. Nora Sprout, Clyde Clough, Herbert Bowles, and the Worthy Patron and Worthy Matron of the OES Mr. and Mrs. Larry Camburn.

Servicemen

Marine Staff Sergeant William W. Higgs, son of John I. Higgs of Pinckney, Mich., was reported to Marine Medium Helicopter Squadron 264 at the Marine Corps Air Facility, New River, N. C.

The squadron is a unit of Marine Air Group 26, which is responsible for supporting units of the nation's force in readiness on the East Coast.

—Engaged—

KAYE SHARON WYLIE

BETROTHED: Mrs. Nellie Wylie of Pinckney has announced the engagement of her daughter, Kaye Sharon, to Richard Patrick Stacy, son of Mr. and Mrs. Benjamin R. Stacy of Oakdale. Miss Wylie, who is also the daughter of Kenneth A. Wylie of Pinckney, is a graduate of Pinckney High School and her fiancée, a graduate of St. Thomas High School and attended Eastern Michigan University. The couple is employed at Conduction Corp. A summer wedding is planned.

Library

... News

The Library will be open as usual during the absence of the librarian.

We have two books for which we have had several requests: Sleigh and Johnson, "The Book of Girls Names," and "The Book of Boys Names." These are alphabetically arranged lists of names giving their origins, meanings, and stories.

Also, new for elementary grades is "Why We Live Where We Live," by Eva Knox Evans. It tells how geography affects the manner of our living, the conditions which make for ranching, farming and industrial centers.

Pinckney Poet Is Recognized

Mrs. Mark Nash, Pinckney Writers Club member, has had five poems accepted for possible future publishing by Ideals Publishing Co.

Mrs. Nash attributes her good fortune to the encouragement and criticism of fellow club members plus the fact that her eleven grandchildren provide an ample source of material. Four of the five poems accepted were of the "grandmother" category.

"The China Set," one of Mrs. Nash's poems appeared in a recent issue of the Dispatch.

The Writers Club meets the third Monday of every month at 1:00 P.M. at the Pinckney Library.

Deer Herd Decrease

DISPATCH Jerry

Under the direction of Professor Warren W. Chase, Chairman of the University's Department of Wildlife Management, the annual removal of deer from the Edwin S. George Reserve has recently been completed. Information about the health and breeding condition of the animals has been collected by Professor Chase and is being analyzed by him and his students for a scientific report.

Removal of these animals has reduced the size of the George Reserve herd to a point at which, in the opinion of Professor Chase and others, browsing damage to the vegetation is unlikely. Over the next few years, studies will be made to determine whether the vegetation can sustain the present herd level, which stands at about 80 animals.

Proceeds from the sale of venison will be turned over to Professor T. H. Hubbell, Director of the George Reserve, and will be used for student research work at the Reserve. Since funds for such research are small, this constitutes an important and much-needed source of money to support the students' work.

4 Plus 2 Equals 6!

News from Battle Creek last Friday took Grandma and Grandpa (Wm.) Jeffreys hurriedly off to that city where their services were very much in need.

Their son, Patrick Jeffreys, called to announce the unexpected arrival of twins, a son and daughter, and placed an appeal for full time baby sitters.

The twins made their debut Friday, Jan. 24 at the Lillah Hospital in Battle Creek. They have not been named. The boy weighed 4 lbs 13 oz, and the girl weighed 5 lbs, 5 oz.

"Mother," the former Margaret Wildmayer of Pinckney, and the twins are doing fine, but Brenda, age 3, Jill, 4, Mike, 8, and Linda, 9, (and of course, Dad) need a helping hand at home during mother's absence. Mr. and Mrs. William Jeffreys will remain in Battle Creek an indefinite time.

Mr. and Mrs. "Pat" Jeffreys are both graduates of Pinckney High. Pat, recently promoted to Corporal on the Michigan State police force, is stationed at the Battle Creek State Police post.

Gleanings from the Back Issues of the Pinckney Dispatch

FIVE YEARS AGO

JANUARY 28, 1959

Mrs. Roberta Shirley Miller was married to Bruce Essenburg of Howell last week. They went to Charlevoix on their wedding trip.

Verna Holben has been discharged from McPherson hospital and came home last week. She suffered a broken hip in an auto accident at the drive-in here last November.

Della Jeanne Davis, daughter of the Ken Davises, has been named Betty Crocker homemaker of the year. She received a pin and her composition was entered in the state scholarship contest.

Alvin Simonson who is a fireman on the USS Aircraft Carrier Bennington has returned to San Diego from maneuvers in the waters at Formosa.

Mrs. Jane Clark and children are at the Mark Nash home while her husband is at the well drillers convention in Urbana, Ill.

The Pinckney schools were closed down here last week from Tuesday on, due to icy roads. They reopened Monday but the buses only went on the main roads.

Davy Burns and Jimmy Lavey gave Bill Miller a farewell party at the Burns' home Saturday night. He is to be married Jan. 31 to Marjorie O'Donnell of Ann Arbor.

The Bill McMacken home at Patterson Lake caught fire from an overheated stove Monday afternoon. The fire truck went out but much damage done.

The County Demolay chartered a bus and went to the Detroit hockey game Saturday. Don Baughn, Jeff Linden and Larry VanSiambrook went from here.

TWENTY FIVE YEARS AGO
JANUARY 25, 1939
Last Saturday afternoon.

August Strass, 72, was found dead in his car at Rush Lake by a neighbor, Joe Basdylo. He had been subject to heart trouble.

Lee Lavy and Dan Howlett attended a Hardware Dealers meeting at St. Johns Tuesday afternoon.

M. L. Hinchey, who underwent an operation at Sparrow Hospital, Lansing recently was able to be moved to the home of his aunt, Mrs. Briggs, in Howell, Monday.

Lee Lavy has traded his farm near Leslie for a store and residence on First St. in Jackson.

A good crowd was present at the dance at the community hall Saturday night. The Cronwell Jitter Bugs (colored) of Ann Arbor furnished the music.

Bert VanBlaircum, Jr., and Mr. Bunting tipped over Friday night while going east on the Dexter Road. The accident happened near the Mallion Clark corners. Neither was hurt but the Bunting car was wrecked.

Junior Dinkell is now all set to cut a wide swath with the fair sex, having purchased a two door V-8.

Owing to the bad roads and weather conditions not many members of Pinckney OES got to Fowlerville for the county meeting Friday. Several who started turned back. Ona Campbell and Rev. McLucas succeeded in getting through the fog which made driving difficult.

FORTY EIGHT YEARS AGO
FEBRUARY 2, 1916

35 friends and neighbors surprised Mr. and Mrs. Ralph Bennett on the occasion of their 30th wedding anniversary. George Van Horn, after a short congratulatory speech, presented the Bennetts with a beautiful book case.

The Farmers' Institute Program was to be held at the Opera House Friday afternoon, Feb. 2, with Thomas Read leading the discussion period. Mrs. Fred Swarthout singing a solo, and a number given by an instrumental duet composed of Mrs. Marion Pearson and Blance Martin.

The Senior Class of PHS began the last semester of their work with 15 members. Eight of this number expect to teach next year.

"Say It with Flowers"

"Can I get a business loan at your bank?"

It's more than likely! We help small local businesses as well as larger ones with sound credit needs of many kinds; for we believe that whatever is good for any one business is good business for the entire community. So whether you are a farmer, contractor, merchant, or in some other line, look to us for economical financing of machinery, materials, inventory — whatever your need may be. Come in and talk the matter over. We will give you our careful attention, and give you yourself a prompt decision.

WINTER WOES

A modern day Billy—no kid—
Knows the danger whenever cars skid.
He tests out his brakes
And makes no mistakes
Like spin-around, sid Katy did!

PREVENT THOSE WINTER DRIVING WOES
The Safe Winter Driving League presents this safety tip from the National Safety Council for driving on snow or ice: "Know the condition of the road surface. Get the 'feel' of the road by trying your brakes gently when away from other traffic. This tells you how slick the road surface is. Then adjust your speed and driving habits accordingly."

Gregory News

BY: M. COSGRAY

Mrs. George Hoffman of Dearborn, and Mrs. Ethel Barton of Eagle, were weekend guests of Mrs. Pearl Marshall.

Mr. and Mrs. Fay Hartsuff of East Lansing were Sunday visitors of Mr. and Mrs. Harlow Mansell.

The Andrew Henrys entertained the Plainfield Farm Bureau discussion group on Wednesday evening.

Mr. and Mrs. Charles McDaniels, Mr. and Mrs. Dan Van Slambrook, and Mrs. Mary Ann Phillips and son were Sunday evening luncheon guests of Mr. and Mrs. A. T. Van Slambrook and family.

Mr. and Mrs. George Marshall spent Sunday with Mr. and Mrs. Carmen Wheeler of Eaton Rapids.

"Auction" Committee Is Chosen

The Holy Name Society of St. Mary's Church, Pinckney, has chosen committees to prepare for their Card Party and Chinese Auction, which is to take place Saturday evening, February 8, in the school hall.

The Committee Chairmen are: Donald Charboneau, Ticket Sales; Francis Shehan, Refreshments; James Merna, Advertising; Herb Schenden, Donated Prizes and Tellers; John McMillan, Sr., Purchased Prizes; Roy Hoelt and Joe Basydio, Auctioneers. The general chairmanship is being handled by the officers of the Society.

Tickets for this annual event are available through any Holy Name member. Many of the Pinckney merchants have donated prizes in the form of gift certificates or merchandise. Several small appliances will be up for auction, as well as many other fine gifts. The two auctioneers are warming up, and all of the Society's members are pitching in to make for an enjoyable evening.

Car Overloading Criticized By Insurance Group

Overloading a car can drastically change road performance, the Association of Casualty Companies warns. Acceleration is slowed, braking distance and effort — especially without power brakes — is increased and "cornering" characteristics are altered. Then too, a crowded front seat often makes it impossible for a driver to react quickly to changing traffic conditions.

The Association recognizes that most drivers will, at some time, operate a crowded car — as members of a car pool, on a rainy evening after a meeting, or just taking youngsters home from a birthday party. Under such conditions, drivers must exercise special care.

Safety suggestions are offered in a publication entitled, "Pile In." Single copies may be obtained free of charge from the Association of Casualty and Surety Companies at 100 William Street, New York 38, New York or through the Association's member insurance companies.

SCHOOL NEWS

THE HAMBURG STUDENT COUNCIL

BY MARTHA HOPTON
The Student Council has a big project on their hands. This Saturday we are having a bake sale at the Boy Scout Cabin. It is from 10:00 to about 4:00.

The Safety Patrol is working out fine. The money from the bake sale will pay for some notebooks that they bought for the officers, and some rain coats for the kids who stand on the corner.

We drew up a school policy which stated the rules on the buses, in the halls, and on the playground.

SECOND GRADE

Last Sunday we went ice fishing. While my father and I were ice fishing, we saw a sea gull and a flock of geese. We had only one bite all day and we did not see the fish. Was my father and I ever mad.

THIRD GRADE

In social studies we are studying maps. Students have made maps of Hamburg, and you can see them on our wall. We are also studying poetry. Each student chose a poem to read to the class last week. Now we are starting to make a poetry folder.

We welcome 2 new girls to our class. They are Linda Brock and Cheryl Wheeler.

SEVENTH GRADE
In Arithmetic we are studying graphs—the vertical and horizontal bar graphs, line graph, and the circle graph.

In English we are studying verbs, the time (present, present perfect, past, past perfect, and future and future perfect) and active and passive verbs. In literature we are asked to write compositions under the title, "It Could Have Happened to You!"

HAMBURG ELEMENTARY SPORTS

BY ALAN YOUNG

The Hamburg Merchants met the Freshman squad January 8 and ran into their first rough game in quite a while. Right away the Merchants grabbed a 6-2 lead, but at the end of the 1st quarter the Freshmen were ahead 18-9. The 3rd quarter Don Jones,

Howell Bank Elects Board At Annual Stockholders Meet

A meeting of the stockholders of the McPherson State Bank held January 21, the present directors were reelected for the coming year. They are: Robert H. McPherson, Robert T. McPherson, Thomas B. Mann, Alexander M. McPherson, W. McPherson Smith, Jr., William McPherson III, William McPherson IV and Edward G. McPherson.

The Vice-President, William McPherson IV, reported on a successful year for the bank during which deposits with the bank increased \$780,000.00 and total resources increased \$880,000.00 to the amount of over \$14,000,000.00 at all-time year-end high.

Mr. McPherson indicated that the bank greatly appreciated this expression of confidence by the people in the area and noted that the institution was doing its utmost to serve the community by increasing its loans to over \$6,500,000.00, composed of \$2.3-million in commercial loans, \$1.5-million in installment loans and \$2.7-million in real estate mortgage loans.

The Vice-President's report also noted that these gains were due in largest measure to a staff of dedicated people who carried out their duties with a high degree of efficiency and with the interests of the bank and its customers at heart. As one indication of their desire to improve their performance, he announced that during the past year Veri Varner, Jack Jeffreys, McPherson Smith and Edward McPherson had completed the

American Institute of Banking course in Installment Credit. Helen Arnold, Vicky Gillow, Beverly Miller, Lynda Palmer, George Dunn, Jr., Veri A. Varner, McPherson Smith, and Edward McPherson finished the Commercial Law course.

In addition, Jack Jeffreys is serving as First Vice-President of the Lansing Chapter of the American Institute of Banking and completed his junior year at the Graduate School of Banking at the University of Wisconsin.

At a meeting of the Board of Directors held immediately following the stockholders' meeting, the existing officers were retained in their present capacities. They are as follows: President, William McPherson III; Vice-President and Cashier, Ralph H. Larsen; Vice-Presidents: Robert H. McPherson, William McPherson IV, W. McPherson Smith, Jr., Edward G. McPherson; Assistant Vice-President, John T. Jeffreys; Assistant Cashiers: Bernadette B. Hubbell, Albert C. Fredenburg, Agnes E. Fredenburg, Evelyn I. Montgomery, and Veri A. Varner.

JUMBLED JOTTINGS

By: KATIE TOPOR

Out hearts go out to the Reverend Merle Meeden and Mrs. Meeden who were seriously injured in an automobile accident which took the life of Mrs. Meeden's mother, Mrs. Yanzito, last Saturday.

For the second week in a row Howell had no fire alarms.

My husband and I chaperoned a busload of high school students to the basketball game in Mason last Friday night. When we arrived back at Howell High the greater number of young people thanked us for being with them as they filed off the bus in a most orderly manner. With all the talk these days about young delinquents it was most heart warming to observe the good manners of our students.

In spite of the fact that the basketball game resulted in a defeat for Howell, both the junior varsity and the varsity teams played a good game and provided the cheering audience with some very exciting moments.

Have you heard about the cemetery that has a new sign over its gates? It reads "Marlboro Country".

Judd Arnett who has a column in the Detroit Free Press had the following item in one morning last week. We quote — "The Brighton Argus informs us that Livingston County ended 1963 with approximately \$320,000 in the kitty. The next time our Lord Mayor or our Esteemed Supervisors feel the urge to send a committee somewhere to garner wisdom and advice, may I suggest they be routed to Howell, the seat of Livingston County? Some of their obvious dexterity with public funds might just rub off." Thank you, Mr. Arnett, for the plug.

Howell Reporter

Mrs. A. C. Topor

DEADLINE
12 NOON MONDAY

'Product of the Year' Is Subject of Search

Search is beginning for Michigan's product of the year, its agricultural development of the year and the state's outstanding community economic achievement, all three honors to be awarded during the 11th annual Michigan Week, May 17-23.

The search is being directed by Milton G. Kendrick, of Michigan Consolidated Gas Co., Detroit, chairman of the awards committee of the Michigan Week Business and Products Board, and it will progress through county and regional contests to the state finals in mid spring.

A request is being sent by the general chairman of Michigan Week, Detroit banker Dale Sellers, to his 16 regional chairmen that they push for good nominations in all counties in the three categories of manufacturing, agriculture and community economic expansion. He has asked them to appoint regional awards chairmen to direct the competition in their areas through the county Michigan Week organizations.

Mr. Kendrick announces that:

- County judging is to be completed by March 15.
- Regional judging is to be completed by April 15.
- Entries from the 16 regions must reach the state committee by April 24.

In the Product of the Year competition, Mr. Kendrick's committee stipulates that an entry "should be something that is significant and successful, either new or recent. . . should have sales and employment potential. . . must be a consumer product, distributed through normal channels and should have national distribution. . . can be in any field that is making an outstanding contribution to the economic welfare of the community. The award goes to a company, not to an individual.

To compete for honor as the Agricultural Development of the Year, an entry can be a product or a process or, as in the case of the state winner last year, a marketing or growing program significant to Michigan agriculture or to an area of the state.

The state award for Community Economic Achievement of the Year will go to an organization for outstanding accomplishment that has brought or will bring economic expansion to its community or area. The award is not to be made to an individual. The organization might be a chamber of commerce or similar group but it could be a government organization, for example, a village council or county board of supervisors.

The product of the Year Award has been an annual feature of Michigan Week since 1959. Winning products have been: 1959, the Otto Premerger motion picture "Anatomy of a Murder" made that year in the Upper Peninsula from the best seller by Ishpeming novelist John Voelker (considered a twin award to the book and the picture); 1960, the phenomenally successful "Hush Puppy" shoe manufactured by Wolverine Shoe Co. of Rockford, 1961, Metrecal, developed in the Mead Johnson Plant at Zeeland; 1962, the Apache camping trailer of Vesely Manufacturing Co., Lapeer; 1963, the small portable building called Paradome, manufactured by Outdoor Fibre Products Co. of Chelsea.

The Achievement of the Year award was first given in 1962. That year it went to the Adrian Chamber of Commerce and City Commission together, for their program which brought Harvey Aluminum Co. to Michigan. The 1963 award went to the Gogebic County Economic Expansion organization, G.O.E., which had just raised more than \$100,000 for economic rehabilitation of the iron mining area around Ironwood.

The first agricultural award was made in 1963. It went to the potato growers in the central part of the Upper Peninsula, principally Dick's on county, for their combined growing and marketing development of the Russet Burbank potato.

The state judging will be by teams of outstanding authorities in the three fields, yet to be selected by Mr. Kendrick's committee and the Michigan

Garden Club Meeting Held in Howell

The January meeting of the Town and Country Garden Club was held last week at the home of Mrs. William J. Carter.

Following refreshments of fruit, cheese and crackers served by the hostess and her co-hostesses, Mrs. E. G. Bidgood and Mrs. J. E. Cronan, a short business meeting was held.

The program was then turned over to Liz Steenssens, a club member, who spoke on gift wrapping. Mrs. Steenssens, who conducts a business in her home, showed the group how to do gift wrapping by slip-covering boxes so that they may be used again and how to make fancy bows and ribbon roses.

The next meeting will be held on February 17 at the home of Mrs. Jess Allen at which time Mrs. Steenssens will demonstrate the art of making jeweled and decorated Easter eggs.

Fowlerville Accident Injures Six

Six persons, none of them local, were injured in an accident on January 26 about 3:15 a.m. on Fowlerville Rd., just south of Hayner Rd.

The six victims of the head-on collision, four from Lapeer and two from Bancroft, were taken to the McPherson Community Health Center for treatment of their injuries.

Florence Orth, 54, of Fenton was injured on January 26 about 12:50 p.m. when the car in which she was riding was involved in a collision with one driven by Richard Charles Haas, 30, of Linden. Haas, his passenger, Clark Morgan, 25, of Fenton, and Donald James Orth, 35, of Fenton were unhurt.

Events Calendar

An automobile accident Saturday brought tragedy to the family of the Reverend Merle Meeden when the car he was driving ran into the back of a car operated by Mary Dace, 43, of Flint on I-94 at the underpass of I-96 in Benton township in Berrien county.

As Mrs. Dace drove under the underpass, a sudden gust of wind blew heavy snow across the freeway rendering visibility zero. She put on her brakes and was struck in the rear by the Meeden car, which was spun around by the impact and struck by a semi-trailer which then hit the Dace car on the side rear.

With Mrs. Dace were her daughter and two friends, all students at Valparaiso University. They were all injured and one of the girls died Sunday of a skull fracture received in the accident.

Mrs. Meeden's mother, Mrs. Yanzito, was thrown from the Meeden car and killed instantly. Mr. Meeden received a broken nose and severe cuts on his arm. His wife has a broken arm and severe cuts and bone damage on her face.

The accident is being investigated by authorities.

Blood Mobile Visits County Seat Today

Wednesday, January 29

Obituary
Mrs. Alma Germain, 75, of 316 E. Livingston St., Howell, died at her home last Wednesday.
She is survived by two sons, Walter of Howell and Edgar of Fulton, Illinois; two daughters, Mrs. Agnes Schultz of Brighton and Mrs. Dorothy Rigotti of Howell; two sisters and 10 grandchildren.
The Rosary was recited at 8 p.m. on Friday at the Schnackenberg funeral home. Services were held at St. Joseph Church on Saturday at 11 a.m. Interment was in Mt. Olivet Cemetery in Fowlerville.

★ Hamburg Township News Notes ★

By MARTY DeWOLF

Congratulations to Mr. and Mrs. Allan Santure, of Milford, on the birth of their first child, a son, who arrived Tuesday, January 21. Little Jeffrey, Allan made his appearance at St. Joseph Hospital in Ann Arbor and weighed in at 5 lb. 9oz. Jeffrey's grandparents are Mr. and Mrs. Vance Wiseman of Hamburg and Mr. and Mrs. Ernest Santure of Whitmore Lake.

Airman 2nd. Class Robert Nosker, son of Mr. and Mrs. Robert Nosker of Strawberry Lake was sent to the Wright-Patterson Air Force Base Hospital in Ohio last Thursday. Bob will be there for a short time to undergo surgery and will then return to Kincheloe Air Force Base at Sault St. Marie.

Mrs. Leon Baginski told me last Friday that she received a letter from Mr. and Mrs. Bill Sowers, formerly of Riverside Dr. and now living in Florida. She said that the Sowers had asked about their old friends and said to say "hi" to them.

On Friday January 17, Mary and Robert Fitzgerald and Mary and Fred Wickstand went out to dinner at the House of Dougherty. The occasion was Bob's birthday.

Last Tuesday evening Larry and Bob DeWOLF and sons David and Darryl spent the evening at the home of Gary and Vicky Wiseman.

Winifred Erdman, of Van Antwerp Dr., has a broken ankle as the result of a fall in her home last Tuesday. It seems that Winifred fell off of a ladder.

Last Tuesday, Wednesday and Thursday, Francis Shehan attended the Supervisors Association Conference in Lansing.

On Saturday, January 18, Barbara and Duane Waterbury and Mr. and Mrs. Jay Katz of Ann Arbor went to Detroit to the Auto Show and then went to the Play Boy Club. They reported that they had a wonderful evening.
