## Kathy Ruggles Designated Pinckney High Homemaker

**KATHY RUGGLES**  
Kathy Ruggles is our school's 1964 Betty Crocker Homemaker of Tomorrow. She achieved the highest score here in a written knowledge and attitude examination given December 3, 1963. General Mills, Inc., sponsor of the program, will award her a "Homemaker of Tomorrow" pin to signify her achievement, and her test paper will be entered in competition for state honors.

Kathy is the daughter of Mr. and Mrs. Robert P. Ruggles, 6675 Poplar Drive, Buck Lake.

The state Homemaker of Tomorrow will be awarded a

\$1,500 college scholarship and will be named a national finalist. Her school will be presented with a set of Encyclopaedia Britannica, awarded by Encyclopaedia Britannica, Inc. The state's second ranking girl will receive a \$500 scholarship.

In the spring, state Homemakers of Tomorrow, each accompanied by a school advisor, will enjoy an expense-paid educational tour to colonial Williamsburg, Va., Washington, D.C., and New York City. The trip will be climaxed with the naming of the 1964 Betty Crocker All-American Homemaker of Tomorrow. She will be chosen on the basis of her original test score together with personal observation and interviews during the trip. Her scholarship will be increased to \$5,000. National runners-up will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

All-time highs in the number of senior high school girls and schools enrolled marked this, the tenth annual Betty Crocker Search Program. More than 484,000 girls in 14,000 of the nation's schools participated.

Since the program was launched, more than three and a half million girls have participated and scholarships approximating one-million dollars have been awarded.

The Betty Crocker Search is approved by the National As-

sociation of Secondary-School Principals. Judging is by Science Research Associates of Chicago, nationally known educational publishing and testing organization.

## TOPS Lose 38 1/2 Pounds First Week

The TOPS (Take Off Pounds Club) got off to a good start recently when Mrs. Haggart, secretary of the National TOPS, came out from Detroit to speak to prospective members about organizing a local branch. Mrs. Haggart, having lost 116 pounds—and kept it off for seven years—is quite enthusiastic about TOPS.

Twelve charter members signed the roll, and at the next meeting, Thursday, February 6, it was found that the combined weight loss of the original 12 members for that week totaled 38 1/2 pounds. Truly amazing when you realize that some of these gals have been dieting sporadically (and unsuccessfully) for years. Since then more have joined.

Officers were elected and assumed office. Meetings were set for each Thursday at 8:00 P.M. at the PHS music room.

Any woman who would like to attend these meetings is more than welcome.

# Village President Proclaims February 20 As 'Dr. Duffy Day'

## Special Open House At Pilgrim Hall

Pinckney Sanitarium

By proclamation of Village President Stanley Dinkel, February 20 has been designated as "Dr. Duffy Day" for the community to honor local physician Dr. Ray M. Duffy upon his 71st birthday and upon the anniversary of 26 years of continuous service to this area.

An open house will be held that day at Pilgrim Hall from 7 to 10 in the evening, with Dr. and Mrs. Duffy as guests of honor. The public is invited.

The Duffys came to Pinckney 26 years ago when they bought the Sigler Sanitarium on E. Main Street where the doctor's offices are located.

Dr. Duffy was born in Wis-

consin, February 20, 1893. He was educated in the area schools, graduating from Lake City High School in 1912. He left Lake City in 1914 for Detroit where he entered the University of Detroit pre-medical school.

His studies were interrupted by service in World War I, after which he returned to his studies, this time at the University of St. Louis, Missouri. Following graduation he interned in St. Louis Hospital. He began private practice in 1929.

He served as a staff member of DePaul Hospital, St. Louis, and was associated with the Internal Medicine Clinic there in 1936.

He and the former Wilhelmina Higgins were married in Missouri. The couple later moved to Breckenridge, Michigan, where the doctor practiced for one year. He was later affiliated with Mt. Carmel Hospital, Detroit, and maintained offices on Grand River Avenue in Detroit, a practice he continued for several years after establishing his practice here.

The couple shares the hobby of raising thoroughbred Chows, many of them prize winners. Dr. Duffy lists hunting as his favorite form of recreation.

## Runaway Car Injures 17 Year Old Youth

Mike Rawden, age 17, a very popular P.E.S. senior and honor roll student, was hospitalized Friday night following an accident in which he alone was involved.

Mike's parents, Mr. and Mrs. C. E. Rawden, 8683 Clubhouse Drive, Winans Lake hoped to have Mike home from St. Joseph Hospital Tuesday, Feb. 11. His injuries consisted of a broken ankle, loss of some front teeth, face lacerations and other minor cuts and bruises.

The 1964 Buick that Mike was driving at the time of the accident had been lent him by Mr. and Mrs. Paul Large of Detroit, and summer residents of Winans Lake. Just as Mike was leaving home, headed for the Pinckney-Ypsil-Roosevelt basketball game at

Pinckney, the Large arrived at the Rawden home, guests of the senior Rawdens, and allowed Mike the privilege of driving their new car. Mike, not accustomed to power brakes says he evidently applied the brakes too vigorously and too quickly in an attempt to slow down, enroute back home. The accident occurred approximately 10:20 p.m. He was taken to the hospital in Don Swarthout's ambulance.

## Church Sets Lenten Program

Lenten observations have started at the Pinckney Congregational Church. All Pilgrim Fellowship members and High School students are invited to have breakfast at Pilgrim Hall each Wednesday at 8:00 A.M. starting with Ash Wednesday, February 12, through Lent. Rev. Bender will lead them in morning devotions.

Starting February 14, but on each Wednesday thereafter at 10 A.M. coffee, juice and rolls will be served in Pilgrim Hall for adults. Rev. Bender will lead in devotions at 10:30 A.M.

On the Wednesday before Easter, March 25, a White Luncheon will be served at Pilgrim Hall. Devotions to follow.

## The Way We Hear It

By Dolly Baughn

... many persons in Pinckney are suffering from "Beatlemania." How about you? S'pose those hair cuts will catch on? Or rather those "no-cuts" I guess it should be.

... the second and fourth Sunday evenings of each month Jim Whitley is giving modern square dance lessons to interested persons between the ages of 11 and 15. They start at 6 p.m. and last till 8 p.m. at Pilgrim Hall, Unadilla Street. These lessons are complimentary of the Whitleys—in other words, no charge. A real good deal for youngsters who want to have fun dancing!

... things were really hopping in town Saturday night with so much going on. There was the Mason's annual Venison banquet at the high school gym, the Chinese Auction at St. Mary School Hall, a wedding reception, a dance for the younger set at the Pinckney elementary school, and Ladies night at the Legion in Dexter, just a whole bunch of activities took place. Now probably there will be nothing for a few weeks. Seems to run that way.

... Jim Lavey is wondering how he is going to cook the 30 lb. piglet he and his wife won at the Chinese auction! Such problems!

## Fred Wylie Succumbs After 85 Years

Fred Wylie, age 85, died Friday, February 7, at his home, 6185 Pingree Road.

Mr. Wylie lived his entire life within one and a half miles of his birthplace, yet lived in three townships. Born in Marion Township, he moved to Unadilla Township when he was 15, and when he was 30 years old he moved to this present address and lived there for 56 years. The three township join near his home, making this possible.

One of ten children, Mr. Wylie was born March 13, 1878, a son of Hugh and Sarah Williamson Wylie.

Mr. Wylie made his living farming. He was a member of the Board of Review for a good many years, and was a school officer of what was then the Marbel School on Pingree Road.

He married Margaret Conner, Dec. 11, 1912, in Howell.

He is survived by his wife; two sons, John, at home, and Bertrand, of Pinckney; three daughters, Mrs. Mary Lavey and Mrs. Virginia Grant, both of Pinckney, and Mrs. Sarah Oliver, in Germany; two sisters, Mrs. Lettie Nesbitt and Mrs. Clena Bowen, both of Howell, and 17 grandchildren.

Funeral services were held Monday from the Swarthout Funeral Home, with the Rev. Gerald Bender officiating. The burial was in Gilkes Cemetery, Putnam Township.

## 9 Persons Injured In 5 Auto Accidents

Nine persons were injured in accidents around the county last week, according to the sheriff's department.

On February 8 about 3:45 p.m., a two-car collision occurred at the intersection of Mason Rd. and Burkhardt Rd. Carl Bailey, 23, 516 Michigan, told deputies that he was traveling west on Mason and did not see the second car until it was too late to stop. Csaba Miklos Zagan, 19, 122 S. Barnard, driver of the second car, stated that he tried to stop at the stop sign but slid into the path of Bailey's car.

Injured were Pat Maddy, 16, 615 E. Sibley St., a passenger in the Zagan car, and Carol Sue Bailey, 4, and Bonnie Lee Bailey, 20, both of 516 S. Michigan. Bailey, Zagan, and 11-month-old Carl Bailey Jr., escaped unhurt. The injured

were treated at the McPherson Community Health Center and released.

At 1:15 a.m. on February 8, Russell Cooley, 18, 5943 W. Coon Lake Ed., was injured when he lost control of his car on ice on M-155 just west of County Farm Rd. He was taken to the McPherson Community Health Center where he was treated and released.

Michael C. Rowden, 17, 8683 Club House Rd., Brighton, was injured on February 7 about 10:20 p.m. on M-36 just west of Chilson Rd. He told sheriff's deputies that he did not know what happened. He was taken to St. Joseph Hospital in Ann Arbor.

Three men were injured in an accident on Argentine at the intersection of Brophy Rd., on February 5. The driver of the car, Richard Lee Booth, 18, 5785 Mack Rd., stated to deputies that the front tire of his car blew and he lost control of the vehicle. Passengers in his car were Leroy Booth, 27, of the same address, and Clifford Booth, 28, of Clyde Rd.

## State Braces For Heavy Run On License Tabs

LANSING — Two million Michigan motorists still did not have their license plate tabs as the first week in February came to a close.

It brought another reminder from Secretary of State James M. Hare, who again urged car owners to get into local branch offices as soon as possible to avoid the "last-minute rush" of February's final days.

Hare said he was "somewhat encouraged" as the total of 1-million plates sold was an increase of nearly 200,000 over 1963 totals as of the same date.

**PROCLAMATION!**

I, STANLEY DINKEL, PRESIDENT OF THE VILLAGE OF PINCKNEY, DO PUBLICLY PROCLAIM, ORDER AND DESIGNATE THAT THE 20TH DAY OF FEBRUARY, 1964, BE OBSERVED AS "DR. DUFFY DAY," HONORING RAY M. DUFFY, M.D., UPON HIS 26 YEARS OF CONTINUOUS SERVICE TO THIS COMMUNITY AND IN OBSERVANCE OF HIS 71ST BIRTHDAY OCCURRING ON THIS DATE. NOW, THEREFORE, I DO INVITE ALL HIS FRIENDS AND AREA RESIDENTS TO GREET HIM AT THE OPEN HOUSE BEING HELD IN HIS HONOR AT PILGRIM HALL FROM 7 P.M. TO 10 P.M., FEBRUARY 20, 1964.

## Teen-Agers Offered Winter Camp

There will be a Teen-age Winter Retreat from February 21 through Sunday, February 23, at the Good News Camp near Gladwin, Michigan. Any young people in the area are invited to take advantage of the winter sports and indoor swimming offered. There will be some devotional services.

A nominal cost of this outing will be \$8.25 per youngster, which includes transportation and all expenses. Bring your ice skates and your bathing suit.

For more information phone Rev. Charles Michael, pastor of the Hiawatha Beach Church, at Uptown 8-3249.

## Pinckney Youth Demonstrates Skin Diving

Jerry Reason, son of Mr. and Mrs. Gerald Reason, of Pinckney, spent two days last week at the Detroit Boat Show at Cobo Hall demonstrating the various aspects of scuba diving. A large steel tank filled with water and fitted with two large viewing windows was provided by the exhibit's sponsor, the Michigan Skin Diving Council.

Between dives, Jerry was on the loud speaker explaining the two-fold reason for the exhibit: First, to promote the sport of skin diving, and, second, to raise funds to purchase a decompression chamber to be put in a worthy hospital in the state. Such a chamber is non-existent at present in Michigan.

The decompression chamber has many worthwhile functions among which are: treatment for the bends; treatment and research in cancer, heart disease, TB, respiratory disorders, and certain birth ailments; and certain types of operations which can only be done under high pressure.

## Servicemen

AN Roy Carpenter will leave via jet, February 14 for San Francisco, Calif., where he will receive further transfer to the aircraft carrier, USS Bonhomme Richard. Roy anticipates being aboard this carrier six months to one year. Mrs. Carpenter, the former Alice Allen will remain in Pinckney and live with her parents, Mr. and Mrs. Richard Allen, Roy's father. Roy is the son of Mrs. Ruby Goucher, Weiman Drive, Highland Lake, Pinckney.

## Kelly, Murphy Receive Safe Drivers Awards

Mail Carrier Gorman Kelly, and Mail Carrier Harry Murphy, center, are shown being presented their National Safety Council Safe Drivers Awards by Pinckney Postmaster Lawrence E. Baughn.

Kelly, who has been delivering mail in the Pinckney area since 1937, was given a pin for his 19th consecutive year of driving with no accidents.

Murphy, who has been with the Pinckney post office since 1932 serving as clerk, postmaster, and mail carrier, was awarded a pin for 16 consecutive years of safe driving.

## Library News

New books this week are: Sidney, "John F. Kennedy, President." This is a new addition of an important biography of our late president and is brought up to date, including a brief account of his assassination.

Bagnold, "National Velvet," the story of a girl, a horse, and one of the greatest races in the world. Adults, and young adults will enjoy this.

For upper elementary we have Meadowcroft, "Boy's Life of Edison," written by one who worked intimately with Edison for years.

Wood, "Raymond L. Ditmars, His Exciting Career with Reptiles, Animals and Insects," is for upper elementary children, but everyone would enjoy reading this exciting account of his experiences as a naturalist.

Eddie L. Williams, son of Mr. and Mrs. William G. Williams of 5695 West M-36, Pinckney, Mich., is scheduled to complete basic training Feb. 14 at the Naval Training Center, San Diego, Calif.

The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

During the training recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical training or to ships at stations for on-the-job training in a Navy rating specialty.

The new baby of Mr. and Mrs. Edward Guy, Jr., has been named Lisa Marie. This is the second grandchild of the William Singers.

Wayne Shettleroe and Harold French of Hilland Lake drove to Florida recently. Wayne is staying in Jupiter with the George Shettleroes formerly of Plymouth, Harold will spend his time visiting at Ocala and Coral Gables, then traveling on to Jupiter to join Wayne for the return trip.

The Rainbow Girls Skating party which was to be held Thursday, Feb. 13 has been postponed to February 27 because of the play "Our Miss Brooks" to be given by PHS's speech class on the 13th. Several of the Rainbow girls are taking in the play.

**VALENTINE PARTY**  
Plans are all made for a Valentine party to be held at the Hiawatha Beach Church this Friday afternoon after school. The Colonists, a group of Junior High girls, will be hostesses to the Pilgrim girls, a group of third, fourth, and fifth graders.

Reverend Charles Michael of the Hiawatha Beach Church attended a National Home Missions Rally at the Moody Memorial Church in Chicago, Ill. from Jan. 28 to Feb. 1. Over 150 missionaries from all parts of the U. S. and Canada were in attendance.

Sunday guests at the home of Mrs. Alta Meyer were her daughter and family, the William Lambs, and Miss Janet Wierhoff of Ann Arbor.

Nancy Latimer was 11 years old last February 4. Sunday, February 9, the Latimers were in Ann Arbor visiting with Nancy's aunt, Mrs. Louis Farrell.

### PEGS MEET FOR CRAFT LESSON

On Wednesday afternoon, February 5, the Pinckney Extension Group (PEG) met at the home of Mrs. Steve Lazo on Cedar Lake Road for a craft lesson. Mrs. Harold Higgs instructed the ladies in the art of covering shoes with fabrics; thus enabling the ladies to have shoes matching a dress or suit. Club president, Mrs. Nester Engquist, Mrs. Eleanor Tomaski, Mrs. Earl Kimbler, and guest, Mrs. Sam Gentle were present.

The club also discussed the present situation in New York and Pennsylvania where the Seneca Indians are being displaced to accommodate a newly proposed dam site. Several members proposed writing to their Congressmen in Washington on behalf of the Indians.

Rev. William Hottel, who was a Baptist minister for many years but now is semi-retired and lives with his daughter, Mrs. Sam DeLapp, has been in Sarasota, Florida for over a month now but expects to be back in the spring.

Mrs. Arthur Pardon left on Monday for Overland, Missouri for a visit with her daughter, Mrs. Ruth Kitchen, and family. Mrs. Pardon, who went by bus, will be back Saturday.

Mary Marshall, little daughter of Mr. and Mrs. Louis Marshall of Cedar Lake Road, celebrated her fourth birthday last Monday.

**BUSY DAY FOR THE OLESKIS**  
Saturday, February 8, was certainly a full day for Mr. and Mrs. Don Oleski — they spent the whole day attending weddings and receptions. Early Saturday morning they watched Pat Hollister and Victor Baydio exchange their vows at St. Mary's Church in Pinckney. At noon they were in Howell at the

St. Joseph Catholic Church attending the wedding ceremony of Jim O'Connor and Patricia Davey — then on to the reception at the Lakeside Inn in Howell. In the early evening, the Oleskis could be found in Hamburg at the Hollister-Baydio reception.

Good thing there wasn't another wedding that day — they would never have made connections.

Shirley Czerwinski, daughter of the Frank Czerwinski of Rush Lake, has been vacationing at her parents' home since Jan. 28 between semesters at Eastern Michigan. She will return on Wednesday for classes.

Mr. and Mrs. Welton Chamberlain and two sons and the Gilbert Dunn family were at the Colosseum at the Fair Grounds in Detroit last Tuesday evening, Feb. 4, to attend the Shrine Circus.

Sunday, the Chamberlains attended services at the Arbor Grove Congregational Church in Jackson where the minister is Rev. Robert Huldane, who was Welton's classmate during their days at Oberlin College.

Mrs. Steve Lazo, Senior Area Representative for the southwest area of Extension Clubs, will hold a meeting at her home this Thursday evening for all presidents and vice-presidents of clubs in this area to make plans for the forthcoming Spring Meeting to be held in the early part of April.

### Spring Election Set for March 9

The annual spring election of Village Council officers will take place at the townhall, Monday, March 9, 1964.

Candidates for these said offices will be chosen February 17, when two caucuses will take place that day.

All incumbent members presently serving on the council will seek re-election to office, with the exception of James Doyle, due to his having moved away. His two year term as trustee expires this spring.

The Citizen's party is scheduled to hold their caucus at 1 p.m. in the Pinckney fire hall. The Union party will caucus at 2 p.m. the same day, the same location.

Those now serving on Village Council are Stanley Dinkel, president, Mrs. Rosemary Whitley, treasurer, Robert Ackley, clerk, Lorenzo Murphy, assessor, and three trustees, Lee Tiplady, Don Swarthout, and James Doyle. The three trustees who will complete their two year term, having been elected to council last spring, are Mrs. Marion Russell, Roy Clark and Marilyn Lavey.

### School Board Briefs

Because of Board members having to sign official papers concerning the late school bond issue, the regular school board meeting did not begin at the very prompt 7:45 p.m. as it usually does. Instead it was slightly after 8. Nevertheless, when things did begin to roll, much business was taken care of in the usual parliamentary procedure so outstanding at these board meetings.

Gerald F. Reason, Pinckney real estate dealer, was present and brought before the seven-man Board a proposition regarding property he has for sale and that, according to Reason, "should be suitable for the new proposed high school site." The parcel of land, 119 acres, Reason went on to explain, "is located 1,320 feet west of the very edge of property of which the Board now holds option on." While it is not logical that this much property, 119 acres, be needed for the recommended high school, Reason said he was able to and would sell the amount of property preferred by the Board up to the 119 acres, priced accordingly. The property Reason offered is presently owned by Mrs. Alta Meyer, wife of the late William Meyer.

The Board now holds a one-year option on the Francis Shehan property located at 2200 East M-36. The Shehans offered 50 acres of land for

the sum of \$36,000. Their property is bordered by M-36 on the north and McGregor Road on the east, which Board President John Walton pointed out to Reason as being "of great advantage." There are no roads bordering the Meyer property outside of M-36 on the north, at the present time. Reason said he would investigate the possibility of a county-maintained road being put through the Meyer property.

# Research Grants Proposed for State's Colleges

By Elmer E. White  
Short-term research which could lead to long-term gains for the state has been proposed to the 1964 Legislature. Seven of the state's public colleges and universities would be designated to conduct the research. Each of the proposed 13 projects would be completed in less than two years and hopefully could improve or ex-

## Hartland P.T.A. Winter Carnival

The Hartland P.T.A. is sponsoring once again, a family fun day for all, in the form of a Winter Carnival. There will be many exciting and wonderful games, some new and some old familiar ones door prizes and a very entertaining show. All this, plus all the Carnival atmosphere provided by the many Hartland helpers will promise hours of fun and enjoyment for young and old alike.

The Carnival will be held Saturday, March 14, at the Hartland High School. The doors will open at 2:00 P.M. Tickets may be purchased for 25 cents or five for one dollar from Ticket Chairman Mr. Ralph Ottwell, Carnival Chairman is Mrs. Robert Lorenz, and Co-Chairmen are Mrs. Carl Foreman and Mrs. Jack Dalton, a telephone call from you offering your services, may be a great help to make a successful carnival. Please phone Hartland 5175 or 5251 if you would care to help.

and Michigan's business economy. The request before the Legislature is to release previously appropriated funds totaling \$480,035. The ultimate goal is to turn this investment into millions of dollars in new industry.

Something for everyone is the idea behind the proposals sponsored by the Economic Expansion Department and the legislative committee on economic growth.

Studies included in the request range from the impact of tourism, to processing and utilization of freeze-dried eggs, to the demand for in-plant package manufacturing machinery, to Upper Michigan's wood resources.

In cost the proposed research varies from a six-month project with an estimated \$6,500 expenditure, to a 12-month \$100,000 study, and a 24-month project which would cost \$9,000.

Boiling down the various ideas for research projects held by various members of the university staffs took the better part of a year, said B. M. Conboy, head of the Economic Expansion Department.

The interested state institutions submitted 100 specific research proposals which would have cost \$3.8-million. The projects submitted to the Legislature represented those the Department and legislative committee felt could have the biggest impact on economic development and for which there is the greatest present need.

Continuation of research projects such as these appear to have tremendous possibilities for putting new ideas into practice for the benefit of Michigan's distressed and depressed areas.

Legislative approval of the requests holds the key to success of these unique efforts to improve Michigan's economic position and keep it growing.

**LEGISLATORS' PAY RAISE**  
Writing laws for a state is no easy job, but it carries with it an enviable power which has been exercised twice in the past four years. This is the power to raise one's own salary.

In 1960, one of the first years when Legislators were on the job nearly year-round, the House and Senate members voted themselves a \$1,250 pay hike, including salary and expenses. This brought them up to \$6,000 salary and \$1,250 expenses.

Two years ago a legislative pay hike also was approved. This set the salary at \$7,000 per year but retained the previous expense sum.

This year, if a pair of Detroit Democrats have their way, the legislators who return in the 1965 session would be paid \$10,000 a year in salary and be allowed \$5,000 in expenses.

Rep. John Sobleski, chief sponsor of the proposal, might be the first to admit that his increases, particularly that for expenses, are high. He'll be happy with whatever raise he can get passed.

Sobleski's theory is that the job of writing Michigan's laws has become and should be full-time.

One admirable portion of Sobleski's proposal is a section to discourage chronic absenteeism. His bill would dock members \$25 for each

day's absence without cause. House Speaker Allison Green has expressed the reality with regard to Sobleski's bill. Green, Kingston Republican, notes that whatever figure remains in the bill, if and when it clears the committee, would be approved in both houses.

Green, and probably every other member, can think of "a strong argument" for paying lawmakers more money. Of course, where would one go to find someone who believed he was overpaid?

Salaries of Michigan's school teachers have been increasing about 5 per cent a year in recent surveys by the Michigan Education Association.

Last year, however, the MEA study showed a considerable jump in the annual raise. The average raise during the past school year was \$210 per teacher, as compared with an average \$122 raise the previous year.

These figures cover all teachers although greater salaries and increases sometimes go to those with degrees higher than the bachelor's degree.

Annual rates of pay continued to show wide variation among the 580 districts surveyed by the Association. The district study indicated the median starting salaries ranging from \$4,500 to \$4,600 and the median maximum was \$6,200 to \$6,300.

Additional pay for advanced degree background has changed little in recent years, the study showed. The average increment is between \$300 and \$400 a year, as it has been for several years. Some districts, it should be noted, offer beginning teachers only an additional \$100 per year for a master's degree.

Miss Veronica Devereux, who has just retired after 34 years with Citizens Mutual Insurance Co., was honored last week at a reception in the company cafeteria. All the officers of the company and 200 employees gathered to extend their best wishes to her.

General Accounting, the department in which Veronica worked, acted as host for the occasion.

Refreshments were served from a table decorated with a tiered cake and a centerpiece of pink roses. The guest of honor was presented with a stereo set and several records.

Miss Devereux began her career at Citizens as senior bookkeeper on March 3, 1930, and retired January 31, 1964 as cashier, a position she had held for several years. She lives at 215 Fowler Street and is enjoying the company of her sister who has come to live with her.

**4-H Club News**

The 4-H Club leaders in Livingston County will be recognized and honored at a special banquet Tuesday night, February 18, at the 4-H Building, reports Harry A. Foster, County Extension Agent, 4-H Club Work. Awards will be given to all first-year leaders. The leaders with five, ten, fifteen and twenty years of service will receive special recognition.

The program will be provided by Dave Jonckheere, who was an International Farm Youth Exchange delegate to Venezuela this past summer. He will narrate a slide presentation.

The banquet is being sponsored by the Detroit Edison Company, according to Foster.

**CHURCH NEWS**

The importance of spiritual unity in marriage will be brought out at Christian Science church services this Sunday. The Bible Lesson on "Soul" will include the story of Isaac and Rebekah (Genesis 24), and also this passage from the Christian Science textbook: "Unselfish ambition, noble life-motives, and purity,—these constituents of thought, mingling, constitute individually and collectively true happiness, strength, and permanence" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 58).

**LEFTOVERS HELP CUT COSTS**  
—Yes, and keep your phone bill down, too! Here's how: We save scraps of leftover copper wire and cable, and periodically melt them down in big furnaces. The copper salvaged is then used to make new wire. It's one example of the many ways we salvage materials wherever possible, to help keep telephone costs low.

HAVE A "HEART-TO-HEART" TALK with your Valentine this February 14—even if he or she is many miles away. Just pick up the phone, and you're there! A Long Distance call gives a warm, personal touch to your Valentine greeting... and the cost is low. Why not treat yourself, and your favorite person, to a Long Distance visit this Valentine's Day?

HOW TO BE IN when you're out: one way is to use a telephone answering service! You'll be in good company. Answering service customers include doctors, repairmen, salesmen who are often away from their offices—even stores that take orders after business hours. Some answering bureaus offer "wake up" services for customers, to make sure they aren't ignoring the alarm clock! There are 140 answering services in Michigan alone. They are not owned or operated by Michigan Bell, but they do play a part in giving many of our customers the fullest possible use of their phones.

**Green Oak G.O.P. Plans Meeting**

Charles R. Ward, Livingston County Republican Chairman, and Phil MacBride, Chairman of the Finance Committee, will be speakers at a meeting of the Green Oak Township Republicans which will be held February 13 at 8:00 P.M. at the Green Oak Township Hall on Silver Lake Road.

Anyone interested in helping the Republicans are invited to hear these men speak and, also, to help get the party organized. Coffee will be served. It is hoped that there will be a good turnout for this important meeting.

**HOMER A. GREGORY**

Homer A. Gregory died at his home at 5367 East Grand River, Howell, last week following a long illness. He was 84 years of age.

He was the former operator of a service station in Howell. He is survived by his widow, Ella.

## McPherson III Honored

This past week Wm. McPherson, III, was honored at a testimonial dinner given by the Board of Trustees of the McPherson Community Health Center. Many members of the medical staff were in attendance at the reception and dinner.

Mr. Thomas Kizer was master of ceremonies. He introduced Mr. Robert Akin who had worked with Mr. McPherson as a member of the Board of Trustees of McPherson Memorial Hospital. In his talk Mr. Akin paid tribute to Mr. McPherson for the 36 years he has served continuously as a hospital Board member and for the countless amount of time and effort that he has given in behalf of the community toward the establishment of outstanding hospital facilities.

Mr. Akin also brought back nostalgic memories to those who lived in the community when McPherson Memorial first came into existence in August 1928.

Mrs. Lynn Zimmerman, Chairman of the Board of Trustees of McPherson Community Health Center gave credit to Mr. McPherson for his willingness, desire and foresight in providing a guiding light toward the development of our outstanding community hospital.

Mrs. Zimmerman indicated that although the hospital bears the McPherson family name that it was the desire of the entire Board of Trustees to commemorate the lounge of the new Self-Care Unit in honor of Mr. McPherson and to place a plaque in the room.

Mrs. Nan Allan, Secretary of the Board of Trustees and James Sullivan, Administrator of the Health Center, also paid tribute to Mr. McPherson for his untiring efforts in the interest of the community.

Mr. Thomas Kizer added some levity to the program in relating that Mr. McPherson was a force to be reckoned with on the golf course and Dr. Thomas Barton spoke of Mr. McPherson as a person. He remarked that he realized Mr. McPherson excelled in many of the things he did, but that he valued most his fairness and his human qualities to other individuals.

Warm friendship and fondness were the key note of the evening and a standing ovation was given to Wm. McPherson, III, by the entire crowd. The proceedings were recorded and a copy of the tape was presented to him.

## Brotherhood Dinner Set

Brighton Township Lions Club will host the Annual Inter-club Brotherhood Dinner and Program with Kiwanians, Rotarians and their friends on Friday, February 21, at the First Methodist Church. Dinner will be at 7:00 p.m. and will be followed by the presentation of the Guyton P.T.A. Chorus in "Under Paris Skies."

## Wayne Brigle Retirement Announced

Wayne W. Brigle, carpenter at Brighton Youth Camp, returned from state service, February 8.

Brigle was born in 1901 in Edon, Ohio and attended school at Berlin and Edon, Ohio. Before coming to the department, he was foreman with the Ohio State Department of Highway from 1917 to 1934. He then went to farming for himself for the next 11 years. From 1941 to 1945 he was employed by Allied Products in Hillsdale.

His state employment began in 1945 when he became a park ranger at Island Lake Recreation Area. In 1953 he left state employment to work for the Farmer Equipment Company in Brighton and in 1955 returned to Island Lake Recreation Area as park ranger. In 1958 he was promoted to carpenter and was stationed at the Brighton Youth Camp where he remained until retirement.

His wealth of experience in the construction field was invaluable in his capacity as construction supervisor. He took unskilled labor and taught them the necessary fundamentals required in good construction practices and turned out excellent work.

Mr. Brigle's family includes his wife, Ruth, two sons: Richard of Hillsdale and Gary of Brighton and daughter, Mrs. Maxine Bechtol of Inkster. The Brigles have no special retirement plans. They reside at 10720 Whitmore Lake Road, Brighton.

A retirement dinner in his honor was given by his co-workers Tuesday at the Three Towers Restaurant.

A bachelor's life has been defined as a splendid breakfast, a tasteless, flat dinner, and a most miserable, lonely supper.

Holy Communion, Last Sunday

On January 28, Mrs. Ed Sawyer returned to her home on River Valley Drive after spending five weeks in Las Vegas. She and her husband went to Nevada on December 20 in order to be able to spend the holidays with their son and his wife, Mr. and Mrs. Gerald Leyman, and children: Kimberly Ann and Gerald Joseph. Her husband returned home two weeks earlier, due to the fact that he had to return to work.

I talked to Mr. Dunn last week and he said that three "good" eighth grade boys liberally waxed the outside of the school on Tuesday. He also stated that they are scheduled to clean it off on Saturday (this past week) at 1 p.m. He also said that three trees in the school yard were cut down last week by Glen Bennett. One of the trees was causing damage to the roof as pieces were dropping off the tree; another was obstructing the TV antenna and was causing interference.

The seventh graders have the hall display this month and are doing a great job. On display are art work, composition, and maps from the geography class.

The eighth graders are busy working on salt and flour maps of the United States.

Water pipes are now being installed in the new special education rooms.

Mr. Hanes, the eighth grade teacher, was ill last Thursday and Friday. Mrs. Rawson, of Portage Lake, was the substitute for those days.

Girl Scout Troop 252 had an ice skating party this past Saturday at the home of Alice White. The members of the troop and their guests had a wonderful time.

The same group of girls met on Tuesday at the home of their leader, Muriel Heiner, to complete plans for their upcoming trip to the Flower Show in Detroit. The girls will make the trip on February 22 and on their way home they will stop at the home of Mrs. Stephen Hermans in Detroit for refreshments.

Mrs. Leon Baginski, who is in charge of the Catholic Charities for the Rosary Altar Society, will soon be posting reports of the items needed on the bulletin board in the lobby of St. Patrick's Church. She would like everyone to look for the reports and see what they can do to help.

The Lutheran Children's Friend Society sponsored a spaghetti supper, which was held at St. Paul's Lutheran Church in Ann Arbor on February 1. The supper was attended by three couples from this area: Mr. and Mrs. Ralph Hannenberg, Mr. and Mrs. Robert Elm and Mr. and Mrs. George May. While there for the dinner they also visited the mission fair which was at the same church.

Ash Wednesday services will be held tonight, February 12, at 7:30 at St. Stephen's Episcopal Church.

St. Stephen's is planning a pot-luck dinner and dance which will be held on February 20 at 6:30 p.m. at the Hamburg Fire Hall. All adults are invited to attend. If interested, please call Edith Smith at UP 8-6686 for dishes to pass.

Lenten services begin tonight, Ash Wednesday, at 7:30 and will be held each Wednesday throughout Lent at St. Paul's Lutheran Church in Hamburg.

The Anna Altar Society of St. Paul's Lutheran Church will meet on February 17 at the home of Irma Wilkie at 8 p.m.

On Sunday, January 26, Susan Rae Hochendoner, daughter of Mr. and Mrs. Regis Hochendoner, of Whitmore Lake, was baptized at St. Paul's Lutheran Church. Susan was born on January 8 at St. Joseph's Hospital in Ann Arbor. Her godparents are Mr. and Mrs. James Curry of Whitmore Lake.

February 2 was the date that Tina Marie Eberhardt was baptized at St. Paul's Lutheran Church. She was born on January 7, the daughter of Mr. and Mrs. Eberhardt of Rush Lake. Tina's sponsors were Mr. and Mrs. Paul Radak of Rush Lake.

Miss Joyce Scott, formerly of Shannon Rd., The moving into their new home at Cordley Lake was delayed for Mr. and Mrs. Kenneth McKee due to the birth of a son, Kevin Michael, on January 31. It won't be long until they will be settled in their home. The McKees are presently living in Dearborn.

Mel Whybra has returned to his home on Hillpoint Drive, Ore Lake, after spending four weeks at Cape Kennedy, Fla. He arrived home last Thursday.

Last week, Robert Taylor of Ore Lake and Ron Lutz of Ann Arbor went to Racine, Wisconsin to attend a service school and convention for the Honda dealers of this area. They were gone from Sunday till Friday.

On February 2, Mr. and Mrs. Jack Vasher and family went out to dinner at Bill Knapp's to celebrate two birthdays. Ruby and son Jack celebrate their birthdays on February 5.

Mr. and Mrs. Robert Nosker of Strawberry Lake were pleased to have their daughter, Judy Litherland, of Chicago, visiting them this past weekend.

Mrs. Herb Pagel and Mrs. George May attended the funeral of Mrs. Minnie Belz of Detroit, last Wednesday. Mrs. Belz, who died on Sunday, had been a summer resident at Strawberry Lake for a great many years.

Guests at the home of Mr. and Mrs. Leon Baginski last Sunday were Mr. and Mrs. Gilbert Jankowiak and Mr. and Mrs. Ed Jankowiak, Mrs. Baginski's brothers, and Thres Stern, her sister, all of Detroit. Also there were Mr. and Mrs. Caesar Pini of Detroit. They all came to help the Baginskis' daughter, Mary, celebrate her birthday.

Gladys Lee visited her sister, Irene Jack, last week. Irene is a patient at the Arnold Home in Detroit. Anyone wishing to write to Irene may address their letters to her in care of the Arnold Home, 18520 W. Seven Mile Road, Detroit 19, Mich., Room 381. She would love to hear from you.

Mrs. Dean Sollberger visited the Percy Whitlocks on Chilson Road last Thursday. She and her husband, former residents, are on their way to Des Moines, Iowa and a new job.

Jack Vasher was honored by

several of his friends last Tuesday afternoon at a birthday party. Friends who attended were Tommy Hayes, Doug Sheperdigian, Paul Kelley, Joe and Mark Mudar, Billy Navarre, Jerry Hardesty, Richard Garrett, Jimmy Belcher, Mark Fleming, Mike Martin and Eddie Bower. The boys enjoyed a dinner of sloppy joes, chocolate milk, potato chips, cake and ice cream.

Mary Baginski was honored at a party last Saturday for her tenth birthday. Those who attended the party were Denise, Phillip, Rod, Becky and Nancy Vosmik, Diane, Laurie and Kathy Otto, Tony O'Connor and Dennis Rzeszetarski.

Margaret Fitzgerald celebrated her first birthday this past Sunday, February 9. She

was honored at a family birthday dinner which was also attended by her godparents, Mr. and Mrs. Fred Wickstead.

Happy birthday wishes this week to Judy Stanke on February 13, Scott Wiseman on February 16, Donnie Wiseman and Elsie Duchane, both on February 17.

Mrs. Eleanor Scott and Mrs. Avis Hermans and daughter Shelley were guests at the Girl Scout meeting of Troop 252 on Tuesday, February 4. Mrs. Scott is considering becoming a co-leader for the troop.

That's all for this week and please call me at 229-2511 if you have any news you would like in my column.

**KEEP ALL YOUR LIVING SPACE LIVABLE ALL YEAR ROUND WITH SUPPLEMENTAL ELECTRIC HEAT!**

Why let cold weather keep you from using part of your home? That hard-to-heat recreation room, enclosed porch, upstairs sitting room or new bedroom can be made cozy with supplemental heat. Completely automatic and easily installed, electric heating units go where you need them, let you dial the exact warmth you want. No strain on your present heating system. No more shivering . . . or overheating the whole house just to warm up one room. To find out which type of electric heating equipment—baseboard units, radiant wall panels, forced air heaters, radiant heating cable—is best for your home, call a Qualified Electric Heating Contractor or Edison. Your "summer-only" room can be as warm as you want—all winter long.

# Non-Skiers Expressing Interest In Winter Fun

Among winter sports enthusiasts there are only two kinds of people — those who ski and those who don't.

Michigan's snowy wonderland has long been a mecca for the skiers and the state leads the nation in the number of winter sports centers with more than 85, according to the Michigan Tourist Council.

In recent years there has been ever increasing interest in winter fun for non-skiers and now many resorts hold almost equal attraction for participants and spectators.

A relaxed, informal atmosphere is the rule with the snowy crowd. The need for indoor recreation for those who want their skiing in small parcels has added a new dimension to the lure of Michigan winter resorts.

The outdoor campfire has been brought indoors and everyone can enjoy the congeniality. With a roaring blaze goes the sociability, songfests, games and both formal and informal entertainment.

"After-ski" get-togethers have become an important aspect of Michigan winter sports centers.

The competition in services, food and drink among the Michigan resort operators adds up to a bonus for the customer. As a result of this competitive atmosphere, the standards of quality are excellent.

Several resorts have imported nationally-acclaimed chefs. One major Michigan resort boasts the services of a famed Swiss chef.

Magnificent cocktail lounges rivaling the best in the metropolitan areas offer hospitality to those who have been on the slopes all day, as well as to those who would rather "skool" than ski.

The tastes of everyone, regardless of his opinion of snow.

The only ingredients necessary for the enjoyment of the facilities and conviviality afforded by Michigan's winter sports centers is the desire to relax and have fun.

The non-skier will find a variety of activities to capture his interest throughout the day.

At some resorts he will find bowling alleys and game rooms equipped with billiard tables, bumper-pool, ping-pong and other similar pastimes.

Some resorts now offer outdoor swimming in heated pools a few feet from ice, snow and freezing temperatures. The more daring find that a dip in the pool followed by a dash through the snow pretty well compares to the famous Finnish sauna which is also featured at some resorts. Other sports centers offer indoor swimming.

Throughout the day, the rugged indoorsman has a continuing show at his beck and call. Picture windows in coffee shops and lounges provide a panorama of the slopes where skiers flash across the snow in an ever-changing procession. Mixing with the skiers around the roaring hearth, listening to their tales of spills and thrills on the slopes and joining in their songs adds to the enjoyment of wintertime at Michigan resorts.

With dancing, motion pictures and other entertainment there is something to satisfy

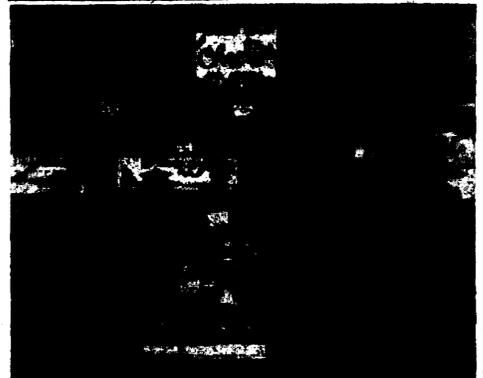

## Audubon Jr. Plans Outing

The Audubon Junior Clubs will hold an outing at Kensington Metropolitan Park Nature Center on Saturday, February 15, at 1:00 p.m.

Bring a group of children to the Nature Center and talk to the naturalist there. Audubon Junior Clubs will provide the teachers to help you conduct a nature walk in the park.

The children may watch the winter birds feeding at established feeders along the nature trail. There will almost certainly be an excellent variety of the interesting winter birds: chickadees, tufted titmice, cardinals, blue-jays, woodpeckers and several kinds of sparrows. These birds may be viewed at very close range near the feeders.

The direction to the Nature Center is clearly marked by park signs once you leave the expressway.

Susan Borton, 15, of Pinckney, served as hostess for the display entered by Charles Hobby Shop in the recent March of Dimes Hobby Shop in Whitmore Lake.

## Bullpups Drop J.V. Contest

by Gary Opperman

It was the battle of the canines Friday night as the Brighton Bullpups played host to the Clarkston Wolves. Much to the displeasure of the Bullpups, the Wolves "howled" to a 68-49 victory.

The Wolves really bit hard quarter, jumping to a 13-point lead. The Bullpups displayed a hot and cold offense all through the game and the second quarter was a hot one.

The Brighton squad dumped 13 points that quarter to outscore the Wolves. Their defense was really hopping that quarter also, but still lacked the unity of a winning team.

The Wolves seemed to be able to hit from anywhere on the floor and even though Brighton's offense and defense worked well the third quarter the Clarkston squad still outscored them by 7 points.

The third quarter was an even draw, 13 points apiece for the teams. The Bullpups' rebounding looked real great during the whole game as

Larry Flowers and Rich Musch did an excellent job of rebounding against a taller opponent.

Again this week, Rich Musch led his team's scorers with 11 points, while Hank Gordon, Jim Brown and Larry Flowers sunk 9 points apiece.

Last night the Bullpups played host to the Holly J.V. squad. This Friday they will travel to Clarenceville to play the Trojans.

Isle Royale National Park in Lake Superior is noted for having one of the largest remaining herds of great antlered moose in the United States. History says they crossed the ice from Canada in 1912 and were stranded by the spring thaw.

Guam has the highest birth rate of any area of the world, with 58 births per year for each 1,000 population. The U.S. average is 24.8. Monaco claims the low record of 14.2 per 1,000 population.

In Michigan... after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—skiing, skating, or at your ease in the game room—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Michigan...beer goes with fun, with relaxation

An all-senior squad started for the Brighton Bulldogs Friday night as the Clarkston Wolves, leading the Wayne-Oakland League, came into town high and mighty with an 8-to-1 record.

After a lively work-out and a little sweat, the Wolves went home victorious over the sad basement dwellers. The score was 74 to 37.

The Clarkston coach, Don Mauti, commented on this year's league battle. He said, "We've (Clarkston) got two

tough games coming up. Next Tuesday we play the West Bloomfield Lakers, then Friday we move on to Bloomfield Hills for another contest. That is the way it stacks up — "three winning teams fighting for first place."

The Seniors played four minutes, then the underclassmen came in to finish the quarter. Hank Gallup, Cliff Ritter, Don Herbst, Mike Stellwagen, and Doug Zimmerman replaced "Bullet" Benaar, John Hodgkin, Skip Heller, Jim Voltz and Dave Herbst. Both units scored 4 points each.

The tally at the end of the first period was 27 to 8, while Don Craven made 12 points and Ken Miskin added 9. Both are veteran All-Leaguers.

Benaar was the only Bulldog rebounding as Hodgkin made a charity bucket. Then the subs came in and Stellwagen excelled on defense and Ritter, Gallup and Heirlichy each dumped in 2 points.

As the buzzer rang for half time, the scoreboard read 42 to 15. Mike Brey, the 6-foot-5-inch center, led the quarter with 7 points.

With a lot of hustle and desire, the third period started and the game was over as far as Brighton was concerned.

The Wolves outscored the Bulldogs 15 to 7 and then in the 4th period they beat the cellar-dwellers 17 to 15 and the game was over, 74 to 37.

Skip Heller led the Bulldog offense with 11 points. Cliff Ritter was next with 6. Gallup, Heirlichy, and Dave Herbst had 4 each, while Voltz scored 3, and Benaar and Don Herbst made 2 each.

Yesterday the Bulldogs hosted the Holly Broncos. Friday they will move on to Clarenceville.

## Hartland Splits Two

HARTLAND — Hartland played two basketball games last week. They won one and lost the other.

Tuesday, Hartland played Fowlerville to a 61 to 72 loss. Hartland followed Fowlerville from the start and was unable to catch up. The halftime score was Hartland 26, Fowlerville 34.

Starters were Dale Callaghan, the high point man with 19 points, Dewey Mathews, Tom Risner, Phill Johnson, and Merle Smith.

The JV's also lost their game by a score of 44 to 38. Fowlerville led them all the way.

Last Friday, Hartland took home a victory from Byron. The final score was a close 60 to 56. The lead went back and forth between the teams to be held at the end by Hartland.

The same starters used and Dale Callaghan was once again high point man with 24 points. The JV's lost to Byron by one point. The score was 50 to 51.

Next Friday Hartland will play host to MSD.

## Engineering Society Meets In Ann Arbor

Mr. Gilbert E. Bursley will be the guest of the Michigan Society of Professional Engineers, Ann Arbor Chapter, at their regular meeting on Wednesday, February 19, 1964, at Weber's 3050 Jackson Road, Ann Arbor. Mr. Bursley is an accomplished amateur magician and will entertain the group. Members and their wives, guests, and interested engineers will assemble informally from 6:30 to 7:00 and dinner will be served at 7:00 P. M.

All nations report more women working each year. It looks like the menfolks are going back to the method used by the early American Indians.

## INSTANT HAPPINESS

Is What Mrs. Thomas Hunt, and Her Husband and Children Found . . .

In Her New Home Purchased In The Brighton Country Club Annex . . . Read The Letter Below on the Advantages of this Home.

MRS. THOMAS HUNT

Donald Menkelman Co. Brighton, Michigan

I would like to thank you for making our life seem more pleasant now that we are settled in our new home.

We find the home to be comfortable, very pleasant, and very economical to live in.

After living here for the month of January we received our first heatingbill (gas heat) and it was only \$18.00 a month and this was for one of the coldest months this year. So we are sure pleased to find the home so easy to heat.

Also, it is very handy to school and shopping facilities. Once again I will say thanks,

Sincerely yours,  
Mrs. Thomas Hunt

## State Police Need New Recruits Now

An unusual opportunity for young men to enter upon a highly interesting professional career with security has been opened up with Governor Romney's recommendation that the Michigan State Police enlist 200 more troopers, Sgt. Vesey, commander of the Brighton post, states.

An intensive recruiting drive is now underway to obtain recruit candidates, and interested young men are invited to call at any State Police post or write to the State Civil Service Commission at Lansing for details and application forms.

The additional officers are needed because of the shortened work week, rapidly mounting traffic toll, interstate expressway patrols and increasing volume of criminal activities, Sergeant Vesey said.

"Not only the new five-day week, but the present fine pay scale which the Civil Service Commission recommends be increased four per cent in July are among the attractions," Vesey said. "Also there is a daily subsistence allowance, paid vacations and paid sick

leave, longevity pay, free uniforms and equipment and a pension plan which permits the officer to retire at the end of 25 years of service with half pay. If his wife survives him she also receives the same pension."

Right at the beginning of the training school, the recruit goes on the payroll and in the trooper rank alone, with regular increases, earns more than \$7,200 annually. Promotions bring higher pay.

To be eligible young men must be between 21 and 29 years of age, single or married, not less than five feet 10 inches in height and have a high school education or its equivalent.

"This is a prestige career and young men are urged to inquire about it and fill out an application form, but do it right now," Vesey said. "Although applications may be made at any time, they must be received by the State Civil Service Commission by February 28 to enter the next school which starts in May."

A small school already scheduled begins March 9th with the big school opening in May and others following later to bring department strength up to 1,339.

All proceeds from the circus will go to the Kiwanis Youth Benefit fund, of which Dr. McKenney is chairman.

### "Widow's Aid" Discussed By Brightonettes

The Brightonettes met this month at the home of Mrs. Glen Hatcher for the lesson given on "Widow's Aid". The problems of a new widow were discussed; three main items took up the biggest part of the topic, emotional, social and the problem of economics. Some of the main facts brought out were that most wives know very little about their insurance, pension plans and the method of settlement.

Husbands and wives should sit down and discuss the facts of death and how the wife would get along after the husband died. Is there enough insurance? This is one question that all husbands and fathers should ask themselves. The average man carries a ten thousand dollar policy on his life. He must stop and think that most men make an average of six thousand a year. This insurance will not even keep the family for two years.

If the widow is left so that she does not have to worry about support, then there is a lot of volunteer work to be done. The Gray Ladies always need extra help; church work and visiting the shut-ins. There is no excuse for a widow to say she is lonesome and has nothing to do. She must keep herself busy and not give up driving, for it is not good to have to depend on others for transportation.

There are things to be done to make the shock of death easier; be prepared; know your insurance; know how it is to be settled; have a lawyer; take a little thought regarding what you would do if death should come to your husband.

Discussion was also given to the Spring Meeting to be held on March 31, at the Hawkins School. The Brightonettes are in charge of the register table and the name tags.

The group welcomed Mrs. James Hoyle who comes from Bay City. She was active in the Extension Study there. The next meeting, to be held March 3, will be at the home of Mrs. Thomas Dunk. There will be a lesson on safety in the home.

## Board Minutes of the Brighton Area Schools

BOARD OF EDUCATION  
January 27, 1964

A special meeting of the Brighton Area Schools Board of Education was held at the Miller School on January 27, 1964. The meeting was opened by President Probst at 8:00 P.M. All members were present except Mr. DiLavore. Superintendent Hawkins and Assistant Superintendent Fitzgerald were also present. Guests were Mr. Wilt, Mrs. Heidemann, Mr. Bailey, Mr. Babbit (Argus Editor), Mr. Gage, Mr. George Shaffler, Mr. Krupa and Mr. Kline.

The minutes of the January 13, 1964 meeting were read and approved after a correction was made. Mr. and Mrs. John Steinberger of 7505 Crooked Lake Rd. have petitioned the County School Board to transfer their property from the Howell school district to the Brighton school district. They would have one child in grade 8 and one in grade 9. There will be a hearing in the near future.

Mr. Hawkins read a statement relative to public hearings before adoption of the budget. Some discussion followed concerning this subject.

The manner of notifying applicants for the Board of Canners was discussed. Action will be taken on this matter as soon as possible. A letter was read before the board from the Brighton Police Department concerning the alleged obstruction of traffic by school buses on E. Main Street. It appears a school employee, Mr. Crawford, was directing traffic on E. Main Street relative to school bus access to this street. The Police Chief states that Mr. Crawford has no authority to direct traffic on any street. Mr. Hawkins stated that this situation has been corrected. Much discussion followed concerning this subject and the board feels that Mr. Crawford and Police Chief LaMoira should be able to work this situation out between them. Dr. Davis suggested a letter be written to the Brighton Police Chief concerning the recognition of this problem.

Mr. Fitzgerald asked that dates be set for the school board administrators meeting. Elementary Principals meeting Feb. 13, 7:30 P.M., Miller School. Secondary Principals meeting Feb. 20, 7:30 P.M., Miller School. Other Supervisors Feb. 27, 7:30 P.M., Miller School. Mr. Fitzgerald brought the board up to date on the activities of the County Special Education. Mr. Hawkins and Mr. Fitzgerald suggest that the board be thinking what to do about special education rooms. They also suggest that, the board make a request for funds for special education rooms. The board feels that a request should be made. Moved by Mr. LewAllen and seconded by Dr. Davis that the Brighton Area School Board make a request for two elementary special education rooms. Carried unanimously. A short recess was called at 9:18 P.M. The meeting reconvened at 9:25 P.M. The subject of a high school site was again reviewed. Some items discussed were:

1. Mr. Hawkins presented the former plans for high school at Miller site.
2. What would be done with 360 elementary children in Miller school if this site is selected for the high school.
  - (a) Perhaps divide K-4 children between Hawkins and West elementary schools.
  - (b) Perhaps move all 5th and 6th graders to old high school building, or
  - (c) Perhaps other arrangements would have to be made.
  - (d) Perhaps add more rooms to Hawkins and West elementary schools.
3. It appears the board must investigate the Miller site thoroughly to satisfactorily eliminate or accept the site.
 

Some members feel the committee should compare all sites available and not the Miller site alone. Possible sites to consider are—

  1. Miller site.
  2. Leth site.
  3. Myers property on Rickett Road.
  4. Weber property on Rickett Road.
  5. West Grand River site.

The possibility of organizing a citizens committee to help the school board in picking a high school site is being considered by the board.

Moved by Dr. Davis and seconded by Mr. LewAllen that the board appoint a citizens committee to work with the board in selecting a high school site. Carried unanimously. Each board member was asked to present names to the board for consideration.

Monday, February 3rd at 7:30 P.M., was set for a board committee meeting at the Miller school.

No further business appearing it was moved by Mr. McMacken and seconded by Mr. Warner that the meeting adjourn at 10:55 P.M. Carried unanimously.

Approved:  
Wayne J. Probst, President  
Donald F. Warner, Secretary

## Observations on Art

by Mary A. Belyea  
Does May seem like a long way off? Didn't Christmas seem far away last October? Since these things do have a way of creeping up on us, I want to warn you now that Michigan Week is coming along before we know it and that it may be a good idea to contact Ruth Anderson or Doug Parmenter out at Mount Brighton if you would like to help with the activities or if you have any suggestions that you would like to make.

There are plans for an art show and, since we had such a successful one here in November, I suspect that we will be expected to have another success in May. None of these things can be done by only one or two and as is usually the case, any help will be appreciated.

I have been getting a lot of inquiries regarding lessons in art here in Brighton and really feel that I should have done something constructive about it before this but, as will all

good intentions, this one got lost somehow for a while. However, I have been doing some research and have found that there is a place available for lessons if we can find enough interest to warrant getting instructors. What is needed now is a list of names of all you aspiring artists who want instructions.

If you will call me at your earliest convenience, I will see what I can do to arrange all the details. If you are not able to reach me by phone, drop me a line telling what specific classes you would be interested in. It might be a good idea also to mention what time is most convenient to you.

Not long ago, Janina Maydock, a fine artist and a dear friend, invited me to attend a luncheon given by her art club in Redford. Mrs. Maydock was responsible, along with five other ladies, for organizing this club several years ago. From a membership of six the group has grown steadily larger and now limits its membership to 135 and has a long waiting list.

Every month the program is different. Sometimes there is a trip to a museum. The program that I attended was very interesting. Nicholas Buhals, well-known Detroit artist, gave an informative critique on paintings that were submitted by the membership. He stressed, among other things, the importance of proper framing. A frame, he said, should not draw attention to itself but should complement a picture and blend well with the color and composition. Some of his other comments concerned perspective, shading and the value of properly balancing warm tones with cool ones. He pointed out that often the opinion of one expert in the field may differ greatly with another opinion.

He also said that it is dangerous for the artist to consult a neighbor or a friend about his work if the critic is not qualified. Many a painting loses its original artistic value through this kind of criticism, Mr. Buhals said.

It was a well-spent afternoon with a most cordial group of ladies. I hope I am invited again sometime.

Speaking of criticism, I know that many of you who are serious about your art would like to get a professional evaluation of your work. This is a possibility. If enough interest is shown, if enough people call me and request such a critique here in Brighton, I believe we can arrange to have some qualified person come and give us his suggestions on how we might improve our work.

### County Receives

#### Sales Tax Money

An apportionment of state sales tax money in the amount of \$73,397.90 was received at the office of the Livingston County treasurer, Dorothy Greer, last week.

The money which was due the cities, township and villages for the quarter ending December 31, 1963, has been distributed on a per capita basis of \$1.93 based on the 1960 Federal census. The previous year the basis was \$1.83.

Michigan leads the nation in the production of gypsum.

### 1963 Toll Continues To Mount

Michigan's present provisional road toll of 1,867 deaths for 1963 may climb as high as 1,895 when all delayed reports are in and there may be some increases as well in last year's new record highs of 123,749 persons injured and 257,694 accidents, State Police Commissioner Joseph A. Childs has reported.

The death total, sixth highest in 31 years of record keeping, was also the worst since 1955 when 2,016 were killed. The provisional count is 296, or about 20 per cent, greater than 1,571 fatalities in 1962.

The new injury and accident records exceed the previous marks of 108,143 and 223,078, respectively, set in 1962, and include December's totals of 14,707 injuries and 34,916 accidents which were the highest ever reported for any month in Michigan.

Final figures, expected in March, will probably raise 1963's provisional totals by one to two per cent.

The increases in deaths, injuries and accidents last year can be attributed largely to greater accident exposure as new highs also were set in vehicles, drivers and mileage. Topping previous marks set in 1962, registered motor vehicles gained 147,300, or four per cent, to 3,646,080; licensed drivers increased by 78,000, or two per cent, to 4,285,495; and estimated mileage rose seven per cent to 35.5 billion.

The death rate of 5.3 per 100 million vehicle miles was 13 per cent more than 4.7 in 1962, the all-time low also reached in 1958. Estimated cost of the 1963 accidents was \$340 million.

#### AREA BIRTH

A third child, the third son, Scott Eric, was born to Mr. and Mrs. George Seger, Friday, February 7, at St. Joseph Mercy Hospital, in Ann Arbor. Maternal grandparents are Mr. and Mrs. Karl Seitz, and the paternal grandparents are Mr. and Mrs. Frank Seger.

### Golden Rules For Frozen Foods Care

The rules are few and simple, but they do protect the gold mine of nutrients and wealth of good eating qualities for which frozen foods are famous.

LOOK FOR: Heat packages, free of stains, tears or dents.

HOW MUCH TO BUY: Read the label. If package contains more than needed, use just the amount wanted and return remainder to freezer for another meal.

STORAGE: Frozen foods may be kept at 0°F. in freezer or freezer compartment for weeks or months; at 32°F. in ice cube compartment for 1 week; at 40°F. or refrigerator shelf for 24 hours.

IN THE FREEZER: Remember to place recent frozen food packages toward back or bottom, retaining the items to use first the foods which have been stored longest.

REFREEZING: If frozen foods should accidentally defrost, they may be refrozen without appreciable change in quality if the package contents are still cold to touch—at least 40°F., the temperature inside a refrigerator.
