

Pinckney Dispatch

Dr. Duffy Day Termed Success

Guest of Honor — Dr. Ray M. Duffy

The celebration honoring Dr. Ray M. Duffy February 20 was a most successful event, when well over 200 persons, including doctors and dignitaries from other cities, made appearance at Pilgrim Hall to shake hands with Dr. and Mrs. Ray M. Duffy wishing Dr. Duffy a happy birthday and congratulate him on this day specially set aside for him.

While the celebration was to honor Dr. Duffy, it just wouldn't be 'crickett' to bypass his right hand help and partner at the office and sanitarium these past 26 years in Pinckney — Mrs. Duffy. For this, and for just being herself, she received an orchid corsage and a dozen red roses.

Gifts received by the doctor which were very pleasing to him, was a colonial type swivel rocker and six boxes of his favorite cigars. These gifts were made possible to the Duffys by a 'fund' set up, donations of people in the community wishing to, in some way, show their esteem and appreciation of the Duffys' services during the past 26 years.

Other gifts included candy, more cigars, 2 neck-ties, tie clasp, cigarette-cigar lighter, a cup and saucer for each of them, and floral arrangements were sent by the Medical Association and Neilson's Florists of Ann Arbor.

Guests were served cake, cookies, punch and coffee. The 5-tier birthday cake, baked and so beautifully decorated, compliments of the Rahrig's Bakery, held the numbers "71" on top which very nicely told the doctor's age. A number of other loaf cakes were baked by women living in the vicinity. The fruit punch was complimentary of Norm Topping, owner of Hickory Ridge Dairy.

Special guests present during the evening were Dr. Duffy's sister, Mr. and Mrs. Taylor of Birmingham, a niece, Mrs. Larry Lannen of Chicago, a second niece, Mr. and Mrs. Lloyd Diehl and their five children of Birmingham. Other out-of-town guests were from Howell, Brighton, Fowlerville, Ann Arbor and Dexter.

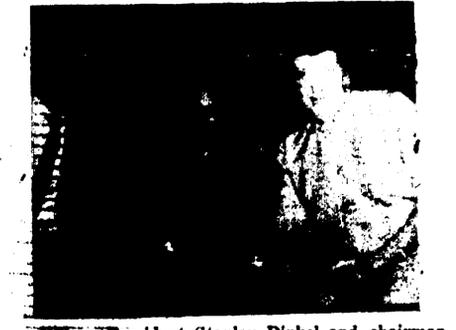

Mrs. Duffy joins Dr. Duffy during the evening's entertainment.

Dr. Duffy holding three-year-old Brian Hale, son of the Roger Hale's of Dexter. This is the last baby the doctor takes credit for delivering into the world. Since this birth, the doctor has retired from this particular part of the medical profession.

Shown here with the four children of John and Lots Burg. These children were also brought into the world with the assistance of Dr. Duffy. They are, left to right, Alan, Gary, Joel and little Mary, holding the seat of honor.

Village President Stanley Dinkel and chairman of the evening's event, Mrs. Harriet Rahrig, with Dr. Duffy. They are the two persons responsible for getting the entire celebration started.

Three Offices Remain Open On Pinckney Spring Ballot

The Way We Hear It

BY: DOLLY BAUGHN

... some man ended up with the wrong hat the night of "Dr. Duffy Day" celebration at Pilgrim Hall. When Dr. J. G. Naylor went to pick up his hat, only one hat was in sight, and it didn't fit. — He left it there and hopes the person take his to Pilgrim Hall where they could exchange it for their own.

... Lloyd Hendee and Don Swarouth entered the annual cribbage tournament in Ann Arbor. Lloyd is doing quite well with 12 wins to 8 losses. Time shall tell now! Good luck!

... the fruit, oranges and grapefruit grown in Florida sure beats any that can be bought from the stores up here. Lee Lavey sent lovely gift boxes of fresh fruit to each of the three kids he left behind to "mind the store," and it sure tastes good!

... the Boy Scouts of America have been offered the use of 100 acres in Satans Hills, together with a small lake and an island in Hi-Land Lake for this summer to vacation and hold campouts.

... Lorena Liston, Saline, Michigan, is the responsible person in charge of the "25 UP Dance Club" that meet at

the YW-YMCA in Ann Arbor every once in awhile. This particular dance club is for persons, single, or unattached adults as she puts it, that are 25 years old and up. Well now this same person is organizing a club for married couples interested in dances. They are to meet in Room No. 1 at the YW-YMCA, 8 p.m. February 28 — Gee, first a club for unattached's and now one for married couples — must be the "25 UP Dance Club" brought tremendous results!!!

... if you are interested in birds, go to Ann Arbor High school, 7 p.m., Tuesday, March 3, for a course in "Ornithology." This 8 week course is offered under joint sponsorship of the University Center for Adult Education. Enrollment is \$15.00. If you need further information call 663-2431, ext 34!

... a total of 314,804 motorboats—ranging from low horsepower puddle-jumpers to the very sleek Delphine, a longer than 65-foot yacht owned by the late Horace Dodge—were registered by the Secretary of State's office in 1963. (I think all but two of these maybe were used on Portage Lake last summer. Just kidding of course!)

Post-Caucus Appointments Can Not Legally Be Made

February 17, 1964 the Village of Pinckney held two caucuses, one caucus for the Union Party and one for the Citizen's Party, in order that a slate of candidates be nominated to run for the offices of village president, clerk, treasurer, three trustees for two year terms and an assessor, on two separate and complete tickets for village election scheduled for March 9, 1964.

At the Citizen's caucus, this day of February 17, Stanley Dinkel was nominated for village president, Robert Amburgey for village clerk, and Don Swarouth for office of trustee-two year term.

These three people were absent during the time of the caucus, and later declined all nominations that made them candidates for these respective offices, according to Clerk, Robert Ackley.

In order that the ticket be complete, other members of the party began to investigate what could be done. According to a book, State Michigan Election Laws, in the possession of Robert Ackley, village clerk, it was read and interpreted by the caucus committee that it was the right and duty of the Caucus committee to appoint candidates to re-fill these vacancies.

Therefore, changes were made by this committee adding new names to the ticket, some that were not even mentioned at the caucus, February 17.

The Union Party questioned these actions. Was this legal for a party to change their ticket after the caucus? Was it legal to put other names on a ballot in place of the persons who declined the nominations for these particular offices? Or should these offices remain blank, with no named candidates, and let persons seeking said office to run on the so-called write-in sticker?

"These questions have all been answered now," states Village Clerk Ackley. Following advice of the Village attorney, Arthur Helkkinen, Mr. Montgomery, head of the State Election Board in Lansing, was contacted on the matter and he informed Ackley that this was not legal, and he ruled that a person absent at a caucus, of course has the right to decline all nominations, but there is no committee, or persons, whatsoever, that has the right to appoint another person to fill the vacancy. This place must remain blank on the ballot.

PINCKNEY'S PAST

FIVE YEARS AGO
February 25, 1959
Mrs. Lulu Darrow and Erdley Van Sickle were drawn for jury duty for the March term of court.

In the high school girls' basketball league the sophomore girls won the title, beating the senior girls 21 to 19. They are Carol Miller, Sheila Hughes, Mary Kelly, Jennie Meyers, Nancy Wegener, Karen Elchman, Noel Rose. The senior girls were Della Davis, Barbara McAfee, Kassie Myers, JoAnn Basyold, Bonnie Lee, and Nancy Nash.

Mrs. Mable White has sold her home on Unadilla Street to the Noel Cook family.

Don Baughn, Larry Van Slambrook, and Jeff Linden attended the DeMolay rifle shoot at Ann Arbor Sunday.

Mr. and Mrs. Merwin Campbell attended a birthday party Saturday for Grant Ward at Pingree.

The Honey Creek Farm Bureau met with the Albert Shilleys on Friday.

Mrs. Thressa Coyle is home after spending a week with Mrs. Marjorie Staphish near Chelsea.

Gara Falls was visiting his parents, Mr. and Mrs. Will Kennedy, Jr.

Mrs. S. W. Guthrie returned from Corunna, Ind., Wednesday, where she was called by the death of her father.

R. Clinton sold five head of registered Durham cattle which were shipped the latter part of last week to J. M. Wallace of Freemont, Mich.

The Dispatch had an ad as follows: "Old papers for putting under carpets. Good-steady bundles for 5c at the Dispatch office."

A play and dance given by St. Mary's Dramatic Club last Friday night was a huge success. Fisher's three-piece band of Ann Arbor furnished music for the play and the dance.

New Industry For Pinckney

Production is scheduled to begin soon under a new name, new management and new ownership that will mean a most welcome industry in Pinckney.

Mr. Burley Trew and Mr. Fred A. Wickstandt recently purchased the building formerly known as the Pinckney Fabricating and Sheet Metal Company, 143 West Main Street and will do similar work as that done by the former owners. The name of their place of business will be "Quality Welding."

It is expected that besides the owners and one manager, the business will require employment of between 10 and 15 male employees.

The entire business operation is moving to Pinckney from Brighton, according to Gerald F. Reason, local realtor, who sold the building to the new owners.

Library News

New books this week include:

Westheimer, "Von Ryan's Express," is one of the most enjoyable action + suspense stories to have come out of World War II. Some American and British P.W.'s find themselves jammed into a Nazi troop train bound for concentration camp, but under the leadership of Col. Joseph Ryan whom they nickname "Von Ryan" they succeed in rerouting the train to Switzerland and freedom.

Cloete, "Rags of Glory" is a big novel of the Boer War. In it are glimpses of Lord Roberts, Kitchener, Cecil Rhodes, Paul Kruger, Botha, Dewet, Dela Rey Smuts, Rudyard Kipling, Nahtms Gandhi, Winston Churchill and Conan Doyle.

Tarden, "The Young Brontes"—a biography of Charlotte, Emily, Branwell and Anne Bronte written for young people.

Bene't, "Famous American Poets" also, for young people, is a collection of short biographies of American poets from Clement Moore to Mary Carolyn Davies.

Calendar

- FEBRUARY 27**
Slenderizers, Pinckney TOPS club, meet at the Pinckney High music room at 8:00 p.m. For information call Mrs. Porter, 426-9437. All ladies wanting to slenderize are very welcome.
- FEBRUARY 27**
Rainbow Girls Roller Skating party. Meet at Jerry's Drug Store at 6:00 p.m. to go to Island Lake Roller Rink.
- FEBRUARY 28-29**
St. Mary's Altar Society rummage sale, St. Mary's school hall, Friday, Feb. 28, hours are 7 to 9 p.m.; Saturday morning, Feb. 29, hours are 9 a.m. till 12 noon.
- FEBRUARY 28**
Friday, Mason M. M. degree at Pinckney Lodge.
- FEBRUARY 29**
Masonic Conference at Jackson Temple.
- FEBRUARY 29**
Rainbow Girls fish fry, Masonic Hall, serving 5 to 8:30 p.m. Adults, \$1.25; children under 12, 75 cents.
- MARCH 4**
PEG's Craft club meets at Mrs. Nestor Enquist, 4377 Patterson Lake Road, 12:30 p.m. Work will be on Easter projects for Howell State Hospital. Bring sewing needs.
- MARCH 6**
Regular Meeting of Pinckney Chapter No. 145 OES at Masonic Hall at 8:00 p.m.
- MARCH 13**
Initiation at Pinckney Chapter No. 145 OES at Masonic Hall at 8 p.m. Officers wear white formals.

Postmaster Attends Meet On Zip Code

ZIP CODE is the number one program of the Post Office Department. This reports was given by Postmaster Lawrence Baughn after attending an all day meeting held in the new Detroit Postal installation Wednesday, Feb. 19, 1964. The meeting was called to give state Postal Officials a better concept of the Zip Code program.

In answer to the question "What is ZIP CODE?" Postmaster Baughn stated, "ZIP CODE is a five-digit number designed to speed the delivery of mail by cutting down the number of steps required to move a letter from the sender to the receiver. ZIP CODE is literally the last word in mail addressing. ZIP CODE will make use of new methods of handling the mail."

National mail volume increases each year. The rapid growth rate in some areas often make new postal installations inadequate shortly after completion. About the only way the Post Office can keep pace with this trend is to use mechanical sorting of the mail. The Post Office Dept. is now developing an optical scanner that will be installed in the Detroit Post Office as a pilot program for the nation. This machine will be able to read the ZIP CODE number and dispatch the mail automatically.

4-H Sewing Group Learns Skills

A group of six girls meet every Thursday night at the home of Mrs. Marshall Meabon, and with the assistance of Mrs. Betty Rentz, the two women instruct and help these girls learn the art of sewing. They call themselves the Pinckney 4-H Pilgrims group.

With just three more meetings left before spring achievement, Mrs. Meabon and Mrs. Rentz are most encouraged with the work accomplished by these young 4-H girls.

The first year girls, Linda Gehringer and Janet Rentz are doing towels and aprons; second year girl, Cathy Rogers is making a fashionable "shift" dress, and third year girls, Dora Meabon and Shirley Josephson are making two-piece play suits.

Officers of this group are Shirley Josephson, president, Janet Rentz, vice-president, Dora Meabon, secretary, and Linda Gehringer, treasurer.

This group meets each Thursday night because they are sisters of brothers that are, at the same hour attending 4-H handicraft in the townhall basement, which makes a convenient arrangement for parents and leaders, as well as the young people.

Health Center Close March 14

March 14 is the last day annual memberships can be accepted in the McPherson Community Health Center Corporation in time to qualify the applicants to a vote at the 1964 annual meeting.

Any person 18 year or older who shall have contributed \$1.00 or more to the hospital in the year ending March 14, 1964, will be entitled to vote at the 1964 annual meeting and any subsequent meetings called during the membership year. Members may vote either in person or by proxy at all meetings.

This year's annual meeting will be convened at 8:00 p.m. April 14, 1964, in the hospital auditorium. The date was set in April in the past, so there will be time to provide the 1963 audited financial report and other statistical data. In previous years it was often impossible to complete final year-end reports by the meeting date in January.

Health Center Memberships

The long Sunday rain swelled the Pinckney mill pond to such size that there was danger of the bank washing out and releasing waters especially where the old mill race had filled up. The water raised 17 inches Sunday. Men worked all night Sunday and Monday reinforcing the bank. According to the Ford Motor Co. men doing the work, if the water had raised another six inches it would have been impossible to save the dam.

Miss Nellie Gardner was the guest of honor at a birthday party Sunday, February 15, at the home of the Charles Ruchmans of Gregory.

Kenneth Wylie and Lyle Euler have taken over the management of the Shell oil station at the corner of the Howell and Sanitarium roads and assumed control Monday.

Bob Strauss of Detroit was a Sunday guest of Mr. and Mrs. Clifford Van Horn.

Mr. and Mrs. Ross Read and Mr. and Mrs. Reginald Shaefer went to the Republican state convention at Flint. Former Postmaster W. C. Miller also left for Flint in company with Hon. L. C. Gardner this morning.

C. H. Kennedy, who recently underwent an operation for appendicitis at Rowe Hospital, Stockbridge, is getting along nicely.

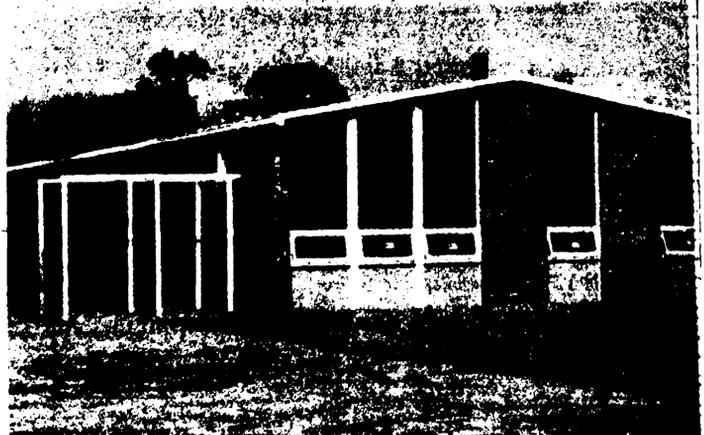

The Junior play, "Plain Sister," will be put on at the school on Wednesday night, March 1.

Mr. and Mrs. Mark Swarouth were Monday dinner guests of Mr. and Mrs. Osg. Haines.

Specials at Kennedy's General Store this week included butter at 25c a pound and navy beans 3c a pound.

PINCKNEY COMMUNITY SCHOOLS CAFETERIA MENU

- Week of March 2**
Monday, March 2
Spanish Rice, vegetable, sandwiches, fruit, and milk.
- Tuesday, March 3**
Ravioli (American), vegetable, sandwiches, fruit, and milk.
- Wednesday, March 4**
Baked Pork and Noodles Au Gratin, vegetable, sandwiches, fruit and milk.
- Thursday, March 5**
Beef Stew, sandwiches, fruit, and milk.
- Friday, March 6**
Tuna Noodles Casserole, vegetable, sandwiches, fruit, and milk.

A blend of glass and brick is used effectively in this new combination office and service building located at Hudson Mills Metropolitan Park. The park entrance is on North Territorial Road between Dexter-Pinckney Road and Huron River Drive. The building is now open.

Gregory News

BY: M. COSGRAY

M. COSGRAY
Mr. and Mrs. Clifford Howlett and family visited Mr. and Mrs. Ralph Mercer of Inkster Sunday.

Mr. and Mrs. June Taylor visited Mr. and Mrs. Lawton Votes Sunday.

The Gregory P.T.O. met Monday evening at the Gregory School. After the regular business meeting, Mr. and Mrs. Peters and son, owner of Camp Cille, gave an interesting program with colored slides, taken of their camp for epileptic children near Unadilla. It was

reported that the candy sale was very successful.

Mrs. Curtis Poole and children returned to their home in Marquette, after spending three weeks at the Munsett home.

Mrs. Effie Reason is a patient at McPherson Health Center.

Mr. and Mrs. Carl Gladstone, Mrs. Daisy Gladstone, and Mrs. Nettie Peterson of Lansing were Sunday visitors of Mr. and Mrs. Garth Richd and family and Mrs. Roy Gladstone.

Mr. Harold Ludtke attended the Legion Six District meeting at Flint Sunday.

Mr. and Mrs. Edgar Marshall and family were Sunday dinner guests of the Williams families of Milleville.

Mr. and Mrs. William Rose of Ann Arbor were Sunday visitors of Mr. and Mrs. Harold Munsell.

SCHOOL NEWS

KINDERGARTEN

Mrs. Mildred Parks

We had a wonderful time at our Valentine party. We gave valentines to each other and made decorations for our room. We wish to thank the mothers who brought pretty cup cakes for the party. We are making clocks with hands that go around. We learned no. 10 last week. Now we can make all the numbers.

We heard the story of Abraham Lincoln and colored a picture of him. We also learned that George Washington was our first president and colored his picture.

We have been reading books and are learning beginning sounds and letters. Jim La Rosa has a new baby brother and his name is Andy.

We learned a new song about the flag. Sue Ellen Bell, Tim Kellman and Jim La Rosa celebrated their birthdays in February.

We enjoy seeing the birds come and eat from our milk carton feeder outside our window.

FIRST GRADE

Mrs. Thayer's Room

Sam London went to Howell and got new shoes. Denise Powers is going to California during Spring vacation.

PINCKNEY BIRTHDAYS

FEB. 27—Barbara Clark, Robert VanBlaircum, Jeffry Hendee, Karen Denmore.
FEB. 28—Raymond Wegener, Susan Harman, Wes Scott.
FEB. 29—Estella Tubbs.
MAR. 1—Marsha Rodgers.
MAR. 2—Gary Wilite.
MAR. 3—Amy Joy Huhman, Floris Clark, Bill Wylie.
MAR. 4—Louis Wellman, Paul Cornwell, Myrna Darrow.
MAR. 5—Dan Clark.

PINCKNEY ANNIVERSARIES

FEB. 27—Bob and Jane Tash, Mr. and Mrs. Joe Bushy.
FEB. 28—Mr. and Mrs. Jim Boyd, Sr.
MAR. 1—Pat and Mary Burke.
MAR. 3—Fredrick and No-reen Porter.

PINCKNEY DISPATCH

No mail subscriptions taken for less than six months. Advertising rates upon application.

Vern Campbell visited his grandmother yesterday. They had dinner at the hotel in Ann Arbor.

Sharon Richard's aunt, uncle and cousins came to see her this weekend. Cindy Smith went horseback riding.

Phillip Cole played with his cousin. Heidi Tait's aunt came for a visit.

Mike Urbany's grandmother is here for a visit. Teresa Matteson rode on her pony on Sat. and Sun. The pony stays in the barn at her grandmother's.

Jeff Darrow went fishing and caught a bass. Mike Cullens rides his horse and feeds and waters it every day.

Chris Bennett's grandmother came to his house for dinner on Sunday. Tommy Rader went to Lansing on Sun. He visited some friends who live on a farm.

Chris Harnask went for a walk in the woods. Mike Liverance's dog likes to play with a ball.

Mike Horgan can ride a horse. Frank Dalley went skiing and went bump, bump, bump. Carol Van Blaircum, Richard Hollester, Billy Knight, and Dieter Goodman are all sick. We hope they get well soon.

2ND GRADE

Mrs. Johnson and Mrs. Anderson

We are studying the new arithmetic and enjoying it very much. Brian Haines and Wayne McKnight celebrated birthdays this past week. Many of us have some interesting new books with which to work.

SEVENTH GRADE

Mrs. Carr

We have charged our desks to a semi-circle around the room. We had a compliment from the kitchen help about how clean our trays have been.

This week we have been selling our class paper to the students of the school. Last week a member of our class, Richard Bishop, moved to California. Before he left we gave him a party. We gave him a wallet and had some ice cream. We all hated to see him leave.

We had a spelling bee against the other seventh grade and Darlene Knapp won. She received a Webster dictionary. Jan Crittenden was runner up, then Cindy Bauer, Dora Meabon, Tony Castro, Lida Laurence and John Towlesley.

We received letters from Stewart Dixon in New Zealand. We wrote to him a year ago. We elected new officers. Harold Hollister is our president, and Gloria is our Vice-president.

Just across from us are our new bathrooms being built. We are enjoying science, because we are learning about machines.

SIXTH GRADE

Mrs. Tasch

Last week we picked debating teams from our room to debate on the subject as to whether or not judges could pass a sentence that law-breaking children should have a flogging by their parents. We had teams, but we decided to just let the people who study it, and think about it, be in the debate.

Last Friday, Walter Brennan read us an article concerning "The Sinking of the Thresher." It was taken from the Popular Science magazine. Last Wednesday, we had the sixth grade spelling bee. Diana Carpenter, from Mrs. McCabes room won, and Kathy Murphy, from our room was the runner up. Afterwards, Mrs. Tasch said that everyone in our room went down on a word they should have known.

EIGHTH GRADE

Mrs. Wilkins

SIXTH GRADE

Mrs. Joan Erhard

David Michael, Reporter Last Friday we had an ice skating party at Shirley Harmon's house. We really had fun! We skated, and we skated some more. Then we ate (and how!) We had hot dogs, cocoa, potato chips, popcorn, cupcakes and last, but not least, marshmallows. We all had a good time and I'm sure that everyone wishes that it would happen more often.

In math, we are just starting to work with line segments. We learned how to measure a line segment with only a compass and a straight edge, and to find the middle of any given line segment with only the tools mentioned above.

Our room has three narcissus plants. They are unusual plants as they grow in pebbles and must be kept in cool places. Two of the three plants have buds. One of the plants has blossomed already. These plants will only blossom once although they keep growing and have leaves after they have blossomed.

David Michael, Reporter Last Friday we had an ice skating party at Shirley Harmon's house. We really had fun! We skated, and we skated some more. Then we ate (and how!) We had hot dogs, cocoa, potato chips, popcorn, cupcakes and last, but not least, marshmallows. We all had a good time and I'm sure that everyone wishes that it would happen more often.

In math, we are just starting to work with line segments. We learned how to measure a line segment with only a compass and a straight edge, and to find the middle of any given line segment with only the tools mentioned above.

Our room has three narcissus plants. They are unusual plants as they grow in pebbles and must be kept in cool places. Two of the three plants have buds. One of the plants has blossomed already. These plants will only blossom once although they keep growing and have leaves after they have blossomed.

SEVENTH GRADE

Mrs. Carr

We have charged our desks to a semi-circle around the room. We had a compliment from the kitchen help about how clean our trays have been.

This week we have been selling our class paper to the students of the school. Last week a member of our class, Richard Bishop, moved to California. Before he left we gave him a party. We gave him a wallet and had some ice cream. We all hated to see him leave.

We had a spelling bee against the other seventh grade and Darlene Knapp won. She received a Webster dictionary. Jan Crittenden was runner up, then Cindy Bauer, Dora Meabon, Tony Castro, Lida Laurence and John Towlesley.

We received letters from Stewart Dixon in New Zealand. We wrote to him a year ago. We elected new officers. Harold Hollister is our president, and Gloria is our Vice-president.

Just across from us are our new bathrooms being built. We are enjoying science, because we are learning about machines.

SIXTH GRADE

Mrs. Tasch

Last week we picked debating teams from our room to debate on the subject as to whether or not judges could pass a sentence that law-breaking children should have a flogging by their parents. We had teams, but we decided to just let the people who study it, and think about it, be in the debate.

Last Friday, Walter Brennan read us an article concerning "The Sinking of the Thresher." It was taken from the Popular Science magazine. Last Wednesday, we had the sixth grade spelling bee. Diana Carpenter, from Mrs. McCabes room won, and Kathy Murphy, from our room was the runner up. Afterwards, Mrs. Tasch said that everyone in our room went down on a word they should have known.

JUMBLED JOTTINGS

By: KATIE TOPOR

Did you hear about the weak-willed soul who for Lent gave up his New Year's resolutions?

Jess Allen is recovering satisfactorily in Henry Ford Hospital in Detroit where he underwent major heart surgery recently.

That was quite a basketball game Howell played on Friday night. Their luck was not quite so good on Saturday but it still was a satisfactory game from the viewpoint of the audience.

Jim Ross leaves for his home in Wilmington, Del. this week. He is preparing for a one-man art show at the Paley Art Galleries in Fort Lauderdale, Fla., from March 15 through the 28th. He has been spending the past two months with his parents, Dr. and Mrs. E. A. Ross on Pinckney Rd.

A new department store in Cologne, Germany makes a specialty of scrubbing and cleaning all the coils given out as change in the store. Three persons are kept busy at the task which involves processing coils in washing drums filled with a detergent and steel balls. Any Howell stores interested in doing the same?

The women's board of Chemung Hills Country Club met

recently to map out the social program for the coming year. It looks like lively doings and lots of fun for the members and their guests.

Mrs. Laura O'Leary entertained the Friendship club, PWHP and PWOS of 1962 and 1963 at her home for Sunday dinner. Twenty-one from out of town were present.

Mr. and Mrs. Al Topor and daughter, Kathi, will drive to Buffalo, New York, Thursday night to spend the weekend with Mrs. Topor's parents, Mr. and Mrs. John Stuart Frazer, and attend the wedding of her niece, Miss Marilee Jean Frazer.

May Forrest, Erma Scott, Alice Granger, Ila Rosaman, Alice O'Donnell, Nellie Seaton, Zella Borden, Vern and Thayer Priest, Arch Peterson and Laura O'Leary from Corinthian Shrine attended Bethel Shrine in Lansing last Thursday night.

Mrs. Wesley Brooks of Toledo spent Tuesday with her mother, Mrs. Laura O'Leary, Virginia had just returned from a weekend spent with her daughter, Sandy, in Washington, D. C. where she is attending George Washington University.

Mrs. Merle Meeden is recuperating at home following facial surgery as a result of an automobile accident.

Corinthian Shrine 52 will have advanced officers night on Thursday, February 27 with a ceremonial at 8 p.m. Refreshments will be served.

Exposition Is Slated For Armory

The Howell Area Chamber of Commerce and the Junior Chamber of Commerce of Howell today announced that the 1964 Howell Area Exposition will be held at the new Howell Armory April 17, 18 and 19th.

The first such jointly-sponsored exposition in Howell was held in mid-March last year and drew over 5,000 visitors despite adverse weather and a muddy parking area which has now been black-topped.

The Chamber and the Jaycees take turns appointing an exposition chairman and divide the operational responsibilities equally. This year the general chairman is Jaycee Al Latson.

The Souvenir Program and the Booths Committee will meet tomorrow night and complete format for the program advertising and floor plans for the booths.

A new use of the east wing of the Armory will be a display of products manufactured in greater Howell under the guidance of Bob Reid and Dean Smith.

Howell Group Studies Easter Egg Decoration

The Howell Town and County held its February meeting in the Howell township hall beginning at 11:30 a.m.

Members brought their own sandwiches and coffee and cherry pie for dessert were served by the co-hostesses, Mrs. John Beatty and Mrs. Ford Garland.

Mrs. Liz Steensens of Brighton showed the group how to decorate for Easter with decorated eggs. Some of the eggs were blown and painted, some were jeweled and beaded and some had the fronts cut out and were filled with scenes. She also made an egg tree using glass eggs used to induce hens to lay.

The next meeting is planned for March 16 at the home of Mrs. Dorothy Dunn at which time Mrs. Carter will speak on the "Legend of Roses."

Pattern Talk Scheduled For 4-H Club

Miss Elenor Echo, fashion consultant for the Simplicity Pattern Company, will present a 4-H leader meeting on Thursday, March 12, in Howell, reports Harry A. Foster, County Extension Agent, 4-H Club Work. Miss Echo will provide information on current fashions, modeling of garments and proper accessories.

All 4-H clothing project leaders and older 4-H clothing project members are urged to attend. The exact time and location will be released early next week.

G S Troop Roller Skating Party Tonight

Girl Scout troop 175 is having a roller skating party today from 7 to 9 p.m. at Island Lake rink in Brighton.

The girls and their leaders will act as hostesses to troops 138 and 172 from Howell and troop 152 from Fowlerville.

Opened to traffic in December of 1959, the \$11-million Portage Lake bridge, linking Houghton and Hancock in Michigan's Upper Peninsula, is the world's heaviest vertical lift bridge. Its center span, which is raised 100 feet to allow big ships to pass, weighs 4.5-million pounds.

Dollar and Sense

BY JOHN B. SUTTON

Consumer Services, Michigan Credit Union League

DEAR MR. SUTTON: We have a lot of bills outstanding including monthly installment payments on a used car, a television set and washing machine. In addition, we also are buying our house and have a payment on it each month. We have enough money to cover these bills every month but it is tough to do, if an unusual expense comes up. My wife keeps urging me to get a loan and pay off these debts with the exception of the mortgage and then just pay the one loan. She thinks that it is cheaper to do it this way. I don't agree with her because we will have to pay interest on the loan and it will probably come out the same thing. What do you say?

HARD PRESSED

DEAR HARD PRESSED: Your wife may be right but you had better do some investigating so that you don't jump from the trying pan into the fire.

The whole business depends on how much interest you are now paying on the installment purchases and how much you have to pay on the loan.

The trouble is that true annual interest rates are seldom quoted and are difficult to determine. For instance, terms described as "1% per month on the purchase price" to be paid back in 12 equal installments actually is 21.5% annual interest. Terms which are described as 1% per month on the unpaid balance" are only 12% per year.

A recent survey of Detroit banks by the University of Chicago showed that on a \$500 personal loan from a local bank you would pay an average of 12.5% true interest. The same survey shows that the average bank rate on new car loans is 11.5%. Of course, rates at banks vary just as the price of any service varies from store to store.

If you arranged your automobile loan through an auto dealer, you are probably paying anywhere from 12 to 24 per cent. Car dealers seldom finance their own cars and turn their installment contracts over to a bank or sales finance company. There is sometimes a refund from the finance company to the auto dealer for turning over the contract to them, and this tends to raise your interest rate.

Rates on new car financing start at 11.5% and rates on older used cars can run as high as 24%, because the finance company is taking a risk that the car will be worn out before they receive their money.

Credit unions charge a legal rate of 1% of the unpaid balance of a loan each month, which is 12% per year. In addition since these are non-profit organizations, there is usually an interest refund to borrowers which further reduces the amount of interest paid on a loan.

From these figures you can probably compute the dollar amount that you now pay for interest. Shop around and find your best bet for a low-cost loan—your bank, savings and loan association or credit union. You can quickly determine whether it will be worth your while to follow your wife's advice and consolidate your bills.

If you are intrigued by the mathematics of computing true annual interest, the Federal Reserve system has devised a formula which can be used on any credit purchase which is to be paid off in from one to 36 months. It will not be accurate on loans extending more than three years.

Multiply 2 x number of payments in year x total charge and divide by
Amount of loan x total number of payments plus 1
This will give a true interest percentage.

Many of us—even college professors—are sometimes astonished at the amount of interest for credit buying and installment loans that we pay out of our weekly pay check.
J. B. S.

(Mr. Sutton will be happy to answer your questions on family money management, if you will write him at the Michigan Credit Union League, 13235 Woodrow Wilson, Detroit, Michigan.)

Elk's Banquet For Fathers, Children, Set

The second annual Elk's Fathers and Children Banquet will be held at the Southeast Elementary School in Howell on Saturday, February 29, at 6:30 p.m. This program is not designed as a money-making program, but as a fathers' and children's party with the only thought in mind being a good time for the children.

Prizes will be given. Skatey the clown will be the main attraction, and the program is expected to be over by 8:30.

Tickets are available from any Elk, or from the Elk's Lodge. Adult tickets are \$3.00 and children \$1.00 each. If you don't have children, be a big brother, take one of your neighbors' children.

Auxiliary Host To 80 People At Card Party

Howell Commandery auxiliary held a benefit card party last Thursday in the Masonic dining room which was attended by about 80 persons.

Phone pads with attached pens and ruffled nylon hoods were given as table prizes to the lucky holders of the best cards.

Refreshments of cakes baked by the members and tea and coffee were served and leftover cake was later sold to the persons attending.

Members of the auxiliary agreed that the party was a success and well worth their time and efforts.

70th Birthday Is Celebrated

Saturday was a two-fold holiday for Mrs. Josephine Gignac of Lansing.

It marked her 70th birthday as well as George Washington's birthday anniversary and she was guest of honor at a surprise party on Friday evening at the home of her daughter, Mrs. Richard Phillips of Howell.

Mrs. Gignac has lived in the Lansing area for 47 years. Miss Lucy Miller of Cheboygan, her sister, was present for the festivities.

Obituaries

Howard C. Warner, 421 Maple St., Howell, died on February 23 in the McPherson Community Health Center following an illness of several months. He was 82 years of age.

Mr. Warner was born on September 23, 1881, the son of Alfred and Alberta Staley Warner. He attended Howell public school and on November 4, 1908 was married to Cecelia township to Alice J. Jubb who preceded him in death in April of 1953.

He had lived his entire life in Livingston county and was a tinsmith. He was a member of Howell Lodge #38 F and A.M., Livingston Chapter 3 and Howell Commandery 28.

He is survived by two daughters, Mrs. Wilbur Wright of Williamston and Mrs. Max Wilste of Howell; two sisters, Miss Florence Warner of Howell and Mrs. Luella Greene of Santa Ana, Calif.; a brother, S. A. Warner of New Castle, Indiana; six grandchildren and 3 great grandchildren.

Funeral services will be held on Wednesday, February 26 at 2 p.m. at the First Presbyterian church with the Reverend William Jones officiating. Interment will be in Lakewood Cemetery. Funeral arrangements were made by the MacDonald funeral home.

News in the World of Religion

A Methodist home missions leader has called for the church to move out of its buildings and its security to minister to people in places of need and to give a more adequate interpretation of the Christian message. Speaking to the annual meeting of the Board of Missions of the Methodist Church, the Rev. Dr. Allen B. Rice, of Philadelphia, said: "The church has become too much tied to its physical buildings and resources. Much more than is now the case, it must move out of its security and spend itself. Unless we can increasingly extend our services and message beyond the beautiful sanctuaries where we worship, we shall not win a growing number of people."

A theologian of the Missouri Synod of the Lutheran Church who is also a noted sociologist will direct a unique educational project for the National Council of Churches. Dr. Davis S. Schuller, an associate professor at Concordia Theological Seminary in St. Louis, Mo., and the author of a widely recognized textbook on contemporary social problems, will head a two-year program designed to aid Protestant ministers, Roman Catholic parish priests, and Jewish rabbis serving urban congregations to cope with problems arising from changing patterns of city life. Through the project, financed by a Ford Foundation grant of \$54,000, member schools of the association of Urban Universities will be called upon to establish twenty interfaith seminars to "train a community's spiritual leaders to come to grips with the practical aspects of sociological changes brought about by America's growing urbanization."

Dr. John Coleman Bennett, noted Protestant theologian and ecumenical leader, has been elected president of Union Theological Seminary in New York. Dean of the seminary since 1955 and acting president last summer, he succeeded Dr. Henry Pitt Van Dusen, who retired in June and has been named to the school's newly-created traveling professorship. Inauguration ceremonies are expected to be held next spring for the new president, who is widely known for his association with ecumenical organizations, his efforts toward greater interfaith understanding and his comments as a speaker and author on religious, moral and social issues. A minister of the United

Church of Christ, Dr. Bennett was educated at Union Seminary and Oxford University in England.

With the object of "promoting world peace through religious understanding," a ceremonial exchange of the Bible and a collection of writings sacred to Buddhists was made in Tokyo, Japan, recently under auspices of the Japan Bible Society. Japanese Christian leaders and representatives of the All-Japan Buddhist Association were in attendance. The ceremony symbolized the presentation of thousands of Bibles — 2,500 are called for in the first installment — to Buddhist priests, which is being financed with a gift to the Japanese Bible Society by the Danish Bible Society. At the same time Christian leaders are receiving copies of the sacred Buddhist Association, endorsed the exchange and stressed the need for "a spiritual confrontation of the growing atheism and materialism of a new age in Japan."

The Convocation of Canterbury recently approved a proposal to give women the right to serve as lay readers, or substitute vicars, in the Church of England. Lay readers may conduct or assist in conducting services, but cannot administer the sacraments. They may preach, read part of the Communion service, teach Sunday school and the catechism, publish marriage banns, and visit the sick. In 1961 the Protestant Episcopal Church in the United States, part of the worldwide Anglican communion, gave women the right to serve as lay readers.

A check for \$12,000 has been presented to the Rev. John Cross, minister of the 16th Street Baptist Church in Birmingham, Ala.

The presentation was made at a memorial service for President Kennedy and the four children who were killed there by a bomb. It represented contributions by churches and individuals across the nation to the fund set up by the Commission on Religion and Race of the National Council of Churches. The check was presented to the church's minister by the Rev. Dr. J. Oscar Lee, executive director of the National Council's Department of Racial and Cultural Relations.

Church Notes

Lenten Services are held each Wednesday evening at 7:30 p.m. at St. George Lutheran Church. The public is cordially invited.

ELECTA CIRCLE
The Electa Circle of the First Methodist Church gathered for their February meeting at the home of Eleanor Brown where plans were made for a hat party and tea to be held on March 3 from 2 to 8 p.m. Marilyn LewAllen and Arlene Ames will have charge of the tea and Bonnie Corrigan and Eileen McCartney the sales.

COUNTY HOLINESS MEETING
The Livingston County Holiness Association will hold their March meeting in the Mennonite Church of Pinckney on Tuesday evening, March 3, at 7:45.

The speaker for this service will be the Rev. David Brewer, who is a graduate of Asbury Theological Seminary of Wilmore, Kentucky, and is presently in his senior year of Medical School at U of M in preparation to go as a medical missionary. He is a fluent preacher of Scriptural holiness. There will be special music and everyone is welcome.

LYDIA CIRCLE
The Lydia Circle of the First United Presbyterian Church met at the home of Mrs. Peter Marshall, Monday evening, February 17. The co-hostess was Mrs. William Gall. A business meeting conducted by Circle Leader Mrs. Howard Cole, Jr. was followed by the Bible Study, led by Mrs. Dave Barton. The Mission Lesson was given by Mrs. Robert Lindsay. A pleasant social hour concluded the meeting.

CHRISTIAN SCIENCE
One of the main themes at Christian Science churches this Sunday will be from John (1:17): "The law was given by Moses, but grace and truth came by Jesus Christ." The Bible lesson on "Christ Jesus" will also include this selection from the Christian Science textbook: "Christianity as Jesus taught it was not a creed, nor a system of ceremonies, nor a special gift from a ritualistic Jehovah; but it was the demonstration of divine Love casting out error and healing the sick, not merely in the name of Christ, or Truth, but in demonstration of Truth, as must be the case in the cycles of divine light" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 135).

METHODIST YOUTH FELLOWSHIP
The M.Y.F. of the First Methodist Church, Brighton, had the pleasure of touring the Shaarey Zedek Synagogue in Southfield, Michigan on Sunday afternoon. There were 35 present for this enjoyable trip. All high school youth are invited to the group meetings every Sunday afternoon at 6:30. Along with the coffee hour handled every Sunday morning by the M.Y.F., the young men of this group will handle the ushering at the morning worship service for the month of March.

Obituary

HERBERT A. PARNELL
Herbert A. Parnell, of 8650 Hyne Road, Brighton, died Wednesday morning at St. Joseph Mercy Hospital in Ann Arbor following a short illness. He was born August 27, 1889 in Boothbay Harbor, Maine, a son of Ambrose and Clara Parnell. On June 15, 1913 he was married to Lillian Loftus. They moved to the Brighton area in 1935. Mrs. Parnell died February 29, 1960. Mr. Parnell was associated with the Presbyterian Church in Brighton. Surviving are a daughter, Mrs. Lloyd Beurmann, of Brighton; 6 grandchildren; 3 great-grandchildren; a sister, Mrs. Alice Smith, of Maine; and several nieces and nephews. A daughter, Mrs. Lillian Snyder, died November 22, 1963. Funeral services were held Saturday at 2:00 p.m. from the Keenan Funeral Home, with the Rev. Robert Coffey officiating. Burial was in Fairview Cemetery, Brighton.

LETTERS TO THE EDITOR

Dear Editor: What to do? Oh, what to do???

Many plans have been offered for the use of the City Hall and Library I say, "Let's make the present library into a meeting place for our Senior Citizens in their, so called, "Golden Years." I'm not a senior Citizen—yet! Of course that may depend on whether you are talking to my husband, my children or my grandchildren????? But I say, "Couldn't we do for the very makers of Brighton history—our Senior Citizens, themselves? In our community we have a wealth of talent — dormant from lack of use and inspiration.

We could have instructions in painting — Who knows, we may be harboring a "Grandma" or "Grandpa" Moses. What a shame it would be, never to discover it.

We have in our midst — Coin Collectors, Stamp Experts, Photographic "Bugs," Knitters and Purles, Crochet artists and Seamstresses — who would be more than willing to share their enthusiasm

and knowledge, with the young as well as the oldsters, I am sure.

We have Bridge fans, euchre players, five-hundred players, checker and chess enthusiasts, we have talkers and we have listeners. Square dance callers, for those with nimble toes and free wheeling arteries; we have Book clubs and classes for the sitters and thinkers; we have woodworking experts for the potential craftsmen and good bandage makers for the hospital that needs them.

We have a wealth of talent and a great, untapped, fertile but forgotten field to work with.

We do wherever possible for our youth — WHICH IS RIGHT, OF COURSE, BUT IN THIS INSTANCE let us do for the ones who have struggled THROUGH YOUTH, done FOR youth, and have now reached the, so called "Golden Years," in which they deserve, and should enjoy, a little rest and relaxation — a little FUN and RECREATION. Couldn't we put the Library

in the old City Hall, where it will be more accessible and everyone will know we have this fine library and use the old library for a "Community Center." This is my thought — so again I say — Couldn't we — this time do for our Senior Citizen?

I remain sincerely, Mrs. Daniel Korb, 730 Whitney Avenue, Brighton, Michigan.

Dear Sir:

At this time my wife and I would like to thank you for sending The Argus to us. For the past six years it has been received, read and enjoyed. It is always nice to read about the things that are happening at home, when you are far away.

On the 27th of February I will be getting out of the Army and returning to Brighton.

Thanks again. SP/6 and Mrs. Michael Jacoby Fort Gordon, Ga.

Players Meet At West

The monthly meeting of the Livingston Players will be held at West Elementary School on Thursday, March 5 at 8:00 p.m.

More and more visitors to the Players' meetings this year have been enjoying the entertaining programs that are being presented every month under the direction of Tim Hurst, program chairman.

Last month's meeting consisted of a thought-provoking one act play in which Alice Krupa, John Stephens, Tim Hurst, and Esther McCreedy

starred. After very fine performances by all four actors, the audience was allowed the opportunity to criticize the acting and staging of the play.

Anyone who is fascinated by the magic of stage make-up will enjoy this month's program in which Mrs. Dwight Stevenson, wife of the director, will demonstrate on live models the aging process via make-up.

In January and March, 1866, each month had full moons, and February had none. This will not occur again for two and one-half million years.

Wed 30 Years

Mr. and Mrs. Maurice E. Price of Lansing were honored guests last Saturday evening at a family dinner at the Roosevelt Hotel. The occasion marked their 30th wedding anniversary.

Guests included Mr. and Mrs. Jack Price of Ft. Wayne, Ind., son and daughter-in-law of the couple, Mr. and Mrs. Byron Rogers, son-in-law and daughter, and three granddaughters.

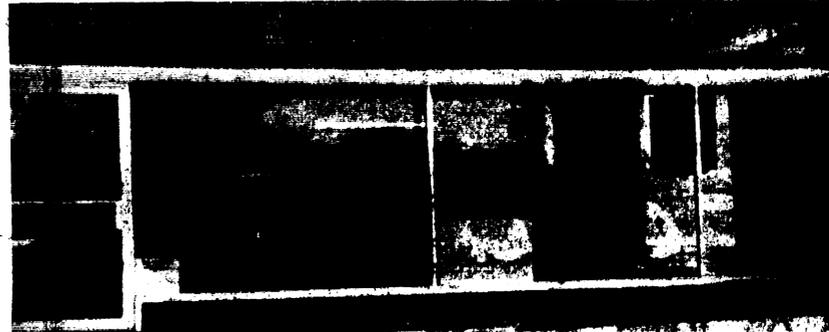

Mr. and Mrs. Price lived in Howell for a time and operated the PX store.

Walker Custer, with Miss Marilyn Ayler of his staff, reviews some of the many letters received in response to the series of messages of which this is the concluding one.

To the Families Whose Homes are Served by EDISON

I've been writing periodically over the past several months to tell you something about Detroit Edison—to outline some of its principles and policies; to remind you of the services offered you; to reiterate our earnest desire to act in the best interest of you and our other customers throughout Southeastern Michigan.

We have great faith in our state's future and pledge that we will do our share to assure that future. We're happy to be a part of the busy Michigan scene.

Though this concludes this series of letters, it will not end our endeavors to keep you informed about our company and the industry of which we are a part.

To those of you who have written in response to one or another of my letters, I am especially appreciative. Your comments have been most helpful. If you have a question in the future about the company or any of our programs, always feel free to contact my office directly, or any of the 73 Edison customer offices in the area we serve.

It has been pleasant for me to have had this opportunity to communicate with you and to tell you how the Detroit Edison system serves you.

Sincerely,
Walker L. Custer
Walker L. Custer, President
THE DETROIT EDISON COMPANY

Pleasant Valley Sidelights

By VIRGINIE HOUSNER AC 9-7835

Mrs. Susan Willmore called last Thursday evening to us to tell us how happy she was that day as several ladies of the Hamburg Rebekah Lodge dropped by and surprised her in honor of her 74th birthday. Mesdames, Lucille Bennett, Mary Wheeler, Jean Denamore, Pearl Sheridan, Gladys Kirk, Bernice Baker, Eleanor White and Lois Burton brought with them a delicious luncheon including a beautifully decorated birthday cake. Needless to say, the afternoon was a joyous affair for Mrs. Willmore with much reminiscing of prior days of the Fraternal Sisters. Her birthday was Saturday, February 22.

Mrs. Bennett remained for a few days stay with Mrs. Willmore. It will be remembered that Mrs. Bennett lived with her son-in-law and daughter in Hamburg when their home was recently destroyed by fire.

Congratulations to Mr. and Mrs. Wesley Housner who observed their 17th wedding anniversary on Saturday, February 22. The family were dinner guests that night of his mother, Mrs. Norma Housner and sister, Mrs. Gladys Saunders of Court Street in Howell.

Congratulations are also in store for new grandparents, Mr. and Mrs. Fred Pless, Grandpa and Grandma drove to Detroit Sunday evening where they viewed the new little grandson, Kurt Douglas Jacobs, who had arrived at approximately 12:53 that afternoon, at Mt. Carmel Hospital. Jan and Al's address is 17615 Cooley Ave., Detroit 19. Their home is in Redford and mother and baby are expected home Friday, February 28.

Heartfelt sympathies extended to Ray Pearsall, Valette Cord and Vivian Miller on the loss of their mother, Mrs. Mary Pontey, Saturday, Mrs. Pontey passed away Saturday afternoon at St. Joseph Mercy Hospital in Ann Arbor following a long illness. Funeral services were held Tuesday morning with burial in Shlawassee County near Owosso.

Welcome to the Pleasant Valley Area is extended to Mr. and Mrs. James Doyle and three children who bought the Luhnman home on Pleasant Valley Rd. here a short time ago. The Doyles came here from Pinckney and her father is a co-owner of the Brighton Bowl.

Best wishes are also extended to Mr. and Mrs. James Bartel who are now living at 4342 Pleasant Valley Rd. Mrs. Bartel is the former Linda Goodchild and was married to Jim of Oak Grove near Howell.

Culver Road residents also have another new neighbor who came here from Detroit. So we wish to welcome Mr. and Mrs. Earl Springstead who moved into their new home at 10933 Culver Rd. They have three boys and a little girl, their youngest being a one month old son. Mr. Springstead is a salesman for a manufacturing company in Detroit.

Residents in this area will be happy to hear that Dennis Benson, a former Youth Leader at the Presbyterian Church in town, will be ordained to the Ministry at the First Presbyterian Church in Royal Oak at 7 p.m., Sunday, March 1. Dennis is attending the University of Michigan

at the time of his leadership here at this church. It would be nice if several of his former youths could attend his ceremonies Sunday evening at Royal Oak.

Mac Pearsall arrived home Friday night for a weekend from his studies with the United States Navy at Memphis.

Mr. and Mrs. Clarence Knight and Mr. and Mrs. Russ Housner and Roberta had dinner in Ann Arbor Sunday afternoon.

Don't forget the Brighton Rebekah Lodge are holding a rummage sale at their hall on West Main Street here this coming Friday and Saturday. On Friday they will be there from 10 a.m. until 8 p.m. and on Saturday from 9 a.m. to 5 p.m.

The Sophomore Banquet will be held at the High School Gym Thursday at 6:30 p.m. A pot luck dinner will be served, with the meat and beverage furnished by the class. Mr. Schultz will be speaking on Testing and Scheduling with a surprise music program for entertainment.

Little three-year-old Janice Kay Wilt, daughter of Mr. and Mrs. Don Wilt was released from McPherson Health Center in Howell last Friday. Janice underwent a tonsillectomy later than planned as she was admitted on Thursday, February 13 and had to remain for treatments until an infection cleared to permit surgery. Now her little four-month-old sister, Jacquelyn is in the Ridgewood Hospital at Ypsilanti, a very sick little girl. Grandma, Mrs. Alice Clark, has been at the Wilt home since Janice's admittance to the hospital in Howell and remained until this past Saturday. We wish both of these youngsters a speedy recovery.

Congratulations are also in store for Mr. and Mrs. Charles Howard, of Land O'Lakes, Florida, who observed their 30th wedding anniversary Sunday, February 23.

Obituary

CLYDE W. KELLY
Mr. Clyde W. Kelly, of 303 Cady Drive, Brighton, passed away suddenly early Tuesday morning at his home, following a heart attack. He was born July 27, 1894 in Water-vliet, Michigan, a son of Oliver and Mae LaVandway Kelly.

On July 14, 1917, he was married to Louise Kelly in Benton Harbor, Michigan.

Mr. Kelly, a registered professional engineer, was formerly chief engineer and director of research for Penetra, Inc., Detroit. Upon his retirement in 1959, Mr. and Mrs. Kelly moved to the Cady Drive address.

He was a member of Grace E.U.B. Church, Detroit; the Engineering Society of Detroit; and the Jesse B. Cooley Post No. 235, American Legion.

Surviving in addition to his wife is a son, Ralph H. of St. Clair Shores; a daughter, Mrs. A. Gerald (Eub) Ross, of Detroit; nine grandchildren; two sisters and three brothers, all of Niles, Mich.

Prayer services were held at 9:00 p.m. Tuesday from the Keehn Funeral Home with the Rev. George T. Nevin officiating.

Funeral services will be held at 1:00 p.m. Friday from the Grace E.U.B. Church, at 17500 Chandler Park Drive, Detroit, with the Rev. R. H. Kretschmer officiating. Burial will be in White Chapel Cemetery, Troy, Michigan. Friends may call at the A. H. Peters Funeral Home, 12057 Gratiot, Detroit.

Memorial contributions may be made to the Grace E.U.B. Church.

Solution To Delinquency?

BY ELMER E. WHITE
Michigan Press Association
COLOR IT GREEN

Simple solutions sometimes help with complicated problems.

An example of such an idea is now before the Legislature. It might help in dealing with juvenile problems.

The House has sent to the Senate for consideration a measure to issue a distinctive driver's license for minors. Introduced by Rep. John Toepp, Cadillac Republican, the bill called for a green tint on driver's licenses provided for drivers under 21 years of age.

Differentiating between a minor and an adult on a driver's license would be an effective deterrent to "doctoring"

licenses for use as proof of age. Michigan licenses have been claimed as doctor-proof for several years, but many minors have been able to beat the system of the special paper used.

A different color license probably would make "doctoring" more difficult. Another effect likely in the color change would be to readily identify minors in traffic violations.

There is a move afoot in the Legislature to bring juvenile motorists under Michigan's point system of traffic violations. With a different color license there would be no question, with or without the point system, in effect, as to which motorists were in the juvenile range.

Mr. and Mrs. Ed Faussett visited the latter's sister-in-law, Mrs. Jack McDaniels Saturday afternoon. She is a patient at St. Joseph Mercy Hospital in Ann Arbor. On Sunday they drove to Adrian where they were guests of Mr. and Mrs. Jim Faussett who were observing their 25th wedding anniversary. Dinner was enjoyed at the Eagles that afternoon.

Introduction of the color license measure by Toepp appears in itself to have some significance. Toepp, a longtime radio broadcaster, has been working with youth for several years. He has teenagers in his own family.

Toepp's approach to the juvenile delinquency problem seems to be a realistic one. He is not a proponent of the "this younger generation is

not what it used to be" school of thought.

Juvenile delinquency, like the school dropout problem and a number of other questions facing state officials, is one in which some small effort could lead to a wise solution. Colored licenses might be the first major step in this area. Driver's license changes have been proposed in the past, however, and money to accomplish the aims has been a major obstacle.

Lawmakers and state administrators must weigh the question in this area of whether the investment in having different kinds of licenses is worth the corrections such a change might prompt.

The most recent example of proposed change not implemented is the license photo requirement enacted into law several years ago. Cost of the equipment needed has not been resolved yet.

Legislative thinking this year indicates both the color change for minors and use of photos might be a fact of life in the near future.

TEST OF X-RAY MACHINES
The danger point in human

THE BRIGHTON (Mich.) ARGUS • WED. FEB. 26, 1964

absorption of radiation has never been officially set by scientists, but every attempt is made to keep this exposure at a minimum.

X-rays, one source of radiation, are constantly under study to find ways to reduce the already slight amount of radiation emitted.

In dentistry, for example, a survey has been made throughout Michigan to protect the public where x-rays are concerned. Test pictures were taken on about 3,500 dental x-ray machines in Michigan to measure the amount of radiation to which the dentist and his patients were subjected.

Beam size was measured in tests conducted by the State Health Department and dentists whose machines indicated excessive beam size were given a lead disc or filter to reduce the intensity.

Less than half the machines tested required adjustment, said Health Commissioner Dr. Albert E. Heustis. The machine test is still under way and officials expect that the total reduction in radiation as a result of the program will amount to well over 1.5-million roentgens per year, at an average of .5 roentgen per film.

WARNING ON DEBTS
Post-Christmas "debt pooling" can be a fool-hardy gimmick, warns State Attorney General Frank J. Kelley.

"Ads which offer to help you retain peace of mind, get your creditors off your back, avoid garnishments, get out of debt without a loan, protect your job and your credit, all by turning over \$15 or \$25 a week to a debt pooler, sound good but the results can be most sad," said Kelley.

Recent complaints to the attorney general's office indicate some persons have had as many creditors at the door as ever, even after conscientiously paying debt poolers the agreed-upon sum for months.

Kelley emphasizes each person has a right to hire a budget manager or debt adjuster. "But you should know that if the person you hire does not satisfactorily adjust your debts and carry out the glowing promises so often made, there is little the law can do to help you out of your troubles."

Twenty-five of our 50 states have parts of their area reaching to sea level. Two, California and Louisiana, each have parts extending below sea level.

Non-Resident License Fees Up For Review

The Michigan Tourist Council has called for a full scale review of all non-resident hunting and fishing license fees.

In a Muskegon meeting, the Council voted to request a joint meeting with the Conservation Commission to discuss promotional problems related to license fees.

"We appear to be in the position of becoming non-competitive with our neighboring states and Ontario as a hunting and fishing destination although we offer some of the best of both in North America," according to council chairman Robert L. Wooley of Mt. Pleasant.

Current non-resident fishing license fees are \$5 annually plus \$2 for a trout stamp. A 15-day non-resident license is \$4.

Non-resident small game licenses are \$20 and non-resident deer licenses are \$35. The small game licenses are required for such major Michigan hunting attractions as pheasants, rabbits and grouse.

Council Director William T. McGraw said that the meeting of the two state agencies would be set up as soon as possible.

Representatives of the Governor's office and the Legislature will be invited to the meeting, McGraw said.

One of the largest highway contract bid openings ever held by any state highway department was held at Lansing, Michigan, on December 7, 1960 with low bids totaling \$42.3-million.

Bulldogs Salvage Season With Win

By Lee Niles

At last they did it!!! The Bulldogs won a game!!! After 15 attempts it was Northville that fell at the hands of an overpowering Brighton club 58-46.

Bruce Evenson, the towering Sophomore center and Skip Heller combined for 47 points, beating the Mustangs by themselves 47 to 46.

Richard Musch added 5 free throws in the terrific victory and his first game on the varsity. Musch would drive the "base line" and either shoot or pass to Evenson in the clear for an easy jump shot. When Musch would shoot, he'd be fouled and made 5 for 8 at the line; quite a performance for a newcomer.

The gunner, Evenson, had 4 fouls at half time and sat out the third quarter. This is where the Bulldogs failed before, but with Heller taking over, the squad rolled on only dropping two points of their 8 point lead.

When Bill Bruce got back into the line-up, things went wild—he scored 14 of the 15 points for Brighton in the final period.

With most of the Brighton shots inside the key, the Mustangs had their work cut out all night long.

Northville was down for the game except in the opening quarter, when they tied the B.H.S. squad. The local boys pulled away with a basket as the buzzer sounded 13 to 15. Then Northville put on the pressure, but this failed and Brighton popped up 31 to 23 ahead of the "horses" on baskets by Heller, Beneor, Evenson and Heller.

As the teams returned to the floor from halftime, the Brighton fans were wild—never had the boys shown such hustle and such perfection.

As the third quarter started, the Mustangs thought they

could easily catch up, with Evenson on bench. They were definitely wrong. Heller picked up the squad and with teamwork held the "pony boys" to 14 points. Mike Stellwagon came into the game and took over Heller's place at forward. Stellwagon, like Musch, would drive and then pass to Heller for the bucket.

In the beginning of the 4th period the score read 45 to 37. Evenson came back into the contest and scored 14 points, rebounded superbly and single handedly won the game.

"This year I knew we were young and unexperienced, but I thought we'd improve a little more rapidly than we have; however, now we're showing steady improvement," explained Coach Kucher.

In scoring, Bill Beneor made 3, and Mike Stellwagon added a charity bucket. Brighton out-shot Northville making 20 of 58 for 34% while the Mustangs had 18 of 52 from the floor for 35%.

At the foul line it was a different story. The Bulldogs made 18 of 26 for 69%, and the visitors had 10 for 17, making 58%.

Rich Musch did a real tremendous job in his first varsity game. He gives us a lot more bench strength," praised Coach Kucher.

With less bad passes than Brighton, only 31 compared to 36 for B.H.S., Northville lost out on the boards with only 18 rebounds to 27 for the B.H.S. Club.

Kucher exclaimed, "My boys played a real great ball game, the victory over Northville didn't surprise me because we've been improving week by week."

Evenson scored 30 points, was 10 for 10 at the foul line, and got 10 rebounds, while Heller had 17 points, made one for three free throws and grabbed 9 rebounds. Musch had 7 rebounds with his five points, and Heller had two points and two rebounds.

With more scoring power than ever before Brighton wrapped the game up at half time. This victory will help them in the tournaments coming up in two weeks after their last regular league game this Friday at Bloomfield Hills.

The B.H.S. club is in with Fowlerville, Fenton (tournament favorite) and Holly (which beat Brighton twice this season).

Coach Kucher said, "With the addition of Skip Heller, other teams have to play to play all round defense. If Heller had been out earlier this season it would have taken the pressure off Evenson. Even when Evenson was forced to sit out, we kept rolling."

The Pups had fought hard using the same five players all through the game to tie it and then to come back to play 3 minutes of the fastest ball

Mustangs Beat Brighton JV Team

by Gary Opperman and Lee Niles

Everyone knows going uphill is the hard way of doing anything but that's the way the Brighton Bulldogs did it last Friday against the Northville Mustangs, only to lose 53 to 46 in a three-minute overtime period.

It was height that the Northville squad had, and they used it to great advantage the first quarter out-rebounding and out-shooting and just generally out-playing the Pups until, at the end of the quarter, Brighton was down 13 points.

The Mustangs may have bombed the Pups that first quarter, but they learned height wasn't everything during the second quarter, with Jim Brown hitting from the left, Son Herbst laying them up on the right. Pat Gilbert made some good jump shots and Larry Flowers and little Larry Lemorie handled the ball great and the hustling Brighton offense scored 14 points. With a tight man-to-man defense and the Mustangs' cold hitting, the Pups held them to only 9 points during the second quarter.

The amazing part about the uphill fight was the way those Brighton boys stole rebounds away from the taller Northville squad. This great rebounding, fast breaking, and good defense continued through the third quarter. Northville just couldn't hit, but the Pups were really hot. With 1:38 left in the third quarter, Jim Brown tied it 29-29 with a couple of good free throws. Then the Northville squad took the ball down the court and scored. Jim Brown was fouled on and proceeded to sink two more foul shots and tie the game up, 31 all. The Pups scored 13 points that quarter while holding the Mustangs to only 5 points.

It was not all even going into number four and it was neck to neck all the way down to the final buzzer. Both teams had a free throw apiece with less than a minute left but neither Brighton nor Northville could hit the basket. The scoring was even, 11 points apiece, to make it 42-42 for a 3-minute overtime.

The Pups had fought hard using the same five players all through the game to tie it and then to come back to play 3 minutes of the fastest ball

of the evening was just too much. This exhaustion, combined with the fouling out of Pat Gilbert, one of the starting five, resulted in the Mustangs outscoring by 10 points and winning the game in the overtime.

With the loss of a key player, Rich Musch, to the varsity, the Pups Friday night certainly showed they weren't a one-man team and every single boy played a real great game of ball. The scoring was close with every one of the starting five hitting fairly well. Jim Brown turned in a fine performance with 18 points to lead his team's scorers.

George Burchfield and Steve Even split 32 points between them to lead the Mustangs.

Next week the Bulldogs will wrap up their season by traveling to West Bloomfield to take on the Lakers.

Udall Predicts Bill's Passage

Secretary of the Interior Stewart L. Udall has said that he was hopeful that the Wilderness Preservation Bill could be enacted by July, according to the National Wildlife Federation.

Secretary Udall made the statement in a press conference in response to a direct question on what the possibility of this legislation appeared to be in his judgment.

The Secretary indicated that his information was to the effect that field hearings in the west in January went quite well and "with a little statesmanship and give and take, I believe we can have a Wilderness Bill by July."

Secretary Udall had been questioned about what he considered priority legislation currently before the Congress and he listed the Wilderness Bill, the Land and Water Conservation Fund Bill, the Establishment of a Youth Conservation Corps and provision for a Public Land Law Review Commission as what he quoted as being "pieces of landmark legislation which will be remembered for years to come."

Secretary Udall also termed chances for enactment of the Land and Water Conservation Fund Bill in the current session of Congress "very good."

BULLETIN

Results of the district drawing for the state basketball tournament have been announced. Brighton High School will play Fenton at 7:30 p.m. Tuesday, at Fenton.

Fenton's record for the season is 12 wins and 4 losses while Brighton has a record of 1 win and 14 losses.

Pirates Lose To Dexter

by John Tasch

Last Tuesday, February 18, the Pinckney Pirates were defeated once again as the Dexter Dreadnaughts beat them by the score of 94-60. The win for Dexter insured at least a tie for them in the Washtenaw Conference.

The Pirates showed their same good spirit and fight as always and this time scored more points than ever before this year.

The Pirates got 22 out of their 56 attempted field goals for 39%.

Steve Randolph led the Pirates in scoring, as he got 7 field goals and made 4 of 5 free throws for 18 points. Miles Cone was also in double figures as he garnered 12 points, all in the fourth quarter. Cliff Travioli led the Dreadnaughts with 19, Marty Walsh had 17, and Ron Mull and Dave Henes each contributed 14 and 13 points respectively to Dexter's cause.

Pinckney made 16 of 34 free throws for 47% as Randolph led the Pirates in this division. Dexter got 22 of 37 free throws for 59%.

Dexter, of course, with their height advantage, controlled the boards as they pulled in 52 rebounds to Pinckney's 29. Pinckney's Junior Varsity lost to the Little Dreadnaughts by the score of 62-23.

Trojans Beat Pinckney 5

by Dennis Haines

Whitmore Lake won its final regular game of the season Friday night and Senior Ted Ringle made his last game on to remember as he set a new school scoring mark of 33 points.

Ted made his bow out of basketball with the help of graduation and, in leaving, he leaves behind a record book of memories and a long list of friends and wonderful teammates.

With a dazzling display of basketball, the Trojans went into their last game with a 500 mark and emerged victorious to end up with an overall record of 9-8.

Ringle's new school record was 33 points in one game, and with this accomplishment he took game scoring honors. The big senior also added 17 rebounds to make it a total of 257 for the '63-'64 season.

A bright spot this year and a future hope next year for Whitmore was the fine ball playing of Junior Gary Caskey, Gary, who is the top reservist for the team, has worked himself into a top-notch player and a good prospect for next year. Gary scored 10 points for the Trojans last Friday and has been hitting for many points in the last few games.

Jim Wint, also a junior, scored 10 points in the Trojan victory and added 10 rebounds.

The scorers for Pinckney were Duane Knapp with 11, Gary Henry with 10, Miles Cone adding 11, and Steve Randolph, who also netted 11.

This year proved to be a record-breaking year for the Trojans who played in a manner to break all the records in the books.

Here are the totals for the game:

Eagles Win Championship

BY JIM STANFIELD

Last Friday night before the largest crowd this year, Hartland defeated Birch Run to win the Motor Valley Conference championship.

The Eagles got off to an early lead and the Birch Run Panthers never caught up. By the end of the first quarter, Hartland was ahead 15 to 6. By the halftime, Hartland had lengthened the lead to 23 to 14. The third quarter score was 36 to 24. In the fourth quarter, the Panthers started to catch up and at one time were only four points away from tying the game. Hartland put on a final surge to win the game by a score of 53 to 47.

Starters were Dale Callaghan, who was the high point man with 22 points, Dewey Mathews, Tom Risner, Merle Smith and Phil Johnson.

The JV's lost their game to Birch Run by the score of 51 to 64 with Birch Run leading all the way. The halftime score was 23 to 28.

Next week, Hartland will travel to Morrice for the final game of the year.

Bowling Tips...

BALL AT WAIST LEVEL ADDS POWER IN APPROACH

Resting the ball comfortably at waist level prior to the approach steps and swing is a requisite for "strikepower." Ray Schanen of Milwaukee, one of the nation's top professional bowlers and member of the Miller High Life advisory staff, demonstrates the proper stance and ball position prior to the approach and swing. As the approach starts, the ball should be pushed forward, away from the body. As your forward motion continues, the ball should be allowed to follow a natural pendulum swing down, back and forward into the release. The backswing should follow a natural course and should not be forced into excessive heights. A few practice sessions will eliminate the chest and shoulder tension starting positions which detract from good balance and aim.

HAWKS FLY PAST SQUIRRELS

TRI-LAKES AREA NEWS

By: VELMA BEACH — 229-7884

Mrs. John Gyr has a word of caution for us about walking on the ice at Fonda Lake. A few weeks ago she broke through the ice in front of the Bernard Lorenger home and later found out that Jim Steinkraus had also broken through in about the same location while he was out skating.

There are many active springs in Fonda Lake and this combined with the low lake level was the reason she felt this spot was thinner than the rest of the lake. As we have more prolonged warm spells, this situation can become more treacherous so let us be wary of the time when we should no longer go out onto the ice.

Mr. and Mrs. Bernard A. Witting have received a letter from the Frank Segers, in which they told of several Brighton couples visiting them at their winter home in Naples, Florida. Recent callers

were Mr. and Mrs. Norman Riecks, Mr. and Mrs. Arthur Lyberg and the former owners of Green's Market, at Island Lake.

Myra Seger was back in Brighton last week for a two-day visit with her brother and sister-in-law, Mr. and Mrs. George Seger, of Pierce Street. Myra, who is a nurse at St. Lawrence Hospital, in Lansing, was wearing a body brace, which was prescribed for a back ailment she has. It is believed that Myra's back injuries started when she lifted a patient several years ago while in nurses' training.

Mrs. John Danich called to tell us how very considerate the firemen were that answered the fire call on the Melton Palshaw home in the wee small hours of the morning recently. She said although there were about twenty cars parked along Academy Drive

in front of her house, they kept the noise and commotion down so if anyone had wanted to they could have slept on through the fire.

Mr. and Mrs. Robert Hall, of Island Lake, spent six days in Royal Oak recently caring for their fourth grandchild and daughter-in-law, Mrs. Charles Hall, when they arrive home from William Beaumont Hospital, in Royal Oak. Baby Mark Edward, who was born six-weeks prematurely, only weighed 4 lbs., 10 ozs. at birth and had to remain in the hospital incubator for two weeks before he was allowed to go home. The Halls have three other children, Michael, 6; Dennis, 4 and Cathy, 2. The maternal grandfather is Samuel Steele, of Detroit.

The Halls' teenage son, Ron, batched it while they were gone and Mrs. Hall was full of praise for his housekeeping.

Mr. and Mrs. Laurence Saph, of Fonda Lake, were kept busy all day last Sunday greeting their company, as they kept coming all day. The big attraction was newborn baby Lauren who arrived home just three days before with Mrs. Saph from McPherson Community Health Center. Relatives that came early in the day and stayed for dinner were Mr. and Mrs. Cassius Saph and Mr. and Mrs. Ronald Lowes, both of Manistowic.

Later in the evening neighbors, Mr. and Mrs. Charles Carmer, Mr. and Mrs. Neil Vesper and Mr. and Mrs. Willis Beach and son, Don, arrived to admire the new baby. Mr. Saph entertained the group by showing slides he had taken of his own and Mr. Vesper's go-carts as they raced around Fonda Lake.

We learned with regret that Mr. and Mrs. Charles Carmer, who moved to Fonda Lake this past summer, will be leaving as soon as they can find a home in Flint. Mr. Carmer accepted a position with the Flint Police Force and began his new duties on Monday, February 17. Flint is Mrs. Carmer's home town so she will be happy to return.

Mrs. John Gyr was busy scouting the neighborhood last Sunday in search of a "horse." She found it at the Willis Beach home — that is she took an oil drum which will become the "horse" for her kindergarten class at Hawkins School next week when they

begin work on a cowboy unit. Mrs. Gyr hopes to acquaint her youngsters with the hard riding, hard working, "real" cowboy as against the gun-toting shoe 'em-up television version. The "horse" will be properly saddled with a bridle and saddle borrowed from the Ray Lansing family and will even be properly cared for with curryscombs.

Again Mrs. Gyr invites us one and all to visit her class any day and see first hand the fun that learning can be.

Mrs. Lowell Heideman and daughters, Linda and Gayle, attended a baby shower for Mrs. Heideman's daughter-in-law, Mrs. Lawrence Wood, in Garden City on February 18.

George and Keith Bufford both attended the Junior High-Senior High School Band Festival that was held on Saturday, in Holt, Michigan. George played a cornet duet with Charles Davis and Keith teamed with Jean Herbst in a clarinet duet with piano accompaniment by Sharon Stine.

Keith also did a clarinet solo and was accompanied on the piano by his brother, George. For these George and Keith both were given a rating of one, which is as high as you can get.

Tim Biers also made the trip to Holt for the Band Festival with his mother, Mrs. Frank Biers, going along. Tim appeared in a cornet trio with Billy Meisinger and Robert Chenoweth. Since this was the

first appearance for these boys at the Festival, Carl Klopshinski, their Band Director, was well satisfied with the three rating they received.

John Gronowicki received an early morning call last Wednesday informing him that his good friend, Thomas Barch, of little Crooked Lake, was taken to St. Joseph Mercy Hospital in Ann Arbor, after being stricken with a heart attack at his place of employment.

Mrs. Gary Hoover and her two children returned home to Island Lake, last Sunday after spending two weeks at the home of her parents, the Andrew Barshaws, in St. Clair, Michigan.

Mrs. Hoover spent the two weeks looking after her sister, Kay, and after the three Cuban girls (ages 9, 13 and 17) who have been making their home with the Barshaw family for the past six months. The girls' parents are still in Cuba and the Barshaws took on the care of the girls through their church group affiliations. Mr. and Mrs. Barshaw vacationed in New Orleans with their son's family and were able to see the Mardi Gras parade.

Mrs. Anna Hansen, of Island Lake, received sad news last Wednesday night when relatives called to tell her that her brother-in-law, Willy Hansen, was admitted as a patient to William Beaumont Hospital, in Royal Oak. Mrs.

Hansen was especially upset as he now has the same ailment that caused the death of her husband a year ago.

The Junior High-Senior High P.T.A. meeting was well attended last Wednesday evening when the parents heard teacher, Gene Schutz, speak on the curriculum requirements for high school graduation.

In the audience from our tri-lakes area, were Mr. and Mrs. George Bufford, Mr. and Mrs. Bernard A. Witting, Mr. and Mrs. Frank Biers, Mrs. Charles Johnson, Mrs. Lowell Heideman, Mrs. Chester Crumner and Mrs. Willis Beach.

The Green Oak Republican Club gathered recently at the Green Oak Township Hall for an organizational meeting. Elected as officers for the club were Raymond Maltby, Chairman; William Raymond, of Briggs Lake, Vice-Chairman; Mrs. Fred Kendall, Secretary; and Mrs. Bernard A. Witting, Treasurer. Chairman Maltby has called a meeting of the newly-elected officers for Wednesday, February 26, at the home of Mrs. Witting, at Fonda Lake.

The Brighton Circle of King's Daughters and Sons will give a Tea on Friday, February 28, at 2 p.m. at the First Methodist Church, in Brighton. The group will be celebrating its 35th anniversary and President, Mrs. Bernard A. Witting, invites members and their guests from all

THE BRIGHTON (Mich.) ARGUS • WED., FEB. 26, 1964

county circles to join them for this special occasion.

We were sorry to learn that Oscar Keckonen, of E. Grand River, was admitted to McPherson Community Health Center, recently for a thorough check-up. It is expected he will spend at least three weeks there for complete bed-rest.

Mrs. Keckonen is happy to have her mother, Mrs. Alex Tiensivu, here from her home in Mohawk, Michigan, for a visit at this time. Mrs. Tiensivu has been in Detroit since she arrived in November, visiting her son there and now expects to stay with the Keckonen family until the Easter holiday.

On Tuesday, February 18, the St. Christopher's Guild met at the home of Mrs. Alex Kreuzer for their regular meeting. Ten members were present and Mrs. Philip Parlove was welcomed into the guild.

The members discussed the St. Patrick's Day Banquet which will be given on March 15. There was also discussion of an April 15th card party and some preliminary plans were made for the festival to be held at St. Patrick's Church sometime in July. The next meeting was set for March 17 with Mrs. Bernard Lorenger, of Fonda Lake, the hostess.

BRIGHTON

... Pinckney Prattle ...

By ALICE GRAY

Mrs. Mary Amburgey left Friday to spend several days at East Jordan at the Norm Root home.

Mr. and Mrs. Emmet Widmayer and Mr. and Mrs. Tom Wylie called on Ken Davis at Veterans Hospital in Ann Arbor Wednesday evening. Mr. Davis has been hospitalized there for over a week after he suffered a heart attack. He is expected to be home this Friday.

WILLIAM ABNEY HOME ON LEAVE

Cpl. William Abney, son of the Homer Abneys, is home now from Camp Pendleton, California where he has been stationed with the U.S. Marine Corps. He will leave around the middle of March for duty on Okinawa. His wife and three children will remain in Howell with her mother.

The Homer Abneys entertained about twenty guests at Sunday dinner in honor of their son and his family. Guests were from Pinckney, Howell, and Farmington.

Mrs. Clifford Van Horn, Mrs. Clayton Anderson, Mrs. Roger Hosley, Mrs. Claude Copeland and Mrs. Virginia Campbell were in Monroe last Wednesday attending a Farm Bureau Council Meeting. These ladies represented the Third District in the Farm Bureau.

Pat Borovsky, who will graduate from PHS this spring, has been accepted as a student at Western University of Kalamaazoo.

ATTENDS FATHER'S FUNERAL

Mrs. Alma Chambers of Farley Road attended the funeral of her father, Emmett Barnhart, 87 years old, at Detroit last Friday afternoon. Mrs. Barnhart, her son, Wayne, and a son-in-law,

Frank Perkins came up from Pennsylvania to attend the funeral, and spent several days at the Chambers home.

Pat Burke of Rush Lake is now in Tombstone, Arizona on a business trip. Mrs. Burke was in Detroit Saturday. On Sunday she had as her guest, Mrs. E. J. McCann of Brighton. After dinner, they visited Mr. McCann at the McPherson Health Center where is a patient, and she spent the rest of the evening at the Burke home.

Mr. and Mrs. George Riopelle of Taylor, Mich. spent Sunday with George's parents, Mr. and Mrs. Howard Riopelle at Rush Lake.

The Welton Chamberlains and Mr. and Mrs. El Drabbing attended the Boat Show at the Armory in Detroit last Sunday, February 23.

THOSE ICE BOATS REALLY GO!

The Huron Portage Yacht Club members are still sailing their boats on Portage Lake — the ice only makes them go faster! Every week end the ice sail boats go skimming over the ice much faster than they could ever go through the water. They tell us it is worth one's while to drive over to watch them skim by — the kids really enjoy the spectacle.

Mr. and Mrs. Earl Schuman were at the Marshall Meabon home last Friday, February 21, to help Marshall celebrate his "39th" birthday. His wife, Mary, and children, Dora and Rex were on hand to wish him many happy returns of the day.

The George Roots of Main St. were very pleasantly surprised Saturday when they had a visit from Mrs. Root's brother-in-law, Ben Van Giesan, of Florida. Mr. Van Giesan, who was on a business trip had a

stop over between jets at the Willow Run airport rented a car and drove to Pinckney for a family get together.

This seems to be the week for surprises — Mrs. Alma Utley was surely pleased when she came out of Aco Mfg. Co. the other day when her day's work was done to find her son, Larry Utley, waiting for her. Larry who is stationed at the Navy school at Memphis, Tenn. came home for the week end.

LEAP YEAR BIRTHDAYS

When birthdays come only once in four years they should be extra special occasions. Mrs. Estella Tubbs of East M-36 will observe her birthday on February 29 this year with her family around her to help her celebrate.

Mrs. James Tepatti of the Bluewater Store at Lakeland was another Leap Year baby and will have her birthday cake this year on the 29th.

Mr. and Mrs. Ernest Chanyi and family spent Sunday in Centerline visiting cousins.

Mr. and Mrs. Herbert Allen were dinner guests at the home of Mr. and Mrs. Maurice Darrow last Sunday. Mrs. Allen is the former Edna Darrow, Maurice's sister.

Mrs. Mae Daller and Mrs. Merwin Campbell attended the regular meeting of the Marion-Lisco Circle of King's Daughters at the home of Mrs. Addie Knight on the County Farm Road near Howell last Wed. The meeting was preceded by a pot-luck luncheon.

Mr. and Mrs. James Tepatti of Lakeland were very pleased when Jimmie's cousin, Harry Bottrell of Detroit, called on them last Friday. They hadn't seen him in over four years, so they had lots to talk about "catching up."

Mrs. Herman Widmayer, whose birthday was on February 20, celebrated at a birthday dinner in her honor at the home of her son, and daughter-in-law, the Emmett Widmayers, on February 19th.

HONORED AT BANQUET

Most of Pinckney's 4-H leaders attended the annual 4-H Leaders Recognition Banquet held at the Fowlerville Fairgrounds last Tuesday, February 18. Detroit Edison sponsors this affair annually. Attending from Pinckney were Mr. and Mrs. Ben Pietra, Mrs. George Wodyga, Mrs. Ralph Hill, Mr. and Mrs. Bert Wylie, and Mr. and Mrs. Asher Wylie.

David Jonckheere showed slides and talked of his experiences in Venezuela with the IFYE program.

Lester Docking of Detroit called on his sister and her husband, Mr. and Mrs. George Crane of West M-36. Mrs. Ethel Sprout and Norm Patton called on the Cranes last Sunday.

Mrs. Frank Richard of Rush Lake had minor surgery at St. Joseph Mercy Hospital and returned home Saturday. On Sunday, Mr. and Mrs. Frank Richard had dinner with their friends and neighbors, Mr. and Mrs. James Everard.

Mrs. Marjory Howell, a flu victim, has been absent from her duties at the Pinckney post office for the last several days.

The James Whitley family called on Jim's parents, Mr. and Mrs. William Whitley of Ann Arbor, Saturday.

Mr. and Mrs. Robert Ackley were in Detroit Saturday visiting Mrs. Ackley's mother, Mrs. Irene Jack at the Arnold Home.

HILLY HUSTLERS MEET

The Hilly Hustlers 4-H Livestock group met at the Asher Wylie home Wednesday evening with eleven youngsters present. Leaders for this club are Bert Wylie and Dr. Posler. The Hustlers have sheep and dairy projects

for the year. Officers elected were: President, Bonnie Wylie; Vice-president, Bill Wylie; Secretary, Diane Posler; and Treasurer, Joanne Wylie.

Visitors at the Woodroe Massey home on Rush Lake Road last Sunday were Mr. and Mrs. Bob Robinson of Southgate.

Mrs. Tressa Coyle fell last Thursday evening at the Mark Melvin home and was taken to the McPherson Health Center by ambulance. No bones were broken, but she is still a patient at the hospital.

Mr. and Mrs. Rudolph Koepfer called on the Harry Toon family in Ann Arbor on Sunday.

Mrs. Hubert Curtis and daughter, Susan, visited at the Koepfen home Monday afternoon.

BOY FOR THE GAYNORS

Mr. and Mrs. Leland Gaynor are singing lullabies to a brand new baby boy named Kevin Lee born at St. Joseph Mercy Hospital Monday, February 24. The Gaynors have one other child, Gregory, almost two years old.

Mrs. Gaynor is the former Keanna Hunt, a 1960 graduate of Pinckney High, and daughter of Mr. and Mrs. Kenneth Hunt of Unadilla Street.

This is the second grandchild for the Hunts.

The Missionary meeting for the People's Church was held Monday evening at the home of Mrs. Alice Stockton. The group sewed on garments of the Michigan State Hospital at Howell and did other mission work. Refreshments were served after the regular meeting. The group will meet next at the home of Mrs. Donna Fuhrman.

Mr. and Mrs. William Euler attended the Farm Co-op Meeting held in the Southwest School in Howell Tuesday evening.

The student council of the Pinckney Elementary School presented a plaque to the Pinckney Kiwanis Club members Tuesday evening in recognition of all the many things the Kiwanis has done for the young people of the community. More on this next week.

Georgia Devine, daughter of the George Devines (and Mrs. Jennie Kellenberger's granddaughter) is back in her third grade classes after an appendectomy at the McPherson Health Center.

Mrs. Arnold Bechler and Mr. John Reidel were here at the Caravel house in Howell on Tuesday, February 18.

CRAZY MIXED UP CHICKENS

Those warm spring days we have been having have confused even the chickens. Thinking spring had arrived, a mama hen set up house-keeping and six little banty chickens hatched out at the home of Mrs. Everett Hamell on Darwin Road. Perhaps this is a better sign than the ground hog myth.

Mrs. Robert Vedder is home now after a nine day stay at the McPherson Health Center where she underwent surgery.

The Rainbow Board met at the home of L. J. Henry on Unadilla Street last Monday evening.

Clifford Haines was in Mason last Sunday visiting with his father, Ora Haines and his aunt, Mrs. Grace Demaska.

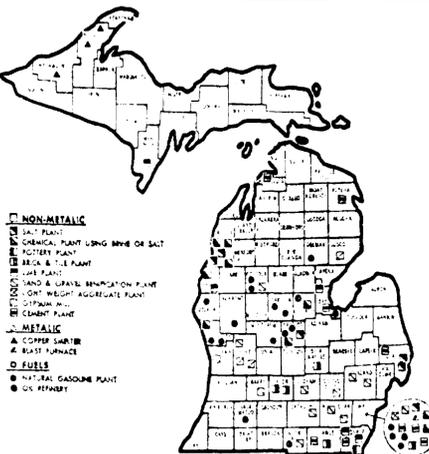

SPEECH ROOM IN OPERATION AT PINCKNEY ELEMENTARY

The new furniture for the speech room at the Pinckney Elementary School has arrived and the room is in operation. A special therapist, Miss Sybil Pierson of the Special Education Department in Howell, comes two times a week to work with the children with speech problems.

Mrs. M. Radke, remedial reading specialist, comes four times a week to teach all youngsters needing help in reading.

About 20 relatives gathered at the Lyle-Kinsey home on Pearl Street Saturday evening February 8 when the engagement of Joyce Green of Linden and the Kinsey's son, Roy, was announced. Roy is

Michigan's Mineral Wealth Explored at WSU Conference

DETROIT — Michigan's rich mineral resources, which have given rise to processing industries of great importance to the State and the world were recently reviewed at a State-wide conference on "Michigan Faces the Future," held at Wayne State University.

Copper, iron ore, salt, natural salines, lime and gypsum were among the items of Michigan's wealth considered by the conferees. These and many others have long been extracted, with oil wealth becoming more recently important.

Processing plants for these minerals are scattered over the State and their location gives a broad picture of the deposit sites themselves. At least one major step in mineral processing is normally accomplished at the mining site.

Indication of the variety and spread of the plants is provided by the above map prepared for the conference. The Michigan Department of Conservation provided data for the map, which appeared in a 100-page conference booklet prepared at Wayne State.

Emphasizing the conference's importance was the appearance of both State and national officials, among them Gov. George Romney and Hon. William M. Roth, a representative of President Johnson's office.

Over 300 participants from various industries of the State and from Michigan's colleges and universities participated in the meetings, sponsored by the Michigan Aeronautics and Space Association, Michigan Aerospace Foundation, the University of Detroit, the University of Michigan, and Michigan State and Wayne State Universities.

Chain Letters are Back

An upsurge of college campus chain letter schemes involving United States Savings Bonds, Postal Money Orders and cash has prompted Chief Postal Inspector Henry L. Montague to order a nationwide crackdown on violators of the postal lottery and fraud laws.

The Chief Inspector noted a step-up in chain letter activity in college towns across the country. The participants, he said, appear for the most part to be college students.

He cited reports of chain letter schemes at colleges in Mississippi, Wisconsin, Indiana, Massachusetts, New Hampshire and New York, among others.

Mr. Montague warned that even though some of the chain letters involved are transferred hand-to-hand, and state "No Not Mail," the schemes still may be violations of the postal lottery and fraud laws, in that the proceeds from the chain letters are usually mailed.

The terms of 18 U.S.C. 1202 are broad enough to encompass anything concerning the conduct of a lottery, including bonds sent pursuant to an endless chain scheme, even though the letters may be distributed by hand.

Mr. Montague noted that the U. S. Treasury Department also disapproves of the use of these schemes as a means of selling savings bonds. As early as February 1955, the Secretary of the Treasury asked all Federal Reserve Banks to advise all issuing agents to reject applications for savings bond purchases when the applicant states or where the agent has reason to believe

the applications were made in connection with a chain letter scheme.

A reminder of this ruling has recently been sent by the Treasury Department to all of its state directors.

The typical chain letter provides for a monetary item to be sent to the name on the top of an enclosed list, after which that name is removed and the new participant's name is added to the bottom of the list. Copies of the chain letter are then sent to two more people.

Generally, when savings bonds are used, the letter is purchased with a bond and another bond is sent to the person at the top of the list, whose name is then removed. The new participant adds his name to the bottom and attempts to sell the letter to two additional participants in order to continue the chain and recover his investment.

Mr. Montague noted that efforts to avoid prosecution under the lottery laws by eliminating the element of chance are evident in some of the recent chain letter schemes. This gimmick involves having the potential participant place his own name on the bond and to purchase the letter, as a co-winner. This enables him to cash the bond, if he is unable to sell two letters, thereby incurring no loss to himself.

However, Mr. Montague noted, the General Counsel of the U. S. Post Office Department has ruled that despite this dodge, the scheme remains a violation of the postal lottery and fraud laws.

NHS Chapter Installation

In 1921 the National Association of Secondary School Principals founded an organization for the purpose of stimulating high Scholarship, constructive Leadership, purposeful Service, and worthy Character among students. It was christened the National Honor Society of Secondary Schools. Thursday evening, February 27, Pinckney High School will become one of the eleven thousand member schools of the organization as the charter members of P. H. S.'s John F. Kennedy Chapter of the National Honor Society are formally installed in a candlelighting ceremony.

The credit for the idea of beginning a N. H. S. Chapter in Pinckney must go to Mrs. Helen Walton, an instructor at Pinckney High School, and Mrs. Grace Puravs, the high school librarian, both long members in good standing of the Society. They consulted the administration, then, after checking the records, called a meeting of those students eligible, those Juniors and Seniors with at least a cumulative "B" average for four consecutive semesters. At this meeting, Mrs. Walton and Mrs. Puravs outlined the ideals and aims of the Honor Society, stressing the advantages of membership to the students, the encouragement of good scholarship and character, the high standards set and the help offered in regard to college application. The majority of the prospective members agreed that forming a local N. H. S. Chapter was a good idea and the machinery was set in motion to draft a constitution and obtain a charter for Pinckney.

The faculty considered and approved the twenty-two candidate members who will become official members Thursday evening. And it will be then that the history of Pinckney's John F. Kennedy Chapter of the National Honor Society will really begin. A history that members and sponsors alike hope will put the ideals of the National Honor Society in a new light in Pinckney.

A 1963 graduate of the Pinckney High School and at present is employed at the McPherson Health Center. The date of the wedding was not set.

Saturday evening, February 22, Mr. and Mrs. Lyle Kinsey and their family observed the 36th wedding anniversary of the Kinseys.

Six People Injured In County

Marie Batzer, 31, and her son, Mark, 2, of Detroit, were injured in an accident on US-16 at Sleaford Rd. on February 18 about 2:30 p.m.

Mrs. Batzer told sheriff's deputies that she was taking her son for a ride and had started home when she woke up in the hospital not knowing what had happened.

They were taken to the McPherson Community Health Center by ambulance for treatment.

Robert R. Berry, 8660 2nd St., Pinckney, was injured when he hit a chuckhole in the road, lost control of his car and struck a tree.

The accident occurred on February 19 about 7:20 a.m. on the Pinckney-Detroit Road just north of Darwin Road. Berry was taken to a doctor

in Hamburg for treatment of his injuries.

Harold Leslie Smith, 36, of 127 Jackson St., Fowlerville, received minor injuries on February 19 when he lost control of his car and went off the road.

He told sheriff's deputies that he had two dogs on the front seat of the car and that they went off the road and he was unable to pull back on because of a deep ditch. The accident occurred about 5:30 p.m. on Nicholson Road, just south of Van Buren Road.

James Michael McKinstry, 25, 6865 Beth St., Brighton, was ticketed by sheriff's deputies following an accident on February 19 about 10:15 p.m. on the entrance ramp

to southbound US-23 just south of Lee Road.

McKinstry first told deputies that he had left the Bowl Bar in Brighton and picked up a hitchhiker who beat him up and stole his car but later he changed his story. He was ticketed for being drunk and disorderly.

On February 20 about 10 p.m., Lucile Gladys Barker, 54, 5010 Hogback Road, Fowlerville, was injured in an accident on Cemetery Road, just north of Grand River.

She was unable to tell deputies just what had happened and was taken to her home.

Adeline F. Dare, 40, 6142 Aldine, Brighton, was ticketed by sheriff's deputies on February 23 following an accident on M-36 just north of the Huron River bridge.

Card of Thanks

We would like to thank our relatives, friends and neighbors for the beautiful flowers, gifts and cards received on our 50th Wedding Anniversary. Special thanks to our children and their families for a lovely day with many pleasant memories.
 Mr. & Mrs. Sam Epley

We wish to express our thanks to the many friends for their kindness at the time of our loss of our husband and father. The gifts of flowers, cards, food and expressions of sympathy will long be remembered. Special thanks to Mr. and Mrs. Clarence Buxton, Mr. and Mrs. Wm. R. Ernst, Mr. and Mrs. Frank Boylen, Rev. Nevin and the Naomis Circle of the W.S.C.U.

Mrs. Clyde Kelly
 Mr. Ralph Kelly
 Mrs. Ruth Ross

With great appreciation we wish to thank all the people in the community who took of their time and effort to make February 20th a most special day in our lives. Thanks to Rahrig's Bakery for the beautiful cake, to the other ladies for the other cakes and cookies, to Norm Topping for the delicious fruit punch, for the beautiful, comfortable, rocking chair, the cigars, flowers and other wonderful gifts, and a special thanks to all the people who came to Pilgrim Hall to the open house celebration.
 Dr. & Mrs. Ray M. Duffy

I would like to personally thank everyone who helped in anyway toward making our Dr. Duffy Day such a huge success.
 Mrs. Harriet Rahrig, chairman 2-24-p

Our sincere thanks to friends and neighbors for the many cards, letters, calls, flowers & other acts of kindness during our recent illness. Your thoughtfulness is appreciated & will long be remembered.
 Mr. & Mrs. A. B. Bitten

Billion-Dollar Financial Institution
 (NOT INSURANCE) Planning to expand operations in Brighton area, needs several more local men, age 35 to 45. Must be ambitious, energetic, able to provide excellent character references and have stable past employment record. Experience in distribution, public service or sales desirable. We are seeking men who desire dignified work with greater opportunity for increased earnings than their present occupation or position provide. Applicants should be completely retrained for a specialized career and a permanent position with our firm. Reply by letter, giving complete resume, and include a brief statement about why you are seeking this position. Also, include a telephone number where we can reach you to arrange an appointment for interview. All replies will be strictly confidential.

INSTANT HAPPINESS

Is What Mrs. Alfred LaBush and her Husband and Children Found . . .

In Her New Home Purchased In The Brighton Country Club Annex . . . Read The Letter Below on the Advantages of this Home.

MRS. ALFRED LABUSH

Donald Henkelman Co.
Brighton, Michigan

My family, like Mrs. Thomas Hunt's family, would like to thank you for making it possible to purchase one of your homes in the Brighton Country Club Annex.

We find the home very economical and spacious, as well as the convenience to the shopping facilities, schools and churches.

Sincerely yours,
Mrs. Alfred LaBush

YOU TOO CAN OWN ONE OF THESE

3 BEDROOM HOMES

Recipe Contest

Proof of this pudding is in the eating, for sure, and women who work have the opportunity to prove their culinary skills during a "Salute to Women Who Work."

The best recipe for a one-dish meal entered in the "Queen of the Kitchen" contest will earn the choice of one of six very best deluxe electric ranges. Second prize is a meal-size electric broiler-rotisserie and the third-place award is a 7-speed blender.

A feature part of "Women Who Work" week, which will be observed the week of March 29, the contest is open to any woman in Southeastern Michigan who is employed full time outside her home. She may be married or unmarried and of any age.

Ten finalists will be judged by the Newspaper and Broadcast Food Editors of Detroit. Judging will be done at a cook-off to be held at the Edison Electric Living Kitchen in Detroit on April 2. Contestants must be present.

Working women are invited to send their favorite recipe for a one-dish meal, along with name, address and place of employment to "Queen of the Kitchen," Edison Office, 200 E. Grand River, Brighton. Deadline for entries is March 18, 1964. Judges' decisions are final.

**You'll Have a
Wonderful Feeling**

... when you put yourself in our hands. Whether you're house hunting, selling or both — your interests are OUR interests!

Our background of experience is extensive... and is ready to serve you. Satisfied clients have made our reputation. So why not come in and put your housing problems in our hands?
