The Way We Hear It

BY: DOLLY BAUGHN

... I wasn't the only one who thought we had had it—as far as wintery weather, snow wise, was concerned. In fact, wasn't it a shocker to get up Monday morning and see so much snow left after that weird electrical storm Sunday night. I thought sure the rain would have rinsed it all away!!

... there were 12 different "write-ins" on the ballots Monday. Even "Joe Blow" merited a vote as a write-in.

... when one of the newly elected councilman was approached Tuesday morning as to "why the snow was not cleaned off the streets by 9 a.m.?" the reply was that so many people had complained that their wells were getting low of water—and for two weeks there had been no snow or rain to speak of—and now within 12 hours of the election, here was a nice big snow storm to help in the "well-emergency!"

... last week's paper stated that Mr. and Mrs. Leonard Lee had three daughters—well that was wrong! And we apologize to their son, Jack. (And we would like to add our condolences while he is ill in the hospital. He is stationed with a missile unit at Belle Isle.)

... Friday about noon the Pinckney fire department experienced use of their radio-communications system between Howell sheriff's office and the Pinckney fire hall. Assistance was needed at a place just off of North Territorial Road, toward Detroit, where a very large farm home was burning. Fire chief Robert Amburgey, accompanied by firemen Jerry Speake, received instructions via radio, that more water was needed at the scene of the fire—therefore, they took the small tanker and went to aid other departments. Reports were that seven pieces of equipment were in use to extinguish the blazes.

... the minutes of the late school board meeting are nicely written up and printed on another page in this week's issue. Be sure and read them—they are most informative.

... a person who went by the door of the home ec room in which the school board was meeting last Thursday night thought someone must have been "pretty mad," cause they could see blue smoke coming from within—well, no one was mad, that was only Mr. Roth's cigar he "lit" up about half way through the meeting. He has changed over to cigars since that cigarette scare a

couple of months ago—He doesn't want cancer!

... a large van pulled up in front of the Putnam townhall and someone said it must be the new filing cabinet purchased by the Township board that the men unloaded.

... Kathy Ruggles, in competing in the "1964 Betty Crocker Homemaking of Tomorrow" contest received recognition among the top ten percent of the contestants, giving her a "Superior" rating. Congratulations, Kathy!

... the owners of the "Hell Creek Riding Stables" have purchased the former AtLee farm on Cedar Lake Road and will enlarge their "Stable" business rather extensively this coming spring. They plan to use the house on the property as a club house, and will endeavor to hold hay rides, rodeos, and many various activities, aside from just the usual trail - horse-back - riding bit. They have also, received permission to use the state owned property where at one time the ski-tow was located. This will be used for trails for the horse back riders.

... the Emmett King's feel they really had a choice bit of news this week. Over the weekend, they neither went away, nor did anyone come to call on them! How about that? Mr. King thought this tremendous news for them!

... Phil Gentile is out in Colorado for two weeks to do some skiing. He is of late, ex-owner of the Del-Rio Bar in Ann Arbor, and plans to spend his time now operating his hardware business in Pinckney. Mr. Paul Metzger, who owns the Old German Restaurant in Ann Arbor, accompanied Phil on this skiing jaunt.

... we have two "heroes" amongst us in this small community, — but such modesty! They wish I would not even mention their heroic deeds, let alone their names. — But, these things must not go unmentioned. I shall, however, oblige the two and keep their identity a secret.

... while each deserve top billing, this is impossible, and I shall go by the order in which they happened. While digging footings for a cottage near Triangle with excavating equipment he is part owner of our first hero, who is in his early 30's, and wears glasses, heard screams coming from Triangle Lake. It seems this as yet unidentified young girl, about age 12, had ventured out on too thin of ice, and had fallen, face down in the cold icy water. Just exactly what

would have become of the young lass, no one shall ever know—our hero pulled her to safety.

... the second happening was last Friday morning. A cashier at the McPherson State Bank entered the bank to make ready for the day's business. When it came time to open for the public — the key would not turn in the lock. As people began to line up, waiting for the bank to open, and a few with money began to panic, only one thing remained to be done. This is where the second hero comes into the picture! The "locksmith" was called from his place of employment, which is Lavey's Hardware, and equipped with the right tools, just like that! he opened the door!

... anyone should agree with Sam Gentile, these two gentlemen deserve some recognition!

Bridal Shower Is Held In Beauty Shoppe

How about that for a "first?" Rather appropriate too, considering it was to honor beauty operator, Patricia LaPrad, employee at the Village Beauty Shoppe, Pinckney. That also happens to be the place the event took place, too. — Sunday afternoon, 3 to 6 p.m.

Of course, after rather extensive rearranging of the shop's dividers, dryer chairs, and other furniture—one had to look mighty close to see that it was ever a beauty shop at all! And then, too, the floral arrangements, lighted pink candles, pink and white streamers, and the prettily decorated umbrella that was placed on the back of the chair, specially decorated for the guest of honor, helped a great deal to make one forget that the shop was not a beautifully decorated hall of some sort!

Nearly fifty women guests toted many beautiful gifts to the party that will prove to be most helpful to Miss LaPrad after she becomes the bride of Mr. Robert Beck on April 11, and she begins the task of housekeeping. Mrs. Daniel Rosiecki and Mrs. William Baughn were hostesses, and were assisted by Miss Beverly Umstead and Mrs. J. G. Naylor. Guests were served punch, tidbits for snacking, cake and coffee.

Farm Bureau Members Tour U.S. Capital

Mr. and Mrs. Clifford Van Horn of Henry Road were among the thirty two Farm Bureau members who flew to Washington, Sunday, March 1st for a tour of the United States legislature.

The Van Horns, representing Livingston County, visited the Farm Bureau offices in the capitol explaining the problems that are being processed through legislature.

"The big issue now," Van Horn said, "is the wheat and cotton bill that some legislators are trying to process through legislature. The farmers voted 8 to 1 against the wheat referendum last May, now Congress is pushing this new bill through against the farmers' wishes; thus taking away their freedom to run their own business. The farmer does not want subsidy forcing the government into debt."

The Farm Bureau group had breakfast with Congressman Chamberlain in the Legislators' cafeteria. They also had a meeting with Neil Stabler, Philip Hart, and Robert McNamara.

Mr. and Mrs. Van Horn also enjoyed a tour of the Supreme Court, Agricultural Department, White House, the Capitol, Arlington Cemetery, Engraving and Printing Department, Mt. Vernon, and the Smithsonian Institution.

The Van Horns returned to Pinckney Thursday, March 5th.

John Seeks F.T.A. Office

JOHN WALTON, JR.
Our local F.T.A. Club was delighted to hear that its nominee, John Walton, Jr. is on the state ticket as candidate for Historian-Parliamentarian.

John is well qualified for the office with an A-scholastic average; membership in the National Honor Society; an excellent cadet teaching record; regional delegate to Phi Tau Alpha; as well as a reputation for dependability, dedication, and the ability to look ahead in education as a social process.

John has been a quiet, but very active member in Pinckney F.T.A. for three years. It was he who carried the symbol of Education, beating the evils of PREJUDICE, IGNORANCE, AND APATHY, in our Homecoming Parade three years ago. He has helped faithfully in his unobtrusive manner with every activity of the club, locally as well as regionally. Here's wishing John the best of luck at the state conference March 20, 21, and 22 at St. Mary's Lake, Battle Creek, which he will attend accompanied by Clair Bell, his campaign manager, and Mrs. Irene E. Miller, local club sponsor.

Lorenzo Murphy, Assessor

Murphy Is Only Incumbent Left

One hundred eighty-eight voters came to the polls Monday, March 9, to put into office, with the exception of one candidate, a completely new slate. Lorenzo Murphy, Pinckney assessor since 1949, was re-elected to serve his 16th consecutive term. Stanley Dinkel, who has been village president for the last 15 years did

not seek re-election. He is now serving as township supervisor.

Merwin Campbell, on the Union ticket, with 124 votes, was elected as village president. Robert Ackley, who did not appear on the ballot, had 28 write in votes. Zip Frost had one write-in vote.

Alice Gray, with no opposition appearing on the Citizen's ticket, was voted into office with 136 tallies. Write-ins for clerk on the Citizen's ballots were as follows: Bob Amburgey, 2; Bob Ackley, 1; Anna Doyle, 1.

Bob Parks Does It Again!

First to report of sighting Mr. Robin Redbreast again this year was none other than Bob Parks, co-owner of the Pinckney General Store. Bob reports his wife, Mildred, heard one chirping early Sunday morning and told him so, and so as not to have too much doubt placed on her shoulders, Bob ventured out into the back yard, "on tippy toe" and by golly, there sat Mr. Robin chirping away "just as if he knew what he was doing in these parts in this still so cold time of year." Bob was first to sight this state protected fine feathered friend last year.

Two other reports came into the office Monday morning, and as to being positive just who saw the first robin first could be far from accurate. At any rate, Mrs. Margaret Green, 11461 Sunset Blvd., Highland Lake, called in to report she spotted one of the little fellows early Monday morning.

A third report came from Mrs. Marion Becher, out East M-36 way. She said she spied 5 robins Monday morning near her home.

With all these robins, warm weather certainly can't be more than two or three months away!

R. W. C. To Meet

The regular monthly meeting of the Republican Women's Club will be held March 18 at 1:30 P.M. in the Supervisor's Room at the Court House. Mrs. Norma Kuhn, 5239 S. Fenton Road, Fenton, Vice Chairman of the Republican County Committee, will be the speaker for the afternoon. Her subject will cover the duties of the Vice Chairman, management of Headquarters, need and use of volunteer work, and plans for the booth at the Armory for the Builder's Show April 17th thru 19th. Let's all pull together and make this a banner meeting with a full attendance.

Rachael Haines, with 106 votes defeated the incumbent Rosemary Whitley, who had 76 votes, for the office of village treasurer.

Of the five trustees in the running, the three with the highest number of votes were elected. These were Leonard Lee with 107, George Roth with 106, and Howard Thayer with 103. Vincent LaRosa with 96 votes and Asher Wylie with 88 were not successful.

Write-ins for the office of Trustee on the Citizen's ballot were as follows: Bob Amburgey, 3; Tom Howe, 1; Joe Lavey, 1; Eugene Dinkel, 1; Bob Ackley, 1; Marilyn Lavey (already a trustee), 1; and Joe Blow (who-ever-he-is) received one vote.

By taking the oath of office from the present village clerk, Robert Ackley, these candidates will assume office any time within ten days after the election.

This is the first time in a good many years that there has been much interest shown in village politics. Most elections have had only one slate presented to the voters, with only forty to fifty persons coming out to mark their ballot.

Serving on the election board were Virginia Amburgey as chairman, with Rose Wylie, Mildred Ackley, Marie Vedder, Claude Kirschke, and Clarice Reason as election inspectors.

The Board of Canvassers, who examine the election returns and verify the results, were Herman Vedder, chairman; Otis Matteson, vice-chairman; Floris Clarke, and Otto Poulson.

Scouts Pass Swim Test

Boy Scouts of Troop 58 spent Saturday afternoon at the YMCA in Ann Arbor undergoing swimming tests. There are 34 boys who are members of this troop, and out of the 31, twenty eight boys were present Saturday, and passed the test. This test was to prove their ability in swimming.

William Krause, Mr. James Merna, Mr. John Towsley and, of course, Scout Master, Don Oleski transported the boys to Ann Arbor.

Wednesday, night this troop planned to be at the roller rink in Brighton, roller skating. This is a very active scout troop, and are most fortunate to have a leader that gives of his time and efforts, such as Mr. Oleski.

March Brings Out Kites And Danger

With the coming of spring, all children and kite enthusiasts should be reminded of the dangers inherent in this activity unless certain unsafe practices are avoided. The following hazards should be avoided.

1. Don't fly a kite with metal in the frame or tail.
2. Don't use tinsel-string wire or any twine with metal in it.
3. Don't fly a kite in the rain.
4. Don't pull on the string or climb a power pole to loosen snagged kite.
5. Don't fly a kite over TV or radio aerials.
6. Don't fly a kite near electric or power lines.
7. Don't run across streets or highways while flying kites.

Adherence to the above precautions for kite flying will avoid any unfortunate accidents which have sometimes occurred in the past, and will make this sport safe and enjoyable for all participants.

LIBRARY NEWS

New Books this week include: Hoover, "The Long-Shadowed Forest" — an artist and his wife enjoy the wild life in northern Minnesota. This is a delightful book which all nature lovers will enjoy.

West, "The Shoes of the Fisherman" — a novel about a man elected as Pope in THE troubled world of our times, and what happens to him when he takes office.

St. Mary's shelf has Hatch, "A Man Named John" — the biography of Pope John XXII.

This is an amazingly clear and complete picture of one of the twentieth century's great men. For our reference shelf, for use in the library, we have THE WORLD BOOK YEAR BOOK, 1963. It contains an account of the world as it is today — the situation in various countries and the critical issues; a resume of Kennedy's administration and his assassination; a biography of the new president Lyndon B. Johnson and a special report on Canada, the "Unknown Giant."

In Michigan...
after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—singing, skating, or at your ease in the game room—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Michigan...beer goes with fun, with relaxation

BOARD MINUTES

REGULAR MEETING

March 5, 1964

Meeting called to order by President Walton at 7:50 p.m.

Roll Call:
Present: Kinsey, Roth, Walton, Line, Collier, Swanson, Radloff

Absent: None
Minutes of regular meeting held Feb. 2, 1964 were approved as read.

Staff Reports:
Mrs. Stackable reported on the Principals Convention which she recently attended in Chicago.

Mrs. Kellenberger reported that the staff and students of P.H.S. have been engaged in a project to compile material for use at the Southern Michigan Prison Academic School.

Mr. G. Dunn reported on the progress of the Special Education program and presented the recently developed Remedial Reading schedule for the school district.

Mr. R. Dunn reported on the apparent need for an additional bus in the 1964-65 school year.

He also stated that all involved buses have been rerouted to avoid inadequate bridges throughout the district.

Mr. Black reported on the progress of the present school building program.

Mr. Reader reported on his recent trip to the Atlantic City School Convention. He also reported that school lunches have increased from 6,000 to 10,000 per month since the adopted decrease in prices. He stated that this increased volume has not materially effected the net loss of this program to the district.

OLD BUSINESS:
Mr. Walton expressed the student need for counseling and requested a report on the progress of our district in establishing such a program. Mrs. Stackable reported that her extensive efforts to secure a qualified candidate for the position of Counselor are continuing, but have been unsuccessful to date.

Swanson reported that a budget of \$19,570.00 was approved by the County Board of Education at a special meeting held Feb. 20, 1964.

Motion by Roth, second by Swanson that Special Education and Guidance personnel be given special wage consideration in addition to the normal starting salary.

Motion carried.

Motion by Kinsey, second by Line that teacher salary schedules be increased by \$200.00 per year.

Motion carried.

Motion by Swanson, second by Collier that the teachers paid sick days be increased from 6 days to 8 days.

Motion carried.

Motion by Collier, second by Kinsey that teachers accumulated sick days be extended from 30 days to 60 days.

Motion by Collier, second by Swanson to amend previous motion to read, 30 days at full pay and 30 days at half pay.

Motion by Kinsey to amend previous motion to read, teachers will be allowed to accumulate 8 sick days per year.

Motion by Swanson second by Kinsey that motion be amended to read, teachers will be required to furnish a "Doctors' Report" after 7 calendar days of absence.

Motion by Collier, second by Swanson that all amendments be incorporated in original motion and approved as one. Motion carried.

Motion by Roth to have the Francis Shehan property ap-

praised was dropped for lack of support.

Motion by Swanson, second by Line that Mr. R. Dunn be instructed to take bids on a new school bus. Motion carried.

Motion by Line, second by Swanson that a letter be sent to commend Mr. Clark for his long and dependable service as a school bus driver for this district. Motion carried.

Motion by Swanson, second by Line that the reduced school lunch charge be continued for the remaining portion of the school year. A discussion indicated that approximately 4,000 additional meals are being served per month without additional cost to the district. Motion carried.

Motion by Roth, second by Line that the district send Mr. McClusky to Florida to take part in the design of a program for modern Math. Motion carried.

Motion by Roth, second by Swanson that Mr. Reader be authorized to proceed as necessary in the final preparation of our bond sale brochure. Motion carried.

Motion by Swanson, second by Line that the application for qualification of bonds, as read by the Secretary, be approved. Motion carried.

Motion by Roth, second by Line to pay bills as read. Motion carried.

Motion by Swanson, second by Line that meeting be adjourned. Motion carried.

Mrs. Jennie Kellenberger, principal of the Pinckney Elementary School, has been awarded the citation of Citizen Cum Laude in appreciation for her significant contributions to the success of "Bootstrap." Her certificate carries the Gold Seal of Approval of the Cooper Street School, Jackson, Michigan.

If anyone wonders what the Cooper Street School is — it's located in Southern Michigan Prison at Jackson. "Bootstrap" is the title given the Rehabilitation Through Education Program of the Academic School.

Mrs. Kellenberger with Mrs. Wilzetta Brown of Parkwood Elementary School, Inkster, and with other members of the Michigan Elementary Education Committee has been attending a February workshop at Jackson, teaching techniques to use in English and ways of motivating English activities to the inmate teachers.

Mrs. Kellenberger began this rewarding work while serving on the Michigan Elementary Curriculum Committee. Mrs. Wilbert Laubach, supervisor of the elementary school at Jackson, also a member of this committee, instigated a workshop in August. At this time Mrs. Kellenberger worked on a reading program.

The inmate teachers, students in this elementary education program, return impart their knowledge to about 200 prisoners. The latter, many unable at the beginning to read at fifth grade level, may go on to finish their high school educations.

Many of the pupils of the Pinckney Elementary School have been knowingly and unknowingly contributing to Mrs. Kellenberger's success by having samples of their activities used at the school.

In fact, the staff and students of the Pinckney Elementary School received the following letter:

School News

Dear Staff and Students,
We, the English instructors of the Southern Michigan Prison Academic School, wish to express our boundless gratitude for the generous assistance you gave to Mrs. Kellenberger in compiling materials for last week's Workshop here at the prison.

To the fourth-grade students who made it possible for us to compare your excellent written compositions, it is our profound regret that we are not able to thank and compliment each of you individually.

To David Wudyka and the entire staff of the News of all Ages, we take particular delight in complimenting you on the uniqueness of your paper. We also want you to know that we followed your explicit instructions and read every single story, poem and joke. It provided a most rewarding experience.

Unfortunately, there is neither space nor words powerful enough to describe the depth of our gratitude for the assistance you have indirectly given us. We do hope, however, that it will give each of you a feeling of personal satisfaction to know that many of the materials and ideas used in last week's Workshop will be used to help the English students here in the prison.

Most sincerely yours,
Clement M. DeDeaux

BPWC Fashion Show Planned For St. Pat's Day

Business and Professional Women's Club of Brighton will hold their annual spring fashion show on St. Patrick's Day, March 17 at 8 p.m. in the Hawkins School Gym. Tickets are \$1.00 and can be bought from all members or at the door. Door prizes and other prizes will be given to lucky people as always.

Refreshments will be served after the show.

The proceeds of the show go into a scholarship fund for some lucky girl in the Brighton area. Last year the show yielded enough for two scholarships. Ada Glendinning, Style Show Coordinator, and Mary Mathias are working on the show.

The ladies do a fine job in this field each year and we are all looking forward to the big night. Come early to be assured of a good seat.

Local and out of town shops will participate in the event. Modeling is also done by local people professionals and non-professionals.

Remember men, fashion shows are for you as well as the ladies. Come with your lady friend and let her know what you would like her to wear.

B.P.W. thanks you for your interest in the Style Show in the past and are inviting you for a delightful evening. See you at Hawkins School March 17 at 8:00.

"Queen of the Kitchen" Contest Open to All Area Working Women

The third annual Detroit Edison cook-off to select the "Queen of the Kitchen" among working women is under way. The cook-off is held in cooperation with the Central Business District Association's annual Salute to Women Who Work Week which begins March 29 in Detroit.

According to Gage R. Cooper, manager of Edison's Ann Arbor Sales Division, this year the contest is open to any girl or woman working full time who lives in Southeastern Michigan. Each is invited to submit a recipe for a one-dish meal either to the local Edison office or to Electric Living, 2000 Second, Detroit, Michigan 48226.

Electrical appliances will be awarded to ten finalists.

The grand prize is a new deluxe electric range. The "Queen" will have her choice of six models from nationally known manufacturers.

Detroit Edison will also present a second prize of a family rotisserie and a third prize of an electric seven-speed blender. Seven other valuable appliances will be awarded.

Deadline for entries is midnight, Wednesday, March 18.

Each entry must include a name, address, telephone number and occupation. The contestant must be able to compete in the cook-off which will be held in Edison's Electric Living Kitchen in Detroit on Thursday, April 2.

Professional home economists and cooks and employees of Detroit Edison and members of their immediate families are not eligible.

Home economic experts from newspapers, radio and television will serve as judges and select the ten most interesting and promising entries.

The ten finalists will be announced Wednesday, March 25. They will be guests at the gala Salute to Women Who Work Week Banquet in Cobo Hall Tuesday, March 31.

Marion Ryan, director of the Electric Living department, said that interest in the cook-off has been so great that the contest was extended to include all of Southeastern Michigan, the company's service area. Previous cook-offs were open to working women in Wayne, Oakland and Macomb counties.

Michigan has pioneered in the development and use of heavy motorized equipment for fighting forest fires. The federal government and other states are now using ideas developed at the experiment station near Rosecommon, the only one of its kind in the nation.

Supermarkets will spend more than a half billion dollars this year, says Trading Stamp Institute.

Miss Ryan said the recipes of the finalists will be published in a handsome booklet again this year for general distribution free of charge.

CLUBS

MODERN MOTHERS

The meeting for Modern Mothers will be held tonight at the A & P Store at 8 p.m. The subject will be various cuts and types of meats. Business will be conducted and refreshments will be served at the home of Mary Damstra, 12893 East Grand River.

COIN CLUB

A lecture series is inaugurated by the Livingston County Coin Club. Especially aimed at the novice collector, these sessions will also interest the advanced coin bug. Every hobby has many pitfalls. Knowing about detecting fakes, bogus or altered coins will save future headaches and money. Grading a coin also can mean the difference in dollars when buying or selling.

These and many items of interest to collectors will be shown in large illustrated form easily understood. No admission fee, only your interest in coin collecting is needed.

Meeting March 18 at 7:30, St. Johns Parish Hall on Sibley St., Howell, across the street from the Post Office.

LIVINGSTON PLAYERS MEET

Livingston Players will hold their March meeting Thursday March 12, 8:00 p.m., at West Elementary School. Highlights of the evening will be Dottie Barnes of Ann Arbor Civic Theatre giving a "Make-Up" demonstration.

All players are urged to attend and receive instruction on make-up. Cast Players bring a picture of yourself (snapshot size) for publicity to work with. Public is invited.

UNIVERSITY OF MICHIGAN CLUB

Doctor Roger Heyns, Vice-President for Academic Affairs at the University of Michigan will be the featured speaker at the March 12th meeting of the University of Michigan Club of Livingston County.

In making the announcement, Club President, Joe Brady, said "Dr. Heyns will speak on the subject 'Are Colleges Performing Their Functions by Teaching Students How to Make a Living. Rather Than How to Live?' The meeting will be held at the home of Mr. and Mrs. Robert H. McPherson, 220 Thompson, Howell, Michigan at 7:00 p.m."

REPUBLICAN WOMEN'S CLUB

The regular monthly meeting of the Republican Women's Club will be held March 18th at 1:30 p.m. in the Supervisor's Room at the Court House, Mrs. Norma Kuhn, 5239 S. Fenton Road, Fenton, Vice Chairman of the Republican County Committee will be the speaker for the afternoon. Her subject will cover the duties of the Vice Chairman, management of Headquarters, need and use of volunteer work and plans for the booth at the Builder's Show at the Armory April 17th thru 19th. Let's all pull together and make this a banner meeting with a full attendance.

NEIGHBORHOOD BRIDGE CLUB

The Neighborhood Bridge Club met Tuesday evening with Mrs. Ruth Tarrant, 4410 Van Amburg Road. Following bridge, a lovely dessert was served. Mrs. Mary Pearsall and Mrs. M. Wenzel were winners. Mrs. Mary Pearsall will entertain the club April.

DAR Girls Chosen

Mrs. John S. Page, Regent, and Mrs. William McPherson, IV were hostesses on March 3, for the regular meeting of Philip Livingston Chapter D.A.R. at which the five girls chosen by the high schools of Livingston County were guests. The young ladies were accompanied by their mothers. Each of the Good citizens received a pin presented by the D.A.R. Chapter and a book entitled "What the Daughters Do". They will be guests at the State D.A.R. Conference on March 13 at Grand Rapids with about 40 girls from Michigan high schools chosen as good citizens and exemplifying the qualifications for this honor of leadership, dependability, patriotism and scholarship.

The Honorable Wilfred H. Erwin, Municipal Judge of Livingston County, addressed the meeting on the subject "Citizenship and what it means to you." During the business meeting, the death of Miss D. Edith Bullock, a long time associate member of the chapter, was mentioned. On March 11, 12, and 13, members will attend the State D.A.R. Conference in Grand Rapids. The next meeting of the Livingston County chapter will be at the home of Mrs. B.H. Glenn in Fowlerville, subject "Old Glass," on April 7.

JUMBLED JOTTINGS

By: KATIE TOPOR

Corinthian Shrine 52 will have its annual meeting this Thursday at 8 p.m. in the Masonic Temple.

Mrs. Ruth Baldwin is slowly recovering from major surgery undergone last week at St. Joseph hospital in Ann Arbor. Her room number is 406 and she would be delighted to hear from her friends.

According to an article in one of the daily papers, Jim Buck who used to earn more than \$15,000 as a salesman but got bored with selling has become a professional dog-walker, dog-trainer and dog-sitter. His private enterprise sometimes brings him in \$500 a week. That's going to the dogs in a big way.

Laura O'Leary and Arch Petersen attended Friendship Club at the home of Mr. and Mrs. Graham Fether in Livonia on Sunday and then called on Mrs. Stanley Lince who is a patient in Redford Community hospital.

Robert Schiefer, who was principal of Howell High School, is a patient at University of Michigan Hospital.

'Michigan Week' Community Heads Have Been Named

HOWELL — The appointment of Michigan Week community chairmen for Pinckney, Howell and Fowlerville was announced this week by Douglas Parmenter, Livingston County chairman.

Dean Smith, of Cleveland Metal Abrasive Co., will be the chairman for Howell, while T. Nelson Tobias, of Utilix Division, will serve in the same capacity in Fowlerville, as will Gerald Reason, realtor, in Pinckney.

The annual Michigan Week will be observed this year from May 17 through May 23.

Plans are now being formulated for the county parade which will be held in Brighton on May 16.

Parmenter is reminding the county residents that Michigan Week is only two months away. "It will be here before we know it," he said. "Anyone who expects to participate in any way

The shop is decorated with pine panelling and wallpaper, tables and chairs and a snack bar with old-fashioned metal stools at the rear. Miniature antique oil lamps, old signs, newspaper clippings and an old map of Howell adorn the walls and shelves. Two prominent items of decor are an old dinner bell and a 1904-06 ledger from Gouvier and Brown which once occupied the building.

Besides lunches and snacks, the store carries fine spices and flavorings, old-fashioned candy, jams, jellies, candies, soap and gift items just as in old general stores.

The store is open from 11 a.m. to 12 midnight every day with the exception of Wednesday.

The Pettibones are life-long residents of Howell and live with their two children, Nancy and Bobby, at 114 South Elm St.

Usable Clothing Being Sought For County Needy

Three Child Study clubs are teaming up with the Salvation Army to provide Easter outfits for needy children in the county.

Participating are the Pins to Paddles, Modern Mothers and Jack and Jill Child Study Clubs.

Usable shirts and dresses in sizes up to 14 are being sought and they must be clean and in good condition.

Mrs. Richard St. Onge, general chairman of the drive, is asking that any donated articles be brought to the Salvation Army store on South Michigan or to the Army office on North State St. between March 16 and March 20. Recipients of the clothing will come to the store on March 25 and 26 to make their selection. She estimated that clothing for 500 children is needed.

Gifts of money will be gratefully accepted and used to fill in articles that are not donated.

RUSS POTTER

Travel Film Offered By Howell Lions

On Tuesday, March 17, Russ Potter brings his brilliant color film to the Howell High School auditorium under the sponsorship of the Howell Lions Club. Potter is a native of Battle Creek. He majored in journalism and speech at Indiana University and has since had wide experience in radio and TV. In the travel-film field he started at the top in 1956 with a record-breaking film on Red Russia.

"Belgium — Land of the Masters" is the story of a significant land whose importance is world wide. All Europe has left its best in this tiny country steeped in the grandeur of the old masters yet alive with jet-age vitality. Here is the birthplace of the Common Market and the country which is spearheading the idea of "Europe, A Family of Nations."

The film will include the important cities of Brussels, Ghent, Bruges, Ostend, Antwerp, Mons and Liege. Visits will be made to guild houses, museums of ancient art with masterpieces of painting, sculpture and tapestry; you will take a boat trip through towns, a seaside vacation on the beaches of Ostend; you will see interiors of the world's greatest diamond-cutting firm, countryside scenes and farm life; you will visit Waterloo, scene of Napoleon's final defeat, Ardennes and the memorial to American soldiers, the European headquarters of the Common Market and the spectacle of Limbourg.

Tickets for the lecture are to be available at the door on Tuesday, March 17, at 7:30 p.m.

Howell C. of C. Donates Copy Of New Book

All Livingston County people who have been in the McPherson Community Health Center as patients or as visitors will be interested in a new book just received by the Howell Carnegie Library.

"Progressive Patient Care" has been made available to the library by the Howell Area Chamber of Commerce. The authors are Dr. Lewis E. Weeks, who lives in Howell, and John R. Griffith of the University of Michigan's Bureau of Hospital Administration.

This anthology is a comprehensive bibliography of salient articles published in the United States and abroad about intensive care, self-care, long-term and home care. In several chapters, the volume refers to the forward-looking plans and actions that have led to the McPherson Community Health Center being selected for a special study of progressive patient care that is now being conducted in Howell.

Both laymen and professional persons are expected to borrow this new publication from the Howell Carnegie Library. Its availability can be determined by calling Howell 271.

Fashions To Sew Feature of Show

Local 4-H girls need not possess a wealth of business knowledge or capital funds to collect "Fashion Dividends." Simplicity's 4-H Club Stylist, Miss Eleanor J. Echo, is here to show that all they need is an interest in sewing and a small amount of money carefully invested to guarantee great returns. How to derive these "fashion dividends" will be described on March 12, at 4:15 p.m. in Livingston County at the Southwest School in Howell, when a fashion show of new spring Simplicity Patterns will be shown, according to Harry A. Foster, county Extension agent in charge of 4-H Club work.

Miss Echo, Simplicity's Fashion Stock Broker, will show 4-H girls how to explore a profitable plan to develop their wardrobes and help expand it with little extra expense in this presentation of "Fashion Dividends." Her tips on good grooming will teach them how to trade on current assets. She will also discuss how to use available accessories as collateral for creative sewing ventures. Starting with the correct size pattern is the most important step for the success of any sewing future. Then it is necessary to select the proper patterns and suitable fabrics. All those to be shown in this presentation have been designed and selected with the 4-H girl in mind.

Miss Echo is well qualified as an expert on 4-H fashion. She herself was a 4-H Club member in New Jersey before going to the University of Miami to receive her degree in Home Economics. She was a 4-H Club agent in Michigan, then joined the Simplicity Educational staff as 4-H Club stylist. In her work, she travels throughout the country helping to guide 4-H Club girls with their own clothing and good grooming problems.

"Invest in Jumpers" is another wise way to make your wardrobe investments work for you. These jumpers work overtime when they double as dresses, and they serve just as well when they appear with partners. Another new plus is seen in the pink shades which dominate these designs.

"Endorse Americana Casuals" and your patriotism will pay off in fashion benefits. Classic fabrics are the choice for these All-American fashion favorites. The 4-H uniform in traditional green and white stripes completes this category.

"Bank on Playclothes" and save for a sunny day filled with fun. See "a tree grow on a shift" in this panel print, the most recent development in shift styling. It's Simple-to-Sew too!

Foster notes that every 4-H modern miss will want to sew and show her own "Fashion Dividends" after seeing this inspiring presentation. Mrs. Vera Engstrom, Home Economics teacher at Howell High School, is assisting the 4-H office with arrangements. The models will be 4-H Club girls in the Howell area.

City police arrested two men last Saturday night on charges of drunk driving.

Taken to court on Monday morning Gerald Harmon of Okemos entered a plea of not guilty. Trial was set for March 19 and he was released on \$100 bond.

Bill Sheeks, Mason Rd., Howell, pleaded guilty in municipal court the same day. He was fined \$75 and costs of \$4.30 and his license was revoked for 90 days.

Livingston County Board of Education Minutes

SPECIAL MEETING
February 25, 1964

A special meeting of the Livingston County Board of Education was held in the Court House Annex on February 25, 1964 at 8:00 p.m. to discuss with representatives from the Howell Board of Education, a recent request for funds to build special education facilities.

Members present: Mr. Smith, Mr. Baughn, Mr. Almand, Mrs. Hyne, Mr. Wilkinson and Secretary Hampton.

Others present: Mr. William Parker, and Mr. Richard Slayton, and Superintendent Bath of the Howell Schools, Mr. James Barker, Director of Special Education.

The meeting was called to order by chairman Robert Smith.

Budgetary figures projected through March 1966 were presented by Mr. Barker and architectural sketches of the two proposed Elementary Type A special education classrooms were shown the group by Mr. Bath. Both the budget and the proposed plans were reviewed at great length.

Out of the discussion came a motion by Mr. Wilkinson that the Livingston County Board of Education authorize the Howell Board of Education to go ahead with the building of two elementary type A classrooms on the Northwest Elementary School site with the understanding that should there be insufficient capital outlay funds to meet this ex-

penditure, that the Howell Board of Education assume this deficit obligation until Special Education tax monies are available prior to June 30, 1965, further, that the actual amount of money involved be determined after the construction bids have been opened and meet with the approval of both boards of education. The motion was seconded by Mr. Almand. Motion carried. The meeting adjourned at 10:00 p.m.

New low rate for all-electric living cuts cost of electric heat as much as 20%

This new reduced rate is already saving money for hundreds of users. Who else may qualify for the lower rate? You can, if your home is equipped with electric heat throughout and if your appliances operate only by electricity. In other words, if yours is an "All-Electric Home." The new rate lowers the cost of electric heat by as much as 20%—gives you more reason than ever to enjoy modern all-electric living.

OBITUARIES

NOMA HELEN YODER

Mrs. Noma Helen Yoder, 329 W. Sibley St., died on February 28 as the result of an automobile accident. She was 53 years of age.
Mrs. Yoder was born in Paragould, Ark., on January 17, 1911, the daughter of Thomas and Ethel Faulkner Dollins. She attended Hollywood, Mo., public school and on December 21, 1927, she was married to Joseph Guy Yoder who survives her.
She had lived in Howell for three years after moving from Warren; was a member of the First Baptist Church, Rebekah Lodge, and was active in the PTA.

Besides her husband, she is survived by three daughters, Barbara Vandella Myatt of Columbia, Tenn., Theresa Constantia Ellis of Foreman, Ark., and Pamela Jean Yoder at home; one son, Leonard Dempsey Yoder of Ulica; her mother, Mrs. Ethel Dollins of St. Louis, Mo.; five brothers, Joe T. Dollins of Edinburg, Texas; Frank Dollins and J. D. Dollins of St. Louis, Mo.; and Ralph Dollins of Chicago, Ill.; four sisters, Jean Philbours and Essie Pace of St. Louis, Mo.; Edith Hicks of Leachville, Ark.; and Veda Rebello of St. Louis, Mo.; and 13 grandchildren.
Funeral services were held on March 3 at 2 p.m. from the First Baptist Church with the Reverend Merle R. Meeden officiating. Interment was in Lakeview Cemetery. Arrangements were made by the MacDonald Funeral Home.

LEO A. CASSIDY

Leo A. Cassidy, 2153 Brighton Road, Howell, died February 28 in the McPherson Community Health Center. Mr. Cassidy, who was a widower, was born in Durand, April 23, 1894, the son of William and Margaret Pace Cassidy.
He had lived in the county for ten years at the home of Mr. and Mrs. Byron Rogers. He was a veteran of World War I and a field survey aid for the City of Detroit. He is survived by three sons, Harold of Detroit; Wilfred of Stamford, Conn.; David of Lansing; two sisters, Miss Nellie Cassidy of Detroit; Mrs. Eartha Shaffer of Owosso; and five grandchildren.
Funeral services were held Monday from the Schnackenberg Funeral Home with the Rev. Father Jerome Schmitt, of St. Joseph's Roman Catholic Church, officiating. Interment was in Cherry Hill Cemetery.

Christian Science News

Spiritual "Substance" will be the subject at all Christian Science church services next Sunday.

Responsive Reading will include this passage from II Corinthians (4:18): "We look not at the things which are seen, but at the things which are not seen; for the things which are seen are temporal; but the things which are not seen are eternal."

Related readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following: "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of Spirit, not matter" (p. 301).

The Upper Michigan "Copper Country" is the largest commercial deposit of native copper in the world, having yielded nearly 11-billion pounds in the past century.

MRS. ETHEL E. RECTOR VEREEKE

Mrs. Ethel E. Rector Vereekee, a former Lansing resident, died last Wednesday in an Epilanti hospital following a long illness. She was 78 years of age.
She is survived by two daughters, Mrs. Catherine Iverson of Highland Park and Mrs. Russell Reason of Ohio; and two grandchildren.
Funeral services were held on Saturday, March 7, at 1 p.m. from the MacDonald funeral home with interment in Webberville cemetery.

MATTA D. MADDOX

Mrs. Matta D. Maddox, Ocala, Fla., died on February 25 in the University of Michigan Hospital of a stroke. She had been ill one week. She was 51 years of age.
Mrs. Maddox was born in Madison County, Miss., on March 25, 1912, the daughter of William and Mandy Ellis Durham. She was married to Troy Maddox in 1934 at St. Louis, Mo.
She had lived in Livingston County for six years coming here from Detroit. She had previously made her home in Brighton, Cleveland and St. Louis, Mo. She had been a beauty operator and domestic worker.

She is survived by her husband, Troy Maddox; two brothers, William Durham of St. Louis, Mo., and Albert Durham of Jackson, Miss.; and two sisters, Sussie Herdian and Mrs. Essie Elmore of St. Louis, Mo. Funeral services were held on Monday, March 1, at the James H. Randle Funeral Home in St. Louis with interment there. Arrangements were made by the MacDonald Funeral Home.

FRED E. BROWNING

Fred Edward Browning, 7021 E. Highland Rd., Howell, died of heart failure at the family home in Ocoola township on March 5 following an illness of one month. He was 88 years of age.
Mr. Browning was born on May 17, 1875 in Ocoola township, the son of John A. and Wealthy A. Kellogg Browning. He attended Livingston county schools and Cleary Business College.

His last occupation was as the operator of a gas station and grocery store. He had lived most of his life in the county although he resided in Detroit and Birmingham for a few years. He had been a well driller, farmer, railway mail clerk and justice of the peace. On July 19, 1899 he was married to Georgia E. Burton. She preceded him in death.

He is survived by two sons, Edward J. and Burton F. of Ocoola township; three daughters, Mrs. Lloyd M. Symons of Clyde, Mrs. Irving Holtforth of Owosso, and Mrs. Ronald Brown of Ocoola township; a sister, Mrs. H. N. Cobb of Brighton; 16 grandchildren and 33 great-grandchildren.
Funeral services were held on Saturday, March 7, at 3 p.m., at the MacDonald funeral home with the Reverend Alvan Gray of the Walnut Street

Methodist Church officiating. Interment was in Lakeview cemetery.

FRED M. GRIEVE

Fred M. Grieve of 328 W. Chestnut St., Webberville, died on March 6 in the McPherson Community Health Center following a brief illness. He was 90 years of age.

He is survived by his wife, Maude; a son, Harold D. Grieve of Roscommon; two daughters, Mrs. Hiram Smith of Howell and Mrs. Alvin W. Hamelster of Mount Clemens; seven grandchildren and 18 great grandchildren.

Funeral services were held Monday, March 9, at the Liversage funeral home in Fowlerville. Interment was in Pinckney cemetery.

Michigan has a larger variety of commercial tree species than any other state, and Michigan's forest product industries contribute over \$650-million annually to the overall economy of the state.

Evenson Named To All-League Second String

BRUCE EVENSON
The bustling 6-foot, 5-inch sophomore center for the Brighton Bulldogs has been selected for the All-League second team.

Bruce Evenson has dropped in around 19 points in each of his 14 league appearances. In Brighton's only victory of the season (over Northville), Bruce cut loose for 30 points and controlled the boards. In the games with Clarkston and Bloomfield Hills, he was the only bright spot.

Evenson was chosen eleventh for the team. Following is the order of selection: Dan Craven, Clarkston; Dave Graves, Clarkston; Ken Miskin, Clarkston; Dan Greig, W. Bloomfield; Dan Mautte, Bloomfield; Greg Anderson, Bloomfield; Second team: Jack Bennett, Holly; Tim Barnes, Milford; Mike Bray, Clarkston; Tom Fagan, Holly; Bruce Evenson, Brighton; and Jerry Imsland, Northville.

In Michigan... after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—skiing, skating, or at your ease in the game room—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of these personal freedoms.

In Michigan...beer goes with fun, with relaxation

The Old Timer

"A dandelion is another thing which, if given an inch, will take a yard."

In the district tournament, the Whitmore Lake Trojans did well as they won two games and lost the final game on Saturday.

In the first game the Trojans whipped St. Johns of Ypsilanti by the score of 59-37. The Trojans averaged an earlier loss to the Crusaders in which Whitmore came up on the short end of a 54-53 loss.

Ted Ringle was high man for the Trojans as he hooped 19 points. Bill DeFillippo added 10 points in the Trojan cause.

The Trojans were in little trouble throughout the game as they had the lead all the way.

In the second game the Trojans beat a victory-minded Pinckney squad by 10 points, coming out on top of a 59-49 tally. Pinckney gave the Trojans a hard fight and almost upset Coach Bob Ellis' squad. Fighting back all the way the Pinckney team couldn't overcome the Trojans and Whitmore captured victory number two in district play. High man

for the Trojans in this game was Charles Hall, as he netted 14 points and Captain Ted Ringle added 12. Jim Millen and Jim Wint also hooped 10 points apiece for Whitmore.

In the final game, Whitmore met a tough University High team and found themselves on the losing end of a 60-38 score. The U-High team was one of the toughest that the Trojans faced this year.

Playing poor ball in the first half, the Trojans went in at halftime trailing by the score of 31-14. The Trojans played a good second half game against the U-High boys but couldn't overcome the large point difference which had been built up.

High man in the point department for Whitmore was Bill DeFillippo as he popped in 14 points while Jim Wint added 10. The loss to University put the Trojans out of contention for any state play but the Trojans played good ball and deserve a lot of credit for their second place finish in the district tournament play.

BHS Intramural

Mr. Scranton's intramural basketball league had two scheduled games per team last week, Wednesday and Thursday.

The first game on Wednesday was between the two teams tied for top spot, the Raiders and Squirrels. It was a closely fought battle all the way as the Squirrels squeaked by the Raiders 39 to 38. It was a "wild" game as both teams missed many a shot. The Raiders were missing the services of Don "Bull" Baker, one of the Raider's two big guns. This put all the pressure on the team captain, Terry Stowers, who played well, making 19 points. But the team was depending on Terry too much.

The victorious Squirrels were led by Bill Osborne who pumped in 14 points. Star-Don pulled some ligaments in his leg "fooling around at home."

The teams' captain, Phil Stine, chipped in 10 points before he fouled out.

Warriors Hang On To Lead

Despite a 16-point outburst in the second half by Gary Armstrong, the league's leading scorer and captain of the Tigers, the Warriors slipped by the Tigers, 52 to 48 victory to extend their unbeaten string to 3 games. It was a battle for second place as the game looked like a rout when the Warriors pulled to a 14 to 4 lead in the first quarter. After the first quarter the Tigers battled back to lose by only 4 points at the end. The league's two top scorers, Gary Armstrong and Ron Latimer, had 22 and 16 points but not enough to offset the Warriors' lead. Jon Petzold was the night's surprise star when he plunked 7 field goals for 14 points.

Dave "Daisy" Anderson was another surprise, following with 12 points. The loss dropped the Tigers into third place. Hawks Trounce Lowly Bombers Lee Niles, Hawks just plain demolished Roger Shekell's Bombers 49 to 19. The Hawks were never behind as they grabbed a 13 to 1 lead in the first quarter. Jim Hatwell led the decisive victory with 16 points followed closely by team captain, Lee Niles, with 12. The Bombers' high point man was

Conservation News

by Darrel J. Allen
Conservationists from the Livingston County Conservation and Sports Association left their monthly meeting March 2 with a deeper appreciation of their forests in Michigan.

James W. Buerge, Superintendent of the Southern Michigan State Nursery, delivered one of the most informative talks on this subject that this group has ever heard. They now know that being a resident of Michigan means they are owners of the largest state forest system in the nation.

There are 23 state forests spreading over some 3,760,000 acres of which some 2,800,000 acres are growing trees. The remainder — just under 1,000,000 acres — consists of marshes, streams, small lakes, forest openings and brushy places.

These millions of acres offer much more than board feet of lumber. For example, there are over 530 miles of inland lake frontage and 6,000 miles of streams. Nearly 150 miles of Great Lakes shorelines border our state forests. Added to these natural features are over 100 campgrounds with nearly 1,000 sites where anyone can stake his claim to free outdoor fun "the rustic way."

Eagles Lose To St. Agnes By 70 to 54

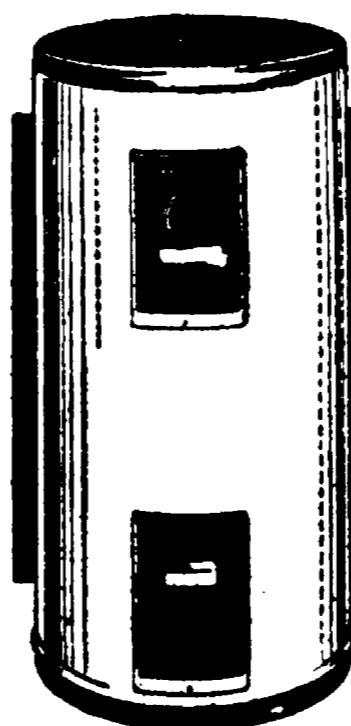

HARTLAND — The Eagles lost their basketball tournament last Friday night to St. Agnes by the score of 70 to 54. Hartland was off to an early lead but St. Agnes soon took over the lead and kept it throughout the game. The halftime score was 30 to 23. St. Agnes was able to get most of the rebounds.

Starters for Hartland were, Dale Callaghan, Dewey Matthews, Tom Risner, Phil Johnson and Merle Smith.

St. Agnes went on to defeat Holy Redeemer on Saturday, to win the district championship.

ker, out with pulled ligaments in the leg. Terry Stowers carried the load for the Raiders by scoring 27 of the team's 36 points. This brought both teams in a third place tie with the Warriors. This week will be the last games for the Intramural League.

Is A New School The Only Thing We Need?

by Denny Haines
How long does it take to figure out that the people of Whitmore Lake will not vote for a new high school? Does the school board realize that a sewer system is another necessity which we need in this community?

You must face the simple facts. (1) You don't have a big enough tax base in this town. Why? No sewers. Solution? Get sewers.

You need a bigger tax base so that you can support and finance a new school. Why? Because the people of Whit-

more Lake simply refuse to shell out any more money for a new school when we don't have the present one paid for yet. They also don't want to carry the burden themselves, therefore, we need industry to help carry the tax load. Solution? Get sewers.

Sewers are important, too. They are a badly needed asset. Don't get me wrong, I'd like to see a new school in this community, too. But now isn't the time to build one. You must let the sewers help pay for your school. That is why we need a sewage system.

If the people of Whitmore Lake will vote for an addition, build one. It's better to have an addition and have something for the next 3 or 4 years rather than turning down a new school again and accomplishing nothing.

Sure it's going to cost you money now and it's going to create problems. If the school board would spend more time on their work to help build a good school rather than supply the Ann Arbor News with criticizing information on the tactics of Bob Binder and George

Newpower, they would be much better off. And while you are at the board meetings, take into consideration the sewer situation and the taxes it will draw. So lay off Bob Binder and George Newpower. At least they took into consideration the present as well as the future. It seems to me that the tactics of board members Binder and Newpower aren't the only things that are going on in the school issue. Remember the old adage: "People in glass houses shouldn't throw stones."

FHA Planning Fashion Show

The F.H.A. Fashion Show will be held on March 20 at 8:00 p.m. in the Whitmore Lake High School gym. Admission and refreshments are free.

All the girls are getting ready for it by putting the finishing touches on their garments. Various kinds of garments are to be modeled, such as formal, suits, dresses, and sports clothing.

The F.H.A. is selling meat, salad, and dessert cook books for \$2.55 each. The profits will help buy draperies for the Home Economics room.

We are planning a bake sale for March 14 at Polly's Market. All money made from it will go toward the expense of the fashion show.

Harriett J. Satterla and B. D. Wilkinson of Milan visited her brother and sister-in-law, Mr. and Mrs. Gordon Satterla and family of Saline Sunday afternoon.

Jeanette Davy and Willie Rinesmith of Goodrich were calling on friends in the neighborhood Monday.

Howard Schuman, I know has done more for the young people of Whitmore than Newpower and Binder could ever do. We need more people all over the world like him and others who have worked with the Boy Scouts and Cub Scouts, the recreation committee, the Little League, also the coaches who have spent extra time and Saturdays with basketball.

We have a man who has as his family the largest family of boys, the Boy Scouts. Ed Biefus has worked with the Boy Scouts longer than I can remember and I've known him all my life. I know he feels rewarded in doing this and I know there are boys who have been rewarded by knowing him.

Let us all remember someone who has enriched our lives and all the people who have worked so hard to make this community a better place to live, not only for us and our youngsters but for the youth of tomorrow.

Come on, Whitmore, let's build a High School as a monument to them and for our generation.

Let us be known as a town which is progressing not slipping down hill.

Letters to the Editor

Having grown up in Whitmore Lake since the age of three I have always been proud of my hometown and proud of the people in it. The people here have always been the friendliest to me. It seems like we have all been one family.

A family who has seen a great many changes, a family whose ancestors had helped to settle this area. Some of this family have passed on but there are quite a few left yet. And I feel richer for knowing them.

Now Whitmore has changed but so has every other town with the space age. It's time to move ahead. We've made some progress from the pot belly stove which I can't remember to the modern gas furnace.

But it seems to me every time there is a vote for progress, for the growth of our town, there is a group of people out to hold us back.

It sure is a disgrace to our children and grandchildren to say no to everything that means a better community for them to grow in.

We need a school now. Our children are growing up in an age where half of an education is not enough. We are beyond the eight grade and the one-room school house and saying we have a high school is not enough. We've got to give them all the benefits of a full academic school.

We can't expect our teachers to teach our children or our children to learn or even want to get an education for that matter if we haven't given them the best equipment and material to work with.

Look at it this way: The school board (minus two) and the teachers they're taxpayers too so they are not trying to rob you. They will be paying taxes too. They are aware of the great need from now on and the need this year sure points out that our population has increased.

Why build half a school today with an addition when in a year or so there will have to (be) another addition? A school separate and large enough will save in the long run.

Anyone who has had to go to the school in the morning or after school lets out will see how congested it is now and each year it will get worse.

Teachers nor pupils, neither one can do their best under conditions like this.

And moving out on such problems won't help because if you did move you'd probably end up like the old saying, from the frying pan into the fire. I know of a couple planning to move because of the sewage proposal. They found a house and then began some figuring and found out things could be worse. They ended up eating Humble Pie.

I will say one thing. I feel the people of Whitmore Lake who are living on Social Security or are disabled and with limited incomes should have considerations (but then when your kids were in school there were people in the same spot too).

So you see there are two things we can always count on, death and taxes. Maybe if everyone reading this wrote to our Congressman we could help get a bill passed to help the people in this group in Michigan.

As for the rest of the people in town, President Johnson just passed a bill that will lower taxes. It will put one hundred dollars or more in everyone's pocket this tax year and one hundred dollars or more again for 1965. For what better reason could you spend it than for the betterment of our community and our children?

The children today will be the backbone of this community and the world tomorrow, so let's give them the chance to prepare for it. No one else will do it for us.

I'm surprised to think that Mr. Newpower has thought about being a taxpayer first. Instead of a father.

And Mr. Binder, to think he took it upon himself to do what he did with the opinionnaire sent out to all taxpayers. His motives couldn't be of been above board or he wouldn't of done it without the consent of the school board as a body.

Right now is the time to get ahead. Let's vote for a new high school and may we all pull together, starting with the school board let us have responsible parents or grandparents with youth and education as our goal.

Last but not least, I say let's have more people like Howard Schuman and Guy Paul. Right now I don't know if they are seeking another term on the school board but I hope they are.

MUCC Is Named Outstanding Group

The Michigan United Conservation Clubs, Inc., an affiliate of the National Wildlife Federation, was given the "Distinguished Service To Conservation" award today during the opening ceremonies of the Federation's 28th annual meeting. It marks the third time the Michigan conservation organization has won the award, a record achieved by only one other statewide affiliate of the Federation (Washington State Sportsmen's Council, Inc.).

In presenting the award, Dr. Donald J. Zinn, Kingston, Rhode Island, a member of the awards review committee and a regional director of the Federation, cited the Michigan affiliate's outstanding accomplishment in seeking solutions to conservation problems on a local, state and national level. He said the Michigan group was selected as the Federation's outstanding affiliate for 1963 on the basis of its leadership training clinics, annual meetings, regular attendance at board meetings, top-quality publication "Michigan - Out - Of - Doors," well-trained and capable staff, and sound conservation resolutions and programs.

Present officers of the Michigan United Conservation Clubs include: O. Stewart Myers, Grand Rapids, President; Henry Neithofer, Grosse Pointe; Lester Newbold, Harrison; and Joseph Strait, Jr., Fruitport, Vice-Presidents; and L. Weldon Payne, Detroit, Treasurer. The organization employs James L. Rouman, Lansing, as full-time Executive Director.

The "Distinguished Service Award" in the form of a bronze plaque was accepted for MUCC by Paul H. Wendler, Saginaw, Mich., the organization's official delegate to the National Wildlife Federation.

Livestock Is Valued At \$302 Million

The inventory value of all livestock and poultry on Michigan farms at the start of the year was \$302 1/2-million, which was 6 percent less than a year ago but a sizeable amount of livestock.

Agricultural Director G. S. McIntyre points out that livestock and poultry products make up 54 percent of the cash income of Michigan's farmers. Farm cash receipts amounted to about \$785-million for the last year for which complete figures are available.

A recent report by the Agricultural Statistics Reporting Service, a cooperative effort of the Michigan and U.S. Departments of Agriculture, shows the number of cattle in the state is 1,752,000, the same as a year ago. Of that number 687,000 are milk cows. This is 2 percent less than a year ago, although milk production is slightly greater than in the previous year.

With the past year the number of beef cows increased 2 1/2 percent. The hog population was 705,000, an 11 percent reduction in a year. Sheep were numbered at 342,000.

Michigan's chicken population is a sizeable one and is 3 percent greater than a year ago. There are about 6.9-million chickens in the state. Turkeys were fewer at the first of the year, with 103,000 on hand. A year ago there were about 10 percent more.

Livestock and poultry populations vary from year to year and even from season to season. But as the year began there were fewer hogs, turkeys, sheep and lambs, the same number of cattle, and slightly more chickens than there were the previous year at the same time, Mr. McIntyre said.

GOVERNOR ROMNEY REPORTS

While the basic purpose of education must continue to be to impart knowledge, our place in history imposes new demands on education.

First we must have education for freedom. Every young American must understand man's struggle for freedom — here in our own nation and elsewhere.

He must understand the sacrifices needed to win freedom and preserve it, the forces at work to destroy it, and the hard fact that every generation must prove itself worthy of freedom and be willing to sustain it.

We can no longer afford to relegate the course that used to be called "citizenship" to an inferior role in our schools, or leave it to teachers incapable of teaching more specialized courses in mathematics or languages.

Education for freedom must be the first — not the secondary or last — responsibility of our schools and colleges.

We must also have education for survival and victory. The menace to freedom and to free men posed by international communism has confronted our nation with its greatest struggle for survival.

Education must be a major force in demonstrating that freedom in the world will not just survive but will win.

The truth is on our side. This we must prove over and over again to our youth. We must prove it by comparing freedom with communism, not by isolating them for its false and synthetic theories.

It is the role of education to teach the truth — "Ye shall know the truth and the truth shall make you free."

Finally we must have education for peace. Another general war could mean the destruction of most of mankind.

But there are fates worse than death, and one is slavery. Although war is almost the ultimate calamity, we cannot place peace before freedom. We cannot ignore aggression

in any form. This we must make indelible to every American. But we must be certain there is no other alternative.

As the United Nations Charter indicates, wars must have their origin in the minds of men. It is to education, therefore, that we must look as our best hope for peace.

St. Patrick's Sets Plans For Celebration

The annual St. Patrick's celebration additional plans were discussed Monday, March 2. Twelve guild presidents of the Rosary Altar Society met at 324 North Second Street, at the home of Mrs. John E. Penala who is chairman of the banquet. Coffee was served to all that were present.

Mrs. John Prenczky is the president of the Rosary Altar Society. Barney Ewald is president of the Ushers' Club. Their efforts and full cooperation are appreciated in making the annual banquet a success.

Principal speaker will be the Reverend John McGrail, Provincial Father of the Jesuit in Michigan and Ohio.

John Brennan, head of the Friend of the Court in Howell, will be the toastmaster.

Introduced for the first time in the western hemisphere will be the unbeatable "Tater Bugs" — Ireland's answer to England's "Beatles." See "Corktown's" fairest twenty-two lovelies! All from Ireland's foremost "House of Blarney" Sing along with the "Swinging, Singing, Shelle-lahs." All this entertainment and a delicious roast beef dinner at St. Patrick's Day Dinner, next Sunday, March 15, at 6:00 p.m. A delightful evening is in store for all.

Tickets will not be sold at the door, and none will be sold after Wednesday. Reservations are being taken by Mrs. Ralph Brown, phone 229-2608.

... Pinckney Prattle ...

By ALICE GRAY

Mrs. Carl G. Sowers and Mrs. D. M. Baker attended the Ice Capades in Detroit last Thursday night.

Cpl. James Wyle of the U.S. Marine Corps, son of Mr. and Mrs. Asher Wyle, and two buddies drove through their base at Twenty-nine Palms, California to spend leaves with their parents. One buddy was dropped off in Indiana, the other in Battle Creek, and James came on to Pinckney. They are to be back at the base March 20th.

HONORED AT DAE MEETING

Pamela Hoelt, Pinckney High Senior, winner of the Daughters of the American Revolution citizenship award, was honored at the regular meeting of the DAE last Tuesday afternoon at the home of Mrs. John Page in Howell. Pam and the other four "Citizenship Girls" were presented with a pin on this occasion. Mrs. Cecile Chamberlain and Mrs. Welton Chamberlain of Pinckney also attended this meeting. The five girls will be honored at a meeting of all Michigan DAE chapters to be held Friday in Grand Rapids. Mrs. E. Sidney Clark of Howell will drive the girls to Grand Rapids for this event.

Mr. and Mrs. Willard Wiltse are back in the Pinckney area after spending four days in Gladstone in the Upper Peninsula visiting friends.

Mr. and Mrs. Earl Watkins and son, Jim of Brighton were Sunday dinner guests at the Frank Czerwinski home at Rush Lake.

Mrs. W. C. Wyle was in Gregory last Sunday having dinner with her niece and family. Mr. and Mrs. Tom Butler.

PINCKNEY CRAFT GROUP MEETS

The Easter trays for the women patients at the Michigan State Hospital at Howell will be much brighter this year. Members of the Pinckney Craft Club met at the home of their president, Mrs. Nestor Engquist on Patterson Lake Road Wednesday, March 4, and devoted the afternoon to making beautiful nosegays from florist ribbon and nylon net for the patients' trays. Mrs. Engquist is very adept at this delicate type of work, having done it professionally. Trying their hand at this project were Mrs. Marshall Macdon, Mrs. Florence Fromm, Mrs. John Landin, Mrs. Earl Packer, Mrs. Steve

Laslo, Mrs. Ted Gray, Mrs. Thomas Laso, Mrs. Marvin Livrance, Mrs. Ralph Hall, Mrs. Art Reata, Mrs. Harold Riggs and Mrs. Engquist.

David Wyle, son of Mr. and Mrs. Bert Wyle, celebrated his fourth birthday, Monday, March 9th, at a family dinner complete with birthday cake and four candles.

Visitors at the Clifford Haines home on Rose Street last Sunday were Rachael's brother and his family; the Jerry Robertses of Howell.

Frank H. Smith of Main Street fell Friday evening on the cement steps of the Mae Daller home where he has an apartment, and injured his back quite badly. He has been confined to his home ever since and does not expect to be too nimble for a week or so.

CHESTER GOW HOME ON LEAVE

The Christopher Gow family was happy to see Chester when he arrived home for a furlough. Chester, a 1963 graduate of PHS, is a member of the U.S. Air Force and is presently stationed at Biloxi, Miss. He and his brother Craig will celebrate their birthdays March 23.

Mr. and Mrs. Roy West of Dearborn spent the day and had Sunday dinner at the home of Mrs. West's parents, Mr. and Mrs. George Youngerman of Patterson Lake Road.

Mr. and Mrs. Frank Zetulka and family of Patterson Lake visited the Zetulka, Sr., in Detroit last Saturday.

Linda, the Zetulka's daughter, spent part of the weekend with her 8th grade schoolmate, Linda Hutchings, daughter of Mr. and Mrs. Grover Hutchings of Petyville Road.

The grass fire season has gotten under way — surprising enough with the snow still on the ground in places. The Pinckney fire department has answered several calls of this type lately.

THEY MEANT IT! "JOIN THE NAVY AND SEE THE WORLD"

Roy Graduate, recent PHS graduate, now with the US Navy who left here last Valentine's Day by jet from the Metropolitan Airport for San Francisco enroute to the Philippines has now boarded the Air Craft Carrier Bonne Homme Richard and will be aboard her for some months to come. Roy was able to stop over in Frisco long enough to see Chinatown and some of the other sights be-

fore hopping another jet for the next leg of his journey. This time a stop-over in the Hawaiian Islands, then on to the Philippines.

Roy, who is married to the former Alice Allen, will be on his present tour of duty with the Bonne Homme Richard in the area of Hong Kong and Japan until the early part of September.

Carpenter is the son of Mrs. Ruby Goucher of Hi-Land Lake. His address, for his old school buddies is — Carpenter, Roy J; VF-191; FPO; San Francisco, Calif., 96801.

There was a big crowd at the auction held last Saturday at the farm home of Milton Carver on Hinchey Road. Everything was sold, from farm machinery to a home sized electric ice freezer. Carver, while planning to stay here for the rest of the winter, would like to sell the farm also. Auctioneers were Ed Gottschalk and Lester Johnson of Howell.

Visitors at the Joseph King home at Rush Lake last Sunday were the King's daughter, Laura, now Mrs. James Parr, her husband and daughters, Cathy and Belinda of Detroit.

Saturday evening, Joe and Blah King with Mrs. Dorothy Bova of Rush Lake and Warren calling on Joe's parents, Mr. and Mrs. King who had a summer home at Rush Lake for many years.

PINCKNEY ORGANIST NOW ACTIVE IN FLORIDA MUSIC CIRCLES

Chuck Whitshire, son of the Charles Whitshire of Pingree Road, who was so active in musical activities in this area before he moved to Tampa, Florida last summer is employed by the Cannon Music Co. there. He hopes to become a manager of one of the branch stores in that area. His other activities include playing at weddings, fashion shows and working at the Florida State Fair. He is organist at Drew Park Nazarene Church. Chuck, a member of the PHS class of 1960, has a bachelor apartment at 2104 Hills Ave., Tampa 6, Fla. and would like hearing from his old school buddies. He expects to be home in August for a visit.

There have been several flu victims here. Mrs. Donna Fuhrman of Unadilla Street was home the better part of last week too ill to fill her position at the University Hospital in Ann Arbor. Mrs. Marion Scott has been quite ill, and Mr. and Mrs. Arnold Bechler both had a case of the flu. Beverly Umstead, daughter of Mr. and Mrs. Dan Rosiecki, a pneumonia victim, missed two weeks of school but is now back at PHS.

Mr. and Mrs. William Johnson were weekend guests at the Ray Kellenberger home on Monks Road.

Mr. and Mrs. Ray Kellenberger, Mrs. Jennie Kellenberger, and Royal Kellenberger attended the 50th wedding anniversary celebration Sunday afternoon of Mr. and Mrs. George Vogts, cousins of the Kellenbergers, in Danville.

Please forgive a personal note. Being a complete novice at the political game, I must confess to being very thrilled — and grateful — when informed that I had been elected as village clerk. It isn't going to be easy to fill the job as ably and as graciously as my predecessor, Mildred Ackley, and more recently, Robert Ackley, have done in the past; however I will certainly try. Thank you so much for your support at the polls.

Jana Haines, daughter of Mr. and Mrs. Howard Haines on West M-36, celebrated her 10th birthday last Saturday afternoon with a group of her classmates from the Pinckney Elementary. Games with prizes for the winners, delicious refreshments, and the fun of present-giving filled the afternoon.

Pinckney is well represented in the Florida winter colony. The Olin Robinsons have written back that they have located in the Sunny Sands Park at Jupiter where the Ed Parkers are also staying. Mrs. Alberta Close flew south last week to spend a month with her parents, Mr. and Mrs. Albert Dinkel at Palmetto, Florida.

Mr. and Mrs. Peter Retinger, after scraping the ice from their windshields down in the sunny Florida area, made the trip back to Michigan and say they are most happy to be back.

— Pinckney's Past —

FIVE YEARS AGO —

March 11, 1959
Village election was held March 10th. With but one ticket in the field, there were only 48 votes cast. The fire department was called to the Donald Burns home on Toma Road at 4:00 a.m. Saturday by a fire which started in the furnace room and burned out the interior of the house.

Sunday night the Detroit Die Set factory here was broken into and \$106 in money taken. This was employee money, consisting of flower funds, and the like. Sheriff's officers pickup two suspects but were unable to prove them guilty.

Born to Norman Miller and wife (Pat Swarthout) at St. Joe hospital, Ann Arbor March 5th a 10 pound 6 ounce son named Hugh Norman.

Gerald Reason is moving the Nellie Fry house from Main and Pearl St. to the lot north of his home on Pearl St. Oscar Beck who bought the lot will erect a super service station there.

Phil Gentile and Leon Robb of Howell spent the week end at the Boyne Mt. ski jump.

Mr. and Mrs. Robert Parks and Mr. and Mrs. Abel Haines have gone to Florida.

Clifford Miller, after driving a milk truck for 15 years has sold it to B. Bishop, a Twin Pines driver.

Mrs. Ruth Ritter graduated from the Ann Arbor Beauty College last week and is working in the Alta Mae Beauty Shop here.

CLARENCE STACKABLE WAS TO HAVE AN AUCTION MARCH 22ND

to sell his entire personal belongings.

TWENTY FIVE YEARS AGO

March 8, 1939
The J. P. Doyle house on Putnam St. caught fire about 5:30 a.m. Monday. The fire was extinguished after some hard work by the Pinckney fire department. The fire department got water to fight the fire from the cistern on the public square.

William Sheehan suffered a broken leg Saturday at his farm west of town. He was drawing wood from his woodlot with a bobbed, when he hit a stump throwing him off and under the sleigh runners.

The Junior Class Play "Plain Sister" put on in the school auditorium drew a full house. Katherine Dillaway played the part of the "plain sister" while Dorothy Janser portrayed the "popular sister". Leota Reason, Russell Gardner, James McCune, Agnes Hamparian, Jack Young and Bill Baughn were

also in the cast.
Percy Ellis who has been employed by Bishop, Hammond & Jackson, the livestock commission firm in Detroit, for the past 12 1/2 years has resigned his position there and returned to his home here.
Rollie Singer caught an eight pound fish in the mill pond here Monday.

Pinckney got a little re-elected glory last week when Gene Markey, Hollywood director, was married to Hedy Lamarr. Markey is the son of Eugene Markey, Sr., a former resident of Pinckney who taught school in this section for a number of years. His grandfather, James Markey, was prominent here, being a justice of the peace and operating a farm implement store.

FORTY EIGHT YEARS AGO

March 15, 1916
Friday evening the "Estate Fidelity" class of the M.E. church held a class party at the home of Mr. and Mrs. R. K. Elliott, north of Pinckney. About 50 persons were present and reported they had a good time.

While returning from the class party at the Elliotts last Friday, the horse driven by Walter Cook was taken suddenly sick, falling down in the road and breaking up the carriage considerably. It was impossible to get a veterinarian and the horse, which belonged to Robert Entwistle, died before morning.

Clarence Stackable was to have an auction March 22nd to sell his entire personal belongings.

S. H. Carr bought the drag line of Eugene Dinkel and commenced work the latter part of the week.

Mrs. Ross Read visited Detroit relatives several days last week.

Rules Are Key To Safe Freeway Travel

LANSING — It takes a certain knack — and a different set of rules — to drive safely on a freeway.

Many drivers feel: "The freeway is great. Just get in the car, step on the gas and go. No worries about lights, pedestrians, no-passing zones or anything like that."

"This," says State Highway Commissioner John C. Mackie, "is the wrong attitude. Such drivers are going to have to revise their thinking and their driving habits, if they're not going to endanger their own lives and those of others."

"One miscalculation, one bit of highway discourtesy, can lead to almost instant tragedy at the speeds with which freeway traffic moves."

Freeway traffic, under normal conditions, moves at 60 to 70 miles per hour. If a driver is traveling at 65 and must

stop suddenly, Mackie says, he will go 72 feet — if he's an expert, with quick reactions — before he can put his foot on the brake pedal.

And the auto will go 380 more feet before it stops.

Distances required for stopping — and peril — increase sharply as driver reaction time deteriorates, Mackie said.

Mackie has some DO'S — and DON'TS — he feels are absolute musts for safe freeway travel.

The DO'S include:

Stay in the proper lane; use directional signals when changing lanes or passing; make lane changes well in advance of a turnoff or other shift of direction; when merging with freeway traffic, accelerate rapidly to match speed of other cars; begin decelerating the moment any hint of trouble

appears, no matter how far ahead, and apply brakes to alert following vehicles.

The DON'TS include:

A warning against "drifting" from one lane to another or "straddling" lane lines; condemnation of "tailgating," or following another vehicle too closely at high speed; emphasis on continuing to the next interchange if one misses an offramp at an interchange, since a few miles and minutes lost far outweigh risking life and limb with a sudden stop or switching of lanes; a warning not to loaf along a freeway where minimum speeds are 45 miles per hour or higher and urging drivers not to enter a freeway unless cars are adequately fueled, in good condition and with windshields clear.

Mackie urges drivers to pull completely off the pavement if they encounter mechanical difficulty, a flat tire, empty fuel tank or other problem.

"Drivers in trouble," Mackie says, "should stay with their

cars. A lifted hood or a handkerchief tied to a radio aerial or blown out a window, or both, are distress signals that will bring assistance quickly."

Traveling at the proper speed and keeping a close eye on traffic as far ahead as possible are two of the most important considerations, he says.

"The freeway driver must realize that he should travel fast enough to keep up with most traffic, yet not so fast he's passing all others," Commissioner Mackie said. "But if it rains or snows, he must be sensible enough to adjust his speed downward, regardless of what the limits may be."
