Rush Lake Golf Course

The Robert Herndon Realty Company which has long been active in the Rush Lake area has chosen the gently rolling hills around spring-fed Rush Lake for construction of its fifth golf course. In just a few months a remarkable change has taken place. The greens caught well and the fairways are taking shape. The course will open on April 5, 1964.

The course follows the land in a natural manner and the greens are situated at points of natural culminations. "This is the most beautiful natural layout I have ever seen," says Mr. Herndon. "The view from many tees and greens of Rush Lake is breathtaking."

The present setup has nine holes but Herndon seemingly has limitless possibilities of development. Northward are more hills and short stretches of flat land which Herndon owns and which could be converted into additional holes. He plans to start work on a second nine holes as early as this spring and hopes eventually to go to 27.

The current nine-hole course is 3,065 yards long and starts and ends at a club house now under construction. The longest hole is the 525-yard, par-3 ninth, and the shortest is the 130-yard, par-3 third. Other holes are the 425-yard, par-4

first; the 500-yard, par-5 second; the 325-yard, par-4 fourth; the 175-yard, par-3 fifth; the 325-yard, par-4 sixth; the 290-yard, par-4 seventh; and the 350-yard, par-4 eighth. Two of the greens and one of the fairways border a wooded valley where Lake Herndon is located.

Several of the holes, one in particular laying on the side of a hill, will present a real challenge to golfers.

The semi-public Rush Lake Hills Course when it opens on April 5, 1964 will become a part of a growing recreation community here. Two sailboat clubs and two water-ski clubs have been formed with Rush Lake as the center of activity, Herndon says.

"The location of this course will help do away with the so-called 'golf widow,'" says Herndon, "because there are so many things the wife and children can do while the men are playing golf." Picnic areas and swimming beaches are located along the lake. Riding facilities also are available for summer

fun-seekers and in the winter the area is a growing center for tobogganing, skiing and ice skating.

Herndon believes in hiring all local help possible so contractors and working men from the vicinity of Hamburg and from Livingston and Wash-tenaw have been employed. And local men will run the course. The engineering has been by the McAlpine Engineering Co., and Herbert Muzel of Brighton was the designing engineer on the remodeling of the club house. McAlpine made the topographical survey in 1956. Supplies have been purchased from business places in this area.

The club house, which Herndon envisions as a place for year-round activity, will have spacious porches where one can sit and relax while watching the drives off the No. 1 tee and the finishes on the No. 9 and No. 18 greens. It is also planned to have a dance floor, a modern pro shop and a dining area and snack bar.

Area Churches Announce Easter Service Schedules

Care Club

BY MARVA BARKER

With a cloud of dust and a hearty "Hey, watch those rabbit ears!" Our Stout-hearted group was on its way to Howell State Hospital, March 20, ready to spread a little Easter cheer among the 65 retarded women patients who live on floor 2 west at the hospital.

Loaded with musical instruments, 65 Easter baskets, and boxes of clothing, cards and magazines, also a puppet theater, our bus bravely blazed a trail through that eight wonder of the world, the Pinckney-Howell Road.

EASTER BUNNIES — Beverly Umstead and Rhoda Baxter.

Upon arrival we went to the day room where the patients were waiting for us. All 35 of us mingled among the patients and chatted with them for a few minutes Mrs. Morris, our sponsor and Mr. Quigley, our bus driver, encouraged us to do this.

We then proceeded to put on a short variety show. Nancy Bond, Cindy Borovsky, and Linda Wegener acted out an original puppet show. Next, Rhoda Baxter played a selection on the bells. Then Sharon Derryberry interpreted, by means of a dance, the "Hawaiian Wedding Song." Joyce Cocanower came next with a selection on the Hawaiian guitar. To end our program Marva Barker and Sharon Derryberry sang "One Little Candle."

We thought we had completed the program then, but the audience wanted more. So Joyce Cocanower graciously offered to sing a solo. The patients were not satisfied until she had sung three songs: "When you walk with the Lord," "Poses are Red" and "I've Been on the Railroad." The audience joined in the singing of the last song.

Six of the girls who are in the high school chorus sang two or three songs. The girls were Jean Kennedy, Betty Radabaugh, Faye Winslow, Linda Wegener, Cindy Borovsky, and Nancy Bond.

Our bunnies. (See photos), Bev Umstead and Rhoda Baxter, proved to be extremely popular. Their ad libs brought laughs. We had a hard time getting away. The patients wanted us to stay longer, but we bade them a fond "good-bye" and were on our way back to school at three o'clock.

CARE CLUB OFFICERS. (L. to R.) Faye Winslow, secretary, Sharon Derryberry, vice-president, and Marva Barker, president. In the back row is Mr. Quigley, bus driver, and "Care" sponsor, Mrs. Morris.

NANCY BOND and Cindy Borovsky making sure all the "props" were onboard before departure last Friday.

Realtor's Office Expands After Successful Year

The Len Davis Real Estate Office is celebrating their first anniversary of the opening of their office at the corner of North Territorial and Dexter-Pinckney Road, on April 1, 1964. The office has been so successful their first year, that they are taking over more office space in the building they now occupy.

Len, who is also an airline pilot, has increased his office staff to eight other licensed Salesmen which include, Alex Ammann, owner of Anchor Inn; Mary Allen, native resident in the area; Elmer Campbell, well known in real estate farm land; Hank Gilbertson, resident at Portage Lake; Jim Janowski, local home owner; Lucille and Mel Reinhard, owners of Hell, Michigan's Playland; and John Towlsley, active lake-front home owner.

In addition to a large rental and management service operation, they have completed sales on 21 separate parcels in this 12 month period.

50 Confirmed On Palm Sunday

There were twenty-nine children of school age that were confirmed at the Pinckney Community Congregational Church Palm Sunday, according to Rev. Gerald Bender, and the adults who became members on this day made the number in all well exceed 50 persons.

A reception was held in Pilgrim Hall following the Church service for these persons. Each new member wore a white sash to identify them from the remainder of the congregation. Coffee, punch and dainty cookies were served and the new members were allowed to wander through the buildings and learn about the church facilities. The Board of Deacons and the Ladies' Aid were hosts to these people.

Postal Rates Increase April 1

Postmaster Lawrence Baughn reminded residents of Pinckney that an effective date of April 1, 1964 has been set for new domestic parcel post rate increases.

The parcel post increase approved recently by the Interstate Commerce Commission and averaging about 13.1% is expected to yield about \$73.4 million annually.

Catalog rates will be increased approximately 13% and will produce added revenue of about \$2.4 million if 1962 volume is maintained.

The higher rates do not affect air parcel post or international parcel post.

Postmaster Baughn said he has been advised by Postmaster General John A. Gronowski that the decision of the ICC will assist the Post

Office Department in carrying out its objective of reducing the drain in the Federal treasury by \$100 million.

The last parcel post increase was on Feb. 1, 1960, the Postmaster pointed out.

To illustrate the effect of the new rates here, Mr. Baughn noted that a six-pound parcel, which is the average weight, would cost 37c for local delivery instead of the present 32c. The same parcel being mailed to Chicago would cost 68c instead of the present 59c.

The Way We Hear It

By Dolly Baughn

"happy spring vacation" to all you mamas! Ain't it wonderful — all the kiddies are home for a whole week?? Enough said. Good luck!

... the Pinckney Kiwanians are going to have a rodeo in Pinckney June 26, 27, and 28. They are all going to demonstrate how to break bucking bronchos — the way we hear it. This should be worth while watching for!

... Herb Schenden has the State dairy inspectors to deal with and then — on with his plans! Keep watch.

... we must remember after Thursday March 26 to dial 54, and NOT 41 anymore to get the Howell operator.

... this Sunday, Easter, everyone should make sure and attend the church of their faith.

... Good luck to each and every 4-H member from Pinckney groups on achievement days!!

... some of the business places in Pinckney will not be closed on Easter Sunday. This seems too bad, especially when they close three other days during the year. Why not add one more, and the most important of them all perhaps. Thanksgiving Day, Christmas Day and New Year's are the other three. Isn't Easter as important, or more so than at least two of these days? Of course, on Easter as important, or more so than at least two of these days? Of course, on Easter Sunday there is no big football game on TV to watch — but maybe something could be injected into the day that would bring just as much pleasure — like spending one full day with the family.?

4-H Group Plans Dress Revue

The Pinckney Pioneers 4-H group are planning a Dress Revue to be held at the Home Economics room at the Pinckney High School, Wednesday evening, April 8 at 7:00 P.M.

At that time the girls will have the comments from the judging of their projects exhibited at Achievement Day in Howell. Each girl will display or model her project and will be informed of the judges' decision on her work.

The girls will also put on a program at this time.

All 4-H mothers are urged to attend this event. The girls need the parents support and encouragement in their endeavors.

School News

Mrs. Myer's Eighth Grade News Reporter, Marjorie Quesenberry, Becky Read, Sue Baughn, Linda Zezulka and June Brown have done a beautiful job of painting the class room windows for Easter.

Linda Hutchings and Becky Henry have made a health chart which shows various vitamins and their purpose.

Our class would like to appeal to everyone to help keep the robin, our state bird instead of the kirkland warbler, which has been proposed. We do not mind if the kirkland warbler's number is increased, but the robin is truly our state bird, so let's keep it that way.

Charlotte Cocanower and Marjorie Quesenberry have written a play called "The Caper at Grandma's House" with a cast of Scott Carver, Penny Reynolds, Charlotte Cocanower, Pat McKenna, Rick Sowers, Sue Baughn, Pat Galloway, June Brown and Marjorie Quesenberry.

James Pietila and his father went to West Palm Beach, Florida for two weeks. James sent the class post cards saying he is enjoying the fishing in the Atlantic Ocean.

Our class would like to congratulate Darlene Knapp for winning the school spelling bee and we wish her luck in the district bee.

For art we did drawings on what Easter meant to us.

In English we have written and sent friendly letters.

In "A" division math, we are working on algebraic equations.

We have done illustrated poems by early American authors, Scott and Mike Carver flew to Florida by jet to spend Easter vacation.

Fire Destroys Research Data Sunday In Farm-Laboratory

Pinckney firemen fought blazes for nearly three hours Sunday afternoon in vain to attempt savig the farm-house-office-laboratory of the firm of Nerghlo, 6465 Hinchey Road.

Dr. H. A. Ohlgren of 2920 Overridge Drive, Ann Arbor purchased the farm, sometimes referred to as the Cycde farm, about four years ago and has maintained offices of research and development there since that time.

Dr. Ohlgren said the fire started when a kettle of oil heating on a stove apparently ignited and flames caught fire to the house. Ohlgren was alone in the building. When a north window broke from heat the flames swept through the building so rapidly, nothing was saved. Ohlgren said he could not accurately estimate the loss. Many records and technical data, an accumulation of 35 years were destroyed in the fire. Ohlgren has been engaged in this structural materials research since organizing his firm in 1934.

The Pinckney fire department prevented further loss of other nearby outer buildings by wetting them down. The Gregory tanker was called to assist Pinckney.

Whitewood Road. Last Thursday they were called to the Jim Rayer home at Half Moon Lake. This was another grass fire.

Residents are urged by P.F.D. Chief Robert Amburgey to take care during this dry spell when burning trash.

A second call was answered by Pinckney firemen for a grass fire at the north end of Farley Road. This was during the time of the Nerghlo firm was burning. Ex-firemen Jerry Speake and Cliff Miller took the "jeep" out and with the assistance of quite a few neighbors managed to put the fire out in "just no time at all."

Monday the firemen were called for a grass fire on

The code "38" instead of 18 will be used for reaching another telephone on the same line, plus the same two digits customers are now using.

Engelhardt said the changes will become effective at 8 a.m. on March 26 and that, starting tomorrow, persons still using the old codes for calling others on their line or for reaching Howell will be reminded by a recorded message that new numbers are in effect.

Telephone Numbers To Change For Calls In Town, To Howell

Starting June 21, telephone subscribers in Pinckney will be able to dial their own long distance calls to all parts of the continental United States and Canada, the Michigan Bell Telephone Company announced today.

Russell H. Engelhardt, Michigan Bell manager, said the improved long distance service will enable Pinckney users to dial direct to about 80 million telephones in the United States and Canada without the assistance of an operator.

A customer dialed call to California will be connected almost as fast as a dialed call to a Pinckney neighbor, Engelhardt said in speaking of the speed of the new service.

Pinckney subscribers will receive complete instructions on the use of Direct Distance Dialing before it is introduced in June.

In paving the way for the new service, Engelhardt explained, it will be necessary

to free some code numbers that are now being used in Pinckney to reach an operator in Howell or to call another party sharing the same line.

The code "41" now being used by Pinckney customers to reach the Howell operator will change to "54." Information, assistance on a call, repair service, the time of day and the telephone business office will also be obtained through the new code.

GARY GOW

A very ambitious person among the prospective 1964 graduates is Gary Gow. Aside from the regular routine of maintaining good grades in high school, Gary spends his spare time working at Arians in Ann Arbor.

Gary says "my main ambition is to someday own my own retail store" — which seems to be good reasoning, seeing that he lists as his favorite pastimes "making money and spending it!"

In his junior year Gary was president of the J-Hop committee, and he has played football with the Pirates the past two years.

PATRICK TESSMER

Patrick John Tessmer has been a very active member of his class during his four years of high school. He played football with the Pirates for three years, was a member of the Science club for two years, worked on the yearbook, the J-Hop and the Homecoming event, besides his regular school work.

In the future, "Pat" would like to attend a junior college, or "just work" if a good job is available to him.

Water skiing, football and most any other sport falls under the heading of "Hobbies" as far as Pat is concerned.

BARBARA JOHNSON

Barbara Johnson plans to someday be a teacher. She plans to enter Eastern University College next fall to further her education toward this goal.

Barb has been an enthusiastic member of the Future Teachers of America that has been a big help in the preparation of her future ambition. Also, during high school she has been a member of F.H.A., Cheerleading, Yearbook staff, and is one of the 22 members of the recently adopted organization at P.H.S., the Honor Society, for those students with a cumulative B average or better for at least four consecutive semesters during high school.

CHIQUITA AMBURGEY

Chiquita Amburgey plans to attend Cosmetology school after graduation from P.H.S. This would solve one item for Chiquita, — she would always have the "know how" to care for her own beautiful auburn tresses for the remainder of her life!

During high school years, Chiquita played basketball two years, and was a member of F.T.A., Yearbook Club, Library Club, and was on the J-Hop committee last year.

of mail and flowers for the patients, in helping with the feeding of certain patients and with the distribution of evening refreshments. The trainees will also be taught how to escort patients to and from their rooms when necessary and how to distribute reading material.

Besides the acts mentioned, Gray Ladies find many other ways to be of service and comfort to the patients in the hospital.

An invitation to join this group is extended to women in all parts of the county. Further information may be secured by calling Josephine Grostick, Howell 1790, Doris Meyer Howell 1799, or Joyce Diehle Howell 1804, Ext. 28.

After the training period, the aspiring Gray Lady will be assigned to work a period convenient to her own family schedule. The work periods are 10:00 a.m. to 1:00 p.m., 1:00 p.m. to 4:00 p.m., 4:00 p.m. to 7:00 p.m. or 7:00 p.m. to 9:00 p.m. Gray Ladies are asked to work three hours per week. Since the plan is to schedule more than one Gray Lady on duty each period, the work can be a pleasant team effort.

Between the week of training and the capping exercises in May, the new Gray Lady is

asked to complete the first ten hours of her volunteer work. This will give her time to determine that she likes the work before she buys her uniform and shoes.

The McPherson Community Health Center chapter of the Gray Ladies will celebrate its sixth anniversary in May. Over 100 women have taken part in this work, of whom forty are active members at the present time.

Many of the Gray Ladies are able and proud to wear service stripes or five year pins on their uniforms. The service award list for 1963 included: **FIVE YEAR AWARDS** from Brighton, Ann Sobieski; from Howell, Ruth Bennett, Dorothy Blaess, Lillian Gatesman, Peg Hill, Doris Meyer, Grace Peiton, Mazie Reed, Catherine Sedick, Georgia Shertzer, Betty VanWinkle, Mildred Walker, Alta Willard and Irene Wilson.

FOUR YEAR AWARDS from Brighton, Madeline Schmitt; from Fowlerville, Janice Zimmerman; from Howell, Marian Hamilton, Helen Hosking, Virginia Simmons, Ernestine Spalding and Irene Zizka.

THREE YEAR AWARDS from Fenton, Florence Bailey; from Howell, Eva Allen, Judy Dunn, Grace Stephens and Thelma Dunn.

TWO YEAR AWARDS from Brighton, Dorothy Shelton; from Fowlerville, Mary Jane Major; from Hamburg, Mary Kennedy; from Howell, Anne Hilton, Lorene Maycock, Linda Musson and Nancy Spalding.

ONE YEAR AWARDS from Howell, Jeanette Kirschman, Mary Evelyn Maul, Nella Robinson, Donna Silver and Jean Smith.

Four times a year the whole group meets at the hospital for a discussion of the work, to hear a guest speaker and to enjoy a social hour.

Varied Program Presented By The Howell Music Club

The Howell Music Club, member of the Michigan Federation of Music Clubs, met Friday, March 13, in the parlor of the First Presbyterian Church.

As members of the club and their guests arrived they were given programs, entitled: "Our Budding Musicians."

Mrs. Marquette Cronan, program chairman, asked William Christopherson of the high school to present his students.

The first introduced Donald Edwards, tenor and music director at the high school who, he said, had already auditioned. Mr. Edwards accompanied by Karen Lowe sang

"How Do I Love Thee" by A. B. Browning McCollum and "Blue Are Her Eyes" by W. Watts.

Then Richard Scott, also of the high school faculty, presented the rest of the program, first playing "Sonata," Largo and Presto by Henri Eccles on his alto sax. He was accompanied by Miss Lowe.

With Miss Lowe again at the piano, Patricia Schafar played "Concerto No. 2 in D Major" by Mozart on the flute.

A woodwind quintet composed of Patricia Schafar, flute; Barbara Murray, oboe; Diane Flisk, clarinet; Charlene Fournier, bassoon; and Marilyn Parker, French horn, played "La Cheminee du Roi Rene" by Darius Milhaud, "La Maousinglade," "Jonk-leurs" and "Chasse A Valaire."

Sylvia Spalding, contralto, sang "This is My Prayer" by Roy Newman and "Sonnet" by Wavern Martin accompanied by Clifford McDowell at the piano.

Mrs. Mary Hoffman accompanied Fred Sherwood as he played "Sonata" by Leonard Bernstein on his clarinet.

A clarinet quartet made up of Diane Flisk, Fred Sherwood, Joan Favreau and Donette Wolf played "Concerto" by G. P. Telemann accompanied by Karen Lowe. Then Miss Lowe played a piano solo, "Cat and Mouse" by Aaron Copland.

Richard Scott concluded the program by playing "Second Prelude" by George Gershwin and arranged by Sigurd Rascher, on his alto sax, accompanied by Karen Lowe.

The audience agreed that the young people brilliantly performed a delightful program and felt justly proud to have such outstanding talent in the community.

The usual group singing followed led by the Reverend Dale Stewart with Mary Hoffman at the piano.

Refreshments were then served and another memorable music club meeting closed with good fellowship.

Erwins Host Congressmen

Mr. and Mrs. Wilfred H. Erwin were hosts at a reception for visiting congressmen and a number of friends at their home last Friday afternoon.

Other party notables present along with their wives were State Senator Paul Younger; Rep. Thomas G. Sharpe; Norman Stockmeyer, Secretary of State Central Committee; Nan Allen, State Central Committee woman; Charles R. Ward, County chairman; Edward A. Meany, Jr. and James F. O'Neil, both candidates for the U.S. Senate; Jim Dickerson and Dick Kuhn, both candidates for State Representative, 19th District.

Howell Area Exposition Plans Filmed

Plans for the Howell Area Exposition which is being sponsored by the Chamber of Commerce are being realized to the satisfaction of all concerned, according to Jack Jefferys.

Booths and advertising are being sold to the local merchants from lumber yards, hardware stores, paint stores, and appliance dealers who will exhibit their wares during the three-day event.

Prizes will be awarded but what they will be has not yet been revealed.

The Exposition will be held on April 17, 18, and 19 at the Howell Armory.

Easter Egg Hunt This Saturday

The annual Children's Easter Egg Hunt sponsored by the Howell Jay-Cees will take place at 1 p.m. on March 28 at the old McPherson-Browning property on West Grand River in Howell. This is the proposed site for the new recreation building.

There will be separate areas roped off to divide the different age groups participating and there will be a prize for the child in each group who finds the "special lucky gift egg," said Ed Schultz, event chairman.

The Easter Bunny with his "magic basket" will parade down Grand River from the IGA store to the Browning property where the hunt will take place under his benevolent eye.

BOARD MINUTES

A regular meeting of the Green Oak Township Board was called to order at 8 P.M. by Supervisor Howard Spicer. Other members present were Pauline Kravetz, Clay Wilt, Ray Lanning and Forrest King.

After discussion it was moved by King, seconded by Lanning that we authorize the Supervisor to approve the application of R.M. Campbell of 11222 Nine Mile Road for a used car license. Motion carried Un.

The Green Oak Township Zoning Board had previously approved Mr. Campbell's request to repair and sell used cars subject to the approval of the Township attorney.

Moved by Clay Wilt, supported by Mrs. Kravetz that we appoint Robert Anderson and Phyllis Kimberly for a two year term of the Green Oak Township Board of Canvassers. Motion carried Un.

Clerk Forrest King reported that he had been contacted by representatives of a Real Estate firm and F.H.A. to see if something could be done to clean out some of the junk cars and other unsightly conditions now existing at a few places in Wilmore and Saxony subdivisions. King reported that there was actually a very small percentage of the home owners who have junk cars on their property and that the constables had been asked to notify these persons to have them moved. ARGUS — DISPATCH • WEDNESDAY, MARCH 25, 1964

ROLLERS REMOVED and equipment ready, Ruthie Lipka, a model, awaits the start of the 45 minute competition. Models were required to sit absolutely still and no communication was allowed between model and stylist during the combing and the judging.

+++ +++ +++

THE JOB FINISHED, Ruthie Lipka remains at her station waiting for the judges to view her hair styled by her sister, Lavina. These two little Brighton girls, Ruthie is five and Lavina is 11, took fourth place in the competition.

AN INTENT STYLIST at the first step of the competition. For 45 minutes the girls combed, teased, sprayed and arranged their model's hair. The contestants were judged on execution, originality and adaptability to model.

+++ +++

THE "RED WINGED CARDINAL," a fantasy created by Diane Daughtry and worn by Shirley Gontrick. Shirley's red hair was combed into swirls and accented with glitter giving it a feathery appearance.

PAT CAYLOR, the model for Brenda Atkins, shown here with the trophy Brenda won for placing first. Pat's hair was a beautiful soft pink with a few glitters added to the swirl. The back was brushed smooth with the hair drawn to the right side for the swirl.

+++ +++ +++

JOEY LIPKA, age 2, of Brighton, attended the competition wearing her hair in a little girl dress-up style. Not showing are two little butterflies clipped on in back that made this fashion attractive coming and going.

Seventeen Display Talents

Saturday night Mt. Brighton turned from sports to beauty when 17 contestants participated in the Alpha Sigma Chi Inter School Competition.

Hair stylists from Midwest Beauty College, Brighton were competing against students from the Academy of Beauty in Garden City. These girls have an average of 1,000 hours training and this contest meant a great deal to them.

Styles were judged on the basis of execution, originality and adaptability to model. The girls were given 45 minutes to comb out and style.

Judging the event were Don DeRouse, Detroit; Kay Durango, Detroit; Helen Griffith, Utica and Pat Rosecki of the Village Beauty Shop, Pinck-

While the operators combed and coaxed their model's hair, spectators were occupied with a style show featuring hair styles for both daytime and evening wear. Highlights of the style show was a fantasy created by Diane Daughtry of Midwest. Called, the "Red Winged Cardinal," the style featured featherlike fans of hair sparkling with glitter.

Shirley Gontrick's red hair lent itself perfectly to the style. First place in the competition went to Brenda Atkins from the Academy of Beauty. She styled the hair of her model, Pat Caylor, in a beautiful side sweep with a swing on the right side just behind the ear.

The hair was smooth and simple with a touch of femininity. Miss Caylor's hair was tinted pale pink for an added touch. Two local girls placed in the contest. Diane Starky of Howell with Ruth Anderson as her model placed third. Ruth's hair was tinted lavender and arranged in an attractive swirl. Placing fourth was Lavina Lepka of Brighton. Her model was her sister, Ruthie. Lavina's skill was noted by all watching. Lavina is 11 years old and her model, Ruthie is five.

During the judging, door prize winners were announced by Jerry Arnett, who commented the show. Winner's and their prizes were: Carol Miller, Shampoo and set; Sherry Berra, Manicure; Ann Stanley, permanent; Gary Greenway, permanent Dolores Blumer, shampoo and set; Harry Michaels, permanent; Joan Carnes, haircut; Mrs. Ethel Grover, shampoo and set; G. J. Owens, manicure; Ann Gontarek, shampoo and set.

Prizes were donated by Midwest Beauty College and Patricia's Beauty Salon, both of Brighton. Coffee and cookies were served and guests were entertained with music after the contest.

Whitmore Lake Baseball Team Opens Practice

Baseball, under the direction of Head Coach Bob Ellis and Asst. Coach Don Smith, got under way last week with a small, but good crop of boys turning out for the first day's practice. With Dean Berry, veteran 3-year letterman leading the way, the Trojans took the practice field Thursday. Returning 2-year lettermen included Denny Haines, Dave Wilson, Terry Collins, Paul MacNamara, Charlie Hall and Bill DeDelippo. Andy Pomo is a 1-year letterman returning to bolster this year's squad. Newcomers hoping to gain a berth on this year's team are Percy Wright, Roger LaMotte, Phil Madouse, Chuck Riley, Doug Birton, and Roger Clay. Drills have taken place with running the most important part of the conditioning. A small but determined squad is hoping to make this year's baseball campaign a winning one. And Coach Ellis agrees.

Public Attention Invited On Nine Outdoors Issues

Public attention to nine major conservation issues was urged by the National Wildlife Federation today, following passage of resolutions by 50 state delegates to the Federation's recent annual meeting in Las Vegas, Nevada. Taking formal action during the final business session on March 8, the Federation:

- Re-emphasized its support of the establishment of a Land and Water Conservation Fund to finance State and Federal programs for public outdoor recreation.
- Re-affirmed its conviction that significant portions of suitable Federal lands should be preserved and maintained as inviolate wilderness.
- Expressed the belief that coordinated, comprehensive, long-range planning on a river basin basis by appropriate local, State and Federal agencies is essential for the proper conservation of the nation's water resources.
- Stated that the need for wetlands preservation in the United States is most critical in the potohole region of North Dakota, South Dakota and Minnesota. There is an urgent need for a revenue-sharing plan which will permit Federal acquisition in these areas. When harmful to waterfowl, Federal assistance for the drainage of wetlands should be denied.
- Encouraged farmers and other landowners to divert acreages not needed for agricultural production into conservation projects and practices, including those of value to fish and wildlife and providing for public outdoor recreation facilities.
- Urged that the principle of multiple use management, including provision for public outdoor recreation, should be applied to public lands administered by the Bureau of Land Management, Department of Interior.

Brighton High School Intramural

BY KEN LUTERMOSER

As a result of a tie for the title in Mr. Scranton's Intramural League, the co-champions, the Squirrels and the high-flying Hawks, duled in a play-off for first place trophy Wednesday after school.

It started out as the Squirrels outscored the Hawks in the wild first period battle, 14-12. Then Lee Niles, captain of the Hawks, caught fire and scored seven of his team's 12 points. The Squirrels regained the lead to take a 4 point margin 33-29 after three quarters of play.

Then came the disastrous fourth quarter as the Hawks poured in 18 points to the Squirrels 8. "It seems as if the Squirrels fell apart" commented one of the spectators. Although Lee Niles fouled out, he still managed to lead his victorious team with 19 points.

Jim Hatswell and Clark Millar, the other two of the Hawk's big guns, had 13 and 11 points respectively. Bill Osborne led the losers with 13 points. Phil Stine, captain of the Squirrels, followed closely behind with 11 points.

This play-off victory was the seventh straight win for the Hawks.

Hawks Beat Squirrels in Last League Games

In the last league game of the 1963-1964 season, the Hawks won a "must" game from the league-leading Squirrels 60 to 42. This put the two teams into the play-off game on Wednesday. The Squirrels were outclassed as the "Big Bad Hawks" completely dominated the game. The Hawks were never headed as they took a 24-15 lead at half-time. They got better as the game continued.

Jim Hatmaker led his team, the Hawks with 25 points as captain; Lee Niles and Leroy Crosby had 15 and 11 in the victory. Bill Osborne led the losers with 12 points; Phil Stine and Tom Brewer each had 10.

Raiders Roll Over the Warriors

The "Big 2" of the Raiders got loose again (you know, Don "Bull" Baker and Terry Stowers, of course) and had a combined effort of 50 points—(more than the Warriors points put together) to smash the hapless Warriors 64 to 47. One record was broken and another tied as Bull Baker bagged 29 points to break the previous record of 27 held by Ron Latimer of the Tigers. Terry Stowers' 21 points was just

enough to enable him to tie Gary Armstrong for the league's leading scorers with 172 points each. John Hyne and Jon Petzold led the losers with 14 and 13 points respectively. This proved to be the last regular game of the 1963-1964 season as the Tigers and Bombers forfeited because they hadn't enough players to play.

It was a real tight race all the way and all the boys who played in Intramural Basketball wish to thank Mr. Scranton for a very fine job in making this league possible.

The season ended for most of the teams in Mr. Scranton's Intramural Basketball League Tuesday night with a double forfeit and a first place tie.

Neither Tigers nor Bombers showed up; Scranton called a double forfeit. The high flying squirrels lost their game to the fast moving Hawks to cause a first place tie. Terry Stower's team, Raiders, defeated the Warriors to clinch 3rd place.

KITE SAFETY

The little girl with the great big kite is Collette Offer, four-year-old daughter of Mr. and Mrs. Edward V. Offer of 30107 Bentley, Livonia. Her father, a safety coordinator for Detroit Edison, uses the ten-foot-high kite to call attention to Edison's kite-safety program. The kite has been flown at Detroit area playfields to remind youngsters that kite-flying can be fun and safe too if these simple rules are followed:

- (1) Always fly kites in open fields — away from overhead wires and away from streets and roads where traffic is an additional hazard.
- (2) If you build your own kite, use wooden kite frame.
- (3) Use "plain" kite-string. Avoid all tinsel wire or cord that has any appearance of being metallic.
- (4) If the kite catches on a pole or tree, do not risk an electric shock or a bad fall by trying to retrieve it.
- (5) Never fly your kite during an electrical storm.
- (6) When you're running to raise your kite or keep it in the air, watch your step rather than your kite — it may save you a bad bump or tumble.

Offer says, "Use the proper materials and observe these rules and you'll keep the fun in and the danger out of flying kites."

Seventeen Pinckney ladies joined the Ann Arbor and Chelsea TOPS clubs at this event. Mrs. Kenneth Hunt, a Slenderizer guest for the evening, won one of the prepared dishes... an Oriental Shrimp concoction. Coffee and fruit compote were served after the demonstration.

DEVOTION TO SERVICE
The minutes of the meetings in the town clerk's book made very interesting reading. Most of us haven't

realized the service beyond the call of duty that some of our citizens have been giving us. Don Swarthout, retiring councilman, (he didn't run this year) has served on the council since 1947 which adds up to a good many years. Les Tip-lady (who did not run) had served consecutive terms as a trustee since 1951, and Roy Clark, (still in office) has been on the council even longer than these gentlemen.

STANDING ROOM ONLY
There wasn't a vacant seat in the house Wednesday, March 18, when the Ann Arbor Chapter OES gave a reception for Mrs. Lucille Koken who is Grand Electa in the Grand Chapter of the OES. The Grand Officers were present and exemplified the degrees initiating six candidates.

Some members of Mrs. McCabe's sixth grade also attended the lecture.

Mrs. Thomas Line, Mrs. Joe Plummer, Mrs. Joann Erhard, and Mr. and Mrs. McCabe furnished the transportation for the youngsters. Mrs. McCabe and Mrs. Erhard very generously provided dinner for the group, some eating at the McCabe home, while others had dinner in Mrs. Erhard's apartment in Ann Arbor. Really devotion beyond the call of duty.

PAJAMA PARTY FOR RAINBOWS
Twenty one members of the Rainbow Girls whooped it up last Friday evening when they had a pajama party at the Courtland Geib home at Patterson Lake. Dancing, chatter, and general good fun filled the evening. Mrs. Geib, Mrs. Herbert Bowles, and Miss Leota Reason spent the night with the girls.
Courtland Geib, Jr., and his father, Mr. Geib, avoided all the female company by attending a camping party with the Boy Scouts at Bruin Lake that night.

Rev. and Mrs. Charles Michael and family are visiting in Wisconsin. They will return to Pinckney on Friday.
John Packer is building a house on the south side of the Clifford Haines home on Rose Street.

The chuck holes in the Mill Street, Putnam Street, Howell Street school bus route have been patched we see. While this route needs major surgery instead of patching it was the opinion of Stanley Dinkel, his outgoing council members, and the newly elected officers that any drastic measures be reserved until Consumers Power Co. finish installing their pipes and gas mains. Consumers is to begin work in the very near future.

ORIENTAL THEME HIGH-LIGHTS PARTY
A beautiful and unusual party was given by Mrs. Lawrence Baughn Thursday, March 12, honoring Mrs. Roberta Amburgey on her birthday. Karen Crosser, Pinckney Elementary School student is spending her spring vacation at the McPherson Health Center. She became ill and was taken there for tests and observation. She expects to be home on Friday.

Mrs. Dennie Bays, Mr. and Mrs. Henry Gates, and Mrs. Anne Russell and her children Susan and Danny were in Keego Harbor last Sunday and had dinner and a day of visiting with relatives, Mrs. Bert Landdon and Mrs. Mabel Saxe.

Spring cleaning time has arrived it seems. The Congregational Church shines and sparkles after an old fashioned "cleaning bee" held March 21.

It has only been in the last four or five years that the village president and councilmen have been paid a token fee for their services. These men are to be commended for their devotion to the town and its problems.

The Pinochle Club No. 1 met at the home of Mrs. Bernice Baker last Thursday for an afternoon of card playing. Eight members were present.

Mr. and Mrs. Neil Baughn and nephew, Bobbie Baughn, took Mike and Scott Carver to the Willow Run airport Sunday, Mike and Scott boarded a jet for Florida to join their parents. Mr. and Mrs. Hank Gilbertson, for an Easter vacation.

There will be no meeting of the TOPS Slenderizers this week. As the meeting falls on Holy Thursday or Maundy Thursday the meeting has been cancelled to enable members to attend services at their churches.
