The Way We Hear It

BY: DOLLY BAUGHN

... The Pinckney Kiwanis Club are making one last big effort to sell their most popular calendars. These calendars include names of persons marking the date of their birthday and/or wedding anniversary. For the price of \$1.00 you can have two names listed, your own or/and a friend's name on this calendar, and for a small fee of 25 cents each you make additional listings. These calendars are distributed throughout the area next July when the calendar year for these certain calendars begin. April 21 is the last day such a calendar may be ordered. Either call Jerry's 878-3480, or Lee's Standard, 878-1701, to place your order! Proceeds of these calendar sales are used in various ways, always beneficial to the community. The Kiwanis is a good going Club - why not support them?

word from one of the seven Board members.

... All persons under 21 to receive driver's licenses from now on will be issued new "green" colored licenses. They will be a plastic laminated face which will make them more durable, and more difficult to tamper with. Wonder what is meant by "tamper with" - people under 21 wouldn't do anything like that - would they??

... there are about 3,250 "ham" radio operators that will be issued a license for such in Michigan this year. Wonder if other towns are bothered with these "hams" intercepting TV programs like

many local people in Pinckney are. Reports are that sometimes it gets so bad, the only thing to do is to turn off their TV's at night. This is terrible!

... we shouldn't forget the community choir, Sunday, April 19, 8 p.m. in the P.H.S. gym!

... James Wagner, 21-year-old Wayne State University student drowned in Base Line Lake Sunday when the sailboat he and a friend were in capsized in the gale-force gusts of wind that exceeded 50 miles per hour that day. The body had not been recovered as yet Tuesday noon.

Grass Fire Destroys Nearly 600 Acres

The Pinckney, Hamburg, Brighton, Howell and Conservation fire departments were called to fight a grass fire that swept across nearly 600 acres of land Saturday afternoon, April 11, beginning at Rush Lake and traveling across country, almost to Brighton Road.

It started when an elderly person living at Rush Lake, attempted to burn trash, and the high winds carried burning debris to the surrounding dry grass. The area burned at this time included the section owned by John Peitras, in fact it came within a few yards of the Peitras' home. It skipped across Swarthout Road east of the Peitras home, as easily as if the road had not been there. Persons living in the first home located on Richardson Road were alerted to be prepared to move out, but firemen held the fire under control and no damage was done to buildings. This property is state owned.

Many sheriff's patrol cars were on hand directing traffic, and aiding with their two-way radios talking to firemen. A conservation plane also, using a two-way radio was most

helpful aiding the firemen. The cost of property damage has not been estimated, however the cost to pay the various departments is estimated to probably run close to the \$1,500 dollar mark.

Progress Made With Pinckney Recreation Area

Steady progress is being made in the development of a bathing beach and picnicking site at the Halfmoon Lake section of Pinckney recreation area in Livingston and Washtenaw counties, according to the Conservation Department.

Work is also moving ahead under other phases of a \$88,000 improvement project which is scheduled for completion by July 1 of this year.

Other work includes the paving of roads and parking areas, and the construction of a new bathroom and concession building. The area's total list of improvements is designed to handle an additional 1,700 day users at one time.

Last year, some 246,000 daily visitors used the Pinckney area, buying an estimated \$677,000 worth of gasoline, food and other such items from local stores.

Addition of facilities by the Conservation Department will boost the area's potential for visitor spending by \$4,675 per day.

Improvements at the Pinckney area are financed through the \$10-million state park bonding program which is being underwritten by the sale of vehicle entrance permits.

Trio Conducts Church Services

The Anderson College Lyric Trio will be conducting special services at the Wright's Corner Church of God on Saturday, April 18 at 7 p.m. followed by a Fellowship hour. The public is cordially invited to attend.

The Trio will also have charge of the regular morning worship services at 10:30 a.m. Sunday, April 19.

Howell Program

Fund Hits \$86,000 Mark

"The spirit of optimism continues to permeate the campaign," leaders commented this morning. "It was another excellent report meeting last night."

Following last night's meeting, campaign volunteers were more determined than ever to see the campaign "go over the goal" by the last regularly scheduled report meeting, next Tuesday, April 21.

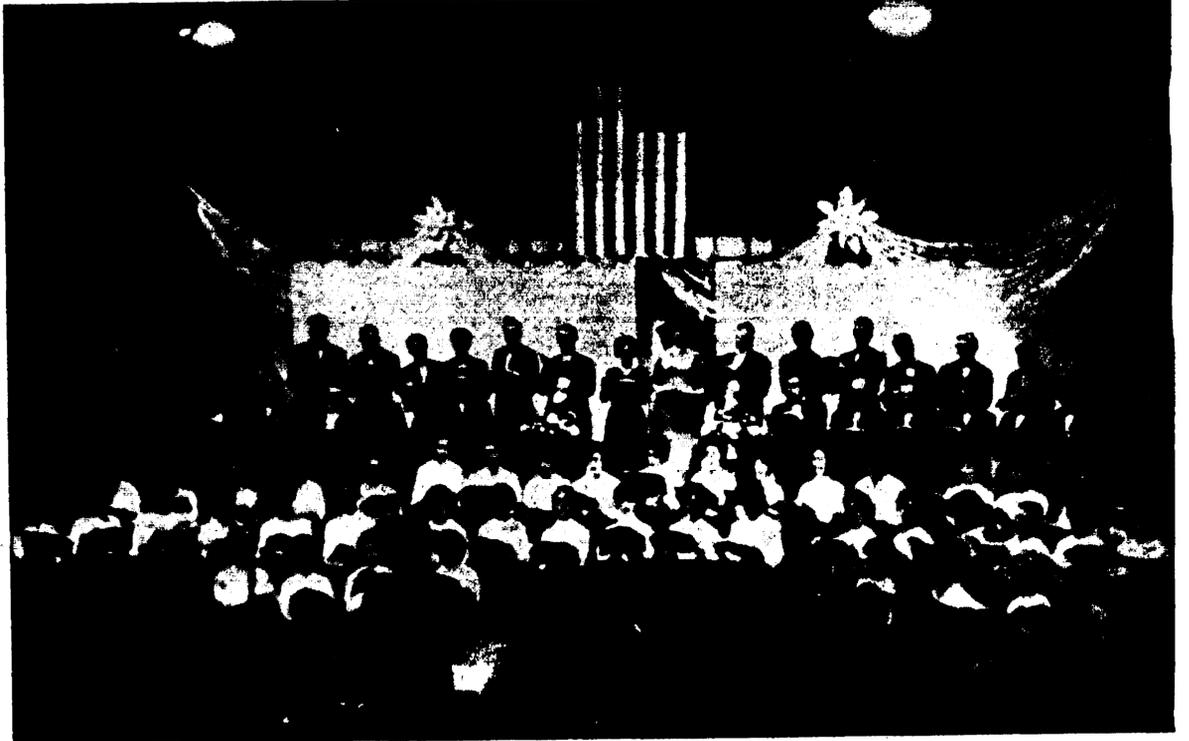

William B. Scofield, co-chairman of the General Gifts Division, told the group, "Now is the time for us to 'pull out the stops'. There are hundreds of cards still in the hands of workers. We know for a fact that the great majority of these cards

are productive and will produce wonderful results by our next report meeting."

Robert Withey, who along with Scofield is a co-chairman of the General Gifts group, added these comments: "All of us working in general gifts are overwhelmed at the standard of giving. To date, gifts have been averaging nearly \$100.00 each. This clearly indicates a willingness on the part of our people to make this campaign a success."

Leo Luusua, section leader for General Gifts Section, reported his section was the first to go "over the top." Luusua's section goal was \$1,400.00, and his group reported

Postmaster Urges Caution To Avoid Being Defrauded

Noting that mail frauds filch millions from the public annually and are increasing, Postmaster Lawrence Baughn urged today that local residents take care in responding to solicitations from unknown companies or to "offers too good to be true."

Mr. Baughn said that he had received informational material from Postmaster General John A. Gronouski about the problem and that the Postal Service is pressing a strong drive against quackery by mail, land fraud promotions, GYP work-at-home schemes and the like.

Mr. Baughn noted that one of the stiffest prison terms ever administered to a medical "con man" was given to Roy Wright DeWelles, of Pass Christian, Miss., who made an estimated \$15 million peddling a worthless "oxygen therapy" device known as Detoxacolon.

DeWelles was arrested after sending out 10,000 postal cards promoting the quack scheme.

In another recent case at San Francisco, Edward H. Johnston, doing business as Comstock Land Company and E. H. Johnston Company, was sentenced to six months in prison, followed by four and one-half year probation, for mail fraud.

Johnston was also ordered to make restitution of \$80,000 to purchasers of worthless desert land near Elko, Nevada. Postal inspectors accounted for nearly fifty investors who had signed

contracts totaling \$250,000 in the belief that the famous Nevada Comstock Ranch was involved.

In Philadelphia, Jacob D. Morris, 71, was arrested for probation violations and sentenced to sixty days in prison. He had been placed on five years probation for mail fraud conviction in 1959. He has previously served time for similar violation, resulting from "work-at-home" schemes, and his criminal history dates back to 1933. This latest action was for filching \$3,000 from the public by advertising for persons to address and mail advertising matter, with earnings up to \$188 weekly. Most people who sent money to Morris received nothing.

"It should be emphasized," Postmaster Baughn added, "that most businesses doing business by mail are reputable firms, including many that may not be familiar to the prospective purchaser. How-

ever, if there is any doubt, it is best to get information from reliable sources, such as the Better Business Bureau. In cases where there is a genuine basis for suspicion of fraud, we would like to have prompt information from the public so that appropriate action can be taken."

PHS Students Visit College

A group of 37 persons, adults and students from Pinckney High School, visited the Detroit Bible College, an inter-denominational school in the heart of Detroit, Thursday, April 9.

Rev. Thomas Murphy of the People's Church, Pinckney, having graduated from the Detroit Bible College in 1957 was a very able guide. Hiawatha Beach Church and Bethel Baptist Church joined the People's Church in this event.

The group toured the ten acre campus, visited the various school buildings, sat in some of the classes, toured the dormitories and attended a chapel program in which they also took part.

They were guests of the college for lunch in the school cafeteria, and then on to complete the tour of the rest of the buildings on the campus.

Graduates of the Detroit Bible College are serving all the world as missionaries, pastors, teachers, and in Christian education. Besides religious training, liberal arts, science courses, and many other subjects are taught.

Adults transporting and chaperoning the group were Rev. Murphy, Rev. Stauffer of the Calvary Mennonite Church, Mrs. Louis Shirey, Mrs. Henry Shirey, Mrs. Audrey Potter, Mrs. Ted Stockton, and Mr. and Mrs. Harvey Ritz.

Students taking advantage of this preview of college life were Martha Nash, Steve Randolph, Lavern Hunt, Gary Hull, Gail Smith, Jim Shirey, Bill Shirey, Linda Shirey, Sandra Shirey, Lois Shirey, Elaine Darrow, Shirley Holister, Angela Castro, Rudy Josephson, Kathy Singer, Rod Tanner, Paul Gray Chuck Duvall, Dan Waterbury, Sharon Gallup, Sam Matteson, Rhoda Baxter, Joanne Shugg, and Bill Roy.

Event Is Set For Sunday At Pinckney High School

The Pinckney Community Choir, consisting of 70 voices and a fifteen piece instrumental orchestra, will present the Mozart "Requiem" Sunday, April 19, beginning at 8 p.m. in the Pinckney high school auditorium. This Choir is under the auspices of the Pinckney Kiwanis Club. This is the second such concert presented to the public by this choir the first being last December when they presented the ever-famous "Messiah". The entire performance will be under the direction of Steve Jones.

Barbara J. K. Terrari, soprano soloist.

Larry Jarvis, tenor soloist.

Lois Alt, alto soloist.

The soloists and orchestra are affiliated with The University of Michigan School of Music.

Barbara Ferrari, soprano, has given numerous concerts in the Ann Arbor area. Her growing reputation attests to the fine quality of her voice.

Lois Alt, alto, was heard as soloist in "The Messiah" presented in Pinckney last December. She studies voice with Ralph Herbert of the New York Metropolitan Opera Co. and will graduate after this year with a Master of Music degree from The University of Michigan.

Tenor Larry Jarvis is new to the Pinckney area. He studies voice at the University with John McCollum, who appeared as King Jasper in the N.B.C. Opera Co. television production of Menotti's "Amahl and the Night Visitors" last Christmas. Jarvis has a starring role in the University production of Tchaikovsky's opera "Queen of Spades" to be presented May in Ann Arbor.

Bass Marshall Hill, another soloist in the Pinckney performance of "The Messiah" last December, returns for Mozart's "Requiem." A native of Howell, Michigan, Hill studies voice with the respected Ralph Herbert. Hill, too, has a starring role in "Queen of Spades."

These four soloists will have the task of delicately blending their voices as one, in the difficult quartet passages, which contributes to the high aesthetic distinction of the Mozart "Requiem."

The "Requiem" was written in 1791 when its composer, Wolfgang Amadeus Mozart was at the height of his compositional powers. Unfortunately he died in the same year, at the age of 35, before he could complete this masterpiece. The German musicologist Dr. Friedrich Blume describes this "Requiem" as "manifesting profound awe of the world to come, the world transcending creed and dogma where man is released from the narrowness of earthly existence."

To insure getting a good seat, plan to arrive well in advance of the performance time of 8 p.m. this Saturday evening in the Pinckney High School Auditorium.

Chit Chat Is New Game Hit

CHIT CHAT, HUGH DOWNS' GAME OF CONVERSATION, like Password, You Don't Say and The Match Game, is an ingenious RX for party fun or family amusement, based on words, published by Milton Bradley. This unusual game was developed by TV's most famous conversationalist, Hugh Downs, to help bring back the art of home conversation.

Here, Hugh shows TV star Jonathan Winters and Carol Minnie how Chit Chat bases exciting play on conversation cards. Each player starts off bravely with a sentence based on three words from the grouping of conversation cards he has drawn. Any other player may challenge his statement with the remaining players acting as jury. When the conversation gets intense—as it usually does—the official "controller" has to use a bell provided in the game box to hush hubbub.

Gregory News

BY: M. COSGRAY

The sixth graders at Gregory School welcomed back a suntanned Becky Harvey on April 6. She had been vacationing in Florida.

However, it was evident that Becky had not spent two weeks on the beach because she gave us reports of trips to several historic places, including Cape Kennedy.

In addition to the interesting reports, Becky brought the class a shell collection, coral specimens, a cocoon (unshucked), a grapefruit-sized lemon, and finally a bag of Spanish moss which now hangs from our tomato tree to give our room a southern atmosphere.

The second graders are working hard learning to do cursive writing.

The first graders made pussy willows by using puffed wheat for the blossoms.

Rev. James Burgess of Lansing was guest speaker for the Sunday morning worship services at the Gregory Baptist Church. Sunday evening the School of Missions was opened with a curry dinner. Miss Ruth Daniels of Onstead, a former missionary, was guest speaker for the evening service.

Mrs. Curtis Poole and children spent last week with Mr. and Mrs. Harlow Munsell. The Pooles are moving to Grand Rapids.

GREGORY HISTORY (continued)

Gregory soon became a livestock shipping center. Every Monday hundreds of cattle, sheep and hogs were brought to the stockyards and shipped out in cattle cars. Jim Burden was a famous cattle buyer.

Gregory was also a famous shipping point for apples. Bullis & Kuhn shipped hundreds of barrels of Baldwins, Greenings and Spys from here every fall. In those days nearly every farm had a productive orchard and no spraying was necessary.

Later, Gregory was noted as a huckleberry center. H. E. Marshall bought and shipped hundreds of bushels of huckleberries from here every summer.

Organist Eloyse Campbell, past Grand Organist of the Grand Chapter of OES, played selections throughout the evening that were appropriate to the spring season and to the bluebird theme.

Following the business meeting, Pinckney Chapter entertained her guests with a spoof on fashion shows. With Eloyse Campbell at the organ and Esther Hall giving the narration on the "creations," members strolled through the audience with such originals as a "tissue faille afternoon dress" lovingly made from yards and yards of toilet tissue, a tea dress with real tea bags for decoration another with a plunging neckline composed of a "plumber's helper" were only a few of the many

Refreshments were served in the dining room with Pinckney's two county officers, Dorothy Wilson and Sadie Moran pouring at the buffet table which was most attractive with a large gold cross trimmed with flowers and small birds created by Harriet Rahrig.

The refreshment committee consisted of Harold and Pinky Henry, Roberta Amburgey, Sadie Moarr, Lonnie and Edith Van Slambrook, Rosina Hill, Ethel Rooke and Margaret McConnell.

Fires Plague Entire County

Fires continue to plague Livingston county but fortunately most of them have not been serious.

A tool shed on the property of Richard Irish, 4201 Fawcett Rd., in Deerfield township was totally destroyed on April 9, when it caught fire from sparks from burning papers.

Later that same day a fire started at the home of E. Garrison, 950 Francis Rd., in Marion township. Damage to the house was estimated at about \$300 and to the contents at about \$100. No cause of the fire was given.

Three fires on April 10, were started by burning trash. One acre of grass was burned at the property of D. Drew on Sleator Rd., grass was burned at the home of George Wright, 2655 Mason Rd., and grass and a small building were burned at 7500 Allen Rd., in Ocolea township. Damage to the building was estimated at \$25.00.

Grass fires occurred on April 11 at 2880 W. Grand River, Burkhardt Rd., and 2895 W. Grand River back of the Bonnie View Rest Home. A large grass fire which burned from Rush Lake Rd., to Schaffler Rd., and from Farley to Cranberry Rds., called out the Howell fire department, Hamburg and Pinckney departments, and two trucks from the Conservation Department along with two truckloads of boys from the Brighton Youth Camp.

Fires from burning papers occurred on April 12, at 5419 Golf Club Rd. in Ocolea township and at 932 Sunrise Park Drive, in Genoa township.

The siren which sounded about 12:45 p.m. on April 12, was rung in Howell by mistake. The fire was in Brighton.

SPAGHETTI DINNER

The Walnut Street Methodist Church in Howell is sponsoring an Italian Spaghetti Dinner on Friday, April 24 from 5 to 7 p.m. The public is invited. A charge of \$1.25 for adults and \$.75 for children 12 and under will be made with the proceeds going to the Camp Fund and MYF.

— Girl Scout Investiture —

Twenty-eight Brighton Area girls, were invested into the Girl Scouts, April 3 at the Brighton Scout Building.

In a symbolic candlelight ceremony, witnessed by friends and relatives, the young ladies were officially recognized as scouts, and formed a new Brighton neighborhood troop.

"Pat Dopkowski," Senior Aide of the newly formed Troop 46 welcomed guests and officials and requested audience participation in the "Pledge of Allegiance" and the singing of "America."

While the fledgling scouts repeated the "Scout Oath," their leaders lit a candle for each of the three-part promise: Duty to God, Country, and the Scout Law.

Coming forward in couples, the girls repeated the "Scout Law," each couple lighting a candle until ten candles burned for the "Ten Laws."

The Troop Committee, consisting of Mrs. Harris, Mrs. Bidwell, Mrs. Foerster and Mrs. Lew Allen, along with the Troop Leader, Mrs. Allinger, and Leader Mrs. Roe, were invested by Mrs. Leitz and Mrs. Padley, Troop Consultants.

The newly "pinned" leaders then invested their girls. Following Mrs. Leitz's instructions, all pins were placed upside down until the wearer performed a "Good Deed."

The impressive ceremony was climaxed by refreshments served by the young ladies of new Troop 46.

This worthwhile venture would not have been possible without the efforts of many people. The leaders and committee women, the Huron Valley Girl Scout Council, Mrs. Padley, Mrs. Leitz, Mrs. Kajawa, Mrs. Bitten and Mrs. Putz gave much of their time. Mrs. Wietzke designed the floral arrangements, Mr. Foerster spent obvious hours fashioning the candle holders, and B and R Printing donated the programs.

Troop 46 lead by Mrs. Allinger and Mrs. Roe is one of the largest troops in the Huron Valley Council, and if the deportment and enthusiasm of their young ladies is any indication of their future, Troop 46 is one that will bring pride to Brighton.

Interest in Girl Scouting has risen in Brighton and Troop 46 serves only as an example of the use to which the scouting facilities are being put. During the winter, a Junior Troop and two Brownie troops were formed.

Any girl interested in joining the Girl Scouts or any parent willing to dedicate their time and talent is urged to contact Mrs. Lois Kajawa Troop Organizer, AC 7-4891, or Mrs. John Weiler, Neighborhood Chairman, 227-3446.

The newly "pinned" leaders then invested their girls. Following Mrs. Leitz's instructions, all pins were placed upside down until the wearer performed a "Good Deed."

The impressive ceremony was climaxed by refreshments served by the young ladies of new Troop 46.

MR. AND MRS. FRANK SEGER of 209 Pierce, Brighton, and Miss Myra A. Seger of 1422 Roselawn, Lansing, formerly of Brighton, were passengers aboard the S. S. Bahama Star on a cruise from tropical Miami to Nassau. The ship was their floating hotel, docked in Downtown Nassau, right in the center of all activities... shopping, nightclubbing, sightseeing in surreys, bicycling, and swimming.

Obrecht-Herman Marriage Saturday

St. Hugo of the Hills Church was the scene of the April 11 marriage of Karen Lucille Obrecht and Jack T. Hermans. The Ray E. Obrechts of 1625 Keller Lane, Bloomfield Hills, Michigan are the parents of the bride. He is the son of Mrs. Kathryn Hermans, of Brighton, and Mr. Robert J. Hermans of Detroit.

The bride's gown was of imported silk organza accented with Alencon lace at the scooped neckline and as a front panel effect on the bell skirt with a chapel train. She had a spray of orange blossoms with crystal trim on a bubble veil. A white orchid centered her spray of white hyacinths and variegated ivy.

Miss Carole Obrecht attended her sister as the maid of honor. The bridesmaids were Victoria Ryan of Royal Oak, Michelle Bartlett of Dearborn, and Diane Duquette of Ann Arbor. They wore street-length sheath dresses of pink organza with

floor-length, bell shaped over-skirts. The maid of honor chose a matching gown of rose organza. They wore lowered headpieces to match their gowns. The flower girl, the bride's five-year-old cousin, Lori Pierce, was dressed to match the bridesmaids. The bouquets were rose carnations for the maid of honor, pink carnations, for the bridesmaids, and a nosegay of pink carnations centered with one red rose for the flower girl.

The bride's five year old brother, Brian Obrecht, was the ring bearer for the double ring ceremony. Assisting the bridegroom as best man was Blair Koehler of Farmington. Seating guests were Steve Hermans of Detroit, the groom's brother, Robert Obrecht of Ferndale, the bride's brother, and Harold Graham of Detroit.

After the ceremony, a wedding breakfast was held at Devon Gables, Bloomfield Hills, for approximately 160 guests.

Taylor-Latham Vows Exchanged

Mrs. Lillias Taylor and L. Arthur Latham exchanged vows in a candlelight ceremony performed by Rev. Geneva Kaltenback. The bride wore a semi-formal dress of blue-black net over blue taffeta and wore a corsage of pink carnations. The matron of honor, Mrs. Elaine Buchanan of Caledonia, wore a gold sheath with matching jacket and wore a corsage of yellow carnations.

Mr. Edward Buchanan served as best man. Mr. Dennis Oliver of Brighton seated the guests. There were 55 close relatives attending.

Mrs. Evaline Gunderman, sister-in-law of the bride, baked and served the lovely three-tier wedding cake. Miss Irene Smith served the punch while Mrs. Ruth Smith and Edwina

McKay served cake and ice cream. The new Mr. and Mrs. Latham left April 13, for a 4 week honeymoon, to the southwestern states and Mexico.

They will reside at 11640 E. Grand River upon returning. Mrs. Latham has worked at the McPherson Community Health Center for the past 5 years while Mr. Latham is a professional painter and decorator. Guests were present from Whitmore Lake Alma, Ithaca, Grand Blanc, Brighton, Detroit, Milford, Commerce Lake, and a very special guest Mrs. Latham, a sister from California.

Spring Showers

On Thursday, April 9 Pat Bays was honored at a bridal shower at the home of her grandmother, Mrs. Henry Gates. The two other hostesses for the shower were Pat's aunt, Mrs. Anne Russell and a friend, Mrs. Marvin Potter. The shower was attended by 21 guests and Pat received many lovely gifts. Pat and Robert Nosker, Jr., were married on Saturday, April 11.

Mr. and Mrs. Wilbur Campbell of 3520 East St., Hartland, Mich., announce the engagement of their daughter, Mary Jo, to Gary W. Johnson, son of Mr. and Mrs. Floyd Johnson, of 6453 Hartland Rd., Fenton. Gary is a junior at Michigan State University. The couple plans an August wedding.

Mary (Mrs. Dennis) Muellerleile was honored at a Stork Shower on Monday evening, April 13. The shower was given by Betty (Mrs. Jerry) Ritzert at her home on E. M-36. Eighteen guests were there to shower Mary with gifts for their baby girl. The little miss, who was born on March 8, was named Rose Ann. The Muellerleiles have one other child, a son named Daniel.

In Michigan... at a picnic, beer is a natural

When you're relaxing at your favorite outdoor beauty spot with friends or family, and your thirst is whetted by fresh air and exercise—that's the ideal time for a cool, refreshing glass of beer. In fact, you can name your recreation—swimming, hiking, or just watching TV—and chances are nothing in the world fits it quite as well as beer.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Michigan...beer goes with fun, with relaxation UNITED STATES BREWERS ASSOCIATION, INC.

TO HELP THE BLIND HELP THEMSELVES Bell System scientists have introduced a new kind of telephone switchboard which can be operated by a blind attendant. This opens up new job opportunities for the blind. The new device converts the light signals of the conventional switchboard to sound signals. Other recent Bell System devices to aid the handicapped include a volume-control handset for the hard of hearing, and an electronic larynx for those who have lost the power of speech.

WELCOME A PRINCESS into your life! A Princess telephone, of course... the littiest and loveliest of them all. Any room is the room for your Princess phone. Where it's dark, the dial lights up. Where space is scarce, its compact size fits beautifully. And there's a color to catch or complement any decor. To welcome a Princess phone into your life, just call our Business Office—or ask your Telephone Man.

ASLEEP ON THE JOB!

Ordinarily there's no more tireless friend or servant than your family telephone. It works around the clock, year in and year out. One of the few exceptions is when you make it "go to sleep on the job"—by failing to hang up the receiver properly. When that happens, friends can't reach you on the phone. So whenever you hear a buzzing sound coming from your phone, check it at once. Someone must have forgotten to put the receiver back on the "candle," where it belongs.

Physical Fitness Tops All 4-H Youths' Health Goals

The National 4-H Health program this year aims to improve personal fitness and community health, announces the National 4-H Service Committee.

Representing the 4th H in the club's four-leaf clover emblem, health activities or projects are expected to be completed by some 670,000 boys and girls from coast to coast. Best efforts will be rewarded through the program's sponsor, Eli Lilly and Company.

Health medals, trips to the National 4-H Club Congress at Chicago, and \$500 college scholarships await hard-working 4-Hers. Last year more than 5,000 members earned the gold-filled health medal, according to the 4-H Service Committee. This was an increase of about 300 winners over 1962.

With emphasis on fitness, members and local club leaders as well plan to take periodic inventory of health habits as outlined in the 1964 health bulletin published by the 4-H Service Committee.

The idea-packed bulletin reminds club members that

Safety First

With time for bicycles rolling around again, safety should be foremost in mind, says Automobile Club of Michigan. So the thousands of bicycling youngsters in Michigan are cautioned to "Ride One on a Bike" on 17,000 copies of this award-winning poster being distributed by Auto Club to schools throughout the state.

The Cooperative Extension Service puts the program into action, and invites inquiries and enrollment. Copies of the 1964 National 4-H Health bulletin can be obtained free from the county extension office.

Scientists at Michigan State University are at work on 1,600 research projects.

24 Youths Compete In Bowling Tournament

"Who is leading now?" This phrase was used quite often the Sunday, of April 5, in the Brighton Bowl.

The Youth Bowling Association of America (Y.B.A.) held a Doubles Tournament for the boys of the High School League.

A field of twenty-four bowlers competed in an exciting playoff. The bowlers were divided into two divisions the preps, ages 13 to 15, and the major division, ages 16 and up. It was a see-saw battle for the lead and nobody knew who would win until the last bowling ball was thrown.

First of all, in the Major division, Paul Dixon and Gary Opperman, both with an average of 137, fired an opening round of 161 and 158 respectively. Their 94 pins a game handicap, added on to their scores, had built a lead of 24 pins over their nearest rival, Ken Luttmoser (average 158) and Clyde Hogan (average 150) who bowled 161 and 158, but with less handicap. In the second game the lead changed as Ken and Clyde bowled a 167 and 170 games. The leaders had a one-pin lead going into the final game of the three game match. With pressure on all, four bowlers started getting off target as Gary Opperman got a spare and a strike but then rolled 4 straight splits. Clyde Hogan had two open frames in the first and second frame, but rebounded back to a respectable 154 game. Ken Luttmoser missed 3 vital frames and Paul Dixon filled 11 out of 12 frames. With the help of their big handicap, it enabled Paul and Gary to tie Ken and Clyde for co-leadership in the Major division. With the help of their 124 pin handicap, Lee Niles-Christ Jarrett team finished second 62 pins short of the leaders. Cliff Ritter — Pat Faulkner team came in third followed by Bill Houghton — Dennis Scott team.

In the prep division, Larry Luttmoser — Dennis Nauss held the lead for the first two games, but fell when John Hardesty and Tony Pussell bowled 155 and 121 games. John and Tony's big handicap lifted them from third place tie to beat Larry and Dennis by 44 pins. Johns Kearns, a 120 average

News in the World of Religion

by W. W. Beid
What are said to be "the three chief barriers to church union" — the ministry, baptism, and holy communion — will be key discussion points at the third "Consultation on Church Union" which meets April 13 to 16, in Princeton, N. J. "These topics," the Rev. Dr. James I. McCord, Consultation chairman, says, "represent the most basic issues dividing Protestants today."
Involved in merger talks are the United Church of Christ, United Presbyterian, Episcopal, Methodist, Christian (Disciples of Christ) and Evangelical United Brethren churches. Observer consultants from some 20 other denominations are expected to attend the sessions. The Consultation will further explore the possibilities of a proposal made in 1960 by the Rev. Dr. Eugene Carson Blake, United Presbyterian stated clerk.

The Rev. Jon D. Guthrie, of Fort Smith, Ark., will lead a special task force of fifteen young single men who will go to the Congo during the early summer of 1965 to serve as missionaries in virtually any and every way. The fifteen men are to constitute a flexible force to serve and witness in difficult areas of the Congo where missionary families cannot go. Though they will be a part of the over-all group of three-year missionaries which the United Board of Christian Missions sends overseas each year, the Congo task force will go as the result of an emergency request from the Methodist Church in the Congo.

Princeton Theological Seminary, the University of Southern California, Luther Theological Seminary (St. Paul, Minn.), Southwestern Baptist Theological Seminary, and Virginia Theological Seminary will be associated in the first archaeological expedition to Hebron, the first capital city of biblical King David. Dr. Philip C. Hammond, professor at Princeton Seminary, will direct the expedition, which will begin its excavation work on July 15 and continue through Sept. 15.

Brighton Presbyterian Church Activity Schedule
Thursday, April 16, 5:00 p.m. — Junior Fellowship for boys and girls in grades 5, 6, 7 and 8. Recreation, supper (35 cents), group program, Junior Choir rehearsal at 6:30.
7:30 p.m. — Senior Choir Rehearsal. All adults and high school students are welcome to sing in the choir. Just come to rehearsal.
8:00 p.m. — Recovery, Inc. meets in the basement.
Friday, April 17, 9:00 a.m. - 3:30 p.m. — Vacation Church School Teachers attend training session at the First Methodist Church.
Saturday, April 18, 8:00 a.m. — Organ workers meet at the church to go to Detroit. If you can help, and have not turned in a pink slip, contact Mr. Coffey. We need help.
8:00 p.m. — The Wedding Band meets at the church to work at the Christian Education Building with entertainment and refreshments following. If you would like to be active in this young married couples group, contact Mr. Coffey.
Sunday, April 19 — The Junior Choir sings at 9:00 a.m. Choir members should be at the church at 8:30 a.m.

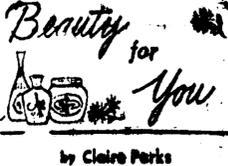

Christian Science News
"Doctrine of Atonement" is the subject at Christian Science churches next Sunday. Golden Text: "All things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation" (II Cor. 5:18).
The following citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read: "Jesus aided in reconciling man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and this truer sense of Love redeems man from the law of matter, sin, and death by the law of Spirit, — the law of divine Love" (p. 19).

Representing Luther Seminary will be Dr. Robert H. Boyd, professor of Old Testament, with special interest in the areas of language, history, and exegesis. Biblical Hebron is the traditional burial place of the patriarchs of Israel. The opening of the site, never before excavated, marks one of the most important archaeological projects ever undertaken in the Holy Land, according to Dr. Hammond. Now known as El-Khail, the ancient city has played a strategic role in the history of the area from very early times.
Almost certainly occupied before the era of the Biblical patriarchs, Hebron rose to a second period of importance during the seven and one-half year reign of David, and was a major holy place in the time of Herod the Great. During the reign of Hadrian, Hebron became a leading market town, and during the time of the Crusades it was an important fortress of the Latin Kingdom. Falling to Muslim control, Hebron continued to be revered as a major holy place of Islam, and the village continued as an important agricultural center. In addition to the associating institutions, support for the expedition will come from foundations and other sources.

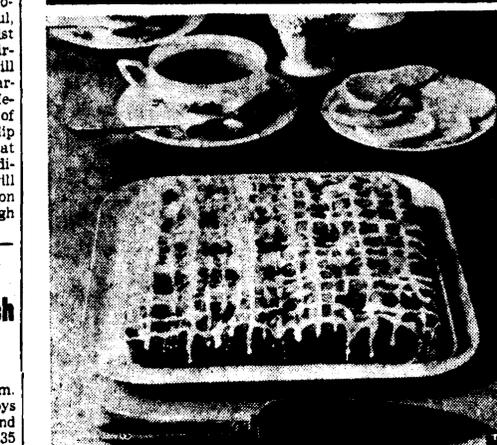

Paralleling the efforts of Christians in America, the Christians of Japan are undertaking a crusade to curtail the amount of pornographic literature available to the Japanese people. In Japan, the anti pornography crusade is being led by the Christian Home and Family Life Committee of the National Christian Council of Japan. The largest church in the Council is the United Church of Christ, which is related to seven Protestant denominations in North America. The action of a small group of booksellers to clean-up literature sold in Japan was the basis for a statement by the Christian Home and Family Life Committee. The booksellers' group refused to place on sale certain literature of a suggestive and pornographic nature. This movement spread among booksellers and forced publishers to withdraw certain of their publications.

In support of the booksellers' action, the Committee on Christian Home and Family Life sent a statement to the Tokyo Newspaper Distributing Agency and to the Tokyo Newsstand Distributors Morality Committee. The statement encouraged the efforts to stop the sale of pornographic literature in Japan; encouraged booksellers and publishers to work continually toward raising standards in regard to morality; and sought to uphold the principle of freedom of speech by urging voluntary withdrawal of pornographic literature by the agencies concerned.

Beauty for You
by Claire Parks
An Improved and Prettier Skin
What feature makes a lovely face? Violet eyes are nice to have, so is a pretty mouth; a patrician nose . . . but beauty really begins with a smooth, clear skin.
A firm, youthful-looking complexion can be yours reward for smarting and staying with a skin care program that becomes, not a passing thing, but a regular day-to-day habit. This is why an uncomplicated treatment is actually better, in the long run, than an elaborate, time-consuming ritual which you may be tempted to skip whenever you're tired and rushed.
Basically, the average adult skin needs deep cleansing, to clear away hidden grime; moisturizing, to offset the drying effects of weather-wear, and massage to help remind the muscles to stand firm.
You can combine these three essential elements into one easy treatment, instead of washing your face with soap and water each night, you substitute two applications of Pond's Cold Cream. Apply the first, generously to remove make-up. Wipe it off with facial tissues and smooth on a second coat of cream. Massage his into the skin with firm, upward-ward motions of the hands—then, again, remove the excess with tissues. That's all there is to it—and you can expect to see an improvement in only 7 days.

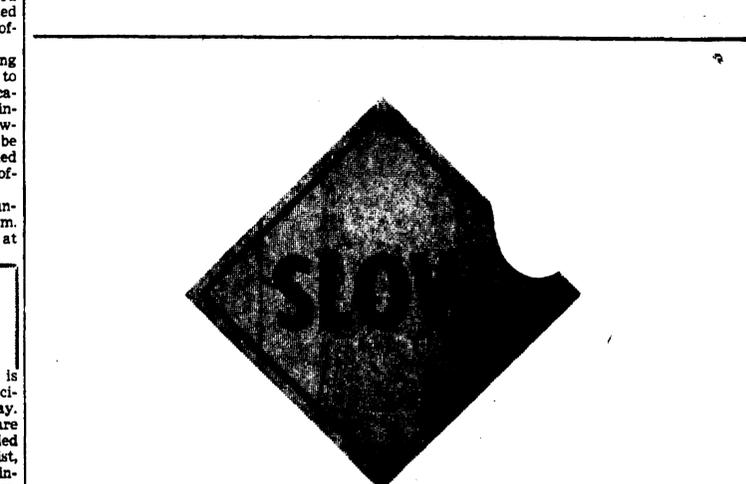

Young America Bakes— Frosted Polka-Dot Cake

Frosted Polka-Dot Cake is a sweet treat any young baker can make. Jam polka dots and "drizzle icing" are fun for the artistically inclined, too.

Biscuit Mix Cuts Time
Jam polka dots and snowy sugar frosting artistically drizzled make this yeast-raised bread a glamorous offering for brunch, lunch or tea. Biscuit mix is the short-cut secret, eliminating much of the measuring and mixing of "from scratch" recipes. In fact, this is just the recipe for a young baker to prepare for Sunday brunch.
Frosted Polka Dot Cake is loaded with good flavor, an appealing contrast of tart-sweet jam and sugary icing. For the novice it's a good introduction to the interest and pleasure of working with yeast. To the experienced cook it's great fun!

FROSTED POLKA-DOT CAKE
(Makes 1 9-inch cake)
1/4 cup warm water (105-115° F.)
1 package or cake Fleischmann's Yeast, active dry or compressed
1/2 cup sugar
1/2 cup lukewarm mashed potatoes
1/4 cup (1/2 stick) Fleischmann's Margarine, softened
1/2 teaspoon cinnamon
1/4 teaspoon salt
1 egg, well beaten
2 1/4 cups biscuit mix
2/3 cup jam, marmalade or preserves
Measure warm water into large warm bowl. Sprinkle or crumble in Fleischmann's Yeast, stir until dissolved. Add sugar, lukewarm mashed potatoes, Fleischmann's Margarine, cinnamon, salt and egg; blend well. Add biscuit mix in two portions, mixing well after each addition. Press dough evenly into a square, greased 9-inch pan. Cover, let rise in warm place, free from draft, until doubled in bulk, about 45 minutes. With handle of a wooden spoon, make depressions at 1- to 2-inch intervals. Fill depressions with jam, marmalade or preserves.
Bake in hot oven (400° F.) about 20 minutes, or until done. Cool slightly. Drizzle with Confectioners' Sugar Icing.
CONFECTIONERS' SUGAR ICING
Mix together 1/3 cup confectioners' sugar, 1 teaspoon hot water and 1/2 teaspoon vanilla flavoring.

Pleasant Valley Sidelights

VIRGILINE HOUSNER AC 9-7836

Martin Marchak of US 16 Trailer Court returned home Saturday noon following a 10-day trip to Arizona. The trip was in connection with his employment with Oldsmobile at General Motors Proving Grounds in Milford when he tested cars on this run. He enjoyed the trip very much even though there was snow at some of the places he was as such as Flagstaff, Mexico, Colorado Springs and Phoenix.

Three car loads of MYF members of the First Methodist Church drove to Adrian Sunday afternoon where they attended the Spring Rally at the Adrian Church. The Rev. Charles Beyon was a guest speaker with the young folks having dinner there following the afternoon services.

Mr. and Mrs. Russ Housner were recent guests of Mr. and Mrs. Joe Hite of Teehan Road. They informed us that their son, Tom is now stationed at Johnson Island, near the Hawaiian Islands, with the Air Force. The Housners, Roberta included, were also callers of Dee Milroy of Brighton Road. Roberta was a Sunday dinner guest of Gerry Westphall, at his parents' home in South Lyon. Russ also called on his mother, Mrs. Norma Housner of Howell Saturday forenoon. The Housners are now back at their own abode after their week's stay in town with the Probst children.

Mr. and Mrs. Ed Faussett arrived home late Wednesday evening following their plane trip to California where they visited cousins, Mr. and Mrs. Joseph Kobelin at their home in Sunnyvale, Calif., for four days. They report a very enjoyable vacation and especially their first air flight by American Airlines.

Yours truly expects to be away for the next two weeks, leaving here Friday, April 17. I would appreciate it very much if my readers would call their news items in to Mrs. Norma Voorhis, AC 7-7311 as she will be in charge of the Pleasant Valley Side Lights column while I am away. Hope to have lots to relate to you about my trip when I return May 2.

Belated birthday wishes to Ernest Housner, son of Mr. and Mrs. Wesley Housner whose birthday was Sunday, April 12. Three of his little playmates enjoyed having ice cream and cake with him in the afternoon for the observance of his seventh year. Callers included his grandmother, Mrs. Anne Luttermoser, his aunts, Mrs. Harold Jarvis, Jr., Mrs. Lyle Miller and three children and another aunt and uncle, Mr. and Mrs. Ray Falk and family.

Norman Catrell arrived home

Saturday following a seven-week business trip to California. Sunday the family observed his belated birthday, which was March 28 and their daughter Marlene's whose was April 2, with a birthday dinner.

Sunday afternoon callers of Mr. and Mrs. Ed Faussett were his brother-in-law and sister, Mr. and Mrs. Leo Baltrus of Howell and Mr. and Mrs. Don Risdon of Fowlerville.

Daughters Meet In Fowlerville, View Old Glass

Daughters of the American Revolution, Philip Livingston Chapter, held its April 7 meeting in Fowlerville. After a dessert luncheon at the home of Mrs. J. J. Hendren, Mrs. John S. Page, Regent, opened the business meeting with the DAR Ritual, followed by reports of committees and an account of the State Conference of DAR held in Grand Rapids in March by members who attended the session there.

At the conclusion of the business session the members and guests continued the meeting on "Old Glass" at the home of Mrs. B. H. Glenn, where an exhibition of various types of American glass, some loaned by members and friends, was shown and discussed.

The next meeting of the Chapter will be at the home of Mrs. Warren Richards, 115 Mill Street, Fenton, at 1:30 p.m. May 5. Mrs. Leslie O. Carlin of Mt. Pleasant, National Vice Chairman of Indian Committee, DAR, will give an address on "American Indians and Schools."

+ \$86,000

(Continued From Page 1)

one who has not been personally contacted by a solicitor and wishes to make a subscription may telephone the Campaign Office, 3085, and arrangements will be made for a volunteer worker to call. "There is no obligation," Withers said, "but everyone should be given the opportunity of hearing the story of the Area Recreation Center need and then they can make up their minds accordingly."

The campaign for \$175,000 for the new Area Recreation Center has been building steadily since the general kick-off, March 31. It is hoped construction for the new center can begin in late spring or early summer of this year with the building being in operation possibly by late fall.

The building, to be located on the old "Browning property" will feature a large multi-purpose room, various meeting rooms, game rooms, a spacious kitchen from which complete meals can be prepared, large coat room, rest rooms, and an ice-skating warming room. Outside, there will be two tennis courts, an outside basketball court, shuffleboard courts, a volleyball court, an ice skating rink for winter fun, a picnic area, playground area and ample parking facilities.

The new Area Recreation Center will serve people of all ages and serve them 12 months out of the year. It will provide activities for boys, girls, men, women, families and senior citizens. In addition, there will be facilities for clubs and organizations.

Perhaps one of the nicest comments heard to date came from an elderly man. He said, "I doubt if I would ever use the center. I am too young for checkers and too old for volleyball, but this much I'll tell you. It is a good thing for the area, something we've needed for a long time and I'm behind it 100%."

To prove it, he made a gift to the campaign of \$150.00. This gift is even more significant when you realize that this man is living on a small pension.

Campaign leaders are urging their sections to complete all of their work by next Tuesday's report meeting.

Weekend Accidents Injure Six Persons

Four persons in one family were injured in an accident on Patterson Lake Rd. just south of Mower Rd., last Saturday, about 8:30 p.m.

Injured were Robert Lee Mills, 32, of Corunna, his wife, Shirley, 32, and their two children, Christine 6, and Lanny, 9.

The Mills car was involved in a crash with one driven by William Edward Singer, Jr., 16, 1288 E. M-38, Pinckney. Singer and his passenger, Clair Bell, 15, 682 Hamburg St., Pinckney, were not injured.

Linda Jo Cleveland, 16, 2560 E. Coon Lake Rd., was taken to the McPherson Community Health Center by ambulance

for treatment of injuries suffered in an accident on April 8, about 4:30 p.m.

She told sheriff's deputies that she reached to adjust the car heater and lost control of the car which slipped off the shoulder of the road and rolled over. The accident occurred on Pinckney Rd., just south of Davis Rd.

Donald Hatfield, 49, of Fenton, complained of pain following an accident on Byron Rd., just north of Marr Rd., last Tuesday about 10 p.m.

Water Claims Second Victim In The County

James Howard Wagner, 21, 22928 Beaconfield, East Detroit, was drowned Sunday about 1:30 p.m. when the boat he was sailing with a friend capsized in Base Line Lake in Hamburg township.

Wagner's companion, Paul Trame, 840 Meridan, Dearborn, was sailing the boat, a 14-foot jet sailboat, when it capsized and both men jumped into the water. They managed to fight the boat and Trame climbed back aboard. The high wind blew the boat away from Wagner. Trame managed to turn the boat around and saw Wagner swimming toward it. Suddenly Wagner went down and didn't come up again.

Livingston county sheriff's deputies, with the aid of men from Genesee county, Oakland county, Shiawassee county and Washtenaw county were unable to launch any sort of equipment in the rough water to recover the body. Rescue operations were to continue as soon as possible. Young Wagner was a student at Wayne University.

GOP Coffee Cup Chairman Named

State Republican Chairman Arthur G. Elliott, Jr. today announced the appointment of Mrs. Jess (Nan) Allen of Howell as statewide chairman of the party's "Operation Coffee Cup."

The appointment of Mrs. Allen sets into motion for the second time this unique GOP program that affords the opportunity for interested persons to learn about and discuss Republican policies and candidates in a relaxed and informal atmosphere.

In accepting the position, Mrs. Allen said, "I feel certain that there are many disillusioned Democrats and uncommitted voters who will welcome the chance to learn about the Republican Party over a cup of coffee in the home of a friend or neighbor."

She announced that her first order of business would be to appoint county chairmen for the program.

Mrs. Allen has been a member of the Republican State Central Committee since 1957 and is currently secretary of the Executive Committee. In 1962 she was vice-chairman of the Republican Party's statewide voter registration drive. She and her husband, Jess, live at 346 Inverness in Howell.

FLOWERS OR DISEASE?

ONCE, April showers brought only May flowers. But today, they can bring disease too!

At least that's the report from countless communities about the country that now form our "septic-tank" suburbs. For sewage seeps pollutes the drinking water and brings the threat of disease like infectious hepatitis, typhoid, dysentery and some 70 new enteric viruses.

Following World War II, our country's population exploded. And entire developments and communities were thrown up almost overnight to meet housing needs. Many were built so fast no public sewage systems were installed. Individual cesspools and septic tanks filled the gap.

These antiquated forms of sewage disposal can be efficient in good drainage areas. But they must be carefully designed and later carefully maintained by the homeowner. Unfortunately, the latter is often not the case. Neglect backlogs. They should be replaced by modern sewerage disposal and treatment facilities to insure a clean and plentiful water supply now and in the future.

flow. And sewage seeps into the earth to mingle with our ground water supplies and reservoirs. The result? Polluted drinking water!

What's the answer? Better sewage disposal and treatment methods, says the National Water Institute. "We must spend at least \$6 billion to build and modernize sewage treatment facilities alone if we hope to catch up with demand by 1972. But even this amount must be wisely spent."

So isn't it time for us to ask: What about our community? Is our water safe? Or is it polluted by untreated sewage and other wastes, and thus a threat to our family's health? And what about our water five or ten years from now?

We must find out the answers and then act. We must insist on modern sewage disposal and treatment facilities to insure a clean and plentiful water supply now and in the future. For what we do today will determine tomorrow whether April showers bring May flowers or disease.

Pinckney's Past

Gleanings from the Back Issues of the Pinckney Dispatch

FIVE YEARS AGO April 8, 1959

The election Monday was pretty much Democratic. In Putnam township the Democrats swept the field. Lloyd Hendee was elected supervisor, Murray Kennedy was elected clerk, and Helen Reynolds as treasurer.

Jerry Schenden has enrolled in the medical tech dental course at Elkhart University at Elkhart, Indiana.

The fire engine was called to the Anchor Inn Friday night where a water heater got on fire.

Dr. Ray Duffy was taken to University Hospital in Ann Arbor Sunday for treatment.

Mrs. Millie Elliott had her hand caught in the wringer of a washing machine last week. Mrs. Edna Euler took her to McPherson for treatment.

Gerry Henry and family of Detroit are spending 10 days here. He was attending the Ford Trade School in Detroit.

Ted Bourbonnais of Wilmington, Delaware spent the weekend with his sister and family, the Don Swarthouts. He is an engineer for the Dupont DeNeimours Co.

Bob Meabon, John Burg and Burg's sons, John and Paul, spent the weekend at Lovells

where the Burgs mapped out the site for their new cabin.

TWENTY-FIVE YEARS AGO April 3, 1939

Clarice Cory had received word that she had passed the state exam for a beauty parlor operator.

While the Republicans made a clean sweep in the state election, Putnam township went Democratic again winning all officers except supervisor and one constable. Norman Reason as supervisor, Elmer Ledwidge as clerk, Lorenzo Murphy as treasurer were put in office.

Billie Darrow had enrolled in the CCC and expected to go to Mackinac Island this week.

Dr. W. C. Wylie sold his timber land near Bentley Lake to Eastman, the Howell sawmill man, who had a sawmill there getting out lumber.

Roy Clark had moved from the Stickle or Horine farm east of the village to the Frank Bowers farm west of town.

Mr. and Mrs. Calvin Hooker had purchased a new home on Charleston St. in Ann Arbor.

Mrs. J. M. McLucas was setting up for a short time each day after being confined to her bed for three weeks with the flu.

St. Mary's Altar Society held a card party at the home of Mrs. Emma Vollmer Friday afternoon.

Mr. and Mrs. W. C. Hendee returned home from Sarasota, Florida where they had been spending the winter.

FORTY-EIGHT YEARS AGO April 12, 1916

The team belonging to the livery barn again showed evidence of their good feeling by running away with the bus Friday afternoon. They ran from the depot through town and on to Anderson before they were stopped. No serious damage was done.

Brown's Grocery of Pettysville was running their sales wagon to North Hamburg, Chubb's Corners, Portage Lake and other spots four days a week.

R. Clinton sold his farm here to Will Ledwidge of Anderson, and was to sell his personal property at auction one near future.

Zip Frost had the misfortune while cutting wood near Silver Lake last Friday to strike his hand on the buzz saw, cutting his fingers severely.

Some women had a very interesting meeting on Monday night when they voted not to allow a pool room in this village.

Liam Ledwidge had purchased a team and began work on the Will Roche farm.

Enoch Hanes, an old pioneer resident, died at his home at Anderson Monday after a lingering illness. He was in the ninety-fourth year of his life.

EIGHTY YEARS AGO April 3, 1884

Miss Florence Beckwith of Lansing had decided to give Pinckney her home and was to open a dressmaking shop here.

George Sigler had sold the old F. A. Sigler farm to William Caffrey, Sr. taking his part payment Mr. Caffrey's residence in the village.

William Birkett of Corwin, Mich., was in Pinckney Monday and made arrangements to open a lumber yard here, under the management of A. L. Hoyt. The yard was to be located at the end of Webster St. near the Grand Trunk Railway depot.

Tuesday being "bad fools day" was the occasion of many jokes . . . the boarders at the Monitor House were treated with fritters lined with cotton wool, and seasoned their meat with grated potato for "horradish."

Rev. K. H. Crane, pastor of the Congregational Church in the village for four years, tendered his resignation. At the close of his service, however, a spontaneous demonstration on the part of the church clearly voiced the desire that he remain, that he accepted their request and agreed to stay another year.

Mann Brothers were advertising 6 pounds of coffee for \$1 and 6 pounds of Best Tea Dust for \$1.
