PINCKNEY, MICHIGAN — WEDNESDAY, APRIL 29, 1964

SINGLE COPY 10c

COUNTY SURPLUS CASH FAILS TO CUT TAX RATE

The Way We Hear It

BY: DOLLY BAUGHN

... several fires this week, mainly grass fires, did not do much damage, but one last Friday, late afternoon, gutted the home of Miss Pauline Hadden, 7635 Pinckney-Howell Rd. When Miss Hadden arrived home from work, flames were blazing in her living room. The Pinckney fire department was summoned and the most of the house was saved, well smoked up, but saved. Apparently the stove had blown up and the elbow of the chimney dropped to the floor, causing the fire. The greatest loss felt by Miss Hadden was that of her long time companion, her dog which evidently died of smoke fumes before anyone arrived at the scene.

... after the concert-reception at Pilgrim Hall last April 19, Eric Rose was left with a much too small raincoat. Is there someone with one too large? Eric would be most happy to arrange a "swap session." If the person, after realizing he does not quite fill that coat he is wearing now, would call 878-3184, this could be arranged, so far as he is concerned. His was a dark raincoat, such as the one left, and he is sure someone unintentionally made a mistake!

... Mrs. Daniel Kossick is a patient at St. Joseph Hospital. She was admitted there Saturday evening. It is not determined at this time exactly what is her trouble. She owns and operates the Village Beauty Shoppe in Pinckney.

... a 205-acre tract in the Pinckney Recreation Area has been transferred to the county of Washtenaw for development of a park. This has been approved by the state Conservation Commission. The property involved is that located on both sides of West North Territorial Road between Embury Road on the east and the Chelsea-Stockbridge Road on the west. The park will be developed with picnic areas to blend in with the area's scenic advantages. The land includes Kelly Lake which the county may develop for boating and fishing.

... the number of those taking advantage of the TB test last Monday in Pinckney was 112 persons. Only 97 of these persons returned Thursday for the TB test reading. From the number tested 31 persons were tabbed positive. —Anyone who did not report for the reading results on Thursday should call the

Health Dept. Howell 2325 and give a report of their test.

... this mobile unit was in Fowlerville on Tuesday of last week and did close to 1,000 tests while there. Seems odd that not many people in this community availed themselves of this free public service.

... a certain young lady would very much appreciate it if anyone finds a class ring marked "P.H.S. '63" and returns it to high school authorities. Marilyn will pick it up and she offers a reward!

... because of the large number of persons receiving the Oral Polio vaccine in the Metropolitan area, the drug companies find it impossible to supply the immediate demand and many counties find it necessary to conduct such clinics next fall. It has been asked why Pinckney area does not investigate having such a clinic come here—this is the reason found out after investigating.

... May 10, Mr. and Mrs. Maurice E. Darrow will be at "home" to all their friends at Pilgrim Hall Open House from 2 till 5 p.m. on the occasion of their Golden Wedding Anniversary. They were most explicit in requesting "no gifts, please!"

... everyone who does not attend the Pinckney Elementary P.T.A. annual Carnival

Pinckney Sells School Bonds

At a special combined meeting of the Board of Education, Superintendent Wes Reader, and representatives of various brokerage companies met, final bids for the \$1,300,000 bond issue were received, the First of Michigan Corporation of Detroit being the successful bidder.

Listed below are the names of the stock brokers that were represented and their interest rates. First of Michigan Corporation, 3.60727; John Nuveen and Co., Chicago, 3.6107; Braun, Bosworth and Co. of Detroit bid 3.6340; Halsey, Stuart and Company Inc. of Chicago bid 3.6448; and Hornblower and Weeks of Detroit bid 3.6464. The interest rate was much lower than the anticipated 4% as was originally thought might come about.

this coming Saturday, May 2, will miss the time of their life.

—Yep! it is really 'spose to be a good one—lots of fun for young and old. This is enough said—you go and see for yourself. I'll see you there.

... results of a meeting, supposedly for the parents of the 82 Junior students of P.H.S., were a handful of parents, three couples and maybe a half dozen mothers showed up to assign committees for the upcoming J-Hop May 9. The parents will have charge of the smorgasbord to be held at the Fresh Air Camp, Patterson Lake, Mr. and Mrs. Max Reynolds are chairmen for the event.

... the Sophomores ordered class rings Tuesday mornin'—and the entire class agreed upon the same color and style. This is a most unusual happening!

Pinckney to Hold Memorial Parade

Plans for the annual Memorial Day Parade are well underway, according to John F. Burg, secretary of the Pinckney Fire Department.

At a meeting last week including Howard Thayer and Merlyn Lavey representing the Village Council, James Bradley and Robert Weber representing the Pinckney Kiwanis Club, and John F. Burg and Charles Hewlett, (who was absent) representing the Pinckney Firemen plans were made that will amount to the Parade celebration being shared by these organizations for the planning, promoting, and the responsibility of this yearly event. This said meeting was held in House Hall last Thursday night.

The Kiwanians will provide the program on the Village Square which includes music and marching bands, the Village Council will provide the financial support, and the Firemen will register units wishing to participate in the parade, set-up the parade rules and the route to be taken, and aid in traffic control.

Future announcements will be made as plans progress and materialize. Individuals, merchants, or organizations of Pinckney area wishing to be in the parade will register with fire department secretary, 878-3277. In doing so they will receive a number for the unit they wish to enter, thus assuring a place in the parade.

Married 60 Years

Mr. and Mrs. George Holt of 664 Patterson Lake Road entertained their many friends and relatives at an open house Sunday, April 19, marking their 60th wedding anniversary. About 100 people called to offer congratulations.

The Hols, who were married in Pittsburgh, Kansas, April 20, 1904, have two daughters, Mrs. Helen Mulligan of Berkeley and Mrs. Hallie Reeves of Huntington Woods. There are also three grand children and three great grandchildren.

One of the special highlights of the day was the presence of the Holt's niece, Mrs. Kenneth Hopper, who flew in from California to be present for this occasion. Her husband and granddaughter, Valerie, joined her later in the week for a visit with Mr. and Mrs. Holt.

Raising ponies is now the chief avocation of Mr. Holt, who retired some years ago from construction work. He has had as many as 30 ponies on occasion... a great attraction for his many young relatives who love to spend Sundays at the Holt Pony Farm.

Mr. and Mrs. Holt have lived in the Pinckney area since 1951.

New Rulings At Post Office

The limited adjustments in some postal services ordered in Washington D.C. last March 10 by Postmaster General John A. Gronouski to save \$12.7 million will begin to take effect in Pinckney and other communities May 4, Postmaster Lawrence Baughn said today.

The changes in service that effect our local operation involve the money order business. The money order window at the local Post Office will be closed on Saturday and the rural carriers will not accept money order applications on Saturdays.

The sale of stamps, the Parcel Post, Registry and C.O.D. business will be conducted as usual with only one window to handle the needs of the office. Mail dispatches will be made on the regular schedule.

The Postmaster emphasized that no essential major services are affected under the

Ladies Ensemble In Sacred Musical

The Ladies' Ensemble from the Grand Rapids School of the Bible and Music, Grand Rapids, Michigan, will present a Sacred Musical at the Hiawatha Beach Church on May 3 at 10 a.m.

This twenty-two voice group will present a well-rounded program of songs and hymns of the church. This spring the group is appearing in many churches throughout Michigan as well as touring throughout Wisconsin, Illinois, Iowa, and Kansas.

The public is invited to attend. There will be no change in home delivery or special delivery, for example. Letters & other first-class mail will be handled with the same priority as ever.

The economy step, Mr. Baughn explained, is in line with President Johnson's program under which the recent Federal income tax cut was provided.

Pirates Capture 1st Two Games

Last week the Pinckney Pirates baseball team played two games, winning them both.

The first game was against Dexter. Jim Barker, who already has a no-hitter to his credit this year, along with Steve Randolph pitched almost perfect baseball as they allowed only three hits in an 8-0 shutout. It was Barker's fifth victory for the season. Barker struck out seven and Merle Mc Michael cracked two hits for the Pirate's cause.

The line score:

	R. H. E.
Pinckney	3 10 2002 8 6 0
Dexter	0 0 0 0 0 0 3 6

Jim Barker, Steve Randolph, and Garry Henry. Lou Seerman and Earl Miller.

The second game, against Ypsi-Roosevelt was played Friday after a Tuesday cancellation. The game was a showdown between the two teams. Roosevelt trying to stay in first place by themselves and Pinckney trying to get a share of it. Well, the Pirates won 3-2 and now lead the league along with Roosevelt and Manchester. All three teams have a 3-1 record in league play.

Jim Barker, pitching for the second day in a row, notched his sixth personal victory for the season. They edged the Rough Riders in the seventh inning when Steve Randolph, a junior who is starting for the third season in a row, got his second hit of the game to knock in Barker. Barker had reached first base on one of the only two walks given up by Roosevelt's fine hurler, Bill Wales.

Barker allowed the Rough Riders just two hits in the contest, while striking out eight and walking five. Wales fanned nine Pirate batters. Roosevelt took a 2-0 lead after three innings. Jim Hendon scored both runs, one was on a wild throw in the first and the other on a single in the third.

The Pirates tied it up in the sixth when Randolph singled, stole second and came in on a hit by Bob Darrow, who scored, himself, on Joe Basydlo's double. Barker kept out of late trouble by whiffing four batters in the last two innings.

Pinckney is now 7-2 for the season.

The line score:

	R. H. E.
Pinckney	0 0 0 0 2 3 9 4
Roosevelt	1 0 1 0 0 0 2 2 0

The Board of Supervisors has presented the 1965 proposed budget for the county. But the figures, totaling \$936,257 have many confusing angles especially regarding the items for social welfare and direct relief.

Many of the figures indicate the county's little tin box is stuffed with surplus cash and still more is desired.

Many who have analyzed the budget figures ask "Why not cut taxes," instead of requesting more money.

Last year's budget for social welfare and direct relief totaled \$280,859 but at the end of the year \$114,641 had not been spent. However for 1965 the budget requests \$266,100 and no mention is made of the

Mrs. Anderson Heads Farm Bureau Woman

At a meeting at the Trinity Methodist Church April 23 in Losco, Livingston County entertained 150 Farm Bureau women and guests from the 3rd District which is composed of Monroe, Macomb, Wayne, Washtenaw, Oakland and Livingston Counties.

The meeting convened at 10:00 with Mrs. William Schamlin, state chairman, presiding. Mrs. Roger Hasley, co-chairman, gave a most cordial welcome. Leota Westfall of the MSU Traffic Safety Center gave a short talk, telling her audience that Michigan leads all states in fatal car accidents. Three out of five accidents are within 25 miles of home. More accidents are on country roads than trunk lines. Mrs. Westfall said our death and accident rate in 1963 should be proclaimed a state of emergency.

Marge Karker, State coordinator, talked on seat belts. She showed moving pictures of accidents with manikins with seat belts and without, demonstrating the benefit obtained with them.

After a lunch recess, the group heard a stirring talk on Cuba given by Paraz Sabido, professor of the Community College of Lansing. He said that before Communism in Cuba, it was one of the 10 most prosperous countries in the world, now it has the fourth lowest income in the world.

The election was held and Mrs. Clayton Anderson was voted in as District Chairman. Mrs. Lottie Koppelman, vice president, Mrs. Merrill Smith re-elected as District Treasurer.

The Howell High School Madrigal Club under the direction of Mr. Edwards performed three selections much enjoyed by everyone.

Rev. Allen G. Gray of the Methodist Church of Howell gave a short talk, stating that we should be thankful for this beautiful country of our. Look at the sunshine in life and don't dwell on the clouds.

\$80,000 received by the welfare department from sale of property seized from the unfortunate poor or obtained from their relatives by brow beating them into repaying money handed out as charity.

In addition the County has taken \$40,000 of these monies to build up a reserve for erection of a county hospital.

Another lump sum of \$80,000 has been transferred from the Board of Supervisors general fund for operating the welfare department.

The proposed budget represents a levy of 6.6 mills whereas should the various "little tin boxes" be opened thus releasing a minimum of \$440,000 the millage tax could be cut to 3.35 without curtailing any county activities.

It has been brought up by many critics of the welfare department's system of operations that its property lien provisions leave the opportunity open to exploit the poor and the indigent widows. They point out that a \$10,000 home with a \$1,500 welfare lien is put up for immediate sale. Some one "in the know" and on the inside could pay \$5,000 cash, the welfare taking its \$1,500 and the widow getting only \$3,500 because of the need for quick cash. And the purchaser would reap a rich profit.

This practice, the critics say, is especially vulnerable regarding farm property in Livingston county.

PTA Carnival Set Saturday

The PTA at the Pinckney Elementary School has big plans for the Carnival to be held from 2 to 8 p.m. Saturday, May 2 at the Elementary School.

There will be many games for young and old, booths of every description will be displaying wares, refreshments will be sold all during the day, and there will be the traditional fish pond that youngsters are so fond of.

A movie camera complete with needed equipment will be raffled off. The lucky ticket holder need not be present at the drawing to win.

Door prizes will be awarded to those fortunate enough to have the right ticket.

All proceeds go toward projects for the benefit of the Pinckney Elementary School. All PTA members would appreciate your full support in this endeavor. Bring out the kids... they'll have a ball.

Ground Broken for St. Mary's Catholic Church

Under pleasant sunny skies, an estimated 500 persons gathered on the church lawn to join in the activities of the ground breaking ceremony for the proposed St. Mary Catholic Church to be built this coming year, with construction beginning this week.

The \$200,000 dollar building will consist, among various other details, of a full basement-social-hall with kitchen facilities, and seating capacity of the main chapel will be between 500 and 600 persons.

Senior parishioners, Mr. and Mrs. Irvin Kennedy, Miss Nellie Gardner, Miss Fannie Monks, Mrs. Sadie Harris Cooper, Mrs. Caroline Blades, Mrs. Eleanor Ledwidge, and Mrs. Aleanor Clear had a large part in the ground breaking ceremonies. These eight people took first shovels of dirt from the location for the proposed St. Mary Church that will be built on the corner of Pearl and Hamburg Streets. Rev. Father George Horkan presented each of the eight people with traditional ground breaking type spades, painted a gold color.

Others that participated in the ceremony and were also

presented with gold spades were visiting priests Rev. Keith Ledwidge of Brighton, Rev. Leo McCann, Rev. Joseph Weber and Rev. Jerome Schmitt of Howell, Rev. Sylvester Van Tiem of Dexter, Rev. Leo Poser of Marianhill Monastery of Brighton, Rev. Edward Kokowicz of Lakeland, Monsignor Frank Pokriefka of St. Gregory Church in Detroit, and Monsignor Vincent Horkan, Superintendent of schools for the Archdiocese in Detroit. A former Pinckney priest, Rev. Albert Schmidt was invited, but due to commitments prior to invite, was unable to be present.

Many visiting Nuns joined the Sisters of the local parish to witness the ground breaking, and the boys and girls St. Mary Church choir took part by rendering several musical selections. The program was brought to a close with the youngsters singing "Holy God We Praise Thy Name."

A dinner-reception was held in St. Mary School Hall for the senior parishioners and visiting priests following the ceremony.

Pinckney People You Know

BY DOLLY BAUGHN

Mr. and Mrs. Ridge Shirey have another daughter—their second. The little girl arrived at St. Joseph Hospital Sunday

about 1:30 p.m.—almost time for lunch! She weighed in at 6 lb. even. She hasn't been blessed with a "for sure name" as yet—seems to be a little controversy about it all! Hope to know by next week!

The 10 week old infant son of Joe and Donna Plummer was rushed to Howell Health Center last week with a terrific case of pneumonia. Grandma Louetta Haines informed us Monday the patient was doing fine — and could have visitors for five minute intervals once or twice a day. Hope he stays on the mend!

Mayor of Ypsilanti and his wife, Mr. and Mrs. Vincent Buck and family visited with the Mayor's mother, Mrs. Glenda Hoyt of Silver Lake. Another visitor spending time with Glenda over the weekend and until Tuesday was Judy Woods of Grand Rapids. (Glenda reports she is feeling so much better now that doctors have diagnosed her case of allergies and giving her proper medication for such!)

Mr. and Mrs. Roy Carpenter announce the birth of their first son, Roy James Carpenter, Jr., 6 lb. 11 oz. son, arriving April 17 at University of Michigan Women's Hospital, Ann Arbor. "Mother," former Alice Allen, and son came "home" Saturday — everything going according to schedule! Daddy is out on the Pacific Ocean, in the Navy, stationed on board ship. He has been notified of course! And

probably just as happy and proud as the two grandmothers Mrs. Ruby Goucher and Mrs. Mary Allen!!

Legal Notice

STATE OF MICHIGAN
The Probate Court for the County of Livingston
In the Matter of the Estate of MARY STEPHAN, Deceased.
At a session of said Court, held on April 14, 1964.
Present, Honorable Francis E. Barron, Judge of Probate.
NOTICE IS HEREBY GIVEN, That the petition of Roy E. Campbell, the Administrator of said estate, praying that his final account be allowed and the residue of said estate assigned to the persons entitled thereto, will be heard at the Probate Court on May 12, 1964, at ten A.M.
It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Pinckney Dispatch, and that the petitioner cause a copy of this notice to be served upon each known party in interest, at his last known address by registered, certified or ordinary mail (with proof of mailing), or by personal service at least fourteen (14) days prior to such hearing.
FRANCIS E. BARRON
Judge of Probate.

No mail subscriptions taken for less than six months. Advertising rates upon application.

Mr. and Mrs. William Giwa of Cleveland, Ohio, visited the James Whitley's Saturday afternoon and evening. Rosie Whitley expects her folks, the Fred Reads, to arrive home this next week from Florida.

Quite a crew of smelt dipper went to Pt. Pelee, Canada, Sat. evening. The smelt didn't have much of a chance—at least they brought back a "truck load"—as the story goes!! Those who went in this group were Don and Lee Endress, Dorothy and Bob Clark, Dave and Barb Taylor, Diane and Paul Endress and Ed Wright.

Ted Singer chaperoned a party Saturday night that might have brought nostalgic memories of his youth to mind. His young son, Bill with the aid of Clare Bell, were host to a group of school chums, at one time numbering 65. It was held in the Singers' basement. Dancing, refreshments, bingo, and other games made for a "real cool" time for these teenagers. Mr. Singer was heard to say — "outside of the noise, you wouldn't know the kids were there." How about that??

Amb and Marion Kennedy and children, Nancy and Jim, visited the Lloyd Hendees' Sunday. The Kennedys live in Drayton Plains.

The Lloyd Hendees entertained about 40 school mates of their two children, LuAnn and Mike. All 40 guests rode around the country side, pulled by a tractor driven by Jeff Hendees. A large bonfire was built down in the field and the group enjoyed roasting hot dogs and marshmallows, and drinking pop, etc. Beautiful night for the event — and a good time was had by all!!!

Sherry Harnick, daughter of the Mike Harnick, Jr's, celebrated her birthday April 29. Sherry was 10 years old. Her grandma let us in on a little secret that Sherry gets highest grades possible in school and she is one of the sweetest little girls around! This is nice to hear, — and we all hope Sherry had a very happy birthday!

Dr. and Mrs. Harry Willet of Marion, Michigan spent last weekend at the Cliff VanHorn home. The doctor was enroute to an Osteopathic convention in Detroit.

Mr. and Mrs. Louis Wagner, Sr., arrived home April 13 from their winter's stay in the sunny south. Enroute home they spent two weeks at the Louis Wagner, Jr's home in Georgia, and visited with a niece in Pauline, Ohio. This is nice to have the long trip home broken up with pleasant visits such as these!

Miriam Hall, formerly Miriam Smith, Howell High School class of 1936, French instructor in the Farmington schools, has just received notice that she has been selected, under the National Defense Education Act, to participate in the Language Institute to be held at Arachon, France, this summer, June 17 to August 19. It is being sponsored by the University of Massachusetts. Only college graduates and highly qualified French teachers are chosen. The Institute conducts an intensive training in French language, literature, culture and customs. Part of the period the participants live in French homes as part of the training program. Only French may be spoken. All expenses, including transportation, are paid by the sponsors. Participants will receive eight hours credit towards a Master's degree. The group will leave New York City by jet on June 16th, and arrive at Arachon the following day.

Miriam is the daughter of Judge and Mrs. Hiram R. Smith of Howell.

HAMBURG ELEMENTARY SCHOOL NEWS
STUDENT COUNCIL
The Student Council will be visited by the Pinckney Elementary Student Council. We will eat lunch on the playground and exchange ideas. We hope to get many new ideas.

We will sell popcorn at the school carnival. We are borrowing the Girl Scout popper and Mrs. Lois Borton has offered her time to run the popcorn department for us. The Student Council had a guest speaker on March 31. Mrs. Jack Swanson spoke on "bringing a meeting to order." On April 8, Mr. Vorigitch was a guest. He is giving them a test.

Chris Ash GRADE NEWS
First Grade
The first grade has been talking about how to be a good citizen. Nancy Hayes, comes from Pinckney High School each Wednesday, to help our class. **Third Grade**
The third grade has been talking about what makes a good citizen. We made a list of things a good citizen does.

such as (1) obeying safety rules, (2) helping at home and (3) being a good sport. These are just a few of our ideas. Two good citizens of the week have been chosen. They are Terry Hayner and Joey Dean.

We have a spring tree blossoming right in our own room and there are birds singing in the branches. Actually, the blossoms are really made of kleenex, and the birds are made of colored paper. The tree helps to bring spring to our room even when the weatherman is not cooperative.

Fourth Grade
In social studies we are trying very hard to finish the book. Our room is having the "Cake Walk" for the carnival. In arithmetic we are learning how to find averages. In Spelling we have seven units to do. Friday, we had a visitor in our room, Linda Stebelton. For art class we took little pieces of paper and made designs. Then we took chalk and made it come off on another piece of paper. Terry Bennett **Fifth Grade**
The following students have not been absent so far this year: Brad Emery, Jerry Nicholas, Tom Schaner, Peggy Slager. These people were on the last marking period honor roll: Scott Hayner, Bill Meyers, Jerry Nicholas, Donald Swanson, Beth Nissen, Tom Schaner, Jack Suter **Sixth Grade**
The sixth grade challenged the seventh grade to a reading contest and we won. For the carnival we are going to have an old fashioned "General Store" and we are

making pot holders, napkin holders, note holders and letter boxes. If you would please bring some "white elephants" to the sixth grade room, we will sell them in our general store. We would like to thank Mrs. Bennett for helping us with our projects. We have started a new project on studying different countries in Africa. We are learning very much from them. We are hoping that the weather will cooperate with us in having gym. In history we are studying

Howell Sales People to Attend New Customer Relation Course

A new facet is added to the sales training course that will begin this month under the auspices of the Howell Area Chamber of Commerce. With the cooperation of Howell High School, the series of meetings will be open to High School seniors and juniors who want to learn more about the opportunities that are available to them in a retail business career. Those interested may register through any merchant member or through Mr. Burgett and Mrs. White at the High School.

The course will be conducted by Robert A. Boyll of the Michigan Retailers Association Lansing, who graduated from Indiana State College and did graduate work at Indiana University. Boyll was a school teacher in Indiana before he went into the management training field first with the J. C. Penny Company and now with the Retailers headquarters.

Wednesday evening next week, April 29th, there will be a briefing for owners and managers stressing the theme

"better sales and lasting customer friendships."

All sales personnel will meet each of the following three Thursday evenings, April 30, May 7, and May 14, from 7:30 to 9:30 in the large conference room of the Citizens Mutual Insurance Company. Recognizing the value to both the merchant and to the customer of professional customer relations, the course will provide continued training in sales proficiency for all and include basic instructions for those choosing to enter the retail selling field.

Former Howell Woman Named to French Institute

Miriam Hall, formerly Miriam Smith, Howell High School Class of 1936 French instructor in the Farmington schools, has just received notice that she has been selected, under the National Defense Education Act, to participate in the Language Institute to be held at Arachon, France, this summer, June 17 to August 19. It is being sponsored by the University of Massachusetts. Only college graduates and highly qualified French teachers are chosen.

The Institute conducts an intensive training in French literature, culture and customs. Part of the period the participants live in French homes as a part of the training program. Only French may be spoken. All expenses, including transportation, are paid by the sponsors. Participants will receive eight hours credit toward a Master's degree. The group will leave New York City by jet on June 16th and arrive at Arachon the following day.

Miriam is the daughter of Judge and Mrs. Hiram R. Smith of Howell.

Christmas Seal Contributions Top Last High

A surge of late contributions pushed the 1963 Christmas Seal Campaign in Michigan "over the top" to a statewide total of \$1,121,891, the Michigan Tuberculosis and Respiratory Disease Association reported today.

Livingston County was one of 64 of the state's counties showing an increase. Contributions totaled \$5,399, compared with \$5,277 in the 1962 campaign, a final tally shows.

A substantial 13 percent increase in Wayne County helped bolster the statewide total which averaged out to a five percent increase. It was the fifth successive year Christmas Seal contributions have increased in the state.

Four Incumbents Re-elected

Four incumbents were re-elected to the Board of Trustees of the McPherson Community Health Center at the ninth annual meeting Tuesday, April 14th.

Dr. Thomas P. Anderson, Brighton; Thomas J. Kizer, Howell; John B. Slater, Brighton; Mrs. Lynn Zimmerman, Fowlerville, were re-elected to three year terms on the board.

Mrs. Zimmerman, Chairman of the Board, and Mr. Kizer have been members of the Board since it was first organized.

Charles W. Hills, Jr. of Fowlerville was also elected to the Board for a three year term. He will replace Melvin Reinhard of Hell, who did not seek re-election.

Three amendments to the By-laws of the Health Center were approved by nearly unanimous vote. One amendment redefined the meaning of the membership year which will run from thirty days before one annual meeting to thirty days before the next annual meeting. This will avoid a period of low membership between meetings. In case a special meeting should be called between regular annual meetings there would be a full membership to consider any necessary business.

Another amendment reworded the By-law dealing with eligibility of physicians to apply for staff membership. To comply with a recent court decision in another part of the country, physicians will not need to be members of their local professional associations when they apply to join the medical staff of the McPherson Health Center, but they must be "eligible" to become members of their professional association.

moved the category of "visiting" staff from the By-laws. This "visiting" staff was organized and the medical staff has never seen a need for it so the clause was deleted. This does not affect the large consulting staff of specialists who have been approved to visit the Health Center to consult with staff physicians on their cases in the hospital.

About one hundred members were present at the meeting. Nearly five hundred ballots, including proxies, were cast.

At the organization meeting of the Board of Trustees which followed the corporation meeting, the 1963 officers were re-elected.

"B" Is for Babies...and Bananas

When Baby reaches the finger food stage, it's either yum! ... or on the floor! Of course, Mother wants to be sure that the foods she offers will not only appeal to tiny taste buds, but be nutritionally valuable.

A favorite of the play pen set is a fully-ripe banana, easy for small fingers to hold, easy to chew and easy to digest. And, chances are that it's familiar, for many pediatricians recommend mashed ripe banana as an infant's first solid food. Doctors found that babies thrived on it, had fewer feeding problems and fewer colds.

Bananas boast a wide range of vitamins and minerals vital to tissue building, bone growth and general well-being. For busy mothers, bananas are a time-saving, "convenience" food—inexpensive, available all year round, and neatly packaged by Nature in their own wrappers.

But bananas are delicate, and for added protection, Chiquita Brand bananas are now packed in boxes right in the tropics and carefully handled to help cut down on bumps and bruises. These "babied" bananas have a new look—an identifying seal on the peel.

Remember, that bananas can play a delicious role in the daily diet of the whole family. Natural fruit sugars provide quick energy for young and old alike, and at a low cost in calories—only 98 in a medium banana.

HOUSEHOLD HINTS

Kitchen cabinet chaos? Make believe you are a supermarket manager and code your supplies to make a place for everything. But first follow these three steps.

1. Clean the cabinets one by one. Take everything out and organize contents on a large table; soups, juices, fruits, vegetables, baby foods, bottled and canned beverages, spices and herbs and whatever other staples you like to keep on hand.

2. Meantime, while the cabinets are still empty, dust them thoroughly. Then wash shelves with a cellulose sponge dampened with a pine oil cleaner and warm water. This treatment will clean, disinfect and deodorize all at once. Dry shelves with paper towels.

3. Line shelves with washable plastic shelf paper. The next step is to write the contents on transparent tape. Obviously, most-used foods should be on the easy-to-get-at shelves, inventory and unexpected company supplies can be stored in less accessible spaces if you're short of room. Be an optimist and encourage the family to put everything in its place.

Efficient arrangement of food supplies helps make writing the family shopping list an easier job, storage after shopping is organized for you and — if you train the family well — the "where-is-it?" questions will be kept at a minimum. Don't forget a pine oil cleaner — disinfectant when you make out that shopping list. From closet shelves to kitchen corners you can keep the shipshape look with a triple-duty pine oil product.

For a set of twelve free "Household Hints" leaflets and a Cleaning Checklist, write to Dept. MN, Pine Cleaner Information Center, 1628 Connecticut Avenue, Wash. 25, D. C.

By W. W. Reid
Six hundred students from more than 100 colleges gave their spring vacations this year to voter registration projects conducted in eight cities under the auspices of the Young Women's Christian Association of the U.S.A. An additional number supported the projects by remaining in their own or nearby communities received at National YWCA headquarters in New York City.

This student YWCA activity was one phase of an extended voter registration program initiated by the National YWCA in an effort to increase the number of women as well as men going to the polls. "Every woman a registered voter" was the theme. The principal cities of the effort were: St. Louis, Mo., Berkeley, Calif., Raleigh, N. C., Greensboro, N. C., Birmingham, Ala., Louisville, Ky., Atlanta, Ga., Richmond, Va.

"The state in American life has emerged as a new force playing a new role in the totality of our culture," noted Dr. Jerald Brauer, dean of the University of Chicago Divinity School, in a recent address. "One can decry this and call for a return to a golden past, but it will do no good. The forces of history have combined to bring this situation into being. It is interesting to note that many people who decry most vociferously live in the areas most dependent economically on support of the Federal government."

"It is dubious whether the Federal government could ever be as corrupt or as oppressive as local governments have proved and still prove to be in American history. We have long believed that the best government is the least government and the more accessible the easier to check its excesses. One could argue this issue both in theory and in actual historical practice, but the argument is pointless. The increased scope of the political sphere is here to stay for the foreseeable future."

"The same thing could be said concerning the increased growth of organized planning and function through bureaucracy in the modern state. We in the churches or men in business should be the last to criticize this development. In a modern, highly technological, urbanized world, there is no other way to function."

Anglican, Protestant, and Jewish religious leaders of England were among a group which signed a letter to the Times (London) calling upon the British people to mobilize public opinion in favor of world disarmament. Joining with other signers of the letter, who included former army chiefs and scientists, they appealed to the people of Britain to take up the challenge of the late President Kennedy for "a historic and constructive debate" on the armaments problem.

"We are convinced," they wrote, "that Britain with the Commonwealth could play a major part in carrying a negotiation for multilateral, worldwide disarmament through to success. We hope, therefore, that all men of good-will in our country, irrespective of party, will make their utmost effort to mobilize and express the public opinion of the nation in favor of this most urgent of reforms."

Shipments were sent to ten countries. Six received clothing weighing 641,838 pounds with a value of \$608,317, and eight received food totaling 9,578,599 pounds worth \$901,563. Four of the countries also received miscellaneous items weighing 10,983 pounds worth \$40,195. The items ranged from medicines to "Kiddies Kits," a long-time project of the agency. Receiving countries were: Brazil, Chile, Hong Kong, Greece, Indonesia, Jordan, India, Korea, Taiwan and Yugoslavia.

Business hours extend well into the evening for many a man who has to bring home a briefcase filled with paper work. Today's breadwinner often has records and reports to write, which require time and concentration. A desk at home provides a quiet spot where he can work without interruption of telephones and appointments.

Much of a man's work at the office is done under artificial light. At home he again is using a desk lamp. The combination of extended visual concentration plus artificial light can cause eye strain, say researchers for the Murine Company. Proper desk light is important to prevent extra tension on the eyes. Lighting should be over the shoulder and high enough to prevent glare on the page — at least fifteen inches above the desk counter and the same distance away from books and papers.

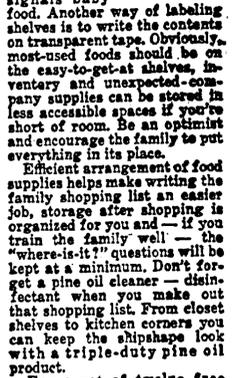

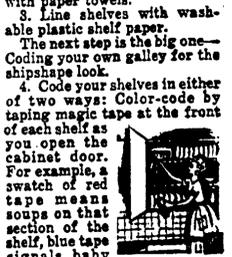

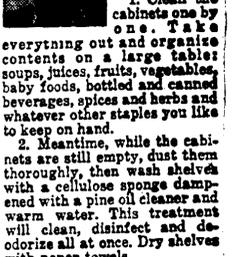

A 75-watt bulb is the minimum recommended for adequate lighting. Even better is a 100, or 150-watt frosted bulb with a drum-type shade which furnishes direct light downward on the page and diffused lighting upward.

A brief coffee "break" or a few minutes recess to chat with members of the family will help relieve eye fatigue and tension. Focusing the eyes on distant objects for a few seconds also helps ease strain. And a few drops of eye lotion from a handy plastic squeeze bottle kept on the desk will soothe and relieve eyes irritated by over exposure to fine print and close detail.

A combination of good lighting and reasonable eye care will help ease the burden of work at home for the busy executive.

DANGER: MAN AT WORK

DANGER: MAN AT WORK

By buying series E bonds while he's earning and exchanging them for series H bonds when he retires, any individual can develop a guaranteed retirement income program of his own.

The Livingston County Holiness Association will hold their monthly meeting on Tuesday, May 5, at 7:45 p.m. in the Brighton Wesleyan Methodist Church.

The guest speaker for this month will be the Rev. Atwood Cool, pastor of First Wesleyan Methodist Church of Detroit.

There will be special music and everyone is welcome.

... Pinckney Prattle ...

By ALICE GRAY

Visitors at the Everett Hamell home on Darwin Road, are his sister and husband, Mr. and Mrs. Joe Dilks of Atlantic City, New Jersey.

The James Morans and Eric Roses attended the Brighton Mason's card party at the Masonic Temple last Saturday night.

At the recent GOP convention in Howell, Gerald Reason, Pinckney's real estate broker, was chosen to be a delegate to the Republican State convention to be held in Grand Rapids on May 8-9. Mrs. Reason was chosen as an alternate delegate.

April 29—May 6th

Massey of Bush Lake Road became grandparents for the first time when their daughter Barbara gave birth to a baby boy, weighing 8 pounds and 11 ounces Monday, April 18 at University Hospital.

Barbara and husband Jerry Reams, who now live in Ypsilanti, have named their son Gerald James.

Barbara, a PHS grad, is a former "Miss Pinckney" and first runner-up in the Miss Livingston County contest.

Mr. and Mrs. Thomas Line, were down from Lansing this week and visiting with his parents the Tom Lines of Schaffer Road.

John Wetherbee, PHS grad of 1961, is now home after serving his three year hitch in the U. S. Marines. Most of it in Okinawa. John, the son of the Thomas Wetherbees of Darwin Road, is currently working at the Pinckney Molded Plastics and is planning to attend Cleary Business College in the fall.

Sunday dinner guests at the home of Helen and Lee Tiplady were Mrs. Edna Spears and Jack Sheldon.

Mrs. Doris Johnson and Mrs. L. W. Umstead were in Allen Park Sunday taking care of Mrs. Umstead's grandchildren enabling their mother, Mrs. Henderson to attend an out-of-state wedding.

Mary Ellen Singer, PHS grad of '63 and daughter of the Andy Singers, has finished her course at Cleary Business College at Ypsilanti and is now working as a secretary at the University of Michigan.

75 CANDLES FOR MRS. MABEL BELL
Approximately 60 persons attended an open house Sunday, April 26, given by Mrs.

Mrs. Irene Jack, who has been ill for many months, surprised her many friends by attending the Lakeland King's Daughters Card Party last Wednesday afternoon. She stayed for several days with her sister, Mrs. Gladys Lee. We hear that Mrs. Jack appeared in good health and good spirits.

Charles Hewlett has been appointed by the Pinckney Fireman to have complete charge of the Fireman's Fireworks for their display this year to be given on the Fourth of July. Chuck has fired the show most successfully in the past. We didn't realize that it costs between \$700 to \$1000 to put on this show each year. Every year it gets to be even a bigger and better event giving pleasure to even more people. Last year approximately 3000 took in this display.

The merchants of Pinckney and the surrounding area usually underwrite this big event... a big undertaking for so small a community. The collection taken at the Fireworks Display last year amounted to \$245... so they do have a head start for this year.

Obituaries
JOHN BLAKE
BRIGHTON — John Blake, 61, of 5390 E. M-36, Lakeland, died suddenly Friday in Homburg Township.
He was born Sept. 29, 1902, in The Netherlands, a son of Martin and Mary Blaine Beckema.
He married Daisy Perrine Sept. 27, 1941, in Detroit.
They moved to Lakeland in 1955.
Mr. Blake is survived by his wife; a daughter, Mrs. John (Betty) Groscho of Garden City; two grandchildren; two brothers; four sisters; several nieces and nephews and several cousins.
Funeral services were conducted Monday from Keehn Funeral Home of Brighton, the Rev. Luther H. Kriefall officiating. Cremation will be at White Chapel Cemetery of Troy, Mich. Memorial contributions may be made to the Cancer Foundation.

MRS. GALBREATH
PINCKNEY — Mrs. Lena L. Galbreath, 74, of 5675 West M-36, Putnam Township, a lifelong resident of this area, died yesterday at the home of a daughter in Belleville.
She was born Jan. 27, 1890, at Hartland, a daughter of George and Nettie Vogts Meabon.
She was married to Harold Galbreath Sept. 28, 1928, at Howell. They spent all of their married life in the Pinckney area.

Mrs. Galbreath is survived by her husband; four sons, Roy Rice of Rockford, Ill., Fred Rice of Kalamazoo, Carl Galbreath of Howell and Duane Galbreath of Otisville; four daughters, Mrs. Eva Blake of Clio, Mrs. Bertha Mustatio of Gregory, Mrs. Isabelle Della-baugh of Brighton and Mrs. Ethel Brown of Belleville; two brothers, George Meabon of Pinckney and Loven Meabon in California; three sisters, Mrs. Eva Tuten of Pontiac, Mrs. Irene Waters of Jackson and Mrs. Druella Snapp of Mason; 18 grandchildren and one great-grandchild.

Funeral services were conducted Wednesday in the Swarthout Funeral Home in Pinckney, the Rev. Thomas Murphy officiating.
Burial took place in Plainfield Cemetery, Unadilla Township.

Holben - Spittler Double Ring Rites
The Episcopal Church in Belleville, Michigan, was the scene of a lovely double ring ceremony Saturday evening, 8:00 p.m. when Audrey Spittler and John Holben, both of Pinckney, were united in marriage.
Audrey, a PHS graduate, is the daughter of the late Mrs. Emily Hogan and Mr. Spittler of Pinckney. John, also a PHS graduate, is the son of the George Holbens.
Camille Buda served as maid of honor, with Nancy Spittler and Dorothy Stone as bridesmaids. Don McMichael was best man, with Bob Niles and Charles DeWolf serving as ushers.
A reception was held after the ceremony in Saline. The young couple will be at home at Reason Apartments on Pearl Street.
The groom is presently employed at Main Groceries in Ann Arbor.

Past Matrons Of OES Honored
Past matron and past patron's night at Pinckney Chapter 145 O.E.S. held Friday evening, April 24 was well attended with guests from Detroit, Ann Arbor, Jackson, Michigan Center, Pleasant Lake, Dexter, Brighton and Danville, Ohio.
The past matrons and patrons of Pinckney were honored guests at a dinner Friday by chapter officers. Preceding the meeting, Lars Melby and Theodore Gray, candidates to be initiated into the order at the meeting to follow, were also guests at the dinner.
Initiatory degrees of the evening were exemplified by the past matrons and patrons, with Atla Meyer, Dorothy Wilson, Merwin Campbell, and Barney Wilson being in the cast.
Also taking part in the initiatory work were past matrons Mae Byran, Edith Cary, Eva Enquist, Emma Boyd, Edna Ward, Eloyse Campbell, Harriet Rahrig, Carrie Griffith, Carmen Porter, Midge Miller, Mae Daller, Hazel Poulson, Roberta Amburgey and Bonnie Henry.
Past patrons taking part were Jim Moran, Otto Poulson and Bert Byran.

The Chapter was presented with a beautiful silver tea service by Alta Meyer in honor of her late husband, William Meyer.
The Past Matrons Club and past patrons present put on a very reverent memorial commencing those matrons and patrons who are deceased. Refreshments were served.

Ex-Teachers Win Holiday
Two former Pinckney Elementary school teachers, Mrs. Rene Miller and Mrs. Lilly Mae Heaton, have recently been awarded the "Gillespie Scholarship" and both women plan to attend the Audobon Camp near Greenwich, Conn. for two weeks in June of this year.
This scholarship is given each year to two persons only in Ann Arbor by Mrs. Hendrix, in memory of her father, the late Judge Gillespie of Detroit. Mrs. Miller is a fifth grade teacher at an Ann Arbor school, where she is also the building representative of the school for DCT (Department of Classroom Teachers), and teacher librarian with 56 stu-

Brighton '9' Splits; Fall Into Second Place Tie

A split of games last week pushed the Bulldogs into a second place tie. After beating the locals from West Bloomfield 7 to 3 Tuesday afternoon to tie for league leadership, the co-leaders from Holly hopped all over Brighton's mistakes to win 10 to 3 Thursday. This left Brighton with three wins and two losses in league play and 3-4 overall.

In the first game, Dan Creig, pitcher for West Bloomfield, handcuffed the Brighton '9' for three innings, then Brighton exploded for four runs and after that never was headed.

West Bloomfield started the scoring in the first inning as Larry Templeton walked and raced all the way to third on a wild throw by B.H.S. pitcher, Bruce Evanson on a bunt of Rick Hacht's. Larry then scored on a wild pitch by Bruce. West Bloomfield added a run in the second as Randy Hogan belted a double and advanced to third on a wild pitch. He then scored on a ground out.

After being harnessed for three innings showed the spectators that B.H.S. are league contenders by crossing the plate four times. Doug Almerman, second hitter for Brighton lined a single to center. Dennis Hartman followed with a single and Doug raced to third. After Joe Kearns struck out, Buzz Davison nit into a fielder's choice, driving in Doug. Bruce Evanson also hit into a fielder's choice. Gary Armstrong struck out but the ball got passed by the catcher and Gary reached first as Bruce took third. Two more lapses in the West Bloomfield brought in three more runs. In the fifth, both teams went out in order but in the sixth the Bulldogs sent eight men to the plate. With one out, Bruce "the moose" Evanson pitcher, drilled a homerun over the left field fence. It was the Moose's 2nd homer of the young season. Those two homeruns are the most homeruns hit by one B.H.S. player in more than a decade or possibly even more. Gary Armstrong lined a shot towards center field labeled hit all the way but Dan Greig who switched to shortstop, made a great catch.

Louie Sheffer then banged a single to center. Pat Faulkner then walked and Don Rockwell got hit-by-pitch to load the bases. The big blow of the inning came as Doug Zimmerman drilled a liner over the shortstop's head to drive in two runs. West Bloomfield added a run in the bottom of the seventh as Mike Grulke got hit-by-pitch and scored on Larry Templeton's single. This proved futile as the final score showed Brighton 7, West Bloomfield 3. Doug Zimmerman led the victorious Bulldogs with two hits but Bruce Evanson stole the game as he hit a

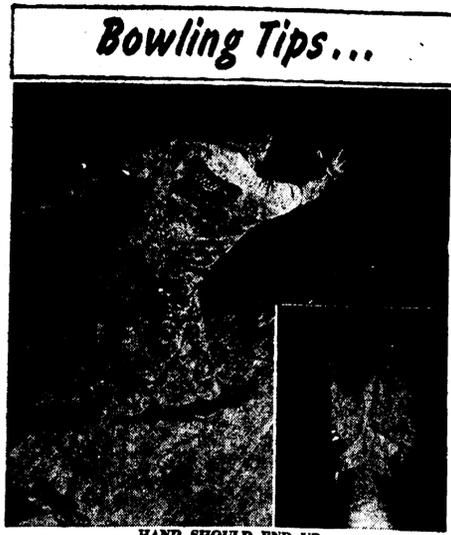

homerun and fired a 2-hitter. This was Bruce's second win of the season as Dan Creig absorbed the defeat.

In Thursday's game against Holly the Bulldogs looked like anything but contenders as they made simple mistakes which cost them the game and first place.

"Those mistakes out there should never have happened. We have practiced those mistakes we made today, like not covering home, over and over again at practice and see what those mistakes cost us" complained Bob Kucher, B.H.S. coach. Right he is as the Bulldogs made four errors which accounted for six of the Bronco's ten runs. The loss broke a first place tie between Brighton and Holly. Holly started out on a bang as their leadoff hitter Dan Krause hit a two bagger and Al Call immediately drove him in with a single. Al advanced second on a ground out and came home on Tom Fagan's single. There was no more scoring until the fourth inning, as Holly pushed across three more runs. Tom Fagan started it by striking out, but Bruce Evanson, B.H.S. pitcher, made a wild strikeout pitch and Tom reached first safely. Bob Weichert then doubled, driving them both in. Bob reached third on a mishap of Brighton's. Jim Hanks got a single but Bob couldn't score. Jim then got caught napping at first base and was in a run down. Bob scored from third base before Brighton could tag Hanks.

Brighton didn't give up. Behind five to nothing they scored three runs to make the score closer. Cliff Ritter, batting for injured Gary Armstrong, got hit-by-pitch to take first place. Pat Faulkner walked and Don Rockwell reached base on an error to fill the bases.

Dennis Hartman drove in one of the runs with a sacrifice fly to left field. Joe Kearns unloaded a long double to right field that hit the fence to drive in Brighton's last two runs. The Broncos came back with four runs to put the game out of reach in the sixth inning. Dick Krause singled to center and was sacrificed to second by the winning pitcher, Gyle Ryerson. Bob Weichert followed with a single to drive Dick in. An error and a walk set up Dan Krause's double to right to drive in two more runs. Holly added the last run in the seventh as Gyle Ryerson reached first base on a fielder's choice and romped home on Bob Weichert's second double. Gyle Ryerson, the winning pitcher, silenced the Brighton bats to four hits by four different batters, although he needed help in the seventh as he tired. Joe Irwin finished up for Gyle. Holly batters didn't treat Bruce Evanson and Hank Gallup, who relieved Bruce in the fifth, very nice. The Broncos collected eleven hits as Al Call and Bob Weichert bagged three hits for the victors. Dan Krause con-

Bowling Tips...

HAND SHOULD END UP READY TO 'SHAKE'

"Howdy" is what you should feel like saying immediately following the release of your ball. Your hand should be in a hand-shake position, as demonstrated by Ray Schanz of Milwaukee, one of the nation's top professional bowlers. Ray says that if you keep your thumb well to the left—or at 9 o'clock on an imaginary clock (inset)—from backswing to delivery, you'll roll a natural hook without any conscious twisting effort. Professional bowlers agree that a hook or curve ball is preferred because its spinning action mixes the pins and leaves fewer splits. In a proper delivery, the thumb will leave the ball first. The other fingers, being on the side of the ball, will impart the spin necessary for a hook.

tributed two hits to help the cause. Bruce Evanson took the loss, his second while Gyle Ryerson took the victory. The next two games will be played without three senior starters as the seniors go on their trip. So Coach Bob Kucher will have to experiment with some new 'rookies.'

League Elects

The Wednesday Nite Ladies League held their annual election for officers for the bowling season of 1964-65. They are as follows:

President, Mary Kay Voltz;
Vice President, Diane Conely;
Treasurer, Barbara Schram;
Secretary, June Richardson;
Sergeant of Arms, Edna Silvertorn.

One way to help insure your country's security, and your own, is to buy an EXTRA U. S. savings bond during the Treasury's "Operation Security" bond campaign — May 1-July 4.

Pinckney Wins Track Duel

Jim Wicker and Del Fritz were double winners in Pinckney's victory over Ypsil-Roosevelt on the Chelsea track last Thursday. The Pirates won 10 events to rush past the Ruff-Riders to a score of 72-36. Wicker won the 100 and 220 dashes in 10.8 and 23.7 respectively, while Fritz won the high hurdles (17.9) and low hurdles (23.1). Wicker and Fritz also joined Bob Umstead and John Haas in winning the 880-yard relay in 1:40.7. Other Pirate winners were John Harrer (high jump, 5-0), Ralph Schroeder (broad jump, 17-7 1/2), Jim Ruggles (pole vault, 9-0), Umstead (880, 210.7), and George Colone, Larry Hull, Lee Emery, Fred Lindsay (mile relay, 3:47.8).

Roosevelt winners were John Capps (shot put, 40-7 1/2), Don Calder (mile, 5:01.1), and Don Porter (440, 55.9).

— Our County Roads —

Livingston is a county of blacktop and gravel roads except for Grand River, M-59 and the expressways. Life of the blacktop road is relatively short, and most of the county's 222 miles are in poor condition.

The motorists who jog through the chuck holes on these roads are getting fed up with the cost of new tires, broken springs and other inconveniences associated with poor roads, and lack of maintenance.

So now comes the proposal by the Board of Supervisors to levy a 1 1/2 mill tax to pave about 15 miles of road each year. By the time the last part of the program could be completed the earlier constructed roads would be worn out.

The solution is obvious. The county should float a bond issue big enough to reconstruct the entire 222 miles of roads. The bonds would run for 20 years during which time the road funds due from the state gas and auto license taxes would be paid to the county as well as the federal funds for road building that the county would be entitled to. These sources of revenue would be ample to keep the entire road system in perfect condition for a great many years longer than the bond issue would run.

Under the present proposal our road system would continue to be a series of patched holes with little hope of ever having roads fit to ride on with safety. Let's all get together and push for the bond issue and good roads which are just as essential as good schools.

Why all the beating 'round the bush? If we are to have a road system in Livingston County let's have a complete road system, built at one time with a bond issue adequate to finance the entire operation.

Small solace is 15 miles of good roads in a stretch of 222 miles of poor roads except maybe for the farmer's

wife who lives on the lucky 15 mile stretch and she only drives to the grocery or to a close neighbor's.

A levy of 1 1/2 mills is only a drop in the bucket so we should either forget good roads and continue to run \$3,500 automobiles or build a road system of which we could be proud. The cost to each tax payer for good roads would be far less than the cost of auto repairs and even the loss of a life from preventable accidents.

The proposed 15 mile per year road building program will come before the voters in November as "a million dollar road building program". However this title is misleading because the million dollars is spread over five years and in the end represents only 75 miles of improved roads during the five year period and by the end of five years much of the 75 mile strip would need maintenance — another item of expense not noted in the order for the election issued by the supervisors.

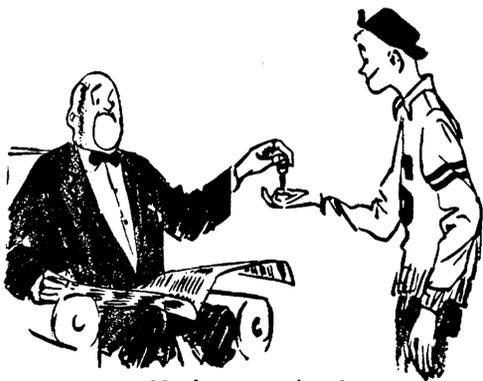

Should we build the entire road system in one fell swoop we would be free of blow-outs and broken spring fears and there would be practically no maintenance for several years, during which time our share of federal funds would be growing to the point that from then on we could clearly see our way to an almost perfect road system for many, many years.

LETTERS TO THE EDITOR

The Editor
Brighton Argus
Brighton, Mich.

Dear Editor:

Bill Cuthbert's Letter to the Editor in last week's Argus was really an eye opener. There is a lot of merit to his opinion. Moving the City Hall should take a lot of thought. There are great possibilities that the Bank building could be used to a much better advantage. Howell, for example, is endeavoring to raise \$175,000 to build a Community Center . . . ours is here.

A Community Wide Civic Center would benefit the Whole Community. A Civic Center Complex could evolve encompassing the Boy Scout Building, the Library and the Bank Building.

Filling in the dead water spot at the rear of the bank could be the start of a Beautiful City Park, adjacent to the Civic Center Complex.

THE COUNCIL owes it to the people to appoint a CITIZENS COMMITTEE to study the feasibility of utilizing this area for a Community Wide Civic Center.

Sincerely yours
John W. Schroeder
Jack Gordon
Joe H. Howle
John A. Birdsong
Don Verona
Al Bosworth
Charles B. Ueber
Geo. Rosenbrook
Larry Haller

April 28, 1964

To the Taxpayers of Brighton

SPEAK UP

The city council has purchased the (to be) old bank building, which was a very wise purchase.

The bank intends to vacate the premises on or around the 16th of May. The city intends to move into this building the next day. If the city government thought this a wise and practical investment, why are they in such haste to move into this building?

Why shouldn't the people of the city and the surrounding areas have this building as a civic center for their own activities?

Write a letter to the editor expressing your opinions NOW.

Sincerely,
Jerry Larry
Another Taxpayer

Editor
Brighton Argus
Brighton, Michigan

Dear Sir:

It was refreshing to read Councilman Cuthbert's letter in the April 22nd issue of the Argus. I am sure his good thinking is indicative of our approach of probably all our councilmen who are certainly dedicated to doing a job for our community at the cost of considerable time to themselves.

I hope all the people of Brighton will read his letter, if they have not already done so, and express themselves to their councilmen.

It should be brought to mind that the Brighton area School Board saw fit to appoint a Citizen's Committee to help resolve the school site

problem. Would a similar committee appointed by the council to study the problem posed in Councilman Cuthbert's letter bring forth a solution? Toward a community living in harmony, I am
Respectfully yours,
Leo J. Kujawa

April 24, 1964

To the Editor
of the Brighton Argus
Letterbox . . . reply to letter by Mr. William Cuthbert

The City of Brighton and all friends and patrons of the Brighton City Library, do gratefully acknowledge the time and efforts of the Brighton Kiwanis Club in converting the Edison Sub-Station into a comfortable and efficient library as their project for 1957.

To correct and clarify a point in Mr. Wm. Cuthbert's letter, "The Kiwanis Club built the Library at no cost to the City". The building and grounds were purchased by the City from the Detroit Edison Company and paid in three years from Library budgeted funds. All the Library furniture and most of the bookshelves were moved from the Library which was in the City Hall. The City provided the heating plant.

Through Kiwanis soliciting, donations of work and financial aid made completion of

this project possible. Many acknowledged donations of one hundred dollars (\$100) or more by persons and organizations are inscribed on a Scroll hanging in the Library. To all these people, organizations and the Kiwanis Club, who completed the project, the residents of Brighton and friends and patrons of the Brighton City Library give their thanks and request your continued interest and support in the Brighton Library.
Respectfully submitted,
Wilma E. Clarke
Sec'y Brighton Library Bd

(This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

The advent of the supermarket has carried with it a tremendous increase in the sale of prepackaged foods. As a result, the housewife in purchasing the groceries for her family must rely upon the advertising and labels of the seller as to the contents of each item. Unfortunately, what is indicated as being inside a particular package is not always so.

Recently, a businessman, with the idea of giving his family a treat, purchased several frozen turkey dinners at the neighborhood market. The label on the outside showed three large slices of white meat embedded in delicious looking dressing, with gravy, potatoes and a vegetable. After heating this according to the directions on the package and sitting down to what they supposed would be a most enjoyable meal, each one found that instead of a large portion of white meat each package contained one very small thin slice of white meat, a similar slice of dark meat with no dressing, and an extra portion of potatoes.

Fortunately for the public, this particular individual was acquainted with the pure food laws and immediately brought this to the attention of the Foods and Standards

Division of the Michigan Department of Agriculture. An immediate investigation was launched and, as a result of sampling taken throughout the state, 60,000 cases of this particular brand of frozen turkey dinners were confiscated. As a result the processor has since changed his label to conform with the contents and thus truthfully inform the public.

The lesson to be learned is that the buying public need not feel that they have nowhere to turn should they believe that they are not receiving their "money's worth." The Consumers Fraud Division of the Attorney General's Office and the Foods and Standards Division of the Michigan Department of Agriculture are set up specifically for the purpose of protecting the public from frauds and cheats. Do not hesitate to contact them.

In a recent survey, thousands of Americans gave two predominant reasons for buying U. S. savings bonds: (1) They are a safe investment; and (2) they help our country.

Individual security and national security combine to furnish the theme of the 1964 campaign for U. S. savings bonds. Buy an extra bond during OPERATION SECURITY bond campaign — May 1-July 4.

The difference between comfortable retirement and uncertainty in later years depends upon the seeds of security you plant right now. Save safely and surely with U. S. savings bonds — an investment in America's security and your own.

By buying U. S. savings bonds you not only keep yourself financially strong, you also keep your country strong.

Pleasant Valley Sidelights

BY VIRGILINE HOUSNER — AC 97835

Luann Nelson, daughter of Mr. and Mrs. Tom Nelson of Buno Road, celebrated her third birthday with traditional cake and ice cream last Thursday evening.

Around Bishop Lake

E. C. Schroeder 227-3420

Mr. and Mrs. Jay Cotting and son, Craig, of Redondo Beach, Calif. spent a week of their vacation with her parents, Mr. and Mrs. August Schmatdke. Mrs. Cotting was the former Wilma Schmatdke.

A family dinner was held in Detroit, last week for the parents of Art Cox. They left for an extended vacation in California.

Mrs. Pat Gallagher, a former resident of Walsh Dr. and now residing in Pasadena Calif. paid a surprise visit to her mother and friends in Brighton last week. Mrs. Gallagher had been in Nashville to the wedding of her son on April 14th, he married Joan Reid, also of Tenn. She then continued on to Brighton. After an enjoyable vacation she returned to her home in Pasadena.

Janet Warner of U.S.-23 was one of the seniors that left on their trip Saturday night.

Little Debby Raymond, has returned home from The McPherson Medical Health Center after undergoing surgery last week. The little miss is feeling fine, now the trouble is to keep her as quiet as she must be for another week.

Mr. and Mrs. Herbert Warner, Buno Road, have returned home from their vacation in Mesa, Arizona.

Mrs. George Seiders, was taken to the McPherson Medical Health Center, last Monday, where she will be for another week. Friends who would like to send cards, her room No. is 203.

Our young friend Tim Warner, is still a patient at St. Josephs Mercy Hospital, Ann Arbor. The time is beginning to hang heavy and he would like more cards. He is in room No. 4486 P.E.D.

Mr. and Mrs. Lloyd Cook, were pleasantly surprised last week with a surprise visit of his sister, Mrs. Enna Hester of St. Petersburg, Calif. She was able to stay a week and then back home. They had a family gathering while she was here so every one was able to enjoy her vacation.

Mr. and Mrs. John Kluck, have returned from their honeymoon at Niagara Falls, and New York City. They returned by way of Penn., and ran into some very nasty weather. They will be making their home at the Starlight Trailer Park.

Mr. and Mrs. Bruce Davis and children, were Sunday afternoon callers on her parents, Mr. and Mrs. Carter Smith. Other Sunday guests at the Smith home were, Mr. and Mrs. A. Hutchins and children, Mrs. Aline Douglas and Karen Pierson, Mr. and Mrs. J. Burrisson and children, Mr. George Cole, Bryan Smith and a friend of Bryans.

"NEW POLICY ON TICKETS"

For the first time, children's tickets are available for fifty cents at the door May 1 and 2 for the play "I Remember Mama" at Brighton High School Auditorium! Advanced adult sales are \$1.00 and \$1.25 at the door. Tickets are available from any cast member and people working on the play or Sportsmans Grill and Karls Television store.

"CAST PARTY"

Immediately following the Saturday performance of "I Remember Mama," a party will be held at Brighton Ski Lodge for cast, Livingston Players, play workers and their invited guests. Tickets are \$1.60 per person, advanced sale only. None sold at the door! Contact Darline Hughes AC 9-9482 for tickets. Entertainment, dancing and refreshments will highlight the evening.

Richard Krause was home from Michigan State to spend the week-end with his parents, Mr. and Mrs. Harold Krause and family.

Swan Tangman under went surgery Monday night at the McPherson Health Center. He is reported as making a good recovery. I am sure cards would be appreciated from the friends and neighbors.

Mrs. Charles Pless and sons arrived home Saturday morning after making the trip to Florida to bring back her parents, Mr. and Mrs. Peter Leitz who had spent the winter at Sarasota. Welcome back.

Mr. and Mrs. Peter Leitz were Sunday dinner guests of their son and daughter-in-law, Mr. and Mrs. Harold Leitz and family.
