Rev. Stauffer Family Moved To Florida

Rev. and Mrs. Melvin Stauffer, and their four children have moved from their Pinckney home and will be living at 2425 Bahia Vista, Sarasota, Florida. Rev. Stauffer will serve as a youth leader for a large Mennonite church in Sarasota.

The Stauffers lived in Pinckney for five years. Rev. Stauffer claims when he came to Pinckney there was a membership of just four persons at the Calvary Mennonite Church, and with his dedicated service and faithful assistance of his wife, built this membership up to 75 actual members.

Rev. Stauffer also spent a good deal of time as a painter, interior, as well as exterior, which many Pinckney people will remember him for. He served as secretary of the Pinckney Writer's Club, and for two years was president of the Livingston County Holiness Association. He will also be remembered in this area as well as Howell, Indiana, Ohio, and various places in Michigan for the showing of his slides taken on his recent trip to Haiti, doing missionary work.

Dan Slabaugh of Whitmore Lake area will replace Rev. Stauffer at the Calvary Mennonite Church for the time being.

THE PRESENT Pinckney Community Congregational Church was formed in 1919 when the Methodist Church and the Congregational Church, both of Pinckney, voted to consolidate.

These churches had existed separately for many years. Both had been started about 1848. The earliest members of the Methodist church according to the records were the families of John Van Fleet, John Chambers, Sr., S. N. Whitcomb, William Placeway, John Lakin, Moses Fuller, Freeman Webb, Furman Rose, Henry Love, John Reason and Rowley Sprout.

When the churches voted for consolidation the Methodist Church was selected as the building in which to meet; it was the larger of the two. It was then named the Federated Congregational Church.

Before these churches had been built

this section was served by a circuit riding minister who came through on horseback. Services were held at different homes. Baptisms and marriages were also held at these meetings. The best known of these circuit preachers were the Rev. Kanouse of Lodi Plains and Rev. Jonathan Post of Ann Arbor. Rev. Marden was the first resident Congregational minister here.

The land for both of these churches had been donated by Dr. Charles W. Haze.

Some of the former Congregational pastors are: Revs. Thurston Jones, Rice, Shearer, Pierce, Mylne, Gates, Sutherland, Cook, Maycroft, Berquist, Esic, Zuse, Crane, Hurlburt, McClus, Allard, Brady, Rutsegger, Winger, Hainsworth.

At the present time Rev. Gerald Bender is pastor at the Congregational Church.

Jerry H. Madsen Is Found Dead Of Shot Gun Wound

Jerry H. Madsen, age 61, was found dead Monday morning about 9:30 a.m. in the basement of his home from an apparent self-inflicted gun shot wound. When Madsen, a foreman at the Chrysler Proving Grounds near Chelsea, failed to appear for work Monday morning, the plant supervisor called a fellow employee of Madsen's who lives nearby, to check on Madsen. Dr. L. E. May, medical examiner, said the shooting happened at least 24 hours prior to the time he was found. Detective Ronald Schoonmaker investigated on the case, reports there is no known reason for the shooting.

Mr. Madsen had just recently moved into this new home at 3659 Junior Drive, Rush Lake, from his former residence of the past 18 years, at 2022 Pearl Lake Road. His wife, Pearl Beeson Madsen, preceded him in death in 1960. He was a member of Livingston Lodge, 76, F & AM of Pinckney.

Born in Sherburn, Minn. in January 23, 1903, he was the son of Peter and Sadie Astgaard Madsen. On September he married in Detroit, Michigan and moved to Pinckney. He is survived by two brothers, Harry of Detroit, and Eddie P. of Grosse Pointe Farms; four nephews and one niece.

Funeral services were held Wednesday from the Swarthout Funeral Home with the Rev. Donald M. Eaton officiating. Burial was in the Pinckney Cemetery.

Dancers Win Over Weatherman

The Western Style Square Dancers won a hard earned decision over the elements Saturday night at Hell, Michigan when they battled the rain for three hours but went right on thru until 11:30 P.M. to the calling of Doug Dieck, of Waterford, Michigan, subbing for the ailing Bill Gracey.

Despite the weather over 100 dancers showed up for the festivities and were treated to a new feature at Hell when a large group went to the Dam for a dance or two, which made them eligible for the "DAM STOMPERS" Badge. There are only three places in Michigan, Hell included, where this badge is available.

Dancers from as far away as New York State, Indiana, Windsor, Ontario, Canada thoroughly enjoyed the un-usual weather in Hell.

Grand Opening of the Amber Room, new dining room at the Woodland Golf Club, is announced for next week according to George Holmwood. Don Provenzola and Sheldon Meyers, owners.

Goucher Writes Opinion Election at HiLand Lakes

July 10, 1964
Editor
Pinckney Dispatch
Dear Sir:

As a resident property owner at Hi-Land Lake I feel compelled to express my viewpoint on the Incorporation Election to be held July 18, 1964. I am in sympathy with the general objectives of the proponents of the question to be voted upon. However, I can not support the methods being used in an attempt to force these objectives upon the affected area.

Act 137 of the 1929 Legislature was primarily enacted for use in remote summer resort areas which lacked suitable means of making and enforcing laws for the heavy influx of seasonal residents. Such a condition does not now exist at Hi-Land where I have been a year around resident for over ten years. Hi-Land Lake is a tiny part of a region encompassing parts of three counties now facing a tremendous growth pattern. To form an additional unit of government here would be to simply compound the already vexing problem of too many overlapping governing bodies.

Creation of a REGIONAL AUTHORITY should be the objective of those people desirous of bettering their community. All the needed municipal

improvements and services must be treated on a REGIONAL basis. Utter chaos will result if each subdivision, lake community, village and township were to undertake their own road improvements, policing, sewer and water services and so on. The sewage disposal problem at Whitmore Lake, the proposed addition of more State Recreation facilities at Hamburg and Genoa, the rebuilding of most county roads in both Livingston and Washtenaw, the lack of effective zoning laws and the accompanying apathy toward ugly blighting of this beautiful area are all issues too big to be tackled by embryo subdivision governments.

The Organizers and active workers in the Hi-Land Lake Association should be commended for their efforts to better their community on a voluntary basis. If they are not satisfied with the authority now existing at the Township and County level in such areas as Zoning, Health and Sanitation, Road Commission, Sheriff's Department and other municipal services, they should make their objections known at the Township Board meetings and if necessary, see that public officials are placed in office who recognize the tremendous growth facing the

REGION as a whole. The writer is aware that the owner of a seasonal dwelling in this area cannot vote for candidates for public office or on bond issues, etc., and for the privilege of owning a summer cottage and roaring up and down the lake in a noisy motorboat for a few weeks each year, must pay the same tax millage as those who enjoy all the benefits offered by permanent residency here. However, the services of the community are available to summer residents on an equal basis with those offered to year around residents and the offices of our public officials are available to anyone with need for their services.

I urge all those affected by the outcome of this vote, whether permanent or seasonal dwellers, to obtain and read a copy of Act 137 of the 1929 Legislature, as amended in 1936. Despite the statement attributed to Mr. Pattison in last week's issue of the Dispatch, most of us should be able to read and understand the meaning of this act. I am sure that those who do read and understand the implications of this act and can see the problems beyond their own fence line, will register and vote no on this matter.

7-Year-Old Boy Drowns Saturday

Seven year old Loren Tepper drowned in Base Line Lake, Saturday afternoon, July 11. His parents are Mr. and Mrs. Alfred Teper, 11115 McKinley, Taylor, Michigan.

Loren recently learned to swim, and felt confident enough to jump out of a row boat while in the middle of the lake. He, and his twelve year old sister, Loretta had taken the boat without the consent of their parents. In an attempt to save her brother, Loretta jumped into the water. A near by fisherman, William Graf, 501 West Liberty, Ann Arbor managed to pull her to safety, but could not locate Loren.

Skin divers from the Washtenaw sheriff's department found the body in 35 foot of water about 3:45 p.m., nearly two hours after Loren left the boat. The names of the divers were: Frank Ceolliau, Bob Geer, Dick Gillespie, and Skip Craig.

The Alfred Teppers own the Halo Golf range located on M-36, Pinckney. This is the second drowning in this area within a months time. Gary Bell, age 7, son of Mr. and Mrs. Neil Bell drowned in the Portage Lake channel, June 29, 1964.

TEEN-AGER UNINJURED AS CAR ROLLS OVER

A 17-year-old Pinckney youth escaped unhurt last night after his car went out of control on I-94 in Scio Township and rolled completely over. Gary L. Hull was driving west on the dual lane highway west of Wagner Rd. when the accident happened, sheriff's men reported. After passing another vehicle, Hull's 1958-model car veered out of control, slid sideways for 63 feet and then careened another 90 feet before rolling over and landing back on its wheels, deputies said.

Hamburg Gala Day Saturday

On Saturday, July 18th, Hamburg will again celebrate its annual Gala Day. This will mark the fifth year and by far the most interesting and aggressive to date. Starting at 10 a.m. with a parade and floats, one incidentally will be the Village League float on which will be riding the Gala Day queen, to be named and crowned in the evening.

The Senior girl scouts from Pinckney and Hamburg will be active in a watermelon contest. Is it who gets the most melon eaten or who splits the seeds the farthest? Also the scouts will raffie off a registered Pomeranian poochie and there will be prizes for adults and children.

Goucher & Weber To Build New Office Building

Ground was broken last week for a new building to house the design studio and general offices for Goucher and Weber, local design and building firm. The contemporary one story and basement structure is being erected on the site of the old Lyndon Township School at the intersection of Waterloo Road and M-52, north of Chelsea.

Long a local landmark, the old school must be demolished because it is partly on the highway right of way and has been badly damaged by vandalism. William Weber, builder member of the firm, lives on Waterloo Road commented that much thought went into the design and location of the new building on the site.

Weber said, "My partner, Lee Goucher, architectural designer, and I were both interested in saving the many fine trees that frame the magnificent views over State land in all directions." Goucher commented that the new building and site "are characteristic of the type planning and building we are doing for clients throughout the beautiful hill and lake country surrounding Chelsea, Dexter and Pinckney."

Weber is a life long resident of the Chelsea area and has been associated with the building business for over ten years. He holds a license from the Securities and Exchange Commission as a residential builder. Goucher makes his home on Hi-Land Lake near Pinckney and has been an associate member of the American Institute of Architects. He recently resigned as vice president of Ann Arbor architectural firm to devote full time to residential design in association with Weber.

Goucher and Weber have designed and built many of the finest homes in the area during the past six years. Working as a team they have developed new techniques that now bring custom quality home design within the reach of the most modest budgets.

"Increasing demand for our custom design service in the small home field has resulted in the decision to build our

Goucher & Weber To Build New Office Building

new studio and office." Weber said. Goucher added, "It is no longer necessary to accept a stock plan compromise or a project house as a substitute for a well planned custom home. A home is a once in a lifetime investment for the average family and is deserving of the special design effort we offer to our clients."

Goucher and Weber specialize in custom designing and building each new home to meet the particular requirements imposed by the site and the family need and budget.

An open house is planned for the new building to coincide with the fall color tours in this area. An employee parking lot for ten cars will be open on weekends for those interested in viewing the scenic countryside from this historic site.

The Pinckney Community School will open August 31, 1964 according to Wes Reader, superintendent of Schools. This is somewhat earlier this year than has been the case other years, due to plans for constructing and remodeling of the new proposed school building program only spring of 1965.

School not starting until after Labor Day this year allows an early holiday for students. There will be no school that day, September 7, 1964. Other than this, the schedule is similar to that of previous years. Teachers Institute is on for a two day recess, October 1 and 2.

Thanksgiving recess happens from November 26 to December 7. Christmas vacation schools will close Tuesday, December 22 and will reopen Monday, January 4. Spring vacation schools will close Friday, March 19 and will reopen Monday, March 29. There will be no school Good Friday, April 16. Baccalaureate will be held Sunday, May 23, and graduation will be Friday, May 28, 1965.

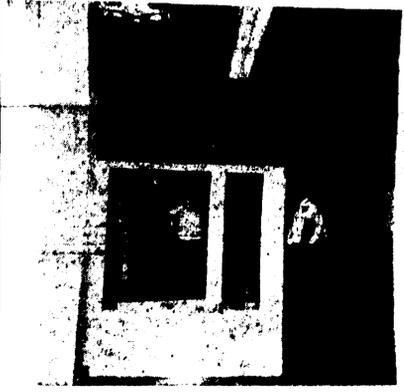

Public Hearing to be Held 7:30 Tonight

Property owners of the Cunningham-Appleton lakes area who are about to lose their land to the State Conservation Department will be given the opportunity to express their objections at a public meeting to be held tonight, Wednesday, at the court house in Howell. The meeting has been called by State Representative Thomas G. Sharpe.

The Conservation Department proposes to dam the Murray Lake branch of Ore Creek and make a 514-acre lake, west of Bauer Road, and including several existing lakes, Appleton, Upper Appleton, Murray, Road, O'Neil and Cunningham. Lakes will all be submerged with about nine feet of water above the present level.

At the present time the state owns over 22,000 acres in this county, and the present project will add another 1,300 acres.

Sandy Thiele, this year's graduate of Whitmore Lake High and well known to many Pinckney teenagers, was injured last Saturday evening when she backed into a scorer at LaRosa's Bowling Lanes and injured muscles and tissues in her back. She was in such pain when she reached home that her parents took her to St. Joseph's Hospital. She is still there for treatment, and possibly will require traction.

The local post office recently underwent some remodeling making possible the addition of fifty-four new postal boxes. Shown here is

Postmaster Lawrence Baughn conferring with carpenter, Joe Jeffreys, as to what should be done.

The Way We Hear It

BY: DOLLY BAUGHN

... the Pinckney Fire Department plan to make the fireworks show an annual event for Pinckney, come heck or high water! At the recent meeting of the firemen a "Fireworks Committee" was chosen. It will be headed by Jerry Speake, with Leonard Lee, co-chairman, and Louie Rogers, Otis Matteson and Charles Hewlett completing the five man team. Sounds like a step in the right direction. — See you all at the fireworks in '65!

... Wes Reader, Superintendent of Pinckney Schools is spending one more time in the north woods enjoying fishing, quiet and relaxation before he must hear those bells a ringing! (Schools bells, that is. They will begin ringing August 31, 1964.)

... the Rainbow Girls did quite well financially with their bake sale Saturday morning.

They had some delicious looking food come and go during the sale.

... Charlie Markham from Inkster was in town last Friday. He is a summer resident at Half-Moon Lake. Spends most of his time at his hot-dog drive-in stand in Detroit.

... many people are not qualified to walk on stilts. Phil Gentile spent time last week concocting a pair from various material and found not too many tellows his age have good enough coordination to use them! It is quite a feat. Jeff Davis and Ronnie Wellman are two that can verify that fact!

... our neighbors are quite delighted with the results of their so-called "Hamburg Gala Day" set aside annually for one big day of celebration in their town of Hamburg. This year's "Day" is July 18. There will be a parade at 10:30 a.m. with a prize for the most beautiful, original and funniest entry, a fireman's waterball fight, horse show, horse shoe pitching, a Bazaar, kiddie rides, Smorgasbord dinner, 5:30 to 8:00 p.m., crowning of Queen, and a street dance from 9:30 to 12 midnight. They would like for anyone and everyone to attend some if not the entire day's activities. — Sounds like a mighty big day for a town the size of Hamburg. Also sounds like they have some get-out-and-go-getters.

... work on the preliminary drawings of the new high school are progressing more rapidly than anticipated. A tentative plot plan of the new school was presented for the Board's review at the recent school Board meeting, July 6, 1964.

... those concerned with the care of Civil Defense material

that has been stored in various spots in Pinckney will now be moved to Chelsea. Seems none can find a good location closer than that to store it permanently. It consists of hospital beds, and material for first aid that could be used in case of some disaster, such as a bad storm, or a bombing.

... Mrs. Fred Singer and a Dearborn resident collided at an open intersection, Sunday morning. There were no personal injuries but the cars were badly banged up.

... Pinckney firemen received a "bum steer" last Monday night when they received a call that a car was on fire located on Cedar Lake Road. The car was on Bentley Lake Road, and was completely destroyed by fire. It was owned by Richard Bennett of Pinckney.

... from the mouth of babies. Alice Gray and I had a good chuckle recently when a call to a local resident was made from our office to ask if they wished for their classified ad to be run again. The voice of a child answered and when asked, "Is Mother home?" — the child said just a minute. When he returned to the phone he gave full report — "Mother isn't home now, — and she says will call you later!" We thought this was rather cute!!

... the chilly days! This week, and the fact that school students were around town last Monday for cheerleading practice made one think it was fall and school should be in session.

... Gary L. Hull, age 17, escaped injuries Sunday night, after his car went out of control on I-94 in Scio Township and rolled completely over, landing back on it's wheels.

"The United Kingdom and Ireland" is a new volume of "The World and Its People" which we have added to our collection.

For young people we have "Flying Skis" a story of an exclusive Michigan Ski Club and a girl who wanted to win the big race by a Grosse Pointe Writer Josephine Wunsch.

... Pinckney Prattle ...

BY ALICE GRAY

Mrs. Sadie Moran of Pinckney and her brother, Fred Swarthout of Howell, spent five days last week visiting with their sister, Mrs. Fanny Bradley in Flint. While there they helped Mrs. Bradley celebrate her birthday.

The Ladies Aid of Pinckney Congregational Church met last Thursday at the Portage Lake summer home of Mrs. Fred Read. The ladies sewed carpet rags for their wovon rug project, stopping for a midday lunch. Sixteen members were present.

SERVICEMEN TRAVELS
Pinckney navy man, AN Roy Carpenter, is currently at the Atsugi Naval Air Station at Yokosuka and will be there while repairs are being made on the engine of the aircraft carrier *Bonhomme Richard* on which he is stationed. From there he and shipmates will continue on their cruise, expecting to be at San Diego by September 13. At that time Mrs. Carpenter, (nee Alice Allen) and infant son, Roy, Jr. expect to meet him there and live in San Diego for six or eight months.

The five grandchildren of Mrs. Alice Esic of Unadilla st. were featured singers at the drive-in Services at the People's Church last Sunday evening. The Cecil Vincents of Hingham, Mass. are currently visiting with Mrs. Vincent's mother, Mrs. Esic, and shared the talents of her five talented children with the congregation.

The Homecoming Festival held annually by the St. Mary's Catholic Church has been postponed from July 26 as originally scheduled and will be held on Sunday, August 16. This year they will have a smorgasbord dinner featuring beef as the main item rather than the usual family style dinner they have had in the past.

John Burg, one of Pinckney's driver education teachers, was home over the week end from Michigan State where he is studying traffic safety connected with the drivers training program under a scholarship which the college had awarded him.

PINCKNEYITES APPEAR IN DETROIT FREE PRESS
Did you happen to notice the picture of some of our local residents in the Sunday issue of the Free Press? Gerry and Katie Swarthout of Darwin Road were lucky enough to each win two tickets to the Tiger game played Saturday, July 11. George Pucias, sports writer, awarded the tickets to the Swarthouts when their letters appeared in "Love Letters", a part of the Pucias sport column. They were presented with "Love Letter" pins also. Chuck and Delores Elliott of Portage Lake were guests of the Swarthouts for the Tiger game, using those valuable spare tickets.

We hear the annual trek to the huckleberry swamps has begun... the berries are beginning to ripen in great shape. So hunt up your hip boots, lay in a supply of snake-bite medicine and we'll meet you at the berry swamp.

Mrs. Mary Amburgey and Dick Amburgey were in East Jordan for the week end.

Rod Widemayer, son of the Emmett Widemayers, celebrated his 14th birthday Tuesday, July 14 with 10 of his friends at a party at his home.

The young men in the Gerald Darrow family are surely loyal to the navy. Robert, a 1964 graduate of Pinckney High, has joined the US Navy and is awaiting assignment. Another son, Gerald Jr., who has been in the navy for two years since his graduation in '62 from PHS has been advanced to 3rd Class Petty Officer. Gerald, who has just returned to his base at Mayport, Fla. after a 10 day leave spent in Pinckney, has finished another course in electronics school and is hoping for further training along those lines.

Mrs. Roberta Amburgey has completed her course at Midwest Beauty College. Her daughter, Chiquita, '64 graduate of PHS, has enrolled there also.

MARGIE'S FLAG CAKE
The girls in the Louise Rogers family have long been famous for the beautifully decorated birthday cakes they fashion in all sorts of shapes. This year, Debbie and Kathy really out-did themselves when they made a cake for their mother's birthday on the 4th of July with a flag motif, complete with red, white, and blue. The correct number of candles represented the stars. The Alvin Washburns helped celebrate.

The Lyle Eulers and son Bill are here from Fairhope, Alabama for three or four weeks visiting Lyle's parents, Mr. and Mrs. William Euler.

Mr. and Mrs. Dan Van Siambrook visited their son and his wife, the Larry Van Siambrooks and the Jack Reidsalls of Dearborn last Sunday.

Bev's Restaurant in Pinckney has been without the smiling face of one of its employees, Nancy Hollister, P.H.S. senior and daughter of the Harold Hollisters, since last Thursday. Nancy stepped on a fish spear, and unable to pull the barbed prong out, had to have it removed at a doctor's office. She is still "grounded."

FORMER RESIDENT PASSES ON

Mrs. Roger Carr was called to Detroit on July 4th by the death of her sister, Mrs. Mae Middleton. The two sisters had just returned several days before from a two week's vacation in Syracuse and New York City.

Mrs. Middleton, the former Mae Smith, was born in Marion Township and spent her childhood in Pinckney. Her husband preceded her in death six years ago. They had no children. A brother, Laverne Smith of Lansing, also survives.

Mr. and Mrs. James Everard of Rush Lake spent several days last week in Detroit visiting their son and his family, the Jack Everards. While there they also had dinner one day with Mrs. Everard's sister, Mrs. Mable Coleman, and called on former Rush Lake residents, Mr. and Mrs. Frank Richard in their new home on Archdale Ave. in Detroit. The Richards have just moved, having sold their Rush Lake home to Jerry Madsen.

The Hilly Hustlers 4-H Group met recently at the Bert Wylie home with 10 members present. Bonnie, Bill and Janet Wylie gave a sheep showing and blocking demonstration.

It was a special delight for many to see Rev. and Mrs. Hainsworth back in last Sunday at the Reverend filled the pulpit of the Congl. Church during the absence of the vacationing Rev. Bender. Mr. and Mrs. Robert Ackley were in Dexter for several days this week with their grandchildren while daughter, Roberta and husband Tom

Neff and Linda and Ronnie Bond vacationed in Northern Michigan at the Lee cabin near Hillman.

GALA DAY FOR PINCKNEY?
This Saturday, July 18 will be Gala Day for Hamburg with all its gaudy and fun. It would be nice if we had a similar event in Pinckney... We are probably in for a small version anyway... Consumer's Power has tentatively planned a big three-or-four day display of gas appliances (merchandise to be furnished by local merchants, Lavey, Shirey, and Gentle, etc.) in September. They are hoping that local merchants will participate by having featured sales, perhaps giving away sales, stubs or tickets which will be drawn for various door prizes to be supplied by Consumer. All this would be culminated in a grand and glorious street dance. How about that!

But to get back to the Hamburg Gala Day... Stockade and Battalion Boys of the Hiawatha Beach Church will march in the Gala Day program in Hamburg this Saturday. The young people of the Church are making a float for this occasion using the theme of freedom and bondage.

Don Baughn returned to a Naval base in Morocco, Africa last Thursday ending a 30 day leave. His parents, Win and Mary Baughn, took him to Metropolitan Airport, where he left by jet, anticipating at least a 24 hour flight back to his base. Don does not plan a return trip to the States for at least one and half more years.

What was planned for an outside picnic dinner turned into being a full house at the Howard Hendee ranch Sunday afternoon. Chilly weather forced them to entertain their many guests inside. Those who were present for the Hendee family reunion were Mrs. Beulah Hendee, Mr. Art Nuoffer, Dr. and Mrs. Cecil Hendee of Lansing, Dr. and Mrs. Jim Nash, their daughter, Jill, and her companion, of Coldwater, Mr. and Mrs. Rex Hendee and two sons, Mr. and Mrs. Gale Hendee and two children of Owosso, and of course, Jeff, LuAnn, and Mike Hendee. Later in the day guests were Mr. and Mrs. Denny Nuoffer and daughter, and Daie and Nuoffer of Holt.

Doug Hewlett celebrated his big day of the year last Friday, July 10, when he turned 10 years of age. Doug's mother, Mrs. Charles Hewlett royally entertained 10 of Doug's friends from 2 until 4 that day, and those present enjoyed games galore, and "good ice-cream and cake."

Monday, July 6, Mr. and Mrs. Robert Dunn entertained at a going-away-dinner, Mr. Dunn's parents, Mr. and Mrs. Orville Dunn of Berrien Springs, Michigan, and Mr. and Mrs. Gilbert Dunn and two sons of Pinckney. The Orville Duns are moving to Arizona and will make their home there.

July 9, the Robert Dunn home was the scene of a "happy birthday party" and entertained seven young friends, honoring their son, Allen on his seventh birthday.

Mr. and Mrs. Dan Rosiecki, and three children, Bev, Bob and Tim spent from Saturday afternoon until Monday at Mr. R's parent's home. A high light of the weekend trip for Mrs. R. was to go shopping with her children and allowed to select her own birthday present. How about that? Her annual event (which she claims she has stopped having) is

July 19, and Mr. R. will celebrate his July 18. He also received a gift last weekend—but didn't have the privilege of selecting his own.

Scharme Baxter, daughter of the Charles Baxters and a PHS grad of '63, will be one of the 12 members of a singing group from the Grand Rapids School of the Bible and Music which will appear at the Hiawatha Beach Church Monday, July 20 at 7:30 P.M. The group will sing jointly, and members will appear in solos, duets, and quartets.

Mr. and Mrs. Rudolph Koepen spent the first part of the week at their cabin at Lovells. Mr. and Mrs. Roger Koepen were at the Koepen cabin at Lovells the last part of the week, going on to Mackinaw Island and other points of interest.

Jack Hinz was the honored guest at the Claude Kirsches home on Portage Street Sunday when his children and grandchildren gathered to help him celebrate his 75th birthday. Present were the Charles Hewlett family, Zane Caugan family, Mr. and Mrs. William Wetherbee, and Dagna Toy of Buck Lake.

Mr. and Mrs. Don Oleski and children are back after a 10 day camping vacation trip through the northern part of Michigan. The Oleski family crossed the Straits and camped and viewed the sights at Marquette, Lake of the Clouds, Marquette, Porcupine Mountains, and many other interesting places.

Mr. and Mrs. William Wetherbee visited at the home of Mrs. W's mother, Mrs. Frank Wetherbee, in Ann Arbor Saturday.

Nine brave souls undertook the long jaunt to Columbus and returned the same evening to Pinckney last Saturday when they traveled to hear Billy Graham speak in Jet Stadium in Columbus, Ohio. Returning to town about 3:30 Sunday morning were Rev. Tom Murphy, Mrs. Kenneth Hunt, Mr. and Mrs. Leland Gaynor, Mr. and Mrs. Danton Owens, Chuck Hewlett, John Darrow, Elaine Darrow, and Shirley Hollister.

Mrs. Irene Jack was busy entertaining callers over the week end. Her sister and husband, the Milo Kettlers of Jackson, called; her daughter and husband,

Madge and Edwin Rowe of Redford were there; and another daughter Roberta and her husband Ronnie Hoskin and children also called.

The boy scout troop under Scoutmaster Don Oleski are a busy group. One of their biggest ventures lately was a campout over the week end near Hell Creek where the Kiwanis Rodeo was held. The Scouts helped usher during the rodeo, sold programs and were generally most helpful.

MOMENTO FOR STAUFFER
At the Family Fellowship meeting on Friday evening, Rev. Stauffer and his family were presented with a scrapbook that will provide many nostalgic moments in the future. Each family of the church brought pictures of themselves, their activities and things of interest; these were compiled in the scrapbook and given to the Stauffers. A "love offering" was also presented. The Stauffers will be sorely missed by their many friends here.

FAREWELL FOR STAUFFER
Members of the Calvary Mennonite Church reluctantly bid their pastor, Melvin Stauffer and his family farewell Sunday, July 12. Bishop Etril Leimbach of Kalamazoo delivered the sermon at Sunday services and a pot luck dinner at the church followed. The Stauffers were all packed and ready to leave for Sarasota, Fla. following the dinner. We all wish the Reverend the best.

of luck in his new venture. The Merwin Campbells vacationed at Dummond Island this week.

Gloria and Bob Wiltse Grandville spent the week with their aunt at uncle, Mr. and Mrs. Willis Anderson of Maryland, this week.

The square dance at He went on as scheduled last Saturday evening even though it rained off and on during the night. A good-sized crowd enjoyed the calling of Doug Reid. Some of the braver souls daubed down by the dam entailing them to a badge purporting they had danced: "the damn at Hell!" Dancer was on the house... The Hell Chamber of Commerce paid all expenses.

Mr. and Mrs. Herbert Bowles and family have been entertaining her aunt at uncle, Mr. and Mrs. Willis Anderson of Maryland, this week.

Dodgers Won Fourth Monday

The Braves lost their fifth game and the Dodgers won their fourth game Monday with the final score, 9-1. It looked like it was going to be a close game in the first two innings as the Dodgers had only a one run lead going into the third.
Rick Osborne lead the way for the Dodgers hitting a triple and scoring three runs. The game was interesting though as the teams played seven innings the most by any team this year.

The Braves were, of course, the cont. starts and the Orioles came out on top, tway on top, 15-0.
Steve Nelson of the Orioles, pitched a no-hit, no-run ball game. Jack Sutter was his catcher. It was the only one so far this season. Nelson, Sutter and Ricky Haines each hit a homerun for the winners.

The setting for the second game of the week of the younger circuits was just about the opposite of that of the first. Neither team had won a game and last place was in question instead of first.
The Yanks and the Indians each were thirsty for that first victory and the Indians got it with a big first inning, nine runs and a big last inning, five runs. The final score being 15-10.

Your Favorite Bean Recipes

The melding of savory flavors adds so much interest to a meal that the good cook is encouraged to improvise, add her own personal touches. Soups, stews and baked beans take naturally to a variety of blends. What's more these dishes often seem to taste better next day. Whether you're dining indoors or packing a picnic lunch, these bean bakes require no watching, can be made ahead and reheated. And you can add or subtract an ingredient or two and still have a taste-tempting favorite!

COTTAGE BEAN POT
2 lbs. dry navy beans
2 qts. water
1 lb. salt pork, diced
1 large onion, chopped
¼ cup applesauce
¼ cup maple syrup or molasses
¼ cup brown sugar
1 T dry mustard
Salt and pepper to taste
Soak beans in the water overnight. Add salt pork and simmer beans till tender, about 2 hours. Stir in remaining ingredients and turn into a bean pot and bake covered, at 300 degrees, about 6 hours, adding more water or tomato juice when necessary to keep beans moist. Uncover during last half hour to brown. 10-12 portions.

QUICK BEAN BAKE
1 med. onion, studded with 2 whole cloves
2 - 1 lb. cans baked beans
¼ t ginger
¼ cup molasses
¼ cup strong coffee
¼ cup boiling water
¼ lb. salt pork
Pepper to taste
Place onion in bean pot. Mix dry mustard and ginger with beans and add to pot. Combine molasses, coffee and hot water. Pour over beans. Scrape pork rind; score with sharp knife. Bury pork in beans, leaving rind exposed.

Bake in oven, covered, at 350 degrees for approx. 1 hour. Remove cover and continue baking 5 minutes to brown lightly. 6 portions.
YEAR-ROUND BARBECUE
1 lb. dry navy beans
6 cups water

1 T instant minced onion
¼ cup bacon fat
½ t thyme
¼ cup bean liquid
Salt and pepper to taste
Cover beans with water and boil 2 minutes. Cover and let stand 1 hr; then cook till tender. Drain, reserving ¼ cup bean liquid. Add all other ingredients, including ¼ cup liquid, mix thoroughly and heat. Serve with crisp strips of bacon. 6 portions.

Freshmen Visit WMU Campus

More than 3,500 freshmen who will be entering Western Michigan University for the first time next fall are getting a two-day advance taste of campus life this summer. Harry W. Seger and Dennis G. Scott were among those who were on the WMU campus last week. Under the direction of Dr. Donald Davis, director of the Counseling Bureau, the freshmen are coming to the campus to learn something of their future programs of study, to meet with the counselors and to see a bit of the campus. It is not all work and some social life has been planned too. When they return to the campus in mid-September they will be completely registered and have their fees all paid. They will only need to attend the orientation meeting for all new students on Sunday, Sept. 13, and attend their first classes on Tuesday, Sept. 15.

Manufactured Steak Anyone? ...

The succulent steaks on tomorrow's dining tables may be "spun," rather than raised, butchered and aged. "The time may come when we no longer raise beef cattle, but manufacture our steaks and other meat synthetically," Dr. Lendal H. Kotschevar of the Michigan State University School of Hotel, Restaurant and Institutional Management told restaurant operators meeting at MSU.

International food researchers are working on a process by which a batter of inexpensive protein, such as soy bean flour, fish flour or even bacteria, can be "spun" into textured synthetic meat, including steak, Dr. Kotschevar said. The spinning process is not unlike that used in preparing cotton candy, although resulting textures are different, he explained.

Dr. Kotschevar challenged the restaurateurs to keep abreast of the new market forms of food — the convenience foods — to devise standards by which to judge them and to be prepared to take advantage of the best of them as they appear.

Pre-cooked frozen entrees, such as Filet of Sole in White Wine Sauce, Coq au Vin Rouge, Veal Stroganoff or Beef Burgundy, packed in individual servings, need only be heated to become gourmet meals, Dr. Kotschevar said.

So successful are they, that neither the customer nor a taste panel can tell the difference from kitchen-prepared foods, he reported. A new chain of restaurants serving only precooked frozen entrees will soon gird the nation, he advised.

Freeze-dry products, such as chicken and shrimp, are widely accepted, he reported. Any dehydro-frozen foods, which are partially dehydrated and then frozen, are now being offered, he added. Dr. Kotschevar also said that instant frozen foods, which are quick frozen in liquid nitrogen, and irradiated foods, which keep indefinitely without refrigeration, are in the offing.

Summertime Tarts

Summer sets the scene for many social events, and the success of these often hinges on the food served. Flower-like creamy tarts made with sour cream and apricots, developed by the Borden Kitchen, can be a fine finish to a memorable meal. Use packaged, ready-to-use pie crust mix for the shells. To create the petal-like appearance, cut circles of the pastry with a cookie cutter. Place a circle in the bottom of the tart pan and arrange the rest in overlapping fashion around the sides.

Gold and Cream Tarts
(Makes eight 4½ inch tarts)
8 (4½ inch) tart shells, baked
1½ cups (11-oz. package) dried apricots
2 cups water
¼ cup light corn syrup
2 eggs, well beaten
2 cups (1 pint) Borden's Sour Cream
¼ cup sugar
¼ teaspoon almond extract
¼ teaspoon vanilla extract
2 tablespoons toasted, sliced or whole almonds, optional

Cook apricots in water according to directions on the package. Drain well. Add corn syrup to apricots; stir well. Combine beaten eggs, sour cream, sugar and extracts. Pour sour cream mixture over apricots. Fill tart shells with mixture. Bake in a slow oven (325°F.) about 10 minutes or until cream is set. Remove from oven. Garnish with almonds. Cool. Chill in refrigerator about 2½ hours or until cream is well set. Serve cold.

Michigan Farm Leaders To Visit Russia Soon

More than 50 rural leaders will become American ambassadors soon. The group will leave New York late in August to participate in Michigan's third "People to People" tour. Farmers, teachers, bankers, veterinarians and businessmen will form the group. Their purpose is to help build world understanding. They will visit a dozen countries including Russia and Poland.

Tour leader for the group is John Doneth, farm management specialist for the Co-operative Extension Service at Michigan State University. "Don't consider yourself as tourists," Les Davis of the National People to People program advised the group. "As ambassadors of the U.S.A., people will judge you on the impressions you give," Davis noted. The group met for a briefing session with tour leaders on the MSU campus early this summer.

The emphasis on the tour will be to meet and talk to people with a minimum of mere "sight seeing." The group will visit farms, villages, schools and factories and have meals with farm families. "You'll find it one of the most rewarding experiences of your life," Davis told the group. You'll learn that people are much the same the world around."

The Michigan delegation will leave New York on August 31 and return September 20.

Low Calorie-Low Cost Lunch

Creamed foods make delightful luncheon or supper dishes. You can please everyone by preparing the sauce with a low calorie nonfat dry milk, ideal for this type of cooking since the packaged product is homogenized-smooth. It is highly nutritious, too, as it contains all the important elements of top quality pasteurized milk with only the liquid and fat removed. Here is a shrimp sauce developed by the Borden Kitchen. It is low in calories and low in cost, but high in flavor.

Seafood Sauce
(Makes 6½ cup servings)
¼ cup butter
¼ cup flour
1 teaspoon salt
¼ teaspoon pepper
¼ teaspoon rosemary
2½ cups Starlac nonfat dry milk, liquefied
2 cups (two 5-ounce cans) cooked small shrimp

Melt butter in a medium-size saucepan over low heat. Blend in flour and seasonings. Gradually stir in liquefied nonfat dry milk. Cook, over medium heat, stirring constantly, until sauce is smooth and thickened. Add cooked shrimp. Cover and simmer 15 minutes, stirring occasionally. Serve in patty shells or on toast.

Girls Attracted By Dress Revue Program

Lots of things in 4-H are fun. Girls participating in the dress revue program, for example, seem to enjoy every minute of it. They think it's fun to sew and exciting to get up before an audience and show off what they have made.

However, even games have rules, so the young fashion models must abide by rules relating to their taking parts in a dress revue.

They learn to make the right choice of pattern, fabric

and accessories. The garment also must be made according to the 4-H clothing construction methods and the club leader's guidance. Equally important is the manner in which the clothes are worn.

Judges of dress revues are often other 4-H Club girls who have been coached for the task. They are quick to evaluate the wearer's general appearance and her ability to model with grace and poise. The experience also helps them to improve their own wardrobes.

Last year 387,000 girls from 50 states participated in dress revues, reports the Cooperative Extension Service.

Extension clothing specialists, county home demonstration agents, club leaders and commercial stylists pool their knowledge and efforts to help the girls reach their objective: to be an attractive young woman wearing well-made clothes.

Fifty-one girls will arrive in Chicago right after Thanksgiving with their 4-H delegations to the National 4-H Club Congress. They will be state winners of the all-expense trips. During the congress they will model their prize-winning ensembles at the national 4-H Dress Revue attended by nearly 2,000 delegates and guests.

Cheese Pleases At Parties

The patio makes a relaxed and pleasant place to entertain in the summer. And cheese is an easy food to feature at patio parties. For instance, use cheese slices or cream cheese spreads in five-ounce aluminum dishes. A fine Cheddar cheese spread is also available in a plastic container fit for table service. If you want to go in for more preparation, go gourmet with Stuffed Shrimps. Prepare this Borden Kitchen-developed hors d'oeuvre in advance and keep chilled until party time.

Roquefort Stuffed Shrimp
(Makes 24 to 30 stuffed shrimps)
2 pounds raw jumbo shrimp
1 (5-ounce) container Borden's Cream Cheese
1 (1½ oz.) package Roquefort cheese
1 teaspoon capers
¼ teaspoon dry mustard
1 teaspoon finely chopped onion
Dash white pepper
Dash salt
1 cup finely chopped parsley

Cook, shell and devein shrimp. With a sharp knife, split shrimp about two-thirds through. Blend remaining ingredients except parsley. With a small spatula, carefully stuff cheese mixture into each shrimp. Place chopped parsley on waxed paper. Dip cheese side of shrimp into parsley. Chill before serving.

Seat Belts Could Save 15,000 Lives

Studies by Cornell University prove that a sensible seat belt policy can improve your chances of avoiding injury in an accident by as much as 60 per cent.

If all American motorists were to form the habit, as many as 15,000 lives per year could be saved. The American Medical Association, the National Safety Council, police organizations, insurance companies and safety groups throughout the Nation endorse the use of seat belts.

Dale Mitchell, Jr., had his tonsils and adenoids removed Friday at St. Joseph Mercy Hospital in Ann Arbor. He came home Saturday and is recovering nicely.

Mr. and Mrs. Alton Bartum, of Stephen, attended a picnic Sunday at School Lake for Cub Scout Pack 151 of which their son, Wayne is a member.

Mr. and Mrs. Gerald Thompson of Marcy moved last week to Crooked Lake.

Mr. and Mrs. Alfred Caroen, of Academy Road, left Friday for a camping trip in Canada. They plan to return home next Wednesday.

Mr. and Mrs. Rex Krugh, of Leo Drive, have enjoyed having company from out of town. Last week Wendy Sidle from Ohio City, Ohio, returned to her home after spending a week with them. Last week Mr. Krugh's mother, Mrs. Maxine Krugh, also from Ohio City, Ohio came to visit.

Mr. and Mrs. William Cowan, of Stephen Dr., returned home Friday after a week's vacation. They spent a few days visiting Bill's parents, Mr. and Mrs. Robert Cowan of Rochester. Then Bill and LaRee traveled through the northern part of the state while their children, LaRee Ann, Mike and Alice stayed with their grandparents.

Mr. and Mrs. Fred Brockmiller, Jr., of Military, returned home recently after spending a week in Treadwell, New York, where Mrs. Brockmiller visited her triplet sisters and their families, Mr. and Mrs. Eugene Huyck and Mr. and Mrs. Dave Davis. The girls had plenty to talk about with one of the main topics being Mrs. Huyck's new baby. Sunday they spent the day in Fowlerville attending a birthday party for Fred's father who was celebrating his 70th birthday.

Mr. and Mrs. Ted Moore, of Stephen Dr., returned home Sunday night after spending the last week visiting Ted's mother, Mrs. Minnie Vernon in Mt. Airy, North Carolina.

Mr. and Mrs. Lawrence McCartney, of Marcy Dr., attended the wedding of Mrs. McCartney's nephew, Lonnie Valley to Miss Tamara Kibby in Owosso, Saturday. A reception was held at the home of the bride's parents, Mr. and Mrs. Clifton Kibby. Weekend guests of the McCartneys were Mrs. McCartney's sister and family, Mr. and Mrs. Linus Bailor and daughter, Rhonda, also Mrs. McCartney's mother, Mrs. Myrtle Valley, all of Rose City.

Thomas McCasey and wife, Elsie and daughters, Tracy and Janice, of Stephen Drive, along with Edward Howe and wife, Gertrude and daughters, Debbie and Linda, of Stephen Drive, attended the 17th annual Howe reunion Sunday, July 12, at Dodge State Park near Highland. There were 89 people present representing 23 families. Among those present were Mr. and Mrs. Frank Howe of Hyne Road, Brighton. Mr. Howe is the eldest Howe son. The cool weather made everyone shiver but the pot luck dinner of delicious foods were heartily eaten. After dinner everyone ate all the ice cream cones they could hold. The afternoon passed quickly as the children played games and the adults just talked and reminisced.

Mr. and Mrs. Leonard Farmer and children spent two weeks in northern Michigan at Atlanta. They visited Lafayette Falls, and Rogers City where they enjoyed watching the work in the huge Limestone Quarry. Mr. Farmer said it was cold and windy all the time, but they did have some good fishing. They arrived home in time for a busy fourth at the Roller Rink and their other concessions at Island Lake.

The Joseph Wilkinson family stayed home over the Fourth. They enjoyed a backyard picnic with their neighbors, Mrs. Jean Woolihan and children, Peter, Denise and Christopher as guests.

Debbie Hollister of Burson Drive visited with Sandy Wilkinson June 30, to July 2, while Ricky and Teddy Wilkinson stayed Tuesday and Wednesday, with Kirk, Bonnie and Cherie Hollister.

Thanks to Mr. Klopshinske, and 17 ambitious young musicians, we had a band in the parade. These young people from Junior High and Senior High, with one of the band Alumni, met for several practices the week before the Fourth. The Hyne Lumber Co. provided the truck. Three of the students, Linda Heideman, George and Keith Bufford are from Fonda Lake.

Norma Jean and Betty Jane Hicks.
 Mr. and Mrs. Louis Williams and four children of Cleveland, visited with the Richard Williams family, of Oakdale Drive, June 28 through July 5. Each family has a baby 9 months old, so things were pretty lively.

Beth Williams, celebrated her 10th birthday, July 7, at a party with neighborhood friends. Guests were Laurie Ann Muir, Barbara Lechert, Kathy, Cheryl Michael and Julie Sixbey, Sandy and Diana Smith, Cindy Karen and Raymond Williams. The children enjoyed an afternoon of games, and of course, ice cream and birthday cake.

Mr. and Mrs. William Seaman, of Island Lake entertained Mr. and Mrs. Herbert Russell of Cleveland, over the holiday weekend.

Mr. and Mrs. George Duke, Jr. and son, George, left July 9 for a 10-day boat trip from Detroit to Charlevoix. They plan to stop at Mackinac Island and various points of interest along the way, and drive home through Michigan's northern vacationland. Incidentally, the Dukes who are summer residents at Fonda Lake, arrived a little later than usual this year due to young James Knight Duke who was born April 20.

Fourth of July visitors at the Gerald Sixbey home were, Mrs. Sixbey's aunt and uncle, Mr. and Mrs. Fred Carter, and her mother Mrs. Florence Sieg all of Detroit.

Keith Bufford received a postcard from Walter Gyr. It pictured the town of Nyon on Lake Geneva, at the foot of Mont Blanc, the highest peak in the Alps. Walter says they are having a wonderful time, and it is truly a beautiful setting for a vacation.

Roy Washburn of Academy Drive, a past commander of American Legion Post 141 in Howell, has been chosen the Post's delegate to the American Legion State Convention, to be held in Grand Rapids, July 16-19. He has also been elected Sergeant-at-arms for the next year.

Mrs. Washburn has been chosen Chaplain of the Post Auxiliary. She will attend the convention with her husband.

The Washburn's daughter, Miss Gloria Walton, received the Rainbow Girl charm bracelet for bringing in a new member. Gloria also sold the most candy in Livingston County, so she will receive a check for expenses incurred at the State Grand Assembly of Rainbow Girls, held last May at the Pantlind Hotel in Grand Rapids.

The Robert Todd residence on Briggs Lake has really been humming with activity lately. Mr. Scranton holds swimming classes every afternoon. They are very well attended this year.

Sally Todd returned from New York June 27, with her brother, Airman 1st Class Robert L. Todd. She had met him in Washington where he is stationed, and spent some time seeing sights around the

Capital. From there they went to New York, stopping at the Skyline Caverns on the way. Of the week they spent in New York, Sally and Bob spent three days at the World's Fair.

Mrs. Todd's sister, Miss Michele Fuller of Santa Monica, California, arrived June 30, for a visit.

On July 2, Mrs. Todd celebrated her birthday with a family dinner, and son, Bob returned to duty in Washington July 6.

The Todds plan to visit Greenfield Village, Edgewater Park, and other places of interest while Jean's sister is here.

She will stay with the Todds until August 1, when she will return to her home to prepare for her September wedding.

Last Saturday evening, my husband and I celebrated our Anniversary two days early. We had dinner at a little place I found when George was a patient at Wm. Beaumont Hospital last fall. Corning's a quiet little place with a quiet atmosphere. It is decorated with all sorts of brass pieces, antiques, and art objects from many other countries. In spite of the wind and the downpour we found in Detroit, we had a very enjoyable evening.

Msgr. Herman P. Fedewa, campaign director of the Diocesan Development Fund announced a total of \$549,000 in pledges to the 1964 drive. His letter follows:

"As director of the campaign, I take this opportunity to thank all those who helped in the publicity and directors of publicity Arthur O'Connor and Tom Farrell.
"My thanks goes to all the secular papers in the

cities, counties and towns who so willingly accepted and printed copy informing their readers of this campaign and its purposes.
"Not to be forgotten are the radio and TV stations throughout the diocese who were so generous in their announcements of this appeal and the good that would be accomplished by its success.
"To each and all a great big thank you and God bless and prosper you.

"BEFORE HISTORY — 10,000 B.C." — Michigan was like this about 12,000 years ago when mastodons ranged through swampy lowlands. This painting by artist Robert A. Thom is based almost entirely on findings made possible by the discovery of a mastodon skull and tusk in 1962 near Pontiac. The painting is one of a series Thom has done for the Michigan Bell Telephone Company to stimulate interest in the state's history. Scientists learned the mastodons fed on evergreens and had small ears unlike those of the elephant which has adapted to a warmer climate. Mastodons lived in Michigan as recently as 7,000 years ago, or about 3,000 years after the glaciers, which shaped much of our state, had receded. More than 150 whole or partial skeletons of mastodons have been found in Michigan.

Open House On Sunday For U-M Radio Telescope

The 11-story-high radio telescope antenna, mainstay of the University of Michigan radio astronomy observatory on Peach Mountain, will be the main attraction at the open house there Sunday (July 19). The public may visit the U-M space science facility 14 miles northwest of Ann Arbor between 2 p.m. and 4:30 p.m.

The observatory is located at 10280 North Territorial Road (west from U.S. 23). The huge parabolic antenna, which is fully "steerable," has been used by U-M radio astronomers and scientists to make several significant scientific findings. These include obtaining radio measurements of the planets Saturn and Mercury and of a planetary nebula, a gas-surrounded dying star.

The measurement of Mercury is particularly noteworthy because the planet's nearness to the sun made the accomplishment extremely difficult. The sun's intense radiation tends to obscure radio emissions from any body as close to it as Mercury is. The open house on Sunday is the third of five planned for this year. Each is at the same time on the third Sunday of every month from May through September.

Man is not the creature of circumstances. Circumstances are the creatures of men. —Benjamin Disraeli
