## HiLand Approves Incorporation

### Vote Is 120 For—105 Not For Change

Residents of Hi-Land Lake area voted in favor of becoming incorporated Saturday, July 18, 1964 at a specially held election at Hi-Land Lake. A total of 227 votes were cast from a total of 248 registered voters residing in Section 32 of Putnam Township. Votes in favor of incorporating numbered 120, and those opposed numbered 105. There were two invalid ballots and no ballots were spoiled.

Following is a letter self explanatory, written by the president of the Hi-Land Lake Property Owners' Association, Inc., Emerson W. Pattison.

I was very pleased to see the large turnout at the polls for our election, on Saturday, July 18th. On behalf of the Board of Trustees and our old members, I would like to welcome our new members, and express gratitude to the Registration Board for the many hours they donated to this election. In particular, the Election Board should be commended for the dignified manner in which they conducted the election. Their job, performed in full sunlight and 90 degree temperatures, was not envied by anyone at Hi-Land Lake.

A number of misunderstandings have arisen from this election, and should be clarified. The Hi-Land Lake Property Owners' Association, Incorporated is not brand new, but has been incorporated and in effect for over two years. The majority of property owners joined voluntarily, and have been underwriting the cost of benefits enjoyed by everyone. The minority, who did not belong did not pay their share. This election was held to determine if the cost of benefits and association laws which formerly applied to volunteer members only should apply to everyone. There is no change in the status of our old members.

The law under which we are incorporated does not create a village. Under village law, only permanent residents are allowed to vote on village issues, the law under which we are incorporated, however, allows equal voting to summer and weekend residents on association issues.

Our association was not formed to be a social club. We have real problems and are concerned about their solution. The following problems form the purpose for our association:

1. To provide for the maintenance of private roads and bridges (not formerly maintained by state, county or township).
2. To provide for aquatic weed control in the lake. (The weeds were becoming more troublesome each year.)
3. To provide for such other measures as will add to the beauty of the area and welfare of the people.

Aquatic weed control is our largest individual program, and accounts for the largest single portion of our annual budget. This program is under the supervision of the Michigan Department of Conservation who while unable to assist financially has given considerable advice.

Road and Bridge maintenance is our second largest program. Initially, we hired contractors to grade the roads. The cost was high, however, and two gradings per year were all that we could afford. Snow removal was out of the question because of the cost. Last year however, we purchased our own road grader, and are now able to not only grade the roads, but remove snow, as well.

Our improvement program is the smallest part of our program, but we have already placed street signs at many of our intersections. Boat launching facilities for property owners and first aid stations will be provided under this part of our program.

Together these programs are expensive, and require a dependable source of revenue for their continued success. The law under which we are incorporated simply assures that everyone pay his share of the cost each year. Special consideration is given to retired people and persons who may be out of work. Retired people may become exempt from the pay-

### Phone Co. Announces New Office

Michigan Bell Telephone Company announced that its office at 105 W. Clinton, Howell, will close as a public payment location at the end of the business day Friday, July 31.

Russell H. Engelhardt, manager, said that beginning Saturday, Aug. 1, customers wishing to make payments in Howell may do so at four locations during hours those businesses are open.

The payment agencies in Howell will be: First National Bank, Matthews Pharmacy, Livingston's Drugs and McPherson State Bank.

Pinckney customers may continue to make payments at Roy Clark's Grocery Store. At the same time, Engelhardt said, Pinckney customers who wish to discuss the telephone matters with a company representative on the telephone will dial "0" and ask for the business office where trained personnel will handle such calls.

It was emphasized by Engelhardt that there will be no change in these calls.

Michigan Bell also announced that starting Monday, August 2, the firm's manager at Ann Arbor, Nicholas J. Pratkan, will serve this area in customer contact work.

### Youth Breaks Neck Diving

A Detroit young man will probably never walk again as a result of diving into shallow water Sunday, at Lake Chemung. He suffered a broken neck when he hit bottom.

Thomas Copley, 21, of 9756 Petrosky, Detroit was a guest at the Ruth Woodward cottage at 5215 Wildwood Drive, Lake Chemung, and it was reported that even though he was familiar with the water in the area, he ran the length of the dock and dove into the water. State Police measured the depth of the water at that point as only 13 inches.

Copley was taken to St. Joseph Mercy Hospital where doctors said he would probably never walk again.

ment of all dues and assessments.

None of the trustees, officers or other administrators of our association receive a salary or other compensation for their services. This cannot be changed, nor can dues be increased, or assessments levied, unless a majority of all the people at Hi-Land Lake (property owners) wish to make a change.

People who now will come under jurisdiction of the association, but who are somewhat distant from the lake, will not be asked to pay dues unless they receive benefits.

While the Board of Trustees may pass laws regarding public health, welfare and safety, the people may repeal or modify any law so passed. Therefore, most proposed laws will be referred to a vote of the people.

Copies of our By-Laws are being prepared and will be mailed to all of our new members as soon as our volunteer help is able to prepare and mail them out.

Emerson W. Pattison, President  
Hi-Land Lake Property Owners Association, Inc.

### County Nominating Petitions

Republicans who filed nominating petitions for the primary elections Tuesday were Charles B. Gatesman and Donald C. Conway for prosecuting attorney; Harold Steinkraus, Lawrence N. Gehringer, and Archibald G. Maine, Sheriff; Dorothea Greer, county treasurer is seeking re-election to that post. Joseph H. Ellis is again running for county clerk. Hoping to fill the office of Register of Deeds is Clarence Blackburn. Clair W. Miller seeks office of Drain Commissioner and John C. Miller, Surveyor.

Fifteen nominating petitions were filed with the county clerk by Democrats yesterday. Seeking election to the office of Prosecutor are Martin J. Lavan and Walter A. Gregg.

Running for office of county Sheriff are Walter LaMorla, Norman B. Davis and Geo. E. Boyd. John G. McMillan and William J. Burke filed petitions for office of clerk; Majorie G. Mier and Nina Hauser, treasurer. Seeking election as register of deeds on the Democratic ticket is Jack H. Shinn and Joanna E. Perry. Office of drain commissioner is sought by Lyle Redinger and Raymond L. Baumgartner. Russell A. Cole and D. E. Newcombe will be running for surveyor.

### Helping - Hands Hold Final Meeting Tues.

The final meeting of the 4-H group known as the "Helping Hands" took place Tuesday at the home of Mrs. Evelyn Hollister, 4-H leader. The girls made plans toward having on display homemade cookies at the Fowlerville Fair. The group, consisting of 6 girls, ages 9 to 12, entertained their mother's last week at the home of Mrs. Hollister. The mothers were served "Purple Cows" and Brownies, prepared by the girls. Mrs. Hollister is pleased with the progress of the group through the summer months. They learned about and prepared such items as fruit plates, relish plates, and various sandwich fillings.

Mr. and Mrs. Murray Kennedy were in Detroit Monday to attend the funeral of their daughter's brother-in-law, Mr. Tom Bochinski.

### Telephone Directories Thursday

Michigan Bell Telephone Company starts delivery of new Pinckney telephone directories on Thursday, July 23, announced Russell H. Engelhardt, manager for the company.

Some 1,400 copies will be distributed. Engelhardt reminds Pinckney customers that beginning August 2 they will dial Howell direct, instead of dialing 54 and placing the call through the operator.

Also on August 2, Pinckney customers will dial a new number, 546-1212 for time service, instead of contacting the operator.

The operator will continue to assist on all other service calls as shown on page 1 of the new directory.

When the new directories arrive at the homes or business establishments, Engelhardt said, it's a good idea to check the old books to make certain they don't contain valuable family documents.

Engelhardt said Michigan Bell's service representatives will answer any questions about the new directories, or about information printed inside.

"Providing phone systems tailored to each customer's need is a big part of our service representatives' jobs. However, they also answer all inquiries about equipment, pending orders, charges and policies.

"These women receive weeks of training to prepare them for their telephone contacts with customers," Engelhardt said, "and, periodically, they take part in 'continuation training' classes to keep them up to date on changes in the telephone business."

### Hard Way To Get A Drink

Some people will do almost anything to get something for free. This was evidenced Saturday night, when some thirsty person tipped over a large outdoor soft drink dispenser at the Earl Walker service station on West Grand River to get a free drink.

They took off the tops of six bottles and drained the pop from them -- no easy job as the bottles were still sticking out the slot in the machine.

### Hamburg Minister Leaves for Princeton

The Rev. Luther H. Kriefall, for five years pastor of St. Paul Lutheran Church, 7701 M-36, Hamburg, will preach his last sermons as pastor of the church on July 26, at the regular morning services. The Lutheran Church of the Messiah, Princeton, New Jersey, will be his new charge, where he will be pastor to Lutheran students at Princeton University.

During the years in which he was pastor the Hamburg congregation changed its status from subsidized mission to that of self-supporting congregation with a membership of over 200 communicants.

The original 20 x 60 chapel was also expanded in 1962 to the present building complex, designed by Herbert Muzel of South Lyon and dedicated April 29, 1962.

Pastor Kriefall graduated from Concordia Seminary, St. Louis in 1957 (B.A.) and from Washington University (M.A.) the same year. The year following was spent at the Karl Rupprecht University of Heidelberg, Germany, where he was Fulbright student.

Returning to the United States in 1958 he taught English for one year at Concordia Senior College, Fort Wayne, Indiana, leaving that post to accept a call as missionary-at-large of the Lutheran Church

REV. KRIEFALL in the Lakeland-Hamburg area. He was ordained pastor June 14, 1959. During his pastorate at Hamburg, he completed residence requirements toward a Ph.D. degree at the University of Michigan. In December 1960 he was married to Una Gabrielle Abegg of Saarbrücken, Germany. They have one son, Andreas Dietrich. A reception for the congregation and friends will be held in the church basement from 2 - 4 p.m., July 26.

### Local Candidates File

Putnam Township supervisor, Stanley Dinkel, has filed for and will be candidate for this office in the Primary Election September 1, 1964, with no known opposition.

Others who have filed are for township clerk incumbent Murray Kennedy, (D) and Lloyd Hendee, (D). For treasurer, Helen Reynolds, (D) with no opposition; for Trustee, Louis Stackable, (D); for Justice of the Peace, Bertrand Wylie, (D); for Constable, Herbert Schenden, (D), Louis Rogers (D), Phillip Gentile, (D), Arthur Rentz (D).

Deadline for filing these petitions with the township clerk, Murray Kennedy was 5 p.m. Tuesday, July 21, 1964.

### Hamburg Gala Day Was Huge Success

The Hamburg Gala Day, Saturday, July 18, was termed most successful with lots of people present for the day's activities. Mr. Del Leapley, Chairman of Hamburg Chamber of Commerce, reported the day went with no accidents, arguments, or trouble of any concern, and that plans are about to begin for next year's big day!

There were ten floats included in this year's parade. Those taking prizes were the Hiawatha Beach Church for the prettiest; the Girl Scout group of Hamburg for the most original; Paul Lenhart Mobil Service for the funniest. The horse show was a huge

success with many contestants. Sue Bowers, daughter of Mr. and Mrs. Robert Bowers received first place honors, and LuAnn Hendee, daughter of Mr. and Mrs. Lloyd Hendee received second place, for having the highest points of the day performing with their horses.

Sherry Bartolacci, daughter of Mr. and Mrs. Ralph Bartolacci, was crown queen. Sherry was one of four contestants in this event. Others were Pam Hoefft, Linda Albright and Sharon Peters.

Jeff and Atlantic, a Detroit orchestra, provided music for the street dance held from 9:30 until 1 a.m. It was not known who exactly won the waterball fight between the Hamburg, Brighton and Pinckney fire departments, but it proved to be a successful and fun event, as was the entire day.

### Man Severely Burned In Explosion Sun.

Kenneth Leroy Waiker, age 22, of 3290 M-36, Pinckney was taken by ambulance to the St. Joseph Hospital Sunday late afternoon after receiving second degree burns on 40 to 50% of the lower half of his body. Apparently while cleaning the engine of an auto at his home using gasoline, the fumes exploded causing a fire. At the time of the explosion Waiker was underneath the car. Pinckney fire department were summoned to the scene and quickly extinguished the flames.

The damage to the car was slight, due to the somewhat slow speed the auto was traveling. The passengers were Diane Schenden, Pat Borovsky, and Valerie Parker. The girls were taken to St. Joseph for examination and then released after finding no injuries.

The newspapers pasted in the Dispatch windows should not alarm you! It doesn't mean we have slowed down any—it merely means we couldn't stand the heat of the sun and are using the papers for shade! o.k.? Please continue bringing your news in to us—

... the Senior's of Class of '64 may pick up their senior group pictures at Jerry's, Main Street, Pinckney. Mr. Wes Reader has left them in Jerry's care, figuring that those grads of last year who are among the working world have a better chance of getting them from Jerry than trying to catch someone at the school. (There is no charge for these said pictures.)

... three escapees from the Boy's Training School at Whitmore were captured Monday a.m. by State Police and Livingston County Sheriff's deputies in the Pinckney area. The boys followed the railroad tracks as far as Farley Road and when deputies gained on them they ran into the swamp behind the home of George Charboneau. They soon gave themselves up.

### New Subdivision Is Opened Here

The Don-Carol Knolls Subdivision between Patterson Lake Road and the Dexter-Pinckney Road, after acceptance by the village council, has been approved by the County Plat Board. There are twenty one large lots in this project, according to William C. Haines and his wife, Helena, proprietors of the subdivision.

Mr. and Mrs. Haines purchased the land formerly called the "old Swarthout farm" in 1940 and have spent their summers and weekends in the upstairs apartment in the lovely old brick farmhouse which faced the Dexter Road. Will Kennedy managed the farm for the Haines family for many years. The original farm had forty acres on the Dexter Road and sixty acres fronting on the Patterson Lake Road. It was from this acreage that Howard Read bought the land for the Road Acres Subdivision.

Tentative plans call for a pond to be constructed near the Sylvester Harris home. The pond would become the property of the village of Pinckney. At the present time the subdivision will have gravel roads, with plans for black-topping to follow as soon as feasible.

Haines is the property manager for the Practical Home Builders of Detroit.

### File Objections To Nominating Petitions Here

A legal battle looms as a result of objections to nominating petitions for county delegates to the county convention on the Democrat ticket. The objections were filed Monday, with County Clerk Joseph H. Ellis by Pauline Rettinger and Martin J. Lavan.

Rettinger and Lavan head rival groups for control of the Democrat county committee, which will be decided in the coming election. Each charges that certain petitions are illegal because of wrong dates, false signatures and other irregularities.

Ellis has until next Tuesday, to rule on the validity of the claims.

A reunion of the Walter Kuhn, Sr., families took place recently at the Kuhn's summer home at Hi-Land Lake. Mrs. Kuhn, Jr., acted as hostess for the occasion.

### 54 Driver Training Certificates Here

Fifty four young people received certificates that will allow them to obtain one of two things, a driver's license, or a permit to drive until reaching the required age of 16, and bringing to a close the first session of the Driver Education Class for the Pinckney area. This final meeting for the group of students took place Friday, July 17, at the Pinckney High gym, with instructor, Don Gibson and assistant instructor, John Burg presiding.

Long lines were formed across the gym, first all the boys in the Driver group, then the girls, and while facing their parent, each one repeated the oath of the Driver Education course after Trooper Scampier of the Brighton Police

Post, who was present specially for this particular act. A movie, "Signal 30" was shown to the more than 200 persons present for the occasion and grades from records of each individual were passed out to the students.

Richard McCloskey, July 24, 7:30 p.m. at the Pinckney high school. Those who wish to sign up at this time for the course should not neglect bringing their birth certificates.

We missed saying "happy birthday" to Mrs. Ona Campbell for her July 9, annual event. Mr. and Mrs. Carl Lentz and family didn't forget her—they made her guest of honor at a cook-out at their Lansing home.

### The Way We Hear It

The Editor  
The Pinckney Dispatch

Dear Sir:

In your issue of July 13, 1964 and perhaps in this issue also, I was appalled to see my money as a Taxpayer of the Township of Hamburg being squandered in the form of a full page advertisement purporting to be "TOWNSHIP PRIMARY ELECTION" and "REGISTRATION NOTICE FOR TOWNSHIP PRIMARY ELECTION TUESDAY, SEPTEMBER 1, 1964."

I have no quarrel with your newspaper for running this full page advertisement which also includes unnecessarily "BE SURE AND USE YOUR RIGHT TO VOTE," as it means cash business for you.

An examination of your July 15 issue will show that neighboring Township Clerks have printed like Notices which are legally required for approximately one-twentieth of the cost which Mr. Rettinger has incurred and for which the taxpayers in Hamburg will unnecessarily pay roughly \$500.

It is obvious that Mr. Rettinger has no regard for the Taxpayers hard earned Dollar if he can get his name in large print at their expense and for his own personal grandstand with a view to furthering or grinding his political axe.

This is only one of many examples of Mr. Rettinger's disregard of his duties of Clerk in this fashion, and I believe he has outlived his usefulness as Clerk of the Township of Hamburg.

Accordingly for reasons too numerous to mention I for one wish to register my disapproval of his conduct and here and now announce that I shall be a candidate for the office of Clerk of the Township of Hamburg on the Democratic Ticket to be voted on September 1, 1964. I wish to thank the Editor for being so generous as to publish this letter for me.

Yours Truly,  
John Pietras

P.S. This full page advertisement of which I complain above did not just appear in the Pinckney Dispatch but also appeared unnecessarily in the Brighton Argus.

New books for adults include: Gray "The Keepers of the House" — a compelling narrative of the South of today of a middle-class family of mixed bloods.

Christophers, "Sweeney's Island" — a suspense story of urban-dwelling twentieth century men and women stranded on a desert island by an English instructor at Wayne University.

Geer, "Young Teens Talk It Over" — an unique book in which teen-agers discuss and are offered some suggested guidance to problems of home, school, friends, boy and girl relationships, parties, dances, dates, and it's fun to read!

Medaris "Big Doc's Girl" is a story of a "general practitioner" in Arkansas and his daughter who is one of the nicest, most intelligent and endearing heroines to be found in books for girls today.

The Writer's Club sponsored by the Library met Monday at 1:30 for their July meeting. There will be no meeting in August as so many are on vacation then.

# Board Minutes

Mr. and Mrs. Leonard Lee were very happy to entertain Rev. William Winger and his son, Don over the weekend. The reason for the Winger's to be in this vicinity was due to Rev. Winger attending the funeral of his father in Ohio, and then being so close, drove on to Michigan to visit with friends. Don, a student at Olivet College drove here to the Lee's to visit. Mrs. Winger did not accompany her husband on this trip, due to son, Doug, having a job in Iowa that could not be left, and neither could Doug! Saturday evening Mr. and Mrs. Howard Thayer were guests at the Lee home, also, and the group enjoyed looking at slides Don took while recently visiting the World's Fair in New York.

Mr. Herb Palmer looked so proud last Saturday morning as he was escorted from his home on East Main to the local post office, by three granddaughters and one grandson. The foursome being the children of the Wes Palmer's, visiting here with his parents. The Wes Palmer's live in Missouri.

"Happy birthday wishes" were in order for Miss Nancy Goucher as she became 12 years of age Monday, July 20. She is the daughter of the Lee Gouchers of Hi-Land Lake area. Nancy's grandparents, Mr. and Mrs. John Webb of Detroit, were present for the occasion and helped eat the traditional cake and ice cream.

Mr. and Mrs. Bill Miller, recently enjoyed an all expense paid trip to the World's Fair, where they spent three full days, and on to Nassau for two days. They left home July 2 and returned July 6. Bill, a P.H.S. graduate, was merited this trip for two, when he received top salesmanship honors in the Ann Arbor district. He is employed at the Jim White, Inc. auto sales. While the couple were gone, Bill's mother, Mrs. Clare Miller of Pinckney, stayed at their home and cared for the children. This pleased "grandma" no end!

## TALL TEA TINKLERS

It's iced tea time again! Every summer when the weather turns hot and sultry, millions of Americans turn to that most refreshing of thirst-quenchers. A tall, tinkling glass of iced tea makes you feel degrees cooler just to look at it. And because it's low in calories and non-sweet you can drink all you want all day long. Many families like to keep a big pitcher on hand so it's ready and waiting whenever a thirsty one arrives on the scene. Here are two simple ways to make a big 2-quart pitcher of iced tea: one is a quick "open saucepan" method using loose tea or teabags; the other is even easier—using the new instant tea.

### Open Saucepan Iced Tea

Bring 1 quart of freshly drawn cold water to a boil in a saucepan. Pre-measure 1/3 cup loose tea or count out 15 teabags. When the water comes to a full rolling boil, remove it from the heat and immediately add tea. Brew 5 minutes, uncovered. Stir and strain into a pitcher holding an additional quart of cold water.

### Iced Tea Instantly

Follow the directions on the jar, using about 4 tablespoons of instant tea (according to taste) to 2 quarts cold tap water.

## IN THE DRIVER'S SEAT

A special 32-page, two-color travel guide to the U.S. East Coast for visitors to the New York World's Fair is available free from Hertz Rent A Car. The 8 1/2-by-11-inch guidebook describes scenic and historic points of interest throughout 13 states from Maine to Virginia and along major state, interstate and U.S. highways.

Three sample six-day tours cover New England, New York State and the Mid-Atlantic area. The book also provides a map of the World's Fair itself. The guide is designed to help in planning a "fly-drive" visit

by time-saving plane to New York with a Hertz car to tour the surrounding area. More than 40 hotels and motels throughout the East are listed with their rates in the book. The lodging places are among the 1,500 participating with 16 major airlines in the Hertz "3/R" triple-reservation plan.

Under the plan, travelers can—with a single phone call—reserve a plane, rented car at destination airport and hotel-motel accommodations. For a free copy of the guidebook, write: Dept. 3/R, Hertz Rent A Car, 650 Madison Ave., N.Y., N.Y. 10021.

## Old Cars Not Chief Cause of Accidents

Contrary to some popular belief, old cars are not those chiefly involved in fatal traffic accidents in Michigan, according to the results of a State Police study reported by Capt. Don Oates, commanding officer of the Safety and Traffic Bureau.

"Old cars by repute have been something of a scapegoat in the fatal accident picture, but the study shows their bad

reputation has been falsely earned," he said. "One reason, of course, is that the older cars tend to disappear from the roads and the newer models predominate in the traffic flow."

The study was made for the year 1963, with the models for each year being checked, a total of 2,123 cars being involved in the 1,637 fatal accidents. The results were

somewhat surprising.

The trend of involvement of older models generally showed a gradual decline after the 1962 models with the exception of the 1960 and 1955 models when there was a high volume of production. Passenger car sales were 21 per cent and 19 per cent higher in 1960 as compared to 1961 and 1959 respectively, and 37 per cent and 43 per cent higher in 1955 than in 1956 and 1954 respectively.

Because of the comparatively small volume of sales of 1964 models in the latter months of 1963, the study showed that only 17 of these models or .8 per cent, were involved in fatal accidents.

THE BRIGHTON (Mich.) ARGUS — WED., JULY 22, 1964 3

But the 1963 models involved jumped to 311, or 14.7 per cent of the total of all cars, and the figure was again the same for 1962 models.

Thereafter the downward trend set in with the exception of the 1960 and 1955 models mentioned.

The involvement of 1961 model was 219, or 10.4 per cent, and 1960 cars 243, or 11.5 per cent (high production year), the involvement was a total of 1,101 cars, more than half of the total or 52.1 per cent.

The 1959 model involvement was 196, or 9.3 per cent; 1958 models 140, or 6.6 per cent; 1957 models 138, or 6.5 per

cent; 1956 models 144, or 6.8 per cent; 1955 models 173, or 8.2 per cent (high production year); 1954 models 88, or 4.2 per cent; 1953 models 71, or 3.4 per cent; and 1952 models or older 61, or 2.9 per cent.

The vintage of eleven cars was not stated.

Essentially, the same downward trend was disclosed in the bus and truck category, although there was a greater ratio of older trucks involved.

The number of motorcycles, farm tractors, scooters and "other" vehicles was not sufficient to establish any trend by age of the vehicles.

## Obituary

**MRS. W. A. FUELLING**  
Mrs. Helen L. Fuelling, 63 years of age, of 3794 Cordley Lake Drive, died Tuesday, June 23, 1964, in the McPherson Health Center, Howell, Michigan, after an extended illness.

Mrs. Fuelling was born June 28, 1898, a daughter of Herbert and Emma Hotel Muethol. She was married to Walter A. Fuelling in Detroit, Michigan on February 24, 1915.

The couple lived in Detroit until 1952 when they came to reside at Cordley Lake. Mrs. Fuelling was a member of St. Paul Lutheran Church of Hamburg and she also was a Past Commander of the Navy Mothers Club, number 08 of Detroit.

St. Paul Lutheran Church in Hamburg with the Rev. Luther Kriefold officiating. Burial took place in the Roseland Park cemetery at the 12-mile and Woodward Avenue in Berkeley, Michigan. Funeral arrangements were made through the Swarthout Funeral Home in Pinckney.

When you find a scenic view that makes you want to stop for a photograph during your motoring vacation, be sure to observe the common rules of safety, advises the Automobile Club of Michigan. Pull completely off the road so you don't block traffic. Then you can take time to compose your shot in peace and provide a welcome break for your family as well.

**Letter to the Editor**  
July 20, 1964

To The Editor:  
The Pinckney-Putnam Township Dump is not only a source of nefarious odors, obnoxious smoke and pretentious rats, it is a source of intense irritation for those who must use it. There is no real reason why the dump could not remain open twenty four hours a day for seven days a week for the benefit of all, it would seem to me to be an insult to the people of this township to have to conform to such restrictions as required by the Putnam Township Board on a dump that the same people provide for. I for one ask that the dump remain open twenty four hours per day seven days per week.

Gerald F. Reason

# Antique Cars Will Visit Brighton

Part of our past is coming again in Luxury Land Rovers and Tin Lizzies. Brighton is being honored August 19 and has the opportunity to host again the "Tour to Yesteryear" London, Ontario-Brighton, Michigan, duplicating in effect the annual London, England

to Brighton, England tour which has gained world fame for its depiction of the past and goodwill activity. Brighton Parks and Recreation Dept. has accepted responsibility for extending the welcoming hand with Clarence Luckhardt and John Schroeder

heading up the hospitality arrangements. Beautifully restored specimens of "yesterday's joyrides" will be here from London, Ontario, Montreal, Toronto, Belleville, Ontario, Port Huron and many other points in Canada, Michigan and neighboring states.

Mayor Marshall Cooper, Luke Luckhardt, Councilman William Cuthbert, and Parks Director Doug. Parmenter, have been meeting with the Ontario group, have pledged the hospitality and goodwill of Brighton to the expected 75 antique cars and 150 passengers.

## Make Changes In Phone Company Business Office

Michigan Bell Telephone Company announced that its office at 105 W. Clinton, Howell, will close as a public payment location at the end of the business day Friday, July 31.

Russell H. Engelhardt, manager said that beginning Saturday, Aug. 1, Brighton customers may make payments at the Brighton State Bank and Hamburg Pharmacy during hours those businesses are open. Brighton customers who wish to discuss telephone matters with a company representative on the telephone will dial 546-9911, and ask for the business office.

All customer records for Brighton will be located at the Lansing business office, where trained personnel will handle such calls.

It was emphasized by Engelhardt that there will be no charge for those calls. Engelhardt will continue to serve the Brighton community as his firm's area manager.

# Taxpayers, Officials Object To State Land Purchase in County

City and county officials, as well as residents and taxpayers appeared Wednesday night before the House Interim Legislative Committee with members of the Conservation Department. They voiced their objections to the proposal of the Michigan State Conservation Dept.

to dam the Murray Lake branch of Ore Creek and make a 514 acre lake by submerging the land with nine feet of water.

Most people who own property in the area involved said they do not wish to sell to the department.

Miss F. Evelyn Cunningham, whose father opened Cunningham's subdivision on Appleton 40 years ago, spoke for homeowners, as did Rev. Beyer who owns a summer home there. Rev. Beyer and Miss Cunningham had gone to a Conservation Dept. meeting in Petoskey where Miss Cunningham said she was informed that she must make previous arrangements in order to speak at the meeting. Rev. Beyer, however, spoke at that time.

Most people feel that the State is purchasing too much property for recreational facilities, working a hardship on those who wish to develop their own land.

Rev. Beyer said that while he believed in conservation, he also believes in human rights.

Arthur C. Elmer, chief of the division of parks said that the department had been planning the Brighton Recreation Area for several years, and that approximately \$12.00 per car per day is generated in local business.

This statement was later repudiated in the testimony of local businessmen who protested that visitors to the parks usually buy gas in Detroit because it costs less.

Expressing the feelings of most area businessmen present at the hearing was Paul DeLuca of Brighton, when he said:

"They bring their lunch with them."

Mr. DeLuca has been in business here for 25 years and owns property in the area which will be affected.

If the new lake is made plans call for the extension of Lee Rd. Mayor Heller of Howell and chairman of the Board of Supervisors, said that if the state can afford the expansion of Lee Rd, he could see "no reason why they can't improve the roads to Bishop Lake."

Brighton's Martin Lavan said, in his testimony, "The road to Bishop Lake is as fine a washboard as you'll find in southeastern Michigan."

Mayor Heller asked the Conservation Dept. to "take the squeeze off of us." He expressed the county's need for roads and said that every dollar taken off the tax rolls takes roads away.

If the State buys the land it wants it is not, under the present legislation, required to pay taxes on property listed as unimproved. Heller pointed out the fact that Livingston County is No. 3 in summer camps in Michigan and that many of these are tax free. He felt that the county cannot stand any more decrease in its tax base.

"Any county," he said "that takes three years to build part of a road to Pinckney is not rich."

One facet of the problems that increased recreational facilities would bring is the need for added police protection.

Sheriff Gehring, Howell, said regarding this, "we have all the problems we can handle right now."

His men are called on weekends and holidays to Bishop Lake to take care of problems the park rangers cannot handle. He and his men work as many as 18 hours at these times at Bishop Lake, he said.

Questioning Supervisor Lavan on the matter of police protection, Rep. Thomas G. Sharpe asked, "How much does the Conservation Dept. pay for police protection?"

"Not one dime," Lavan answered.

"How much money is paid the fire department?" Sharpe continued.

"None," answered Lavan, "and if you keep asking those questions you'll think I'm your straight man."

Mayor Cooper of Brighton testified that in talking to businessmen he had found the majority to be against bringing more people in for recreation purposes.

"They ruin the streets and overtax the police dept, and I don't think they spend too a day."

Joseph H. Ellis, county clerk, said that he felt private individuals should be afforded a chance to develop this land. He cited Lake Moraine as an example of what can be done.

"Land acquisition is eroding the tax base in Livingston County," he said.

There were several expressions of concern regarding water levels. Most people who testified in this regard felt that the existing lakes in the area, which are already having problems, could not stand the addition of another lake of the size proposed.

T. R. Tucker, of the Conservation Dept. said that the department, which already owns 4% of the land needed for development, is at the "point of no return."

The Department, if it is unable to purchase the land, will take the matter to court for condemnation and will exercise its "right of eminent domain."

If the matter comes to court 12 jurors would decide if the Department has a right to the property. Martin Lavan pointed out that the 12 jurors would have to decide "necessity" and would be selected from this county. It was his feeling that local jurors would not decide for the Department.

## Pleasant Valley Sidelights

VIRGINIE HOUSNER AC 9-7885

Mr. and Mrs. Donald Warner and daughter Carol and Donna returned home Saturday morning after enjoying a six day vacation traveling through the northern part of Michigan. They visited Sault Ste. Marie, went through the Locks and visited Mackinac Island as well as taking in other scenic trips while away.

Other vacationers returning to their home Sunday night were Mr. and Mrs. Joe Voorhis and daughters, Sharon and Mary Jane. They also left on Monday morning and took the North Shore Circle Drive around Lake Superior, visiting many points of interest. Several Falls, including the Cascade Falls that contains seven different drops. At Wawa they visited the sawmill which is completely electric now and also visited the Taconite Mill, iron mine at Lakefield where the shaft leads over 3,000 feet below and took the guided tour of the copper mines at Hancock. Through out their trip they saw much wild life which included wild bear and a cub at Terrace Bay. While coming home a doe and her fawn crossed the highway, so all in all the girls enjoyed their vacation trip.

Mr. and Mrs. Paul Pipoli and children returned home Sunday evening after camping with their house trailer at Higgins Lake, where the family enjoyed swimming and the usual campers life.

Mr. and Mrs. Burr Gleason, who observed their 13th wedding anniversary Friday, April 13, took a trip to Chatham, Ontario, Canada the weekend of July 4th and visited Mr. and Mrs. Douglas Grochowski. Throughout their nine day trip they visited many places of interest in Canada including Niagara Falls.

Get well wishes are extended to Mrs. Clayton (Irene) Price who is a patient at Mt. Carmel Hospital in Detroit.

Also to Mrs. Don (Thelma) Armstrong who underwent surgery last week at Ford Hospital in Detroit.

Jean Harvey was transferred by Keohn Ambulance back to McPherson Community Health Center last Friday after being at St. Joseph Mercy Hospital since her auto accident July 4th.

Mrs. Ruby Hutchings of Hacker Lake was taken by

Keohn Ambulance to McPherson Community Health Center in Howell Sunday.

An error in last week's paper was discovered which read that Dennis Falk, son of Mr. and Mrs. Raymond Falk had stitches in his ear following an auto accident Saturday, July 11 in Detroit. Dennis had a cut lip with his father "Whitey" the one with the injured ear and stitches. Whitey also suffered a skull fracture and Annie (Mrs. Falk) remains a patient at St. Mary's Hospital in Detroit. She submitted to surgery last Tuesday evening after it was discovered she had a ruptured spleen. Christy is doing real well with her cast about her shoulders, and all the friends and neighbors of the Falks are wishing them a speedy recovery and hope to see Annie back home real soon. Sunday afternoon callers at the home of Mr. and Mrs. Wesley Housner and family was the latter's brother-in-law and sister, Mr. and Mrs. Elmer Holloway and daughter of Howell.

Larry Lytton, son of Mr. and Mrs. "Corky" Lytton enlisted in the United States Army and went to Detroit this past Monday for his physical and tests. The Lytton family purchased the Alfred Cameron home out here.

Mr. and Mrs. Russ Mogan were hosts Saturday evening to a group of young boys and girls in the neighborhood when they took them on a hay ride and held a weener roast in their woods, better known to we neighbors as Morgan Woods.

Mrs. Robert Chenoweth and Mrs. Floyd Shelters honored Mrs. Robert McKenney last Wednesday evening with a stork shower. The guests arrived at the Shelters home where decorations in pink and blue to befit the occasion, adorned the dining table. A large pink and blue umbrella held the honored guests gifts, for the little newcomer. Loving refreshments were served by the hostesses.

Gary and Brian Shelters, sons of Mr. and Mrs. Floyd Shelters are spending two weeks with their aunt, Mrs. Jack Wylie and cousins near Fowlerville.

APPLICATION, PROCEDURE**

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence duplicate registration cards, and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths, and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

**UNREGISTERED PERSONS NOT ENTITLED TO VOTE**

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof shall not receive the vote of any person whose name is not registered in the registration book of the township, Ward or Precinct in which he offers to vote.

**TRANSFER OF REGISTRATION, APPLICATION, TIME**

SEC. 506. Any registered elector may, upon change of residence within the Township, City or Village, cause his registration to be transferred to his new address by sending to the Clerk a signed request stating his present address, the date he moved there to and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in the proper precinct file. Such transfers shall not be made within the 30 days next preceding any election or primary election, (unless such thirtieth day shall fall on a Saturday, Sunday or legal holiday, in which event registration transfers shall be accepted during the next full working day, provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided 30 days next preceding any election or primary election.

**TRANSFER OF REGISTRATION ON ELECTION DAY**

SEC. 507. Any registered elector who has removed from 1 election of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and, if the signatures correspond, then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such elector's registration in accordance with the application. When the name of any street or resident house number in any Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of the street or resident house number in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

**Edward Rettinger, Township Clerk  
Hamburg Twp.**

## Methodist Church Happenings.

On Sunday, July 12th, most of the congregation of the First Methodist Church remained for a special reception for Cathy and Anne, Ellen and Robert Brubaker. Coffee and cookies were served and all seemed to enjoy the opportunity of sharing with the new pastor and his family.

The official board of the First Methodist Church of Brighton met for their monthly meeting, Tuesday, July 14, at 8 p.m. Paul Kingsley served as chairman. Mrs. Clay Witt, reporting for the Commission on Membership and Evangelism, suggested that an attempt be made beginning August 16 to register attendance during the services of worship in order to discover people who need to be called on during the week.

The board decided to give the project a 90 day trial period, 1,000 calling cards picturing the church structure will be ordered and distributed among cottages and subdivisions in the area. Mr. David App announced that a new sign will be set up in front of the church in the near future. A thorough study of parsonage relocation will be made by the board which will act on their recommendations July 26. Robert Brubaker spoke of the need for a part-time secretary, monthly pastoral letters, and fellowship groups in the life of the Church. Prayerful concern was shared with all those ill in hospitals and homes.

On Wednesday, July 15, at 8 p.m., the parsonage committee met at the home of the Robert Brubakers to consider the need for parsonage improvements. Present were Mrs. Leo Fitzmaurice, Mrs. Clarence Buxton, Mrs. Lyman Daniels, Mrs. I. L. Bailey, Mrs. Robert Brubaker, Mrs. Ralph LewAllen, Lyman Daniels, and Robert Brubaker. The committee thoroughly discussed the need for and prices of new drapes, a new carpet, and paint for the parsonage, agreeing to recommend the purchase of all three.

The Woman's Society Retreat Committee met to plan a fall retreat on "Inner Peace For A Busy Life." A schedule was drawn up, leaders were considered, and the date was set for Thursday, September 10.

## St. Patrick News Notes

Mrs. John Pennala, Publicity Chairman for the "Happy Holiday" to be held on the grounds and in the Shamrock Room, in the basement of St. Patrick's Church, Brighton, on August 16, 1964 all day — wishes to remind all of the Poster Art Contestants to be sure and have their Posters in to the Rectory, the basement of the church, or to her home at 324 N. Second Street, Brighton, by 7:00 Friday evening, July 24th.

The Posters should be no smaller than 12 inches by 14 inches, and no larger than 16 inches by 24 inches. They should advertise the Happy Holiday Affair, on the dated listed above.

As a help to those who are still looking for ideas — there will be many booths, featuring items such as toys and garments for the children, candy for that sweet tooth, baked goods to satisfy "the inner man," gifts and decorations for Christmas, and other holidays plants, etc. for the nature lover, a Parcel Post booth for the inquisitive, and the adventurer, sloppy juice, ice cream and cake, hamburgers, coffee, pop for the hungry.

The men are planning games and events to be held in the parking lot. All day, as well as their regular pancake and sausage breakfast in the morning.

We hope everyone will be there.

So many and get those posters in. Prizes will be awarded in four age groups — 10 and eleven year olds; 12 through 14 year olds; 15 through 18 years olds; and those over 18.

## Awards in Conservation Information

Director Ralph A. MacMullon looks on as another plaque is added to the Conservation Department's growing lineup of national awards for information and education programs. The latest award being put into place by news editor Richard Lehman is for the Department's news service which recently drew top honors for its second straight year from the American Association for Conservation Information. By giving it up as first-place plaques honoring those each for the Department's bi-monthly magazine, "Michigan Conservation," and its television service. Also standing tall are "winners" row are awards for the "Michigan Deer Story," "The Michigan Deer Story," and "Michigan White-tails," and the "Michigan Deer Story." — MICH. DEPT. OF CONSERVATION

## Letter to the Editor

Every American citizen 21 years old or over has the constitutional right to vote but there are certain things you must do before you can cast your ballot. Prior to August 3rd, you must have registered with election officials of Green Oak Township. You may register at the Green Oak Township Hall on August 1st between 10:00 a.m. and 4:00 p.m., or at the home of the Township Clerk, 8240 Academy Road, Tuesday through Friday between 8:00 a.m. and 8:00 p.m.

On Friday, Election Day, September 1st, go to the polls in the Precinct in which you live. Indicate your vote on special voting machines and be sure to vote the party of your choice.

To vote intelligently you must keep informed. Learn the issues. Know the candidates and their positions. Then make up your own mind.

Voting is one of our most precious rights. It is your duty to preserve it by going to the polls on election day.

No one can force you to vote but to protect your own interest and those of your community, it is most important that you cast your ballot.

## Christian Science News

"The time for thinkers has come. Truth independent of doctrines and time-honored systems, knocks at the portal of humanity."

These words from the opening preface of the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy will help set the theme of a bible lesson on "Truth" to be read at Christian Science churches this Sunday.

Responsive reading will include these verses from Psalms: "Truth shall spring out of the earth, and righteousness shall look down from heaven . . . Teach me thy way, O Lord; I will walk in thy truth; unite my heart to fear thy name."

The Michigan State Fair, Aug. 28 through Sept. 7, again this year will feature music all over the Fairgrounds, with strolling bands playing music of many lands.

Buck Owen, Faron Young and other stars of the Grand Ole Opry will perform before each of the Coliseum horse shows at the 115th annual Michigan State Fair, Aug. 28 through Sept. 7.

# 4-H At The Fowlerville Fair

Nearly 2,000 4-H exhibits will be entered at the Fowlerville Fair, Tuesday, July 28th. These exhibits will be on display in the 4-H Building, 4-H Barn and a Livestock Tent. The judging of these exhibits will take place on Tuesday, Wednesday and Thursday. The 4-H Foods, Freezing and Canning projects will be judged on Tuesday.

The Fat Stock sale held Friday, July 31st at 3:30 p.m. will climax the 4-H Beef members' auction animals. 35 steers exhibited by about 30 4-H members will be sold at the sale. Each of these steers was weighed last December and will be weighed again Tuesday night by the 4-H Fat Stock committee in order to determine the rate of gain of each animal. In addition to the Beef animals a few pens of Market lambs and Hogs will be offered for sale. Ed Gottschalk of Howell will be the Auctioneer at this 4-H Fat Stock sale.

Thursday night the 4-H will feature an exciting program in front of the Grandstand. All of the entertainers will be 4-H Club members. The program will begin at 7:45 p.m. with Organ Music played by Patricia Geer, followed by a group of 4-H Folk Dancers from Kalamazoo County. At 8:00 p.m. the Livingston Dairy Queen and her Court will be introduced followed at 8:05 by the parade of all 4-H Livestock. Other events featured will include the 4-H Dress Review Honor Roll; and Share the Fun entertainers (Joanne and Mary Anne Favreau, of Howell; Sue Ingram of Mason; and Judy Donohue of Gregory); and a 4-H Speed and Action Horse Show under the direction of Thomas G. Sharpe. A colorful display of

Fireworks will conclude the program. **4-H COUNCIL SPONSORS TASTY MEALS IN 4-H BUILDING KITCHEN** The 4-H Council is again offering a complete menu of tasty meals in the 4-H Building. Hot Beef Sandwiches and meat each day, along with Short Orders will be featured. Each 4-H family will be providing a homemade fruit pie to compliment your meal. The entire kitchen operation will

be headed by volunteer leaders, parents and many 4-H Club members. **FAT STOCK COMMITTEE FEATURES MEAT TRAILER** The 4-H Fat Stock committee has invited the Michigan Livestock Improvement Association to present an educational exhibit and program related to desirable Beef carcasses. Along with 3 slides of beef, several of the popular beef cuts will be on display in the refrigerated meat trailer.

On Thursday, the day of the Beef show, Pat Brown, Manager of the M.L.I.A. will be discussing the carcasses on display. The carcasses on display will be made available through the cooperation of Joe Harris and Diamond Dot Market, Howell, Michigan. **4-H COUNCIL PLANNING TO SELL PLAT BOOKS** The Livingston County 4-H Council is planning to sponsor a revised edition of the County Plat Book

## Old Savings Bonds Still Good

**Question:**  
I own some Series E bonds bought in August, 1944. Am I required to turn them in for redemption in August of this year?

**Answer:**  
Absolutely not. Series E bonds bought between May, 1941, and May, 1949, have been given two 10-year extension periods which, in effect, make them 30-year bonds. You can continue to hold your bonds and earn interest at a straight 3 1/2% compounded semi-annually on the basis of their present value, for at least another 10 years.

**Question:**  
Is the Federal income tax on the accrued interest on Series E bonds deducted at the time they are cashed?

**Answer:**  
No. You are requested to list your taxpayer identification number (usually your Social Security number) when you redeem an E bond, but this is not mandatory. You would list the accrued in-

terest on your regular income tax return for the year in which you cashed the bond. But, remember: this interest is not subject to State or local income taxes.

**Question:**  
I purchased two bonds for other people, only to discover that I had been victimized by a chain letter scheme. What do I do with the bonds now?

**Answer:**  
You are lucky you learned so quickly. The Treasury does not condone sale of Savings Bonds in connection with a chain letter scheme. Your recourse is to write a full letter of explanation, enclosing the bonds, to the Bureau of Public Debt, Division of Loans and Currency, 536 South Clark Street, Chicago, Illinois 60605.

Have you something to do tomorrow; do it today. —Benjamin Franklin
